Ross: This is a girl that I really like and had too swoop in there!

Monica: What's goin' on?

Ross: Chandler was totally flirting with the hot delivery girl!

Chandler: Thank you for that! (To Monica) I was not flirting.

Monica: It's okay. I don't care. It's uh, it's fine.

Ross: Really?!

Chandler: Really?!

Monica: It's no big deal, I do it all the time.

Chandler: (starts to laugh, but then gets serious) So umm, you-you flirt with guys all the time?

Monica: Sure! It doesn't mean anything! Just like I know it doesn't mean anything with you!

Chandler: Okay, but there is a big difference. You are a lot hotter than I am.

Joey: (walking past) True story! (Goes and sits down.)

Monica: Chandler, this actually bothers you?

Chandler: Yes, it does bother me! And I think it would bother a lot of people. Rachel, when you were going out with Ross, did it bother you when he flirted with other women?

Rachel: Uhh, no, no, it bothered me when he slept with other women.

Ross: And thank you, for that.

Rachel: But y'know, I never really had anything to worry about. Ross was never very good at the flirting thing.

Ross: What? (Mumbles) What-what, what are talking about? It-it worked with you.

Rachel: Oh! Y'know what? You're right! We meet, you flirted and then **bamn** nine years later you had me!

Ross: All right, all right. You-you-you know what I'm going to do? I am going to order another pizza and when Caitlin gets here, you-you-I will show how well I flirt. Yeah! I will, I will get her phone number! (To Chandler) And not the one on the menu!

Phoebe: (entering from Rachel's bedroom) I found it!

Rachel: Ohh! Thank God! Where was it?

Phoebe: On your dresser.

Rachel: Okay that is the one we already have!

Joey: Okay, here's my big scene. My big scene's here! (They have two of the cops on the street, then they cut to where they're entering an apartment.) Oh my God.

Monica: What?

Joey: (smiling) Okay, everybody just keep smiling. It'll kill my grandmother if she finds out.

Chandler: (smiling) Well, what is it?

Joey: (smiling) Oh, they cut me out of the show.

Rachel: (smiling) What?!

Ross: (smiling) Are you sure?

Phoebe: (smiling) Maybe your scene's coming up?

Joey: (smiling) Not likely. 'Cause you see that body bag right there

Rachel: (smiling) Yeah.

Joey: (smiling) I'm in it.

Commercial Break

[Scene: Monica and Rachel's, it's continued from before the commercial break.]

Phoebe: (smiling) This is terrible, what are you going to do?

Joey: (smiling) I don't know. This little, old lady lives for my career. When they dumped me off of *Days of Our Lives* she almost died.

Phoebe: (not smiling) That's not good.

Joey: (smiling) No, smile! Not that face, smile! Everybody smile! (They all smile.)

Rachel: (smiling) Joey, why don't you just tell her what happened? It's not your fault.

Chandler: (smiling) If we keep talking this way, aren't we gonna freak her out soon?

Grandma Tribbiani: (Something in Italian to Joey.)

Joey: Soon, soon, I'm gonna be on soon. There I am! (Points to the screen, of course it isn't him.)

Grandma Tribbiani: (pointing at the screen) No! Sam Waterston!

Joey: No-no-no, that-that's me, that's me.

Grandma Tribbiani: No, it's Sam Waterston! *Crimes and Misdemeanors*, *Capricorn One*.

Chandler: Doesn't know, "Hello." But she knows *Capricorn One*.

(Phoebe gets up.)

Monica: (following her) Phoebe! I have to have those earrings, we're going to leave as soon as the show is over.

Phoebe: But I already gave them back to you!

Monica: No you didn't.

Phoebe: All right, I already didn't give them back to you, that's what I said. (Walks away over to Rachel.) Where is that other earring?

Rachel: It's not here Phoebs, it's not here. Ohh, I went to Joey and Chandler's last night! Okay! (Goes to the door.)

Phoebe: Make sure you check Chandler's jewelry box.

Rachel: Wait a minute. Chandler has a jewelry box?

Phoebe: Okay, we have like ten minutes. Do you want me to get into that now?!

(Rachel heads for Joey and Chandler's and Phoebe heads for the kitchen to find Ross.)

Ross: (To Phoebe) Hey Phoebs! How's that uh, vegetarian pizza working out for ya? You and those vegetables have a real thing going on, huh?

Phoebe: (she just looks at him) Why are you being weird?

Ross: Do you like it?

Phoebe: No, that would be, "Why are you being cute?"

Ross: Okay, I'm working on my flirting.

Phoebe: Ohh! I did not get that.

[Cut to Chandler and Monica on the couch.]

Chandler: So uh Monica, do you, do you like the *Law & Order*?

Monica: Yeah, it's good.

Chandler: See, I'm finding out all this stuff about you today, like you like the *Law & Order* and that you flirted with every guy in the Tri-State area!

Monica: Chandler! (Joey and his grandmother shush them and wave them away, which they do.) Okay, let me get this straight, it's okay for you to flirt, but not for me.

Chandler: Oh, I'm so glad we cleared that up. Look, I'm sorry, some things are different for men and for women.

Monica: Go on, teach me something about men and women.

Chandler: Okay, I've already taught you so much already, but whatever. See when you flirt with a guy you think, "I'm just flirting, no big deal." But the guy is thinking, "Finally! Somebody who wants to sleep with me!"

Monica: No way!

Chandler: It's true.

Monica: Well that's pathetic!

Chandler: Again true.

Monica: And this goes for all guys?

Chandler: All guys that are awake. Then we go to sleep and then all the guys from the other end of the world wake up and behave the exact same way.

Joey: (To Ross in the kitchen) All right, it's another commercial; I still haven't told her!

Ross: Joey! This is like the last commercial. You've got like (checks his watch) ten minutes left!

Joey: I know, I know! What am I going to do? (Thinks) Ooh!

Monica: No! You are **not** gonna run out and leave her here!

Joey: (dejected) Yeah, all right. (Thinks of something.) Ooh! (He quickly runs out before anyone can stop him.)

Grandma Tribbiani: Joey!

Chandler: Uh, Joey is gonna be right back. Right back! (Tries to pantomime it for her.) Meanwhile, let's-let's-let's talk about you. (Pause.) So, you're old and small.

[Time lapse, Rachel is coming back from Chandler and Joey's.]

Rachel: (entering) (To Phoebe) (whispering) Hey!

Phoebe: Did you find it?

Rachel: The earring? No. But look, I found my sunglasses under the couch! I've been looking for these since like last summer. (Puts 'em on.)

Phoebe: Okay, those are my sunglasses, you borrowed them from me.

Rachel: Okay, calm down, here they are. (Gives back the sunglasses.)

Monica: (entering from her room) Phoebe! (Motions for the earrings. Phoebe gives her the one-minute sign.)

Phoebe: (To Rachel) What are we going to do?!

Rachel: I don't know, I don't know.

Phoebe: All right well, we're just gonna have to tell Monica, that's all.

Rachel: Oh gosh, she's going to kill me.

Phoebe: I suppose I could tell her it's just all my fault.

Rachel: Ohh that'd be great!

Phoebe: Mon, can I talk to you for a sec?

Monica: Yeah, what is it?

Phoebe: Umm, I lost one of my earrings. I'm sorry! I am so, so sorry!

Monica: (shocked) Wow! All right well, I mean, what can you do? If you lost it you lost it.

Phoebe: I will replace it, I promise. I feel so terrible.

Monica: All right, sweetie that's fine. You didn't do it on purpose.

Phoebe: No.

Monica: Look at you! Come here! (They hug.) Feel better?

Phoebe: Yeah! You're the best!

Rachel: Okay, wait a minute. Wait a minute, I-I-I, I can't do this. Listen honey, this is, it's not Phoebe's fault. She lent me the earrings, and I lost it. I'm so sorry. Honey, I feel terrible too. (Holds out her arms for a hug.)

Monica: (angrily) That is **exactly** why I do not lend you stuff!! (Rachel looks over at Phoebe in resignation.) Okay?! I mean, first it's my jewelry! And if it's not my jewelry, it's-it's my blue sweater! And if it's not my sweater, it's my sunglasses!

Rachel: Your sunglasses?!

Monica: Yes!

Phoebe: Oh, right! (Hands Monica back her sunglasses.)

Caitlin: (from outside) Pizza!

Ross: (running to the door) Oh, mine! Mine! Mine! (to everyone) Okay, here goes. Prepare yourselves for some Class A flirting.

Chandler: Okay, hold on. (Pauses as he readies himself.) Okay. (Walks away.)

Rachel: Honey, you have nothing to prove. And if you really like this girl, I don't flirting is the right thing to... (Ross interrupts and shushes her.)

Ross: You'll see. Okay. (Readies himself.) Oh, what's-what's her name?

All: Caitlin!

Grandma Tribbiani: Caitlin!

Ross: (He opens the door while faking a laugh.) Hey! Oh, we-we can't keep eating like this. (Monica turns her head in shame.)

Caitlin: It's uh, \$12.50.

Ross: Okay, (gets the money) so, do you make the pizzas in one of those uh, wood-burning ovens?

Caitlin: No actually umm, I think that they're umm, gas.

Ross: Gas? Wow! Intense.

Chandler: (To Monica) If this is the way all the Gellers flirt, we don't have a problem.

Ross: (to Caitlin) Hey uh, y'know that smell gas has?

Caitlin: (wanting more than anything to get the money and leave this horrible, horrible place) Yeah.

Ross: They put that in.

Caitlin: What?!

Ross: The gas is odorless, but they add the smell so you know when there's a leak.

Caitlin: (getting more desperate to leave) Well okay!

Ross: A lot of other gas smells...

Chandler: Oh the humanity.

Ross: Meth-methane smells...

Caitlin: Y'know what umm, actually I, I really, I should go.

Ross: Oh but I-I-I haven't paid you yet!

Caitlin: Y'know what? That's okay, you guys have ordered so many that this one is on me! (Runs for her life.) (Ross closes the door slowly.)

Ross: (To All) Was I talking to her about gas?

Chandler: More so than anything else.

Phoebe: I-I-I found it interesting.

Rachel: I'm sorry.

Ross: Look, no-no, hey, hey, don't worry about it! In nine years, she and I will be right there. (Goes and sits on the couch dejectedly.)

Rachel: Okay, well, I'm gonna clear out some of these boxes. (She grabs a couple of the old pizza boxes and exits.)

Phoebe: (walking over to Ross) Ross?

Ross: Yeah?

Phoebe: What else do they add smell too?

[Scene: The street outside the building, Rachel is running to catch up with Caitlin.]

Rachel: Hey! Hey! (Stops Caitlin) Hi! Hey-hey-hey, I'm Rachel! From upstairs? The ones with all the pizza?

Caitlin: Oh, is there a problem?

Rachel: No. No. Every thing's--they're fine. Great pizza. But it's uh, actually umm my friend Ross. He uh, just gets really nervous when he's flirting.

Caitlin: Oh my God! That was flirting?!

Rachel: Yeah.

Caitlin: Wow!

Rachel: I know, I know, but uh just, I'm telling you, once, once you get past that part, that where it-it just feels like you wanna die, he's-he's really a good person.

Caitlin: The guy with the gas?!

Rachel: Yeah. I'm-I'm telling you he's really sweet and he's really funny and he's just ugh, got a good heart. And besides, I y'know, I think he really likes you.

Caitlin: Really?!

Rachel: Well y'know, we have 7 people and like 10 pizzas, what do you think?

Caitlin: I just, I thought Joey was there.

[Scene: Monica and Rachel's, Phoebe, Chandler, and Joey's grandmother are still watching *Law & Order*.]

Rachel: (entering) Hey Ross? Umm, I just ran into Caitlin in the hallway and-uh, you must be getting better at this flirting stuff than I thought.

Ross: What do you mean?

Rachel: Well, I don't get it, but she wanted me to give you her phone number. (Hands him the slip of paper with the phone number on it.)

Ross: And she just gave you this?

Rachel: Yeah!

Ross: Rach, thanks but uh, I don't need you doing me any favors.

Rachel: I-I-I didn't! I didn't! She thought you were cute.

Ross: Well that I can believe.

Rachel: Yay!

Joey: (entering) Hey! Is the show still on?

Chandler: Almost over man.

Joey: (says hi to his grandma) Look! Oh! (Pointing out the window.) Is that the Pope?! (Chandler and his grandma turn to look and Joey slips a tape into the VCR.)

Chandler: Why am I looking?
Joey: Oh, here I am, here's my big scene!
 [Joey has made a little home movie that's his big scene. He braces himself against the door to his apartment and while holding a plastic gun and wearing the same sweater says...]
Joey: (on the tape) All right back off! I gotta gun! I'm not afraid to use it!
 Grandma Tribbiani: Oh Joey!
Joey: That's right!
Chandler: You couldn't have at least changed your shirt.
Joey: (on the tape) Now, I wanna a suitcase filled with 100,000 dollars. (The duck quacks, to the duck) Choo! Choo! Choo! (To the imaginary cops) Filled with \$100,000 in small bills, and if I don't get it... (the duck quacks louder) Choo! And if I don't get it, (pause, picks up the duck) I'm gonna shoot this duck!
Phoebe: Oh no!
Joey: (on the tape) I'm comin' out! (He opens the door and hops out pointing the gun in all directions and then runs out of view.)
Ross: (To Phoebe) And she's supposed to buy this?!

Grandma Tribbiani: Joey, bravo! (Starts with that Italian stuff again.)
 (Suddenly, the tape cuts away from Joey's impromptu scene, to Chandler standing really, really close to the camera.)
Chandler: (singing) Ground control to Major Tom! Commencing countdown...engines...on!
 (Joey and Chandler both run to shut off the tape.)
Joey: (to his grandmother) That's uh, scenes from next week's show. Next week's!
Phoebe: I am **definitely** gonna watch that!
 Ending Credits
 [Scene: Monica and Rachel's, another time lapse, Monica is seeking advice from Rachel and Phoebe about possible replacement earrings.]
Monica: What about these? These look the same?
Phoebe: Definitely!
Monica: Not as each other!
Phoebe: Oh, then no.
 (Goes over to Chandler.)
Chandler: (To Monica) Hey!
Monica: Hi!
Chandler: You ready?
Monica: Yeah.
Chandler: You look amazing. I'm the luckiest man in the world.
Monica: Ohh, you're about to get a little luckier.
Chandler: Let me see the earrings.
Monica: Oh, honey, the earrings...
Chandler: (looking at them) They look great! Does your boyfriend have the best taste or what?
Monica: My boyfriend really does have good taste!
 (He turns to get his coat and Monica gives Rachel and Phoebe two thumbs up as Chandler walks over to Ross.)
Chandler: (To Ross) Thanks for picking out the earrings man.
Ross: Hm-mmm.
 End

521 The One With The Ride Along

[Scene: Central Perk, Chandler, Rachel, Joey, and Monica are sitting on the couch as Ross is up getting some coffee.]
Monica: Okay, guys, listen, don't forget that tomorrow is the day that Emily gets married again, so whatever we do, just try to really keep Ross's mind off of it.
Joey: Oh, yeah, good idea.
 (Ross returns.)
Chandler: Hey man, what's up?
Ross: (sits down at the table) Oh, eh, just thinking about Emily getting married tomorrow. (Joey panics.)
Joey: Ooh, Ross, look! Look! (Points behind Ross.)
Ross: (turning and looking) What? Where?
Joey: Right over there! Right there! Look-look-look!
Ross: What am I looking at?
Joey: (to the rest of the gang) Somebody help me out here!
Phoebe: (entering, with Gary) Hey!
Gary: Hello!
Monica: Hey!
Gary: How are you?
Phoebe: Monica, I'm sorry I didn't come by last night. I was out with Gary; he let me ride around with him in his cop car. We saw and prevented crimes.
Joey: You got to go on a ride along?!

Phoebe: Uh-huh!
Joey: I want to go on a ride along!
Ross: Me too!
Gary: Okay!
Chandler: Yeah, yeah! Me too!
Gary: Really?! You?
Chandler: Yeah.
Gary: Well, it's kinda dangerous.
Chandler: Well, I like danger.
Gary: Okay, you guys free tonight?
 Joey and Ross: Yeah!!
Chandler: Tonight? You-you didn't say it was going to be at nighttime.
 Opening Credits

[Scene: Monica and Rachel's, Monica is kneeling at the coffee table and has a bunch of pictures laid out in front of her as Rachel enters.]
Rachel: Hey!
Monica: Hey! Oh, I'm so glad you're home, I thought tonight we could **finally** organize these photos!
Rachel: Ohh, thank God! **Finally!**
Monica: Okay, I've broken them down into categories. Okay, we have uh, we got holidays, birthdays, candid, y'know... And then what I've done is I've cross-referenced them by subject. Right? So if you're looking up, oh let's say birthdays and dogs, you get Photo 152. See? (Hands her the photo.)
Rachel: Ohh, it's me and La Pool! Wow! I miss that dog.
Monica: You can also find him under umm, dog and dead.
Rachel: Great! Thanks!
Monica: All right, hand me that other box of photos; that's the very last one.
Rachel: Okay.
 (She picks up the box and the bottom falls out, spilling all of the pictures onto Monica's neat little piles.)
Rachel: Oops. Sorry! Well, good thing you number all of them, huh?
Monica: I hadn't! Photo 152 was a prototype.
Rachel: Ohhhh. Honey, honey, honey, it's okay, it's okay honey. I'm gonna fix you a drink, huh? Maybe a margarita?
Ross: Ross has the blender! Ugh, everything's just falling apart!
Rachel: No honey, it's okay! Listen, I'll got to Ross's and get the blender, you get all the margarita stuff ready.
Monica: All right, he's keys are in the drawer. Y'know what? I also need some cash.
Rachel: Okay, you want me to stop at the ATM?
Monica: Nah, while you're at Ross's if you see any lying around...
Rachel: What?!

Monica: What?! I-I-I don't, I don't do that!
 (Rachel slowly leaves the apartment.)
 [Scene: Gary's cop car, Ross is in the front seat with Gary of course. Chandler is in the back seat.]
Ross: (to Gary) That was so cool man, the way you leaned on that guy.
Chandler: It is starting to get dark out there.
Ross: (to Gary) He told you everything! I mean you totally cracked him!
Gary: Yeah well, being that he was the victim, they're usually pretty talkative.
Chandler: (laughing) Okay. (Deadpan) But it is officially nighttime.
 (Gary reaches up to grab that little light that cops have for unmarked cop cars.)
Ross: Oh hey, Gary, want me to grab the berry for ya?
Gary: It's called the cherry.
Ross: It's the—Chandler!!
 (Chandler starts laughing at his joke.)
Joey: (returning from a deli) Okay, I got it! This place makes the best sandwich in the world!
Gary: Hey Joe does it have meatballs on it?
Joey: Oh-ho, yeah!
Gary: Does it have melted cheese and marinara sauce?
Joey: Yep!
Gary: Yeah, you can't eat that in my car.
Joey: (dejected) Yeah okay. (To Chandler) Even though my tax dollars paid for this car.
Chandler: Your tax dollars?
Joey: Yeah, okay.
 [Time lapse, they're still on the ride along and Joey is just sniffing his sandwich.]
Chandler: (leans in and takes a sniff of Joey's sandwich) Wow! That sandwich really does smell good.
Joey: Did I say you could smell it?!

Chandler: I can't smell your sandwich?
Joey: Half the taste is in the smell! You-you're sucking up all the tastiness!
Chandler: Okay, I'll give them back. (Exhales strongly through his nose and Joey just glares at him.) Look! What is so great about that sandwich?
Joey: Okay, imagine the best sex you've ever had.
Chandler: Okay.
Joey: Are you thinking about Monica?
Chandler: Yeah.
Joey: Yeah, what's that like?
 [Scene: Ross's apartment, Rachel is just entering. She takes off her coat and heads for the kitchen. As she does, she knocks something off of a bookcase next to the kitchen door with her coat and it breaks.]
Rachel: Ohh please don't be from a real dinosaur! Please! Please! Please! Please! Please! Please! (She picks up the 2 pieces and looks at the stand.) Made in Mexico! Yes!! Ugh, who would buy this?! (Looks for a place to hide it and finds a wall sconce and drops the pieces into it and heads into the kitchen as the phone rings.)
Monica: (on the answering machine) Rach! It's me! Pick up!
 (Rachel runs over and answers the phone with the blender in hand.)
Rachel: Hey! What's up?!

Monica: I need a few more things to make the margaritas. Uhh, I need some salt, some margarita mix, and tequila.
Rachel: So all we have is ice?
Monica: See if he has ice.
Rachel: Okay.
 (She hangs up the phone and starts to head back to the kitchen and notices some money lying out, stops, reaches down to pick it up, the phone rings causing her to drop it, she quickly puts it back, and heads for the kitchen.)
Emily: (on answering machine) Hello Ross? It's Emily. (Rachel runs back into the room with the tequila.) I know this is out of the blue but uh, I'm getting married tomorrow. Well, maybe I am. I keep thinking about you and I'm wondering if-if we made a mistake giving up so fast. Are

you thinking about me? Of course you're not, but if you are, call me tonight. Okay, bye.
Rachel: Oh. Oh! (Takes a slug of tequila.)
 [Scene: The ride along.]
Ross: So where are we going next?
Gary: This witness won't return my calls so we're gonna see if we can surprise him coming home.
Chandler: Sur-surprise him? We're not, we're not gonna make anybody mad are we?
Joey: Come on man! (To Gary) Listen so uh, are you gonna squeeze the perps shoes a little bit before he lawyers up?
Gary: It's a witness not a perp. And no one talks like that!
Ross: Yeah, no one talks like that!
Joey: Oh what? Like your Mr. Cop!
Ross: Hey, I'm more cop than you two!
Chandler: How do you figure that?
Ross: Hello! I'm in the front seat, okay? I'm Gary's partner!
Chandler: Y'know, when you say partner it doesn't sound cop. It, it sounds gay.
Ross: Umm, jealous! (He drops the cherry and it turns on.)
Gary: Hey, do you mind? We're under cover here.
Ross: Yeah, no problem. (Tries to turn it off.)
Gary: Ross!
Ross: Sorry! Sorry! Oh, (He sticks it under his shirt) there! (It's just there flashing through his shirt) Hey Gary, who am I? Phone home!
 (Gary just glares at him.)
 [Time lapse, Ross has been demoted to the back seat with Joey and Chandler. He's not too happy about it.]
Chandler: Look at Officer Ross riding back here with the visitors.
Joey: Yeah, what's up with that Serpico?
 [Scene: Ross's apartment, Rachel is playing Emily's message to Monica.]
Emily: (on answering machine) Are you thinking about me? Of course you're not, but if you are, call me tonight. Okay, bye.
Monica: (does Rachel's) Nooo!
Rachel: (does Monica's) I know!
Monica: Well thank God you were here! I mean, we have to erase that!
Rachel: What?! We can't do that!
Monica: We have too! I mean what if Ross's hears that and then calls her back and then they get back together? Is that what you want? Ross back with that controlling, neurotic, crazy Emily? The Emily that wouldn't let him see you?
Rachel: Noo! Oh no! No! God no! He should not get back together with her. I know that! You know that! Even Ross knows that! But that still doesn't give us the right to erase his message!
Monica: I'm his sister, okay? I love him! I don't want to see him get hurt! Come on! Doesn't that give me the right to control him—help him?
Rachel: I don't think he's the one who needs help. (They both sit down.)
Monica: No, look, she's obviously unstable, okay? I mean she's thinking about running out on her wedding day. (Rachel slowly turns and glares at her.) (Realizing what she just said.) Okay, fine! But I mean, look at the position she's putting him in! What's he gonna do? Ross is gonna run over there on the wedding day and break up the marriage?! I mean, who would do that?! (Rachel again turns and glares at her in disgust.) Okay, fine, all right, but that's y'know, it's different! Although it did involve a lot of the same people.
Rachel: Ugh!
Monica: Y'know what, this is obviously some kind of twisted joke she's trying to play on him.
Rachel: Okay, you are crazy! I'm sorry, but she sounded generally upset! I mean, listen! (She hits a button on the machine.)
Answering Machine: Your messages have been erased.
Rachel: Noooooooo!
 [Scene: The ride along, they're all waiting outside of the witness's house and still in the car in the same places as before.]
Chandler: Okay, y'know, we-we're safe right? I mean nothing bad can go down!
Gary: No. But that reminds me, (handing back a clipboard) sign this.
Ross: What is it?
Gary: Oh it's nothing, it just says that you can't sue the city if you scrap your knee or y'know, get your head blown off.
Chandler: (deadpan) Oh, hurry up. I want to sign that.
Gary: Okay, here he comes. What is he doing? What the hell is he doing?!

Ross: What? What? What? What is it?
Joey: Is everything okay?
Chandler: What's going on?
Gary: Okay, he sees us. Now don't move. Don't look at him.
 (They all turn and look away. Suddenly a loud bang sounds out and in slow motion Joey slowly throws his body over Ross. Gary is shocked at what he sees while Chandler is obviously hurt.)
Gary: Hey, it's okay. It was just a car backfire. (Joey slowly moves off of Ross.) Hey, look at that! You tried to save your buddy. You see that? You see what he did?
Joey: (To Ross) You okay man?
Ross: Uh-huh. Thank Joey!
Chandler: Uh, HELLO!
Joey: Hi.

Commercial Break
 [Scene: Ross's apartment, Monica has all the supplies she needs and is getting ready to leave.]
Monica: All right, I guess we should go.
Rachel: No, wait. Wait.
Monica: Oh yeah right! (She grabs the money and shoves into her pocket.)
Rachel: No, Monica! Monica! We have to fix this!
Monica: There's nothing we can do. You erased the message!
Rachel: Yeah well unless we tell him.
Monica: Well, if you're gonna be totally rational about this, I can't argue with you! All right? Fine, if you wanna tell him, tell him. I just don't want to be a part of it.
 (The phone rings.)
Rachel: Oh, maybe that's Emily calling back to leave the exact same message.
Ross: (on the machine) Hey Ross! It's you! I just want you to remember this feeling. You are lucky to be alive! So live everyday to the fullest. Love yourself, okay? Okay. Oh, and also get stamps. Bye! (He hangs up.)
Monica: Wow! Play that message for Emily and this whole problem goes away!
Rachel: Right?
 [Scene: Central Perk, the guys are returning from the ride along to find Phoebe already there.]
Gary: Hey, anybody want to meet a hero?
Phoebe: (excited) John Glenn is here?!
Gary: No, Joey!
Ross: Pheebz, we had the most **incredible** night! Okay, so, we're in the car...
Gary: Wait! Hold on! (He goes over to Phoebe and gives her a kiss.) (To Phoebe) Hi!
Phoebe: Hi!
Gary: (To Ross) Okay, go ahead.
Ross: Okay, okay, so we're in the car. Right? And **bang!** A shot was fired. And Joey with no regard for his own safety throws himself on me!
Phoebe: My God, Joey!
Chandler: (pouting) It was a car backfire!
Ross: Yeah, but-but he didn't know that!
Joey: Yeah, I didn't know that.
Ross: And it could've just as easily have been a bullet.
Gary: Hey Joe, you ever think about joining the force? We could use a guy like you.
Chandler: Who jumps at loud noises!
Ross: Wow! I could've died tonight.
Chandler: Yeah! If the car that backfired had run over you! Y'know what, I think I'll go home before Ross starts rambling about his newfound respect for life. (He gets up and starts for the door.)
Ross: I do have a newfound **respect** for life.
Chandler: (returning) Oh my God! (Storms out.)
Gary: (To Phoebe) So you wanna get some dinner?
Phoebe: Yeah! Sure! Yep! (Gets up) Oh, y'know what? If I heard a shot right now, I'd throw my body on you.
Gary: Oh yeah? Well maybe you and I should take a walk through a bad neighborhood.
Phoebe: Okay!
Gary: All right.
Phoebe: Bye!
 Ross and **Joey:** Bye!
 (They leave as Ross stares in awe at Joey.)
Joey: Cut it out Ross! I hate to have to save your life and kick your ass in the same day!
 [Scene: Chandler and Joey's, Chandler is pacing as Joey enters.]
Joey: Dude! How come you took off?
Chandler: Oh, I just went for a walk, around the living room. Whatever...
Joey: Is something wrong?
Chandler: No. No I'm just tired. Y'know, from-from the walk.
Joey: Okay.
Chandler: You dove in front of Ross! Ross!
Joey: That's what this is about! Oh my God, you hate Ross!
Chandler: I do not hate Ross!
Joey: Of course you do! I saved him! You're mad at me! It all adds up! You want Ross out of the picture.
Chandler: What picture?
Joey: I don't know, but I don't like what I'm hearing!
Chandler: Look I'm very glad that you saved Ross from the car backfire, but y'know, it could've been a bullet and you y'know, you didn't try to save me!
Joey: Ohh, you're upset because you think I chose Ross over you! No! I...knew...you could take care of yourself. Y'know, I mean Ross, he need help. He's not street like us!
Chandler: When it comes down to it, you would risk your life for Ross before you would for me. That's the bottom line.
Joey: Well, no, not exactly! All right, look, I, I wasn't trying to save Ross. Okay? My sandwich was next to Ross. All right? I was, I was trying to save my sandwich.
Chandler: From a bullet!
Joey: I know it doesn't make much sense...
Chandler: Much sense?!
Joey: Look Chandler, it was instinct! Okay? I just went for it!
Chandler: So you risked your life, for a sandwich!
Joey: I know it sounds crazy, but Chandler this is (Goes and picks up the sandwich) the greatest

sandwich in the world!
Chandler: So you didn't uh, choose Ross before me.
Joey: No! I would never do that! You-you're like my brother!
Chandler: Really?!
Joey: Yeah! In fact, to prove how much you mean to me, (He unwraps the sandwich and holds it out for Chandler) here.
Chandler: Thanks. (He grabs the sandwich.)
Joey: No, eh, oh-oi, easy, it's not a hot dog! (Chandler takes a bite.)
Joey: How good is that?
Chandler: (with his mouthful) Oh-oi-ho, yeah!
Joey: See?
Chandler: Hm-hmm. (Goes to take another bite.)
Joey: Oh-whoa-hey, dude, what are you doing?!
Chandler: I thought you were showing me how much you mean to me.
Joey: Yeah. With a bite! (Takes back the sandwich.) Gee-e-e-eez!
 [Scene: Ross's apartment, Rachel is trying to repair the thing she broke earlier, but gets interrupted by hearing Ross at the door. She panics and throws the thing into the kitchen. And runs to the couch as Ross enters.]
Rachel: Hey! Hi!
Ross: Rach, what uh, what are you doing here?
Rachel: Hey! Y'know what? **You** are in our apartment all the time! Okay? This is, this is just a drop in the bucket mister!
Ross: Y'know, it-it doesn't matter. The important thing is that you're here. You're my friend, and you're here. Oh! (He goes over and hugs her.)
Rachel: Okay, just a little scared. What's going on Ross?
Ross: The most amazing thing happened tonight. I thought my number was up. I had an actual near death experience!
Rachel: What?! What? What happened?!
Ross: Okay, okay, we were on the ride along with Gary, right?
Rachel: Yeah!
Ross: And somebody took a shot at me!
Rachel: (gasps) Really?!
Ross: No, a car backfired, but (Rachel suddenly calms down) I thought somebody was taking a shot at me. And Rach, I...I survived! And I was filled with this-this great respect for life. Y'know? I-I want to experience every moment. I want to seize every opportunity. I-I am seeing everything so-so clearly now.
Rachel: Because a car backfired?
Ross: (stares at her briefly) Okay, why are you here?
Rachel: Well, I-I-I don't know how this fits into your whole "seizing" thing but um, Emily called you today.
Ross: You talked to her?
Rachel: No, she left a message. (He starts for the machine.) (Stopping him.) But it-it kinda got erased. There's just (Pause) something wrong with your machine.
Ross: Well, okay, what-what did she say?
Rachel: Well, uh something about having second thoughts about the wedding and did you guys make a mistake breaking up and uh, she wants you to call her.
Ross: Wow!
Rachel: Now, that-that was a good thing that I told you, right?
Ross: Huh? Yeah! Yes, of course!
Rachel: Okay. Thank you! Thank you! Because—I'm sorry, all right. Because y'know what? She didn't want me—not important. The point is, I was right. Your decision. Okay? I was right. (She starts for the door.) (Stops) Your decision.
Ross: Right. I guess, I guess I should call Emily.
Rachel: Okay, no, that's not the right decision. That's not, that's not right, no Ross-Ross, come on! I mean, that woman made you miserable! Okay, Ross, do you **really** want to get back into that?
Ross: Okay, look, yesterday I would've even considered calling her back, but my ex-wife calls on the same day I have a near death experience. I mean, that-that has got to mean something!
Rachel: Ugh, Ross! That was **not** a near death experience! That was barely an experience!
Ross: You weren't there! Okay, maybe this is something that I-I-I supposed to seize! Y'know?
Rachel: Okay, y'know what? Maybe, this is not about seizing stuff. Maybe this is about escaping stuff.
Ross: Huh.
Rachel: I mean, look-look today you escaped (Pause) (Not believing it) death, y'know? And maybe this is a chance for you to **escape** getting back together with Emily?
Ross: That does make sense. Because I do wanna seize some opportunity, but I-I-I really don't wanna see or talk to her.
Rachel: Well, there you go!
Ross: Yeah. Maybe today is just, close call day.
Rachel: (laughing) Close call day.
Ross: Hey, thanks Rach. (They hug.)
Rachel: Ohh, honey no problem. Okay. (Gets up.)
Ross: Oh wait-wait-wait! The message is blinking. Maybe you didn't erase it.
Rachel: Oh?
 (Ross hits the playback button.)
Ross: (on machine) "Hey Ross, it's you!" (Hits the stop button) Oh yeah, no that's-that's an old message, nobody needs to hear that.
Rachel: No. (She heads for the door again.)
Ross: (looking at the coffee table where his money was) Hey umm, was-was Monica here?
Rachel: Yeah.
Ross: Yeah, I want my money back.
Rachel: (going out the door) Yeah, uh you-you probably need that for stamps, right?
 (Ross is stunned.)
 Ending Credits

[Scene: Central Perk, everyone is there.]
Ross: Hey Pheebz, has Gary ever been shot at for real?
Phoebe: Yes. Once. Yeah, a little. He kinda did it to himself. It's not really a good story.
Ross: I wonder how I would react under fire, y'know? And not backfire but-but heavy fire, like I was in a war or something.
Monica: Man, I would be great in a war! I mean, I really, I think I would make a **fantastic** military leader. I mean I know I would make General way before any of you guys.
Chandler: Before or after you were shot by your own troops?
Ross: I know where Joey would be. He would be down in the foxhole protecting all of us.
Chandler: Yes, if the foxhole was lined with sandwiches.
Joey: Yeah, hero sandwiches. (Points at Ross who points back.)
Phoebe: Well you all know that I'm a pacifist so I'm not interested in war in any way. (Gets up) But y'know what? When the revolution comes, I will have to destroy you all. (Starts to leave.) (To Joey) Not you Joey.
 (Joey gets all happy with himself, while the rest of the gang is less than enthused.)
 End

521 The One With The Ball

[Scene: Central Perk, Gary, Phoebe, Monica, and Chandler are there.]
Gary: (To Phoebe) Would you like some more coffee, baby-doll?
Phoebe: I'm fine, thanks.
Chandler: (To Monica) Yeah, see, I can't pull off baby-doll can I?
Monica: No. I think we learned that from the sugarlips incident. I'm gonna get some tea.
Chandler: Okay.
 (Monica leaves and Chandler moves to talk to Phoebe.)
Chandler: Hiya doin' pumpkin?
Phoebe: Nope. (Chandler nods in agreement.)
 [Cut to Gary and Monica at the counter.]
Monica: So it looks like it's going really well for you two, huh?
Gary: I know, really well. In fact, I'm gonna ask Phoebe to move in with me.
Monica: (shocked) Oh my God!
Gary: What do you, what do you think?
Monica: I think that is so great! When are you gonna ask her?
Gary: Tonight, but don't say anything. Okay?
Monica: I swear, I promise. I promise. Oh my God, I'm so excited! (*And I just can't hide it! I'm about to lose control and I think I like it!* Sorry, just couldn't resist it.) All right, listen let me tell you, do **not** get her flowers. Okay? Because y'know, she cries when they die, and there's the whole funeral...
Gary: (To Phoebe) I'll see you after work sweetie. (Kisses her.)
Phoebe: Okay. Bye!
 (Gary exits and Monica rejoins them.)
Phoebe: So, what movie should we see?
Monica: (sitting down) Gary's gonna ask you to move in with him!
Phoebe: What?! Really?!
Monica: He just told me at the counter. He made me promise not to tell, but I couldn't hold it in any longer!
Phoebe: I can't believe this!
Chandler: (terrified) Right, because it's fast. Because, it's so fast. It's fast!
Monica: Relax! It's Phoebe! Not you!
Chandler: Oh! Good for you Pheebz, way to go! (Breathes a sigh of relief)
Phoebe: No, but it is fast. Isn't it?
Monica: Ohhhh!
Phoebe: No, I like him a lot but I don't think I'm ready for this!
Chandler: So, what are you gonna do?
Phoebe: I don't know. I'll just handle it—I'll ask you to talk to him!
Chandler: Me?! Why me?
Phoebe: Because you are so afraid of commitment! You talk to him, make him scared like you! Make him a...man!
Chandler: I'll try, but I'm not sure what good it would do, y'know? Because I'm a lot less afraid of commitment than I used to be.
Monica: That is so sweet! (She kisses him and turns to add some sugar to her tea.)
Chandler: (To Phoebe, behind Monica's back) Still terrified, I'll take care of it. No problem. (When Monica turns back he smiles and kisses her, when she turns away he nods that he'll do it to Phoebe.)
 Opening Credits
 [Scene: Monica and Rachel's, Joey and Ross are playing catch with a little foam globe.]
Joey: Hey Ross, is uh, is Staten Island really an island?
Ross: Uh-huh, that's why they call it Staten **Island**.
Joey: Ohhh. I thought it was like Long Island.
Ross: (he catches the ball and pauses, staring at Joey in disbelief) Also an island.
 (The game resumes.)
Joey: Hey, what time is it?
Ross: (looks at his watch) 2:17.
Joey: Wow! You realize that we've been throwing this ball, without dropping it, for like an hour?
Ross: Are you serious?!
Joey: Yeah. I realized it about a half-hour ago but I didn't want to say anything 'cause I didn't want to jinx

it.
Ross: Wow! We are pretty good at this! Hey! We totally forgot about lunch!
Joey: Oh, I-I, I think that's the first time I ever missed a meal! (Checks his pants.) Yeah, my pants are a little loose!
Rachel: (entering) Hey, you guys...
Joey: Hey!
Rachel: Is Monica here?
Joey and Ross: No.
Rachel: All right listen umm, I just bought something I'm not sure she's gonna like it, and it's gonna seem a little crazy, but this is something that I wanted since I was a little girl.
Ross: You bought Shawn Cassidy!
Rachel: Noo! I wish! Okay, you ready?
Joey and Ross: Yeah!
Rachel: Okay! (She goes and gets her surprise and when she returns with it, Ross stares in shock.) Check it out!
 (Joey turns and looks at quite possibly one of the ugliest pets that you can possibly buy on the planet. Rachel has bought herself a hairless cat. Yep, a hairless cat! Joey and Ross start to get sick.)
Ross: What-what is it?!
Joey: What the hell is that?!!
Rachel: It's a, it's a cat!
Joey: That, is not a cat! (I have to agree with Joey on this one.)
Rachel: Yes it is!
Ross: Why is it inside out?!
Rachel: Excuse me! But this is a purebred, show-quality Sphinx cat!
Ross: How much did you pay for that?
Rachel: Well, it was a little extravagant, but I a pretty good deal.
Ross: Yeah? How much?
Rachel: A thousand bucks.
Ross: ON A CAT?!!!!
Joey: It's not a cat!
Rachel: All right listen ball boys! My grandmother had one of these when I was a little girl and it was the sweetest thing! I mean it was so cute, it would sit in my lap and purr all day long, and I would drag a shoestring on the ground and he would chase it!
Ross: Free cats do that too, y'know. (Which reminds me, if I might get a little political here, support your local animal shelter. Pet shops are not the place to buy dogs and cats from, you get a much better deal from the shelter, plus they probably won't die on you in a week and a half. If you want a leash, go to the pet shop. If you want the dog for that leash, go to the shelter and save it's life. Now back to regularly scheduled programming.)
Joey: It's not a cat!
Rachel: Ugh! Look you guys, I'm really excited about this! Okay? I don't care what you think! I'm gonna go set up a little litter box for Mrs. Whiskerson. (They both glare at her.) Well, what am I gonna call her? Fluffy?
 (Rachel goes into the bathroom as the guys continue throwing the ball.)
Ross: (To Joey) Hey, you wanna get something to eat or uh, do you wanna see how long we can throw this ball back and forth? Huh?
Joey: Uhh, the ball thing.
Ross: Yeah?
Joey: Hey Ross, wouldn't it be great if we could go two straight hours without dropping it?!
Ross: Uhh, yeah it would! Let's do it!
Joey: Okay!
 (They throw the ball back and forth once.)
Joey: (catches the ball) Uh-oh.
Ross: What?
Joey: I have to pee. And Rachel's in the bathroom!
 [Cut to Chandler and Joey's, Ross is seen throwing the ball into the bathroom, presumably where Joey is currently using the facilities.]
Joey: Man, I didn't think we were gonna make it!
Ross: I know! (Looks at the ball in his hands.) Don't switch hands, okay?
 [Scene: the 5th Precinct, Gary's precinct, Chandler has come to talk to him about commitment. And as he's walking through the door he notices a couple of "Ladies of the night" sitting there. (If you know what I mean.)]
Chandler: Hey ladies! What are you in here for? (Laughs at his joke.)
Gary: Hey Chandler, what are you doing here?
Chandler: Gary, I'm here to report a crime.
Gary: Yeah?
Chandler: It is a crime that you and I don't spend more time together.
Gary: (laughs, then suddenly serious) What's up?
Chandler: Well, I heard that you thinking about asking Phoebe to move in with you and I thought maybe, we should have a talk. Man to uh, me.
Gary: Sure. Okay.
Chandler: Uh, are you crazy? Are you insane? If you live with Phoebe, you two are gonna be y'know, live-living together!
Gary: Yeah, I-I considered that. I just know it would make me happy.
Chandler: You mean scared.
Gary: No, I mean happy.
Chandler: Scared? Happy?
Gary: Chandler, what-what are you doing?
Chandler: I am trying to open your eyes, my man! Don't you see, if you lived with Phoebe she's always gonna be there. You're gonna get home, she's there. You go to bed, she's there. You wake up and oh yes, she's there!
Gary: I know! I can't wait!
Chandler: Were you're parents happy, or something?
Gary: Listen Chandler, the way I see it is that I was lucky enough to find someone that I really love. I just—I wanna be around her as much as I can.
Chandler: Wow, y'know when you say it, it doesn't sound so scary.
Gary: So you know what I'm talking about, right?
Chandler: Yeah, I think I do! Y'know what? You move in with her! You move in with her right now! Maybe I should in with Monica!
Gary: No, it's too soon for you guys.
Chandler: (pause) Yeah, you're right about that.
 [Scene: Chandler and Joey's, Ross and Joey are still playing catch.]
Ross: ...now when they found the remains of the Mesozoic Mastodon they discovered what appeared to be the remains of a Paleozoic Amphibian in its jaws! How did it get there?!
 (Y'know, sometimes I think the script writers through in a line like that to try to trip me up. But it won't work. I'll always have the last laugh! <manica_laugh.wav> Okay, so maybe I'm a little deluded, it's probably just my spellchecker. But, I must admit I did get Mesozoic and Paleozoic on the first attempt. Yay me! Anyhoo...)
Joey: Maybe this should be more of a quiet game.
 (Oh, all right! Geez, I can't have any fun!)
Monica: (entering) Hey guys!
Joey: Hi!
Monica: Joey, I left my watch on the counter last night. (Goes to the counter) It was right here, where is it?
Joey: I don't know.
Monica: All right, come on, I'm-I'm late for work!
Ross: How do you know? You don't have a watch.
Monica: Guys, could you please just stop throwing the ball for one minute and just help me find it!
Joey: Oh, I don't know.... Yeah, can't do it.
 (He throws it back to Ross, but it's intercepted by Monica and the guys both scream in horror.)
Monica: What?!
Ross: Monica, whatever you do, do not drop that ball!
Joey: Yeah, we haven't dropped it in... (Looks to Ross.)
Ross: 2 hours, 27 minutes.
Monica: Really?!
 [Time lapse, Monica has joined in and is calling to get out of work.]
Monica: (on phone, faking she's sick) I-I'm not gonna be able to make it into work today, I don't feel very good. (Joey makes a high throw and Monica has to catch it way over her head.) (Not sounding sick) Yes!! (Realizes what she just did.) (Sounding sick again) Wow! Uh, for a second there I thought I was really better, but I'm not. (Hangs up and keeps throwing the ball.)
 (Rachel enters.)
Ross: Hey Rach!
Rachel: Hey.
Ross: Check it out! Almost 3 hours without droppin' it!
Rachel: Oh, wow! Congratulations, that's quite a waste of time.
Monica: Rach?
Rachel: Yeah?
Monica: You have scratches all over you, what happened? (Rachel's arms are covered with scratches.)
Rachel: Well, it's my cat.
Monica: (shocked) What?!
Rachel: Oh yeah, I got a cat.
Monica: I don't want a cat!
Joey: Oh, don't worry, it's not a cat.
Ross: Yeah.
Rachel: You guys this cat is nothing like my grandmother's cat. I mean, it's not sweet, it's not cute, I even dragged that little string on the ground, and it just flipped out and scratched the hell out of me. And I swear, I know this sounds crazy, but every time this cat hisses at me I know it's saying, "Rachel!"
Ross: Doesn't sound as crazy as paying a thousand dollars for a cat.
Monica: (To Rachel) What?! You paid a thousand dollars for a cat when you owe me 300!!
Rachel: Well, I was gonna let you play with it.
 [Scene: Central Perk, Phoebe is drinking coffee as Chandler enters.]
Chandler: Hi!
Phoebe: Hmm, did you talk to Gary about the moving in thing?
Chandler: Yes I did, and I think you should do it.
Phoebe: What?!
Chandler: He's a great guy, y'know? And he loves you a lot, you are a very lucky lady.
Phoebe: You are useless! Freaking out about commitment is the one thing you can do! The one thing! And you can't even do that right! God!
Chandler: I'm sorry. (Pause) If you ask me, I'd move in with him.
Phoebe: Ohh!! God! (Gary enters and she sees him) Ooh! (To Chandler) Get out of here, good for nothing.
Gary: Hey Chandler.
Chandler: Hey Gar!
Gary: (To Phoebe) Hi sweetie. (Kisses her.) Hi, can I talk to you for a second?
Phoebe: Yeah! Okay. (They move to the couch.)
Gary: You look very pretty today.
Phoebe: Thanks! Okay. (They sit down.)
Gary: Here's the thing.
Phoebe: Yeah?
Gary: Y'know I really want to move this relationship forward.
Phoebe: Uh-hmm.
Gary: Because if you're not moving forward, y'know you're just moving backwards.
Phoebe: No that's not true. If you're not moving forward, you're just staying still. And staying still is good. Watch this. (She stays still for a brief second.)
Gary: Phoebe?
Phoebe: Yeah?
Gary: I want you to move in with me.
Phoebe: That is so sweet. But don't you think it's a little too soon? I mean there's so much we don't know about each other.
Gary: (disappointed) Oh. Oh-oh-okay, I get it.
Phoebe: I just—I don't want to jump into something we're not ready for.
Gary: (disappointed more) Uh-huh.
Phoebe: I really don't want to mess up what we have. I'm just—I'm worried it's gonna be a big mistake.
Gary: (on the verge of tears) Yeah.
Phoebe: Which is why my answer is yes!
Gary: (suddenly happy) Really?!
Phoebe: Uh-huh! (They hug.) I'm so...happy. (She's not happy.)
 Commercial Break
 [Scene: Chandler and Joey's, Joey, Ross, and Monica are still playing catch, with Chandler looking on. Joey throws the ball to Monica who catches it and whips it at Ross.]
Ross: (catching the ball) Monica! Stop throwing it so hard! We're on the same team!
Chandler: Four hours? You guys have been doing this for four hours?
Joey: That's right baby.
Chandler: All right, let me in. (He jumps off of the counter to join in the game.)
Monica: (jumping in front of him) No-no! Don't do it! Don't!
Chandler: What?
Monica: He's a dropper!
Joey: Oh yeah, that's right!
Chandler: I'm not a dropper!
Ross: It's really a uh-uh three person game, y'know?
Chandler: It's throwing and catching!
Ross: All right. (He gently tosses the ball to Chandler who catches it.)
Chandler: Oh! Oh! That's so hard. (Starts to juggle the ball, but loses control and almost drops it and hands it to Monica.)
 (Rachel enters with the "cat" and the chick and the duck start to get riled up.)
Joey: Whoa-whoa you guys, it's not a cat!
Monica: Oh my—Oh good God!
Rachel: (she's wearing an oven mitt to protect her hand) I give up you guys, I don't know what I'm going to do with this thing!
Ross: Baking it didn't help, huh?
Monica: So, why don't you just take it back to where you got it?
Rachel: I tried! They won't take her back.
Chandler: Maybe that's because she's a minion of the anti-Christ.
Monica: Rach, why won't they take it back?
Rachel: Well, they said would but they would only give me store credit. I mean, what am I going to do, get a thousand regular cats?
Monica: Look, if you want you can keep it at our place until you find out what to do with it.
Rachel: No Mon that's not the point. I'm out a thousand dollars, I'm all scratched up, and I'm stuck with this stupid cat that looks like a hand! (Storms out.)
 (Monica sneezes.)
Monica: Oh my God, the cat's made my eyes water! Don't-don't throw it to me! My vision's been compromised!! (Quickly grabs a tissue to wipe her eyes.) Oh God! Okay. Okay. It's okay. Man, that was close.
Chandler: Yeah, you almost overreacted to something.
Phoebe and Gary: (entering) Hey!
All: Hey!
Gary: We have great news!
Phoebe: We're moving in together! Isn't it great! Yay!
All: Congratulations! Congrats!
Phoebe: I know, I'm so excited!
Gary: So am I!
Phoebe: Well, you're not more excited than I am! No way! I'm the most excited!
Gary: Okay, I'll see you at the station later.
Phoebe: Okay, yeah, I'll see you later! Don't forget about the moving in!
Gary: All right.
 (Phoebe closes the door behind him.)
Monica: So you're moving in with him. What happened?
Phoebe: I couldn't tell him no. He got so sad. Maybe it'll be all right. I do really like him a lot and probably do it eventually anyway and plus, think of all the money I'll save on stamps.
Monica: Why, do you write him a lot?
Phoebe: No, I just heard when people live together, they split the cost of stamps. Don't they?
All: Yeah! That's right. Yeah-yeah! Yeah!
 (Rachel enters with the cat, wearing the oven mitt, and startles Phoebe.)
Phoebe: Oh, I'm sorry, the oven mitts really freaked me out.
 [Scene: Gary's precinct, Phoebe is entering.]
Gary: Hey, honey! Okay, so did you find any apartments? Anything in Brooklyn Heights?
Phoebe: No, nothing.

Gary: Oh really?
Phoebe: Yeah.
Gary: Nothing at all?
Phoebe: No, as soon as something opens up we'll move right in. Unless it doesn't have a pool, I need a pool. (Turns away from him.)
Gary: Phoebe, can I talk to you for a second?
Phoebe: Uh-huh!
 (He takes her into one of those typical interrogation rooms you see on TV and in the movies. Which is really appropriate here, since this is a TV show. What are the odds of that?)
Gary: Take a seat. You okay? You feeling all right? (Closes the door and takes off his coat.)
Phoebe: (sits down) Yeah, I feel great. 'Cause we're moving in together.
Gary: So you uh, you checked the paper for listings in Brooklyn Heights, right? You-uh you checked the *Post*?
Phoebe: Yeah, uh-huh, there was nothing. (Pause) Can I get some water?
Gary: In a minute. You-you checked today's *Post*?
Phoebe: Umm, yeah! Today's.
Gary: 'Cause uh, this is today's *Post* (produces one from the other chair) and uh, these are the listings I found. (Points) Brooklyn Heights, two bedroom. (Points) Brooklyn Heights, one bedroom. (Points) Brooklyn Heights, (points) Brooklyn Heights, (points) Brooklyn Heights!
Phoebe: (looks at the paper) Are these for rent! I thought people were just bragging!
Gary: Let me tell you what I think might be going on. (Phoebe looks down in shame.) No-no-no, don't look at the table. Look at me. (Points to his eyes and she does so) Okay, I think somebody asked someone to move in with them. And I think someone said, "Yes" but now she's having doubts because things are moving to fast for someone. Does that sound at all possible to you?
Phoebe: Yes. Yes! Fine! I am someone! You want me to say it? I have doubts! (Pause) I'm sorry! (Puts her head down.)
Gary: Phoebe...
Phoebe: Yeah?
Gary: Phoebe, it's okay that you feel this way. I mean it is soon. And there's a lot of things we don't know about each other, and I just figure that everything I really like. And the things I don't know, I get to learn about at someplace with both our names on the mailbox.
Phoebe: That's so sweet.
Gary: Sweetheart, but none of that matters if it's too soon for you. It's fine! We don't have to move in together. I just—I want you to be happy.
Phoebe: Living with you would make me happy.
Gary: Phoebe, you **don't** have to say that.
Phoebe: No, I really wanna live with you! I wanna move in with you!
Gary: Are you sure?
Phoebe: Yes. Definitely! Yes! Let's live in an apartment that we both live in! (Hugs him.)
Gary: Oh that's great!
Phoebe: Oh wait, one sec. One sec. (Goes to the mirror) Hey you! Behind the glass! Who are you looking at! I've always wanted to say that when I was in one of these rooms, (sees the look on his face) which was never!
 [Scene: The street outside Central Perk, Rachel is trying to sell the cat.]
Rachel: Show cat! Quality show cat! Show cat! (A woman approaches.)
Woman No. 1: (looks into the box) Oh my God! What's wrong with your baby?!
Rachel: It's not a baby! It's a cat!
Woman No. 1: Eew! It's creepy looking!
Rachel: Oh no! No! It's actually—it's very sweet. It's very sweet. Look! (Goes to pet it and it hisses at her.) Yeah, do you want it?
Woman No. 1: (laughs) No, I hate cats.
Rachel: Well, so then what are you doing to me? Okay? Just get out of here! All right? Move on! (Another woman approaches.)
Woman No. 2: Wow! What an unusual cat!
Rachel: Yes! Thank you! Exactly! You want it?
Woman No. 2: Maybe. I was thinking about getting a cat, I was just going to go to the shelter (Good for her) but... Okay, why not?
Rachel: Oh, terrific! That'll be \$2,000.
Woman No. 2: What?!
Rachel: Okay, a thousand.
Woman No. 2: I thought you wanted to adopt your cat.
Rachel: Well, I do, but you're just gonna have to actually look at this as more of an investment than a cat.
Woman No. 2: Okay, yeah, I just wanted a cat. (Starts to leave.)
Rachel: (makes some unintelligible sound to stop her from leaving) Obviously you know how to haggle, so I'm not gonna try and take you on. Okay? So \$800 and I don't call the cops because you're robbing me blind! Blind! (Covers her eyes) Just take cat, leave the money, and run away! Run away! (Uncovers her eyes and sees that the woman has fled) Damn it! (To the cat) Cat, can't you at least smile or something?! (The cat hisses at her again, it sounds like Rachel) Okay, did anybody just hear that? Anybody?
 [Scene: Chandler and Joey's, Joey, Ross, Monica, and now Chandler are still playing catch. The guys are exhausted and sitting around the room.

Monica is still standing all pumped up and being hyper-competitive yet again. {Okay! We get it! She's competitive!! Must we see all the time?!}
Ross: I'm starving!
Monica: Come on guys! Suck it up! We're closing in on ten hours! It's gut-check time!
Joey: I don't know who made you the boss? All right? We (Ross and him) invented this game!
Monica: Please! I made this game what it is.
Chandler: Not fun anymore?
Ross: I'm still hungry!
Monica: All right, there's some pizza at my place, we can all eat with one hand right? Are you with me?
Ross: I am!
Monica: All right! Let's go! (Runs to the door.) Let's go Team Monica! (The guys all stop and stare at her) All right, we can work out the name later.
 [Cut to her apartment where Rachel is sitting at the table.]
Monica: Rachel! What is your cat doing in one of my bowls!
Rachel: It's not! I'm defrosting a chicken. (Pause) Oh, I uh sold Mrs. Whiskerson.
Ross: Oh, thank God!
Joey: Did you get your money back?
Rachel: Yeah, 15 hundred dollars.
Monica: Wow! You made a profit!
Gunther: (entering with the cat) I just came for the red-velvet pillow.
Rachel: Oh yeah, there you go. (Hands over the pillow.)
Gunther: Thanks Rachel. And-and don't forget you-you can come visit her anytime you want.
Rachel: Oh good, great! I'll-I'll keep that in mind. (Turns and walks away.)
Gunther: (To Ross) Hey! So what is this? Some kind of snake or something?
 [Scene: Gary and Phoebe's apartment, it's morning and they're both waking up in bed.]
Gary: I really like waking up with you.
Phoebe: I like waking up with you too. (Looks out the window) Oh! It's such a beautiful morning. (Some birds are singing outside the window) Oh, I can stay here all day.
Gary: That would be great!
Phoebe: We could have breakfast in bed...
Gary: Wait, just a second.
Phoebe: Okay. (He grabs his gun and shoots the bird.) Oh! Oh no.
 [Scene: Monica and Rachel's, Hyper-competitive Monica, Rachel, Chandler, Joey, and Ross are still playing catch. Monica is finally tiring while the rest of them are totally exhausted and virtually asleep.]
Monica: All right! Come on Monica! Look alive! Come on, look alive!
Phoebe: (entering) Oh good, you're all up.
Rachel: Phoebe! It's 6 o'clock in the morning! Why aren't you at Gary's?
Phoebe: Oh yeah, that's over.
All: What?!
Chandler: Come on! Gary's such a great guy! Whatever the problem is, you can work it out!
Phoebe: He shot a bird!
Chandler: Oh that is over!
All: That's terrible! I'm sorry!
Rachel: Phoebe, are you okay?
Phoebe: Yeah, yeah, I'll be alright.
Joey: Oh hey, here Pheebes. (He throws her the ball.)
Phoebe: (catches it) Nah, I don't feel like playing. (She sets the ball down on the table and everyone gasps.)
Monica: It's okay. It's okay. Just pretend that it didn't happen! Okay? No one needs to know! I mean, Phoebe's not an official ballplayer! I mean, only official ballplayers can drop the ball!
All: All right. Okay. I'm starving! (They all get up, thus officially ending the game.)
Rachel: Phoebe, honey, wanna get some breakfast?
Phoebe: Yeah!
Monica: Okay! Okay, let's race! First one there wins! Ha-ha! (Runs out the door and everyone watches her leave.) (Pause)
Chandler: You guys wanna eat here?
All: Yeah! As long as we're here!
 Ending Credits
 [Scene: Central Perk, everyone is there.]
Joey: Man that was great! Huh? Can you believe how long we threw that ball around?
Rachel: Yeah, it is amazing it lasted that long.
Ross: I know. My arm is killing me.
Rachel: No, I meant with the dropper over here. (Points at Chandler.)
Chandler: Y'know, how did I get this reputation as a dropper? Okay? I'm **anything** but a dropper. (We see various scenes of him dropping a football, a mug of coffee, the phone, an apple, a Frisbee, a record, and the final scene has a ball bouncing off of his chest. I'm not going to describe them, you'll have to see them.)
 End

522 The One With Joey's Big Break

[Scene: Central Perk, everyone but Phoebe are there reading. Rachel is sitting on the couch flanked by Ross and Monica. She suddenly stops reading and starts blinking her left eye as if it's bothering her. The problem is that Joey is on her left and thinks she's winking at him and winks back. Ross is watching this and isn't quite sure of what to make of it.]
Ross: What's going on?
Rachel: Well, my eye is a little itchy.
 (Ross turns to look at Joey.)
Joey: Uhhh, mine too! Yeah.
Monica: (To Rachel) Wow! It's really red! You should go see my eye doctor.

Rachel: Richard? I'm not gonna go see your ex-boyfriend!
Chandler: Oh, Richard. That's all I ever hear, Richard, Richard, Richard!
Monica: Since we've been going out, I think I've mentioned his name twice!
Chandler: Okay, so Richard, Richard!
Monica: It's not Richard! Okay? It's this new guy and he's really good.
Rachel: Well, I'm sorry I'm not going to an eye doctor!
Ross: Oh God, here we go!
Chandler: What?
Ross: Anytime anything comes close to touching her eye or anyone else's she like freaks out. Watch! Watch! (He takes his finger and moves it towards his eye.)
Rachel: (flinches) Ross! Come on! That's all right! Fine--Okay, I have a weird thing about my eye. Can we not talk about it please?
All: All right, fine.
Monica: Hey Rach, remember that great song, *Me, Myself, and I*? (And on the "I" part she mimics poking her eye.)
Rachel: (flinches again) Monica! Come on!
Ross: Hey, does anybody want to get some lunch? All those in favor say I? (Pokes his eye.)
Rachel: (freaks) Ross! Stop it! Come on!
Chandler: How much did I love *The King and I*? (Oh, you get the point by now.)
Rachel: Chandler!
Joey: Me too! Me too! Me too! (Yeah, he does the same thing.)
Rachel: Stop it! Stop it! Come on!
 (Joey howls in pain and holds his eye.)
Chandler: You okay there man?
Joey: Yeah, I got too excited!
 Opening Credits
 [Scene: Monica and Rachel's, Ross, Chandler, Monica, and Phoebe are eating breakfast.]
Ross: All right, I gotta go. I'm taking Ben to the park.
Phoebe: Ohh, give him a kiss for me!
Ross: All right, bye!
Monica: Bye!
Phoebe: Bye!
Ross: Later! (Exits.)
Phoebe: (after he's gone) I am so sorry you got caught in the middle of that. I didn't mean to be so out there. I am furious with him!
Chandler: Wow umm, calm down.
Phoebe: I'm trying, but **man** that guy can push my buttons!
Monica: Why are so mad at him?
Phoebe: Look, I don't wanna talk about it. Okay?
Monica: Well, it just seems that...
Phoebe: You wanna be on my list too? Keep talking! Has anyone seem my list by the way?
Chandler: Uh, no Pheebes. What's it look like?
Phoebe: Uh, it's a piece of paper and it says, "Ross" on it.
Joey: (entering, depressed) Hey, I just got off the phone with Estelle and guess what. (Pause, then very excitedly) I GOT THE LEAD IN A MOVIE!!!!
Chandler: You got the lead in a movie? That's amazing! What's the movie about?
Joey: It's called Shutter Speed, it's really cool! Yeah, umm, I meet this girl in the subway and we fall in love in like a day, right? And **then**, she disappears... But I find out where she lives and when I get there this like old lady answers the door and I say, "Where's Betsy?" Right? And she says, "Betsy's been dead for 10 years."
Phoebe: Ohh-oh, chilling!
Joey: And the best part is, we're filming in the desert outside Vegas! (To Chandler) And you know what that means buddy!
Chandler: Yeah, I know that means buddy!
Joey: Road trip! Yeah, we can rent a car! I just have to be there by Tuesday!
Phoebe: Oh wait, my grandmother's dead.
Chandler: Well, uh, we can talk about that too Pheebes.
Phoebe: No! No, her cab! She probably won't be using it: you can drive it to Las Vegas.
Joey: All right! Thanks Pheebes!
Chandler: Whoa-whoa-whoa, what are we going to do about my job?
Joey: Oh umm, not go.
Chandler: All right, great, road trip baby! (To Monica) This okay with you?
Monica: Chandler! You don't have to ask for my permission. (Quietly) You can go.
Chandler: Thank you.
Monica: Hey Rach, come on! We're gonna be late for the eye doctor appointment!
Rachel: (entering from her bedroom) All right! Let's get this over with! Ugh! (She walks by the table and notices that no one is looking and accidentally on purpose knocks over the open cereal box.) Ohhh! No! Look what I did! (She starts walking through the mess. {Also, notice the continuity error in this scene. Note the position of the box and dispersal pattern of the cereal before and after the camera cut.}) Oh, I mean, look at this mess! I mean, we're probably gonna have to clean this up! Y'know? We're gonna have to reschedule!
Monica: No. If you thought this mess is going to bother me, you are wrong! All right, let's go Blinky! (She ushers Rachel out the door, but before the door fully closes she sticks her head back in.) Chandler!!!! (Chandler agrees to clean up the mess.)
 [Scene: Central Perk, Joey is reading a map as Phoebe enters.]
Phoebe: Oh hey Joey! What's up?

Joey: I can't decide which route to take to Vegas. Hey, you've traveled a lot right?

Phoebe: Yeah, I've been around.

Joey: Okay, so-so which route should I take the northern route or the southern route?

Phoebe: Ooh, if you take the northern route there's a man in Illinois with a beard of bees. {Okay, I must protest this, I've lived in Illinois all my life and know of no man with a beard of bees! Wisconsin, on the other hand, might be a different story.}

Joey: Great! Problem solved!

Phoebe: But on the southern route there's a chicken that plays tic-tac-toe.

Joey: Well, back to square one.

Phoebe: Oh, I know a way that you can decide! All right, I'm going to ask you a series of questions and you answer as quickly as you can.

Joey: (quickly) Yes!

Phoebe: Good, but wait. Okay, all right, here we go. Now I want you to relax. Take a deep breath. Clear your mind. (Quickly) Which do you like better peanut butter or egg whites?

Joey: Peanut butter!

Phoebe: Which would you rather be a fireman or a swimmer?

Joey: A swimmer!

Phoebe: Who would you rather sleep with Monica or Rachel?

Joey: Monica. Oh... huh, I always thought it would be Rachel.

Phoebe: No thinking! No thinking! Tie or ascot?

Joey: Ascot!

Phoebe: North route or south route?

Joey: North route!

Phoebe: Bamn! There you go! Huh?

Joey: Wow! That was incredible! Beard of bees, here I come!

Ross: (entering) Hey!

Phoebe: Oh, this guy again. (She ignores him.)

Joey: Hey man, what's up?

Ross: Uhh, not much. You guys want to see a movie tonight?

Joey: Sure, what do you want to see?

Ross: I don't know, umm...

Joey: Oh, I know how we can decide. Phoebe, show him your game!

Phoebe: Umm, no thank you. (She gets up and moves to the couch. They were at a table previously.)

Ross: What's with her?

Joey: I don't know. But hey, I know we can decide. Okay, I'm gonna ask you questions and you answer real quick. Okay?

Ross: Okay.

Joey: What do you like better action or comedy?

Ross: Action.

Joey: Who would you rather sleep with Monica or Rachel?

(Ross pauses and looks at him, Joey motions for him to hurry up.)

Ross: Dude, you are sick.

Joey: Oh, I'm sorry. I forgot you had that whole Rachel thing.

[Scene: Monica's eye doctor's office, Monica and Rachel are waiting in an exam room and looking at this big white thing used to check eyes. I have no idea what it is, and if an ophthalmologist happens to know what that is, let me know.]

Rachel: Oh my God! What does **that** thing do?

Monica: (looks at it more closely) Oh that's an eye removal machine.

Rachel: All right, I'm outta here!

Monica: I'm kidding! I'm kidding!

(Rachel heads for the door but is intercepted by the doctor.)

The Doctor: Hi Rachel!

Rachel: Hey!

The Doctor: I'm Dr. Miller. Monica told me you were a little nervous, but don't worry everything's gonna be just fine.

Rachel: So were done then!

Dr. Miller: Almost! But first, we gotta start.

Rachel: Okay.

Dr. Miller: This is a glaucoma test.

Rachel: Uh-huh.

Dr. Miller: Sit down.

Rachel: Okay.

Dr. Miller: But your chin here. (She does so.) Now, you'll feel a small puff of air in each eye.

Rachel: (jerks back from the tester) What?!

Monica: A small puff of air, now come on!

Dr. Miller: Here we go.

Rachel: All right.

Dr. Miller: 1...2...3! (Rachel jerks back on 3.)

Rachel: I'm sorry. All right, I'll just stay in here this time. (Puts her head back.) Okay.

Dr. Miller: Ready?

Rachel: Uh-huh.

Dr. Miller: 1...2... (She flinches on 2 this time.)

Monica: Y'know what, I'm gonna hold her head.

Rachel: Okay.

Dr. Miller: That's okay.

Monica: Okay. (Monica backs off.)

Rachel: Okay. Okay!

Dr. Miller: 1...2! (She flinches again.) (Gives up.) Y'know what? You're young; you probably don't have glaucoma.

Rachel: (really excited) Great!! It was very, very nice to meet you sir--Ow! Hey! What are you doing?! Are you crazy! (He took out that thing they use to look at people's retinas and looked at Rachel's when she was shaking his hand causing her to flinch and scream at him.)

Dr. Miller: Okay. You've got a small, minor infection in that left eye. I want you to take these drops three times a day and you'll be as good as new.

Rachel: Yeah, no, I don't-I don't put things in my eye.

Dr. Miller: Okay then, I guess we'll see you back here in three months.

Rachel: Great!

Dr. Miller: And I'll fit you for a glass eye.

Rachel: Okay, just give me the damn drops! (Grabs them and storms out.)

Monica: Dr. Miller? (She covers her right eye and reads from the chart) P E C F D.

Dr. Miller: Very good Monica! You know where they are.

Monica: I sure do! (She runs over to a drawer, opens it, and grabs a lollipop.) (To Rachel) And you don't get one! [Scene: Central Perk, Phoebe, Rachel, Monica, and Joey are there.]

Rachel: Y'know, I-I gotta tell ya, those eye drops are a miracle. My eye is a 100% better.

Monica: They're still in my coat.

Rachel: Damn!

Chandler: (entering) Hey!

Joey: Hey! You ready to go?

Chandler: Yeah, listen, how cold is it going to be there? Do I need a coat or will all these sweater vests be enough? (Holds up 3 of them in different colors.) (Monica stares at him.)

Chandler: What?

Monica: I love you.

{There's another continuity error here. Before Monica says I love you, Chandler's holding the vests so that you couldn't see the collar, you could see all three, and they were folding nicely. After she says the line and the camera cuts back to Chandler, you can only see two out of the three, you can see the collar of the top one, and it looks like it was folded sloppily, unlike before. Hey, you notice things while spending this much time on this!}

Joey: Man, I wish Ross was coming with us! Y'know? I'm gonna miss him!

Phoebe: Thanks a lot! I just got that jerk out of my mind!

Chandler: Hey, so where are we staying? Is the movie putting us up in a big hotel suite?

Joey: Uh no, not really. It's an independent film y'know? So we don't have a real big budget. I figured I'd just stay in your room.

Chandler: I see, but once you get your first paycheck you'll be springing a big hotel suite, right? I mean, lead in a movie, they must be paying you a lot?

Joey: Oh yeah! For every dollar Shutter Speed makes, one penny of it goes right in Joey's pocket.

Chandler: So you don't get paid unless the movie makes money?

Joey: Did you not hear the plot of the movie? "She's been dead for ten years." I'm gonna be a millionaire!

Ross: (entering) Hey!

Joey: Hey!

Ross: I just wanna say good-bye to you guys **and** to see if you guys will place a little bet for me, huh? Twenty bucks on black 15.

Joey: You got it!

Ross: All right!

(Joey nods to Chandler, no way!)

Chandler: All right, bye-bye now!

Phoebe: Bye!

Rachel: Bye you guys!

Joey: Bye-bye!

Monica: I wanna say good-bye at the car!

Chandler: Okay!

Joey: Anybody want to say good-bye to me at the car?

Rachel: Oh honey, I'll say good-bye to you at the car if you don't mind the puss.

(Pause.)

Joey: See ya! (Walks out.)

Rachel: Well, wait a minute! The puss is good! It means it's healing! (Runs after him.)

Ross: Hey Pheebs, what 'cha reading? (Phoebe ignores him) Pheebs? (Turns away) Hello? (He sits down next to her and she moves over a bit.) Phoebe? (He moves closer and she keeps moving away.) Phoe-Phoebe! (They end up hanging over the arm rest.) Come on! (He grabs the magazine away from her.)

Phoebe: Oh, I'm sorry. I didn't see you there.

Ross: Phoebe, are you, are you mad at me, or something? 'Cause if are please, tell me what it is I did!

Phoebe: Well, if you don't know I can't help you.

Ross: Well, I don't know.

Phoebe: Well, I can't help you.

Ross: Well, whatever it is I'm-I'm very, very sorry. Okay?

Phoebe: Apology accepted.

Ross: Okay. So we're, we're good?

Phoebe: Uh-huh.

Ross: All right. (Gets up.) I'll uh, I'll see you later, okay?

Phoebe: (quietly) Bye, fat ass.

Ross: ALL RIGHT!! Phoebe now come on! Will you please tell me what it is I did that mad you so mad at me!

Phoebe: I don't know! I don't remember!

Ross: Well if you can't remember, can't we just forget about this?

Phoebe: Oh no, I am mad at you. I know that much. But, I am sorry about the fat ass thing. You actually have a very sweet little hiney.

(Ross isn't sure what to do with that comment.)

[Scene: Phoebe's cab, Joey and Chandler are headed across the George Washington bridge on their way to Las Vegas. Joey is driving.]

Joey: Man, I'm getting pretty tired. You're might have to take over soon.

Chandler: We've been driving for a half-hour, and you haven't looked at the road once.

Joey: Don't worry, it's out there! (Just then a horn honks and Joey quickly looks at the road.) I think I just need lunch.

Chandler: Yeah.

Joey: You wanna eat? (Pulls out the twenty) My treat!

Chandler: Isn't that Ross's money?

Joey: Yeah. Okay. Ross's treat! Where do you wanna eat?

Chandler: I don't know.

Joey: Ooh, hey, I know how we can decide! All right, uh, I'm gonna ask you a bunch of questions and then you have to answer real fast. Okay? So uh, clear your mind Clear it right out! Clear it out! Clear!

Chandler: Okay!

Joey: Okay, uhh, would you rather be too wet or too dry?

Chandler: Too dry.

Joey: Do you believe in ghosts, yes or no?

Chandler: No!

Joey: Is this movie gonna be my big break?

Chandler: No!

Joey: (shocked) What?!

Chandler: Yes.

Joey: Dude you said, "No!"

Chandler: I also said, "Yes!"

Joey: You don't think this is going to be a big break for me?

Chandler: No! (Realizes) Ahhh!!!

Joey: I don't believe this!

Chandler: Look Joe, I just, I just don't want to get your hopes up real high.

Joey: What are you talking about?! I'm the lead in a movie!

Chandler: They're not even paying ya! This doesn't even sound like a real movie!

Joey: Y'know what? I don't need this! Okay? I don't know why you're dumping all over my big break.

Chandler: Joe, I don't think this is going to be your big break.

Joey: Is that why you're on this trip, huh? Make me feel like a loser? 'Cause if it is, I'll tell ya, I-I-I'd rather be alone.

Chandler: Oh, you don't want me on the trip?

Joey: Not if you're gonna be like this!

Chandler: All right, I'll tell ya what, the next time you ask me a question like that I'll lie.

Joey: Yeah! I don't want you on the trip!

Chandler: All right, fine! Fine! Why don't you pull over? I'll get out right now!

Joey: Fine! (He slams on the brakes, stopping the car on the bridge to the sound of numerous car horns.) Get out!

Chandler: You're not actually supposed to stop on the bridge.

Joey: Get out!!

Chandler: All right!! (Gets out and Joey speeds away.) Wait! Wait, there's no sidewalk! Yeah, I'm gonna die here.

Commercial Break

[Scene: Central Perk, Ross, Phoebe, Rachel, and Monica are there. Ross is trying to figure out why Phoebe's mad at him.]

Ross: Okay, are you mad at me because my hair gel smells?

Phoebe: No.

Ross: Are you angry at me because I said your handwriting is childlike?

Phoebe: No that made me feel precious.

Monica: Oh, I know! Umm, is it because he's always correcting people's grammar? Whom! Whom! Sometimes it's who!

Ross: Yeah? Sometimes it's... (Does the fist thing.)

Rachel: Oh, did you beat him at a board game? He turns into such a baby when he starts to lose.

Ross: Okay, I'm the baby. (Points at his eye.)

Rachel: Eh! Stop it!

Chandler: (entering) Hey!

Monica: Chandler! What are you doing here?

Ross: Hey!

Chandler: Joey kicked me out of the car on the George Washington bridge!

All: Why?!

Chandler: I don't know! He went crazy! Y'know, we were playing that game where you-you ask a question and you answer it really fast.

Phoebe: That game should not be played without my supervision.

Chandler: Well, I don't know what mad him so mad, y'know? All I said was that uh, I didn't think this wasn't gonna be his big break, that this movie wasn't going to do anything for him, and that uh, y'know it didn't sound like a real movie--Okay, he should've pushed me off of the bridge.

Phoebe: What's in the bag?

Chandler: Oh, I figured you guys would all be mad at me. So I got you some gifts that I found on the side of the road. (Looks into the bag.) Who wants the teddy bear with one leg?

Phoebe: I do!

[Scene: Monica and Rachel's, Rachel is trying to apply her eye drops while Monica looks on.]

Rachel: Okay. (She tilts her head back and squeezes the eyedropper. The only problem is, it's not over her eye.)

Monica: Not even close.

Rachel: Okay, then y'know what? Help me! I need help! I can't do this!

Monica: Okay! All right! Let's do it!

Rachel: All right!

Monica: Sit down. (They sit down on the couch.)

Rachel: All right.
Monica: Put your head back.
Rachel: Yes!
Monica: All right.
Rachel: Okay.
Monica: Now, open your eyes.
Rachel: Okay, they are. (No they're not.)
Monica: How many fingers am I holding up? (She's not holding any up.)
Rachel: (thinks) Four.
Monica: Oh my God, I was thinking four.
Rachel: Really?!

Monica: Yes! All right, y'know what? Why don't we start with a practice run? Okay?
Rachel: Okay!
Monica: No drops!
Rachel: Great!
Monica: Okay.
Rachel: Okay.

Monica: On three, 1...2...3! (Rachel turns her head on three to avoid the drops.) Now my pillow's all wet! (She was trying to fool Rachel and squeezed the eyedropper.)
Rachel: Well, well, you said it was practice!
Monica: Then why did you move?!

Rachel: Because I knew you were lying!
Monica: All right, come here! (She gets up and drags Rachel off of the couch by her legs.)
Rachel: (as she's being dragged) What are you? Monica!! Stop it!! Oh my God! Stop it! (Monica drags her totally onto the floor and on her back.)
Monica: I am going... I'm going--Turn it over! (Rachel rolled onto her stomach and Monica rolls her back.) I'm... I am going to get these drops in your eyes. (She is holding Rachel down with both hands and has the eyedropper in her mouth.)
Rachel: Oh my God! You really are freakishly strong!

(Monica starts biting on the eyedropper, spraying the fluid all over. But Rachel keeps turning her head back and forth and Monica keeps missing.)
Rachel: Monica! Stop it!
Monica: (spitting out the eyedropper) Damn! It's empty!

Rachel: Wow, y'know if Joey and Chandler walked in right now, we could make a fortune! (Monica is straddling Rachel and holding her arms down. In a rather risqué pose, at least for primetime TV.)
[Scene: Monica and Rachel's, time lapse, Phoebe and Monica are playing cards as the phone rings.]
Phoebe: Ooh that is definitely Chandler, Joey, or Ross. (Thinks) Or-or Rachel!
Monica: (answers the phone) Hello? (Listens.) (To Phoebe) It's Joey. (Phoebe's proud of herself.) (To Joey) I'm so glad you called! Chandler told me what happened. Y'know he's really upset about it.
Joey: (on a pay phone holding a box) Not as upset as he's gonna be when he finds out what I did with his sweater vests!
Monica: What did you do to his sweater vests?
Joey: Let's just say there's a well-dressed pack of dogs in Ohio. Hey Monica listen is-is Phoebe there? I gotta ask her something about the car.
Monica: Yeah, she's here. Hold on a second. (She hands the phone to Phoebe.)
Phoebe: Hey, dude!
Joey: Hey Pheebs! Listen, this wooden box keeps sliding out from under the seat. (What-what is it?)
Phoebe: Oh that's my grandma. (Joey holds the box away from him.) And thanks Joey she's having a really great time. (Joey is happy now.)
Chandler: (who has just entered) Is that Joey? Is that Joey? Let me talk to him! I wanna talk to him!
Phoebe: Okay Joey? Chandler's here, he was wondering... (We hear the dial tone as Joey hangs up.) Okay, I guess he ran out of change.
Chandler: Y'know, he won't even talk to me. How am I going to apologize to him if he won't even talk to me?
Monica: Well, maybe you should send him something. So that when he gets to Las Vegas he'll know that you're sorry.
Chandler: That's a good idea. I wonder where I could (Pause) get a basket of porn...
Phoebe: No, don't-don't say I'm sorry with porn!
Chandler: Really?
Phoebe: Y'know what you should send him? A cartoon of cigarettes. 'Cause that why he could trade it for protection. No. That's prison.
Ross: (entering) Okay Pheebs, I know how we're going to figure this out. Okay, clear your mind and answer the first thing that comes into your head. Okay?
Phoebe: Uh-hmm.
Ross: What do you like better flora or fauna?
Phoebe: Fauna.
Ross: Who would you rather be Simon or Garfunkle?
Phoebe: Garfunkle.
Ross: Why are you mad at me?
Phoebe: You said I was boring--Ohh!
Ross: When did I say you were boring?!

Phoebe: Oh my God, I remember now! We were playing chess!
Ross: Phoebe! You and I have **never** played chess!
Phoebe: Oh, come on! Yes, remember that time on the frozen lake? We were playing chess, you said I was boring, and then you took off your energy mask and you were Cameron Diaz!

(Realizes) Okay, there's a **chance** this may have been a dream.
[Scene: The desert outside of Las Vegas, Joey is arriving and we hear the song, Name. Y'know, (singing) I've been through the desert on a horse with no name! It felt good to be out of the rain. In the desert, you can't remember your name, 'cause there ain't no one for to give you no pain. La...la...la-la-la, la, la, la, la-la-la. You get the idea. Anyhoo, he pulls up and stops. As he gets out of the car, he spills a huge pill of fast food containers out of the foot well.]
Joey: Hey-hey! Stanley! Hey-hey! You're leading man is here! Let's get to work.
Stanley: Umm, slight change of plans. We've shut down.
Joey: Wh-what?! Why?!

Stanley: It's a money thing, we don't have any.
Joey: (laughs) You're kidding right?
Stanley: No.
Joey: What?!

Stanley: It-it's probably just temporary. We're hoping to get some more money soon, so if could just uh, hang out.
Joey: Uh, hang out?! How long?
Stanley: I don't know. A week? Maybe two? The money will turn up! People will always wanna invest in movies! Hey, you're not rich are ya?
Joey: No!
Stanley: Eh, worth a shot. (Gets into his car.) Look Joey, let me know where you're staying, okay? (The car peels away.)
(I think one of the grips walk up to Joey, mainly because there's a credit for The Grip. What the heck is a grip anyway?!)
The Grip: Hey pal, are you Joey Tribbiani?
Joey: Yeah.
The Grip: These got left for ya. (He hands him a bunch of helium balloons.)
Joey: Thanks. (The grip walks away.) (Reading the card.) Congratulations on your big break.
(The rest of the crew start to drive away leaving Joey sad, alone, and holding his congratulatory balloons as the song comes up again. *La-la-la. See, I've been through the desert on a horse with no name! It felt good to be out of the rain! In the desert you can't remember your name, 'cause there ain't no one for to give you no pain. La-la-la, la, la, la...*)
[Scene: Monica and Rachel's, the phone is ringing.]
Monica: (answering it) Hello?
Joey: (on phone from Vegas) Hey Monica, it's Joey!
Monica: Hey Joey! Aww, you remembered even though you're a big star!
Joey: Aw, come on! It'll be years before I forget you!
Monica: Joey, what's it like on a movie set, huh? Do you have a dressing room? Do you have a chair with your name on it?
Joey: Uh, well yeah-yeah, I've got all of that going on. Yeah, listen uh, I want you to make sure you tell Chandler that he couldn't have been more wrong! Uh-oh! I gotta go Monica, my uh, my sushi's here!
[Cut to Joey hanging up the phone in Vegas. He's wearing a Roman gladiator's uniform and goes over to join a family to pose for a picture. You see, he's apparently taken a job at *Caesar's Palace*.]
Joey: (to the family) Sorry about that. Thanks for waitin'. The Husband: Okay!
Joey: Everybody smile! (The picture is taken) Okay, thanks a lot! Enjoy your stay at *Caesar's*! We hope it's toga-rrific! (The family leaves.) Kill me. Kill me now.
Ending Credits
[Scene: Monica and Rachel's, The gang is surrounding Rachel at key positions.]
Ross: Hey Rach, can you pass me the *TV Guide*?
Rachel: Yep!
(As she moves to get it, Monica yells...)
Monica: Go!!
(Phoebe jumps to the floor as Ross tackles Rachel off of the couch. Chandler helps push Rachel onto the floor by jumping over the back of the couch. Phoebe grabs Rachel's head to hold it still and opens Rachel's eye as Monica jumps onto Chandler's back to administer the torture--I mean medicine.)
Rachel: What?!! Stop it!! Stop it!! Oh my God!
Monica: Okay! Okay! Okay! (She succeeds in getting the eye drops in and everyone climbs off of Rachel.) We'll see you in about 3 to 4 hours.
Rachel: Oh! (She's trying to recover while still on the floor.)
End

523 The One In Vegas
[Scene: Monica and Rachel's, Rachel is sitting in the living room and Phoebe is standing in the kitchen as the phone rings.]
Rachel: Pheebs? Could you get that? Please?
Phoebe: Why? Just 'cause you're too lazy to get up off your touchie?
Rachel: No! No! It's just that all the people in the entire world that I want to talk to are right here.
Phoebe: (smiles) Okay! (Goes to answer the phone.)
Rachel: (under her breath) Sucker!
Phoebe: (answering the phone) Hello? (Listens) Hey Joey! [Cut to Las Vegas, Joey is on the phone and wearing his gladiator costume.]
Joey: Hey Pheebs! Listen, uh can you do me a favor? I forgot the pin number to my ATM card can, can you get it for me?
Phoebe: Sure! Where is it?
Joey: Uh, I scratched it on the ATM machine down on the corner.
Phoebe: Ohh! So you're 5639?!

Joey: That's it! Thanks Pheebs!
[Cut to Monica and Rachel's]
Chandler: (entering) Hey!
Phoebe: (to Joey) Ooh, do you want to talk to Chandler?

Chandler: (To Phoebe) Is that Joey?! (She nods yes) Let me talk to him!
[Cut to Joey]
Joey: No! (She nods no to Chandler) Because he didn't believe in my movie! Which is a big mistake because it is real! Real!
A Casino Boss: Hey! Tribbiani! Get back to work! Break time's over!
[Cut to Phoebe]
Phoebe: Who was that?
Joey: Uhh, my stunt double. Yeah, and y'know, he's getting a little too familiar for my tastes.
Chandler: (To Phoebe) Y'know what? I have been trying to apologize to him all week! If he's not gonna let me do it on the phone, I'm gonna go down there and do it in person.
[Cut to Joey]
Joey: Uhh Pheebs, I heard that. Can you put him on?
[Cut to Phoebe]
Phoebe: Yeah! (She hands the phone to Chandler.)
Chandler: (To Joey) Hey!
[Cut to Joey]
Joey: Don't come out here!
[Cut to Chandler]
Chandler: No-no-no-no, I've supported you one hundred percent and I want to prove that to you in person!
[Cut to Joey]
Joey: I got that! I forgive ya! Don't come out here!
[Cut to Chandler]
Chandler: Forgive me? You haven't been taking my calls in a week!
[Cut to Joey]
Joey: Well, I'm totally over it Chandler. Friends forever! Don't come out here!
A Tourist: (To Joey) Would you mind doing a picture with us?
[Cut to Chandler]
Chandler: Uh, what was that?
[Cut to Joey]
Joey: Uh, *Entertainment Tonight*. [Cut to Chandler] Yeah, okay so, good talking to ya and don't come out here. All right. (Hangs up the phone and poses for that picture.)
Opening Credits
[Scene: Monica and Rachel's, Phoebe is entering.]
Phoebe: Monica! I'm sorry I'm late! (Starts looking around for her) Monica? (Goes into Monica's bedroom.)
Monica: (entering) Phoebe? (Phoebe comes back into the living room) Oh, Phoebe, I'm so sorry. Have you been here long?
Phoebe: (saddened) It's okay. What the hell took you so long?
Monica: Okay, you can not tell Chandler. Okay? That I ran into Richard.
Phoebe: Which Richard?
Monica: The Richard.
Phoebe: Richard Simmons?! Oh my God!
Monica: Noo! My ex-boyfriend Richard! Y'know the tall guy, moustache?
Phoebe: Oh! Okay, that actually makes more sense. So how was it?
Monica: It was, it was really nice. We started talking and I-I ended up having lunch with him.
Phoebe: That is so weird! I had a dream that you'd have lunch with Richard.
Monica: Really?
Phoebe: But again, Simmons. Go on.
Monica: The strange part was, he was really nice, umm and he looks great, but I didn't feel anything at all!
Phoebe: Ooh! So now why can't we tell Chandler?
Monica: Because it would totally freak him out and tomorrow's our anniversary. I just don't want anything to spoil that.
Phoebe: Oh, I can't believe you guys lasted a whole year!
Monica: I know.
Phoebe: Wow! I owe Rachel 20 bucks!
Monica: What?
Phoebe: On a totally different bet.
Chandler: (entering) Hey!
Monica: It's almost our anniversary!
Chandler: I know. Can you believe it? One year ago today I was just your annoying friend Chandler.
Phoebe: Awww! Now you're just my annoying friend Chandler.
Chandler: Huh.
Monica: I got you a present!
Chandler: Oh, but it's not 'til tomorrow!
Monica: I know, but you have to open it today! (Hands it too him.)
Chandler: Okay.
(He starts taking his time opening it. Finally Monica snaps.)
Monica: (grabbing the gift from him and opening it) Okay! There you go! It's two tickets to Vegas!
Chandler: Wow!
Monica: For this weekend! Oh gosh, it would be perfect, we get to see Joey plus we get to start our anniversary celebration on the plane. We can call it out plane-aversary.
Chandler: Do we have to?
Monica: No.
Chandler: Okay this is great, but Joey said he didn't want any of us out there.
Monica: Oh, he just doesn't want us to go through any trouble. Think of how excited he'll be when we go out and surprise him! Plus we get to have our own, ani-Vegas-ary! A-Nevadaversary!

Chandler: Yeah, I think we should see other people.

Monica: But we can go, right?

Chandler: Yes.

Monica: Okay!

Chandler: It's a great idea. (They kiss)

Phoebe: Okay, I'm gonna go too!

Chandler: Y'know Pheebs, it's kinda **our** (His and Monica's) anniversary.

Phoebe: Oh please, you are not gonna ditch again like you did with London.

Monica: Ditch you? Phoebe, you were pregnant with the triplets!

Phoebe: Uh-huh, great story! I'm going!

Rachel: (entering with Ross) Hi!

Phoebe: Hey!

Ross: Hey!

Phoebe: Hey, you guys, listen, this weekend we're all gonna go to Las Vegas to surprise Joey! Including me!! You wanna go?!

Rachel: Well, I guess I could take a couple days off work.

Phoebe: Of course you can take a couple days off work because this trip includes me!

Rachel: Oh no, wait a minute, wait, I've got a presentation tomorrow. I can't miss that.

Ross: Oh, but I've got tickets to the Van Gogh exhibit! I've been waiting like a year for this.

Chandler: (coughing) Art lover!

Ross: What'd you say?

Chandler: I said art lover.

Ross: Is that supposed to be an insult?

Chandler: I don't know, I'm very tired.

Ross: So Rach, maybe you and I could fly out together Saturday.

Rachel: That sounds great.

Ross: Yeah? All right I'll call the airlines. (Picks up the phone and does so)

Rachel: Okay. Yeah, that would be nice actually, to have the apartment to myself for a night.

Phoebe: Oh yeah, so you can walk around naked.

Rachel: No! So I can be by myself. Y'know? Have a little alone time.

Phoebe: Naked alone time.

Rachel: No! Phoebe just because I'm alone doesn't mean I wanna walk around naked. I mean, you live alone, you don't walk around naked.

Phoebe: Uh-huh! Why do you think it takes me so long to answer the door?

[Scene: An airplane cabin, Phoebe has the aisle seat, Chandler the window, and Monica's stuck in that horrible middle seat.]

Phoebe: So, so far is this trip to Vegas better or worse than the trip to London?

Chandler: So it's pretty much the same Pheebs.

Phoebe: Okay, what about after I give you these candies? (Hands them each one from her purse.)

Chandler: Yeah, I guess it's a little better now.

Phoebe: Ah-ha! Okay, (takes out a notepad) Las Vegas 1, London 0! I'll be right back. (Gets up and heads aft.)

Chandler: (To Monica) Happy plane-aversary.

Monica: Aww! I love you!

Chandler: Can I give you a present now?

Monica: Okay!

Chandler: Okay! (He grabs his carryon and starts rummaging through it.) Oh man! Don't tell me I did this!

Monica: I love the "I forgot the present" fake out!

Chandler: How do you feel about the, "I really did forget the present, please forgive me" not fake out?

Monica: Oh that's okay. Don't worry about it, you can give it to me when we get back.

Chandler: Ohh that's the **worse** thing that can happen on an anniversary ever!

Phoebe: (sitting down) Oh good! All right, so you decided to tell him about the Richard thing.

Chandler: What-what Richard thing?

Phoebe: Oh no. [The patented version.]

Chandler: What Richard thing?

Phoebe: (To Monica under her breath) Simmons! Go with Simmons!

Monica: Okay, I umm, I ran into Richard yesterday and he asked me if I wanted to go for a bite and I did. The only reason I didn't tell you is because I knew you'd get mad and I didn't want to spoil our anniversary.

Chandler: (talking out of the side of his mouth) I'm not mad.

Monica: Really?!

Chandler: Oh yeah! Yeah, so you-you bumped into Richard! You grabbed a bite! It's no big deal. (He still ain't happy.)

Monica: Great!

(Pause.)

Phoebe: Okay, London 1...

[Scene: Monica and Rachel's, Rachel is coming out of the bathroom after a shower wearing only her bath robe, walks into the kitchen, and opens the fridge. As she bends over to grab a bottle of wine, her robe falls open (Damn this network primetime programming, we didn't see anything!) and she quickly closes it again. But then realizes she didn't have to do that. So she closes the fridge and stands next to the table, thinks about it for a little while and...]

Rachel: (takes off her robe) Oh! Look what happened! (Don't get your hopes up guys, we only get to see her from the back or from the neck up. Its times like these I wish that the networks would

broadcast some nudity other than Denis Franz's butt.) (In her head.) *Huh, check me out! I'm in my kitchen...naked! I'm picking up an orange.* (Does so) *I'm naked!* (Goes into the living room) *Lighting the candles, naked, and carefully.* (She backs anything that might have a point like a candle on her body away.)

[Cut to Ross's apartment, he's sitting by his window looking at an art book. As he's turning the page, he glances up and notices something.]

Ross: (in his head) Oh my God! That's Rachel naked! I can't look at that! I am looking at this. (Looks back at his book.) Okay, vivid colors, expressive brush strokes—Unless she wants me to be looking at that. She knows I'm home. She knows I can see her. What kind of game is she playing? I think maybe someone's lonely tonight. Oh-ho, Dr. Geller! Stop it! You're being silly! Or, am I?

[Cut back to Monica and Rachel's apartment, Rachel is singing along with a song and dancing while facing the big picture window. Y'know, I think I'd pay real good money to be on the other side of that window!]

Rachel: (singing) *Love to love ya baby! Ow! Love to love ya baby! Ow!* (There's a knock on the door, she turns off the music, puts on her robe, and goes to answer the door.) *Love to love ya, baby!* (There's another knock.) Damn! (Looks through the peephole and turns on the lights.) Ugh. (She opens the door to Ross who's leaning against the door jam.)

Ross: Hey.

Commercial Break

[Scene: Monica and Rachel's, the scene is continued from where we left off before the break.]

Ross: May I come in?

Rachel: Uh, yeah, if you want to.

Ross: Do you want me too?

Rachel: Yeah, sure?

Ross: So do I. (Slowly walks in.) Okay Rach, before anything happens (He takes off his coat) I just want to lay down a couple of ground rules. (Turns back to face her.) This is just about tonight. I don't to go through with this if it's going to raise the question of "Us." (Rachel's confused) Okay? I just want this to be (Kicks off his left shoe) about what it is! (Kicks off the other one.)

Rachel: And um, what-what is that Ross?

Ross: The physical act of love. (Hisses at her.)

Rachel: (laughs) What?! Are you crazy?

Ross: Oh so-so you weren't trying to entice me just now with your-your nakedness?

Rachel: (gasps) Oh God, you saw me?! Oh!

Ross: You weren't trying to entice me with your nakedness.

Rachel: Noo!! No! You thought, you actually thought I wanted to have sex with you?!

Ross: No! No! (Grabs his coat) No! (Grabs a shoe.) No-no-no-no. (Grabs the other one and heads for the door.)

Rachel: Ohh wow! I'm sorry, but Ross you kicked off your shoes!

Ross: Can we, can we just forget this ever happened?

Rachel: Yes of course, absolutely! You're right. I'm sorry.

Ross: Thank you.

Rachel: Yes.

Ross: All right I guess I'm, gonna go pack. (Starts to leave)

Rachel: Okay. Oh wait! One more thing umm, do-do we still need to uh settle the question of "us?"

(Ross storms off embarrassed.)

[Scene: Las Vegas, we have the typical glamour shots of Vegas, the Strip, slot machines, a couple other gaming tables all set to the tune of you guessed it, *Money*. Anyhoo, we finally get through that and watch Chandler, Monica, and Phoebe enter *Caesar's Palace* carrying their luggage.]

Phoebe: Hey you guys wait! Guys! (Catches up to them.) This place is so much better than London! Okay? This lady dressed like Cleopatra gave me a coupon, 99 cent steak and lobster dinner. Huh!

Monica: Phoebe, you don't eat animals.

Phoebe: For 99 cents, I'd eat you. (Sees the casino) Okay, I can totally settle down here. It's got everything I could ever want, including Joey! Look! (Points to Joey in his gladiator suit posing for a picture with two old ladies.) Oh! Look! Hi!

Chandler: Oh my God.

Phoebe: Hey! Joey! (They all head over to him, he spots them coming and panics.) Hey! Hey!! Wow! (She hugs him.)

Joey: Hi!

Chandler: Love your condoms my man.

Joey: What-what are you guys doing here? I thought I told you not to come.

Phoebe: Why are you dressed as a gladiator?

Joey: Uhh, because I'm shooting a scene right now. Yeah, I uh, I play a gladiator. Uh, y'know what? Hold-hold on a second. (To no one in particular) Can we cut? Yeah, my-my friends are here, I'm gonna take a little break.

Monica: Who are you talking to?

Joey: They uh director. Uhh, her. (Points to an old woman standing behind him. Who glares at him and walks off.) All right, all right, it's not a gladiator movie. I work here.

Chandler: Why?! What happened?!

Joey: Well, the movie got shutdown because they ran out of money, so I'm working here 'til it starts up again, if it ever does.

Monica: I'm so sorry.

Joey: Look, I'm sorry I didn't tell ya. (To Chandler) I'm sorry man.

Chandler: No-no, that's okay, apparently there's a new policy where we don't have to share everything with everybody.

Monica: I **knew** you were not okay with that.

Phoebe: So you're a gladiator! Wow!

Joey: Yeah, what-what's going on?

Phoebe: Monica had lunch with Richard.

Joey: Dawson?!

Phoebe: Nool! But that would've been so cool!

Chandler: No! Her boyfriend Richard!

Monica: It meant nothing! Okay? After all this time, how can you **not** trust me?

Chandler: When you go lunching with hunky moustache men and don't tell me about it!

Monica: You're right. I'm sorry. I should've told you.

Chandler: Thanks. (They hug.)

Joey: Aww, there we go.

Phoebe: I love Vegas!

Monica: I promise you, next time I will absolutely tell you.

Chandler: (pushing her away from another hug) Next time?

Joey: Ooh, so close.

Chandler: There's not gonna be a next time! You can not ever see him again!

Monica: I can not see him? I mean, you can't tell me what to do!

Chandler: That's so funny, because I think I just did!

Monica: Oh y'know what? If you're gonna be acting like this all night, I really, I don't even want to be around you.

Chandler: Fine with me!

Monica: Fine! Happy Anniversary!

Joey: Whoa! Whoa! Guys! Please! Come on! Come on! This is obviously just a **big** misunderstanding.

Monica: No it is not!

Chandler: What are you talking...

Joey: Hey-hey don't look at me! I just work here! (Walks away.)

[Scene: An aircraft cabin, Ross and Rachel are on their way to Vegas.]

Rachel: (taking off her sweater) Okay umm, Ross? I'm-I'm really warm, so I'm going to be taking off my sweater. Now, I'm just letting you know that this is **not** an invitation to the physical act of love.

Ross: (sarcastic) Yep! That's hilarious!

Rachel: I'm sorry, I'm done. I'm done.

Ross: Y'know, last night was embarrassing for you too.

Rachel: No, not really. I mean you've seen me naked hundreds of times.

Ross: Uh-huh. But it was a first for the rest of my building.

Rachel: Okay. All right, that's true! But y'know I just don't embarrass that easily.

Ross: What?! You totally get embarrassed!

Rachel: No, I don't! Ross, I think I'm just a more secure person than you are.

Ross: Is that so?

Rachel: Yeah.

(Pause.)

Ross: (loudly so that everyone can hear) Hey lady! I don't care how much you want it! Okay?! I am **not** gonna to have **sex** with you in the bathroom! (Rachel sinks lower on her chair trying to hide.)

[Scene: Chandler's hotel room, he's sitting there with Joey who's talking about his helmet and running his hand through that feathery thing at the top.]

Joey: Hey, y'know in Roman times this was more than just a hat.

Chandler: Really?

Joey: Yeah, sure! Sure! They would uh, they would scrub the floors with it! They would use it to get the mud off their shoe. And sometimes underneath the horse would get dirty so they would stick it right...

Chandler: (interrupting in the nick of time) Joey, I uh! I can't **believe** this is how I'm spending my anniversary.

Joey: All right well, I'll take you someplace nice then. Look! A guy tipped me a hundred bucks today.

Chandler: Whoa!

Joey: Yeah-yeah, he was playing blackjack for like an hour and he won \$5,000. Can you believe that? \$5,000!

Chandler: Y'know, if I won \$5,000 I'd join a gym, y'know build up my upper body and hit Richard from behind with a stick! (Mimics it.)

Joey: Wait a minute! Why don't I do what that guy did? I'll take this \$100 and turn it into \$5,000! And **then** I'll turn that into enough money to get my movie going again!

Chandler: Good luck!

Joey: Chandler! I don't need luck. I have thought this through!

Chandler: I see. (Joey exits as Chandler shakes his head.)

Commercial Break

[Scene: The casino bar, Phoebe and Monica are sitting at the bar, while Wayne Newton's signature song *Danke Schoen* is playing in the background.]

Monica: (to the bartender) Thank you.

Phoebe: Thanks.

Monica: I can't believe this! This is like the worst night ever!

Phoebe: Y'know Monica you had a minor setback in your relationship with Chandler. Big deal! It's only Chandler. (Monica turns and stares at her.) I am **so** sorry.

Monica: This is crazy! I mean, it's such a stupid argument. I don't even wanna see Richard again.

Phoebe: So go fix it! Go find Chandler! He's probably up in your room! Tell him that you're sorry and that you love him.

Monica: Y'know what? You're right Phoebe. You're right. Thank you! (Gets up to find Chandler.)

Phoebe: Sure! (When Monica gets close to the door.) (Yelling) Yeah! Las Vegas, number one!

[Cut to the casino, Monica is walking through it past the craps table when she notices a chip on the floor. She picks it up and heads to the table.]

Monica: Anybody lose this? (Holds up the chip and the woman next to her shakes her head no.)

The Croupier: Comin' out. Place your bet. (Monica does so.) Dice are out. (The woman next to Monica rolls the dice.) Double or nothin'! Pay the front line! (Monica won and doubled the chip.)

Monica: Hmm.

[Scene: An airplane cabin, Ross and Rachel are both reading as a guy stops by their row.]

Guy: (To Rachel) So uh, I'm on my way back to the bathroom. (Ross giggles.)

Rachel: Yeah, all right. All right! Just keep walkin'! All right?

(Ross keeps giggling and Rachel decides upon revenge. She gets up and kisses the rather large man in the seat in front of Ross on the back of his head. The guy turns around angrily.)

Rachel: Ross! What are you... I'm sorry sir. I just, I think he just really likes you.
[Time lapse, Ross is drinking something and decides to get Rachel again.]

Ross: (to the guy in the window seat next to him) Hey! Y'know that teacher who had a baby with her student? (He points at Rachel.)

[Time lapse, Rachel pushes the flight attendant call button, takes Ross's drink, and spills it into his lap.]

Ross: What the? What...

Rachel: (to the flight attendant who appears in record time. It was only seconds after Rachel pushed the call button was she there. Once again, more proof that TV isn't real, IRL she would've been waiting for the rest of the flight and by then Ross's pants would be dry.) Hi!

The Flight Attendant: Miss? May I help you?

Rachel: Yes, I'm sorry. Do you have any extra pants? Umm, my friend seems to have had a little accident.

[Scene: *Caesar's Palace Casino*, Joey is approaching one of the blackjack tables on his quest to make enough money for his movie.]

Joey: (to the dealer) Can I change a hundred? (He hands him his chip.)

Blackjack Dealer: Changing one hundred! (Gives him the change.) Good luck sir.

Joey: (betting all 100) Let's ride.

Blackjack Dealer: (Deals the cards) 13.

Joey: Hit me! (He does so.) Ohh man! (Joey busts and loses all the money, but when the dealer starts to collect the cards Joey notices something.) Wait! (He holds his hand next to the dealer's hand.)

[Cut to Chandler's room, Joey is relaying to Chandler his amazing discovery.]

Joey: Chandler! You are **not** gonna believe this! I have found my identical hand twin!

Chandler: (totally confused) What?

Joey: My identical hand twin!

Chandler: What's an identical hand twin?

Joey: What's it sound like? It's a guy with my identical hands! It was incredible! Chandler, the dealer's hands were exactly like me! It-it was like looking at my hands in a mirror!

Chandler: Are you sure you weren't (pause) looking at your hands in a mirror?

Joey: Don't you see what this means?! I can forget about that stupid movie. I'm gonna be a millionaire!

Chandler: (totally confused) How?

Joey: Look, I don't have it all worked out yet, but it's gotta mean big money! Come on! Identical hands!

Chandler: Again I must go back to, how?

Joey: This is Vegas man! People will pay to see freaky stuff! Okay, how much would you pay to see this hand (Holds up his left hand) twice? Huh?

Chandler: (Pause) Y'know, I-I can't really put a price on that Joe.

Joey: Hey, are you unsupporting me again?

Chandler: No! No! I support you 100%! I just didn't, I didn't get it right away. Y'know now I'm caught up! Identical hand twins! It's a million-dollar idea!

(Joey starts to leave to embark on his genius moneymaking scheme, but is freaked out slightly when as he goes to open the door, there's a mysterious knock. He calms himself down and opens the door to reveal Phoebe.)

Phoebe: Hey!

Joey: Pheebs!!

Phoebe: Yeah?

Joey: I found my identical hand twin!

Phoebe: Ohh, you are **so** lucky! (To Chandler) Hey! So, where's Monica? Did you guys make up?

Chandler: No!

Phoebe: But she just came up here!

Chandler: That was Joey!

Phoebe: I wonder where she is. That is so weird.
Chandler: Yeah, well, she's probably talking to Richard.

Phoebe: Would you stop that! Do you wanna know the first thing she said when she came back from her lunch with Richard? She didn't feel anything for him. She loves you!

Chandler: Really?

Phoebe: Yes! Now, she feels terrible! She really wants to make up! You gotta find her.

Chandler: Okay. (He gets up and goes to find her.)

Phoebe: Good. (After he leaves, she puts on Joey's gladiator helmet and checks herself out in the mirror) I should really start wearing hats!

[Scene: *Caesar's Palace Casino*, Chandler is looking for Monica while Tom Jones's signature song is playing in the background (Getting the theme yet? Tom Jones, Wayne Newton, casinos... They're in Vegas people! Catch up!) *It's Not Unusual*, y'know, "It's not unusual to be loved by anyone! It's not unusual to have fun with anyone! But when I see you hanging about with anyone, it's not unusual to see me cry!" I wanna die." Well, while that's playing he spots Monica playing craps and in victory hug the guy next to her. Chandler turns and walks out.]

[Scene: That same plane cabin, Ross is working on a crossword puzzle and Rachel is asleep against his shoulder. She shifts a little bit and Ross suddenly gets an idea. An evil idea when he looks at his pen. Then we have a little time lapse, the plane has landed and everyone is disembarking. The flight attendant is saying bye-bye to everyone.]

The Flight Attendant: (to another passenger) Welcome to Las Vegas.

(Rachel approaches and we see the fruits of Ross's evil plan. He has drawn a moustache and beard on Rachel. The flight attendant just ignores it.)

The Flight Attendant: (To Rachel) Thank you! (Not sure of herself) Enjoy your flight?

Rachel: Yes, I did. Thank you very much, it was excellent. (Disembarks)

The Flight Attendant: (To Ross) Hope you had a nice flight.

Ross: Ohh, it was the best!

Commercial Break

[Scene: The casino, Ross and Rachel are entering.]

Ross: I think the check in is that way. (Points)

Rachel: Ahh.

(A young boy sees Rachel, points, and starts laughing.)

Rachel: Hello! (She makes a face and the kid laughs harder. Finally, his parents drag him off.) Ohh, kids love me.

Phoebe: (sees Ross and Rachel) Hey!

Ross: Phoebe! (They hug.)

Phoebe: You guys are here! Yay!

Rachel: Hi! (Hugs Phoebe)

Phoebe: (sees Rachel's face) What? Did you go to a costume party? Let me guess umm Pancho Vila? (Points at Rachel) and you're Bob Saget. (An old lady has sat down at the slot machine Phoebe was just at.)

Rachel: Pancho Vila?

Phoebe: Yeah! (Motions to her face, indicating all of Rachel's "make-up.")

Rachel: What are you talking about Pheebs? (Takes out her compact) I don't... (She gasps when she looks in the mirror and sees her face.) (To Ross) Oh my God, you drew on me?!

Ross: Hey, you wet my pants!

Phoebe: Whoa, what kind of party was this?

Rachel: Ross, I have been walking around like this since the plane! I can—you have so crossed a line. (Heads for the bathroom)

Ross: Rach! Wait! The men's room is that way. (Points in the other direction. Rachel hits him with her purse and heads for the ladies room.)

(The old lady at Phoebe's machine wins. Phoebe turns around in shock.)

Phoebe: Ugh!

Ross: What?

Phoebe: That's like the third time that lady's won on a machine I was playing.

Ross: Oooohhh, I'll bet she's one of those people.

Phoebe: M-M-Mole people?

Ross: What? No-no, a lurker.

Phoebe: Oh. What's a lurker?

Ross: Okay when you're playing a machine and it hasn't paid out, a lurker waits for you to give up and then...

Phoebe: Kills you?

Ross: No. They swoop in and steal your jackpot.

Phoebe: Ohh!

Ross: Uh-hmm.

Phoebe: How do you know about this?

Ross: My nana used to do it. That's how she paid for all my dance—karate lessons.

Phoebe: Dance karate?

Ross: Yes, it's a deadly but beautiful sport. (Does a karate chop, then does a little dance-type sway.)

Rachel: (returning with her purse covering her face) All right, it **won't** come off!

Ross: What?!

Rachel: It won't come off!

Ross: Oh my God! Rach-Rach, are-are-are you sure?

Rachel: No, actually I took it off then I drew it back on.

Joey: (entering) Hey-hey-hey you made it!

Ross: Joey!

Joey: All right! Hey-hey!

Rachel: Hi!!

Joey: Who's your friend? He's hot! (Ross laughs and Rachel smacks him with her purse.)

Ross: (To Joey) Thanks man.

Rachel: Hi. (She hugs Joey.)

Ross: Hey listen I uh, talked to Chandler, sorry about the movie.

Joey: No, don't be sorry. I don't need it anymore. I found my identical hand twin!

Ross: Your what?

Joey: My identical hand twin! The person whose hands are exactly like mine! This thing is a gold mine!

Ross: What?! That's not gonna make you any money!

Joey: Okay. Well, if that's how you feel about it, fine! None of you get to live with me in my great big hand-shaped mansion! Except uh, you Pheebs. You can live in the thumb.

[Scene: The craps table, Monica is on a big roll.]

Monica: All right baby, come on! (Rolls the dice) Yes! Yes! I am on fire!

Chandler: (walking by with his luggage) See you later Mon.

Monica: Wait Chandler, what are you doing?!

Chandler: What does it look like? I'm going home.

Monica: What? Wait! Why? (He turns and heads for the door and she chases after him.) Chandler! Chandler! Wait! I'm sorry, I was just playing for one second! I was trying to find you to tell you that, look if you don't want me to see Richard again, I won't! He means nothing to me!

Chandler: Come on! I was there! (He's propped up with his hand on a statue of a naked guy. He winces and pulls his hand away.) I know he's the love of your life.

Monica: Not any more.

Chandler: Really?!

Monica: Really! (They hug and kiss) All right? Let's forget about this going home stuff and celebrate our anniversary. (She picks up his suitcase.) Okay, this is empty.

Chandler: Yeah, I wanted to make a dramatic scene, but I hate packing.

[Scene: A blackjack table, it's the same one Joey's hand twin was working at, only he's not there anymore and has been replaced by a beautiful woman.]

Joey: (entering) Uhh, hey. Where's the other guy?

The Woman Dealer: Which guy?

Joey: He's kinda tall, dark hair, hand looks exactly like this. (Holds up his hand.) See?

The Woman Dealer: I don't know about the hands, but the guy that was here before me just went to the bathroom.

Joey: Okay! (Walks away, then turns back.) How you doin'?

The Woman Dealer: Very busy.

Joey: Right! Okay. (Heads for the bathroom.)

[Scene: Ross and Rachel's hotel room, Rachel is still trying to get the ink off and Ross is on the phone to the company. Wait a minute, why exactly are they sharing a hotel room? Didn't they like break-up or something? Did I miss a memo? Or maybe, it's just foreshadowing things to come. Who knows? Maybe the answer's at the bottom of the page. Then again, maybe it isn't and it's just one of those things TV writers just don't explain. Anyhoo...]

Ross: (on the phone) Yes, hello. I have a question. Umm, I used your pen to draw on my friend's face.

(Listens) A beard and a moustache. (Listens and laughs) Thank you. (Rachel turns around and glares at him.) No, she didn't think so. (Listens) I know it's like (turns and sees Rachel staring at him and quickly changes the subject) anyway, umm well make-up didn't cover it and we've tried everything to get it off and nothing's worked. What-what do we do? (Listens) Yeah. (Listens) Uh-huh. (Listens) Yeah. (Listens) Oh! Okay. (Listens) Okay, thank you! (Rachel gets excited at his tone.) (Hangs up the phone) Yeah, it's not coming off.

Rachel: What?! What else did he say?

Ross: Umm, he said he thought I was funny. So... (Rachel stares at him.) Okay, look-look umm, let's just go downstairs, we'll have some fun, and you will forget all about it.

Rachel: Ross, no! There is **no** way I am leaving this room looking like this!

Ross: Oh, come on! Rach, it's-it's not that bad.

Rachel: Ross, I am a human doodle!!

Ross: Look, just because some idiot drew on your face doesn't mean you shouldn't have any fun! Okay? And besides, hey-hey-hey no one is even gonna **look** at you. Okay? This is Vegas! Hello! There are tons of other freaks here! (Rachel turns around and glares at him.) There are tons...of...freaks here. No other. No. Come on! No one will notice, I swear! (They both exit.)

[Time lapse, they're both entering.]

Ross: Okay, there was **some** staring and pointing.

Rachel: Okay, I need a, I need a drink! (Makes a beeline for the mini-bar.)

Ross: Oh, hey y'know, they-they really overcharge you for that stuff. (Rachel glares at him.) But who cares?! Because it's all on me! (Rachel reaches into the fridge and pulls out two handfuls of those mini booze bottles.) (Watching her.) That is, one big drink!

Rachel: (she's finished reliving the fridge of its entire alcohol content.) Macadamia nut?

Ross: (looking at the price list) Umm... Wow! That's-that's some pricey nut!

Rachel: Hm-mmm! (Opens the container)

Ross: Really like those Macadamia nuts, huh?

Rachel: Nope! (She puts one in her mouth and spits it out, then does it again in another direction.)

[Scene: the casino, Phoebe is playing on a slot machine. Suddenly the lurker sticks her head around the aisle of slot machines.]

Phoebe: (seeing her) Get out of here you lurker! (She doesn't move) Go on! Get! (She throws a quarter at her.)

Chandler: (arm-in-arm with Monica) Hey Pheebs!

Phoebe: Ohh! You made up!

Monica: Yeah, I couldn't be mad at him for too long.

Chandler: Yeah, she couldn't live without the Chan Love. (They start kissing.)

Phoebe: Ohh, get a room.

Monica: We have one.

Phoebe: I know. Use it.

[Scene: The Men's room, Joey is entering and sees his hand twin washing his hands.]

Joey: Oh-oh-oh, yeah! (He grabs some towels and

takes them to him.) That's right, you take good care of those babies!
 Joey's Hand Twin: Excuse me?
Joey: It's me, Joey!
 Joey's Hand Twin: Do I know you?
Joey: (holds up his hand) Joey!
Joey's Hand Twin: Oh-ho, yeah. Yeah, the hand guy.
Joey: Okay, so **what** are we going to do about this hand twin thing?!

Joey's Hand Twin: Nothing?
Joey: Look, you and I have been given a gift. Okay? We have to do something with it. Like-like, hand modeling! Huh? Or-or magic! And you **know** NASA's gonna wanna talk to us!

Chandler: Yes! I've-I've never seen a roll like this in my life!
Monica: That's right baby! Okay, what do I want now?
Chandler: Okay, ah umm, ah, a 8. Ah, a 6?
Monica: Pick a number! That is your **only** job!
Chandler: 8. 8!
Monica: Thank you!
Chandler: If you get this one, we buy everybody here a steak dinner!
All: Yay!!
 The Croupier: 8!
Monica: Yes!
All: Yay!!

Monica: (To Chandler) We're not really gonna buy these people steak dinners are we?
Chandler: Noo!
Monica: Okay, good! Okay, what do I want now?
Chandler: Ahh, ooh, try a hard 8.
Monica: What?
Chandler: Two fours.
Monica: Okay. (Rolls the dice)
 The Croupier: 8!
A Drunken Gambler: (To Chandler) Don't you let her go! You're a lucky guy!
Chandler: Thank you, Mister Drunken Gambler! Okay, you get this and uh, we get the biggest suite in the place! (Everyone cheers)
 Wait-wait-wait-wait! **We** (motions to Monica and him.) get the biggest suite in the place.
Monica: All right, biggest suite in the place. Come on! (Rolls the dice.)

Chandler: (sees the roll) Yes!! I love you! I can't even remember what we were fighting about!
Monica: Oh, that's because I had lunch with Rich—Me neither! Okay, what do I want now?
Chandler: Another hard 8.
Monica: Hard 8?! We should call it easy 8!
Chandler: Okay, okay, I tell you what. You roll another hard eight: (pause) and we get married here tonight.
Drunken Gambler: Go! Come on! Roll!
All: Roll-rol!!!

Monica: Shut up!! It **just** got interesting!
 Commercial Break
 [Scene: The Craps table, continued from earlier.]
Monica: What did you just say?
Chandler: You roll another hard eight and we get married here tonight.
Monica: Are you serious?!

Chandler: Yes! I love you! I've never loved anybody as much as I love you.
Monica: I've never loved anybody as much as I love you.
Chandler: Okay, so if an eight comes up, we take it as a sign and we do it! (Whoa! Where have I heard that before? Matthew Perry talking about signs in Las Vegas. I guess it must've been some movie I saw.) What do you say?
Monica: Okay!
Chandler: Okay! Come on! Let's go! All right!
 (She rolls the dice, but one bounces out of the table.)
Chandler: (spots one) Okay! That's a four! And where-where's the other one?
Drunken Gambler: It went under the table.
Monica: Nobody move! (To Chandler) Okay, you look that way: I'll look this way!
Chandler: All right!
 (He searches to his right; she searches to her left. They're both on their hands and knees when they spot the die. It's propped up against the table leg, and it's not lying flat. Both the four and the five are showing.)

Chandler: Here it is! Here it is!
Monica: That could be a four or a five. It's your call.
 (Pause.)
Chandler: It's a four.
Monica: I think so too.
 (Cue up the music as they move in and kiss. This time I think it's Perry Como, but I'm not sure. It's Everybody loves somebody, sometime! Everybody falls in love somehow! Something in your kiss, just told me, my sometime, is now!)
 [Scene: The slot machines, Phoebe is still feeding quarters into the one-armed bandit as the lurker peeks over the top of the machines.]
Phoebe: Oh well, lost again. (She gets up and slowly moves away. The lurker scurries in and takes her spot, only this time Phoebe set a trap for her and catches her in the act.) That's it! You and me, outside!
The Lurker: I don't want to see you lose a chunk of that pretty blond hair!

Joey's Hand Twin: (tries to leave) I have to get back to...
Joey: (stopping him) Whoa! Whoa! Whoa! Whoa-whoa! We could have our own show! Y'know we could clap our hands together people will love it! Huh? And-and-and I wrote a song for us! (Singing, to the tune of *This Land is Your Land*) *This hand is your hand! This hand is my hand! Oh wait, that's your hand! No wait, it's my hand!*
Joey's Hand Twin: That's okay. (Walks out.)
Joey: (following him) But you haven't even heard the chorus!

[Scene: Ross and Rachel's room, Ross is drinking a beer while Rachel is examining herself in the mirror.]
Rachel: Oh my God, I'm starting to look like my great aunt, Muriel.
Ross: (gets up) All right. Y'know what? We don't have to (They start smacking each other's cups, but Phoebe notices a security guard approaching.)
Phoebe: Be cool! (They both pretend to have a nice conversation as the guard walks by, but after he leaves they both start fighting again.) Okay lady, your lurking days are over!
The Lurker: What?!

Phoebe: Yeah, from now on everyone you lurk, I'm gonna lurk first! You move on to someone else, I'm gonna be one step ahead of you, every single time! And then I'll be on your ass every hour of every day 'til Monday, because that's when I go home. When do you leave?
The Lurker: Also Monday.
Phoebe: What time? Maybe we can share a cab!
 [Scene: Ross and Rachel's room, they've pretty much consumed the entire mini-bar. Needless to say, they're feeling no pain and are still playing blackjack.]
Rachel: Hit me. (He does so.) Hit me. (He does so.) Hit me. (He does so.) Hit me. (He does so.) Hit me. (He does so.) Hit me. (He does so.) Hit me. (She slows down with each one.)
Ross: (runs out of cards) We need more cards.
Rachel: Yeah, and also we need more umm, drinks. Hold on a second. (Gets up but stumbles a little bit.) Whup, okay. (She makes it to the phone and picks it up, without dialing.) Hello! Vegas? Yeah, we would like some more alcohol, and y'know what else? We would like some more beers. Hello? Ohh, I forgot to dial!
 (They both start laughing. There's a knock on the door.)
Ross: That must be our alcohol and beers! (Gets up to answer it.)
Joey: Hey!

Ross: Ohh, it's Joey! I love Joey! (Hugs him.)
Rachel: Ohh, I love Joey! Joey lives with a duck! (Goes and hugs Joey.)
Joey: Hi!
Rachel: Hey!
Joey: Look-look-look you guys, I need some help! Okay? Someone is going to have to convince my hand twin to cooperate!
Ross: I'll do it. Hey, whatever you need me to do, I'm your man. (He starts to sit down on the bed. There's one problem though, he's about two feet to the left of it. Needless to say, he misses and falls on his butt.) (Looking up at Joey.) Whoa-oh-whoa! Are you, are you okay?
Joey: Yeah! I'm fine! Thanks! (He starts to leave, but gets an idea and stops.) Hey Rach, how you doin'?

Rachel: I'm doin' good, baby. How you doin'?
Joey: Ross, don't let her drink anymore! (Exits)
Ross: Ohh, here's that Macadamia nut!
Rachel: Ohhh!
Ross: (he puts it in his mouth) Nope! Something else. (Throws it back under the bed.)
Rachel: Oops! All right, so what do you want to do now?
Ross: I wanna get out of the room! Y'know, I...I really miss downstairs.
Rachel: Okay, y'know what? There's only one way I'm leaving this hotel room.
 [Cut to the casino, a very drunk and doozled on Rachel is walking arm in arm with an equally drunk and doozled on Ross are walking through the casino and greeting people on their way through. Ross has some whiskers and his nose colored in, along with his name on his forehead.]
Ross: Well hello! I'm Ross!
Rachel: Good luck to ya!

Ross: Excuse me sir, you've got a little something right here. (He points to the corner of his mouth and they both laugh.)
 (They've made their way to the statue of the naked man that Chandler was leaning against earlier.)
Rachel: Wow!
Ross: (bowing) Hello!
Rachel: (bowing) Hello!
Ross and Rachel: (bowing) Hello!
 (They both continue on and Ross meows like a cat.)
 [Scene: The slot machines, we see some guy not having any luck. Both Phoebe and the Lurker are lurking him and each stick their heads around the corner at different times This is all set to that *Pink Panther* song. Finally the guy gives up and walks past the lurker's position, thus giving her the advantage. She scurries in and quickly drops a coin in the slot before Phoebe gets there. Phoebe arrives slightly later and pulls the arm just after the lurker deposits the coin and wins.]
Phoebe: I won! I won! I finally won!
The Lurker: I won! That was my quarter!
Phoebe: Fine! Here! Take a hike toots! (Gives back her quarter.)
 (The security guard approaches.)

The Lurker: (to the guard) Excuse me, sir! This lady played my quarter, this is my money. (Motions to the jackpot.)
The Security Guard: (To Phoebe) Is that true miss?
Phoebe: (quietly) Sells drugs to kids.
The Security Guard: What?!

Phoebe: She sells drugs to kids. (The guard looks at the

go downstairs! We can bring Vegas up to us! (He grabs a deck of cards and pulls up a chair.) All right, come on, come on, we'll play some blackjack. Here we go. (Deals the cards.) 13.
Rachel: Hit me!
Ross: (does so) Oohh, 23. (Rachel looks at him.) Which is what we play to at this casino! You win 10 dollars! (Holds out a ten.)
Rachel: I bet 20.
Ross: You're right! (Gives her the twenty she won.)
 [Scene: The Craps Table, Monica is still on her roll, only this time Chandler's with her and she has a huge crowd of people around.]
Monica: (shaking the dice) A new pair of shoes for the Chan-Chan man! (Rolls the dice.) Yes!
The Lurker: It was my quarter!

The Security Guard: (To Phoebe) Was it her quarter?
Phoebe: How about we talk about this over dinner?
The Security Guard: Okay lady, you're out of here.
Phoebe: No! No, you can't arrest me! No! I won't go back! I won't go back to that hell hole!
The Security Guard: I'm just taking you outside!
Phoebe: Oh, okay. (Walks out.)
 [Scene: The Gift Shop, Monica and Chandler are entering.]
Monica: Okay, come on, I can't get married until I get something old, something new, something borrowed, and something blue.
Chandler: Okay, all right, all right, all right! Okay! (Picks up a blue sweater.) Okay, here's something, here's something blue and new.
Monica: You're so efficient. I love you!
Chandler: Let's go! (Starts to leave.)
Monica: No-no-no! We need something old!
Chandler: Ohh, great, I have condom in my wallet I've had since I was twelve.
Monica: That'll work!
Chandler: I don't think so.
Monica: Okay, now we just need something borrowed!
Chandler: (looks around) Here just...take this. (Hands her the sweater.)
Monica: That's stealing!
Chandler: No, we'll bring it back! Just put it under your dress.
 (She does so and it makes her look pregnant.)
Monica: Ohh. (Rubs her fake stomach.)
Chandler: Okay, one thing at a time. (They run out to get married.)

[Scene: A blackjack table, Joey is moving in to try and get his hand twin (who's dealing) to join him in his evil plot to rule the world! "Join me, and together we'll rule the universe as father and son!" (Sorry, I had a little *Star Wars* creep in there—Ooh, I have a big spoiler for *The Phantom Menace*, Yoda lives at the end! Ha-ha, spoiled it! Now you don't have to see it!)]
Joey: (sitting down) Ahhh! (Slides his hands across the table.)
Joey's Hand Twin: Are you gonna play?
Joey: No-no, I don't really have any money. Not yet, anyway... (Shakes his hands.)
Joey's Hand Twin: You can't sit here if you're not gonna play.
Joey: (throws down a small wad of money, and as his hand twin starts to unfold it, Joey once again brings attention to their special gift to the world. {Y'know, looking at it now, they really don't have that similar of hands. Joey's are bigger.}) Ooh-ho-ho! (The dealer stares at him and he stops.)
Phoebe: (entering and sitting down at the table.) Hello. My name is Regina Phalange. I'm a businesswoman in town on business. Would you like to see my card? (Looks down) Ooh, what did I do with my file-a-facts? I must've left it in conference room B.
Joey's Hand Twin: (To Joey) 14.
Joey: Hit me! (He does so.)
Phoebe: Oh my God! May I just say that you two gentlemen have the exact same hands! They're identical! Now, I've never seen anything like that in the business world.
Joey's Hand Twin: Stop it!
Joey: Uhh, Ms. Phalange, may I ask you a question as an impartial person at-at this table?
Joey's Hand Twin: Please stop it!
Joey: Wouldn't you pay good money to see these identical hands showcased in some type of a uh, entertainment venue?

Joey's Hand Twin: (To Joey) If you leave now, I will chop off my hand and give it to you!
 (The security guard from before approaches and Phoebe tries to turn her back on him.)
The Security Guard: (To Phoebe) Didn't I **just** throw you out of here?
Phoebe: No, you threw out Phoebe. I'm Ms. Regina Phalange. Phalange!
The Security Guard: Come on, lady! (Starts to escort her out.)
Joey's Hand Twin: Please, please take him too. (Motions to Joey.)
Joey: Me?! Oh come on, man! You can't do this! Come on! (Being dragged out by the guard) I'm your hand twin!!
 [Scene: A *Little White Chapel*, Chandler and Monica are entering.]

Chandler: Hello! One marriage please!
Monica: Yep, we wanna get married!
The Attendant: Well, there's a service in progress. Have a seat.
Chandler and Monica: All right.

(They both sit down.)
Chandler: (singing) Dum! Dum-dum-dum! Dum! Dum! Dum! Dum-dum-dum!
Monica: What are you doing?
Chandler: Oh, that's *The Wedding March*. Does, does that freak you out?
Monica: No, only because that's the graduation song.
 (The real *Wedding March* begins playing from behind the closed doors of the chapel.)
Chandler: Okay! (Stands up) This is it! (Claps his hands) We're gonna get married!
Monica: Are you sure you wanna do this? (Suddenly the doors burst open, and ROSS AND RACHEL COME OUT ARM-IN-ARM!!!! And Rachel's carrying a bouquet!!!! THEY GOT MARRIED!!!!)
Ross: Well, hello, Mrs. Ross! (Throws some rice.)
Rachel: Well, hello, Mr. Rachel! (Throws some more rice.)
 (They storm out into the street.)
Rachel: Wait! (Gets her bearings) Okay! (She goes one way; he goes the other. The camera pans back to Chandler and Monica, and needless to say, they're standing there dumbstruck as The King's (Elvis Presley to the youngins') *Viva, Las Vegas* begins to play. Sing along with me now, "*Viva! Las Vegas! Vivaaaaa! Vivaaaaa! Las Vegassssss!*" Fade to Black.)
 Ending Credits
 [That's all folks, no teaser: just the big cliffhanger for season 6. Yes, there will be a season 6, and it'll start again in September. Have a good summer everyone!]

601 The One After Vegas

[Scene: The Wedding Chapel, continued from last season. Chandler and Monica are about to get married.]
Chandler: Okay! (Stands up) This is it! (Claps his hands) We're gonna get married!
Monica: Are you sure you wanna do this? (Suddenly the doors burst open, and ROSS AND RACHEL COME OUT ARM-IN-ARM!!!! And Rachel's carrying a bouquet!!!! THEY GOT MARRIED!!!!)
Ross: Well, hello, Mrs. Ross! (Throws some rice.)
Rachel: Well, hello, Mr. Rachel! (Throws some more rice.)
 (They storm out into the street.)
Rachel: Wait! (Gets her bearings) Okay! (She goes one way; he goes the other. The camera pans back to Chandler and Monica, and needless to say, they're standing there dumbstruck.)
Monica: Whoa!
Chandler: Oh my God!
Joey: (entering with Phoebe) Come on Pheebes! Hurry! Hurry! Hurry!
Phoebe: Okay! Okay! Okay! (They run into the chapel.)
 (Chandler and Monica are stunned again.)
Chandler: Oh my God!! Is **everybody** getting married?!!
 (Phoebe and Joey run back out and head towards the street.)
Attendant: (scolding them) N-No running in the chapel!
Phoebe: (to her) Hey! Don't you give me any of your—Hey! (Sees Chandler and Monica standing there.)
Chandler: Hey!
Joey: Hey!
Monica: What are you guys doing here?
Joey: Ross and Rachel left us a message saying they were getting married! Isn't that why you guys are here?
Chandler: Yes! Well that-yes.
Monica: Why else would we be here?
Joey: Well! What happened?! Did we miss it?
Chandler: We actually missed it.
Phoebe: Well, maybe you wouldn't have had you (turns to the attendant) **run in the chapel!**
Monica: This is insane!
Phoebe: What's the big deal, y'know? It's not like it's a real marriage.
Chandler: What?!!
Phoebe: Yeah, if you get married in Vegas, you're only married in Vegas.
Monica: What are you talking about? If you get married in Vegas you're married everywhere.
Phoebe: (shocked) Really?!!
Monica: Yeah!
Phoebe: Oh my God!—Eh! Well...
 Opening Credits
 {Transcriber's note: In case you haven't heard, Courteney Cox got married to David Arquette during hiatus and changed her name to Courteney Cox Arquette. But David was a busy boy during the off season for not only did he marry but everyone else as well. For they're all listed as Jennifer Aniston Arquette, Lisa Kudrow Arquette, Matthew Perry Arquette, David Schwimmer Arquette, and even the creators of the show are now David Crane Arquette and Marta Kauffman Arquette. I just wonder what the new sleeping arrangements are...}
 [Scene: Rachel's hotel room, she's waking up with a horrendous hangover.]
Rachel: Ohhh! (Looks in the mirror and sees that she still has her mustache and groans.)
 (Suddenly, there's movement beside her, startling

her. It's Ross! He wakes up and they both start screaming in terror. Then they both grab their heads having aggravated their hangovers.)
Ross: Why are we in bed together?
Rachel: I don't know. Do-do you have any clothes on?
Ross: (checks) Yeah.
Rachel: Really?!!
Ross: No! But we-we didn't have...sex-uh, did we? I mean, I don't remember much about last night, it was such a blur.
Rachel: Oh! I remember laughing! I laughed a lot.
Ross: And we didn't have sex.
 (Rachel agrees with him and starts to get out of bed.)
Rachel: Ohh, I mean, we were really drunk. I'm just glad we didn't do anything stupid.
Ross: (getting up) Tell me about it. (He sits up on the edge of the bed and has "Just Married" written on his back.)
 [Scene: The breakfast buffet, Phoebe is already sitting at the table as Joey enters.]
Joey: Mornin' Pheebes. (Sits down.) Well, my movie has officially been canceled.
Phoebe: Oh Joey, I'm so sorry. You want some of my breakfast?
Joey: Nah, I'm too depressed to eat. I'll probably eat in like 5 minutes. So I guess I'll just fly home with you guys, what time's your flight?
Phoebe: What about my cab?
Joey: I don't need that anymore.
Phoebe: No, Joey! You borrowed my cab; you have to drive it back.
Joey: I don't want to drive all the way back by myself, I get so lonely. (Gets an idea.) Oh—ooh! How about you come with me?
Phoebe: I don't know, it's such a long trip.
Joey: It'll be great! We-we could talk, and play games! Huh? This could be our chance to like renew our friendship.
Phoebe: Are you asking me to have a frenaisance?
Joey: Sure?
Phoebe: All right. Although I don't think we need one, I never stopped loving you.
 (Chandler and Monica enter.)
Chandler: Hi!
Joey: Hey.
Monica: Hey.
Chandler: So, has anyone talked to Dr. and Mrs. Geller yet?
Phoebe: Um-hmm, yeah. They left me a message; they should be here any minute.
Joey: Where is the waitress?! I'm starving!
Chandler: It's a buffet man.
Joey: Oh, here's where I win all my money back! (Gets up and heads for the buffet table with Chandler in tow.)
Chandler: Listen, I gotta talk to you.
Joey: Sure! What's up? (He grabs a plate and proceeds to load it with a huge pile of scrambled eggs. Chandler just stares at him and Joey reluctantly gives him a spoonful.)
Chandler: Monica and I almost got married last night.
Joey: Oh my God! That's huge! (Hugs him.) Wait a minute, why come I wasn't invited? And who was going to be your best man? Don't say, "Ross." Do **not** say, "Ross."
Chandler: Look, I just don't think Monica and I are ready to get married yet! Y'know? I mean, I love her and everything but seeing Ross and Rachel coming out of that chapel was like a, like a wake-up call that Monica and I are moving so fast. Y'know? And, how do I tell her without crushing her?
Joey: Oh! Tell her she's not marriage material.
Chandler: What?!!
Joey: Girls say it to me all the time! And believe me, if she's anything like me, she's just gonna be relieved.
 [Pan to Monica and Phoebe having the same conversation.]
Monica: How do I tell Chandler that it's too soon. It's gonna break his heart, he's not gonna think that I don't love him anymore.
Phoebe: Well you don't.
Monica: Yes I do!
Phoebe: Good! Good! I was just testing you.
Chandler: (returning with Joey) Hi.
Monica: Oh hi! Hi! Y'know, we were just talking about bacon.
Phoebe: No, we were talking about tennis. Tennis is more believable.
 (Ross and Rachel enter.)
Ross: Hey!
 The Girls: Hey!
Chandler: Hey!
 (They both sit down and Rachel pours them both some coffee. They're acting like nothing's happened and everyone is just staring at them.)
Ross: What?
Chandler: Are we gonna talk about what you guys did last night? Or...
Rachel: (To Ross) I don't know. (To the gang.) What do you mean last night? Nothing, nothing uh, happened last night.
Ross: Yeah!
Phoebe: Uh-huh! Ross invited us all to watch.
 (Rachel turns to Ross stunned.)
Monica: Rach! We weren't gonna miss our friends getting married!
Rachel: (gasps) Who got married?! (Ross is as surprised to hear this as she is.)
Chandler: (not quite sure) You did.
Ross: What?! Hello! We didn't get married.
Rachel: No, we didn't get married! That's ridiculous! (They turn to look at each other and suddenly remember that they **did** in fact get married.)
Ross: We-we-we—I remember being in a chapel.
Rachel: Oh my God.
Ross: I—They would not let us get married when we were that drunk!
Rachel: No!

Joey: They let you get married when you're drunk! Most people who get married in Vegas **are** drunk!
Phoebe: Hell, I'm drunk right now! (They all turn and look at her.) What? I can't have a mimosa with breakfast?! I'm on vacation!
Monica: What are you guys gonna do?
Rachel: Well, I guess we just find a divorce lawyer? (Looks at Ross.)
Chandler: Well, I think, I think, Ross already has one. Now, this one's free, right? Because you paid for the first two, so the third one's free.
Ross: Laugh it up, but the joke's on you. Because we don't need to get divorced, okay? We were just gonna get an annulment.
Joey: An annulment? Ross! I don't think surgery's the answer here.
Phoebe: Oh-oh, that's your thing.
Ross: What?
Phoebe: You're thing. You're thing. Y'know? You're the guy who gets divorced.
All: Oh yeah!
Ross: No-no, that's-that's not my thing! I do not love getting divorced!
Phoebe: Yes you do! This is your third divorce! You love divorce so much you're probably gonna marry it! Then it won't work out and you're gonna have to divorce it, divorcing guy. (Pause) I'm so drunk.
 [Scene: The casino floor, Chandler and Monica are walking through it.]
Monica: So, what do **you** think we should do?
Chandler: I don't know. But I-I-I know I love you!
Monica: I know I love you! (They hug.)
Chandler: So where are we on the whole going back to the place where they have all the marriages thing? I love you.
Monica: That's a good question. Look umm, last night we let the dice decide. Maybe we should leave it up to fate again. I love you!
Chandler: Yes, we don't get married unless there's a sign! Okay, so say uh, say you roll another eight (motions to the craps table) then there's a **definite** sign that we should get married.
Monica: All right, eight we get married, but 2, 3, 4, 5, 6, 7, 9, 10, 11, 12 we don't get married.
Chandler: Sounds great.
Monica: Okay. (They approach the craps table.)
Croupier: Coming in, we got a shooter! Money please.
Monica: Ready?
Chandler: Ready!
Monica: (sarcastic) Come on eight.
Chandler: (deadpan) Yes, yes eight.
 (Monica rolls the dice.)
Croupier: Eight! Easy eight. (She rolls a 3 and a 5 and they're stunned.)
Monica: Wow! I can't believe I actually rolled an eight.
Chandler: That was **so** unlikely. Well, let's get married! I guess.
Monica: Wait a minute. That wasn't a hard eight! Last night I rolled a hard eight.
Chandler: That's right! It was the wrong kind of eight, no wedding! Damn it!
Monica: I wanted it so bad! (Pause) Wanna go pack?
Chandler: Yeah. (They go pack.) We're doing the right thing, right?
Monica: Ohh, of course we are! (They walk up to the elevators.) We left it up to fate. (Pushes the elevator button.) If we were supposed to get married there would be a clear-cut sign. (The elevator door opens to a priest reading from a bible with Chandler and Monica standing side-by-side holding each other's hands.)
 [Scene: Phoebe's cab, Phoebe and Joey are driving back. Phoebe is driving while Joey is sleeping.]
Phoebe: Okay, you have 19 questions left. Use them wisely. (Joey groans.) Come on Joey! You can't win if you don't ask any (sees that he's asleep) **QUESTIONS!!!**
Joey: (wakes up) What?!!
Phoebe: Well, you promised me a fun road trip! We've been on the road six hours and you've been asleep for five and a half! We are switching at the next rest stop and **you** are going to drive all the way back! That will be your punishment, you greedy sleeper!
Joey: All right. All right.
Phoebe: Yeah! And until then you are going to sing to me because the radio's broken and you are selfish but have a nice voice.
Joey: Really? I don't...
Phoebe: Sing!!
Joey: (starts singing) *I wanna rock and roll all night!* (Falls asleep.)
 [Time lapse, Phoebe is asleep, Joey's driving and having a hard time staying awake.]
Joey: (to himself) Man, this is a long drive! Are my eyes open? No! (He opens his eyes and sees a hitchhiker.)
 [Time lapse, Phoebe is still asleep only Joey is now passed out next to her and the car's still moving. She wakes up, sees Joey, and screams.]
Hitchhiker: (driving) Morning! (Phoebe screams again.)
 [Scene: Central Perk, Rachel is on the couch as Ross enters.]
Ross: Hey!
Rachel: Hey, hubby!
Ross: Yeah. Yeah, actually um, I wanted to talk to you about that whole annulment thing?
Rachel: Uh-huh.
Ross: I'm not going to do that. (Rachel glares at him.)
 Commercial Break
 [Scene: Central Perk, continued from earlier. Rachel

starts laughing.]

Rachel: Okay! So, we'll just stay married.

Ross: Yes, exactly!

Rachel: And I will make everyone call me Mrs. Geller!

Ross: Wow! This is so amazing. I uh, I really thought I'd have to talk you into this more.

Rachel: Okay, see now I'm scared because I don't actually think you're kidding.

Ross: I'm-I'm not kidding. Look I-I, I can't have three failed marriages. I can't. Okay? I-I am not gonna be **that** guy!

Rachel: What-wh-what so we'll just stay married forever?!

Ross: Okay, look, how is this gonna affect you? Really? I mean you fill some form out once and a while and instead of checking the box that says Ms you check the box that says Mrs.! It's **right** next to it!

Rachel: Ohh, okay, I'm sorry. You're right. Y'know what? We absolutely can stay married, because I was under the impression that the boxes were far **away** from each other. All right, look, just please, take a moment here and think about what you're asking of me.

Ross: I'm asking you to do me a favor.

{Note: Does anyone else want to smack Ross right about now? Raise your hands. Okay, put them down before you stink out the person next to you.}

Rachel: You are asking me to be your wife!

Ross: And as my wife I think you should grant me this favor.

[Scene: The hallway, Chandler is helping Monica to the door.]

Monica: That kid really kicked me hard on the plane.

Chandler: Well you did pull his hair.

Monica: He took my snack!

Chandler: I'm not getting into this again!

Monica: Okay! Oh God, y'know what? It's really bad.

Chandler: Well, I told you not to walk. Here. (Picks her up.) There. Okay. (He opens the door, carries her across the threshold, stops, backs out, and lets go of Monica who is only holding on by his neck.)

Monica: This doesn't mean anything, does it?

Chandler: No!

Monica: Okay.

[Scene: Phoebe's cab, she's driving, Joey's in the back seat, and the hitchhiker is riding up front with Phoebe.]

Phoebe: (To Joey) How could you pick up a hitchhiker?! He could be a rape—(She holds her hand in front of the hitchhiker's face), a rapist or a killer or something!

Joey: Don't you think I asked him that before he got in?!

Phoebe: Y'know what? I'm not talking to you! You go back to sleep! (To the hitchhiker) And you, are you a rapist?!

Hitchhiker: No!

Phoebe: Do you like car games?

Hitchhiker: Yeah, y'know the license plate game?

Phoebe: I love the license plate game!

Joey: Ooh, I'll play! I'll play!

Phoebe: No-No! You need your sleep. Night-night! Shh! (She closes the partition.)

[Scene: Monica and Rachel's, Ross is entering.]

Ross: Hey!

Rachel: Hey!

Ross: Listen, I know you wanted to talk to me, but I have an idea that may make you want to stay married. (Rachel shakes her head.) We register, and **you** get to keep all the presents!

Rachel: (thinks about it for a second) No! Ross, come on! No! Listen, look I thought a lot about how to tell you this and the bottom line, Ross, is we can not stay married.

Ross: I don't know if it's true.

Rachel: Oh b-b-but it is!

Ross: Oh, okay, y'know what this is? **This** is a difference of opinion. And when that happens in a marriage...

Rachel: Oh Ross, come on! This is not, this is not a marriage!! This is the world's worst hangover! Ross, listen, if **you** do not get this annulment, I will!

Ross: All right. All right, I'll do it.

Rachel: Thank you. (He goes to leave.) Hey-hey umm, uh, is there, is there any such thing as an annulment shower?

(Ross turns and leaves.)

[Scene: Phoebe's cab, it's the same arrangement as before.]

Hitchhiker: Wait! Wait! There is the train station!

Phoebe: Oh, okay.

Hitchhiker: This is where I get off. Well, I have your address and phone number.

Phoebe: And I have your name and the fact that you're a drifter, so the ball's pretty much in your court.

Hitchhiker: All right, see ya Pheebs. (Gets out and Phoebe drives away.)

Joey: Come on Pheebs! I can't take this anymore! Let-let me make it up to you. Huh? (Starts singing.) Ground control to Major Tom. Commencing countdown, engines on. Take your protein pills and put your helmet on!

Phoebe: Stop it! Stop it no! That's not fair! Y'know I can't resist that beautiful voice!

Joey: Pheebs, I am so sorry! I know I promised you a fun road trip with your friend and I didn't deliver. But-but-but now I know that you think being awake is an important part of friendship! So, so, so I will strive to-to stay awake for as long as I know you.

Phoebe: You can still sleep at night and stuff.

Joey: Well, thank you. So, can we play 20 Questions now? I've got a really good one! I've been thinking about it since Kansas.

Phoebe: Okay. Is it a kind of hot sandwich?

Joey: Yes.

Phoebe: Is it a meatball sub?

Joey: That is incredible! You are the master!

[Scene: Monica and Rachel's, Chandler and Monica are there and Rachel is arranging a bouquet of flowers, pricks her finger on a thorn, throws the bouquet over her head, and those who are quicker than some already know that Monica is the one who catches it.]

Rachel: Huh, that's funny. You look like you're gonna be the...

Monica: No, don't say it! Don't even think it!

Rachel: All right. Okay Chandler, enjoy your handful. (Exits.)

Chandler: All right, should we just, should we just get married? Y'know? I mean should we just do it? All the signs are telling us to do it.

Monica: I'm sick of the signs! It's too fast, I'm happy the way things are!

Chandler: Me too!

Monica: I don't want things to change! Do you?

Chandler: No!

Monica: All right then, then nothing changes! Everything is great! Everything stays the same! And you go unpack because it's been three days and it's driving me insane!

Chandler: Jeez, relax! It's not like we're mar-ah-ah!! (Runs out.)

Chandler: (entering, slowly) Y'know I was thinking, what if I uh, unpack here?

Monica: Then all your stuff would be here.

Chandler: Well, what if all my stuff was here?

Monica: Then you'd be going back and forth all the time, I mean it doesn't make any sense.

Chandler: Okay. What if we lived together and you understand what I'm saying?

Monica: Live together? There have been no signs for that.

Chandler: Me asking is kind of a sign.

Monica: YES!!!!!!

Chandler: Okay!!!!!

(And the crowd goes wild! Well, at least the live studio audience.)

Monica: Yes! Okay! Okay! Wait-wait-wait!

Chandler: Okay.

Monica: Here's your key (Gets him one.)

Chandler: Oh thanks.

Monica: Here's your key. All right, you have to christen it! Now, go out and come back in!

Chandler: The door hasn't been locked in five years, but okay! (Runs out.) Ready?!

Monica: Ready!

(He tries, but something happens.)

Chandler: Okay, a little problem. The key broke in the lock and I can't get in!

Monica: Wait! Oh my God! I can't get out!

Chandler: This is not a sign!

Monica: No, it's not a sign! It's a very old key!

Chandler: It's an old key!

Monica: Oh my God it's old!

Chandler: I love you!

Monica: I love you!

Chandler: Are you hugging the door right now. (Pause)

Monica: No.

Chandler: Yeah-yeah, me neither.

[Scene: Central Perk, Rachel and Phoebe are on the couch as Ross enters.]

Ross: Hey!

Rachel: Hey, so did everything go all right with the annulment?

Ross: Oh, yeah, no problems. It's all taken care of.

Rachel: Ross, thank you. Hey, do you guys wanna go see a movie?

Ross: Oh yeah, why not?

Rachel: Okay, umm, I'm gonna get my sweater. (Walks away.)

Ross: Okay. (Sits down next to Phoebe.) You uh, you wanna hear something weird?

Phoebe: Always.

Ross: I didn't get the annulment.

Phoebe: What?!

Ross: We're still married! Don't tell Rachel. See you later. (He gets up leaving Phoebe in shock.)

[Cut to outside Central Perk.]

Ross: (To Rachel) Hey, do you have any gum?

Rachel: Oh? Yeah! Sure!

Phoebe: (running out) Wait! Wait! Hi! Listen, Ross can I just talk to you for just a second?

Rachel: Oh but Phoebe, we're gonna be late for the movie.

(A cab pulls up.)

Phoebe: Oh, there's a cab! Taxi!! (The cab stops and she opens the door.) Good timing, my God, huh? Here you go. (Pushes Rachel in and closes the door.)

Rachel: Yeah, we're, we're actually just gonna walk 'cause it's right up there at the Angelica.

Phoebe: Oh, the Angelica!! Go! Go! (She bangs on the cab's roof and it pulls away.) (To Ross) You didn't get the annulment?!!

Ross: I know.

Phoebe: Ross?!

Ross: Well, I tried! But when I got to my lawyer's office all I could hear was, "Three divorces. Three divorces!" Look, I just don't want my tombstone to read, Ross Gellar, Three Divorces.

Phoebe: Don't be worried about that! Your tombstone can say whatever you want it to say! It could say, Ross Gellar, Good at Marriage! Y'know? Mine's gonna say Phoebe Buffay, Married Alive.

Ross: Look, all I know is I-I can't have another failed marriage!

Phoebe: So okay what? You're gonna be married to a girl who doesn't even know about it?!—Op, **woman!** Sorry.

Ross: Well, okay so, I don't have it all worked out quite yet. Just don't say anything to Rachel, please?

Phoebe: Rachel is one of my closest friends. (Pause) Although, being the only one who knows anything about this does makes me feel special. Okay! (Rachel's cab backs up.)

Rachel: (to the driver) Okay, stop-stop! Phoebe?!

Phoebe: Hey Rachel!

Rachel: What was that?!

Phoebe: Sorry, mix up. Hey, how was the movie?

Rachel: I haven't seen it yet!

Phoebe: Well then you'd better hurry! The Angelica! Go! Go! (Bangs on the roof again and off they go.)

Rachel: Nooooooo!!

Opening Credits

{Transcriber's note: In case you're wondering, and I know you are. Their names are all back to normal. Just in a slightly smaller font than usual to allow Courteney Cox Arquette to fit on one line and not be smaller than the rest of their names. Now, on with the show...}

[Scene: Monica and Rachel's, Chandler and Monica are cuddling on the couch.]

Chandler: Y'know when we move in together, can I get a gumball machine?

Monica: Of course! Joey wouldn't let you have one?

Chandler: No. When it comes to sweets, he's surprisingly strict.

Monica: Hey, have you figured out a way to tell him you're moving out?

Chandler: No, no, I keep trying, y'know? I can get out, "Joey, I have too..." but then I lose my nerve and I always finish with, "...go to the bathroom." He may think I'm sick.

Monica: Y'know, I really have to tell Rachel, but I... We just have to get it over with! Y'know, the next time we see them we're just gonna tell them. Okay? That's it.

Chandler: Oh, so that's this is gonna work now? You're just gonna order me around all the time?

Monica: Pretty much.

Chandler: All right.

Joey: (entering) Hey Monica!

Monica: Hi!

Joey: (To Chandler) Hey man, you feeling any better? (Chandler answers him with some guttural sounds that only he can make and that no human can transcribe.)

Monica: Joey, we have something to tell you.

Joey: Oh my God! You're pregnant!

Chandler: No-o-o! (To Monica) No? (She nods no.) No-o-o! Look Joey, here's the thing, Monica and I have decided to live together, here. So, I'm gonna be moving out man.

Joey: Wow! (Tearing up) Well, uh... Hey! I'm really happy for you guys! Congratulations! (Kisses Monica on the cheek) See you later. (Starts for the door on the verge of tears as Monica stops him.)

Monica: Wait! Joey! Joey! Are you okay?!

Joey: Yeah, I gotta go! I got an acting job. (Turns towards the door, pauses, and turns back.) Like you'd believe that. This sucks!

Chandler: Look, I-I'm just gonna be right across the hall and I promise you, the minute Monica and I break up I'm moving right back in with you!

Joey: (To Monica) Okay! Look-look-look, uh, if you're gonna be moving in with him I feel it's my responsibility to tell you the truth about him! Okay? He's a terrible roommate! Terrible! He uh, forgets to umm... Oh-oh he always, he always umm—Oh, who am I kidding! He's the best roommate ever! (Hugs Chandler.)

[Scene: Central Perk, Phoebe is on the couch as Monica enters.]

Monica: Hey Pheebs!

Phoebe: Hey!

Monica: Hey, have you seen Rachel?

Phoebe: No, why?

Monica: I have some pretty exciting news!

Phoebe: (gasps) You're pregnant!

Monica: No! Chandler and I are moving in together!

Phoebe: Ooh! That's good! Wow! But now if you were pregnant, what would you name it? Hint: Phoebe.

(Ross returns from getting some coffee.)

Ross: Hey! Hi!

Monica: Hey!

Ross: What's up?

Monica: Well umm, Chandler and I are moving in together.

Ross: Oh my God. Ohh, my little sister and my best friend...shaking up. Oh, that's great. That's great. (Kisses and hugs her.)

Phoebe: Guys, I'm happy too.

Monica: Okay, come here! (Phoebe joins them in the hug.)

Phoebe: Wow! Big day huh? People moving in, people getting annulled... (Winks at Ross.)

Monica: Okay, I gotta go find Rachel but umm, if you guys see her could you please try to give her some really bad news so that mine doesn't seem so bad? (Exits.)

Ross: Bye.

Phoebe: Hmm, something bad to tell Rachel... Bad news for Rachel, what could that be?!

Ross: Could ya just, could ya just lay off, please? All right? My life is an embarrassment! I should go live under somebody's stairs!

Phoebe: Ross, it's not that big a deal! So you'll be divorced three times, you'll still have a life, you'll go on dates...

Ross: (interrupting) No! No, I won't! I'll be at the bottom of the dating barrel now. The only guys below me will be Four Divorce Guy uh, Murderer Guy, and-and, Geologists.

Phoebe: Ross, you're being ridiculous! Okay? You are cute and smart and sweet and that is **much** more important than three stupid divorces!

Ross: Oh yeah? Have you ever dated anyone who has been divorced three times?

Phoebe: Y'know that's really fair. Y'know? Most guys who have been divorced three times are like 60. Ross, nobody cares about this except you! This-this embarrassment thing is all in your head! Here, I'll show you! Come here.

Ross: What?! Why?

(She grabs his arm and drags him over to a table where three beautiful women are sitting. Now, I'm going to go out on a limb and say that their names are Stephanie, Karin, and Meg. Okay, so I looked at the credits. Of course, only Meg is named later on, so I'll have to guess who is Stephanie and who is Karin. But, we'll cross that bridge when we come to it.)

Phoebe: (to the girls) Hi! Hi! Listen, my friend Ross is about to be divorced for the third time, but wouldn't you date him?

Ross: And if you wait right here, I'll go get Ross. (Phoebe grabs his arm and prevents him from escaping.)

[Scene: Monica and Rachel's, Monica is pacing anxiously waiting for Rachel.]

Chandler: (entering) Hey!

Monica: Ugh, I thought you were Rachel!

Chandler: (looking down) What gave me away?

Monica: I just tell her, I have to get it over with. I told Ross and Phoebe and she's the only one left!

Chandler: Okay, so that's it, everybody knows! It's official, we're moving in together. No turning back. Are ya scared? Are ya?

Monica: No.

Chandler: Wow that was my scariest voice! You're very brave.

(They hug as Rachel enters.)

Rachel: Hey!

Chandler: Hey.

Rachel: Ugh, the worse day! Y'know, you think you're making progress at work and then your boss calls you Rachel.

Chandler: Hey listen, for the first four years of my work everybody called me Sha-la-lap. (Awkward silence ensues.) Seriously.

Rachel: I believe you. So, it was right in the middle of a staff meeting so of course no one else wants to correct her so everyone else is calling me Raquel! By the end of the day, the mailroom guys were calling me Rocky!

Chandler: Well, I-I still think you're very-very nice and very pretty...

Rachel: What?

Chandler: (To Monica) All yours babe. (Walks away.)

Monica: Have a seat. (They sit at the table.) Okay, listen umm, Chandler and I are going to live together, here.

Rachel: Oh my God! That's so great! I'm so happy for you guys!

Monica: Really?!

Rachel: And that was so sweet of you to ask! Oh my God, the three of us are gonna have such a good time living together!

Monica: Yes, we are. (Chandler is frantically trying to get Monica to correct her.)

Rachel: And Chandler, you're gonna have to watch those long showers you take in the morning because you know Raquel can't be late.

Chandler: Rach...

Monica: Yeah, he's gonna work on that.

Rachel: Ohh! This is **so** exciting! Oh God... (Gasps and starts to sing) *Come and knock on my door...*

Monica: (singing) We'll be waiting for you... (Transcriber's note: I'll finish that one for those of you who don't know what they're talking about. *Where the towels are Hers and Hers and His, Three's Company too!* Yeah, that's the theme song for *Three's Company*.)

Commercial Break

[Scene: Central Perk, Phoebe is hosting an impromptu roundtable discussion with Stephanie, Karin, and Meg about Ross's three divorces.]

Ross: ...once you know the stories, it's not that bad. First marriage, wife's hidden sexuality, not my fault. Second marriage, said the wrong name at the altar, a little my fault. Third marriage, well they really shouldn't allow you to get married when you're that drunk and have writing all over your face, Nevada's fault.

Phoebe: Okay, so what do you think ladies? Who wouldn't be interested? Who wouldn't want to date him?

Stephanie: Well the divorces don't bother me, I'd date him. But, not while he's still married.

Phoebe: Okay, what about you? (Points to Karin) Wouldn't you want a date?

Karin: Actually, I'm dating at all anymore. See, I figured out that I was only dating guys that were like y'know bad for me, so until I work that out...

Phoebe: (interrupting) Whatever! What about you Meg?

Meg: Well, I don't care about the divorces either, but I wouldn't date him. It's just that he's **obviously** still in love with this Rachel girl.

Ross: What?!

Phoebe: (leaning to him) She said, "He's obviously still in love with this Rachel girl." (He glares at her.)

Ross: This is crazy! I mean, yes-yes Rachel is my good friend and I-I have loved her in the past, but **now**, she is just my wife Phoebe, will you-will you help me out here?

Phoebe: Well, I thought you loved her when you-when you married her.

Ross: We were drunk! I would've married uh, **Joey** with that amount of alcohol!

Phoebe: Hey! You could do a lot worse than Joey Tribbiani!!

Ross: (to the panel) Look, I'm sorry, but you guys are wrong. I **just** don't want to be divorced three times.

Phoebe: Yes, and now he's using this three divorces reason because he **wants** to stay married to her because he loves her. I must say, "Well done!" Bravo Meg.

Ross: (getting up) Okay! Fine! Fine! If-if this is what you think, forget about the whole three divorce thing! Okay, I-I'll go to my lawyer's office right now and get this marriage annulled! Okay?! Because she means nothing to me! Noth—(leans down to Meg's ear)—Nothing!!

Meg: Okay now I wouldn't date you because you seem a little creepy.

Karin: I am **so** attracted to him right now.

[Scene: Monica and Rachel's, Chandler and Monica are still debating about how to tell Rachel that Chandler's moving in and she's moving out.]

Chandler: Okay, when are we gonna tell Rachel what is actually gonna happen?

Monica: Soon! I-I just couldn't before. You saw how upset Joey got! I couldn't do that to her, she's my best friend!

Chandler: Well, Joey's my best friend.

Monica: I'm not your best friend?

Chandler: You just said... Of course you're my best friend. Would you please tell Rachel though?

Monica: All right, all right, at least I'm prepared.

Chandler: Okay. (She grabs a tin of freshly baked cookies) Oh yes. (He reaches for one.)

Monica: (slapping his hand) Hey!

Chandler: Hey-hey!

Monica: These aren't for you! Are you upset?

Chandler: I am now!

Rachel: (entering) Hey roomie!

Chandler: Okay, bye! (Exits.)

Monica: Rach, there's something uh, important I have to tell you.

Rachel: (gasps) Are you pregnant?!

Monica: No! But, I'm throwing this shirt away! I think there was a little misunderstanding before.

Rachel: Um-hmm.

Monica: Umm, when I said that uh, that Chandler and I wanted to umm, live together we meant **alone** together.

Rachel: (laughs) Oh my God! Oh, that's funny, I can't believe I did that.

Monica: Oh no sweetie, no! This is my fault, I wasn't clear! I'm really sorry. And listen, you take as much time as you need to move out okay? There's absolutely no rush.

Rachel: Okay. (Sits back and resumes her reading.)

Monica: Okay. Don't you want a cookie?

Rachel: Sure? (Monica hands her one.) Thanks.

Monica: Maybe, do you need a tissue?

(Rachel mumbles uh-huh and spits the half-eaten cookie out onto the tissue.)

Rachel: Monica, where did you get these?!

Monica: I made them!

Rachel: Ooh, good God, they're so yummy! (She re-ingests the previously expelled cookie matter from the tissue.)

[Scene: Chandler and Joey's, Chandler is packing some books and Joey is watching him.]

Joey: God, it's gonna so weird like when I come home and you're not here. Y'know? No more Joey and Chan's. No more J and C's. "You wanna go over to Joey and Chandler's?" "Can't, it's not there."

Chandler: Look, I'm just gonna be across the hall, we can still do all the same stuff.

Joey: Yeah but we won't be able to like get up in the middle of the night and have those long talks about our feelings and the future.

Chandler: Not once did we do that.

Monica: (entering) Hi.

Chandler: Hey!

Joey: Hi.

Monica: So I, I told Rachel it was just gonna be the two of us.

Chandler: Oh yeah? Well, how'd she take it?

Monica: Really well. Yeah. Surprisingly well. Yeah, she didn't cry. She wasn't angry or sad. (Sits down, slightly disgusted.)

Chandler: And you're upset because you didn't make your best friend cry?

Monica: I mean, all I'm asking for is just a little emotion! Is that too much to ask after six years?! I mean what? Are-are-are Rachel and I not as close as you guys?! I mean do we not have as much fun?! Don't I deserve a few tears?! I mean we-we told Joey, he cried his eyes out!

Joey: Hey! I did not cry my eyes out!! Come on! It's like the end of an era! No more J-man and Channie's!!

Chandler: Okay, I gotta ask, who calls us that?!

[Scene: Ross's lawyer's office, his name is Russell and has just been told by Ross about his current situation.]

Russell: You got married again.

Ross: Yes.

Russell: So that's your second marriage in two years.

Ross: Yes, second in two years. Third overall.

Russell: Ross, I have been a divorce attorney for 23 years and never had I so much business from one client. Why don't you tell me what happened.

Ross: Basically, Rachel and I were in Vegas and we got drunk...

Russell: (interrupting) I'm sorry, is this the same Rachel who's name you said at the altar in the second marriage?

Ross: Yes-yes-yes! But, I-I do **not** love her.

Russell: Oh, that's better then.

Ross: This was just a drunken mistake and I need to get it annulled.

Russell: I see. Have you considered therapy?

Ross: I think just the **annulment** for today.

Russell: There are a couple of forms to fill out.

Ross: Easy.

Russell: And we'll need to have witnesses who can testify that you were not of uh, sound mind.

Ross: No problem.

Russell: And we'll need you and Rachel to testify before a judge.

Ross: Ooh! There's no way to do this without her? 'Cause I kinda all ready told her uh, it was, it was already taken care of.

Russell: Of course you did. Look Ross, you can't get an annulment unless you and Rachel are both there.

Ross: Uh-ha, what about someone who looks like Rachel? (Russell glares at him.) I will think about the therapy.

[Scene: Monica and Rachel's, Rachel is painting her toe nails as Monica enters.]

Rachel: Hey!

Monica: Hey. So um, I was thinking that maybe we should start dividing up our stuff.

Rachel: Okay!

Monica: Y'know, no point in dragging it out. Dragging out the **long** process of you moving out and us not living together anymore.

Rachel: Okay.

Monica: Hey Rach, what about this? (She holds up a chrome 5-point star.) Huh? Who-who gets this? See, I don't know if I want it because it might be y'know, too many memories!

Rachel: (grabbing the star) What the hell is that?

Monica: I don't know. (Picks up a big plate from the coffee table.) Hey, Rachel, you want the big plate? I want **you** to have the big plate.

Rachel: Wow! Mon, thanks! I love this plate!

Monica: Something to remember me by!

Rachel: Mon, honey you're not dying. I'm just moving out. Y'know, I mean we're gonna see each other all the time.

Monica: But still, it's a big change. The end of an era, you might say!

Rachel: Are you okay? You're not blinking.

Monica: I'm fine! I just, I'm thinking how much it's an end of era.

Rachel: Oh, all right. But y'know I gotta say, I don't, I don't think six years counts as an era.

Monica: An era is defined as a significant period of time. Now, it was significant to me, maybe it wasn't significant to you!

Rachel: What is the matter with you?!

Monica: What is the matter with you?! Why aren't you more upset?! Aren't you gonna be sad that we're not gonna be living together anymore?! I mean aren't you gonna miss me at all?!

Rachel: All right, fine, but don't get mad at me. It's-it's just a little hard to believe.

Monica: What's hard to believe?

Rachel: Well y'know, it's you guys. You-you do this kind of stuff! Y'know? I mean, you-you were gonna get married in Vegas and then you backed out! I guess I'm not upset because I don't see you guys going through with it. I'm sorry.

Monica: Rachel, it's going to happen. Chandler is gonna move in here.

Rachel: But I...

Monica: No-no, wait! Just let me finish, okay? This isn't something that we just, we just impulsively decided in-in Vegas, this is something we both really want. And it is going to happen.

Rachel: It is? Really?

Monica: Yeah, sweetie.

Rachel: (starting to lose her composure) I mean we're not, we're not gonna live together anymore?

Monica: No.

Rachel: What? Oh my God! I'm gonna miss you so much! (Starts to cry.)

Monica: I'm gonna miss you! (They hug.)

Rachel: I mean it's the end of an era!

Monica: I know!

[Scene: The hallway, Ross is coming up the stairs as Phoebe leaves Joey and Chandler's.]

Phoebe: (to Joey and Chandler) Okay, bye!

Ross: Oh no.

Phoebe: So? Did you get the annulment?

Ross: I couldn't.

Phoebe: I knew it! Because you love Rachel.

Ross: It's not that. Okay? Annulments are more complicated than I...

Phoebe: Yeah, complicated 'cause of the love.

Ross: I... I do, I do not love Rachel. I'm gonna tell her right now about the whole thing so we can get this marriage annulled as fast as possible. Okay? Would I do that if I loved her?

Phoebe: I've never been more convinced of your love for her.

Ross: I do not have feelings for Rachel! Okay?! (He goes into her apartment.)

[Cut to Monica and Rachel's as Ross walks through the door. Rachel is holding the chrome star and crying.]

Ross: Ohh, what's wrong?!

Rachel: Monica and Chandler are really moving in here and I have to move out and everything is changing.

Ross: Oh my—Come here! Come here! (He hugs her.) It's okay. Everything's gonna be okay.

Rachel: Thank you.

Ross: Of course.
(Ross suddenly realizes something.)
Ending Credits
[Scene: Central Perk, Joey and Phoebe are talking.]

Joey: So, Ross and Rachel got married, Monica and Chandler almost got married, do you think you and I should hook up?

Phoebe: Oh we do, but not just yet.

Joey: Really?! Well, when?

Phoebe: Okay umm, well, first Chandler and Monica will get married and be filthy rich by the way. Yeah. But it won't work out.

Joey: Wow.

Phoebe: I know. Then, I'm gonna marry Chandler for the money and you'll marry Rachel and have the beautiful kids.

Joey: Great!

Phoebe: But then we ditch those two and that's when we get married. We'll have Chandler's money and Rachel's kids and getting custody will be easy because of Rachel's drinking problem.

Joey: Oh-oh, what about Ross?

Phoebe: I don't want to go into the whole thing, but umm, we have words and I kill him.

End

603 The One With Ross's Denial

[Scene: Monica and Rachel's, Joey, Monica, and Phoebe are there as Chandler enters.]

Chandler: (entering) Hey!

Phoebe: Hey! Check it out! This is unbelievable! Joey has been holding his breath for almost four minutes!

(We see Joey who has puffed up his cheeks and Chandler nonchalantly reaches down and pinches Joey's nose shut. In a few seconds, Joey has to move because he's now forced to actually hold his breath.)

Joey: (To Chandler) Dude! What are you—you trying to kill me?!

Rachel: (entering from her room) Pheeb's, I wanna ask you something.

Phoebe: Uh-huh, what?

Rachel: Well since I'm movin' out and-and you're so beautiful...

Phoebe: Oh!

Rachel: ...how about I move in with you?

Phoebe: Well, that would be great but then what do we do about Denise?

Monica: Who's Denise?

Phoebe: My roommate.

Rachel: You have a roommate?!

Phoebe: Yes, Denise. Denise!

Joey: Hey, what is with the secrecy Phoebe? Huh? And what about this Denise, is she cute?

Chandler: Pheeb's, I don't understand. How can you have a roommate that none of us know anything about?

Phoebe: Maybe because you never listen to anything that I say. I talk about her all the time!

DENISE!!!!

Joey: Hey Rach, listen I was thinkin' uh, I'm gonna have an extra room over at my place...

Rachel: Oh, that's true.

Joey: Yeah, why don't you move in with me? It'll be great! We could stay up late, watch movies, and you know about Naked Thursday's right?

Phoebe: Yeah, yeah I think I'm gonna find my own place.

Chandler: Hey-hey! I thought Naked Thursday's was just our thing man!

Opening Credits
[Scene: Central Perk, Ross is reading a magazine, eating a cookie, and drinking some coffee as Phoebe enters.]

Phoebe: Hey.

Ross: Hey!

Phoebe: So, what did Rachel say when you told her you were still married to her?

Ross: Oh, that. Umm, she took it really well.

Phoebe: You didn't tell her did you?

Ross: No.

Phoebe: Of course not, because you're in love with her.

Ross: I am not in love with her. She was very upset about having to move out so I eh, didn't tell her we were still married because she would only get more upset. I-I just comforted her, as a friend.

Phoebe: What do you mean, comforted her?

Ross: It's nothing, I just gave her a hug.

Phoebe: Ah-ha! A classic sign of love, the hug!

Ross: It's also a sign of friendship.

Phoebe: Yeah, not in your case Lovey Loverson. (Tries to take a bite out of Ross's cookie.)

Ross: (grabs back his cookie) It was a hug!

Phoebe: Okay, just tell me this, did you or did you not smell her hair?

Ross: S-s-smell her hair? What if I did?

Phoebe: Ninety percent of a women's pheromones come out the top of her head! That's why, that's why women are shorter. So that men will fall in love when they hug them! (Ross is staring at her dumbfounded.) Oh come on Ross, you're a scientist.

Ross: I was hugging her as a friend. It's not my fault her-hair got in my face, she's got a lot of it and it smells all-all uh...coconuttu. (Phoebe raises her eyebrows.) What? Oh, that doesn't mean I have feelings for Rachel! Maybe it means I have feelings for coconuts!

Phoebe: (taking his coffee) Okay, whatever you say. But just be careful, all right? Rachel's not in the same place you are.

Ross: (grabbing back his coffee) If the place you are referring to is being in love, then she is in the same place as me because I am not in that place!

Phoebe: Okay, I didn't understand that, but y'know, maybe that's 'cause you were speaking the secret language of love!

(She goes for his magazine and he grabs it away before she reaches it. But she was only using the magazine as a decoy because she grabs his cookie and coffee, takes a bite out of the cookie and drinks some of the coffee.)

[Scene: Monica and Rachel's, Chandler and Monica are there as Joey enters.]

Joey: Hey! (To Chandler) Dude, some guy just called for you.

Chandler: Who was it?

Joey: I don't know! How about, "Thanks for taking the message." Jeez! (Exits.)

Monica: Okay listen, y'know when you move in Rachel's room is gonna be empty, you wanna talk about what we want to do with it?

Chandler: Sure!

Monica: Okay, I was thinking we should have a beautiful guest room, right? With a mahogany sleigh bed and bedside tables with flowers on them all the time! And we could have a roll top desk with comment cards on them so people could say how much they loved staying here!! Okay, whatever, I really haven't thought about it that much.

Chandler: Well, I like that idea. Obviously! I was thinking maybe-maybe-maybe it could be a game room, y'know? I mean you can buy old arcade games like uh, like *Space Invaders* and *Asteroids* for \$200, the real ones! The big-big ones!

Monica: No.

Chandler: Okay so you mean no as in, "Gee Chandler, what an interesting idea. Let's discuss it before we reject it completely."

Monica: Oh, I'm sorry. Of course I mean that. Interesting idea, umm, talk about it, but no.

Chandler: So, that's it?

Monica: I just don't think arcade games go in the beautiful guest room. The beautiful guest room is gonna be filled with antiques.

Chandler: Which is why *Asteroids* is perfect! It's the oldest game!

Monica: What do you have against the beautiful guest room?

Chandler: I don't have anything against the beautiful guest room, especially since everybody we know lives about 30 seconds away!

Monica: Are you mocking me?

Chandler: No, I'm not mocking you, (in a mocking voice) or you beautiful guest room. (Exits.)

[Scene: Chandler and Joey's, Chandler is coming from across the hall.]

Joey: Hey, what's up?

Chandler: Nothing, Monica and I had a stupid fight.

Joey: But you're still moving in together, right? Because my ad came out today. (Shows him the paper.)

Chandler: (reading the ad) "Wanted. Female roommate, non-smoker, non-ugly." Nice!

Joey: Yeah? I just figured y'know, after living with you it'd be an interesting change of pace to have a female roommate, y'know? Someone I can learn from,

someone-someone who's different than me. And what's more different than me; a guy who's not 19 than say a girl who is 19? Enh? (Points to his head.) Not just a hat rack my friend!

[Scene: Central Perk, Phoebe is on the couch staring off into space as Rachel enters.]

Rachel: Pheeb's, I have to ask you...

Phoebe: Shhhhhhh! I'm swamped right now.

Rachel: You're just staring into space.

Phoebe: Umm, I'm trying to move that pencil. (There's a pencil lying on the table.)

Rachel: This one? (Picks it up.)

Phoebe: It worked!

Rachel: Pheeb's, this whole apartment thing is just a nightmare! Every place I can afford comes with a roommate who is a freak. I mean, look at this; (Points to one and starts to read it.) "Wanted. Female roommate, non-smoker, non-ugly." It's just, there is nothing! The city's full!

Phoebe: Wait, no, look at this! (Points to one.) (Reading) "Two bedroom, two bath, must be non-smoker. Satan worshippers okay..." Oh, yeah, but it's on the ground floor.

Ross: (entering) Hey!

Rachel: Hey.

Ross: Rach, uh, you still looking for a place?

Rachel: Yeah! Why?

Ross: Okay, there's this guy, Warren, from the museum and he's going on a dig for like two years and he's got this great place he needs to sublet. So uh, you interested?

Rachel: That sounds great! I'd love to live at Warren's!! I love Warren! Thank you!

Ross: Don't thank me! If you wanna thank something, thank the volcano that erupted thousands of years ago, killing but perfectly preserving an entire civilization. (Rachel just looks at him.) Here's Warren's number.

Rachel: Oh, this is great! I am gonna call him right now! (Jumps up.) Oh, thank you!

(She hugs him and he starts to hug her back but notices the look Phoebe is giving him and pushes her away.)

Ross: Okay, you got grab it!

Phoebe: I saw it.

Ross: I don't know what you're talking about.

Phoebe: Umm, I'm talking about that which you already know but won't admit. You love her again; you re-love her!

Ross: Look, I do not re-love her.

Phoebe: I can't believe you won't just admit it! (Pause) Okay, just promise me that you won't do anything stupid.

Ross: Look, we're just friends now! Okay? Why would I do anything stupid?

Rachel: (returning from calling Warren) Ugh!!! Well, the apartment is already subletted! I mean, this is just hopeless. I'm never gonna find anything.

Ross: You can live with me.

Rachel: What?!

Phoebe: What?!

Ross: What?
Commercial Break
[Scene: Central Perk, continued from earlier.]

Rachel: Oh my God! Are you serious?!

Ross: Uh-huh. (Phoebe grunts.)

Rachel: I would love to live with you Ross; that's-that's great! Thank you!

Ross: Well, I'm-I'm just glad I could, y'know, help you out.

Phoebe: Wow! I'm-I'm so happy for you guys. (To Ross) This is so-so, not stupid.

Rachel: Ross-Ross, you have no idea what this means to me! I mean, I mean I was gonna be homeless. You just saved me! You're my hero!

Ross: Hero, I uh, I don't know—well, all right.

Rachel: Oh, I have to go tell Monica what a wonderful brother she has! (Kisses him on the cheek and exits.)

Ross: Oh please! (He sits down.) (To Phoebe) You're gonna say things now, aren't ya?

Phoebe: No. No, I won't. But I should tell you this, this exact same thing happened to my roommate Denise. She moved in with a guy who was secretly married to her and he said he didn't love her, but he really did, and it just blew up! And that's how she ended up living with me! (Ross looks at her.) (Pause) Okay, that's a lie.

[Scene: Monica and Rachel's, Monica is in the kitchen as Chandler enters.]

Chandler: Hi.

Monica: Hi.

Chandler: Hi, listen, I'm sorry about before. I don't need to have a game room. I mean when I was a kid I only played those games because I couldn't get girls, and now I can 'em—Now, I have you. (Monica glares at him.) Not-not that I think that I have you or think of you as property in any sort of way, I see women...

Monica: Stop it Chandler. (Chandler is relieved) I'm sorry too.

Chandler: Really?

Monica: Yeah! Oh yes!

Chandler: Ohh.

Monica: Listen, we don't have to make that a guest room, we can think of something to do with the room together.

Chandler: That's a great idea! We can easily think of a way for us both to enjoy the room.

Monica: Totally!
(They start thinking.)

Chandler: We don't have to come up with this now.

Monica: Oh good.

Chandler: Hey, y'know what? Why don't we think

about changes we can make in the living room?
Monica: Changes?
Chandler: Yeah, I mean we're gonna have to move around some furniture to make room for my chair. (Kisses her and heads into the living room.)
Monica: You're-you're-you're gonna bring the Barca Lounger over here?
Chandler: Is that a problem?
Monica: Well, it's a set and they should probably stay together.
Chandler: Oh, that's cool. Then I'll just bring them both over.
Monica: See now-now you're taking them away from their home.
Chandler: Okay, I get it. So, I get nothing! Nothing here is mine! Everything here is yours! I'll get up in the morning put on your clothes, and head off to work!
Monica: Yeah-yeah, y'know what? Yeah, that's it—that's it, everything will be mine! Nothing will be yours! That's—that's what I said! Oh come on, Chandler! I'm talking about the barca lounger! It just, it doesn't match! Where is it gonna go?!
Chandler: In the game room!
Monica: Look it is **not** my fault that your chairs are incredibly ugly!
Chandler: All right! That's fine! That's fine! I won't bring over the chairs! I won't bring anything over! I wouldn't want to ruin the ambiance over here at Grandma's place!! (Storms out.)
 [Scene: Chandler and Joey's, Joey is interviewing a potential roommate. And yes, she's a female, non-smoker and very non-ugly.]
Joey: (exiting from Chandler's room with the new roommate) Everything on your application looks really good—Ohh! Just one last question umm, are you and your friends gonna be over here all the time like partying and hanging out?
The Potential Roommate: Oh don't worry, I'm not really a party girl.
Joey: Whoa! Now look, don't be just blurtin' stuff out. I want you to really think about your answers. Okay?
Chandler: (entering) You can call off the roommate search! (To the potential roommate) Hi! I'll be living here. (Heads for the bathroom.)
Joey: Oh don't listen to him, he's just some guy who really wants the apartment, but I don't think he's gonna get it.
Chandler: Why did you take the shower curtain down?
Joey: That thing was a hazard! (To the potential roommate) I'm very safety conscious.
 [Scene: Ross's Apartment, Rachel is entering and Ross is making some room on the shelves for his stuff.]
Rachel: Hey!
Ross: Hey! Oh listen, I was just clearing some space for your stuff.
Rachel: Oh thanks, but listen, I was just at Monica's and she and Chandler had a big fight and they're not moving in.
Ross: What do you mean, they're not moving in? They-they're still moving in right?
Rachel: No-no, they just had a big blowout over what to do with my room.
Ross: What?! Over a stupid room!
Rachel: Yeah, I feel kinda bad for them, but I'm also really psyched 'cause I don't have to move in here!
Ross: Oh no, yeah no, that part's great!
 [Scene: Monica and Rachel's, Ross is entering, dragging Chandler, to mediate the argument between Chandler and Monica.]
Ross: What's all this about you guys fighting?! Is this really over a room?! I mean, that is so silly!
Monica: Ross, we can handle this.
Ross: Well, apparently not, and I can't just stand by and watch two people I care about very much be hurt over something that is so silly. I mean, enough of the silliness!
Chandler: Well, why don't you tell her to stop being silly! (Monica mocks him and he joins in.)
Ross: (stopping them) Okay-okay! Two very good points, look I've known you both a long time, and I've never seen either of you one/millionth as happy as you've been since you've got together. Do you really want to throw that all away over a room? That is so silly. Now wh-what is more important, love or silliness?
Chandler: Well, we are fond of the silliness, but we also have a soft spot for the love.
Monica: Love is the best medicine.
Chandler: That's laughter.
Monica: Why do you do it?
Chandler: I don't know.
Ross: Okay! All right! Now, Chandler you-you wanna live with Monica, right?
Chandler: Yeah, I do.
Ross: And Mon, you wanna live with Chandler, don't ya?
Monica: Yes.
Ross: (jumping up) Good! A verbal contract is binding in the state of New York! (Storms out.)
 [Scene: Central Perk, Rachel is sitting at the counter waiting for Gunther, yep Gunther's back, to refill her coffee.]
Gunther: So I understand you're looking for a place.
Rachel: No-no, I'm staying put.
Gunther: Oh, I was going to offer you my

apartment.
Rachel: Why, where are you going?
Gunther: I don't know.
Ross: (entering) Hey Rach!
Rachel: Hi!
Ross: You're never gonna believe it uh, Monica and Chandler are moving in again. That's great news right—I mean for them. Right?
Rachel: Oh wow.
Ross: Yeah but, on the bright side, we get to be roommates again.
Rachel: Yeah. Y'know umm, uh, umm, about that, umm, Ross I really appreciate your offer to let me move in and everything, but don't you think it's gonna be weird?
Ross: Wh-why?! Why-why-why would it, why would it be weird?
Rachel: Well, because of us! Because of our history.
Ross: No!
Rachel: No?
Ross: No! No! It would be weird if we were still in that place, I mean are you still in that place?
Rachel: No! Not at all!
Ross: Good! Me neither! So it's not a problem. We're just two friends who happen to be roommates.
Rachel: Okay, but Ross, eventually you and I are gonna be dating.
Ross: Really?! We are?
Rachel: Yeah! I'm gonna have a boyfriend, you're gonna have a girlfriend...
Ross: Ohh! That would be great.
Rachel: But y'know what, if you think it's gonna be okay we'll just work out a system. Y'know, it'll be like college, I'll hang a hanger on the door and put a sign, "Come back later, I'm gettin' lucky." (Laughs.)
Ross: (laughs as well, but for a different reason) Yeah, I didn't think of that.
 [Scene: Monica and Rachel's, Chandler is once again being dragged in by Ross so he that he can try to manipulate the situation so that it's best for Ross, not necessarily what's best for Monica and Chandler.]
Ross: So are you sure about this whole moving in thing?! I mean it's a **really** big step! And-and what's the rush?! (They both start laughing at him.)
Monica: That's very funny!
Chandler: He's being silly, because he knows that we enjoy the silliness!
Ross: No, I-I-I'm serious, okay? I mean, think about it. You move in, you start fighting over stupid game rooms, next thing y'know you break up!
Monica: Ross, you were right before, it was just a stupid fight about a room.
Ross: Okay, there are no stupid fights!! This isn't about the room, this is about what the room...represents! And unfortunately, this room (Points to Rachel's room) could destroy you!
Chandler: Yeah, I'm not so worried.
Monica: Yeah, no, me neither.
Ross: Fine! It's your life! (Starts to storm out mad about his failed attempt at the manipulation of his best friend and sister, but stops and tries one last time.) I just don't want to see you guys break up! Which you **will** do if you move in together, (Monica and Chandler just stare at him.) but that's what you want, there's nothing I can do. (Opens the door and tries one more time.) **DON'T DO IT!!!!** (Finally leaves.)
Monica: You still want to move in together right?
Chandler: Of course!
Monica: Ross didn't scare you?
Chandler: Scared me out of ever wanting to live with him.
Monica: Come here, I want to show you something!
Chandler: Okay!
 (They run to the living room where Monica has moved the chair back (Towards the step), the coffee table forward (Towards the TV), and taped a square outline on the floor.)
Chandler: Oh my God! Someone's killed Square Man!
Monica: This is where I thought the barca lounge could go! You see you could see the TV and it's still walking distance to the kitchen.
Chandler: Oh that's so sweet! I want to show you something too!
Monica: Okay!
Chandler: Y'know those big-big uh, road signs that say "Merge?"
Monica: Uh-hmm.
Chandler: Y'know? So I was thinking that we could get one of those signs and hang it over our bed. Because, that's you and I together! Merge!
Monica: Oh my God! I love that!
Chandler: Really?!
Monica: Uh, no!
 [Scene: Central Perk, Phoebe is singing a new song. Yep, the first new Phoebe song of season six, Ross, Joey, and Rachel are also there.]
Phoebe: (singing) I found you in my bed!
 How'd you whined up there?
 You are a mystery!
 Little black curly hair!
 Little black curly hair!
 Little black, little black, little black, little black, little black curly hair.....
 (Applause.)
Phoebe: Now if you want to receive e-mails about my upcoming shows, then please give me money so I can buy a computer.
Ross: (To Rachel) So umm, where are the other guys?
Rachel: Umm, well let's see Monica and Chandler are occupied.
Ross: Fighting?!
Rachel: No, the other thing. I really think it's great they work things out.
Ross: Yeah. There's no breaking them up, is there?

Rachel: Hey, can I borrow the key to your house so I can run across the street and make a copy?
Ross: Sure! Here. (Hands her his keys.)
Rachel: Thank you. (Gets up) Now are you sure? Because once I make a copy, there's no turning back.
Ross: Yeah, I'm-I'm sure. (Deadpan) Yeah, get out of here before I change my mind. (She exits)
Joey: Umm, listen, Ross do you really think this moving in with Rachel is a good idea?
Ross: I've been back and forth.
Joey: Yeah well, maybe you should go back! Okay? Rachel moves in, and before you know it you're right where you don't want to be! Back together!
Ross: Eh, I don't, I don't think so. She's already talked about y'know, dating other guys.
Joey: That's not gonna work out! Then she's gonna come home all weepy and you'll be tellin' her, "Oh that's okay. You'll find someone." And then, **bamn!** She finds you!
Ross: Yeah, well, m-maybe you're right.
Joey: I am telling you Ross, she is definitely gonna fall in love with you again! Now, is that what you want?
Ross: Is that what I want?
Phoebe: (on the microphone, accidentally) Yes.
 (Rachel enters.)
Joey: Here she comes. Hold on, I'm gonna make your life much easier.
Rachel: All right, well the place was closed. I'll just copy it later.
Joey: Or not. Uh, Rach, why don't you just move in with me? (Rachel sighs.)
Ross: Whoa! Whoa! Whoa, Joey!
Joey: No-no-no-no-no-no-no... It's okay, I mean I—look Rach, I know I scared you off with that whole Naked Thursday's thing, but we don't have to do that!
Rachel: Well, it would be easier to move just right across the hall. Wait a minute, unless you're thinking about Naked Wednesday's.
Joey: Thursday's clearly not good for ya, pick a day!
 Commercial Break
 [Scene: Chandler and Joey's, Joey has The Potential Roommate back for another interview.]
Joey: (opening the door to The Potential Roommate) Hi!
 The Potential Roommate: Hi!
Joey: Come in. Thanks for comin' back, umm, okay there have been a lot of people interested in the room, but I have narrowed it down and **you** are one of the finalists!
 The Potential Roommate: Great!
Joey: Okay now, before I make my final decision I uh, I just want to make sure our personalities match. Okay, so I made up a little test. Now, I'm gonna say a word and then you say the first thing that comes to mind.
 The Potential Roommate: I can do that.
Joey: Okay! Here we go. Pillow.
 The Potential Roommate: Fight.
Joey: Very good! Okay. G.
 The Potential Roommate: String?
Joey: Excellent! Okay umm, doggy.
 The Potential Roommate: Kitten?
Joey: Ooh, sorry! No-no-no, so close though, but—bye-bye! (He ushers her out the door.)

604 The One Where Joey Loses His Insurance
 [Scene: Monica and Rachel's, Rachel is packing her belongings to move to Ross's. She's standing in the kitchen.]
Rachel: So, which of this kitchen stuff is mine?
Monica: This bottle opener. (She grabs it off of the freezer door.)
Rachel: And?
Monica: And it's a magnet!
Rachel: Look at that!
Ross: How weird is that? Y'know? You're moving in with me and have the **one** thing I don't have. It's like uh, in a way you-you complete me (Phoebe glares at him) kitchen.
Rachel: What?!
Ross: (in an Australian accent) You complete me kitchen, matey!
Phoebe: Ross, I know what you're thinking.
Ross: What?
Phoebe: That she's gonna move in with you and maybe then she'll fall in love with you and then when she finds out you're already married, she'll just be happy. Y'know? You're just, you're very sad.
Ross: Oh...my...God! I-I see what this is! **You** are in love with Rachel!
Phoebe: What?!!
Ross: Of course! It all adds up! I mean you you're obsessed with her. It's always, "Ross, what are you gonna do about Rachel?" "Ross, why-why are you moving in with Rachel?" "When are you gonna confess your secret marriage to Rachel?" You want her!
Phoebe: No! (Ross's phone rings.)
Ross: (answering it) Uh-oh, saved by the bell. (On phone) Hello?
 [Cut to the living room where Monica is helping pack a box.]
Monica: Hey Rach, aren't these candlesticks (holds up a pair) mine?
Rachel: No-no, I bought those.
Monica: Ohh! Yeah, I forgot.
Rachel: Yeah. (Rachel walks away.)
Monica: (under her breath) That you're a liar. (Hides the candlesticks in a drawer.)
Ross: (on phone) No-no-no, that's great! I'll be there Monday. And thank you again! (Listens) Okay. (Hangs up) (To All) Umm, **that** was the head of the

Paleontology department at N uh, Y, uh U!

Monica: Wow! Uh what, did he uh, say?

Ross: Well remember that paper I had published last year on sediment flow rate, huh? They loved it.

Rachel: Well, who wouldn't?!

Ross: I know! Anyway, they asked me to be a guest lecturer! I mean it's temporary, but uh, if they like me it could lead to a full time job. How great would that look great on a mailbox, huh? "Professor Geller."

Phoebe: Yeah, Professor and Mrs.

Rachel: And Mrs.?!
Phoebe: Oh! Yeah, y'know you and Ross are still married.

Rachel: What?!!
Phoebe: Just kidding!
Rachel: Ohh! Oh God! (Laughs her way into the living room.)
Phoebe: (To Ross) Saved your ass.

Opening Credits
[Scene: Central Perk, Joey, Monica, Rachel, and Chandler are all there as Phoebe enters dejectedly.]
Chandler: Hey!
Phoebe: Hi!
Monica: Hey!
Chandler: Oh, what's the matter?
Phoebe: Well, you know that psychic I see?
Chandler: Yeah?
Phoebe: Well, she told me that I'm gonna die this week, so I'm kinda bummed about that.
Chandler: What?!!
Phoebe: Yeah, and I know you guys don't know a lot about psychic readings, but that one is pretty much the worse one you can get.
Monica: Phoebe that's crazy!
Joey: I can't believe she would say that too you.
Rachel: Yeah honey you don't believe her do you?
Phoebe: I don't—she said y'know that I'd have triplets! But she also said one of them would be black.
Chandler: Just out of curiosity did she tell you how you're gonna go?
Phoebe: No, 'cause she didn't tell me I was gonna die until the very end of the session, and I was not gonna waste a whole another hour there! I mean I've only got a week left, y'know? I've **really** gotta start living now! (So she picks up the latest copy of *Car and Driver* (a U.S. auto magazine), leans back, and starts reading.)
Ross: (entering) Hey everyone!
Chandler: Oh hi!
Ross: Hey uh, well, today's my first lecture and I kinda wanted to try it out on you guys, do you, do you mind?
(They pause to think about it.)
All: Oh that'd be great. Sure!
Ross: (he starts reading directly from his cards word for word very quietly) "There are three primary theories concerning sediment flow rate. Each of these theories can be further subcategorized into two distinct..."
Phoebe: Oh, this is it. This what's gonna kill me.
Ross: (continuing) "...subcategories. The first of these subcategories is..."
Joey: (interrupting him) Uh Ross! Are there uh, are there naked chicks on that piece of paper?
Ross: No! Why?
Joey: Well, I've just never seen a guy stare so hard at a piece of paper that didn't have naked chicks on it.
Ross: Ohh! Okay! Okay. (Resumes reading word for word from the card) "There are three (pauses and looks at Joey) primary theories concerning sediment flow rate. (Pauses and darts his eyes between Chandler and Rachel.) (Rachel starts laughing) Each of these theories (glances at Phoebe) can be further subcategorized (glances at Chandler) into..."
Chandler: Why don't you open with a joke?
Ross: Open with a joke? It's a university, not a comedy club!
Chandler: Wait a minute, hold the phone! You're not talking about Chuckles University?
Ross: (gets up) Okay!
All: Ohh! We're kidding! Oh, we're kidding!
Rachel: Ross, hey you know what might make it less boring?
Ross: Thank you!
Rachel: Some uh, some visual aides.
Joey: Oh-oo-oo! Y'know what's a good visual aide?
Ross: Please don't say naked chicks.
Joey: Why not?!
Ross: I-I-I don't even know why I bother to talk to you guys about it. Y'know what? I'm just gonna do it on my own with no naked chicks.
Chandler: That's the way I did it 'til I was 19.
[Scene: Chandler and Joey's, Joey is playing that string game with the two hands and the weird crossing patterns as Chandler enters with the mail.]
Chandler: Hey.
Joey: Hey! Any good mail?
Chandler: Yes, you got something from the Screen Actor's Guild.
Joey: Ooh, it's probably a residual check, hey can you open it for me, I'm kinda....
Chandler: (opens and reads it) "Benefits lapsed."
Joey: Hmm that's weird. I don't remember being

in a move called benefits lapsed.
Chandler: Okay, it's not a check. They're saying your health insurance expired because, you didn't work enough last year.
Joey: Let me see that!
Chandler: All right.
Joey: (reads it) Oh, I can't believe this! This sucks! When I had insurance I could get hit by a bus or catch on fire, y'know? And it wouldn't matter. Now I gotta be careful?!
Chandler: I'm sorry man, there's never a good time to (pauses) stop catching on fire.
Joey: All right well, I guess I gotta go get a job. I'm gonna go see my agent.
Chandler: Okay, make sure you look both ways before you cross the street.
Joey: (mocks him, in a whiney voice) ...look both ways before you cross the street. (Turns and walks headlong into the closed door.)
[Scene: Monica and Rachel's, Phoebe enters to find Rachel still packing.]
Phoebe: Hey!
Rachel: Hey Phoebs, you're still alive! How are you doing?
Phoebe: Ugh, it's so exhausting waiting for death. Ohh, by the way, do you think you could—(Groans, hacks, and then freezes with her eyes open and her tongue hanging out.)
Rachel: Phoebs, what-what are you doing?
Phoebe: I was preparing you for my—didn't you think I was dead? Did that not come off?
Rachel: Oh yeah, scared the hell out of me. I thought we'd lost you forever. Phoebs, you lie down?
Phoebe: Yeah, thanks. And listen, can you do me a favor? Could you just umm, wake me up in a couple hours, y'know if you can.
(Phoebe goes and lies down as Rachel opens the drawer Monica hid the candlesticks in and as Monica walks out of her room.)
Rachel: Monica!
Monica: Hmm? (Rachel holds up the candlesticks.)
Rachel: Did-did you take these back?
Monica: No-no, I-I just, I liked them so much that I went out and bought some for myself.
Rachel: Oh yeah, they're really great! Aren't they?
Monica: I loved them!
Rachel: Yeah. (Monica walks away) Nice try! (Rachel puts them in a box.)
Ross: (entering) Hello!
Monica: Hey!
Rachel: Hey!
Monica: How'd the lecture go?
Ross: It went great! And I didn't need any jokes or naked chicks either!
Rachel: Wow, that's great Ross, I'm sorry we weren't more supportive before.
Ross: I knew all I had to do was let the material speak for itself. Everyone's all, "Ross you have to be funny and sexy." Well, I proved them wrong! And now, I'm gonna pass the news onto Joey and Chandler.
Monica: That you're not funny or sexy?
Ross: That's right!
[Scene: Estelle Leonard Theatrical Agency, Joey is there to see his agent.]
Joey: (entering) Hey Estelle, listen...
Estelle: Well! Well! Well! Joey Tribbiani! So you came back huh? They think they can do better but they all come crawling back to Estelle!
Joey: What are you talkin' about? I never left you! You've always been my agent!
Estelle: Really?!Joey: Yeah!
Estelle: Oh well, no harm, no foul.
Joey: Estelle, you gotta get me some work. I-I lost my health insurance.
Estelle: All right, first thing we gotta do, damage control.
Joey: Why?
Estelle: Well, I think uhh, someone out there may have been bad mouthing you all over town.
Joey: Bastard!
[Scene: Chandler and Joey's, Chandler enters to find Joey lying in the fetus position on the floor.]
Chandler: Hey!
Joey: (in obvious pain) Hey! So Estelle lined up a bunch of auditions for me tomorrow and I'll have my health insurance back in no time.
Chandler: That's great, but shouldn't you be on the toilet right now?
Joey: What?!Chandler: What's wrong with you?
Joey: Nothing! Well, I-I got this blinding pain in my stomach when I was lifting weights before, then I uh passed out and uh, haven't been able to stand up since. But um, I don't think it's anything serious.
Chandler: This sounds like a hernia. You have to—you-you go to the doctor!
Joey: No way! 'Kay look, if I have to go to the doctor for anything it's gonna be for this thing sticking out of my stomach! (Rolls over and shows Chandler.)
Chandler: That's a hernia.
Joey: Why did I have to start working out again? (Looks at the weights he was using.) Damn you 15s!
[Scene: a NYU lecture hall, Rachel and Monica are arriving to talk to Ross after the lecture, but are there early.]
Rachel: Well, we're a little early, the lecture doesn't end for 15 minutes.
Monica: Yeah, but y'know we could sneak in and watch.
Rachel: Yeah, we could. Oh hey look! There's some Kappa Kappa Deltas! I was a Kappa. (to them) Hey sisters! (They ignore her.) (To Monica) Wow, we really are bitches. (They enter the lecture hall to find Ross speaking in an English accent for some unknown reason.)
Ross: (to the class) Right! So when Rigby got his samples

back from the laboratory he made a startling discovery! What he believed to be igneous, was in fact sedimentary. Imagine his consternation when—(sees Monica and Rachel.) Oh bloody hell.
Commercial Break
[Scene: a NYU lecture hall, the scene is continued from earlier, only Ross has dismissed the class and is now talking to Monica and Rachel.]
Monica: What the hell are you doing?!Ross: Look, I was nervous! You guys had me all worried I was going to be boring! I got up there and they were all like staring at me. I opened my mouth and this British accent just came out.
Rachel: Yeah, and not a very good one.
Ross: Will you-will you please?
(Another professor walks down from the back of the lecture hall.)
The Professor: Dr. Geller, Kurt Rathman, I'm a professor in the paleontology department here.
Ross: Oh.
The Professor: Do you have a moment to talk about your lecture?
Ross: (in his British accent) I'm sorry, I've got plans with my sister.
Monica: (in an Irish accent) Monica Gellerrr. (She rolls her 'R')
Ross: (in accent) Right, will you excuse us for one moment? (Takes Monica aside.) (In his normal voice.) What are you doing?
Monica: (normal voice) Oh, you can have an accent and I can't?! (To an exiting student in accent.) Top 'O the morning to ya laddies!
Ross: Just please stop!
(They turn back to Rachel and Professor Rathman.)
Rachel: (in an Indian accent) Yes, yes, Bombay is bery, bery nice time of year.
[Scene: Central Perk, Chandler is reading on the couch while Joey, still suffering from his hernia, is returning with coffee for them both. After a series of grunts and groans he manages to painfully walk back from the counter, sit down, and slide Chandler his coffee.]
Chandler: Hey, will you grab me a cruller? (Joey starts to groan and get up.) Sit down! Will you go to the hospital?
Joey: Dude! Hernia operations cost like, a lot probably. Besides it's getting darker and more painful, that means it's healing.
Chandler: I will loan you the money. Just go to the hospital and let's just get that thing...pushed back in.
Joey: Thank you, but it would take me forever to pay you that money back and I don't want that hanging over my head. Okay? Besides, as soon as my insurance kicks in I can get all the free operations I want! Yeah, I'm thinking I'll probably start with that laser eye surgery too.
(Phoebe enters.)
Phoebe: Hey!
Chandler: Hey.
Joey: Hey!
Phoebe: What's going on?
Chandler: Oh Joey's got a really bad hernia, but that's nothing a little laser eye surgery won't fix!
Joey: Look, I'm telling you if I put my hand on my stomach right here (He puts his hand down his pants, like Al Bundy on *Married...With Children* always used to do.) it doesn't hurt that bad.
Phoebe: Hey! Maybe you'll die!
Joey: Sure, now I'm scared.
Phoebe: No, we can go together! Just don't wait too long though, okay? 'Cause I'm outta here sometime before Friday.
Joey: Yeah, but I don't wanna die!
Phoebe: No-no, it'll be fun! We can come back and we can haunt these guys!
[Scene: Monica and Rachel's, Monica and Rachel are having a tug-of-war over the disputed candlesticks.]
Monica: Gimme 'em!
Rachel: No! They are mine!
Monica: You stole them from me!
Rachel: You stole them from me!!
Monica: Gimme them!
(With one last mighty tug the combatants lose their grip and split, each holding one candlestick.)
Monica: You just wanna each take one?
Rachel: Yeah that seems fair. We never use them.
Ross: (entering) Look, I really need some help, okay? Why? Why did I have to speak in a British accent?! What do I do?
Rachel: Well...
Monica: Why don't you phase it out? Yeah, fade the accent out and people will think you're, y'know, that you're adjusting to life in America.
Rachel: Yeah, I mean, come on Ross, no one will even notice. I mean they're probably not even listening!
Ross: They're not listening too me?
Rachel: Of course they're listening to you! Everybody listens to you.
Ross: Monica you really think I should try this phasing out thing?
Monica: I think you look fine.
[Scene: Casting Director #1's office, Joey is on his first audition. His partner is an 8-year-old boy.]
Casting Director #1: Whenever you're ready.
Joey: (in a gravely, painful voice) Okay. "Hey, Timmy, I've got a surprise for you."
Casting Director #1: Hold it. I'm sorry, the surprise is a new swing set, if you could play it a little less...intense?
Joey: Oh yeah, sure, no problem, I'll just—hold on one second. (He turns around and puts his hand in his pants and groans in relief.) (In a relaxed voice.) "Hey

Timmy, I've got a surprise for you!" Casting Director #1: Oh my God!!! (Joey pulls his hand out and reverts back to intense pain.) [Scene: Casting Director #2's office, Joey is on his second audition. This one is for *Purina One Dog Chow*, an actual item. Please note the gratuitous product placement.] **Joey:** So that's why I feed my dog *Purina One*! Pick up a bag today! (He turns, looks at the bag and realizes he won't be able to pick it up.) **Casting Director #2:** That's where you pick up the bag. **Joey:** Exactly. **Casting Director #2:** No, the line is pick a bag, so you need to pick up the bag. **Joey:** Or, I could just point to it! Huh? Blah, blah, blah, *Purina One*, point to a bag today. (She just looks at him.) I didn't get it, did I? Casting Director #2: No. **Joey:** Yeah, okay. (Leaves) [Scene: Casting Director #3's office, Joey is entering.] **Joey:** Hi. I'm Joey Tribbiani; I'm here to audition for (Groans) man. **Casting Director #3:** You mean dying man? **Joey:** Yes! [Scene: Monica and Rachel's, Monica and Rachel are playing phone pranks on Ross.] **Monica:** Okay, come on, do it one more time! **Rachel:** Really? Really?! **Monica:** Yes! **Rachel:** Okay! (Picks up the phone and starts dialing.) (In an Irish accent) "Hello Ross, this is Dr. McNeely from the Fake Accent University, we'd like you to come on board with us full time! (Hangs up.) **Phoebe:** (entering) Hey! **Rachel:** Hey! **Phoebe:** Listen to this! My reading was wrong, I'm not going die! **Rachel:** Really?! How do you know? **Phoebe:** Because my psychic is dead! She must've read the cards wrong! **Rachel:** Oh, I'm sorry. **Phoebe:** Eh, better her than me! Hey, let's bake cookies! [Scene: Silvercup Studios, Joey has won the part of dying man and is now able to play the role he was injured for. Chandler is helping to carry him in.] **Chandler:** Listen, I'm really glad you got the part. **Joey:** (barely audible through the pain) Thank you. **Chandler:** But are you sure you can do this? **Joey:** Yeah! And hey, thanks for coming with me. And thanks again for helping me take a shower. (Chandler steps away quickly.) **Chandler:** Now, is that never talking about it again?! **Joey:** (to the director) Hiya! **The Director:** Hey Joey, we're ready for ya! (Joey stumbles over) Joey, this is Alex he's going to be playing your son. **Joey:** Hi Alex! (to the director) And uh, as you can see my hands are not in my pants. (Holds them both up.) **The Director:** Okay. (to Alex) All right uh, Alex now when Joey says his line, "Take good care of your Momma son," that's your cue to cry. Got it? (Alex nods yes.) All right, let's do this. (Joey lies down on the gurney.) **A Crew Member:** (with that board thingy) Scene 5, take 1. **The Director:** And Action! **Joey:** "Take could care of your Momma son." (Alex just looks at him and the director motions for him to continue so he tries it again.) "Take could care of your Momma son." (Alex does nothing.) "Come on son! Your Momma's good people!" **The Director:** Cut! Alex, remember you're supposed to cry. Can you cry for us this time? **Alex:** Okay. **The Director:** All right, from the top. **A Crew Member:** Scene 5, take 2. [Time lapse.] **A Crew Member:** Take 36 is up! **The Director:** All right! Let's try this again! You ready Joe? **Joey:** Ah, just one thing umm, is it all right with you if I, if I scream right up until you say action? **The Director:** Uh sure. **Joey:** Okay. (Starts screaming.) **The Director:** Action! **Joey:** (he stops screaming at action) "Take good care of your Momma son." (Again Alex does nothing.) **The Director:** Cut!!!!!!! (Joey starts screaming again.) (Chandler decides to help out.) **Chandler:** I'm sorry! Hey-hey Joe, why don't you uh, lift up your shirt? (He does.) Take a look at this kiddo. (Alex finally starts crying.) **We have a crying child! Roll the damn cameras!** [Scene: Ross and Rachel's apartment, Rachel is unpacking as the phone rings.] **Rachel:** (answering it) Hello? **Russell:** (Ross's divorce lawyer.) Hello, is Ross there? **Rachel:** Uh no, he's not. Can I take a message? **Russell:** Yes, this Russell, Ross's divorce lawyer,

just tell him that since I haven't heard from him, I assume he's decided to give the marriage a try. **Rachel:** Ross got married again—Noooooo!!!!!!! [Scene: a NYU lecture hall, Ross is trying to phase out his accent.] **Ross:** (in his head) *All right, keep going. We are phasing the accent out, phasing it out.* So without out re-testing the results in the laboratory (pronounced the British way) the team would never have identified (British) the initial errors in their carbon dating analysis (British). Were there any questions at this point? (One student raises his hand.) Yes. (Points to him.) **A Student:** What's happening to your accent? **Ross:** (British) Come again? What's-what's this nonsense? (Giggles.) (American.) All right, I'm-I'm not English. I'm from Long Island. I was really nervous and the accent just uh, just came out. I'm sorry. So, if we could just get back to the lecture. Umm, were there any questions? (Everyone raises their hands) About paleontology. (They all put their hands down.) All right, look I was just trying to make a good first impression. Obviously, I screwed up. But what you guys think of me is really important because I'm-I'm hoping to get a permanent job here. So if you just give me another chance to make a good impression... (At this moment Rachel bursts through the door. Needless to say, she's not in the best of moods having just found out Ross's dirty little secret.) **Rachel:** Ross!! Are you crazy?! I am still your wife!! What, were you just never gonna tell me?! What the hell is wrong with you????! Ugh, I could just kill you!!!! **Ross:** (in the accent again) Well, hello Rachel! Ending Credits [Scene: Chandler and Joey's, Joey is holding a football helmet; and apparently, in a rather disgusting scene, Joey wants Phoebe to beat him senseless. (Luckily it isn't a long trip.) Because he's made a miraculous recovery from his hernia and wants to take advantage of all those free surgeries he can get now since he's re-established his health insurance.] **Phoebe:** Have you really done this before? **Joey:** Yeah! Yeah! Yeah! You just take a big, big swing. Now, don't hold back. (He dons his protective helmet (Why, I have no clue.) and Phoebe picks up a wooden baseball bat and starts to swing as Chandler and Monica enter.) **Phoebe:** Hey! **Joey:** Hey-hey-hey! **Chandler:** What are you doing? **Phoebe:** We're just celebrating that Joey got his health insurance back. **Chandler:** Oh, all right. (Decided that they are less than human as well, Chandler picks up a golf club and Monica a frying pan, to join in on the fun of beating their good friend to within an inch of his life!) End

605 The One With Joey's Porsche

[Scene: Monica and Rachel's, the gang is there except for Rachel and Ross, who both come storming in. Rachel is still going off about Ross's secret marriage.] **Rachel:** I cannot believe that you didn't tell me that we are still married!! **Ross:** Look I was going to tell you! **Rachel:** When?! After the birth of our first secret child?! (To All) Ross didn't get the annulment; we are still married. **Chandler:** What? **Monica:** You're kidding! **Phoebe:** (overdoing it) Oh my God!! **Monica:** Ross! **Ross:** Okay, maybe it wasn't my best decision. But I just couldn't face another failed marriage. **Chandler:** Okay, let me just jump in and ask, at what point did you think this was a successful marriage? **Ross:** Rach, come on, if you think about it, it's actually kinda funny. (He laughs, and he laughs alone.) Okay, maybe it's best not to think about it. **Phoebe:** Okay, this is inexcusable. I am shocked to my very core! **Ross:** Phoebe, I told her you already knew. **Phoebe:** Another lie. You have a sickness! **Chandler:** Ross, just for my own piece of mind, you're not married to anymore of us are ya? Opening Credits [Scene: Central Perk, Joey and Monica are at the counter getting some more coffee.] **Joey:** Oh! Hey, somebody left their keys. (Looks at them) Ooohh, to a Porsche! (Transcriber's note: Oh come on! Who would leave the keys to their Porsche behind? If I had a Porsche, I'd have the keys surgically attached to my hand!) Hey Gunther, these yours? **Gunther:** Yeah, that's what I drive. I make four bucks an hour, I saved up for 350 years! **Joey:** Na-uh! (To everyone there) Hey did anybody lose their keys? **Monica:** Joey, why don't you put them in the lost and found? **Joey:** There's a lost and found? (Gunther sets the box up on the table.) My shoe! (Grabs it out of the box.) **Chandler:** You left a shoe here?! **Joey:** Well, I didn't realize until I got home. I wasn't gonna walk all the way back down here with one shoe! Y'know what? I'm gonna go find that guy's car and leave a note on the windshield. (Goes to do so.) **Chandler:** Oh good, when he comes back for his keys, I'll be sure to give him your shoe. **Joey:** Great! Thanks. (Exits.) **Phoebe:** (coming in from the bathroom) Oh, good, good, you guys are here! Listen, how would like to spend tomorrow taking care of three incredibly cute little puppies?! **Monica:** Oh my God, what a fun day! That sounds great!

Chandler: (not enthused) Yeah, all right. **Phoebe:** Okay, well I'll bring them by tomorrow morning. Okay, and uh, by the way, they're not actually puppies, they're Frank and Alice's triplets. Okay, see ya! (Exits.) **Chandler:** Whoa-whoa-whoa! What? **Phoebe:** (stops) Please! Please! Please! Oh please! Please! Please! Frank and Alice asked me to baby sit the triplets and I'm nervous 'cause I've never done that before by myself! **Monica:** Don't worry about it Phoebe, we'll absolutely do it. **Chandler:** Yeah, I'm gonna pass. 'Cause I was kinda iffy when it was puppies. **Monica:** Come on Chandler, come on! It'll give us great practice for when—(realizes what she's about to say and changes)—people with babies come to visit. [Scene: The street down the block from Central Perk, Joey has found the Porsche and is writing the note.] **Guy #1:** Nice car! **Joey:** Yeah, it's not mine. **Woman:** (walking up) I love your car. **Joey:** Yeah, it's (looks up and sees the woman) mine. **Woman:** I bet it's fast. **Joey:** Me too! Yeah. And comfortable. Do uh, do you like leather seats? **Woman:** Yeah! **Joey:** (checks in the window to make sure it has them) It's got 'em! [Scene: Monica and Rachel's, Phoebe and Rachel are having tea.] **Rachel:** So, I still have boxes here. I still have boxes at Ross's, and I have nowhere to live! Wow. I could so easily freak out right now. **Phoebe:** What about me? I just found out that Denise is leaving town for a while, I don't have a roommate. **Rachel:** Well, maybe-maybe I could be your roommate Pheebs. **Phoebe:** Maybe you could be my roommate! **Rachel:** Well there's an idea!! **Phoebe:** Yeah! **Rachel:** That would be great! Wait, how long is Denise gone for? **Phoebe:** Umm, she said she'd be back December 26th. **Rachel:** December 26th, huh maybe she's Santa Clause. (Phoebe laughs, then stops to think about it. Ross enters.) **Rachel:** (deadpan) Oh look who it is, my husband. The apple of my eye. **Ross:** Okay, I got us a court date for tomorrow at 2:00 and I picked up all the forms. I'll take care of everything. **Rachel:** Well sure, if you say you're gonna take care of everything I have no reason to doubt you. Give me those forms! (Grabs them from him.) All right, now I'm gonna do this my way and I don't want to hear a peep out of you! **Ross:** Okay Rach, but... **Rachel:** Op! You're peeping! (Ross grunts something and hands her the pen he was trying to hand her.) **Rachel:** Ross! Y'know what, I just got—why? Why did you do this?! **Ross:** Look I told you... **Rachel:** I don't wanna hear "Three failed marriages!" **Ross:** Look, if you'd had two failed marriages, you'd understand! **Rachel:** Well, y'know what? Thanks to you I'm half way there! Ugh! Oh! I am so mad! Ross, I don't think I have ever been this angry! **Ross:** What about the time I said we were on a break? **Rachel:** Ugh! (Stares at him.) [Scene: Monica and Rachel's, the next day, Chandler, Monica, and Phoebe are baby-sitting the triplets. They each have one baby.] **Monica:** Pheebs, how's it going? **Phoebe:** (rapidly) I'm doing okay. I think it's going well. Do you think they're having fun? Am I talking to fast? **Monica:** Nope, sound like me. Pheebs, it's going great. Look at Chandler with little baby girl Chandler. **Chandler:** Little baby girl Chandler, where I have heard that before? Oh right, Coach Ruben. (Tries to get her to drink a little more from the bottle when he suddenly smells something. It's times like these I'm glad Smell-O-Vision hasn't been invented.) Do you know what Pheebs? When you're done over there, we kinda have a situation over here too. (Phoebe is changing hers.) **Phoebe:** Na-uh, no, we are all responsible for our own babies. **Chandler:** See that's where I think that you're wrong. We've been playing these babies man for man; we should really be playing a zone defense. **Monica:** What do you mean? **Chandler:** I just think that things would go a lot smoother if we each have our own zone. Phoebe, you can be in charge of wiping. And y'know Mon, you can be in charge of diapering and I can be in charge of looking how cute they are when they put their hands around... (He degrades into baby talk, but he means when they grab his finger.) **Phoebe:** That sounds really great, but maybe you should be in charge of wiping. **Chandler:** Okay, I'm a rookie. I should not be in the end zone. [Time lapse, they have set up a little assembly line for diaper changes. Phoebe wipes, Chandler adds the powder, begrudgingly, and Monica puts the diaper on.] **Monica:** This is so great! This is exactly how we set

the plates at the restaurant.

Phoebe: Yeah? (Checking the final diaper) Well this is not what I ordered.

Joey: (entering) Hey guys!

Chandler: Hey!

Phoebe: Hey!

Joey: Hey babies! Oh, I'm having the best morning. That uh, that Porsche I've got the keys too, still there!

Chandler: Shocking! Since you still have the keys.

Joey: You should see the treatment I get when I'm with that car! People are friendly; they-they wanna talk, and not just about the car! One guy gave me advice about my equity investments.

Chandler: What equity investments?

Joey: The ones that got me the Porsche! Will you keep up! (Chandler wipes his forehead with a baby wipe, that might have been used. He drops it disgustedly.) But I figured, if-if people keep seeing me just standing there, they're gonna start to think that I don't own it. So I figured I'll wash it. Right? Monica, you got a bucket and some soap I can borrow?

Monica: Oh yeah, I got soap and sponges and rags and Carnuba wax and polishing compound.

Chandler: You don't even have a car!

Monica: I know. But umm, one time there was this really dirty car in front of the building, so I washed it.

Chandler: And?

Monica: And six others.

Chandler: There you are.

[Scene: The Porsche, Joey is finishing up washing the car and is talking to a guy about the car.]

Joey: Yeah, she tops out at 130.

Guy #2: Wow!

Joey: And that's just in the city. I get her up to 160 when I take her upstate.

Guy #2: Really! You got a place upstate?

Joey: Sure!

Guy #2: Well, I'll see you later.

Joey: Okay, take it easy.

The Porsche Owner: Hey! That's my car.

Joey: Really? Oh uh, oh just give me five more minutes with it.

The Porsche Owner: What-what are you doing?

Joey: Oh I-I uh, found the keys and now I'm just polishing her up.

The Porsche Owner: But it's my car!

Joey: Yeah, but it's my wax.

The Porsche Owner: Listen, I-I-I don't come to this city much so I don't know if you're crazy or this is some kind of street theater, but could I have my keys.

Joey: Sure. Here. (He hands them over.) I'll uh, save your parking spot.

The Porsche Owner: I'm not coming back.

Joey: Why not?

The Porsche Owner: I live upstate.

Joey: Yeah, so did I.

(The guy gets in and drives off.)

[Scene: Monica and Rachel's, the triplets are all in their crib as Monica and Phoebe watch them.]

Phoebe: I don't know why I was so nervous about this. And I don't know why Frank and Alice are always complaining. This is so easy.

Monica: Yeah, two hours, a lifetime that's the same.

Chandler: (entering) Check it out! Check it out! When the babies wake up, they can meet Krog! (He holds up this Xena-like warrior action figure.)

Monica: Chandler, what are you doing? That thing can put someone's eye out!

Chandler: He can do more than that! He can destroy the universe!

Phoebe: No Chandler, they can swallow one of those little parts! And also, look at his smooth area, that's just gonna mess them up.

Chandler: They're not gonna swallow anything, you guys are being way over protective. When I was a kid, my mom used to just throw me into a pile of broken glass!

Phoebe: What?!

Chandler: Glass, sand, whatever. (Walks out as Monica and Phoebe turn to check on the babies again.)

Phoebe: Oh, look at little Leslie stretching in her sleep.

Monica: Oh it's so cute. I wonder what age it is when you stop being able to put both legs over your head.

Phoebe: Oh, I can still do that.

Monica: How are you still single?!

Chandler: (entering) All right. (Clears throat) I thought about it and maybe you're right. Maybe Krog is not a safe toy.

Monica: Good. What made you change your mind?

Chandler: I swallowed the sonic blaster gun.

Phoebe: How did that happen?!

Chandler: Well, I was trying to prove that I was right. Y'know? And it turns out I was wrong. And now it's lodged in my throat. (Mimics a cat trying to cough up a hairball.) (He does it again.)

Monica: Damn!! Y'know this whole time we were concentrating on watching the babies and, and no one was watching Chandler! (He does it again.)

[Scene: A judge's chambers, Rachel and Ross are filing their annulment papers.]

Judge: Okay you two are asking the court for an annulment?

Rachel: Yes your honor, and here are, are forms, all filled out.

Judge: So based on your petition you are seeking an annulment on the grounds that Mr. Geller is mentally unstable.

Ross: Fine, I'm mentally unstable.

Judge: And based on the fact that Mr. Geller is intravenous drug user.

Ross: What?!

Rachel: Uh yes, heroin and crack.

Ross: Crack isn't even an intravenous drug!

Rachel: Well, you would know.

Judge: Now it also says here that you lied about your sexual preference before marriage?

Ross: Oh, come on!

Rachel: (starts to cry) Ross, please, I found the magazines!

Judge: And finally that you were unable to consummate the marriage. Well, that makes sense since you're gay and addicted to heroin.

Ross: Okay, I'm sorry, this is insane! I-I-I'm not addicted to heroin, I'm not gay, and there is no problem with my ability to consummate anything! Look, I'll consummate this marriage right here, right now!

Judge: That won't be necessary.

Ross: And when we were dating we consummated like bunnies!

Rachel: Ugh!

Judge: Now if you were two involved in a serious relationship, that really creates a problem.

Rachel: Ross! Your honor, rest assured relationship ended like two years ago! (To the stenographer) And could you strike "Consummated like bunnies" from the record?

Judge: Is there, anything in this record that is actually true?

Rachel: Well, yes, we got married in Vegas and uh, and the names I think.

Judge: Well, based on what I heard, you two certainly don't qualify for an annulment. If you two don't want to be together you'll have to file for divorce.

Ross: (stands up) That's great! Are you happy now? Look what you did with your funny, funny form!

Rachel: (stands up as well) What?!! Me?! What about you and your consummated like bunnies nonsense!

Ross: And what—(notices the stenographer is still typing)—What are you typing that for? Did you hear what she said? We don't get the annulment. Don't type that! What?! Stop typing! (He goes over to where the stenographer is typing and in the process pushes Rachel out of his way.) Hey! Stop typing! (He's still typing.) Stop typing! Stop typing!

Rachel: (to the judge) Okay, do you see, do you see what you're keeping me married too!

Judge: You need to get out of my chambers.

Rachel: All right look lady here is the deal, I came here for an annulment and I am not leaving here until I get one!

Ross: Yeah!

Judge: Would you like to spend the night in jail?

Rachel: And thank you for your time. (They both beat a hasty retreat.)

Commercial Break

[Scene: Monica and Rachel's, Chandler is still doing the hairball thing as Monica and Phoebe are watching the babies. I can't describe it, you'll have to see it when it comes on in your area.]

Joey: (entering wearing nothing but Porsche clothes) So the Porsche guy took his car back.

Chandler: But you found the keys to his clothes?

Joey: No. No, I just uh, I just loved the way it feels when everybody thinks I own a Porsche.

Monica: And people will think you own a Porsche because you're wearing the clothes?

Joey: Of course! Only an idiot would wear this stuff if you didn't have the car! Right?

Chandler: That is true.

Phoebe: Yeah, but only a genius would swallow a sonic blaster gun.

Joey: Oh, I've been there. Yeah, I am gonna go drive my Porsche. (Starts to leave.)

Monica: Joey, you know you don't actually have one.

Joey: Come on! What are you doing?! I'm in character! Would you talk to her! (Storms out.)

Chandler: Ahh, I think it just moved. It's really poking me.

Monica: All right, that's it, we're going to the emergency room.

Phoebe: What?! No, you can't, you can't leave me here with them! We're baby-sitting!

Monica: The babies are asleep, I'm sure you'll be okay on your own for a while!

Phoebe: But you-you can't leave me with them! We-we're a team! We're playing a zone! They're gonna triple team me!

Monica: He's got something plastic lodged in his throat, we've got to go to the hospital.

Phoebe: But no, because a doctor won't be able to help him, it's just gonna y'know naturally pass through his system in like seven years.

Chandler: I think that's gum.

Phoebe: I'm pretty sure it's gum.

Chandler: Okay, listen this really hurts. Let's go.

Phoebe: A real man wouldn't just run to the hospital! (They don't stop.) No! What would, what would Krog do? (They ignore her and Phoebe is left alone.)

[Scene: The street, Joey is hanging out wearing his Porsche grab.]

Joey: Why isn't that valet back with my Porsche?

Passerby: Maybe because you've got the keys?

Joey: (to women passing him) Porsche.

(Ross and Rachel approach, they're still yelling at each other.)

Rachel: This is totally your fault!

Ross: My fault?! You threatened the judge!

Rachel: Well, you ripped the paper out of the court reporter's machine!!

Ross: That was the only way I could get him to **stop typing!**

Joey: Hi! How are the Gellers?

Rachel: Don't call us that! (Storms away)

Ross: The judge wouldn't let us get an annulment! Now we gotta get a divorce!! Did a Porsch throw up on you? (Walks on.)

Joey: Hey! It's Porsche!! (He's right y'know.)

[Scene: Monica and Rachel's, Phoebe is being triple teamed.]

Phoebe: Me taking care of you is no problem, huh? You guys feel safe. Right? Okay, I'm gonna take that spit bubble as, "Yeah, I do!" Okay, after I get rid of this dirty diaper Leslie, I'll set you up with a clean one. (She throws it at the garbage without looking, misses, and knocks over a vase and flowers, which fall to the floor and break.) Okay, I'm sorry. I didn't mean to scare you. I just have to clean that up. Okay? 'Cause let's face it, we're at Monica's. (She crawls over, disposes of the diaper, picks up the flowers, and the vase.) I broke it. All right. Well, that's just the way that goes. (She throws out both the flowers and the vase.) Okay, good. (She turns around and only counts two babies.) Why are there only two of you? Where is Leslie? Well, you can't answer. (She starts looking for her) Leslie? Where are you Leslie? Leslie, now would be a **good** time for your first words! (She turns around and finds that Leslie has managed to crawl into the bottom drawer of the TV cabinet.) Well, look at you! Hey! You are a little bit mischievous! My gosh! (She picks her up and notices a surprise is waiting in the drawer.) Oh, you're a **lot** mischievous! Well, it'll dry. (Closes the drawer with her foot.) (To Leslie) Okay, you sit with your brother and sister now—who aren't there! (They both have disappeared as well.)

[Time Lapse, the babies are finally asleep. Good for Phoebe! The only problem is, Monica's apartment looks like a tornado, a hurricane, a swarm of locusts, fire, brimstone, hail, and giant man-eating, radioactive ants have torn the place apart. Needless to say, it's messy enough to cause Monica to die of shock right away. Parents with small children know what I'm talking about.]

Chandler: (entering) Hey!

Phoebe: (exhausted) How do you feel?

Chandler: Well, let's just say that Krog will be fully equipped to destroy the universe again in twelve to fourteen hours.

Phoebe: Okay, so I **totally** took care of the babies all by myself! I fed 'em, bathed 'em, and put 'em to bed.

Chandler: And protected them from a tornado? (Monica enters and her jaw drops in horror.)

Monica: Oh my God.

Phoebe: I know, the babies are asleep.

Monica: Phoebe, what, what happened here?!

Phoebe: I did it! I took care of the babies all by myself!

Monica: But my apartment!

Chandler: Was the setting of Phoebe's triumph.

Monica: But the mess!

Chandler: Is not as important as the fact that Phoebe took care of the babies all by herself.

Monica: You're right, you're right I shouldn't freak out. 'Cause this is what will happen when you and I have babies! When will that be?!

Chandler: (pause) Phoebe, would you take a look at this mess!!!!

[Scene: Ross's apartment, Rachel is packing what she still has over there as Ross enters.]

Rachel: (deadpan) Oh honey thank God you're home, I was getting worried.

Ross: I picked up the divorce papers. Uh, I've already signed everything and I put little 'X's where you need to sign.

Rachel: Oh, little 'X's! Great! That makes up for everything!

Ross: Y'know, I-I—you've done a lot of stupid stuff too! Okay?

Rachel: Oh, name one stupid thing that is as stupid as this one!

Ross: Okay, how about you flew to London to stop my wedding! Ah, how about you told me you loved me **after** I was already married!

Rachel: Hey! Wait a minute! That was different! I did those things because I was in love with you!

Ross: Yeah! Right!

(Pause.)

Ross: You're right. That's very different. So let's, let's just sign the papers. All right? (Sits down and Rachel keeps standing there.) What?

Rachel: Nothing. (Sits down.)

Ross: Okay, can we just sign please?

Rachel: Uh-hmm. (Just as Rachel finishes signing her name, Ross yanks each page out of the way.)

Ross: Congratulations. (Gets up to leave.)

Rachel: Okay Ross, we're—wait a minute. Umm, I uh, I kinda have a little confession.

Ross: What?

Rachel: Well, y'know this whole marriage thing, kinda my idea.

Ross: Excuse me?

Rachel: Well, remember how we were too drunk to remember anything the night we were married?

Ross: Yeah?

Rachel: And uh, yeah, I didn't really, I didn't want to say anything, but it kinda it just, it kinda kept coming back to me, and umm, remember we were in the casino and for some reason thought it would be funny

Chandler: Okay, here you go. (He deals out two cards each.) I have two queens, what do you have?
Joey: A two and a five.
Chandler: Ho-ho, you win! 50 dollars!
Joey: Really?!

Chandler: Oh yeah! Okay, let's play again. (He deals out two cards each again.) What do you got?
Joey: A four and a nine.
Chandler: You're kidding right?
Joey: No. Why?
Chandler: Well that's a full cup! (Pays him again.)
Joey: Damn! I am good at Cups!
 [Scene: Monica and Rachel's, Monica is whining to Phoebe about Rachel.]

Monica: I'm not talking to her!
Phoebe: Well, one of you has to take the first step! And it should be you, because she's the one who's leaving. It's harder for her!
Monica: Well, maybe you're right—She made fun of my phone pen!
Phoebe: I know, I took it hard too. (Monica goes into Rachel's room.)
Monica: Listen Rachel, I feel really bad about—What are you doing? (She sees that Rachel is unpacking.)
Rachel: I'm unpacking!
Monica: What?!

Rachel: I'm not moving! (She re-hangs a picture, crookedly.) Is that picture straight?
Monica: It needs to go about 20 blocks to the left!
Rachel: Hey, y'know what? You're the one who wants to make this big change and move in with Chandler! You should be the one to go! Why should I have to leave?!

Monica: Because it's my apartment!
Rachel: Well it's mine too! What else you got?!

Monica: How about, you're moving!! (Grabs a bunch of clothes and throws them into a box. What follows is a brief sequence of Rachel unpacking and Monica packing the same stuff over and over again as Rachel chants "No." and Monica chants "Yes.")

Rachel: Look! This is ridiculous. We should be packing you!! (She knocks over Monica, grabs a box, and runs into the kitchen.)
Phoebe: Hey, how are you guys doing?
Rachel: Great! Monica's moving!
Monica: (entering) I am not!
Rachel: Oh really? Then how come all your stuff is in this box?!! (Monica starts chasing Rachel around the table.)
Phoebe: Okay, you guys. You guys I think I know what's going on here. Okay, you guys... **STOP!!** (They stop.) I know that, I know that you're acting mad because you think that it'll make it easier to leave. But deep down you're still really sad. Deep-deep down.
Monica: No Phoebe I am mad!
Phoebe: Well, deep-deep-deep down!
Rachel: Yeah, I'm just mad!
Phoebe: Then keep running. (They resume the chase.)
 [Scene: Chandler and Joey's, they're still playing Cups.]

Chandler: You win.
Joey: Well, what did you have?
Chandler: It doesn't matter because nothing beats a three and a six. That my friend is D-Cup. Okay, now much have you won so far?
Joey: Uh, (counts the money) wow, 700.
Chandler: Not 700 exactly?
Joey: Yeah.
Chandler: Double it! (He does.)
Joey: What?
Chandler: Well you see in Cups, once you get \$700, you have to double it.
Joey: Really?
Chandler: Hey, I didn't make up the rules. Now, after you receive the doubling bonus, you get uh, one card. Now that one card could be worth \$100 bringing your total to 1,500. (Joey gets excited.) Don't get too excited because that's not gonna happen unless you get—No way! (He takes the top card, which is the two of clubs. Of course, any card would've won. Chandler pays him.)
 [Scene: Monica and Rachel's, Monica carries a box out of Rachel's room.]

Monica: Well, this is the last box of your clothes. I'm just gonna label it, "What were you thinking?"
Rachel: Funny, because I was just gonna go across the hall and write that on Chandler.
Phoebe: Hey you guys, I don't mean to make things worse, but umm, I don't want to live with Rachel anymore.
Monica and Rachel: What?!

Phoebe: You're just so mean to each other! And I don't want to end up like that with Rachel. I still like you!
Rachel: Well, Phoebe that's fine because I'm not moving.
Monica: Whoa-whoa-whoa, Phoebe you gotta take her! Y'know I-I-I said some really bad stuff about her, but y'know Rachel has some good qualities that make her a good roommate.
Rachel: Oh really? Like what Monica?
Monica: Y'know she has 147,000 pairs of boots...
Rachel: Oh yeah, good start Mon.
Monica: She lets you borrow them.
Rachel: Yeah and you stretch 'em out with your big old clown feet.

Monica: Do you wanna live outside?! Because it's gettin' cold! (To Phoebe) She gets tons of catalogs and umm, she'll fold down the pages of the things she thinks that I'd like.
Phoebe: What else?
Monica: When I take a shower, she leaves me little notes on the mirror.
Rachel: Yeah, I do. I-I do, do that.
Phoebe: That's nice. I like having things to read in the bathroom.
Monica: When I fall asleep on the couch after reading, she covers me over with a blanket.
Rachel: Well y'know, I don't want you to be cold.
Monica: And when I told her that I was gonna be moving in with Chandler, she was really supportive. (To Rachel) (Starts to cry) You were so great. You made it so easy. And now you have to leave. And I have to live with a boy!! (They both break down in tears.)
Rachel: Oh, it's gonna be fine.
Phoebe: Okay Rachel, I can't wait to live with you! And you know what we should do? Bring Monica and then we could all live there together! We'll have so much fun!!
Rachel: But honey, I think she's moving in with Chandler.
Phoebe: Oh that's right. You're still set on that?
Monica: Kinda. (She hugs Phoebe and looks out the window. She moves closer to it to get a better look.) Oh my God!
 [Cut to Ross's apartment, he's watching TV and eating some popcorn as the phone rings.]
Ross: (answering the phone) Hello? (Listens) Hey Mon, how's the packing going? (Listens) Ben? He's fine. Yeah, he's right—Oh my God! (He looks over at the fake Ben and notices that the head has fallen off.) Get your head of your shirt there son! (He tries to push the pumpkin through the neck hole.) What? (Listens) Yeah, it's a pumpkin. I'll come pack.
 [Scene: Chandler and Joey's, (Ohh, that's the last time I'm ever gonna type that line. It's just so sad.) Joey is entering, angrily.]
Joey: Hey!
Chandler: What's wrong?
Joey: Ross and I were helping the girls pack, took a little break, I lost \$1,500 to him in Cups!
Chandler: Wh-How did you lose at Cups?!

Joey: The same way you lost. I started out with a King and a Queen, bam! Ross gets a 2 and a 3. Then I get a Jack and a King, boom! Ross gets a 4 and a 5! Ross was getting the Cup card, the D-Cup, the Sittin' Down Bonus! Meanwhile, I didn't even get half a cup! Nothin'!!
Chandler: Oh man!!
Joey: And he never played before either! Y'know what I think? I think beginner's luck, very important in Cups.
Chandler: All right, let's play one more hand! One more!
Joey: No, no, no more! I cannot lose another dime! I'm serious this time! In-in fact, look, there's a—I wanna give you something. And let me give it too you know before I pawn it for Cups money. (He rolls the big white dog over) Now, I want you to have the big white dog as a kinda of a, y'know, thank you for being such a great roommate.
Chandler: I can't take the big white dog! You love it!
Joey: It's him, not it!
Chandler: No, but wait—what if I bought it from you, y'know? And your nice gesture would be giving it to me at a reasonable price, say (Gets choked up) \$1,500?
Joey: Wait a second, I see what you're trying to do here! You—you're trying to give me money again!
Chandler: When did I try to give you money?
Joey: Over there! (Points to the couch) Before, with the bills! You tried to give some charity, I said "No," you dropped it. Okay? Then we had a nice last night together, we had some fun, we gambled, nobody tried to give anybody any money! Now out of the blue, you start with the charity thing again!
Chandler: I'm just trying to help you out! Okay? I wanna make sure that you're okay.
Joey: I will be okay! Look Chandler, you gotta get it out of your head that I can't take care of myself. Okay? Look, I'm not gonna miss you helping me out with money. The only thing that I'm gonna miss...is you. And now the dog.
 [Scene: Monica and Rachel's, (And that's the last time for that line, no more Chandler and Joey's or Monica and Rachel's, ever!) Joey and Ross are carrying the last table of Rachel's. Rachel follows slowly, but is stopped by Monica.]

Monica: Hey. Call me when you get there. Okay?
Rachel: Okay.
Monica: I'm really gonna miss you. (They hug.)
Rachel: Oh! I have your key. Here you go. (Hands it to Monica.)
Monica: Thanks.
Rachel: Yeah. (Silence ensues.)
Rachel: Oh God! This is silly, I'm gonna see you in a couple of hours! (They hug again.)
Monica: Yeah.
Rachel: Bye house! (They break the embrace.)
Rachel: Bye Mon.
Monica: Bye.
 (Monica closes the door and slowly walks into Rachel's old and now empty room.)
Chandler: (entering) Hey.
Monica: She really left.
Chandler: I know. (He kisses her.)
Monica: Thank you.
Chandler: No problem roomie. (She turns around and hugs him.)
Monica: Can I ask you a question?
Chandler: Sure!
Monica: What the hell is that dog doing here?!! (She notices the dog sitting in the living room.)

(And with that, an era ends as Chandler moves in with Monica as Rachel moves in with Phoebe. It 'tis a sad and happy time for Friends.)
 Ending Credits
 [Scene: Ross's apartment, Chandler is trying to get Joey's money back from Ross.]
Chandler: I invented the game of Cups as a way to give Joey money.
Ross: And now you want that money back.
Chandler: Exactly!
Ross: Chandler, what kind of an idiot do you take me for? (As he picks up the fake Ben.)
Chandler: It's not a real game! I made it up!
Ross: I'm sorry you lost your money, but I won it fair and square.
Chandler: At a fake game!!
Ross: Now, if you wanna try to make some of it back, I'd be glad to play you for it. But I should warn you, I am very good at Cups.
Chandler: Okay! Now I assume the Saucer card came up when you played last.
Ross: No.
Chandler: Hmm, let's see if it comes up this time. (He looks at his cards and shrugs.)

607 The One Where Phoebe Runs

[Scene: Phoebe and Rachel's new apartment, Rachel and Phoebe are making their answering machine message.]
Phoebe: Ready?
Rachel: Yeah.
Phoebe: Okay.
Rachel: Hi...
Phoebe: it's...
Rachel: Rachel...
Phoebe: and...
Rachel: Phoebe's...
Phoebe: please...
Rachel: leave...
Phoebe: leave...
Rachel: Wait, I-I just said "leave."
Phoebe: Yeah, I know because you have all the good words. What do I get? I get "its," "and" oh I'm sorry, I have "A." Forget it.
Rachel: Phoebe, come on that's silly.
Phoebe: All right, so let's switch.
Rachel: No, I have all of the good words. OK, fine, fine, we can switch.
Phoebe: Okay.
Rachel: Okay.
Phoebe: Hi...
Rachel: Everybody...
Phoebe: It's...
Rachel: Rachel...
Phoebe: and...
Rachel: Phoebe's...
Phoebe: Please...wait, how did you do that?
Rachel: What?
Phoebe: Oh, you're no ordinary roommate are you?
Rachel: Phoebe, come on can we finish this later? Cause I wanna go running before it gets dark. Oh! Why don't you come with me?
Phoebe: Really?
Rachel: Yeah, it'll be fun. We'll run in the park. It'll be like our first y'know roommate bonding thing.
Phoebe: Okay, let's go running!
Rachel: Yeah and there's really cute guys there.
Phoebe: Let's run towards them!
Rachel: OK!
Phoebe: All right, wait just one more second. Hi, it's Phoebe and Rachel's. Please leave a message, thanks!
Rachel: Now wait a minute. You just took all the words!
Phoebe: Uh-huh. You've met your match Rachel Green.
 Opening Credits
 [Scene: Monica and Chandler's new apartment, Ross and Chandler are there.]
Ross: So, I just finished this fascinating book. By the year 2030, there'll be computers that can carry out the same amount of functions as an actual human brain. So theoretically you could download your thoughts and memories into this computer and-and-and live forever as a machine.
Chandler: (not amused) And I just realized I can sleep with my eyes open.
[Monica enters]
Monica: Hey!
Ross and Chandler: Hey!
Monica: (jumps over a box) Honey, that's a great idea nailing the boxes to the floor!
Chandler: I didn't nail the boxes to the floor.
Monica: Oh, So you can move them!
Chandler: Yes, and while I'm doing that, Ross has a great computer story for you.
 [Joey enters with his new roommate who is played by none other than Elle MacPherson.]
Joey: Hey everybody! Uh, I'd like you to meet Janine. She's-she's gonna be my new roommate!
Janine: Hi.
Ross: Hi! (Rushes over to shake her hand instantly.)
Janine: Hi
Joey: Yeah, she's gonna live with me!
Monica: It's nice to meet you. Janine...?
Janine: Lecroix. Janine Lecroix
Joey: I didn't know that! Well, what a pretty last name!
Chandler: So, uh, wh-where ya from?
Janine: Australia, I just moved here a couple of weeks ago.

Joey: (shocked) From the land down under? I didn't know that either!

Ross: So uh, wha-uh, what do you do?

Janine: I'm a dancer.

Joey: You're a dancer? She-she's a dancer!

Janine: Well, I think I'll go and unpack.

Joey: Oh, hey let me. (Opens the door for Janine and after he closes the door behind her gasps ecstatically.)

Monica: Joey, did you even interview this woman before you asked her to move in?

Joey: Of course I did.

Monica: Uh-huh, what exactly did you ask her?

Joey: "When can you move in?"

Ross: Thank you for bringing her into our lives.

Chandler: Unbelievable

Monica: Oh, so you like her too Chandler?

Chandler: Hey, look at all the boxes!

Joey: Ugh, I cannot wait to ask her out!

Monica: Wait a minute...Joey. Joey you can't ask her out, she's your roommate. It-it'll be way too complicated.

Ross: Yeah, yeah man don't do it. I mean if you date her, then-then-then I can't date her.

Chandler: All right, think about it. Now remember when you were going out with that girl Donna and you guys broke up. Remember how horrible it was when you guys bumped into each other at the supermarket?

Joey: Oh God, yeah.

Chandler: Now imagine you live at the supermarket.

Joey: (happily) Okay!

Chandler: No-no

Joey: Oh, Oh, you're right! I don't want that. I can't date her!

Monica: Yeah and you better watch the flirting too, cause you know, in such close quarters, it could be trouble.

Joey: Well, that's gonna be tough Mon. I mean it's hard for me to be around an attractive woman and not flirt.

Monica: (chuckles) Hmm, well you're around me all the time and you don't flirt.

Joey: You a little sad about that sweetheart?

[Scene, The Park: Phoebe and Rachel are getting ready to go running]

Phoebe: I have to tie my shoe, so you go ahead, I'll catch up.

Rachel: Okay. (Runs off.)

Phoebe: Okay. (Starts running crazily with her arms flapping and her legs far apart) Come on! That's not running! Let's go! (Rachel pauses, then follows, embarrassed.)

[Scene, Central Perk: Rachel, Ross and Monica are there]

Rachel: You guys, I'm telling you, when she runs, she looks like a cross between Kermit The Frog and The Six Million Dollar Man.

Ross: Monica had such a crush on him. Yeah, she used to kiss his poster every night before she went to bed.

Rachel: Oh! I used to do that too!

Monica: Did you also have his album, *It's Not Easy Being Green*?

Rachel: Aw, Mon...(Kisses her on the cheek)

Monica: So, Phoebe runs weird huh?

Rachel: Yeah, yeah and you know what, I know she's gonna wanna run again, I just don't know how to get out of it, I mean, I live with her.

Monica: Why don't you just be straight with her? Tell her the truth.

Ross: Yeah.

Rachel: You're right, you're right. I should just tell her the truth.

[Phoebe enters]

Phoebe: Hey!

Ross: Hey!

Rachel: Pheeb, Monica tripped me, I don't think I can ever run again, ever!

Phoebe: Why? Why would you do that?

Monica: I don't know. Rachel I'm-I'm sorry that I hurt your ankles.

Rachel: Ankle.

Monica: We'll see.

[Scene: Monica and Chandler's new apartment, Chandler is putting something away under the sink.]

Chandler: OK, I'm officially unpacked. Thanks for helping me man. (Turns around and sees that Joey isn't there.) Joe? (Hears giggling coming from a box) Well, I guess Joey went home. Oh and look, there's still one box that I have to unpack. (Hears the giggling again)

Joey: (jumps out of the box) I Gotcha!!

Chandler: (pretending) Oh my God! You-almost-gave-me-a-heart-attack.

Joey: Boy, it was so hard not to laugh, I tell ya. Hey, hey, the place looks great!

Chandler: Yeah, not bad right? You know what, Monica's gonna be working late, so I'm gonna make this place spotless. You know what else I'm gonna do, know what else I'm gonna do? I'm gonna go downstairs, I'm gonna get her some flowers. Now who wouldn't wanna live with me?

Joey: (raises his hand) I don't! No, I wanna live with the super-hot Australian dancer.

Chandler: Yeah, now how's that going though? Are you okay with the not-flirting thing?

Joey: Yeah. Well, so far yeah. But it's tough you know? I got all this built up flirting energy and I don't know how to get rid of it. (Gives Chandler the "Joey-love," look.) How you doin'?

[Scene: Joey and Janine's new apartment, Janine is there. Joey walks in to see Janine bent over, stretching.]

Joey: (voice cracking) Ohhhh man

Janine: Sorry, there's just more room out here.

Joey: No-no-no-no-no, it's-it's uh, you just uh, uh reminded me that uh, I need to do my stretches too. (Starts to stretch, groans painfully)

Janine: (touches his waist) Why don't you try to do-

Joey: (jumps up and yells)

Janine: What's wrong?

Joey: Uh-uh nothing. I-I-I-I didn't want you to touch me cause I'm -I'm all sweaty from the workout. I better hit the shower. (Goes into the bathroom and comes back out quickly) Oh my God!

Janine: Oh, sorry about that stuff hanging in there. It's just my thongs are too delicate for the dryer. (Joey laughs nervously and goes to his bedroom.)

[Scene, The Park, Rachel is running and Phoebe is hiding behind a tree.]

Phoebe: (jumps in front of Rachel) Hi! Oh yeah, uh-huh, it's me. I saw you grab your running shoes this morning and sneak out. You lied so you could run by yourself.

Rachel: No, no Phoebe no, I was...no. You know what, I was, I was actually just checking to, see, if I could run. And I can!

Phoebe: Please Rachel, I am not an idiot. (Runs off)

Rachel: No, wait Phoebe.

[Scene, Monica and Chandler's, Chandler is there. Everything is out of its place and Chandler's cleaning.]

Ross: (enters) Wow, couples who live together do start to look alike. So, Mondler...uh, what uh, what 'cha doin'?

Chandler: What does it look like I'm doing? I am cleaning!

Ross: Did you get Monica's authorization to move all of her stuff?

Chandler: Authorization? I don't need that. I'm gonna put everything back.

Ross: Put it back **exactly** where you found it?

Chandler: Yes I'm gonna put it back (Mocking Ross) **exactly** where I found it.

Ross: 'Kay, first of all, this attitude is not helping.

Chandler: She's not gonna care if I put her stuff back in the same stupid place.

Ross: Whoa, hello, did you just meet Monica?

Chandler: She is gonna recognize that I did a nice thing and-and, appreciate it.

Ross: Hmm -you know, actually this'll work out well. Cause when you have to move back in with Joey, Joey's hot new roommate can come and live with me.

Chandler: I see, I see, y-y-you're trying to freak me out.

Ross: Look Chandler, Monica is really weird about this kind stuff all right. Believe me, I lived with her for 16 years. She is going to freak...out. Oh my God, she's going to sit on you.

Chandler: No, she's not okay? And I'll prove it to you. I'm gonna call her right now. (Picks up the phone and wipes it off) Phone's done eh.

Monica: (on phone) Hi!

Chandler: Hey Mon, how's it going?

Monica: Terrible. If-if I want something done right, I have to do it myself. Other people just wreck stuff. I really think I might kill someone tonight.

Chandler: Oh come on, come on, it can't be that bad.

Monica: It's worse. The only thing that's getting me through is knowing that I'm gonna be seeing you soon. I think I may even try to get out of here early.

Chandler: No! No-no-no-no-no-no. It sounds like they really need you down there.

Monica: Well, are you just hanging out with Ross?

Chandler: It's, all good! Okay bye-bye Mon! (To Ross) She's-she's gonna kill me.

Ross: Yeah, the phone was facing the other way. (Chandler fixes it and a picture frame off the table.) And that goes back up there.

Commercial Break

[Scene: Monica and Chandler's, continued from earlier.]

Chandler: We should start with the big stuff. Y'know? That'll be the easiest. Uh, let's start with the couch. (He picks up one end and Ross doesn't help) I got it. (He moves it back to where he thinks it goes.)

Ross: Yeah that-that, doesn't look right.

Chandler: What are you talking about? The couch is perfectly in line with the carpet. And then I can just walk over here and casually just put my feet right up on the...(Tries to rest his feet on the coffee table but they won't reach) OK, OK, here's what we do, we just uh, move the couch closer to the coffee table.

Ross: Whoa, whoa, but then the back of the couch won't line up with he back of the carpet.

Chandler: OK well here, we'll just move the coffee table closer to the couch.

Ross: Whoa, Whoa, whoa, but then the coffee table won't be centered in the seating area.

Chandler: Yes, but the coffee table doesn't match the...blabehdmsldkhdyslkd:btids...Rooosss!!!!

Joey: (entering) Look, what am I gonna do? I'm not flirting but still, I'm drawing her to me like - like a moth to a flame! (Tries to put his feet on the coffee table...they won't reach and looks around.) What the hell's going on over here?!?!? (Points to Chandler) Monica's gonna kill you! Look I need your help, I have to do something to-to repel this woman! Wait a minute, wait a minute, you guys repel women all the time.

Ross: Hey, I've been married 3 times (Chandler gives him a round of mock applause.)

Joey: No-no-no I've seen it happen, you-you get a rapport going with a woman but somehow you manage to kill it. What's your secret?

Ross: Look, we do not repel women OK? That is completely untrue.

Chandler: Oh no, yes we do my man. Remember when we were back in college and we went to that spring dance and you walked right up to that girl you liked and you could not stop talking about the Irish potato famine?

Ross: Yeah, well what about you? You weren't you know, so hot in college either. After everything he said, he'd go "ba dum bum cheshh"

Chandler: Yeah, Monica doesn't like that either, Maybe I should stop doing that.

Ross: Oh y'know what, girls don't like it when I start talking about science.

Chandler: That's not specific to girls.

Joey: This is great, this is great, what else, what else?

Ross: Uh, they don't like it when you correct their grammar.

Chandler: And they don't like it when you explain why your jokes are funny.

Ross: They don't like it when you keep asking them if they like you.

Chandler: Man, I'm so lucky I have Monica.

Ross: (nonchalantly) I'll never gonna find love again.

[Scene: Phoebe and Rachel's, Rachel is there as Phoebe enters.]

Rachel: Hey Phoebe, can I talk to you for a second?

Phoebe: Sure

Rachel: Okay, um, I...(Phoebe walks into her room.) All right Phoebe look, I just wanted to say that I'm sorry. OK? I handled the situation horribly and I should not have lied to you.

Phoebe: So, what should you have done?

Rachel: Well, I-I should've told you the truth.

Phoebe: Uh-Huh, Which is...?

Rachel: Well, y'know, the reason I didn't wanna go running with you is because um, well y'know the way that you run is a little...(Starts flapping her arms)

Phoebe: So?

Rachel: Well, it's embarrassing. People were looking at us like we were crazy.

Phoebe: Why do you care?

Rachel: Because they're people.

Phoebe: But people that you don't know and will never see again.

Rachel: Yes, but still. They're people...with eyes.

Phoebe: Well, I didn't get embarrassed running next to Miss (panting). But no, okay. No, no, I can see why running with me would be embarrassing to you. Yeah, okay. You're uptight.

Rachel: I-I am not uptight—Hey-hey-hey-oh-oh! Listen, I am not uptight, man.

Phoebe: That's okay Rachel. I'm not judging you; that's just who you are. Me. I'm more free y'know? I run like I did when I was a kid, cause that's the only way it's fun. Y'know, I mean didn't you ever run so fast you thought your legs were gonna fall off? Y'know, like when you were like running towards the swings or running away from Satan? (Rachel looks confused) The neighbor's dog.

[Scene: Monica and Chandler's, Chandler has the tape measure out and is busy lining up the lamp on the kitchen counter, Ross is supervising the whole operation.]

Chandler: Okay, is this lamp in the same place?

Ross: Who cares? I repel women.

[Monica tries to come in]

Chandler: (blocks the door) No-no-no-no-no-no-no-no!!! You can't come in here! R-r-r-Ross is naked.

Monica: What?!

Ross: (whispers) What?!

Chandler: (to Ross) I couldn't say that I was naked because she's allowed to see me naked.

Ross: Why does **anyone** have to be naked?

Monica: Why is Ross naked?

Ross: I-I had to show Chandler something?

Monica: Naked?

Ross: Yeah-yeah I uh, I have a uh, a guy problem.

Monica: Is it the same thing that Chandler had?

Chandler: Look, uh, just come later, we'll get everything squared away and you can come back later.

Monica: Okay, listen, there's still some of Chandler's medicine under the sink in the bathroom. Bye!

Chandler: Bye! Thank God

Ross: Dude, what'd you have?

Chandler: Look, we have no time okay? We must focus. We gotta get everything back into its original place.

Ross: (realizes something) The photo album! There were millions of pictures of the apartment in the photo album. We just go through it and match everything to the pictures.

Chandler: That's perfect! That's brilliant! (Starts going through the photo album)

Ross: So really, what'd ya have?

[Scene: Joey and Janine's, Janine's there. Joey enters]

Janine: Hey Joey, I got some beer for you.

Joey: Uh, don't you mean "for whom?"

Janine: Sure, listen I was gonna order some pizza, you wanna share one?

Joey: Pizza, heh, its not like I never had that before...ba dum bum cheshhh.

Janine: Is there something wrong?

Joey: All right, All right, let's just get this out in the open okay? You're hot. I'm lovable. Clearly there's a vibe going on between us. But, we're roommates and it's a huge mistake for us to continue down this road.

Janine: Joey...

Joey: No, no, no, I'm telling ya. Imagine yourself living in a supermarket and you will understand okay? So the question is, what do we do?

Janine: Well, I don't think there is anything to do. I

on.
Ross: What??
Monica: All right, half the people. I mean, just try it and see.
Ross: No. I am not putting on makeup. (Knock at the door. Phoebe enters.)
Phoebe: Hello. Oh good. Ross could you put up some of these flyers for me? (He smiles at her.) OH!! Demon!! Demon!!
 [Scene: Chandler's and Monica's apartment, Chandler and Monica are sitting at the kitchen table making potpourri sachets.]
Monica: Now are drawers will smell nice and we didn't waste these pantyhose.
Chandler: Yes, God forbid we throw out old underwear. You-you know what? I'm going to go over to Joey's.
Monica: Wait, we're supposed to organize the wrapping paper drawer.
Chandler: Yes, but I feel like I've really gotten in touch with my feminine side enough today. You know. In fact I think we're two sachets away from becoming a lesbian couple.
Monica: You know what? This has been kind of a girlie day. You're right, I'm sorry.
Chandler: Nah, Nah, it's okay. I feel like I need to be in guy place. You know, do kind of like a man thing.
Monica: Yeah. Go over to Joey's. Go over to Joey's and drink some beer and hammer up some drywall.
Chandler: You know when guys hang out they don't just drink some beer and hammer up drywall?
Monica: When girls hang out, we don't have pillow fights in our underwear. (Chandler gets a hurt look on his face.) I'm sorry. We do. We do. I don't know why I said that.
 [Scene: Joey and Janine's apartment, Chandler walks in. Joey and Janine are knitting at the kitchen counter.]
Joey: Hey Chandler. Come on in. We're knitting pot holders.
Chandler: No thanks, Josephine.
 [Scene: Ross's apartment, Chandler enters. Ross is putting on makeup.]
Chandler: Hey Ross, I was wondering if... **Oh my God!!** Where are all the men???
 [Scene: Elevator at the Ralph Lauren offices, Kim's waiting for it. The door opens and Rachel is inside.]
Rachel: Ohh, hi, Kim.
Kim: Hi Rachel.
Rachel: Yeah, remember that thing I told you that happened yesterday? Well it didn't happen.
Kim: You didn't cancel the fabric order from Taiwan?
Rachel: Okay, two things didn't happen. Remember I told you that someone made out with Ralph Lauren in the copy room? Well, it turns out that's not true.
Kim: That's not true?
Rachel: No.
Kim: Oh that's interesting? Because I checked and only one keycard was used to access the copy machine yesterday during lunch and that keycard belonged to you, Rachel.
Rachel: Oh no, no, no. Oh God, you think I made out with him.
Kim: Listen to me. If you think sleeping with Ralph is going to get you my job. You are sadly mistaken.
Rachel: I-I don't want your job. I-I don't. Ohh this is such a mistake. I did not make out with him. Nobody made out with him. I did not use my keycard yesterday. I don't even know how to use my keycard. (The elevator stops. Ralph steps on.)
Kim: Hi Ralph.
Ralph Lauren: Hi Kim. (Dead silence until Ralph gets off the elevator.)
Kim: Yeah, nothing happen. You could cut the sexual tension in here with a knife.
 [Scene: Hillary's apartment., Hillary and Ross are having dinner. He is avoiding opening his mouth.]
Hillary: And after that, what could I do except become a chef.
Ross: Mmm-Hmm.
Hillary: And someday soon, I hope to open my own restaurant.
Ross: Mmm.
Hillary: You know, you're a really great listener. Most guys I go out with, they just talk and talk.
Ross: Mmm-Hmm.
Hillary: After a while it's like, shut your mouth, you know?
Ross: (Chuckling) Hmm-Hmm.
Hillary: I've probably been talking too much. Why don't we talk about you a little bit?
Ross: Mmm-Unmm.
Hillary: Come on. I want to know.
Ross: Hmm-Hmm-Hmm. (Putting his hand up to block his mouth.) Okay, I, uh, am from Long Island. I-I came to the city for college. Um, I, um, have a 5 year old son and in my spare time I like to read spy novels. But, but, let's talk more about you. Hmm.
 [Scene: Joey and Janine's apartment, Joey and Monica are arranging flowers. Chandler walks in.]
Joey: So what's really neat. If you see the stems of the flowers first in a frying pan, your arrangement will look fresh much longer.
Monica: Oh my God, Joey, that is such a great tip.

Chandler: Monica, could you excuse us for a second? I need to talk to the girl with the flowers.
Monica: Okay. Oh but Joey, come over later because I'm going to teach you to make a bird feeder out of just a pine cone and some peanut butter.
Joey: Ohh, I love birds. (Monica leaves. Chandler shuts the door.)
Chandler: What is the matter with you ?!?
Joey: What?
Chandler: You're arranging flowers! (Pointing to the dish on the table.) You got dead flowers! You got a picture, a picture, of a baby dressed like flowers! This is not Joey!!
Joey: Hey. Hey look I am still Joey, okay. Flowers they're just, you know, they're nice to look at. And that happens to be a picture by a famous artist. Of a famous baby.
Chandler: You're turning into a women.
Joey: No I'm not. Why would you say that? That's just mean.
Chandler: Now I've upset you? What did I say?
Joey: It's not what you said. It's the way you said it...Oh My God, I'm a women!!!
 [Scene: Central Perk, Phoebe and Rachel are there.]
Rachel: Now, she thinks that I made out with him and I did it to get her job.
Phoebe: But why didn't you just tell her the truth.
Rachel: I did but she doesn't think anyone would be stupid enough to confuse Kenny the copy guy with Ralph Lauren.
Phoebe: Well, hey, what if Kenny were the real brains behind the whole company? You know. What if Kenny hired that Ralph Lauren guy to be the pretty front man? Huh, did she ever think of that?
Rachel: You were with Kenny today, weren't you?
Phoebe: Just for a second.
Rachel: Ohh, Phoebe, what am I going to do?
Phoebe: Well, the only thing you can do. Sleep with Ralph Lauren.
Rachel: I'm not going to sleep with Ralph Lauren. I mean, I could, but I wouldn't.
Phoebe: Ohh, sleep with Kenny.
Rachel: That wouldn't help me.
Phoebe: Ohh, yes it would.
 [Scene: Hillary's apartment, Hillary and Ross are finishing up their date.]
Hillary: I've had a really good time tonight.
Ross: Mmm.
Hillary: You know, I rarely connect with someone this much on the first date.
Ross: (Giggling) Hmm-Hmm-Hmm. (Picking up a piece of bread and covering his mouth.) Me, neither. I've had a really good time too, you know. (Putting the bread down.)
Hillary: Are you going to eat that bread?
Ross: (Putting the bread up to his nose.) Ohh, I just like the smell. (Sniffing it.) Mmmm.
Hillary: (Laughing) You make me laugh.
Ross: Hmm-Hmm.
Hillary: Would you like to move over to the couch?
Ross: Mmm-Hmm. (Picking up their wine glasses.)
Hillary: Maybe I'll just turn the lights down a little.
Ross: (Covering his mouth with the glass.) How about all the way.
Hillary: Okay. (She goes to turn the lights off and Ross sits on the couch. She has some black light posters on the wall.)
Ross: (Looking at the posters.) Wow, cool poster. Or should I say groovy poster? (They sit down on the couch. Ross smiles and the black light fluoresces his teeth.) So, ahh, where were we?
Hillary: Are those your teeth??
Ross: Ohh, you can see them, huh?
Hillary: Yes. They're insanely white.
Ross: I-I, did that for you.
Hillary: What's a matter with you?
Ross: What's a matter with me? You've got a black light. It's 1999!
 [Scene: Elevator at the Ralph Lauren Offices, Rachel gets in. Kim is there.]
Rachel: Kim, hi.
Kim: Hi Rachel. Ohh, I've been meaning to ask you. Have you seen the new Ralph Lauren sheets? Ohh, what am I thinking. Of course you have.
Rachel: Okay..Okay.. Look. I'm sorry that I lied to you before. You were right. Ralph and I were an item but were not anymore.
Kim: Oh, really?
Rachel: (Faking crying.) Yeah, he dumped me. He said, "Rachel, I can't do this. Even though you are a very, very beautiful woman. I can't do this. I'm married and I'm sorry." And then I don't know why but he said, "and you will never get promoted. Especially not above Kim, who is an integral cog in the Ralph Lauren machine."
Kim: You expect me to believe..(Doors open, Ralph steps in.) Hi Ralph.
Ralph Lauren: Hi Kim. (Dead silence again until he gets off.)
Kim: Oh my God. He just gave you the coldest look I have ever seen. It's like he hates you. Then it is true.
Rachel: Of course it's true and it hurts so bad.
Kim: Ohh honey come here. (Hugging Rachel.) Ohh it will be ok. We've all been there.
Rachel: You and Ralph?
Kim: Kenny the copyboy.
 Ending Credits
 [Scene: Joey and Janine's apartment, Joey paces the floor waiting for Janine. She walks in.]
Janine: Hey.
Joey: Hey, uhh, I need to talk to you.
Janine: What's the matter? Are you upset?
Joey: I'm sorry but we've got to get rid of all this girlie stuff in here. I, uh, I got to be a man! Okay. The living room has to remain a guy place, okay? That's just the way

it has to be.
Janine: Well, if that's what you want. I'll just put it all in my room.
Joey: Great...Great..and thanks for being so understanding. I mean, I didn't want to make a big deal out of this, you know. (She starts to collect all the girlie stuff up.) You could, uh, put the picture of the famous baby in my room. I mean, if you want to.
Janine: Okay.
Joey: And, uhh, maybe the watering can there.
Janine: Sure.
Joey: And a couple of these little tiny boxes.
Janine: Joey? Do you want me to put it all in your room?
Joey: (Smiling) Okay.
 End

609 The One Where Ross Got High

[Scene: Monica and Chandler's, Monica is mixing some Thanksgiving treat (I'm assuming mashed potatoes) in a bowl.]
Monica: (on phone) Okay, great! Bye. (Hangs up as Chandler enters.) So guess who's coming to Thanksgiving dinner?
Chandler: Sydney Portier? Hehheh.
 [Chandler throws his coat on the couch]
Monica: (not amused by Chandler's joke) I miss Rachel. (To Chandler) No, my parents.
Chandler: Oh! That's great, they haven't seen the place since I moved in!
 [Monica goes to fiddle with something on the table.]
Monica: Yeah, and y'know, if you could not mention to them that we live together, that would be great! (Quickly trying to change subjects), I was thinking we would eat around four.
 [Monica goes to the stove.]
Chandler: (shocked at the news) Why can't I tell them that we live together?
Monica: Because they don't know we're dating. (Again, trying to quickly change subjects.) Do you think we should eat in the kitchen? (Goes to the sink and the stove to cook.)
Chandler: Why haven't you told them?!!
Monica: Um, well, I was going to, I-I-I really was. But um, then somewhere, just out of nowhere, I didn't.
Chandler: Why haven't you told them?! Wouldn't they be happy?!!
Monica: (trying to change subjects, excitedly) So! Dinner in the kitchen around four! I'll see you then. (Pats Chandler on the shoulder and goes into the living room.)
Chandler: Why wouldn't they be happy?
Monica: Well, um, because mainly, um, they don't like you. I'm sorry.
Chandler: What? What? Why?!!
Monica: Maybe because you used to be aloof, or that you're really sarcastic, or that, y'know, you joke around all the time. Or that you take off your clothes and throw them on the couch.
Chandler: Is this why they don't like me or why you don't like me?
Monica: Look, I know that I should've told them. I know I shouldn't care what they think. I'm sorry.
Chandler: Y'know, it'll be okay. It'll be okay. Because when they come over, I will be all charming, I will make them fall in love with me, and then we'll tell 'em.
Monica: You really think that'll work?
Chandler: Hey, I can be pretty charming, babe, I won YOU over, didn't I?
Monica: (hugging Chandler) I don't think you'll ever get my parents that drunk!
 Opening Credits
 [Scene: Joey and Janine's, Joey and Ross are playing *Sony Playstation*. Chandler enters.]
Chandler: Hey! (Sees Ross is there) Oh, good, Ross! You're parents like me, right?
 [Chandler goes to stand to the side of the TV.]
Ross: (only half-paying attention) Yes, of course they like you!
Chandler: Well Monica just told me that they don't.
Ross: (not paying attention) Yeah, they don't like you.
Chandler: (annoyed) Do you know why?
Ross: I dunno, maybe it's because you're really sarcastic. Or maybe it's cause you uh-
Chandler: (angry) Well if people don't know they shouldn't just guess!
 [Joey and Ross get annoyed with Chandler's outburst.]
Chandler: This is great, another Thanksgiving with nothing to give thanks for.
Joey: Maybe I could give thanks for you shuttin' up, eh?
Chandler: Maybe I could give thanks by taking my *Playstation* over to my new apartment.
Joey: Well maybe I love ya'.
Chandler: [mocks that last comment].
 [Chandler starts to leave as Janine enters]
Janine: [to Chandler]: Hey.
Chandler: Hey.
 [Chandler exits]
Janine: Hey guys!
 [Joey and Ross drop their video game controllers.]
Ross: (trying to act manly in front of Janine) No I don't want to play video games, Joey!
Janine: Are you guys going to Chandler's for Thanksgiving?
Joey: Yeah! Yeah, why? What's up?
Janine: Well, me and my dancer friends are thinking of doing Thanksgiving uptown. I thought you guys might like to come.
Ross: For real?
Janine: No, but you should go to Chandler's. Because

[pity-tone] alone, alone. And I just-it's just not the time for us. I'm sorry.
Ross: (Just trying to get out of the conversation) Ah well, can't blame a guy for trying!
 [Inside Monica and Chandler's. Joey is almost done explaining the situation to everyone.]
Joey: Oh and (Ross begins to open the door and Joey says some gibberish word to indicate to Ross that he's not done yet. Ross closes the door again.) Okay, and uh if anyone needs help pretending to like it, I learned something in acting class, try uh, rubbing your stomach (Rubs his stomach) or uh, or saying "mmm" and uh, oh oh! And smiling (Smiles while pretending to stir a bowl), okay?
Chandler: Yeah, I'm not gonna pay for those acting classes anymore.
 [Ross and Rachel re-enter.]
Joey: Rachel, there you are! Come on, let's serve that dessert already!
Rachel: Joey, you're gonna have to stop rushing me, you know what? You don't get any dessert.
Joey: (happily) Really?
Rachel: No, I'm just kidding I would never do that to you! Okay, everybody, it's trifle time!
Phoebe: So, now, Rach, this is a traditional English trifle, isn't it?
Rachel: It sure is.
Phoebe: Wow. So then did you make it with beef or Eggplant?
Rachel: Beef.
Phoebe: I can't have any. You know I don't eat meat. (Faking disappointment.) Ohhh no.
 [Phoebe gets up and goes into Rachel's old room, a smile on her face.]
Rachel: Alright, Monica, I want you to have the first taste.
Monica: Really?
 [Rachel hands Monica a plate. Monica takes a spoonful of the whipped cream portion.]
Rachel: Oh oh oh, wait! You only got whipped cream in there! Ya gotta take a bite with all the layers!
Monica: Okay.
 [Monica takes a bigger spoonful and a pea falls off]
Rachel: Op! Wait, you dropped a pea.
 [Monica puts the pea on top of the spoonful and takes a bite.]
Rachel: Well?
Monica: (faking joy. Rubbing her stomach and smiling at the same time, like Joey said) Mmmm! It's good!
Rachel: Really? How good?
Monica: It's so good, that I feel really selfish about being the only one who's eating it, that I think we should have everyone taste how good it is. Especially Ross.
 [Ross glares at Monica.]
 [Everyone takes a bite of their trifle.]
All: (faking enjoyment) Mmm.
Chandler: (clearly lying and hating the dessert) Yeah, this is so good, that I'm gonna go enjoy it on the balcony so that I can enjoy the view whilst I enjoy my dessert.
 [Chandler exits to the balcony.]
Mrs. Geller: (lying) I've gotta call my friend Mary and tell her how good this is, from Monica's room.
Mr. Geller: (also lying) I'll help you dial.
 [Jack and Judy exit to Monica's room.]
Monica: (again, lying) I'm gonna go into the bathroom so I can look at it in the mirror, as I eat it.
 [Monica exits to the bathroom.]
Rachel: Okay, now what was that all about? Is it-does it not taste good? Let me try it.
 [Rachel reaches for Ross's plate]
Ross: Who? No no! Ah! (Ross scarf's all of his trifle down in about a second. He looks like he's going to throw up.) (Lying) All gone! So good! Maybe Chandler has some left.
 [Rachel leaves to the balcony.]
Ross: It tastes like feet!
Joey: I like it.
Ross: Are you kidding?
Joey: What's not to like? Custard? Good. Jam? Good. Meat? Gooooood.
 [Rachel and Chandler re-emerge from the balcony.]
Rachel: ...So a bird just grabbed it, and then tried to fly away with it and, and then just dropped it on the street?
 [Chandler makes a fake "I know I couldn't believe it either" gesture.]
Chandler: (lying) Yes, but if it's any consolation, before the bird dropped it, he seemed to enjoy it.
 [Phoebe comes back from Rachel's old room.]
Phoebe: Rachel, come here. (Rachel walks over to Phoebe. Chandler sits down on the lounge-chair.) Okay, I was just starting to take my Thanksgiving nap, and I had another dream about Jack.
Rachel: Oh, Phoebe, do I wanna hear this?
Phoebe: I dunno, let's see! So, okay, I dreamt that we were gonna get married, and he left, becu'z he had to go fight a fire. And, um, so okay, I went to a night club, and I saw him making out with a girl.
Rachel: (humoring Phoebe) Oh my God, he dream-cheated on you!
Phoebe: Yeah, but then Jacques Cousteau came and he kicked his ass for betraying me! It was soo

cool! Then, he took me diving and he introduced me to his pet Seahorse, who, by the way, was totally coming on to me, and please, that is not gonna happen.
 [Jack and Judy come out of Monica's room and sit down on the couch.]
Mr. Geller: Boy, I'm glad I wore the big belt today.
Phoebe: Five minutes ago, a line like that would've floored me. Now nothing. Well, not nothing, I am still a woman.
 [Rachel and Phoebe walk into the kitchen. Monica comes out of the bathroom and goes over to Ross.]
Monica: Ross? Let's go.
Ross: Oh yeah, about telling Mom and Dad, I was thinking about maybe writing a letter.
Monica: Alright, you know what? That's it. You've had your chance.
Ross: Wha-what?
Monica: (out loud, to her parents) Mom! Dad! Ross smoked pot in college!
 Mr. and Mrs. Geller: What?!!
Ross: (in a 5 year old's tone) (To Monica) You are such a tattletale! Mom, Dad, you remember that-that time you walked in my room and smelled marijuana?
Mr. and Mrs. Geller: Yes. (They look at Chandler angrily.)
Ross: Well I told you it was Chandler who was smoking the pot but it was me. I'm sorry.
Mrs. Geller: It was you?
Monica: And Dad, y'know that mailman that you got fired? He didn't steal your Playboys! Ross did!
 [The Gellers stare at Ross. Ross looks at his parents with an afraid, shocked look.]
Ross: Yeah, well, Hurricane Gloria didn't break the porch swing, Monica did!
 [The Gellers glare at Monica.]
 [Joey, Phoebe, and Rachel are sitting at the table, looking at the Geller siblings like they're weirdos.]
Monica: Ross hasn't worked at the museum for a year!
 [The Gellers glare at Ross.]
Ross: Monica and Chandler are living together!
 [The Gellers glare at Monica, shocked]
 [Monica and Chandler both are shocked. Ross gives Monica a "take that!" look.]
Monica: Ross married Rachel in Vegas! And got divorced! Again!!!!
 [The Gellers glare at Ross.]
Phoebe: (joining in) I love Jacques Cousteau!
Rachel: (reading the recipe magazine, finally figuring out that...) I wasn't supposed to put beef in the trifle!
Joey: (pounding the table) I wanna gooooooo!
Mrs. Geller: (rubbing her temples) That's alot of information to get in in thirty seconds! Alright Joey, if wanna leave, just leave. Rachel, no you weren't supposed to put beef in the trifle. It did not taste good. Phoebe, I'm sorry, but I think Jacques Cousteau is dead. (Phoebe makes a sad face.) Monica, why you felt you had to hide the fact that you were in an important relationship is beyond me.
Mr. Geller: And we kinda figured about the porch swing.
Mrs. Geller: Ross, drugs? Divorced? Again?
Mr. Geller: What happened son?
Ross: I-I uh, I got tricked into all those things!
Mrs. Geller: Chandler! You've been Ross's best friend all these years, stuck by him during the drug problems. (Ross gets disgusted.) And now you've taken on Monica as well. Well, I don't know what to say. You're a wonderful human being.
 [Chandler is mega shocked!]
Chandler: Thank you!
Mr. Geller: No! Thank you! (Hugs Chandler) Monica, and Ross! I don't know what I'm gonna do about the two of you!
Chandler: (In a parent-like tone) I'll talk to them!
 Closing Credits
 [Scene: Monica and Chandler's, Everyone is helping clean the table.]
Rachel: You guys! It was bananas, cream, and beef! I-I just cannot believe that you ate that so that I wouldn't feel bad!
Monica: Well actually, I-I didn't eat mine. It's still in the bathroom.
Joey: No it isn't, I ate that.
Mrs. Geller: (pointing to herself and Jack) Well we left ours in Monica's bedroom.
Joey: Nope, got it and I got yours (Pointing to Jack) too.
 End

610 The One With The Routinue

[Scene: Monica and Chandler's apartment, everyone except Ross is decorating the tree.]
Chandler: Let me ask you, why is everybody using these tiny lights nowadays? I remember when people used to use big lights.
Rachel: That's a good story, Grandpa.
 (Ross enters)
Ross: Hey
All: Hey
Ross: Wow, Monica's letting other people help decorate her tree! Did someone get her drunk again or?
Monica: Having a perfectly decorated tree is not what Christmas is about. It's about being with the people that you love.
Phoebe: That is nice and we're done. TADA!
 (Her side of the tree looks a complete mess)
Chandler: I dunno what it is, it just doesn't quite feel like Christmas to me.
Monica: Oh, here.
 (She turns the tree around so that her side, which is perfectly decorated, is showing)
Chandler: See now it feels like Christmas!
 Opening Credits
 [Scene: Central Perk, everyone except Phoebe and Joey

are there.]
Ross: ... and that's the story of the dreidle. Now, some people trace the Christmas tree back to the Egyptians, who used to bring green palm branches into their huts on the shortest day of the year, symbolising life's triumph over death. And that was like 4000 years ago.
Rachel: So, pretty much around the same time that you started telling this story.
 (Joey enters)
Joey: Hey you guys.
Chandler: Hey Joe what's up?
Joey: I had to get out of the apartment. Janine is like stretching all over the place. Y'know, everywhere I look she's like... (He imitates her stretching)
Chandler: I can see why that's hard to resist.
Joey: I like her so much!
Monica: Aw, I'm sorry sweetie that she doesn't feel the same way.
Joey: I know. And she's so sweet. I just wanna feed her grapes and brush her hair.
Chandler: You are aware that she's not a monkey, right?
Ross: I am so over Janine. I mean, yeah, at first I thought she was hot, but now she's like OLD NEWS!
 (Janine enters)
Janine: Hey guys!
Ross: Hi Janine!
Janine: I just got a call to be a dancer on a television special for New Year's Eve. It's called some sort of Dick'n Rock'n Dickie Eve.
Monica: Hold it! Are you talking about *Dick Clark's New Year's Rocking Eve*?
Janine: Yeah, that's what I said.
Monica: Oh my God! We love that show! I mean Ross and I have been watching it since I can remember!
Chandler: Ah, you're still just a little fat girl inside aren't you? (He kisses her on the cheek)
Janine: Well I'm gonna be on it this year. I'm gonna be one of the party people.
Ross: You're gonna be a party person! Those guys rock the most!
Janine: Well they said I should bring someone. (To Joey) Do you wanna be my dance partner?
Joey: Totally! I would love to spend New Year's with you.
Janine: Well actually they're taping tomorrow. I don't really understand why.
Ross: Oh, well you see how it works is, the part with Dick Clark in Times Square is actually live, but they tape some of the party stuff ahead of time. Yeah, not a lot of people know that.
Janine: Yeah well, do you guys wanna come too?
Ross: Are you serious?
Monica: We are there!
 (Rachel laughs)
Chandler: What, what are you laughing at?
Rachel: Well, I used to date him, but you're still going out with her!
 (Gunther brings Janine a coffee)
Janine: Thanks. (To Monica and Ross) Great so we can all go together! I gotta run. Catch you later!
 (Janine leaves)
All: Bye!
Ross: Bye Janine!
Joey: Did she just ask me out on a date?
Chandler: I don't think so.
Monica: What are you talking about? She just invited him to the biggest party of the millennium!
Rachel: Yeah, but she also invited you and Ross. Yeah, honey, I'm sorry, but I don't think that was a romantic thing.
Joey: Oh. Maybe. But hey I know how I can find out. We're going to a New Year's Eve party, right? So at midnight, I can kiss her. And if she kisses me back, great! Y'know? But if she says "Dude, what the hell are you doing?" I can say "It wasn't me, it was New Years!"
Rachel: Well, that's a lot better than Ross trying to kiss me in High School, and saying that he did it because he needed chapstick.
Ross: It was a dry day.
Monica: We are going to Dick Clark's New Year's Rocking Eve!
Ross: Oh my God!
Monica: Oh my God!
Chandler: (To Rachel) Oh my God!
 [Scene: The Set, Joey, Janine, Ross and Monica are walking in.]
Joey: OK, listen I've been on sets before, so let me give you a little advice, alright? It's a show, but we're just dancing, OK? It's no big deal. The important thing to remember – stay cool.
Ross: Got it!
 (They get to the main stage)
Ross: Oh my God it's just like I dreamed it!
Director: OK, everyone gather up.
 (Monica and Ross push to the front)
 Monica and Ross: 'Scuse us
Director: Here's what's gonna happen. The music's gonna start, you're gonna dance, we're gonna tape, you don't look at the camera. Any questions?
Ross: Yeah, I have a question. When is this gonna air? (He and Monica laugh)
Director: Uh, yeah. Now you guys dance over there, you guys over there, and I want you two right around here, and everyone else spread out.
Joey: Ross! So when is it gonna air?
 [Scene: Monica and Chandler's apartment, Chandler is there. Phoebe and Rachel enter.]
Rachel: Okay, you look in the kitchen, I will look in the back closet.
Chandler: I can save you time ladies, I'm right here.

Phoebe: Yeah, Chandler why don't you take a walk? This doesn't concern you.

Rachel: We are looking for our Christmas presents from Monica.

Chandler: What? That's terrible!

Phoebe: No-no, we do it every year!

Chandler: Oh well, that makes it not terrible.

Phoebe: No, yeah, we never find them! She's always best at us that wily minx.

Rachel: Don't worry, we're just gonna search here for an hour, then we're gonna go over to Joey's and search, OK?

Chandler: No not okay, you can't look for Monica's presents!

Phoebe: But we have to!

Chandler: No, you don't have to, and you can't because I live here too.

Phoebe: Well then, you should look with us.

Chandler: Why?

Rachel: Chandler, aren't you worried about what to get Monica for Christmas?

Chandler: No, I have a great idea for a present for her.

Phoebe: Oh, that's it? (Mimics Chandler) A great idea!

Rachel: Chandler, that's not enough. I mean what if she gets you a great present, two medium presents, and a bunch of little presents? And you've just gotten her one great present? I mean that's just gonna make her feel bad. Why would you do that to her Chandler? Why? Why?

Chandler: If I help, we can find 'em faster!

Rachel: That's right!

(Phoebe looks under the couch)

Phoebe: Ooh ooh, we have a live one!

Rachel: Oh, it's a Macy's bag!

(Phoebe tips it upside down, and a shoe falls out)

Phoebe: Ooh, who's it for?

Rachel: (Reading) Dear losers, do you really think I'd hide presents under the couch? P.S. Chandler, I knew they'd break you.

Phoebe: Uh-oh. She may be onto us.

Rachel: We are so gonna find them this year.

Chandler: Y'know when you guys said you were gonna go across the hall and look, you don't, you don't do that every year do you?

Rachel: Yeah.

Chandler: You don't, like go into the back of my closet, and look under my gym bag or anything?

Phoebe and Rachel: No, we never do that (They turn away.)

Chandler: Because that's where Joey gave me some stuff to store that I've never seen before in my life! Okay, that did not just happen! (He does a weird clicky motion with his fingers, that kinda hard to describe.)

[Scene: The Set, everyone is dancing.]

Monica: Okay, here comes another camera.

Ross: Right. No biggie. Stay loose.

(As the camera passes by, they start to dance really rigid, but the camera is facing the other way.)

Ross: Why do they keep doing that?

Monica: If we wanna get on camera, I think we have to get up on one of those platforms. They've been taping those people up there all day.

Ross: Right.

(They move towards a platform, dancing really strangely as they go)

Ross: Hey, what'd you guys do to get up on there?

Girl: We learned how to dance.

Monica: Oh yeah? Well when you learned how to dance did you forget how to put on underpants?

Ross: Yeah!

(Camera pans to Joey and Janine)

Janine: Hey! You're a good dancer!

Joey: Really?

Janine: Yeah, well you'd be better if you just loosened your hips a little.

Joey: What do you mean?

Janine: Like this.

(She pulls Joey towards her and dances really close to him.)

Janine: That's it, feel the rhythm. That's better.

Joey: Uh-huh.

Director: (To Joey) Okay, you're dancing with that girl over there.

Joey: No-no-no-no we came together!

Director: I don't see it. (To Janine) You are dancing with the tall guy over there. Tall guy, raise your hand! (He does. Janine goes over to him.)

Joey: No-no hey buddy, please let me dance with that girl, I really like her and I think I have a shot.

Director: Really, y'think so? I don't..

(He leaves, and this girl grabs Joey and starts dancing really wild.)

Commercial Break

[Scene: Monica and Chandler's apartment, Phoebe and Rachel are there and Chandler enters.]

Chandler: I couldn't find anything at Joey--Hey-hey, oh hey!

Rachel: Yeah, we found them. There were in the guest room closet behind some coats.

Phoebe: Yeah, and you have nothing to worry about 'cos they're all crap!

Chandler: Those are my gifts, I got them for you.

Phoebe: Ohhh. Thanks Chandler they're great!

Rachel: Well Chandler, what is this very weird, metal A Z thing?

Chandler: Those are book ends! That's a great gift!

Phoebe: Oh, okay, I'm sorry, thank you for my azzz.

Rachel: Ha!

Chandler: Make sure you put all that stuff back in the closet, okay?

Rachel: Yes, okay, oh, by the way, I just gotta say, I think it's really nice of you that even after you've moved, you still keep storing that stuff for Joey!

(Chandler does the weird clicky thing again.)

[Scene: The Set, the girl is still dancing with Joey.]

Joey: Hey-hey dancer girl! Can I go to the bathroom? I just.. (The girl starts dancing really close to him, so he picks her up, twirls her round, and puts her against a platform) Here we go. (He walks away to find Monica and Ross doing a really out of place dance) Looking good Gellers!

Ross: We know!

Monica: Hey, see that snippy guy over there? He's the one who decides who gets up on the platform. We should go dance by him.

Ross: Okay.

(They dance over to him.)

Director: Okay, everybody hold! (Ross and Monica high-five)

Director: Next on the platforms are... (He points to the right of Ross and Monica, so they dance over to where he's pointing to. He points away from them) ...you two! And... (He points the other way, and Ross and Monica follow his arm. Again he points away.) ...You two!

Monica: Excuse me, sir, would it help if I weren't wearing underpants?

Ross: Monica! (Pause) Would it? (The director shakes his head.)

[Scene: The Men's Bathroom, the tall guy is there as Joey enters.]

Joey: Hey! Tall guy! Hey, listen, I wanted to talk to you about that girl that you're dancing with.

Tall Guy: She's nice, huh? To think I almost brought my wife to this!

Joey: Yeah, yeah, okay. Uh, look buddy, I came with that girl, and I had this plan to kiss her at the new years countdown - I'm trying to win her over, so I was wondering if..

Tall Guy: No I don't think so.

Joey: Oh come on man, you can dance with my partner, she's real, uh, mellow!

Tall Guy: Look, are you dating this girl you came with?

Joey: Well, I was hoping after tonight that maybe I could you know...

Tall Guy: No, no. She's fair game if you ask me, sorry buddy!

Joey: Alright, alright, hey y'know fair is fair, (he pretends to wash his hands) if you're right, you're right, what can I say, but hey oh no! (He throws water on the guy's pants)

Tall Guy: God! What are you, in second grade?

Joey: Hey, now you're the one who wet his pants. (He throws another handful on him and runs out)

[Scene: The Set, Monica and Ross are dancing.]

Monica: Man, this sucks! Y'know if Mom and Dad don't see us on TV after we made them so jealous, I mean, who's gonna be the losers then?

Ross: Hey, I know what'll get us up on a platform!

Monica: What?

Ross: The routine!

Monica: Ross, we haven't done the routine since middle school.

Ross: Hey, when the snippy guy sees the routine, he'll wanna build us our own platform!

Monica: Was it really that good?

Ross: We got honourable mention in the brother/sister dance category! Look, it's almost fake midnight, do we really have any other choice?

Monica: Okay, let's do it. Mom and Dad are gonna be so faced!

(They move into a space, and Ross points to his eyes and then to hers)

Monica: 5 6 7 8!

(They start the routine. However hard I try, I really cannot describe it. You will have to watch it. I'm sorry.)

(When they finish, they walk over to the director)

Ross: So, do we really have to ask who's going up on the platform next?

Director: Oh no! You get up there and do that again exactly like that!

Monica: Yes! (They run over to a platform)

Director: (To Cameraman) Make sure you get this, they're gonna want it for the bloopers show. (To everyone) Alright cut! Listen up everyone, when we start again it's gonna be the countdown to new years, so I wanna see everybody's excitement.

[Cut to Joey and Janine]

Tall Guy: Hey, pal, you have about three seconds to get away from my partner.

Director: What's going on over here?

Joey: Uh, take a look at the guy's pants! I mean, I know you told us to show excitement, but don't you think he went a little overboard?

Director: What's the matter with you? Get out of here!

Joey: Yeah, take a hike wetpants!

(The director pushes the Tall Guy away)

[Cut to Ross and Monica, who are finally on a platform!]

Ross: Can you believe this? We're gonna be on the platform for the Millennium moment!

Monica: I know! Hey, you haven't been practising the routine, have you?

Ross: No!

Monica: Me too!

Ross: Hey, when the music starts up again, I was thinking of maybe goind into the robot, y'know? (He mimics a robot)

Monica: Ross, I think we should stick to the routine, we don't wanna look stupid!

Director: Alright we're back! Ten seconds left here we go! Ten! Nine! Eight! Seven! (He continues to count as we hear Joey think)

Joey's Head: Okay, it all comes down to this. Whatever happens, happens. Destiny.

All: Three, Two, One!

Director: Cut!

Joey: No! Year! Happy No Year!

Director: Okay, here's where we go to the live shot of Times Square, nice work everyone that's a wrap!

[Scene: Monica and Chandler's apartment, Chandler and Rachel are there, and Phoebe enters with the Chick and the Duck.]

Phoebe: Hey! Look who I found!

Chandler: Oh, hey guys!

Phoebe: Y'know, birds have a very good sense of direction, and I thought maybe they could help us find where the presents are hidden.

Chandler: Yes, if the presents are hidden south for the winter.

Phoebe: Or we could just follow your clever jokes - any ideas? No! Didn't think so! Okay, c'mon guys, show us where the presents are!

Chandler: Oh, the duck seems to think that Monica got me garbage! Hmm, I wonder what I could get Monica that's as good as garbage?

Phoebe: Hmm, how about my azzz? (Rachel sits on the window seat, and knocks against it)

Rachel: Hey, this is hollow.

Phoebe: What?

Rachel: This bench, it's hollow! I can't believe I never knew that! (She pushes all the pillows off it and opens it up) Oh, the presents!!!

Phoebe: No, don't look directly at them!

Chandler: What?

Phoebe: Alright, no, we could look at them!

Rachel: Oh, this one's for me!

Phoebe: Oh, this one's for Chandler. Here.

Chandler: Oh great!

Phoebe: And the big one's for me!

Rachel: Ooh, let's open them!

Chandler: Okay! Okay! Okay!

Phoebe: Hee hee!

Chandler: Wait, we can't do this.

Phoebe and Rachel: Why?

Chandler: I don't wanna know what Monica got me. Y'know? I mean, look, I'm sure she worked really hard at getting you a present, and wanting to surprise me, and you guys are gonna ruin that, and I, look we have to put these back, this is not what Christmas is about.

Rachel: Whatever Linus, I'm opening mine.

Chandler: Nobody is opening anything ok? Look, I don't know about you guys, but I wanna see the look on Monica's face when I give her my present, and I'm sure she wants to see the look on my face when I get mine. So please, please, can we just, can we put them back?

Phoebe: Will you get us better gifts?

Chandler: Fine!

(Monica enters, and they throw the gifts behind them.)

Monica: Hey guys! You found the presents? Chandler, you let them find the presents? Great! Do you know how long it took me to find you that water purifier?

Chandler: That's what you got me?

Phoebe: Oh yes, I see what you mean. That look is priceless.

(Rachel leans over to look at him.)

[Scene: Joey and Janine's apartment, they both enter.]

Joey: Home sweet home, huh? Nice to, uh, get back to reality. Plus we know how the New Year's gonna go off. I guess there's no reason for all that Y2K panic, y'know? Anyway, g'night!

Janine: Joey.

Joey: Yeah?

Janine: (She takes his hands) 3, 2, 1. (She kisses him) Happy New Year.

Joey: Oh, yoi. What was that for?

Janine: Well, I don't know tonight when they yelled cut and we didn't get to kiss, I was really, really, disappointed, and I just, really wanted to kiss you

Joey: Really? In the moment, I really wanted to kiss you too. In the moment.

Janine: In the moment, yeah.

Joey: But only in the moment. So do ya wanna kiss again?

Janine: Sure, New Year's Eve is only two weeks away. Can you wait?

Joey: No.

Janine: Me neither.

Joey: 3, 2,

Janine: Joey, you don't have to count down every time we kiss.

Joey: Uh, yeah, okay. Except I sorta felt like I needed a couple of seconds to get ready.

(They kiss to the music of Auld Lang Syne)

Ending Credits

[Scene: Monica and Chandler's apartment, everyone except Joey is there.]

Monica: We were on the platform, ready to dance the world into the new Millennium, and the guy yelled 'CUT!'

Rachel: Uh, wait, so you guys are telling me you actually did the routine from eighth grade?

Monica: Yeah. But of course we had to update it a little bit. (To Ross) Hey, by the way, great thinking about catching me!

Rachel: 'Cos I was gonna say there's no way you could've done the end the way you guys did it back then!

Monica: What? We could do it!

Ross: I don't know. I mean you were a lot bigger, I

Joey: So uh, what are you guys doing?
Chandler: Oh nothing, we're just talking. Y'know, blah-blah-blah.
Joey: Look, come on you guys, you said you were gonna try! All right look, I came over here to invite you guys to a movie with me and Janine.
Monica: Well, I'd like to but, (extremely quietly) I'm not sure we have time to go.
Joey: Ha-ha, very funny—Look! I don't know what to do! I really want you guys to get along. Just please come to the movie with us. I mean you owe me!
Monica: We owe you?!
Joey: That's right! I helped you guys out a lot in the start of your relationship. Huh? I helped you guys sneak around for like six months, and I looked like an idiot! And I was humiliated. And I only made 200 dollars!
Monica: We didn't give you any money! (Chandler is motioning, "No!")
Joey: You don't think I know that!
[Scene: Phoebe and Rachel's, Rachel is showing Ross around the newly decorated living room.]
Rachel: ...see I can't decide whether it would go better next to the new wicker dining chair, the Sahara desk, or the Parker console table.
Ross: Wow! I didn't know that there was a *Pottery Barn* up here.
Rachel: I know, I know. I went a little crazy.
Ross: A little? Your place looks like page 72 of the catalogue. Oh look at that! The ornamental bird cage! Large!
Phoebe: (entering) Hey!
Rachel: Hey.
Phoebe: (sees Ross) Oh Ross no. Be careful, that is very old! Okay? Early Colonial bird merchants used to bring their birds to market in that.
Ross: (glaring at Rachel) Fascinating.
Phoebe: (gasps) Another amazing find! Wow! Oh I bet this has a great story too!
Rachel: Oh it does, it does! It is a room separating apparatus from Colonial times.
Phoebe: Ah!
Ross: Hmm, a lot of this stuff is from Colonial times. Hey, what are some other time periods Rachel? (She glares at him.)
Rachel: Well there's yore. And uh, y'know, yesteryear.
Phoebe: Yeah no, I'm telling you Rachel has such a great eye for this stuff. Ross, y'know if you ever decide you need to redecorate—And I think that you should. You should, you should ask Rachel to help.
Rachel: Oh honey he doesn't need my help.
Phoebe: Oh, come on! I think he's ready to get rid of, what did you call it? The cheap knock-offs and dinosaur junk.
Ross: Really?! (To Rachel) Hey, y'know what? Since you have such a great sense of what I need, uh ooh, here's-here's 60 bucks, why don't you take Phoebe down to that Colonial flea market of yours and get me some stuff.
Rachel: (not sure of what to do) Y'know what? I don't, I don't think Phoebe really wants to come.
Phoebe: No! I do want to!
Rachel: Oh, she does want to.
Ross: She does want to.
Phoebe: Yeah!
[Scene: The Street, Phoebe and Rachel are heading back from that Colonial flea market.]
Rachel: Pheeb, I don't know what to say. I guess the flea market was just better last time.
Phoebe: Well at least I got these sheets for Ross.
Rachel: Yeah.
(They walk by a *Pottery Barn* window display.)
Phoebe: Uck, look at this! *Pottery Barn*, yuck!
Rachel: Yeah, y'know what? Don't look at it. (Realizes the display is their living room) Seriously, don't look at it. (Tries to pull Phoebe away.)
Phoebe: No! Look-look! There's the coffee table they stole from us!
Rachel: Ugh, those bastards! Let's go.
Phoebe: That fan kinda looks like ours. And the birdcage and the...wait a sec! This is our exact living room!
Rachel: No! No! No! No it's not! No it's not! Come on! Phoebe, ours is totally different! I mean we don't have the... (Looks desperately for something different.) We don't have the...that lamp! And-and that screen is y'know, on the other side.
Phoebe: Oh my God. This is where you got all our stuff, *Pottery Barn*! Oh my God!
Rachel: Okay! Okay-okay look—no I did, I just wanted this stuff and I know how you feel about *Pottery Barn*. Just... Come on don't be mad.
Phoebe: No-no-no, but I am mad! I am mad! Because this stuff is everything that is wrong with the world! And it's all sitting up in my living room and all I can think about is how I don't have that lamp!
Rachel: Well then honey, buy the lamp! Hey, we have that 60 bucks from Ross.
Phoebe: I can't! I can't! Unless... Well are you saying that-that you would move out if-I didn't buy that lamp?
Rachel: What?! No! I'm not gonna move out!
Phoebe: But are you saying that you would move out if I didn't buy that lamp?
Rachel: (gets it) Oh. Yes! I would so move out!
Phoebe: Okay then I don't have a choice! I have to buy that lamp!

Rachel: That's right!
(They start to go inside.)
Phoebe: But at least the apothecary table is real.
[Scene: The hallway, Joey, Janine, Monica, and Chandler are returning from their second date.]
Joey: Well, this-this-this was great. Didn't everybody have a great time?
Janine: Well I did. I really did. And you guys, I've got to say, I'm sorry if I was a little weird after the last time we went out. I guess I was just nervous or something.
Chandler: That's totally understandable.
Monica: Don't worry about it.
Janine: So we can go out again?
Chandler: Oh yeah!
Monica: Absolutely!
Janine: Oh good.
Joey: Oh well then, good night!
Monica: Good night! (They go into their respective apartments.)
[Cut to Joey and Janine's, they're entering.]
Joey: See? Eh, wasn't that fun?
Janine: We have you to move!
Monica: (bursting in) I knew it!! Y'know, you're not so quiet yourself, missy!
Chandler: And I'm blah? Listen, the only thing more boring than watching modern dance is having to listen to you talk about it. (Imitating her) "Oh Chandler, I just lost myself in the moment."
Janine: Y'know, I know you're talking, but all I hear is, "Blah. Blah. Blah-blah-blah."
Monica: (steps up and points at her) All right! You and me! Let's go! Right now!
Joey: All right! All right! Enough! Enough! Enough!! Enough! (To Chandler and Monica) You two go home! I-I-I gotta talk to Janine! (They start to leave.)
Chandler: (To Monica) Y'know I think you can take her.
Monica: (to Janine) You'd better hope I don't see you in the hallway!! (They exit.)
Joey: All right, uh, we've got a little bit of a problem here. These people are my friends; you can't treat them that way.
Janine: They said stuff to me too, y'know!
Joey: I know! I know! And I'm going to talk to them about it. They mean so much to me. They... They're like my family. If you guys are gonna be fighting all the time, I-I... I don't think we can be together. It just, it just can't work. It can't. (Starts to break up) I'm very upset.
Janine: Okay. Okay. Would, would it help if I went over and apologized?
Joey: Yeah! Yeah! That would be very helpful! Yeah. (He opens the door for her and she exits into the hallway.)
[Cut to the hallway, Janine is entering as Monica is taking out the garbage.]
Monica: What did I tell you about the hall?!
Janine: I was just coming over here to apologize for my behavior! I'd really like it if we could be friends.
Monica: Well, I know that would make Joey happy, so, I would like that too.
Janine: Great.
Monica: Now come on. (They hug like men.) Well, I'm glad we worked things out.
Janine: Me too.
Monica: Okay.
Janine: I'll see you.
Monica: Bye. (Leaves to resume her garbage removal task.)
Janine: (muttering to herself) Or I'll hear you.
Monica: (hearing that) That's it big girl! (Hits Janine in the butt with the garbage bag) Come on!
Janine: Wait! (Janine pauses, then runs down the stairs.)
Monica: (chasing her) You'd better run!
(Joey and Chandler both come into the hallway.)
Chandler: Did you hear that?
Joey: Yeah uh, what am I gonna do?
Chandler: Yeah, I'm sorry man. (Pause) You wanna go watch?
Joey: Yeah! (They head downstairs.)
Ending Credits
[Scene: Central Perk, Ross, Chandler, and Monica are there as Joey enters.]
Ross: Hey!
Joey: How ya doin'?
Chandler: Hey so, did uh, did she move out?
Joey: Pretty much, yeah.
Monica: I cannot believe you broke up with her just like that.
Joey: Well, when it's not right, you know it.
Chandler: You okay?
Joey: Yeah! Yeah. I'll be all right.
Ross: Y'know what would cheer you up?
Joey: What?
Ross: I'm giving this lecture on erosion theories tomorrow night, I think you should come.
Joey: (laughing hysterically) You're right! That did cheer me up!

612 The One With The Joke
[Scene: Central Perk, Chandler, Phoebe, Rachel and Monica are there. Ross walks in with a magazine in his hand.]
Ross: Hey, you're not going to believe this. I made up a joke and sent it in to *Playboy*. They printed it!
Phoebe: I didn't know *Playboy* prints jokes.
Ross: Yeah, they print jokes, interviews, hard-hitting journalism. It's not just about the pictures.
Monica: That didn't work on mom, it's not going to work on us.
Ross: (showing them the page) Here, check it out. It's the first one, too.
(They all laugh indifferently, except Chandler, who's a little

angry.)
Chandler: That is funny. It was also funny when I made it up.
Ross: What?
Chandler: I made that joke up.
Ross: Uh, oh-oh, no you didn't. I did.
Chandler: Yes, I did. I told it to Dan at work, and he said it was the funniest joke he'd ever heard.
Ross: Hey, tell Dan, 'Thanks.'
(Rachel is looking at the magazine and laughing.)
Ross: What?
Rachel: I'm sorry, I was just reading the joke below it. Man, that one is funny. (Ross grabs the magazine away from her.)
Chandler: Monica, you remember me telling you that joke, right?
Monica: No.
Chandler: Seriously?
Monica: Well, you tell a lot of jokes!
Ross: Look, Chandler, it's my joke. But, hey, if it makes you feel any better they don't print the name, so it doesn't really matter who gets credit, right?
Chandler: Yeah, I guess.
Joey: (entering) Hey guys.
Chandler: (jumping up from his chair) Hey, Joey, *Playboy* printed my joke.
Ross: No, it's my joke, it's mine. You can call them, they'll tell you.
Chandler: It's my joke.
Ross: It's my joke.
Joey: Whoa-whoa-whoa. Jokes? You guys know they have naked chicks in there, right?
Opening Credits
[Scene: Joey's apartment, Joey is sitting at the counter as Chandler enters.]
Chandler: Dude, you have got to turn on *Behind the Music*. The band Heart is having a really tough time, and I think they may break up.
Joey: Let's go watch it at your place.
Chandler: Nah, Monica's watching some cooking show. Come on, I don't want to miss when they were skinny.
Joey: Chandler, Chandler, y'know what we should do? You and I should go out and get some new sunglasses.
Chandler: What? No, I want to watch this. (He turns on the television and the screen is completely covered in snow.) Did your cable go out?
Joey: No, that's *VH-1*. I gotta tell you, the music these kids listen to today . . . It's like a lotta noise to me. I don't know...
Chandler: Joey, why is your cable out?
Joey: I uh, oh! Because, uh, I haven't really paid the bill!
Chandler: If you need money, will you please-please just let me loan you some money?
Joey: No, Chandler. Look, forget about it, okay? Look, I know things have been a little tight since Janine moved out. Oh, was she hot.
Chandler: Whoa ho.
Joey: I know! Yeah, but, look I can handle it. All right? Look, I can listen to the radio, huh? And Ross gave me this great book (holds up the *Playboy* magazine).
Chandler: (picks up the phone) All right, you want to see if the joke stealer will let us watch the show at his place?
Joey: Sure.
Chandler: (with phone to ear, obviously hearing no dial tone) Paid your phone bill?
Joey: Not so much.
[Scene: Monica and Chandler's, Monica and Rachel are on the couch looking at the *Playboy* magazine. When they hear someone coming, Monica goes to hide it under the sofa cushions.]
Phoebe: (entering) Hey.
Monica: (relieved) It's only you.
Phoebe: Wh-wh-what are you doing?
Rachel: We are looking at a *Playboy*.
Phoebe: Oh, I want to look too! (She runs over and sits down and checks out a picture.) Yikes!
Monica: So do you think that these pictures—Are, are they trying to tell a story?
Rachel: Oh, yeah, sure. I mean, like in the case of this young woman, she has lost her clothes, so she rides naked on the horse, she's crying out, 'Where are they, where are they?'
Monica: Well, she's not going to find them lying in the grass like that.
(They flip through the pages to another picture.)
Phoebe: Oh, yeah. Aw, remember the days when you used to go out to the barn, lift up your shirt, and bend over?
Rachel and Monica: Yeah.
Rachel: You see, now, I would date this girl. She's cute, she's outdoorsy, you know, and she knows how to build a fire. I mean, that's got to come in handy.
Monica: Okay, I've got a question. If you had to pick one of us to date, who would it be?
Rachel: (thinks) I don't know.
Monica: Me neither.
Phoebe: Rachel.
Monica: What?!
Phoebe: I don't know. (Pause) Me neither.
[Scene: Central Perk, Joey, Chandler, and Ross are sitting on the couch.]
Joey: You forget how many great songs Heart had.
Chandler: Yeah.
Ross: You know, Barracuda was the first song I learned to play on the keyboard.
Chandler: So, you heard it, you repeated it, so that must mean you wrote it.
Joey: Oh, you guys, with this joke. I gotta say, I know

I cracked up, but I'm not even sure I got it.
Ross: What, you didn't get it? The doctor is a monkey.
 (He and Chandler crack up.)
Chandler: And monkeys can't write out prescriptions.
 (He and Ross crack up again. Joey just sits there)
Chandler: (stops laughing, to Ross) You are not allowed to laugh at my joke.
Ross: Your joke? Well, I think 'the Hef' would disagree, which is why he sent me a check for one hundred ah-dollars.
Chandler: So, you stole my joke, and you stole my money.
Ross: Well, I was going to stick it in the ATM, but now I think I'll show the sexy teller that I am a published writer.
Chandler: Well, she is going to know that you stole the joke.
Ross: Oh, what are you going to do, follow me down there?
Chandler: Yeah!
Ross: Well, I'm not going to go now anyway (he goes to sit down).
Chandler: Okay (he goes to sit down).
 (Ross leaps out of his chair and runs out the door, with Chandler in hot pursuit.)
Gunther: (handing Joey the bill) Here you go.
Joey: Ah, Gunther, I can't pay for this right now because I'm not working, so I've had to cut down on some luxuries like uh, payin' for stuff.
Gunther: Well, if you want, you can work here.
Joey: Uh, I don't know. Ya see, it's just, see I was a regular on a soap opera y'know? And to go from that to this, I just... Plus, I'd have to wait on all my friends.
Gunther: Okay, but the money's good, plus you get to stare at Rachel as much as you want.
Joey: What?!!
Gunther: Flexible hours.
Joey: Maybe I could be a waiter. Could I use the phone?
 [Scene: Monica and Chandler's bedroom, they are in bed together.]
Monica: (visibly upset) She picked Rachel. I mean, she tried to back out of it, but it was obvious. She picked Rachel.
Chandler: (visibly upset) He took my joke, he took it.
Monica: It's wrong. You know what else is wrong? Phoebe picking Rachel.
Chandler: You know who else picked Rachel? Ross, and you know what else Ross did? He stole my joke. You know what? I'm going to get a joke journal. Y'know? And document the date and time of every single one of my jokes.
Monica: That's a good idea.
Chandler: Yeah!
Monica: Do you know what's a bad idea?
Chandler: Picking Rachel.
Monica: That's right. (A noise comes from the living room.) Did you hear something?
Chandler: Maybe it's the sound of Ross climbing into my brain and stealing my thoughts.
Monica: It's coming from the living room.
 (They go out to investigate, and find Joey wrapped in a blanket watching their television.)
Joey: (sheepishly) I finished my book. (Chandler and Monica slowly retreat back to bed.)
 [Scene, Phoebe and Rachel's, they're sitting together on the couch.]
Monica: (entering) Hey, you guys.
 Phoebe and **Rachel:** Hey.
Monica: (laughing) Oh, don't you guys look cute. You guys make such a cute couple.
Rachel: Monica, what are you doing?
Monica: (laughing harder) Nothing, I'm just trying to recreate some of the fun that we had at my place the other day. (To Phoebe) Remember, when you picked Rachel over me? That was funny.
Phoebe: I guess it was kinda funny.
Monica: (angrily) It wasn't funny at all! Why would you do that? Why didn't you pick me?
Phoebe: Fine. The reason that I was leaning a little bit more toward Rachel than you is just that you're ... just ... kinda high maintenance—Okay let's go to lunch!
Monica: That is completely untrue. You think I'm high maintenance? Okay, prove it. I want you to make a list and we're going to go through it point by point!
Phoebe: No, okay, you're right. You're easy-going. You're just not as easy-going as Rachel. She's just more flexible and-and mellow. That's all.
Rachel: (To Monica) Well, people are different.
Phoebe: Ya, you know, Rachel ... she'll do whatever you want. Y'know, you can just walk all over her.
Rachel: What? Wait a minute. What are you saying, that I'm a pushover? I'm not a pushover.
Phoebe: Oh, okay, (laughing) you're not a pushover.
Rachel: Oh my ... you think I'm a pushover. Well wait, watch this, you know what? You're not invited to lunch. What do you think of that? I think that's pretty strong, that's what I think. Come on, Monica, let's go to lunch. (She leaves)
Monica: (to Phoebe) You start working on that list. (She grabs her coat and leaves, too.)
 [Cut to the hallway.]
Rachel: I cannot believe her.

Monica: I know. Where do you wanna go eat?
Rachel: Oh, oh, I love that Japanese place.
Monica: I'm sick of Japanese. We're not going there.
Rachel: All right, wherever you wanna go is cool.
Monica: All right.
 [Scene: Central Perk, Monica, Rachel, and Chandler are there as Ross enters and sees Gunther.]
Ross: (showing the Playboy magazine to Gunther) Oh, hey, Gunther, check this out.
 (Gunther looks at the joke and laughs.)
Gunther: Yeah, that-that Chandler cracks me up.
 (Ross begins to say something, realizes what Gunther just said, turns, and glares at Chandler. Chandler just shrugs it off.)
Joey: Hey Ross, listen, you want anything to drink, 'cause I'm heading up there.
Ross: Uh, yeah, I'll take a coffee. Thanks, man.
Joey: Sure. (To Monica and Rachel) Coffee? 'Cause I'm going up there.
Rachel: No.
Monica: No, thank you.
Joey: (to a table of strangers) You guys need anything, 'cause I'm heading up there.
Woman: I'd love an ice water.
Joey: You got it.
Monica: Joey, what are you doing?
Joey: Just being friendly. (He gives Monica a 'what's wrong with you?' look and proceeds to walk behind the counter.)
Rachel: Joey, honey, I don't think you're supposed to go back there.
Joey: Nah, it's okay. Right, Gunther? (Winks at him as if they're in on a secret together.)
Gunther: Don't wink at me. And put on your apron.
Joey: Okay, but I don't see you asking any other paying customers to put on aprons.
Monica: Joey, do you work here?
Joey: No.
Customer: Hey, waiter.
Joey: Yeah?
 Commercial Break
 [Scene: Central Perk, continued from earlier.]
Monica: Joey, what's going on. What didn't you tell us you work here?
Joey: It's kind of embarrassing, y'know. I mean, I was an actor and now I'm a waiter. It's supposed to go in the other direction.
Chandler: So is your apron. You're wearing it like a cape.
Joey: I mean, the job's easy and the money's good, you know? I guess I'm going to be hanging out here anyway. I might as well get paid for it, right? I just feel kind of weird serving you guys.
Rachel: Come on, Joey, I did it and it was fine.
Ross: Yeah, why would it be weird? Hey, Joey, can I get some coffee?
Joey: Okay, I guess it doesn't seem that weird.
Ross: Seriously, I-I asked you before and you still haven't gotten it.
Joey: See, now it's weird again.
Chandler: I think it's great that you work here. You're going to make a lot of money, and here's your first tip: Don't eat yellow snow. (He laughs, then picks up a pen, glares at Ross, and writes in his journal.) Ah ha ha, 2:15, coffeehouse.
Rachel: Well, you know what? This is great. Finally, I have someone I can pass on my wisdom too. Let me tell you about a couple of things I learned while working at the coffeehouse. First of all, the customer is always right. (Joey nods.) A smile goes a long way. (Joey smiles) And if anyone is ever rude to you? Sneeze muffin.
Joey: Thanks, Rach. Look, you guys are just terrific. Y'know? Now, how about clearing out of here so I can get some new customers. It's all about turnover.
Ross: Joey, seriously, can I get my coffee?
Joey: Oh, I'm sorry, Ross. I'll get it for you right now. And since I made you wait, I'll toss in a free muffin.
 (He looks at Rachel and winks, she gives him the thumbs-up sign.)
 [Scene: Phoebe and Rachel's, Phoebe is sitting on the couch as Rachel and Monica enter.]
Rachel: Phoebe. We would like to talk to you for a second.
Phoebe: Okay.
Monica: So, maybe I am a little high maintenance. And maybe Rachel is a little bit of a pushover. But you know what we decided you are?
Rachel: Yes, we are very sorry to tell you this, but you, Phoebe, are flaky.
Monica: Hah!
Phoebe: That true, I am flaky.
Rachel: So, what, you're just, you're just okay with being flaky?
Phoebe: Yeah, totally.
Monica: Well, then, I'm okay with being high maintenance.
Rachel: Yeah, and I am okay with being a pushover.
Phoebe: That's great. Good for you guys.
Monica: I am not high maintenance!
Rachel: I am not a pushover!
Phoebe: Who said you were?
 Monica and **Rachel:** You did!
Phoebe: Oh, I'm flaky. I'll say anything.
 [Scene: Central Perk, Joey is coming back from using the phone.]
Joey: Hey, Gunther. Can you uh, can you cover for me? I just got an audition.
Gunther: No, I'm leaving to get my hair dyed.
Joey: Really?! I like your natural color. Come on man, it's a great part. Look, check it out. I'm the lead guy's best friend and I wait for him in this bar and save his seat. Listen-listen. 'I'm sorry, that seat's saved.'
Gunther: That's the whole part?

Joey: Okay, maybe he's not his best friend, but ...
Gunther: Okay, I'll see you in an hour.
Joey: Oh, man, I could totally get that part. 'I'm sorry, that seat is taken.'
Patron: Oh, excuse me.
Joey: No, no, I didn't mean you. But, you believed me, huh?
Patron: I believed you were saving this seat for someone.
Joey: So, you'd hire me, right?
Patron: For what?
Joey: Exactly! All right, everybody, listen up. The coffeehouse is going to be closed for about an hour.
Customers: Huh? What?
Joey: Yeah, it's for the kids. To keep the kids off drugs. It's a very important issue in this month's *Playboy*. I'm sure you all read about it.
 [Scene: Monica and Chandler's, Chandler and Ross are both pouting and sitting on the couch.]
Ross: It's my joke.
Chandler: It's my joke.
Ross and Chandler: It's my joke.
Ross: Y'know, I don't think we're going to settle this.
Chandler: Let's have Monica decide.
Ross: Yeah!
Chandler: Yeah!
Ross: Hey Mon!
Chandler: Mon, get out here!
Ross: Monica! (She appears, not sure why she was summoned.)
Chandler: Okay, okay. You have to help us decide whose joke this is.
Monica: Why do I have to decide?
Chandler: Because you're the only one that can be fair.
Ross: Yeah.
Monica: I can't be fair. You're my boyfriend.
Ross: Yeah, but I'm your brother. We're family. That's the most important thing in the world.
Chandler: (to Ross) Don't try to sway her. (To Monica) (Softly) I'm your only chance to have a baby. Okay, let's go.
Ross: We'll each tell you how we came up with the joke and then you decide which one of us is telling the truth—me.
Monica: Okay, Chandler, you go first.
Chandler: Okay, I thought of the joke two months ago at lunch with Steve.
Monica: Oh, wait, is he the guy I met at Christmas?
Chandler: Can I finish my story?
Monica: Do you want me to pick you?!!
Ross: See, I would never snap at you like that. (Chandler motions to Monica that he'll give her two babies.)
Monica: Continue.
Chandler: So Steve said he had to go to the doctor. And Steve's doctor's name is Doctor Muppy. So I said, 'Doctor Monkey?' And that is how the whole Doctor Monkey thing came up. (He slams his feet up on the table to emphasize his point.)
Ross: Are you kidding? Okay, look. I-I studied evolution. Remember, evolution? Monkey into man? Plus, I'm a doctor, and I had a monkey. I'm Doctor Monkey!
Chandler: I'm not arguing with that.
Monica: All right, I've heard enough. I've made my decision.
 (Both Chandler and Ross are eager to hear her decision.)
Monica: You are both idiots. The joke is not funny, and it's offensive to women, and doctors, and monkeys! You shouldn't be arguing over who gets credit, you should be arguing over who gets blamed for inflicting this horrible joke upon the world! Now let it go! The joke sucks!
 (Monica leaves the room)
Ross: It's your joke.
Chandler: Is not.
 [Scene: Central Perk, Rachel is sitting at a table and Phoebe is on the couch. Chandler and Monica can be seen outside, she's lecturing him, and pushes him inside. He then nods to Rachel, and is obviously counting off the seconds in his head and then Monica makes a grand entrance.]
Monica: Hi, Chandler. There you are.
Chandler: Hi, oh hi.
Monica: Hey, it's Phoebe and Rachel. Um, why don't you tell them what you were telling me earlier about me not being high maintenance?
 (Rachel and Phoebe exchange looks.)
Chandler: (starts to recite a rehearsed speech) Monica is a self-sufficient, together lady. (Pause.) Being with her has been like being on a vacation. And what may be perceived as high maintenance is merely attention to detail and—(He falters and Monica prompts him.)—generosity of spirit.
Rachel: Wow, you know what? That is the best fake speech I think I've ever heard.
Phoebe: Really? I've heard better.
Monica: Wait, wait, he came up with that himself. Tell them, Chandler.
Chandler: (To Chandler) I'm out of words. Should I just say the whole thing again?
Monica: Look, I am not high maintenance. I am not, Chandler!
Chandler: (pauses as he struggles with what he has to say) You're a little high maintenance.
Monica: Ahhh! You are on my list.
Chandler: I'm sorry. You're not easy-going, but you're passionate, and that's good. And when you get upset about the little things, I think that I'm pretty good

Rachel: With Ross and Jill?
Phoebe: Yeah!
Rachel: With Ross and my sister?
Phoebe: Yeah.
Rachel: With my sister Jill and my ex-boyfriend Ross?
Phoebe: Yeah.
Rachel: Oh there is no way.
Phoebe: Okay then.
Rachel: Oh my God! I can not believe that! I mean I don't really like it when Ross goes out with anyone, but my sister isn't that like incest or something?! Oh my God, and they're gonna have sex! Oh! Oh no what if he marries her too?! Oh this is just terrible, this is just terrible. And I can't stop it! I can't—I don't own Ross! Y'know? And Jill, she should be able to do whatever it is that she wants to do! And oh my God, I can't believe Ross is marrying my little sister, this terrible. Oh my God, this is just the worst thing that could have ever happened to me.
Phoebe: But **great** news about the apartment pants, huh?
 [Scene: Central Perk, Joey is giving the bill to the same beautiful woman from before.]
Joey: That'll be \$3.85.
Woman: What do you mean? Yesterday you said I was too pretty to pay for stuff!
Joey: It's just I can't because my manager said I... (Gets an idea) (Starts singing) "Happy birthday to you, happy birthday to you. Happy birthday dear Annie..."
Woman: Amy!
Joey: (still singing) "...Amy! Happy birthday to you!"
A Male Customer: Hey, that's weird, today's my birthday too!
Joey: Yeah, not it here it isn't.
Jill: (entering) Sorry I'm late, what's up?
Rachel: (on the couch) Oh hi! Y'know, I just wanted to see if there were any leads on the old job front.
Jill: Oh no! But I just walked past three sales and I didn't go in. How strong am I?
Rachel: That is great. Hey, y'know who doesn't have to job hunt? Ross. He works at the university.
Jill: Yeah.
Rachel: Oh so you know that, you guys talked about that, so you get along, so you think you're gonna go out?
Jill: Me go out with Ross?! No! God no! What would make you think that?
Rachel: I just, Phoebe, said y'know thought she saw something between you guys.
Jill: No! I mean he's nice.
Rachel: Yeah.
Jill: He's the kind of guy you're friends with, y'know? But he's not the kind of guy you date. He's the kind of guy **you'd** date because you did. Me, not so much.
Rachel: Oh not-not so much. Umm, what-what do you, what do you mean is there something wrong with Ross?
Jill: Oh no-no-no, he's just I don't know, he's just a little bookish.
Rachel: Are-are you saying he's a geek?
Jill: You think so too?
Rachel: No! No! I, no Ross is not a geek!
Jill: Fine, then let's just say he's not my type.
Rachel: What handsome is not your type? Smart? Kind? Good kisser? What those things aren't on your list? Ross is a great guy! You would be lucky to be with him!
Jill: Well okay, if it means that much to you, then I'll ask him out.
Rachel: Oh no-no-no, no-no-no, that's not what I meant.
Jill: No! Y'know what Rachel? You're right, y'know he has been really nice to me.
Rachel: Yeah but, he's not your type.
Jill: Yeah but maybe that's a good thing. Y'know I'm doing all these different sorts of things, and maybe I should try dating a geek too!
Rachel: Yeah but, you don't, you don't, you don't want to try to much too fast. Y'know? I mean, you do remember what happened to the little girl that tried to much too fast don't you?
Jill: What?
Rachel: She-she died Jill.
 Commercial Break
 [Scene: Monica and Chandler's, Chandler has fallen asleep reading a book. Monica calls from the bedroom and wakes him up.]
Monica: (still sick) Chandler!
Chandler: Oh what is it honey, you need some tea? Some soup? (He gets up from the couch and goes into the bedroom to find Monica, still in the robe, lying seductively on the bed. Or at least she's trying too and as he enters the room, she takes the robe off on of her legs.) Oh-hhhh!
Monica: (trying to be seductive) Calling Dr. Big, Dr. Big to the bed.
Chandler: Oh Jeez honey, I thought, I thought you were asleep.
Monica: How could I be asleep knowing that you were in the next room.
Chandler: I was asleep. (She takes off her robe and starts to shiver) Oh no! No-no-honey! Y'know what's sexy? Layers. Layers are sexy. And blankets are sexy. And oh! Hot water bottles are sexy.
Monica: Come on, get into bed! I want to prove

to you that I'm not sick! I wanna make you feel, as good as I feel. (Sneezes.)
Chandler: Would you please get some rest!
Monica: I'm fine. (She goes into one of those half sneezing, half-coughing fits that you get with a bad cold or flu.)
 [Scene: Central Perk, Joey is singing Happy Birthday to yet another good-looking woman. Gunther is watching and is not very happy.]
Joey: (singing) "Happy birthday to you!"
Gunther: You're paying for that.
Joey: What? No-no it's her birthday!
Gunther: You've sung Happy Birthday to 20 different women today!
Joey: But it really...
Gunther: You are no longer authorized to distribute birthday muffins.
Joey: Damn it! (Storms off.)
Ross: (entering) Rach? Hi!
Rachel: Hi!
Ross: Did you tell your sister to ask me out?
Rachel: Well yeah...
Ross: Oh wow! I mean, wow! I mean, I-I-I think she's cute but I-I would never have thought of going out with her, never!
Rachel: Really?!!
Ross: Yeah but after you said it was okay, I figured, "Why not?!"
Rachel: Oh so-so not really never.
Ross: I have to say you are a much bigger person than I am. I mean after all we've been through, I just—y'know I wish I had a brother to reciprocate. Hey, if you ever want to go out with Monica, you have my blessing.
Joey: (overhearing them) Oh-ho, and mine!
 [Scene: Monica and Chandler's, Monica is still sick and is hobbling out into the living room for some help from Chandler who's on the couch reading.]
Monica: (entering) Chandler, I think I'm sick.
Chandler: Really? Struck down in the prime of libe!
Monica: Okay, fine I admit it! I feel terrible! Would you please rub this on my chest? (She hands him some of that *Vicks Vap-O-Rub* to put on.)
Chandler: No-no-no-no-no-no, you are not getting me this way.
Monica: Come on! I really need your help!
Chandler: No-no-no-no-no!
Monica: Fine, I'll rub it on myself.
Chandler: Okay.
 (To start this task, she lowers the top of her robe to reveal that she is naked from the waist up, well at least her back is, and starts to rub on the gunk. Chandler notices this, and has something start happening. I'll let you fill in the blank here.)
Chandler: So you're just, kinda rubbing it on yourself?
Monica: Yeah?
Chandler: It's nice.
Monica: Are you kidding me?! Is this; is this turning you on?
Chandler: Yes! (Hangs his head in shame.)
Monica: I can't believe it! What is it? Is it the rubbing or the smell?
Chandler: It's all very, very good. (She covers up and sits down.) So you wanna go uh, mix it up?
Monica: Not now, I'm sick!
Chandler: Oh come on you big faker!
Monica: What happened to your rule about never sleeping with sick people?
Chandler: Well that was before all the vaporizing action.
Monica: Okay, if you really wanna have sex...
Chandler: Okay! (Runs into the bedroom.)
Monica: Worked like a charm.
 [Scene: Central Perk, Rachel is there as Jill enters to start her date with Ross.]
Jill: (entering) Hi!
Rachel: Hi! Wh-what are you doing here?
Jill: This is where Ross and I are meeting for our date. So, what do you think? (She spins to show Rachel the outfit she's wearing.)
Rachel: Well, I-I don't like it.
Jill: Really?!!
Rachel: It's kinda slutty.
Jill: It's yours!
Rachel: Yeah well, I'm-I'm a slut.
Jill: (laughs) Me too.
Ross: (entering) Hi Jill!
Jill: Hey!
Ross: Hi (sees Rachel and forgets her name for a moment).
Rachel: Rachel.
Ross: Rachel! Well, you-you're not at home, you're-you're-you're right here.
Rachel: Yeah I know, and I bet you thought it would be weird. But it's not!
 (There's an awkward silence.)
Ross: Okay. So well I'll umm, (To Rachel) I'll have her home by midnight.
 (Rachel laughs a little too hard as Ross and Jill leave for their date. After they have left, Rachel starts to break down.)
 [Scene: Monica and Chandler's, Rachel enters and walks quickly over to the window to watch Ross's apartment. We see that Ross's apartment is empty.]
Rachel: Why aren't you home yet?!!
Monica: (calling from the bathroom) Is someone there?
Rachel: Oh yes, it's me! Sorry!
Chandler: (calling from the bathroom) What are you doing here?
Rachel: Uh, I'm just, I'm just looking out your window. At-at the view. What are you guys doing?
Chandler: We got some *Vap-O-Rub* in some places.
 (We see that Ross is returning to his apartment with Jill.)

Rachel: (gasps) Oh, he brought her back to his apartment.
Monica: (entering with Chandler) Who? (She looks out the window at Ross's apartment) Is that your sister?
Rachel: Ugh, she is a slut!
Monica: God, Ross is on a date with your sister! How weird is that?!!
Rachel: Oh my God, look-look he's taking off her clothes!
Chandler: He's taking off her coat!
 (We see that Ross is taking off Jill's coat.)
Rachel: Oh, this is just terrible.
Monica: Oh no it's not, no it's not. It's a first date. I'm sure that nothing is gonna... (as she is talking we see Ross close his drapes.)
Rachel: Oh. (Squeaks again.)
Chandler: Ho-oh, he's gonna get some! (Rachel looks at him.) Of the glare from the streetlight out of his apartment. Y'know so umm, he's closed the drapes there so he can have a nice, pleasant conversation with your little sister. (Pause) Well, I'm off to bed! (Goes to bed.)

614 The One Where Chandler Can't Cry

[Scene: Monica and Chandler's, Rachel is still looking out the window as Joey enters.]
Joey: (sees Rachel) Oh, uh, hey Rach. I uh, I was just coming over here to uh... Oh wait, I don't have to lie to you, you don't live here anymore. Uh, I'm eating their food. What are you doing?
Rachel: Ross is on a date with my sister and they shut the drapes two and a-half-hours ago.
Joey: Whoa, I didn't know we could date your sister! (Chandler and Monica enter from their room and Joey quickly hides the bag of potato chips behind his back.)
Monica: Joey we know you steal our food. (Joey offers them some potato chips.)
Chandler: I'm good.
Monica: (To Rachel) Oh, are the drapes still closed hon?
Rachel: Yeah. And y'know who should've shut their drapes? Is that perverted old couple two doors over.
Chandler: (looking) Is that a swing?
Rachel: Oh don't even ask!
Chandler: Yuck!
Joey: I can't believe Ross went out with Rachel's sister! When Chandler made out with my sister I was mad at him for 10 years.
Chandler: That was like 5 years ago.
Joey: Yeah you got 5 years left!
Chandler: Joey...
Joey: You wanna make it 6?!
 Opening Credits
 [Scene: Central Perk, Ross is on the couch reading as Rachel enters. It's the next day.]
Rachel: Oh Ross, hi! Hey, how are ya? There you are!
Ross: Hey!
Rachel: (to Gunther) I'll take a coffee. (To Ross) So how was your big date last night?
Ross: Uhh, it was okay. Yeah, it was fun.
Rachel: Yeah fun? Great! So uh, so did you guys hit it off?
Ross: I guess so.
Rachel: So uh, so did anything happen? Because **rumor** has it you guys shut the drapes!
Ross: No. No. Nothing happened. I shut the drapes to uh, show her slides of my favorite fossils.
Rachel: Oh, slides. (Laughs.) So **really** nothing happened.
Ross: Something could've happened. All right? She-she really dug my slides. And-and she was definitely giving me the vibe.
Rachel: Right. Was it the, "Please don't show me another picture of a trilobite vibe?"
Ross: Anyway, if she, if she wasn't in to me, why-why would she ask me out again?
Rachel: She asked-asked you out again?
Ross: Yeah-uh-huh. Tomorrow night, Valentine's Day, the most romantic day of the year. Who knows what could happen? I might not be shutting my drapes to show her my slides, if you know what I mean.
Rachel: Okay-okay-okay-okay-okay-okay-okay! I got it! I got it! I got it! I can't! I can't! I can't! I cannot go with you and my sister thing. Okay? I just can't. It's just too weird, all right? I imagine the two of you together and I freak out. It freaks me out. I can't do it! I can't do it.
Ross: (while Rachel is finishing her rant) Okay! Okay! Okay! It's okay. (Rachel stops.) It's okay. Hey, it's too weird for you, I won't see her again.
Rachel: Thank you. I...yeah.
Ross: I mean after tomorrow night.
Rachel: No-no-no! No-no-no! Please Ross, I can't! I can't do it! (Starts to freak out.) It's just gonna freak me out!!!
Ross: Okay! Okay! Ooh-hey-hey-hey! Okay! Okay! Okay! I'll-I'll tell her tonight I can't see her anymore.
Rachel: Ross thanks.
Ross: You want me to call her right now?
Rachel: Oh no! No! No-no-no-no! No, I mean come on that's-that's crazy—I mean that's crazy. So what's-what's going on with you? What is going on with you?
Ross: Well umm, oh! I might be teaching another

real.

Ross: (To Rachel) Hey-hey, or I could bring my keyboard over here sometime!

Rachel: He's coming over! He's coming over!

Monica: (getting up) Joey!

Joey: (holding a plate of what looks like *Rice Crispiers Treats*) I know, here-here!! (Hands her the plate.)

Monica: Ohhh! (Takes the plate.) No! This is my friend Rachel, we went to High School together.

Rachel: (giggles and can't look at him) Hi!

Joey: (shaking Rachel's hand) Hi!

Rachel: (still not quite able to look at him) Hi! I love you on that show! I watch you everyday! I mean, when you took out your own kidney to save your ex-wife even though she tried to kill you...

Joey: Well, it's always nice to meet the fans.

Rachel: Ah!

Joey: (turning and whispering to Monica) She's not crazy is she?

Monica: No.

Joey: (To Rachel) So uh, how you doin'?

[Scene: Monica and Phoebe's, Monica, Chandler, and Phoebe are there. Phoebe's cell phone rings and she goes through her little routine of lighting a cigarette before answering the phone.]

Phoebe: Hang on! Hang on! Hang on! (Answering the phone.) Go!! Who's this? (Listens) Oh okay, you're gonna like working for me. What's your name? (Listens) What kind of name is Brendy? I... Whatever... Stop talking! All right, from now on your name is Joan. You can pick your own last name.

Joey: (entering) Hey there you are!

Chandler: Uh-oh, it's my boss!

Joey: All right, here's a list of things for you to do today. Man, this going to be so great! Thank you so much! All right, I got to go to work I'm delivering twins today, but only one of them is mine! (Exits.)

Chandler: (reading the list) Drop off my dry cleaning. Pick up my vitamins. Teach me how to spell vitamins. Wear in my new jeans.

Monica: (laughs) You realize what you are don't you?

Chandler: What?

Monica: You're his bitch.

Phoebe: (yelling from Monica's room) No-no! No!!

Monica: (panicked) Oh wait! You didn't just sit on my *Kit-Kats* did you?!!

Phoebe: No! There-there was a little, a little diff in the market and I lost 13 million dollars.

Chandler: But the *Kit-Kats* are all right?!

Phoebe: What am I gonna do?! What am I gonna do?! I can't call my office they'll kill me! I can't call my clients they'll kill themselves! Great, now my chest hurts.

Monica: What?!

Phoebe: (louder) My chest hurts! Oh, and now I-I can't breathe.

Chandler: Phoebe, are you having a heart attack?!

Phoebe: Oh, if I were, would-would I have shooting pains up and down my left arm?

Monica: Yes!!

Phoebe: Then yes that is what I'm having. (Takes another puff of the cigarette.)

Monica: Oh my God!

Commercial Break

[Scene: A hospital, Phoebe is recovering from her heart attack as Ross, Monica, and Chandler are there to comfort and support her.]

Ross: Come on Pheebs, it's not that bad! Y'know most people would be excited if they didn't have to work for a couple of weeks.

Phoebe: Most people don't like their jobs, I love my job! I have not been working for three hours and I'm already going crazy. I miss Joan.

Monica: Honey, having a heart attack is nature's way of telling you to slow it down.

Chandler: I always thought having a heart attack was nature's way of telling you to die! (Phoebe glares at him.) But you're not gonna die. I mean, you are going to die, but you're not gonna die today. I wish I was dead.

Monica: Let's take a walk. (They start to leave.) Y'know maybe you should consider writing for Talking Out of Your Ass magazine! (They exit.)

Phoebe: (To Ross) So what's going on with you?

Ross: Well umm, I've been doing a lot more of my kara-tay.

Phoebe: Still going through that dry spell with Carol?

Ross: Yeah.

Phoebe: How long has it been since you had sex?

Ross: Well, last weekend...

Phoebe: Oh that's not so bad.

Ross: ...will be two months...

Phoebe: That is.

Ross: ...since I stopped trying.

Phoebe: Maybe you need to spice things up a little.

Ross: What-what do you mean?

Phoebe: I don't know. You could tie her up, she could tie you up; you could eat stuff off each other...

Ross: Oh.

Phoebe: Y'know, dirty talk, ménage à trois, toys...

Ross: Wow!

Phoebe: Roll playing... You could be the warden;

she could be the prisoner. You could be the pirate; she could be the wench!

Ross: Okay, I think I got it.

Phoebe: Yeah! Or too, you could be two stockbrokers and you're-you're rolling around naked on the trading floor and everybody's watching! (Ross looks at her.) It never happened.

[Scene: A hospital hallway, Chandler is sitting on a gurney with his hands spread out behind his back. Then Monica comes and plops down on the gurney and one of his hands. Chandler immediately recoils in extreme pain.]

Monica: Sorry. So how's it going with Joey?

Chandler: Oh just great. He beeps me now with codes. One is, "Bring me food." Two is, "I'm with a girl, bring us food." Three is, "I'm lost and I can't find food."

Joey: (entering) Hey! Is uh, is she gonna be all right?

Monica: Yeah! She's right in there! (Points to Phoebe's room.)

Joey: Oh great. (Starts to go in.) (To Chandler) Hey! Go take off those pants, they look ready!

[Scene: Silvercup Studios, Joey is showing Rachel around the set.]

Joey: All right, and over there is Brady's Pub where I like to unwind after a long day of surgeoning.

Rachel: Wow! This is so amazing! What else? What else?

Joey: Well, that is a large piece of television equipment. (Points at a large piece of television equipment as an old man walks by.) And uh that is an old man! Hey old man!

Rachel: Hey!

Joey: All righty, what do you say we head back to my place?

Rachel: (laughs) Wow! Umm, y'know, I-I would really love to, but I-I shouldn't.

Joey: Why? (In Drake's voice.) Why can't the world stop turning, just for a moment? Just for us?

Rachel: (awestruck, then not) Isn't that a line from the show?!

Joey: Uh, yeah but uh, (In Drake's voice) I may have said those things before but, I never truly meant them. Until now.

Rachel: That's a line from the show too!

Joey: Okay, you watch too much TV.

Chandler: (approaching) Here you go Joe, here's the freshly squeezed orange juice you asked for. (Hands it to him.)

Joey: Thanks! (Looks at it.) Yeah, there's pulp in that. (Hands it back.)

Chandler: Yeah?

Joey: I thought we talked about this. I don't like pulp. No pulp. Pulp isn't juice. All juice, okay?

Chandler: I'm sorry, I guess I just like the pulp.

Joey: Oh my God, I'm sorry, I'm being so rude. (Turns to Rachel.) Rachel, would like a soda or something? Because Chandler would run right out and get it.

Rachel: Yeah sure, iced tea would be great.

Joey: (To Chandler) Iced tea.

Chandler: Okay, anything for you sir?

Joey: (To Rachel) Did I not just tell him?

Rachel: (mouthing it to him) Yes, you did.

Joey: (To Chandler) Okay look, Chandler, if this (Motions back and forth indicating the arrangement.) you have got to listen! (Tugs on his ear.) (Chandler glares at him.) You're gonna throw that juice at me, aren't ya?

Chandler: It's not all juice! (Rachel quickly gets out of the way.)

[Scene: Ross and Carol's, Ross is trying to talk to Carol about what Phoebe told him.]

Ross: So honey, this morning was fun, huh? Me hopping in on you in the shower there.

Carol: Yeah! And maybe someday we could get a place with two bathrooms.

Ross: Look Carol umm, I was, I was thinking maybe uh, maybe we can spice things up a little.

Carol: What do you mean?

Ross: Carol our sex life is—it's just not working...

Ben: (entering) Dad!! (Runs and hugs him.)

Ross: Hey there little fella! Hey, uh-hey, why don't we get some shoes on ya, huh? Hey, why don't you show dad how you can put your shoes on, in your room! Yay!!

Ben: Yay! (Runs off.)

Ross: Yay! (To Carol) Seriously, our sex life... I was thinking, maybe I don't know, we could try some-some new things. Y'know? For fun?

Carol: Like what?

Ross: Well I don't know umm, (Pause) what if we were too tie each other up? (Carol's shocked and obviously doesn't like that idea.) Umm, some people eat stuff off one another. (Carol doesn't like that idea either.) Nah! Umm, y'know we-we could try dirty talk? (Carol still says no.) Umm, we could, we could have a threesome.

Carol: (quickly) I love that idea!

[Scene: Monica and Phoebe's, Monica is eating breakfast as Chandler enters.]

Chandler: Who sold a story to *Archie Comics*?!

Monica: Oh my God! That's great! Oh wow! (Hugs him.) You're a published writer! I wish I had a present for you!

Chandler: Aww.

Monica: Wait a minute! (Quickly checks her pockets and pulls out...) My last *Kit-Kat* bar! (Chandler tries to take it, but Monica won't let go. He tugs harder, and she still doesn't budge.)

Chandler: You wanna share it?

Monica: Okay!!

Joey: (entering) Hey! Hey Chandler look, I know you're mad, but I just want to say I'm sorry. I-I was a total jerk. Completely o-over the line. Uh, I just I hate pulp! Y'know? I mean, y'know how Monica feels about low fat mayonnaise?

Monica: It's not mayonnaise!!

Joey: Yeah, o-o-o-o-okay anyway, I just wanted to say I'm sorry. Here. (Hands him a cup.)

Chandler: What's this?

Joey: Fresh squeezed orange juice, with pulp! Just the way you like it.

Chandler: Aww, thanks man. (They hug.)

Monica: Hey Joey, Chandler sold a story to *Archie Comics*!

Joey: Oh my God! That's great! Congratulations! What's the story?!

Chandler: Oh you wouldn't uh, care. It's just a stupid comic book story.

Joey: Are you kidding me?! I love Archie! And the whole gang!

Chandler: Well uh, Archie needs money to fix his jalopy (Joey laughs), uh but he doesn't want Reggie to just give him the money. So Reggie hires him as his assist—as his butler. And then makes him do all these crazy things like bring him milkshakes that can't have lumps in them.

Joey: Wait a minute. That sounds a little familiar! Did they already do that one? 'Cause I think I read it!

[Scene: Central Perk, Monica is there as Rachel enters.]

Rachel: Oh Mon, listen I have to ask! Okay, Joey Tribbiani invited me back to his apartment, now does he do this with a lot of girls?

Monica: Yeah, a lot. A lot, a lot!

Rachel: Ohh! And I'm one of them!! Wow! Oh, I just cannot believe this! I mean, Joey Tribbiani!

Monica: Well, y'know it's none of my business, but aren't you married?

Rachel: Yeah. Oh I just wish we could not be married for a little bit! Y'know I just wish we could be like on a break!

Monica: Well, you're not.

Rachel: Oh, it's so easy for you I mean, you're not married, you get to have sex with who ever you want!

Monica: Yeah I can! (Laughs) And don't think I don't, because I do! I mean all the time, you betcha! (Laughs.)

Rachel: Monica. You've, you've done it right?

Monica: (giggles) Of course I have! What do you think, I'm some 30 year old virgin?

Rachel: Oh my God! You're a 30 year old virgin!

Monica: Say it louder, I don't think the guy all the way in the back heard you!

Guy All the Way in the Back: Yeah, I heard it.

Monica: It's not like, I haven't any opportunities. I mean, y'know, I'm just waiting for the perfect guy. I'm seeing this guy Roger, all right? He's not perfect, but umm, I think maybe I should just get it over with. Y'know, give him my flower.

Rachel: Oh my God!! Do it!! Honey, you've waited long enough!!

Monica: Y'know what? You are right?!

Rachel: Yes!! I mean sex does not have to be a big deal! There shouldn't be all this rules and restrictions! Y'know, people should be able to sleep with who ever they want, whenever...

Monica: Rachel! I'm never gonna think it's okay for you to cheat on your husband!

Rachel: Oh what do you know? Virgin!

[Scene: The hospital, Ross and Monica are in Phoebe's room. Phoebe is in the bathroom and Monica notices smoke coming out from underneath the door.]

Monica: Phoebe, why is smoke coming out of the bathroom?!

Phoebe: Oh yeah, the doctor said that could be one of the side effects.

Monica: Phoebe! Put that cigarette out!

Phoebe: No! It's not a cigarette! The smoke is coming out of me!

Monica: Put it out!!

Phoebe: Okay! Okay! (Puts it out and comes out of the bathroom.) I'm so glad you're here.

Ross: Come on. (Helps her into bed as her phone rings.) I got it.

Phoebe: Oh, give it to me.

Ross: I got it!

Phoebe: Give it!

(He does a kara-tay move to silence her, then answers the phone.)

Ross: (on the phone) Hello? (Listens.) No she can't come to the phone right now. (Listens.) Oh, right no problem. Okay, bye-bye. (Hangs up.)

Phoebe: Was it my work? Were they mad? Was it Jack? Did he yell?!

Ross: J-j-just relax, nobody yelled. Jack just was calling to make sure that you were getting better.

Phoebe: Thank God.

Ross: (To Monica) Yeah, she's fired.

[Scene: Rachel and Barry's bedroom, Rachel is watching *Days of Our Lives*. Of course it's a Dr. Drake Remoray scene. It's set in a hospital room, and Dr. Wesley and a nurse are talking about a female patient with a bandage around her head.]

Nurse: You've done all you can Dr. Wesley. You have got to let her go.

Dr. Wesley: Good-bye and God speed, Hope Brady. (He goes to turn off a machine. Suddenly, Dr. Drake Remoray appears at the door with two cops!)

Dr. Drake Remoray: Not so fast Wesley! (Rachel does a silent clap.)

Dr. Wesley: (with evil dripping off his tongue) Remoray!

Dr. Drake Remoray: That's right Wesley! I just stopped by to say that, you're not a real doctor! And that woman's brain, is fine!

Rachel: (very relieved) Oh! Thank God!

[Cut back to the TV, the cops are leading Dr. Wesley out, and as they pass Remoray and Wesley exchange evil glances.]

Dr. Drake Remoray: Hope! Hope!

Hope: (sleepily) Drake!
Dr. Drake Remoray: You're not dying Hope, you're gonna live a long, healthy life. With me.
Hope: Oh Drake.
 [Drake and Hope kiss.]
Rachel: Okay! (She picks up the phone, Joey's phone number, and starts to dial.) Here we go! Okay! (On phone.) Hi, Joey! It's Rachel! Umm, I am free tomorrow night. Yeah, sure, sure I can bring some sandwiches.
 Commercial Break
 {Transcriber's Note: This is where Part II begins, which means this is now episode 616.}
 [Scene: Ross and Carol's, Carol is working on something at the table and Ross is reading a newspaper on the couch.]
Ross: So honey this uh, this threesome thing umm, I mean how-how are you gonna start to find...
Carol: Ooh, actually I've been making a list of all the women I know who might be into doing this!
Ross: (He takes the notepad she was using and looks at it.) Wow! (Flips to another page.) Huh. (Flips another page.) Boy! (Flips another page.) Well, someone's been doing their homework. (Flips two more pages.)
Carol: Yeah. Ooh, and I know Gail Rosten is in there twice, but she is so...
Ross: Oh, I know. (Laughs) Y'know, just-just talking about it is getting me kinda...
Carol: Oh, me too.
Ross: Yeah? Well, I-I think Ben's asleep.
Carol: Oh umm, y'know I think it would be better if we just save it.
Ross: Yeah. Right. Save it. I can do that. (Gets up and does a little kara-tay.)
 [Scene: The hospital, Chandler and Monica are there with Phoebe as Ross enters.]
Ross: Hey, Pheebs!
Phoebe: Hey.
Ross: Hey, how's it going?
Phoebe: Well, I've got to get out of this bed, I'm going crazy here. Crazy!
Monica: (handing her a cup) Here you go sweetie.
Phoebe: What the hell is this, herbal tea? I hate herbal tea!
Monica: But, I put some honey in it. (Phoebe mocks what Monica just said. Ross pulls Chandler aside.)
Ross: She doesn't know she was fired yet, does she?
Chandler: No, the doctors say it may kill her.
Phoebe: What are you two girls whispering about over there?
Chandler: (To Ross) But I think we should tell her.
Ross: Hey Pheebs, maybe this whole heart attack thing is a sign, that-that you should start think about getting a different job.
Phoebe: Okay, what is this? A stupid contest? Because we got a winner here! (Points at Ross.)
Chandler: Listen Phoebe, he's right. People are not supposed to have heart attacks at 31.
Phoebe: I know! But if I didn't work there, what else would I do?
Monica: Well, you used to like playing the guitar.
Phoebe: Yeah that was lucrative! Smart like your brother!
Chandler: Uh, what about y'know the massage thing? That never gave you a heart attack.
Phoebe: Hmm, pulling in a salary in the high six figures or rubbing gross naked people for chump change—ooh, what do I do?! What will I do?!
 [Scene: Joey's apartment. (The one he had when he was Dr. Drake Remoray, because he still is.) Rachel is there and admiring the big ceramic fake dog.]
Rachel: Ohh, I mean it's just so realistic!
Joey: I know. (Joey is sitting in this tall chair that is made up of balls on polls. You'll have to see it to know what I mean.) Yeah, his name is Pat.
Rachel: Pat the dog. Oh! Oh! I get it!! (Laughs and finishes her drink.)
Joey: (climbing down from his chair) Do you uh, do you—ready for a refill?
Rachel: Oh, I probably shouldn't—so I will! (Joey starts making her refill and Rachel notices that rain thing Joey has.) Oh! Wow! It's like it's raining!
Joey: Pretty cool, huh? But if you're thinking you can put a fish in there and it wouldn't get sucked up into the mechanism, well you'd be wrong.
Rachel: Umm, can I use your bathroom?
Joey: It's uh, right through there. (Points.)
Rachel: Okay. (Starts to go.) God y'know, if someone told me a week ago that I would be peeing in Joey Tribbiani's apartment...
Joey: Yeah, life's pretty great isn't it?
Rachel: Yeah, it sure is!
 [Scene: Monica and Phoebe's, Monica is pouring wine for her boyfriend, Dr. Roger.]
Monica: I hope you're hungry, we're starting with oysters. And y'know what they say about oysters, don't you?
Dr. Roger: They have parasites?
Monica: Not Umm well, some people say that Oysters are an aphrodisiac.
Dr. Roger: What people?
Monica: People! People say it! Come here! (She grabs him and kisses him.)
Dr. Roger: So oysters, huh?

Monica: And then we're gonna have a little Middle Eastern cous-cous. Something we can eat, with our hands.
Dr. Roger: Y'know, it's funny, but when we were studying communicable diseases...
Monica: No-no-no, no! It's sensual!
Dr. Roger: Ohh! Didn't know! Okay!
Monica: Okay! (They kiss again and his beeper goes off.) Ohhh no!
Dr. Roger: I'm sorry sweetie, it's the hospital. The food looks great, maybe save me some?
Monica: I can't promise anything. (She starts to dig in.) [Scene: Ross and Carol's, Ross and Carol are waiting anxiously for their new partner to arrive.]
Ross: We're really gonna do this, huh?
Carol: Looks like it.
Ross: Y'know, if, if this is too weird for you, we can still back out at... (A knock on the door interrupts him.)
Carol: (jumping up to get it) I got it!
Ross: Okay.
Carol: (opening the door) Susan! Hi! (Who'd you think it was gonna be?)
Susan: Hey! (They hug.)
Carol: Thank you so much for coming.
Susan: Oh, I wouldn't miss it for the world. (They start moving towards the bedroom, never taking their eyes off each other. They move past Ross and stop.)
Ross: I'm-I'm Ross by the way.
Susan: (not taking her eyes off Carol) Hello Ross. (Takes off her coat and hands it to him.) I love what you've done with this space.
Carol: Thank you so much. (They disappear into the bedroom leaving Ross standing in the living room holding Susan's coat.)
Ross: How hot is this?!
 [Scene: Monica and Phoebe's, Chandler and Monica are eating Monica's dinner.]
Chandler: I'm sorry you're here with me instead of Roger.
Monica: Yeah, me too.
Chandler: Well, I could make it seem like he's here. (Imitates him.) "Here's some little known facts about cous-cous. They didn't add the second cous until 1979." (Mumbles something further.)
Monica: Stop it!! That's not funny!!
Chandler: Okay.
Monica: I'm sorry, okay? It just—tonight was supposed to be y'know, it was supposed to be a big deal.
Chandler: What was tonight?
Monica: You don't want to know what tonight was.
Chandler: Okay. (Pause.) What was tonight?
Monica: Well, tonight was—was going to be my first time.
Chandler: With Roger? (Monica shrugs.) Oh my God!
Monica: All right relax Mr. I've Had Sex Four Times!
Chandler: Four different women! I've had sex way more times!
Monica: How many?
Chandler: Nine.
Monica: I was just waiting for the perfect guy.
Chandler: Well good, good for you. You really think that Roger is the perfect guy?
Monica: No. He's not a horrible guy.
Chandler: Hey that's what I tell girls about me.
Monica: Chandler, I'm gonna die a virgin!
Chandler: No you are not! You are sweet and wonderful and this is gonna happen for you.
Monica: Oh really? When? Do you wanna do it with me?
Chandler: Okay. (They both realize what he just said.)
Monica: I was kidding.
Chandler: So was I.
 [Scene: Joey's apartment, Rachel is now three sheets to the wind and Joey is watching her.]
Rachel: Joey, you're such an amazing actor! (He smiles.) How do you know where Dr. Drake Remoray leaves off and Joey Tribbiani begins?
Joey: Well, with Dr. Drake they always tell me what to say. And with Joey, I pretty much have to make it up on my own.
Rachel: Wow! Tell me something Joey—(She falls off the couch)—Whoa! I just fell right off the couch there.
Joey: Yeah you did.
Rachel: Okay. (She climbs back onto the couch.)
Joey: Here you go. Let me ask you a question.
Rachel: Yeah?
Joey: When was the last time someone told you just how beautiful you are?
Rachel: Wow! I can't, I can't feel my hands.
Joey: Come, come here. (He takes her hands in his and kisses each one, then kisses her on the lips. When the break the kiss, Rachel starts to get nauseous and throw up. Joey backs away in horror.)
 [Scene: Monica and Phoebe's, continued from earlier. Monica and Chandler are still discussing the previous question.]
Chandler: We can't do this.
Monica: No! (They both laugh.) Oyster?
Chandler: Yeah! (Takes it.) If-if-if we did do this there would be a lot of pressure on me, y'know? Because you've been waiting a very long time and I wouldn't want to disappoint you.
Monica: Yeah but see I have nothing to compare it to. So even if you're horrible, how would I know?
Chandler: I do like that.
Monica: It's harder for me! I have those four other women to compete with!
Chandler: Well, if it helps there were only three. So it would just be for tonight, right?
Monica: Absolutely! It would just be one friend (Points at Chandler) helping out another friend. (Points at herself.)
Chandler: Stop it! We're doing this! Let's do it!
Monica: Noo!! Okay!!
Chandler: Okay! (They both get up.)

Monica: Umm, do you have any uh, moves?
Chandler: I have some moves.
Monica: I have no moves. (He moves in to kiss her and she laughs and backs away.) Okay, whatcha doin' there?! (Giggles.) Oh y'know what? I'm sorry, this is just too weird.
Chandler: Yeah, let's just forget it.
Monica: What if I turn out the lights? (Runs to shut them off.)
Chandler: Okay!
 (She turns out the lights and in the darkened room Chandler starts to moan.)
Chandler: Oh yeah.
Monica: Chandler?
Chandler: (sexily) Yeah?
Monica: That's the couch.
 Commercial Break
 [Scene: Monica's bedroom, she has just lost her flower to Chandler.]
Chandler: Oh my God!
Monica: I know! I'll tell you something, we are gonna do that again!
Chandler: Oh, okay! (He rolls over to do that again.)
 [Scene: Joey's apartment, the next morning, Rachel is passed out on the couch.]
Joey: (entering) Morning!
Rachel: (wakes up suddenly and realizes where she is) Oh right.
Joey: Yeah.
Rachel: (groans) Oh God. Oh I can't believe Joey Tribbiani heard me throw up!
Joey: Well he actually saw you a little bit too.
Rachel: Noo! Oh God we did—we didn't, we didn't uhh...
Joey: Not Not No, not after seeing that.
Rachel: God I'm just a horrible person.
Joey: Wh-why?
Rachel: Because I'm married. That's right, I am a married woman! And I came to a TV star's apartment to have an affair! Uck!
Joey: That's ridiculous! I'm not a "Star," just a regular famous actor.
Rachel: Yeah and I'm a horrible, horrible person.
Joey: Rachel, would you stop saying that?! Hey-hey look, remember on the show when-when Caprice was dying and she gave me...
Rachel: The ring from the cave, yeah.
Joey: Wow! Uh okay, well uh... (He gets up, opens a drawer, and pulls out the ring.)
Rachel: (seeing the ring and gasping) Oh my God, they let you keep that stuff?!
Joey: Sure! As long as they don't find out you can keep whatever you want! And I want you to have it.
Rachel: No! No-no-no...
Joey: Yes! Yes! And every time you look at it, I want you to remember that you are a good person. Okay, you've had the chance to cheat, and with me, but you didn't. And that's what this ring stands for.
Rachel: But I thought that ring stood for Caprice's undying love for her brother.
Joey: Look, do you want the ring or not?!
Rachel: Yeah!
 [Scene: Phoebe's hospital room, Joey and Ross enter as Phoebe comes out of the bathroom wearing her robe.]
Ross: Hey!
Joey: Hey!
Ross: Look at you! You're up!
Joey: All right!
Phoebe: I thought I'd try to take a walk. Would you pour me some water? I'll be back soon.
Joey: Whoa-whoa-whoa! You're not gonna use the pay phone to call work, are ya?
Phoebe: No. I've learned my lesson. (She goes out into the hall and when she's there and the door is closed; she rips off her robe to reveal her work clothes.)
Phoebe: Let's go! Come on! Move it! (Grabs her coat.) Come on! (To an old man who's holding her shoes and briefcase.) Shoes! Briefcase! (Takes them both.) Thanks Lou, good luck with the gall bladder. (She leaves.)
 [Cut back to her room, Joey and Ross are sitting there waiting for her.]
Ross: Hey Joe did... Did you ever have a threesome?
Joey: (not quite sure of how to answer that) Well uh, look Ross I uh, I think Carol's great and I'm sure you're a very attractive man, but I...
Ross: No! The reason I'm asking is that... I sorta had one last night.
Joey: You?
Ross: Yeah!
Joey: Wow!
Ross: Yeah!
Joey: All right! So, was it amazing?
Ross: It was, it was okay.
Joey: Just okay—Did you do it right?!
Ross: Look, it's just did, did you ever go to a party and think, "Would really anyone miss me if I weren't here?"
Joey: Huh. But still Ross, you're worst day with two women, pretty much better than any other day! Y'know what I mean?
Ross: Oh-oh, absolutely!
 (They both laugh.)
Ross: It's just, my part seemed to be over pretty quickly and then, and then there was a lot of waiting around.
Joey: But you got to be with both of them, right?
Ross: Not-not really. Th-there was just Carol.
Joey: Not the other one?

Ross: No, she kept kicking me away!
Joey: Yeah, you don't want that.
Ross: No!
Joey: Well hey, at least you got to see a lot of stuff, right?
Ross: Oh I a lot of stuff!
Joey: You got a little bored?
Ross: A little. Yeah. I made a snack.
Joey: Yeah? What did ya have?
Ross: Just a sandwich. Turkey, a little mustard...
Joey: Sounds good.
Ross: It really was!
 [Scene: Monica and Phoebe's, Monica is making a sandwich as Chandler enters.]
Chandler: Hey!
Monica: Hey!
Chandler: Let me tell you about this chick I scored with last night! Oh no wait a minute that was you!
Monica: Hey, check me out, I'm a slut!
Chandler: So you uh, want to do something tonight?
Monica: Oh I can't. Dr. Roger is coming over again.
Chandler: Oh. Oh right! Right! Because you're still seeing him and uh, he's a good guy. I mean, I remember a time when... (He fakes falling asleep.)
Monica: Are you okay?
Chandler: Yeah! Totally! Totally, and you?
Monica: Great! It's so amazing! I mean, last time Dr. Roger came over, I was so nervous, but then after being with you I'm all like, "Can the doctor see me now?"
Chandler: I bet he can.
Monica: Y'know, I don't have an appointment, but I sure could use a physical. (He laughs halfheartedly) Are you sure you're okay?
Chandler: Oh yeah! Yeah! Don't worry about me, I'll be fine! (Does a kara-tay move.)
 [Scene: Rachel and Barry's bedroom, Rachel is returning from her disastrous attempt at an affair to find that Barry was much, much more successful with his.]
Rachel: Ohh! My God! Barry!!
Barry: You-you-you said you were gonna be away all weekend!
Rachel: Oh that's right! I'm sorry! I-I am early! Finish! Please!!
 [Scene: Phoebe's office, she is arriving without the knowledge that she's been fired.]
Phoebe: Surprise! Look who's back!
Arthur: Hey Phoebs!
Phoebe: Hey!
Arthur: (To another coworker) Call security. (To Phoebe) Phoebs, didn't you get fired?
Phoebe: Uh, I don't think so!
Jack: Phoebe?
Phoebe: Jack!! Hey!
Jack: What are you doing here?
Phoebe: All better! Back to work! Except this clown from research told me I was fired. He should do his research, huh?
Jack: Well, you were fired.
Phoebe: Nu-uh!
Jack: I told that guy who answered your phone.
Phoebe: Oh, okay I didn't get that message. So this doesn't count—Anyway, I'll be in my office.
Jack: Uh, Phoebe you-you don't have an office.
Phoebe: That's all right, I'll work here. This is goo, next to this plant. (She picks a place in the lobby next to a plant.)
Jack: (approaches her) Phoebe, listen...
Phoebe: You're in my office! Look, I have made a lot of cash for this company! Okay? I am talking big bucks! Pesos! Yen! Rubles! You make one little mistake...
Jack: You lost 13 million dollars.
Phoebe: Oh, so this is all about money! Y'know it's bad enough that—Ow! Oh, you have got to be kidding!
Jack: Are you all right?
Phoebe: I'm having another heart attack!
Jack: What?!!
Phoebe: I'm having another heart attack!! Call 9-1-1!!
Jack: Take it easy. (Sits her down.)
Phoebe: (to Arthur, he's the guy calling 9-1-1) Dumbass!
Woman: Hey Phoebs! How's it going?!!
Phoebe: Well, they fired me and I'm having heart attack.
Woman: Wow! Well, welcome back!
Phoebe: Yeah.
 [Scene: Central Perk, Ross is there as Rachel storms in.]
Rachel: Hi Ross!
Ross: Hey Rachel.
Rachel: Is Joey Tribbiani here?
Ross: Umm, no.
Rachel: Well, if you see him, will you please tell him that I'm looking for him and that this I am not gonna throw up!
Ross: That-that's always good news. Are you okay?
Rachel: Me? I'm great! I'm fine! I'm sooo good!! But, you know who's not great?! Men! You're a man right Ross?!!
Ross: Yeah.
Rachel: Sit down!
Ross: Okay. (He does so.)
Rachel: Let me uh, let me ask you something, do

wedding vows mean **squat** to you people?! And why is it that the **second** we tell you we're going out of town, **bamn** there you are in bed with the neighbor's dog walker?!

Ross: We're sorry.
Rachel: No seriously! Seriously! **What** has happened to the sanctity of marriage?
Ross: Didn't you spend last night at Joey's?
Rachel: Aw what are you?! A detective?
Ross: Look I-I don't know what's going on with you and your husband and what is hopefully an adult dog walker, look can I just say not all men are like that.
Rachel: Oh. (Doesn't believe it.)
Ross: Hey! There are **some** men who will do whatever it takes to make their marriage work! Okay? There are some men who will stand by and-and watch as their wives engage in-in what only can be described as a **twosome** with some-some woman she barely knows from the gym!
Rachel: Who are these men?
Ross: Men. I guy I know.
Rachel: Well, you might want to tell him it sounds like his wife is (whispers) gay.
Ross: She is not... (Realizes) She's gay. Oh my God. She is so gay! I can't believe this.
Rachel: Good day for married people huh?
Ross: I'm sorry your husband cheated on you.
Rachel: I'm sorry your wife is gay. I guess women aren't that great either.
Ross: Try telling my wife that.
 [Scene: Monica and Phoebe's, Monica is blowing out a candle as Chandler enters.]
Chandler: (sticking his head in the door) Okay to come in?
Monica: Yeah, come on, eat, whatever you want. Dr. Roger got beeped again.
Chandler: Yeah I know, guess who beeped him?
Monica: What?!!
Chandler: I'm the ruptured spleen. (Laughs.)
Monica: Why would you do that?
Chandler: Because you shouldn't be with him. (Pause.) You should be with me.
Monica: Really?
Chandler: Yeah! When you were talking about Roger, that was killing me! Look, things like last night they don't just happen. Y'know? Or at least not to me. Or with the other two women, in the morning y'know I was just lying there and I couldn't wait to just go hang out with my friends, but with you I always y'know with a friend.
Monica: Chandler!
Chandler: I know you probably don't want to go out with me, y'know because I make too many jokes and I've never been in a serious relationship and I guess I'm not technically a "doctor..." (Monica runs over and kisses him.)
Monica: There was just one woman, wasn't there?
Chandler: No, there were two.
Monica: Including me?
Chandler: Oh yeah.
 Ending Credits
 [Scene: Central Perk, Phoebe is singing a new song as the gang looks on.]
Phoebe: (singing)
 It only takes two heart attacks to finally make you see...
 One of them won't do it, but the second one will set you free...
 Tell all your hate and anger, it's time to say good-bye...
 And that is just what I will do, soon as those bastards I work for die!
 La, la-la-la, la-la-la-la, la-la-la, la-la-la-.....
 End

617 The One With The Unagi

[Scene: Central Perk, Ross, Chandler, and Phoebe are there. Joey is working.]
Ross: Hey, remember when I had a monkey?
Chandler: Yeah.
Ross: Yeah, what, what was I thinking?
Joey: (he's just picked up their bill) Hey! So, what's with the 20 percent tip? Did I do something wrong?
Chandler: Twenty percent is a pretty generous tip Joe.
Joey: Y'know what's more generous than that?! Fifty percent! Y'know what's even more generous than that?!!
Chandler: I see where you're going!
Ross: What's up with the greed Joe?
Joey: All right, look I'm sorry you guys, but it's just that I gotta get these new head shots made. And they're really expensive, y'know? I'm down to like three! Well, actually two 'cause one of 'em I kinda blackened in some teeth—Why did I do that?! (Hits himself in the head.)
Ross: Well isn't there something you can do to earn a little extra money? I mean, can't-can't you pick up, I don't know, an extra shift here?
Phoebe: Or, y'know, I used to beg for money. Of course it helps if you've got y'know a little of this (she sticks her chest out and shakes it) goin' on. Wow! I still have it!
Ross: Oh, wait! Wait! Don't you have an audition today? Yeah! Maybe you'll get that job!
Joey: Oh, ha-ha-ha! Ooh! Wait a minute, I used to get medical experiments down on me all the time!
Chandler: (reminiscing) Ah, finally an explanation.
Joey: No-no! I used to get paid for all kinds of medical stuff, remember? Let's see uh, well I don't want to donate sperm again. (To Ross) I really prefer doing that at the home office y'know? (Ross nods his head.) Ooh-oh, maybe they want like some of my blood or-or spit or something, huh?
Gunther: (approaching with a tray with an order on it) Joey!
Joey: Yeah?
Gunther: What did I tell you about talking to your friends while you're working?
Joey: Uhh do it?

Gunther: That guy (points) has been waiting for his coffee for ten minutes! He's complained about you three times! (He hands the coffee cup to Joey, assuming that Joey will deliver it and walks away.)
Joey: Well, where was I? (Takes a sip of the coffee.)
 Opening Credits
 [Scene: Central Perk, Ross is there as Phoebe and Rachel enter wearing workout clothes.]
Ross: Hi!
Phoebe: Hey!
Ross: Hey, what have you guys been up to?
Phoebe: Ohh! We went to a self-defense class today!
Ross: Wow!
Rachel: Yeah, kicking a guy in the crotch all morning really takes it out of ya!
Joey: Takes it out of you? (Laughs.)
Phoebe: Now, we can kick anybody's ass!
Rachel: Yeah!
Ross: After one class? I don't think so.
Rachel: What? You wanna see me self-defend myself?! Go over there (points) and pretend you're a sexual predator! Go on! I dare ya!!
Ross: Well, of course you can defend yourself from an attack you know is coming, that's not enough. Look, I studying kara-tay for a long time, and there's a concept you should really be familiar with. It's what the Japanese call (he holds two fingers up to his temple, and he does this every time he says this word) unagi.
Rachel: Isn't that a kind of sushi?
Ross: No, it's a concept!
Phoebe: Yeah it is! It is! It's freshwater eel!
Ross: All right, maybe it means that too...
Rachel: Ohh! I would kill for a salmon skin roll right now!
Ross: Y'know what? Fine! Get attacked! I don't even care!
Phoebe: (deadpan) Come on Ross. We're sorry. Please tell us what it is.
Ross: Unagi is a state of total awareness. Okay? Only by achieving true unagi can you be prepared for any danger that may befall you!
Phoebe: You mean in case someone is trying to steal your bamboo sleeping mat or your kettle of fish? (Rachel laughs and Ross mocks her.)
Ross: (moves closer) All I'm saying is, it's one thing being prepared for an attack against like each other; whole another story being prepared for an attack, I don't know, like a (turns and puts his face close to Rachel's and screams) **surprise!** (Rachel calmly wipes the spittle off her face.)
Ross: All right, you know that one was coming, but that doesn't mean you have unagi. (Does the finger thing.)
Rachel: (To Phoebe) Ooh! Y'know what? If we made reservations, we could have unagi in about a half-hour.
Ross: Y'know what... (Moves away as Chandler enters, panicked.)
Chandler: Hey-hey, is Monica here?
Phoebe: No.
Ross: No.
Chandler: Okay, look I need your help, I don't know what to get her for Valentine's Day.
Rachel: Well, Valentine's Day was like two weeks ago, so I wouldn't get her a calendar!
Chandler: (laughs) She was working on Valentine's Day so we're celebrating it tonight.
Joey: Ohh, hey! Why don't you book a date for both of you at one of those romantic spas?
Phoebe: Ooh, Joey, that's actually a really good idea!
Joey: And of course, crotchless panties.
Chandler: Well appealing as that does sound to her boyfriend (pause) and her brother, (the camera pans to Ross flashing Joey a very evil look; Joey gets scared) I can't do that we promised we'd make each other gifts this year.
Rachel: Aw, I love that.
Phoebe: You guys!
Joey: You can't make crotchless panties? You take, you take a pair of scissors and you just cut...
Rachel: (interrupting him) Okay-okay-okay! So, making things. That sounds like so much fun.
Chandler: Yeah, I thought so to until I paper mached one of my eyes shut.
Phoebe: Oh, I love paper mache! What did you make?
Chandler: I made a... (Does one of those gibberish words.)
Phoebe: What is that?
Chandler: Nothing!
Ross: So what are you gonna do?
Chandler: Well, have you guys made anything that maybe I can take credit for?
Phoebe: Ohh! I have! I have! I started making these little sock bunnies! (She takes out a sock that's been made into a bunny with eyes, nose, mouth, whiskers, and two other socks sown onto it for ears.) Oh for crying out loud!
Rachel: Hey, wait a minute! That is my sock!
Phoebe: Now, it's your little bunny friend. (She sticks it in Rachel's face and they both laugh.)
 [Scene: Monica and Chandler's, Chandler is desperately trying to make his Valentine's Day gift. He takes a paper cup, turns it upside down, sticks two pencils into the top, and hangs a coat hanger from the bottom.]
Chandler: (admiring his work) This, this actually is a... (Does the same gibberish word from before.)
Monica: (entering) Hey!
Chandler: Hey! Honey, can I ask you a question about the Valentine's Day gifts?
Monica: Oh, yeah.
Chandler: Do we have to make the entire thing?

Monica: Yes! Why, did you—you forget to make yours?

Chandler: Of course, of course not. I just have to uh, go over to the place where I-I made it and pick-pick it up.

Monica: Okay. (They kiss.) Okay, I can't wait! This is going to be the best Valentine's Day ever! (Chandler giggles and exits.) I can't believe it! Make the presents! Make the presents!

Chandler: (sticking his head back in) What?

Monica: I'm just so excited to make the presents! (Chandler does another sarcastic/scared laugh and leaves.) Shoot!

[Scene: A Medical Research Office, Joey is there to sign up for an experiment, any experiment.]

Joey: (to the receptionist) Hi uh, I'm Joey Tribbiani and with all do respect I'd like to donate some fluids.

Receptionist: We're actually at the end of one of our research cycles, so we're not looking for applicants right now.

Joey: Oh that's too bad. I've kinda been saving up. (She just looks at him in horror.) Uh, are you sure there's no studies I can participate in?

Receptionist: Well, here's a schedule of what's coming up. (Hands it to him.)

Joey: Thanks. (Starts to read it.) Well but this one starts now. (Points to one.)

Receptionist: Oh that one is available now, but only identical twins are eligible. It's a twins study.

Joey: But it's \$2,000.

Receptionist: Sorry.

Joey: Well how about this one? Testing the effects of Joey Tribbiani on attractive nurse receptionists.

Receptionist: We already got the results back on that one, and they're not good. (Joey beats a hasty retreat.)

[Scene: The Hallway between the Apartments, Ross is hiding behind that bump out on Monica's side waiting for Phoebe and Rachel. As they come up the stairs, he jumps out and yells...]

Ross: DANGER!!! DANGER!!!! (They both scream and jump away.)

Phoebe: Ross!!!

Rachel: What the hell was that?!

Ross: A lesson in the importance of unagi. (He starts doing the finger thing every time now.)

Phoebe: Ohh, you're a freak!!

Ross: Perhaps. Now I'm curious, at what point during those girlish screams would you have begun to kick my ass?

Rachel: All right, so we weren't prepared!

Ross: I'm sorry I had to take such drastic measures to make my point, but I—look, I just want you guys to be safe. (Monica comes out to throw out the garbage and Ross screams...)

DANGER!!!! (She completely ignores him and keeps walking.) Ahhh, huh? Unagi.

[Scene: Cole-Geddes Casting Agency, Joey is there on his audition and thinking about that 2,000 bucks for the twins study.]

Joey: (in his head) 2,000 bucks is a lot of money. Oh, I wish I had a twin. Where could I find someone who looks exactly like me? (The camera widens its shot to reveal a room full of Joey look-a-likes. Joey looks at the guy next to him and then back at his script.)

[Scene: Ross's apartment, Ross is coming in from doing his laundry. He starts folding it as Chandler enters.]

Chandler: Hey.

Ross: (not turning around) Chandler. I sensed it was you.

Chandler: What?!

Ross: Unagi. I'm always aware.

Chandler: Okay, are you aware unagi (does the finger thing) is an eel?

Ross: What's up?

Chandler: I can't figure out what to make Monica.

Ross: Oh, why don't you make her one of your little jokes.

Chandler: I'm going crazy! Okay? Do you have any thing around here that looks homemade?

Ross: Y'know what? She'd-she'd love this. (Picks up a model of the Saturn V rocket, that's the one that took man to the moon.) Uh, it's an exact replica of Apollo 8. I made it in the sixth grade.

Chandler: Yeah, I guess I could use that. I could say that your love sends me to the moon.

Ross: Yeah-yeah, except Apollo 8 didn't actually land on the moon. But you-you could write that umm, your love lets me orbit the moon twice and return safely. (Apollo 8 was the first one that orbited the moon and the one that read the Christmas Story from the orbit of the moon on Christmas Eve, 1968. They also took the famous Earthrise picture of the Earth rising over the moon.)

Chandler: Wait a minute, I can't give this to her.

Ross: Why not?

Chandler: Because it says "Captain Ross" on the side and "I hate Monica" on the bottom.

Ross: Oh.

(Chandler leaves dejectedly. When the door closes Rachel and Phoebe jump out from behind the curtains and scream...)

Phoebe and Rachel: DANGER!!!! (Ross screams like a little girl.)

Rachel: Ahhhhh, salmon skin roll. (She does the finger thing.)

[Scene: Monica and Chandler's bedroom, he's still

trying to figure out what to make Monica.]

Chandler: Okay. Okay. (He goes to the closet, moves the clothes out of the way, and notices an empty hanger. He takes the empty hanger and bends it all out of shape. Then he holds it out as if he's giving it to her.) Yes honey, I made it myself. (He throws it down and goes to her chest, grabs something, goes to the bed table, and takes out a pair of scissors. He turns around and holds the scissors to the crotch of the panties he just removed.) I can't do it. I can't do it. (He throws them both down and continues looking. He opens another closet door and finds a tape.) Oh! Oh! A mixed tape! A mixed tape!! (He runs out into the living room.)

[Cut to the living room, Chandler is entering as Monica finishes wrapping her present for him on the kitchen table.]

Chandler: Hey! Hi! You uh, ready to exchange gifts?

Monica: Sure! Okay, you go first.

Chandler: Okay, come here! Come here.

Monica: Okay! (She takes her present for him and they move over to sit on the couch.)

Chandler: Now, it's not wrapped because I just, just finished it.

Monica: Okay.

Chandler: But I made you a tape of what I think are all romantic songs.

Monica: Oh, what a great gift! Is *The Way You Look Tonight* on it?!

Chandler: (momentarily terrified) Maybe we'll have to listen and see!

Monica: Oh, I love it! Thank you so much!

Chandler: Okay!

Monica: Okay, you ready to open yours?

Chandler: Yeah!

Monica: Okay.

(He opens his present to find Phoebe's sock bunny from earlier.)

Chandler: It's a sock bunny.

Monica: Yeah-yeah, you remember how I call you bunny?

Chandler: Not really.

Monica: Well, I did one time, and-and I want to start doing it more. See that's what this is about.

Chandler: I see. Y'know umm, Phoebe makes sock bunnies.

Monica: No! No, she doesn't. Uh Phoebe, what she makes—that's uh—they're sock rabbits. They are completely different—Okay! Okay! Okay! I didn't make it! I'm sorry! I totally forgot about tonight and the fact that we're supposed to make the presents!

Chandler: Oh, it's okay. I don't...

Monica: No-no, it's not okay! It's not! I mean you were just... You're so incredible! You went through all this time and effort to make this tape for me! Y'know I'm just gonna—I, I am gonna make this up to you! I will! I-I am going to cook anything you want in here (points to the kitchen), and I am going to do anything you want in there! (Points to the bedroom.)

Chandler: (thinking it over) Well, I did put a lot of thought in the tape. (They both run into the bedroom.)

Commercial Break

[Scene: Monica and Chandler's bedroom, they are relaxing in sexual bliss.]

Chandler: Wow! (To the sock bunny still on his hand.) You are way to young to have seen that!

Monica: Oops! (Covers its eyes.) Y'know, your birthday is in a month-and-a-half, what do you say I forget to get you a present for that too?

Chandler: You are totally and completely 100% forgiven.

Monica: We have got to wash that! (Referring to the sock bunny.)

Chandler: Yeah! (Takes it off his hand and throws it behind the night-stand.)

Monica: Do you remember that jacket that you love so much, that you thought was too expensive?

Chandler: You have done enough!

Monica: I wanna wake up early and go get it for you!

Chandler: No you don't—get it in black, not brown. (The oven dings.)

Monica: Oop, your cake is ready!

Chandler: Oop!

(They both get out of bed and go get some cake.)

Chandler: Well, it's like that old saying, have some sex, eat some cake.

(As they approach the kitchen, the door opens and in walks in a Joey look-a-like.)

Joey's Look-A-Like: Hey Mon! Hey Chann! (He goes to the fridge) Just gettin' a soda! (Does so.)

Monica: Who the hell are you?!

Joey's Look-A-Like: I'm Joey! How are you doin'?!
Joey: (entering) No! No! No! No! No! How you doin'?! How you doin'—Damn it Carl! Go wait in the hall! (Goes into the hall.)

Joey: Look, I got to apologize on the behalf of Carl.

Chandler: Who the hell is Carl?!

Joey: Oh, did I not mention? Carl is a guy I hired to be my identical twin for a medical research project.

Chandler: Y'know sometimes the good ideas are just right in front of you, aren't they?

Joey: Okay, I know it sounds crazy, but I think it might work. Y'know? The only problem is, Carl's acting is... (Does the international hand symbol for so-so.)

Monica: The only problem!

Joey: Yeah, he's the reason I didn't get that big *Minute Maid* commercial a couple of years ago remember? We were supposed to be brothers, but he messed it up.

Carl: (sticking his head back in) Hey, uh can I get a little piece of that cake?

Joey: (to Carl) Pizza!! We like Pizza!! Get out!!! (Carl does so.)

[Scene: Phoebe and Rachel's, Phoebe and Rachel are returning.]

Phoebe: Pat Sajak?

Rachel: Yep!

Phoebe: Alex Trebek?

Rachel: Oh, of course!

Phoebe: Chuck Woolery?

Rachel: Definitely! Phoebe, you will not find a single game show host, who's ass I cannot kick.

(They start to walk into the living room and notice someone's head sticking up from behind a chair. The camera cuts to the other side and we see it's Ross.)

[Time lapse. The girls have Ross pinned face down. Phoebe is sitting on his back and arms while holding his head down and facing Rachel. Rachel is sitting on his knees and holding his lower legs vertically, causing Ross pain.]

Rachel: Say it!

Phoebe: Say we are unagi!

Ross: It's not something you are! It's something you have!

Rachel: Say it!

Ross: Y'know what? I can easily get out of this, but there is a chance you can get very, very hurt! (Rachel yanks on his legs again and he groans in pain.)

[Scene: The Medical Research office, Joey is there with Carl in the waiting room. Two identical twins come out and both wave by at the same time.]

Joey: All right Carl, we're next. Now remember, what is not gonna be?

Carl: Another *Minute Maid* fiasco.

Joey: That's right! And what are you not gonna do?

Carl: Well, I'm not gonna talk because...

Joey: (gets very angry) Damn it Carl! (Carl goes to say something more, and Joey silences him with a grunt.)

The Doctor: (entering) (To the receptionist) Can I have the next one please? (Takes the form.) Joey and Tony Tribbiani. (Joey and Carl stand up.)

Joey: That's us.

The Doctor: (seeing they're not identical) But uh, this is a study for identical twins.

Joey: That's right, \$2,000.

The Doctor: But, you're not identical twins.

Joey: Damn it Carl!

[Scene: Monica and Chandler's, Monica is getting ready for Chandler's arrival. He enters and finds the place lit with candles and dinner on the table.]

Chandler: Oh my good God.

Monica: Hey! Continuing the countdown of your favorite meals. Tonight, No. 3, macaroni and cheese with cut up hot dogs.

Chandler: Look, you have done enough! Okay? You have to stop this now.

Monica: I will! But not tonight. For dinner music, I thought we could listen to that tape you made me.

Chandler: Oh, the mixed tape.

(Monica pushes play and *The Way You Look Tonight* starts to play.)

Monica: *The Way You Look Tonight* is on here! Dance with me?

(He hesitates, then goes over to dance with her.)

Monica: You are just the sweetest. (They kiss.)

(Suddenly, a strange and familiar voice comes out of the tape player. Here's a hint, OH...MY...GAWD!! That's right, it's Janice!)

Janice: I love the way you look every night Chandler! (Monica breaks the kiss and Chandler freezes in terror.) That's why I made you this tape! Happy Birthday! Love Janice!

Chandler: No! You're the sweetest! (He tries to kiss her but Monica backs away with a look that could kill on her face.)

[Scene: A women's self-defense class, the instructor is just finishing a class.]

The Instructor: Okay ladies, that ends today's class, and let's remember, let's be safe out there. (The women all clap and start to leave as Ross comes up to the instructor. Apparently he was hiding in the back.)

Ross: It's a great class.

The Instructor: Thanks.

Ross: Yeah, yeah, I was watching. (The instructor just nods and walks away.) Umm, hey, a couple of questions though. Umm, about that-that-that last move where the woman tripped you and then pinned you to the floor, what-what-what-what would you do next?

The Instructor: Well, she would take her keys and try to jam them...

Ross: No. No-no. No. What would you do next?

The Instructor: Who? Me the attacker?

Ross: Yes that's right.

The Instructor: Why?

Ross: I tired attacking two women, did not work.

The Instructor: What?!

Ross: No, I mean it's okay, I mean, they're-they're my friends. In fact, I-I-I was married to one of them.

The Instructor: Let me get this straight man, you attacked your ex-wife?!

Ross: Oh, no! No-no! No, I tired! But I couldn't. That's why I'm here. Maybe we could attack them together? (He glares at him.) That-that's a no.

[Scene: Monica and Chandler's, Chandler is trying to explain himself to Monica.]

Chandler: I am so, so, so sorry!

Monica: (not buying it) Uh-huh.

Chandler: And I will cook anything you want in here (points to the kitchen), and do anything in there! (Points to the bedroom.)

Monica: (pointing to the kitchen) Yeah you will! (Points to the bedroom) And, are you kiddin' me?!

Chandler: Come on Monica, it's our Valentine's Day. Please? Please-please, please?

Monica: Okay.

Chandler: Okay. (They hug.)
Janice's Voice: (singing) My funny valentine, sweet comic valentine! You make me high over my heart!
 (Monica breaks the hug and starts for the bedroom.)
Chandler: So, are we going in there?
Monica: I am!! (Enter her room and closes the door behind her.)
Janice's Voice: (singing) *You're look for laughable...*(She does the now patented Janice laugh.)
 Ending Credits
 [Scene: The street in front of Central Perk, Ross is walking up and sees two women that look like Phoebe and Rachel from behind.]
Ross: Ah-ha, nowhere to run! (He starts to run towards them.)
 [Cut to Central Perk, Phoebe and Rachel are sitting up by the window because two guys have their couch.]
Rachel: I don't like sitting up here! I'm just gonna over... (She starts to get up.)
Phoebe: (stopping her) No Rachel! They got here first!
 (Ross appears at the window behind them crouched behind a garbage can and ready to spring his attack on who he thinks are Phoebe and Rachel. The camera cuts to the exterior view and Phoebe and Rachel call the shots from inside.)
Phoebe: Why is Ross doing that?
 Ross: DANGER!!!!
Rachel: Oh my God! Why is he jumping on those women!
Phoebe: We should help him!
Rachel: I... Well, I don't think they need any help. (Ross starts to scream and run away. He stops in front of the window of Central Perk to check the pursuit and notices Phoebe and Rachel inside looking at him. He mouths, "What?" Then realizes that the women he attacked are closing in so he screams and runs away.)

618 The One Where Ross Dates A Student

[Scene: Monica and Chandler's, Chandler, Rachel, and Joey are there as Ross enters.]
Ross: Hey! I just got uh, my teacher evaluations! Check out what this one student wrote, "I loved Dr. Geller's class. Mind blowing lectures! Dr. Geller, you are definitely the hottie of the paleontology department!"
Chandler: Ahh, Hotties of the Paleontology Department, there's a big selling calendar, eh?
Rachel: Who wrote it?
Ross: Oh, I wish I knew, but the evaluations are all anonymous.
Joey: Oh hey, do you still have their final exams?
Ross: Yeah.
Joey: Oh, 'cause you can just match the evaluation to the exam with the same handwriting and boom, there's your admirer. (Ross is stunned.)
Chandler: A hot girl's at stake and all of the sudden he's Rain Man.
Rachel: Okay, wait a minute, wait a minute, why are we so sure that this is a girl?
Ross: It's a girl! Anyway, it wou—it wouldn't matter. Okay? Because I'm a teacher and she's a student.
Chandler: Oh, is that against the rules?
Ross: No, but it is frowned upon.
Chandler: I see.
Ross: Besides, there's a big age difference.
Joey: Oh, well think of it like this, when you're 90...
Ross: I know when I'm 90 she'll be like 80 and it won't seem like such a big difference.
Joey: No that's not what I was going to say at all. No, what I was going to say is when you're 90 you'll still have the memory of what it was like to be with a 20-year-old.
 Opening Credits
 [Scene: Monica and Chandler's, Phoebe, Monica, and Chandler are eating breakfast as Joey enters.]
Joey: Hey Chandler! Y'know that girl you went to college with who-who became a movie director?
Chandler: Oh yeah, Dana Keystone. She was in my Movement class.
Phoebe: What's a Movement class?
Monica: It's Chandler's way of pretending he didn't take mine.
Joey: Oh well listen, anyway she's directing the new Al Pacino movie. You gotta get me an audition!
Chandler: Oh, I don't know man. I haven't talked to her in like ten years.
Joey: No-no-no, please-please Chandler I-I-I would owe you so much!
Chandler: You do owe me so much. You owe me three thousand, four hundred...
Joey: Hey-hey dude, why are you changing the subject? Why? Will you make the call or what?
Chandler: Oh okay, I-I-I'll try.
Joey: All right! Thanks! You're the best! Now listen, the last day of auditions is Thursday. Okay? So I gotta get in there by Thursday. Okay? Just remember Thursday. Thursday. Can you remember Thursday?
Chandler: Yeah so, Tuesday?
Joey: (angrily) Thursday! Look if you need help

remembering think of like this, the third day. All right? Monday, one day. Tuesday, two day. Wednesday, when? Huh? What day? Thursday! The third day! Okay?!
Chandler: (sarcastically) Thank you.
Joey: Okay.
Rachel: (entering from the bathroom) Hey Mon? I'm gonna check my messages.
Chandler: You just thought of that in there?
Monica: Yeah sure, nature called, she wanted to see who else did.
 (Rachel dials her number.)
Rachel: (on phone) Hello? (Shocked that someone answered.) Uh, Rachel. (To the gang.) Great, someone is in our apartment. Call the cops!
Monica: You're on the phone!
Rachel: (on phone) Oh my God! Oh my God! Thank you! (Hangs up) That was the fire department, there was a fire at our place!
Phoebe: Oh my God! How bad was it?
Rachel: Well, he didn't say, but it was a fire. I'm guessing not very good. Come on, we gotta go!
Monica: Come on! (The girls all run out and Joey holds up Chandler by smiling.)
Chandler: What are you smiling about? What is so funny?
Joey: The part I want to audition for is a fireman, this is so meant to be!
 [Scene: N.Y.U. Paleontology department, Ross is putting up the grades on the message board.]
Burt: (another professor) Wow! It looks like you were very generous with your grades this semester! (Ross frantically starts to change some as a female student, Elizabeth, approaches.)
Elizabeth: Professor Geller?
Ross: (startled) Yeah?
Elizabeth: I wanted to say how much I enjoyed your class.
Ross: Oh thank you. Thanks very much. (Leans up against the board and on a thumbtack.) Ow! (He pulls away.)
Elizabeth: Uh, I'm a little embarrassed about calling you a hottie on my evaluation...
Ross: That was you?
Elizabeth: Yeah. I felt a little weird about it. You're a teacher. I'm a student. But would you maybe want to go out with me sometime?
Ross: Oh I, I don't-I don't think that would be the best idea.
Elizabeth: Oh, because I was thinking, the semester's over; you're not my teacher anymore.
Ross: What time?
Elizabeth: (checks her grade) Oh, y'know what? Forget it, you already gave me an A.
Ross: Gotcha. (Starts to leave.)
Elizabeth: I'm kidding!
Ross: Oh! So-so seriously, what time?
 [Scene: Phoebe and Rachel's, everyone minus Ross are arriving to inspect the damage. The fire department is still there.]
Phoebe: Coming through! (Has to dodge a fireman) Oh! Coming through! (Sees a cute one.) Oh! Hello! Hi! (Smiles then realizes) No! Right! Coming through!
 (They start to look around seeing that the living room is undamaged.)
Monica: Oh well, it's not so bad.
Fireman #1: Yeah, most of the damage is pretty mostly contained in the bedrooms.
Phoebe: Oh!
Rachel: My God! (They both run into the bedrooms.)
Joey: (to the fireman) Hey buddy, do you think I can borrow your uniform this Thursday?
Fireman #1: Excuse me?
Monica: Joey! He's working! (To Chandler) You would look good in that.
 (Phoebe and Rachel return)
Joey: Oh, how bad is it?
Phoebe: Oh, it's bad. It's really bad. The only thing in there that isn't burned is an ass. Which I do **not** remember buying!
Chandler: How's your room Rach?
Rachel: Everything's ruined. My bed. My clothes. Look at my favorite blue sweater. (Hold it up.)
Monica: Isn't that mine?
Rachel: Fine! I'm sorry for your loss! (Hands it back to her.)
Fireman #1: So uh, you're not gonna be able to live here for a while, you ladies have a place to stay?
Rachel: (stands up) Wow! Oh-okay, look pal, I am **not** in the mood to be hit on right now! But if you give me your number I will call you some other time.
Monica: (pulling Rachel back down) Yes, they can stay with us.
Chandler: Have you figured out what started the fire Mr. Fireman?
Fireman #1: Well uh, do either of you smoke?
Phoebe: No, not usually. But yeah, I could use one right now.
Fireman #1: No-no-no, do you uh light candles? Burn incense?
Phoebe: Yes! I do! All the time! I love them! Oh my God! I did it! It's me! It's me! I burned down the house! I burned down the house!
Rachel: Okay Phoebe calm down, there's no need to place blame. Okay? (To the fireman) I warned her about those candles.
 [Scene: Monica and Chandler's, Chandler is on the phone as Joey enters.]
Chandler: God, it's great to catch up! I can't believe how long it's been!
Joey: Chandler, is that... (Mimes someone using a movie camera and Chandler nods yes.)
Chandler: (on phone) Oh that's great! Good for you.
Joey: Hey-hey listen... (Chandler waves him away.)

Chandler: Okay! So yeah, maybe we can get together umm... (Joey mimes throwing something in the air, catching it, rolling it out, putting it in an oven and cutting it.) Can you hold for one second please? (To Joey) What?!

Joey: When you're off the phone, do you wanna get a pizza?

Chandler: (on phone) Hi! I'm back. (Goes to hang up the phone.) Yeah, that sounds great. (Listens) Okay. Well, we'll do it then. (Listens) Okay, bye-bye. (He hangs up the phone and turns around to see Joey standing close to him and screams.)

Joey: Hey listen, so when's-when's my audition? I mean I know it's Thursday, but what time?

(Monica enters.)

Chandler: Hi.

Monica: Hey!

Chandler: (To Joey) We didn't get to the audition. I'm gonna take her to coffee and then we'll do it then.

Joey: Ah-ha!

Monica: Wow! So, now you're going on a date with this girl?

Chandler: Honey, it is not a date! I haven't talked to her in ten years! You can't just call up somebody you haven't talked to in ten years and ask them for a favor. There are rules, y'know? You gotta, you got to put in some time.

Monica: You're right, I'm sorry. It's not like you're y'know, going out with an ex-girlfriend.

Chandler: No, we only went out once.

Monica: You dated her!

Chandler: Not once!

Monica: All right, well why don't I go out with an ex-boyfriend and do Joey a favor?!

Joey: Hey, you wanna do Joey a favor, maybe you go out with Joey. (He turns around to see Chandler glaring at him.)

[Scene: Central Perk, Chandler is having coffee with Dana.]

Chandler: (laughs) Oh that's great, my friend Joey's in the movie business.

Dana: Y'know who I ran into from school? Howie.

Chandler: (giggles) My friend's name is Joey.

Dana: Apparently Howie's editing now. Yeah, he-he-he calls me up and asks me if he can edit my new movie. Can you believe that?! Y'know I-I-I haven't spoken to him in like ten years and he asks me for a favor!

Chandler: Yeah, I've always hated that Howie.

Dana: No, no "How you doing?" Man, I mean not even a cup of coffee first!

Chandler: The nerve huh?

Dana: Yeah!

Chandler: Refill?

[Scene: Monica and Chandler's, Monica is about to debut Hotel Monica (formerly known as Rachel's Room) to Phoebe and Rachel.]

Monica: Now, this is last minute so I want to apologize for the mess. Okay?

(They walk into a completely redecorated and repainted room. And of course, the room is immaculate. Only an obsessive-compulsive like Monica could find fault with the room.)

Rachel: Oh my God! It sure didn't look this way when I lived here.

Monica: I know! Now look, there's only one problem though. There's only room for one, so I guess one of you will have to stay at Joey's.

Phoebe: Well, since the fire was kinda my fault I guess (To Rachel) you should get to stay here.

Rachel: Hey! Hey-hey, now this was no one's fault Phoebe. Okay? It was an accident.

Phoebe: Well no, it was my fault so you should get the nice room.

Rachel: Okay! (She jumps on the bed.)

Monica: So Rach! You're the first guest at Hotel Monica! Umm, you'll just have to tell me how you like your eggs in the morning. And I thought I would bring them to you, y'know, in bed. Oh, you have been through so much.

Rachel: I have.

[Scene: Joey's apartment, Joey is showing Phoebe around.]

Joey: This right here is where I keep the pizza. (He points to the chair.) And uh that's where the napkin is. (Points to the floor next to the chair.)

Phoebe: What's that smell?

Joey: I know! (Shrugs his shoulders.)

[Scene: A street, Ross is walking with Elizabeth on their date.]

Elizabeth: Oh please! It was such a big class! You never even noticed me!

Ross: What? Of course I did! You uh, you sat next to Sleepy Sleeperson.

Elizabeth: Who?

Ross: Oh uh, I had trouble remembering everyone's name, so I-I kinda came up with nicknames. Like the guy on the other side of you was Smelly von Brownshirt.

Elizabeth: Oh yeah. So umm, did you have a nickname for me?

Ross: Umm, no. No.

Elizabeth: Yes you did! What was it?

Ross: Umm, it's Cutie McPretty.

Elizabeth: Ohh that's so sweet!

Ross: Listen, I gotta tell ya, I-I'm having a great time! Y'know how before you said it might be weird, the whole student teacher thing, and to be frank I thought it would be too, but it's not. I mean it's not at all.

Burt: (exiting from a restaurant) Dr. Geller!

Ross: (pushing Elizabeth into a doorway) Burt!

\$50.

Joey: Ooh! So close.
(Ross and Elizabeth enter.)

Ross: Hey everybody!

All: Hi!

Ross: Hey uh, this is Elizabeth.
Elizabeth: Oh hi!

All: Hi!

Elizabeth: I'm the student.

Chandler: (laughs) Isn't she cute? (On Monica's death stare) No!

Phoebe: Y'know, this is probably none of my business, but weren't you guys supposed to not be seen in public together?

Elizabeth: Oh, we're not together.

Ross: Oh no-no-no, we're just two people who happen to run into each other here at the coffee house. (He winks at her.)

Phoebe: Oh, sly.

Elizabeth: Well, I really wanted to meet you guys, but I have to run. I'll see you later?

All: Okay!

Elizabeth: Bye Ross.

Ross: Bye.
(They kiss.)

Elizabeth: Oops! I did not mean to run into you like that sir.

Ross: Oh that is quite all right ma'am. (Elizabeth exits.)

Chandler: So, why is she leaving? Is it a school night and she has a lot of homework to do?

Ross: Yes, her molecular epidemiology paper is due tomorrow.

Chandler: Oh, tell her good luck with that.

Ross: Anyone else? Huh? Bring 'em on!

Rachel: Oo! When's her birthday?

Ross: I don't know Rachel, why?

Rachel: Well, y'know it's just been so long since I've been to *Chuckle Cheese*.

Monica: Oh, I like Elizabeth.

Ross: Well thanks!

Monica: Yeah. In fact, I like her so much you tell her I want my cookies early this year! Y'know, a box of *Thin Mints* and some *Tag-a-Longs*.

Joey: Hey-hey come on you guys, give him a break. Ross, seriously, how's it going with her?

Ross: Well, actually it's been great. She's 20 so she's not looking for anything too serious, which is perfect for me right now.

Monica: Well that is great. And seriously, she seems very nice.

Ross: Thanks. I know you guys like to give me a hard time and all, but it really means a lot to me that you like her. Just knowing that you guys are...

Phoebe: (interrupting) Okay, I got a good one. Okay, umm, what is she? Like 12?

[Scene: Monica, Chandler, and Phoebe's, Chandler is sitting at the table and Monica is doing something in the kitchen.]

Monica: Chandler, do you think we talk about our relationship enough?

Chandler: Yeah. Do we have any *Fruit Roll-Ups*?

Phoebe: (entering) Hey!

Monica: Hey!

Phoebe: Okay, I just thought of the perfect guy for Rachel to take to her thing.

Chandler: Oh that's so funny because we found someone too.

Phoebe: Oh that's good, I guess she'll have a choice between my guy and your weirdo.

Chandler: Why would our guy be a weirdo?

Phoebe: 'Cause that's just your taste.

Monica: (laughs sarcastically) Rachel is not going to pick your stupid guy.

Phoebe: Oh yeah?

Monica: Yeah!

Phoebe: My guy is a lawyer who has volunteer work. And, he has one of these (She squeezes the skin on her chin together to form...)

Chandler: A face ass?

Phoebe: A chin dimple!

Monica: Well, uh y'know, our guy works with Chandler and he's really nice and smart and he's a great dresser!

Phoebe: Have you seen your guy's body?

Chandler: No, our guy is just a floating head.

Phoebe: Well my guy is spectacular. Okay? He's a massage client and one time umm, when he was on the table, I looked at it. And I mean all of it.

Monica: You're not supposed to look!

Phoebe: Oh yeah, like there are police for that!

Chandler: (horrified) Wait! You look? You-you massaged me.

Phoebe: I know. (Laughs.)

Monica: All right fine, your guy may have a great body, but our guy is really funny.

Phoebe: Oh, Chandler funny?

Monica: Our guy's a great dancer!

Phoebe: My guy is well read.

Chandler: Our guy has great hair.

Phoebe: My guy has great teeth!

Chandler: Our guy smells incredible.

Monica: (To Chandler) Do you want our guy to be your guy?

[Scene: Joey and Rachel's apartment, Chandler is entering to find Joey bingeing on the food from the fridge. Joey isn't doing all that well.]

Chandler: Hey.

Joey: Huh.

Chandler: Well, you...don't look good Joe.

Joey: The fridge broke. I have to eat everything.

Cold cuts, ice cream, limes—Hey, what was in that brown jar?

Chandler: That's still in there?!

Joey: Not anymore. So anyway, how do you want to pay me?

Chandler: Is this a service you're providing me?

Joey: No! No! No! For my new fridge—our new fridge!

Chandler: Our new fridge? I don't live here anymore.

Joey: So what? Look, suppose we were a divorced couple.

Chandler: Uh-huh.

Joey: And I got custody of the kid, right? Now suppose the kid dies and-and I gotta buy a new kid.

Chandler: (not quite sure where Joey's going and is a little worried) Okay...

Joey: (pause) Give me \$400!

[Scene: Ross's office, he's unlocking his office door as Elizabeth walks up.]

Elizabeth: Professor Geller?

Ross: Hmm? (Turns around and sees that its Elizabeth) Oh, a student I don't know.

Elizabeth: I was wondering if I could talk to you for a moment?

Ross: Yes, yes of course, what-what would this be regarding?

Elizabeth: Making out in your office.

Ross: Shh! (Laughs then composes himself) Of course, why don't we go inside?

(They go inside and Ross closes the door. When he turns around Elizabeth walks up to him, pushes him back against the door, and starts kissing him.)

Ross: Oh-oooh!

Elizabeth: What?

Ross: Doorknob! Doorknob!

Elizabeth: Oh! Sorry! Umm, I actually do need to talk to you.

Ross: Oh, okay. What-what about?

Elizabeth: Spring vacation.

Ross: Spring vacation.

Elizabeth: Yeah, we have time off and a lot of people are going on trips...
(Another professor barges in.)

Professor Feesen: Professor Geller!

Ross: (quickly jumping away from Elizabeth) Yes, professor Feesen-sen-stenler... I'll be with you in one moment. (To Elizabeth) So, I will take one box of the *Thin Mints*. (And he ushers Elizabeth out of the office.)

[Scene: Joey and Rachel's apartment, Ross, Chandler, and Joey are entering.]

Ross: You don't understand! Elizabeth was about to ask me to go on a trip with her! Is that taking it slow?! No, I'm not ready for this! Okay? What-what do I tell her?

Chandler: Just tell her the truth! Tell her you're not ready.

Ross: I can do that. Oh-oh, what if she gets upset?

Chandler: Then you distract her with a *Barbie* doll.

Joey: Or! You can just, y'know... (He walks up close to whisper in Ross's ear and when he gets there he pushes Ross into the fridge.)

Ross: What the hell are you doing?

Joey: What? What the hell am I doing? You just broke my fridge!

Ross: What?! What? How do you, how do you even know its broken?!

Joey: Oh-ho-ho, you think I don't know what breaks my fridge? Excuse me! (He opens the door and feels inside.) Well what do you know! Broken! That'll be \$400!

Chandler: Joey, I saw you push him!

Joey: (pause) You pushed him!

Ross: Joey, I did not break this! Okay? (He opens the freezer and smells inside and recoils in disgust.) That has been broken for a while.

Joey: All right. Chandler, do you remember how I told you about our fridge?

Chandler: Uh-huh.

Joey: I still haven't gotten a check for your half yet.

Ross: Do not give him any money!

Joey: I'm not talking to you! You broke my fridge!

[Scene: Ross's office, he's opening the door to Elizabeth.]

Elizabeth: You wanted to see me Professor Geller?

Ross: Yes. Yes! Please, come in.
(She does so, he closes the door, and she pushes him against the doorknob again.)

Ross: Oo-oo!

Elizabeth: Doorknob?

Ross: Yeah, it kinda grows on you. (They both laugh.) Actually, I wanted to finish talking to you about uh, spring vacation.

Elizabeth: Oh good.

Ross: Look, I... (He has trouble sitting in his chair.) Look, I'm having a great time with you and I just don't want us to move to fast or put to much pressure on us. So, I'm sorry I just don't think we should go away together yet. It's-it's too soon.

Elizabeth: Ross, I think you misunderstood what I was saying. I just wanted to tell you that I'm going to Florida for a couple weeks.

Ross: No. I think you misunderstood what I was saying. What I meant was...

Elizabeth: You are so adorable.

Ross: That! Let's talk about that.

[Scene: Central Perk, Monica, Chandler, and Phoebe are there as Ross enters.]

Ross: Hey!

Chandler: Hey!

Phoebe: Hey!

Monica: Hey! How did it go with Elizabeth?

Ross: Huh? Oh-oh, it was fine. Uh, it was just a misunderstanding. She didn't want me to go with her. She just wanted to let me know that she's going to Florida for spring vacation.

Chandler: Wait a minute, is she going for spring vacation or is she going for spring break? (Does a little whooping/party noise.)

Ross: What's-what's the difference?

Monica: Well, spring vacation is doing nice things with your grandparents. Spring break you're doing frat guys.

Ross: Hey, y'know what? Not all spring breaks are like that.

Phoebe: What did you do on yours?

Ross: I went to Egypt with my dad.

Chandler: I can see it now, "Look dad, it's the Sphinx!" (Does that party noise again.)

Ross: Hey, I think Elizabeth is a little more serious than, "Spring break!" (Imitates the party noise.) All right? I mean she's taken my class!

Monica: And slept with the professor.

Ross: I'm gonna call her.

Chandler: Yeah.
(Ross leaves to do so and Rachel enters with a guy.)

Rachel: Hey! You guys umm, I want you to meet Sebastian.

Sebastian: Hi.

Rachel: We just uh, we just met at the newsstand. We both grabbed for the last *Field & Stream*. (Chandler's shocked.) What? I read that.

Sebastian: Can I get you a cup of coffee?

Rachel: Oh yes! Thank you! (He does so and Rachel sits down on the couch.)

Phoebe: Rachel, what the hell is this?!

Rachel: (shocked) What?

Phoebe: You ask us to find you a guy and you come traipsing in here with your own!

Rachel: You found me a guy?

Monica: Yes! We found you a really cute and funny guy from Chandler's work!

Phoebe: Yeah and I-I found you one too who is not a weirdo.

Rachel: Well, y'know what though you guys? I really appreciate that but I think I'm just gonna take Sebastian to the charity.

Chandler: Are you sure?! Because our guy smells incredible!

Monica: Uh, would you stop it with that already?!

(Sebastian returns with the coffee.)

Sebastian: Here you go. (Hands her, her cup.)

Rachel: Oh, thank you.

Sebastian: Sure.

Phoebe: So, Sebastian, do you do any volunteer work?

Sebastian: Uh, no not really. Why?

Phoebe: No reason, it's just I know a single guy that cares about other people.

Chandler: Are you funny?

Sebastian: Excuse me?

Rachel: What are you guys doing?

Monica: Are you funny? Tell us a joke!

Sebastian: Look, I just wanted to have coffee with Rachel.

Phoebe: Well, so do a lot of people.

Sebastian: Actually, I uh, I gotta get going. (To Rachel) Give me a call sometime.

Rachel: Oh, but y'know, no, you didn't give me your phone number.

Sebastian: Okay! See you later! (Exits.)

Chandler: (To Monica) Turns out he is kinda funny. Commercial Break

[Scene: Central Perk, continued from earlier.]

Rachel: I cannot believe you guys! He was really nice and he left because of you!

Chandler: Yeah, but Sebastian? What is that? A cat's name?

Phoebe: Yeah, y'know what I noticed Rachel? He scares easy. Is that the kind of guy you'd like to take to a ball? "Hey Sebastian, would you like to dance?" (Imitates him.) "Uhh, okay—I gotta go!"

Monica: All right guys stop it. Rachel, we're very sorry that is a very insensitive thing for us to do. And y'know what? Let us make it up to you, we have two really great guys for you.

Phoebe: Yeah! What have you got to lose? Y'know you might even end up with someone really special (whispers) if you pick my guy.

Rachel: All right.

Chandler: Okay, so you will meet our guys?

Rachel: Yes, I'll meet 'em.

Chandler: Okay now it doesn't matter which one you choose, y'know? It's completely up to you. Our guy is perfect, or you can go out with the guy Phoebe deemed not good enough to go out with herself.

Joey: (entering) Pheeb's! There you are! Okay, you broke my fridge: you owe me 400 bucks!

Phoebe: Okay sure!

Joey: Really?!

Phoebe: Ooh, technically you owe me \$600 for sending out happy thoughts on your last ten auditions.

Joey: Call it even?

Phoebe: Okay.
(Ross returns.)

Chandler: (To Ross) Well, there you are! So what did Elizabeth say?

Ross: Well, it turns out that she is going to Daytona for spring break woo-hoo. That means, that means wet T-shirt contests, guys doing shots off of girl's bodies, waking up next to people you don't even know...

Joey: Man, she is going to have a great time! Is she staying at the Hotel Corona?

Chandler: You know the hotels?

Joey: Sure! I was there! Spring Break '81! Woo-hoo!

Monica: In 1981 you were 13!

Joey: So what? I drove down, sold T-shirts, had a blast. And y'know who knows how to party? Drunk college chicks.

Ross: Okay, she can't go.
Phoebe: Ross, you can't tell her not to go. You just started dating.
Ross: Then what am I supposed to do?
Phoebe: Nothing, you just have to be cool with it.
Ross: Well, what is she goes down and-and sleeps with a bunch of guys?
Chandler: Well, maybe you **don't** marry this one. [Scene: Elizabeth's apartment, she is packing for her trip as Ross watches.]
Ross: I'm so glad you're going on this trip!
Elizabeth: Yeah! I've been working so hard this semester. I really need to go crazy y'know, blow off some steam.
Ross: Sure. Sure. Look I don't, I don't know if your plans are finalized yet, but umm, hey I-I know another great way to blow off steam.
Elizabeth: What?
Ross: Are you into crafts at all?
Elizabeth: Ross, are you okay?
Ross: Well, yeah, of-of course I'm okay! What? I'm just being supportive. Supportive of you and this whole trip, and-and (notices something) what-what is uh, what's this? (He holds up a rather skimpy bathing suit.)
Elizabeth: It's a bathing suit?
Ross: To wear in front of people?
Elizabeth: Is that supportive?
Ross: Is this?!

[Scene: Central Perk, Rachel is reading as Monica and Chandler enter.]
Monica: Hey!
Chandler: Good-good-good-good.
Monica: Hey!
Chandler: Hey!
Rachel: Hi!
Monica: We're really glad you decided to meet our guy.
Rachel: Oh...
Monica: You're gonna like him so much. So umm, when do you want to meet him?
Rachel: I don't know. I know I don't work late tomorrow night.
Chandler: Tomorrow night is good. Tomorrow night is good, but uh, y'know what? Why put off something till tomorrow that you can do right now? (Laughs) Eldad come here! (He stands up from the next table.)
Rachel: What?
Monica: Eldad, this is Rachel.
Eldad: How are you?
Rachel: Well-well a little blind sided but y'know good.
Chandler: Eldad, sit down. (To Rachel) Move over! Move over now!
Rachel: I—Ohh! (Moves over and lets Eldad sit on the couch.)
Chandler: There you go! There you are! (Rachel stares at Monica and Chandler)
Monica: Okay! Okay! We can take a hint! (They start to leave but run into Phoebe with her guy in tow.) (To Phoebe) What are you doing here?!

Phoebe: This is Patrick. (Points to him.)
Patrick: Hi.
Chandler: Hi. (To Phoebe) Okay, you're too late okay? Because she's already with our guy.
Phoebe: (looks) Oh my God, you're right! I am too late; they're sitting on the couch and talking! (To Patrick) Come on! (They go over to the couch.)
Rachel?
Rachel: Yeah?
Phoebe: This is Patrick.
Rachel: Oh, hi.
Patrick: Hi.
Phoebe: Yeah, this is the guy I was telling you about.
Rachel: Yeah?
Phoebe: Yeah. And believe me, this suit does not do justice to what's underneath it.
Rachel: Oh-okay, but Pheebs?
Phoebe: Yeah?
Rachel: I'm just sort of in the middle of something.
Phoebe: Oh! Okay! Yeah, that's okay. (To Patrick) Have a seat. (Sits Patrick down next to Rachel.)
Monica: No! You can't do that!
Eldad: Maybe I should go!
Monica: (stopping him) Sit down! We're winning!
Rachel: Okay, y'know what? Maybe I should go!
All: (Chandler stops her) No-no-no-no! Have a seat! Have a seat!
Monica: Rachel! Rachel! You haven't touched Eldad's hair!
Chandler: It is the softest hair! Touch it! (Both he and Monica do so.)
Rachel: Yeah, I'm good.
Phoebe: Rachel? Patrick is really rich. (To Patrick) Give her some money.
Patrick: Y'know what Phoebe? This isn't really worth the free massage.
Monica: That's right Patrick, bye-bye!
Chandler: (To Rachel) Eldad is much more cooperative! And he can dance! (To Eldad) You dance for Rachel!
(He starts to get up, but Rachel stops him.)
Rachel: No-no! Don't dance for me! Please? Don't! (She gets up to yell at her 'friends.') What is the matter with you guys?
Phoebe: Yeah, okay, let's talk it out.
Rachel: I... Am I the only one that this is embarrassing for?

Eldad: I'm a little embarrassed. (Chandler shushes him.)
Rachel: I'll tell ya who should be embarrassed! It's you guys! Come on! This is ridiculous! Thank you very much, but I do not need you to get me a date!
Phoebe: Then why did she ask us to...
Rachel: I am still talking!! And then you chase away the one guy that I actually liked! I mean, no offense to you guys. Really! I mean (To Patrick) congratulations on all the cash, (He nods) and-and y'know—(Feels Eldad's hair)—Wow! You do have very soft hair! But I would much rather go to the ball all by myself than go through anymore of this! Good-bye! (Grabs her stuff, starts to leave, then turns back suddenly, and to Eldad) Now do you use some sort of special conditioner on that hair?!

Eldad: Yes, Papaya Extract.
Rachel: Thank you! (Storms out.)
(Scene: The airport, Elizabeth's flight is about to leave and Ross is there to send her off.)
Ross: So uh, have a great time down there.
Elizabeth: I will.
Ross: Yeah. And did you, did you pack that bathing suit?
Elizabeth: Yeah.
Ross: It was pretty funny when I, when I hid it for a while, huh? Anyway, umm, I-I am worried about that bathing suit, not because it's revealing which I'm fine with, no I'm concerned about your health, sun exposure.
Elizabeth: Oh, don't worry I have plenty of sun block, it's SPF-30.
Ross: Well, if what's in the bottle is actually 30. I mean sometimes you get 30, sometimes it's-it's get 4, and I swear to God more often than not it's just milk.
Elizabeth: Ross, it's going to be okay. I'm not going down there to hook up with a bunch of guys. I really like you. I like how things are going between us.
Ross: Really?
Elizabeth: Yeah! I'm just going down there to relax and hang out with my friends.
Ross: Okay. Cool.
Elizabeth: Oh hey! Here they are!
(A group of about 10 guys and no women come running around the corner.)
Guy: Elizabeth!
(The guys pick up Elizabeth and carry her onto the plane as she waves bye.)
Ross: Call me!
Ending Credits
(Scene: Monica, Chandler, and Phoebe's, Rachel, Chandler, and Phoebe are there.)
Phoebe: Rachel, we're sorry for pushing those guys on you.
Rachel: Oh that's all right! Y'know, I ended up having a really good time. Y'know, the charity was a big success and they raised a lot of money and awareness.
Chandler: So what was it for anyway?
Rachel: I wanna say a disease.
Joey: (entering) Hey!
All: Hey!
Joey: I just got this really weird message from Ross. He said turn on *MTV*.
Rachel: Huh. All right.
(Rachel does so and it's one of those dance party shows they have during spring break and we see...)
Phoebe: Oh my God, look! That's Elizabeth!
(Suddenly Ross jumps in and starts dancing with her.)
Rachel: Oh-oh Professor Geller.
Joey: Ahh, to be 13 again.
Chandler: Yeah.
End

620 The One With Mac and C.H.E.E.S.E.

[Scene: Joey and Rachel's apartment, Phoebe is helping Joey rehearse for an audition. Phoebe is overacting her part.]
Joey: The reactor's gonna blow in three seconds, we're never gonna make it!
Phoebe: You've got to get out of here! Save yourself!
Joey: No! I won't leave you!
Phoebe: Don't worry about me, I'm a robot! I'm just a machine!!
Joey: No you're not! Not to me!
Phoebe: (she stops reading from the script) Oh my God.
Joey: What?
Phoebe: I am **extremely** talented!
Joey: Yeah, you're great! Okay, let's take it from...
Phoebe: (interrupting) No, I mean I was really acting my ass off.
Joey: Yeah, I thought I was pretty good too.
Phoebe: Oh yeah, you're solid. Yeah, you're just no me.
Joey: Y'know what? I think that's enough for now. Yeah. I don't want to be over rehearsed.
Phoebe: (tremendously overacting) Fine! I'll do it without you! (Joey gives her thumbs up) I don't need you or anybody else! I'm gonna make it on my own! (Joey closes the door to his bedroom.) You'll see!! You'll **all** see!!
Opening Credits
(Scene: Joey and Rachel's apartment, Joey is memorizing his lines. Chandler, Rachel, and Phoebe are there as well.)
Chandler: (To Joey) So uh, what's this thing you're auditioning for?
Joey: Oh, it's a new TV show. Yeah. I'm up for the part of Mac Cavelli or "Mac." Yeah, I'm a detective and I solve crimes with the help of my robot partner. He's a, he's a Computerized Humanoid Electronically Enhanced Secret Enforcer or-or "C.H.E.E.S.E."
Rachel: So Mac and C.H.E.E.S.E.
Joey: That's the title! Yeah! Y'know they really lucked out that the initials spell cheese.
Chandler: That is lucky.
Rachel: Huh—Wait so Joey if you get this, you're gonna be like the star of your own TV show! I mean you'll be like the Big Cheese! (To Phoebe) Or the Big Mac—Hey! You **love**

those!
Joey: Well, don't get your hopes up, because probably not gonna happen.
Chandler: Now-now, why would you say that Joseph?
Joey: I mean come on you guys! My own TV show? I just don't know if I'm good enough.
Phoebe: I am.
Rachel: Joey, what are you talking about? You're a terrific actor.
Joey: You really think so?
Rachel: Ugh, how can you even ask that question?!

[And with that we go into the save the budget portion of the show, which features flashbacks from previous episodes. The first set of auditions feature high lights or low lights of Joey's acting career. The first flashback is from [The One With The Lesbian Wedding](#).]
(Scene: Monica and Rachel's, everyone is there to watch Joey's first scene as Dr. Drake Remoray.)
Chandler: Whoa, she's pretty. (Mentioning the girl on TV)
Joey: Yeah, and oh she's really nice too. She taught me all about how to work the cameras, and smell-the-fart acting.
Rachel: I'm sorry, what?
Monica: What?
Ross: Excuse me?
Joey: It's like, you got so many lines to learn so fast, that sometimes you need a minute to remember your next one. So while you're thinkin' of it, you take this big pause where you look all intense, you know, like this. (Does this intense look where it looks like he's smelling a fart.)
Chandler: Oh, ok.
Joey: (there's a gunshot on TV) There's my scene, there's my scene. [*Joey on tv*] "Mrs. Wallace, I'm Dr. Drake Ramoray, your sister's neurosurgeon. I'm afraid the situation is much worse than we expected. Your sister is suffering from a..." (Does the smell-the-fart look.)
[The next flashback is from [The One With The Butt](#). The gang is watching Joey in Freud!]
Joey: (on stage in an Austrian accent) Vell, Eva, ve've done some excellent vork here, and I would have to say, your wproblem is qviiite clear. (He goes into a song and dance number.)
All you want is a dingle,
What you envy's a schwang,
A thing through which you can tinkle,
Or play with, or simply let hang...
[The next flashback is also from [The One With The Butt](#) and it's also on the soundtrack. He's Joey telling everyone about his big break in Monica and Rachel's apartment.]
Joey: I play Al Pacino's butt. All right? He goes into the shower, and then- I'm his butt.
Monica: (trying not to laugh) Oh my God.

Joey: C'mon, you guys. This is a real movie, and Al Pacino's in it, and that's big!

Chandler: Oh no, it's terrific, it's- it's- y'know, you deserve this, after all your years of struggling, you've finally been able to crack your way into show business.
Joey: Okay, okay, fine! Make jokes, I don't care! This is a big break for me!

Ross: You're right, you're right, it is.
Monica: Yes.
Ross: So you gonna invite us all to the big opening?
[Cut back to Joey about to leave for his audition for Mac and C.H.E.E.S.E.]
Joey: All right well, I'm outta here. Wish me luck.
Phoebe: (overacting with a song this time) (singing) Goodood luck! Goodood luck! We all wish you good luuuuuuuuck!!!
Joey: Yeah, whatever. (Exits.)
[Scene: Central Perk, Chandler and Ross are playing chess and are both studying the board intently.]
Ross: It's your turn.
Chandler: Oh, are we playing this?!
Joey: (entering, dejectedly) Hey.
Chandler: Hey! How'd the audition go?
Joey: Terrible! I messed up **every** line! I shouldn't even be an actor!
Ross: Wait a minute, are you doing that thing where you pretend it didn't go well but it really did go well?
Joey: Yeah, did I fool ya?
Ross: Totally!
Chandler: So it did go well.
Joey: Oh, it went **amazingly** well!
Ross: Great!
Chandler: Oh that's great!
Joey: Yeah-yeah, it's down to me and two other guys.
Chandler: Oh my God!
Ross: Wow!
Joey: And I know both of them, they're really good. One of them is the guy from those allergy commercials who's always getting chased by those big flowers...
Ross: Oh, I love that guy! (Laughs.)
Chandler: Oh-oh, what are you doing?
Ross: (stops laughing) What **am** I doing?
Joey: I'm just so nervous! Y'know? The callback isn't until tomorrow at five. I feel like my head is going to explode!
Chandler: Well, it is overdue.
Ross: Look, don't worry. Okay? You're gonna be fine.
Joey: There's just so much pressure. I mean no offense, but what you guys do is very different. I don't know if you'd understand.

Paul: No.

Rachel: All right! (Throws them back under the cushion.)

Paul: Oh, here they are right here. (Picks them up from underneath the corner of the couch.)

Rachel: Oh good.

Paul: Thanks for your help. (Starts to leave.)

Rachel: (chasing after him) Oh, wait! Sorry, Mr. Paul? Mr. Paul?

Paul: Just call me Paul.

Rachel: Paul. Umm, I just wanted you to know that Ross really is a great guy.

Paul: Well maybe you can date him then that would save me the trouble of killing him. (Rachel laughs then starts looking at him.) Are you okay?

Rachel: You just don't look old enough to have a twenty-year-old daughter.

Paul: Well, we were very young when we had her.

Rachel: Oh. We?

Paul: Well yeah, it usually, it takes two people to... (He taps his index fingers together.)

Rachel: Oh no! Yes! Of course, I know that! I just—I meant y'know are you still a 'We' or are you just 'You'?

Paul: I'm just me, my wife died shortly after Lizzie was born.

Rachel: (sympathetic) Ohh. So you raised her all on your own?

Paul: Yes I did.

Rachel: Ohh. (She touches his arm for support and likes what she feels) Ooh!

[Scene: Monica, Chandler, and Phoebe's, Phoebe is still writing in her book, Chandler and Monica are in the kitchen as Joey enters.]

Joey: Hey!

Chandler: Hey!

Phoebe: Hey!

Monica: How was your first day?

Joey: Pretty great! Except I did get a little attitude from the robot.

Chandler: Damn those robots, they're supposed to be our faithful servants!

Joey: Anyway, it wasn't the robot, it was the guy who controls him. Yeah, he doesn't like me. He had C.H.E.E.S.E. knock over the sandwich right when I was reaching for one! Ohh!

Phoebe: Well, why don't you just get him fired?

Joey: I may have to, I hate to do it, but I'm the star! Y'know? There's a limit to how many sandwiches I can eat off the floor. (His cell phone rings) Excuse me. (Answers it, on phone) Joey Tribbiani.

Estelle: (on the other end) Joe! I'm glad I found ya, I got an audition for ya!

Joey: Wow!

Estelle: The thing is it's kinda on the Q.T. The actor who has the part doesn't know he might be fired. It's the lead in a series, Mac and C.H.E.E.S.E.

Joey: I'm the lead in Mac and C.H.E.E.S.E.!!

Estelle: Uh-oh!

[Scene: Joey and Rachel's, Ross is entering looking for Joey, but instead he finds Paul and Rachel making out on the couch.]

Ross: Joey?!

Paul: Hi Ross.

Rachel: I was just getting him to like you.

Commercial Break

[Scene: Joey and Rachel's, scene is continued from earlier.]

Ross: Joey?! Joey!! (He runs into his bedroom.)

Rachel: Ross, Joey is not here.

Ross: Okay, I'll just wait for him in here!

Rachel: Ross, it's okay. You can come out.

Paul: Yeah Ross it's okay, it's me, Mr. Stevens.

Ross: (coming out of the bedroom) Oh! Oh my God! I didn't even see you!

Paul: Sure you did! You came in, you got all awkward, and you ran into the bedroom. You were shouting, "Joey! Joey!" Bye Rach. (Kisses her.)

Rachel: Bye!

Paul: I'll call you later. Bye Ross. (Leaves)

Ross: What-what-what the—how da-how did-what the-how did-what?!

Rachel: Well, y'know he lost his keys so he was looking for them...

Ross: (incredulous) In your mouth?!

Rachel: No! Downstairs! And we got to talking y'know, for like two hours, and I really liked him so I invited him up here for a cup of coffee.

Ross: You were at the coffeehouse!

Rachel: Ross, what's the big deal? So I kissed the guy!

Ross: He is my girlfriend's father, okay? It's-it's, it's weird!

Rachel: Wh—You dated my sister!

Ross: That was different!

Rachel: What? Why?!

Ross: This is weird for me!

Rachel: Ross look, look this is good for you. Okay? Let's face it, so far the guy's not lovin' ya! But I can turn that around! I got the inside track! We can all go out to dinner, y'know? And I can talk you up! Ross, the guy is a very, very successful lawyer!

Ross: How is that important?

Rachel: Oh it's important!

[Scene: Monica, Chandler, and Phoebe's, Joey is telling everyone about his impending termination at Mac and C.H.E.E.S.E.]

Joey: Apparently, there's like a million guys out there that can play Mac, and there's only this one robot and this one guy who controls it! I didn't know he could get me fired! What am I going to do?

Monica: Well y'know Joey, you're a pretty charming guy.

Joey: Thanks, but I kinda have a problem to deal with here.

Monica: No sweetie, you've got to win over the guy that controls C.H.E.E.S.E.! You've got to kiss some serious robot ass!

Joey: That's not a bad idea. Yeah. Okay, but if I got to turn on the charm tomorrow I'm not wasting anymore of it over here with you guys. (Starts to leave, but stops and turns to Phoebe.) Well, actually I got a little bit saved for you Pheebs. (Exits.)

Chandler: So do you think uh, Joey's more charming than me?

Monica: Yeah! That's why I'm sleeping with him on the side.

Chandler: Yeah, you wish. (Stops to think about it and gets depressed.)

Phoebe: (writing in her book) "You wish."

Monica: Phoebe, stop writing about us!

Phoebe: I'm not writing about you! I'm writing about other people.

Chandler: Who?

Phoebe: Marcia and Chester.

Monica: Okay fine! Fine! Then you know what, I'll just write about Phyllis! Hmm!

Chandler: Hmm.

Monica: (writing on a piece of paper) Phyllis is sitting in a chair.

Chandler: Oh.

Phoebe: I see what you're doing!

Monica: (still writing) Phyllis sees what I'm doing.

Chandler: Oh-oh.

Phoebe: Ooh, I have tasted my own medicine and it is bitter!

Chandler: Pier 59 Studios, Joey is walking up to C.H.E.E.S.E. and Wayne.]

Joey: Morning! Hey, how's my favorite genius and my little robot buddy?!

(Pats C.H.E.E.S.E. on the head.)

Wayne: Don't touch him!

Joey: Okay! (He yanks his hand away.) All right. Umm, all right Wayne, level with me. Okay? I-I keep hearing all these rumors that I might get fired. Okay, they even have actors coming in to read for my part! Come on man, you-you got to give me a second chance! I mean, I love-I love this little guy! (He grabs C.H.E.E.S.E.'s arm and pulls it off at the elbow.) Ah-ah!! (Wayne is shocked.) Okay, that's why you didn't want me to touch him right? Here you go! Okay? (Hands Wayne the arm and he goes to fix it. Meanwhile Joey starts to berate himself.) Stupid! I can't believe it! God! (A very beautiful woman walks by.) (To her) Hey, how you doin'? (He and her go over to talk and Wayne looks on with envy.)

[Scene: A Restaurant, Ross and Rachel are on their double date. Rachel is busy talking Ross up.]

Rachel: So it seemed that my prom date had stood me up, so Ross selflessly, offered to take me.

Elizabeth: What a nice story!

Paul: So Ross was in college and decided to jump at the chance to take a young girl to her high school prom.

Rachel: Wow! I definitely did not see that one backfiring! I'm gonna go to the bathroom.

Ross: Yeah, take your time. (Rachel heads for the bathroom.)

Ross: (to Paul) Just-just so you know I was a freshman and she was a senior. So it wasn't as bad as-as...

Paul: Ross, look, I know I've been giving you a lot of jabs and it's partly because I'm very protective of Lizzie, and partly because well, they just keep coming to me. But I have to admit that after all the wonderful things that Lizzie has told me and the many, many, (pause) many stories that Rachel has told me that, well (pause) you're not (pause) all bad.

Ross: Not all bad.

Paul: And anyhow, I'm sorry I was so harsh before, but you have to understand that I (pause) still look at Lizzie like she's a twelve-year-old girl.

Ross: Yeah. You know what? I know what you mean; I do that too.

Paul: I beg your pardon?

Ross: No! No! No!—I don't mean I-I see her as a twelve-year-old girl! I mean I-I have a son, who's umm six and I still think of him as a baby.

Paul: You have a son?

Ross: Yeah, well my-my ex-wife and I share custody of Ben and umm, uh, and just so you know, Carol and I are on excellent terms as I'm sure you are with your wife! (Realizes) Oh, I'm sorry! (To Elizabeth) It's unbelievable!

Paul: Don't worry about it, I just didn't realize you were married. (Rachel returns and hears that.)

Rachel: Oh we were, but that was just a (pause as the audience reacts), I mean that was just a big drunken mistake.

Ross: You're back.

Paul: You two were married?!

Rachel: Oh! Whoops! I'm sorry, you were talking about Emily!

(Ross slams his head down on the table.)

[Scene: Monica, Chandler, and Phoebe's, Monica and Chandler are entering and they're arguing.]

Monica: Chandler, we said we would meet at the coffeehouse on six.

Chandler: We said seven!

Monica: We said six!

Chandler: The only way that I said six would be if the seven's, let meet at seven, not at six.

Monica: Yeah and if I had seven, maybe I would've said something like this, "Wow! My boyfriend's such a wise ass—seven!"

Phoebe: (Turning around in the chair) Hi!

Chandler: Oh my good God!

Monica: Ugh!

Phoebe: I know what time you said.

Chandler: What?!

Phoebe: Well actually, I know what time Chester and Marcia said.

Monica: What time?

Phoebe: Quite an interesting turn of events, suddenly it's my book to the rescue, huh? (Reading her book) Ooh, very interesting. Yeah, well this certainly clears things up.

Chandler: (disgusted) What does it say?!

Phoebe: I will tell you as soon as you thank me for writing my book.

Chandler: Thank you for writing your book. Its-its uh, great book and you are the queen of everything.

Phoebe: Thanks! So are you.

Chandler: (To Monica) I told you I should not wear this color. (He's wearing a reddish-orange sweater.)

Phoebe: (reading from her book) Mon... (Pause as she restarts) Marcia and Chester are planning on seeing a movie on Sunday night. Marcia thinks they're supposed to meet at six, Chester thinks it's at seven.

Chandler: So you knew we were gonna miss the movie!

Phoebe: That's right.

Monica: Inside of telling you you decided to write in your stupid book!

Phoebe: (writing in her book) Marcia and Chester are mad at Phyllis.

[Scene: Joey's Dressing Room, Joey and Chandler are there.]

Joey: I can't believe I'm going to lose this job!

Chandler: Oh I'm so sorry man! Is there anything I can do?

Joey: Yeah! Help me get this mini-fridge past the security guard.

(There's a knock on the door and Joey answers it to Wayne.)

Wayne: Hey Joey, I want to talk to you.

Joey: Yeah? Well, I don't want to talk to you Wayne! I hate you! You ruined my life! Oh, Chandler, Wayne. Wayne, Chandler. (They shake hands.)

Chandler: Hi, how are ya?

Wayne: Joey, Joey, I-I-I'll g-get you your job back if you help me out.

Joey: (incredulous) Why should I help you?!

Chandler: (whispering in Joey's ear) The reason he just said.

Joey: (happily) What do you need?

Wayne: I-I-I saw you on stage talking to that beautiful woman, y'know Sarah?

Joey: Yeah?

Wayne: I wish I could talk to her.

Joey: What are you in love with her or something?

Wayne: Yeah. Her. All of them. Anyone.

Chandler: Yeah, I've been there my friend.

Wayne: Listen, I-I guarantee you keep your job if you can teach me how to talk to women like you do.

Joey: Oh wow Wayne, it's not really something you can teach y'know? It's pretty much something you're born with if you—(Off Chandler's look)—You-you can teach it! I'll show you right how to do it.

[Scene: A Restaurant, Rachel is still trying to talk up Ross, not to much success.]

Rachel: I mean if you think about it, I mean Ross did learn something from each marriage.

Paul: How to make the next one even shorter?

Rachel: Now wait a minute that's not fair. He was married to me a hell of a lot longer than he was married to Emily, he just didn't tell me. (Everyone looks at her, Ross not happily.) Maybe I have to pee again. (Gets up to try to use the bathroom.)

Paul: Well, this is fun. So Ross, did you kill any of these wives?

Ross: Y'know what? I-I-I... I-I have had enough of this! Y'know, I-I-I care a great deal about your daughter and I have treated her with nothing but respect! So if-if you've got a problem with me, frankly...

Paul: Are you yelling at me?!

Ross: God no!

Elizabeth: Y'know what daddy? If you don't like Ross, that's fine. It doesn't matter to me, I'm gonna go out with him anyway.

Paul: Really?! (She nods in the affirmative.)

Ross: Well if it doesn't matter to her, it doesn't matter to me! (to Paul) Still not yelling!

Paul: Wow. What can I say? (Pause, pointing at Ross) This doesn't make me like you any better!

Ross: That's okay, I'm not so crazy about myself right now either.

Paul: Then we agree?

Ross: Uh yeah, I guess—Yeah! I guess so.

Paul: Neither of us like Ross!

Elizabeth: I like Ross.

Ross: Ohhh! Kids!

Rachel: (returning) Wait-wait-wait, I just thought of another story about how nice Ross is!

Ross: That's okay Rach, we're not liking Ross right now.

Rachel: Oh! I've got a lot of those too!

Ending Credits

[Scene: Mac's Office, Mac is talking to C.H.E.E.S.E. about their case.]

Joey: Well, it turns out you were right C.H.E.E.S.E.

C.H.E.E.S.E.: The shipment never made it through Omaha?

Joey: You got it! And the rabbi's beard, 100% horsehair. Nice catch C.H.E.E.S.E.! (Pauses as he waits for C.H.E.E.S.E.'s next line.) It's your line C.H.E.E.S.E.! (Suddenly C.H.E.E.S.E. goes crazy and starts flinging it's arms and advancing on Joey behind the desk.)

Wayne! Wayne!!

(The camera cuts to Wayne who's busy making out with Sarah and rubbing C.H.E.E.S.E.'s controller on her back causing C.H.E.E.S.E. to go crazy. Joey starts throwing books at C.H.E.E.S.E. to get him to stop.)

622 The One Where Paul's The Man

[Scene: Central Perk, Rachel, Chandler, Monica, and Joey are there as Phoebe enters.]

Phoebe: (dejected) Hi, you guys.

Chandler: Hey!

Monica: Hi!

Rachel: What's the matter?

Phoebe: Well it's just—it's one of those situations that I just hate. Y'know? A massage client gave me three tickets to the Helmet-Pelvis exhibit at the Morgan Chase museum.

Joey: (nodding knowingly) Now you're thinking you gotta sleep with him.

Phoebe: No! No! It's just that he gave me three tickets and there are six of us!

Chandler: I'll give up my ticket.

Joey: Me too.

Phoebe: Okay that's so generous!

Chandler: And I think Ross is generous too.

Phoebe: Great! Okay then it's just us girls!

Monica and Rachel: (less than enthused) Great.

Phoebe: Yeah.

Rachel: So what—what is the exhibit.

Phoebe: It's mostly just photographs of lesbian love scenes interspersed with video games and free sandwiches.

Joey: Oh man! (Hits Chandler)

Ross: (entering) Hey!

Rachel: Hi!

Chandler: Hey!

Joey: Hey Ross listen Chandler got you out of going to the lesbian sandwich museum this weekend!

Ross: Thanks? But I have plans; Elizabeth and I are going out of town.

Monica: Oh that's great!

Ross: Yeah.

Monica: I mean think about all the money that you're gonna make!

Ross: Why? What?

Monica: Well, her father pays you for baby-sitting right?

Ross: No, no, that's funny. But maybe it's time to move on, let it go, y'know? Stop it! Besides, Rachel is going out with Elizabeth's father, so ah, he's much older than she is. Looks like I'm not the only one interested in fossils, huh?

Rachel: I mean Ross all that does is remind us that you are interested in fossils.

Ross: Okay, okay. Uh, well uh, Rachel is going to need to yell sweet nothings (Paul enters) in his ear.

(And walks up right behind Ross, and standard sitcom joke 2B follows with the person being insulted standing right behind the person doing the insulting while the rest of the people become frightened and try to warn the insulter about the insulter's presence.)

Chandler: Ross.

Ross: Oh, come on you guys; that's funny! Y'know? Because he's need—he's got like a hearing aide y'know, 'cause-'cause y'know, 'cause he's all old, and...

(Paul reveals his presence by laughing, thus concluding standard sitcom joke 2B. Paul then pulls Ross aside to have a little chat with him and tells the rest of the group that he'll just be one second.)

Paul: Okay look, Ross, just so you know that since Lizzie likes you so much, I've decided to accept the fact that you're going out with her.

Ross: Really? That okay, that's great.

Paul: Yeah. But then I changed my mind. I'm funny like that. So I told Lizzie, now I'm telling you, I don't want you seeing my daughter anymore.

Ross: All right look, I-I realize it upsets you.

Paul: Yes it does.

Ross: But, Elizabeth and I are—are both adults and so I don't think there's really anything you can do about it.

Paul: I'll call the university and tell them about your relationship and have you fired.

Ross: Ohh! A man with a plan!

Opening Credits

[Scene: A Dry Cleaners, Joey is there with Phoebe and is trying to get his picture put back amongst the other celebrities hanging on the walls.]

Phoebe: Oh, this is so exciting! You get your picture back up on the wall of fame! Eek!

Joey: I know. It was so cool when I was up there before. Me and Jim Belushi would just be crackin' up about something... Then I get fired off of *Days Of Our Lives* and he takes me down. Now he's just laughing at me. Look at him, that smug Belushi bastard, I'll...

Phoebe: (gasps) Ohh, okay maybe they put your picture back up then you can put you next to Matt Lauer. Look at him, smiling at me. (Giggles) Yeah I know; we'd be great together!

(The dry cleaner finishes with the customer in front of Joey and they approach the counter.)

Joey: Hey! So I'm back.

The Dry Cleaner: Who are you?

Joey: Joey Tribbiani! From the wall! (The dry cleaner doesn't remember) Okay, maybe this will jog your memory, huh? (Holds his picture up in front of his face.) Huh? Okay eh-ah-anyway, I'm ready to go back up on the wall I'm the star of a new TV show.

The Dry Cleaner: (picking up a *TV Guide*) Show me in the table.

Joey: Oh well, it's not on TV yet.

The Dry Cleaner: Well, then it's not on the wall yet.

Joey: Okay, fine, I will bring you a tape, huh? (Walks away)

Phoebe: So umm, now do you have any of Matt Lauer's clothes here? Maybe? Just ones that haven't been cleaned yet?

(The dry cleaner just stares at her and she retreats.)

[Scene: The Morgan Chase Museum, the girls are entering.]

Monica: Oh, I love museums!

Rachel: Umm.

Monica: Soakin' up all the culture.

Rachel: Yeah.

Monica: Where do you want to start?

Rachel: Ooh, the gift shop!

Monica: Yeah!

Phoebe: Hey, and then lunch.

Rachel: Oh, wait yes, but I can't eat too much. Paul is taking me out to dinner tonight, he said he has a big surprise planned.

Phoebe: Oh wow. What, do you think maybe he's gonna tell you that he's gay?

Rachel: What?! No! Why?!

Phoebe: No reason! That would just be a really big surprise, right?

(A museum official enters with another man and woman.)

The Museum Official: (to the couple) You can put the aisle over here (points), and put the wedding ceremony right over here. (Points.)

Rachel: I didn't know you could get married here.

Monica: This would be a beautiful place to get married, yeah, but I wouldn't put the aisle there and I would **never** have the ceremony there! (Points to both places.) I mean you'd have the ceremony under this big beautiful arch. (The arch at the entrance to the room.)

The Museum Official: (To Monica) May I help you?

Rachel: Oh sorry didn't mean to interrupt. It's just such a beautiful space; do you do a lot of weddings here?

The Museum Official: Yes. We're very popular. There's a two-year waiting list. Sorry! (She kinda storms out with the couple.)

Rachel: Monica, you should totally put your name down on the list

Monica: What?! Are you crazy?! I'm not getting married! I'm not even engaged.

Phoebe: Yeah, but there's a two-year wait. And then what if you get engaged in two years and then you got to wait **another** two years for this place. That's four years. Chandler's not gonna wait that long. He's gonna find somebody else, y'know? Someone, someone who **did** put their name on the list. (Rachel agrees.)

Rachel: Yeah hon, it can't hurt to put your name down! I mean in if two years if you're not engaged you just don't use it.

Monica: Well, I mean I guess there is no harm in putting my name down.

Rachel: I'm gonna do it too!

Phoebe: Me too!

Rachel: Really? Who would, who would you marry?

Phoebe: I don't know, I don't have anyone right now. Y'know?

Rachel: Oh Phoebe.

Phoebe: Don't feel too sorry for me. At least my boyfriend isn't gay.

Monica: Phoebe, that stuff is...

Phoebe: Don't even get me started on yours!

[Scene: The Dry Cleaners, Joey is trying to get his picture up again.]

Joey: (entering) Hey! So, did you watch the tape of my show?

The Dry Cleaner: I did.

Joey: All right, let's get me back up there! (Holds out his picture.)

The Dry Cleaner: No! It don't go up on the wall!

Joey: What—But you saw the show!

The Dry Cleaner: Yes, it was very offensive to my people!

Joey: Dry cleaners?

The Dry Cleaner: Russians! It showed them as terrorists and villains!

Joey: Okay! Okay, look! You-you-you got Harrison Ford up there!

The Dry Cleaner: That's right. Mr. Ford is a very good customer, he brings us a lot of clothes; you bring us nothing!

Joey: Okay well that may be true. But, in-in okay, *Air Force One* the Russians were terrorists! And evil! And plus he kills a bunch of them! That-that-that's offensive to Russians.

The Dry Cleaner: I've never seen it!

Joey: Oh you should, it's great.

(The Dry Cleaner stares at him and Joey retreats.)

[Scene: A Cabin in the Woods, Elizabeth is giving Ross a tour.]

Ross: This place is really beautiful!

Elizabeth: Yeah, I've been coming here since I was a kid. This used to be my Grandma's.

Ross: Wow! The only thing I got from my Grandmother was her eyes. I mean not-not her actual eyeballs, but, but people say that my eyes—Do-do you want to make out?

Elizabeth: Sure!

(They fall to the couch and start to make out, but Ross stops suddenly.)

Elizabeth: Are you okay? What's wrong?

Ross: Eh, I was just. I was just thinking about your father.

Elizabeth: Well, whatever works for ya...

Ross: No. No-no uh, he just, he just really freaked me out before.

Elizabeth: Oh. Well, so we have to hide our relationship from one more person. Big deal. Besides, it's kinda fun hiding.

Ross: Yeah.

(They start making out again.)

Elizabeth: (quietly) Hey umm, you brought protection right?

Ross: (loudly) Why?! Are there like bears or something?! (Looks around and then sees that Elizabeth is shaking her head no and realizes what Elizabeth meant.) Ohh. Oh, protection. Yeah-no, yeah-no, that-that-that I forgot.

Elizabeth: I'll just run to the store and get some.

Ross: Oh no! Hey-hey, I'm the guy! I'll get it.

Elizabeth: Do you know where the store is?

Ross: No.

Elizabeth: Do you want to ride around town on my little pink bicycle?

Ross: A little bit.

Elizabeth: (laughs) I'll be back in ten minutes.

Ross: Okay.

Elizabeth: Why don't you get in the hot tub and I'll meet you there.

Ross: Ohh, okay.

(Elizabeth leaves and Ross starts to remove his clothing right there in the middle of the living room where someone can see him. Of course, someone almost does, but he hears a door opening and...) **Rachel:** (from another room) Oh my God, what a great surprise! This is such a beautiful house.

(Ross with his pants around his ankles tries to run, but Dr. Geller forgets that he has his pants around his ankles and falls down trying to flee.)

Paul: (To Rachel) Thank you, it's my mom's. So this is the kitchen.

(Dr. Geller, the man with the Ph.D. in Paleontology, is trying to find a place to hide, but this supposedly intelligent man in the hands of cliched scriptwriters runs around with his pants down around his ankles like one of the *Three Stooges*.)

[Scene: Monica, Chandler, and Phoebe's, Chandler is reading the newspaper as the phone rings. He let's the machine answer it.]

Chandler: (on machine) You've reached Monica and Chandler's, if you're listening to this message, we're probably screening. (to himself) Yeah we are.

The Museum Official: (on phone) Hi, this is Heldi from the Morgan Chase museum. I'm calling for Monica Geller. I want to let her know that there was a cancellation and if she's still interested in having the Bing-Geller wedding at our facility, it is available... (Chandler runs to answer the phone.)

Chandler: (on phone) This is Chandler Bing! This is Chandler Bing! (Listens) Yes, the groom—No! Not the groom!!

Commercial Break

[Scene: Paul's Cabin, Paul and Rachel are sitting on the couch drinking wine and talking.]

Rachel: It's so secluded up here.

Paul: I know. I like it up here.

Rachel: I feel like we're the only two people in the world. (She sets down her wine glass, picks up a walnut, and knocks another one on the floor.) Oops. Sorry. (She reaches down to pick it up and Ross hands it to her. Ross is hiding under the couch and causes Rachel to scream.)

Paul: What's the matter honey? Did you see a little mouse?

Rachel: No-no! Big bear! Big bear outside! I think I—I—would you—actually, would you go check on that?

Paul: Honey, we don't have any bears here.

Rachel: Well, okay. Would-would you get me a *Diet Coke*?

Paul: Okay. I'll be right back. (Gets up and heads for the kitchen.)

Rachel: Okay. (After Paul leaves Rachel drops to the floor to confront Ross.) What?! What are you doing here?!

Ross: What are **you** doing here?!

Rachel: I came with Paul!

Ross: Yeah, I recognize the ankles!

Rachel: Get up!

Paul: (entering) Here you go honey! (Rachel kicks Ross back under the couch.)

Rachel: Ahh. Thank you!

Paul: *Diet Coke.* (Hands her the glass.)

Rachel: Op, ice. I need ice.

Paul: Okay.

Rachel: Thank you.

Paul: I'll be right back. (He goes to get the ice.)

Ross: (under the couch) You and your ice.

Rachel: Ugh! Get out! Get out! Go! Come on! (Ross gets up and heads for the kitchen.) No! Not in there! He's in there! (She points Ross to the door next to the kitchen.)

Ross: (before entering) Did you really hear a bear?

Rachel: Go-go!

Paul: (entering) Here you go honey. One *Diet Coke* with ice.

Rachel: Ohh, thank you.

Paul: I'm so happy that you're here.

Elizabeth: (entering) Here I am!

Paul: (jumping up) Elizabeth! Oh look, Elizabeth's here! Who are you talking to?

Elizabeth: Uh, you guys?

Paul: How did you know we were here?
Elizabeth: Umm...
Rachel: Well, she-she obviously saw the tire tracks that were leading up to the closed garage.
Elizabeth: Obviously.
Paul: Elizabeth, what are you doing here?! (Motions that he brought Rachel here to be alone with her.)
Rachel: Did-did you come up here to work on that term paper or something?
Elizabeth: Yeah! Yep.
Rachel: Well, why do y'know go in that room (points to the room Ross is in) and do your homework?
Elizabeth: Ohh, I wouldn't do it in there. That's my dad's bedroom.
Rachel: That's your, that's your dad's bedroom. (Yelling) That's your dad's bedroom!
Paul: Why are you yelling?
Rachel: Whoa, that *Diet Coke* just went straight to my head! Woo!
 [Scene: Monica, Chandler, and Phoebe's, Chandler is sitting at the kitchen table staring at the phone as Monica enters.]
Monica: Hi, honey.
Chandler: (gets up) See you later. (Starts to leave.)
Monica: What? I-I bought groceries, I was gonna make you dinner!
Chandler: (angrily) Well next time ask! Or at least wait for me to ask! (He storms out.) (Monica puts the groceries down and goes to check the answering machine and hears.)
The Museum Official: (on machine) Hi, this is Heldi from the Morgan Chase museum. I'm calling for Monica Geller.
Monica: Oh no!
The Museum Official: (on machine) I want to let her know that there was a cancellation and if she's still interested in having the Bing-Geller wedding at our facility, it is available...
Monica: Oh please, he didn't hear it! He didn't hear it!!
Chandler: (on machine) This is Chandler Bing! This is Chandler Bing! (The machine beeps off.)
Monica: NOOOO!!!!!!!
 [Scene: The Dry Cleaner's, Joey has brought in a bunch of laundry in another attempt to get his picture on the wall, but the dry cleaner isn't working right now. Instead, a beautiful woman is working.]
Female Clerk: Can I help you?
Joey: Uh yeah, where-where's the guy who decides who's pictures go up on the wall?
Female Clerk: He's not here right now.
Joey: Oh, you're kidding me! All-all right, well make sure you tell him that Joey Tribbiani stopped by to drop off all of these clothes. Okay? I'm an actor; I'm kinda getting my picture up there on the wall.
Female Clerk: Y'know, there are two people who could put your picture up there. (She makes eyes at him.)
Joey: Oh really? Well, maybe you and I go out for drinks? (Pause) You're the other one right? (She thinks about it for a second and nods yes.)
 [Scene: Paul's Cabin, continued from earlier.]
Paul: So Lizzie, are-are-are you planning on staying the night?
Elizabeth: Oh no-no believe me, I'm leaving as soon as possible!
Paul: Good. Good. Not that we don't want you to stay, obviously you're welcome—How much more homework do you have?
Elizabeth: Ahh, I just have one problem left that I do **not** know how to solve. Uhh, Rachel maybe you want to come upstairs and help me figure it out?
Rachel: Really? Okay. Okay, I-I'll go upstairs. (to Paul) If-if you get me something from the car.
Paul: What do you need from the car?
Rachel: Surprise me.
Paul: (whispering) Okay. (Starts for the car.)
Rachel: (yelling) So you're gonna be in the car, I will be upstairs, and that's where everybody's gonna be!
 (Rachel and Elizabeth go upstairs. Paul starts for the car, but notices his luggage is still out and decides to take in into the bedroom.)
 [Cut to his bedroom, Ross is listening at the door as Paul opens the door, trapping Ross behind it. With Paul's back turned Ross coils up like a snake and slithers underneath the bed.]
Paul: (standing in front of a mirror and to himself) Just relax. Just relax Paul, you're doing great. (Ross moves a piece of luggage over so he can watch Paul.) She likes you. She... Maybe, she likes you. She likes you. Y'know why? Because you're a (pause) neat guy. (Ross can't believe what he's hearing.) You are the man. You are (pause) the man! (He opens his shirt and looks at his chest.) I still got it. Nice and sexy. You're just a love machine. (Starts singing) *I'm just a love machine and I won't work for nobody but you! Hey bab-y!* (Flexes and grunts loudly.) Showtime. (Starts to leave and starts singing.) *I'm just a love machine, yeah ba-by!* (Grunts again and Ross is stunned.)
 [Scene: Central Perk, Phoebe is there as Monica rushes in.]
Monica: Phoebe!
Phoebe: Yeah?
Monica: Have you seen Chandler?!

Phoebe: No! Why?
Monica: The woman from the museum called and said that there was a cancellation and that we could move up our wedding and Chandler heard! (Phoebe gasps.) I know! How bad is this?!
Phoebe: Well for the regular guy, it's bad, but Chandler, Oh dear God!
Monica: I know! I know! And he totally freaked out and I can't find him anywhere!
Phoebe: What are you gonna do?
Monica: Well, I'm never gonna listen to you again, that's for sure! (Mimicking her.) "Y'know, harm can it do if you go and put your name down?"
Phoebe: Rachel said that!
Monica: Well Rachel's not here! (Runs out.)
 [Scene: The Dry Cleaner's, Joey and Phoebe are entering to see if his picture is on the wall.]
Phoebe: Oh! Here it is! (Noticing it next to the door.) Ooh, Joey! Why did you sign it, "Son of a bitch?" (Son of a bitch is written across the entire picture.)
Joey: I didn't do that! Who would've done that?!
The Dry Cleaner: (entering) Son of a bitch!
Phoebe: Okay, maybe ask this guy.
The Dry Cleaner: You, get out of my shop!
Phoebe: Well, what did he do?
The Dry Cleaner: He went out with my wife!
Phoebe: Joey!
Joey: Whoa-whoa-whoa-whoa, I-I—Hey! I did **not** go out with your wife! (The same woman from before enters.) Okay? I went out with her! (Points at her.)
The Dry Cleaner: That's my wife!!! Get out! (Starts yelling at him in Russian, and I'm betting he's not saying pleasant things about him.)
Phoebe: Well, we should go.
Joey: Yeah.
 [Scene: Paul's Bedroom, Elizabeth is entering.]
Elizabeth: Ross? Ross?
Ross: Elizabeth! (He opens one of the bed stands that he has curled himself up into.) Okay. Okay. (She helps him out.) I'm gonna go out this window. (Points to the window next to him.) I'll meet you at the front door. Just tell them you're going home, okay?
Elizabeth: Okay!
Rachel: (yelling from the living room) Oh wait-wait-wait!! No! Don't go in there! Don't go in there! I need another soda!
 (Ross frantically starts to open the window as Paul enters and traps him halfway out the window.)
Paul: Ross!
Rachel: Oh my God Ross! What in heaven's name are you doing here?
Ross: (to Elizabeth) And that is why we cannot see each other anymore.
Paul: Ross. You and I are going to have to have a little talk.
Elizabeth: Daddy!
Paul: You're next!!
Elizabeth: Okay. I didn't know he was here. (Runs over to Rachel.)
Paul: Let me just see if I got this straight. I tell you to stay away from my daughter or I'll have you fired. What you heard was, "Take my daughter, come up to my country house, and ruin my weekend with Rachel!"
Ross: Okay, please-please Paul, just let me explain...
Paul: No, let me explain! Fired!!
Ross: All right, fine! Fine! Have me fired! But uh, I want you to know that you and I are not all that different. I mean, I too am a neat guy. (Paul just looks at him.)
Paul: (panicked) What?
Ross: And I too am just a love machine. (Hums a little bit and mimics Paul's flexing.)
Paul: Ross, let me show you where the guest room is.
 [Scene: Monica, Chandler, and Phoebe's, Monica is pacing, waiting for Chandler to return. Chandler enters.]
Monica: (going over to him) I'm so sorry. Please, stop freaking out.
Chandler: I'm not freaking out. Why would I be freaking out? A woman named Heldi called and said we were getting married, but that happens everyday. (Does one of those Chandler noises.)
Monica: Honey, we were at this beautiful place, and I-I-I just put our names down for fun! I mean, what's the harm in that?
Chandler: Right here! (Clucks like a chicken for some reason.)
Monica: Chandler, please don't think I was trying to pressure you. Phoebe and Rachel...
Chandler: Phoebe and Rachel! So the people that knew about our wedding before me were you, Phoebe and Rachel, Heldi, and apparently some band called Starlight Magic 7 who are available by the way!
Monica: It was a mistake. Please don't take this to mean anything, because it doesn't.
Chandler: Okay.
Monica: Really?
Chandler: Yes, if it really doesn't mean anything, because you know that I'm just not ready...
Monica: I know! I know.
Chandler: Okay. (They hug.)
Monica: I'm gonna go tell Joey that (laughs) that you're back. I was really worried about you. (Exits.)
Phoebe: (entering from her room) Hey, did she buy it?
Chandler: Totally.
Phoebe: So did Heldi show you the place?
Chandler: Yeah, it's beautiful.
Phoebe: I can't believe you're gonna ask Monica to marry you!
Chandler: I know. (They hug.)
 Ending Credits
 [Scene: Central Perk, Joey is going up to the counter.]

Joey: Hey Gunther.
Gunther: Hey! Take these cappuccinos to table 11 and that guy over there (points) wants the biscotti.
Joey: Oh uh, well I just came in for a cup of coffee to go.
Gunther: Do you still work here?
Joey: No! No, I quit a long time ago. (Pause) Did I forget to you that one? I'm sorry.
Gunther: Oh that's cool, I was gonna fire you anyway.
Joey: Great! (Takes his coffee and leaves.)
 End

623 The One With The Ring

[Scene: Monica, Chandler, and Phoebe is at the sink and Chandler is looking at a ring brochure.]
Chandler: Pheebs, can you help me pick out an engagement ring for Monica? I can't figure this out! It's so hard! Should I get her a (turning to each page) Tiffany cut or a Princess cut or a—ah-ah! Paper cut!
Phoebe: Now, have you told anyone else?
Chandler: No, I don't want to tell anybody else because I don't want Monica to find out.
Phoebe: You told me.
Chandler: Well, it's because I trust you, you're one of my best friends, and you walked in on me when I was looking at ring brochures.
Phoebe: Yeah well, once again not knocking pays off. I only wish you hadn't been on the toilet.
Chandler: Me too. (Joey and Ross enter causing Chandler to quickly hide the brochure behind his back.)
Joey: Hey. (Heads straight for the fridge.)
Chandler: Hey.
Phoebe: Hey! So Chandler, wanna go to the coffeehouse?
Chandler: Oh all right.
Phoebe: Yeah, coffeehouse.
Ross: Oh perfect, we were just gonna see if you wanted to go.
Chandler: Oh well, we don't because we got...the...other p-place. (Joey returns with a piece of pizza as Chandler and Phoebe exit.)
Ross: How rude.
Joey: Oh, I'm sorry. You wanna bite? (Holds his piece out for him.)
 Opening Credits
 [Scene: Central Perk, Phoebe and Rachel are sitting on the couch.]
Phoebe: So how are things going with Paul?
Rachel: Good. Although y'know, he-he's a private guy. Y'know, I wish I could get him to open up a little bit, share some feelings.
Phoebe: That's easy! You just have to think of him as a-as a jar of pickles that won't open.
Rachel: So what are you saying; I should run him under hot water and bang his head against a table?
Phoebe: No that's what you do when you want to get the truth out of someone.
Paul: (entering) Hi honey.
Rachel: Hi!
Phoebe: (To Rachel) Watch this.
Paul: (To Rachel) How are you?
Rachel: (To Phoebe) Okay.
Phoebe: Hi Paul!
Paul: Hi Phoebe.
Phoebe: So how are things going with you?
Paul: Can't complain. (Phoebe turns to Rachel and mimes remove a lid of a jar. Ross enters and Paul motions for Rachel to leave with him now.)
Paul: (whispering) Come on.
Rachel: Okay. (Gets up and starts to leave with Paul.)
Paul: (To Ross) Hey!
 Ross: Hi!
 (They shake hands and their lines overlap.)
Paul: Ross!
Ross: Great to see you!
Paul: Good to see you too!
Ross: How you doing?
Paul: Good. Bye! (Starts to leave.)
Ross: Okay! You take care! (Ross turns his back on Paul and makes a 'I hate that guy' face. Paul does the same thing.)
Ross: Hey Pheebs, what-what was the deal with you and Chandler blowing us off before?
Phoebe: Yeah! That was so weird, huh?
Ross: Phoebe, why'd you do it?
Phoebe: I didn't do it! It was Chandler! He's... He's mad at you!
Ross: What?! Why?!
Phoebe: Please, I think you know why.
Ross: I can't think of anything.
Phoebe: Come on Ross, you're a paleontologist, dig a little deeper.
Ross: Wait a minute, is it because Joey and I didn't invite him to that Knicks game a couple of weeks ago?
Phoebe: Do you think that's something that he'd be mad at you for?
Ross: I guess it could.
Phoebe: Well then I think that's it.
Ross: Well, if he's angry, he really shouldn't just cover it up. I-I wish he would just tell me the truth.
Phoebe: Oh, if that's what you want you then you really should run his head under hot water and bang his head against a table.
 [Scene: Joey and Rachel's, Paul and Rachel are getting ready to go out. Paul is entering from the bathroom.]
Paul: Honey I made a reservation at China Garden, is that okay?
Rachel: Yeah that's great. But first, wait, talk to me,

talk to me. Tell me about your day.

Paul: It was fine.

Rachel: Okay. Hey, what are you thinking? What are you thinking right now?

Paul: I'm thinking that you are looking really fine in that dress.

Rachel: Yeah that's great Paul, but y'know I wanna know what—(Puts her hands on his shoulders)—Wow, those are really great! I just wanna know what, what is behind this—this strong, silent exterior. Y'know they say that still waters run deep and I wanna swim in yours.

Paul: Are you talking about having sex?

Rachel: No Paul, I don't know anything about you! Y'know, like-like your childhood! Tell me about your childhood!

Paul: Normal.

Rachel: Okay, well then how about puberty! Come on, that's always a painful time! Y'know your friends invite you to a slumber party and then they stick your hand in warm water while you're sleeping so that you pee in your sleeping bag.

Paul: Nope! That never happened to me!

Rachel: Well, you're lucky you never met that bitch Sharon Majesky. Anyway, umm... The rest of you life, y'know? Any regrets?

Paul: Nope.

Rachel: All right Paul, I'm not asking for a lot here. Okay? Just give me something. Anything!

Paul: Okay.

Rachel: Okay.

Paul: Okay.

Rachel: All right.

Paul: When I was six years old.

Rachel: Hm-mmm.

Paul: I wanted a big wheel. And instead my parents got me this little plastic chicken that you hop around on. It was embarrassing: kids made fun of me. That was a pretty tough year.

Rachel: That's—that's great! See? I already feel like I know you a little better! Thank you. Okay, come on. Now we can go eat. Let's go. (Gets up to leave, but Paul doesn't move.)

Paul: It was horrible. They called me chicken boy.

Rachel: Oh!

[Time Lapse, Paul is now weeping uncontrollably in Rachel's arms.]

Paul: And in fifth grade I got into a fight. Well, it wasn't really a fight. Richard Darinvel bit me on the nose and, and I feel down. I still have a little scare right here (points to it) you can see it.

Rachel: Yeah. Yeah, I-I-I see the scare. Listen, Paul, I think this is really great that—that y'know, you shared your feelings. It's really, it's beautiful, but umm, what do you say we go share some food?

Paul: Oh, I couldn't eat now.

Rachel: What?! Wait! Wait! What are you talking about?! You love their Kung Pao Chicken!

Paul: Chicken? (Pointing to himself.) Chicken boy!

Rachel: My God, I'm sorry! I'm sorry! I didn't mean to do that! I wouldn't do that!

[Paul screams like a chicken and breaks down into tears again.]

[Scene: A Jewelry Shop, Chandler and Phoebe are looking at engagement rings.]

Chandler: Nothin! This is the nine millionth ring store we've been too and I can't find the perfect ring! (Goes over to another display counter and starts pointing at rings.) Ugly ring! Ugly ring! Ugly ring! (Notices that one of the jewelers is watching him.) It's a beautiful selection. (The jeweler walks away slowly.)

Phoebe: Okay, so maybe you don't get her a ring. Maybe you—maybe you do something different. Y'know? Maybe you get her an engagement bracelet, y'know? Or an engagement tiara? Or—oooh! An engagement Revolutionary War musket! (Picks one up from the display in the corner.)

Chandler: Y'know, I'm so glad I picked you to help me with this.

Phoebe: Huh? Can you just imagine getting down on one knee and handing her this gorgeous piece of weaponry?

Chandler: Yeah, I'm gonna stick with the ring. (Goes to another display counter.) Oh, this one's nice! (Pointing to another ring.) I like this one! Sir? Uh, kind sir? Can I see this one?

Phoebe: (coming over after returning the musket) Wait a minute, no, this is, this is the reason you brought me. Okay? I know how to haggle. So let me handle this from here on out.

Male Jeweler: Can I help you?

Chandler: Uh-uh, yes. I would like to see that ring please.

Phoebe: Or not, whatever.

Male Jeweler: This ring is from the 1920s, it's a one and a half carat diamond with sapphires on either side.

Chandler: Sir, can I ask you to umm, could you...hold out that ring and ask me to marry you?

Male Jeweler: Okay. (Holds out the ring, deadpan.) Will you marry me?

Chandler: (choking up) Oh my God that's it, that's the ring! How much is it?

Phoebe: Chandler, I-I will handle this! (To the jeweler) How much is it?

Male Jeweler: 8,600.

Phoebe: We will give you \$10.

Male Jeweler: (angrily) Are you interested in this

ring?!

Chandler: Yes! Yes, but I can only pay \$8,000.

Male Jeweler: Okay, I can let it go at eight.

Phoebe: We stand firm at \$10.

Male Jeweler: (ignoring her) How would you like to pay?

Chandler: Uh, credit card. (Reaches for it then realizes) Oh no! No-no, but I left my credit card with Joey. (To Phoebe) Okay, I'll go get it. You guard the ring.

Phoebe: Okay. (To the jeweler) Listen, I'm sorry about before. Do you have anything for \$10.

Male Jeweler: Uh yes, I have these two rather beautiful \$5 bills. (Holds them up from his pocket.)

Phoebe: I'll give you \$1 for them.

[Scene: Central Perk, Ross and Joey are there.]

Ross: Hey, remember how Chandler and Phoebe blew us off yesterday?

Joey: No.

Ross: Remember? You—you were eating pizza.

Joey: Yeah.

Ross: Okay. Well, apparently Chandler's angry at us for not getting him a ticket to that Knicks game a couple of weeks ago.

Joey: Oh, we're supposed to just get him a ticket?! That guy is always mooching off of us!

Ross: Yeah! Anyway, I-I still think we should try to patch things up, y'know? Like uh, maybe we could get him to get tickets to another Knicks game and invite him.

Joey: Oh wow that's a great idea! And I still have his credit card.

Gunther: (handing them the bill) Here you go.

Ross: Oh. (Starts to get his money)

Joey: Hey-hey-hey-ho-ho, I got this one. Here you go. (Hands Gunther Chandler's card.) Y'know I gotta tell ya, sometimes I just—I don't get Chandler. Y'know, me and him do stuff all the time without you and you don't get all upset.

Ross: All the time?

Joey: All the time!

[Scene: Monica, Chandler, and Phoebe's, Monica is there as Rachel enters.]

Rachel: Oh my God! Oh my God!!

Monica: Still crying?

Rachel: Like a little girl. I know. I know. I know. This is all my fault: I wanted him to open up. But God, I didn't know that I was gonna unleash this—this weepy, clingy, moist monster!

Monica: Y'know, I only know of two surefire ways to shut a man up. And one of them is sex.

Rachel: What's the other one?

Monica: I don't know, I've never had to use the other one. I'm just saying y'know, if we're having sex, he's not gonna be talking.

Rachel: Oh that's right. You're the talker. (They both reflect on that briefly) Anyway uh, great idea! Umm, I gotta go to the store: I told him that I would buy him some more tissues.

Monica: Oh, we have some...

Rachel: No you don't!

[Scene: The Jewelry Store, Phoebe is busy trying on virtually everything in the store. She's got earrings, rings, bracelets, and enough necklaces to put Mr. T to shame on.]

Phoebe: Okay umm, I'd also like to try on the tiara. (The male jeweler hands it to her.) Oh yeah. Okay. (Puts it on.) (To the jeweler) What do you think, too much?

Male Jeweler: A tad.

Phoebe: Okay. Then, take the tiara back and let me hold the musket again. (He hands it to her and Phoebe poses in front of one of those small mirrors.) Something's missing. It's not... Okay oh, let me see the ring my friend picked out.

Male Jeweler: (to the female jeweler) Where's the 1920s princess cut ring.

Female Jeweler: I just sold it to that gentleman. (Points to the one walking out the store.)

Phoebe: Oh my God!! (She runs after him, but sets of the security system, which locks the store's door and brings down a set of bars behind her, caging her in.) No! What?! Help me! Let me out! Now! (Points the musket at them.)

Commercial Break

[Scene: Joey and Rachel's, Paul is still crying as Chandler enters.]

Paul: Rachel?

Chandler: No. How are ya Paul? (Starts to look for his credit card.)

Paul: (acting manly to try and cover up his crying) Okay. Chandler, did your dad ever hug you?

Chandler: No, did he hug you?!

Paul: No! No! It's just that, my dad never did. I miss my dad.

Chandler: Well, you can see my dad in Vegas kissing other dads.

Paul: Hey Chandler?

Chandler: Yeah?

Paul: Would you.....Would you hug me?

Chandler: I'm a little busy here Paul.

Paul: That's exactly what my dad used to say! (Starts to breakdown again.)

Chandler: Okay, a quick one. Come on hug it out. (Paul rushes over and hugs Chandler tightly.) Oh hey! There you go. (The hug continues.) Okay. (The hug continues.)

Paul: Five more seconds.

Chandler: Okay! (Pushes him away.)

Joey: (entering) Hey!

Paul: Joey! (Goes over and hugs Joey and picks him off of his feet.)

Joey: Whoa—whoa-hey-hey! (Motions to Chandler, "What's going on?") Hi, Paul is it? (Paul nods yes and still hugging Joey.)

Chandler: Do you have my credit card?

Joey: Yes, it's in my... In...in my pocket. (Paul hasn't dropped him yet.) (Chandler starts to reach for his front pocket.) My back pocket! My back pocket!

Chandler: Thank God! (Grabs his card.)

Joey: Oh hey listen I got us tickets to a Knicks game tonight.

Chandler: Oh, I can't go.

Joey: Come on! It'll be fun! Me, you, and Ross, and... Paul probably...

[Scene: The Jewelry Store, Chandler is entering with his credit card and Phoebe is holding out another ring for him.]

Phoebe: Chandler, I found the perfect ring. (Holding it out for her.)

Chandler: Oh, that's uh, that's pretty nice but I'm gonna go with the one I picked first.

Phoebe: Oh my God Chandler, the one you picked is gone. It's over!

Chandler: What?

Phoebe: Some guy bought it. I'm sorry. I tried to stop it but they (points to the jeweler) put me in jail!

Chandler: They put you in jail?

Phoebe: The little jail between the doors!

Chandler: Phoebe, I asked you to guard the ring!

Phoebe: I know, I'm sorry! But y'know, this ring is better! Monica never even saw the other ring.

Chandler: Yeah but when he proposed to me with the ring I got goose bumps.

Phoebe: Maybe it was the guy.

Chandler: It was the ring!

[Scene: Central Perk, Ross is on the couch and Joey is entering.]

Ross: Hey! So uh, was he excited about the tickets?

Joey: No! He blew us off!

Ross: What?!

Joey: I know!

Ross: I can't believe it. (Pause) Can I tell you something? I'm a little mad at him now.

Joey: Can I tell you something? Me too.

Ross: Y'know what? He didn't want to talk to us about being angry, well maybe we don't talk to him at all!

Joey: Ooooo! Freeze him out.

Ross: That's right!

Joey: I like it!

Ross: Eh? We'll show him!

Joey: From now on, it's gonna be Joey and Ross, best friends. (They shake hands.) Okay! We're gonna be the new Joey and Chandler.

[Scene: Joey and Rachel's, Paul is writing something as Rachel enters.]

Rachel: Hi. I'm back.

Paul: Hey! I have so much more to tell ya, I've written it all down!

Rachel: Ah that's great. No actually that's... (In a sexy voice) That's great! That's really great! Y'know, I gotta tell ya writing, I mean writing, gets me uh, gets me kinda hot.

Paul: Wait! Wait! Listen! Listen to this! (Flips a couple pages and points to something.) Y'know what I wanted to be when I was that age?

Rachel: A lover?

Paul: A surfer.

Rachel: Oh yeah surfer?

Paul: I wanted to be one with the waves, y'know?

Rachel: Okay, hold on real quick, hold on a second let me just uh, (sits on the counter and buttons her sweater to show some cleavage) get a little more comfortable here. Wait, now wait a second, this isn't too revealing is it?

Paul: (barely glancing at her) No. What ever happened to that little dude. (Pause) So full of dreams...

Rachel: I don't care about the little dude! I can't! I cannot listen to anymore of this! Y'know, the only person who would want to listen to this is a mental health professional! And then it's only because they get paid \$100 an hour! Do you know how much money I could've made listening to you? \$2,000! And do you know when I figured that out? While you were talking!

Paul: What?! I can't believe you're trying to stifle me! When just 14 hours ago we figured out that that is exactly what my mother was trying to do to me!

Rachel: Oh... I'm sorry. I... I-I don't mean—I didn't mean to stifle you. I... This is all just a little overwhelming.

Paul: Oh Rachel, I'm so sorry. I didn't mean to overwhelm you. It's just that, when those gates open, you... (Starts to breakdown.) Hard to close 'em. But they are closed now. Believe me.

Rachel: I'm so glad, I'm so glad you shared. (Feeling his shoulder.) And I'm glad that you're done. What do you say we umm... (Nods in the direction of the bedroom.)

Paul: I would really like that. (They kiss.)

[Scene: Rachel's Bedroom, Paul and Rachel are recovering.]

Paul: That was...so good. (Starts crying again.)

[Scene: Monica, Chandler, and Phoebe's, Chandler is looking at the ring he bought and not liking it.]

Phoebe: (entering from her room) Hey.

Chandler: I can't believe I let you talk me into buying this stupid gumball machine looking ring!

Phoebe: It's not a stupid gumball machine looking ring! It's a beautiful ring!

Chandler: No, it's not! When I looked at the other ring I could see Monica's face when I gave it to her, y'know? And I could see her saying yes. When I look at this ring, all I see is a ring! Unless I look at it really closely and then I can see my own eye. (Does so and laughs.) Look, this is the most important thing I'm gonna do in my life. I wanna make sure it's perfect.

Phoebe: Okay. There may be a way that we can get the other ring back. 'Cause I heard the guy tell the jeweler where he was going to propose. So maybe we

Phoebe: I got me some drinks!

Rachel: What are you doing?

Phoebe: Open bar!

Rachel: Well now it's an empty bar.

Phoebe: You just can't stand anyone else enjoying themselves can't you?

Mr. Thompson: And finally, our biggest item of the night, the 22-foot gentleman's day sailer sailboat. The winning bid was a whooping \$20,000! (Joey suddenly gets excited.)

Joey: I won! That was my guess!

Rachel: What?! What?! What?!

Joey: I guessed 20,000!

Rachel: Joey! It is an auction! You don't guess, you buy!

Joey: What?! I don't have 20,000!

Mr. Thompson: Congratulations on your new boat, Joey Tribbiani! (Everyone applauds and he stands up slowly.)

Rachel: Joey! Sit down! (Pulls him down.)

Phoebe: Forget her! You enjoy this!! (Pulls him back up and starts applauding again. Joey waves and does a salute.)

[Scene: A Restaurant, Monica and Chandler are sitting at a table. Monica is checking her makeup as Chandler suddenly has a horrifying thought and starts patting down his pockets until he finds what he's looking for and sighs in relief.]

Monica: What are you doing?

Chandler: (trying to cover up why his hand is over his heart) One nation, under God. Indivisible with liberty and justice for all. (Laughs.) I remembered it. (It's a butchered version of the Pledge of Allegiance of the United States for our foreign friends.) The champagne is here. (The waiter is delivering it and pouring two glasses.)

Monica: Are you okay?

Chandler: Yes! Yes! I'm good! Are you good? Are you good? Is everything—are you—are you perrr-perfect?!

Monica: Yeah. I'm okay. I'm actually—I'm a little cold, can I have your jacket?

Chandler: Oh, yeah. (Starts to take it off and then realizes) Uh, no you can't have my jacket! Because then I would be cold! If you thought that you were going to be cold, you should've brought your own jacket. But uh, other than that, are you okay? Are you okay?

Monica: (laughs) Are you sure you're okay?

Chandler: Yes! I'm fine. In fact I've been fine for a long time now and I think, the reason is you.

Monica: Ohh that's sweet!

Chandler: Okay umm, before I meant you I had really little life and I couldn't imagine growing old with...

(As he's talking Monica notices someone familiar has just entered the restaurant. Let's see; I seem to remember him driving a *Ferrari* in Hawaii solving crimes as a private investigator and as a certain eye doctor in more recent times.)

Monica: (interrupting him) Oh my God!

Chandler: (not knowing the true meaning of her exclamation) I know, but just let me say it.

Monica: Oh my God, Richard. (Yep, Richard's back.)

Chandler: What?! I'm Chandler! (She nods towards the doorway, Chandler turns and looks) Oh, that's Richard!

Monica: Oh God, maybe he won't see us. Richard! (Monica smiles then acts shocked. Chandler can't believe she just did that.)

Richard: (approaching them with a woman in tow) Monica! Chandler!

Chandler: Hey-hey, hey! (Gets up and hugs him.) I don't know why I did that!

Monica: Hey, it's good to see you!

Richard: You too, you let uh, your hair grow long.

Monica: Yeah—Oh that's right. You, you always wanted me too. Hey, I see you got your mustache back.

Richard: Well, my nose got lonely.

Chandler: (to Richard's date) And uh, you don't have a mustache which is good. (She just smiles.) I'm Chandler; I make jokes when I'm uncomfortable.

Richard's Date: Hi, I'm Lisa.

Chandler: Hi.

Richard: Oh, I'm sorry. (Introduces them.) Lisa, (nodding at each) Monica, Chandler. We used to date.

Chandler: Richard! No one supposed to know about us! (Richard just smiles at him.) See I, did it again.

Monica: Chandler, wh-why don't we sit down?

Chandler: Yeah, I'll sit down. (He slides back into his chair.)

Monica: (to Richard) It's good to see you

Matiere'd: (to Richard) You're table's ready sir.

Richard: Oh. Good to see you guys.

Chandler: Yes. (Thinking he's gone.)

Matiere'd: (motioning to the empty table next to Monica and Chandler's) Or if you prefer, this table is available.

Richard: That might be fun. (Richard and Lisa sit down.)

Commercial Break

[Scene: The Charity Event, Rachel, Phoebe, and Joey are sitting at their table.]

Rachel: What were you thinking?!

Joey: I didn't know it was an auction!

Rachel: Wh?!

Joey: I figured, take a guess, help a charity, free boat!

Rachel: Why would a charity give away a free boat?!

Joey: I don't know! Charity?

Rachel: Ugh!

Phoebe: Well, just buy the damn boat! (She's still working her way through her tray of booze.)

Rachel: Phoebe, don't you think you've had enough to drink?

Phoebe: I'm just helping the kids!

Rachel: How is you drinking helping the kids?

Phoebe: Because the more I drink, the less there is for the kids to drink.

Mr. Thompson: (approaching) Mr. Tribbiani.

Joey: Oh hi!

Mr. Thompson: Your generous contribution brings us a big step closer to building the youth center.

Joey: Just out of curiosity, how-how much is that boat worth?

Mr. Thompson: I think it was valued at 19,000

Joey: (To Rachel) Hey, I was pretty close. (She just glares at him.) Uhh, so bad news. Umm, I can't buy the boat, I don't have any money.

(Mr. Thompson looks shocked and at Rachel, she suddenly starts laughing.)

Rachel: Joey! Joey, good one! (Mr. Thompson starts to laugh.)

Mr. Thompson: That's good. Very good! (Walks away.) (After he's left, Rachel stops laughing and glares at Joey again.)

Joey: So uh listen, I think I'm gonna take off now. (Starts to get up.)

Rachel: (stopping him) Hey! You...can't...leave Joey! You agreed to buy that boat, all right?! That is a contract! And plus if you leave, my boss is gonna kill me!

Joey: Well, what am I gonna do Rach?! I don't have that kind of money!

Rachel: I know. Okay. (Whispering and thinking.) Okay. Okay. All right. All right, this is what we're gonna do, we are gonna go to the next highest bidder, and we are just gonna let them buy it, and then you're just gonna pay the difference.

Joey: Okay.

Rachel: Okay.

Joey: Look, I don't know why the kids need a youth center anyway! Y'know? They should just watch TV after school like I did and I turned out fine!

Rachel: Not great.

[Scene: The Restaurant, Monica and Chandler's and Richard and Lisa's tables have been pushed together and they're all eating and talking.]

Monica: And so, we're hiding in the bathroom.

Richard: And-and then I sneak out and before Monica can her parents come in.

Monica: So I hide in the shower and the next thing you know they're going at it right on the bathroom floor.

Lisa: (laughing) Oh my God!

{Transcriber's Note: For further reading on the above story, please check out [The One Where Joey Moves Out](#).}

Chandler: I got a good one, I got a good one! I once walked in on both my parents making love to the same guy. (An awkward silence ensues.)

Richard: It's so great seeing you guys again. I'd like to make a toast. (Everyone raises their glasses) Uh, as a poet once said, "In the sweetness of friendship, let there be laughter and sharing of pleasures for in the due of little things the heart finds it's morning and is refreshed."

Monica: Ohh.

Chandler: What?!

(They all drink.)

[Scene: Monica, Chandler, and Phoebe's, Monica and Chandler are returning to find Ross is there waiting for them.]

Ross: Oh my God, you guys!! (He's excited about what he thought happened.)

Chandler: (stopping him from going any further) Before you say anything, have we got a story for you! Guess who we bumped into at dinner!

Ross: Who?

Chandler: Richard!

Ross: What? (Excited) A-ohh! (Realizes) Ohh. Oh that's right that's right. That's Richard's favorite place too.

Chandler: Oh you knew that. Good!

Monica: I thought you were going out with Elizabeth.

Ross: Yeah, I was but uh, she was a little busy with a water balloon fight.

Monica: Oh Ross, sometimes grown-ups have commitments they just can't get out of!

Ross: Y'know, maybe she is too young for me. Y'know, when I was over there and she was running around with her friends, I felt like I was a baby-sitter. I finally started to see what you guys were talking about. I don't know what to do.

Monica: Why don't you just weigh out the good stuff about the relationship against the bad stuff. I mean that's what I did when I first (looks at Chandler and pauses) weighing stuff.

Ross: Okay umm, bad stuff. Well, I'm-I'm 12 years older than she is.

Monica: If the school finds out you're fired.

Ross: Hmm.

Monica: She's leaving for three months.

Chandler: For camp!

Ross: Okay, good stuff. Umm, well she's-she's sweet and pretty and...

Monica: Look Ross, the only question you need to ask is, "Do you see a future?" I mean like do you see yourself marrying her? (Ross pauses in consideration.) Oh my God! You did it already! You married her, didn't you?!

Ross: No! No! I...didn't do that. It's just... Okay, honestly no. I don't, I don't see a big future with her.

Monica: Okay well I think...that's your answer.

Ross: I've got to talk to her. Ugh, I hate this part.

Chandler: Hey, you have to forget about Elizabeth. I mean if you're not careful you may not get married at all this year!

[Scene: The Charity Event, Rachel and Phoebe are sitting at the table as Joey approaches.]

Joey: Rach! Rachel! Okay, the next highest bidder is at table one.

Rachel: Oh great!

Joey: (To Phoebe) Oh and uh the guy who got the Paris trip is at table four.

Phoebe: Oh, okay.

Rachel: (To Phoebe) Why do you care about the guy who won the Paris trip?

Phoebe: It's a trip for two! (She gets up and takes off her blouse-type thingy she's wearing over her dress.) Excuse me. (She walks over to table four.) Excuse me, is the person who won the Paris trip at this table?

Emil Alexander: That was me.

Phoebe: Oh, en chante. (She holds out her hand for him to kiss it, but he only shakes it.)

{Transcriber's Note: Please correct my French [here](#).}

[Cut to Joey and Rachel approaching table one.]

Joey: Uhh, excuse me is there a Mr. Bowmont at this table?

Mr. Bowmont: That's me.

Joey: Ahh, yes. (Pushes Rachel in front of himself so that she could do the talking.)

Rachel: Oh well, hello. This is your lucky day Mr. Bowmont, the uh gentleman day sailer as just become available again and I believe that you made a bid of \$18,000.

Joey: You you have to pay that! It's not just a guess.

Rachel: (To Joey) Okay. Okay. (Shushes him.)

Mr. Bowmont: I was actually relieved uh I didn't win the boat. My wife would've killed me.

Rachel: Ohh...

Joey: Are you kidding me?! She's gonna this boat!

Rachel: Y-Yeah! What-what is your wife's name?

Mr. Bowmont: It's Pam.

Rachel: Pam! Oh God okay, just imagine this, "The Pam."

Joey: Aw-awwww!

Mr. Bowmont: I don't think she'd like that.

Rachel: Okay, uh-uh imagine this, "The Mr. Bowmont."

Joey: Ooooooh...

Mr. Bowmont: I don't think so dear.

Rachel: Okay look, let me paint you a little picture. (She sits down next to him.) All right, you are settin' sail up the Hudson! You've got the wind in your h—(sees that he's bald)—arms! You-you get all that peace and quiet that you've always wanted! You get back to nature! You can go fishin'! You can—ooh, you can get one of those little hats and have people call you captain, and then when you're old, Cappy.

Mr. Bowmont: What the hell, it's for a good cause! All right!

Joey: No way! It's mine!!

Rachel: (To Joey) What?! What?!

Joey: All that stuff you just said? I want that!

Rachel: But Joey you don't have \$20,000!

Joey: Who cares?! I-I'll make payments, whatever it takes, I want the Mr. Bowmont!!

[Scene: Monica, Chandler, and Phoebe's, Monica is taking out the garbage as Phoebe and Joey enter. Phoebe gasps.]

Joey: Oh my God, you're back!

Phoebe: Ohh, let me see it! Let me see your hand! (Chandler is frantically trying to wave them off.)

Monica: Why do you want to see my hand?

Phoebe: I wanna see what's in your hand. I wanna see the trash.

Joey: Yeah.

(Chandler puts his face in his hands as Joey and Phoebe start to examine the trash.)

Phoebe: Ewww! Oh, it's all dirty. You should throw this out.

Monica: (suspiciously) Okay. (Exits to carry out Phoebe's wishes.)

Chandler: (after the door closes) What did you guys just do?!

Phoebe: What happened?

Chandler: Richard was there so I couldn't do it!

Joey: What?! Noooo... (Phoebe gasps.)

Chandler: I'm gonna do it tomorrow y'know, and-and surprise her, but now you've ruined it!

Joey: We didn't ruin it!

Chandler: Who walks into a room and asks to see a person's hands?!

Phoebe: Well, a palm reader, a manicurist, a hand doctor...

Joey: Glove salesman!

Phoebe: Good one! Yeah.

Chandler: This is terrible. What am I going to do?

Phoebe: Look, she only suspects something okay? She doesn't know for sure, so just throw her off the track.

Chandler: That's right, I can throw her off. I can make her think marriage is the last thing on my mind.

Phoebe: Yeah! Yeah! Convince her that-that you're scared of commitment! Convince her that you're a little coward!

Chandler: I can do that, I've had 30 years of practice.

Joey: Hey, being you is finally gonna pay off! (They give each other fives.)

Monica: (entering) I had to go all the way to the basement because some idiot keeps stuffing the trash chute with pizza boxes!

Joey: That guy's still doing that?!

Rachel: (entering) Hey! (Sees Monica, gasps, and runs over to her.) Oh my God you're here, let me see your hand!!

Phoebe: No, you're too late!!! She already took out the trash!!!

[Scene: Outside of Elizabeth's dormitory, Ross is exiting after breaking up with her and we can hear his thoughts.]

Ross: (in his head) Wow! I have never had such a healthy break-up! She was such a grown-up about it! She didn't seem too immature for me! Did I just make a huge mistake?

Elizabeth: (sticking her head out her window) Ross! Wait!

Ross: Elizabeth, thank God! I was just thinking about...

Elizabeth: You suck!!

Ross: What?!

(She throws a water balloon at him and hits him on the head and hits him again at the waist with another one.)

Ross: Okay, break-up's still on!

[Scene: Central Perk, Chandler is looking out the window and Joey is sitting on the couch.]

Chandler: Okay, okay, here she comes! (Sits on the couch next to him.) How do I look? Do I look like a guy who doesn't want to get married?

Joey: Yeah! And also, a little like a French guy. (They both squint at each other.) I never noticed that before.

Monica: (entering) Hi guys!

Joey: Hey!

Chandler: Hey!

Monica: What are you up too?

Chandler: Oh, just hanging out, talkin' about uh, websites. (Joey laughs.) Yeah, we saw this really interesting website about marriage and how totally unnecessary it is and how its just a way for the government to keep tabs on you.

Joey: (laughs) Yeah, Big Brother.

Monica: Well that's a little crazy. Although I am y'know glad to hear that you're branching out on what you look at on the Internet.

Chandler: Yeah, well... Y'know, it just got me thinking though, why would anybody ever want to get married huh?

Monica: Why?! To celebrate your relationship! To solidify your commitment! To declare your love for one another to the world!

Chandler: Eh...

Monica: Okay well that's good to know.

(We hear the backup horn of a truck and see through the window that the Mr. Bowmont has arrived.)

Joey: (all excited) The Mr. Bowmont's here!!! (Jumps over the back off the couch and runs out into the street.)

[Scene: Monica's Restaurant's kitchen, she's cooking as a waitress sticks her head in.]

Waitress: Hey Monica, there's a customer who wants to complement the chef, should I let him in?

Monica: Sure, I love this part! (Starts to look busy.)

Waitress: (to the customer) Come on in. (The customer turns out to be...)

Richard: Hi!

Monica: Richard!

Richard: Actually, I'm not here to complement the chef.

Monica: Ohh... Oh, that's okay I hate when people come back to complement the chef. Like I have nothing better to do! So what's up?

Richard: Well, it was great seeing you the other night.

Monica: Oh, good to see you too. Did you come down here to tell me that?

Richard: No! I came here to tell you something else. (Pause) I came here (Pause) to tell you I still love you.

Commercial Break

[Scene: Monica's Restaurant, continued from earlier.]

Monica: What uh—What did you—What?!

Richard: I still love you. And I know I probably shouldn't even be here telling you this, I mean you're with Chandler a guy I really like, and if you say he's straight I'll believe you! After seeing ya the other night I knew if I didn't tell ya I'd regret it for the rest of my life. Letting you go was the stupidest thing I ever did.

Monica: Y'know you're really not supposed to be back here!

Richard: Well yeah, I'm sorry. I know this is the wrong time and the wrong place but I had to tell ya! I wanna spend my life with you. I wanna marry you. I wanna have kids with you.

Monica: Oh God... (Starts looking around.) Why don't they put chairs back here?!

Richard: I know this is crazy but am I too late?

Monica: What the... Yes you're too late! Where was all this three years ago?!

Richard: Well I know I was an idiot! And I tried to forget you, I really did! Y'know after we had lunch last year I spent six months in Africa trying to get you out of my head!

Monica: What were you doing in Africa?

Richard: Working with blind kids.

Monica: Ohhh! What are you doing to me?! Oh look, I-I... I'm sorry but umm, this-this-this-is not going to happen.

Richard: Okay that's fine, I'll walk away. And I'll

never bother you again, but **only** if you tell me Chandler's willing to give you everything I am.

Monica: Well he is! Yeah, I mean marriage is all he talks about! My goodness, in fact, I'm the one that's making **him** wait!

Richard: You are?

Monica: Yeah!

Richard: Why?

Monica: Why? Because of the government.

[Scene: Central Perk, Rachel is bringing Phoebe some coffee.]

Rachel: Isn't it incredible?! Monica and Chandler, gettin' married.

Phoebe: I know, they're gonna be **so** happy together.

Rachel: Ohh... I mean two best friends falling in love, how often does that happen?

Phoebe: **Not** that often!

Rachel: No! I'm so happy for them!

Phoebe: Me too! So happy for them!

Rachel: I'm so happy and not at all jealous.

Phoebe: Oh no! No God, definitely not jealous! (They both take a drink of coffee.)

Rachel: I mean I'm probably 98% happy, maybe 2% jealous. And I mean what's 2%? That's nothing.

Phoebe: Totally. I'm like 90/10.

Rachel: Yeah me too.

(Joey enters looking like Captain Stubing from the *Love Boat*.)

Joey: Hey uh, have you guys scene Chandler?

Rachel: (staring at him) Wh—no, but y'know who did stop in here looking for ya, Tennifer.

[Scene: A Pizza Joint, Chandler and Monica are eating lunch.]

Monica: So that marriage stuff that you were saying yesterday, you don't really believe that do you?

Chandler: Sure I do. In fact, I think the whole concept of marriage is unnatural. I mean look at pigs. Let's take a second here and look at pigs. Okay pigs don't mate for life. I mean a pig can have like a hundred sexual partners in a lifetime, and that's just an ordinary pig not even a pig that's good at sports!

Monica: Yeah, but that's **pigs** not people!

Chandler: If marriage worked, I'd be all for it. But do you know what the divorce rate in this country is? 97%.

Monica: Wait a minute. Are you honestly telling me that-that you may **never** want to get married?

Chandler: Well, never say never but y'know probably uh yeah, never.

Monica: Oh my God! Then-then-then what are we even doing?! What is this?!

Chandler: Whoa! Whoa! Whoa! What is all this pressure?! Is this some new kind of strategy? Why don't you put down your copy of 'The Rules' huh mantrap?!

Monica: Y'know what?! I gotta go! Ugh!

(She gets up and storms out. The people at the other tables are staring at Chandler.)

Chandler: (to them) It's okay, I got a plan.

[Scene: Central Perk, Phoebe and Rachel are still talking.]

Rachel: We're gonna find love!

Phoebe: Definitely!

Rachel: Yeah, I'm pretty confident about that. That's what makes it so easy for me to be 80% happy for Monica and Chandler! It would be nice to have a little guarantee though.

Phoebe: What do you mean?

Rachel: Well y'know, some people make deals with a friend, like if neither of them are married by the time they're 40, they marry each other.

Phoebe: You mean a backup?

Rachel: Exactly!

Phoebe: Yeah, yeah I got that.

Rachel: You do?

Phoebe: Hm-mmm.

Rachel: Who?

Phoebe: Joey.

Rachel: Joey?!

Phoebe: Yeah!

Rachel: Are you serious?!

Phoebe: Yeah, I locked him years ago!

Rachel: Wh... So... If neither of you are married by the time you're 40, you're gonna marry Joey.

Phoebe: Yep, we shook on it. Yeah but believe me that is not how he wanted to seal the deal.

Rachel: Oh, seriously?

Phoebe: Ohh, yeah. I think his exact words were... (She makes two clicking sounds with her tongue and purrs.)

Rachel: Charming.

Phoebe: Well hey, it's just a backup.

Rachel: Yeah.

[Scene: Joey and Rachel's, Joey, still looking like Captain Stubing, is practicing his slipknots as Monica enters.]

Joey: Hey Monica!

Monica: Have you seen Rachel? Or a mirror?

Joey: This is for my boat, pretty cool huh?

Monica: Yeah, it's great.

Joey: Whoa-whoa, what's the matter?! Talk to the captain!

Monica: I'm just having one of those days where you realize you're in a dead-end relationship!

Joey: Chandler giving you a hard time huh?

Monica: It's not like I want to get married tomorrow! It's just that I-I'd like to believe that I'm in a relationship that's actually going somewhere, that I'm not just wasting my time!

Joey: Well, you know Chandler.

Monica: No I don't know Chandler! Not anymore! It's like it's like something's changed.

Joey: Maybe you changed?

Monica: I didn't change!

Joey: Maybe that's the problem.

Monica: What?!

Joey: Chandler is a complex fellow, one who is unlikely to

take a wife.

Monica: Is that some kind of boat talk?

Joey: I don't know! (All excited) I haven't totally decided how to talk on my boat yet.

Monica: What does he think? Does he think I'm just gonna wait around for nothing?

Joey: Monica face it, Chandler is against marriage. And-and always will be!

Monica: (starts for the door) Well there's some people who do want to marry me.

Joey: There are?

Monica: Yeah! Richard!

Joey: R-R-Richard said he wants to marry you?! (Monica nods yes.) And-and Chandler's tellin' ya how much he hates marriage?!

Monica: That's right.

Joey: Chandler **loves** marriage!!

Monica: You just told me that he hates marriage! That-that he's a-a complex fellow who's unlikely to take a wife! That-that he's against marriage and always will be!

Joey: You got **that** from what I said?!

[Scene: Ross's apartment, Ross is watching a show about the extinction of the dinosaurs.]

Narrator: When the Cretaceous period ended, the dinosaurs were gone.

Ross: What happened you guys? (There's a knock on the door, he shuts the TV off, and answers it.)

Ross: Rach!

Rachel: Hey you!

Ross: Hey, come on in.

Rachel: Oh thank you. Hey y'know, I'm so sorry to hear about you and Elizabeth.

Ross: Oh, thanks. Yeah, I really thought we'd be able to make it work, but uh, I guess it just wasn't meant to be.

Rachel: Yeah, love. It's a tricky business isn't it?

Ross: I guess so.

Rachel: So what do you say we make a pact? If you and I are both single by the time we're 40, we get married. I mean, we know each other, we like each other, and we've-we've already slept together so y'know there'll be no surprises there! You know what I mean? No like, "What's that?!"

Ross: Right. Ohh! You-you want me to be your backup.

Rachel: Exactly.

Ross: Ohh, yeah I already have one.

Rachel: What? Who?

Ross: Phoebe.

Rachel: Phoebe?! Wait a—-but-but she just, she said that Joey was her backup.

Ross: Ohh, I don't think so.

Rachel: Ross! I just had a conversation with her, and she said that she and Joey made a deal!

Ross: That's impossible! I mean **we** have had a deal for years! We-we-we shook on it, although believe me she wanted to do a lot more than that.

[Scene: Monica, Chandler, and Phoebe's, Chandler is entering to find Joey, still looking like Captain Stubing, on the phone.]

Joey: Where the hell have you been?!

Chandler: I was making a coconut phone with the professor.

Joey: Richard told Monica he wants to marry her!

Chandler: What?!

Joey: Yeah! Yeah, I've been trying to find ya to tell to stop messing with her and maybe I would have if these (lifts a leg) damn boat shoes wouldn't keep flying off!

Chandler: My—Oh my God!

Joey: I know! They suck!!

Chandler: He's not supposed to ask my girlfriend to marry him! I'm supposed to do that!

Joey: I know!

Chandler: Well what... Y'know what I'm gonna do? I'm gonna go over there; I'm gonna kick his ass! (Pause) Will you help me?!

Joey: Look, Chandler I don't think us getting our asses kicked is a solution. Okay? Just go and find Monica!

Chandler: You're right.

Joey: Yeah!

Chandler: Okay. (Starts running for the bedroom) I'm gonna get the ring! I'm gonna get the ring! (Does so) I'm gonna go find her and (starts running for the door) I'm just going to propose!

Joey: Okay.

Chandler: Okay great.

Joey: Dude-dude-dude!

Chandler: What?!

Joey: Let me know about that coconut phone, it might great for the boat.

Commercial Break

[Scene: Richard's Apartment, he's smoking a cigar and reading a book as there is a knock on the door. He gets up and opens the door to reveal...]

Monica: Hi.

Richard: Hi.

Monica: I don't know why I'm here.

Richard: I didn't ask. You wanna come in?

Monica: I don't know.

Richard: Oh, okay. Well, I'll just leave the door open and go sit on the couch. (Does so.)

Monica: (entering) Chandler is such an idiot!

Richard: (standing up quickly) Drink?

Monica: Yeah, I'll have a scotch...

Richard: ...on the rocks with a twist? I remember. (Goes to make her drink.)

Monica: (moving over to the couch) Still smoking cigars?

Richard: Uh, no! No! That's...art! If it bothers you I

can put my art out.
Monica: No that's, that's okay.
Richard: So Monica let me ask you a question. Y'know, since we broke up do you ever, think about me?
Monica: Uh yeah, I-I actually I thought about you a couple months ago.
Richard: Oh really?
Rachel: Phoebe! You picked Joey and Ross?! You can not have two backups!
Phoebe: Of course I can! It's just good sense to backup your backup! Look, I've already lost Chandler!
Rachel: What?!
Joey: (entering) Hey!
Ross: (entering) Hey!
Joey: Phoebe! We're both (points at Ross and himself) your backup?!
Ross: Phoebe, how could you do this to me?!
Phoebe: I don't—Look I don't know what you're complaining about now? You were both aware of the situation!
 (At the same time.)
Joey: No we weren't!
Ross: I was not!
Phoebe: Okay, this kind of back talk is not gonna fly when we're married!
Rachel: Phoebe you can't have both of them! You have to pick one!
Joey: Pick me!
Ross: No! Pick me! I don't want to end up an old maid!
Phoebe: All right well let's see, Ross is a good father, but Joey has a boat—This is hard!
Joey: This is crazy! Hey look, I wanna switch to Rachel!
Ross: Ooh, I wanna switch to Rachel too! (Rachel gets all happy.)
Phoebe: No wait! Just—Okay—Just wait! You guys! Wait you guys! Don't make any rash decisions, okay? Just remember my promise, when we get married, three times a week.
Rachel: Oh God, Phoebe!
Phoebe: (To Rachel) I'm talking about massages.
Rachel: Oh.
 (She turns her head away and when she's not looking, Phoebe shakes her head and mouths, "No, I'm not." Both Joey and Ross smile, look at each other, and then stop smiling.)
Rachel: Okay, y'know what?! I know-I know how to settle this! All right here, this is what we're gonna do! I'm gonna write Joey on one napkin (does so) and I'm gonna right Ross on the other napkin (does so) and we are going to pick one! And that person is going to be our backup! Okay?
Joey: Okay that's fair.
Ross: All right.
Phoebe: Good!
 (Rachel mixes them up in her hands, moves them all around, and puts her hands behind her back.)
Rachel: Pick one.
Phoebe: Left! (Rachel hands her the napkin in her left hand and they both unfold and read them.) Thank you.
Rachel: You're welcome.
Phoebe: (reading) Ross!
Rachel: (reading) Joey! (Pause) We should just switch.
Phoebe: Yeah absolutely! (They both switch.)
Joey: Yeah.
 [Scene: Richard's Apartment, Monica is looking around and notices an African mask hanging on the wall.]
Monica: (to the mask) I missed you-you ugly, flat faced old freak!
Richard: Excuse me?
Monica: Oh! (Laughs and points at the mask.) Him.
Richard: Oh. (Laughs.) Whew!
Monica: I missed this apartment! Now, this is a grown-up's apartment! Y'know, I-I should be with a grown-up, do you know what I mean?!
Richard: Yeah! You're saying, you need to be with someone more mature. Maybe someone with, a license to practice medicine. Or a mustache.
Monica: Y'know, let's face it, I'm not a kid anymore! I-I need to be with someone who-wants the same things that I do! I mean coming to my place of work and telling me that you love me, I want that! Talking about pig sex over lunch, I don't want that!
Richard: I think that's fair.
Monica: Fair? Please don't even talk to me about fair! Fair would've been you wanting to marry me back then! Or fair would've been Chandler wanting to marry me now! Believe me, **nothing** about this is fair! Nothing! Nothing! Nothing! Nothing! Nothing! Nothing! Nothing!
Richard: It's okay! Shh! Hey. Hey. (Hugs her) Shhhh.
Monica: Nothing. (She backs away a little bit but is still in his arms and looks up at his eyes.) I don't kn—Umm. I don't know. Umm...
Richard: I know. (Backs away.)
Monica: Y'know, I-I... I have to figure...some st—Y'know, some stuff before I can...
Richard: Yeah, I understand. Take as much time as you want. (Pause) Ten, even twenty minutes if you need it. I'll be here. Not smoking. (Monica

Monica: Yeah but it was because I-I had an eye exam and I don't like my new eye doctor.
Richard: Who is it?
Monica: Edward Nevski?
Richard: Yeah he's no good. Do you ever (pause) think about me in a (pause) non-eye doctor way?
Monica: No.
Richard: Ahh.
 (leaves.)
 [Scene: Richard's Apartment, time lapse. Richard is smoking as he hears a knock on the door. He quickly puts out his cigar and opens the door.]
Richard: Chandler.
Chandler: Where is she? I'm not scared of you! (Averts his eyes and walks in.)
Richard: She's not here and please come in.
Chandler: (examining the coffee table) Scotch on the rocks, with a twist, on a coaster? Ha-ha, Monica! Monica!
Richard: Okay, she was here, but she left.
Chandler: Well where did she go?
Richard: Well she said she had to think things over.
Chandler: Oh my God, I can't believe this! Y'know, I thought...I thought you were a good guy.
Richard: Oh, hey look nothing happened.
Chandler: Nothing happened? Nothing? So you didn't tell my girlfriend that you love her?
Richard: Well all right, one thing happened?
Chandler: Y'know what? I can't believe this! Do you know what you did? My girlfriend is out there thinking things over! You made my girlfriend think!!
Richard: Well I'm sorry.
Chandler: And what does she have to think about? I love her!
Richard: Well, apparently I'm willing to offer her things that you are not.
Chandler: But I **am** willing to offer her all those things. This was just a plan, y'know? A way to throw her off course so that when I offered her all these things, she'd be surprised!
Richard: Well if it helps, it worked very well.
Chandler: It was working until you showed up, you big tree! I mean, this isn't fair. You had your chance with her! You had your chance and you blew it! And this is my chance and I am not going to blow it because **we** are meant for each other! And this is all just been one stupid mistake! (Sits down heavily.) I was gonna propose tonight.
Richard: You were gonna propose? (Sits on the arm of the couch.)
Chandler: Yeah I even (pause) got a ring. (Puts in on the center cushion.) Did you get a ring?
Richard: No I don't have a ring! (Pause) You go get her Chandler. (Pause) And can I give you a piece of advice? If you do get her, don't let her go. Trust me.
Chandler: Y'know Richard...you are a good guy.
Richard: I know. (Pause) I **hate** that!
 (Chandler gets up and runs out, but as soon as the door closes behind him he opens it, runs back in, picks up his ring Richard is holding up for him, and runs back out.)
 [Scene: The Hallway, Chandler is running up the stairs and towards his apartment, but Joey is taking out the garbage at the same time and stops him in the hall.]
Joey: Dude!
Chandler: I can't talk to you now, I gotta find Monica!
Joey: She's gone.
Chandler: What?
Joey: She's gone. She had a bag and she left.
Chandler: What are you talking about?
Joey: She was all crying. She-she said you guys want different things, and that and that she needed time to think.
Chandler: Well why didn't you stop her?! Why didn't you just tell her it was a plan?!
Joey: I-I did! I told her everything, Chandler! But she wouldn't believe me.
Chandler: Well where... Where did she go?
Joey: To her parent's I think and she said you shouldn't call her. But if I were you I would.
Chandler: I can't believe I ruined this.
Joey: I am so sorry man.
 (He walks dejectedly into his apartment to find it lit with about a thousand candles and Monica standing in the living room.)
Monica: You wanted it to be a surprise.
 (He turns to look at Joey who smiles slyly and closes the door leaving them alone.)
Chandler: Oh my God.
 (Monica gets down on one knee.)
Monica: Chandler... In all my life... I never thought I would be so lucky. (Starting to cry.) As to...fall in love with my best...my best... There's a reason why girls don't do this!
Chandler: Okay! (He joins her on one knee) Okay! Oh God, I thought... (Starting to cry, pauses) Wait a minute, I-I can do this. (Pause) I thought that it mattered what I said or where I said it. Then I realized the only thing that matters is that you, (Pause) you make me happier than I ever thought I could be. (Starting to cry again.) And if you'll let me, I will spend the rest of my life trying to make you feel the same way. (Pause as he gets out the ring.) Monica, will you marry me?
Monica: Yes.
 (The crowd goes wild as he puts the ring on her finger. They hug and kiss this time as an engaged couple.)
Monica: I **knew** you were likely to take a wife!
 (They hug again.)
Joey: (yelling through the door) Can we come in yet?! We're dying out here!
Monica: Come in! Come in! (Joey, Rachel, and Phoebe burst through the door.) We're engaged!!! (Everyone screams and has a group hug.)
Rachel: Ohhh, this is the least jealous I've ever been!
Phoebe: Oh no wait no, this is wrong! Ross isn't here!

Monica: But getting over was the hardest thing that I've ever had to do. And I never let myself think about you.
 (Richard mouths, "Wow!")
 [Scene: Central Perk, Phoebe is reading as Rachel enters.]
Monica: Oh...
Rachel: Oh hell, he's done this three times! He knows what its about!
Joey: Yeah!
 (They all hug again.)
 Ending Credits
 [Scene: Monica, Chandler, and Phoebe's, it's just Monica and Chandler dancing to *Wonderful Tonight* on the *Slowhand* album by Eric Clapton. And you can buy that album from the CFSI, just click on the CDNow link.]
End
701 The One With Monica's Thunder
 [Scene: Monica, Chandler, and Phoebe's, Chandler, Joey, Rachel, and Phoebe are standing around the table drinking champagne as Ross enters.]
Ross: Hey, what's going on?
Chandler: Hey.
Ross: I found a note on my door, "Come to Monica's quick, bring champagne and a *Three Musketeers* bar."
Joey: (grabbing the candy bar) Yeah I'll take that.
Ross: What's up?
Chandler: Monica and I are engaged.
Ross: Oh my God. (Hugs Chandler.) Congratulations.
Chandler: Thanks.
Ross: Where is she?
 [Cut to Monica out on the balcony.]
Monica: (yelling at the top of her lungs) I'm engaged!!!!!! I'm engaged!!!!
 [Cut back inside.]
Joey: Yeah, she's been out there for twenty minutes, I'm surprised you didn't hear her on the way over.
Ross: Oh, I thought it was just a kid yelling, "I'm gay! I'm gay!" Can I bring her in?
Phoebe: Oh no, let her stay out there. It's sweet.
 [Cut to Monica.]
Monica: I'm getting married!!!! I'm gonna be a bride!!!! (Someone else yells at her.) No, I will not shut up because I'm engaged! (He yells again.) Ohh, big talk! Huh, why don't you come over here and say that to me?! Huh, buddy?! Yeah, my fiancée will kick your ass! (Chandler starts to look worried.) Come on, apartment 20! Apartment 20!
 [Cut back inside.]
Chandler: (To Ross) Okay, you get her in here. (To Joey) You bolt the door. I'll be in the closet.
 Opening Credits
 [Scene: Monica, Chandler, and Phoebe's, continued from earlier, everyone is now in the living room drinking champagne.]
Monica: Okay! Wait-wait-wait! Shhh! (Bangs on her class with a spoon to make a toast.) Okay, umm, I just wanna say that...I love you guys so-so much and-and thank you for being here on my special night. (Chandler clears his throat.) Our special night. I mean it just wouldn't be my—our-our night, if you all weren't here to celebrate with me—us—Damn it!
Chandler: It's okay, I want this to be your night too. (Raises his class.) To Monica.
Monica: Awwww, come on—wait—stop it. Okay, to Monica.
Chandler: To Monica!
 (They all say to Monica, clink their glasses, and drink.)
Phoebe: So have you decided on a band for the wedding? Because, y'know, I'm kinda musical.
Rachel: Yeah Phoebe's, honey, she just got engaged a couple of hours ago. I doubt she's even had time to...
Phoebe: Well speaking of chiming in, remember the time you burned down my apartment?
Rachel: (To Monica) Yeah, you're on your own.
Monica: Y'know what we should do? We should all get dressed up and go to have champagne at *The Plaza*. (They all agree and start to go and get ready.)
Joey: But I-I-I can't stay too long. I gotta get up early for a commercial audition tomorrow and I gotta look good. I'm supposed to be playing a 19-year-old. (Everyone stops in their tracks upon hearing this.) What?
Chandler: So when you said, "Get up early," did you mean 1986?
Joey: You guys don't think I look 19?
 (A brief silence ensues.)
Phoebe: Oh, 19! We thought you said 90!
 (They all politely laugh and stop just as quickly.)
Monica: Okay everybody, let's go! Let's go!
Rachel: Okay.
Chandler: Okay.
 (They all leave and Joey comes back in quickly.)
Joey: (To Phoebe) Hey, is uh the rest of my candy bar around here?
Phoebe: Oh honey no, you ate it all.
Joey: I was afraid of that.
 (Walks out and after he closes the door Phoebe turns around and takes a bite out of what is left of his candy bar.)
 [Scene: Monica and Chandler's bedroom, they're getting ready.]
Monica: (looking at her hand) Y'know what shoes would look great with this ring? Diamond shoes! (Sees Chandler sitting on the bed.) You're not getting dressed. (Chandler quietly folds over the comforter on the bed making a spot for her.)

Chandler: Know what I mean?
Monica: Yeah, but I don't think we have time.
Chandler: There's gonna be a wedding. You're gonna be the bride. Two hundred people are going to be looking at you in a clean white dress.
Monica: (lustily) Let's do it! (She kisses him and they fall back onto the bed.)
[Scene: Monica, Chandler, and Phoebe's, time lapse, Chandler is fully dressed and slowly walking out of the bedroom with a distressed look on his face.]
Monica: (chasing after him) Chandler! It happens to lots of guys! You-you-you were probably tired, you had a lot of champagne, don't worry about it!
Chandler: (motioning with his hands) I'm not worried, I'm uh, I'm fascinated. Y'know it's like uh, Biology! Which is funny because in high school I uh, I-I failed Biology and tonight Biology failed me. (Exits as Phoebe enters from her room with her guitar.)
Phoebe: Check it out. Okay, I can play this when the guests are coming in. Okay. (Singing) "First time I met Chandler, I thought he was gay. But here I am singing on his wedding day!"
Monica: Phoebe!
Phoebe: If you would've let me finish, it goes on to say that he's probably not gay.
[Scene: Joey and Rachel's, Chandler is looking at the foosball table.]
Chandler: Sure, you guys don't have this problem, you're made of wood. (Rachel comes out of the bathroom) Hey!
Rachel: Hey!
Chandler: You look great!
Rachel: (quietly) Oh, thanks.
Chandler: You okay over there?
Rachel: I don't know, y'know? I feel a little umm... No, y'know what? Nevermind, I'm gonna be fine.
Chandler: Oh, don't worry about it I mean you probably were tired, you had a lot of champagne, it happens to everybody.
[Rachel exits into the hallway just as Ross is coming up the stairs.]
Ross: Hey!
Rachel: Hi!
Ross: Wow! Happy Monica's night!
Rachel: Well thank you, you too.
Ross: Thanks.
Rachel: Hey, do you believe this? Do you believe they are actually getting married?
Ross: Well sure. But I get married all the time so...
Rachel: Ohh...
Ross: You okay?
Rachel: Yeah, I guess. I-I... I mean, do-do you think we're ever gonna have that?
Ross: You mean, we—you and me?
Rachel: Oh no-no-no-no-no, no, no! We, you with someone and me with someone.
Ross: Oh good, you scared me for a minute.
Rachel: Shake it off.
Ross: I mean—no, it's just 'cause, it's just 'cause you and I were like a nightmare. (Screams.) No, but there was some good times.
Rachel: No, absolutely. Y'know like it was umm...
Ross: Surely you can think of something good.
Rachel: Yeah, just give me a minute! (Thinking) Oh well, yes, I can think of one good thing.
Ross: What?
Rachel: Well you uh, you were always really good at the uh, at the uh the stuff.
Ross: Yeah? I was good at the stuff huh?
Rachel: Uh-hmm, uh-hmm, yeah, yeah, I really liked your hands.
Ross: My hands?
Rachel: Yeah.
Ross: Yeah?
Rachel: Uh-huh.
Ross: (to his hands) Way to go guys. Y'know, you-you were really good at the stuff too.
Rachel: Oh, I know. Hey, y'know what we never did? (Ross looks at her.) Oh no, not that. (Ross nods okay.) We uh, we never had bonus night!
Ross: A what?
Rachel: Y'know, bonus night. Y'know, when two people break up but they get back together for just one night.
Ross: One night, just-just sex. No strings attached?
Rachel: Yeah-yeah, we never had that.
Ross: No.
[Silence.]
Ross: Okay, this is getting a little crazy. I mean, I'm-I'm sure it would be amazing but I...gotta say I really-really don't think it would be a good idea. Y'know? I really, really...don't.
[Scene: Joey and Rachel's, Chandler is playing *Playstation, Crash Team Racing* to be exact (he's in last on Hot Air Skyway to be more exact) as Joey enters from his room desperately trying to look like a 19-year-old. He's got the wool cap, he's got the cut-off *Knicks* jersey over the faded T-shirt, and he's got the whole pants-around-the-knees-showing-off-the-boxers thing that rich, white, suburban kids have adopted in a desperate and extremely futile attempt to try to look like they're from the inner-city.]
Joey: 'Sup? 'Sup dude?
Chandler: (putting his hands up) Take whatever you want, just please don't hurt me.
Joey: So you're playing a little *Playstation*, huh? That's whack! *Playstation* is whack! 'Sup with the whack *Playstation*, 'sup?! Huh? Come on, am I 19 or what?!
Chandler: Yeah, on a scale from 1 to 10, 10 being the dumbest a person can look, you are definitely 19.
Joey: Come on man, really how old?!
Chandler: Young! You're a man-child okay?! Now go get changed because everybody's ready and please, oh please, keep my underwear!
Joey: Wow thanks! (He goes into his bedroom and closes the door.)
Chandler: Joe?
Joey: Yeah!
Chandler: Uhh, you've had a lot of sex right?
Joey: When? Today? Some, not a lot.
Chandler: Well, it's just the reason that I'm asking is because I kind of eh, uh, I was unable to—I mean I really wanted too, but I couldn't.... There huh—hmm, there—there was an incident.
Joey: Don't worry about that man, that happens.
Chandler: It's happened to you?
Joey: Yeah! Once.
Chandler: Well, what'd you do?
Joey: I did it anyway.
[Scene: Monica, Chandler, and Phoebe's, Monica is in the living room and Phoebe is in her room.]
Monica: Phoebe! Come on! Let's go! (Knocks on her door.) Come on! (Phoebe enters with guitar and not ready to go.) Why aren't you dressed yet?!
Phoebe: I'm sorry, but I just wrote the best dance song for your wedding. Check this out. (Gets ready to play.)
Monica: (grabs the guitar away from her) No, Phoebe, I'll tell you what, if you get ready now I'll let you play it at the wedding.
Phoebe: Really?! Oh that's so exciting! Thank you! Thanks Mon! Oh but Mon, if you touch my guitar again I'll have to pound on you for a little bit.
Monica: Fair enough, now go get ready!
Phoebe: Okay. (She goes to get ready.)
Monica: I'll get everybody else (Does so), finally we can start celebrating my—(She gasps and is stopped by the sight of Ross and Rachel making out in the hall.) I'm sorry, uh apparently I've opened the door to the past.
Commercial Break
[Scene: Monica, Chandler, and Phoebe's, continued from before the commercial break. Monica is walking into the apartment followed by Ross and Rachel.]
Ross: Okay, Monica. Mon, uh what-what you just saw...
Monica: (interrupting) Can I ask you just a little question, huh? Why tonight?
Rachel: What?
Monica: See, I've been waiting my whole life to be engaged, and unlike some people I'm only planning on doing this once. So, uh y'know, maybe this is selfish and I'm sorry about it, but I was kinda hoping tonight could just be about that.
Rachel: Oh honey, but it is just about...
Ross: It is! It is!
Monica: No it's not! No! No! Now it's about you and Ross getting back together!
Rachel: What?!
Monica: See yeah umm, you kinda stole my thunder!
Ross: Okay! Ho-ho! We did not steal your thunder because we are **not** getting back together!
Rachel: Yeah. No. And you know what? Nobody even saw!
Ross: Yeah!
Monica: That's true.
Rachel: Honey I swear it we just kissed.
Ross: It was just a kiss. (Phoebe enters and overhears this.)
Phoebe: You guys kissed!!!!!! What does this mean?!! Are you, are you getting back together?! Can I sing at your wedding?
Monica: Thunder being stolen!!
Rachel: Okay come on Phoebe, it's nothing! Monica, come on!
Ross: Look let's not make a big deal out of this! It was a one time thing. It doesn't even matter!
(Chandler and Joey enter and overhear that.)
Joey: Oh my God! I cannot believe you guys are talking about this! The problems in the bedroom are between the man and the woman!!! All right?! Now Chandler is doing the best he can!!
Chandler: (angrily) I don't think that's what they were talking about Joe!!
Phoebe: What a great night, Chandler can't do it, these guys kissed... (Points to Ross and Rachel.)
Joey: What?
Chandler: What?!!
Joey: You guys kissed! Oh my—this is huge!
Rachel: No!
Ross: Oh no!
Rachel: No-no, it's really not huge.
Ross: And; people thinking it's huge has led Monica to believe that we are stealing her thunder. (To Monica) Which we are not!
Monica: Well, we're still talking about it, aren't we?
Phoebe: Well yeah, that and Chandler's problem.
Joey: Monica-Monica-Monica-Monica, listen-listen, listen, would-would it make you feel better if we all stop talking about Ross and Rachel.
Monica: Yes that would be lovely.
Joey: You got it. Okay. Now, I can pass for 19 right?!
Chandler: Yes, you can pass for 19.
Joey: Really?
Chandler: Yes!
Joey: Seriously?
Chandler: Seriously? Seriously, no! You can play your own age which is 31!
Joey: (gasps) I'm 30!
Rachel: Joey, you are not! You're 31.
Joey: (realizes) Aww crap!
Phoebe: Okay, so *The Plaza*! Okay, we'll get us some Mai Thai's, (To Chandler) maybe no more for you though.
Monica: Y'know what? I-I think that umm, I don't feel like going to *The Plaza*.
Phoebe: Why?!
Rachel: Honey, Monica, this is ridiculous! Look...
Monica: No-no, I-I really don't want to talk about it! I don't! (To Rachel) Especially with you. (Goes into her room.)
Joey: Psss, that is whack!
[Time lapse, Phoebe is playing the guitar for Joey.]
Phoebe: (she's strumming something) Yeah? (Joey nods yes.) Okay, I think I'll play it at the wedding.
Joey: Yeah! Well, I think we'll see if they actually let you play. Huh? I mean they tell you anything you want to hear like-like, "You look 19," and then they just take it away like-like, "No you don't."
Phoebe: Well, I don't think Monica is gonna take this away.
Joey: Wouldn't she?
Phoebe: Would she?
Joey: Would she? (He smells something and gasps as he realizes what it is.) You ate my candy bar!
[Scene: Rachel's bedroom, she's pacing as Ross knocks on her door and opens it a little to stick his hands in.]
Ross: Guess who? (Enters fully.)
Rachel: Hey.
Ross: Hey, I just realized we kinda let some stuff up in the air...
Rachel: What do you think Monica mean when she said she didn't want to talk, especially with me? I mean, why not especially you and me? We were both out there kissing.
Ross: Still thinking about it huh?
Rachel: Come on! Serious-ser-ser-seriously, what did she mean by that? (Mimicking Monica.) Especially you!
Ross: (loosening his tie) Oh, who cares?
Rachel: I care!
Ross: (tightening his tie) And so do I.
Rachel: Y'know what, I-I have to go talk to her, would you let me just get changed?
Ross: Okay. Sure. (Sits down on her bed.)
Rachel: Am I going to let you watch me undress?
Ross: (sitting up) No! (Exits.)
[Scene: Monica and Chandler's bedroom, they are both getting undressed.]
Monica: I can't believe her, y'know it's just—it's so typical.
Chandler: Now Monica, I know you're upset, but don't forget. There is going to be a wedding, you are going to throw the bouquet, and **then** there's going to be a honeymoon, maybe in Paris.
Monica: Paris?
Chandler: We will take a moonlit walk on the Rue de la (mumbles something).
Monica: Keep talking.
Chandler: Then we will sprinkle rose pedals on the bed and make love. Not just because it's romantic, but because I can!
Monica: I love you!
(They start making out and both start to feel something growing below the belt line.)
Monica: (in a French accent) Bonjour, monsieur.
Chandler: Okay, don't say anything, you might scare it away.
(There is a knock on the door.)
Chandler: It's Paris, who knows we're here!
Monica: (opening the door) Hi Pheebs, what's up? (She enters.)
Phoebe: Okay, you said I could sing at your wedding so, I'm just gonna need a small deposit.
Monica: What?!!
Phoebe: Y'know, just some good faith money to hold the date.
Chandler: Pheebs, we're not giving you a deposit for our wedding!
Phoebe: Oh, I see. (Exits angrily.)
[Cut to the living room, Joey is eating a sandwich.]
Joey: They break your heart, don't they?
Phoebe: Y'know, I don't really their permission.
Joey: Yeah! If you wanna sing at their wedding, well you sing at their wedding!
Phoebe: Yeah! And if you wanna look 19, then you... You gotta do something about your eyes.
Joey: What?! What's wrong with my eyes.
Phoebe: They give you away! There's just-there's just too much wisdom in there. (Joey nods in agreement.) Just put some tea bags on there for like 15 minutes.
Joey: And that'll get rid of my wisdom?
Phoebe: Maybe just 10 minutes for you.
[Cut back to Monica and Chandler's room, they are making out again as there's another knock on the door.]
Chandler: Oh, give her the deposit! Give her the ring! I don't care!
(Monica opens the door to Ross and Rachel.)
Monica: Yes.
Rachel: Monica, what did you mean before when you said you didn't want to talk to anyone, especially me?
Chandler: What a great apology! (To Monica) And you accept! Okay, bye-bye!
Rachel: No-no, seriously-seriously, what was the especially me part about?
Monica: Well, let's just say it's not the first time you've stolen my thunder!
Rachel: What?!!
Ross: (To Rachel) Hey, here's a thought. (Rachel ignores him and follows Monica into the kitchen.)

Rachel: Monica, what are you talking about?
Monica: My Sweet Sixteen! Remember, you went to third base with my cousin Charlie.
Chandler: (entering) Ahh, third base.
Monica: It's all everybody at the party could talk about!
Rachel: Monica, y'know what? The only reason I did that was because your party was so boring!
Monica: (gasps) We had a characterist!
Rachel: Oh!!
Phoebe: (singing, angrily)
 "Whenever I get married, guess who won't get to sing?
 Somebody named Geller! And somebody else named Bing!"
 (Exits.)
Rachel: Monica, your Sweet Sixteen was like a million years ago.
Monica: And yet, here we are doing it again.
Rachel: Ugh, Monica I don't want to steal your stupid thunder!
Monica: Oh please! Why else would you have made out with Ross?
Ross: Got me. (He shows of his hands.)
Rachel: All right, easy mimey, the moment has passed, it ain't gonna happen!
Monica: I just thought it would be nice if I could have just this one night!
Rachel: I swear, I never wanted any part of your night!
Monica: Oh, is that why you did it the secret hallway where nobody ever goes?
Ross: Uh, Rachel, I've been thinking. I don't think us getting together tonight is such a good idea. I'm calling it off.
Chandler: (To Ross) Why to save your dignity my man.
Rachel: (ignoring them) Monica, why? Why would I ever want to take away from your night?
Monica: I don't know! I don't—maybe you're feeling a little resentful. Maybe ah, maybe you thought you'd get married first! Maybe you can't stand the fact that your formally fat friend is getting married before you!
Rachel: Oh wow. That—y'know what? That is so unfair. Y'know what? Now I want to steal your thunder! Come on Ross, let's go have sex!
 (Ross tries to dismiss it by making that sound, but decides to go for it and follows Rachel.)
Monica: (yelling after them) I can't believe you're gonna have sex on my engagement night!!
Chandler: Well, somebody should. (Monica glares at him.)
 [Cut to Rachel's bedroom.]
Ross: Look uh, if we're gonna do this...
Phoebe: We're not gonna do this, all right? She's just gonna think that we're doing it.
Ross: Oh, I see, so everybody wins. (There's a knock on the door.)
Rachel: Who is it?
Monica: (outside the door) It's Monica, open up!
Rachel: Okay well Ross! Stop it please! Wait a minute! (Motions for him to follow her lead, but she angrily shakes his head no. So she pokes him.)
Ross: Oww!
Rachel: Yeah, you like that baby? (Monica bursts in followed by Chandler.) May we help you?
Monica: I just wanted to say that I hope you do have sex tonight and I hope that you guys get back together, but I must warn you, the night that you announce your engagement I'm going to announce that I'm pregnant!
Chandler: How is that ever going to happen?!
Rachel: All right Monica, do you want to know why I was with Ross tonight?
Monica: I know why!
Rachel: No you don't know why!
Monica: Okay! Why?!
Rachel: Because! Because I was sad.
Monica: What do you mean?
Rachel: Look, I am so...so happy for you guys, but you getting married just reminds me of the fact that I'm not. I'm not even close. And I don't know, maybe I just wanted to make myself feel better. And I know that that's dumb, but oh my God you were so depressed when Ross got married that you slept with Chandler!
 (Ross looks at Chandler.)
Chandler: (To Ross) I don't care, she slept with me.
Rachel: Anyway sweetie, I am, I'm so sorry I ruined your night.
Monica: (starting to cry) I'm sorry I almost made you sleep with Ross. (They hug.)
Ross: (deadpan) Well, I'm going to take off. (To Chandler) Congratulations man.
Chandler: Thanks.
Ross: (at the door) And uh, Rachel.
Rachel: Yeah.
Ross: What can I say, you missed your chance. From now on the only person who's going to enjoy these bad boys (holds up his hands) is me. (Quickly realizes what he said and exits disgustedly.)
 Ending Credits
 [Scene: Monica, Chandler, and Phoebe's, Phoebe is singing outside Monica and Chandler's door.]
Phoebe: (singing)
 "We thought Phoebe would leave, but she just stayed and stayed.
 That's right, I'm here all night, and Chandler will

never get I..."
Chandler: (interrupting her just in time) Hey! Here's a dollar, consider it a deposit. Please sing at our wedding.
Phoebe: Oh thank you.
Chandler: Okay. (Goes back to bed.)
Phoebe: Now... (Starts singing again) "*Who will perform the ceremony? Who will perform the cer—* (Chandler enters and grabs her guitar and closes the door behind him)—Oh—oh! All right, I'll pound on him in the morning. End

702 The One With Rachel's Book

[Scene: Monica, Chandler, and Phoebe's, everyone is there having breakfast and Joey enters carrying a loaf of bread.]
Joey: Hey!
Ross: Hi!
Joey: Who wants French toast?
Ross: Oh, I'll have some!
Joey: Good, me too. (Tosses him the loaf.) Eggs and milk are in the fridge. Thanks.
Monica: (entering from her room) Oww!
Chandler: What's the matter honey?
Monica: I don't know, my hand feels weird. I guess it's because, I'm engaged! (Shows off the ring.) How long before it starts getting annoying?
Phoebe: It starts?
Rachel: Yeah, so let's get started on the wedding plans!
Monica: Okay! (Runs off.)
Chandler: (incredulous) Already?!
Rachel: Yeah, we got a lot to do! We gotta think about the flowers, the caterers, the music...
Chandler: Oh, I got some thoughts on that.
Rachel: Oh wait Chandler, too many cooks...
Ross: Take from me, as the groom all you have to do is show up and try to say the right name.
Monica: (returning) Okay! (Sets down a huge 3" 3-ring binder on the table.)
Chandler: What in God's name is that?!
Ross: Oh my God, the wedding book?! I haven't seen that since the fourth grade!
Monica: This baby has got everything. Take y'know, locations for instance. (She opens up the binder to the locations chapter.) First, organized alphabetically, then geographically, then by square footage.
Phoebe: That is so smart! (To Chandler, under her breath) Break it off. Break it off now.
 Opening Credits
 [Scene: A Classroom, Ross is giving a lecture.]
Ross: And that should conclusively prove that I had the idea for *Jurassic Park* first! Now let's take a look at... (Phoebe rushes in.)
Phoebe: Hey! Ross!
Ross: Phoebe, oh my God! Wh-wh-what are you doing here?
Phoebe: I need to talk to you, it's pretty urgent. It's about Monica and Chandler.
Ross: Oh my God! Of course, of course. (To the class.) Umm, would you please excuse me for a moment? Umm, do you know each other's hometowns? Why don't you... (Motions that they should learn everyone's hometown.) (To Phoebe) Wh-what's going on?
Phoebe: Well, umm, not much. But, I was just thinking that since those guys just got engaged that maybe it would be nice if they had some privacy, y'know? So, could I just move in with you for a couple days?
Ross: Umm, okay, yeah, sure. But wh-what's wrong with Monica and Chandler?
Phoebe: Nothing—Why?!
Ross: Phoebe, you said it was urgent!
Phoebe: Oh yeah it is! I'm going to the movies and it starts in like five minutes.
Ross: Do you realize I have a classroom full of students?
Phoebe: (to the students) Oh, I'm sorry. I'm so rude. Does anyone want to come to the movies?
 [Scene: Monica, Chandler, and Phoebe's, Rachel and Monica are pretty much telling Chandler what the wedding plans are.]
Monica: All right, so I haven't cleared the budget with my parents yet, but tell me how this is for music.
Rachel: Okay.
Monica: All right umm, a string quartet for the procession.
Rachel: Aw.
Monica: A jazz trio for cocktails. The *Bay City Rollers* for dancing. Wait, that was from my sixth grade wedding.
Chandler: Well, you couldn't get them anyway. Ian doesn't plan anymore and Derrick... (Off of Rachel and Monica's looks) And Derrick is a name I shouldn't know.
Joey: (sitting up from the couch) Hey Mon, do you have another pillow? (Holds up one.) Y'know, something a little snuggly?
Chandler: Why are you napping over here instead of over at your place?
Joey: Well, the duck...
Rachel: What?! The duck?! What the hell did the damn duck do now?!
Joey: Uh, well he did not get sick somewhere in there and it was immediately found and properly cleaned up!
Chandler: Now, do I get to look at this book or is it just for people who are actually involved in the wedding?
Monica: Of course you can look at it! Yeah, I want your opinion too!
Chandler: Okay.
Monica: Here you go! What do you think about centerpieces?
Chandler: Centerpieces!
Monica: Yeah! Roses or Lilies? (Holds up a picture of each.)
Chandler: Definitely roses. (Monica and Rachel exchange a look.) Well, I just think they're a little more weddingy. (Monica holds the Lily picture closer to him.) But Lilies are

the clear choice.
Monica: Oh my God! It's like one mind.
Chandler: Uh-huh!
Joey: (sitting up again) Guys! Guys!! You gotta let me nap! Ugh, I'm gonna get cranky!
Rachel: Joey, there is a perfectly good couch across the hall!
Joey: Yes it is perfectly good, and it is not one of the places the duck got sick!
Rachel: What?!!
Joey: All right, I'm gonna go! (Gets up and heads for the door.)
Rachel: Now Joey, what did the duck do?
Joey: I don't know! But he did not eat your face cream!
 [Cut to Joey and Rachel's, Joey enters and heads for his bedroom. He pushes open the door to find the duck.]
Joey: Hey little buddy, how are you feeling? (The duck does not get sick and Joey recoils in horror and heads for the couch.) What the hell is in that face cream? (He's about to try out the couch but notices the bed in Rachel's room. He walks into her room and feels the bed.) That's so soft. (He pulls back the comforter.) Pillowcases! (He climbs in and groans in delight. Suddenly, he feels something under him and pulls out a little beat up paperback book. He opens it and starts to read from it.) (In his head.) *Zelda looked at the chimney sweep. Her father, the vicar...* (Stops reading and thinks.) *The vicar?* (Continues reading) *...wouldn't be home for hours. Her loins were burning. She threw caution to the wind and reached out and grabbed his...* (Out loud.) Whoa! (Reads on in silence.) Whoa-ho-ho-ho! This is a dirty book! (Continues to read.)
 [Scene: Ross's apartment, Phoebe has moved in and has a massage client on her table she's set up in the living room. Ross enters and is shocked to see a naked man lying on the table.]
Ross: Uh, Phoebe...
Phoebe: Oh Ross, hi.
Ross: Phoebe, what are you doing?
Phoebe: I'm sorry, I'm with a client right now.
Ross: Phoebe!
Phoebe: Okay, let's talk outside.
 (They go into the hall.)
Ross: Phoebe, you can't massage people in my apartment!
Phoebe: What's the big deal? I did it at Monica and Chandler's!
Ross: And they knew about it?
Phoebe: (pause as she considers it) Okay, well Ross, what is this really about?
Ross: Look, this is my home and I want to be able to come and go whenever I want!
Phoebe: Okay, I will find someplace else to do the rest of my appointments. I just don't know what the big deal is!
Ross: The big deal is I don't want naked, greasy strangers in my apartment when I want to kick back with a puzzle—beer! Cold beer.
 [Scene: Joey and Rachel's, Joey is sweeping up as Rachel enters.]
Rachel: Hey Joey, what 'cha doing?
Joey: Sweepin'. Why? Turn you on?
Rachel: No.
Joey: Huh. What if I was sweeping a chimney?
Rachel: Joey, did you my face cream?
 (She walks into her bedroom.)
Joey: Where are you going? The vicar won't be home for hours.
 (She comes back out.)
Rachel: Joey, (nervously) where did you learn that word?
Joey: Where do you think, (pause) Zelda?
Rachel: (gasps) You found my book?!
Joey: Yeah I did!
Rachel: Joey, what-what are you doing going into my bedroom?!
Joey: Okay, look I'm sorry, I went in there to take a nap and I know I shouldn't have, but you got porn!
Rachel: Hey-hey, y'know what? I don't care! I'm not ashamed of my book. There's nothing with a woman enjoying a little...erotica. It's just a healthy expression of female sexuality, which by the way, you will never understand. (She goes into her room.)
Joey: You got porn!
 [Scene: Ross's apartment, Ross is coming out of the living room carrying his salad and a puzzle—beer! Cold beer. And he decides to fold up Phoebe's massage table, but being Ross has trouble with it as there is a knock on the door. He sets the table back up and opens the door to reveal a beautiful woman.]
Ross: Hello.
Woman: Hi, is uh Phoebe here?
Ross: Uh no-no, she-she's out for the night.
Woman: Ohh great.
Ross: Can I, can I help you with something?
Woman: Well, I don't know. Are you a masseur?
Ross: (deadpan) Yes I am.
Woman: Great! (Calls down the hall) Dad! (Her old father walks in.) Thank you so much, I'll be back to pick him up in an hour. (She walks away.)
 (Ross isn't happy and closes the door slowly.)
 [Scene: A Restaurant, Monica and Chandler are having dinner with her parents.]
Mrs. Geller: So Chandler, you're parents must've been thrilled when you told them you were engaged.
Chandler: Oh yeah, I should probably call them.
Mr. Geller: I remember when we first got engaged.
Chandler: Oh, I don't think I ever heard that story.

Monica: Oh dad, really you don't need to...

Mr. Geller: (ignoring her) Well, I'd gotten Judy pregnant. I still don't know that happened.

Mrs. Geller: (incredulous) You don't know how that happened?! Your dog thought my diaphragm was a chew toy!

Chandler: What a sweet story.

Monica: Well, at least you're not hearing it for the first time at your fifth grade Halloween party.

Mr. Geller: What?! They wanted a scary story!

Monica: Anyway, we're really excited about our wedding plans, and well I guess pretty soon we'll be making a big withdrawal from the Monica wedding fund. (Chandler and her laugh, but her parents don't.) What?

Mrs. Geller: You tell her Jack, I can't do it.

Monica: What happened? You still have the Monica wedding fund don't you?

Mr. Geller: We have it. Only now, we call it the beach house.

Commercial Break
[Scene: A Restaurant, scene continued from before the break.]

Monica: I don't believe you spent my wedding fund on the beach house!

Mrs. Geller: We're sorry honey, but we just assumed if you got married after you turned 30 you'd pay for it yourself.

Monica: You bought the beach house when I was 23!

Mr. Geller: Which means you had seven years of beach fun and you can't put a price on that sweetie.

Mrs. Geller: We really do feel bad about this though.

Mr. Geller: We started saving again when you were dating Richard and then that went to hell, so we redid the kitchen.

Monica: What about when I started dating Chandler?

Mrs. Geller: Well it was Chandler! We didn't think he'd ever propose!

Chandler: Clearly I did not start drinking enough at the start of the meal. (Starts to make up for lost time and takes a big swig of his drink.)

Monica: I can't believe it! That there is **no** money for my wedding?!

Mrs. Geller: We might still have some money, if your father didn't think it was a good idea to sell ice over the Internet.

Mr. Geller: It seemed like such a simple idea.

Mrs. Geller: Stupid Jack, the word is stupid.

Mr. Geller: All right, enough! I don't want to hear about it anymore! (Under his breath) Good luck, Chandler. (Chandler takes another drink.)
[Scene: Ross's apartment, his massage client is on the table and Ross is reluctantly starting his massage. He spreads some lotion in his hands, and doesn't like it.]

Ross: Okay! Now, I'm going to touch you. (He does so, very gingerly.) Ohh, that's soft. (He starts poking him and notices his salad spoons and starts to massage him with those.)
[Scene: Monica, Chandler, and Phoebe's, Monica and Chandler are returning from dinner, Rachel is already there.]

Monica: I can't believe this. Do you think that your parents could help pay for it?

Chandler: I don't know, my mother spent most of her money on her fourth wedding. She's saving the rest for her divorce. And any extra cash my father has he saves for his yearly trips to (Pause) *Dollywood*.

Rachel: Well what happened at dinner?

Monica: My parents spent the money for our wedding!

Phoebe: (gasps) My God! What did you order?!

Rachel: Wait, but there's no money! Well this is terrible! You guys are gonna have to get married in like a, rec. center!

Chandler: Honey, it's gonna be okay.

Monica: No! No it's not! It's not gonna be okay! It sucks! No swing band! No lies!

Rachel: No, y'know what? It's gonna be okay. I mean you don't have to have this rustic Italian feast. Y'know? And-and you don't need, you don't need this custom-made, empire waisted, duchess, satin gown; you can wear off the rack. (She starts to cry, as does Monica.)

Chandler: Look, it really is gonna be okay. The important thing is that we love each other and that we're gonna get married.

Rachel: Do you even understand what off the rack means?!

Phoebe: Look, why don't you just pay for it yourself?

Monica: How? I don't have any money.

Chandler: Well, I have some.

Monica: How much?

Chandler: Well, close to... (Notices Rachel leaning in to hear and decides to write it on a piece of paper and hand it to Monica as Phoebe averts her eyes.)

Monica: Whoa!!! Are you kidding me?!

Rachel: Well what?! How-how much is it?!

Monica: It's enough for wedding scenario eight.

Rachel: Ohh! (Whispers.) Really?!

Monica: (To Chandler) How great are you, you little saver?! I mean, the-the amount you have is **exactly** the budget of my dream wedding!

Rachel: (starting to cry) Ohh, you guys are so

made for each other.

Chandler: Well, you're not suggesting that we spend all of the money on the wedding?

Rachel and **Monica:** Ah, yeah!

Chandler: Well, come on, I've been saving this money for six years and I kinda had some of it earmarked for the future, not just for a party.

Phoebe: (reading the slip of paper) Wow! (In a sultry voice) Hello, Mr. Chandler.

Monica: This is the most special day of our lives.

Chandler: No, I realize that honey, but I'm not gonna spend all of the money on one party.

Monica: Honey, umm I-I love you, (laughs) but umm, if you call our wedding a party one more time, you may not get invited. Okay? (Laughs) Listen, we could **always** earn more money, okay? But uh, we're only gonna get married once.

Chandler: Look, I understand, but I have to put my foot down. Okay? The answer is no.

Monica: You-you're gonna have to put your foot down?

Chandler: Yes, I am!

Phoebe: Wow, money and a firm hand. Finally a Chandler I can get on board with.

[Scene: Central Perk, Joey and Ross are there as Rachel enters and sees Joey sitting there.]

Joey: Hey Rachel.

Rachel: (quietly) Joey.

Joey: Hey Rachel, do you smell smoke?

Rachel: Uh-huh, I get it, smoke, chimney, chimney sweep, very funny, ha-ha.

Joey: No-no-no, I'm serious. You don't smell it? Something's on fire.

Rachel: Well no, I don't smell anything.

Joey: Oh, y'know what? It's probably just your burnin' loins.

Ross: (sitting down) Hey, what are you guys, what are you guys talking about?

Rachel: Nothing!

Ross: (takes a drink) Damn, this coffee's cold! Hey Rach, do you mind if I heat this up on your loins? (Joey and he both laugh.)

Rachel: Y'know, I can not believe you told him, Joey!

Ross: So I guess you bought that book after we broke up huh?

Rachel: Uh-huh, yeah I did, because I wore out my first copy when I was with you. (Exits.)

Ross: (chases her) Oh yeah, yeah? Well uh, when we were going out, I read tons of porno magazines! (Realizes a table of women overheard him.) (To that table.) 'Sup?

Phoebe: (entering) Ross! How could you do that to an old man?!

Ross: (looking at the table) Excuse me ladies. (To Phoebe) I'm sorry?

Phoebe: My massage client, Arthur? His daughter called and said that some guy that worked for me gave him a really weird massage this afternoon.

Ross: (incredulous) I gave him an extremely professional massage!

Phoebe: He said you poked at him with wooden spoons.

Ross: Okay, so it wasn't uh, a traditional massage. But I did give him accu-pressure with a pair of chopsticks. And, and I gently exfoliated him with, with a mop.

Phoebe: Well, he's never coming back! Okay? You just cost me eight dollars a week!

Ross: Hey, y'know what? This is your fault! You're the one that didn't move his-his appointment.

Phoebe: Oh, it's **my** fault?! You didn't have to massage him! You could've sent him away! You could've not rolled *Tonka* trucks up and down his back!

Ross: He said he liked that!! Oh you're right, you're right. I'm sorry.

Joey: Dude, what are you massaging an old man for?

Ross: His daughter was hot.

Joey: Gotcha.

[Scene: Monica, Chandler, and Phoebe's, Chandler is looking at the wedding book as Monica enters.]

Monica: Hey.

Chandler: Hey.

Monica: Listen umm, I've been thinking, it's not fair for me to ask you to spend all of your money on our wedding. I mean, you work, you work really hard for that.

Chandler: Ehh.

Monica: Eh, you work for that.

Chandler: Look, I thought about it too, and I'm sorry. I think we should spend all of the money on the wedding.

Monica: You do?!

Chandler: Yeah, I'm putting my foot down. Yeah look, when I proposed I told you that I would do anything to make you happy, and if having the perfect wedding makes you happy then, then that's what we're gonna do.

Monica: Oh, you're so sweet. (They hug and kiss.) Oh, but wait, what about our, what about the future and stuff?

Chandler: Eh, forget about the future and stuff! So we only have two kids, y'know? We'll pick our favorite and that one will get to go to college.

Monica: You thought about that?

Chandler: Yeah.

Monica: How many kids were we gonna have?

Chandler: Uh, four, a boy, twin girls and another boy.

Monica: What else did you think about?

Chandler: Well, stuff like where'd we live, y'know? Like a small place outside the city, where our kids could learn to ride their bikes and stuff. Y'know, we could have a cat that had a bell on it's collar and we could hear it every time it ran through the little kitty door. Of course, we'd have an apartment over the garage where Joey could grow old.

Monica: (laughs) Y'know what? I-I don't want a big, fancy wedding.

Chandler: Sure you do.

Monica: No, I want everything you just said. I want a marriage.

Chandler: You sure?

Monica: Uh-hmm.

Chandler: I love you so much.

Monica: I love you. (They kiss.) Hey listen umm, when, when you were talkin' about our future you said cat, but you meant dog right.

Chandler: Oh yeah, totally!

Monica: Oh good.

Ending Credits
[Scene: Joey and Rachel's, Rachel is balancing her checkbook as Joey enters from his room wearing a hockey helmet, gloves, and shin guards.]

Joey: Hello, Zelda.

Rachel: Who are you supposed to be?

Joey: The vicar!

Rachel: Do you even know what a vicar is?

Joey: Like a goalie, right?

Rachel: (sarcastically) Yeah. Look Joey, it's enough all right?! You keep making these stupid jokes and this sleazy innuendoes and it's—I'm not—it's just not funny anymore!

Joey: All right, I'm sorry. Rach I—I—Rach I'm sorry. Okay? I'm sorry! Maybe I can make up for it by, taking you roughly in the barn. (Giggles.)

Rachel: All right! Y'know what? That's it! You wanna do it?! Let's do it!

Joey: Huh?

Rachel: (starting to move closer to him) That's right, I wanna do it with you! I've been trying to fight it, but you just said all the right things.

Joey: (nervously backing away) I-I-I-I did? (He puts a stool in front of her.)

Rachel: (moves the stool out of the way) Yeah! Ohh, I've been waitin' so long to get on that body!

Joey: This body? (He backs into the kitchen.)

Rachel: Yeah that's right! Come on Joey; sex me up!

Joey: Hey-hey, you're startin' to sound like the butcher's wife there in-in chapter seven.

Rachel: Oh, come on now, don't keep me waiting. Get those clothes off! But, I would keep that helmet on because you're in for a **rough** ride! (He backs into the door.)

Joey: I don't want to, I'm scared.
(Rachel walks away, pleased with her self.)

End

703 The One With Phoebe's Cookies

[Scene: Central Perk, Rachel, Phoebe, Joey, Ross, and Monica are all there as Chandler enters wearing glasses.]

Chandler: Hey, you guys!

Ross and **Rachel:** Hey!

Chandler: So, what do you think?

Ross: About what?

Rachel: Yeah, what?

Joey: What?

Chandler: Are you kidding? Okay, I'll give you a hint: I'll give you a hint. (Points to his glasses.)

Joey: Eyes! No, no. Your eyes! No. Chandler's eyes!

Chandler: I got glasses!

Ross: Well, you-you've always had glasses.

Chandler: No I didn't!

Ross: Are you sure?

Rachel: Yeah-yeah, did-didn't you use to have a pair? They were really round, burgundy, and they made you look kind of umm...

Joey: Feminine.

Rachel: Yes!

Chandler: No!

Monica: Sweetie, I think the glasses look great. They make you look really sexy.

Chandler: Really?

Monica: Yeah!

Chandler: (sitting down on the arm of her chair) You didn't think I used to wear glasses, right?

Monica: Of course! (She mouths, "I have no idea," to the rest of the gang.)

Opening Credits
[Scene: Monica, Chandler, and Phoebe's, Rachel, Phoebe, Chandler, and Monica are making some sandwiches.]

Phoebe: So what do you guys want for an engagement present?

Chandler: That's okay Pheeb's, we're not having a party or anything, so you don't have to get us...

Monica: (interrupts him) If someone wants to give us a present, we don't want to deprive them of that joy.

Rachel: Oh, y'know what you should get 'em? One of those little uh, portable CD players.

Monica: Oh, I already have one.

Phoebe: Not unless someone borrowed it and left it at the gynecologist.

Rachel: Yeah, and-and-and by someone, she means Joey.

Monica: Hey, I know I what I want!

Chandler: What we want honey.

Monica: No, you don't want this. I want to have your grandmother's cookie recipe.

Phoebe: You mean the chocolate chip cookie recipe?

Monica: Uh-huh, yeah.

Phoebe: You mean the one that my grandmother made me swear on her deathbed that I would never let out of our family?

Chandler: Dying people say the **craziest** things.

Monica: I wanted it for years! I was gonna make cookies for my children.

Phoebe: Break my heart—Oh, all right.

Monica: Okay. I'm gonna be the mom that makes the world's best chocolate chip cookies.

Chandler: Our kids are gonna be **fat** aren't they.

Joey: (entering) Ahoy!

Chandler: Hey! How's the boat?!

Joey: Great! I'm finally getting into this sailing stuff.

Monica: Oh, so you finally took it out of the marina huh?

Joey: Why would I do that? It took three guys to get the thing in there!

Phoebe: If you don't sail your boat, what do you do on it?

Joey: Oh, it's great! It's a great place to just kinda sit, hang around, drink a few beers, eat some chips. (He says that as he sits, hangs around, drinks a beer, and eats a chip.)

Chandler: Well, it's good that you finally have a place to do that.

Rachel: Y'know Joey, I could teach you to sail if you want.

Joey: You could?

Rachel: Yeah! I've been sailing my whole life. When I was fifteen my dad bought me my own boat.

Phoebe: Your own boat?

Rachel: What?! What?! He was trying to cheer me up! My pony was sick.

[Scene: Central Perk, Chandler and Monica are there. He takes off his glasses and starts chewing on the ear piece.]

Chandler: Do you know what I was thinkin'?

Monica: What?

Chandler: Nothing, I just like to go like this. (Does it again.)

Ross: (entering from the bathrooms) Hey Chandler, what are you doing tonight?

Chandler: Uh why, do you have a lecture?

Ross: No, why?

Chandler: Then free as a bird. What's up?

Ross: My dad wanted to know if you wanted to play racquetball with us.

Monica: Wow! That's great! Dad must really like you, he doesn't ask just anyone to play.

Ross: Yeah and he didn't really ask for you, he asked for Chancy, I assumed he meant you.

Chandler: Well, did-did you correct him?

Ross: No, I-I thought it would be more fun this way.

Monica: This is so cool, maybe this is something you can do every week.

Ross: Or you can sit with him on the front porch and make sure no one steals the trash cans. He does that every week too.

Monica: Oh, just so you know, you-you **have** to let him win.

Ross: Yeah.

Monica: He **hates** to lose.

Chandler: Oh no problem, maybe I'll play with my left hand.

Ross: You're not a lefty?

Chandler: Does anybody know me?!

(Phoebe enters, walks up to Monica, and exhales exasperatedly.)

Monica: What's wrong Phoebe?

Phoebe: I just went to my old apartment to get you the-the cookie recipe and the **stupid** fire burned it up!

Monica: No!! Why didn't you make a copy and-and keep it in a fireproof box and keep it at least a hundred yards from the original?!!

Phoebe: (pauses as he figures out how to answer that) Because I'm normal! That was the **one** legacy my grandmother left me, and I know you wanted it as an engagement present.

Ross: Oh, we have to get you an engagement present?

Chandler: Don't worry about it Pheebes.

Ross: No one got me an engagement present.

Phoebe: Okay, here I wish you health and happiness. (She hands Monica a cookie in a plastic baggie.)

Chandler: An old cookie?

Monica: (To Chandler) This is what happens when you don't register for gifts!

Phoebe: See no-no, I made a batch and I froze it, and this is the only one left.

Chandler: We can't accept this.

Phoebe: Why not?

Chandler: 'Cause it's gross.

Monica: No! Wait! I think I can figure out the recipe from this cookie! I do stuff like this at work all the time.

Phoebe: Really?!

Monica: Yeah! I bet I can do it. (Chandler looks over and sees Ross glaring at them.)

Chandler: Okay, we owe you a present.

Ross: Two! I've been engaged twice!

[Scene: The Mr. Bowmont (Joey's boat), she's shown to be in one of the waterways around New York, but in reality she's in a sound stage on the Warner Bros. lot and we see New York from the water in some rather poor green screen shots. Rachel and Joey are on board.]

Joey: (drinking a beer) Look at this clown! Just because he's got a bigger boat he thinks he can take up the whole river. (Yelling) Get out of the way jackass! (To Rachel) Who names his boat Coast Guard anyway?

Rachel: That is the Coast Guard.

Joey: What are they doing out here? The coast's all the way over there. (Points to the coast, meanwhile there is coast behind him.)

Rachel: Joey, just ignore the boats all right?

We're not finished with the lesson yet.

Joey: All right.

Rachel: Okay, I'm just gonna go over the basic points just one more time, are you ready?

Joey: Come on Rach, not again. I got it! Okay? Let's start sailing, and I want to go over there (Points) where that boatload of girls is! (Yelling to them) Yo-ho-ho!

Rachel: Oh, okay. Is that what you want to do? You wanna go over and give a little shout out to the old, hot chickas? Okay, let's do that Sailor Joe. Quick question though, (grabs some of the rigging) what's this called?

Joey: Uh, boat rope.

Rachel: Wrong! How do you get the mainsail up?

Joey: Uhh, rub it?

Rachel: No. What do you do if I say we are coming about?

Joey: I'd say, come again. No-no, wait I-I-I know this one, I know this one, uh... (Rachel blasts an air horn in his ear.)

Rachel: Time's up, now your dead.

Joey: And deaf!

Rachel: Okay, you just go on and make your little jokey-jokes, but if you do not know what you are doing out at sea you will die at sea. Am I getting through to you sailor?! (She punctuates each word by slapping him on the forehead.)

Joey: Yes.

Rachel: Don't just say yes! This isn't a game, Joey you can really get hurt out here. Okay, so do you want to pay attention or do you want to die!

Joey: I want to make a ship to shore call to Chandler.

[Scene: Monica, Chandler, and Phoebe's, Monica and Phoebe are trying to determine the cookie recipe by eating small pieces.]

Monica: All right, I definitely taste nutmeg.

Phoebe: You do?

Monica: You don't? (Laughs) Well, that's the difference between a professional and a layman.

Phoebe: That and arrogance.

Joey: (entering) Hey.

Monica: Hey! How was sailing?

Joey: I don't want to talk about it. Y'know, you could've at least saved me a whole cookie. (He grabs what's left of the cookie and pops in his mouth.)

Monica and Phoebe: No-wait-no-no!!!!!!

Joey: (recoils in horror) Women are mean!!! (Storms out.)

Phoebe: I can't believe that! Now the only thing left of my grandmother's legacy is this crumb. (She picks it up with her finger and holds it out to Monica.) I wish you a long and happy marriage.

Ross: (entering with Chandler) Hey.

Monica: Hey! How was it?

Ross: Well I had a great time! Umm, Chancy on the other hand...

Chandler: I will tell the story! It was going great. I let him win. We were bonding. He even said I could call him dad.

Ross: And what did he ask you not to call him?

Chandler: Daddy. All right look, here's the story. (Flashback to Chandler about to enter the steam room as he does the voice-over.) Well, we had just finished playing racquetball and we were gonna take a steam. I walk into the steam room and it was really steamy. (The flashback shows his glasses fog up and him trying to find his way around the steam filled room. He takes off his glasses.) So I take off my glasses and that's when it happened. [Cut to the flashback, Chandler's no longer doing the voice-over.]

Chandler: Guys?

Ross: Over here. (You can see Ross sitting at the far wall.)

Mr. Geller: Have a seat son. (You can see Mr. Geller sitting closer to the door as Chandler walks over and sits in his lap.) Hey!! (Chandler quickly jumps off and sits next to him with a shocked expression on his face.)

Commercial Break

[Scene: Monica, Chandler, and Phoebe's, Chandler is finished telling everyone what happened.]

Monica: Oh my God Chandler! I can't believe it!

Chandler: I know.

Monica: You gave my father a lap dance!

Chandler: Why do they put so much steam in there?!

Ross: 'Cause otherwise they'd have to call it the room room.

Chandler: Why? Okay? Why? Wh-wh-why did that have to happen?

Phoebe: Come on, it's not that big a deal!

Chandler: Not that big a deal? There...there was touching of things.

Ross: Now, I know you wanted to bond with my dad, but did you really have to bond to that part?

Monica: Listen, I'm sure that dad doesn't care. He probably thought this was funny; he'll be telling this story for years!

Chandler: I don't want him to tell this story for years.

Ross: Oh, but he will. He still tells the story how Monica tried to escape from fat camp.

Monica: I wasn't escaping.

Ross: Then how did you get caught in the barbed wire?

Monica: I was trying to help out a squirrel.

Ross: You were trying to eat it! (The phone rings.)

Chandler: If **that** is your father calling to tell this story then the marriage is off!

Monica: (takes the phone from Ross) Come on. (Answering phone) Hello? (Listens) I'm sorry you have the wrong number. (Listens) (Whispering) Okay, I'll call you later dad. I love you. (Hangs up.)

[Scene: Central Perk, Chandler, Ross, and Rachel are there.]

Chandler: (getting up) All right, I'm off to see your dad.

Ross: Whoa-whoa, aren't you a little over dressed?

Rachel: (laughing) Yeah, and-and you better make sure he tips you this time.

Chandler: Look, I figured I would try to convince him not to tell the story anymore, and I figure the best way to do that is face to face—And by face I don't mean his lap. And by face, I don't mean my ass. (Exits.)

Ross: (To Rachel) Hey are you getting Monica and Chandler an engagement present?

Rachel: I don't know. Y'know, they didn't get us anything.

Ross: Thank you!

Joey: (entering) Hey.

Ross: Hey.

Rachel: Well hello! So, when are we gettin' back out on the water matey?

Joey: Oh uh, I don't know the boat way to say this, but uh never!

Rachel: Why not?

Joey: Because! You're mean on the boat!

Rachel: What? I was just trying to teach you.

Joey: Well, lesson learned! Rachel is mean!

Ross: Yeeeeeeep... Yep-yep-yep-yep-yep. I remember when she took out on her dad's boat she wouldn't let me help at all.

Rachel: Excuse me, I wanted you to help, but you couldn't move your arms because you were wearing three life jackets.

Ross: You have to respect the sea! (Storms off.)

Rachel: Look Joey, I'm sorry if-if you thought that was mean, but I gotta tell ya something. That was not mean. Okay, my father is mean. He used to yell at me all the time on the boat, I mean it was horrible. I was just being a good teacher.

Joey: Does a good teacher say, "Put down the beer pinhead!"

Rachel: Well, does a good student drink seven beers during his first lesson?

Joey: Six and a half! You knocked that last one out of my hand! Remember?

Rachel: Yeah, I didn't want you to get hit by the boom!

Joey: Well it hit me anyway! And it would've hurt a lot less if I had finished that last beer.

Rachel: All right, y'know what? I-I'm sorry. I will try to tone it down and uh stop yelling.

Joey: You won't boss me around anymore?

Rachel: I won't boss you around.

Joey: And you'll be nice?

Rachel: And, I'll be nice.

Joey: And you'll be topless?

Rachel: And—Joey!

Joey: Do you want me to learn?!

[Scene: Monica, Chandler, and Phoebe's, Monica is trying out different cookie recipes. Ross and Phoebe are the tasting group.]

Monica: Okay, here's batch 22. Ohh, maybe these'll taste a little like your grandmother's. This has a little bit of orange peel, but no nutmeg.

Ross: Let's give it a shot.

Monica: Okay. Man, I have **not** made this many cookies since I was in the ninth grade.

Phoebe: Oh, what was that for? Like a bake sale?

Monica: No, just a Friday night. (They all take a bite.)

Ross: Ohh, these are pretty good.

Phoebe: Yeah, but not as good as batch 17.

Ross: Which one was that?

Monica: The ones we had right after you almost threw up.

Ross: Oh yeah! Batch 17 was good. I did **not** like batch 16. (Burps a little bit.) I'm okay.

Phoebe: Are there anymore from the good batch? 'Cause we could just work off of those.

Ross: Yeah, ooh yeah, I think there is one from batch 17 left, uh... (Grabs a cookie and takes a big bite out of it and doesn't like it.) It's batch 16! 16 people! Get out of the way! (Gets up and runs for the bathroom.)

[Scene: The Mr. Bowmont, its Joey's second lesson with Rachel as the resident sailing expert.]

Rachel: Okay Joey honey, you're doing really good! All right, now I'm just gonna need you to step to the port side. (Joey pauses as he tries to remember which side is the port side.) Remember? Remember how we talked about the port side?

Joey: Ohh yeah.

Rachel: Right?

Joey: Nope.

Rachel: It's left sweetie, but that's okay sweetie, that's a tough one.

Joey: I don't know why you just don't say left.

Rachel: Okay, go to the left. (Joey goes starboard or sits on the right side of the boat.) The left!

Joey: Huh?

Rachel: (yelling) Just sit over there!! (Points to the port side.)

Joey: (hurrying over) Okay! Okay, you're yelling again! See that?

Rachel: No! No-no, no-no-no, very quiet, said with love, no yelling.

Joey: Oh, y'know what? Since I'm here, I think I'm gonna have me a little beer on the port side. (Grabs and opens one.)

Rachel: Okay Joey, we're luffing a little bit, so could you tighten up the cunningham? (The mainsail has started to flap in the wind and has stopped working efficiently; she wants him to tighten it so that it starts working again.)

Joey: Uh, wow, you just said a bunch of stuff I didn't know there.

Rachel: Joey, come on! We just went over this! (She does it instead.)

Joey: Oh, y'know, when we did that was when that bird was flying overhead with the fish in his mouth. Did

you see it? It was gross!
Rachel: (angrily) No! All right?! I did **not** see the bird! I did **not** see the fish! I did **not** see the piece of Styrofoam that was shaped like Mike Tyson! I did **not**, because I was trying to teach you **how** to sail a boat! Which obviously is an impossible thing to do!
Joey: All right that's it! You're yelling and I don't see you taking your top off! I quit!
Rachel: What do you mean you quit?! You can't quit!
Joey: Why not?!
Rachel: Because you're not finished yet and I won't have it! Greens do not quit!
Joey: Greens? I'm a Tribbiani! And Tribbianis quit!
Rachel: Oh my God, wait did I—I just said Greens don't quit didn't I? (Pause) (Angrily) Did I just say Greens don't quit?!
Joey: Yes! Yes! You did and you're still yelling at me!
Rachel: No! No! No! I'm not yelling at you, I'm just yelling near you. Oh God Joey, ohh I'm my father. Oh my God, this is horrible! I've been trying so hard not to be my mother I did not see this comin'. Oh, Joey, I'm sorry. I'm so sorry. I just wanted you to learn.
Joey: Well, hey I did learn.
Rachel: Really?
Joey: Yeah! Come on.
Rachel: Awww...
Joey: Yeah, it's okay. I know what a mainsail is. (Points to it. It's the larger sail.) I know, I know to duck when the boom comes across. I-I know port is right.
Rachel: Left.
Joey: Damn it!
 [Scene: Monica, Chandler, and Phoebe's, the cookie trying period has pasted. Monica, Phoebe, and Ross are reflecting on the day's events.]
Phoebe: Y'know, I bet it would actually make my grandmother very happy to know that we're trying to figure out her recipe. I bet she's I-I-lookin' up at us and smiling right now.
Ross: Looking up?
Phoebe: Oh yeah—No, she was really nice to me, but she's in hell for sure.
Monica: Well, I've tried everything. I give up. I guess I'm not gonna be the mom who makes the world's best chocolate cookies. I do make the best duck confit with broccoli rabe. Kids love that right.
Ross: Aww, Pheebe, come on isn't there any relative that would have the recipe? What about, what about your sister?
Phoebe: Oh no-no, no, I made a promise to myself that the next time I would talk to Ursula would be over my dead body. And that's not happening 'til October 15th, 2032.
Ross: That's the day you're gonna die? See—damn it, I've got shuffleboard that day.
Phoebe: That's what you think.
Monica: Well, I mean what about friends of your grandmother's? Wouldn't they have the recipe?
Phoebe: Well, y'know I may have relatives in France who would know. My grandmother said she got the recipe from her grandmother, Nesele Toulouse.
Monica: What was her name?
Phoebe: Nesele Toulouse.
Monica: Nestle Tollhouse?!
Phoebe: Oh, you Americans always butcher the French language.
Monica: (grabbing a bag of Nestle Tollhouse chocolate chips) Phoebe, is **this** the recipe? (Tosses her the bag.)
Phoebe: (reading the recipe on the back of the bag) Yes!! (Realizes.) Ohh.
Monica: I cannot believe that I just spent the last two days trying to figure out the recipe and it was in my cupboard the whole time!
Phoebe: I know! You see it is stuff like this which is why (Looking down) you're burning in hell!!
 [Scene: The Gym, Chandler and Mr. Geller are heading for the whirlpool room.]
Chandler: So you understand, I'd feel a lot more comfortable if you didn't tell people what happened. Y'know, I'm a little...I'm a little embarrassed about it.
Mr. Geller: I understand completely, there's nothing more horrifying than embarrassing yourself in front of your in-laws. As a matter of fact, when I started dating Judy I was unemployed, and her father asked me what I did for a living and I told him I was a lawyer.
Chandler: What did you do when they found out?
Mr. Geller: They never did, so if ever see me giving them legal advice just nod along. Shall we? (Chandler nods along and they enter the whirlpool room and remove their robes. Only Chandler is lacking a certain item of clothing. You see this is a coed whirlpool, which means swimsuits, and in fact there are two women already there and Chandler didn't seem to wear his. Needless to say, everyone is shocked, including Chandler.)
Chandler: So I guess we wear swimsuits in here!
 Ending Credits
 [Scene: The Mr. Bowmont, is tied up alongside the pier; Joey and Rachel are relaxing.]
Rachel: Well Joey, I hate to admit it, your way of sailing is a lot more fun.
Joey: Yeah, yeah. Hey, why don't you give a pull

on that rope? (Points.)
Rachel: Ohh we're not sailing.
Joey: Just pull on it.
Rachel: All right. (She does so and it brings the cooler closer together.) Hey-hey-hey!! (Sees what's in the cooler.) Sandwiches!
Joey: What else?
Rachel: (hands him one) Here you go.
Joey: Thank you!
Rachel: Oh wow! (She takes a bite, but holds the sandwich vertically so that the stuff falls out.)
Joey: What are you doing?
Rachel: Ohh, sorry.
Joey: What you—don't hold it like that! You're lettin' all the good stuff fall out.
 (More falls out.)
Rachel: Ohh whoops.
Joey: Careful! You're wasting good pastrami! (Gasps.) Oh my God! I'm **my** dad!

704 The One With Rachel's Assistant

[Scene: Monica, Chandler, and Phoebe's, everyone is there and they are finishing watching the first episode of Mac and C.H.E.E.S.E. Joey is of course Mac.]
Mac: (on TV) Well, if we learned one thing today C.H.E.E.S.E. is that cheerleaders and high explosives don't mix. (Cut to Joey laughing while Rachel, Chandler, and Monica aren't amused.)
C.H.E.E.S.E.: You can say that again Mac.
Mac: Well, I couldn't have done it without you buddy. You're a genius.
C.H.E.E.S.E.: Oh yeah? Well then how come I can't get my VCR to stop blinking 12:00?
 (They both break into a huge laugh and do that stop motion thing they had at the end of *Chips*.)
Joey: (laughing and turning off the TV) So, what did you guys think?
 (They all make happy faces as they are unable to express their feelings verbally. Finally, the phone rings and the race to answer it is won by Monica.)
Monica: (on phone) Hello? (Listens) Hold on please. Joey, it's your mom. (Hands him the phone.)
Chandler: It's your mommy. It's your mommy.
Ross: Ohhhh...
Rachel: That's nice.
Joey: (on phone) Mom, so what did you think? (He walks away allowing the gang a chance to figure out what they're gonna say.)
Rachel: Well that was umm...Okay.
Ross: It wasn't the best.
Chandler: That was one of the worse things ever. And not just on TV.
Monica: Wh-what are we gonna tell him?
Ross: Well, the lighting was okay.
Rachel: Ohh no you don't! You got lighting last time, lighting is mine!
Monica: And I have costumes.
Ross: Oh great! That means I'm stuck with, "So, we were watching you in there (Points to the TV) and you were sittin' right here! Whoa!"
 (Phoebe gets up.)
Rachel: What are you gonna do Pheebes?
Phoebe: I don't know. I don't know. I can't lie to him again. Oh no I—no! I'm just gonna press my breasts up against him.
Chandler: And say nothing?
Phoebe: Uh-huh, yeah that's right.
Joey: (hangs up the phone) Wow! Well, my folks really liked it! So what-what did you guys think? (Phoebe smiles, walks up to him, and presses her breasts against him.) It wasn't **that** good.
 Opening Credits
 [Scene: Central Perk, Phoebe and Monica are reading on the couch.]
Monica: Phoebe, do you think that your favorite animal says much about you?
Phoebe: What? You mean behind my back?
Rachel: (entering, excitedly) Oh! Hi you guys, oh my God! You'll never gonna believe happened to me today! I am sitting in my office and...
Joey: (entering from bathrooms excitedly) You guys! You guys! You're not gonna believe what my agent just told me!
Rachel: Joey! Kinda in the middle of a story here!
Joey: Ooh, sorry. Sorry. You finish, go.
Rachel: Okay, so anyway I'm sittin' in my office and guess who walks in.
Joey: I'm gonna be on two TV shows!
Monica and Phoebe: Oh, that's great!!
Rachel: Joey!
Joey: Oh, you weren't finished?
Rachel: Yeah! Guess who walks into my office is the end of my story. (To Monica and Phoebe) It was Ralph Lauren! (Monica and Phoebe gasp) Ralph Lauren walked into my office!
Joey: Uh Rach, if you're gonna start another story, at least let me finish mine.
Rachel: It's the same story.
Joey: (groans in disgust) Wow, it's really long.
Rachel: (ignoring him) Anyway, Ralph just came in to tell me that he's so happy with my work that he wants me to be the new merchandising manager for polo retail.
Monica: Still get a discount on wedding dresses?
Rachel: Yeah!
Monica: I'm so happy for you!
Joey: Well, these really are the days of our lives.
Monica: What?!!
Joey: Well, since you ask. They want me back on *Days of Our Lives*!
Phoebe: (gasps) Oh God!

Rachel: I got—I get a big pay raise!
Phoebe: Oh hey!
Joey: I'll be playing Drake Remoray's twin brother, Stryker!
Monica: Oooh!
Rachel: I get to hire my own assistant!
 Monica and **Phoebe:** Ahhh!!
Joey: (jumps up) Well—I got a head rush from standing up to fast right there.
 [Scene: Rachel's New Office, she's interviewing a potential new assistant, Hilda.]
Rachel: (reading the resume) And you were at this job for four years?
Hilda: That's right.
Rachel: Okay, well this is all very impressive Hilda, um I just have one last question for you. Uh, how did I do? Was this okay?
Hilda: What?
Rachel: I've never interviewed anyone before. I've actually never had anyone **work** for me before. Although when I was a kid, we did have a maid, but this is—this isn't the same thing.
Hilda: No dear. It's not.
Rachel: No. Yeah, and I know that. All right, well thank you so much for coming in it was nice to meet you.
Hilda: Thank you! Good meeting you.
Rachel: All right. (Hilda exits) I'm a total pro! (There's a knock on the door and a handsome man enters.)
Man: Hello?
Rachel: (seeing him) Wow! H-umm! Hi! Yes, uh I'm sorry the models are actually down the hall.
Man: Actually, I'm here about the assistant job.
Rachel: Really?! (Taking his resume) Okay well then, all right, well just have a seat there. Umm, so what's—what is—what's your name?
Man: Tag Jones.
Rachel: Uh-huh, go on.
Tag: That's it. That's my whole name.
Rachel: That's your whole name, okay of course it is! Okay, well let's-let's just have a look-see here. (Looking at his resume)
Tag: I know I haven't worked in an office before, and I really don't have a lot of experience, but uh...
Rachel: Oh come on, what are you talking about? You've got three years painting houses. Two **whole** summers at *T.G.I. Friday's*, come on!
Tag: It's lame, I know. But I'm a goal-oriented person, very eager to learn...
Rachel: Okay, hold on just a second. (She grabs a camera out of the desk and takes his picture.) I'm sorry, it's for human resources, everybody has to do it. Could you just stand up please?
 [Scene: Central Perk, Chandler is sitting on the couch when some unknown guy comes in and sits in their easy chair.]
Chandler: No-no-no-no. (Waves him away as Monica and Phoebe enter whispering to each other.) Hey! (Monica shushes him.)
Phoebe: (To Monica) Anyway, I should go. Okay, bye.
Monica: (To Chandler) Hey sweetie.
Chandler: Hi sweetie. So, what was with all the whispering?
Monica: I can't tell you. It's a secret.
Chandler: Secret? Married people aren't supposed to have secrets between one another. We have too much love and respect for one another.
Monica: Awww. (Kisses him.) But still no.
Chandler: No I'm serious, we should tell each other **everything**. I do not have any secrets from you.
Monica: Really? Okay, so why don't you tell me what happened to Ross Junior year at *Disneyland*?
Chandler: Oh no-no, I can't do that.
Monica: If you tell me, I'll tell you what Phoebe said.
Chandler: Okay.
Monica: Okay.
Chandler: So, Ross and I are going to *Disneyland* and we stop at this restaurant for tacos. And when I say restaurant, I mean a guy, a hibachi, and the trunk of his car. So Ross has about 10 tacos. And anyway, we're on *Space Mountain* and Ross starts to feel a little iffy.
Monica: Oh my God. He threw up?
Chandler: No, he visited a little town south of throw up. (Monica laughs hysterically.) So what was Phoebe's secret?
Monica: Oh, Nancy Thompson from Phoebe's old massage place is getting fired.
Chandler: That's it?! I gave up my *Disneyland* story for that?
Monica: That's right! You lose sucker!! (Pause) Please still marry me.
 [Scene: Monica, Chandler, and Phoebe's, Chandler, Rachel, and Phoebe are there.]
Rachel: Chandler, you have an assistant right?
Chandler: (angrily) Did she call? You-you told her I was sick right? Always tell her I am sick!
Rachel: No, I-I just don't know how you decide who to hire. I mean I've got it narrowed down to two people. One of them has great references and a lot of experience and then there's this guy...
Chandler: What about him?
Rachel: I love him. He's so pretty I wanna cry! I don't know what to do. Tell me what to do.
Phoebe: Come on you know what to do! You hire the first one! You don't hire an assistant because they're cute, you hire them because they're qualified.
Rachel: Uh-huh. No, I hear what you're saying and-and-and that makes a lot of sense but can I just say one more thing? (Takes out his picture.) Look how

pretty!

Phoebe: Let's see. (Looking at the picture) Oh my God! Oh... But no! No! You can't—you can't hire him, because that—it's not professional. Umm, this is for me (The picture) yes? Thanks. (Puts it in her pocket.)

Rachel: Okay you're right. I'll hire Hilda tomorrow. Dumb old perfect for the job Hilda!

Chandler: Let me see this guy. (Phoebe hands him the picture.) W-H-Wow! Don't show this to Monica! And don't tell her about the W-H-Wow! [Scene: The *Days of Our Lives* producer's office, Joey is entering to find Terry there.]

Terry: Hey-hey-hey Joey!

Joey: Hey Terry!

Terry: Good to see you again!

Joey: It's been a while, huh? Wow, it's funny these halls look smaller than they used to.

Terry: It's a different building.

Joey: So! Stryker Remoray huh? When do you want me to start?

Terry: Why don't we start right now!

Joey: Okay.

Terry: Here are the audition scenes. (Holds out the script.)

Joey: (looking between the pages and him) Audition? I thought you were gonna offer me the part.

Terry: Why would you think that?

Joey: Well, I was Dr. Drake Remoray, Stryker's twin brother. I mean, who looks more me than me right?

Terry: Everybody has to audition.

Joey: Y'know Terry, I-I don't really need to do this. I got my own cable TV series, (Pause) with a robot.

Terry: I'm sorry Joey that's...that's the way it is.

Joey: Well. I guess you think you're pretty special huh? Sittin' up here in your fancy small hall building. Makin' stars jump through hoops for ya, huh? Well y'know what? (Throws the script away) This is one star who's hoop... This is a star that the hoop—this hoop—I was Dr. Drake Remoray! [Scene: Rachel's office, she's there as Tag knocks on the door and enters carrying a plant.]

Rachel: Hi! Tag. What are you doing here?

Tag: I just wanted to come by and thank you for not laughing in my face yesterday. And I noticed there aren't any plants in your office so I wanted to bring you your first... (Notices her plant) There is a plant in your office.

Rachel: Kinda.

Tag: Right. So I guess I shouldn't put good at noticing stuff on my resume. (Sets the plant down on her desk.)

Rachel: Oh-ohh, thank you.

Tag: Anyway, I'm guessing you hired somebody.

Rachel: Well...

Tag: Gotcha. Thanks again for meeting with me. (Starts to leave.)

Rachel: But I hired you!

Tag: What?

Rachel: Yeah! You-you got the job! You're my new assistant!

Tag: I am?!

Rachel: Yeah!

Tag: I can't believe it!

Rachel: Me either. Umm, all right, first thing I need you to do is go downstairs and find a woman named Hilda and tell her to go home. [Scene: Monica, Chandler, and Phoebe's, Monica is setting the table for dinner as Chandler enters.]

Chandler: Hey.

Monica: Hey! Good, you're home!

Chandler: Oh it's always nicer to here than, "Aw crap! You again!"

Monica: Hey baby. (Kisses him.)

Chandler: Hey.

Monica: I made you a surprise.

Chandler: Oh yeah?

Monica: Yeah, tacos! Ever since you told me that story I've had such a craving for them.

Chandler: Did you not understand the story?

Ross: (entering) Hey!

Chandler: Hey! What's up?

Monica: Ross!

Ross: Oh, nothin' much. Just trying to figure out what I'm gonna do for dinner.

Chandler: Huh.

Ross: (notices the table) Hey—Ooh! What's-what's that, dinner stuff? You making dinner?

Chandler: No! (The oven dings.) Shhh!

Ross: What you got over there? Tacos?

Monica: No! No. They're umm... They're just uh...ground beef smileys. (Holding up one of the shells.)

Ross: Uhh, those are tacos.

Monica: Excuse me Mr. Mexico.

Ross: Eh, either way I'll pass. (Quietly to Chandler) I still can't eat those. (Monica is getting something out of the fridge and starts laughing.) What's so funny?!

Monica: (trying not to laugh) I'm not laughing. (Ross and Chandler move closer to her and she starts laughing again.)

Ross: (To Chandler) You told her!

Chandler: Nancy Thompson's getting fired! (Monica slaps him on the shoulder.)

Ross: (To Monica) Look, okay-okay I had food poisoning! It's not like I choose to do it! It's not

like—It's not like I said, "Umm, what would make **this** ride more fun?!"

Monica: You're right. I mean I'm sorry. Yeah, I shouldn't be laughing. I should be laying down papers for you! (Runs off laughing which gets Chandler laughing.)

Ross: (To Chandler) How could you tell her?!

Chandler: I had too okay?! We're getting married! Married couples can't keep secrets from one another!

Ross: Oh really? Well I-I guess Monica should know about Atlantic City.

Chandler: Du-ude!

Monica: (running up to Ross) What happened in Atlantic City?!

Ross: Well, Chandler and I are in a bar...

Chandler: Did you not hear me say, "Du-ude?!"

Ross: And this girl is making eyes at Chandler, okay? So after awhile he-he goes over to her and uh, after a minute or two, I see them kissing. Now, I know what you're thinking, Chandler's not the type of guy who just goes to bars and makes out with girls, and you're right, Chandler's not the type of guy who just goes to bars and makes out with...girls.

Monica: (To Chandler) You kissed a guy?! Oh my God.

Chandler: In my defense, it was dark and he was a very pretty guy.

Ross: Oh Mon, I laughed so hard...

Chandler: Ho-ho, so hard we had to throw out your underwear again?

Ross: Whatever dude, you kissed a guy.

Commercial Break
[Scene: Joey and Rachel's, Phoebe is giving Joey a massage as Rachel enters.]

Rachel: Hi!

Joey: Hey.

Phoebe: Hey—Ooh, how's Hilda? Is she working out?

Rachel: Ohh, my new assistant is working out, yes.

Joey: Was she happy you gave her the job?

Rachel: Oh, my-my new assistant has very happy that I hired my new assistant.

(The phone rings and Joey answers it.)

Joey: (on phone) Hello? (Listens) Oh hey! Can you, can you hang on a second? (To Phoebe and Rachel) It's the producers over at Mac and C.H.E.E.S.E. can you excuse me for a minute? (On phone) Hey, funny you should call. I was just looking over next week's script. (Listens) Canceled?! (Listens) Like they're taking it off the air? (Listens) Ohh. (Listens) All right, see you Monday. (Listens) We're not even shootin' them anymore?! (Listens) All right, bye! (Hangs up) They canceled Mac and C.H.E.E.S.E!

Phoebe: Sorry.

Rachel: I'm sorry Joey.

Joey: Why would they do that?! It was a good show right?! (Phoebe and Rachel both pause, look at each other, and go press their breasts against him. Which Joey doesn't mind, of course.)

[Scene: Monica, Chandler, and Phoebe's, Chandler, Monica, and Ross are still giving away all of their secrets.]

Chandler: You wanna tell secrets?! Okay! Okay! In college, Ross used to wear leg warmers!

Ross: All right! All right! Chandler entered a Vanilla Ice look-a-like contest and won!

Chandler: Ross came in fourth and cried!

Monica: Oh my God! (Laughing)

Ross: Oh, is that funny?! Oh, you-you find that funny?! Well maybe Chandler should know some of your secrets too!

Monica: I-I already told him everything! (Threateningly) You shush!!

Ross: Once Monica was sent to her room without dinner, so she ate the macaroni off a jewelry box she'd made.

Monica: Ross used to stay up **every** Saturday night to watch *Golden Girls*!

Ross: Monica couldn't tell time 'til she was 13!

Monica: It's hard for some people!

Chandler: (To Monica) Of course it is. (Mouths to Ross) Wow—whoa!

Monica: Chandler one time wore my underwear to work!

Chandler: Hey!!!

Monica: Ohh, I'm sorry I couldn't think of anymore for Ross!

Ross: Ohh! Ohh! In college, Chandler got drunk and slept with the lady who cleaned our dorm!

Chandler: That was you!

Ross: Whatever dude, you kissed a guy.

[Scene: Joey and Rachel's, Joey is still bumming about cancellation of Mac and C.H.E.E.S.E.]

Joey: How could this happen to me?! Yesterday I had **two** TV shows! Today, I got nothin'!

Rachel: Well wait a minute, what happened to *Days of Our Lives*?

Joey: Uh, well they might be a little mad at me over there.

Phoebe: What happened?

Joey: Well maybe I got a little upset and maybe I told them where they could go.

Rachel: Joey, why would you do that?

Joey: Because they wanted me to audition!

Phoebe: You! An actor?! That's **madness**!

[Scene: Rachel's Outer Office, Tag is sitting at his desk as Rachel walks up. She stops and watches him pick up the phone.]

Tag: Rachel Green's office. (Hangs up.)

Rachel: Tag? (He turns and looks at her.) Hi, who was that?

Tag: (shyly) Nobody. I was just practicing.

Rachel: Really? (Giggles.) (Phoebe rounds the corner.)

Phoebe: Hi!

Tag: Hi! Rachel Green's office.

Phoebe: You must be Hilda.

Rachel: Yeah, this is Tag. Tag, this is Phoebe. Phoebe, can I see you for a second? (Goes into office.)

Tag: Phoebe! That's a great name.

Phoebe: Oh, you like that? You should hear my phone number.

Rachel: (grabbing Phoebe) Okay. We'll be right back. (They go into her office and she closes the door.)

Phoebe: So you hired yourself a little treat did ya?

Rachel: All right I know, I know how it looks Phoebe, but I'm telling you...

Phoebe: But-but you know you cannot get involved with your assistant.

Rachel: Yes, I know that. I know that. And I know that hiring him was probably not the smartest thing that I've ever done. But I'm telling you, from this moment on I swear this is strictly professional. (There's a knock on the door.) Yes? (Kathy enters (Because she's listed in the credits).)

Kathy: Hey Rachel!

Rachel: Hi!

Kathy: Cute assistant! What's his story? Is he...?

Rachel: Gay? Yeah. (Kathy leaves dejectedly.)

[Scene: Terry's office, Joey has come to beg for a second chance.]

Joey: Hey! Terry.

Terry: Joey Tribbiani! I'm surprised your big head could fit through our small halls! (Gets up) I gotta go Joey.

Joey: Wait! Terry! Wait—Look—Wait I-I... Look, I'm really sorry about before. I was an idiot thinking I'm too big to audition for you. You gotta give me another chance.

Terry: I can't help you Joey.

Joey: Wait! Terry! Please! Look, I just lost my other job. Okay? You have no idea how much I need this. Please, help me out, for old times sake.

[Cut to a hospital room set on the *Days of Our Lives* stage. Two nurses are standing next to a bed with a man whose face is completely covered in bandages and reading his chart.]

Nurse #1: This poor guy's been in a coma for five years. It's hopeless.

Nurse #2: It's not hopeless! Dr. Stryker Remoray's a miracle worker. Look, here he comes. (Stryker enters, only it's not Joey playing him.)

Dr. Stryker Remoray: Good morning. (He walks over to the bed, leans down, and whispers to him.) Drake, it's your brother Stryker. Can you hear me? The Director: And cut!

Joey: (jumping up and removing the bandages) I'm back baby! Ha-ha-ha!

[Scene: Central Perk, Chandler, Monica, and Ross are sitting there and not talking to each other.]

Monica: Y'know, in my defense, umm there was no glitter on the macaroni and **very** little glue.

Ross: And in **my** defense, the cleaning lady came on to me!

Chandler: (To Monica) You have no trouble telling time now right?

Monica: No!

Chandler: Quick! What time is it?! (Holds his watch in front of her face.)

Monica: I don't know! Time to kiss a guy maybe?! (Ross laughs.) What are you laughing at *Pampers*? (He stops laughing and glares at her.)

Chandler: Y'know when I said that because we're getting married that we should share everything and not have any secrets?

Monica: Yeah?

Chandler: Yeah that was stupid. Let's not do that.

Monica: Ohh, absolutely.

Ross: And! We should keep all the stuff uh, we told each other secret from everybody else.

Monica: Yeah, definitely!

Ross: Okay, (gets up) if you'll excuse me, I-I'm gonna go hang out with some people who don't know the *Space Mountain* story.

Monica: Then, I'd steer clear of Phoebe.

Ross: Man! (Monica mouths, "I'm sorry.")

Chandler: Yeah, and not that you would, but I wouldn't hang out with...all the guys in my office. (Ross storms out.)

Ending Credits
[Scene: Rachel's office, she's looking at a picture of Tag when he knocks and enters.]

Rachel: (noticing him) Hi! (Puts the pictures away.)

Tag: Do you have a minute?

Rachel: Well yeah, sure, what's up?

Tag: I got asked out twice today when I was at lunch...by guys.

Rachel: Oh really?!

Tag: Yeah. Did you tell someone that I was gay?

Rachel: Oh, did you not want people to know that?

Tag: But I'm not gay. And I especially wouldn't want you to think I was gay.

Rachel: Why's that?

Tag: I don't think I should say.

Rachel: Ohh, you can say. Come on, I don't want you to feel like you can't tell me things. (Motions for him to sit down.)

Tag: Okay.

Rachel: 'Kay.

Tag: Well...

Rachel: Yeah.

Tag: I'd love to ask out your friend Phoebe.

Rachel: (Pause) Yeah, she's gay.

End

705 The One With The Engagement Picture

[Scene: Monica, Chandler, and Phoebe's, Monica and Phoebe are going through a bunch of pictures as Chandler enters.]

Chandler: Hey.
Monica: What's the matter?
Chandler: Someone on the subway licked my neck! Licked my neck!!
Phoebe: Oh Willie's still alive!
Chandler: What are you guys doing?
Monica: Oh, my mom called, they're gonna run our engagement announcement in the local paper, so we're looking for a good picture of us.
Chandler: Oooh, I'm afraid that does not exist.
Monica: That's not true, there are great pictures of us!
Chandler: No, there are great pictures of you standing next to a guy who's going like this... (Makes what can only be described as a toothy frown. Henceforth, this shall be known as The Face.)
Phoebe: Oh my God! That's the creep that you're with at the *Statue of Liberty*.
Chandler: I don't know what it is, I just can't take a good picture.
Monica: (looking at one) Oh, here's a great one.
Chandler: Yeah, I'm not in that.
Monica: I know, but look at me all tan.
Phoebe: Hey, why don't you guys go, get portraits done by a professional photographer.
Monica: That's a good idea! I bet they have one of those wind machines! Y'know... (Does the whole hair blowing in the wind model type poses.)
Phoebe: Yeah that's great! Next to that, Chandler won't look so stupid.
Monica: Chandler what do you say?
Chandler: All right, but I should warn you, I'm not going. I'm going. (Does The Face while saying that last part.)
 Opening Credits
 [Scene: Central Perk, Rachel is sitting on the couch as Ross and Chandler enter after playing basketball.]
Ross: (To Chandler) Dude, that reverse lay-up! Oh...
Chandler: How about those three pointers?
Ross: Amazing!
Chandler: And those guys were **this** (Doing the standard "This Close" gesture) close to lettin' us play this time too.
 (They both get dejected and go sit down.)
Rachel: Hey look-look, Phoebe's talking to uh, Cute Coffeehouse Guy.
Ross: Oh, you guys call him Cute Coffeehouse Guy, we call him Hums While He Pees.
Chandler: Yes, and we call Ross Lingers In The Bathroom.
Phoebe: (returning) Hey you guys, Hums While He Pees just asked me out!
Rachel: Hey, I thought that guy was married.
Phoebe: He is! But he's getting divorced—Ross! Maybe you know him.
Ross: It's not a club.
Rachel: Phoebe, if this guy's going through a divorce, is it such a good idea to start going out with him?
Ross: Hey, divorced men are not bad men!
Chandler: They have that on the napkins at the club.
Rachel: Oh, I gotta get back to work.
Phoebe: You don't have to be back for a half-hour!
Rachel: Yeah but, my assistant Tag does sit-ups in the office during lunch. Ohh! I could just spread him on a cracker.
Chandler: Rach, if you have a crush on this guy, why would you hire him? I mean y'know you can't date him right?
Rachel: Oh no, I know that. I know that. Although, we made a joke that we spend so much time together he should call me his work wife.
Ross: Soon he'll be able to call you, that lady he knew who got fired.
Rachel: I am not gonna get fired, because I'm not gonna act on it.
Phoebe: So you wouldn't mind if he was dating someone else?
Rachel: Why? Is he? He is! Isn't he? He's dating that slut in marketing!
Ross: Maybe I should open a divorced men's club.
Chandler: Dude that is so sad.
Ross: I could put uh-uh a basketball court in the back.
Chandler: Could I play?
 [Scene: Rachel's Outer Office, she's returning from lunch to see Tag not doing his sit-ups.]
Rachel: Oh, no sit-ups today Tag?
Tag: I just did them.
Rachel: Oh, well drop and give me ten more!
Tag: What?
Rachel: Uh, I-I had a drink with lunch. Did those cost reports come in?
Tag: Yeah, I filled them out last night?
Rachel: Oh, great could you make me four copies of those?
 (He gets up to make the copies leaving Rachel alone with his stuff. She notices his sweater in his backpack and holds it up to her nose as Melissa, a coworker, walks up.)
Melissa: Hey Rachel!
Rachel: (startled) Ahh, hi! Hi! Melissa, what's up?
I'm just uh, about to umm, go out to the store to get some stuff to put in my backpack. Y'know, like dried fruit and granola and stuff. What's up? (She has put on the backpack.)
Melissa: Umm, is Tag here?
Rachel: No. Why?
Melissa: Oh, I was gonna talk to him about doing something tonight.
Rachel: Really?! Got a little crush on Tag there do ya?
Melissa: Well, we've been flirting back and forth, but I was hoping that tonight it would turn into something a little more than that.
Rachel: Okay, whoa-whoa easy there Melissa! This ain't a locker room, okay? But, y'know I remember him saying that-that he had plans tonight.
 Melissa: Oh no!
Rachel: Oh yeah. All right, back to work.
Melissa: Hey! Isn't that Tag's backpack.
Rachel: Yeah Melissa, I don't want to be known as the uh, office bitch, but I will call your supervisor. (Melissa beats a hasty retreat.)
 [Scene: A Portrait Studio, Chandler and Monica are trying to take their engagement picture. Monica has a beautiful smile, while Chandler isn't.]
The Photographer: (taking pictures) Great! That's great Monica! Great! Now, Chandler, you want to give us a smile?
Chandler: Okay. (Does The Face.)
The Photographer: I'm sorry, is the seat uncomfortable?
Chandler: No, I am.
Monica: Chandler, listen to me sweetie, I know you can do this. Okay? You have a beautiful smile.
Chandler: I do? (He smiles, beautifully.)
Monica: Yeah! (They turn to the camera, and Chandler does The Face again.) All right, maybe you don't have to smile. Let's try something else. Let's try umm, try looking sexy.
Chandler: Okay. (You'll have to see it, I can't describe the face he makes, but it isn't good.)
Monica: Or not.
 [Scene: Rachel's Office, Joey is knocking on the door holding a hand over a spot on his shirt.]
Rachel: Hi Joey! What are you doing here?
Joey: Uhh, well I've got an audition down the street and I spilled sauce all over the front of my shirt. (Removes his hand to reveal a huge sauce stain.) You got an extra one?
Rachel: Yeah, sure. Umm...here. (Hands him one.)
Joey: Great. (He doesn't like it.) You got anything that's not *Ralph Lauren*?
Rachel: Yeah, I don't think so Joe.
Joey: All right, I guess this will be fine.
Rachel: Hey, listen umm, what-what are you doing tonight?
Joey: Nothing, why?
Rachel: How would you feel about taking out my assistant Tag? I'll pay.
Joey: Huh, Rach I got to say it's gonna take a lot of money for me to go out on a date with a dude.
Rachel: I'm not asking you to go on a **date** with him!
Joey: Really? 'Cause I could kinda use the money.
Rachel: Joey, just-just he-he's new in town and I know he doesn't have any guy friends. Just take him to like a ball game or something. I'll really appreciate it.
Joey: Yeah, okay.
Rachel: Yeah?
Joey: Sure, no problem. (Sees something.) Ooh—Hey, donuts!
Rachel: Yeah!
Joey: Okay. (He grabs a jelly donut, takes a bite, and guess what he spills all over his future and we'll think about it and smears it all over the shirt.)
 [Scene: A Portrait Studio, Chandler and Monica are still trying to get the picture taken.]
Monica: I know. Let's try a look...of far off...wonderment. Okay, we'll-we'll gaze into our future and we'll think about our marriage and the days to come. (Chandler is still not getting it.) Chandler! What is the matter with your face?! I mean this picture is supposed to say "Geller and Bing to be married," not "Local woman saves drowning moron!" (The photographer laughs.) Hey! Don't laugh at him! He's **my** drowning moron!
Chandler: Awww! (Smiles.)
Monica: That's it! Take it! Take it! Take it! (Chandler turns to the camera and does The Face.)
 [Scene: Central Perk, Chandler, Monica, and Ross are going over the picture proofs.]
Ross: I like this one. (Points to it.) It seems to say, "I love you and that's why I have to kill you."
Monica: They can't all be bad. (To Chandler) Find the one where you make your bedroom eyes. Ohh, there it is.
Chandler: Oh my God! Those are my bedroom eyes?! Why did you ever sleep with me?
Monica: Do you really want to pull at that thread? (Phoebe enters with Hums While He Pees also known as Kyle.)
Phoebe: I'm having a really good time!
Hums While He Pees: Me too! I'm sorry that guy in the subway licked your neck.
Phoebe: Ohh. No that's okay, he's a friend.
Hums While He Pees: Hey uh, I don't mean to be presumptuous but I have these two tickets to the ballroom dancing finals tomorrow night if you want to go?
Phoebe: Yeah, I... Well y'know I-I mean I missed the-the semi-finals, so I'd just be lost.
Hums While He Pees: I know it's really lame, but I got these tickets from my boss and—Oh no! No! No! My God!
Phoebe: Okay, don't freak out. I'll go.
Hums While He Pees: No it's... Uh, my ex-wife Whitney is out there. I cannot deal with her right now. That woman is crazy!
Phoebe: Okay, I know. Hold on. (She walks over to the couch.) Hey Ross?
Ross: Yeah?
Phoebe: Yeah, umm that's Whitney (Points), Kyle's ex-wife out there, now do you think that you can y'know divert her so that we can slip out?
Ross: What?! No!
Phoebe: Well okay but I have two tickets to the ballroom dance finals. (She holds up the tickets that Kyle gave her.)
Ross: Look, I don't think so Pheeb. (Pause) All right, I'll do it. But just because you're a friend. (Grabs the tickets and heads to divert Whitney.)
 [Scene: Ross's apartment, Ross is dancing around his living room as Phoebe enters, catching and startling him.]
Phoebe: Hi Ginger.
Ross: All right! I want my key back!
Phoebe: I don't have it!
Ross: It's right there! (Points to her hand.)
Phoebe: Ugh, okay Sherlock! (Hands over the key.)
Ross: Look, I'm sorry but you-you-you better go Pheeb.
Phoebe: All right, well I just wanted to say thank you though for diverting Kyle's ex.
Ross: Oh yeah—No—You're welcome. We'll talk about it later.
Phoebe: Okay.
 (Ross opens the door to reveal Whitney standing there.)
Ross: Hi Whitney.
Whitney: Hi Ross! You ready for breakfast?
Ross: Yep. (Phoebe slams the door shut.) Okay.
Phoebe: (To Ross) Kyle's ex-wife? You were supposed to divert her not date her!
Ross: (opens the door and to Whitney) Hi! I'm sorry, but can you give me a second while I talk to this woman, who by the way did not spend the night.
 Whitney: Sure.
Ross: Okay. (Closes the door.) (To Phoebe) I **did** divert her and we ended up having a great time! Okay?
Phoebe: Watching ballroom dancing?
Ross: Yes! That's where we realized we were both super cool people!
Phoebe: Well look-look, okay Ross, Kyle just told me some **really** bad stuff about her.
Ross: Like what?
Phoebe: Like she's really mean, and she's over critical, and-and—No! She will paint a room a **really** bright color without even checking with you!
Ross: Okay.
Phoebe: And! She uses sex as a weapon!
Ross: Fine! Thank you for warning me. At breakfast I'll be on full alert for room painting and sex weapons.
Phoebe: You're still gonna go out with her?!
Ross: Yeah!
Phoebe: Well, didn't you just hear what I said?!
Ross: Pheeb's come on! I mean, consider the source! Of course her ex-husband's gonna say that stuff. Now, if you'll excuse me...
Phoebe: (interrupting him) No listen to me! She is **crazy!**
Whitney: (outside the door) Uh, your door isn't sound proof.
Phoebe: You see? Nothing is good enough for her!
 [Scene: Rachel's Office, Tag is arriving as Rachel is standing there.]
Tag: Good morning.
Rachel: Hi Tag! Hey, so did you have fun with uh, with Joey last night?
Tag: Oh yeah! We went to the Knicks game.
Rachel: Ohh that's nice.
Tag: Then we went to this bar and he hooked us up with all these women!
Rachel: Wo-women? You mean like old women?
Tag: Well kinda old, like 30.
Rachel: (Pause) Oh.
Tag: And I never used to be able to just talk to girls in bars, but I got like 20 phone numbers last night.
Rachel: That's great! Wow man, so Joey must've really taught you some stuff huh?
Tag: A little.
Rachel: Yeah?
 (A beautiful woman walks up.)
Tag: (To her, in the Joey voice) How you doin'?
 Commercial Break
 [Scene: Joey and Rachel's, Joey is teaching Chandler how to smile. Chandler is smiling.]
Joey: See? That's a great smile! Easy. Natural. Now, pretend I have a camera. (Chandler immediately does The Face.) You're changing it!
Chandler: I can't help it!
Joey: All right, all right, all right, all right, you wanna know what I do when I take resume shots?
Chandler: Borrow money from me?
Joey: Okay, first—first of all, you want to make it look spontaneous. I look down (Looks down), look down, keep looking down; then I look up. (Looks up and smiles.) See? All right, now you try. Look down (Chandler looks down), you're looking down, keep looking down...
Chandler: Why is there jelly on your shoe?
Joey: I had a donut. (Chandler nods.)
Rachel: (entering) Hi!
Joey: Hey!
Chandler: Hey!
Rachel: So uh, heard you had some fun with Tag last night.
Joey: Yeah! That guy's all right!
Rachel: Yeah and you had fun teaching him how to be all Joey.
Joey: What?
Rachel: Y'know, all the women.
Joey: Hey well, you can't teach someone to be good with women. Y'know, that's why I never had any luck with Chandler.
Chandler: (Pause) I'm right here!

Monica: Yeah hey, a weird thing happened today when I was at brunch. This woman overheard that I was marrying you and-and then she...she wished me good luck.

Chandler: That's sweet.

Monica: No, it's more like a (sarcastically) good luck.

Chandler: So uh, what did this woman look like?

Monica: She was like 30, dark hair, attractive.

Chandler: Well, is there any chance you were looking into a bright, shiny thing called a mirror?

Monica: Come on, was it somebody maybe you dated in college?

Chandler: No, no I only dated two girls in college, both blonde, both not attractive... (Thinks a little while.) Hold on one second: let me check this out. (He gets up and grabs a photo album.)

Monica: What are you doing?

Chandler: Well, let's see... (Finding the picture he wants.) Okay uh, is that her? (Pointing to the picture.)

Monica: Oh my God yes! Who is she?

Chandler: Julie Grath, my camp girlfriend.

Monica: Did you break up with her?

Chandler: (pause) No, we're still together. Yeah we went out for two summers, and then I broke up with her.

Monica: Why?

Chandler: Well, 'cause she came back the third summer and she'd gotten really fa-aa-aw-ow...

Monica: Fat?!

Chandler: I did not say fat! I said, "Fa-aa-aw-ow..."

Monica: You broke up with a girl because she was fat?!

Chandler: Yeah. Yeah, but it was a really, really long time ago! Does she still feel bad?

Monica: Well, apparently she does.

Chandler: Well, you know what they say, elephants never forget. (Monica is not amused by that statement.) Seriously, good luck marrying me. [Scene: Joey and Rachel's, Joey is entering, Rachel and Phoebe are already there.]

Joey: Hey! What's going on?

Rachel: Phoebe is gonna be Monica's maid of honor!

Joey: Hey! Well I hope it goes better than the last time you did it for that girl downstairs, remember? (Phoebe glares at him.)

Rachel: (shocked) You have been maid of honor before?!

Phoebe: See? This is exactly why you shouldn't lie!

Rachel: All right that's it! I am maid of honor!

Phoebe: Na-uh, I am!

Rachel: How come you are?!

Phoebe: Because I cared enough to lie!

Joey: Hey-hey-hey-hey, I can help you decide who should do it! Yeah, we could have like uh, like an audition and see how you'd handle maid of honor type situations.

Phoebe: What are you talking about?

Joey: Like when I want a job, I go to an audition and if I'm the best of the people they see, they give me the part.

Phoebe: Okay, so after this audition, who decides who gets it?

Joey: Oh uh, me and Ross can be the judges.

Phoebe: (To Rachel) Well, it's better than us deciding.

Rachel: Oh, come on! This is crazy! Can't we just flip a coin?!

Phoebe: No! Coins hate me!

Rachel: Okay. Okay fine, y'know what? We will let Ross and Joey decide. (Ross enters.) (In a sexy voice.) Hiiiiii, Ross! Sweetie.

Phoebe: Hey there, you handsome thing. (Rachel and Phoebe exit.)

Ross: Wow, this cologne really is every bit as good as *Georgia*.

Joey: Hi.

Ross: Just uh, brought back your videos.

Joey: Uh hey look uh Ross, look I think we need to talk about before.

Ross: No! No we don't!

Joey: Yes we do! Now look, that was the best nap I ever had!

Ross: I... I don't know what you are talking about.

Joey: Come on! Admit it! That was the best nap you ever had!

Ross: I've had better.

Joey: Okay! When?!

Ross: All right! All right! It was the best nap ever!

Joey: Uh-huh!

Ross: I've said it! Okay?! But it's over Joey!

Joey: I want to do it again.

Ross: We can't do it again.

Joey: Why not?

Ross: Because it's weird!

Joey: Fine! Do you want something to drink?

Ross: Sure, what do you got?

Joey: Warm milk and *Excedrin P.M.* (Ross just leaves.)

Commercial Break

[Scene: Monica, Chandler, and Phoebe's, Monica is approaching the bathroom door behind which Chandler is using the facility.]

Monica: Chandler! (Knocks on the door.) Chandler! I just figured out who you are!

Chandler: Can you figure out what I'm doing?

Monica: You're Lewis Posin.

Chandler: Who?

Monica: Lewis Posin! He was my best friend in fifth grade, and-and then one day I asked him to be my boyfriend and he said no. Do you know why?

Chandler: Because you kept talking to him while he was trying to go to the bathroom?!

Monica: No! But because he thought I was to faaaaa.... (Chandler emerges, without flushing by the way.) And every time I think about it, it makes me feel as bad as I did in fifth grade! Y'know, I-I really think that you should apologize to Julie.

Chandler: What? Are you kidding? That was like 16 years ago.

Monica: No, I know. But y'know what? It would make me feel better if Lewis apologized to me.

Chandler: Okay, I will do it. But I have to warn you: this may make me a better person and that is **not** the man you feel in love with!

[Scene: Joey and Rachel's, Joey and Ross are laying out the ground rules for the maid of honor auditions to Rachel and Phoebe.]

Joey: Okay, all right, this is how it's going to work. We're gonna give you hypothetical maid of honor situations and you will be scored on a scale of 1 to 10, 1 being the highest.

Ross: No, 10 is the highest.

Joey: Why is 10 the highest?

Ross: Because it's the highest. (Joey shrugs his shoulders) Okay, Rachel you're up first. (Rachel stands up and gets ready.) Situation No. 1: You're with Monica, the wedding is about to start when Monica gets cold feet. Go! (Joey is playing the part of Monica.)

Joey: (crying) I don't want to marry Chandler!

Rachel: Okay, uh...

Joey: I've got cold feet.

Rachel: ...it's gonna be okay!

Joey: No, one man for the rest of my life? I don't know if I can do it! This means I'll never get to sleep with Joey!

Rachel: Look Monica, getting cold feet is very common. Y'know, it's-it's just because of all the anticipation and you just have to remember that you love Chandler. And also, I ran out on a wedding. You don't get to keep the gifts.

Joey: (out of his Monica character) Very good! Drawing on your own experience, I like that!

Rachel: Thanks!

Ross: Yes, very nice Rachel.

Rachel: Thank you judges.

Phoebe: Ugh, what a kiss ass.

Rachel: Oh!

Joey: Okay, Phoebe...

Phoebe: Yes! Your honor?

Joey: We're now in the ceremony, Monica is about to say, "I do" when her drunk uncle starts yelling. What do you do? Go!

Ross: (playing the drunk uncle) When Monica was a little girl, I remember that—(Phoebe screams and tackles him)—Oooh!! Ow! Very good!

Phoebe: Oh!

Joey: Yes! Excellent! Perfect score!

Rachel: Wait a minute! She just made a scene in the middle of the ceremony!

Phoebe: Hey! Do you want do you want a little taste of Pheebes?!

Ross: It is time for you to give your maid of honor speech.

Rachel: Ohh, wait a minute, we haven't pre...

Ross: Go!

Rachel: Okay! Okay! Umm, *Webster's Dictionary* defines marriage as... (Ross and Joey start writing.) Okay!! Forget that! That sucks!! Okay, never mind! Forget it! Umm, umm, okay, uh... I met, I-I met, I met Monica when we were just a couple of six year olds and I became friends with Chandler when he was 25, although he seemed like a six year old.

Ross and Joey: Oh! That's nice.

Rachel: Thank you. Thank you very much. Umm, I've known them separately and I've known them together and-and to know them as a couple is to know that you are truly in the presence of love. So I would like to raise my glass (Grabs a glass and holds it up) to Monica and Chandler and the beautiful adventure they are about to embark upon together. I can think of no two people better prepared for the journey.

Joey: Wow. (To Ross) Good speech.

Ross: Yeah, it really was!

Rachel: Aw, thanks!

Ross: Okay Phoebe, I guess you're next (To Joey) although I really don't see the point.

Joey: Yeah.

Phoebe: Okay, I can't believe that Monica and Chandler are getting married. I remember talking about this day with Rachel while we were showering together, naked. (Raises her glass and drinks.) (Joey and Ross pause while they picture the event.)

Joey: And she's back in the game.

[Scene: A random apartment building, Chandler and Monica are knocking on the door of the woman from the beginning.]

Chandler: (she opens the door) Julie hi! Chandler Bing, I, I guess you remember me.

Julie: Hello Skidmark.

Chandler: (To Monica) It's a nickname, I'll explain later.

Monica: It's pretty clear.

Chandler: Ah, uh, I owe you a long overdue apology. I never should have broken up with you because you were overweight.

Julie: That's why you broke up with me?

Chandler: You-you didn't know that. (Pause as she nods no.) Well, I guess my work here is done!

[Scene: Central Perk, Joey and Ross are giving Phoebe and Rachel the results of their election. Somewhat faster than Florida I might add.]

Joey: All right, well first of all I would like to say that you both performed very well. Okay? You should be proud of yourselves. And-and I would also like to say that in this competition there are no losers. Well, except for Rachel—Damn!

Phoebe: Really?! I won!

Rachel: What?!

Ross: I'm sorry Rach, it was, it was really close.

Rachel: Well then I demand a recount! (Hmm, I wonder where I've heard that before.)

Ross: Actually, it wasn't that close.

Rachel: No! Y'know what? No! No! You thing was so stupid anyway, this was ridiculous—We're gonna flip a coin! (Phoebe gasps.) All right?! (She flips the coin.) Heads! (Looks at the coin and grunts in disgust.)

Phoebe: The coins have finally forgiven me!

Rachel: Well y'know what? I hope Monica forgives you after you throw her, her vegetarian, voodoo, goddess circle shower! (Runs out.)

Phoebe: (running after her) Rach, it's gonna be okay! (To Ross and Joey) You guys are the best!

Joey: Boy I tell ya, that judging stuff took a lot out of me.

Ross: Yeah?

Joey: Yeah! I was thinking about maybe going upstairs and taking a little nap on my couch. (Raises his eyebrows, questioning Ross to see if he wants to join him.)

Ross: Why-why would I care about that?

Joey: No reason, I'm just saying that uh... That's where I'll be.

(Joey gets up and heads for the door. After a pause Ross decides to join him.)

[Scene: Monica, Chandler, and Phoebe's, Chandler and Monica have returned from Julie's.]

Chandler: As bad as that went I actually enjoyed myself. I think that I'm going to apologize for all of the stupid things I do.

Monica: Why don't you just stop doing stupid things? Then you wouldn't have to apologize.

Chandler: I would really love it if could do both.

Monica: All right, I... I have to ask.

Chandler: What?

Monica: Are you gonna break up with me if I get fat again?

Chandler: What?!

Monica: Well, you broke up with Julie Grath! How much weight could she have gained?

Chandler: A hundred and forty-five pounds.

Monica: In one year?! My God what did she eat? Her-her family! That's not the point.

Chandler: Look I know it was a stupid reason to break up with somebody, but I was 15!

Monica: Well... That's not the only time this was an issue. You remember when umm, you spent Thanksgiving with us? You called me fat.

Chandler: Okay. Okay, now wait a minute that was totally different.

Monica: How?

Chandler: You were not supposed to hear that! I said that behind you back!

Monica: What if I have babies, okay? I mean I'm gonna look different. I'm okay with that, but I'm not sure that you are!

Chandler: Look you have to realize I don't think of you as a thin, beautiful woman. (Monica glares at him.) See this is one of things that I can apologize for later! Look, what I mean is you're Monica! Okay? And I am in love with Monica.

Monica: Keep going.

Chandler: So you can balloon up or you can shrink down and I will still love you.

Monica: Even if I shrink down to two inches tall?

Chandler: I'd carry you around in my pocket.

Monica: I love you. (They hug and kiss.)

Chandler: Skidmark's still got a way with the ladies. [Scene: Central Perk, Phoebe is there as Rachel enters carrying a shopping bag.]

Rachel: Hi Pheebes.

Phoebe: Hi!

Rachel: Hi! I just want to apologize. I'm really sorry I was a baby.

Phoebe: That's ridiculous Rachel, we were all babies once. (Rachel looks at her.) Oh, you mean today.

Rachel: Yeah. Yeah, and y'know you-you deserve to win. And-and y'know I was thinking about it, if-if you're Monica's maid of honor that means I get to be yours.

Phoebe: Oh yeah!

Rachel: Yeah! Oh, umm when-when Monica and Chandler got engaged I started putting some stuff together, y'know just in case...

Phoebe: Oh that's so sweet thanks.

Rachel: Here is a book of poetry that I know Monica loves. And-and ohh God this is funny, look, this is a picture of one Halloween where she dressed up as a bride. (Shows Phoebe the picture.) And look, she made me carry her train, which was weird because I was *Wonder Woman*. Oh and here's a little purse that I found. (Hands her the purse) Y'know I just thought that maybe they could hold the rings in there.

Phoebe: Ohh.

Rachel: And umm, vintage handkerchiefs y'know 'cause, people cry at weddings. (Starting to cry.) I'm just gonna grab a couple of these.

Phoebe: This stuff is great!

Rachel: Oh, I forgot this was in here. Umm, this was the uh garter that I was saving for my wedding and I wanted it to be Monica's something borrowed and it's blue. (Starts to cry again.) Yeah...

Phoebe: Y'know Rach, I think that, I think you should be Monica's maid of honor.

Rachel: You do? Why?
Phoebe: Because I think it means more to you.
Rachel: But Pheebs, y'know you earned it.
Phoebe: Its fine. I mean, this is something that you've been thinking about since you were what, 14? (She's referring to the Halloween picture.)
Rachel: No, I was ten. I just developed early.
Phoebe: (looking at the picture again) Man alive!
Monica: (entering) Hey, what's going on?
Rachel: Hey!
Phoebe: Well, we just decided that Rachel is gonna be your maid of honor.
Monica: (gasps) Ohh, wow! That's great! (Rachel and Monica hug.) Oh wow! We really have to start planning! I have, I have a lot of really specific ideas! We should probably get together like four times per week. You can come over to my place; we'll get together before work! What do you say, 6:30, my place? I'm so excited! (Runs out leaving Rachel completely stunned and Phoebe laughing.)
Rachel: Yeah okay, you laugh now, but she's gonna be yours. (Phoebe gets suddenly scared.)
 Ending Credits
 [Scene: Joey and Rachel's, Joey and Ross are napping together again and both wake up at the same time.]
Joey: Great nap.
Ross: It really was.
 (Suddenly Rachel clears her throat and the camera cuts to the rest of the gang staring at them. Needless to say Joey and Ross are shocked and slowly turn their heads to see the gang.)
Joey: (reacting first by jumping up) Dude! What the hell are you doing?! God! (Heads for his room leaving Ross.)
Ross: (slowly stands up and says quietly) Excuse me. (Exits.)
 End

707 The One With Ross's Book

[Scene: Joey and Rachel's, Joey is eating breakfast as Rachel enters having just woken up.]
Joey: Morning!
Rachel: Hi! Oh, how was your date last night?
Joey: Pretty good.
Rachel: Oh good. (She walks to the closed bathroom door, opens it, and finds a naked woman wrapped in a towel.) Ahhh! My God, sorry! (She closes the door and confronts Joey.)
Joey: Okay, really good. Anyway I gotta go; I'm late for work.
Rachel: What-what?! You're gonna leave this person with me?!
Joey: Yeah—Hey, don't worry, she's a terrific girl. And hey listen, could you do me a favor? When she comes out could you just mention that I'm not looking for a serious relationship; that'd be great.
Rachel: Why?! What?! Are you kidding?!
Joey: Just casually slip it in, y'know lay the groundwork. Tell her uh, I'm a loner—No! An outlaw! Tell her she doesn't want to get mixed up with the likes of me.
Rachel: Y'know what? That's a lot to remember, can't I just tell her you're a pig?
Joey: Hey, I'm gonna call her later! Honest! Oh come on, Chandler used to do it! He'd even make the girl pancakes! Plus, he'd make extras and leave 'em for me.
Rachel: Well forget it, I'm not telling that girl anything. That is not my responsibility.
Joey: Fine! (Pause) Now, where'd we land on those pancakes? (She chases him out the door as his date emerges from the bathroom.)
 Joey's Date: Hi!
Rachel: Hi.
Joey's Date: Sorry about that, but I couldn't get that lock to work on the door.
Rachel: Yeah, Joey kinda disabled it when I moved in.
Joey's Date: You must be Rachel, I'm Erin.
Rachel: Hi.
Erin: Hi. I don't mean this to sound like high school, but did he say anything about me?
Rachel: (pause) Would you like some pancakes?
 Opening Credits
 [Scene: N.Y.U.'s University Library, Ross is entering with Chandler.]
Chandler: ...Come on! Why are we here?
Ross: Okay, okay take a guess.
 (An old woman pushes a cart full of books past.)
Chandler: The hot chicks?
Ross: Okay, okay, I was typing names into the library computer earlier, y'know-y'know for fun, and I typed mine in and guess what came up? My doctoral dissertation! It's here! Yeah, it's right-it's right down here! In the biggest library in the university! (They start heading that way, towards a secluded section behind the racks.)
Chandler: Wow that's actually pretty cool.
Ross: (stopping quickly) Oh umm, there's also a book here by a woman named Wendy Bagina. (They both laugh, but stop when the hear moaning coming from the next aisle.) What is that?
Chandler: Sounds like two people are really enjoying the Dewey decimal system.
 (They go around the last row of bookshelves and find a couple doing what college coeds do in secluded corners of university libraries. For those of you who don't know what I'm talking about, let's just say that clothing is undone. Ross gasps and the couple gets up and runs away.)

Female Student: (as they are moving past Ross) I'm so sorry!
Male Student: Sorry!
Chandler: You didn't bring me here to do that, did you?
 [Scene: Monica's Restaurant Kitchen, Monica is cooking as a waitress enters carrying a plate of food that has been sent back.]
Monica: She sent the chicken back again?!
The Waitress: She says it's to dry now and she wants to come back here and explain to you **exactly** how she wants it.
Monica: Well fine! I want to meet this chicken expert! Send the Colonel in!
 (The waitress lets her in as Monica is about to throw a lobster into a pot of boiling water (Although, she hasn't taken off the rubber bands that hold the claws, so she can't be that good of a chef.) Anyway, guess who the Colonel is by the following phrase.)
The Colonel: OH...MY...GAWD!!!! (Yep, it's Janice.)
Monica: (to the lobster) Lucky bastard! (Throws the lobster in and turns around to face the planet's most annoying woman, next to Dr. Laura and Kathy Lee Gifford of course. She's the most annoying female TV character however.) Janice.
Janice: How are you Ms. Hot Shot chef with the big fancy restaurant with the best chicken ever! (Does the laugh.)
Monica: I'm fine.
Janice: (notices Monica's engagement ring) Ohh! What is that on your finger?! I'm blind!
Monica: Oh... Uh...
Janice: So, who's the lucky guy?
 [Cut to Monica and Chandler's just after Monica has finished telling Chandler what happened.]
Chandler: OH...MY...GAWD! I am so sorry sweetie, are you okay? You didn't tell her we were getting married, did you?
Monica: Well, she saw the ring.
Chandler: Did she freak out?
Monica: Well, she was shocked when I told her, but then again so were most people.
Chandler: Right.
Monica: Well, she actually has a boyfriend y'know herself, named Clark. Uh, she also kinda invited herself to our wedding. Clark too.
Chandler: (laughs) You said no right?
Monica: Huh?
Chandler: You said **no** right?!
Monica: Well, she corned me! She asked if the wedding was in town! I mean, what was I supposed to do?!
Chandler: Lie!!! How hard is that?! The check's in the mail! Oh your baby is so cute! I can't wait to read your book Ross!!
Monica: Come on! So she comes to the wedding! I mean it won't be so bad.
Chandler: What do you think she's just gonna sit there quietly? You don't think she's gonna want to make a toast? You don't think she's gonna want to grab the microphone and sing *Part-time Lover*?
Monica: Oh my God, she's not gonna like the chicken that night either is she?!
Chandler: Y'know what? It's gonna be okay. Y'know what? She's probably not gonna even want to come.
Monica: Really?
Chandler: No! That was a **lie**! See how easy that was?
Monica: So-so you would've just lied?
Chandler: Yes!!
Monica: Would it really have been that easy?
Chandler: Yes!!
Monica: Good, so do it Saturday night because we're going to dinner with her and Clark.
 [Scene: Joey and Rachel's, Joey is coming back from work to find Phoebe, Rachel, and someone else with her back turned is there.]
Joey: Hey! What's up?
 Phoebe and **Rachel:** Hey!
Joey: Hey-hey, who's your friend? (Erin turns around to face Joey, startling him) Hey!!
Erin: Hey Joey!
Joey: Erin! Still here!
Rachel: Yeah, we ended up spending the day together and had such a great time!
Joey: Why wouldn't ya? Erin is great! Then-then there's you guys.
Erin: Ohh, listen. I've got to get going. Today was great, thanks!
Rachel: I know!
Phoebe: Okay!
Erin: Bye Joey. (Kisses him.) Last night was fun.
Joey: Yeah. I'll uh, I'll call ya.
Rachel: Oh and I'll call ya too!
Erin: Or I'll call you!
Phoebe: And call me!
Joey: (to Erin) Okay, good to see you again.
Erin: Bye.
Joey: Bye-bye.
Rachel: Bye!
 (Joey closes the door behind her.)
Joey: So, system kinda broke down huh?!
Rachel: Oh Joey, I'm sorry I just couldn't tell her all those things you wanted me to tell her. And y'know we got to talking and I...
Phoebe: We want you to marry her!
Joey: What?!!
Phoebe: She is so amazing! You have no idea.
Joey: No idea? Who do you think brought her here?
Rachel: Cupid.
Phoebe: Joey, she's so cool. She speaks four languages.
Joey: Man, do you know what guys want!
Rachel: Look Joey, come on she's so perfect for you! I mean she's sweet, she-likes baseball, and she-she had two beers at lunch.

Joey: My beers?! Look you guys, she's a very nice girl. Okay? We had a good time, but I just—I don't see it going anywhere.
Phoebe: Yeah, but you always say that.
Rachel: Yeah, maybe if you gave this girl a chance it would go somewhere.
Joey: Look I'm sorry you guys, I-I just don't think so.
Phoebe: Whatever.
Rachel: Fine. (They start to walk away.)
Joey: Hey, don't start judging me! (To Rachel) Huh? You're the one who's in love with her assistant! (To Phoebe) Huh? And you, you're the one having the affair with the guy who keeps the pigeons on the roof!
Rachel: Phoebe!
Phoebe: Secret affair!
 [Scene: Central Perk, Rachel and Joey are there as Ross enters.]
Ross: People are doing it in front of my book!
Rachel: I'm sorry?
Ross: My doctoral dissertation is in the library at school, I went to see it, and there were students makin' babies right in the middle of the Paleontology section!
Rachel: Oh my God! Did you get to see anything good?
Ross: Let me ask you something, at your school was there a like uh a place on campus where students went to uh, fool around.
Rachel: Yeah, there was. It was—there the corner of the library where—where all these dusty books that nobody ever read—Yes, there was.
Ross: Great! Because people kept showing up, I think it's like uh-a thing!
Joey: Now hold on a second, fifth floor against that back wall?
Ross: Oh for cryin' out loud! (He storms out.)
Joey: All right, so we should go catch our movie.
Rachel: Well now what's the rush?
Joey: I like to see the previews. (Rachel looks at him.) The candy.
Phoebe: (entering with Erin) Oh. Hey!
Rachel: Well look who's here!
Erin: Hey!
Joey: Hey!
Erin: Joey.
Joey: Erin.
Erin: Hey Rachel.
Rachel: Hi! Well, we were just about to take off and see a movie. Oh no!
Erin: What's wrong?
Rachel: Oh Phoebe, we forgot that party we have to go to.
Phoebe: Oh no.
Joey: (skeptical) What party?
Phoebe and Rachel: A birthday party.
Joey: Who's birthday party?
Phoebe and Rachel: Allison's birthday party.
Joey: (still skeptical) Oh, and how is Allison?
Phoebe and Rachel: 32. (Joey's not buying it.)
Rachel: (does a retching sound) Wait a minute! Why don't you guys do something?!
Joey: (still skeptical) Yeah, look how that worked out. Commercial Break
 [Scene: The Library, Ross enters and heads to the desk to talk to the male librarian on duty.]
Ross: Excuse me. Hi, I'm a professor here. Do you know the Paleontology section, fifth floor, stack 437?
The Librarian: Well, yes! Just give me five minutes, I just have to find someone to cover my shift.
Ross: No! No! No! Can I speak to someone in charge please?! (The librarian brings his boss over.)
The Head Librarian: How can I help you?
Ross: Hi, I was wondering if it is possible to increase security in the Paleontology section? See I-I wrote a book up there and instead of reading it people are—are well, rolling around in front of it.
The Head Librarian: We are aware of the problem you are referring too. (He turns to look at the previous librarian.) But as far as increasing security, I'm afraid the library is very understaffed. I, I can't help you.
Ross: Well, fine. Fine! If I'm the only person with any appreciation of the sanctity of the written word, I'll go up there and defend it myself! (Starts to do so, but stops and to the previous librarian) And don't you follow me!
 [Scene: Joey and Rachel's, Rachel and Phoebe are doing dishes as Joey enters.]
Joey: Hey.
Phoebe: Hey!
Rachel: How did it go with Erin?
Joey: Oh, unbelievable! We had the best time!
Phoebe: Yay!! Oh so, you're not, you're not mad at us anymore?
Joey: No! No! No! You guys were totally right! This is so much better than the first time we went out. Y'know? That was so awkward, we were really nervous.
Phoebe: Didn't you sleep together?
Joey: Yeah that really calms me down. And! We have so much in common! She loves sandwiches, sports, although she is a Met fan, not much of an issue now but if we were ever to have kids, well that's a...
Rachel: (gasps) Oh my God! Listen to you talkin' about having kids. Oh my Joey. (She goes over and hugs him.) Oh, please don't get married before I do.
Joey: Okay.
 [Scene: A Restaurant, Monica and Chandler are on their date with Janice and Clark, however Clark is a no show and Janice is crying the Mississippi River about it.]
Janice: Oh. Oh I just cannot believe Clark stood me up!

Monica: He might still show up.
Janice: Oh, what are you, stupid? It's been three hours.
Monica: Is that all?
Janice: I should just go on to happier things, okay? Umm, why don't you tell about your lovely wedding?
Chandler: Well actually uh, there was something we wanted to tell you about the wedding. Um, it's going to be a small ceremony. Uh, tiny! We're not even sure why we're having it.
Monica: It's actually going to be just family.
Janice: Oh...wait...you two think of me as family?! Oh, I have to ask you something now and be honest: do you want me to sing *Careless Whisper* or *Lady In Red*?
 [Scene: Central Perk, Joey is entering and arguing baseball with Erin. Phoebe and Rachel are already there.]
Joey: How can you say that?! The *Mets* have no closer!
Erin: What about Benitez?
Joey: What about Game 1 of the Series?
Erin: What about shut up?
Joey: You shut up! (To Phoebe and Rachel) I love arguing with her. (To Erin) I'll be right back.
Erin: Okay. (Joey goes to get some coffee and Erin sits down.)
Rachel: So how's it goin' with Joey?
Erin: Uh, okay.
Rachel: Okay? Wait okay, tell-tell me that you like him, please? I mean tell me that you like him.
Erin: Look, he's a really great guy and I know that you really want this to work out, but I just don't see this having a future.
Rachel: But you said that you liked him! I mean what happened?! Did ya just change your mind?!
Erin: Kinda.
Phoebe: Then change it back!
Erin: I'm sorry I... It's just there's no real spark.
Phoebe: No spark? Didn't you sleep together?
Erin: Yeah.
Rachel: Ugh, tramp!
Phoebe: Does Joey have any idea?
Erin: I really don't think he does. And y'know what? Maybe you guys could help clue him in. Y'know, tell him I'm-I'm not interested in a serious relationship or something.
Phoebe: Yeah, you mean like that you're kind of a loner.
Erin: Yeah! That would be great!
Phoebe: Yeah, and maybe that you're a real (She says something in Italian, and it doesn't matter what she said. It's not important so I don't need everyone who speaks Italian telling me what she said.)
Erin: I'm sorry?
Phoebe: Oh well, I guess Italian isn't one of the four languages you speak.
Joey: (returning) Hey! You wanna go?
Erin: Yeah, let's go.
Joey: Okay. See you guys later.
Erin: Bye guys.
Rachel: Yeah, see ya.
Joey: (whispers to Phoebe and Rachel) Hey, thank you so much. (They both exit.)
Rachel: Wow. Well, I guess it was Cupid who brought her here.
Phoebe: No, just a regular old flying dwarf.
 [Scene: The library's Paleontology section, Ross is patrolling as a couple walks up.]
Ross: Yes? Yes?! How can I help you?
Guy: Yeah, we were...we were just looking around.
Ross: Oh-oh, you're-you're fellow scholars. What exactly were you looking for, hmm? Perhaps, (Grabs a book from the shelf behind him) perhaps Dr. Chester Stock's musings on the Smiledon Californicus?
Guy: Uh...
Ross: Ah... Ah...Get out of here! (The couple retreats. Ross starts looking through the previously mentioned book as a beautiful woman walks into the section.) Uh, meeting someone? Or-or are you just here to brush up on Marion's views on evolution?
Woman: Uh, actually I find Marion's views far to progressionist.
Ross: I find Marion's views far to progressionist.
Woman: I'm sorry, who are you?
Ross: I'm a professor here uh, Ross...Geller.
Woman: Ross Geller, why do I know that name? It's uh—Wait! (Grabs his book off of the shelf.) Did you write this?
Ross: Yes! You're the person who checked out my book?!
Woman: Y'know, you look nothing like I would've thought. You're...you're so young.
Ross: Well I uh, I skipped fourth grade.
 [Time Lapse, Ross and the woman are now in a state of partial undress and are standing in front of the head librarian with two security guards watching them.]
Ross: I am very...very sorry.
 [Scene: Joey and Rachel's, Phoebe and Rachel are watching TV as Joey enters.]
Joey: Hey!
Phoebe: Hey!
Rachel: Hi!
Phoebe: So how was, how was your date?
Joey: Oh, it was great! I mean we walked all

around the village. We went to this ice cream place, split a milkshake, 70/30 but still... And guess what, I'm thinking about taking her upstate to one of those bed and breakfasts.
Phoebe: Oh really? She said she wants to go away with you?
Joey: No-no-no-no-no! It's a surprise, but it's gonna be tricky thought because she said she was gonna be pretty busy at work for a while.
Phoebe and Rachel: Oh no, yeah.
Rachel: Jo-Joey, look honey we-we need to talk okay? Umm, I kinda got the feeling from her today that uh, she's not lookin' for a serious relationship.
Joey: Where are you gettin' this?
Rachel: Well, she told me. She said she's kinda a loner.
Joey: Oh. Oh.
Rachel: Joey...
Joey: No hey Rach, it's cool okay? Y'know I'm a loner tool (Heads for his room.) Right?
Phoebe: Hey Joey, y'know what? You are way to good for her.
Rachel: Yeah and honey I promise next time that I will just say good-bye and tell 'em you're not looking for a relationship.
Joey: No! No. Don't do that, just next time make sure she really likes me.
Rachel: Well that too. (Joey goes into his room.) Joey?
Joey: Yeah?
Rachel: Do you want some pancakes?
Joey: (coming back out) Finally!
 [Scene: Monica, Chandler, and Phoebe's, Chandler and Monica are sitting at the kitchen table and are still trying to decide what to do about Janice.]
Monica: What are we gonna do?
Chandler: I say we go with *Careless Whisper*. (There's a knock on the door and Janice enters.)
Janice: Chandler?
Chandler: (To Monica) Did she see us yet? Did she see us?
Monica: Janice, what umm, what are you doing here?
Janice: Well umm, I thought I was going to go back to my apartment but then I just felt I couldn't really be alone tonight. (Joey walks into view of the open door behind Janice, sees her, gets a terrified look on his face, and flees in horror.) I was wondering if I could maybe stay here with you, just I really feel that I need to be with family.
Monica: (To Chandler) Our kids are gonna call her Aunt Janice aren't they?
Janice: Please, it's because otherwise I really don't know what I might do.
Chandler: Aren't you just a tinsy bit curious?
Janice: (starting to cry) Do you have any tissues?
Monica: Yeah, in-in-in the bathroom.
Janice: Okay! (She runs for the bathroom)
Monica: We'll just...we'll just let her stay.
Chandler: No-no-no-no, if we let her stay, she will stay forever!
Monica: Kinda like your Barca lounge.
Chandler: Is that what you're thinking about right now?
Monica: I never stop thinking about it.
Janice: Hey you guys, umm do either one of you want to get in there before I take my bath.
Chandler: Janice, I'm sorry but umm, you can't stay here tonight.
Janice: Why not?
Chandler: Honestly? Our apartment is a hotbed for electromagnetic activity. Now Monica and I have been immunized, but sadly you have not.
 (And she does the laugh.)
Janice: Okay, I'm going to need a comforter, but did you have a hypoallergenic one because otherwise I get very nasal. (Makes some weird sound) Do you have a cat? 'Cause it's already happening. (Makes a nasal sound) Do you hear that? (She keeps making the nasal sound.) (Chandler does the same nasal sound to Chandler.)
Monica: Oh my God! Oh my God! You have to go!
Janice: Why?
Monica: Because Chandler still has feelings for you!
Janice: He does?
Chandler: Say again?
Monica: That's right. That's right. And that is why you can't stay here tonight. And probably why you shouldn't come to the wedding.
Chandler: Feelings, such strong feelings.
Monica: I mean, I realize that his feelings may never completely go away, but you can.
Janice: Oh...my Gawd, I-I understand. I-I am so sorry, I'll go. (Starts for the door.) Good-bye Monica (hugs her), I wish you a lifetime of happiness with him. Chandler, (hugs him) you call me when this goes in the pooper. (Hurries out.)
 Ending Credits
 [Scene: The library's Paleontology section, Ross is on patrol and stops a security guard through the stack of books.]
Ross: (to the guard) Don't sweat it, I've got this section covered. Yeah, in fact I've got this little baby (Turns on a mini-flashlight) to shine in people's eye—(The guard walks away)—Okay, see you later.
 (Ross resumes his patrol when his best friend and sister walk up and start to take off their coats, but they stop when they see him.)
Chandler: I just wanted to show Monica your book. (Ross just glares at him.)

708 The One Where Chandler Doesn't Like Dogs

[Scene: Monica, Chandler, and Phoebe's, Monica is in the kitchen, Joey, Rachel, and Phoebe are sitting around the table writing one notepads while Chandler is looking over their shoulders.]
Ross: (entering) Hey everybody! Happy Thanksgiving!

Chandler: No, no, no. No-no-no.
Joey, Rachel, and Phoebe: Shhhh!
Ross: What, are we keeping Thanksgiving a secret this year?
Chandler: No, we're playing this game I learned at work. You have to name all the states in six minutes.
Ross: What? That's like insanely easy!
Chandler: Now, that's a lot harder than it sounds. You always forget at least one, or in some cases... fourteen (looks over to Monica).
Monica: It's a stupid game and I wasn't playing against other people, so technically I didn't lose.
Ross: What? You forgot fourteen states?
Monica: Nobody cares about the Dakotas. (That's true in so many ways, trust me, I've lived in one and been to the other.)
 [Chandler's watch beeps]
Chandler: Oh, okay, time's up!
Rachel: All right, I got 48.
Chandler: Oh that's not bad, Phoebe?
Phoebe: Oh, I got tired of naming states. So I decided to list the types of celery, and I have one: regular celery.
Chandler: Okay, so Rachel's got 48 and Phoebe has the lead in...vegetables, Joey?
Joey: Say hello to the new champ of Chandler's dumb states game.
Ross: Wow, how many have you got?
Joey: Fifty-six!
 Opening Credits
 [Scene: Monica, Chandler, and Phoebe's. Ross is sitting in the couch doing Chandler's game. Chandler is sitting in his barca-lounge. The girls are in the kitchen.]
Joey: Hey! How is New England not a state? Huh? They have a sports-team!
Chandler: Does South Oregon have a sports-team? (Joey strikes one from his list) There you go.
 [Cut to the girls in the kitchen.]
Rachel: (counting the place settings) How come we have one extra place setting?
Monica: 'Cause you invited your assistant.
Rachel: Oh, right. Sorry. But Tag's not coming; his girlfriend came into town, so he's spending Thanksgiving with her.
Monica: Oh! Why didn't you tell me? I made him his own individual sweet potato stuffed pumpkin.
Rachel: Well, I was going to, but then I figured, you know... you're food is so delicious and perfect, you can never have too many of those pumpkin things.
Monica: Now you think I wouldn't enjoy that, because it is so fake, (Laughs) but I still do.
Phoebe: Regular Celery! (Starts to write that on her list) Oh, I already have that. (She gets up and heads for her room)
Ross: Done! With time a-to-spare.
Chandler: Oooh that may be a New World's record (Looks at his watch and picks up Ross's pad)
Ross: You know, I hate to lecture you guys, but it's kinda disgraceful, that a group of well-educated adults and Joey can't name all the states. Did you ever see a map, or one of those round, colorful things called "a globe?" Hmm?
Chandler: Uh, Magellan? You got 46 states. (Smiles and hands Ross back his pad)
Ross: What? That's impossible.
Joey: 46. Wow! Who's well educated now, Mr. I-forgot-ten-states?
Monica: All right, I'm out of oven space. I'm gonna turn on Joey's. Please, watch him! Do not let Joey eat any of the food!
Chandler: I am only one man! (Monica heads out) Okay Ross, time is up!
Ross: No, just give me another minute.
Chandler: Look Ross, if you don't know them by now, you will never know them, okay? That is the beauty of this game. It makes you want to kill yourself.
Ross: This-this is crazy! I can do this! All right, uh, I bet I can get all 50 before dinner.
Chandler: Okay, but if you can't...no dinner!
Ross: You're on!
Joey: (gets up) All right. Don't look at my list, Ross, 'cause there's a lot on there that you don't have.
Monica: (entering, to Joey and Rachel) Hey, did you guys know, that your oven doesn't work?
Joey: But the drawer full of take-out menus is okay, right?
Monica: Ross, I'm gonna use yours, okay?
Ross: Pshhhhhh!
Monica: Chandler? Can you give me a hand? (Grabs her jacket)
Chandler: Sure, and Joey; do not let Ross look at any of the maps or the globe in your apartment.
Joey: Don't worry, Chandler, it's not a globe of the United States.
 [Chandler and Monica head out with some stuff. Phoebe comes out of her room with a bag.]
Phoebe: Hey you guys I'm gonna go out and take a walk.
Ross: Phoebe, why is your bag moving?
Phoebe: Oh, it's not!
Rachel: Seriously, it's moving!
Joey: What the hell is in there?
Phoebe: It's just my knitting that's all! (A dog sticks its head out of Phoebe's bag. Everyone looks puzzled.) Yes! I knit this. I'm very good.
 [Scene: Ross's apartment, Monica and Chandler enter.]
Monica: Ross's apartment is nice! How come we don't hang out here more often?
Chandler: I don't know. Maybe it's because it smells a little weird. It's like old pumpkins or something.
Monica: That's my pie!

Chandler: Which smells delicious!
Monica: Uh-oh! Uh-oh!
Chandler: What?
Monica: We left Joey alone with the food! (Walks towards the window and looks out) Yep! Yep, I knew it! There he is... feeding stuffing to a dog!
 [Scene: Monica, Chandler, and Phoebe's, Ross is still doing his list. Rachel and Joey are feeding the dog as the phone rings.]
Phoebe: (answering the phone) Hi Geller-Bing residence. How can I help?
Monica: Phoebe, why is there a dog in our apartment?
Phoebe: I'm sorry, who's this?
Monica: Phoebe, there's a dog sitting on my couch!
Chandler: Tell her, I'm allergic, and I will sue!
Phoebe: No, there's no dog here?
Monica: Yes there is! He's black and white and shaggy and [Cut to Monica's apartment] he's sitting next to Rachel and licking Rachel's hand.
Phoebe: Oh my god! Where are you? (Looks around.)
Monica: I'll be right there!
Phoebe: (Phoebe hangs up and someone knocks on the door. She gasps.) They're here already? How are they doing this?
Rachel: (gets up and opens the door) Hi Tag! What are you doing here?
Tag: I, uh, wanted to see if your offer to spend Thanksgiving with you is still good.
Rachel: Well, sure! Come in! (He enters) Well, what-what happened to your girlfriend?
Tag: We kinda broke up this morning.
Rachel: Oh, I'm sorry.
Tag: Yeah, so she went back to Ohio.
Ross: Ohio!! Thank you!
 [Time lapse, Chandler and Monica enter.]
Chandler: Huh! Where is the dog?!
Ross: What dog? There-there's no dog here.
Joey: Yeah that dog left!
Monica: (walks to Phoebe's door) Phoebe! Phoebe, open up!
Phoebe: There's no dog in here.
 [The dog barks.]
Chandler: Phoebe, we can hear the dog barking!
Phoebe: No that's just me coughing! (Doing some weird coughing noises and the dog barks again. Phoebe comes out of the room.) Oh, good, there you are! Listen, um, I have a dog in my room.
Chandler: What is it doing here?
Phoebe: Well, I'm watching it for some friends who went out of town. Wait. (She bends down, picks up the dog, and waves with one of its paws) Hello, my name is Clunkers. May I please stay with you nice people?
Monica: Oooh, I wish she could stay here, but Chandler is allergic!
Chandler: Extremely allergic, okay? If I'm anywhere near a dog for more than 5 minutes, my throat will just close up!
Phoebe: That's odd, 'cause this dog's been living here for the past 3 days
Chandler: (gasping) Really?
Monica: Chandler, if that dog's been here that long, and you haven't had a reaction, maybe you're not allergic to this dog?
Chandler: Well, it still has to go, right? Monica and Phoebe: Why?
Chandler: Okay, it's um...
Joey: (interrupting him) Don't do it!
Monica: Don't do what?
Chandler: (to Joey) I have to! Okay? It's time! (Joey shrugs as if to say, "Do what you have to do") Okay, I hate dogs.
All: What?
Phoebe: Are you crazy?
Ross: Are you out of your mind?
Phoebe: Why?
Joey: Told ya. (Waves bye-bye.)
Chandler: They are needy, they are jumpy, and you can't tell what they are thinking, and that scares me a little bit.
Ross: Right, they are scary. (He jumps up, screaming) Ahh, she just ate a treat out of my hand!!!
Rachel: Wait a minute. Do you not like all dogs? I mean, not even puppies?
Chandler: (scared) Is there a puppy here?
Tag: You don't like puppies?
Chandler: (to Tag) Okay, you are new!
Joey: Look, Chandler, I told you, never tell anyone about this dog thing. It's like Ross not likin' ice cream.
Phoebe: You don't like ice cream?
Ross: It's too cold.
Chandler: Okay, it's just that dogs make me a little uncomfortable.
Ross: (to Phoebe) It hurts my teeth.
Chandler: And I don't wanna say this, I don't you guys to hate me, but uh, I don't think, I can be around that dog anymore. Okay, so either the dog goes, or I go. (An awkward silence ensues.) Oh my god!!
 [Time lapse, Ross is still doing Chandler's game. Tag is heading for the balcony.]
Ross: How can I not get this? I'm a college professor; I got 1450 on my S.A.T.s.
Monica: 1250.
Ross: Damn, I forgot you were here.
Phoebe: All right. We're gonna take Clunkers to

Ross's. We'll be back in a minute. (Gets up with Monica to do so.)
Rachel: Oh, wait before you guys go, can I just ask you a question?
Monica: Yeah.
Rachel: When a guy breaks up with his girlfriend, what is an appropriate amount of time to wait before you make a move?
Phoebe: Oh, I'd say about a month.
Monica: Really? I'd say 3 to 4.
Joey: Half hour. (Rachel turns to look at him and he nods yes.)
Rachel: Interesting.
Monica: When it's your assistant, I would say never.
Joey: All right, Rach, the big question is, does he like you? All right? Because if he doesn't like you, this is all a moo-point.
Rachel: Huh. A moo-point?
Joey: Yeah, it's like a cow's opinion. It just doesn't matter. It's moo.
Rachel: (to Monica and Phoebe) Have I been living with him for too long, or did that all just make sense?
Monica: Please, don't listen to Joey, okay. Would you look at him? He-he's obviously depressed. He's away from his family; he's spending Thanksgiving with strangers. What he needs right now is for you to be his friend.
Rachel: You're right, I'm sorry. Thank you. Okay, that's what I'm gonna do.
Joey: Fine! Take their advice. No one ever listens to me. When the package is this pretty, no one cares what's inside.
 [Cut to the balcony, Tag is looking down while Rachel enters.]
Rachel: Hey!
Tag: Hey.
Rachel: How are you holding up?
Tag: Not bad.
Rachel: Yeah? I'm sorry about your girlfriend.
Tag: Thanks.
Rachel: So were you guys together a long time?
Tag: A year. On and off. I kinda thought we'd end up together. I don't anymore.
Rachel: Now that she broke up with you?
Tag: Yeah.
Rachel: Yeah. Hmmm.
Tag: It's weird. I always used to assume, that I would meet someone and fall in love and be happy and all that was just a given. But lately it's like what if it's not. Do you ever have that feeling?
Rachel: No...Yeah, all the time, constantly. It's terrifying. But you know that I figure it...it has to work out.
Tag: Why?
Rachel: Because, uh—it has to.
Tag: You have all the answers, don't you?
Rachel: Yeah, I know, I do. I really do.
Tag: Hey, thanks for talking to me.
Rachel: Well, what is a boss for? Hug it out! (They hug)
Joey: (through the window) All right, he likes you back! Huh? Told ya, you should go for it!
Tag: What?
Joey: (realizes what he said) Street noise drowned any of that out? (Rachel moves madly towards him) No, all right, I see you later, okay... (Turns away embarrassed)
 Commercial Break
 [Scene: The Balcony, continued from earlier.]
Tag: What did Joey say? I like you back?
Rachel: Uh, yeah, well, see, he... Joey knows, that I'm-I'm very insecure about my back and, and...you're hugging me, so obviously you are not repulsed by it, yeah!
Tag: Wait-wait a minute: that doesn't make any sense.
Rachel: No? (He shakes his head) All right, here's the truth um, Joey said what he said, because um, I'm attracted to you.
Tag: Wow. (He starts to walk towards the railing.)
Rachel: Yeah, I admit it. I have a crush on you, and uh, and, and I know that's crazy because we work together, and-and nothing could ever happen, and the last thing I want to do is-is to freak you out or make you feel uncomfortable. Which is why it would be really great if you said something right about now.
Tag: (looking at the street) Oh my god! Those guys are stealing my car! (He points down to the street)
Rachel: What?
Tag: Right there! That's my car! (Sound of a breaking car-window) Hey!!
Rachel: Okay, that's gonna take them a minute. Do you have anything else you wanna get off your chest?
Tag: I can't believe this! (He walks back in again)
Rachel: (she hurries after him) Wait, we still have time to talk and they're-they're not even in the car yet! (She takes a quick look down the street.) Oh look, there they go, okay. (She hurries in, too)
 [Scene: Ross' apartment, Monica and Phoebe sitting on the floor next to Clunkers basket.]
Monica: Okay Phoebe, we should probably go back now.
Phoebe: (doing Clunkers) Please don't leave me, I'll be lonely.
Monica: Stop it. Stop! Okay let's go. We can be strong.
Phoebe: Yeah, okay.
 [They both get up and head for the door. Clunkers whines a little]
Monica: Oh my god! Did you hear that? She said Monica! (She goes back to Clunkers again) Oooh, I can't leave her!
Phoebe: You know if you want, we can sneak the dog back in and Chandler wouldn't even know.
Monica: That's not gonna work.
Phoebe: I've had that dog there for three days and Chandler had no idea. He's not so smart.
Monica: Hey! I didn't know either.
Phoebe: Yeah, but you kinda knew that something was going on, didn't you?

Monica: Yeah, I knew.
 [Scene: Monica, Chandler, and Phoebe's. Ross lays a lot of small papers, shaped like the U.S. states onto the floor making a map with the states. Phoebe enters]
Phoebe: Where's Chandler?
Chandler: (comes out of the bathroom) Here I am.
Phoebe: Wash your hands!!!
Chandler: How did you...know? (Heads back into the bathroom)
 [Phoebe waves Monica in. Monica sneaks in with the bag with Clunkers in it and heads for Phoebe's room.]
Ross: Hey! What's she doing back here?
Monica: Relax, Ross. She's not made of ice cream!
Ross: Hey look, Phoebe. I, uh, I laid out the states geographically...
Phoebe: (interrupts him) No, no, we don't really have time for this right now. Okay, we have to keep Chandler away from my bedroom.
Ross: Yeah, but, but look what I'm...
Phoebe: See, this is exactly what we do not have time for. (She rushes into her room)
Chandler: (comes out of the bathroom) Where's Monica?
Ross: Um, in Phoebe's room. You can't go in there.
Chandler: Why not?
 (We can hear the dog whining at a high pitch.)
Ross: Monica's crying. She's very upset about this whole Clunkers thing.
Chandler: Well, I, I should go in there.
Ross: No. No, no. She doesn't want to see you right now.
Chandler: Why not?
Ross: Because you sent away the dog!
Chandler: This is ridiculous. (He heads for Phoebe's bedroom)
Ross: Oh, is it? **Is it?** Look, when Monica and I were kids, we had a dog named Rover. And, uh, one day, my dad decides, he doesn't like dogs. So Monica and her friend...Phyllis...take away the dog. And that was the last time we ever saw him. Don't you see? This is just like that. Only with a few details changed.
Joey: (entering) Okay, I'm in my sweat pants. Bring on the food! (Sees that Chandler has a worried look on his face) What's the matter?
Chandler: Monica's all upset, because I sent Clunkers away.
Joey: So? Bring the dog back, you're a hero.
Chandler: Yeah, I can be a hero, I could do that. I could, I could do... I, w-w-what if, what if it attacks me?
Joey: Chandler, it's like a big gerbil.
Chandler: And that doesn't scare you? (He walks out)
Joey: Ross, you need some help?
Ross: From you? (He does a weird desperate laughter, like he's almost crying) Yes, please!
Joey: (sits down next to Ross) First of all, Utah? Dude, you can't just make stuff up!
 [Time lapse, Ross still laying a lot out the states.]
Ross: I hate America! When I finish this game, I swear I am moving.
 [Joey stands up again. Rachel enters the door]
Joey: Hey! Tag's still talking to the police.
Rachel: Yeah, ohh! Why, damnit, why did I open my mouth? (In a girlish voice) I have a crush on you; I am attracted to you. (Back to normal again) Gee, I-I know that I freaked him out
Joey: If you said it like that, you probably did, yeah. [Rachel walks past Joey towards the couch]
Phoebe: (opens her bedroom door and peeks out) Hey, is Chandler here?
Chandler: No, no he went for a walk.
Phoebe: Okay, but you cannot tell him... but look whose back!
 [The dog barks, runs out of Phoebe's room and jumps onto the couch]
Rachel: (gasps) Hi!
Joey: Oh No-no-no-no-no-no! He went over to Ross' to bring the dog back here!
Phoebe: Oh no, the dog's not going to be there!
Joey: You think?
 [The door opens and Chandler comes in. Rachel covers the door with a blanket]
Monica: Hi, honey.
Chandler: Please, please, please, don't be mad at me.
Monica: What? Why, why would...
Phoebe: (interrupts her, to Monica) Shh, wait and see. Maybe we will, maybe we won't.
Chandler: Okay, I went over to Ross' apartment to bring back Clunkers. Y'know, for you, and... (Clears his throat) I left the door open and she must have gotten out and I looked everywhere, all over the apartment, including the roof, which FYI Ross, one of your neighbors, growing weed. I couldn't find him, and I am so, so, so, sorry. **But** I do know where we could go ease the pain. (Points up and then over to the street)
Phoebe: We have good news, look whose back!
Rachel: (uncovers the dog) Hi!
Chandler: Clunkers?! Oh my god!
Monica: That's right, she came back all by herself.
Phoebe: It's a Thanksgiving miracle!
Chandler: (to Clunkers) It is so good to see you!
Phoebe: Yeah, she came all the way back from Ross' building. Oh, the things she must have seen! And then she climbed up the fire escape and she tapped on the window with her teeny little paw and then we ran to let her in... (Realizes, that Chandler starts to not believing her) I went to far, didn't I? When should I have stopped?
 [Time lapse, after dinner. Ross stands up from his self-made map.]
Ross: Okay, maybe this is so hard, because there

aren't 50 states. Let me tell you something, I have 49 states, and there are **no** more! I-I think, I should be able to eat something.

Chandler: It's up to you.
[Ross whines and starts working again. The door opens and Tag enters.]

Rachel: Oh, hi! How are you doing?

Tag: I'm okay. I gotta go down to the police station and look at mug shots.

Rachel: Oh.

Tag: Thanks for having me over, you guys.

Ross: Tag? Y-You're going? (Comes over to Tag) Uh we didn't, uh we didn't get the chance to talk. Uh, so, where did you say you're from again?

Tag: Colorado.

Ross: Ah, what good are you. (Walks back to his map dejectedly.)

[Rachel and Tag go into the hall.]

Rachel: Look, um, I think we should talk about what happened on the terrace.

Tag: Okay.

Rachel: Ah, I-I never should have said what I said. It—y'know what? It just doesn't matter how I feel. I mean we work together, so nothing could really ever happen between us, and what I would love is just to go to work on Monday, and-and never talk about this again, okay? **Big day Monday lots** to do. So, we're okay?

Tag: Um, I'm not.

Rachel: Oh, god, I know it, that I freaked you out.
Tag: No, you didn't. The only thing that freaked me out was you saying that nothing could ever happen between us.

Rachel: Really?

Tag: Yeah, so, please don't fire me for doing this. (He kisses her)

Rachel: Okay, well, that's one less thing we have to do on Monday.

Ending Credits

[Scene: Monica, Chandler, and Phoebe's, later that night, there is someone knocking on the door and Chandler stumbles out into the living room, turns on the light, looks through the peephole, and opens the door.]

Ross: Delaware! (Starting to cry.) Delaware!

Chandler: All right.

Ross: (hands Chandler his pad and walks in) I want my turkey now!

Chandler: You got it. (Starts looking at the pad, while Ross got the turkey out of the fridge and starts to unwrap and it) You got Nevada twice.

Ross: (pauses) I know.

Chandler: Yeah. (Throws the pad on the table and heads for the bedroom)

709 The One With All The Candy

[Scene: Central Park, Ross is teaching Ben how to ride a bike. Chandler, Monica, and Phoebe are they also.]

Ben: (on the bike) I'm ready!

Ross: You sure?

Ben: Uh-huh!

Chandler: Okay, let me just straighten out your helmet there. (Does so.)

Ben: (To Chandler) Thanks daddy.

Ross: No-no, one daddy, two **mommys**. All right, it's all yours. (Ross pushes him off.)

Chandler: Okay. Okay.

Ross: Yes! Yes! Yes!! (Everyone stands and claps.)

Phoebe: His first big kid's bike, this is so exciting!

Monica: Oh yeah, I remember mine! Ohh, it was my sixth birthday, my dad took me to the park, I got it, and...it bent.

Ross: Yeah.

Phoebe: I never had a bike of my own.

Ross: (shocked) What?!

Phoebe: Well, we didn't have a lot of money. But the girl across the street had the **best** bike! It was pink and it had rainbow colored tassels hanging off the handle grips, and-and-and a bell and this **big**, white wicker basket with those plastic daisies stuck on.

Chandler: That sounds like my first bike. (They all turn and look at him.) My dad gave me his old one.

Ross: Ohh.

Monica: Did the girl ever let you ride it?

Phoebe: No! But she gave me the box that it came in. It had a picture of the bike on the front. (They're all speechless) So I would sit on it and my step-dad would drag me around the backyard.

Ross: That is so unfair!

Phoebe: Not really, I got to drag him around too! (They all nod, "Oh.")

Opening Credits

[Scene: Monica, Chandler, and Phoebe's, Monica is cooking, Joey is eating, and Chandler is entering from the bedroom.]

Chandler: Hey! What are you guys doing?

Joey: Hey.

Monica: Making holiday candy for the neighbors.

Chandler: I'm sorry, who?

Monica: I'm gonna hang this basket (Points to the one sitting on the table) on the door and when the neighbors walk by they can all take a piece.

Chandler: But we don't know the neighbors.

Joey: I do. There's uh, let's see, Guy With a Mustache, Smokes-A-Lot Lady, Some Kids I've Seen, and A Red-haired Guy Who Does Not Like To Be Called Rusty.

Monica: See? This is **exactly** why I'm making this candy. We can learn their names and get to know our neighbors.

Chandler: Wouldn't it be easier if we just moved?

Rachel: (entering, happily) Goodoo morning!!

Chandler: Eh, somebody's in a good mood!

Rachel: Well, why shouldn't I be? I have great friends! I have a wonderful job!

Monica: Where you can make out with your assistant.

Rachel: Come on, it's not a big deal! We stayed up all night coming up with a plan so that us dating will not be a problem.

Monica: Oh yeah, what's the plan?

Rachel: (pauses as she thinks and exhales loudly) We... We are not... ..going to let it... be a problem.

Monica: Wow! It took you all night to come up with that plan?!

Rachel: Well y'know, we did other stuff too. (Joey and Chandler start to giggle.)

Monica: Did you two...?

Rachel: Oh Monica come on, y'know I don't sleep with guys on the first date!

Monica: Matt Guire, Mark Lynn, Ben Wire...?

Rachel: Anymore!!

Monica: Okay.

[Scene: Rachel's Office, she's at her desk while the mailman delivers her mail and calls Tag in.]

Rachel: Hi. Tag, I have a conference call today is that correct?

Tag: Yes, at 4:00.

Rachel: Okay, thank you. That'll be all. (The mail guy leaves and Tag starts to follow, but Rachel stops him.) (Excitedly) Wait! Wait! (Rushes over and closes the office-door.) Did you see that? That mail guy had no idea there was something going on between us. (They kiss.)

Tag: I'd better get back to my desk.

Rachel: Okay, you hard worker! I'll remember to put that in your evaluation.

Tag: My what?

Rachel: Well, you've been here for two months now and your boss is required to hand in a performance evaluation. But y'know, there is one thing that I have yet to evaluate. (She turns around and sweeps the stuff off of her desk and hops up onto it.)

Tag: Are you serious?

Rachel: No, I've just always wanted to do that. Can you help me clean this up?

[Scene: The Hallway, Monica and Chandler are returning and Monica finds her basket is empty.]

Monica: The basket is totally empty! My God, the neighbors ate all the candy!

Chandler: Well, either that or uh...(Motions towards Joey's door.)

Monica: Joey!!

(She storms into his apartment to find him with a towel around his shoulders, a bowl on his head, and Phoebe with scissors in her hand.)

Joey: Yeah?

Monica: Did you eat all the neighbor candy?!

Joey: Uh well yeah, that was the plan, but by the time I got to it there was only a couple of pieces left!

Phoebe: Yeah, and they've been coming by all day. They love it!

Monica: They love my candy? Oh man!!! I've gotta go make more!! (Starts to do so.)

Joey: Hey Mon, you might wanna make some more lasagna too, because something might've happened to a huge chunk of it.

(Ross enters.)

Monica: Ross! The neighbors ate all my candy!!

Ross: Mine stole my newspaper! It's like a **crime wave**!! (Monica runs to make more candy.) Pheebs, you uh, you got a second.

Phoebe: Sure!

Ross: Yeah, ever since you uh, told me that story about that bike I-I couldn't stop thinking about it. I mean, everyone should have a **first** bike, so... (He goes out into the hall and re-enters with a bike exactly like the one Phoebe described earlier.)

Phoebe: (gasps) Oh my God Ross!!

Ross: You like it?

Phoebe: I love it!!

Ross: Yeah?

Phoebe: Ohh!! Ohh!! And I **love** you!

Ross: Ahh.

Phoebe: Not that way! But the bike brought you a lot closer!

Ross: Ah! (She hugs him.) Well uh-uh, t-take it downstairs, y'know give it a test ride.

Phoebe: Okay! Oh my God! My first bike! Thank you for the best present I've ever gotten.

Ross: (stunned at the complement) You're welcome.

Phoebe: (starts to leave, but stops) Oh and Chandler's about to cry.

Chandler: (about to cry) Am not!

[Scene: Monica, Chandler, and Phoebe's, the middle of the night, there is someone knocking on the door and Monica and Chandler get up to answer it.]

Monica: (turning a light on) Who is that?!

Chandler: Don't worry, I'm brave! I am brave! I...I am brave! (They get to the door and Monica goes to open it.) No-no-no-no!! (He stops her.) (Through the door.) Can you tell me who is there please?

The Knocker: My name is Gary, I live upstairs.

(Monica opens the door.)

Gary: Hi!

Monica: Hi. Do you know what time it is?

Gary: It's candy time! My roommate says that they taste like little drops of heaven.

Monica: Oh please! (To Chandler) Did you hear that? Little drops of heaven.

Chandler: (laughs) 4:00 A.M.

Gary: So, can I get some candy?

Chandler: I am sorry, but some of us have to get up early and go to work! (Monica looks at him) (To Monica) He does **not** know that I am not some of us.

Monica: Umm, listen I am sorry, but I'll put some out first thing in the morning.

Gary: Well okay, I'll swing by later. Do you live in this building?

Monica: Um-hmm.

Gary: (looking at Monica.) Mm! Seems like I would've remembered you!

Chandler: Mm! Night Gar! (Monica closes the door.)

[Scene: Rachel's Office, she's slinking out to where Tag works and checks to make sure no one is coming.]

Rachel: (hugging him) So did you read your evaluation yet?

Tag: No! It was marked confidential I just sent it down to Human Resources.

Rachel: (worried) Okay please, you're kidding right?! I wrote that one as a joke for you!

Tag: A joke they would appreciate?

Rachel: I'm thinkin' no.

Tag: What did you say?!

Rachel: Umm, I said I thought you were a good kisser, and uh, and that I like your tinea-tiny touchie.

Tag: No, not my touchie.

Rachel: Well, it gets worse. When asked if you take initiative I wrote, "Yes, he was able to unhook my bra with minimal supervision," and under Problems with Performance I wrote, "Dear God, I hope not," and then uh, then I drew a little smiley face, and then a small pornographic sketch.

[Scene: Central Perk, Joey, Monica, Ross, and Chandler are watching Phoebe polish the daisies on her bike outside.]

Monica: Ross! That is so sweet of you to get Phoebe that bike! When I heard the story, I almost cried.

Joey: Almost cried huh? Hear that Chandler? Almost cried!

Chandler: Hey, you cry every time somebody talks about *Titanic*!

Joey: (about to cry) Those two only had each other!

Ross: Phoebe really likes the bike huh?

Monica: Oh yeah! I saw her walkin' it down the street the other day. She had uh, these flowers in the basket. It was so cute.

Joey: Yeah, I saw her this morning walkin' it by the park.

Ross: Wait a minute, she was walking the bike? Both times?

[Cut to outside, they're going to talk to Phoebe about walking the bike.]

Joey: Hey Pheebs?

Phoebe: Oh hi!

Chandler: Hey! So are you enjoying the bike?

Phoebe: Ohh, uh-huh so much!

Ross: Pheebs you uh...you do know how to ride a bike don't you?

Phoebe: Of course!

Monica: Umm, can we see you ride it?

Phoebe: Okay. (The gang is giggles then Phoebe gets the bike out of the rack, gets on, pushes off, rolls a few feet, and falls over.) See?

Commercial Break

[Scene: Monica, Chandler, and Phoebe's, Monica is making candy while Chandler and Rachel are taste testing and Joey is on the couch doodling.]

Monica: See, this is why I told you never get involved with your assistant! And here is no such thing as keeping secrets when it comes to affairs. (To Chandler) Did you hear that Chandler? No such thing!

Chandler: (with his mouth full) What happened? I'm just eating candy.

Rachel: Maybe it's not as bad as I think. Y'know, maybe they didn't take it the way I meant it.

Chandler: Absolutely! Y'know, because touchie can mean both ass and good worker.

Rachel: Ugh, I just gotta get the thing back!

Joey: Hey Rach?

Rachel: Yeah?

Joey: That sketch you mentioned? Might it have looked a little something like this? (He shows her what he's been drawing.)

Rachel: Oh my God! Joey!

Chandler: What is the matter with you?

Rachel: Ugh!

Joey: Boy I tell ya, this little talent came in handy before I could afford porn.

(There is a knock on the door and Monica answers it. There is a woman standing there.)

The Woman: Hi! I'm sorry, I know it's after hours but I really need candy.

Monica: I'm sorry, I can't help you. See? (Points to her new sign.) Rules are rules.

The Woman: Please! I have people coming from out of town today! And, I told them all about your candy!

Monica: No kidding, out of towners huh? What did you tell 'em?

The Woman: I told 'em your candy is absolutely indescribable!

Monica: Some people have been saying its y'know little drops of heaven, but whatever.

The Woman: Please, can't you help me out?

Joey: (watching the discussion) Hey Chandler, do we know that lady?

Chandler: Maybe, isn't she the woman who lives below you and has sex really loud?

Monica: (still talking to the woman) All right, I'll do it just this once! But you can't tell anybody!

The Woman: (exasperatedly) Yes! Yes! Please, just give it to me!

Joey and Chandler: Yeah, that's her.
The Woman: (after Monica gives her the candy) Thank you.
Monica: (closing the door) It's unbelievable! I-I can't believe that sign didn't work!
Chandler: Y'know what would work?
Monica: Hmm?
Chandler: Stop making candy!
Monica: But they like it!
Chandler: You mean they like you.
Monica: Maybe.
Chandler: Is that why you became a chef? So that people would like you?
Monica: Oh, you really want to talk about getting people to like you huh, funny man? (Joey laughs but stops when Chandler turns to glare at him.) [Scene: Central Park, Ross is teaching Phoebe how to ride her bike.]
Ross: Okay, now just remember everything I taught you and you'll be fine. Okay? Here we go. Ready...Set...
Phoebe: (hopping off the bike) Wait! This seat is really uncomfortable! Yeah, maybe before we start we should just get another one. Perhaps, like an airplane seat—or a beanbag chair!
Ross: Phoebe, you can't get out of this! Okay? You **have** to learn how to ride a bike!
Phoebe: Why? Why do I **have** to learn?
Ross: Well...in-in case of emergency.
Phoebe: What kind of an emergency?
Ross: Well let there—what if a man comes along and puts a gun to your head and says, "You ride this bike or I'll sh...I'll shoot you."
Phoebe: Okay, I would ring the bell to distract him and then I would knock the gun out of his hand with a Chinese throwing star.
Ross: Okay, Phoebe just just get-get on the bike and—Hey! I'll hold you up and-and push you. Okay?
Phoebe: You won't let go?
Ross: No!
Phoebe: Swear?!
Ross: I swear!
Phoebe: (thinks it over) Okay.
Ross: Come on. (She gets on the bike.) All right, here we go. All right? (They start.)
Phoebe: All right.
Ross: All right. Feel good?
Phoebe: Well...
Ross: All right, try pedaling.
Phoebe: Okay. (Does so.)
Ross: That's it, your doing great.
Phoebe: Okay.
Ross: Doing great! Yes-yes-yes! Take control! Yes!
Phoebe: Weee!!! (Ross pushes her and lets go.)
Ross: Yes!! Yes!!! (He starts clapping and Phoebe turns around to look at him and falls off the bike.)
Phoebe: Oh! Oh! Oh no!! You swore!
Ross: I-I just thought you were doing so well. I...
Phoebe: I am shocked! Shocked!! (She storms off leaving Ross to defend himself from the angry looks from onlookers.)
Ross: It's a legitimate learning technique. (Looking around and seeing the woman behind him glaring at him.) Wow!
 [Scene: Monica, Chandler, and Phoebe's, Monica is making candy like mad as Ross enters.]
Ross: Hey, there's uh, some people outside, askin' about candy.
Monica: Well, they're just gonna have to wait aren't they? I've only got two hands!!
Ross: Need some help?
Monica: No! You don't know the system! There'll be nobody messing with the system!
Ross: By the way, the week before your wedding you may not see a lot of me. (She glares at him and he quickly makes his way to Phoebe's room.) [Cut to Phoebe's room, Phoebe has put her helmet on one of her teddy bears and is playing around with it. Ross knocks and pokes his head in the door.]
Phoebe: (seeing him) Oh, hello liar.
Ross: (entering) Look, I-I'm really sorry I let go of the bike.
Phoebe: I could've been killed I hope you know!
Ross: I know. I know. But, can we please try it again? Huh? I mean, you were so close Phoebe!
Phoebe: Well, I would love to but...the bike got stolen and the police have no suspects. (Ross just happens to have his hand on a sheet that is covering something that suspiciously looks like a bike.)
Ross: Phoebe.
Phoebe: What?! (Ross rings the bell.) What the hell?!
Ross: All right, y'know what? If you are not going to learn how to ride this bike then I'm sorry, I'm just gonna have to take it back.
Phoebe: What?! Why?!
Ross: Because! Because, it-it-it's... It'd be like you having this guitar (Points to hers) and-and never playing it. Okay, this guitar **wants** to be played! And-and this bike wants to be ridden and-and if you don't ride it you-you're-you're killing its spirit! (Pause) The bike is dying.
Phoebe: All right. If you care enough to make up that load of crap, okay.
Ross: Great! Great! (He runs to the door.) You're making the bike very happy.
Phoebe: (sarcastically) Okay Ross! (Ross exits

and she says quietly to the bike) Please don't die!
 [Scene: Rachel's office, Tag and her are planning how to get the review back.]
Rachel: Okay, I think we can get the evaluation back before they see it, but we're gonna have to get into Mr. Zelter's office. Now, he doesn't get in until 10, so he's no problem, but his assistant, Betty, she comes in early to eat her breakfast at her desk.
Tag: That's kinda sad.
Rachel: Yeah, well Betty's kinda sad. Which is why I believe I can lure her away with these chocolates. (Holding up the box of chocolates.) Now, while I distract her, **you** get in the office.
Tag: Got it!
Rachel: Let's roll!
 (They start towards the door but are stopped when Mr. Zelter enters.)
Mr. Zelter: Hello Rachel, you uh, got a minute?
Rachel: (worried and shocked) Yeah, sure Mr. Zelter, for you anything—minute. Okay. Fine. (To Tag) Abort the plan, abort the plan. (She start to usher Tag out.)
Mr. Zelter: Uh actually, I'd like to speak with both of you.
Rachel: Okay. Uh, well can we, can we get you anything Mr. Zelter? Maybe some chocolates? (Holds up the box.)
Mr. Zelter: Umm, no. Thanks, but I'll give these to Betty. (Rachel glances at Tag to say, "See?") So I read your evaluation of Tag, or to use his full name, Tag Sweetcheeks Jones. Is something going on with you two?
Rachel: (laughs) Oh my God. Can you imagine if there was?! I mean, (getting serious) what would happen exactly.
Mr. Zelter: Well, I'd be forced to file a report. I'd have to consult with the legal department, and your future at the company would be in jeopardy.
Rachel: Well...
Tag: (interrupting) Uh Mr. Zelter, I'm the one who filled in that evaluation.
Rachel: Oh no-no-no...
Tag: (interrupting again) Yeah-yeah-yeah-yeah-yeah, I thought it would be funny.
Mr. Zelter: You wrote that you have a cute touchie?
Tag: (pause) Yes. I have a **weird** sense of humor, and I'm kinda strangely proud of my butt.
Mr. Zelter: It's kind of a risky joke Tag, and what is-what is this drawing I can't figure out what this is?
Rachel: You're lookin' at it upside down—y'know what? (Grabs the evaluation and throws it out.) It doesn't matter.
Mr. Zelter: Yeah, it's not like I don't have a sense of humor, huh? Hell, I even enjoy a naughty limerick now and then. But there's a time and a place, huh?! Unless you uh, have a limerick right now? (They both nod no.) No? Okay, well uh, you've (Grabs the chocolates.) got my fax number. (Exits.)
Rachel: Whoa! I can't believe you did that. That was really sweet.
Tag: No, don't worry about it.
Rachel: No, you could've lost your job.
Tag: Are you kidding me?! With a cute butt like this, I'd find work.
Rachel: Thank you! You're great! (They kiss.)
Tag: Y'know what?
Rachel: What?
Tag: I feel great. (Rachel laughs) In fact! (Walks over to her desk, sweeps its contents onto the floor and Rachel just glares at him.) What?
Rachel: I... It just—it took me so long to get that desk organized.
Tag: Oh, I'm sorry. (He bends over to pick the stuff up.)
Rachel: (looking at his butt) There it is. (They hug.)
 [Scene: The Hallway, Chandler is returning from work to see the hallway jammed full of people waiting outside their door.]
Chandler: (asking a man leaning against the wall) What is going on?
The Man: We're waiting for the candy. (Yelling at the door.) Bring out the candy!
Joey: Yeah lady! Give us candy!!
Chandler: Joey!
Joey: What's up buddy?
Chandler: What are you doing?
Joey: Waiting for candy.
Chandler: Get in here! (They head for the door and Chandler sees Smokes-A-Lot Lady standing next to the door and smoking, to her) Hey, and you can not smoke in here! (Takes the cigarette and takes a drag for himself.) (Exhaling in ecstasy) Merry Christmas.
Monica: (opening the door and frantically) Okay, guys! The candy is coming; I just need another 15 minutes for the chocolate to cool!
All: We want candy! We want candy now! (And other general commotion sounds.)
Chandler: All right everybody! Just be quiet! Be quiet! Be quiet!! Pipe-pipe-pipe down! (They settle down) What is the matter with you people?! This woman was trying to do a nice thing for you. She was making candy so she could try to get to know all of you, and I'll bet that not one of you can tell me her name! Am I right?
The Man: (from earlier) Candy Lady?
Chandler: No not (imitating) Candy Lady.
Joey: (stepping in and knocking the man over) Hey, if we know it can we have candy?!
Chandler: All right, y'know what? Forget it, all of you forget it! You've ruined it! Go home! You've ruined it! You've ruined it!
Joey: That's right, it's all ruined! You guys ruined everything! You ruined it! (Steps into the apartment and Chandler closes the door.) (Joey struts over to the candy and starts eating it.)
Monica: (To Chandler) Thank you.
Chandler: You're welcome. (They kiss.)
Monica: Did you smoke?

Chandler: No! Smokes-A-Lot Lady blew smoke directly into my mouth. Eh—uh—are you okay?
Monica: I'm fine now, but it was really scary there for a while. I mean, someone slipped a-a threatening note under the door.
Joey: (with his mouth full) Oh yeah, sorry about that. Mob mentality or whatever, I don't know... (Grabs the note.)
 Ending Credits
 [Scene: Central Park, Phoebe is now riding her bike with ease and stops in front of Ross. They both giggle.]
Phoebe: I can't believe it! I did it! I rode a bike! I never thought I'd be able to do that! Thank you Ross.
Ross: Oh hey, don't thank me, thank yourself. You're the one who faced her fears and ultimately overcame them.
Phoebe: Don't be so corny Ross, it's not an after-school special. (She rides off and the camera pans down to reveal two shiny, silver training wheels firmly attached.)
 End

710 The One With the Holiday Armadillo

[Scene: Monica, Chandler, and Phoebe's, Chandler is on the phone, Rachel and Monica are sitting in the kitchen.]
Chandler: Buh-bye. (Hangs up the phone) I just got us reservations at Michelle's and tickets to the *Musicman* to celebrate our first holiday season as a betrothed couple.
Monica: Betrothed... (Corrects him)
Chandler: ...betrothed couple.
Phoebe: (entering carrying a skull) Hey!
Chandler: Hey!
Rachel and Monica: Hi!
Phoebe: Haaaa... (Puts the skull on the table) ... ahhhh!
Chandler: Pheeb's?
Phoebe: Huh?
Chandler: Skull?
Phoebe: Oh, yeah, it's my mom's.
Rachel: (freaking out) Oh my god!!
Phoebe: No, no, no. It's not! It's not my mom. It belonged to mom. Yeah, no, she used to put it out every Christmas to remind us, that even though it's Christmas, people still die. And, you can put candy in it. (She grabs the skull, pulls out a stick of licorice, and takes a bite.)
Ross: (entering) Hey!
All: Hey!
Monica: (Offering Ross the skull) Licorice?
Ross: (Thinking it over) Sure! (Takes one) Hey, I just found out, I get Ben for the holidays this year.
All: Ohh! That's great!
Monica: Are you gonna dress up as Santa?
Ross: Nope. I mean, I know Susan does every year, but I think I wanna take this year to teach him all about Hanukkah.
Phoebe: And maybe I could teach Ben about the Christmas skull and how people die.
Rachel: You may need to use this year to teach Ben about Phoebe.
Ross: Hmm.
 (Joey comes out of the bathroom reading a newspaper)
Joey: Hey. (He exits)
Rachel: (to Monica) Did you know he was in there?
Monica: No.
Chandler: How long have we been home?
Monica: About a half an hour.
Chandler: Lovely!
 Opening Credits
 [Scene: Central Perk, Chandler is getting a cup of coffee and sits down next to Monica.]
Chandler: Hey, you know what I was thinking? When we get married, are you gonna change your last name to Bing?
Monica: No.
Chandler: Why not?
Monica: Bing's weird.
Phoebe: (entering) Oh, hey, you guys!
Chandler: Hey!
Monica: Hey!
Phoebe: Hey. Guess what! My landlord just called and my apartment is gonna get ready soon, so I guess I'll be moving out.
Monica: Ahh, Phoebe, I'm gonna miss you!
Phoebe: Yes, you will be very sad. All right, well I gotta go tell Rachel the good news.
Chandler: Ohh! You guys gonna be living together again?
Phoebe: Yeah, why not?
Chandler: Well, she's just so much fun with Joey, I just assumed, she'd still be living with him.
Phoebe: Why do you think, she's having so much fun living with Joey?
Chandler: No reason, except...she...told...me.
Phoebe: Really? So she said, she didn't wanna live with me anymore?
Chandler: No! No, she didn't say that. I-I-I think you should talk to Monica now.
Monica: Phoebe, don't worry about it. I'm sure she wants to live with you.
Phoebe: You're sure? You're absolutely sure?
Monica: Well, no. But, um, I bet she probably does.
Phoebe: Probably? Yeah, I don't like that word. (Chandler and Monica look surprised) Kind of what 'probably' really means. Yeah, uh-huh. Yeah, oh, "Your mom probably won't kill herself," y'know? I'm sorry, but I'm not hanging all my hopes of Rachel and I living together on-on "Probably!" Y'know? You gotta take

care of yourselves! (She starts to walk out) In this world history teaches us nothing! (Exits)

Chandler: Bing doesn't seem so weird now, does it?

[Scene: Joey and Rachel's, Joey is sitting behind a red drum set.]

Rachel: (entering) Hey!

Joey: Hey! Great, you're home! Guess what Phoebe got me for Christmas! (Starts drumming.)

Rachel: Drums?

Joey: (yelling) No! Drums!

[Scene: *Michelle's*, Chandler and Monica enter.]

Chandler: (to the Maitre d') Hi, could we get two burritos to go, please? (Laughs.)

Monica: I'm sorry. But not that sorry, 'cause you don't have to live with it. Um, we have a reservation under the name Chandler Bing.

Maitre d': Oh-kay, we'll have a table for you in about 45 minutes.

Chandler: Forty-five minutes? We have tickets to the *Musicman* at 8:00.

Maitre d': I'm sorry. Christmas is a very busy time, sir.

Chandler: Is this because of the burrito thing?

Monica: (pulling Chandler away from the Maitre d') You need to give him money.

Chandler: Give him money? It was a joke!

Monica: No, to get a table! Places like are always shakin' you down. Everybody wants to be paid off.

Chandler: Right, calm down, O'Mally. I'll slip him some money.

Monica: You've got to be smooth about it.

Chandler: Hey, I can be smooth. (Walks back to the Maitre d', very smoothly) Listen, we're a little bit in a hurry, so, if you can get us a table a little quicker, I'd appreciate it. (Shakes his hand)

Maitre d': Of course, sir.

Chandler: Okay. (Walks back to Monica)

Monica: How did it go?

Chandler: Had the money in the wrong hand. (Shows her his left hand with the money in it)

[Scene: Ross's apartment, Ross is whirling Ben around.]

Ross: Woooooo, hehehe. Hey, ahh, you don't feel like you're gonna throw up, do ya?

Ben: No.

Ross: Well, I do, so let's... (Ben and Ross sit down on the couch) So, Ben, you uh, you know what holiday is coming up, don't ya?

Ben: Christmas.

Ross: Yep, and you know what other holiday is coming up?

Ben: Christmas eve.

Ross: Yes, but also (Pauses to let Ben answer, but he doesn't.) Hanukkah! See, you're part Jewish, and-and Hanukkah is a Jewish holiday.

Ben: Santa has reindeers that can fly!

Ross: Right, um, but, on Hanukkah, Hanukkah is a celebration of a miracle. See, years and years ago there were these people called the Maccabees.

Ben: (singing) Jingle bells, jingle bells...

Ross: (interrupts him) Okay, that's right, yes, but on Hanukkah, uh, we sing, uh (Sings) *Dreidel, dreidel, dreidel, I made you out of clay*.

Ben: (singing) Rudolph, the red-nosed reindeer...

Ross: (interrupts him again) Okay, it's not a contest.

Ben: When is Santa coming?

Ross: Well, how about this year, instead of Santa, we have fun celebrating Hanukkah?

Ben: No Santa? Was I bad?

Ross: No! Oh, no-no-no. Hey, you weren't bad, you've been very good, Ben.

Ben: Santa's mad at me.

Ross: No, hey-hey, come on, (He grabs Ben and sits him on his lap) Ben, Santa is not mad at you, okay? Hey, you're-you're his favorite little guy!

Ben: So Santa's coming?

Ross: (disappointed) Yes! Santa's coming!

[Scene: *Michelle's*, Chandler and Monica are discussing how to bribe the Maitre d'.]

Monica: It's easy! Just keep it casual! Give him a kind word, shake his hand and give him the money!

Chandler: How do you know so much about this?

Monica: I don't know.

Chandler: Richard used to do it, didn't he?

Monica: We'd be eating our soup right now.

Chandler: Mustached bastard...

Monica: (sees two people exit) Okay, those people just left, come on! Quick! Give him the money and get their table!

Chandler: (walks up to the Maitre d') Excuse me...

[Chandler can't find his money in the pocket. In the meantime, another couple shows up, and Chandler turns away to look for his money]

Male Guest: (to the Maitre d') Good evening. (Shakes his hand)

Chandler: (finds his money) Ahh-hahaha! (Turns around to give the Maitre d' his money, but he isn't there anymore)

[Scene: The Hallway, Phoebe comes up the stairs and hears drumming coming from Joey and Rachel's, so she enters smiling and then sees that Rachel, not Joey, is the one playing.]

Rachel: (stopping at Phoebe's entrance) Ha!

Phoebe: So you like the drums! That's, that's great! Y'know, I was worried, that, you know, they would maybe an unbearable living situation. All

right, okay, well, apparently not! So, yay!

Joey: Hey-hey, Pheebs, check it out, we already learned a song. (To Rachel) Ready? One, two, three, four...

[Rachel hits some tom-toms and ends up on the 'crash'-cymbal, which is in fact a ride-cymbal, but whatever...]

Rachel and **Joey:** Tequila!!

Phoebe: That's fun. (She exits disappointedly.)

Commercial Break

[Scene: Central Perk, Gunther is serving Chandler and Monica coffee.]

Gunther: Here you go.

Chandler: Thank you Gunther, put it there. (He gets up, and shakes Gunther's hand. A bunch of coins fall out his hand. He sits down next to Monica.) Definitely not easier with coins. (Joey gets up and picks up the coins. Chandler thinks, Joey is just helping him to pick them up.) Thank you.

Joey: Thank you. (He gets up and puts on his jacket.) (Phoebe enters) Hey Pheebs!

Phoebe: Hey!

Joey: Here. (Gives her the coins) Now I only owe you \$49.50.

Chandler: Hey Pheebs!

Phoebe: Hey! (she sits down next to him)

Chandler: If you wanna give Joey a Christmas present that disrupts the entire building, why not get him something a little bit more subtle, like a wrecking ball, or a vile of small pox to release in the hallway?

Monica: It's not just the drum noise. Every five minutes, Joey throws his sticks in the air, and I have to hear, "Oh my eye! Oh god, my eye!" I mean, it is so annoying.

Phoebe: Yes, thank you. You see, this is how normal people are supposed to react to drums.

Monica: Phoebe, you got Joey drums to annoy Rachel, so she wouldn't wanna live there anymore?

Phoebe: Maybe on some level.

[Scene: Joey and Rachel's, Joey is sitting behind the drums wearing safety goggles, hitting them with his sticks as Rachel watches.]

Rachel: Joey, y'know that you could just not throw the sticks up in the air.

Joey: What is Rock 'n' Roll about that?

Phoebe: (entering with an aquarium covered by a towel) Hey, Joey, I got you another present. (She puts it on the counter)

Joey: Oh wait, before you tell me what it is! (He plays a drum-roll) Okay, what is it?

Phoebe: It's a...tarantula! (Joey almost falls down from his drum-stool jumping up) Oh! God! Rachel, look, I'm sorry. What was I thinking giving Joey this big, gross, scary spider in such a poorly constructed cage?

Rachel: What are you talking about? I love them! (Looks into the cage) Yeah, I had a tarantula when I was a kid. But it-it died, because my cat ate it. And then, then my cat died. But Joey, isn't this cool?

Joey: Is it on me? I feel, I feel like it's on me! I got, hey! (He storms into his room)

Rachel: Oh, isn't that adorable? Joey is afraid of the tarantula.

Phoebe: (sarcastic) Ah, yeah, he's so adorable, God, he's just so much fun, Joey is the best, I'm glad you're having so much fun here. (She turns around, about to leave)

Rachel: What? Wait-wait a minute, what? Phoebe, what's the matter?

Phoebe: Our apartment is ready.

Rachel: And that makes you angry because...

Phoebe: Because you would rather live here with Joey.

Rachel: Where did you get that?

Phoebe: Monica and Chandler said that you were having so much fun here. And apparently no amount of drums or tarantulas is gonna change that.

Rachel: Phoebe?

Phoebe: Hm?

Rachel: Did you get all this stuff for Joey to try and drive me out of the apartment? Honey, if you wanted to do that, you might as well just gotten him a fish, you know how fish freaked me out!

Phoebe: (nods) Fish!

Rachel: It wouldn't have mattered anyway, Phoebe, you and I are, are gonna live together, we're roommates: that's the deal.

Phoebe: Yes, but I wanted you to want to live with me, but okay, if you're having so much fun over here...

Rachel: Oh, it's so much more fun with you.

Phoebe: We did have fun, didn't we?

Rachel: We did!

Phoebe: Oh, anyway, they say, if we want, we can see it tonight.

Rachel: Oh, I would love to!

Phoebe: Yay, okay!

Rachel: Good, good, good, good, good. (She runs to the drums and gets the sticks)

Phoebe: Great, all right, okay, and Monica ask me to make the drumming stop.

Rachel: (with the sticks in her hands) Um... (She goes to the tarantula-cage and puts the sticks into it) Done!

[Scene: *Halloween Adventure*, a costume shop, there is a salesman behind the counter, Ross enters.]

Ross: Hey!

Salesman: Hello, Sir. You're here to return those pants?

Ross: No, these are my pants.

Salesman: Oh. Okay! How can I help you?

Ross: Well, uh, do you have a Santa-outfit left?

Salesman: Two days before Christmas? Sorry, man.

Ross: Okay look, do-do, you have anything Christmassy? I promised my son, and I really don't want to disappoint him, um, come on, I...uh, you gotta have something.

[Scene: Monica, Chandler, and Phoebe's, Monica has just opened the door for Ross who is costumed as an Armadillo. Ben is standing next to her.]

Ross: I'm the holiday armadillo! I'm a friend of Santa's and he sent me here to wish you (Points to Ben) a Merry Christmas!

Monica: What happened to Santa, Holiday Armadillo?

Ross: (to Monica) Santa was unavailable so close to Christmas.

Monica: Wow, come in, have a seat. You must be exhausted coming all the way from...Texas.

Ben: Texas?

Ross: That's right, Ben. I'm Santa's representative for all the southern states. And Mexico! But, Santa sent me here to give you these presents, Ben. (He tries to bend down to pick up the bag with the presents, but can't because of the costume) Maybe the Lady will help me with these presents.

[Monica picks up the bag, while Ross closes the door and hits Monica with his tail. They walk into the living room, and Monica empties the bag.]

Ben: Wow! Thanks!

Ross: You're welcome, Ben. Merry Christmas, ooh, and Happy Hanukkah!

Ben: Are you for Hanukkah, too? Because I'm part-Jewish.

Ross: (gasps) You are? Me, too!

Monica: Because Armadillos (also wandered in the desert?)

Ross: (to Monica) You wanna wander in the hall? (to Ben) Ooh, hey Ben, what if the Holiday Armadillo told you all about the festival of lights?

Ben: Cool!

Ross: Yeah!

Monica: Come on Ben.

[Monica and Ben sit down on the couch.]

Ross: Years and years ago there were these people called the Maccabees...

Chandler: (entering in a Santa costume) Ho, ho, ho! Merry Christmas!

Ben: Santa! (Runs to Chandler and hugs him)

Chandler: Hey! (Grunts as Ben hits him at full speed.)

Ross: What are you doing here, Santa?

Chandler: Well, I'm here to see my old buddy Ben. What are you doing here, weird...turtle-man?

Ross: I'm the Holiday Armadillo, your part-Jewish friend. You sent me here to give Ben some presents. Remember?

Chandler: What?

Ben: Did you bring me any presents, Santa?

Chandler: You bet I did, Ben, put it there! (He shakes Ben's hand, but the money falls out of his hands) (to Monica) Well, it would have worked this time, if his hands weren't so damn small! (Realizes, that Ben is standing right there) Ho, ho, ho!

Monica: Okay Ben, why don't you come open some more presents, and Santa, the Armadillo, and I have a little talk in the kitchen? There's a sentence, I never thought I'd say.

[They walk to the kitchen: everyone is lowering their voices]

Ross: (to Chandler) What are you doing?

Chandler: You called everyone and said you were having trouble finding a Santa costume, so I borrowed one from a guy at work!

Ross: Thank you, but, but you gotta leave.

Chandler: Why?

Ross: Because, I'm finally getting him excited about Hanukkah, and, and you're-you're wrecking it.

Chandler: But I didn't get to shape my belly like a bowl full of jelly.

Ross: I'm sorry, Chandler but this, this is really important to me.

Chandler: Fine, I'll give the suit back.

[Ross turns around and walks back to Ben.]

Monica: (to Chandler) Hey, you think, you can keep it another night? (She has a really teasing look on her face and keeps twirling Chandler's beard.)

Chandler: Santa? Really?

Monica: Yes, is that okay?

Chandler: Did your Dad ever dress up like Santa?

Monica: No.

Chandler: Then it's okay! (They kiss.)

Ross: Okay Ben, Santa has to go. Say good-bye!

Ben: No! Why does he have to go?

Chandler: Because, if Santa and the Holiday..Armadillo? (Ross nods) ...are ever in the same room for too long the universe will implode. Merry Christmas!

Ben: No! Why can't the Armadillo leave? I want Santa!

Ross: Fine, I-I give up. Santa, Santa can stay.

Chandler: Well, I'll stay, but only because I wanna hear about Hanukkah. Ben, will you sit here with Santa and learn about Hanukkah?

Ben: Okay, Santa!

(Ross mouths to Chandler, "Thank you," and he mouths, "You're welcome," back.)

Ross: All right, it's time for the story of Hanukkah. Years and years ago, there were these people called the Maccabees.

[Joey enters in a Superman costume]

Joey: (entering wearing a *Superman* costume) Merry Christmas!

[Scene: Phoebe and Rachel's, they are entering to check out the newly refurbished apartment.]

Rachel: Oh wow! Look at this place!

Phoebe: Oh, this is terrible. Oh, they've made so many changes I can't even feel my grandmother's presence anymore—Ooh! New sconces!

Rachel: (yelling from another room) Oh my God!

Phoebe: What?

Rachel: (returning) Okay, remember uh, remember how you told me that your grandmother put up that wall to make that into two bedrooms?

Phoebe: Yeah?
Rachel: And remember how you always said you were afraid the landlord would find out and then tear it down?
Phoebe: Yeah?
Rachel: Do you really not know where I'm going with this? (Phoebe nods, "No.") It left! It's one huge room!
Phoebe: Oh no! (She runs to see.) (Running back, excitedly) Oh! Wow!!!
Rachel: See?
Phoebe: Well, I guess we'll just have to put the wall back up.
Rachel: You can't, because of the new skylight!
Phoebe: There's a skylight?! (Runs to see and yells from the bedroom.) Wow!!
Rachel: So what should we do? Should we start looking for a new place?
Phoebe: (returning slowly) Y'know I'm-I'm sensing that um, my grandmother would not be comfortable with that.
Rachel: Oh yeah? Startin' to feel her again there are we?
Phoebe: A little bit, yeah.
Rachel: Pheebs is your grandmother maybe saying that you should live here alone?
Phoebe: You heard her too?! You have the gift!
Rachel: Phoebe, it's okay. I like living with Joey.
Phoebe: Are you sure?
Rachel: Oh please, I hate packing, it's closer to work, and we do have fun. Although, I'm really gonna miss living with you.
Phoebe: Oh me too.
Rachel: I know. (They hug.) Oh-oh, wait did you hear that-hear that? Listen, I'm gettin' something from your grandmother, she said that since you get to keep the one bedroom apartment you should give Rachel the purple chair?
Phoebe: No, I do not hear that.
 [Scene: Monica, Chandler, and Phoebe's, Santa (Chandler), *Superman* (Joey), Ben, and Monica are listening to the Holiday Armadillo (Ross) finish telling the story of Hanukkah.]
Ross: ...and the miracle was that that little bit of oil that should've just lasted just one day, burned for...
Ben: (answering him) Eight whole days.
Ross: That's right, and that's why we celebrate Hanukkah today. The end.
Ben: Awesome!
Ross: Yeah?
Chandler: My favorite part was when *Superman* flew all the Jews out of Egypt. (Glaring at Joey who's nodding.)
Ross: The Armadillo was actually not so **thrilled** about that part! Okay Ben, it's time to light the Hanukkah candles! (Santa, *Superman*, Monica, Ben, and the Holiday Armadillo go over to the menorah to light the candles.)
Rachel: (entering with Phoebe) Hey!
Phoebe: Oh.
Rachel: (seeing the collection of characters.) Wow! It looks like the Easter Bunny's funeral in here.
Ross: Come on, come on, we're-we're-we're lighting the candles!
Rachel: Oh.
Phoebe: Oh.
 (They both go over to light the candles.)
Phoebe: Okay, I understand why *Superman* is here, but why is there a porcupine at the Easter Bunny's funeral?
 Ending Credits
 [Scene: Joey and Rachel's, Rachel is closing the door on the tarantula cage.]
Rachel: I got it!
Joey: (yelling from the bedroom) Is it back in the cage?
Rachel: Its back in cage!
Joey: Cage closed?
Rachel: Joey, would you just come out here and stop being such a baby!
 (Joey throws open his door and stands there still in the *Superman* costume then slowly makes his way to the bathroom while keeping both eyes on the cage.)
 End

711 The One With All The Cheesecakes

[Scene: Chandler and Monica's, Chandler is sitting at the kitchen table eating cheesecake. The box it came in is also on the table.]
Chandler: Ohh. Mmm.
Rachel: (Comes in the front door and walks towards the kitchen.) Hi.
Chandler: Hey, you have got to try this cheesecake.
Rachel: Oh, y'know I'm not that much of a sweet tooth. I—(Chandler puts a forkful of the cheesecake in her mouth.)—Wow. My God, so creamy. Oh my God, this is the best cheesecake I have ever had. Where did you get this? (She reaches over to look at the label on the box.)
Chandler: (nervously) It was at the front door. When I got home. Somebody sent it to us.
Rachel: Chandler, this is not addressed to you. This is addressed to Mrs. Braverman downstairs. (Gasping) Thief.
Chandler: I—no! I didn't read the box before I opened it. And you can't return a box after you've opened the box.

Rachel: Why, why not?
Chandler: Because it's too delicious.
Rachel: Chandler, you stole this cheesecake. That is wrong.
Chandler: No-no-no! It is going to be okay, because Mrs. Braverman is gonna send away for a free one and that way we **all** win! The only losers are the big cheesecake conglomerate, (Reading the label) Momma's Little Bakery. (Pause) I feel terrible, I'm a horrible, horrible, horrible person.
Rachel: (taking a bite) Oh, I'm sorry what?
 Opening Credits
 [Scene: Central Perk, everyone except Rachel is there as Joey gets up and starts putting on his coat.]
Joey: All right, I should get going, big day a work. Y'know I'm in a coma? Today, they do this test on me and it turns out I'm not brain dead.
Chandler: So...
Joey: Ah-ah-ah Mr. Smartie Pants, it's just not my character that's not brain dead. Hey, so Pheebs, we still on for tonight?
Phoebe: Absolutely!
Joey: I'll see you at 8:00.
Phoebe: Okay. (Joey exits.)
Chandler: Oh, what's at 8:00?
Phoebe: Oh, I have dinner plans with Joey. We get together about once a month to discuss the rest of you guys.
Ross: Wow, did not know that! May I say how lovely you look today?
Phoebe: Duly noted.
Ross: Thanks. (Phoebe gets up to get a refill.) (To Monica) Oh! So for tomorrow, do you want to rent a car and drive down together or what?
Monica: What are you talking about?
Ross: Cousin Frannie's wedding, its tomorrow night.
Monica: You were invited?
Ross: No.
Monica: My God, I can't believe this! I mean I knew that mom and dad were invited, but I thought that was it! I mean from the ages 7 to 9 Frannie and I were inseparable!
Chandler: Well, maybe since the age of 9, Frannie's made some new friends.
Ross: Well I-look okay, it's probably just a mistake. Let me call Aunt Sheryl okay? Maybe you are invited and the invitation just got lost in the mail.
Monica: Yeah, well you call her and tell her that y'know when we were kids her precious little Frannie tried to undress me several times, okay? And if I hadn't have stopped her, there probably wouldn't even be a wedding to go to.
Ross: Y'know, she tried to undress me too.
Chandler: I used to undress my cousin Glenn. (Monica looks at him then sushes him.)
 [Scene: Joey and Rachel's, Monica, Chandler, Rachel, and Ross are playing *Monopoly* as Phoebe enters angrily.]
Phoebe: Joseph Francis Tribbiani are you home yet?!
Rachel: Umm, I think he's still out. What's wrong?
Phoebe: Well, I'll tell you Rachel Karen Green, I had plans with Joey tonight and he left me this note. (Hands it to Rachel.)
Rachel: (reading the note) "Pheebs, can't make it, got a date. Talk to you later. Big Daddy." (Laughs) Big Daddy?
Phoebe: Oh that's a nickname we were trying out.
Ross: Hey, y'know what nickname never caught on? The Ross-A-Tron! (Monica shakes her head in disgust.)
Joey: (entering) Hey!
Phoebe: Oh! Here's Joseph Francis!
Joey: Oh-Wha-Ho! What are you middle naming me for?! I left you a note!
Phoebe: So what?! That doesn't give you the right to ditch me!
Joey: Hey, you can cancel plans with friends if there is the possibility for sex!
Ross: Phoebe he's right, that is the rule.
Phoebe: I don't accept this rule. When me make plans, I expect you to show up. Okay, I can't just be a way to kill time 'til you meet someone better! Y'know boyfriends and girlfriends come and go, but this (Motions that their friendship) is for life!
Joey: Wow! I'm so sorry; I had no idea it would bother you this much.
Phoebe: Well, it does.
Joey: Okay, can I-can I make it up to you? Huh? I'm sorry. (They hug.) How about uh, dinner tomorrow night? I'll pay for myself!
Phoebe: Okay, you wore me down.
Ross: Hey Joe, while you're over there how about another beer for the Ross-A-Tron?
Joey: The Ross—Is that back?! (Chandler motions no.)
 [Scene: Monica and Chandler's, Rachel enters to find Chandler staring at another cheesecake box.]
Rachel: Hi!
Chandler: Another cheesecake came! They delivered it to the wrong address again!
Rachel: So just bring it back downstairs, what's the problem?
Chandler: I can't seem to say goodbye.
Rachel: Are you serious?! Chandler, we ate an entire cheesecake two days ago and you want more?
Chandler: Well I've forgotten what it tastes like okay?
Rachel: It was cheesecake. It was fine. It had a buttery, crumbly, graham cracker crust, with a very rich yet light, cream cheese filling... (Pause) Wow! My whole mouth just filled with saliva!
Chandler: (closing the box) Y'know what? Forget it! We are just hungry! We have not had lunch! We are just light-headed! So let us go out and have lunch and forget about the cheesecake.
Rachel: Yeah and we'll drop it off downstairs so that we're not tempted.

Chandler: Good idea. Where do you want to go to lunch?
Rachel: Momma's Little Bakery, Chicago, Illinois. (They exit with the cheesecake.)
 [Scene: Central Perk, Monica and Joey are there. Joey is reading a newspaper.]
Joey: Awww! Mel Torne died.
Monica: Joey, that paper's like a year old!
Joey: Aw! Does that mean the *Sam Goody's* sale is over?!
Ross: (entering) Hey.
Joey: Hey.
Monica: Hey.
Ross: So I finally heard back from Aunt Sheryl and apparently it **wasn't** a mistake. Ahh, there's-there's limited seating in the hall.
Monica: Limited seating?! (Screechingly) I am just one tiny person!
Ross: Well yeah, but she doesn't know that. I mean, the last time she saw you-you would've turned one of those little wedding chairs into kindling.
Monica: (disgusted) Limited seating! Oh, that is such a lame excuse! That's not the reason she's not inviting me!
Ross: Oh what's the big deal?! I wasn't even invited to the ceremony, just the reception. And-and y'know what? If it makes you feel any better, Joan and I will just make an appearance and then, and then we'll-we'll leave early as a sign of protest.
Monica: Joan?
Ross: Yeah, Joan Tedeski my date. She's an assistant professor in the Linguistics department. Tall, very beautiful, and despite what some people say, **not** broad backed!
Monica: Wait a minute, you got Ross Gellar and guest?! I wasn't invited and you got "and guest?!"
Joey: Uh-uh, excuse me, I do have to interrupt on Ross's behalf. I-I think the rule applies here y'know, since she has a chance to get on broad back...
Ross: (interrupting) **Not** broad backed!
Monica: Wait a minute, y'know, you're bringing me!
Ross: What? I can't cancel on Joan!
Monica: Why not?!
Ross: Bec—Did you not hear me?! She's an assistant professor in the Linguistics department, okay? They're wild! Why do you want to come anyway?
Monica: Because! She's my cousin. I mean, we grew up together! We're family y'know? Well that's important to me.
Ross: Okay, all right, I'll take you. I'll go call Joan. (Does so.)
Joey: Aww that's nice. Family should be there, huh? This is her wedding, happiest day of her life.
Monica: (laughs) We'll see.
 [Scene: The Lobby of Chandler and Rachel's building, Chandler and Rachel are returning from lunch.]
Chandler: Well, thank you for lunch.
Rachel: What? Wait a minute, I didn't pay, I thought you paid!
Chandler: So apparently we just don't pay for food anymore. (Rachel laughs then Chandler notices something.) Do you see what I see?
Rachel: (gasps) Its still there! (The cheesecake they returned to Mrs. Braverman is still lying in front of her door.)
Chandler: Mrs. Braverman must be out. (They move closer to it.)
Rachel: She could be out of town. Maybe she'll be gone for months.
Chandler: By then, the cheesecake may have gone bad. We don't want her to come back to bad cheesecake.
Rachel: No that could kill her.
Chandler: Well, we don't want that.
Rachel: No so we're protecting her.
Chandler: But we should take it.
Rachel: But we should move quick.
Chandler: Why?
Rachel: Because I think I just heard her moving around in there.
Chandler: Go! Go! Go! Go! Go! Go! Go! Go! Go! (Rachel grabs the cheesecake and they take off upstairs.)
 [Scene: Central Perk, Monica and Phoebe are entering. As Phoebe is sitting down, she recognizes someone sitting at the counter.]
Phoebe: (gasps) (whispering) Oh my God! That's David!
Monica: David who?
Phoebe: David the scientist guy, David that I was in love with, David who went to Russia and broke my heart David!
David: (noticing Phoebe) Oh my God!
Phoebe: Oh, you say someone's name enough, they turn around.
David: Phoebe?
Phoebe: David! (He kisses her cheek) What-what are you doing here? Aren't you supposed to be in Russia?
David: Yeah, I'm just, I'm just in town for a conference. Umm, **God** you look phenomenal!
Phoebe: Well... Yeah. You look great too. Did you get a haircut?
David: Yeah. Well I-I got like thirty of them.
Phoebe: Yeah.
David: Umm, look I-I-I got a confession to make...
Phoebe: Uh-huh.
David: Uh, I-I-I was hoping to run into you here. I didn't know whether I should call or not, y'know I-I was only in town for a few days. And y'know, I didn't want to intrude on your life or anything like that, but I-I really wanted to see you and—but I didn't know if

a leave.)
Ross: Okay! Okay! Fine, I'll stop! No teaching, okay? We'll just watch the pretty light streaking across the sky. (Comets don't streak across the sky, meteors do.) Okay? Who's official name is Bapstein-King.
All: Okay! Okay! (They start to leave again.)
Phoebe: (looking up) There it is! Oh, look at that! Isn't Mother Nature amazing?
Chandler: (looking up with her) That's a plane!
Phoebe: Well, all right. 1700 bags of peanuts flying that high, that's pretty amazing too.
Tag: Hey, I wonder if you can see my apartment from up here.
Rachel: No. No, you can't.
Tag: What?
Rachel: Oh I don't-I don't know.
Ross: Man, look at all those stars! (Yeah, you can see what? Five of them from the city?) Infinite space. It really, really makes you wonder, doesn't it?
Joey: (looking through his binoculars at a nearby building) Y'know what else makes you wonder?
Ross: Huh?
Joey: Check out the rack on this chick! (Turns around to point it out to Ross and finds that Ross is glaring at him. So he quickly puts his binoculars to his eyes and starts looking for the comet.)
 Opening Credits
 [Scene: The Roof, continued from earlier.]
Monica: Okay, we've been out here for two hours and we haven't seen any stupid comets. Can we go now? I mean, Chandler's getting chilly. (She walks over to where Chandler is bundled up in a big coat and shivering.)
Chandler: (with a quivering voice) No, I'm not!
Joey: Then why are you wearing Monica's jacket?
Chandler: Because it's flattering! (Shivers harder) Come on Monica! Come on Monica! (He goes inside.)
Rachel: Yeah actually, I think we're gonna take off too. We rented a movie.
Phoebe: Oh! I won't say, 'no' to a movie!
Rachel: Uh Phoebs, we just actually kinda wanted to be alone.
Phoebe: Shh! Get me out of here.
Rachel: Oh. (They leave, leaving just Joey and Ross.)
Joey: (whispering) Ross!
Ross: What?
Joey: Come here, check this out!
Ross: What? Is it the comet? (Runs over to where Joey's standing.)
Joey: No! No-no. Look, there's a bug stuck in tar right here. (Bends down to get a closer look.)
Ross: Joey come—I can't believe—I bring you here to see the Bapstein-King comet, one of nature's most spectacular phenomenon, and all you care about are bugs stuck in tar and-and some woman!
Joey: (standing up) Y'know, there's **two** women dude.
Ross: Show me where?
Joey: Right-right up here. (Starts looking at them through a piece of pipe.)
Ross: (noticing the pipe and looking at the door) Joey where's the pipe that was holding the door open?
Joey: (annoyed) I don't know! (Goes back to looking through the pipe.) (Pause) Yeah, I do.
Ross: Joey!
Joey: What?! All right—Hey! Don't look at me! You're the one who wanted to come up and look for some stupid *Burger King* comet!
Ross: It's called the Bapstein-King comet, okay? (Joey starts to groan.) Hey! Hey! Bapstein was a very well respected astronomer!
Joey: (covering his ears and yelling) Oh no! No! No! (He starts banging on the door.)
 [Scene: Monica and Chandler's bedroom, Monica is sleeping and Chandler's sitting in bed, wide awake.]
Chandler: (whispering) Monica!
Monica: She's sleeping.
Chandler: I know, just quick-quick question, quick question. Which one was *Deep Impact* and which one was *Armageddon*?
Monica: *Deep Impact* was the one with Robert Duval, *Armageddon* is what's going to happen to you if you wake me up.
Chandler: Sorry, I just...can't sleep. Ooh! (Turns on the light and Monica groans.) Where is that book that you are reading with the two women who were ice-skating and wearing, wearing those hats with the flowers on it? Because every time I look at that cover I'm like...(Fake snores.)
Monica: It is in the living room where there is also a light! And no one will kick you in the shin.
Chandler: What?! (Monica kicks him in the shin.) Ow! (He gets out of bed and heads into the living room.)
 [Scene: Phoebe's apartment, there is a beeping noise coming from the living room and Phoebe sleepily goes to investigate.]
Phoebe: (crossing her fingers and closing her eyes) Please don't be a space ship. Please don't be a space ship. (She turns on the light and looks around and finds that it's the smoke detector that's beeping.) Oh thank God! (She moves a chair over and starts to investigate how to make the beeping turn off, in frustration she yanks the thing off of

the wall. She sets it down and heads for bed, just as she gets there it beeps again. She opens the cover and removes the battery, but it still beeps.) How could you be beeping?! I just disconnected you! I took out your battery! How can...
 Smoke Detector: Beep!
Phoebe: Don't interrupt me!!
 [Scene: The Roof, Ross and Joey are banging on the door.]
Ross: Rachel!!! Monica!!!
Joey: Come on!
 (Ross gets fed up with Joey's banging and stops him by pulling him away from the door.)
Ross: I can't believe this!!
Joey: All right well, y'know...I guess we know what we have to do to get down.
Ross: (standing at the edge of the roof) Yeah, I guess we don't have a choice. (Screaming to the street) Help us! Please help us! We're stuck up on the roof and we can't get down!!!
Joey: Ross. I was thinking we could just go down the fire escape. (Points it out.)
Ross: (To Joey) I know, I wasn't finished. (Joey motions him to finish.) (Yelling at the street) But don't worry! We're gonna go down the fire escape!!
 [Scene: Monica and Chandler's kitchen, Chandler has a jug of milk in his hands and decides to make some warm milk. He opens up the cabinet to get a pot and manages to knock several other pots onto the floor making a lot of noise.]
Chandler: Shhhhhhhhh!!! (Monica enters) I'm sorry, I thought maybe I'd make some warm milk and it would help me sleep.
Monica: With a wok? (Chandler's holding a wok.) I thought you were going to read my boring book to put you asleep.
Chandler: It got interesting! Damn you Oprah!
Monica: Here, let me make the milk, I'm up anyway.
Chandler: Hey, y'know what we can do? Y'know, now that we are up? We can just like talk to each other all night long, y'know like we did when we were first going out. It'd be fun!
Monica: Okay that does sound like fun.
Chandler: Okay, so how bummed were you when the second sister died huh?
Monica: The second sister dies?!
Chandler: (Pause) No. No, I-I was, I was talking about the book I was reading.
Monica: The second sister dies in *Archie and Jughead Double Diges*?
Chandler: That's correct.
 [Scene: Joey and Rachel's, Rachel and Tag are making out on the couch.]
Rachel: You wanna go in the bedroom? It's a little more comfortable.
Tag: Sure.
Rachel: Okay. (They start to head for the bedroom) Oh wait! Umm, did you send those contracts to Milan?
Tag: If this is your idea of sexy talk? (Shakes his head that it's not working.)
Rachel: No seriously, y'know the contracts I gave you, did you overnight them?
Tag: What contracts?
Rachel: Okay please tell me that this is just one of your jokes that you do that I don't get.
Tag: Like what?
Rachel: Y'know, like the thing when you put the phone in your pants? (He starts laughing.) Tag! I'm serious! This isn't funny! Those contracts absolutely had to go out today!
Tag: Rach, I'm sorry, but you didn't give me any contracts!
Rachel: Yes I did! And I put a little *Post-It* on it that said, "Must go out today," and underlined today three times and, and then I put a little heart in the corner because I didn't want to seem to bossy.
Tag: I'm telling you, you never gave them to me.
Rachel: Y'know what Tag, if we went down to the office you would see those contracts sitting on your desk.
Tag: No, I would see you looking embarrassed because they are **not** on my desk!
Rachel: Or maybe you would see me looking embarrassed because you are talking on the phone with your crotch!
Tag: You wanna go down to the office right now?
Rachel: No! Come on its late, we're not gonna go down to the office.
Tag: Okay I understand. (Sits down.) I wouldn't want to be proved wrong either.
Rachel: Okay get your coat! (They get their coats and start to leave. Rachel suddenly stops and sticks the hand up the back of her shirt.) Oh! When did you unhook this? (Her bra.) Nice work!
 [Scene: The Fire Escape, Joey and Ross have reached the last landing. Joey is tugging on the ladder that extends to the ground, but it won't budge.]
Joey: All right, it won't go down any further. It's stuck.
Ross: Ugh. Well, we're just gonna have to jump. (Joey looks at him.) Yeah. Now, we're gonna have to make sure to land to the right of that patch of ice, okay? Not hit the dumpster on the other side and uh, and try to avoid that-that weird brownish red stuff in the middle. So, when you get down there...**you** go up to the roof and **you** let me in.
Joey: Oh whoa-whoa wait a minute! I have to do it!
Ross: Yeah! Oh yeah, you'll be fine! It-it'll be uh, just like bungy jumping. Y'know? But instead of bouncing back up you-you won't.
Joey: What if I smack my head on the concrete?
Ross: Well, I'm gonna lie to you Joey, it's a possibility.
Joey: (looks at the ground and at Ross) I don't know Ross! I-I tell you what, let's flip to see who does it, okay? You-you call it in the air, all right?
Ross: Oh, all right. (Joey flips the coin.) Tails! (The coin bounces off of the landing above them and falls to the ground.) Can you-can you see what it is?

Joey: No.
Ross: Okay. Well, you be careful.
Joey: What? No! No Ross! No-no! Stop! I'm not jumping! Okay, look I have an audition tomorrow and I can't go if I break my leg.
Ross: Well I'm jumping! I have a son! Okay? He won't have a father if-if I die!
Joey: Well all right so, it looks like we're even!
 [Scene: Phoebe's apartment, Phoebe is still investigating the smoke detector trying to figure out how to stop the beeping.]
Phoebe: Okay. So, this wire is connected to this wire which plugs into here. (She points at each as she says it.) Okay so, to get the beeping to stop all I have to do... (She picks up a shoe and proceeds to pummel the smoke detector. She then gets up and heads to bed, stops, quickly turns around, and is satisfied that the beeping has stopped.) Well done, Phoebs. (She resumes her trek to bed, but is stopped at the entrance to the hallway by the now steady and extremely loud tone emanating from the smoke detector.) (Yelling.)
What do you want from me!!!!!!!
 [Scene: Monica and Chandler's bedroom, Monica is entering with a mug.]
Monica: Okay, here's your milk. What do you want to talk about? (She sees that Chandler has fallen asleep and slams the door loudly to wake him up.)
Chandler: (startled) What? What? What?
Monica: Ohh! Ohhh! Were you sleeping sweetie? I'm sorry. Here. (Hands the mug of milk to him.)
 [Scene: Rachel's Outer Office, Tag and her are arriving.]
Tag: Okay! Feel free to look, but I'm telling you those contracts are not on this desk.
Rachel: Oh **how** can you possibly know? Look at this mess, Tag! I mean, this is what I'm talking about! You have to be organized! You've got newspapers! You've got magazines! You got—Ohh! (Finds a picture.) And who is this chippy? A little young for you Tag, but whatever.
Tag: It's my sister.
Rachel: Okay, very cute braces. Anyway y'know what, the **point** is Tag, start looking because you are going to find those contracts on your desk. (She goes into her office.)
Tag: So when do you imagine you gave them to me? In the morning or in the afternoon?
Rachel: In the afternoon. Mr. Zelner came into my office after lunch. He put them on my desk, and then I put a *Post-It* on it (Looks down onto her desk and finds the folder with the *Post-It* on it that contains the contracts she imagined she gave Tag) that said, "Must go out today." So you just keep looking in there! All right?
 Commercial Break
 [Scene: Rachel's outer office, Tag has finished searching his desk and Rachel comes out to try to plant the folder on the desk.]
Tag: It's not here.
Rachel: Puzzler. A bit of a puzzle. Why don't you um, check the copy room, maybe you left the contracts in there?
Tag: How could I have left them in the copy room?
Rachel: I don't know Tag! How can your genitals make phone calls? Okay? It's not a perfect world! Just go please.
Tag: Fine.
Rachel: Thank you. (He leaves and she proceeds to plant the folder in his bottom drawer. She then picks up the phone and holds it to her breasts.) Hello! (Hangs up the phone.) I still don't get it.
 [Scene: Monica and Chandler's bedroom, Chandler has his eyes closed, while Monica is fully awake.]
Monica: Are you still awake?
Chandler: Yeah! You?
Monica: You do know that was me who just said that right? (He doesn't respond and she turns on the light, waking him.) Hey. As long as we're both up...
Chandler: (intrigued) Yeah? (Monica nods yes.) I hope you're not thinking about cleaning the living room.
 [Scene: The fire escape, Joey and Ross are still trying to figure out how to get down.]
Joey: Man, I'm starving! What the hell was I thinking at dinner?! "Do you want soup or salad?" Both! Always order both!
Ross: (looking in the window behind them) Y'know, y'know I'm lookin' and I don't think anyone's home here. I say we just break the window, crawl through, and-and y'know explain later.
Joey: Yeah? Really? No one's home?
Ross: I don't think so. Hello? (Knocks on the glass, which angers the big, large, angry dog behind the glass and causes them to jump to the other side of the landing.) When you get in there... (Joey nods his disapproval.)
 [Scene: Phoebe's apartment building, in desperation she has wrapped up the smoke detector in a blanket and is going to throw it into the trash chute.]
Phoebe: Okay, this is where you and I part ways. (She drops the blanket into the chute.) Noisy bitch!
 [Scene: Monica and Chandler's bedroom, Chandler is turning on the light to awaken a now sleeping Monica.]
Monica: What?! What are you doing?!
Chandler: Do you know what just happened?
Monica: Yeah. We-we had sex and then we fell asleep.
Chandler: No. We were in the middle of sex...and **you** fell asleep.
Monica: Nooo! No, that's not true. No, best time ever! Yeah, you rocked me world! (She turns out the light to

go back to sleep.)
Chandler: (turning the light back on) Monica?
Monica: What?!

Chandler: I was giving you some of my best moves, and you missed it. So please wake up so we can do it right!

Monica: Okay. Okay, I'm ready. Come on big fella!

Chandler: Okay.

Monica: Give me the good stuff.

Chandler: Yeah! (Monica falls asleep) No! No! No! Don't fall asleep! Okay, I am going to make you some coffee. (Monica doesn't move as he gets out of bed and as he's heading for the door.) And I probably won't spill coffee grounds all over the kitchen floor.

Monica: Okay, I'm up! I'm up!

[Scene: Rachel's outer office, she's returning with two coffee cups in hand to find Tag sitting there.]

Rachel: Hi! I got you some coffee. To, uh... (She looks for a place to set it on his messy desk and he clears a spot for her to set it down.) ...fair enough. So! Do you got anything for me?

Tag: Still no luck.

Rachel: Oh my God! Did you check your entire desk! Did you check **all** the drawers!

Tag: Do you want me to check again?

Rachel: Well yeah, I wish that you would. (He opens the top drawer.) Well, no it's not in there! (Closes it.) How about that drawer? (She points to the bottom one and he opens it. She doesn't see the folder she planted and bends over to check.)

Tag: Well, it's not out here. Is there any chance it could be in your office?

Rachel: (thinks) Y'know, I don't-I don't know. Let me, let me check. (As she heads for her office, she stops glances over her shoulder at Tag, looks into her office, and finds the folder on her desk.)

Tag: (smirking) Any luck?

Rachel: Can I see you in my office for a minute?

Tag: (entering) Yeah? (She holds up the folder) You found them!! (Rachel is not amused, because she's still going to try to blame him for her mistake like every 'good' boss.) Y'know what? I'm not even going to gloat. I'm just really relived this whole thing is over.

Rachel: You put these on my desk!

Tag: I did not!

Rachel: Oh really? So you're saying they just **slid** out of your bottom drawer, crawled across the floor, then jumped on to my desk?! (I think *Dogbert* should have a line here.)

Tag: How did you know they were in my bottom drawer?

Rachel: (pause as she realizes her lame attempt to shift the blame has failed) I am so hot for you right now.

[Scene: Phoebe's apartment, there is someone pounding on the door and Phoebe sleepily walks over and answers it. As she hears the door, the pounding stops and she can hear the smoke detector's wail.]

Phoebe: Oh my God! How did you get back here?!

A Disembodied Voice: (yelling through the door) Phoebe Buffay?!

Phoebe: (scared) Fire alarm? (She opens the door to reveal a fireman holding the blanket with the smoke detector.) Oh! Hi, officer—fireman, can-can I help you?

The Fireman: We found your fire alarm in the trash chute.

Phoebe: That's not mine.

The Fireman: Yes it is.

Phoebe: How do you know?

The Fireman: The next time you want to dump a fire alarm in a trash chute, don't wrap it in a blanket that says, "Property of Phoebe Buffay not Monica."

Phoebe: Okay do you—Okay, do you have a search warrant? Because the last time I checked this was still America!

The Fireman: Please reattach this, it's against the law to disconnect them.

Phoebe: Fine! (She takes the blanket.) But please God; tell me how to stop them from going off!

The Fireman: There's a reset button under the plastic cover.

Phoebe: There's a reset button?! Ugh, thank you! Thank you! (He exits and she goes to shut it off.) There's a reset button! My God! Why didn't I see that! (She takes off the plastic cover and looks for the button.) Reset button, reset button, where is there a reset button? (Finds it.) Oh here it is! (Picks it up off of the floor.) Oh! (She presses it hard, but of course it would help if the button was still attached to the detector. In frustration she presses it so hard it causes pain in her thumb.) Ohh, God!

[Scene: The fire escape, Joey is now hanging off of the bottom rung of the ladder that won't move and Ross is watching from above.]

Ross: Okay, do-do you have a good grip?

Joey: Yeah!

Ross: Okay, I'm going to start climb down you now.

Joey: All right! Just hurry up!

Ross: Okay. Now-now-now should I climb down your front so we're face to face or-or should I climb down your back so we're-we're butt to face.

Joey: I think face to face.

Ross: I would say that.

Joey: Face to face, yeah!

Ross: Okay, here I go.

Joey: All right.

(Ross steps onto the bottom rung of the ladder and then steps on Joey's chest.)

Joey: (grunting) Oh my... How much do you weigh Ross?!

Ross: I prefer not to answer that right now, I'm still carrying a little holiday weight.

(Ross continues to climb down. He puts his other foot further down on Joey's torso, but that doesn't work very well and he's forced to wrap his legs around Joey. Which then forces Joey to get a nice and close view of Ross's crotch.)

Joey: Y'know, when we talked about face to face, I don't think we thought it all the way through.

Ross: So what do you want me to do?

Joey: Well, just shimmy down me and drop!

(Ross continues his trek south, and when they get face to face.)

Ross: Hi.

Joey: Hi.

Ross: (looking down) M-maybe I should hang and you can climb down me.

Joey: (angrily) Yeah? Maybe we should talk about that for a little while!

Ross: It's still looks pretty far!

Joey: It's not that far! Just drop!

Ross: Do not **rush** me!!

(Ross continues south and his now wrapped around Joey's legs.)

Joey: Ross, you should know that my pants are startin' to come down and I'm not wearing any underwear!

(Ross panics and falls off, dropping to the ground with a huge crash.)

Ross: Oww!! My ankle! I really hurt my ankle! I think I twisted it when I—Ooh, a quarter!

Ending Credits

[Scene: Monica and Chandler's bedroom, they're cuddling.]

Monica: That really was some of your best work.

Chandler: Hm-hmm, I told you! (Looks at the clock) I can't believe that I've only got two hours before I call in sick for work.

Monica: I have to be up in seven minutes.

Chandler: Well, you're not gonna believe this, but if you have seven minutes...

Monica: Really?!

Chandler: Do you wanna?

Monica: Okay! You get the vacuum cleaner and I'll get the furniture polish!

(She runs off leaving a stunned Chandler behind.)

End

713 The One Where Rosita Dies

[Scene: Joey and Rachel's, Rachel is trying to move Joey's chair and not having much luck at it as Joey enters.]

Joey: Hey.

Rachel: Hey.

Joey: What are you doing?

Rachel: Well, y'know I was thinking of moving the couch over here.

Joey: (laughs) Why would you want to do that?

Rachel: So that there will be a decent place for me to sit.

Joey: Rach, there is a decent place to...

Rachel: And your **lap** does not count! Okay? Come on help me move this.

Joey: No. No. No.

Rachel: No?

Joey: No. Rosita does not move.

Rachel: I'm sorry, Rosita? As in...

Joey: As in Rosita does not move.

Rachel: Joey, it's just a chair! What's the big deal?

Joey: The big deal is that it is the exact equal distance from the bathroom to the kitchen and it's at the perfect angle so you don't get any glare coming off Stevie.

Rachel: Stevie the TV?

Joey: (glaring at her) Is there a problem?

Rachel: No! (Joey sets his beer and bag of chips down and heads into his room.) Oh what does he know! Come on Rosita, us chichas got to stick together! (She tries pulling on the back of the chair, until the hinge breaks and the back falls off.) You bitch!

Opening Credits

[Scene: Central Perk, Chandler and Ross are on the couch talking. Phoebe is getting coffee.]

Ross: Hey, y'know what's weird? After you guys get married, when you introduce me to people you're gonna have to say, "This is my brother-in-law Ross." Not, "My friend Ross," "brother-in-law Ross." That's weird isn't it?

Chandler: Couldn't I just say, "This is Ross?"

Ross: (disappointed) Sure, do whatever you want.

(Phoebe sits down between Chandler and Ross.)

Monica: (entering, carrying a newspaper) Hey Ross! So, I was checking out the uh, real estate section...

Ross: Yeah?

Monica: Look at this. (Hands him the newspaper.)

Ross: Oh, it looks like mom and dad's house. Oh, it even has a tree with a broken limb out front and the uh, the window in the attic is...Oh my God!!

Phoebe: What? What happened to the window in the attic?!

Monica: I can't believe mom and dad are selling the house!

Ross: I can't believe they-they didn't even tell us!

Phoebe: I can't believe I still don't know what happened to the **window** in the attic!

(Ross calls his parents on his cell phone.)

Ross: (on phone) Uh, hello dad! Monica and I just saw the house in the paper! (Listens) Yes we're surprised! (Listens) Who did you leave a message with?

Chandler: (knocking on the window while outside) Sorry!

(Runs off.)

[Scene: Joey and Rachel's, Joey is examining the injury to Rosita while Rachel is apologizing to him.]

Rachel: Joey, Joey I am so sorry.

Joey: I told you not to move it! Rach, how would you feel if say, I wanted to move you mom, and you said don't, and I did it anyway and her **head** fell off?

Rachel: Okay, come on—Joey, I'll buy you a new one! All right? We'll go down to the store right now and we'll—we'll get you a new chair.

Joey: (slowly turning and glaring at her) She's not even cold yet!

Rachel: But don't you think Rosita would've wanted you to move on? I mean y'know, she did always put...your comfort first.

Joey: That's true.

(Rachel turns for the door and makes the "Wow!" face.)

Rachel: (grabbing her coat) Okay? You ready?

Joey: Yeah, I... (Shuts off the TV.) I don't want Stevie to see her like this.

[Scene: Monica and Chandler's, Ross and Monica are still going on about the house.]

Ross: I can't believe we have to say goodbye to the house we grew up in. Man, some-some stranger's gonna be living in **my** room.

Monica: Well, after 15 years of mom and dad keeping it as a shrine to you, it's time the velvet ropes came down.

Ross: They kept your room for a while.

Monica: Oh please! Dad turned my room into a gym 20 minutes after I moved out! I gotta say, a tanning bed and a stack of *Victoria's Secret* catalogues, not a gym!

Ross: Come on, you know they love you.

Monica: As much as they love you?

Ross: I was their first born! They thought she was barren! It's not my fault.

Phoebe: (entering) Hey.

Ross: Hey!

Monica: Hey!

Phoebe: Ugh, I hate this year!

Ross: What's wrong with this year?

Phoebe: Well okay, it's already February and I've only given two massages and they were both the worst tippers in the world!

Monica: That was me and Ross.

Phoebe: Oh that's right!

Ross: Hey, y'know if you want to pick up some extra cash? Some friends of mine made good money doing telemarketing.

Monica: Oh that's a great idea. You're really good on the phone.

Phoebe: Yeah and yeah, and it would probably be better than the last telephone job I had. Y'know, I probably wouldn't have to say spank as much. (Monica and Ross are shocked.)

Ross: What?

Phoebe: Oh yeah, like you never called!

[Scene: The telemarketing office, Phoebe is getting shown to her desk by the supervisor.]

Supervisor: So basically this is very easy. You read from the script and try to sell as much toner as you possibly can.

Phoebe: Okay, I can do that! Oh, by the way, I **love** my office.

Supervisor: (laughs) Why don't we do a trial run.

Phoebe: Oh okay. Umm, all right. (Picks up the phone and starts reading from the script.) Hi, this is Phoebe from Empire Office Supplies, can I speak to your supply manager please?

Supervisor: I'm the supply manager.

Phoebe: Umm, okay I would like to talk to you about your toner needs.

Supervisor: We don't need any toner.

Phoebe: Oh okay, well I'm sorry to bother you. Bye-bye. (Hangs up the phone.) Yeah you're right, this is easy.

Supervisor: Okay, what was wrong with that call?

Phoebe: Oh well, all right...um, no offense, but you were kind of rude.

Supervisor: They're always going to tell you they don't need toner, but that's okay because whatever they say, you can find the answer to it here in this script.

Phoebe: Oh.

Supervisor: So, I think you're ready to sell toner, do you have any last questions?

Phoebe: No. (Pause) Oh wait yes! I do, I do have one question. What is toner?

[Scene: Joey and Rachel's, Chandler is entering.]

Chandler: Joey! Joe! (Sees that he's not here and starts investigating. He picks up the bag of chips.) Full bag. (He picks up the beer.) Beer's still cold. Something **terrible** must've happened here! (He decides it's not that important; sits down on Rosita, and the back falls off causing him to flip over.) Oh no-no-no-no-no-no! (Runs over to Stevie.) Stevie, I was never here! (Runs out.)

[Scene: Ross and Monica's parent's garage, Ross and Monica are arriving to go through their things. Mr. Geller is in the garage.]

Ross: Dad?

Mr. Geller: I'm here!

Ross: (entering with Monica) Hey!

Mr. Geller: Hi. God, it seems like just yesterday you guys used to come out to watch me work.

Ross: Dad, we-we can't believe you're selling the house.

Mr. Geller: Well, it's time for a new family to start their memories here and hopefully their check will clear

Monica: Nooo! (Giggles) Okay. (She tries to pull herself up by Rachel and Joey's doorknob, but the door opens and she almost falls into the their apartment. She manages to catch herself.) Whoa! (Stands up, unsteadily) Okay. See I was, I was a little nervous about turning (whispering) thirty. (Giggles.) So the bus boys took me out for some drinks. (Pause) I wanna puke on you later!

Chandler: Okay, here is the thing. We have thrown a very formal surprise party for you in there! All of your friends are in there and your parents!

Monica: Nooo!!!

Chandler: Yes!

Monica: Nooo!!!

Chandler: Yes!!!

Monica: Oh no! My parents have never seen me drunk! (Pause) That they know of.

Chandler: Okay, here's the thing. We're gonna get you some coffee and they will never know that you're drunk.

Monica: Really?! You promise?

Chandler: Yeah, I'll take care of it.

Monica: Okay. I love you so much. (Kisses him.)

Chandler: (laughing) Okay we have to do something about your breath.

Monica: What about your breath?! (Breathes on him.)

Chandler: That's still yours. Okay, now remember it's a surprise party. So, when you go in, act surprised.

Monica: Okay. I can do that.

Chandler: Okay.

(Chandler opens the door and Monica sneaks up on it. They go inside.)

All: Surprise!!!

(Monica screams and they all stare at her.)

Commercial Break

[Scene: Ross's birthday, Joey is now trying to get his car out while Ross is directing him.]

Ross: Okay, forward. Forward—Stop! (The car moves an inch and Ross runs to the back of the car.) Okay, back—Stop! (The car barely moves and Ross runs back to the front.) Okay, forward—Stop! Stop! Stop!

Monica: Ross, just forget about it. This guy's got you totally wedged in.

(A beautiful woman approaches.)

Woman: (To Joey) Is this yours?

Joey: Well actually...

Ross: No-no-no! It's mine! It's-it's mine. (The woman walks away.)

Joey: Dude, you soooo need this car.

Phoebe: (running up) Okay. Okay, here's what we're gonna do. Okay, I'm gonna break into this mini-van and put it in neutral. You guys push it forward so Ross can drive out of his spot. Okay? All right, here we go. (She opens her coat and reveals that thing car thieves use to break into cars as Ross jumps in behind the wheel. She inserts the device, unlocks the door, opens it, and the alarm goes off.) Haul ass!!!! (Runs off.)

(The rest of the gang runs away, except for Ross who's tramped inside his car. To hide he puts the top up as Monica, Rachel, and Joey come running past.)

[Scene: Phoebe's birthday, she's taking the hippy-hop to Ursula's apartment as a gift. She knocks on the door and Ursula answers it.]

Phoebe: Happy thirtieth birthday! Here! (Hands her the hippy-hop.) It's for the child in you, and the woman. Happy thirtieth!

Ursula: Right, why do you keep saying that?

Phoebe: Because it's our thirtieth birthday.

Ursula: Yeah, no we're not thirty. We're 31. Okay. (She closes the door.)

Phoebe: Wait! (Knocks on the door and Ursula opens it.)

Ursula: Oh, it's you.

Phoebe: Yeah. What?!

Ursula: Yeah, we're not thirty, we're 31.

Phoebe: Nu-uh!

Ursula: Yea-huh! That's what it says on my birth certificate.

Phoebe: You have your birth certificate?

Ursula: Yeah, I got a big box of family stuff when my mom died.

Phoebe: Our mom.

Ursula: (sarcastic) Right! Okay. (Hands Phoebe her birth certificate.)

Phoebe: Do you have my birth certificate?

Ursula: No, I sold it to a Swedish runaway.

Phoebe: (reading the certificate) Oh my God! Oh my God, we are 31.

Ursula: Yeah.

Phoebe: I just lost a whole year of my life.

Ursula: (sarcastic) Okay.

Phoebe: Your middle name is Pamela?

Ursula: Yes.

Phoebe: Well, I never knew mine. Do you remember what it is?

Ursula: Yes! Phoebe.

Phoebe: That's my first name.

Ursula: Right, okay, then no.

[Scene: Monica's birthday, it's just after the surprise.]

Chandler: Okay before we start the celebration, Monica has to go put on her party dress.

Monica: Yay!

Chandler: See? (Does his laugh.) Here we go. (Starts walking her to their room, and has to pass

in front of Mr. Geller who's sitting at the table and Mrs. Geller who's standing next to him.)

Mr. Geller: Happy birthday, sweetie! Give us a hug! (Starts to get up.)

Mrs. Geller: (stopping him) Don't get up Jack! The safety pins are about to blow.

(They continue their trek.)

Monica: (sees someone) Paul!

Chandler: (correcting her) Phil.

Monica: Phil!

Chandler: Now, there is a dress laid out on your bed. (Monica stumbles on the steps.) Okay, (catches her) you're doing great. You're doing great. You're doing fine. (Phoebe approaches as they almost get to their room.)

Phoebe: Hey, what's going on?

Chandler: Monica's a little drunk.

Phoebe: Yay! I love drunk Monica!

Monica: Awwwww... (Giggles.)

Chandler: (To Monica) Go change! (To Phoebe) She doesn't want her parents to know she's drunk.

Phoebe: Ohh! All right! All right. Here's what we'll do, I'll get twice as drunk as Monica and then no one's will even notice her.

(Chandler walks over to where the rest of the gang is.)

Rachel: What's-what's going on? Phil's really pissed!

Chandler: Monica's wasted.

Ross: Maybe that will live up this party.

Chandler: (To Rachel) Okay, will you just go help her change please!

Rachel: Okay, but taking care of a drunk, naked woman seems like a job for Joey.

Joey: Yep. (Starts for Monica's room, but Chandler stops him.)

[Scene: Rachel's birthday, everyone is presenting their presents to Rachel.]

Tag: (handing his to her) This one's from me.

Rachel: Ahh!

Tag: It wasn't on your list, but hopefully you'll think it's really fun.

Rachel: (opening it) A scooter! (She's not happy.)

Ross: (to Tag) Stick to the list. Always stick to the list.

Rachel: No! No-no, I love it. Thank you. (Kisses him.)

Chandler: Okay, open ours next. Open ours next!

Rachel: Okay.

Joey: Now that you're a couple, we don't get two presents from you guys?

Chandler: For my last birthday you gave me a hug! (To Rachel) Okay, read the card! Read the card!

Rachel: Okay. (Opens the card and reads it.) Happy birthday Grandma! It's better to be over the hill (starting to cry) then buried under it. (Breaks down as everyone glares at them.) All our love Monica and Chandler. (Crying) That's funny, yeah!

Chandler: No-no-no-no! That was the joke!

Rachel: (crying) No, I know! I get it! It's funny!

Chandler: No, because you're not a grandmother!

Rachel: No I know, because to be a grandmother you have to be married and have children and I don't have any of those things. That's why it's so funny. (Runs into her room crying.)

Monica: All you had to do was buy the card!

[Scene: Rachel's birthday, a time lapse has occurred. Rachel is coming back into the living room carrying a notepad.]

Ross: Hey! Look who's back! It's the birthday girl! How's the birthday girl feeling?

Rachel: Well, I feel fine, but I think you're bumming out the rest of the kids.

Ross: What? (Glances over and sees the faces of the rest of the group, then goes and sits down.)

Rachel: Okay! Y'know what? I realized it was stupid to get upset about not having a husband and kids. All I really needed was a plan. See I wanna have three kids...

Phoebe: Oh let me guess, and you wanna have them all at the same time and you wanna have them for your brother.

Rachel: As I was saying... I should probably have the first of the three kids by the time I'm 35 which gives me five years. I love this plan! I wanna marry this plan!

Phoebe: If you could do that, I'd marry the hippy-hop.

Rachel: So, if I wanna have my kid when I'm 35, I don't have to get pregnant until I'm 34. Which gives *Prada* four years to start making maternity clothes! Oh wait, but I do want to be married for a year before I get pregnant...

Monica: Really! That long?! (Chandler slowly turns and looks at her.) (To Chandler) Look all you want, it's happening!

Rachel: No, so I don't have to get married until I'm 33! That's three years, that's three whole years—Oh, wait a minute though. I'll need a year and a half to plan the wedding, and I'd like to know the guy for a year, year and a half before we get engaged... which means I need to meet the guy by the time I'm thirty.

Ross: Which is fine! Because you just turned—(Removes two candles from the cake)—twenty-eight!

Rachel: No! Ross, no! It is not fine! Eh-eh-according to my plan I should already be with the guy I wanna marry! (We hear Tag scream out in the hallway and jump into view of the open door on the scooter. He gives a hearty thumbs up to the group and rides off, with Joey following breathlessly behind.)

Joey: Will you quit hoggin' it!

Commercial Break

[Scene: Monica's birthday, Monica is now dressed and is being helped out by Chandler and Rachel.]

Rachel: (To Chandler) I'm telling you it's like watching Bambi learn how to walk.

Ross: (To Monica) You're drunk! Mom and dad are gonna be maaaaadd! Maybe I'm a little drunk.

(Monica sits down on the barca lounge.)

Chandler: (to a waiter) Oh that's great! Right there! Can we get some of that over here please? (The waiter comes

over) There we go.

Joey: (to the waiter) Hey! Are those crab cakes? (The waiter nods) Did I not tell ya to come straight to me when more crab cakes were ready?

Chandler: (To Monica) How are you feeling?

Monica: You are so handsome! I wanna make love to you right here, right now! (Growls and pulls him into a kiss.)

Ross: I really wish that you wouldn't.

Chandler: (To Monica) Now all you have to do is just get through a little bit more, okay? Then we can put you in bed, okay? Just smile and don't talk to anyone.

Phoebe: (clinking two glasses together) Speech! Speech! Let's hear from the birthday girl! Huh?

Chandler: Pheebs!!!

Phoebe: Don't you see? Everyone's looking at me! The plan's working! I didn't even have to take off my top yet!

Mrs. Geller: Speech! Come on Monica!

Ross: Come on!

All: Come on! Speech!

(Monica stands up and wobbles slightly and Chandler runs over to catch her.)

Mr. Geller: (filming this) Hey Chandler, you can't keep your hands off her for one second!

Mrs. Geller: Oh-ho, I think it's nice.

Chandler: I think it's necessary. (Backs away anyhow.)

Monica: I-I-I wanna thank you all for coming. My family and my friends...

Phoebe: (screaming) Wooo!! Hoo!!

Monica: I really like to say that I'm-um... (Pause) Y'know what I'd really like to say? I'm drunk!! (Mrs. Geller pulls the camera down.) That's right mom and dad your little Harmonica is hammered!! (Ross grabs the camera out of his dad's hands.) And guess what! I've been drunk before! And I've smoked a cigarette! And I got a box of *Ding-Dongs* hidden in my underwear drawer! It's all okay. It's okay because I turned thirty today. And, and I can do anything I want! Because I am a grown up. (Falls over sideways with Ross filming the fall.)

Phoebe: (To Joey) Okay quick, help me get this off! (Motions to her top.)

Joey: Yeah!!

(Ross pans the camera over to Phoebe.)

[Scene: Phoebe's birthday, she's telling everyone what she found out at Ursula's while sitting in Central Perk.]

Phoebe: I lost a whole year! I can't believe it! This is so unfair!

Joey: Oh, I don't know Pheebs. It'll be okay.

Phoebe: Will it? Will it? I mean, how would you feel if you found out you were 31?

Joey: That's not gonna happen. No. (Looks up) Because we have a new deal!

Phoebe: Plus, it totally ruined my schedule! I...I haven't done any of the things I wanted to do by the time I was 31!

Joey: Like what?

Phoebe: Like okay I-I-I, I haven't met any Portuguese people! I, I haven't had the perfect kiss! And I haven't been to sniper's school!

Monica: Phoebe, y'know why don't we just go upstairs and have some birthday cake?

Phoebe: No, I just feel like being by myself for a while. All right? I'll see you guys later. Thanks. (Gets up and exits.)

Rachel: Hey. (After she leaves.) Oh, poor Pheebs.

Joey: Hey, y'know what you guys? I think I'm gonna go walk her home. (Gets up and runs out.)

Monica: Oh man!

Chandler: What?

Monica: He's gonna eat the cake!

[Cut outside, Joey is catching up with Phoebe.]

Joey: Pheebs! Wait up! (She stops.) Listen uh, close your eyes. (She does so and Joey passionately kisses her.) Maybe that's one thing you can cross off your list.

Phoebe: Oh yeah.

(Joey starts to walk away, but stops.)

Joey: Oh, and plus I'm 1/16th Portuguese.

Phoebe: Oh! (Phoebe walks away smiling.)

[Scene: Ross's birthday, his car is still trapped in it's spot. Now Joey, Phoebe, and Ross are at the front of the car with Monica, Rachel, and Chandler at the rear of the car.]

Ross: Okay, is everybody clear? We're gonna pick it up...and move it. Now all we need is teamwork, okay? We're gonna lift the car...and slide it out. Lift and slide!

Rachel: Ross, I really don't think...

Ross: (interrupting her) Lift!! And slide!

Chandler: Okay, here we go.

Ross: All right everyone, lift! (They and try to lift the car, of course it doesn't raise up) And slide!! (Everyone leans over, but the car still does not move.)

[Scene: Rachel's birthday, she is coming into the hallway where Joey and Tag are playing with the scooter.]

Rachel: Hey Joey, can I...

Joey: Oh, come on Rach! My turn just started!

Rachel: Actually, I just wanna talk to Tag.

Joey: Oh. Okay. Hey, can I ride this outside?

Rachel: Whatever! Okay, I'm not your mother.

Joey: Okay! (Runs off downstairs.)

Rachel: Not in the street!!

Joey: Yes!

Rachel: (to Tag) Hi.

Tag: Hey.

Rachel: Hey.

Tag: How are you doing? Are you feeling any better?

Rachel: Yeah, I'm doing okay. I'm um...let's talk.

Tag: Okay. (They sit on the step.)

Rachel: Umm...

Tag: What's up?

Rachel: Ohh Tag, umm...you're such a great guy and we have sooo much fun together but I don't-I don't...

Tag: Wait! I think I see where you're going, but before you say anything else, can I just say one more thing? (Kisses her.)

Rachel: Well said. And a uh good example of the fun I was referring to uhh, but I just think I'm past the point where I think I can y'know, just have fun.

Tag: Rachel, don't do this. This is just because you're turning thirty.

Rachel: Yeah, it is! But you're just a kid! I mean you're 25!

Tag: Twenty-four actually.

Rachel: Oh God! Y'know what I wish? I wish you were six years older. Well actually, if I'm wishin' for stuff, I actually wish I was six years younger.

Tag: Me too.

Rachel: Yeah, I'm sorry. (They hug.)

[Time lapse, Rachel is entering her apartment after breaking up with Tag.]

Chandler: Hey! How'd it go?

Rachel: Oh, if I only want two kids, can I keep him for another year?

Phoebe: You did the right thing.

Joey: (entering, limping, and holding his arm) I don't like this anymore. (He sits down with them in pain.)

Chandler: Well, here we are, just a bunch of thirty year olds.

Ross: God, do you realize in ten years we're gonna be 40?

Joey: (crying) Why God?! Why are you doing this to us?! (He buries his head in Ross's shoulder.)

[Scene: Ross's birthday, night has fallen and Joey and Ross are walking by where his car is parked to find that both cars blocking him in have left.]

Ross: Yes! My baby's finally free!

Joey: All-all right! (They run and jump in the car.) Start it up! Let's go!

Ross: (starting it) Whoohoo!

(Just as they are about to pull away, a big, fat, bald guy pulls up in the exact same car as Ross and stops next to him.)

The Man In The Sportscar: How hot are we? (He drives off.)

Ross: You wanna buy a car?

Joey: No.

(Ross shuts it off and they get out.)

End

715 The One With Joey's New Brain

[Scene: Monica and Chandler's, Monica, Chandler, Ross, and Rachel are sitting around the table.]

Monica: I'm glad you're here, we have a couple of things to ask you about the wedding ceremony.

Rachel: (starting to cry) Ohh...

Ross: What's the matter? You okay?

Rachel: Yeah, it's just y'know...

Chandler: (To Ross) Monica said wedding.

Monica: Uh, so anyway, we thought one of you could read something during the ceremony.

Rachel: Oh! I would love to read a poem.

Chandler: Do you think you could get through a poem?

Rachel: (crying) It'll be a short one.

Monica: Okay, so Ross will be doing the reading.

Rachel: Ohhh...

Ross: Okay. Yeah, I guess, I guess I could do that too.

Chandler: Too?

Ross: Yeah, I kind of uh, have something else planned for you guys.

Monica: Do you mind telling us what it is?

Ross: Sorry, I'm kinda keeping this one on the Q.T.

Chandler: Well, whatever it is, I hope it involves winking. (Winks in a spy-type manner.)

Joey: (entering, excited) Hey!

All: Hey!

Joey: So I just talked to one of the DOOL writers today, and...

Monica: What is DOOL?

Joey: *Days Of Our Lives*. Anyway, you're not gonna believe it! My character is coming out of his coma!!

All: Oh!!

Chandler: That's great!

Joey: And-and-and not only that, I'm gettin' a new brain!!

Chandler: So great things are happening at work and in your personal life!

Rachel: Wait, what do you mean you're getting a new brain?

Joey: Oh well, they're killing off one of the characters on the show, and when she dies her brain is being transplanted into my body.

Ross: What? A brain transplant?!

Joey: (seriously) Yes, it's a highly controversial procedure.

Ross: It's ridiculous!

Joey: Well, I think it's ridiculous that you haven't had sex in three and a half months.

Ross: (to Monica and Rachel) It's winter, they are fewer people on the street. (Rachel and Monica smile and nod, knowingly.)

Monica: Who are they killing off?

Joey: Uh Cecilia Monroe, she plays Jessica Lockhart.

Rachel and Monica: Noo!!

Monica: She's my favorite character on DOOL.

Joey: Nice.

Rachel: She is so good at throwing drinks in people's faces, I mean I don't think I've ever seen her finish a beverage.

Monica: And the way she slaps all the time!

Rachel: Oh!

Monica: Wouldn't you love to do it just once?! (Raises her hand towards Chandler.)

Chandler: Don't do it.

Rachel: Cecilia Monroe man, what a great actress.

Joey: Oh, tell me about it. And she's been on the show forever, it's gonna be really hard to fill her shoes.

Ross: Yeah-yeah, help me out here, when you come out of the "brain transplant," you are going to be her?

Joey: Yes, but in Drake Remoray's body. (Ross laughs unbelievably.) Why is this so hard for you to get? I thought you were a scientist!

Opening Credits

[Scene: Phoebe and Rachel sitting on the couch in Central Perk]

Phoebe: (Clears Throat) Rach, so, that guy there. Straight or gay?

Rachel: (They both look behind them.) Well, I'd have to say gay.

Phoebe: Yeah? Why?

Rachel: Well mainly because he's kissing that other guy.

Phoebe: Oh no not that guy there. That guy right there. (Pointing to an attractive man sitting at a table behind them.)

Rachel: Oh yeah he's too cute to be straight.

Phoebe: (A woman with large breasts walks in the door) Ohh knockers will help us figure it out. (She walks by and he checks her out.)

Rachel: All right, straight, and not subtle. (The man gets up and leaves.)

Phoebe: Ohh, he left his cell phone.

Rachel: Oh, well, we can hand it to Gunther and he'll put it in lost and found.

Phoebe: Or we could use it to call China. See how those guys are doing.

Rachel: What if, um, if he calls his own cell phone to find out who found it and I answer and we start talking and we fell in love. I mean wouldn't that be a great story? Kind of like a fairy tale for the digital age.

Phoebe: Yeah... That does sound great. I'm going to get the phone. (They both get up.)

Rachel: What? Wait! Why...why do you get the story?

Phoebe: I don't know. I haven't been out on a date in so long.

Rachel: Phoebe, you had a date three days ago.

Phoebe: That wasn't a date! That was, that was just friends getting together...(quietly) having sex.

Rachel: Okay. Okay, see? I get the phone.

Phoebe: No way! No way! You **just** broke with Tag a week ago.

Rachel: Yeah! (Breaking up) And until now, I didn't think I'd love again.

Phoebe: Nice try.

Rachel: Oh hey-hey wait! How do we fairly decide who gets the phone?

Phoebe: I don't know.

(They edge closer to the phone on the table.)

Rachel: Well umm, maybe we could uhh... (Grabs the phone) Ah-ha! Too slow!!

(She holds the phone out and starts taunting Phoebe. Phoebe calmly knocks the phone out of Rachel's hand and catches it.)

Phoebe: Ah-ha! Too cocky!

[Scene: Silvercup Studios, Joey is watching Jessica Lockhart perform a scene.]

Dina: I'm going to keep dating him Mother, and there's nothing you can do about it!

Jessica Lockhart: Oh yes there is!

Dina: What are you going to do? Kill him? Like you did with Charles?!

Jessica Lockhart: (gasps) That was an accident! And so were you.

Dina: Well, at least I'm not a murderer! (Jessica slaps her.)

Jessica Lockhart: (crying) Oh, my baby! (Hugs Dina, but moves Dina's head to her other shoulder so that she's the only one in the picture.)

The Director: Cut!

(Joey walks up to Cecilia Monroe who plays Jessica.)

Joey: That was a great scene! And-and-and that slap looks so real! How do you do that?

Cecilia: Oh, just years of experience.

Dina: (crying) Can I get some ice here?!

Joey: Oh anyway, I just wanted to say how wonderful I think you are.

Cecilia: You're not the fan who's dying are you?

Joey: Say what?

Cecilia: I'm supposed to meet and hug a fan whose dying, but that's not supposed to be until (to no one in particular) later!

Joey: No. No. I'm Joey Tribbiani; we did a scene together yesterday. I-I'm the guy in the coma!

Cecilia: Oh that was a real person?!

Joey: An-an-anyway I-I just wanted to say that since I'm getting your brain when you leave the show, I was wondering if there was any tips you can give me...

Cecilia: I-I-I'm leaving the show?

Joey: (quickly) I don't know. Why? Did you hear something?

Cecilia: Who told you that?

Joey: Oh uh, one of the writers.

Cecilia: Which one? Was it bald or was it tall?

Joey: Umm...

Cecilia: Y'know what? It doesn't matter! Because it is not

true!

Joey: Okay.

Cecilia: And if it were true, how **da**re you come to me ask me for tips about a character that I've been playing for 20 years—I'll give you a tip! (She throws her drink in his face.)

Joey: Ms. Monroe... (She slaps him) Oh there you go. (She storms off, leaving Joey standing next to Dina. They share a nod at the ferocity of the slap they just received.)

[Scene: Central Perk, Phoebe and Rachel are still arguing over the phone.]

Rachel: No Phoebe! You cannot get the phone that way; that's not fair! Okay look, I have an idea. Why don't we, why don't we see what kind of number he has on his speed dial, and then from that we can tell who has more in common with him. And then whoever does gets the phone.

Phoebe: Or, we can decide by whose ever name is closer to the word phone.

Rachel: I don't think so.

Phoebe: (handing Rachel the phone) Fine all right, but I'd bet you'd be singing another tune if we were fighting over a ratchet.

Rachel: (checking the speed dial) All right, first name on the speed dial is mom.

Phoebe: Ohh, I lost my mom to suicide.

Rachel: Okay no way, you cannot use that to get the cute guy and the last blueberry muffin.

Phoebe: Did I use that already today? I'm sorry.

Rachel: Yes okay. (Checking the speed dial again.) Well now see this isn't telling us anything. (Reading the speed dial) Joe. Carlos. Peter. Ooh! Peter Luger! T hat's a steak house!

Phoebe: Okay, a meat eater. Fine, that's one for you.

Rachel: (looking at the speed dial) Oh, I win! He's got *Barney's* on his speed dial.

Phoebe: So you don't know that's *Barney's* the store! That can be y'know his friend's house, or a bar. Who has *Barney's* the store on their speed dial?

Rachel: (showing Phoebe her phone) His new girlfriend!

[Scene: Monica and Chandler's, Monica and Chandler are eating lunch, when they start to hear a horrible screeching noise. It sounds like someone is skinning a cat.]

Monica: What is that?

Chandler: I think it's the dying cat parade.

Monica: It sounds like it's coming from across the street.

Chandler: (turning around and looking) Oh my God!

Monica: What?

Chandler: Y'know that thing that Ross was gonna do at our wedding?! He was hanging out with me yesterday and he turned to me and said, "You're half Scottish right?"

Monica: Nooo!!

Chandler: Yes!!

[Cut to Ross's apartment, he his playing the Bagpipes, badly. He's worse than that whole keyboard thing a few years ago.]

Commercial Break

[Scene: Monica and Chandler's, scene continued from earlier. They both get up and move to the window.]

Monica: No, there is no way! It can **not** be Ross! (She looks through the window and sees Ross practicing and fumbling around with the pipes.) Unbelievable! **Why** is your family Scottish?!

Chandler: Why is your family **Ross**?!

Monica: He cannot play at our wedding! I mean everyone will leave! I mean come on, that is just noise! It's not even a song!

Chandler: If you listen very carefully, I think its *Celebration by Cool and the Gang*.

[Scene: Phoebe's apartment, Phoebe is putting out some Sunflower seeds as Rachel enters.]

Rachel: Hi Pheebs!

Phoebe: Hi!

Rachel: How are ya?

Phoebe: Good.

Rachel: Umm Pheebs, remember when we were in the coffee house we decided that I was going to keep the uh, the cute guy's cell phone?

Phoebe: Yeah.

Rachel: And remember how I said I was going to keep it in my purse so that if it rang I could just pick it up?

Phoebe: Yeah!

Rachel: And do you remember going into my purse and stealing the phone?!

Phoebe: Ooh, now you lost me.

Rachel: You stole the phone!

Phoebe: No I didn't!

Rachel: No? So you're saying that if I called it, it wouldn't ring?

Phoebe: No.

Rachel: Umm, okay. But while you dial, let me show you the features of my new ringing handbag. (Rachel dials her phone and Phoebe's bag starts to ring.) Oh, it does work! (Rachel grabs the phone and takes it out of Phoebe's handbag.)

Rachel: Phoebe!

Phoebe: That is a different phone.

Rachel: Oh is it?! (She answers the cute guy's phone.) Uhh, hello? (On her phone) Yes hi, is Rachel there? (On the other phone) Yes she is, just one moment please. (To Phoebe, holding out both phones.) It's for me!

Phoebe: That is damning evidence. (The cute guy's phone rings.)

Rachel: Oh my God! I bet that's him. My digital fairy tale is about to begin. I wonder how I should be? Should I be uh (In a sexy voice) Hello? Or should I be

Carol: Can I ask what—Come on in.
Rachel: Okay.
Carol: Umm uh, I'll make some coffee and we can uh, chat.
Rachel: I'd love that. I would loooove... (Carol goes to make the coffee and she sits down.) So uh, so where is sweet little Ben? I would love to have a little...
Ben: (jumping up from behind her chair) Gotcha!! (Rachel jumps up startled.)
Rachel: I found him! (To Ben) Very funny, come here! (She sits down on the coffee table and Ben walks up.) That is exactly why I've come here to talk to you okay?
Carol: (from the kitchen) Rach, do you want some sugar in your coffee?
Rachel: Yes oh—(To Ben)—Do I want sugar in my coffee? (Ben nods no.) No, just some milk would be good Carol. Thanks. (To Ben) Okay, do you remember all that stuff I taught you yesterday?
Ben: (mimicking her) Remember all that stuff I taught you yesterday?
Rachel: Don't do that.
Ben: Don't do that.
Rachel: Seriously, your dad doesn't like pranks.
Ben: Seriously, your dad doesn't like pranks.
Rachel: Oh damnit!
Ben: Oh damnit!
Rachel: No! Don't say that! Don't say that!
Ben: Damn it!
Rachel: No don't!! Go back to repeating!
Ben: Damn it!
Rachel: Oh crap!
Ben: Oh crap!
[Scene: Monica and Chandler's, Phoebe, Joey, Chandler, and Monica are returning from Central Perk.]
Phoebe: I feel like my face is swelling. (To Monica) Is my face swelling?
Monica: Phoebe, your face is fine! Come on, none of this stuff is going to happen to you! Stop being such a baby!
Phoebe: Oh, interesting you should call me that! Now that I may never have one! (Holds up the warning label.)
Joey: Okay you guys, I got a little more written. Are you ready?
Chandler: Yeah. O-okay.
Joey: (reading) "When I think of the love that these two givers and receivers share, I can not help but envy the lifetime ahead of having and loving and giving and..." And then I can't think of a good word for right here. (He points to the stop on the paper where he left off.)
Monica: How about receiving?
Joey: Yes!
Chandler: See Joe, not that that's not grrreat! But, one of the cool things about having somebody we know perform the ceremony is that it can be about us! Y'know, it can be more personal. You can tell stories about us!
Joey: Ooh, like the time you and I went to Atlantic City and I made you laugh so hard you threw up your whole steak?! Remember?
Chandler: No, not us... (Motions Joey and him.) Us! (Motions Monica and him.)
Monica: I gotcha. Sorry. (To Monica) So, did you ever make him throw up a whole anything?
Phoebe: Did you ever feed him a poison capsule that made him bleed from the eyes?
Monica: It doesn't say that!
Phoebe: Oh! Suddenly somebody knows all about the side affects!
Chandler: See Joe, we want you to tell stories but y'know, romantic stories. Nice stories.
Joey: Oh. Okay. Ooh! Ooh! Okay, maybe I'll talk about London! Y'know when you two hooked up! Only, only I won't say hooked up. I'll say, "Began their beautiful journey..."
Monica: There you go!
Joey: "...by doin' it."
Chandler: Joe?
Joey: Okay. All right. Umm, so uh, so how did it happen? Did your eyes meet across the room? And then the next thing y'know you're in the bathtub together and she's feeding you strawberries?
Chandler: Isn't that what happened with you and the bride's maid?
Joey: Yeah!! I call that London style.
Monica: No that is not what happened with us. Well, I was umm, I was really sad that night because this guy that I was Ross's mom.
Joey: Oh.
Monica: And then Chandler was, was really sweet and he consoled me. And well we drank too much...
Joey: Yeah baby!
Chandler: And I was a perfect gentleman and I walked her to her hotel room and said goodnight.
Joey: Oh.
Chandler: But then later that night...
Joey: Yeah baby!
[Cut to London, Chandler's hotel room. He is getting ready for bed by doing push-ups. One push-up. Just as he gets under the covers, there's a knock on the door.]
Chandler: (answering the door) Hey!
Monica: (standing outside) Cute PJ's! You're really livin' it up here in London huh?
Chandler: Well I was... I was exactly expecting company after...(He looks at his watch.) 9:15.
Monica: (entering) Is Joey here?
Chandler: Well, last time I saw him he was heading out the door with the bride's maid and a bucket of strawberries. So uh, you're not still upset about what that guy told ya are ya?
Monica: Wouldn't you be?
Chandler: Well, look it's been a really emotional time y'know, and you've had a lot to drink. And you've just got to let that go okay? I mean you were the most beautiful in the room tonight!
Monica: Really?
Chandler: You kidding? You're the most beautiful woman in most rooms... (She jumps up and kisses him.) (Breaking the kiss.) Whoa! Whoa! Whoa! What's going on? You and I just made out! You and I are making out?
Monica: Well, not anymore.
Chandler: But we don't do that.
Monica: I know, I just thought it would be fun.
Chandler: How drunk are you?
Monica: Drunk enough to know that I want to do this. Not so drunk that you should feel guilty about taking advantage.
Chandler: (thinks) That's the perfect amount!
Monica: Okay!
(They run to the bed, sit down, and start making out again.)
Monica: (breaking the kiss) Y'know what's weird?
Chandler: What?
Monica: This doesn't feel weird!
Chandler: I know.
Monica: You're a really good kisser.
Chandler: Well, I have kissed over four women. (They kiss again.) Do you wanna get under the covers?
Monica: Hm-hmm!
Chandler: Okay!
(They do so and they take off their clothes.)
Monica: Wow! You are really fast!
Chandler: It bodes well for me that speed impresses you.
Monica: We're gonna see each other naked.
Chandler: Yep!
Monica: Do you wanna do it at the same time?
Chandler: Count of three?
Monica: One!
Chandler: Two!
Monica: Two!
Monica and Chandler: Three! (They lift up the covers and check each other out, then come back up with silly grins on their faces.)
Chandler: Well I think it's safe to say that our friendship is effectively ruined.
Monica: Eh, we weren't that close anyway!
Chandler: Eh!
(They start making out again, and it takes Joey trying to enter to stop them.)
Chandler: Joey! Joey! Joey! J-J-Joey-Joey-J-Joey!
(Monica hides under the covers as Joey enters. Remember?)
Joey: Hey!
Chandler: Hey Joe! I was just watching a movie-e-e... (Notices that the TV is turned off.)
Joey: Oh, dude I'm so sorry!
Chandler: Nol Nol Nol!
Joey: Hey no-no-no-no! It's cool! It's cool! I-I'll only be a second, I'm still with my bride's maid, I just—Where are those condoms you brought?
Chandler: They're in my bag over there. (Points.)
Joey: Ah. (Joey walks to Chandler's bag by getting as far away from Chandler's bed as possible.)
Chandler: Uh, could you leave me one?
Joey: (pause) For just you?
Chandler: Yeah.
Joey: Hey listen, why don't you come downstairs with me? There's some really nice girls down there.
Chandler: No I-I-I'm fine.
Joey: All right, here you go buddy. (He tosses him one.) Go nuts. (Exits.)
[Cut back to Monica and Chandler telling Phoebe and Joey the story.]
Joey: That's what that was?! 'Cause that other thing? I thought you were on to something, but it did nothing for me.
Monica: Okay, can we change the topic? Because it's really doing nothing for me.
Joey: Oh... (To Chandler) Can you imagine if I hadn't left you that last one? You two might've never gotten together. Ooh-ooh! Could you imagine if I sent that hooker up to the room like I was gonna?! It's like it was in the stars!
Phoebe: Yeah, it's totally meant to be. (To Monica) Tell him who you originally wanted to hook up with that night.
Monica: What?!
Chandler: What?
Phoebe: (To Joey) What?!
Chandler: Who did you originally want to hook up with?
Monica: Okay, fine but please don't be upset! Okay? I was really depressed okay? And really drunk! I just wanted something stupid and meaningless. I just wanted...just sex. So, when I...went to your room that night...I was actually looking...for Joey. (Joey smiles.)
Joey: Yeah baby! (Chandler glares at him.) No baby!
Commercial Break
[Scene: Monica and Chandler's, scene continued from earlier.]
Chandler: (To Monica) So you came to the room looking for Joey? Did you ever in-intend on telling me about this?
Monica: No because it-it didn't seem important.
Chandler: Oh, it's not important? It's not important?! If it wasn't for a bride's maid you'd be marrying him (Points to Joey) not me!
Monica: Noo!! The point is that is was you that was there that night! It is you that I am marrying! It is you that I feel in love with!

Joey: Really? I can do it?
Chandler: I'd love it if you would do it.
Joey: Hey! (They hug.)
Chandler: But those are the words! Those **exact** words!
Joey: Well I don't know remember exactly but, it's-it's pretty much about having and giving and sharing and receiving.
 [Scene: Joey and Rachel's, Rachel is in the kitchen as Ross and Ben are entering.]
Ross: Hey!
Rachel: Hey!
Ross: Hey I'm sorry to do this to you again but uh, is there any way you can look after Ben for a little bit? I-I've got this meeting at school. And-and he-he asked for his uh, 'Fun Aunt' Rachel, so...
Rachel: Ohhh! Well of course I will watch him! We have fun, don't we Ben? (He nods yes.)
Ross: Okay, I'll see you later pal.
 (Ross turns to leave.)
Rachel: Ohh, okay. (Ross has a sign on his back that reads 'Poop.') Wh—Ah-ha! (Ross stops and turns.) Wait a minute. Uh Ben, I can't do it.
Ross: What?
Rachel: I can't let him go out that way, he's got a meeting. (To Ross) You've got something here on your back.
Ross: What? (She takes the sign off and hands it to him.) That's great. That's great. (Crumples up the paper and throws it down in anger.) What did we just finish talking about Ben?!
Rachel: Oh I...
Ben: What did we just finish talking about Ben?!
Ross: All right, that's it! (He runs over to Ben, but he runs past him and out the door.) Come—you—no! You are in big trouble young man!
Rachel: No! Wait! Come on!
 [Cut to the hallway, Ben runs upstairs with Ross in pursuit.]
Ross: Wait! No! Ben, come here! I am **not** kidding!
Rachel: No you guys... (She walks out into the hallway.)
Ross: I-I-am—(Suddenly Ross starts screaming and comes falling down the stairs landing just in front of Rachel.)
Rachel: EHHHHHHHHHHHH!!!!!! My God!!!!!!
 Oh my God!!!!!! (She runs over to him and finds that it was a dummy and that she had been had.)
 [Scene: Central Perk, Chandler and Monica are entering. Phoebe and Joey are sitting on the couch.]
Joey: Hey!
Monica: Hey-hey.
Joey: So are guys doing okay?
Chandler: Yeah, we talked and Monica made me see that I over reacted a little bit and some things in life are more important.
Monica: Yeah baby! (Phoebe and Joey nod.)
Phoebe: I'm really glad you guys are okay but, I just keep thinking what would happen if-if you two (Points to Monica and Joey) actually had hooked up.
 [Scene: Monica and Joey's, Monica is cooking.]
Monica: Honey! Dinner's ready!
 (Joey, whose new diet is working out great, he looks like he only weighs 375 down from 420 enters from the bedroom.)
Fat Joey: What's my little chef got for me tonight?
Monica: Your favorite!
Joey: Ho-ho-ho, (pausing for a rest next to the fridge) fried stuff with cheese!
Monica: Yep! And lot's of it!
Fat Joey: Thanks sweetheart. Give me a little sugar here. (They kiss.) Okay.
 (Joey sits down.)
Monica: Okay, in we go.
 (Monica gets behind him and in combination with his sliding the chair forward and her pushing with her leg manages to get up to the table.)
Fat Joey: Here we go! Here we go! Here we go! (Groans and picks up a piece of food.) How you doin'?
 Ending Credits
 [Scene: Central Perk, Joey is getting Phoebe some coffee.]
Joey: Here you go.
Phoebe: (still reading the label) Oh my God! This is a six-hour pill! (Checks her watch) That's it! I'm out of the woods! Ohh! What a relief!
Joey: Good for you!
Phoebe: Oh, it's like huge weight has been lifted! 'Cause look, (reads the side affects) no hair loss, not a rash, no hives, I'm just so happy! Because no shortness of breath, no temporary euphoria—Oh. End

717 The One With The Cheap Wedding Dress

[Scene: Central Perk, Monica, Chandler, Phoebe, and Joey are there. Monica is holding a piece of paper.]
Monica: So the wedding caterer sent me this list of twelve appetizers and I have to narrow it down to six.
Joey: Food? Uh-huh gimme! (She hands him the paper.)
Chandler: So did Monica tell you about this great band called the Swing Kings that we're trying to get to play at the wedding?
Phoebe: Since when are you into swing music?

Chandler: Oh since forever! I used to go all over town listening to bands!
Monica: Chandler.
Chandler: Gap commercial. (To Monica) So did you book them? Did you call?
Monica: I will.
Chandler: Do you want me to call?
Monica: No, I'll do it. You just stick to your job.
Phoebe: What is your job?
Chandler: Staying out of the way.
Joey: This is impossible Monica, why don't you just pick all 15? (Hands back the paper.)
Monica: There were only twelve.
Joey: Oh yeah, I added three.
Monica: What are peanut butter fingers?!
Joey: Oh yeah... (He mimes sticking his fingers into a jar of peanut butter, scooping some out, and eating it off his fingers.)
 Opening Credits
 [Scene: A Street, Chandler and Ross are at a newsstand.]
Ross: (noticing a beautiful woman moving in down the street) Well hello! She's cute! Should we uh, go try to talk to her?
Chandler: Sure! That's one of the great things about being engaged. I'm not nervous talking to pretty girls anymore.
The Woman: Could you guys help me? (Chandler shyly exhales and looks away.)
Ross: Uh yeah! Let me, let me get that for you.
The Woman: It-it's really heavy.
Ross: (exhales) I got it. (He lifts the box and grunts under the strain.) (Calmly) So hi, I'm uh, I'm Ross and this is my friend Chandler. (He shyly waves.)
The Woman: I-I am Kristen.
Ross: Kristen, hi. Are you uh, new to the area, 'cause if you are...I'd love to show you around sometime.
Kristen: ...I uh, actually just moved from four blocks over.
Ross: Ah.
Kristen: But-but this block is like a whole other world.
Ross: Y'know actually it does have a very interesting history. Uh, this street is the first street in the city to have an underground sewer system. (Kristen crinkles her nose at that.) Before that sewage and waste would just flow right down the street. Yeah, sometimes ankle deep! (He stops when he realizes what he's talking about.)
Chandler: (To Ross) Smooth.
Kristen: (To Chandler) Excuse me? (Chandler does the shy thing again.)
Ross: Umm, say you're gonna be starving after all this moving. What do you say I take you to dinner tonight?
Kristen: Oh I'd like that.
Ross: Yeah?
Kristen: Yeah.
Ross: Great! Uh, let me take this up for you. (The box he's holding.)
Kristen: After you.
Ross: Oh no-no, after you. (She grabs a chair and heads upstairs.) (When she's gone.) Oh my God! (He drops the box and Chandler can't pick it up.)
 [Scene: A Bridal Shop, Phoebe and Rachel are waiting for Monica who is trying on her wedding dress.]
Phoebe: (wearing a veil) Am I crazy or does this totally go?!
 (Monica enters from the dressing room wearing her gown.)
Rachel: Oh my God! You look so beautiful!
Phoebe: (To Rachel) Thank you Rachel but, look at Monica!
Monica: This is it. Yeah, this is the one. I can't believe I found it!
 (Another woman walks up.)
The Woman: Wow you look so beautiful! If I knew you, I'd cry.
Monica: Well I'm Monica Geller, ball like a baby.
The Woman: I'm Megan Bailey.
Monica: Have you found your dress yet?
Megan: Oh no, these dresses are all so amazing but there is no way I could afford one.
Monica: No, I can't afford this either. No. I-I-I'm, I'm just to figure out which one I want then I'm gonna get it at Kleinman's, this discount place in Brooklyn, day after tomorrow they are having a huge sale.
Megan: Oh, thanks for the tip.
Monica: Yeah! So-so when are you getting married?
Megan: Oh I'm not, I just like to try these on.
Rachel: I do the same thing.
Megan: I'm just kidding. I'm getting married July 25th.
Rachel: I'm just kidding too. (Laughs) I'm getting married in December. (Turns away not happy with herself.)
Megan: (To Monica) So when are you getting married?
Monica: Oh May 15th.
Megan: Oooh it's getting close!
Monica: Yeah!
Megan: So uh, who's your photographer?
Monica: Jeffery.
Megan: We met with him. Did he show you the photos of the nude wedding he did?
Monica: The best man? Wow!
Megan: I know! I almost called off my wedding. Oh, who's your band?!
Monica: Oh, my fiancée wants the Swing Kings.
Megan: Oh, you're so lucky. My fiancée wants the heavy metal band Carcass.
Phoebe: Ooh, is that spelled with a 'C' or a 'K'? Oh my God! It doesn't matter; they're both great!
 (Another woman walks past Rachel carrying a wedding dress.)
Rachel: Oh y'know what? Y'know what? Now that you know what you want you should go to Kleinman's and get it half off. This place is so overpriced.
The Woman: I own this store.

Rachel: So, does this (The dress) come in another color or... (The store owner walks away.)
 [Scene: A Street, Joey is walking by Kristen who is still moving in.]
Joey: (checking her out) Hi! You uh, movin' in or movin' out?
Kristen: I'm moving in.
Joey: Oh uh, can I give you a hand?
Kristen: Oh okay. But y'know what? Be careful. Because a guy was helping me before had to leave because he hurt his back.
Joey: Boyfriend?
Kristen: No.
Joey: I'm Joey. (They shake hands.)
Kristen: Kristen.
Joey: Oh wow, what a beautiful name! (Pause) What is it again?
Kristen: Kristen.
Joey: Got it! (He picks up a lamp.) So...
Kristen: So uh, do you live around here?
Joey: Yeah! Yeah! Right down there. (Points.) Hey listen; let me give you a little tip. Do not take a nap on this stoop (Points to hers) or you can wake up with your shoes gone.
Kristen: I'll remember that.
Joey: Okay. Yeah. Listen would you uh, would you like to have dinner with me tonight?
Kristen: Oh I, I have plans tonight.
Joey: Oh.
Kristen: But how about tomorrow?
Joey: Sounds great! Okay all right, well where does this go? (The lamp he's holding.)
Kristen: You look strong, why don't I take that and you grab one of the boxes.
Joey: Okay. Yeah. (She leaves and he goes to pick up a box marked books, but decides to take the box marked pillows instead.) Yeah, I'll grab this one. (He follows her upstairs.)
 [Scene: Kleinman's, a horde of women including Rachel, Phoebe, and Monica are waiting for the store to open.]
A Woman: What is taking so long?! I mean whatever!
Rachel: (To Phoebe) So this is Brooklyn.
Monica: All right, listen up. There is usually only one dress in each size so when they open those doors, fan out. Now, this is what you're looking for! (Holds up a picture of it.) Memorize it! When you locate the dress, blow on these. All right? (She passes out whistles to them.) Three short blasts, when you hear it. Come running.
Rachel: Okay.
Phoebe: Got it.
Monica: All right.
 (A worker comes to open the door and the horde starts to press forward.)
A Woman: Here he comes! Hurry!
Rachel: Oh they're pushing! They're pushing!!
Monica: (To Rachel) Hey! **Don't** be a baby!
Rachel: Well I...
 (The door opens allowing the horde to charge in, knocking Rachel out of the way and to the ground.)
A Woman: Let's go!!
Phoebe: (coming back out) Hey! Rachel! Come on!!!!
 [Time lapse, inside the store, Monica is frantically looking for her dress.]
Monica: No. No. Not it. Not it. Not it. (Checks another rack and another woman tries to reach around her.) (To the woman) Don't crowd me! (Finds it) This is it! This is the dress! Oh my God, it's perfect! (She takes it off of the rack and someone has a hold of it on the other side of the rack and tugs on it.) I'm sorry, this one's taken! (The other woman tugs harder pulling Monica through the rack.) Whoa!
Monica: Megan!
Megan: Monica!
Monica: You came?!
Megan: Yeah!
Monica: This is my dress!
Megan: No!
Monica: Yes it is! You saw me wearing it!
Megan: And now you'll see me buying it.
Monica: What? You freak! You wouldn't even have known about this place if it wasn't for me!
Megan: Look, you don't want to fight me.
Monica: Maybe I do! I'm pretty feisty! (She blows the signal.)
 [Cut to Phoebe in another part of the store.]
Phoebe: (hearing the signal) I'm coming! I'm coming! (She takes off towards the signal and almost knocks another woman over.)
 Woman: Hey!
 (She hears another signal in another direction.)
Phoebe: Okay! (Runs that way and hears another whistle blast.) Hey! (Heads the other way and hears another blast.) What do I do?!! (She runs in the second direction and finds that the whistling is coming from inside a rack. She moves the dresses out of the way to find Rachel curled up in a fetal position frantically blowing on the whistle.) What are you doing? (Rachel doesn't stop.) Did you find the dress? (Rachel won't stop so Phoebe pinches her nose shut which causes her to spit the whistle out.)
Phoebe: Did you find the dress?
Rachel: No! You gotta get me out of here Phoebe! These bargain shoppers are crazy!
Phoebe: I—We gotta get Monica. (She starts to leave.)
Rachel: No! You gotta hold my hand!!
Phoebe: Oh my God!! (She grabs Rachel's hand and drags her towards Monica.) Excuse me! Excuse me! (She's knocking women and veils out of the way as she

moves.)
 (She gets to Monica who has the dress balled up in one hand and is sitting on Megan who is sprawled out on the floor.)
Monica: (handing Phoebe the dress) Go! Go! Go!
Rachel: (seeing who's trapped) Hey...
Monica: NOW!!!!!!! (Rachel runs off and Monica gets up to follow her.)
 [Scene: Central Perk, Chandler and Ross are there.]
Chandler: So Ross, how was your date the other night? Did you tell her about the magical ride that starts with the flush of every toilet?
Ross: Laugh all you want but uh, she actually left me a message saying she'd like to go out again.
Chandler: Huh.
Ross: Yeah in fact, I'm gonna go call her right now. And I'll make sure to tell her my friend Chandler says... (He mimics the shy reaction Chandler did.)
Joey: (entering) Hey Chandler!
Chandler: Hey!
Joey: Listen, sorry I didn't stop by last night but I had a date.
Chandler: Uh Joe, when it's one o'clock in the morning and you don't come by? That's okay!
Joey: Well check it out, I was with this really hot girl who just moved in right across the street!
Chandler: Really? Right across the street?
Joey: Yeah!
Chandler: When'd you meet her?
Joey: Two days ago.
Chandler: Excellent! Y'know Ross met somebody too!
Joey: Oh yeah?
Ross: (returning) Hey.
Chandler: Hi! How'd it go?
Ross: Oh great! We're going out again Saturday. But I just found she's also seeing some other guy.
Chandler: (sarcastically shocked) Really?! Joe? What would you do if you were in Ross's situation?
Joey: Well, I sorta am. I mean yeah, I'm dating this girl who's also seeing another guy. But, I don't know, I'm not worried about it.
Ross: Well you shouldn't be. Believe me I wouldn't want to be the guy who's up against you. (Chandler laughs.) I mean that doofus is going to lose!
Chandler: So this is nice! I wish I didn't have to go, believe me! But unfortunately I have to. (He gets up and Joey moves over next to Ross.) Oh uh, by the way, what's the name the girl you're dating?
Joey and Ross: Kristen Lang.
Chandler: Bye! (Exits.)
 Commercial Break
 [Scene: Central Perk, time lapse from the earlier scene.]
Ross: Well obviously only one of us can keep dating her.
Joey: Obviously! So, how do we decide?
Ross: Well now let's let's look at this objectively, I think I should date her...
Joey: (not buying it) Uh-huh. Uh-huh. Or, or I'm the one who dates her.
Ross: That's interesting, but check this out. I date her...
Joey: Yeah-yeah I like that but just to go in another direction...
Ross: Okay, okay. This can go on for a while.
Joey: Yeah well we should order some food then.
Ross: No Joey! Look why don't, why don't we just let her decide? Okay? Hey-hey, we'll each go out with her one more time. And-and we'll see who she likes best.
Joey: (smiling) That sounds fair.
Ross: Maybe I'll take her to that new French restaurant down the street...
Joey: Ah yeah—wait a second now! Look we're gonna have to set a spending limit on the date. I don't have the money to take her to a fancy place like that.
Ross: Well sorry, that's what I do on dates.
Joey: All right, well I guess I'll just have to do what I do on dates.
Ross: So let's decide on the spending limit...
Joey: Yeah. Uh, (thinks)...a slice...(Thinks)...six dollars?
Ross: I was thinking more like a hundred.
Joey: Okay. Can I borrow 94 dollars?
 [Scene: Monica and Chandler's, Monica, Phoebe, and Rachel are admiring Monica's wedding dress.]
Monica: Oh...
Phoebe: I know. Hand me a tissue. (Monica hands her one.)
 (Rachel goes to the fridge, opens it, and blows on the whistle Monica gave her at the store, which causes Phoebe and Monica to turn around and look at her.)
Rachel: You're out of *Diet Coke*.
 (The phone rings and Monica answers it as Rachel goes into the bathroom.)
Monica: Hello? (Listens) What?! (Listens) You what?! (Listens) Hey you listen here missy! (Listens) Wh—(She is hung up on.)
Phoebe: What?!
Monica: That was that girl Megan! She booked the Swing Kings on the day of our wedding and said that I couldn't have them back unless I gave her the dress!
Phoebe: (gasps) Does that mean Carcass is

available?
Monica: What am I gonna do?! That is the dress! That is the dress! Wh...Chandler wants the band. What do I do?
Phoebe: Well just figure out a way to talk him out of it.
Monica: How?
 (There are three short whistle blasts from the bathroom.)
Rachel: You're out of toilet paper!
 [Scene: Ross's apartment, Ross is getting ready for his date with Kristen.]
Joey: (entering) Hey!
Ross: Hey! What's up?
Joey: I just wanted to come by and y'know, wish you good luck on your date.
Ross: Oh thanks!
Joey: Yeah. What time are you meeting her?
Ross: We have 8:00 reservations at Grammercy Bistero.
Joey: Wow, that's in like 20 minutes. You'd better get dressed.
Ross: I am dressed.
Joey: Oh. Well good! (To himself) For me. (He picks up a jar of lotion.) What is this? Did you give yourself a facial?
Ross: I have an oily T-zone!
Joey: Okay dude! (Finds a receipt.) Hey you uh, you sent Kristen flowers.
Ross: That's right.
Joey: You spent a hundred dollars. That's the limit. You're screwed!
Ross: Uh actually, I sent the flowers before the actual date. So technically, technically I didn't break any rules. Thanks for stopping by though.
Joey: Oh-oh! So that's the way it's gonna be huh? Yeah I can break the rules too y'know!
Ross: Oh yeah? What are you gonna do?
Joey: I don't know.
Ross: Why am I not surprised?
Joey: Y'know what Ross? I'm not gonna let you get away with this!
Ross: I don't think you have much choice.
Joey: Well we'll see!
Ross: Bye-bye!
Joey: Yeah bye-bye! (Exits and comes back in still holding the lotion.) Hey! So just a light layer?
Ross: Yes. Yes. Just here (Runs his fingers down the bridge of his nose) and there (Runs his fingers across his forehead).
 [Scene: Monica and Chandler's, Chandler is entering without touching anything with his hands. Phoebe, Monica, and Rachel are there.]
Chandler: Joey got meat sauce on the banister again! (He goes into the bathroom to wash his hands.)
Phoebe: Yeah, swing music is so out.
Monica: Phoebe, he's gotta be in the room for that to work.
Chandler: (returning) What are you guys talking about?
Monica: Well umm, we were just talking about the y'know, the Swing Kings and just wondering whether y'know, they were the right way to go.
Rachel: Yeah, I went to a wedding once where they had swing music and uh, two months later the couple got divorced. And now I'm not saying that there's any connection here y'know, but they did tell me that's why they got divorced.
Chandler: But I love swing music!
Phoebe: Yeah but the Swing Kings? Y'know they suck so much that people actually die at their concerts—They just stop living.
Chandler: Look all I know is when Monica and I went to see them, we had fun! And there's another reason too.
Rachel: Well, what is the other reason?
Chandler: I don't want to say.
Rachel: Well you have to because maybe it's stupid.
Chandler: Well it's just while Monica and I were dancing to them it was...the first time I knew that...you were the woman I wanted to dance all my dances with.
Monica: Oh crap!
 [Scene: Grammercy Bistero, Ross and Kristen are waiting for their table to be ready. Ross is returning from talking to the matre'd.]
Ross: So they said our table will be ready in just a few minutes.
Kristen: Oh great!
Ross: Yeah.
Kristen: Is your back feeling better?
Ross: Oh yeah it's fine. I guess the more muscles you have the more they can spasm out of control.
Joey: (entering) Kristen?
 Kristen: Joey!
Joey: Hi!
Kristen: Hi! What are you doing here?
Joey: Oh I like this place. And technically, technically I'm not breaking any rules so I...
Kristen: Well uh, Ross? This is Joey. Joey? Ross.
Joey: Hi!
Ross: Hi. (They shake hands.) It's nice to meet you. I used to have a friend named Joey. I don't anymore.
Kristen: Our table will be ready in a couple minutes.
Ross: Yeah. So...
Joey: Sure! I would love to wait with you guys! Thanks! (Sits down.)
Ross: So Joey umm, you look familiar. Are uh, are you on TV or something?
Kristen: Well Joey doesn't like to talk about it but, he's one of the stars of *Days Of Our Lives*.
Ross: That's right! That's right, don't you play a woman?
Joey: A woman in a man's body.
Ross: Much better.
Joey: So y'know Ross it's funny 'cause, you look familiar to me too. Have you ever been married?
Ross: Well yes, yes I have. In fact umm, just the other day Kristen and I were talking about how I've been married and how I have a son.

Kristen: Yeah, little Eric.
Ross: That's right! Wait no, Ben.
Joey: So you've just married the one time then?
Ross: Well umm...
Kristen: You've been married twice?
Ross: Yes. And another time after that. Boy I'm getting hungry! Hey Joey, have you ever been so hungry on a date that when a girl goes to the bathroom you eat some of her food?
Kristen: You said the waiter ate my crab cake.
Joey: (laughs that one off) Yeah. So uh Ross, well now—why did that first marriage breakup? Was it because the woman was straight or she was a lesbian?
Kristen: Do you two know each other?
 Joey and Ross: No. No.
Joey: No. It just seems like Ross is the kind of a guy that would marry a woman on the verge of being a lesbian and then push her over the edge. (Kristen is not enjoying this.)
Ross: Wait a minute! Were you on a poster for gonorrhea?
Joey: Have you ever slept in the same bed as a monkey?
Ross: Hey you leave Marcel out of this!
Joey: Fine! Have you ever got stuck in a pair of your own leather pants?!!
Ross: Hey-hey have you ever locked yourself in a TV cabinet VD boy?!!
Joey: Monkey lover!
 (They both notice that Kristen has left.)
Joey: When do you think we lost her?
Ross: Probably around gonorrhea.
 [Scene: Monica and Chandler's, Chandler is entering.]
Chandler: Hi, honey! I'm home!
Monica: (from the bedroom) Don't come in here!
Chandler: Why? Do you another boyfriend in there or something?
Monica: No! We only mess around at his place!
Chandler: Y'know it's funny I started it but, now it's scary me. So could you come out here please?
Monica: No, I'm wearing a wedding dress.
Chandler: Oh you got a wedding dress? That's great!
Monica: Yeah but I'm not keeping it.
Chandler: Well then why can't I see it?
Monica: Oh. I guess you can. Okay but; I-I have to return it, so you can't like it.
Chandler: Okay I promise. I'll-I'll hate it. (She enters.) Wow! You-you look...hideous.
Monica: Really?
Chandler: Yeah, that's like the most ugliest dress I've ever seen. Wh-why do you to return it?
Monica: Oh because it doesn't...really fit. Oh by the way, I-I booked the Swing Kings.
Chandler: Oh that's great! Great! Thanks! But that dress I mean it's like yuck! It's terrible! It makes me wanna just rip it right off of you!
Monica: Okay! But you can't rip it. Well, maybe a little.
Chandler: Okay!
 Ending Credits
 [Scene: Monica and Chandler's, Chandler, Joey, and Ross are watching a basketball game on the couch.]
Monica: (entering) Hey guys! Do you wanna look at the song list for the wedding? (They ignore her.) Guys?
Chandler: (without turning around) I thought you were gonna be gone all day.
Monica: All right? What's going on?
 (They all slowly turn around to reveal that they are giving themselves a facial.)
Monica: I'm sorry. I'm sorry. I-I should probably leave you girls alone. (She heads for the bedroom.)
Ross: Yeah, laugh all you want but in ten minutes we're gonna have younger looking skin!
Joey: Yeah! (Monica goes in the bedroom.) Y'know, she could use a little... (Whistles that she needs to do what they're doing.) (Something happens on the game.) Oh nice shot!!! (They all cheer.)

718 The One With Joey's Award

[Scene: Central Perk, Phoebe and Monica are there as Joey is entering excitedly.]
Joey: Hey! You guys! You're not gonna believe this! I just got off the phone with my agent...
Phoebe: Oh my God! (Joey looks at her.) I'm sorry, too soon. You go.
Joey: Okay. I got nominated for my part on *Days Of Our Lives*!
Monica: Joey!
Phoebe: Good for you!
Monica: Congratulations! Wow! I can't believe you're nominated for an *Emmy*!
Joey: No-no.
Monica: Oh *Soap Opera Digest* award!
Joey: No! I'm up for a Soapie!
Monica: Honey? Is that something you're making up?
Joey: No, no, no! It's real! And it has been since 1998. (Rachel returns from the bathroom.) Hey Rach! Rach! I'm up for a Soapie!
Rachel: (gasps) Oh my God! Oh my God!! That is like the third most prestigious soap opera award there is!
Joey: Thank you! Well, I guess now I know who I'm taking to the awards. (Points to Rachel.)
Rachel: Oh, stop that! Don't kid about that! (Gasps) Will all the stars be there?
Joey: Many are scheduled to appear.
Rachel: Oh my God! Oh my God! I can't go! I'm gonna be too nervous!
Monica: (to Joey) Okay, I'll go!
Rachel: No!! You are getting married! This is all I have.

Monica: Wafer thin ice!
 [Scene: A Casting Director's Office, Joey is entering for his callback.]
Joey: Hey, I'm back!
 The Casting Director: Hi-hi Joey.
Joey: Uh so, will-will I be reading the same scene again?
The Casting Director: Actually, I tried to call to you. You didn't need to come down here today.
Joey: Oh great! Y'know I would've been perfect for this part, but whatever! Y'know, thanks for making a bad decision and ruining your movie! Good day! (Starts to leave.)
The Casting Director: Wait Joey! You didn't need to come down because the director saw your tape from yesterday and loved it.
Joey: And scene! Huh? Wasn't that fun? We did a little improv there. Yeah! Okay! So you-you-you-you were saying?
The Casting Director: Well, the director thinks you're really right for the part and wants to meet you tomorrow.
Joey: Wow! Sure! That's great!
The Casting Director: Oh and your agent said you were okay with the nudity.
Joey: Yeah! Yeah sure, just long as it's handled tastefully and that barn is not too cold.
The Casting Director: Terrific! Well uh, there's one more thing. Uhh, uh it's really important to the director that everything in this movie is authentic. Yeah and so in your love scene with Sarah she talks about how she's never seen a naked man who wasn't Jewish. So... (Laughs.)
Joey: So...What?
The Casting Director: So uh well the director is insisting that whoever play that part be authentically, anatomically not Jewish. Do you know what I'm saying?
Joey: Yes!
 The Casting Director: Okay.
Joey: No. What?
The Casting Director: An Italian Catholic immigrant at this time would not be...
Joey: Barmifsaed?
 (The casting director shakes her head.)
 [Scene: Monica and Chandler's, Joey is telling Monica what the casting director was trying to get too.]
Monica: So to get this part you can't be?
Joey: Nope.
Monica: But you are?
Joey: Yep.
Monica: But you told them you weren't?
Joey: That's right.
Monica: Wow! Wow! And it's definitely all gone? There's nothing there to work with? (Joey glares at her.) What were you thinking?
Joey: I don't know! I really want this part! And they tell you no matter what you get asked at an audition you say yes. Like if-if they want you to ride a horse, you tell 'em you can! And just figure out how to do it later.
Monica: Joey! This is not like learning to ride a horse! This is like learning to...grow a turtleneck!
Joey: I kn-I know! I know! Okay? And apparently tomorrow when I go in to meet the director I have to take off my clothes so that they can see what my body looks like.
Monica: Oh my God, what are you gonna do?!
Joey: I just have to call my agent and tell her I can't do the part. (Gets up for the phone.)
Monica: Unless!
Joey: Unless what?
Monica: Well, this may sound crazy, but there maybe something we could fashion.
Joey: Like what?
Monica: Well I'm not sure yet, but umm of the top of my head I'm thinking double sided tape and some sort of luncheon meat.
 [Scene: Joey and Rachel's, Phoebe is entering and Rachel is still planning.]
Phoebe: Hey! I've got a great idea for party favors for the shower. Okay, we get some uh mahogany boxes and carve everyone's names in them and inside is everyone's individual birth stone.
Rachel: Okay. Okay. All right, you take care of that. And meanwhile, the party is tomorrow and we still don't have a guest list.
Phoebe: Okay. Okay! Well okay, who do we know that's coming? Me. Are you?
Monica: (entering) Hey!
Phoebe: Hey!
Rachel: Hey! What's up Mon?
Monica: Well uh, I'm trying to make something for Joey. Do you mind if I raid your fridge?
Rachel: Have at it.
Monica: Okay. (Opens the fridge.) All right, turkey. Eh, that won't work. Cheese? (Picks it up) That won't work. Olive loaf? (Picks it up) I hope that won't work.
Rachel: Are you makin' him a sandwich?
Monica: No it's umm, more like a wrap. Okay so uh, I'm gonna go guys.
 Phoebe and Rachel: Okay.
Monica: I guess you can get back to deciding on what to get me for a present! (Runs out.)
Rachel: (To Phoebe, after Monica's gone) We have to get her a present?
Phoebe: Okay but look! Look at what I got! It's her address book! (Holds it up.) We have a guest

list!
Rachel: Oh my God you're amazing! Did you just pull that out of her purse?
Phoebe: Uh-huh, and a little seed money for the party. (Holds up \$40.)
 [Scene: Ross's apartment, there is a knock on the door and Ross opens it to Cassie.]
Ross: (shocked at her beauty) Cassie?!
Cassie: Hey Ross!
Ross: Hey!
Cassie: (hugs him) It's been so long! Last time I saw you, you were setting up your tent in line to see *Return of the Jedi*.
Ross: Oh. Oh, that's right. So-so you did see me that day because it seemed like you didn't.
Cassie: Ah yeah, sorry about that.
Ross: It's okay. Come, come on in.
Cassie: Thanks for letting me stay here! I mean Monica's place was nice, but her fiancée sure stares a lot.
 Ross: Oh.
 (She sets down her bag and we travel back to slow motion world. She once again whips her hair around in slow motion with the love doctor Barry White singing in the background. And I'd also like to take this opportunity to mention that she can also be seen in *Starship Troopers* and that she was born in Downers Grove, Illinois which just happens to be a few miles from where I live. Anyway Cousin Ross is now starring.)
Cassie: Oh my God! You do a great Chandler!
Ross: Uh-huh. Yeah I-I have a knack for impressions.
Cassie: Well, maybe after we get reacquainted uh, you can do me.
Ross: Yeah—No!!
 Commercial Break
 [Scene: Ross's apartment, Cassie is eating dinner and Ross is pacing behind her because of what she's eating.]
Ross: Cassie, how you-how you doin' on that...hot dog.
Cassie: I'm all done.
Ross: (quietly) Thank God.
Cassie: I guess the last time we really hung out was when our parents rented that beach house together.
Ross: Oh right. Right. Ooh, remember the time I uh, I pinned you down and tickled you 'til you cried? (She laughs) We're probably too old to do that now.
Cassie: I'll always remember that summer, because it's when I got all of these freckles. (She pulls her blouse open to show him her shoulder and bra strap.)
Ross: (looking then moving away quickly) Uh-huh! Uh-huh! And-and-and I'll always remember that summer because that's when I realized that we are related.
Cassie: It took you that long to figure it out, huh?
Ross: Well I'm, I'm a little slow. (To himself) Just as our children would be.
 [Scene: Phoebe's apartment, it's Monica's bridal shower and Phoebe is passing out some finger food.]
Phoebe: Hi!
 Woman: Hi!
Phoebe: How are you? (The woman nods) Good. (She goes over to another couple of women.) Hi, thanks for coming.
Woman: Oh thank you. (The other woman declines.)
Phoebe: Thank you. (To the other woman) No? (She nods.) All right. (She goes to another pairing.) Oh, it's so nice to see you.
 Woman: No.
 The Other Woman: No thanks.
Phoebe: Okay. (Goes over to Rachel.) Hey Rach?
Rachel: Yeah?
Phoebe: Who the hell are all these people?
Rachel: Well, I don't know. I called all the people in Monica's phone book and these are the only ones who could show up on 24 hours notice.
Phoebe: Hmm, y'know there's another word for people like that. Losers!
 (A woman approaches.)
Rachel: (to her) Hi! I'm Rachel. This is Phoebe. I'm the maid of honor. How do you know Monica?
Woman: I was her accountant four years ago.
Rachel: Ohhhh!
Woman: I'm very interested to find out who's been doing her taxes these last four years.
Rachel: That's great!
Woman: So, what time is Monica supposed to get here?
Phoebe and Rachel: (to each other) I don't know.
Rachel: (to the woman) Excuse us for a minute. (They go into the kitchen.) You didn't tell her to come?!
Phoebe: You were supposed to tell her!
Rachel: No I wasn't! You were supposed to tell her to come and I was supposed to bring the cake!
Phoebe: Fine, I'll go call her.
Rachel: Yes! And please tell her to bring a cake!
 [Scene: Joey and Rachel's, Joey is standing at the counter as Monica enters carrying a tray.]
Monica: Okay, we have a lot of options here, a number of prototypes for you to try on.
Joey: Wow! This looks great!
Monica: Yeah! Okay, this one is a mushroom cap. (Points to it.) Umm, this one is made of bologna. (Points.)
Joey: And-and-and-and-and the toothpicks?
Monica: Oh, just until the glue dries.
Joey: Thank God!
Monica: (to a whole group) Now, these are more realistic, but perishable.
Joey: Ah.
Monica: Okay? (To a different group) Over here we have pink suede, which is nice. But umm, if it gets wet then you know it's gonna shrink.
Joey: Well maybe we just take that one away. (Picks it up and throws it away.)
Monica: I also, did a little something in fur. But umm,

that's really just for me. (Rubs it against her cheek.) Okay. So, why don't you go into your room and try these on and we'll see—get a better idea of what's gonna work.
Joey: Thanks, you are such a good friend. And this is so weird. (He goes into his room to try them on and closes the door.)
Joey: Ow!
Monica: Toothpick?
Joey: Yeah.
Monica: What are you trying on now?
Joey: The fruit roll up.
Monica: And?
Joey: Delicious.
Monica: Joey!
Joey: Wait a minute! Wait a minute! We have a winner!
Monica: What?! Which one?!
Joey: The *Silly Putty*! It's not so silly anymore! (They hug.)
 [Scene: Ross's apartment, Cassie and Ross are watching a movie and Cassie is pouring Ross some more wine as Ross has his hands full with the glass and holding the bowl of popcorn in his lap.]
Ross: (in his head) She's your cousin. She's your cousin! If she knew what was going on in your head she'd think you were sick! (She grabs some popcorn.) Or would she? Let's back up a second. **She** was the one who suggested opening a bottle of wine. **She** was the one who turned down the lights. **She** was the one that wanted to rent Logan's Run, the sexiest movie ever. (She grabs the blanket from behind him and looks at him.) Oh, I know that look. Forget it. I want it. She wants it. I'm going in. (They exchange looks, smile, and shrug their shoulders before Ross suddenly lunges forward in an attempt to kiss her, but she expertly backs away.)
Cassie: Hey! What the hell are you doing?! (They sit back up.)
Ross: (in his head) Say something clever! (Pause.) Okay, doesn't have to be clever, it just has to be words. Say some words. (Pause) Any words will do. (Pause) Oh my God! This is the longest that anyone has not **talked** ever! (Pause) There is nothing you can say to make this worse!! So just say something!! (Pause.) (To her) I-I, I uh haven't had sex in a **very** long time. (She leaves.) (In his head) Yeah, you really shouldn't have said anything.
 [Scene: outside Phoebe's apartment, Monica is knocking on the door.]
Monica: Phoebe! Rachel! It's Monica! I wonder what you could possibly need me for on such short notice! (She bursts into the apartment to find only Phoebe and Rachel sitting on the couch.) Oh.
Rachel: Oh Monica, we are so sorry.
Monica: For what?
Rachel: Well first, for forgetting to throw you a bridal shower.
Phoebe: And then for forgetting to invite you to it.
Monica: You al-you already had it?
Phoebe: Yeah. Well, we called everyone in your phone book and bunch of people came, but it took us so long to get you here that they-they had to leave.
Rachel: Yeah, we wanted to throw you a big surprise and a great shower, and now you don't have either.
Phoebe: We ruined everything.
Rachel: Ugh...
Monica: Well no wait a minute that's not true! No, what did, that was really sweet. And it kinda works out for the best.
Rachel: What do you, what do you mean?
Monica: Well now, I get to spend my shower with the only people I really love! I mean, I get all those presents (Motions to the pile in the corner) without having to talk to people I don't even like! (Suddenly, everyone stands up and comes out of hiding. All of them are glaring at Monica.)
Rachel: Surprise...
Phoebe: Sur-surprise.
Rachel: ...Monica.
 [Scene: The casting director's office, Joey is there to show off to the director, so to speak.]
Joey: And what's cool is, the character is from Naples, right?
 The Director: Yeah.
Joey: My whole family's from Naples!
The Director: Oh that's great! Okay, well I've heard everything I need to hear. I just need to uh, Leslie...
The Casting Director: Joey, this is awkward part.
Joey: Oh! Hey right! Not a problem. (He starts taking off his clothes.) I totally understand. You need to y'know make sure I don't have any horrible scars or tattoos. Don't you worry; I have nothing to hide. (He drops his pants and stands back up and looks down.) So there you go, that's me. (We cut to a camera angle looking at the casting director and movie director through Joey's legs.) One hundred percent natural! (Suddenly, there's a thud as something falls off.) (Everyone is shocked.) I tell ya, that has never happened before.
 Ending Credits
 [Scene: Phoebe's apartment, Phoebe is getting out linens for Cassie who is in the bathroom.]
Phoebe: Cassie, are you finding everything okay in there?
Cassie: Yeah! Thank you so much for letting me stay here.
Phoebe: Oh! No problem! I... (Cassie emerges from the bathroom and we once again visit slow motion Barry White background music land with the sexy

Chandler: Dear God! This parachute is a knapsack! (throws himself over the back of the chair he was sitting in)
 [Cut to Ross leaping into Chandler's Hotel room in London in The One With Ross's Wedding.]
Ross: (Screaming) I'm getting married today!! Ahh, whoo-hoo!!(He runs back out the door.)
Monica: (Comes up for below the covers and looks concerned.) Do you think he knew I was here? (Chandler quickly looks at Monica not knowing what to say.)
 [Cut to Chandler opening the door to his and Joey's apartment to reveal Monica standing there with a turkey on her head in The One With The Thanksgiving Flashbacks.]
Chandler: Nice try.
Monica: Wait, wait, wait! (She puts a Shriners' hat on the turkey.)
Chandler: Look, Monica...
Monica: Look! (She puts a big, yellow pair of sunglasses on the bird.)
Chandler: This is not going to work.
Monica: I bet this will work! (She starts dancing and Chandler cracks up.)
Chandler: You are so great! I love you! (Monica stops suddenly and turns around slowly.)
Monica: What?
Chandler: Nothing! I said, I said "You're so great" and then I just, I just stopped talking!
Monica: You said you loved me! I can't believe this!
Chandler: No I didn't!
Monica: Yes, you did!
Chandler: No I didn't!
Monica: You love me!
Chandler: No I don't! Stop it! Stop it! Stop it! Stop it!
 (Joey walks in and sees Monica. He freaks out and runs back into the hallway, screaming.)
 [Cut to Chandler trying to hint to Monica that he wanted to move in with her in The One After Vegas.]
Chandler: Y'know I was thinking, what if I uh, unpack here?
Monica: Then all your stuff would be here.
Chandler: Well, what if all my stuff was here?
Monica: Then you'd be going back and forth all the time, I mean it doesn't make any sense.
Chandler: Okay. What if we lived together and you understand what I'm saying?
 [Cut to Chandler entering his and Monica's apartment alight with a thousand candles in The One With The Proposal.]
 (He walks dejectedly into his apartment to find it lit with about a thousand candles and Monica standing in the living room.)
Monica: You wanted it to be a surprise.
 (He turns to look at Joey who smiles slyly and closes the door leaving them alone.)
Chandler: Oh my God.
 (Monica gets down on one knee.)
Monica: Chandler... In all my life... I never thought I would be so lucky. (Starting to cry.) As to...fall in love with my best...my best... There's a reason why girls don't do this!
Chandler: Okay! (He joins her on one knee) Okay! Okay! I'll do it! Oh God, I thought... (Starting to cry, pauses) Wait a minute, I-I can do this. (Pause) I thought that it mattered what I said or where I said it. Then I realized the only thing that matters is that you, (Pause) you make me happier than I ever thought I could be. (Starting to cry again.) And if you'll let me, I will spend the rest of my life trying to make you feel the same way. (Pause as he gets out the ring.) Monica, will you marry me?
Monica: Yes.
 (The crowd goes wild as he puts the ring on her finger. They hug and kiss this time as an engaged couple.)
Joey: (yelling through the door) Can we come in yet?! We're dying out here!
Monica: Come in! Come in! (Joey, Rachel, and Phoebe burst through the door.) We're engaged!!! (Everyone screams and has a group hug.)
 Commercial Break
 [Scene: Central Perk, Phoebe and Rachel are on the couch as Joey and Ross enter.]
Joey: Hey!
Ross: Hey!
Rachel: Hey!
Phoebe: Hey!
Rachel: Hey, what have you guys been up to?
Ross: Oh, we were helping Chandler write his vows, but he kicked us out because Joey kept making inappropriate suggestions.
Joey: How is "Monica, I love your sweet ass," inappropriate?
Ross: How's Monica coming along with her vows?
Phoebe: Well let's just say its she's lucky she has a sweet ass, 'cause she's not so good at the writing.
Ross: I can't believe in four weeks they're gonna be married!
Phoebe: Well let's just hope it works. Y'know nine out of ten marriages end in divorce?
Ross: Phoebe that's not true.
Phoebe: Yeah, you're right. How's the Mrs.?
Rachel: I can't believe they've been together for three years.
Joey: (shocked) Has it been that long?!
Ross: Believe me, it seems like less because they

hid it from us for so long.
 [Flashback to Joey interrupting a bath Monica and Chandler are sharing in The One With All The Kissing. Monica dives underwater as Joey opens the door.]
 (They move into kiss but are interrupted by Joey knocking on the door.)
Joey: Hey, it's me! I'm comin' in!
 (Monica quickly dives under the water as Joey enters. He looks a little shocked at what Chandler's doing.)
Chandler: I've had a very long, hard day.
Joey: Ahh, I'm gonna go get some chicken. Want some?
Chandler: Ahh, no thanks. No chicken, bye-bye then.
Joey: Okay.
 (Joey leaves and Monica comes up for air.)
Chandler: Are you okay? I'm so sorry, he wouldn't leave. He kept asking me about chicken.
Monica: Chicken? I could eat some chicken.
Chandler: Hey Joe!
 (Monica goes back underwater as Joey re-enters.)
Chandler: Yeah, can I get a 3-piece, some cole slaw, some beans, and a *Coke*—(Yelps in pain as Monica grabs him underwater)—*Diet Coke*.
 (Joey gives him a thumbs up and heads for the chicken.)
 [Cut back to Central Perk.]
Rachel: I don't know why they didn't just tell us.
Joey: I know! I mean it's not like we weren't cool about it. [This starts a series of flashbacks starting with Monica and Chandler forcing Joey to keep his new found knowledge of their secret relationship in Monica's bedroom in The One With All the Kips.]
Joey: (To Chandler) You?! (To Monica) And-and you?!
Monica: Yes, but you cannot tell anyone! No one knows!
Joey: How?! When?!
Chandler: It happened in London.
Joey: IN LONDON!!!
Chandler: The reason we didn't tell anyone was because we didn't want to make a big deal out of it.
Joey: But it is a big deal!!! I have to tell someone! (They both grab him and stop him.)
Chandler: No-no-no-no-no! You can't!
Monica: Please? Please?! We just don't want to deal with telling everyone, okay? Just promise you won't tell. (Joey thinks it over.)
Joey: All right! Man, this is unbelievable!
 [Cut to Rachel listening to a phone conversation between Chandler and Monica in The One With All the Resolutions.]
Monica: (on phone) I can't wait to be with you! I'll just tell Rachel I'm gonna be doing laundry for a couple of hours.
Chandler: (on phone) Laundry. Huh. Is that my new nickname? (Rachel is absolutely stunned, she opens her mouth in absolute amazement.)
Monica: (on phone) Awww, y'know what your nickname is, Mr. Big...
Rachel: Arghh!!! (She quickly hangs up the phone and starts to pace around wondering what to do.)
 [Cut to Phoebe in Ross's new apartment looking at Monica and Chandler and what they're about to do in The One Where Everybody Finds Out.]
Phoebe: (looking out the window) Oh, look! There's Monica and Chandler! (Starts yelling.) Hey! Hey, you guys! Hey! (Chandler and Monica start taking each other's clothes off.) Ohh!! Ohh!! Ahh-ahhh!!
Rachel: What?!
Phoebe: (screaming) Ahhh!! Chandler and Monica!! Chandler and Monica!!
Rachel: Oh my God!
Phoebe: CHANDLER AND MONICA!!!!
Rachel: OH MY GOD!!!!
Phoebe: OH!! MY EYES!!! MY EYES!!!!
Rachel: Phoebe!! Phoebe!! It's okay!!! It's okay!!!
Phoebe: NO! THEY'RE DOING IT!!!
Rachel: I KNOW!! I KNOW!! I KNOW!!
Phoebe: YOU KNOW?!!
Rachel: Yes, I know! And Joey knows! But Ross doesn't know so you have to stop screaming!!
Ross: (entering) What's going on?
 Phoebe and **Rachel:** Ohh!!!
Rachel: (trying to divert his attention from the window by jumping up and down) H!!! H!!!
Ross: What?! What?!
Rachel: Nothing! Oh God, we're just so excited that you want to get this apartment!
Ross: Actually, it looks really good. (Turns towards the window and now Phoebe starts jumping to divert his attention.)
Phoebe: (Screaming incoherently.) Get in here!!! (Motions to join her and Rachel.)
 (Ross starts jumping and screaming incoherently and hops over and joins in on the group hug.)
 [Cut to later in that episode in Central Perk, a meeting with Phoebe, Rachel, and Joey where they discuss Chandler and Monica.]
Phoebe: Okay, so now they know that you know and they don't know that Rachel knows?
Joey: Yes, but y'know what? It doesn't matter who knows what. Now, enough of us know that we can just tell them that we know! Then all the lying and the secrets would finally be over!
Phoebe: Or, we could **not** tell them we know and have a little fun of our own
 [Cut to later in that episode. Rachel and Phoebe are going to a movie from Monica and Chandler's, and as Phoebe walks by Chandler she pinches him on the butt and exits.]
Rachel: All right honey, we'd better go if we wanna catch that movie.
Monica: Bye!
All: Bye!
Phoebe: Bye Chandler! (She walks up to him.) (Quietly.) I miss you already. (She pinches his butt.)
Chandler: (after they've left) Okay, did you see that?!

With the inappropriate and the pinching!!
Monica: Actually, I did!
Chandler: Okay, so now do you believe that she's attracted to me?
Monica: Ohhh, oh my God! Oh my God! She knows about us!
 [Cut to later in that episode. Monica and Chandler are confronting Joey in his apartment about Phoebe's knowledge.]
Chandler: Phoebe knows about us!
Joey: Well I didn't tell them!
Monica: Them?! Who's them?
Joey: Uhhh, Phoebe and Joey.
Monica: Joey!
Joey: And Rachel. I would've told you but they made me promise not to tell!
Monica: Oh man, they think they are so slick messing with us! But see they don't know that we know that they know! So...
Chandler: Ahh yes, the messers become the messies!
 [Cut to later in that episode. Phoebe is telling Rachel in Monica and Chandler's that Chandler wants to make a date with Phoebe.]
Phoebe: I'll have to get back to you on that. Okay, bye! (Hangs up.) Oh my God! He wants me to come over and feel his bicep and more!
Rachel: Are you kidding?!
Phoebe: No!
Rachel: I can not believe he would do that to Mon—Whoa! (She stops suddenly and slowly turns to point at Joey. Joey is avoiding her eyes.) Joey, do they know that we know?
Joey: No.
Rachel: Joey!
Joey: They know you know.
Rachel: Ugh, I knew it! Oh I cannot believe those two!
Phoebe: God, they thought they can mess with us! They're trying to mess with us?! They don't know that we know they know we know! (Joey just shakes his head.) Joey, you can't say anything!
Joey: I couldn't even if I wanted too.
 [Cut to later in that episode. Chandler is in his bathroom with Monica, and he's panicking on how far Phoebe is pushing him.]
Chandler: Listen, this is totally getting out of hand! Okay? She wants me to put lotion on her!
Monica: She's bluffing!
Chandler: Look, she's not backing down! She went like this! (He does a little mimic of her dance.)
 [Cut to the hallway where Phoebe is conferring with Rachel.]
Phoebe: He's not backing down. He went to get lotion.
Joey: (entering the hall) Oh man! Aren't you guys done yet?!!
Rachel: Joey look, just look at it this way, the sooner Phoebe breaks Chandler the sooner this is all over and out in the open.
Joey: Ooh!
Rachel: Okay!
Joey: I like that! (To Phoebe) Oh, okay! Show him your bra! He's afraid of bras! Can't work 'em! (He swiftly rips open the front of Phoebe's dress revealing her bra.)
Phoebe: Joey! (Examining the dress.) Wow, you didn't rip off any buttons.
Joey: It's not my first time.
 [Cut to the bathroom.]
Monica: You go back out there and you seduce her till she cracks!
Chandler: Okay, give me a second! (Pause) Did you clean up in here?
Monica: Of course.
 [Cut back to the living room. Chandler slowly exits the bathroom and gets pushed from behind by Monica and sees Phoebe closing the apartment door.]
Chandler: Oh, you're-you're going?
Phoebe: Umm, not without you, lover. (She slowly walks over to him and is showcasing her bra.) So, this is my bra.
Chandler: (swallowing hard) It's very, very nice. Well, come here. I'm very happy were gonna have all the sex.
Phoebe: You should be. I'm very bendy. (Pause) I'm gonna kiss you now.
Chandler: Not if I kiss you first.
 (They move closer to together and Phoebe hesitantly puts her hand on Chandler's hip. He puts his hand on her left hip but then decides to put his hand on her left hip. Phoebe then grabs his butt. Chandler goes for her breast, but stops and puts his hand on her shoulder.)
Phoebe: Ooh.
Chandler: Well, I guess there's nothing left for us to do but-but kiss.
Phoebe: Here it comes. Our first kiss.
 (They slowly and hesitantly move their lips together and kiss gently. Phoebe has her eyes wide open in shock and Chandler is squinting. He finally breaks the kiss after only a short while and pushes Phoebe away.)
Chandler: Okay! Okay! Okay! You win! You win!! I can't have sex with ya!
Phoebe: And why not?!
Chandler: Because I'm in love with Monica!!
Phoebe: You're-you're what?!
 (Monica comes out of the bathroom like a bolt, and Rachel and Joey both enter.)
Chandler: Love her! That's right, I...LOVE...HER!!!! I love her!! (They walk together and hug.) I love you, Monica.
Monica: I love you too Chandler. (They kiss.)
Phoebe: I just—I thought you guys were doing it, I

didn't know you were in love!
Joey: So that's it! It's over! Everybody knows!
Monica: Well actually, Ross doesn't.
Chandler: Yes, and we'd appreciate it if no one told him yet.
 [Cut to later in that episode. Ross is showing his boss his new place and notices something in the window.]
Ross: (He notices something through the window.) No! No! Wh... What are you doing?!! (Dr. Ledbetter is slowly backing away.) **GET OFF MY SISTER!!!!!!!!!!!!**
 [Scene: Central Perk, Phoebe, Rachel, Joey and Ross are talking.]
Phoebe: Y'know, you're friend's getting married, it's gotta change things.
Rachel: You really think it would be that different?
Phoebe: How could it not be? I mean pretty soon they're gonna be having kids, and then they're just gonna be hanging out with other couples who have kids. And then maybe they're gonna have to leave the city to be near a *Volvo* dealership.
Rachel: Well, things change.
Joey: I don't want them to move to a *Volvo* dealership!
Ross: It'll be okay Joe.
Joey: I'm sorry, I just... I like things the way they are.
 [Flashback to the gang in Central Perk in The One Where Nana Dies Twice, they're all going through an old photo album.]
Rachel: Hey, who's this little naked guy?
Ross: That little naked guy would be me.
Rachel: Aww, look at the little thing.
Ross: Yes, yes, fine, that is my penis. Can we be grown-ups now?
Chandler: Who are those people?
Ross: Got me.
Monica: Oh, that's Nana, right there in the middle. (Reads the back) 'Me and the gang at Java Joe's'.
Rachel: Wow, Monica, you look just like your grandmother. How old was she there?
Monica: Let's see, 1939... yeah, 24, 25?
Ross: Looks like a fun gang. (They all look at each other and smile)
Joey: Ooh, look-look-look-look-look! I got Monica naked!
Ross: (looking) Nono, that would be me again.
 [Cut back to Central Perk, Monica and Chandler are entering.]
Monica: Hey, you guys!
Phoebe: Hey.
Joey: Hey.
Chandler: What's going on?
Rachel: Well, we were just talkin' about you guys gettin' married and how great it is.
Joey: Yeah, you can get a *Volvo*. If that's what you really want.
Monica: Oh that's so sweet.
Chandler: So we both finished our vows.
Phoebe: Oh!
Joey: Hey!
Rachel: Oh, can we read them?
Monica: Yeah, I don't hear Chandler's and he doesn't hear mine.
Rachel: Okay.
Phoebe: Okay.
 (They spill into their sexes and the girls read Monica's and the guys read Chandler's. The girls gasp and groan and the guys laugh hysterically.)
Phoebe: (To Monica) Oh, that's beautiful.
Joey: (To Chandler) (laughing) Funny one! That's good!
Rachel: (To Monica) Monica, will-will you marry me?
 (Ross laughs.)
Joey: What? I don't get it.
 (Ross points to the explanation and he gets it.)
Ross: (To Chandler) Oh man, this is hilarious.
Monica: Chandler!!
Chandler: Don't worry honey, we'll make your funnier.
 Ending Credits
 [Scene: Monica and Chandler's, Ross and Joey are reading Chandler's new vows.]
Chandler: Okay, what do you guys think?
Ross: (quietly) Dude!
Joey: (starting to cry) I have never known love like this.
Chandler: You really like it?
Ross: Dude! How-how did you write this?
Chandler: I stole Monica's and changed the name.
Ross: You can't do that!
Joey: If he goes first he can!
 End

722 The One With Chandler's Dad
 [Scene: Monica and Chandler's, Phoebe, Monica, and Rachel are sitting around the kitchen table as Ross enters.]
Ross: Hey!
Monica: Hey!
Ross: Hey uh Mon, I saw the Porsche parked out front, can I get the keys? Thought I'd take that bad boy out for a little spin.
Rachel: Wait a minute! (To Monica) You let **Ross** drive the Porsche and when I ask you, you say you're the only one who's allowed to drive it.
Monica: Yeah, well he's my brother! And plus he

drives so slow he could never hurt it.
Ross: It's a car Monica! Not a rocket ship!
Monica: Whatever Ross! Just replace the bulbs in the brake lights after you're done.
Joey: (entering) Hey!
Ross: Hey!
Phoebe: Hey!
Joey: Saw the Porsche out there Mon, lookin' good. When do I get to take that baby out again?
Rachel: (shocked) You let Joey drive it?!!
Phoebe: I've never driven it! Okay? Not once! Okay once. Okay, I drive it all the time.
Monica: Nice work everybody! So much for the y'know, "You can drive it, but don't tell Rachel" plan!
Rachel: Wow! I can't believe you lied to me.
Phoebe: Okay, I can fix this! Okay Monica, Rachel thinks all you can talk about is the wedding. (Rachel glares at her.)
Monica: Great! Well Rachel, the reason why I won't let you drive the Porsche is because you're a terrible driver. There! That wasn't about the wedding.
Ross: Look Rach if-if you want to go for a ride in the Porsche I'll be glad to take you for a quick spin around the block.
Joey: Yeah, you got a couple hours?
 Opening Credits
 [Scene: Central Perk, Rachel is there as Ross enters with his all his hair sticking straight up.]
Ross: Whew! That was a brisk ride!
Rachel: Take the top down did ya?
Ross: Only way to fly.
 (Rachel laughs.)
Rachel: Come on Ross give me the keys! Monica does not know what she's talking about! I am an excellent driver!
Ross: You're fast and irresponsible. That adds up to a bad driver.
Rachel: Well in High School, that added up to head cheerleader.
 (A woman walks by and smiles at Ross's hair.)
Ross: Did you see the look that girl just gave me? Huh? She must've seen me cruising in the bad boy.
Rachel: I think she's checking out your beehive Ross.
Ross: What?! (Checks his hair.) Give-give me a brush.
Rachel: Gimme the keys!
Ross: No way!
Rachel: Well no brush!
Ross: Fine! Y'know what? It doesn't matter, because, if I remember correctly, there is a comb on the floor of the bathroom.
 (He goes to the bathroom and after he leaves Rachel goes through his coat and grabs the keys along with a \$20 bill. The woman from before watches her do this.)
Rachel: (to the woman) Alimony. (Runs outside.)
 [Scene: Monica and Chandler's, Monica and Phoebe are counting the invitations as Chandler exits from the bathroom.]
Monica: Chandler, we still haven't gotten an RSVP from your dad.
Chandler: Oh! Right. Umm, maybe that's because I didn't send him an invitation.
Monica: Chandler! He's your father; he should be at the wedding.
Chandler: I don't even know the man. Okay? We're not the close. I haven't seen him in years.
Monica: Well what are you gonna do when he finds out he wasn't even asked?!!
Chandler: Well he doesn't have to know! It's not like we run in the same circles. I hang out with you guys, and he stars in a drag show in Vegas.
Phoebe: Ooh, I think I wanna trade circles.
Chandler: Trust me, you don't want him there either. Okay? Nobody is gonna be staring at the bride when the father of the groom is wearing a back-less dress.
Monica: So what! As long as he's not wearing a white dress and a veil I don't care.
Phoebe: Okay, I think I need to do some shopping. (Gets up and leaves.)
 [Scene: A Street, Rachel is throwing her coat into the Porsche and getting in.]
Rachel: Ahhh! (Gets in.) Ooh, nice!
 (Suddenly from out of nowhere Ross dives onto the hood.)
Rachel: My God!
Ross: What do you think you're doing?!!
Rachel: Just washing the windshield. (She turns on the wipers forcing Ross off of the hood.)
Ross: There is **no** way I am letting you drive this car! So why don't you just hand over the keys?
Rachel: Oh.
 (Transcriber's Note: She puts the key into the ignition, which is on the left side of the steering wheel. Does anyone know why that is? It's a tradition left over from Porsche's racing history. The world's greatest endurance race is the 24 Hours of LeMans. Which is in France and runs for 24 hours straight from noon on Saturday through the dark of night and finishes at noon on Sunday. In the 60s LeMans had a unique start where the drivers would actually start the race outside of the car and across the track. At the start of the race, the drivers would run across the track, get in the car, buckle up, start the car, and drive off. Porsche wanted to reduce the amount of time that took. Since all cars to that point had the ignition switches on the right side of the steering wheel, that required the drivers to use their right hand to grab the seat-belts, put the car in gear and start it. The driver's left hand did nothing. Porsche in order to save a few seconds in a 24-hour race: moved the ignition switches to the left side of the steering wheel so that the driver could start the car with his left hand while grabbing the seat-belts with his right hand. That's why every Porsche car built since then has the ignition on the left side of the steering wheel.)
Ross: No ah-ah-ah! **Do not** start this car! (She starts the

car.) Okay! Okay! I will give you twenty bucks if you get out of this car right now! (He looks for the twenty Rachel stole and doesn't find it.)
Rachel: Look Ross, if you're so freaked out, just get in the car!
Ross: With you?! Yeah right!
Rachel: All right. (She starts off.)
Ross: (grabbing the car) Okay! Okay! Okay! (He gets in, but into the back seat.)
Rachel: What are you doing?! Get in the front!
Ross: In the death seat?!!
Rachel: Oh my...
 (They drive off.)
 [Scene: Central Perk, Joey and Phoebe are on the couch as a man enters.]
Man: Hey guys!
Joey: Hey!
Phoebe: Hey sweetie!
Man: Ready to go?
Phoebe: Yeah! Sure! Ooh, I left my purse up at Monica's. I'll be right back. (She goes to get it.)
Man: (stopping her) Wait a minute!
Phoebe: What? (He leans in to kiss her.) Oh. (They kiss and Phoebe pauses.) Ooh. (Pause) Whoa! That one kept going. (Exits.)
Joey: So! You and Phoebe huh? How long have you been going out?
Man: Over a month.
Joey: Wow! Maybe uh, maybe you and I ought to get to know each other a little better.
Man: Sure, I'd like that.
Joey: So uh, what's your name?
Man: (laughs) Its Jake.
Joey: Joey. (They shake hands.) Hey Jake, do you like the Knicks?
Jake: Yeah, big fan.
Joey: Me too! There's a game on Tuesday do you wanna go?
Jake: Yeah that would be great! Let me make sure I'm not doing anything Tuesday. (He bends over to open his bag, when he does so his pants slide down his butt revealing a pink lace secret.)
 [Scene: Monica and Chandler's, Monica is entering from the bedroom carrying two bags of luggage.]
Monica: Here! (She sets a bag down in front of him.)
Chandler: What's this?
Monica: It's your suitcase. We're going to Las Vegas.
Chandler: Are you serious?! I mean like eloping?! No more stupid wedding stuff! No more these flowers or these flowers—these flowers—Think of the money we'll save!! (Monica just looks at him.) We're not eloping. I love the flowers. Can our wedding be bigger please?
Monica: We're going to Las Vegas to see your dad. It's time you two talked, and I want to get to know my father-in-law.
Chandler: Y'know we already went over this and I won!
Monica: No you didn't. Oh and honey just so you know, now that you're marrying me, you don't get to win anymore.
Chandler: Look forget it okay? I don't want to go. I don't want to see him. I don't wanna.
Monica: Chandler, look I-I know that your dad embarrassed you. I know...
Chandler: No-no **all** kids are embarrassed by their parents, you'd have to come up with a whole new word for what I went through. When I was in High School, he used to come to all of my swim meets dressed as a different Hollywood starlet. Y'know it's hard enough to be fourteen. You're skinny. You're wearing speedoes—That your mom promised that you would grow into! And you look up into the stands and there's your dad cheering you on dressed as Carmen Miranda. We was wearing a headdress with real fruit that he will later hand out to your friends as a healthy snack!
Monica: Hey, the point is that he was at everyone of your swim meets and he was there cheering you on! Okay? That's a, that's a pretty great dad.
Chandler: He had sex with Mr. Giribaldi!
Monica: Who's Mr. Giribaldi?
Chandler: Does it matter?
Monica: Chandler, you're not fourteen anymore. Okay? Maybe it's time that you let that stuff go. If your father's not at your wedding...you're gonna regret it for the rest of your life.
Chandler: Yeah o-okay, but I'm just doing this for you.
Monica: Yes!
Chandler: So I really never get to win anymore?
Monica: How much did ever really win before?
 [Scene: Central Perk, Phoebe is there as Joey enters.]
Joey: Pheebs!
Phoebe: Hey!
Joey: Listen, you know how uh, when you're wearing pants and you lean forward I check out your underwear?
Phoebe: Yeah!
Joey: Well, when Jake did it I saw that...he was wearing women's underwear!
Phoebe: I know. They were mine.
Joey: Oh. (Laughs.) Not! No wait, that's weird!
Phoebe: No, it's not! We were just goofing around and I dared him to try them on.
Joey: That's weird!
Phoebe: I'm wearing his briefs right now.
Joey: That's...kinda hot.
Phoebe: I think so too. And that little flap? Great for holding my lipstick.
Joey: Yeah, I wouldn't know about that.
Phoebe: And! Y'know what Jake says? That women's

about something.

Chandler: What's up?

Ross: Well this uh, this may be a little awkward.

Chandler: Listen, if you want to borrow money, its kind of a bad time. I'm buying dinner for 128 people tomorrow night.

Ross: No, its...Its not that. Umm, now what I'm going to say to you, I'm **not** saying as your friend. Okay? I'm—I'm saying as it as Monica's older brother.

Chandler: But you're still my friend?

Ross: Not for the next few minutes.

Chandler: During this time...are you, are you still my best man?

Ross: Nope.

Chandler: Do I still call you Ross?

Ross: Okay! You guys are getting married tomorrow and I couldn't be more thrilled for both of you, but as Monica's older brother I-I have to tell you this. If you ever hurt my little sister, if you ever cause her any unhappiness of any kind, I will hunt you down, and kick your ass! (Chandler laughs.) What? I'm—I'm—I'm serious! (Chandler laughs harder.) Come—Hey! Dude! Stop it! Okay? I'm—I'm not kidding here!

Chandler: (smiling) Hey, I hear what you're saying, okay? And, thanks for the warning.

Ross: No problem.

Chandler: So are we...friends again?

Ross: Yeah.

Chandler: Okay. (Pause) You won't believe what Monica's older brother just said to me!

Opening Credits

[Scene: Monica and Chandler's, the girls are having breakfast.]

Rachel: What 'cha doing Mon?

Monica: I'm making a list of all the things that are most likely to go wrong at the wedding. Now, that way I can be prepared.

Phoebe: What are they?

Monica: Well, so far I have uh, my bride's maids dresses won't get picked up, my veil gets lost, or I don't have my something blue.

Rachel: Hey! Those are all the things I'm responsible for!

Monica: I had to go with the odds Rach.

Joey: (entering) Hey! You guys! Remember that audition I had a while ago and didn't get the part?

Rachel: The commercial?

Joey: No!

Phoebe: That play?

Joey: No!

Monica: That other play?

Joey: Nooo!

Phoebe: The movie?

Joey: Yes!!

Phoebe: Ohh!

Joey: Yes that's the one about the soldiers who fight in World War II!

Phoebe: Oh, yeah! Back then y'know, we called the Great War. It really was!

Joey: Well anyway, the guy they wanted backed out and now they want me! I start shooting today!

Phoebe: Congratulations!

Rachel: Oh that's great!

Monica: Wait! Wait! Wait! You can't start today! Today's the rehearsal dinner!

Joey: Oh no, I'll be done by then.

Monica: Oh. Well then way to go you big movie star!

Joey: I know! All right, I'll see you guys over there! I'm off to fight the Nazis.

Rachel: Oh, wait Joey! We fought the Nazis in World War II, not World War I.

Joey: Whoa! Okay. Yeah well, who-who was in World War I? (Rachel pauses as she thinks.)

Phoebe: Go ahead.

Rachel: You're gonna be late! Go! Go! (He runs out.)

Monica: Who did we fight in World War I?

Rachel: Mexico?

Phoebe: Yes! Very good.

[Scene: Pier 59 Studios, Joey is in costume and standing at the craft services table. He checks his pockets and finds some prop coins in a pouch, which he replaces with some cookies.]

The Assistant Director: (approaching) Hey Joey! We're ready.

Joey: Yeah! Me too. (He pats his pocket.)

The Assistant Director: (to another actor) Richard? We're ready for you. (Richard approaches.) Joey Tribbiani? This is Richard Crosby he's playing Vincent.

Joey: I'm doing my scenes with you?

Richard: Nice to meet you Joey.

Joey: Wow! I can't believe this! This is incredible. I mean you just won an Oscar!

Richard: No I didn't.

Joey: I think you did.

Richard: I think I lost. Three times.

Joey: Uh...Cookie?

The Director: (approaching) Okay! We're about an hour away from getting the scene lit. So uh, if you guys don't mind, can we run it a couple of times?

Richard: Yeah, sure.

The Director: Okay, all right. Let's do it. (He walks off.) And...Action!

Joey: We have to find the rest of the platoon!

Richard: Forget the platoon! The platoon is gone! (He is spitting on the hard Ps and Ts.)

Joey: (wiping his face) What?!

Richard: (still spitting) The platoon is dead! Face facts Tony!

Joey: (wipes face) So what are we gonna do? We have no reinforcements! No-no food!

Richard: No, we still have food in the basement! I saw potatoes and some dry pasta! (Joey wipes his eye.)

The Director: Hang on a minute! Joey, you keep touching your face. Is something wrong?

Joey: (glances at Richard) No. Nope, I uh...I th—I thought it might be kind of a cool character thing. Y'know? He's uh, he's a face toucher. (Behind his back, Richard is nodding no.)

The Director: I don't think so. Let's take it back to Richard's last line. (Walks off.) Action!

Richard: We may not have any weapons, but we still have food. In the basement I saw potatoes and some dry pasta, and a few tins of tuna! (Joey backs away and wipes his face again.)

[Scene: Monica and Chandler's, Monica is standing in the kitchen ready to leave for the rehearsal dinner.]

Monica: Honey, we gotta go!

Chandler: (entering from the bedroom) Okay. Here's a question you never have to ask. My dad just called and wanted to know if he could borrow one of your pearl necklaces.

Monica: (laughs) I don't have anything like that, but let me go see if Rachel does.

Chandler: Yes, include more people in this.

Monica: Hey, do you realize that at this time tomorrow we'll be getting married?

Chandler: Wait a minute! I have a date tomorrow night.

Monica: I just, I can't believe that we made it!

Chandler: Well you don't have to sound so surprised.

Monica: I'm sorry but...nothing.

Chandler: What?

Monica: Well...honestly ever since we got engaged I have been waiting for something to, to flip you out.

Chandler: Honestly? Me too.

Monica: Really?

Chandler: Yeah. Y'know I keep thinking that something stupid is gonna come up and I'll go all...Chandler. But nothing has.

Monica: Ohh, I'm so glad. Thank you so much for staying so calm during this. I mean it's really, it's made me stay calm. (Chandler just looks at her.) I coulda been worse!

Chandler: Okay. I'll be right here.

(She exits and as Chandler picks up his coat, the phone rings and the answering machine gets it.)

Monica: (voice on answering machine) Hi! If you're calling before Saturday, you've reached Monica and Chandler. But if you're calling after Saturday, you've reached Mr. and Mrs. Bing! Please leave a message for the Bings! (Chandler freaks out and loosens his tie.)

[Scene: The Rehearsal Dinner, Chandler and Monica are greeting guests as they arrive. A woman enters.]

Monica: Hey Maureen! (They hug.) Gosh! Hey uh, Chandler? This is my cousin Maureen.

Chandler: We're the Bings.

(Phoebe and Rachel walk up.)

Rachel: Hi! Oh you guys look so beautiful!

Chandler: Mr. and Mrs. Bing! (Walks away.)

Ross: (walks up) Wow Monica! Hey, just so you know I had my uh, older brother chat with Chandler.

Monica: What is that?

Ross: Well I...I told him that if he ever hurt you I would hunt him down and kick his ass! (The girls all laugh.) What?! What?! What is the matter with everybody?! I am serious! I would kick his ass! (The laugh harder.)

Phoebe: Ross, please! My make-up! (He walks away angrily.)

(Chandler's Mom enters and Chandler meets her by the door.)

Chandler: Hi.

Mrs. Bing: Chandler!

Chandler: Mom. Thanks for wearing something. (They hug.) (She's wearing a tight dress with a lot of cleavage showing.)

Mrs. Bing: Oh honey! This is so exciting! I thought we screwed you up so bad this day would never come. Oh and just think. Soon there'll be lots of little Bings. (He freaks out and loosens the tie again.)

(Monica and her parents walk up.)

Monica: Mrs. Bing? Here, these are my parents umm, Judy and Jack Geller.

Mrs. Geller: (shaking her hand) It's lovely to meet you.

Mr. Geller: (shaking her hand) So are you his mother or his father?

Mrs. Geller: Jack!

Mr. Geller: What?! I've never seen one before!

Monica: Dad! There's Ross (points), why don't you go talk to him?

(Mr. and Mrs. Geller start to walk away.)

Mr. Geller: I didn't even have a chance to act as though I'm okay with it!

Mr. Bing: (entering) Hello all!

Chandler: Hi...dad.

Monica: Hi Mr...Bing.

Mr. Bing: Nora!

Mrs. Bing: Charles.

Monica: It-it's so great to see you both here.

Mr. Bing: Yes! Although, I think we may be seeing a little too much of some people. Aren't you a little old to be wearing a dress like that?

Mrs. Bing: Don't you have a little too much penis to be wearing a dress like that?

Chandler: Oh my God! (He and Monica walk away.)

[Cut to Mr. and Mrs. Geller talking to Ross.]

Mr. Geller: ..of course you can kick his ass son.

Mrs. Geller: Of course you could kick anyone's ass you want too.

Ross: Thanks you guys. (Walks away happily and his parents smile.)

[Cut to Monica.]

Monica: Oh, Rach! Rach! Umm hey, could you do me a favor and would talk to Chandler's dad and try to keep him away from Chandler's mom?

Rachel: Yeah! But I don't know what he looks like!

Monica: He is the man in the black dress.

Rachel: Man in the black dress... (Monica walks away and Rachel looks around to find a woman in a black dress.) (To her) Hi! I'm Rachel! I'm a friend of Monica and Chandler's!

Woman: I'm Amanda.

Rachel: Oh I get it! A...man...duh!

Ross: (clinking a wine glass) Can I have everyone's attention please? I'm uh: I'm Ross Geller. Mr. Geller: Doctor Ross Geller.

Ross: Dad...dad, please! As I was saying umm, I'm Dr. Ross Geller. Uhh, and I'm the best man. And uh, this marriage is doubly special for me umm, because not only is the groom my best friend but uh, the bride is my little sister. And, she's the greatest sister a guy could ask for. So if you'd all please join me in raising a glass to the, the couple we're here to celebrate. (Everyone does so.) To The Bings.

All: To the Bings!

(Everyone clinks glasses and Chandler freaks out again.)

[Scene: Monica and Chandler's, Monica, Phoebe, and Rachel are in the kitchen.]

Monica: All right, I'm gonna go steam my wedding dress okay? Who wants the responsibility of making sure nothing happens to it?

Rachel: I'll do it.

Monica: Who wants it? Anybody?

Rachel: I said I'll do it!

Monica: Nobody wants to do it? All right, I'll do it myself.

Rachel: Monica! I'm not gonna screw it up!

Monica: Y'know what? You're right, I'm sorry. Actually you were a big help tonight. Yeah, and thanks for putting my grandmother in the cab and making sure she got to the hotel safely.

Rachel: Well of course that is what I'm here for!

Monica: Okay. Sorry. (Monica goes into the bathroom.)

Rachel: Ugh! (To Phoebe) What grandmother?

[Scene: Joey and Rachel's, Joey is wearing sunglasses and as he exits his bedroom, Ross enters the apartment.]

Joey: Hey! Where have you been?

Ross: Oh, taking my parents back to the hotel.

Joey: Oh.

Ross: What? Are you going back to work?

Joey: Yeah.

Ross: Nice shades.

Joey: Thanks. Yeah, I figure if I wear these in my scenes at least I won't get spit in the eyes, y'know?

Ross: And if I remember correctly, *Ray Ban* was the official sponsor of World War II!

Joey: Great! All right. I'll see you later. (He starts to leave.)

Ross: Hey, where's Chandler?

Joey: Uh, I think he's in Rachel's room. See ya. (Exits.)

Ross: (going up to Rachel's closed door) Chandler? (He opens the door and looks inside and doesn't see him.) Chandler? (He checks the bathroom and still doesn't find him. He then finds a note on the counter. He picks it up and reads it.)

[Scene: Monica and Chandler's, Phoebe and Rachel are in the kitchen as there is a knock on the door. Rachel answers it.]

Ross: Hey!

Rachel: Hi!

Ross: Is uh, is Monica here?

Rachel: She's steaming her dress, why? What's up?

Ross: I think Chandler's gone. (He hands her the note.)

Rachel: What?!

Ross: He left that.

Rachel: (reading the note) Tell Monica I'm sorry.

Phoebe: (walking up) What's up? (Rachel hands her the note and she reads it.) Tell Monica I'm sorry. (Pause) Tell her yourself!

Commercial Break

[Scene: The Hallway, Ross, Phoebe, and Rachel are discussing the note.]

Phoebe: Oh my God! Chandler just left though!

Rachel: Yeah but, maybe it's not what we think. Maybe it's tell Monica I'm sorry I...drank the last of the milk.

Phoebe: Or maybe he-he was writing to tell her that-that he's changed his name, y'know? Tell Monica I'm sorry.

Ross: I think it means he freaked out and left!

Phoebe: Don't be so negative! Good God! Isn't it possible that Sorry is sitting in there (Joey and Rachel's apartment) right now?!

Rachel: Okay. Phoebe, I-I think Ross is right. What are we gonna do?

Ross: Look—Okay, I'm just gonna—I'm gonna have to go find him and bring him back! Okay? You-you make sure Monica does not find out, okay?

Rachel: Okay.

Phoebe: (pointing at Ross) Okay **but** if you don't find him and bring him back, I am gonna hunt **you** down and kick **your** ass!

(Ross laughs and Phoebe points harder.)

Ross: (scared) I will, I will find him.

[Scene: The Movie Set, Joey is getting his make-up touched up as Richard approaches.]

Richard: Hey Joey, could you uh, go through these lines with me? (He's holding a script.)
Joey: Oh man! They—they just redid my make-up!
Richard: Just the last two pages.
Joey: All right.
 (They go onto the set.)
Richard: I found the picture!
 (He's still spitting and Joey holds his script in front of his face.)
Joey: Picture? What picture?
Richard: Could you uh, could you lower your script? I need to see your face so I can uh, play off your reaction.
Joey: Okay uh, look I know you're a great actor, okay? And you play all those Shakespeare guys and stuff...
Richard: Oh, thanks.
Joey: But you're spittin' all over me man!
Richard: Well of course I am!
Joey: You know you've been spitting on me?!
Richard: That's what real actors do! Annunciation is the mark of a good actor! And when you enunciate, you spit! (Spits on the t)
Joey: (wiping face) Wow! Didn't know that.
 Richard: Great!
Joey: Thanks! Okay-okay check it out! (Reading from the script) Picture? What picture? (He pauses then spits) Eh?
 [Scene: Central Perk, Gunther is behind the counter as Ross enters looking for Chandler.]
Ross: Gunther have you uh, have you seen Chandler?
Gunther: No. No, I haven't seen him.
Ross: Oh damn!
Gunther: He's getting married tomorrow right?
Ross: Yes. Yes. Don't worry. Everything's fine. We'll uh, we'll see you tomorrow at the wedding.
Gunther: I wasn't invited.
Ross: Well then we'll-we'll see you the day after tomorrow. (Walks away slowly, but notices something.) Mom?! Dad?! (They're sitting by the window.) What-what...what you guys doing here?!
Mr. Geller: Well you kids talk about this place so much, we thought we'd see what all the fuss is about.
Mrs. Geller: I certainly see what the girls like coming here.
Ross: Why?!
Mrs. Geller: The sexy blonde behind the counter. (She waves at Gunther who waves back.)
Ross: (shocked) Gunther?!
Mr. Geller: Your mother just added him to her list.
Ross: What? Your-your list?
Mrs. Geller: Yeah, the list that—of people we're allowed to sleep...
Ross: Yes! No-no! I know, I know what the list is! Mom! Look if you see Chandler, could you just let him know I'm looking for him?
Mr. Geller: And if you see Rita Moreno, let her know I'm looking for her.
 (Ross points at him and exits.)
 [Scene: The Movie Set, Richard and Joey are doing a scene.]
 The Director: Action!
Richard: I found the picture!
Joey: What picture?!
Richard: The picture of my wife! In your pack!
Joey: You went through my personal property?
Richard: Why do have a picture of Paulette in your pack?!
Joey: (pause) Because Vincent, we were lovers. (Pause) For two years!
The Director: Cut! Wonderful!
 (Joey and Richard both wipe their faces and are given towels.)
Joey: Great scene yeah?
Richard: Oh you're awesome! And, in that last speech? You soaked me.
Joey: Thanks a lot.
The Assistant Director: (To Joey) Here's your call sheet for tomorrow.
Joey: Oh, I'm-I'm not working tomorrow.
 The Assistant Director: You are now.
Joey: No! No! I can't! You gotta get me out of it! I've got plans! (Spits.) Important plans! (Spits on the Ps.)
 (The AD walks away wiping his face.)
 [Scene: Monica and Chandler's, the next morning, Rachel and Phoebe are eating breakfast.]
Rachel: (closing the door) Ross said there's still no word from Chandler.
Phoebe: Oh man.
Rachel: Oh but he did say that they found the grandmother wandering down fifth avenue.
Phoebe: Okay. Well there's one down.
Monica: (entering from her room, excitedly) I'm getting married today!!! (She trips and falls.) (Getting up) I think I just cracked a rib. But I don't care because today's my wedding day! My day is finally here!! (Runs back into her room.)
Phoebe: Y'know she might not even notice he's gone.
Monica: (re-entering) I'm gonna start getting ready! (Goes back into her room.)
Rachel: God! Don't—We can't let her start getting ready! This is too awful! Oh God, but wait she'll be in the gown and then he won't show up and then she's gonna have to take off the gown...
Phoebe: Shhh! Stop it! Stop it Rachel! You can't do this here! (She drags her into the bathroom.)

Rachel: I'm sorry. I'm sorry. It's just...It's just so sad!
Phoebe: Yeah, but you've got to pull yourself together! Monica can't see you like this! Then she'll know something's wrong!
Rachel: I know. I know. Oh God. (Looking around) There's no tissue! Can you grab me some toilet paper?
Phoebe: Yeah. (Looks.) Oh, that's gone too. This is Monica's bathroom right?!
Rachel: Oh!
Phoebe: No-no! I-I...I found one.
Rachel: Okay.
 (Phoebe reaches into the trash can, pulls one out, and hands it to Rachel.)
Rachel: Oh thank you! (Wiping her nose.) Oh God! (She throws it out.) Can I have another one?
Phoebe: (looking into the trash can) Sure. (Reaching into the trash can.) Do you need some floss? (Grabs a piece of it.)
Rachel: Oh God I just can't not imagine what is gonna happen if Chandler doesn't show up!
Phoebe: Oh here's a whole bunch.
Rachel: Oh, I mean she's gonna be at the wedding waiting for him and people will be whispering, "Oh that poor girl." Y'know? Then she'll have to come back here and live all alone.
Phoebe: (finding something interesting in the trash can) Oh my God!
Rachel: What?
Phoebe: There was a pregnancy test in the garbage, and it's positive. Monica's pregnant. (Rachel covers her mouth.) So I guess she won't be totally alone.
 Commercial Break
 [Scene: Monica and Chandler's bathroom, the scene is continued from earlier.]
Rachel: Oh my God!
Phoebe: I know! Monica's gonna have a baby! Hey, can this count as her something new?
Rachel: Oh my God!
Phoebe: Hey, do you think this is why Chandler took off?
Rachel: No, she had to have just taken that test because I took out the trash last night.
Phoebe: Oh God, this is turning into the worst wedding day ever! The bride is pregnant. The groom is missing. And I'm still holding this. (She throws the test back into the trash.)
Rachel: Okay Phoebe, we can not tell anyone about this.
Phoebe: Right.
Rachel: Okay?
Phoebe: Yeah, okay. Hey, wait. Do you know what kind of birth control she was using?
Rachel: No. Why?
Phoebe: Just for the future, this is hardly a commercial for it.
 [Scene: Joey and Rachel's, Ross is just hanging up the phone as Rachel and Phoebe enter.]
Rachel: Anything?
Ross: No! I talked to Joey on the set, he hasn't heard from him. I-I-I talked to Chandler's parents again!
Phoebe: You told them he was missing?
Ross: No! I made it seem like I was just calling to chat. Pretty sure, they both think I'm interested in them.
Rachel: All right, we've got to tell her he's gone. (Starts to leave.)
Ross: No! Hey! Hey! We can't!
Rachel: Ross, she's gonna start getting ready soon!
Ross: Well, can't you at least stall her a little? I'll-I'll go back to some of the places I went last night.
Rachel: All right, well how much time do you need?
Ross: Well how much time before she absolutely has to start getting ready?
Rachel: One hour.
Ross: Give me two.
Rachel: Then why do you ask?!
 (They all go into the hallway.)
Ross: Okay, wish me luck.
Phoebe: Okay. I'm going with you.
Ross: Why?!
Phoebe: Ross, you're tired. You've been looking all night. And clearly you suck at this.
Rachel: All right, I'll see you guys later.
Phoebe: Okay. Wait, do you know how you're going to stall her?
Rachel: I'll figure something out.
Phoebe: All right. Good luck.
Rachel: Thanks.
 (Phoebe and Ross go to look for Chandler and Rachel enters Monica and Chandler's.)
Monica: Hey! Okay, so I thought we'd start with my make up and then do my hair.
Rachel: Okay uh, but before you do that. I-I, I need you to talk to me.
Monica: About what?
Rachel: Umm... I'm never gonna getting married!
Monica: Yeah you will! The right guy is just around the corner! Okay, are we done with that?
Rachel: No Monica! I'm serious! Oh, maybe I should just forget about it. Become a lesbian or something.
Monica: Any woman would be lucky to have ya.
Rachel: Well maybe it would make me feel better if I slept with Joey.
Monica: (jumping up) Rachel! You okay?
 [Scene: The Movie Set, Joey is reporting for work.]
Joey: Excuse me, Aaron? (The director turns around.) Hi! Umm, I have a little problem with the schedules. Originally, I wasn't supposed to work today, and I have this wedding that I really have to be at. It's my best friend's, and I'm officiating so I really can't work past four.
The Director: Joey, you gotta stay until the end. We can't stop filming just for you. It's not like it's your wedding. (Starts to walk away.)
Joey: I'm having surgery!

The Director: What?!

Joey: Yeah, I-I just made up the stuff about the wedding because I didn't want you to worry about me. But, I'm having surgery today.

The Director: What kind of surgery?!

Joey: Transplant.

The Director: But you're supposed to work on Monday.

Joey: Hair transplant.

The Director: But you're not bald.

Joey: It's not on my head.

The Director: Look Joey, there's nothing I can do. Besides, you're probably gonna be out by four anyway. We've just got one short scene. It's just you and Richard, and God knows he's a pro. You'll be fine. (Walks away and sees Richard entering.) Morning Richard.

Joey: Hey! You're here! Great! Great! Great! Let's get going buddy, we've got a scene to shoot!

Richard: I'm wearing two belts.

Joey: Are you drunk?
 Richard: No!

Joey: Yes you are!

Richard: All right.

[Scene: A Street, Phoebe and Ross are exiting a pizza place.]

Ross: We are never gonna find him! He's one guy in a huge city!

Phoebe: Oh my God! Is that him? (She points at someone.)

Ross: That is an old, Chinese woman!

Phoebe: He could be in disguise, y'know.

Ross: Aw, y'know...Y'know, maybe we're-we're just approaching this all wrong. If you're Chandler and-and you wanna hide, where is the last place on Earth people would think you'd go?
 [Cut to an office building.]

Ross: So this is your office?

Chandler: How did you guys find me? I knew I should've hid at the gym!

Phoebe: What the hell are you doing?!

Chandler: Panicking! And using the Internet to try to prove that I'm related to Monica. How is she?

Ross: She's fine. She doesn't know you're gone. And she doesn't have to know, okay? Now come on, we're going home.

Chandler: No! No! No! I can't do that!

Phoebe: Why not?!

Chandler: Because if I go home, we're gonna become the Bings! I can't be the Bings!

Ross: What's wrong with being the Bings?

Chandler: The Bings have horrible marriages! They yell. They fight. And they use the pool boy as a pawn in their sexual games!

Ross: Chandler, have you ever put on a black cocktail dress and asked me up to your hotel room?
 Chandler: No.

Ross: Then you are neither of your parents!

Chandler: It's not just their marriage! I mean, look at yours. Look at everybody's! The only person that can make marriage work is Paul Newman! And I've met me; I am not Paul Newman. I don't race cars! I don't make popcorn! None of my proceeds go to charity.

Phoebe: But look Chandler, right now, no one has a lower opinion of you than I do. But I totally believe you can do this.

Chandler: I want to. I love her so much, but I'm afr...It's too huge.

Ross: Y'know, okay. You're right. It is huge. So why don't we take it just a little bit at a time? Okay? Umm, forget getting married for a sec; just forget about it. Can you just come home and take a shower?

Chandler: Well yeah, but then...
Ross: (interrupting him) Yeah—No-but-but-but-but! We're just gonna go home and take a shower. Now, that's not scary right?

Chandler: Depends on what you mean by we.

[Scene: Monica and Chandler's, Rachel is still trying to stall Monica.]

Rachel: The nights are the hardest. (Checks her watch.) But then the day comes! And that's every bit as hard as the night. And then the night comes again...
Monica: (interrupting) The days and nights are hard! I get it! Okay? Look umm, Rachel I'm sorry! I have to start getting ready! I'm getting married today!
Rachel: I know. At dusk. That's such a hard time for me.
Monica: (getting up) I'm gonna go put my make up on, we have to be at the hotel in an hour! (Starts for the bathroom.)
Rachel: Okay. But wait!
Monica: What?!

Rachel: Let's go to lunch!

Monica: I can't go to lunch!!

Rachel: Right.
 (Monica goes into the bathroom and Rachel thinks quickly.)
Rachel: Oh good God! I've fallen down! (She trips and falls.)
Monica: (entering) What's going on?
Rachel: Okay. All right. (Gets up.) Honey listen. When I tell you what I'm about to tell you, I need you to remember that we are all here for you and that we love you.
Monica: Okay, you're-you're really freaking me out.
Rachel: We can't find Chandler...(Phoebe sticks her head and motions that they found Chandler)—s vest. We can't find Chandler's vest.
Monica: How can that be?! Oh wait! Wait! Are you, are you serious?!

Phoebe: (entering) Found the vest! I mean we're

801 The One After "I Do"

[Scene: The Wedding Hall, Monica and Chandler have just said "I do," and the photographer is taking the required pictures. First of Monica, Chandler, Ross and Joey.]

Photographer: Great. (Takes a picture.) Great! Just give me a sec to change film.

Monica: Okay.

Ross: (To Monica) Okay, I know I'm not supposed to know, but I do. And I'm so excited for you!

Joey: What? What's going on?

Ross: Monica's pregnant!

Joey: Oh my God! Is that why you guys had to get married?!

Monica: Guys! I'm not pregnant.

Joey: Ah. (To Chandler) Slow swimmers? (Chandler looks at him.)

Ross: What?! What do you mean? You-you-you're not pregnant?

Monica: You didn't tell anybody I was did you?!

Ross: No! (Pause) I'll be right back. (Exits.)

Photographer: Now why don't we get a shot of just Monica and the bloody soldier.

Monica: (To Joey) Oh, about that. Joey, you have to change before the party.

Joey: I can't! I-I don't have any other clothes here.

Monica: Find some! Please! Anything that doesn't say I-I died tragically in France. (Joey leaves to find clothes.)

Photographer: Well then why don't we see the bride and the groom and the bridesmaids.

Phoebe: Okay. (Phoebe and Rachel join Monica and Chandler on the altar.) Hey Mon, why did you tell the guys you weren't pregnant?

Monica: Because I'm not.

Phoebe: We found your test in the trash, if you're not pregnant—(She sees Rachel shaking her head)—It's because I am.

(Flash, the photographer takes a picture of Monica and Chandler's stunned faces.)

Chandler: What?! What are you talking about?

Monica: What are you talking about?

Phoebe: Yes, I...I am with child. (Flash) And I didn't want to say anything because it's your day; I didn't want to steal your thunder.

Monica: Wait a minute! So you told people I was pregnant? (Flash) Does this look like a conversation that I want to remember?!

Chandler: Who's the father?

Monica: Yeah!

Phoebe: I can't say.

Monica: Why?!

Chandler: Why not?

Phoebe: I can't say because he's famous.

Rachel: Oh my God, who is it?! (Phoebe rolls her eyes.)

Monica: Phoebe, come on, you have to tell us.

Phoebe: Okay, okay. It's James Brolin. James Brolin is the father of my baby.

Chandler: As in Barbara Streisand's husband James Brolin?

Phoebe: What?! Well he never said that to me!

Opening Credits

[Scene: The Wedding Hall, continued from earlier.]

Photographer: Why don't we have Monica step away and we'll get Chandler and the bridesmaids.

Phoebe: How about just the bridesmaids?

Chandler: Y'know I am the groom right? I was told it was kinda big deal.

Phoebe: It is.

Rachel: For you. (Chandler leaves.)

Phoebe: Oh my God!

Rachel: Oh, thank you for doing that. I just can't deal with this just quite yet.

Phoebe: So instead you told me Monica was pregnant.

Rachel: You said that she was, I just didn't disagree with you.

Phoebe: Sneaky.

Rachel: Oh yeah.

Photographer: Smile ladies.

Rachel: Oh! (They smile and the picture is taken.) Oh by the way?

Phoebe: Uh-hmm.

Rachel: James Brolin?

Phoebe: Oh, I know. I could only think of two names, him and Ed Begley Jr. and then I remembered he's gay.

Rachel: Ed Begley Jr. is not gay.

Phoebe: (Intrigued) Really?!

[Scene: The Reception Hall, the party is in full swing.]

Bandleader: Thank you very much! Ladies and gentlemen, it gives me great pleasure to introduce to you for the very first time, Mr. and Mrs. Chandler Bing! (They enter.)

Chandler: Before we go out there I've got a present for ya.

Monica: Honey, I'm going to put my hand in your pocket!

Chandler: No?

Monica: No.

Chandler: I've been taking dancing lessons.

Monica: What?!

Chandler: Yeah, the last six weeks. I wanted this to be a moment you'll never forget.

Monica: Oh that is so sweet!

Chandler: So? Would you care to join me in our first dance as husband and wife?

Monica: Yes.

(They walk onto the dance floor and Chandler slips and almost falls.)

Monica: What's the matter?

Chandler: I don't know, it's these new shoes, they're all slippery.

Monica: Well, are you going to be able to do this?

Chandler: Not well.

(They start dancing and Chandler starts slipping around.)

Monica: Well, the good news is, I don't think anyone's looking at us.

[Cut to Phoebe and Rachel at their table.]

Phoebe: So, are you ready to talk about it?

Rachel: No.

(Pause)

Phoebe: Now?

Rachel: No!

Phoebe: Okay, we'll talk about something else then.

Rachel: Thank you.

Phoebe: Who's the father?!

Rachel: Ugh! Look honey y'know what? I haven't told him yet, so until I do I don't think I should tell anybody else.

Phoebe: Yeah. That's fine. That's fair. Is it Tag?

Rachel: Phoebe!!

Phoebe: Okay, I'm sorry. I'll stop.

Rachel: Okay.

Phoebe: Is it Ross? It's Ross isn't it—Oh my God, it's Joey!

Rachel: Honey, stop it! I am not going to tell you until I tell him.

Phoebe: Ah-hah! At least we know it's a him.

[Cut to Joey entering wearing a preppy tennis outfit.]

Monica: (seeing him) Oh sweet Lord.

Joey: I'm sorry! Okay? I went down to the gift shop and it's either this or a bathrobe! Look, what's more important, the way I'm dressed or me being with you on your special day?

Monica: Honey, I'm not even going to pretend I was listening. (Sees someone else.) Hey! Hey! (Goes over to that person.)

[Cut to the hallway outside the room, Ross is going to see which table he's at and sees a beautiful woman doing the same thing.]

Ross: Hi. I'm uh, I'm Ross. I don't, I don't believe we've met. I'm Monica's older brother.

Woman: Oh hi, I'm, I'm Mona from her restaurant.

Ross: Oh! Hello uh, Mona from her restaurant. (He uses his card to mouth those words.) (Pause) Mona, wow what a, what a beautiful name.

Mona: You think so? I've always kinda hated it.

Ross: Aw come on, Mona Lisa?

Mona: Uh-huh.

Ross: Mona umm...Clickclocken. The famous botanist? Huh? Oh no she's uh—well she's dead now. No, supposedly she was once quite the hottie of the plant world.

Mona: Really?! Well see? I never knew about her.

Ross: Linda Clickclocken. (Pause) So what uh, what-what table are you at? (She shows him.) Oh, uh me too.

Mona: Oh good. Now there'll be someone there who likes my name.

Ross: (sexily) Yes there will. (Mona leaves and Ross tries to find the same table.) Oh guess what, Molly Gilbert you've just been bumped up to table one. And if it's all right with you I'm gonna take your place at table six—Martin Clickclocken.

[Cut back inside to Joey giving a beautiful woman a tennis lesson by standing behind her.]

Joey: That's better, now just bend your arms a little more. There you go. Okay, look straight ahead. Now this time I want you to really put your ass into it. (They do a practice swing and she really puts her ass into it.)

[Cut to Chandler sitting down near Joey as his mom walks over. His birth mother, not the mother who recently visited one of those clinics in Sweden.]

Mrs. Bing: Chandler darling! Look, my date has finally arrived. I'd like you to meet Dennis Phillips.

Dennis Phillips: Congratulations.

Chandler: Thank you.

Mrs. Bing: Dennis is a dear old friend and a fantastic lover.

Chandler: Bravo Dennis thanks for pleasing my mother so.

Dennis Phillips: Oh, I'm so sorry I missed the ceremony, I was stuck at auditions.

Mrs. Bing: Oh yes, Dennis is directing a new Broadway show.

Joey: I don't believe we've met, Joey Tribbiani.

Dennis Phillips: Dennis Phillips

Joey: Wow, I've admired your work for years. You-you've done some really amazing stuff.

Dennis Phillips: Oh, thank you. Well if you'll excuse me, I'm gonna go get myself a drink. Be back in a moment. (Walks away.)

Joey: Wow Dennis Phillips! That's great! How did you guys meet?

Mrs. Bing: Well, it's a funny story.

Chandler: Funny: ha-ha or funny: (Mimes blowing his brain out.)

[Time lapse. The band is finishing another song.]

Bandleader: Thank you, thank you very much. If everyone will please take your seats, dinner will be served. (Ross starts looking for table six and finds out that it's the kid's table. He sees Mona sitting at another table.)

Ross: Hey! Uh, I thought, I thought you were at table six.

Mona: No, nine. (Shows him the card again.)

Ross: Oh see, before you uh, when you showed it to me

you-you held it that way (he turns her hand upside down) which uh, which was misleading. Well I'm... (He goes at sits down at his new table and the kids stare at him.) Hello.

[Cut to the hallway, Chandler is putting tape on the bottom of his shoes.]

Joey: Chandler. Will you see if your mom can give my resume to Dennis Phillips? 'Cause if I can get in a Broadway show then I would've done it all, film, television, and theater. The only thing left would be radio, and that's just for ugly people.

Chandler: What size shoes do you wear?

Joey: Uh, eleven, eleven and a half.

Chandler: Great, because my shoes are giving me a little problem on the dance floor, can I borrow the boots from your costume?

Joey: Uh, I don't even really know where I left those. Sorry.

Chandler: (looking at Joey's feet) Those aren't eleven and a half.

Joey: Okay fine! I'm a seven! All right, I have surprisingly small feet. But the rest of me is good, I'll show ya!

[Cut to Monica and Rachel at their table.]

Monica: Can you believe Phoebe got pregnant?!

Rachel: Oh y'know what honey? Let's not talk about that right now?

Monica: This is so huge.

Rachel: Sure, but come on, as big as your wedding?

Monica: Of course not nothing is. Between me and you...

Rachel: Yeah.

Monica: ...in this day and age how dumb do you have to be to get pregnant?

Rachel: Hey! Y'know, sometimes you can do everything right, everyone can wear everything they're supposed to wear, and one of those little guys just gets through!

Monica: How?

Rachel: I don't know! Maybe they have tools.

Monica: Well I-I talked to and uh, she's definitely going to have this baby. Y'know, she said she was gonna raise it on her own.

Rachel: Well, maybe that's, maybe that's really brave.

Monica: Maybe. I just hope she realizes how hard it's gonna be.

Rachel: Maybe she hasn't really thought it through that well.

Monica: Well, there's a lot to think about. I mean, how is she, how is she going to handle this financially? How is she going to juggle work? Does she realize she's not going to have a date again for the next eighteen years?

Rachel: (starting to cry) I don't know.

Monica: Are you okay?

Rachel: Uh-hmm. I'm just thinking about Phoebe; poor knocked up Phoebe.

Waiter: Champagne?

Rachel: Oh yes! Thank you very much! (She grabs a glass, takes a sip, and realizes what she just did. She then tries to spit the champagne back into the glass without Monica noticing. It doesn't work.) Oh that's-that's actually how the French drink it. (Monica gasps.)

Commercial Break

[Scene: continued from earlier, only now Phoebe joins them.]

Phoebe: Well, I just got off the phone with my lover, James Brolin...

Monica: Oh really?!

Phoebe: Yes, and apparently he is married to some singer, but he said he would leave her for me. And I said, "James, James Brolin, are you sure?" James Brolin said...

Monica: (interrupting) Rachel's really the one who's pregnant.

Phoebe: (shocked) What?! (deadpan) Why bother?

Monica: How do you feel?

Rachel: I don't know. I don't know how I feel. This is all happening so fast. I have to make all these decisions that I don't want to make. (Takes another sip of champagne and spits it back out) Somebody just take this away from me!!

Phoebe: Calm down. Maybe you're not pregnant.

Rachel: What?!

Phoebe: When I got pregnant with the triplets, I took that test like three times just to make sure.

Monica: Yes! Maybe it's a false positive. Are you sure you peed on the stick right?

Rachel: How many ways are there to do that?

Phoebe: I'm-I'm just saying, don't freak out until you're a hundred percent sure.

Rachel: All right, I'll-I'll take it again when I get home.

Monica: You-you gotta take it now. Come on, do it as a present to me.

Rachel: Okay. Thank you.

Monica: Okay.

Phoebe: I'll run out and get you one.

Rachel: Oh, you guys are so great.

Monica: Oh, wait a minute! Who's is the father?!

Phoebe: Oh no, she won't tell us.

Monica: Oh, come on it's my wedding! That can be my present.

Rachel: Wh—Hey, I just gave you peeing on a stick.

Phoebe: See? This is why you register.

[Cut to Ross at the kiddie table. He reaches for something and a fart noise emanates which causes the kids to laugh.]

Ross: It was the chair again! Okay? I'm not doing it! It what—look, I don't—y'know what—eh-eh... (He walks away and goes over to Mona.) Hi.

Mona: Hi!

Ross: Umm, would you like to dance?

Mona: Sure.

Ross: Yeah?

Mona: Yeah.

Ross: Oh great! (They get up to dance and Ross is interrupted by a little girl.)

Little Girl: Dr. Geller?

Ross: I wasn't farting! (To Mona) Uh, a little game from our table. (To the little girl) Yes?

Little Girl: Dr. Geller, will you dance with me?

Ross: Oh umm, well uh, maybe-maybe later. Right now, I'm about to dance with this lady.

Little Girl: Okay. (She drops her head in disappointment and walks away.)

Mona: Ohhhh!

Ross: Uh, unless! Unless, uh this lady wouldn't mind letting you go first.

Mona: I'd be happy to. (To Ross) **You** are very sweet.

Ross: Yes I-I am. In fact umm hey, why don't we try it my special way? You can dance on my feet.

Little Girl: Sure!

Ross: Yeah? Hop on. (They start dancing and Mona sits down.) Is the pretty lady looking?

Little Girl: Uh-huh.

Ross: Keep dancing.

[Cut to Chandler in the hallway practicing dancing and is doing it very well.]

Chandler: And the world will never know.

Joey: Hey! Did you talk to Dennis about me yet?

Chandler: Yes, I told him how talented you were. I told him all about *Days Of Our Lives*.

Joey: No-no! No! No! You don't tell a Broadway guy that! Now he just thinks I'm a soap actor.

Chandler: But you're **not** just a soap actor. You are a soap actor with freakishly tiny feet.

Joey: Hey!

[Joey walks back inside just as Ross's dance is finishing.]

Little Girl: Thank you.

Ross: No-no, thank you Miranda.

Little Girl: Melinda!

Ross: All right. (Walks over to Mona.)

Mona: How cute was that?

Ross: Oh-oh, were you, were you watching? (Another little girl walks over to him.)

Second Girl: Can I go next?

Ross: What? Of course you can! Hop on!

Mona: Okay, but I get to hop on after her. (Ross bites the air in response.)

Ross: I am so gonna score.

Second Girl: What?

Ross: I like your bow.

[Behind them, Joey goes up to the bandleader and interrupts the song.]

Joey: (clinks his glass) I'd like to propose a toast. To Monica and Chandler, the greatest couple in the world. And my best friends. Now, my when I first found out they were getting married I was, I was a little angry. I was like, (overly angry) "Why God? Why? How can you take them away from me?!" But then I thought back over all our memories together, some happy memories. (Does a fake laugh.) And-and there was some sad memories. (Starts to break down and cry.) I'm sorry. And-and some scared memories—Whoa! (He jumps back, startled.) Eh? And then, and then I realized I'll always be their friend, their friend who can speak in many dialects and has training in stage combat and is willing to do partial nudity. (Starts to walk away, but realizes something.) Oh! To the happy couple!

[Time Lapse, the interrupted song is finishing.]

Bandleader: Thank you.

Ross: (to the second girl) That was very nice Ashley.

Ashley: Can we do it again?

Ross: No-no. (Walks over to Mona again.)

Mona: So, is it my turn now?

(A large little fat girl walks over.)

Fat Girl: I'm next!

Ross: Oh! (Recoils in horror.)

Mona: Uh, that's okay. You can dance with her first.

Ross: Oh, you-you sure? (She nods yes.) Okay. (To the girl) Okay. So what's uh, what's your name.

Fat Girl: Gert!

Ross: That's, that's pretty. (They start to dance and Gert tries to step on Ross's feet, but he pulls them out of harm's way.) Whoa! Whoa! Whoa! What are you doing there Gert?

Gert: Dancing on your feet! Like the other girls did it.

Ross: Okay. (Swallows hard.) Hop on Gert. (She does and Ross winces in pain.)

Gert: Why aren't you moving your feet?

Ross: I'm trying. (He strains to move his feet.)

Gert: Faster! You're not going fast enough!

Ross: Maybe I should stand on your feet! (Gert's shocked and Ross realizes what he said and tries to brush it off.)

[Cut to Joey going over to talk to Dennis Phillips.]

Joey: So did you uh, happen to catch my toast up there?

Dennis Phillips: Oh my God, that was for my benefit?

Joey: Well, I'd like to think there was something for everyone. Look, I know you're casting for this new show...

Dennis Phillips: Look umm Joey, I-I don't think you're quite right for this project.

Joey: Oh, see that's where you're wrong. Whatever it is I can do it. And if didn't see it up there, just-just try me.

Dennis Phillips: It's an all Chinese cast. Can you be Chinese?

Joey: Well I'm not proud of this, but... (He turns around and starts to mess with his eyelids.)

Dennis Phillips: Oh my God! No-no-no! Please! Please! Don't-don't-don't!

[Cut to Monica walking up to Chandler.]

Monica: Hey, are you ready to get back on the dance floor?

Chandler: Did it turn into sand?

Monica: Ohh come on, I love this song! Come on, you'll be fine. (She starts to walk towards the floor.)

Chandler: (sliding up behind her) No. No, I won't. Do you know why I took all those lessons? See, for the first time I didn't want you to be embarrassed to be seen on the dance floor with some clumsy idiot.

Monica: Oh sweetie, you can never embarrass me. (Chandler grunts.) Okay, you can easily embarrass me. But come on, it doesn't matter. All right? I married you! So I want to dance on my wedding night with my husband. Come on. (They go onto the floor.) Just try not to move your feet at all. (Chandler starts to get into the groove and bust a move.) There you go.

(Mr. Geller dances over.)

Mr. Geller: Chandler, I'm gonna have you arrested.

Chandler: Why?

Mr. Geller: You stole my moves. (He starts to dance like Chandler was and Chandler stops.)

[Scene: The Women's Restroom, Rachel and Phoebe are waiting for the outcome of Rachel's second test.]

Rachel: How much longer?

Phoebe: 30 seconds.

Rachel: 30 seconds, okay.

Monica: (entering) Did I miss it? (Phoebe nods no.) Rachel, I-I want you to know that, if it's positive, we're gonna...

Rachel: Oh I know. I know. (They hug.)

Phoebe: It's time. (Another woman starts to enter.)

The Girls: No!! (The woman backs out.)

Monica: Go ahead Rach. (She goes over to look.)

Rachel: Oh wait! Y'know what? I can't, I can't look at it. I can't. Somebody else tell me, somebody tell me.

Phoebe: Okay.

Rachel: Okay.

Phoebe: Umm, it's negative.

Rachel: What?

Phoebe: It's negative.

Rachel: Oh. Oh. Well there you go. Whew! (Pause) That is—that's great—that is really great-great news. (Pause) Y'know 'cause the whole not being ready and kinda the financial aspects, all that. Whew. Wow, this is so just the way it was supposed to be. (Starts to cry.) God.

Monica: Well... Well, great.

Phoebe: Here. (Gives Rachel a tissue.)

Rachel: Thanks. (Crying) God this is so stupid! (Pause) How could I be upset over something I never had? It's negative?

Phoebe: No, it's positive.

Rachel: What?!

Phoebe: It's-it's not negative, it's positive.

Rachel: Are you sure?

Phoebe: Well yeah, I lied before.

Rachel: Oh!

Monica: Oh God...

Phoebe: Now you know how you really feel about it.

Rachel: Oh-oh, that's a risky little game!

Monica: Are you really gonna do this?

Rachel: Yeah. I'm gonna have a baby. I'm gonna have a baby. I'm gonna have a baby! (They all hug.)

Phoebe: With who?

Rachel: Ah, it's still not the time.

Dedicated to the People of New York City
Closing Credits

[Scene: The Reception, Joey is helping Ross walk after Gert got through with him and Mona is looking on concerned.]

Ross: I just didn't see the fast song coming.

Joey: Shh. Shh. Don't try to talk, we'll get you up to your room, we'll soak your feet, you'll be okay.

Ross: Oh, thank you.

Monica: That is so sweet!

Joey: Yeah.

Monica: No, I mean it. There are so few genuinely nice guys out there.

Joey: Tell me about it, I feel like I'm holding down the fort all by myself.

Monica: It's Joey right?

Joey: Yeah.

Ross: Wait a minute! No! I'm the nice one! I'm the one who danced with the kids all night! How...How small are your feet?! (They all look down.)

802 The One With The Red Sweater

Scene: The Hotel Lobby, Rachel and Phoebe are at the front desk checking out.]

Rachel: Listen y'know what sir? For the last time, I don't care what the computer says, we did not take a bag of Mashuga nuts from the mini-bar and we did not watch Dr. Do-Me-A-Little!

Joey: (entering) Hey!

Phoebe: Oh! Joey uh, were you in our room last night?

Joey: No. (Phoebe grabs the receipt and shows it to Joey who gets mad.) I was told the name of the movie would not appear on the bill!

(Chandler and Monica enter.)

Chandler: (to the front desk clerk) Hi! We're checking out of the bridal suite.

Monica: (depressed) That's right. I'm no longer a bride. I'll never be a bride again. Now, I'm just someone's wife!

Chandler: And I'm the happiest guy in the world! (Monica goes and sits down in a huff.) Oh honey, come on don't be upset. We still have so much to look forward to!

Monica: Oh yeah, right. (Rolls her eyes.)

Chandler: We got the honeymoon.

Monica: That's not 'til Thursday.

Chandler: The wedding pictures?

Monica: They won't be ready for weeks.

Chandler: Not the disposable cameras from the tables.

Monica: That's true! (Happily) I knew I married you for a reason!

Chandler: I'll tell you what, I will go get them developed and you can go home.

Monica: Okay. (Joey giggles.)

Chandler: What? What did you take a picture of?

Joey: Nothing! It was something.

Chandler: Okay Ross has the cameras, has he checked out yet?

Rachel: Are you joking? Check out is not 'til noon and he has a good (checks her watch) eleven minutes left.

Chandler: Oh.

Monica: Ross has never checked out of a room a minute before he had to.

Rachel: Yeah, one time, when we were dating, uh we got a late checkout, he got so excited it was the best sex we ever had. Until y'know, he screamed out *Radisson* at the end.

Chandler: Okay, well I'm gonna get Ross, get the cameras, and get them developed. (Joey laughs again.) 32 Joe. You're 32! (Exits)

Front Desk Clerk: (To Monica) Here's a copy of your bill.

Monica: Oh thanks. (Reading the bill) Champagne, strawberries...Oh my God! I can't believe Chandler ordered porn on our wedding night!

Joey: Yeah, that's sad. Mashuga nut? Opening Credits

[Scene: Ross's Hotel Room, he is letting Chandler in.]

Ross: Hi.

Chandler: Hey. (He sees that Ross is packing all of the hotel toiletries) Soaps? Shampoos? Are you really taking all this stuff?

Ross: Why not? It's built into the price of the room.

Chandler: Yeah but you don't need—(Picks up something)—What is this?

Ross: Thread!

Chandler: Score! Where are the disposable cameras?

Ross: What disposable cameras?

Chandler: The cameras? Remember last night I told you to take them?

Ross: No you didn't.

Chandler: Yes! Remember? Right before we cut the cake, I went up to you and I said...

Ross: Oh-oh yeah, you-you came up to me and asked if I could do you a favor, and my Uncle Murray came up to you and handed you a check. And then you said, "Why do they call it a check? Why not a Yugoslavian?" (Chandler laughs.) Yeah, then you did that.

Chandler: So you don't have the cameras?!

Ross: No. Sorry man.

Chandler: So? What? What? They're gone! Monica's gonna freak!

Ross: Well, I'm sure they're still somewhere here in the hotel. I'll-I'll help you look for them.

Chandler: Great.

Ross: In-in three minutes.

(Chandler goes into the bathroom, closes the door, and then opens it again right away. Ross looks up and hands him the toilet paper Ross already packed.)

[Scene: Monica and Chandler's, Phoebe is entering to see Monica sitting in front of a mound of wedding gifts.]

Phoebe: Hey!

Monica: Hey!

Phoebe: Are you gonna open the presents without Chandler?

Monica: No! (Pause) But, they're callin' out to me! I mean this little guy (Holds up a small one) even crawled up into my lap. Oh come on, Chandler wouldn't mind if I opened just one present! What do you think it is?

Phoebe: A little mirror that when you look into it you see yourself as an old woman. (Monica opens it anyways.)

Monica: A tiny salt shaker!!!

Phoebe: Ohhh! My God! For tiny salt!

Monica: Oh wow! Okay. Well that was fun.

Phoebe: Oh yeah.

Monica: Good. Okay, I'm just gonna wait for Chandler to open the rest of them.

Phoebe: Okay.

Monica: Whew. Although y'know, this is part of a salt and pepper set. I mean... I guess y'know it may just count as a half a present. What do you think?

Phoebe: Well I guess it's okay to open one more if it's part of a set. Y'know, it's probably this one. (Grabs another small one.)

Monica: Or this one! (She grabs and starts to open the biggest present.)

Rachel: (entering) Hi.

Monica: Hey, how are you feelin'? Any morning sickness?

Rachel: Shh-shh-shh! The guys don't know yet do

they?

Monica: No! Joey and Ross don't know anything and Chandler still thinks that Phoebe's pregnant.

Phoebe: Yeah that's right Chandler does still think I'm pregnant. He hasn't asked me how I'm feeling or offered to carry my bags. Boy, I feel bad for the woman who ends up with him. (Monica looks at her.) After you of course.

Rachel: Don't worry I promise that you will only have to be pregnant for a few more hours, 'cause I'm going to tell the father today.

Phoebe: Ooh, is it someone in this building? Is it that tall guy from the first floor?

Rachel: Ew! No!

Phoebe: What?! I think he's cute.

Rachel: Well then you have his baby.

Phoebe: Believe me I'm trying.

Monica: Wow. Y'know it is so weird. I mean, you're gonna tell this guy today and he has no idea what's gonna happen.

Phoebe: Yeah. You're just gonna knock on his door and change his life forever. You're like Ed McMahon except without the big check, or the raw sexual magnetism.

Rachel: Yeah. Uh-huh, I guess it is pretty big news.

Phoebe: Pretty big? It's huge! God, this guy doesn't have a clue! He's just walking down the street thinking, 'I had sex with Rachel Green. I rock!' then bam! He's a father and everything's different.

Rachel: Well it's only different if he wants it to be. I mean, I'm not gonna ask him for anything.

Phoebe: Okay. Then he still has this huge decision to make. Now he's walking around thinking, 'Do I want to be a dad?' and then bam!

Monica: What was that bam?

Phoebe: I don't. He got...he-he-he-he's hit by a bus.

Joey: (entering) Hey!

Rachel: Hey Joey, what would you do if someone that you slept with told you that she was pregnant?

Joey: (warily) Who called here? Did she sound blond? Huh? Did-did-did she have an accent? I gotta make a call! (Starts to leave) I shoulda never walked into that Sunglass Hut!

Rachel: Oh Joey! Joey! No, it's not you! You didn't get anybody pregnant!

Joey: Oh. Why would you scare me like that? What the hell is going on? (Pause.) Is somebody pregnant?

Phoebe: Oh yeah. That's me.

Joey: Oh my God Pheebes! You're gonna have a baby?

Phoebe: Yes. Yes I am. Oh my God, I'm gonna have a baby! (Joey and Phoebe hug.)

Joey: Whoa, wait a minute. Who's the father?

Phoebe: You don't know him. It's not important. He wants nothing to do with me or the baby. (She sits down like she's pregnant.)

Joey: Well who is this guy?! Huh? Who is he? 'Cause I will track him down and kick his ass!

Phoebe: David Lynn.

Joey: David Lynn! David Lynn! David Lynn!! (Exits)

Monica: Who's David Lynn?

Phoebe: Oh some guy from my gym. A little annoying.

[Scene: The Banquet Room, Chandler is under one of the tables as Ross enters.]

Ross: Chandler?

Chandler: Hey! Did you find the cameras?

Ross: No. Did you?

Chandler: Yes! And that's why I'm under the table. Celebrating.

Ross: Well I checked in the uh, lost and found, I talked to the manager, no-one's turned them.

Chandler: Well this is great. Y'know, those cameras were the only thing that was gonna cheer Monica up today, she's really depressed.

Ross: Now you guys just got married, why is she so depressed?

Chandler: All my energy is going into not asking that question. I can't believe I screwed this up!

Ross: I'm sorry man. (Formally dressed people start to enter.) Here's a thought. This is the same ballroom. There's a band. There's gonna be plenty of dressed up people.

Chandler: Are you suggesting we dance our troubles away?

Ross: No-no-no, I'm saying we-we buy more of this (disposable cameras) at the gift shop, throw our tuxes back on, and take a few pictures. All we have to do is make sure not to get anybody else's faces.

Chandler: Are you serious?

Ross: I'm just thinking about your new bride at home. Okay? Do-do you really want to start your life together by letting her down?

Chandler: Marriage advice? Really?!

Ross: I'm telling you, this looks exactly like your wedding! Aren't these the same flowers?

Chandler: I don't know, Monica picked out the flowers.

Ross: What about the chairs?

Chandler: She picked those out too.

Ross: How about the place settings?

Chandler: That was her.

Ross: What did you do?

Chandler: I was in charge of the cameras! Gift shop?

Ross: Hmm. (They head off to the gift shop.)

[Scene: Central Perk, Rachel is sitting on the couch as Phoebe enters.]

Phoebe: Hey! Ooh, did you do it yet?

Rachel: Not yet.

Phoebe: Oh, well what are you doing here? Are you about to do it? (Gasp!) Is it Gunther?

Rachel: No! Phoebe, it's not Gunther.

Phoebe: Thank God, 'cause that hair on a baby...

Rachel: Phoebe the father is not here okay? I haven't told him yet and I don't think I can tell him at all now!

Phoebe: Why not?

Rachel: I don't know, let me think. I was walking down the street thinking, 'I'm gonna tell the father today' and then bam!

Phoebe: Bus?

Rachel: No, you! Phoebe you freaked me out. You kept saying how huge this all is!

Phoebe: Well-well but it is huge.

Rachel: I know, but I was just thinking about how huge this is for me. I didn't even go to how huge this was going to be for the father.

Phoebe: You're thinking about this way too much. Just tell him and get it over with. It's like, it's like ripping off this Band-Aid. (On her arm) Quick and painless, watch. (Rips it off.) Oh mother of...See?

[Scene: Monica and Chandler's, Obsessive Monica has now opened more of the wedding gifts.]

Joey: (entering) Ooh-ooh-ooh! Are we opening presents?

Monica: No! No! I shouldn't have even opened these! I mean I—Joey I am out of control!! Joey, you have to do me a favor. No matter what I say, no matter what I do, please do not let me open another present! Okay?

Joey: Okay.

Monica: Give me one more.

Joey: Okay. (Hands her one.)

Phoebe: (entering) Hey.

Joey: Oh good, uh you're here. Uh Pheebes? Listen uh sit down. I-I got something I want to say.

Phoebe: All right. (She sits down like she's pregnant again.)

Joey: Umm, now uh... It's a scary world out there, especially for a single mom. Y'know, now I always thought you and I had a special bond so... (He goes to one knee and pulls out a ring.) Phoebe Buffay, will you marry me?

Monica: Oh my God! Joey!

Phoebe: Hell yeah! I'll marry you! (She grabs the ring and puts it on.)

Monica: You can't marry him!

Phoebe: Hey lady, your day's over! It's my turn!

Monica: Phoebe!

Joey: Why?! Why can't she marry me?!

Phoebe: I can and I will! (Kisses him.)

Monica: She's not pregnant. It's Rachel. Rachel's the one who's pregnant.

Joey: Oh my God.

Phoebe: Hey!

Monica: Phoebe I think he would notice if you didn't have a baby in nine months!

Phoebe: It's Joey! (Joey turns and looks at her and she mouths 'I love you' to him.)

Joey: (smiles then stops) Now I can't believe it! What? Rachel's pregnant? (The girls nod yes.) Who's the father?

Phoebe: We don't know.

Joey: Ohh... I wonder if that dude.

Monica: There's a dude?

Joey: Yeah.

Phoebe: Who? Who is it?

Joey: About a month ago this guy spent the night with Rachel, I didn't see who it was but... (He walks out and closes the door.)

Phoebe: Was that story over?

(They follow him and meet him in the hall coming out of his apartment carrying a sweater.)

Joey: The guy left this.

Phoebe: (gasps) Oh my God! I know who the father is... (She walks into Monica and Chandler's.)

Monica: People have got to finish their stories! Commercial Break

[Scene: The Banquet Room, Ross and Chandler are in their tuxes and have started to fake the pictures.]

Chandler: (to another couple) Uh, excuse me? Could you take a picture of us?

Woman At The Wedding: Oh! Of course. (Ross and Chandler pose and she takes the picture.)

Man At The Wedding: Uh, would you take one of us?

Chandler: Uhh... Yeah sure. (Holds the camera up to his face.) Click!

Woman At The Wedding: It didn't click.

Ross: I heard it. I heard it.

Man At The Wedding: But there was no flash.

Woman At The Wedding: Why won't you take our picture?

Chandler: Oh yeah. I'll take, I'll take your picture. (He takes the picture with his finger over the lens.)

Man At The Wedding: Uh, your finger was covering the lens.

Chandler: Who are you? Ansel Adams?! Get outta here!

[Scene: Outside Central Perk, Rachel and Phoebe are about to go inside.]

Phoebe: Look, I feel really bad about how I freaked you out before, so I called the father and asked him to meet you here so you can tell him. Go!

Rachel: What? Hey wait a minute! Phoebe, how do you even know who the father is?

Phoebe: I may play the fool at times, but I'm a little more than a pretty blond girl with an ass that won't quit. (She takes the sweater out of her purse.) I believe this belongs to the father of your baby.

Rachel: Oh God... Oh, he's in there right now?

Phoebe: Uh-huh. Now you can turn around or you can go in there and rip the Band-Aid off. What to you want to do?

Rachel: Uh, let's rip!

Phoebe: Really? Are you sure?

Rachel: Oh Phoebe!

Phoebe: Okay, sorry. Yeah. (They go inside to confront the father.)

Tag: Hey Rach.

[Scene: The Banquet Room, Ross is taking a picture of a plant, Chandler a fork. The band stops.]

Chandler: Why don't you go up on stage. I'll get a picture of you doing the speech.

Ross: Okay. Okay!

(He goes up on stage, mimes like he's giving the speech, and Chandler takes his picture. However, before he gets down everyone starts clinking their glasses for a real speech.)

Ross: Will the owner of a 1995 Buick LeSabre please see the front desk? Your car is about to be towed.

Anxious Wedding Guest: (rushing up) That's my car!

Ross: A '95 LeSabre?!

Anxious Wedding Guest: Yes!

Ross: A green LeSabre?

Anxious Wedding Guest: Yes!

Ross: I'm sorry, I meant a blue LeSabre.

Anxious Wedding Guest: Yes! Green-blue!

Ross: Well go! Go move it! (He runs off.)

Chandler: Okay, you ready for the last picture?

Ross: Yeah.

Chandler: Get ready to run. (Chandler walks over to the new bride.) Congratulations on your wedding. (He grabs her, kisses her, Ross takes the picture, and they both run out.)

[Scene: Central Perk, continued from earlier.]

Tag: So, what's this about?

Phoebe: Rachel has something that she wants to tell you and umm, I believe that this is your red sweater.

Tag: No. (Unzips his coat.) This is my red sweater.

Phoebe: Oh no. Could I get anyone a coffee or...poison? No? Just for me? Okay. (Walks away.)

Tag: What's going on Rach?

Rachel: Nothing! Phoebe kinda made a mistake. But y'know you do wear that sweater a lot, are you involved in some kind of dare?

Tag: Y'know, I'm actually glad Phoebe called. (He pulls out a stool and Rachel sits down.) I know we broke up because you thought I wasn't mature enough, but I've really grown up and think we should get back together.

Rachel: Oh, it's just not the right time.

Tag: It is the right time. (Takes her hand.)

Rachel: Okay.

Tag: I'm ready for more.

Rachel: Tag...

Tag: Come on Rach, let's give it another try.

Rachel: I'm having a baby.

Tag: Oh. (He drops her hand.) (Pause)

Rachel: You can go.

Tag: Thank you. (Gets up and hurries out.)

[Scene: Monica and Chandler's, Obsessive Monica has finished opening all the presents. She's ashamed of this, at least, because as someone enters...]

Monica: (throwing up the last present) I don't know how any of these got opened?!

Joey: (entering) You opened them all?

Monica: I know! I know! I am a terrible person! I mean, Chandler is never going to trust me with anything ever again!

Joey: Oh hey! You got my parent's gift! (Holds it up.)

Monica: Yeah. What is that?

Joey: Well, I don't know. I think it does something to salami.

(Phoebe and Rachel enter.)

Monica: Hey! How'd it go?

Joey: Yeah. What-what did Tag say?

Rachel: Tag is not the father! And Joey knows now?

Joey: I do Rach. I do, and I so happy for you. (They hug.)

Rachel: Oh wow, you didn't even try to unhook my bra!

Monica: So are you ever gonna tell whoever it is?

Rachel: No, I will. I'm just not up for it tonight.

Joey: Hey Rach listen, no matter what this guy says I want you to know you're not gonna be alone in this.

Rachel: I'm not?

Joey: Listen I uh... (He takes her hand.) It's a scary world out there especially if you're a single mom. Y'know, I always felt like you and I have this-this special bond. Y'know? So, (gets down on one knee again) Rachel Green will you marry me?

Rachel: What?

Monica: What?!

Phoebe: What?!!

Joey: Pheebes, give me the ring back!

Phoebe: No!!

Rachel: No! Joey, oh you're so sweet. You're so-so sweet, honey. But I'm not, I'm not looking for a husband.

Joey: (heartbroken) I understand.

Rachel: Now, if you will excuse me I am going to go and lie down. (Exits.)

Phoebe: I can't say that didn't hurt. But I'll take you back Joey Tribbiani.

Joey: Uh yeah. Pheebes, listen about that. I only offered...

Phoebe: Ooh! A Salami Buddy!

Joey: There you go! (Chandler and Ross enter with the new pictures.)

Chandler: We're back!

Monica: Great! We're hangin' in the kitchen! (She drags him into the kitchen and turns his back to the living room) Let's stay in the kitchen!

Chandler: It's picture time.

Ross: Now you are going to love these.

Chandler: (showing her the pictures) Here's a picture of Ross. (Shows another one.) And that's me. (Another one.) And that's me **and** Ross. (Another one.) Oh-ho, that is a picture of our first kiss as a married couple.

Monica: Wow! That is a great picture!

Chandler: Eh?

Monica: Yeah! Oh and interesting because I found the cameras in one of our bags! (Throws them into his chest.)

Ross: Huh, didn't see that coming.

Chandler: Okay, so this isn't a picture of our first, but it is a picture of my first kiss with...with this lady. Which by the look on your face I'm sure you'll remember. So we don't need—(Rips the picture)—There's no need to have this picture. How about I take the real pictures and get them developed right now.

Monica: That would be a good idea.

Chandler: Okay. (Sees the living room.) You opened all the presents without me?! I thought we were supposed to do that together!

Monica: You kissed another woman!

Chandler: Call it even?!

Monica: Okay! (They high-five and he walks out.)

Ross: Well, I'm gonna go get these (the floral bouquet he walked in with) in some water.

Phoebe: Wait you stole those from these people's wedding?

Ross: No-no, I took them from the hotel lobby. Yeah, they think they can charge me for some dirty movie and a bag of Mashuga nuts, they got another think coming. (Starts to leave.) Hey! My sweater! I've been looking for this for like a month! (He exits leaving a stunned Phoebe and Monica.) Monica and **Phoebe:** Oh my God!!

Joey: (slow on the uptake) Oh my God!

Closing Credits

[Scene: A Street, Ross walks past Tag wearing the same red sweater.]

Ross: Hey! How you doing?

Tag: Good! Good, long time no see.

Ross: Yeah.

Tag: Like your sweater.

Ross: Oh hey, right back at ya.

Tag: Oh, it's crazy about Rachel huh?

Ross: Yeah. She—Well, she's one crazy lady?

Tag: So whose is it?

Ross: (shows Tag his sweater tag) Umm, I don't some Italian guy. Come on, read your own label. See you later.

Tag: Okay.

(They separate.)

Ross: He is so weird.

803 The One Where Rachel Tells...

[Scene: Monica and Chandler's, Monica and Chandler are getting ready to go on their honeymoon. Monica is entering from the bedroom.]

Chandler: Hey! Babe! Aren't you excited we're going on our honeymoon?

Monica: Yeah I am!

Chandler: (singing) Bermuda, Bahama, come on pretty mama...

Monica: That's right. Get it out of your system while we're alone.

Joey: (entering with Phoebe) Hey!

Phoebe: Yeah! Have a great honeymoon!

Chandler: I'd better go pack.

Monica: Oh no, I already packed. The only thing I couldn't find though was your Speedo. (Joey looks at him, Phoebe tries not to smile, and Chandler is shocked.)

Chandler: A Speedo? Uh, I don't have a Speedo. I'm gonna go pack my regular long bathing suit. (Goes into the bedroom.)

Rachel: (entering) Oh good you're still here!

Monica: Hey!

Rachel: I want to tell you to have a good honeymoon! (Hugs Monica.)

Monica: Thank you.

Rachel: And I also wanted you guys to know that I am telling the father today. (They all look at her expectantly) What? What? What? (Pause.)

Joey: We know its Ross!

Rachel: How?! How do you know?

Phoebe: It was his sweater, but—Oh my God!

Rachel: Oh, I so wanted Ross to know first, but I'm so relieved you guys know.

Monica: This is so great! And I'm gonna be your baby's aunt!

Rachel: I know! (They hug.)

Phoebe: Me too! (Joins the hug.)

Joey: I'm gonna be an uncle! Come here! (He joins the hug.)

Rachel: (breaking the hug) You're all gonna be aunts and uncles.

Monica: Yeah, but I'm the only one related by blood.

Rachel: Okay. Great! So now that you guys all know you can help me. Give me some advice on how I'm gonna tell Ross!

Monica: Well, what were you gonna say?

Rachel: Well I was gonna tell him that I'm-I'm gonna have the baby and he can be as involved as he wants.

Joey: Well that, that sounds good.

Rachel: Yeah but how do I start? I mean, what's-what's the first thing that I say? (They all pause to think.) Okay great! Thanks. (She starts to leave.)

Monica: Hey! Good luck!

Phoebe: Yeah, bye.

Joey: Bye. (Rachel exits.)

Chandler: (entering) Hey, what was that all about?

Monica: Well I guess there is no harm in telling you now, Rachel and Ross are gonna have a baby.

Chandler: (in a high pitched voice) What?! I didn't even know that—Why didn't you tell me?! (Pause) Why am I talking like this?!

Monica: I didn't think you could keep it a secret.

Chandler: (in the high pitched voice) What?! (Normal voice) I am an excellent secret keeper. I have kept all of our secrets.

Joey: What secrets?

Chandler: Oh no-no Joey, I am not going to tell you because I am an excellent secret keeper. (The girls walk away.)

Joey: (whispering to Chandler) You'll tell me later?

Chandler: You already know.

Opening Credits

[Scene: Joey and Rachel's, Joey and Phoebe are entering.]

Phoebe: Oh, it's so romantic to send people off on their honeymoon.

Joey: Y'know, Monica and Chandler are married. Ross and Rachel are having a baby. Maybe you and I should do something.

Phoebe: All in good time my love. All in good time. Oh shoot! I left my guitar in their apartment. Well you can let me in later.

Joey: I don't have a key, they took mine to give to you.

Phoebe: What?! They took mine to give to you!

Joey: Why would they take away our keys?

Phoebe: Maybe they don't trust us.

Joey: No that's not it. They let me keep my key the last time they were out of town.

Phoebe: You mean the time you broke the ketchup bottle and cleaned it up with Monica's guest towels?

Joey: Hey, I washed those!

Phoebe: No you didn't.

Joey: Yeah that didn't sound like me.

Phoebe: Well, what am I gonna do? I really need my guitar!

Joey: Yeah, I have stuff in there too.

Phoebe: What stuff?

Joey: Monica's chicken parm! I'll take care of it. (He picks up the phone) Hey Mr. Treeger, it's Joey Tribbiani. Listen, I need to get into Monica and Chandler's apartment. It's an emergency. (Listens) Uhh, gas leak! Yeah oh, and bring garlic bread. (Hangs up.)

Ross: (entering) Hey!

Phoebe: Did Rachel find you?

Ross: No why?

Phoebe: Oh she was looking for you.

Ross: Oh well, I guess I'll catch up with her later.

Phoebe: Well, she really wanted to talk to you now.

Joey: Yeah, it seemed pretty important.

Ross: Oh no.

Phoebe: What?

Ross: I think I might know what this is about. (Phoebe and Joey trade looks)

Joey: Really?

Ross: Yeah. Uh, uh we promised we weren't gonna tell anybody this but uh, about a month ago Rachel and I slept together.

Phoebe: (deadpan) And?

Ross: Wow! I thought you would be a little more shocked.

Phoebe: Oh sorry. (Shocked) And?!

Ross: Well, we-we said we'd just do it that one time but, but now I think she may wanna start things up again.

Joey: Yeah, I don't think that's what it is.

Ross: Why? What-what else could it be?

Joey: Oh wow, I don't feel well.

Ross: I'm telling you. I'm telling you. That's what it is. No wonder she was looking at me all funny during the wedding. She didn't say anything to you?

Phoebe: (To Joey) Maybe it's something you ate?

Joey: Please, just-just, just go and talk to Rachel.

Ross: Yeah, I guess I should. (Starts to leave.) Man, y'know what I have to realize? Maybe I'm just not the type of guy women can have just one night with. Y'know, they-they always seem to want a little bit more. I should remember that. (He pauses and then exits.)

[Scene: The Airport Ticket Counter, Monica and Chandler are standing in line behind another couple kissing who are next in line to be served.]

Ticket Agent: Next?

(The kissing couple doesn't move.)

Monica: They're kissing let's just go around them.

Chandler: Oh honey, leave them alone, they're in love.

Monica: I'm in love too! But in an orderly fashion.

Ticket Agent: Next?

Monica: (to the couple) Hi! Can you do that **and** walk? 'Cause she said, "Next."

(The couple moves up to the counter.)

Woman: Sorry. We didn't hear you; we're on our honeymoon.

Ticket Agent: Oh, let me see what I can do. (Checks the computer) There are some first class seats available.

Monica: (To Chandler) Did you hear that?! They bumped them up to first class because they are on their honeymoon! Come on! Let's act like we're on our honeymoon.

Chandler: We **are** on our honeymoon.

Monica: Grab my ass!

Ticket Agent: Next? (They go up to the counter.)

Monica: Hi, sorry. I almost didn't hear you, because y'know I'm just so in love with my new husband. We're on our honeymoon.

Ticket Agent: Congratulations. Okay, Mr. Bing you'll be in 25J and Mrs. Bing you'll be in 25K.

Monica: Oh no, you see we're on our honeymoon. So umm, can you do your little thing and bump us up to first class?

Ticket Agent: I'm sorry, all our first class seats are taken. That couple got the last two.

Monica: You see, if we'd gone around them like I said, we—She would've given us those tickets. Damn it!

Chandler: 25J and K, any chance those aren't together?

[Scene: Joey and Rachel's, Phoebe and Joey are playing *Rock 'em, Sock 'em Robots*.]

Joey: I still can't believe they took away my key. You trust me with yours.

Phoebe: Of course I do! And I'm gonna give it back to you as soon as they're done with it at the key shining place. (They hear a knocking sound coming from the hallway and go to investigate.)

Joey: What the hell is that?

(They go into the hallway and see Mr. Treeger watching one of New York's bravest breakdown Monica and Chandler's door with an ax.)

Joey: Whoa! Whoa! Whoa! Treeger, what are you doing?

Mr. Treeger: You said there was a gas leak in here.

Phoebe: Well why don't you use your key?

Mr. Treeger: Because by the time I find it on this thing (Holds up a huge key ring with a thousand keys on it), the whole place might have exploded. If that happens at another building that I manage, people are gonna start asking questions. (To the fireman) Come on! Hurry up. (With a final swing the door gives way.)

Phoebe: Oh! We could have done that.

[Scene: The Airport, Chandler and Monica are following the previous couple through a tiny hallway that proves this is a set on a sound stage and not an actual airport, and see them enter the first class lounge.]

Monica: Look at that! Look at that! They're going into the first class lounge! Do you know what they have in there?

Chandler: No.

Monica: Me neither! We have to get in! (She runs through the door with Chandler in tow.)

Chandler: Just act like you belong.

Monica: Oh my God! Oranges!

Chandler: Shh! (To the guy behind the counter) Nice to see you again. (They try to walk past him.)

Airline Employee: Uh sir, may I see your tickets please?

Chandler: Yes, of course. (Shows him the tickets.)

Airline Employee: I'm sorry, would you move your thumb? I can't see the seat number.

Chandler: Oh that's all right, I have it memorized. It's 1A.

Airline Employee: (grabbing the ticket from him) Sir, this is not a first class ticket. I'm sorry.

Chandler: Apology accepted. Excuse us. (They try to enter again.)

Airline Employee: Sir! I'm afraid I'm gonna have to ask you to leave.

Monica: Fine. (Starts to walk away then she runs over and grabs an orange before she exits.) Go! Go! Go!

[Scene: The Hallway Outside Ross's Apartment, Ross is walking towards his apartment and sees Rachel sitting in front of the door.]

Rachel: (seeing him) Hi!

Ross: Hi.

Rachel: Hi. (He helps her up.) Umm, I think there's something that we really need to talk about.

Ross: (quietly confident) I think we do. Why don't we go inside? (They go inside.) Look uh, I know why you're here.

Rachel: You do?

Ross: Yeah, and to save you from any embarrassment umm, I think maybe I should talk first.

Rachel: (warily) Okay.

Ross: Okay. (He sits her down in a chair.) Uh, Ross and Rachel. Rachel and Ross. That's been one heck of a see-saw hasn't it?

Rachel: (confused) What?

Ross: I mean look, that-that one night we had was fun and...and certainly passionate, but don't you think it's better if we just stayed friends?

Rachel: Seriously. What?!

Ross: Okay. Okay. Y'know what? If you want to, we can do it one more time. I mean I'd-I'd be okay with that. In fact, I have some time right now.

Rachel: Okay, y'know what? Can I, can I talk now?

Ross: Oh sure. (He sits on the apothecary table and touches her hand.)

Rachel: (touches his knee) I'm pregnant. (Ross stops.) Ross? (Ross is staring off into space.) Ross? (Ross is still frozen) Okay, whenever you're ready. (Sits back and opens her magazine.) And you're the father by the way—but you got that...

Commercial Break

[Scene: Ross's Apartment, continued from earlier.]

Rachel: (closes her magazine) Can I get you some water?

Ross: I'm good. I'm good.

Rachel: Ross, there is no pressure on you. Okay? I mean you can as involved as you want. (Ross nods.)

Ross: Yeah, I need uh... I'm just—I don't know—I don't understand, umm, how this happened? We-we used a condom.

Rachel: I know. I know, but y'know condoms only work like 97% of the time.

Ross: What? What? What?! Well they should put that on the box!!!

Rachel: They do!

Ross: No they don't!!! (He runs to the bedroom to check and returns with his box of condoms.) Well they should put it in **huge black** letters!!!!

Rachel: Okay Ross come on let's just forget about the condoms.

Ross: Oh well I may as well have!

Rachel: Listen, y'know what? I was really freaked out too when I found out...

Ross: Freaked out? Hey no, I'm not freaked out! I'm **indignant!** As a **consumer!**

Rachel: Y'know what? Let's, let's talk later.

Ross: No! No! I want to talk now! Okay? I—I-in fact, (picks up the phone) I am going to talk to the president of the condom company!

Rachel: Okay, y'know maybe I should come back... (Starts to leave.)

Ross: (grabs her) Shh! Shh! Shh!

Rachel: (stops) Okay.

Ross: (on phone) Yeah I'll press 1! (Presses one which allows Rachel to escape.)

[Scene: Monica and Chandler's, Mr. Treeger has finished inspecting Monica and Chandler's apartment.]

Mr. Treeger: I've looked everywhere. There's no gas leak.

Joey: (eating) Huh. So then I can heat this up? (Goes and does so.)

Mr. Treeger: Anyway uh, I'll get moving on that new door.

Phoebe: Oh great! And listen, could you do us a favor and not tell Chandler and Monica about this? 'Cause y'know umm, they don't—they don't have any kids of their own and-and this door was like a child to them.

Mr. Treeger: Well I'm gonna have to put on a new lock, they'll find out anyway.

Phoebe: Oh no.

Mr. Treeger: (measures the top of the doorframe) Whoa! This looks like an all day job, I'll have to cancel my yoga class. (Ross walks up.) Hey Ross! Ross: Hi.

Mr. Treeger: Could you tell Jasmine that I won't make it to yoga class today?

Ross: Sure.

Mr. Treeger: Namaste. (Bows.)

Ross: Namaste. (Bows.)

(Treeger leaves and Ross notices the door.)

Ross: Oh my God! What happened to the door?!

Joey: So it's noticeable huh?

Ross: Look, is Rachel here? I really need to talk to her.

Phoebe: Didn't you two already talk?

Ross: Yeah but uh... Okay, okay look you guys know that Rachel and I slept together, but there's something else. (Pause) Rachel's pregnant.

Joey: (simultaneously) Oh my God!!! I can't believe that!!!

Phoebe: (simultaneously) Holy mother of God!!!

Ross: With my child.

Phoebe: That is brand new information!!

Ross: You already know don't you?

Phoebe: A little bit.

Joey: How are you doing?

Ross: Okay. Okay. I mean I'll be okay. It's just I don't think I handled it very well.

Joey: Well, what did you say to her?

Ross: Nothing. But the complaint department at the condom company got an earful. And then when I turned around she was gone.

Phoebe: Oh Ross.

Ross: But hey, in my defense I-I just found out condoms are like only 97% effective.

Joey: (shocked) What?!

Ross: I gotta go find her.

Joey: Whoa! Hey! Whoa!! Hold up! Are you serious?! So like 3% of the time they don't even work?! Huh? They should put that on the box!

Ross: Evidently they do.

Joey: What?! (Grabs his condoms from his pocket and looks.)

[Scene: The Atlantis Resort, Chandler and Monica are arriving to check in, but are behind the couple from before again.]

Monica: I can't believe we're here.

Chandler: Oh you've got to be kidding me.

Monica: What? (Monica sees the first couple and gasps.)

Front Desk Clerk: As a wedding gift to you, the hotel would like to give you the honeymoon suite.

Monica: No!! You have been screwing us all day!

Man: Who are you?

Chandler: We're you just ten seconds later!

Monica: Yeah! You already got the first class tickets; you got the lounge! I mean we should get free stuff too! I mean you're not the only ones on your honeymoon!

Woman: Well you can have the suite if you want. We don't care about where we stay. We're here to celebrate our love together. We don't have to get free stuff. We just want to be together.

Chandler: (looks at Monica then at them) We need the stuff.

[Scene: Monica and Chandler's, Joey is on the

phone and Phoebe is watching him.]

Joey: Hey Monica it's Joey. Listen uh, Phoebe and I smell gas comin' from your apartment.

Monica: What? Are you serious?! (To Chandler) Joey smells gas!

Chandler: What else is new?

Joey: Yeah and we'd go check it out, but you took away our keys.

Monica: Well do something! Get in there!

Joey: How? I guess I could break down your door.

Monica: Yeah! Do that!

Joey: And-and you won't blame us for any damage? (Gives Phoebe a thumbs up.)

Monica: No! (Pause) Are you doing it?! I don't hear anything! Come on!

Joey: Uh, okay I'll-I'll-I'll break it down. (He hands the phone to Phoebe, gets up, picks up a chair, and starts banging it on the floor.)

Phoebe: Oh hey hi, he's doing it. He's breaking down the door. (The chair breaks in half.) Okay, we're in. (She hangs up the phone.)

[Scene: A doctor's office, Rachel is on an examining table with her legs in the stirrups.]

Nurse: Okay Rachel, are you comfortable?

Rachel: (sighs) If I said I was, would you judge me?

Nurse: The doctor will be here in a minute to do your sonogram.

Rachel: Okay. (The nurse exits.) Oh man, I swear if they sold these at *Pottery Barn*...

(There's a knock on the door and Ross enters.)

Ross: Hi!

Rachel: (shocked) Hi!

Ross: Uh we-we need to talk.

Rachel: Uh-uh-uh, right now? Because I've kinda got an el fresco situation going on over here.

Ross: Please, please I want to apologize for the way I acted earlier today.

Rachel: Okay Ross that's fine, but can you please stand near my head?

Ross: What? Oh yeah. (He moves next to her head.) I'm sorry. I mean I-I think I went a little crazy. I mean I was thinking about myself when I (wanders towards Rachel's feet) really—I should have been thinking about you Rach...

Rachel: Okay. Head Ross! Head Ross! Head Ross!

Ross: Right! Right! I just—I want you to know that I'm going to be there through this whole thing, okay? Okay? The doctor's appointments, the uh, the Lamaze classes, uh baby-proofing the apartment—although we could probably worry about that 'til after we get married.

Rachel: What married?

Ross: Well yeah, I think we should get married.

Rachel: What, because that's your answer to everything?

Ross: No, because that's the right thing to do.

Rachel: Yeah, maybe if you're in love. But Ross, we are not in love, are we?

Ross: No but...but still you can't possibly do this alone.

Rachel: Excuse me?

Ross: Come on Rach, you can't even eat alone in a restaurant.

Rachel: What?!

Ross: I'm just saying if you can't eat by yourself, how do you expect to have a baby by yourself?

Rachel: I can too eat by myself!

Ross: When have you ever?

Rachel: When certain people leave the table and I am not finished!

Ross: Well certain other people take two hours to eat a bowl of soup!

Rachel: Oh please, you inhale your food!

Ross: I grew up with Monica! If you didn't eat fast you didn't eat!!

Dr. Long: (entering) Am I interrupting?

Rachel: Oh no Dr. Long, please come in. This is Ross, he is the father.

Ross: But not the husband, because evidently she can do this alone.

Dr. Long: Huh. Nice to meet you. I'll get started on this.

Ross: (To Rachel, standing by her feet) I don't know why you can't admit that you need me.

Rachel: I do need you! I need you to stand near my head!

Dr. Long: Okay, everything looks good. Here it is on the screen. (We see Ross and Rachel looking at the screen.) Here is your uterus. And right here is your baby.

Ross: Oh my God.

Rachel: Wow. There it is, I see it.

Dr. Long: Congratulations. I'll give you two a minute.

Rachel: Okay.

Ross: Thank you.

(Dr. Long exits and Rachel starts to cry.)

Ross: Pretty amazing huh?

Rachel: I don't see it!

Ross: What? What?!

Rachel: I can't see it!

Ross: You-you just said that you did!

Rachel: I know, I lied! I didn't want her to think I was a terrible mother! I can't even see my own baby!

Ross: Oh sure, come here! (Sits her up) Sure you can! Uh, look come here look, (rolls the machine closer) it's-it-it-it, it's right there (Points).

Rachel: Oh. Oh, it's beautiful. I see it now.

Ross: Do you really?

Rachel: No, I don't see it!

Ross: Come on! Come on! Here, okay-okay, you see this? (Points) This tiny thing that looks like a peanut?

Rachel: Yeah.

Ross: Sweetie that's it.

Rachel: That's it? Well I saw that! Oh-oh-oh, thank you.

Ross: You're welcome.

Rachel: Wow! I can't believe that's our baby.

Ross: Yeah, that's our baby.

Closing Credits

[Scene: Joey and Rachel's, Joey and Phoebe are there as Rachel and Ross return from the doctor's appointment.]

Rachel: Hi.

Joey: Hey!

Phoebe: Hey! So how was the doctor?

Rachel: Oh, everything went great.

Phoebe: Good.

Ross: Oh hey, show them the picture of your uterus.

(She does so.)

Phoebe: Oh.

Joey: I don't see the baby. Where is it?

Rachel: Oh no, I know I couldn't see it either at first, but it's right umm... (Starts to cry) Ross, I lost it again.

Ross: Oh. (He takes the picture and hugs her.

End

804 The One With The Videotape

[Scene: The Hallway, Chandler and Monica are returning from their honeymoon.]

Chandler: Wait. Before we go in, I just want you to know I love you. I had a great time on our honeymoon, and I can't wait to go in there and spend the rest of our life together.

Monica: You're really sticking with the shell necklace huh? (Points to necklace of shells he's wearing.) (Joey and Phoebe burst forth from his apartment.)

Phoebe: Hi!

Joey: Hey! You're back! (Hugs and kisses all around.)

Monica: Hi sweetie!

Phoebe: Come on in!

(They grab the luggage and drag it into Joey and Rachel's forcing Monica and Chandler to follow.)

Phoebe: So how was the honeymoon?

Monica: Oh, so much fun. But the best part is, we met this incredible couple on the way back.

Phoebe: That was the best part? (To Chandler) Good honeymooning tiger.

Monica: No, they were really cool. They were on their honeymoon too!

Chandler: They're terrific, and they live right here in the city.

Monica: Yeah, can we go call them? Is it too soon to call? I wanna call.

Chandler: I'm sorry, we're just kinda excited because we finally have a couple to hang out with.

Monica: I know.

Joey: A couple? Like two people? Like (points to himself) one (points to Phoebe), two people?

Monica: This is different! Greg and Jenny are in a relationship.

Phoebe: Oh, Greg and Jenny yuck! (Angrily) Hi Greg, I'm Chandler this is Monica. Hi Monica, this is Jenny. Hi Jenny. Hi Greg.

Chandler: Listen, they are really great. If you just got a chance...

Joey: Y'know what? Why don't you just give us our souvenirs and get the hell out of here?

Chandler: We really...didn't get a chance to...

Phoebe: You have got to be kidding me!

Monica: We didn't get anything for anyone.

Joey: Hm-mm! Yeah nice necklace!

Monica: That you can have.

Opening Credits

(Transcriber's Note: Tradition was broken here as there were no commercials immediately after the opening credits, just more show.)

[Scene: Monica and Chandler's, Ross and Rachel are entering with the rest of the gang already inside.]

Rachel: Hi!

All: Hey!

Ross: Hello!

Rachel: Welcome home.

Ross: So, how was the honeymoon?

Monica: It was great! It was great! How about you?! I mean you're having a baby!

Rachel: Oh! Look! I have a sonogram picture!

Monica: Oh great! (Shows them the picture.)

Chandler: Ross! It's got your wavy black lines!

Monica: All right, so now that Ross knows can you tell us y'know how it happened? I mean, when did it happen? How many times did it happen?

Phoebe: Monica! That's not right! Start with where.

(Rachel looks at Ross and gets his approval.)

Rachel: Well it happened about six weeks ago, and uh I had just got home from work and Ross was already there 'cause I guess he had been hanging out with Joey.

Joey: You're welcome buddy.

Ross: (glaring at him) Yeah, thanks. (Joey nods no problem.)

Rachel: And so I had a lot of work to do so Ross, nice guy that he is, offered to help me out. And then we had a little wine, we got to talking, and the next thing you know out of nowhere Ross comes on to me.

Ross: (laughs) Umm that's...that's a little misleading.

Rachel: What is?

Ross: The lie you just told.

Rachel: That-that you came on to me?

Ross: There's the one!

Rachel: But you did! I mean, let's be honest.

Ross: Yes let's. Y'know what? Uh, it's-it's not important. What is important is that, is that we're having a baby. And it's not—Doesn't matter who came on to who.

Joey: Whom. (Everyone looks at him shocked.) That's right.

Rachel: You know you kissed me first.

Ross: What? What?! You were begging me to kiss you! You-you-you were sending me signals all over the

place!

Rachel: I was sending you signals?

Ross: Yeah!

Rachel: Oh please. Okay, anyone in this room think that I would send Ross begging symbols, please show of hands. (Ross raises his hand and no one else.)

Ross: Y'know what?! It doesn't matter! It doesn't matter what you believe! What matters is what happened!

Rachel: Okay. So these signals Ross, explain this to me, 'cause maybe I need to be more careful. I mean, am I sending you these signals right now?

Ross: Y'know what? Y'know what? Rachel, just-just drop it.

Rachel: No please, show me how I begged you!

Ross: I can show you, I have it on videotape! (Stunned silence) It's an expression.

Commercial Break

[Scene: Monica and Chandler's, time has lapsed, Phoebe, Joey, Chandler, and Monica are sitting at the kitchen table.]

Phoebe: I can't believe he taped the two of them having sex!

Joey: Yeah! You gotta tell a girl before you tape her. Such a rookie mistake.

Chandler: Y'know who has a great video camera?

Phoebe: (nasally) Greg and Jenny?

Monica: Do you still wanna call 'em? I wanna call 'em.

Chandler: Let's call 'em.

Joey: Yeah! Ask them if they brought their friends any souvenirs!

(Monica goes over and dials their number.)

Monica: (on phone) Hello? (Listens) Eighth street deli?

Joey: Hey, hang up! You get food poisoning just talkin' to that place.

Monica: (on phone) Uh sorry, wrong number. (Hangs up)

Chandler: Here you go. (Shows her the number again.)

Monica: (on phone) Hello? (Listens) (To All) It's the deli again!

Joey: All right! I'll have a sandwich!

Monica: (hangs up) I don't think this number's right!

(Joey and Phoebe laugh.)

Chandler: What?

Phoebe: You got fake numbered.

Monica: What?! People don't do that!

Joey: Oh I think we do.

Monica: They gave us a fake number? Why? Why would they do that?

Chandler: I don't know! You were a delight to talk to. You asked all those insightful, great questions.

Monica: And you've never been funnier. Joke, joke, joke, you were a hoot!

Joey: Y'know what? Don't worry about it, you still got me and Phoebe.

Phoebe: Excuse me, I don't want Greg and Jenny's rejects.

Ross: (entering) Rachel won't talk to me! She won't even open the door!

Phoebe: Hmm, I wonder why. Pervert!

Ross: Okay, listen I am not a pervert!

Phoebe: That's like the pervert motto! Yeah! Yeah! They have you raise your right hand, put your left hand down your pants, and repeat that!

Ross: Filming Rachel is not something I planned. Okay look, here's what happened, and Joey you-you can back me up on this. All right, about-about a month and a half ago I came to you with a problem? Umm, a personal thing.

Joey: Personal thing? What personal thing? I don't know.

Ross: About...about sex? (Joey looks at him confused) That I hadn't had sex in months?

Joey: (laughs) Yeah I knew what you were talkin' about.

Six Weeks Earlier

[Scene: Joey and Rachel's, Joey is reading a cereal box as Ross enters wearing the red sweater.]

Ross: Hey!

Joey: Hey.

Ross: Do you have a minute? I'd like to talk to you about something I'm, I'm really uncomfortable talking about.

Joey: Sure. What? About uh, you showering with your mom?

Ross: I actually had a topic in mind! I'm, I'm kinda going through a dry spell, sex wise.

Joey: Whoa, for like months?

Ross: Five to be lying, six.

Joey: Six months? Whoa that's rough.

Ross: Well, I mean it's not all bad. I'm learning to appreciate the uh, smaller things in life. Like the sound of a bird and the color of the sky.

Joey: The sky's blue Ross and I had sex yesterday!

Ross: Please, help me! I have a date tonight. It has to go well okay—I'm scared for my health!

Joey: Okay. Okay. Umm...Ooh! Oh-oh, I got something. It's this story I came up with, very romantic. I swear any woman that hears it: they're like putty.

Ross: Really? Well then tell it to me.

Joey: Okay. Now you're gonna want to have sex with me when you hear it, but you have to remember it is **just** the story.

Ross: (sarcastic) I'll try to control myself.

Joey: Okay. (Clears throat) Years ago, when I was backpacking across Western Europe...

Ross: (laughs) You were backpacking across Western Europe?

Joey: Have a nice six more months Ross! (Starts to leave.)

Ross: (stopping him) Okay! Okay! Okay. I'm sorry. Please, please, you were in Western Europe and?

Joey: I was just outside Barcelona hiking in the foothills of Mount Tibidabo. I was at the end of this path and I came to a clearing and there was a lake, very secluded. And there were tall trees all around. (Whispering) It was dead silent. Gorgeous. (Softly) And across the lake I saw...a beautiful woman...bathing herself...but she was crying...

Ross: (intently listening) Why?

[Scene: Ross's Apartment, Ross is on his date with Kristen and they're drinking wine.]

Kristen: Umm, this is great wine.

Ross: It's from France...In Europe...Western Europe. Y'know umm, a few years ago I actually was backpacking across Western Europe.

Kristen: Really?

Ross: Uh-hmm—Wait! It gets better. Um, yeah I was in Barcelona.

Kristen: I studied for a year in Barcelona. (Ross is stunned and worried.)

Ross: Anyway, umm so I was um, I was hiking...

Kristen: I love hiking!

Ross: (whines) Oh that's great! I was hiking along the foothills of Mount Tibidabo...

Kristen: I think its Tibidabo.

Ross: Okay! Do you wanna tell the story?!

[Scene: Joey and Rachel's, Joey is standing at the counter as Ross enters.]

Joey: Whoa! What are you doing here? How did your date go?

Ross: Great! I'm across the street having sex with her right now. Your story sucks!

Joey: Hey! Look, if it didn't work it's because you didn't tell it right! Show me how you did it.

Ross: No! No, I don't...don't want to.

Joey: How long since you've seen a girl naked?

Ross: I was backpacking across Western Europe.

Joey: I'm not feeling it.

Ross: I was just outside Barcelona, hiking...

Joey: No! No! No Ross! I'm not hot! Are you hot?

Ross: It's been six months! I'm always hot!

Joey: Well you're not selling the story! It's like; it's like you don't believe it! Look, I gotta go. I got a date, but try this. Do what I do when I'm preparing for an audition. Okay? I'll set you up with my video camera and you can record yourself and-and see what you're doing wrong.

Ross: I'll try that.

Joey: All right now... All right, you're all set up. You're good to go. Just hit record. All right?

Ross: Thanks.

Joey: Good luck.

Ross: Thanks. And-and hey Joe?

Joey: Yeah?

Ross: Listen, if you ever have any problem with the ladies you know I'll help you out.

Joey: (trying not to laugh) That means a lot to me man. (Exits.)

(Ross pours himself a glass of wine, hits record, and sits down in front of the camera.)

Ross: Hello! Can I get you anything? Huh? Lens cleaner? Your battery okay? (Rachel bursts in carrying two boxes and Ross jumps up.) Rachel!

Rachel: Oh Ross!

Ross: Hi!

Rachel: Thank God you're here! You have to help me! Were you just talking to yourself?

Ross: That's less embarrassing, yes. Yes I was. (They sit down on the couch, which is in front of the still recording camera.)

Ross: (voiceover) So when she came in, I got distracted and totally forgot about the camera. [Cut back to the present day.] It kept rolling and recorded everything. (Pause)

Chandler: Yeah, we're gonna need to see that tape. (They rest of them agree.)

Monica: Yeah, definitely.

Ross: What a great idea! That will get Rachel to forgive me!

Joey: Y'know what? This is not fair to her. Let's just forget the tape!

Ross: Thank you. (Joey mouths to Ross, "You'll show me right?") No!

Joey: You're right. (Mouths, "I know you'll show me, right?")

Ross: Joey! No!

Joey: Loud and clear! (Mouths, "You'll show me," and nods.) (Ross storms out.)

[Scene: Monica and Chandler's, Monica, Chandler, Joey, and Phoebe are now sitting in the living room.]

Monica: I still don't get why Greg and Jenny would give us a fake number.

Joey: Y'know, if they knew what they were doing they probably didn't give you real names either.

Monica: Okay, maybe people give out fake numbers, but they don't give out fake names.

Joey: Oh yeah? (To Phoebe) Hi, Ken Adams, nice to meet you.

Phoebe: Regina Philange. (Ken and Regina shake hands.)

Chandler: I still don't get it, we didn't do anything wrong.

Monica: I know! Although, you did tell an awful lot of jokes.

Chandler: I thought you said those jokes were funny. Joke! Joke! Joke!

Monica: (rolling her head from side to side) Joke. Joke.

Blah! Blah! (Joey and Phoebe laugh.)

Chandler: Well maybe it was all of your questions.

Monica: What about my questions?

Chandler: The sheer volume, it was like flying with the Riddler!

Monica: Oh, I'm sorry. Was that another joke?

Chandler: (angrily) Was that another question?

Rachel: (entering) Hey! Is Ross still here?

Joey: Uh no Rach, he's gone. But listen, he told us what happened and it does, it sounds like an honest mistake.

Rachel: Oh really? Well how would you like it if I had sex with you and I taped it? (Joey smiles luridly) Oh forget it! (Ross enters.) Oh there he is now, the father of my child, the porn king of the west village.

Ross: Look, it was accident! Okay? I-I feel bad that it happened, but I swear, I didn't even watch it! Anyway, here. (He takes the tape out of his coat pocket.) I thought you might be more comfortable destroying it yourself. (Tosses her the tape.)

Rachel: Thank you. (She sets it on the floor and is about to stomp on it with her shoe when the rest of the gang jumps up and yells simultaneously.) What? (They all yell again.) You don't want to see this do you?

Monica: Hell yeah!!!

Rachel: I am **not** gonna show you this!

Phoebe: No! Not the sex part, just the stuff leading up to it.

Ross: Forget it, she's destroying it.

Phoebe: Okay fine! Fine! We'll just have to think of some other way to put the whole 'Who came onto who,' thing to rest! Come on now, think!!

Ross: Look, forget it Phoebe. Okay? It's Rachel's tape and she can do whatever she wants with it. And she wants to destroy it. So, end of story.

Rachel: I wanna see it.

Ross: What?!

Rachel: Clearly you don't want people to see this tape. Now I don't want people to see this tape either, but you so badly don't people to see it makes me want to see it. You see?

Joey: (confused) Are we watchin' the tape or not?!

Ross: I don't want people to see for your sake.

Rachel: Ahh, I don't believe you. I think you don't want them to see you begging me. (Goes to put the tape in the VCR)

Ross: Rachel, please...

Rachel: Ah, a little preview!

Ross: Fine. Fine, but I want the record to show that I tried to take the high road, because in about five minutes I'm gonna be saying...(He laughs and points at Rachel sarcastically.) (They both sit down.)

Rachel: Okay, here we go. (Pushes play.)

Ross: (on tape) Hello! Can I get you anything?

Joey: (To Phoebe) I'm so happy!

Commercial Break

[Scene: Monica and Chandler's, the scene is continued from earlier.]

Rachel: (on tape) Oh, thank God you're here! You have to help me! Were you just talking to yourself?

Rachel: There I am.

Phoebe: You're gonna get pregnant.

Rachel: (on tape) I screwed up so bad, I told Monica that I would stuff and send all these wedding invitations like weeks ago and I-I...

Ross: (on tape) You didn't do it?

Rachel: (on tape) I-I know—I had put them in...in-in my desk at work and I completely forgot about them until today. (Chandler is shocked and Rachel gets scared of Monica very quickly.)

Monica: (taking Rachel's hand) Sweetie okay. It's okay. Everybody made it to the wedding. I'm fine.

Rachel: Kinda hurtin' my hand though.

Monica: I know.

Rachel: (on tape) (Ross hands her a glass of wine) I cannot believe that I did this. Especially after Monica just went on and on and on about it! (Mimicking Monica) "Okay Rachel! Here are the invitations Rachel! Now be very careful Rachel! Please, drinking no liquids around the invitations Rachel!" (She tilts her wine glass above and moves it back and forth across the invitations) Whoa oh! Oh-oh-oh! Oh...oh-oh-oh... (Rachel hits fast forward. Monica is completely shocked.)

Chandler: Did you do it on our invitations?!

Ross: (pause) Not on the ones we sent out.

Chandler: So, just the ones gave back to us and we had framed! (Slams the framed invitation down onto the table.) (Rachel stops fast forwarding.)

Rachel: (on tape) Can you believe this is already happening? I mean it seems like yesterday they just got engaged.

Ross: (on tape) I know. Hey remember...remember the night they got engaged? How uh, you and I almost...

Rachel: (on tape) Oh, I remember how we almost. Do you think we would've gone through with it? Y'know, if we hadn't gotten caught. Do you think we would've done it?

Ross: (on tape) I mean I...I know I wanted to. I just, I just wasn't sure if you wanted to.

Rachel: (on tape) Oh I wanted to. (Ross and Rachel trade looks while watching the tape.)

Ross: (on tape) So we...we both wanted to.

Rachel: (on tape) Interesting.

Ross: (on tape) Yeah. (Pause) Anyway umm, it probably worked out for the best.

Rachel: (on tape) Oh yeah, sure.

Rachel: Okay, in about ten seconds you're gonna see him kiss me.

Ross: And in about five seconds you're gonna see why.

Rachel: (on tape) Ross did I ever tell you about the time that I went backpacking through Western Europe?

(Joey's shocked and everyone else looks at Rachel.)

Rachel: Okay, get ready to see some beggin'!

Phoebe: Oh, you came on to Ross!

Rachel: What?!

Ross: Now I'm so happy.

Rachel: What are you talking about?!

Monica: You used the Europe story!

Chandler: That's the magic story you use when you wanna have sex!

Rachel: How do you know about that story?!

Joey: How do **you** know about that story?!

Rachel: I heard it from my friend Irene who heard it from some guy!

Joey: (raises his hand) Some guy!! (Points to himself.)

Rachel: No. No, she told me his name was Ken Adams.

Joey: (raises his hand and points to himself again) Ken Adams!!

[Scene: Joey and Rachel's, Rachel is looking at the tape sitting on the counter as Ross enters.]

Ross: Hi.

Rachel: So uh, apparently people are familiar with the Europe story?

Ross: Yeah. Listen about that, the whole uh, who came on to who thing really doesn't matter. I mean, I think it would've happened either way. I mean if you hadn't initiated it I-I-I know I would've.

Rachel: It was an amazing night.

Ross: It was. It was an amazing night. (Pause)

Rachel: You think it looked amazing?

Ross: I uh... I don't know. I mean I...I honestly didn't watch it.

Rachel: Yeah, me neither. Yet...

Ross: Uhhhhh...that-that may be weird.

Rachel: Yeah, it would be really weird. (Ross grabs the tape and heads for the VCR as Rachel goes over and puts the chain on the door and locks it.)

Ross: Good luck.

Rachel: Good luck to you. (Ross pushes play.)

Ross: Mind if I mute?

Rachel: Oh please. (He does so.)

Ross: Oh, oh there go the clothes.

Rachel: You are undressing very quickly.

Ross: Six months Rachel, six months.

Ross and Rachel: Ah. (Pause) Oh.

Ross: Hey. We-we look...we look pretty good.

Rachel: That's what I was gonna say.

Ross: Oh nice tan!

Rachel: Thank you! I had just gone to the beach that weekend.

Ross: Ah....

Rachel: Have you been working out?

Ross: I have been working out.

Rachel: Really? Wow, this is so much better than I...

Ross and Rachel: Ohh! Ew!

Ross: Oh that's not pretty.

Rachel: Oh! Oh!

Ross: No!

Rachel: Oh God!

Ross: Oh no!

Rachel: Oh, make it stop!

Ross: Oh no!!

Rachel: Make it stop!!

Ross: No!!

Rachel: Have to make it stop!!

Ross: No!!!

(They both get out of the chair and run for the VCR.)

Closing Credits

[Scene: Monica and Chandler's, Monica and Chandler have gone through the phone book and found Greg and Jenny's number which Monica has just dialed.]

Monica: (on phone) Hello Greg? (Listens) Hi, this is Monica from the plane? Listen, the number that you gave me 853-5... (Listens) (To Chandler) That is their old number! Jenny's been giving it out since they moved!

Chandler: Jenny! That is so Jenny!

Monica: (on phone) Hey listen umm, how would you like to get together? Say next Saturday? (Listens) Okay, how about Sunday? (Listens) Okay umm, the week after that? (Listens) The week after that? (Listens) Y'know what Greg? Y'know what? We are good, interesting, funny people with good questions and if you and your precious Jenny can't see that then... (Listens) January 15th? (Chandler dances.) We'll see you then! (Listens) Okay!

(She hangs up the phone and they hug.)

805 The One With Rachel's Date

[Scene: Monica's Restaurant Kitchen, she is frantically working and is handing two finished dishes to a waitress.]

Monica: Okay, now this one is rare, this one is medium well! Now go-go-go! (Phoebe enters) Hey Phoebe!

Phoebe: Hey!

Monica: Hey how was dinner?!

Phoebe: Dinner was good!

Monica: Okay!

Phoebe: I'm just saying hi! Now I'm gonna go!

Monica: Okay!

(Phoebe turns to leave but notices an attractive man.)

Phoebe: (To him) Oh, well hello there.

Guy: Hi.

Phoebe: (To Monica) I didn't see this on the menu.

Monica: Uh Tim? This is Phoebe. Phoebe this is Tim, my new sous chef.

Phoebe: Oh, so you're Monica's boss?

Tim: Actually she's my-my boss. Sous is French for under.

Phoebe: Oh! I sous stand.

Monica: Hey Tim? I need a calamari and a Caesar salad. And umm, could you get me the pesto?

Tim: Yeah.

Phoebe: Oh you...you made pesto?

Tim: Yes I did.

Phoebe: Would you say your pesto is the best-o?

Tim: I...I-I don't know, but I would say it's pretty good-o. (Phoebe laughs too hard.) (Monica goes over and grabs the pesto.)

Monica: All right, I still need a calamari and a Caesar salad.

Tim: I like your necklace.

Phoebe: I made it myself.

Tim: You are so talented.

Phoebe: Well, it's no pesto.

Monica: All right, all right! Let's just cut to the chase, okay? (To Phoebe) You're single. (To Tim) You're single. (To Phoebe) He gets off work at eleven. (To Tim) She'll be waiting for your call. (To Phoebe) I'll give him your number if I can get one calamari and one Caesar salad!! (Everyone in the kitchen stops.) I did not yell. I am **not** putting a dollar in the jar.

Opening Credits

[Scene: Chandler's Office, he's working at his computer as his boss, Mr. Franklin, sticks his head in.]

Mr. Franklin: Wow Bing! Burning the midnight oil.

Chandler: You know me sir. Oh ah, I do have a question for ya. Do you know how I get around the office computer network so I can access the really good Internet porn?

Mr. Franklin: You're a joker Bing. (Walks away.)

Chandler: What's funny about that?

Ross: (running up) Hey! Sorry I kept you waiting so long.

Chandler: Hey that's okay. So, where do you want to go?

Ross: Oh ah, I think you know where I want to go.

Chandler: The *Hard Rock Cafe*?

Ross: Yeah!

Chandler: Again?!

Ross: Yeah!!

(They go out to the elevators.)

Ross: I'm telling you, I like the food!

Chandler: You like the *Purple Rain* display! (A guy walks up.) Hey Bob.

Bob: Hey Toby! Have a good night. (Walks by.)

Ross: Did that guy just call you Toby?

Chandler: Yeah, he thinks that's my name.

Ross: Well, why don't you correct him?

Chandler: Oh it's been going on way to long now. Y'know, I mean the first time he said it we were just passing each other in the hallway, so I didn't say anything. And then the next time he said, "Hey Toby, do you want a donut?" And I-I wanted a donut. And now it's five years later, the donut's gone and I'm still Toby.

Ross: Five years?! Chandler you have to tell him!

Chandler: No! That would be so awkward! Look—Besides, we work in different departments. He's on the sixth floor y'know? So he calls me Toby once in a while. What's the big deal? It could be worse, it's not like he's calling me Muriel. (Chandler suddenly freezes into place.)

Ross: (laughs) Muriel. Wh-why would he call you Muriel? (Ross realizes something.) Oh my God! Chandler M Bing? It's not just an M, your middle name is Muriel!!

Chandler: Shh! It is a family name!

Ross: Chandler Muriel Bing. Boy, your parents never gave you a chance did they?

[Scene: *Days Of Our Lives* set, Joey is doing a scene with a co-star as Rachel watches on a monitor.]

Joey's Co-Star: Drake, I've discovered the reason for all your headaches and memory loss.

Dr. Drake Ramoray: What is it?

Joey's Co-Star: Apparently your brain transplant was not entirely successful. It seems your body is rejecting Jessica's brain.

Dr. Drake Ramoray: Is it serious?

Joey's Co-Star: Not if we extract tissue from the original host body, synthesize antibodies, and introduce them into your system, which could stop it from rejecting the brain.

Dr. Drake Ramoray: Well that sounds simple enough, let's just do that.

Joey's Co-Star: We would, but when we went to exhume Jessica's body, it was gone. (Dramatic music plays and Joey does a little 'Smell-the-fart' acting.)

Director: Cut! Very nice people!

Joey: (To Rachel) Okay, let me just get changed and we can go to dinner.

Rachel: Well don't—What happened to Jessica's body?!

Joey: I'm not telling, you'll have to see it on TV!

Rachel: You don't know do you?

Joey: No, couldn't care less.

Joey's Co-Star: Hey good scene man.

Joey: Hey you too!

Joey's Co-Star: Alright.

(Rachel clears her throat.)

Joey: What? You weren't in it.

Rachel: Oh! (Motions to Joey's co-star.)

Joey: Oh sorry. Uh-uh, Kash?

Kash: Yes?

Joey: This is my friend Rachel. Rachel, Kash, Kash, Rachel.

Rachel: Hi.

Kash: Hey! How come I haven't seen you here before?

Rachel: Well, Joey probably thinks I'll just embarrass him. Y'know, he thinks I'm some kind of a soap opera nut—Which I'm not! I'm not. Although I do know that your uh, your favorite ice cream flavor is butter pecan. (Starts stroking his arm) And uh, and that your-your dog's name is Wally. Well look at that, I'm just stroking your arm.

Joey: (grabbing her) Here we go! Here we go! (Starts to pull her away from Kash.)

Rachel: Oh, we're leaving. Bye Kash.

Kash: Bye.

Rachel: Say hi to Wally.

[Scene: Central Perk, Monica is getting coffee as Phoebe enters.]

Phoebe: Ooh Monica!

Monica: Hi!

Phoebe: Oh my God! I had the **best** time with Tim last night. He is so sweet! Oh, I can't wait to get sous-neath him.

Monica: I...I have to fire him.

Phoebe: But why?!

Monica: Because he's terrible! Okay, he's slow, he burns things, last night he lit my pastry chef on fire!

Phoebe: Well maybe he was just nervous, y'know you can be very intimidating. And besides I've met your pastry chef and she can stand to be taken down a peg or two.

Monica: Well, now she has no eyebrows, mission accomplished.

Phoebe: But Monica, he loves his job so much! Can you just give him another chance? Please?

Monica: (thinks about it) All right, but if-if he lights someone else on fire he is out of there!

Phoebe: That's fair! Thank you so much. Thanks. Oops, it looks like when he got the pastry chef he got you a little bit too.

Monica: I paid to have this done.

Phoebe: Love it!

[Scene: Joey and Rachel's, Rachel is eating at the counter as Joey enters.]

Joey: Hey!

Rachel: Hi!

Joey: Oh you know uh Kash, really liked you the other day. He said he thought you were charming.

Rachel: I thought I was a complete idiot.

Joey: Hey, I'm with you. He even asked me if I thought you'd go out with him.

Rachel: Oh! Oh, I think I'm gonna throw up a little bit. What did you say?

Joey: I said no.

Rachel: What?!

Joey: What? I...I just figured since you're pregnant you're not gonna be seeing people.

Rachel: Okay Joey, first of all Kash Ford is not people. Second of all, what did he say when you told him I was pregnant?

Joey: I didn't tell him. I didn't know if you were telling people. This is back when I thought Kash was still people.

Rachel: Good-good, don't tell him. Don't tell him. Just have him call me okay?

Joey: Rach look, I really don't think that's such a great...

Rachel: Okay, you go do it! I'll come back to that set! I'll meet more actors! I'll meet 'em all!

[Scene: Chandler's Office Building, Chandler is walking by the elevators and sees Bob standing there.]

Chandler: Hey Bob.

Bob: Hey! How's my pal Toby doing today?

Chandler: If I see him, I'll ask.

Bob: (laughs) Toby!

(The elevator doors opens, Bob boards the elevator, Chandler walks away, and Mr. Franklin steps out of the elevator.)

Mr. Franklin: Hey-hey! Bing? Was that Bob from six you were just talking too?

Chandler: Yeah!

Mr. Franklin: Oh then you know each other.

Chandler: We're on a semi-first name basis.

Mr. Franklin: What do you think of adding him to our team?

Chandler: Bob? Ooh, working here with us? Everyday? Yeah, I don't know if he has what it takes.

Mr. Franklin: Really? They love him down on six.

Chandler: But this is eleven. It's almost twice as hard up here.

Mr. Franklin: Okay, I hear you loud and clear. Bob will stay put.

Chandler: I think it's best sir.

Mr. Franklin: But we really do need to find someone up here. The work is starting to pile up. I've got a stack of documents on my desk this high. (Holds his hand at shoulder level.)

Chandler: Y'know what you should do, just toss 'em in the shedder and claim you never got 'em.

Mr. Franklin: (laughs) That's a good one. (Walks away.)

Chandler: What does a guy have to do to be taken seriously around here?!

[Scene: Monica and Chandler's, Monica is in the kitchen as Phoebe enters.]

Phoebe: Hey!

Monica: Hey. Okay, I gave him another chance, but Tim has got to go!

Phoebe: But...

Monica: No! No-no! He is totally incompetent. I called the chef who recommended him to me. He said, "Ha-ha! Gotcha!"

Phoebe: Okay. Okay, but you can't fire him today.

Monica: Why not?!

Phoebe: Because I'm dumping him today.

Monica: What?! You said he was sweet!

Phoebe: He is sweet. He's too sweet. He calls me all the time. (Mimicking him) "So did-did you get home from work okay?" "Did-did you get out of the shower okay?"

Monica: Just don't pick up your phone.

Phoebe: Then he comes over! (Mimicking him) "I'm so worried about you." Uck! Be a man!

Monica: What? So now I'm not allowed to fire him?

Phoebe: You can't fire him and dump him the same day, he'll kill himself.

Monica: Okay well then, I'll fire him today and you go out with him for another week.

Phoebe: Are you kidding?! Another week with that sip, I'll kill myself!

Monica: Okay well, then we'll both do it today and he'll just have to deal with it!

Phoebe: Okay. But the question is who's gonna go first. 'Cause whoever goes second is the bitch.

Monica: What do you mean?

Phoebe: Come on! The boss that fires a guy that's just been dumped, bitch! And the woman who dumps a guy that's just been fired, blond bitch!

Monica: I wanted to do this days ago so I think I should go first.

Phoebe: All right, that makes sense. (Starts towards the door.) Ugh. But—Screw you I'm going first! (She grabs her purse and runs out.)

[Scene: Chandler's Office Building, Bob is standing at the elevators and sees Chandler walk up.]

Bob: Hey Toby, you got a sec?

Chandler: Sure, what's up?

Bob: I just had a meeting, I was actually hoping to get transferred up here, but I just found out its not gonna happen. Apparently somebody thinks I'm not eleventh floor material. Say uh, who the hell is this Chandler?

[Scene: Joey and Rachel's, Rachel is getting ready for her date and Joey is reading a magazine.]

Rachel: Hey, what do you think is a better excuse for why I'm not drinking on this date tonight. "Umm, I'm a recovering alcoholic. I'm a Mormon," or "I got so hammered last night I'm still a little drunk?"

Ross: (entering with a pizza and beer) Hey!

Rachel: Hi!

Joey: Hey!

Ross: So, what do you want to do tonight? There's a Ukrainian film at the Angelica that's supposed to be very powerful. Interested?

Joey: No. No. But I'll go see a normal person movie with ya.

Ross: Rach? You wanna come?

Rachel: Oh no, I can't. I got a date.

Ross: A date?

Rachel: Yeah. Why? Is that weird for you?

Ross: Why no, it's the opposite of weird. It's-it's uh, regular. It's-it's uh, it's mundane. It's actually uh, a little dull.

Joey: It's no Ukrainian film.

Rachel: Yeah—Ooh! Earrings! (Goes into her room.)

Ross: A date?! She's-she's got a date?! With who?

Joey: I set her up with this actor on my show.

Ross: You set her up?!

Joey: No

Ross: Joey what-what were you thinking?!

Joey: Well, I was thinking that it'd probably be okay because Ross hasn't gone out with Rachel in five years!

Ross: Joey, I'm not worried about her! I'm worried about my baby! Whoever she dates my baby dates! Now-now where is this (makes the quote-marks sign) actor taking them?

Joey: Hey! I'm an (does the quote-marks thing as well) actor too! I'm not sure. I think they're taking the ferry out to some Italian place on Staten Island.

Ross: A ferry? My baby is going on a ferry? Do you have any idea how dangerous those are?!

Joey: Are we talking about one of those big boats that carry cars that go like five miles an hour?

Ross: Why don't they just jump out of an airplane?! Huh?! That-that's a fun date! Or burn each other with matches?! That's fun too! Whew!! (There's a knock on the door and Joey answers it.)

Kash: Hey Joey.

Joey: Hey Kash. Uh hey-hey this is Ross. Ross, this is Kash.

Kash: Hey.

Ross: Hi. I-I hear you're going on a ferry tonight.

Kash: Yeah.

Ross: A bit of a daredevil are we?

Rachel: (entering from her room) Hey guys do you think this is too slutty—Hi Kash!

Kash: Hey Rachel! You ready to go?

Rachel: Yeah! All right, I'll see you guys later.

Ross: Okay. Have a great time you guys.

Rachel: Thank you.

Kash: Thank you.

Ross: Yes it is too slutty! (Joey slams the door before Rachel could hear the entire sentence.)

Commercial Break

[Scene: Central Perk, Phoebe is reading a magazine as Tim enters.]

Tim: (walks behind Phoebe) Hi! (And startles her.)

Phoebe: Hi.

Tim: Oh, I'm so glad you called. I feel like it's always me calling you. So, what's up? Is everything okay with Phoebe?

Phoebe: It will be...in a minute. Listen, Tim you're a really great guy.

Tim: It's because I'm with you.

Phoebe: Aw. (Phoebe gets a bad taste in her mouth when he looks away) I'm just—I'm in a place in my life right now where I...I...

(Tim's beeper goes off and he answers it.)

Tim: Whoops. Sorry. (Looking at it, like a newscaster) This just in. (Phoebe fake laughs.) Oh, it's 9-1-1 from the restaurant, that means Monica needs me right away. (Starts to leave.)

Phoebe: Oh-oh no she doesn't! I know what that is. You can stay.

Tim: Awww, I'll miss you too Pheebs. (Starts to leave) And I will be holding you, right here. (Holds his hands over his heart, blows a kiss to Phoebe who catches it, and then leaves and Phoebe throws the kiss back.)

[Scene: Joey and Rachel's, Joey and Ross are having dinner.]

Joey: So what movie do you want to see—And not another one I have to read. Okay? I get enough of that from books.

Ross: Books?

Joey: All right, car magazines, cereal boxes, but it's like enough!

Ross: Well, I tell you what. Why don't we uh, why don't we just stay here? Let's not see a movie, we'll just hang.

Joey: And just wait for Rachel to come back from her date?

Ross: Hey, if that's what you want to do I'm not gonna say no.

Joey: Dude! What is going on?!

Ross: I just...I have to find out how it went.

Joey: Why?

Ross: This guy could be my baby's stepfather!

Joey: They go on one date and you're worried about them getting married?! He's not you!

Ross: I just—I can't believe she's-she's dating?!

Joey: Well Ross, what did you think she was gonna do?

Ross: I don't know! I guess I just can't believe any of this is happening.

Joey: What do you mean?

Ross: It's just I always thought when I had another kid it would be different. Now I-I love Ben, but every time I have to drop him off at Carol and Susan's, it's like—I breaks my heart a little. I mean I've always had this picture of me and my next wife in bed on Sunday and, my kid comes running in and leaps up onto the bed. And we all read the paper together. Y'know? Maybe fight over the science section.

Joey: That's a nice picture. Maybe you can still have that!

Ross: No! No I can't. I mean Rachel's out with some guy. My baby went with her. If anything that picture keeps moving further away.

Joey: Hey, can I ask you something? In this, in this picture of you and your wife, is your wife Rachel?

Ross: It used to be. Now she doesn't really have a face. Smokin' body though.

Joey: Good call. Yeah. But, the face Ross, the face isn't Rachel.

Ross: No but ahh! How much easier would it be if it were?

Joey: I know, but I don't think that's what she wants.

Ross: No, it's not what I want either. I mean I-I can't force myself to fall in love with her again now.

Joey: That's okay Ross maybe you need a new picture. Okay? It's not gonna be what you thought, but no matter what there's gonna be a brand new little baby, your baby. Who cares what the picture looks like?

Ross: Yeah.

Joey: Hey, I tell you what. Let's you and me go out and have some fun. Huh? Whatever you want. Come on!

Ross: (checks his watch) We can still catch that Ukrainian film.

Joey: No, I said fun!

[Scene: Outside Chandler's Office, Chandler is just about to go into his office when Bob calls for him from behind.]

Bob: Hey Toby!

Chandler: Hey Bobby.

Bob: It's Bob actually. Hey, you work up here, can you tell me where this Chandler Bing's office is?

Chandler: Uhh yeah. Yeah, it's (Points down the hall) right, right down there. (When he has Bob looking down the hall, he turns around and knocks his nameplate off of his door.) Right there, yeah. Can I ask you why?

Bob: I want to talk to that bastard, see what his problem is.

Chandler: Okay Bob listen uhh, I'm the reason you didn't get the job up here.

Bob: Toby don't.

Chandler: Bob!

Bob: Toby! I'm not gonna let you cover for him. Anything you say right now will just get me more upset with Chandler!

Chandler: Well that puts me in a difficult position.

[Scene: Monica's Restaurant Kitchen, Monica is waiting for Tim who enters.]

Monica: Hey.

Tim: I got your page, is everything okay?

Monica: Uh well that depends, how are things with Phoebe?

Tim: Oh it's great! It's great! Thank you so much for introducing us!

Monica: Oh my pleasure. Okay, I'm afraid I've got some bad news. (Phoebe enters.) Phoebe!

Phoebe: Monica!

Monica: (simultaneously) You're fired!

Phoebe: (simultaneously) I'm breaking up with you!

Tim: What?!

Phoebe: I'm, I'm breaking up with you.

Monica: You're fired.

Tim: Why?

Phoebe: I'm sorry, I'm just—I'm...I'm just not ready for a relationship right now.

Monica: Yeah and-and I'm sorry too. But, well I just—I like things done a certain way and the chemistry's just not right.

Phoebe: Oh that's good, the chemistry thing for us too.

Tim: Wow! Umm, okay. Umm... (To Phoebe) I-I-I realize I came on a little strong but, it's only because I think you're so amazing. (To Monica) And uh, I-I just wanna, I just wanna tell you how much I appreciate you giving me an opportunity here because I—you're the most talented chef I've ever worked for. Anyway... (Starts to leave and Phoebe and Monica trade looks.)

Monica: Tim wait!

Tim: Yeah?

Monica: Umm, I think I spoke too quickly. There-there's a learning curve with this job and maybe we can try it again.

Tim: Really?

Monica: Yeah.

Tim: Thank you so much! 'Cause I-I know I can do better!

Monica: Okay. (They both look at Phoebe.)

Phoebe: And Tim I just wanna say, good luck here. (Shakes his hand and leaves, which disgusts Monica.)

[Scene: A Street, Ross is walking past a newsstand and sees Rachel.]

Ross: Hello.

Rachel: Hi!

Ross: Well, how was the date?

Rachel: Well I'm alone and I just bought fifteen dollars worth of candy bars, what do you think?

Ross: Uh-huh. What happened?

Rachel: I made the mistake of telling him that I was pregnant.

Ross: Ah, he didn't uh, take it so well?

Rachel: Well better than you, but y'know still not what you want.

Ross: Oh?

Rachel: He got all weird and sputtery and then he said uh, "Yeah, I hear those hemorrhoids are a bitch."

Ross: He sounds swell.

Rachel: Doesn't he?

Ross: Hey, wanna...wanna a little cheering up?

Rachel: Yes.

Ross: Sit down.

Rachel: Okay. (They sit on some front steps.)

Ross: Guess whose middle name is Muriel.

Rachel: (thinks then gasps) Chandler M. Bing?

Ross: Yeah-ha!

Rachel: Oh my God. (Laughs)

Ross: I'm sorry about your date.

Rachel: Oh it's all right. I'm guess I'm just done with the whole dating thing. It's one more thing in my life that's suddenly completely different. This is hard.

Ross: Yeah I know. (Pause) On the other hand in um, in about seven months you're gonna have something that you're gonna love more than any guy you've ever gone out with. Just wait. Wait until uh, wait until the first time your baby grabs your finger. You have no idea.

Rachel: Thanks sweetie.

Ross: You wanna, you wanna grab some coffee?

Rachel: Oh no, I think I'm gonna go home and eat ten candy bars.

Ross: Hey, I thought I cheered you up.

Rachel: Oh you did, there are twenty in here.

Ross: Right. Good night.

Rachel: Good night. (He kisses her on the cheek and heads to Central Perk.)

[Scene: Central Perk, Ross is entering and Mona from the wedding recognizes him.]

Mona: Ross?

Ross: Yeah?

Mona: Hey it's Mona! From the wedding.

Ross: Oh hi!

Mona: Hi!

Ross: Wow! Uhh...how are you?

Mona: I'm good except umm, you still owe me a dance.

Ross: Oh that's right. Well uh, would you be interested in seeing a Ukrainian film?

Mona: (laughs then stops) Oh you're serious. Sure!

Ross: Great! Well umm... (Ross continues to talk to her as the camera pans to show Rachel standing in the doorway.)

Mona: I think I might need one more cup of coffee.

Ross: Sure! Uh, let me get it for ya.

Mona: Okay. (Rachel watches that and slowly backs out to head for home.)

Dedicated to the Memory of Richard L. Cox, Sr.
Closing Credits

[Scene: Chandler's Office, Bob is ransacking Chandler's office.]

Chandler: (entering) Bob. Bob! Bob!!! (He turns around) What the hell are you doing?!

Bob: I just found out this is Chandler's office! Come on Toby, give me a hand! (He thinks about it and decides to join in by turning over a chair and continue ransacking the place.)

End

806 The One With The Halloween Party

[Scene: Central Perk, everyone is there as Chandler and Monica enter. Oh, and Joey is wearing a FDNY T-shirt to make this the first nod to the tragedy that Friends have made.]

Monica: Hey you guys?
Ross: What?
Monica: I know it's last minute, but we decided to have a Halloween party.
Phoebe: Oh good! (And there's general excitement.)
Monica: And everybody has to wear costumes. (And there's general disconcertment.) Come on! It'll be fun!
Ross: Well, I'll-I'll be there. I mean I have to wear a costume to all my classes that day anyway so...
Rachel: Please tell me you're not gonna dress up like a dinosaur.
Ross: (exhales sarcastically) Not two years in a row.
Joey: Look, I'll come to the party but I'm not dressing up.
Monica: You have to!
Joey: No way! Look, Halloween is so stupid! Dressing up, pretending to be someone you're not...
Chandler: You're an actor!
Monica: So Ross, are you gonna bring Mona?
Ross: Yeah. Yeah, I think I will.
Joey: That hot girl from their wedding?
Ross: Yeah.
Joey: Well hey-hey if she needs any idea for costumes, she could be a bikini model, or a slutty nurse, or a sexy cheerleader huh—Ooh-ooh, Leatherface from *The Texas Chainsaw Massacre*—No-no-no! Slutty Leatherface.
Phoebe: Now wasn't Joey hitting on her at the wedding too?
Ross: That's right! He was hitting on her, and I got her. I guess the better man won. (To Joey) Please don't take her from me.
 Opening Credits
 [Scene: A Street, Phoebe is walking down it and passes Ursula.]
Phoebe: Ursula! (Ursula turns, smiles, and continues walking.) Wait! Err-err, it's me! Phoebe!
Ursula: Oh, I thought there was a mirror there. Okay, bye-bye. (Starts to walk again.)
Phoebe: Wait a second! So, what's new with you?
Ursula: Umm, nothing. I mean, I'm getting married next week.
Phoebe: What?!!
Ursula: Yeah! Yeah, it's gonna be a small ceremony. Just family. (Phoebe looks at her.) His.
Phoebe: Huh. Okay. Well, I'm really happy for you. (Starts to walk away.)
Ursula: Wait! If umm, if you want to come, I guess that'd be okay.
Phoebe: Really?
Ursula: Sure! Why not? You could be my sister for the day.
Phoebe: Yeah. Okay. Umm, y'know, my friends are having a Halloween party tonight at my old apartment so, you could come. Maybe I could meet the guy you're marrying.
Ursula: Huh. Well, I'm supposed to be working at the restaurant tonight. I'm supposed to be working right now, so who cares.
Phoebe: By the way, it's a costume party.
Ursula: Oh! Okay, so that's why you're... (Motions to what she's wearing.)
Phoebe: (looks down) No. But thanks. (Walks away.)
 [Scene: Monica and Chandler's, The Halloween party has started. Monica is setting out some food as Rachel enters.]
Rachel: Hi!
Monica: Wait! You're supposed to wear a costume!
Rachel: I am! I am a woman who spent a lot of money on a dress and she wants to wear it, because soon she won't be able to fit into it.
Monica: Oh.
Rachel: Ahh!
Monica: I'm Catwoman, who wants to borrow the dress when you're too big for it.
Rachel: Okay.
 (There's a knock on the door.)
Kids: Trick or treat!
Rachel: Oh! Oh! Can I give out the candy? I really want to be with the kids right now. Y'know, ever since I got pregnant I-I have the strongest maternal instincts.
Kids: Trick or treat!!
Rachel: (to them) Just a minute!!! (She takes the candy and opens the door to two parents, a witch, a clown, and a cowgirl.) Look at you guys! Wow! You are a very scary witch. (Gives her candy.)
Witch: Thank you.
Rachel: And you are a very funny clown. (Gives him candy.)
Clown: Thank you.
Rachel: (to the cowgirl) And you are so in style right now. Y'know, I work at *Ralph Lauren* and the whole fall line has got this like equestrian theme going on. I don't suppose you saw the cover of British *Vogue*, but...
Cowgirl: (interrupting) Can I just have the candy?
Rachel: Yeah. Sure. (Throws some in her bag and

she walks away as Phoebe, dressed as Supergirl walks up and eyes Monica who eyes her back.)
Phoebe: Ah, Catwoman. So we meet again.
Monica: So we do Supergirl.
Phoebe: No, it's me. Phoebe!
Chandler: (entering from the bedroom wearing a big, pink bunny costume) Monica! Can I talk to you for a second? Listen, I appreciate you getting me the costume...
Rachel: (To Monica) Oh, you did this to him?
Monica: What?! I thought he'd love it! His favorite kid's book was the *Velveteen Rabbit*
Chandler: The *Velveteen Rabbit* was brown and white!
Monica: Well, it was either a pink bunny or no bunny at all.
Chandler: No bunny at all! Always no bunny at all!!!
Joey: (entering) Hey!
Monica: You didn't dress up either?!
Joey: Yes I did! I'm Chandler. (Looks at Chandler) Dude, what happened?
Chandler: How is that me?
Joey: Okay. I'm Chandler (makes a growling/gurgling sound at the end and the girls laugh.)
Phoebe: (To Chandler) That is so you!
Chandler: When have I ever done that?!
Joey: When have I ever done that?! (And does the sound again.)
 (There's a knock on the door.)
Girl: Trick or treat!
Rachel: Oh! (Opens the door to reveal a ballerina) Well you're just the prettiest ballerina I've ever seen.
Ballerina: Thank you. (Pirouettes.)
Rachel: Oh wow! That deserves another piece of candy.
Ballerina: Thank you. (Does another ballerina move.)
Rachel: Well, I have to say that earns tutu pieces of candy.
Ballerina: I love you! (Hugs Rachel.)
Rachel: Ohh... Oh, honey here. Take it all. (Pours the entire large bowl into her bag and closes the door.) Monica! We need more candy?
Monica: What?! There's only been like four kids.
Rachel: Yeah I know, but one of them just said that she loved me so I just gave her everything.
Phoebe: No wonder your pregnant.
Ross: (entering) Hey! (He's wearing a costume as well.)
Rachel: Hey.
Monica: What are you supposed to be?
Ross: Remember the Russian satellite, Sputnik? (They all look at him.) Well, I'm a potato or a...spud. And these are my antennae. (Points to the colander with an old TV antenna glued on top that he's wearing.) So Sputnik, becomes... (They're still confused) Spud-nik. Spudnik!
Chandler: Wow! I don't have the worst costume anymore!
Joey: (sees Ross) Hey all right, Ross came as doody.
Ross: No, I-I'm not doody.
Monica: No, space doody!
 (Joey gives him the okay symbol, and Ross rushes towards him to be stopped by Chandler. Meanwhile, Phoebe goes over to the snack table as some guy, which turns out to be Ursula's fiancée Eric, walks in and smacks her butt.)
Eric: Aren't you gonna give me a kiss?
Phoebe: Okay, I will. But right after you tell me who the hell you are.
Eric: Ursula?
Phoebe: Ursula's fiancée?
Eric: Oh my God, you're the sister!
Phoebe: Yeah.
Eric: Okay, I just slapped my future sister-in-law's ass.
Phoebe: Yeah.
Eric: I'm an idiot. Uh, is your mother here? Maybe I can give her a little slap on the butt.
Phoebe: My mother killed herself.
Eric: She, now I knew that and...now I'm sweating. Look at me, I'm really sweating—Now I'm saying, "Look at me," I'm getting even sweeter. I think I probably should go.
Phoebe: No-no! That's okay, we'll just start over. Okay? Hi! I'm Phoebe.
Eric: Eric. (They shake hands and he's squinting. And, no, it's not me.)
Phoebe: Why are you looking at me like that?
Eric: 'Cause the sweat's getting in my eyes and it's burning.
Phoebe: Okay. (Hands him a napkin.) So, what are you?
Eric: I don't think they have a name for it. It's just I get nervous; I start sweating like crazy.
Phoebe: (laughs) No I-I meant your costume.
Eric: Oh umm, I'm the solar system. (He's wearing a black sweater with the planets glued on around the sun.) Yeah, my students helped me make it—I teach the second grade.
Phoebe: I love the second grade!
Eric: Really?
Phoebe: Yeah! It's so much better than first grade when you don't know what's going on and **definitely** better than third grade. Y'know with all the politics and mind games.
Eric: So what do you do?
Phoebe: Umm, I'm a masseuse...by day. (Stands with her hands on her hips like a Supergirl pose.)
Eric: Y'know you don't have to stand here with me, believe me...
Phoebe: No I'm having fun. I'm really—And I'm really-really excited for you and Ursula.
Eric: Oh I feel very lucky, she's great. I think she's the most beautiful woman I've ever seen.
Phoebe: Thank you.
 [Time lapse, Monica is going over to talk to Joey.]
Monica: Hey Joey?
Joey: Yeah.
Monica: You read comic books right?
Joey: Exclusively.
Monica: Who do you think would win in a fight, Catwoman or Supergirl?
Joey: Catwoman, hands down.
Monica: Yeah...
Joey: But between you and Phoebe, I'd have to give the edge to Phoebe.
Monica: What?! Really?!
Joey: Are you kiddin'? Phoebe lived on the street. Okay? Plus, she's got this crazy temper. She—She's not standing right behind me is she?
Monica: No you're fine. (Joey checks anyway.) All right well, do you think I could take Rachel?
Joey: I'm not sure.
Monica: What?! Come on I am tough! Punch me right here! (Her stomach) As hard as you can!
Joey: Will you relax?! What are you taking this so seriously for? It doesn't matter.
Monica: Oh really? Okay? Well what would you say if I told you that, y'know, Ross or Chandler could beat you up?
Joey: I would say, "Woman, please!"
Phoebe: (walking over) Hey. Ursula's fiancée is **really** sweet! He's a teacher, he does all this volunteer work. Y'know normally y'know, I don't like really sweaty guys. But this one? I could just mop him up!
Monica: Oh my God, Phoebe!
Phoebe: What?
Monica: You're getting a crush on your sister's fiancée.
Phoebe: No I'm not! You are!
Joey: (To Monica) Here comes the temper. (There's a knock on the door and Rachel opens it to a little girl.)
Girl: Trick or treat!
Rachel: Hi! Y'know what honey, we're actually out of candy right now. But someone just went out to get some and I have been giving out money but I'm out of that too. Hey, can I write you a check?
Girl: Okay!
Rachel: Okay, what's your name?
Girl: Lelani Mayolanofavich.
Rachel: Okay, I'm just gonna write this out to cash.
Mona: (entering) Hi!
Rachel: Hey Mona!
Chandler: Oh! Hi!
Mona: Hi!
Chandler: Joey's gonna be thrilled! He was hoping you'd come by as a slutty nurse.
Mona: Umm, actually I'm just a nurse.
Chandler: You'd think that would embarrass me, but you see I'm maxed out.
Ross: Hey!
Mona: Hi!
Ross: You made it!
Mona: Wait-wait! You're umm, you're a potato...
Ross: Well, I'm a spud...
Mona: And the antennae...Oh my God you're Spudnik!
Ross: Yes!
Chandler: (To Ross) Marry her.
 [Cut to Joey and Monica.]
Joey: Okay, here's a good one for ya. Who do think would win in a fight between Ross and Chandler.
Monica: I can't answer that! Chandler's my husband.
Joey: So Ross?
Monica: Yeah.
 [Cut to Phoebe and Eric.]
Eric: Hey beautiful.
Phoebe: Hello handsome. (Sees Ursula over her shoulder) Oh God. (Walks away in shame as they kiss.) Oh look at you two. So when did you guys meet?
Eric: Two weeks ago.
Phoebe: Two weeks? That's it?
Eric: Yeah, I know it sounds crazy, and it's not like me to do something so impulsive, but she's just so perfect, and we have so much in common.
Phoebe: Oh really?
Eric: We're both teachers.
Phoebe: Huh? (Ursula motions for Phoebe to keep quiet.)
Eric: And we were both in the Peace Corps.
Phoebe: Peace Corps, really? (Ursula motions, "I don't know.")
Eric: In fact when we were building houses in Uruguay, we were, we were just two towns apart and we never met.
Ursula: Yeah. It wasn't a town when I got there, but it was a town when I left. (To Eric) Shall we get me really drunk?
Eric: Sure.
 (They walk away.)
 [Cut to Mona and Ross walking past Chandler.]
Chandler: Howdy doody.
Ross: That's funny, Yeah. Y'know you're the funniest man here in a pink bunny costume his wife made him wear.
Chandler: Oh relax man, relax. You're looking a little flushed.
Joey: (To Monica) Hey-hey-hey, I think we might find out the answer to our question.
Chandler: What question?
Joey: Monica and I were talking about who could kick whose ass in a fight, you or Ross?
Chandler: There's no question.
Joey: So you think Ross too? (Monica turns around slowly.)
Chandler: (To Monica) You picked Ross?!
Monica: Ross is really strong! Okay, he's the strongest out of all three of you! (Joey looks at her.) Except for Joey.
Chandler: I cannot believe you didn't pick me.
Ross: Uh, in her defense, she's right. I am stronger. I would destroy you.
Chandler: Oh really?! You think you're stronger? Why don't you prove it? (He pushes Ross who starts to fall backwards until Mona catches him.)

Ross: Oh I'll prove it! I'll prove it like a theorem!! (They start to fight with Ross pulling on Chandler's ears and Chandler hitting Ross over the head with his carrot.)

Monica: Wait-wait!! Okay, stop it! Stop it! Stop! (Breaks it up.) Now listen, no one's gonna fight in this apartment.

Joey: Hey Monica! (Grabs her and pulls her into the living room.) People came to see a fight, let's give 'em what they came for!

Mona: Hey, you guys could arm wrestle.

Joey: Yeah. Listen to the slutty nurse.

Chandler: (To Ross) You're going down.

Ross: Oh yeah? You're going further down! Downtown!

Joey: Seriously guys, the trash talk is embarrassing.

Commercial Break

[Scene: Monica and Chandler's, the party continues with Rachel leaning on the counter as Gunther walks in carrying candy.]

Rachel: Oh Gunther! You brought candy! Thank you so much for picking this up! You are so sweet.

Gunther: Really?

Rachel: Honey, someday you are gonna make some man the luckiest guy in the world. (There's a knock on the door.)

Kid: Trick or treat!

Rachel: Gotta go! (Opens the door to a boy in a cape.) Hi! Wow! There you go! (Hands him some candy.)

Boy in the Cape: My friend Lewis told me you were giving out money.

Rachel: Oh yeah, we were but umm, now we've got candy.

Boy in the Cape: I'd rather have the money.

Rachel: Well, that-that's not your choice. Happy Halloween!

Boy in the Cape: This isn't fair.

Rachel: Well is it fair that all you did was put on a cape and I gotta give you free stuff?

Boy in the Cape: Shut up!

Rachel: You shut up!

(The gang gets interested now.)

Boy in the Cape: You can't tell me to shut up!

Rachel: Uh, I think I just did. And uh-oh, here it comes again. Shut up!

Joey: Rach?

Rachel: (To Joey) Yeah I know—I'm good—I got it! (Joey slowly backs away.) (To the boy) Now wait a minute, I've got one more thing I have to say to you...oh right! Shut up!

Boy in the Cape: You're a mean old woman. (Runs away.)

Rachel: No! Wait no! Shut up—I mean don't cry! Let me get my checkbook! (Grabs her checkbook and runs after him.)

[Cut to Monica and Joey clearing the dining room table for the grudge match between Chandler and Ross.]

Monica: (To Chandler) Look honey, you don't have to do this, okay? It's the strength you have inside that means the most to me. You're loyal, you're honest, and you have integrity! That's the kind of strength that I want in the man that I love!

Chandler: That means nothing to me. (To Ross) Come on!

[Scene: The Hallway, Phoebe is exiting Monica and Chandler's, and finds Ursula standing in the hallway smoking.]

Phoebe: Hi liar!

Ursula: Hey!

Phoebe: Y'know the only reason he's marrying you is because he thinks all the things you were saying about yourself were true.

Ursula: Well they could be true.

Phoebe: But they're not!

Ursula: Yeah, it's a fine line huh?

Phoebe: Why are you lying to him?

Ursula: I don't know. He said he did all this stuff and then I said I did it too and he got so excited, it was really fun.

Eric: (entering) Honey?

Ursula: (waving the cigarette in Phoebe's face) It's a filthy, disgusting habit and I want you to quit now!

Eric: She's helped so many people to quit smoking.

Ursula: Y'know, we'd really better get going.

Eric: Oh right, you've got a church group meeting tonight.

Ursula: Right. (Walks down the stairs.)

Eric: (To Phoebe) Well, it was nice meeting you.

Phoebe: You too. And Ursula?! It was really nice meeting you tonight!!

Joey: (entering) Pheebs come on! Bunny vs. Doody! We're waiting! (They go inside.) (To Chandler and Ross.) Okay. Okay guys, one match, winner take all. (They grasp each other's hand in preparation for battle.) Oh wait-wait! What does the winner get?

Ross: Pride.

Chandler: And dignity.

Joey: (laughing) Okay, if you say so. All right, ready? Set! Go!

(They start wrestling, only they are unable to move either one's arm despite a huge strain on their faces and a cheering crowd.)

[Time Lapse: the crowd has left and only Mona, Monica, Joey, and Phoebe are still watching to see who will be able to move the other's arm first. An

event that has yet to happen.]

Mona: (To Joey) Wow! They're both really strong.

Joey: Or equally weak.

Monica: (To Phoebe) Oh God!

Phoebe: Hmm?

Monica: Chandler's making his sex face. (Basically Chandler's face looks like he's not all there and is staring off into the distance...)

Ross: (To Chandler) So, you gettin' tired?

Chandler: Nope! I can do this all day.

Ross: Yeah? Me too. (Pause) Gettin' a little tired though.

Chandler: God, I'm exhausted.

Ross: Look this is starting to look really bad for me. Okay? Mona, Mona's standing right over there. (Looks behind him.) Oh God, she's talking to Joey! You gotta let me win!

Chandler: No way! If anything you've gotta let me win! My wife thinks I'm a wimp!

Ross: Hey, at least you have a wife! I-I keep getting divorces and knockin' people up! And I'm dressed as doody.

Chandler: You're Spudnik.

Ross: Come on, who are we kidding? I'm doody. Please? She's watchin'.

Chandler: Fine. (He lets Ross win.) Oh no!

Ross: (celebrating) Oh yeah!

Mona: (clapping) Yay! My hero!

Joey: (to her) You're a weird lady.

Eric: (entering) Hey. Ursula said she left her purse.

Phoebe: Oh.

Eric: (finds it) What a relief. It has all the numbers of the people in her prayer chain.

Phoebe: Sure it does. Yeah, yeah.

Eric: Well, I guess I'll see you at the wedding. (Exits and Phoebe follows him into the hall.)

Phoebe: Umm listen, I don't think...I don't think I'm gonna make it to the wedding. So I just want to wish you all the luck in the world.

Eric: I think we'll be okay. Besides it's so perfect and (whispering) she's been saving herself for me.

Phoebe: Okay I can't let you do this! She's lying to you.

Eric: What?

Phoebe: She is lying! And I bet I can prove it. Excuse me. (She grabs Ursula's purse and starts going through it and finds some papers.) Okay. Okay. Yeah—Not a prayer chain, but what looks like a detailed drawing of a bank floor plan. (Holds up her nametag.) Okay, here's the nametag from the restaurant where she works as a waitress! Not a teacher, a waitress. All right, here's her driver license, this oughta be good, she always lies about this. How old did she say she was?

Eric: She told me she was 25.

Phoebe: Oh, I almost don't want to show this. (Hands it to him.) Just remember I'm a minute younger.

Eric: I am so stupid. Of course she was lying! She's not a teacher. There's not such a thing as the top secret elementary school for the children of spies.

Phoebe: No. You're not, you're not stupid.

Eric: I'm not smart. (Phoebe has no comeback.) I just wanted so much to...be impulsive once. To be romantic.

Phoebe: That's good, you should be impulsive and you should be romantic. Just...you did it with the wrong person. (He looks at her.) What?

Eric: It's just so weird, two people look so much alike, and so different.

Ursula: (yelling from downstairs) Eric!! Let's go!!

Eric: I'd better go, deal...

Phoebe: Yeah, you should. (They shake hands.)

Ursula: Hurry up I gotta pray!!

(Phoebe hands Eric Ursula's purse and he walks away.)

[Time Lapse: Rachel is returning from chasing down the boy in the cape.]

Joey: Hey!

Rachel: Hey! Well, I had to give the kid fifty bucks to stop crying.

Joey: That's not so bad.

Rachel: No, I also had to go to a couple houses with him as his girlfriend. Oh, I am just awful with children!

Joey: Come on! You're good with kids. They're just crazy on Halloween. Y'know, they're all greedy and hopped up on sugar!

Rachel: Really? You think that's all it is?

Joey: Absolutely! Halloween is the worst. Except for Christmas...and their birthdays. Kinda get a little crazy during the summer too. And anytime they're hungry or sleepy. Y'know, kids are tough. Good luck with that. (Walks away.)

Closing Credits

[Scene: Monica and Chandler's, Chandler and Monica are standing in the kitchen.]

Monica: Look, I wanted to tell I'm-I'm sorry you lost.

Chandler: Listen, I've got a secret for ya. I let him win.

Monica: (laughs) Is that a secret or a lie.

Chandler: No, I let him win—Ross!

Ross: Yeah?

Chandler: Would you tell her I let you win please?

Ross: Oh. Yeah. (Sarcastically) Uh Chandler I let me win. No, Chandler's really strong. Oh my arm is so sore. Oh nurse! (Waddles over to Mona.)

Chandler: I am strong! I'll show you! (He sits down at the table.)

Monica: Chandler please!

Chandler: Oh what's the matter? Are you scared?

Monica: Let's go big bunny!

(They assume the starting position.)

Chandler: Okay. 1...2...3—Go! (Once again he's at a stalemate, but this time he's in pain.) (Pause) I'm gonna kill myself!

End

[Scene: Monica and Chandler's, Chandler is sitting in the living room as Monica enters.]

Monica: Hey.

Chandler: Hey.

(Monica notices something.)

Monica: Oh my God! You cleaned! (Gasps) Look at these floors! You did the windows! Oh, I have been begging you for months and you did! You cleaned! And nagging works!

Chandler: Y'know uh, I didn't actually do this.

Monica: Oh no, was I cleaning in my sleep again?

Chandler: No, it wasn't you.

Monica: Well then who?

Chandler: I got a maid. Yay!

Monica: (shocked) I hope by maid you mean mistress, because if some other woman was here cleaning then...

Chandler: Uh honey, I know you don't like to relinquish control...

Monica: Oh, relinquish is just a fancy word for lose!

Chandler: Look, she's really nice. Okay? And she mentioned that she adored the way that you arranged the sponges.

Monica: Did she really say that?

Chandler: Yes, I distinctly remember 'cause I thought it was a joke. Now just give her a chance, okay?

Monica: Fine, I can do it. (Gets anxious.) Whew.

Chandler: What's the matter?

Monica: Well, usually when I'm this anxious, I clean!

Opening Credits

[Scene: Central Perk, Ross, Rachel, and Phoebe are there as someone's cell phone starts to ring with one of those fancy ring tones.]

Phoebe: (looking around) Who's cell phone is that? It's just so annoying; everywhere you go.

Ross: I think it's coming from your bag.

Phoebe: (checks) I never get calls! (Answers the phone) Hello?

Eric: Hi, it's Eric. From the Halloween party, Ursula's fiancée.

Phoebe: Oh my God Eric hi! Wait, how'd you get this number?

Eric: Oh, I have a friend who's a cop and he got it for me.

Phoebe: Wow! What an incredible violation—and wonderful surprise.

Eric: Uh listen, I just—I thought you should know I broke up with Ursula.

Phoebe: Oh you did? (To Rachel) He did it! He did it!

Rachel: Wow! What did he do?

Phoebe: Shhh! I'm talking.

Eric: Anyway, I was wondering if, you were the sort of person who...eats lunch.

Phoebe: Are you asking me out? 'Cause it would be kinda weird since you just broke up with my sister.

Eric: Yeah uh...okay. I'm-I'm sorry. Bye.

Phoebe: No! Wait! I was just saying that so you'd think I was a good person. Fight for me.

Eric: Uhh, I won't take no for an answer.

Phoebe: Not great, but we can work on it at lunch. Okay, I can be at your apartment in two hours.

Eric: Great! But wh-wh—How do you know where I live?

Phoebe: I've got friends too. Okay, bye.

Eric: Bye.

(She hangs up.)

Phoebe: Oh my God! I'm going out with Eric! Ooh, this day is really gonna be so much better than I thought it was gonna be. Oh Ross, I can't make lunch. (Exits.)

Ross: So apparently I'm available for lunch.

Rachel: I can't. I'm busy. I'm apartment hunting.

Ross: You're moving?

Rachel: Yeah, I can't live with Joey once the baby comes. I don't want my child's first words to be, (in a baby's voice) "How you doin'?"

Ross: So does-does Joey know you're moving?

Rachel: Well, I haven't discussed it with him yet, but I know he's gonna be relieved. Last week, he brought this girl over and I started talking to her about morning sickness and then I showed her pictures from my pregnancy book.

Ross: That's not really porn.

Rachel: Not so much.

Ross: Hey, y'know what and if you're looking for a place? I just heard in the elevator this morning that a woman in my building died.

Rachel: Oh my God! Was she old? Does she have a view?

Ross: Well I don't know, but how-how great would that be huh? You living in my building, I could help take care of the baby. I can come over whenever I want. (Rachel looks at him.) With your permission.

Rachel: Yeah that would really be great.

Ross: Yeah.

Rachel: Well can we see it? Oh maybe we shouldn't. I mean if she just died this morning out of respect.

Ross: Yeah. No. No you're right.

(Pause as they both take another sip of coffee.)

Rachel: Shall we?

Ross: Yeah.

(They both exit.)

[Scene: Ross's Building, they are approaching the apartment of the woman who died. Ross knocks on the door and a woman answers it.]

Mrs. Verhoeven's Daughter: Yes?

Ross: Hi. I'm Ross Geller. I live in the building.

Rachel: And I'm Rachel, an admirer of the building.

Ross: I-I heard about Mrs. Verhoeven passing away and I'm so sorry for your loss.

Mrs. Verhoeven's Daughter: She didn't pass.

Ross: What?
Mrs. Verhoeven's Daughter: My mother's still alive.
Ross: Oh, thank God!
Mrs. Verhoeven's Daughter: It looked like we were gonna lose her this morning, but she's a tough old bird.
Rachel: Ahh.
Mrs. Verhoeven's Daughter: Are you close with her?
Ross: Of course! Uh yeah, she and I would talk all the time in-in (Rachel pokes her head in and starts to look around) the laundry room. (Pushes Rachel out of the way.)
Mrs. Verhoeven's Daughter: You speak Dutch? (In Dutch) Zeer vereerd een vriend van mijn moeder te ontmoeten. (Translation: I'm very honored to meet a friend of my mother.)
Ross: Y'know I would it's just painful.
Rachel: So she's really not dead.
Mrs. Verhoeven's Daughter: No, she's hanging in there.
Rachel: Hmm. Do you think—Could you tell me if she's hanging in, in a one bedroom or a two?
[Scene: Monica and Chandler's, Monica is observing the new maid, Brenda, clean.]
Brenda: Mrs. Bing, this tile cleaner is incredible! Where'd you get it?
Monica: Oh well umm, I make it myself! It's two parts ammonia and one part lemon juice. And now the secret ingredient is...y'know what? We just met.
Brenda: Okay. Uhh, I'm gonna go get the clothes from the laundry room now. And, when I come back I'll clean behind the refrigerator.
Monica: (To Chandler) I love her.
Brenda: I'll be back in a minute.
Monica: Okay. (As Brenda exits Monica notices something.)
Chandler: See? I told you.
Monica: She stole my jeans!
Chandler: (pause) What?
Monica: I have been looking for them all week and she is wearing them!
Chandler: So she stole your pants and then she came back and wore them in front of you?
Monica: Don't you see? It's the perfect crime!
Chandler: She must've been planning this for years!
Monica: I will prove it to you! Okay? About a week ago I was wearing those jeans and I dropped a pen in my lap and it left an ink stain on the crotch. Now when she comes back I will find it and show you that stain!
Chandler: Honey, isn't it possible that the company that sold the jeans made more than just the one pair?
Monica: I guess.
Chandler: So, shouldn't we go give her the benefit of the doubt before we go...snooping around her crotch?
Monica: Fine. I'm just glad I didn't give her my secret ingredient.
Chandler: Out of curiosity, what is your secret ingredient?
Monica: Yeah! (Laughs.)
[Scene: Eric's Apartment, he's opening the door to reveal Phoebe.]
Phoebe: Hi!
Eric: Come in, I'm so glad you're here.
Phoebe: Yeah, me too. Not in the shaky angry way you are though.
Eric: Sorry, I just saw Ursula. I had to give the engagement ring back.
Phoebe: Oh.
Eric: Just seeing her brought it all back. All the lies, the way she used me. I just...I got so angry just looking at her...(Looks at Phoebe)...face.
Phoebe: Yeah. (Covers her face with her hand.) Yeah.
Eric: I'm sorry. I just...when I look at you I see her. When I see her I get a little bit angry.
Phoebe: Maybe this is too weird.
Eric: No wait! There's only a problem when I look at you. (Sits down on the couch.) Oh I got it! I got it. (Puts his hands to his eyes.)
Phoebe: No don't tear out your eyes!!
Eric: I was just, I was just gonna take out my lenses.
Phoebe: Oh, yeah try that. (He finishes and looks at her.) So, is that better?
Eric: Not really. You...you're blurry, but you still look like Ursula. You're Blursula. Okay wait. Maybe...if I-if I just don't look at you for a while. (Stands up and turns his back to her.) See? It...it works. I'm not, I'm not angry at all anymore! This is a great date!
Phoebe: Look Eric, turn around. (He does so.) Look, I like you, but it shouldn't be this hard. Y'know? This is our first date y'know? First dates are supposed to be about excitement and electricity and 'Ooh, he just touched my hand, did he mean to touch my hand?' and y'know first kisses and...(He kisses her)...second kisses. (Motions for him to kiss her again which he does and they start to make out.)
[Scene: Central Perk, Ross is reading some book and Gunther serves him a cup of coffee.]
Ross: Thanks for the coffee, or bedankt voor de koffie, Gunter. (He translates that phrase into Dutch.)
Gunther: Jij spreekt Nederlands? Dat is te gek.

Heb je familie daar? (Translation: You speak Dutch That's cool. Do you have relatives there?)
Ross: Yeah, we're done.
Gunther: Ezel. (Translation: Donkey)
Ross: Ezel? Ezel? Ezel? (Looks it up in his book.)
Joey: (entering) Hey Ross! Listen, do you want to go see that new Imax movie on tide pools?
Ross: Really?!!
Joey: (laughs) No. But I got Knicks tickets for you, me, and Chandler.
Ross: Sweet!
Joey: All right, well finish your coffee; let's go.
Ross: Okay I-I just have to stop by my place first.
Joey: To tape the game? You do this every time Ross, you're not gonna be on TV!
Ross: No-no, I-I have to see if this apartment became available.
Joey: Oh, you're switching apartments?
Ross: It's not for me, it's for Rachel.
Joey: But Rachel has an apartment.
Ross: Yeah, but when the baby comes she's gonna want to move.
Joey: She is?
Ross: Yeah, you didn't expect her to live there with a baby did you?
Joey: I guess I didn't really think about it.
Ross: (finds the word in the book) Ezel! (Reads the translation.) Hey Gunther! You're an ezel!
Gunther: Jij hebt seks met ezels. (Translation: You have sex with donkeys.)
Ross: Damn it!
[Scene: Monica and Chandler's, Brenda is sweeping and Monica is sitting at the kitchen table.]
Monica: Nice jeans!
Brenda: Oh thanks! I like your top.
Monica: Oh. (Holds on to it.) (To herself) You're not gettin' it.
(Brenda bends down to use the dustpan and Monica leans over to look for the stain, but leans so far over she falls out of the chair.)
Brenda: What happened?!!
Monica: Oh, I fell asleep.
Brenda: I was thinking about taking my lunch break.
Monica: Oh, will you do the top of the cabinets? That'll really work up your appetite for lunch.
Brenda: All right.
(Brenda pulls a chair to the counter and uses it to get up on the counter in order to clean the top of the cabinets. Monica sneaks over, bends over, and tries to see the stain. That doesn't work so she sticks her head between Brenda's legs. Suddenly Brenda changes her stance and traps Monica's head between her legs.)
Monica: Hello.
Brenda: What's going on?!!
Monica: I'm sorry. I've never had a maid before, is this not okay?
Commercial Break
[Scene: Joey and Rachel's, Rachel is eating pizza as Joey returns from the Knicks game.]
Rachel: Hey!
Joey: Hey!
Rachel: How was the game?
Joey: Oh, okay. I...I ate way too much.
Rachel: Oh.
Joey: Ooh. (Notices the pizza, grabs a slice, and takes a bite.) So umm, I was talkin' to Ross and he said you were looking for a new place.
Rachel: Oh yeah! Hopefully across the street if certain Dutch people would just let go.
Joey: I was kinda hoping you'd stay.
Rachel: Oh but Joey, I have to go. There's no room for a baby here.
Joey: No room? It's a baby. It's like this big. (Holds his hands about a foot apart.) Y'know, I mean you-you could you could put it over here. (A desk.) Or-or-or we could put it right here. (The chair.) Aw, it's cute, right? Or-or we could put it over here. (By the bathroom door.) You wouldn't even notice it. Where's the baby? (Mumbles that it's over in the corner.)
Rachel: Honey, it's not just a matter of where you put it. I mean a baby changes everything. They cry all the time. I mean imagine bringing home some girl and trying to score when there's a screaming baby around.
Joey: I could use a challenge! It's getting pretty easy.
Rachel: Honey, it's so sweet that you want me to stay, but I-I can't do that to you. I mean it would disrupt your entire life.
Joey: I love living with you so much. I just wish things didn't have to change.
Rachel: I know.
Joey: Y'know I blame Ross for this.
Rachel: I do too a little bit.
Joey: I'm gonna miss you, you're the hottest roommate I ever had.
[Scene: Eric's Apartment, he and Phoebe are still making out.]
Phoebe: Ooh, oh no! I have to go! I have a massage appointment.
Eric: Oh no, stay here we'll keep doing this. I'll pay you.
Phoebe: No, I got in trouble for that before. I'll see you later.
Eric: Absolutely. (They kiss and Phoebe heads for the door.) I love the way you kiss.
Phoebe: Really? That's the thing I'm worse at! You'll see. (Exits.)
[Scene: Monica and Chandler's, Brenda is shaking out the rugs on the balcony as Monica pouts in the living room.]
Chandler: (entering) Hi!
Monica: Hey! Umm, I think Brenda needs a raise.
Chandler: How come?
Monica: Because I put my head between her legs.

Chandler: To see her pants?
Monica: They're my pants!
Chandler: Are you sure? Did you see the stain?
Monica: No! I was just getting into position and then everything went dark.
Chandler: God! She is not stealing from us! Okay, will you let this go?
Monica: Fine. (Brenda comes in to use the bathroom and adjusts her pink bra strap on the way.) She's wearing my bra!
Chandler: Oh dear God!
Monica: My pink flowered bra! I recognize the strap!
Chandler: And yet you **don't** recognize that you're crazy.
Monica: Here's the plan! Okay? I'm going to leave you get a look at Brenda's bra!
Chandler: Here's another plan...No!
Monica: I would do it but she thinks I'm attracted to her!
Chandler: Why?
Monica: Did you **not** hear where my head was? Come on! Come on we're a team! We're in this together!
Chandler: I fear a jury will see it the same way!
Monica: Do this for me! Come on, I catch you looking at woman's breasts all the time!
Chandler: You see that?
Monica: Do you see this? (Mimics him drooling over a woman's breasts.)
Chandler: All right. Yes. Okay. I get your point. But if it's not your bra will you just let the woman clean the apartment?!!
Monica: Yes! Absolutely. Okay? Look, you'll know it's mine because on the right cup, the lacey part, there's a very noticeable rip.
Chandler: You need new clothes.
[Scene: Mrs. Verhoeven's Apartment, Ross is back to inquire about the elder Verhoeven's health or lack thereof.]
Ross: Hi. How is she?
Mrs. Verhoeven's Daughter: It's not looking good.
Ross: (happily) Oh. (Realizes then sadly) Oh. Well I uh, I brought her some bloemen. (Flowers in Dutch.)
Mrs. Verhoeven's Daughter: That's so sweet. (Takes the flowers.) Would you like to come in and say good-bye? I'm sure it would mean a lot to her.
Ross: Oh I don't know that it would.
Mrs. Verhoeven's Daughter: Well, her memory is pretty much gone.
Ross: All right then. (Follows her in and checks the place out.)
[Scene: Eric's Apartment, he's resting on the bed as Phoebe enters.]
Phoebe: (entering) Hey!
Eric: Welcome back!
Phoebe: Hey! (Jumps on the bed with him.) Can we pick up where we left off?
Eric: I don't know, I'm still pretty tired out from this afternoon.
Phoebe: Why?
Eric: Uh, the sex.
Phoebe: What sex?
Eric: Our sex.
Phoebe: We didn't have sex.
Eric: Well if I didn't have sex with you, I had sex with someone that looked an awful lot like...
Phoebe: (simultaneously as Eric) Ew! Ew! Ew! Ew! Ew!
Eric: (simultaneously as Phoebe) Oh no! Oh no! Oh no! Oh no! No! No! No!
Phoebe: You-you...you had sex with Ursula?!
Eric: Uh, a little bit. She-she-she walked in and I thought she was you and I kissed her and...
Phoebe: You didn't notice she was wearing different clothes?!!
Eric: Well I was just so excited to see you.
Phoebe: Oh. Ew! Ew! Ew! Ugh! Y'know what? This is too weird.
Eric: No-no it's not! I don't want to lose you! It's-it's like I was saying to Ursula when I was making love to her and I thought she was you—Yeah it is too weird.
Phoebe: So I guess this is it.
Eric: Yeah. (They hug.) Maybe it's for the best. You smell just like her.
Phoebe: Yeah, so do you.
[Scene: Monica and Chandler's, Brenda is wiping the coffee table and Chandler is trying to look at her bra and leans over on the coffee table to get a good look.]
Brenda: (noticing him) What are you doing?
Chandler: I'm leaning. This is where I lean.
Brenda: Okay. (Goes over and fluffs up the pillows on the couch.)
Chandler: Brenda a bee!
Brenda: What?
Chandler: Yes! It's flown into your blouse and you'd better undo your buttons lest it sting you!
Brenda: I think I know what's going on here.
Chandler: You do?
Brenda: Look, I know it must be hard that your wife is a lesbian, but it's wrong. You're married.
Chandler: I totally understand. (They both laugh.) Can I just see your bra?
[Scene: The Hallway, Monica is sitting on the step as Rachel returns.]
Rachel: Hi!
Monica: (looking at Rachel's jeans) Where did you get those jeans?!!
Rachel: You gave them to me!
Monica: No I didn't!
Rachel: All right, I took them. But I figured it would be okay because you got a big ink stain on the crotch.
Monica: Oh no! Did you take my bra too?!

Rachel: What bra?
Monica: The pink one with the flowers?!
Rachel: You mean the one that you're wearing? (Adjusts Monica's pink bra strap as Monica looks down her shirt.)
Brenda: (entering) I quit! (Storms off.)
Monica: Sounds about right.
 [Scene: Joey and Rachel's, Rachel enters and notices that Joey has set up a space for the baby where the couch was, complete with a crib.]
Rachel: What is this?
Joey: Hey! Uh, this is just to give you an idea. Okay well, we can put screens here, (In front of the crib.) so that the baby has privacy, and-and-and maybe a mobile over the crib. And uh—Oh look! Here's a baby monitor (Holds it up), which until the baby comes we can use as walkie-talkies. Huh?
Rachel: You're so sweet. (Notices something in the crib.) Oh my God! And you gave the baby Hugsy! (A stuffed penguin wearing a ski jacket, goggles, and hat.)
Joey: Ahhhhhhhhhhh... That-that-that's really just to show where the baby would go. Y'know why don't I hold on to him so that there's no confusion? (Takes him back, sets him on the chair, and apologizes to him.)
Rachel: But Joey the baby is going to be crying, it's going to be loud.
Joey: I'm loud!
Rachel: It's gonna be up all night!
Joey: I'm up all night!
Rachel: It's gonna poop!
Joey: Hello!
Rachel: What about all the women you want to bring home?
Joey: Look, if I'm bringing home a woman who can't stand being around a baby, then maybe I don't want to be with that woman! Or maybe we'll just do it in the bathroom of the club!
Rachel: Joey, are you sure?
Joey: Yeah! All right—Look, I know sometimes it'll be hard, okay? But, it'll also be really...really great. Please Rachel! I-I-I really want you to stay.
Rachel: I want me to stay too.
Joey: Ohh!
Rachel: Thank you. (They hug.) Oh Joey and look at this crib! It's so cute!
Joey: I know! I found it on the street.
Rachel: Are you serious—Really?! It's in such good condition.
Joey: Yeah.
Rachel: Wow! Whoa-whoa what's under the covers?
Joey: I don't know.
Rachel: It's moving.
Joey: Ew.
Rachel: It's still—(Screams)—It's got a tail! Get it out of here! Get it out of here!!
Joey: Ooh! Ah! Okay! (Quickly drags the crib outside.)
 Dedicated to the Memory of Pearl Harmon
 Closing Credits
 [Scene: Joey and Rachel's, Joey and Rachel are toasting her staying put.]
Ross: Well, the old lady died. And how do I know? Her dying wish was for one last kiss. But I don't care, (To Rachel) because you got the apartment. Yes!
Rachel: Ewww. Yeah. Umm. I think I'm gonna stay here.
Joey: Isn't that great?
Ross: (stutters looking for words) Ezels!!
 End

808 The One With The Stripper

[Scene: Central Perk, Joey, Monica, and Chandler are sitting on the couch and chair as Phoebe is getting coffee.]
Rachel: (coming from the bathroom) Hey Phoebs?
Phoebe: Huh?
Rachel: I'm having dinner with my dad tomorrow night, do you wanna come?
Phoebe: Sure. Yeah, he's kinda sexy.
Rachel: Oh no, no, I'll be there too.
Phoebe: Okay so, we'll just come up with some kind of signal if it's going well you can take off.
Rachel: No Phoebe! I just need you there for support. I haven't told him I'm pregnant yet.
Phoebe: Oh. Why not?
Rachel: 'Cause I know he's gonna flip out and I hate it when he's angry.
Phoebe: Oh Rachel, this is all so 'Papa don't preach.'
Rachel: What Phoebe? Wait! One time he caught me smoking he said if he ever saw me doing that again he'd make me eat the entire pack.
Phoebe: Wow! Oh well, I will be there!
Rachel: Thank you.
Phoebe: Gosh. I'm not gonna let that man make you eat your baby. (They both sit down by the rest of the gang and Phoebe recognizes a man by the window.) Oh. Hey! Who is that guy? I think I know him.
Monica: (recognizing him and panicking) No you don't!
Rachel: (panicking) No you don't.
Phoebe: Oh my God!!! Monica!! He's the stripper from your bachelorette party!!

Chandler: Her what?!!
Phoebe: Your secret bachelorette party...
Chandler: You had a bachelorette party?!
Phoebe: She untied his G-string with her teeth. (Pause) Somebody stop me!
Chandler: I thought we weren't gonna have bachelor/bachelorette parties! Y'know, we agreed that it was a silly tradition.
Joey: It's a grand tradition!
Monica: I'm sorry, they surprised me. There was nothing I could do!
Rachel: Well you could've untied it with your hands.
Joey: This is so unfair! The one thing I wanted to do was throw my best friend a bachelor party, but no, I wasn't allowed to. All I got was a stupid steak dinner!
Chandler: You went home with the waitress.
Joey: Oh yeah, that was a pretty good night.
Chandler: I can't believe you didn't tell me! You know that the two pillars of marriage are openness and honesty!
Monica: Ugh, I knew giving you that book was gonna come back and bite me in the ass!
 Opening Credits
 [Scene: A Restaurant, Rachel and Phoebe are having dinner with Dr. Green, and everyone is looking at the menu.]
Dr. Green: How about I order everyone the Moroccan chicken?
Phoebe: Oh, I-I don't eat meat.
Dr. Green: It's chicken.
Phoebe: Yeah, I don't eat that either.
Dr. Green: I'll never understand you lesbians. (To Rachel) So baby, tell me...what is new with you.
Rachel: Well actually umm...
Waiter: (interrupting) Your '74 Lafite sir.
Dr. Green: '74? I ordered the '75! That's a magnificent wine! The '74 is sewage! Why would you bring me sewage? (The waiter's dumbfounded) Is that a hard question? Are you an idiot? Is that why you're a waiter?
Waiter: This is why I told the manager I wouldn't wait on you tonight! (Runs off.)
Dr. Green: Oh come on! Don't be such a baby! (Goes after him)
Rachel: (To Phoebe) In case you didn't notice, that is a scary man.
Phoebe: He's right though, the '74 is absolute piss.
Rachel: This was such a huge mistake. I can't tell him Phoebe. I can't, I can't, I can't, I can't...
Phoebe: Rachel!
Rachel: No it's okay, this is what's gonna happen. I'm gonna wait a couple years and then the baby will tell him.
Phoebe: Why, so he can get mad at the baby?
Rachel: Hey, that is the...baby's problem. (Dr. Green returns.) Oh, everything okay with the waiter?
Dr. Green: I have no idea, I went to the bathroom. So sweetie, you were starting to tell me what is uh, what is new with you.
Rachel: Well... Umm, I got *TiVo*.
Dr. Green: What's *TiVo*?
Phoebe: It's slang for pregnant.
Rachel: Phoebe!
Dr. Green: Are you really pregnant?
Rachel: Well uh, yes and no. Except not no. So to sum it up, yeah.
Dr. Green: Who is the father? Oh no! Please don't tell me it's her! (Points at Phoebe.)
Rachel: No, it's Ross. It's Ross. You like Ross. (He just shakes his head.) Oh daddy, I hope you're okay with all of this. I mean think about it, this is a good thing. You're gonna—This is your first grandchild! You're gonna be a poppy!
Dr. Green: That's true.
Rachel: Yeah.
Dr. Green: (laughs) Poppy. (To Phoebe) Oh, I'm gonna be a poppy. (Stops laughing) So when is the wedding?
Rachel: Who?
Dr. Green: The wedding! There's going to be a wedding. Young lady, don't you sit there and tell me my first grandchild is going to be a bastard! (Rachel pauses) Rachel Karen Green, tell me there is gonna be a wedding!
Rachel: February 2nd!
 (Dr. Green exhales in relief.)
 [Scene: Central Perk, Chandler and Joey are reading a magazine and Ross is chatting with Mona.]
Mona: So it was really cool seeing you lecture today.
Ross: Oh thanks. Although it kinda seemed like you were falling asleep there a little.
Mona: Oh no-no, I-I had my eyes closed so I could concentrate and y'know take it all in.
Ross: Yeah, a lot of my students do that.
Mona: So, I gotta get going.
Ross: Okay, I-I'll see you tonight.
Mona: Yeah.
Ross: Okay, bye.
 (They kiss and she starts to leave.)
Mona: Oh hey, thanks again for showing me your semi-precious stone collection. It was amazing! (She leaves.)
Chandler: My God! You must be good in bed!
Joey: So uh, you and Mona, been a while now. How's it going?
Ross: Ah, it's good. It's going good. I mean, we get along great. She's, she's so...
Joey: Hot?
Ross: Well, I was gonna say sweet, but yeah-huh!
Chandler: She's okay with Rachel and the baby?
Ross: Well I...I haven't actually told her yet. I don't want to scare her off, y'know?
Chandler: Well, you have to be honest with her! Otherwise you may think that you're going down the same path, but you're really going down different ones.
Joey: I'm gonna take that book and beat you to death with

it.
Monica: (entering) Oh my God! You are gonna love me so much! I felt really bad about the whole bachelorette party thing, so tonight you're gonna have a bachelor party.
Chandler: What?
Monica: Yeah, I got this number from this guy at work and I hired a stripper to come dance for you. Am I going in the wife hall of fame or what?!
Chandler: Honey! That's crazy! I don't want you to get me a stripper...
Joey: Will you let the lady talk?!
Monica: Come on! Come on, it'll be fun! It'll make me feel so much better.
Chandler: Look, I appreciate it, but uh, it's a little creepy. Y'know? I'm not a bachelor anymore.
Monica: So don't think of it as a bachelor party, think of it as a...a two month anniversary present.
Ross: Sure, one year is paper, but two months is lapdance! (Joey nods his agreement.)
Monica: Please! I feel so bad! Just watch the hot woman get naked!
Chandler: All right fine! But I'm only doing this for you!
Joey: Yeah!
Chandler: And Joey.
Monica: Thank you. All right, now who else do you want to invite?
Chandler: Ah, no-no-no just Ross. Ross and Joey is embarrassing enough.
Ross: Uh actually, sorry I can't even make it. I'm seeing Mona again tonight.
Chandler: I understand: who would cancel an actual date to go to a fake bachelor party?
Joey: (on cell phone) I'm sorry I gotta cancel tonight baby...
 [Scene: The Restaurant, dinner has ended and Phoebe and Rachel are talking. Dr. Green is not at the table.]
Phoebe: I'm sorry I won't be able to make it to your imaginary wedding, but I'm really busy that day. Yeah, I already have a unicorn baptism and a leprechaun bar mitzvah.
Rachel: I know. I know. I panicked, I panicked. I didn't want him to start yelling at me like I was some '74 Latour.
Phoebe: It's Lafite. The '74 Latour is actually drinking quite nicely.
Rachel: All right here he comes. I'm gonna do this, I'm gonna tell him, I'm gonna be strong.
Dr. Green: I just called a friend of mine.
Rachel: Yeah?
Dr. Green: I think I may be able to book *The Plaza* on short notice.
Rachel: Really?! *The Plaza*!!! Oh daddy!! (Hugs him and Phoebe glares at her.) Right. Daddy, I need to talk to you. Please, sit down.
Dr. Green: What is it sweetie?
Rachel: There's not gonna be a wedding. Ross and I are not getting married.
Dr. Green: What?!!
Rachel: I'm sorry daddy.
Dr. Green: I don't believe this!!
Rachel: Oh now daddy, stay calm. Please.
Dr. Green: Stay calm?! How do you expect me to stay calm?! This is unacceptable Rachel! And I wanna know why?! Is it because that punk Ross won't marry you? That's it! Is that it?!
Rachel: Yes. Yes, he says I'm damaged goods.
 [Scene: Monica and Chandler's, Chandler's bachelor party has begun, what there is of it, with only Joey (wearing a gold paper top hat) and Chandler (wearing what appears to be a *Burger King* paper crown) enjoying a nice product placement of *Budweisers* on ice.]
Joey: So you uh, nervous about getting married?
Chandler: What are you doing?
Joey: Look, look let's pretend it's a real bachelor party. Okay? Y'know? Before your wedding. Come on, it'll be fun.
Chandler: Okay. I can't believe tomorrow's the big day.
Joey: How does it feel knowing you're never gonna be with another woman again huh? Knowing you're gonna have to wake up to the same face everyday until you finally have the sweet release of death.
Chandler: You're right, this is more fun. (There's a knock on the door.)
Joey: That's her! Okay, come on! (They go over and open the door.)
 Stripper: Hi!
Chandler: Hi. (Joey blows on a noisemaker.)
Stripper: So which one of you lucky boys is Chandler?
Joey: Uh, that-that's-that's me!
Chandler: That's me.
Joey: Joey Tribbiani, a big fan.
Stripper: So is that a bedroom? (Points to the guestroom.)
Chandler: Yeah, yeah right over there.
Stripper: All right, whenever you're ready. (She goes into the bedroom.)
Chandler: That was weird.
Joey: Why-why would she go in the bedroom?
Stripper: I'm waiting. (They both slowly enter the bedroom and quickly walk back out.)
Chandler: So she's a...
Joey: Yeah, that's one naked hooker!
 [Scene: Ross's Apartment, Ross and Mona are sitting on the couch.]
Mona: I love your place! Where is this guy from? (A statue from the top of his apothecary table.)

Ross: Uh that's an eighteenth century Indian artifact from Calcutta.

Mona: Oh wow! So, you're more than just dinosaurs.

Ross: So much more.

(They start making out and she kicks the eighteenth century Indian artifact from Calcutta off of his apothecary table from the days of yore and the magical city of White Plains.)

Mona: Oh my God! Oh my God! I'm so sorry!

Ross: Aw forget it, it's from *Pier One*. (There's an angry knock on the door.) Sorry. (Goes and opens the door to an irate Dr. Green.)

Dr. Green: You think you can knock up my daughter and then not marry her?! I'm gonna kill you!!

Ross: Y'know this is actually not a great time for me.

Commercial Break

[Scene: Ross's Apartment, continued from earlier.]

Dr. Green: So? Come on! Explain yourself Geller! First you get my Rachel pregnant!

Mona: You got Rachel pregnant?!

Ross: Who did?!

Dr. Green: You did!

Ross: Yes. Yes, yes I did. (To Mona) But-but it was, it was just a one night thing. It meant nothing.

Dr. Green: Oh? Really? That's what my daughter means to you? Nothing?

Ross: No! No sir umm, she means a lot to me. I mean, I care—I-I love Rachel.

Mona: What?!

Ross: (to Mona) Oh but not that way. I mean...I mean I'm not in love with her. I love her like a, like a friend.

Dr. Green: Oh really? That's how treat a friend? You get her in trouble and then refuse to marry her?

Ross: (to Dr. Green) Hey! I offered to marry her! Mona: Wh...

Ross: (To Mona) But I didn't want to.

Dr. Green: Well why not? So you can spend your time with this tramp?!

Mona: Tramp?!

Ross: I'm sorry. Dr. Green. Mona. Mona. Dr. Green.

[Scene: Monica and Chandler's, Chandler and Joey are discussing what to do about the now naked hooker in the guestroom.]

Chandler: I can't believe there is a naked hooker in there!

Joey: Wait! Wait! Maybe she's a hooker and a stripper, but she got confused about what she's supposed to do.

Chandler: Could be. I mean technically she did strip, we just, we just missed it. (Walks towards the bedroom.) Ma'am, are you also a stripper?

Hooker: Uh, no. But I could pretend to strip, but that's gonna cost extra. Okay, here's the extras, handcuffs, spanking... (Chandler grunts for her not to continue and Joey pulls him back into the kitchen.)

Joey: Maybe Monica's playing a joke on ya. Y'know? Getting her own husband a hooker, that's pretty funny.

Chandler: That is funny, maybe for my birthday she'll murder someone.

Joey: I bet Ross was in on it too. I mean he was conveniently busy.

Hooker: Do you mind if I smoke in here?

Chandler: Oh actually, I'd rather you...Yeah, go ahead. We're gonna have to burn that room down anyway.

[Scene: Ross's Apartment, continued from earlier.]

Mona: How could you have kept all of this from me?

Ross: I was going to tell you, but.....

Dr. Green: But what?! You figured you'd get what you wanted and then dump her like you dumped Rachel!

Ross: Hey! I did not dump Rachel! (To Mona) Nor are we still together. (The phone rings and Ross goes to answer it, only he's trapped behind the apothecary table by Dr. Green.) Can I just... (Dr. Green glares at him.) Why don't we just let the machine get that?

Joey: (on machine) Hey Ross. It's Joey. There's a hooker over here and we thought maybe you'd know something about it.

Ross: No! No! No! No! I-I-I-I—I need to, I need to lie down.

[Scene: Monica's Restaurant's Kitchen, she's cooking as one of her waiters, Stu, comes over to talk to her.]

Stu: So, tonight's the night of the big bachelor party?

Monica: Yeah! Hey! Thanks for getting me that girl's number.

Stu: No problem. So who's the party for?

Monica: My husband.

Stu: You hired your husband a hooker?

Monica: She's a stripper.

Stu: No, she's a hooker.

Monica: Is that, is that what they call strippers sometimes?

Stu: When they're hookers.

Monica: Oh my God Stu! I-I can't believe you did this! Now are you absolutely sure she's a hooker?

Stu: Either that or she's just the best, most expensive date I ever had.

(Monica runs out.)

[Scene: Monica and Chandler's, Joey and Chandler are still deciding what to do about the hooker.]

Joey: Maybe she meant to get you a hooker.

Chandler: Why would she do that?

Joey: Maybe she wants you to learn something. Huh? Now is there anything you're really bad at y'know, sexually?

Chandler: This is the worst bachelor party ever!

Hooker: What's taking you boys so long?

Joey: In a minute!

Chandler: (To Joey) In a minute? What's gonna happen in a minute?!

Joey: All right, all right maybe-maybe you should just ask her to leave.

Chandler: Why me?!

Joey: Hey! It's your bachelor party.

Chandler: Which is why you should do it.

Joey: I don't want to. You do it!

Chandler: You do it!

Joey: You do it!

Chandler: All right Rock, Paper, Scissors who has to tell the whore to leave! (Joey smirks.) What?

Joey: I miss this.

Chandler: I don't think we've actually done this before!

Joey: No, I-I miss hanging out with you.

Chandler: Well we...we still hang out.

Joey: Not like we used to. Remember? You and me used to be inseparable. Y'know now it's like...things are different.

Chandler: Well y'know, things are different. I'm...I'm married now.

Joey: Oh sure—And hey, don't get me wrong, I am so happy for you guys. I just...I miss...hanging out...just-just us, y'know?

Chandler: Yeah, I miss that too. I tell you what; from now on we'll make time to hang out with each other.

Joey: You got it. Come here. (They hug and are observed by the hooker.)

Hooker: Oh God! Listen, I am this close to robbing you guys. (Does the close sign.)

Monica: (entering quickly) She's a hooker! She's a hooker! She's a... (Stops as she sees her.) Hi! Uh, we spoke on the phone. (Goes and shakes the hooker's hand.)

[Scene: Joey and Rachel's, Rachel and Phoebe are at the counter as Ross enters.]

Ross: So your dad dropped by. He's a pleasant man!

Rachel: (quietly) Oh no...

Phoebe: I'd better go. (She goes and sits down in the *La-Z-Boy E-cliner 3000*, the chair that *Sit* magazine called chair of the year, and they both look at her.) Just over here: I don't want to miss the fight.

Rachel: Ross I'm so sorry. Okay, I-I will promise I will straighten this out with him tomorrow in person, or via e-mail.

Ross: I don't care about your dad! I care about Mona! She was there and now she's totally freaked out!

Rachel: Oh okay, I'll fix that to. What's her e-mail address?

Ross: Rachel!

Rachel: All right, I promise. I'll fix this. I swear. I'll-I'll-I'll-I'll talk to her.

Ross: Okay!

Rachel: Okay.

Ross: Thank you!

Phoebe: That's it?! You call that a fight? Come on! "We were on a break!" "No we weren't!" What happened to you two?!

[Scene: Ross's Apartment, Ross is opening the door to Mona. Rachel is there as well.]

Ross: Thank you so much for coming back over.

Mona: Oh good, you're here. Yeah, and I was worried that it was going to be uncomfortable.

Rachel: I know Mona, just hear me out. First of all, I'm so sorry about my father yelling at you, but I heard you totally held your own. You're gonna have to tell me how you did that.

Ross: Focus.

Rachel: Okay. Um...But—Okay, yes Ross and I used to date. And yes we are gonna have a baby. But we are **definitely** not getting back together.

Mona: How can I be sure on that?

Rachel: Oh we just—we drove each other crazy!

Ross: Yeah.

Rachel: I mean he was possessive, he was jealous, he could never just let the little things go!

Ross: Trying to date this woman.

Rachel: Right! But, none of that compared to how kind and-and how gentle and thoughtful he is. (Rubbing his shoulder.)

Ross: Probably shouldn't touch me.

Mona: Y'know, I-I-I just...I don't want to get in the middle of something so complicated.

Rachel: I know, I get it, but Mona, what relationship is not complicated? I mean we all have our baggage! You must too! Why else would you still be single? (Mona looks at her.)

I am so gonna leave right now. (Ross opens the door for her and she leaves.)

Ross: Should I leave this open for you too?

Mona: I'm not sure yet. Why didn't you just tell me about all this?

Ross: Because what's going on with Rachel has nothing to do with how I feel about you.

Mona: Yeah? Well you still shoulda told me.

Ross: I know and I was going to, but I thought it was better that you heard it from Rachel's father. Look I...I made a mistake, but it's only because I really, really like you. Really!

Mona: Okay, I guess you can...close the door now. (He does so and they kiss.)

Rachel: (entering) Forgot my purse! (Sees them kissing.) Oh, you guys made up. (To Mona) He's a good kisser isn't

he? (Ross goes to close the door on her.) I'm going!

(Quickly leaves and Ross locks the door.)

[Scene: Monica and Chandler's, the bachelor party has ended and Monica is trying to explain herself to Chandler.]

Monica: I swear I didn't know she was a hooker! I mean wh—Did you let her smoke in here?

Chandler: Her ass print is still on your grandmother's quilt, do you really want to talk about smoking?

Monica: Y'know what? I'm gonna make this up to you. I promised you a stripper (turns on the radio), and you're gonna get a stripper. (She starts to strip.)

Chandler: Monica! Wait!

Monica: What?

Chandler: (puts on his crown) Carry on. (She does so by taking off her jacket seductively, only she has trouble getting one hand out and slams the jacket on the chair angrily to remove it.)

Monica: Ooh, these tennis shoes are so tight. I think I'll take them off. (Goes to do so.)

Chandler: Could you not narrate?

Monica: Gotcha sailor. (Kicks one of her shoes off and it lands in the kitchen knocking something down, but she continues to strip.)

Closing Credits

[Scene: Joey and Rachel's, Rachel is being yelled at by her dad over the phone, and he's been going on for so long Rachel is holding the phone away from her ear and reading a book.]

Dr. Green: (on phone) ...just because you're not in love with the guy you can't...

Phoebe: (entering, quietly) Wow, you told your dad the truth.

Rachel: About an hour ago.

Phoebe: Wanna go see a movie?

Rachel: Yes! (She gets up and sets the phone on the counter without hanging it up.) Bye daddy. (Phoebe and her leave.)

Dr. Green: (on phone, not hearing her) ...there's gonna be a wedding! (Joey enters from his room and goes to get a beer from the fridge.) That's unacceptable Rachel! What the hell does love have to do with it anyway?! There are more important things in a marriage other than love! (Joey hears something and looks around for the source.) ...constantly thinking about things! You have to think about the consequences of your decision. (Joey finds that the sound is coming from the phone and puts it to his ear.)

Joey: (on phone) Hey! I do too think about the consequences of my decisions! (Listens) What gives you the right to... (Listens) Go to hell! (Hangs up the phone and opens the fridge.) Stupid guy on my phone. End

809 The One With The Rumor

[Scene: Joey and Rachel's, Joey is reading *What to Expect When You're Expecting* as Rachel enters from her bedroom.]

Joey: Hey Rach listen, did you know that during pregnancy your fingers swell up to twice their size and never go back.

Rachel: (looking at her fingers) Oh my...God! Let me see that! (Grabs the book from him.)

Joey: (laughing) You fall for it every time!

Phoebe: (entering) Hey!

Rachel: Hi!

Phoebe: I brought you my old maternity clothes! (Sets a bag on the counter.)

Rachel: Oh Pheebs that's so sweet—(Grabs a pair of pants)—Ooh, those are so cute!

Phoebe: Yeah! And look, (Grabs the pants) see how they expand as the baby grows? (There's a stretchy part in front.) And then after the baby's born, they're **great** for shoplifting melons.

Monica: (entering) Oh good you're all here. Thanksgiving tomorrow, four o'clock. (To Rachel) Oh, guess who I invited. Remember that guy Will Colbert from high school?

Rachel: No.

Monica: He was in Ross's class...marching band...kinda overweight? Well, really overweight. I mean I was his thin friend.

Rachel: Wow! I don't remember him. Honey, are you sure you're not talking about your imaginary boyfriend.

Monica: No that was Jarred! Wow! I haven't thought about him in a long time... (Stares off into the distance lost in thought.) (Pause) Anyway, umm Will's, Will's here on business and he didn't have a place to go so I invited him here.

Rachel: Oh that's nice.

Monica: Oh, and by the way, he's lost a bunch of weight. I mean he looks goo-ood! Okay, I mean **really**, really gorgeous! (Joey clears his throat.) I still love Chandler.

Joey: I just want you to say it once in a while.

Monica: All right okay, just so you know, I'm not gonna make a turkey this year.

Joey: What?!

Monica: Well Phoebe doesn't eat turkey...

Joey: Phoebe!

Phoebe: Turkey's are beautiful, intelligent animals!

Joey: No they're not! They're ugly and stupid and delicious!

Monica: All right! Okay, it's just Phoebe. Will's still on a diet, Chandler doesn't eat Thanksgiving food, and Rachel's having her aversion to poultry.

Joey: She is?

Rachel: Remember I had to leave the room the other day when you had that roast chicken?

Joey: Yeah. But I thought that was because I put the

and puts in the fridge? No! No, I just... I just—I gotta change my pants. (Gets up and heads for the door.) Jeans have no give. (Exits.)

Rachel: (entering carrying a book) Okay! Okay! Listen to what Sean McMahon wrote in my yearbook senior year, "Dear Rach, you're such a good person." Not girl! Person!

Ross: Rach, I think you're reading a little too much into it.

Rachel: (reading what he wrote again) "Dear Rach, you're a great person. Sorry about your tiny-wienie." (Will laughs.)

Ross: Look, what do you want me to do? Do you want me to call everyone in the entire school and tell them it wasn't true?!

Rachel: Yes!

Will: Could you also tell them I'm skinny now?

Monica: Oh! Me too!

Ross: Well look-look I'm not calling anybody! Okay? It was like a million years ago!

Rachel: I don't care how long ago it was! You told people that I was half and half! Y'know what? I just want to point out I never did anything to hurt you in high school.

Monica: That's not totally true.

Rachel: What?

Ross: What?

Monica: Well you-you did start that rumor about Ross making out with Mrs. Altman, our 50-year-old librarian.

Ross: (shocked) (To Rachel) How did you know that?!!!!

Monica: It's true?!!

Ross: No.

Rachel: Yes it is! I saw you guys going at it behind the card catalog! (Ross is at a loss for words.)

Will: Mrs. Altman? She also made out with Takaka Ci-Kek the night before he went back to Thailand.

Chandler: I'm sorry. When you were in high school you made out with a 50-year-old woman?

Ross: Hey! She didn't look 50!

Chandler: Did she look 16?

Rachel: Ohh, there's a picture of her in the yearbook actually.

Phoebe: Oh! (They all look.) Wow!

Ross: She didn't photograph well!

Chandler: Well, she probably wasn't familiar with the process having spent most of her life sitting for oil paintings!

Phoebe: So how did this happen? Did she, did she lure you to an early bird dinner?

Ross: I was working late in the library one afternoon. It was just the two of us. She needed some help with her word jumble. And one thing led to another. If you must know, Anita was very gentle and tender. May she rest in peace...

Monica: Didn't she walk with a cane?

Ross: Only when it was damp!! (To Rachel) I can't believe you-you told people about this?! Everybody knew?! Y'know what? (To Will) I'm back in the club!

Will: Yeah! (They high-five.)

Phoebe: I wanna join!

Rachel: Wh—Phoebe!!

Phoebe: I'm sorry. I'm sorry. I never got to be in a club. I-I didn't go to high school, but three of us would meet behind a dumpster to learn French. Bonjour.

Rachel: All right, y'know—Fine! You guys have your stupid little club, but I would just like to say is what you did to me is way worse than what I did to you! You gave me a tiny-wienie! (Will laughs.)

Monica: All right, listen you're just being silly. Rachel, even with that rumor you were one of the most popular girls in school and everyone wanted to be like you. One girl wanted to be like you so much she stuffed her pants with a *Tootsie Roll*!

Rachel: Wow...

Monica: And Ross, if it weren't for Rachel's rumor I mean no one in high school would even know who you were. She put you on the map!

Ross: As a romancer of the elderly.

Monica: Hey! Mrs. Altman was the kind of woman you could tell she used to be pretty.

Ross: The eyes...did still sparkle.

Monica: Hey guys this stuff is just so way in the past. You-you've been through so much since then. And right now you've got so much more important stuff going on in your life. Can't you just let this go?

Rachel: She's right.

Ross: Yeah. I mean we are having a baby together.

Will: Hold on! You got her pregnant?

Ross: Yeah.

Will: Are ya getting married?

Ross: Nope.

Will: So you knocked her up but you're not gonna marry her. Dude! (Wants another high-five and Ross ignores him.) Anybody?

Phoebe: Okay. (Goes over and hugs him.) It's exactly how I'd imagined it would be.

Joey: (entering, wearing the maternity pants from earlier) All right where's that turkey!

Phoebe: Joey! Those are my maternity pants!

Joey: Not now! These are my Thanksgiving pants! Closing Credits

[Scene: Monica and Chandler's, Will has left and the rest of the gang is watching Joey finish the turkey.]

Joey: Well that's it. I'm done. Whew! (Wipes his forehead.) There come the meat sweats. (Chandler hands him a towel and he wipes his face.)

Monica: Well Joey, we're all...we're all very proud of you.

Chandler: Yes, I believe we can expect a call from the President any moment now.

Phoebe: Is there anything we can do for you?

Joey: No just, nobody press on my stomach.

Rachel: You can keep those pants by the way. (Joey notices Monica has gotten a pie.)

Joey: Whoa—hey—wh-wh-what do you got there? What is that? Pie?

Monica: Yeah, you want some?

Joey: Ah, just cut me a little sliver. (Monica prepares to cut a little sliver.) A little bigger. (Monica prepares to cut a bigger piece.) Little bigger. (Monica moves the knife again.) What?! Are you afraid you're gonna run out?! Cut me a real piece!

End

810 The One With Monica's Boots

[Scene: Monica and Chandler's, Monica is trying on a pair of new boots as Chandler enters.]

Monica: Hey! So what do you think?

Chandler: New haircut? (Monica nods 'No.') Necklace? (No) Dress? (No) Boots? (Monica nods 'Yes.') Boots!

Monica: Yes! Now, they're a little more than I normally spend on boots...or rent (Shows him the receipt.)

Chandler: Oh my God!

Monica: I know.

Chandler: I'm gonna miss being able to afford food.

Monica: I'm sorry, they just, they just look so good! And the saleswoman was looking at me like, "Oh, these are way too expensive for you."

Chandler: She had a point. (Shows her the receipt.)

Rachel: (entering) Hi!

Monica: Hey.

Rachel: Oh my God! (Notices the boots) Oh Monica! Those boots are amazing!

Monica: They're mine!

Chandler: Yeah well, too bad we're gonna have to return them.

Rachel: Return them?! Shh! They're gonna hear you!

Monica: Honey, I'm not returning them. Okay? I mean I-I know they cost a lot, but I'm going to wear them all the time. You'll see. Besides, I love the compliments. I mean, have you ever had something so beautiful everyone wanted it?

Chandler: I have you.

Monica: Nice try! I'm keeping the boots.

Opening Credits

[Scene: Central Perk, Phoebe, Ross, and Rachel are sitting on the couch and Ross is talking to Rachel's, who is now showing, stomach.]

Ross: That's right, I love you! And-and I'm gonna play with you all the time.

Phoebe: How can you let him talk to your crotch like that?

Rachel: (pause) He's talking to the baby.

Phoebe: Ohh! Okay! Okay, cause when-he said, "I can't wait to hear your first words," I thought, "There's a trick."

Rachel: Okay. Well, I gotta go you guys. I'll see you later.

Phoebe: Okay.

Ross: Bye.

Rachel: Bye. (She gets up to leave but is stopped by Joey)

Joey: Oh hey Rach, listen—Hi!

Rachel: Hi.

Joey: Umm, can you do me a favor? I was talkin' to my sister and she knows you work at *Ralph Lauren*...

Rachel: No, forget it! No way! I am not sending anymore *Ralph Lauren* clothes to prison. It is a waste.

Joey: No-no-no-no-no-no, not her, not her. My youngest sister, Dina, she's really interested in fashion, and she wants to talk to someone successful, y'know, to give her some advice.

Rachel: I guess I can talk to one of my supervisors...

Joey: Oh no-no-no-no, she wants to talk to you!

Rachel: Really?! Oh my God! I'm successful!

Joey: Okay, so will you meet with her?

Rachel: Yes! I'd love to! Have her come by the office.

Joey: Great! Thanks! You're gonna love her so much. And—Oh, she's the smartest of all the Tribbiani children. Hey, y'know the S.A.T's?

Rachel: Yeah.

Joey: She took 'em!

(Joey goes to get coffee and Rachel exits as the camera pans to Phoebe and Ross on the couch.)

Phoebe: Hey Ross! Doesn't Ben go to the Smithfield Day School?

Ross: Yeah. Why?

Phoebe: Sting has a son that goes there too!

Ross: Yeah I know; he's in Ben's class.

Phoebe: You knew this and you never said anything?! With all the stupid dinosaur stuff you tell us?!

Ross: Fine! No more dinosaur stuff! Can I talk about fossils? (Joey is about to sit down and hears this so instead he groans and exits.)

Phoebe: Sting's son, seven years old and there's a picture.

Ross: What are you reading? The Kidnappers Guide to Manhattan Private Schools?

Phoebe: No, it's *New York* magazine. It's an article about the best schools in the city. So how well do you know Sting?

Ross: Uh, I actually haven't even met him.

Phoebe: Uh-huh, yeah that's too bad. I really want to go to his concert Friday night, but it's totally sold out. I know! Why don't you meet him and get tickets?! If you get two I'll take you.

Ross: Well actually, I'm picking Ben up tomorrow, maybe he'll be there.

Phoebe: There you go! Oh, you are so lucky! You might actually get to meet Sting tomorrow! **That's** why you have kids!

[Scene: Central Perk, the next day Rachel, Phoebe, and Chandler are there as Monica enters.]

Monica: Hey guys!

Chandler: Hey-hey.

Rachel: Hi Monica!

Monica: Hey. (Sits down on the arm of the couch.)

Rachel: Hi boots.

Monica: See Chandler? I'm getting a lot of use out of them already! They're very practical. See, you can wear them with dresses, with skirts, with pants...

Chandler: You can wear them with shorts on a street corner and earn the money to pay for them. (Goes and gets some coffee at the counter.)

Phoebe: Wow! They're beautiful!

Rachel: Ahh...

Monica: (almost crying) They hurt so much!

Phoebe: What?!

Monica: The guy who made these hates feet and wants to see them die!

Rachel: Well-well you can give them to me! I haven't felt my feet in years!

Monica: I can't! I spent so much money on them and I told Chandler that I'd wear them all the time, I just can't give them away!

Phoebe: Well then get your money back and return them!

Monica: I can't do that either! The soles' are already a little scuffed up and the insides are filled with my blood.

Ross: (entering) Hey!

Chandler: (returning to his seat) Hey!

Ross: Hey! I uh just picked up Ben from school...

Chandler: (spinning around looking for him) I don't think you did a very thorough job!

Ross: I dropped him off at Carol's. (To Phoebe) Anyway, it turns out that I'm not going to be able to get those tickets though.

Phoebe: Oh no! Why not?

Ross: Well it turns out that Ben and Sting's son do not get along.

Phoebe: How come?!

Ross: Apparently, Sting's son made fun of the fact that Ben's moms are lesbians.

Phoebe: Wait! But Ross if they don't get along then you should smooth things over. **Make** them be friends.

Ross: Phoebe, you can't force kids to be friends.

Phoebe: Sure you can! Give them some blocks, put them in a playpen!

Ross: Playpen?! Ben's seven!

Phoebe: Your kid is seven?! (Ross nods, "Yes.") (To the rest) He's really small. (To Ross) Please! Please get the tickets!

Ross: Look I'm sorry Phoebe, I can't do it.

Phoebe: Yes you can! Sting says so himself!

Ross: What?

Phoebe: (singing) *Rosssss cant!*

Ross: Look Phoebe, I'm sorry it's just...

Phoebe: (singing) *Rosssss cant!*

Ross: Phoebe, I...

Phoebe: (singing) Ross can! Give me the tickets! Ross can give me the tickets!! (Ross runs out to get the tickets.)

[Scene: Rachel's Office, Joey has brought Dina to meet with Rachel.]

Joey: (entering, with Dina) Here she is! Future fashion superstar!

Rachel: Oh Joey, I'm hardly a...

Joey: My little sister Dina!

Rachel: Right! Hi Dina!

Dina: Hi.

Rachel: Nice to meet you. (They shake hands.)

Dina: Thanks so much for meetin' with me. Joey's told me so much about you!

Joey: This is so exciting for her. Well, I'll let you two fash...ists get down to business. (Exits.)

Rachel: Okay. All right Dina, well let's talk about the different areas of fashion that you could get involved in. Let's see, there's design, but you may need a whole other degree for that. Uh, there's-theres's sales, which is great because you get to travel...

Dina: I...I don't care about fashion! I'm pregnant! And I know you are too, so you gotta help me!

Rachel: (stunned) And there's marketing...

[Scene: The Hallway, Monica is returning, but before she enters the apartment she stops on the step and changes from wearing tennis shoes to the boots and she moans in pain as she puts each boot on.]

Monica: (standing up) Ahhhhhhhh!

Chandler: (opening the door) What's wrong?

Monica: Oh nothing I'm just—just was yawning. (Mimics the groan from before and stretches.)

Chandler: Oh don't forget, my office holiday party is tonight. (They go into the apartment.)

Monica: Honey, we don't really have to go to this thing tonight do we?

Chandler: Now sweetie, I know you don't like my office parties, but you can wear your new boots. See? Every cloud has a...supple leather lining.

Monica: I-I don't-I don't think that I'm gonna wear the boots tonight.

Chandler: Why not?

Monica: Well y'know, I'm just-I'm just worried that bosses will see them and think they pay you too much money. Or! Or your assistant will see them and-and want a raise!

Chandler: Do you think I work at some kind of boot pricing company?

Monica: Anyway, I picked up this outfit that I want to wear and the, and the boots don't really go with it.

Chandler: You said that you paid all that money because those boots go with skirts, dresses, and pants!

Monica: Fine! If you want me to wear the boots, I'll wear the boots. In fact, I'll go into my room right now and y'know try the outfit on.

Chandler: Okay.

Monica: Okay? (She starts to walk which causes her to start crying) Ooo weel! Christmas party in my boots! (Runs into the bedroom and mixes saying 'ow' with laughing.)

[Scene: The Hallway, Rachel is about to enter her apartment with Dina to tell Joey the news.]

Dina: I-I can't go in there. I can't tell him!

Rachel: Honey, it's going to be okay. He's been incredibly supportive of me, and if he gets a little upset; that's what the meatball sub is for. (She gives Dina a sandwich wrapped in aluminum foil.)

Dina: Thank you.

Rachel: Okay. (They enter.)

Joey: Hey! It's my fashion girls! (They don't react.) What's wrong?

Rachel: Honey, why don't you sit down? Dina has something that she wants to tell you.

Joey: (concerned) Oh. What's, what's going on? Is it mom? Is she sick? Is it dad's heart? Is that a sandwich?

Dina: Joe, mom and dad are fine...

Joey: Is that a sandwich?!

Rachel: Joey...there's something that you...should know. Dina?

Dina: I'm pregnant.

Joey: (angrily) What?!

Rachel: (To Dina) Now! Give him the sandwich! Give him the sandwich! (She quickly sets the sandwich in front of him.)

Joey: Well obviously this is a mistake! You can't be pregnant! Because you have to have sex to get pregnant!

Dina: Joe, I tried to wait until I was 25 like you did!

Rachel: What?! Dina...

Joey: (to Rachel) Bub!!! (Points at her and quiets Rachel.) (To Dina) I can't believe this! You're the good one! You went to college! Both years! Who did this to you?!

Dina: Bobby Corso, but he's a real nice guy. I like him a lot. He's real funny.

Joey: You got pregnant for funny?! Dina...if he's funny...**laugh!** All right, I'll be back in a little while! You stay here!

Dina: Why? Where are you going?

Joey: I can't look at you right now! (Exits and slams the door behind him.)

Dina: Wow.

Rachel: I know. (Joey storms back in and covering his face so he doesn't see Dina grabs the sandwich and heads back out.)

Commercial Break

[Scene: The Midfield Day School, it's after school and Ben is taking a drink of water as Phoebe enters.]

Phoebe: Oh, there you are Ben!

Ben: Aunt Phoebe, what are you doing here?

Phoebe: Well, I heard you're having a problem with one of the boys in your class. And so I thought I would just come down here and sit you both down, have a little talk and make it all okay. Now umm, the boy's name is Sting's son.

Ben: Jack? I hate him! He's a jerk.

Phoebe: Now Ben, sometimes people may seem like jerks on the outside, but they have famous fathers.

Ben: I have to go. My friend Doug is waiting for me over there. (Goes over to Doug.)

Phoebe: Him your friends with. (Starts looking at the children trying to find Jack and a teacher notices her.)

The Teacher: Excuse me. Can, can I help you with something?

Phoebe: Yes! Yes you can, I'm looking for Jack's parents.

The Teacher: Are you with one of the students?

Phoebe: Uh-huh. I'm with Ben.

The Teacher: Are you one of Ben's mothers?

Phoebe: I am one of Ben's mothers. I'm a lesbian. It was, it was difficult coming out to my parents.

The Teacher: Well hi, I'm Jenny Boone. I'm the new teacher here.

Phoebe: Oh.

The Teacher: I've only met your partner Carol.

Phoebe: Ah! Okay so that would make me Susan.

The Teacher: Right. Are you looking for Jack's parents to discuss the problems he's having with Ben? (Phoebe nods 'Yes.') Yeah. Because I really do think the parents should sit down and have a conversation.

Phoebe: Yeah! Let's do that!! That-that sounds good. We should sit down and talk, just me, my lover Carol, and the Stings. Umm, how-how will I get in touch with them?

The Teacher: Oh, their number is on the contact sheet.

Phoebe: Uh-huh. Uh-huh. Umm, could-could I get a copy of that? 'Cause Carol threw it out, she lost ours. She's such a scatterbrain, but man what a hot piece of ass.

[Scene: A Street, Chandler and Monica are walking down the sidewalk after his office holiday party.]

Chandler: Y'know, that party wasn't bad.

Monica: Yeah! I didn't know there would be dancing. That was a **fun** surprise!

Chandler: I don't see any uh, cabs. Maybe we should just walk?

Monica: Oh no, we can't walk!

Chandler: What honey, it's like fifteen blocks to the subway. Let's go.

Monica: Hey! Do you think that we can get to the subway right there if we climb down through the manhole cover?

Chandler: What's going on?

Monica: I can't walk. Okay? Okay? These boots were a huge mistake!

Chandler: What?

Monica: Okay you were right! All right, I never should have bought them! They're killing me! One toe at a time!

Chandler: So I was right. This is what it feels like to be right. (Pause) It's oddly unsettling.

Monica: How are we gonna get home? Maybe a piggy-back ride?

Chandler: Hop on.

Monica: Okay. Wait, just give me a second, I need to just get my boots off first. (She starts taking them off.) Ah...Oohh...Oohh...Ohh...Oh God...Ohh...Oh...Ohh...Ohhhh...

Chandler: Honey, I know you're in pain right now, but I'm a little turned on.

[Scene: Joey and Rachel's, Dina and Rachel are reading pregnancy books, Dina *Pregnancy for Dummies* and Rachel something else.]

Dina: Do you ever worry that you'll be walking and your baby will just like slip out?

Rachel: What college was that Dina?

(Joey enters dragging a guy.)

Dina: Oh my God! Bobby!

Bobby: Hi Dina. Good to see you.

Rachel: Joey, what are you doing?

Joey: Just what needs to be done! Dearly beloved, we are gathered here to join this man and this woman...

Rachel: Oh Joey this is crazy!

Joey: Don't interrupt me when I'm talkin' to God! Now where were we? Oh right, okay. Do you Dina, take this man...

Dina: No!

Joey: Oh you'll take 'em!

Dina: No I won't!

Joey: Hey! You don't get a say in this!

Dina: Yes I do!

Joey: Ahhh! I heard "I do", we're halfway there! Okay! (To Bobby) You!

Rachel: All right Joey! That is enough! (Grabs him and pulls him away from Bobby and Dina) Listen, as beautiful and moving as this ceremony is, it's not legal. Okay? They-they don't have a marriage license, they don't have any witnesses, and the groom only has on one shoe!

Bobby: Yeah, he took the other one off and hit me with it.

Joey: Well what am I supposed to do?

Rachel: You're supposed to realize that they are adults! And that they can make their own decisions.

Joey: No they can't! They were stupid enough to get knocked up!

Rachel: Heyyyyy! Contraceptives are not always effective! (To Bobby and Dina) Right?

Bobby: Yeah...we kinda didn't use any...

Rachel: Oh, come on kids! A little help here!

[Scene: Sting's Apartment, Phoebe has come to talk about Jack and is waiting for Sting's wife, Trudie Styler, to enter.]

Phoebe: Wow! This place is incredible! (Gasp!) Sting's pen...that he gave to Phoebe. (Puts the pen in her purse and goes over to a floor-to-ceiling bookcase) Come on! Secret passageway! (Starts pulling books at random as Trudie enters.)

Trudie Styler: Hi! (By the way, it's actually her.)

Phoebe: Hi!

Trudie Styler: I'm Trudie.

Phoebe: Uh-huh.

Trudie Styler: You must be Ben's mum.

Phoebe: Why else would I be here?

Trudie Styler: Do sit down.

Phoebe: Uh-huh. (They go and sit down.)

Trudie Styler: I gather Jack and Ben haven't been getting along lately.

Phoebe: Yeah.

Trudie Styler: I'm told there are two sides to this story, but all I've heard is that Ben's a bit of a poo-poo head.

Phoebe: Umm, I'm sorry. Won't-won't Jack's father be joining us?

Trudie Styler: Oh I'm sorry, Jack's father is not available.

Phoebe: Uh-hmm. Okay. Well then, could we reschedule? For say, Friday night perhaps at 8 o'clock?

Trudie Styler: Oh no, I know that wouldn't work. My husband's in concert.

Phoebe: Concert. Yeah. That does put us in...quite a pickle. Because you see I'm very busy before and after the concert, and he's obviously busy during.

Trudie Styler: So, I guess you and I should talk about Jack and Ben right now.

Phoebe: Unless! Unless umm, okay I-I would be willing to go to the concert, umm, all the while thinking about the children of course.

Trudie Styler: Are you here for tickets?

Phoebe: Oh, thank you. Four would be great.

Trudie Styler: I'm not giving concert tickets to someone who'd use their son like this!

Phoebe: Oh good! Then you're in luck! Ben's not my son!

Trudie Styler: (stands up) Look, I've just pressed a button, triggering a silent alarm. Any minute now, the police will be here!

Phoebe: The Police? Here? A reunion?!

(She gets out her camera.)

[Scene: The Street, Chandler is carrying Monica past a store window.]

Chandler: Okay, ten blocks down. Five to go.

Monica: (Notices something in the window) Oh wait! Stop! Stop! Stop!

Chandler: Oh I'm sorry! Do you need a break?

Monica: My boots in tan! Hey! Can you get a little closer so I can see the price?

Chandler: I can see it from right here. It'll cost you one husband.

Monica: Okay, I'm sorry. I think I can walk the rest of the way now. Just-just give me my boots.

Chandler: (pause) I don't have your boots.

Monica: Well I don't have them either. Where are they?

Chandler: Well, why don't you check in one of my saddlebags while I chew on a bale of hay!

Monica: Okay. (She gets off him.) God well, we gotta go back and get them!

Chandler: Honey, are you seriously ever gonna wear the boots again?

Monica: Okay, I'm never gonna wear them again. I just didn't get a chance to say goodbye.

Chandler: Y'know what? You can say goodbye to the tan ones.

Monica: Okay. (Climbs back on his back.) All right.

Chandler: Okay. (Moves closer to the window.)

Monica: (to the boots) Bye boots—Wait! Half off?! (Chandler runs off.)

[Scene: Joey and Rachel's, Joey and Rachel are still discussing Bobby and Dina's situation.]

Rachel: Joey, just because they're not getting married doesn't mean this is going to be a disaster. Maybe they have a plan!

Joey: Oh? Oh! Okay! Okay! Let's hear their plan! Now, what's the future look like for Dina and Bobby?

Bobby: Well...I really have high hopes for my band.

Joey: (to Dina) You were right. He is funny.

Rachel: Hey, now wait a minute! I get when you told people at first that you wanted to be an actor they laughed at you! Now come on Bobby, why don't you tell us a little bit about your band?

Bobby: Well it's just me and my pal Rooster, the band's name is Numb Nuts.

Rachel: (To Dina) Really? (Nods her head at Bobby.)

Joey: Dina, if you're having a baby you should be married! Even if it is to Bobby! (Bobby gets happy.) Dude, that's not a compliment!

Dina: No Joey! I knew you wouldn't be supportive!

Joey: So whoa-whoa-whoa-whoa! What are you gonna do? You're gonna have the baby and-and raise it by yourself...without a husband? You can't be a single mother alone! You're gonna ruin your life!

Rachel: Oh excuse me! Am I ruining my life?

Joey: No! No! No! It's different for you. You're so strong and together. You're not some dumb kid who doesn't know what she's doing.

Dina: Excuse me?

Joey: One pregnant woman at a time, please! I just want you to be okay.

Rachel: So forcing her to marry Bobby is gonna make that happen?

Joey: Maybe! (To Bobby) Well! Well...so-so uh, what kind of music does Numb Nuts—Oh forget it! I can't!

Dina: Joey, I am scared to death about this. But I really think I can do it, I'm just gonna need some help. And Bobby's gonna be here the whole time.

Bobby: You bet I am! (To Joey) And to answer your earlier question, we're straight-up gangster rap. (Joey shakes his head as if he's about to lose it.)

Dina: Look, Rachel's told me how much easier you've made all this on her. Why can't you do that for me?

Joey: Because! 'Cause... 'Cause you're my baby sister!

Dina: And you're my big brother! I mean, you're my favorite guy in the whole world. I'm not even scared to tell mom and dad. I was scared of telling you.

Joey: Well I'd be scared of them, but all right.

Dina: Joey, I can't stand the thought of having this baby with you mad at me. I want him to have his uncle. Is my baby gonna have his Uncle Joey?

Joey: Of course he's gonna have his Uncle Joey!

Dina: We're gonna be all right. I mean, even if we're not married this baby is gonna be so loved. Not just by us.

Joey: That's right! By his uncle too!

Bobby: And by you.

Rachel: Okay Bobby, why don't we just come over here and let them have a little moment. (Drags Bobby away from Joey and Dina.)

Joey: Come here! (Hugs Dina and Bobby looks to hug Rachel.)

Rachel: No! Seriously! What's wrong with you?!

Closing Credits

[Scene: Central Perk, Phoebe and Ross are there.]

Ross: You're gonna love me so much. I got Sting tickets!! (Holds up two.)

Phoebe: Oh my God! I do love you! How did you do it?!

Ross: Well...let's just say... (singing) *Ross's caaaaa!*

Phoebe: Oo, where are the seats?

Ross: Uh, middle balcony.

Phoebe: Okay, now would you say that that's more than 50 yards away from Sting, his wife, or a member of his family?

Ross: Yeah.

Phoebe: Then that's not breaking the law! I'm there!

End

[Scene: Central Perk, Rachel is looking around the shop as Phoebe returns from getting some more coffee.]
Rachel: Phoebe?
Phoebe: Yeah?
Rachel: Look at that guy by the window, wow!
Phoebe: He's awfully short and I think he's talking to himself. And to be completely honest, he's not that good in bed.
Rachel: Oh, what is wrong with me lately? I mean it's like every guy I see—I mean look here. (Points behind them) Look at that guy for example, I mean normally that's not someone I would-would be attracted too, but right now, with the way I'm feeling, all I want to do is rip off his sweatpants and fanny pack.
Phoebe: Wait a second! This is about the fourth month of your pregnancy right?
Rachel: Yeah.
Phoebe: This is completely normal, around the fourth month your hormones start going crazy.
Rachel: Really?! So this has happened to you?
Phoebe: Oh absolutely yeah! Oh and keep in mind now, I was carrying triplets so in, y'know, medical terms I was-I was thrice as randy.
Rachel: Wow! This explains so much! Last weekend, I went from store to store sitting on Santa's lap.
Phoebe: Yeah. Yeah, I remember trying to steal a cardboard cutout of Evander Holyfield from a *Foot Locker*.
Rachel: Ah.
Phoebe: Yeah.
Rachel: Well, y'know what? I go see my doctor tomorrow I'll ask her about this. Maybe she can give me a pill or something.
Phoebe: Yeah. Yeah, that's what you need a good...pill.
 Opening Credits
 [Scene: Central Perk, Joey and Ross are there as Mona enters.]
Mona: Hey! (To Joey) Hey!
 Ross: Hi!
Mona: Hi! Look! I got our pictures developed from Rockefeller Center.
Ross: Oh great! Hey-hey Joey, do you want to check out pictures of me and Mona ice skating?
Joey: Oh uh, ordinarily I would love too, but I am just swamped right now. (Brushes something off of his shirt and looks around, but doesn't move from his chair.)
Ross: Hey where-where are the pictures that creepy pretzel vendor took of us together?
Mona: Oh yeah, probably at the end. (Flips to the end.) Oh my God! He only took pictures of my breasts!
Joey: I'm missin' picture time?! (Jumps over to look, Ross glares at him and he retreats.)
Phoebe: (Sitting down next to Ross) Y'know she has a face Ross!
Mona: Okay. Okay, here's a good one of us.
Ross: Wow! That is a good one! Wow, it looks like a, like a holiday card y'know, with the tree in the middle and the skaters and the snow.
Mona: Y'know, every year I say I'm gonna send out holiday cards and I never do it. Do you wanna, do you wanna send this one out together?
Ross: (pause) Together? Like-like to people?
Mona: Yeah, y'know. Happy holidays from Mona and Ross. It'll be cute, okay?
Ross: Okay. (Not happy about it.)
Mona: Oh, I gotta get to work. So call me later?
Ross: Uh sure, sure.
Mona: Bye guys.
Phoebe: Bye.
 (Mona exits.)
Joey: (To Ross) Congratulations! You just got married!
Ross: I know. Can you believe that?
Phoebe: Wait, I'm-I'm sorry. What's the big deal about a holiday card?
Ross: Married couples send out cards, families send out cards, people who have been dating for a couple of months do not send out cards! What-what is she crazy?!

Joey: Hey-hey-hey, hey that's your wife you're talking about!
 [Scene: Chandler's Office, his boss Doug is entering Monica is there as well.]
Doug: Bing! Ho! And the Bing-etle!
Chandler: Honey, you remember my boss Doug right?
Monica: Yes, hi.
Doug: Hi. So good news, the divorce is final. I signed the papers this A.M.
Chandler: I didn't know you and Carol were getting divorced, I'm sorry.
Doug: Sorry? Finally chewed my leg out of that bear trap. Hey, congratulations to you guys though!
Monica: No leg chewing for us sir.
Doug: Oh well, give it time. So the divorce, the marriage, we've got a lot to celebrate. How about we all go out to dinner tomorrow night?
Monica: I can't think of anything we're doing. (Quietly) Why can't I think of anything we're doing?
Doug: Tomorrow night it is then, I should be out of court by six. They keep throwing these sexual harassment cases at me and I keep knocking them out of the park!
Monica: Okay, I'll see you tomorrow! (Doug exits.) Just so you know, we're not seeing him tomorrow. (Chandler wonders why.) I-I cannot spend another evening with that man. Do you remember how he behaved at our wedding?
Chandler: No.
Monica: That's because he wasn't invited because of the way he behaved at our engagement party.
Chandler: Oh yeah. Boy, urine cuts **right** through an ice sculpture doesn't it?
 [Scene: Ross's Apartment, there's a knock on the door and he opens it to Mona.]
 Mona: Hi!
Ross: Hey!
Mona: Hey, I went by the photo shop, take a look, here is a mockup of our card. What do you think?
Ross: Huh. Wow, this is great.
Mona: Now, do you think it should say, "Love Ross and Mona?"
Ross: Well, we-we haven't said that to each other yet, but I guess its okay to say it to other people.
Mona: How many did you want? I'm getting a hundred.
Ross: A hundred?! Well, I-I guess I'll take a—Mona, uh...I-I'm not sure about the whole uh, card thing.
Mona: Really? Why not?
Ross: Sending out a holiday card, together, I mean I just don't know if we're really quite there yet.
Mona: Oh y'know, I didn't think of it that way. You're right. You're right. So, can I ask you a question?
Ross: Yeah.
Mona: Where are we?
Ross: Huh.
Mona: Y'know, like where are we? Where is this relationship going?
Ross: Hmm...
Mona: I mean I love spending time with you, y'know I just—I hope we're moving forward. I mean, we should probably talk about that. Don't you think?
 (Pause.)
Ross: Let's do the card!
Mona: What?
Ross: The card! I think we're there!
Mona: Okay. I—But I think we should still have this conversation.
Ross: Really?! I mean, even with the card?
 [Scene: Rachel's Doctor's Office, she is waiting for her doctor as a nurse enters.]
 Nurse: Hi!
Rachel: Hi!
Nurse: Just so you know, Dr. Long can't be here today, she was called to the hospital, so Dr. Schiff will be seeing you.
Rachel: Oh, okay. Hey, can I ask you a question? Was it me, or-was the guy who took my blood sample really cute? Y'know who I'm talking about, bald haircut, hairy fingers... (Stops when she realizes it was her.)
Dr. Schiff: (entering) Hi Rachel? I'm Dr. Schiff. (By the way, he's an attractive man.)
Rachel: Yes, you are.
Dr. Schiff: So, how's it going?
Rachel: Oh, really, really good. But enough about me, come on! Where-where are you from? What do you do?
Dr. Schiff: I'm a doctor.
Rachel: Right! Right! I-I actually meant in your spare time, do you cook? Do you ski? Or do you just hang out with your wife or girlfriend?
Dr. Schiff: Uh, I don't have a wife or girlfriend, but I do like to ski.
Rachel: Oh, I love to ski! How amazing is this?!

Dr. Schiff: So, are you experiencing any discomfort?
Rachel: No. I'm very comfortable.
Dr. Schiff: Any painful gas?
Rachel: No! Shoot, Dr. Schiff what kind of question is that?
Dr. Schiff: Okay then, would you like to lie down on the table?
Rachel: Well would you like me to lie down on the table?
Dr. Schiff: I'm sorry, is there something going on here?
Rachel: Do you feel it too?
 [Scene: Central Perk, Monica and Phoebe are there as Rachel enters.]
Rachel: Hi.
Phoebe: Oh hey! So, how did your doctor's appointment go?
Rachel: Well, let's see. Uh, they gave me cute doctor today and in the middle of the exam I put my pinky in his chin dimple.
Phoebe: Oh my God.
Monica: Why did you do that?
Phoebe: Okay, remember that little problem I was having during my fourth month of pregnancy?
Monica: Oh yeah, the Evander Holyfield phase. Oh man you were so hard up you practically came on to me.
Phoebe: You wish.
Monica: Hey, I could've had you if I wanted you.
Phoebe: Oh yeah? Come and get it.
Rachel: Okay, even this is turning me on!
Ross: (entering) Hey!
Rachel: Oh hey! Hey Ross! Hey how's it, how's it going with you and Mona? Are you guys still together?
Ross: Oh yeah, yeah we're moving forward. You'll be getting our card!
Monica: You and Mona are doing a holiday card together?
Ross: Yeah, we're not just doing a card! Y'know, she-she also wants to have the conversation about where the relationship is going.
Phoebe: Ugh! Women!
Ross: I know! I know! Why do you guys need to have this conversation?! Huh? I mean no self-respecting man would ask a woman, "So, where is this going?"
Rachel: Uh Ross? You asked me that.
Ross: Hey! You were a closed book! Okay? I'm not a mind reader! Besides, I hate those conversations. I'm horrible at them. Really! Maybe-maybe I need kind of a gesture. Y'know, something that says we're moving forward without having to talk about it.
Monica: Like asking her to move in with you?
Ross: Smaller than that.
Monica: Making her a mixed tape?
Ross: Uh, bigger than that.
Phoebe: Give her a key to your apartment.
Ross: Whoa-hello! We were closer with the mixed tape.
Monica: All right. Have you said, "I love you?" You could say, I love you.
Ross: Yeah I-I don't-I don't think I'm quite there yet, but I could say I looove spending time with you.
Phoebe: No, we hate that.
Monica: That is a slap in the face.
Ross: Forget it. I-I—Y'know what? I'll just have the conversation. I'll just say I like things the way they are, and hope for the best. What do you think Rach?
Rachel: I think, if it was a little colder in here I could see your nipples through that sweater.
 [Scene: Chandler's Office, Doug is entering.]
Doug: Bing! We're all set for tonight, 8 o'clock.
Chandler: Oh uh, as it turns out, we can't do it. Monica has to work.
Doug: Oh, my ex-wife didn't work, unless you call turning into her mother work. Fine. Tomorrow night then.
Chandler: Oh uh well tomorrow's no good for her either.
Doug: Oh? Why not?
Chandler: It's the semi-finals...of her...botchy ball tournament.
Doug: What's going on Bing? Does uh, your wife have a problem with me or something?
Chandler: Well now-now you're just talking crazy.
Doug: So why can't the three of us go out together?
Chandler: Because uh...we-we...we split up. Monica and I split up. Hold me.
Doug: Good God Bing I...well I can't say I'm altogether surprised, I saw the way she looked at you, and there was no love there. And the way she looked at me, pure lust.
Chandler: Y'know what would really help me through this tough time is choking something. Can I choke ya?
Doug: Bing my boy, we're gonna get you over this. Now here's the plan, grab your coat, we're going to a strip club.
Chandler: Oh no-no-no, Monica would freak. (Doug looks at him.) But to hell with that bitch.
 [Scene: Central Perk, Ross is getting Mona some coffee.]
Ross: Here we go. Mona umm, I think it's time we-we had a conversation about-where things are with us.
Mona: Yeah, I-I-I think I suggested that.
Ross: Aw, we-we are so... (Motions that they're connected.) So umm, well I-I-I like you and I-I love umm, y'know hanging out with you. And I mean-I'm having a lot of fun. (He pauses and thinks there might be more, but decides there isn't.)
Mona: Okay.
Ross: I mean, there's no point in spending time with someone if-if it's just fun. It's gotta be, it's gotta be going somewhere right? So where-where is it going? (Pause) Ah! That's-that's the real question. And-and the answer is...is it's going somewhere...fun. Now I-I know what you're thinking, fun was fine for you like ten years ago y'know, but you're-you're not getting any younger. No I mean—No not you, not you, you—you are getting younger. I mean—you-you look like you're getting younger by the second—What's your secret?
Mona: I'm sorry, so umm, so where are we?
Ross: Well, well to sum up, we're having fun, you look young.
Mona: Okay...
Ross: But that's not enough. So... So...here's a key to my apartment. (Hands her his key.)
Mona: Really?!

Rachel: No! I do not care what my hormones are doing, I am not going to just do it with some random guy!

Phoebe: Fine! Then you tell Roger because he was really looking forward to this! (Phoebe exits.) [Scene: A Strip Club, Doug and Chandler are there.]

Doug: Oh Bing, look at those twin sisters dancing together. Let me buy you a lap dance with those girls. Huh?

Chandler: Oh that's all right sir, and that's just one girl.

Doug: Bing—What's this?! (Grabs his hand.)

Chandler: It's a hand. It's a thing you use as a *Jack and Coke* holder.

Doug: No, it's a wedding ring. You gotta get rid of it. We're gonna go to the East River right now and throw it in there!

Chandler: Oh no-no-no!

Doug: Oh yeah-yeah-yeah, y'know I did it and I felt a hell of a lot better and if you whip it just right you might hit a seagull in the head. [Scene: Ross's Apartment, a locksmith has finished changing the locks on Ross's door.]

Ross: Okay, and oh I'm gonna need a bunch of extra keys. Apparently I give them away for no reason at all.

Mona: (entering) Hey Ross, what's going on? You changing the lock?

Ross: No. That guy is.

Mona: I don't understand. You-you give me a key to your apartment and then you change the lock.

Locksmith: Good luck buddy. (Exits.)

Mona: Umm, I-I thought we were moving forward and now you're-you're sending me all these mixed signals. What are you trying to tell me?

Ross: I'm trying to tell you I made you a mix tape.

Mona: What?

Ross: I love you!

Mona: Ohh! (Hugs him.) And I love spending time with you. (Ross isn't happy.) [Scene: Monica and Chandler's, Monica is eating dinner as Chandler enters.]

Chandler: Hi honey I'm home.

Monica: From the tequila factory?

Chandler: It was awful. To get out of going to dinner with Doug I told him that you and I split up. So then he took me to all these strip clubs and sleazy bars, and then when I wouldn't give him my wedding ring, he threw a soda can at a bird!

Monica: Come here. I can breath throw my mouth.

Chandler: Y'know what the worse part was? I got to see what my life would be like without you. It was like *It's a Wonderful Life* with lap dances. Please promise that you will never leave me, that we will grow old together, and be with each other for the rest of our lives.

Monica: I promise. Hey, speaking of together, how about we send out a holiday card this year?

Chandler: Ooh, I don't know if we're there yet. [Scene: Joey and Rachel's, Rachel is on the phone.]

Rachel: Yes. Hi, I'd like to order a pizza. Okay, can I ask you a question? Is-is the cute blond guy delivering tonight? Very *Ambacrombie & Fitch*. (Joey enters.) I'll call you back.

Joey: Who was that?

Rachel: It's just the pizza place.

Joey: You hung up on the pizza place? I don't hang up on your friends.

Rachel: I'm sorry honey, I'm just having a, having a rough day.

Joey: Oh, what's wrong?

Rachel: Oh you really, you really just don't want to hear about it.

Joey: Then why did I ask?

Rachel: Okay, it's just—and this is really embarrassing—but lately with this whole pregnancy thing I'm just finding myself...how do I put this umm, erotically charged.

Joey: Is that college talk for horny?

Rachel: Yeah. So y'know, I have all of these feelings and I don't know what to do about them, because I can't date like a normal person, which is fine because I don't need a relationship, I mean all I really want is one great night. Just sex, y'know? No strings attached, no relationship, just with someone that I feel comfortable with and who knows what he's doing. For just one great night, I mean is that really so...hard...to find. (Looks at Joey.) So how was your day?

Joey: Good, I uh, I saw a pretty big pigeon.

Rachel: Well, I gotta get up early and it's almost seven o'clock.

Joey: Yeah, I gotta, I gotta go to my room to.

Rachel: Okay, good night!

Joey: Good night. (They both enter their rooms.) (Pause.)

Joey: (entering) I can't do it!

Rachel: (entering) I didn't ask you to do it!

Joey: You're Rachel!

Rachel: You're Joey!

Joey: You're my friend!

Rachel: Right back at ya!

Joey: But plus it would be wrong and weird and-and-and bad.

Rachel: And so bad. I don't even know what you're talking about because I didn't ask you to do anything!

Joey: I know!

(Pause.)

Joey: Do you wanna do it?

Rachel: No!

Joey: All right, me neither! I was just testing you!

Rachel: That's the end of this conversation!

Joey: This conversation never happened!

Rachel: Never happened! Good night!

Joey: Good night!

(They both go into their rooms and after a little while Rachel pokes her head into the living room.)

Joey: Get back in there! (Rachel re-enters her room and closes the door.)

Closing Credits
[Scene: Joey and Rachel's, Rachel is there as Phoebe enters.]

Phoebe: Hi. Listen, I'm sorry about that whole thing with Roger. It really wasn't right, and I, and I want to make it up to you, so umm, I brought you something that I think you'll really enjoy. (Goes into the hallway and returns carrying the Evander Holyfield cutout.) Now, this is just a loan. Okay? I'm gonna, I'm gonna want him back. So... (Looks at him longingly) I'm gonna go now. (Exits.) (Pause) (Entering) I'm sorry, I thought I could do it and I can't! (She grabs the cutout and exits for good.)

812 The One Where Joey Dates Rachel

[Scene: Monica and Chandler's, Monica and Chandler are entering carrying groceries and find Phoebe already there standing in front of a huge object that has been gift wrapped.]

Phoebe: Hey! I got you a present!!

Chandler: Oh my goodness! Where did you hide it?

Phoebe: I got it for your wedding and I ordered it weeks ago, and it finally got here!

Chandler: Pheebs you didn't have to get us anything for our wedding you already sang...

Monica: (interrupting) I love it! It's huge!! Let's open it! Open it!! (Monica rips open the paper.)

Phoebe: It's a *Ms. Pac-Man* machine!!

Monica: Oh my God!

Phoebe: I didn't know where to put it so I just left it here for now.

Monica: Oh well, maybe we can put it in the guest bedroom.

Chandler: Oh, okay.

Monica: All right. (He goes to push it and it doesn't move.)

Chandler: I kinda like it here.

Phoebe: Do you really like it?

Monica: Are you kidding?! I practically spent my entire childhood at the arcade! This is like—Oh my, this is like my second favorite game!

Phoebe: Oh really? What was your first?

Monica: Well I-I really don't remember the name of it.

Chandler: Well what did it do?

Monica: Well, you just—you put a quarter in and y'know pull-pull some handles and win like a candy bar or something.

Chandler: A vending machine?

Monica: Don't feel bad for me! I won like every time!

Opening Credits
[Scene: Central Perk, Joey and Rachel are there as Ross enters.]

Ross: Hey! Oh, I'm so glad you guys are here. I've been dying to tell someone what happened in the Paleontology department today.

Joey: (To Rachel) Do you think he saw us or can we still sneak out?

Ross: Professor Neuman, the head of the department, so....

Rachel: They made you head of the department!

Ross: No, I get to teach one of his advanced classes! (Pause) Why didn't I get head of the department? (Goes and gets some coffee.)

Joey: Oh! Hey Rach, listen umm...

Rachel: Yeah.

Joey: I got a big date coming up, do you know a good restaurant?

Rachel: Uh, Paul's Café. They got great food and it's really romantic.

Joey: Ooh, great! Thanks!

Rachel: Yeah! Oh, and then afterwards you can take her to the *Four Seasons* for drinks. Or you go downtown and listen to some jazz. Or dancing—Oh! Take her dancing!

Joey: You sure are naming a lot of ways to postpone sex, I'll tell ya...

Rachel: Ooh, I miss dating. Gettin' all dressed up and going to a fancy restaurant. I'm not gonna be able to do that for so long, and it's so much fun! I mean not that sitting at home worrying about giving birth to a sixteen pound baby is not fun.

Joey: Hey, y'know what?

Rachel: Huh?

Joey: Why don't I take you out?

Rachel: What?! Joey, you don't want to go on a date with a pregnant lady.

Joey: Yes I do! And we're gonna go out, we're gonna have a good time, and take your mind off of child birth and c-sections and-and giant baby heads stretching out...

Rachel: (interrupting) Okay! I'll go with ya! I'll go! I'll go with ya.

Joey: I'll be fun.

Rachel: All right?

[Scene: Monica and Chandler's, Monica is watching Phoebe play *Ms. Pac-Man*.]

Phoebe: No. No! Yes! Ahh. Oh, would you look at that Monica? I just knocked off all of your top scores, how sad.

Monica: Okay, I'm next. (Phoebe starts another game.) Don't! Don't start another game! I said I'm next! Phoebe!

Phoebe: Oh, I'm sorry. I didn't hear you over all the winning.

Monica: Chandler! Phoebe's hogging the game!

Chandler: Who cares? It's a stupid game.

Monica: You only think it's stupid because you suck at it.

Chandler: I don't suck. It's sucks. You suck.

Phoebe: Wait okay, if this game is gonna cause problems between the two of you, then maybe I should just keep it.

Monica: No! No-no! I love it! It is a great present! In fact, why don't you go home and wait for the thank you card?

Chandler: Why do you want to play this game so bad?

Phoebe: Yeah! It's not like it spits out a *Clark* bar every game.

Monica: Okay. Phoebe that's it. Come on, get out—out of the chair. Get out! (She goes to move Phoebe, but Phoebe goes limp and Monica can't move her.) Oh come...Phoebe!

[Scene: Joey and Rachel's, Rachel is getting ready for her date with Joey as there is a knock on the door.]

Rachel: Joey? Could you get that? (There is no answer and she goes and opens the door to Joey.) What are you doing here? I thought you were in your room?

Joey: No, I'm picking you up for our date. These are for you. (Hands her some flowers.)

Rachel: Ohh, Lilies. Joey, they're my favorite. Thank you.

Joey: And, a brownie! (Hands her a bag with the brownie in it.) Well, half a brownie. Actually, it's just bag. It's been a long walk from the flower shop and I was startin' to feel faint so...

Rachel: Oh man! This is so great! I actually feel like I'm going on a real date! Although, I have a hint of morning sickness, and I'm wearing underwear that goes up to about... (She snaps the waistband on her underwear that is just slightly below her breasts)...there.

Joey: Hey come on now, this is a real date. Uh, so...nice place you got here. Foosball, huh? Pizza box. Oh, a subscription to *Playboy*, my kind of woman.

Rachel: Yeah, actually that's my roommate's.

Joey: I would like to meet him. He sounds like a stand up guy.

Rachel: Ah yes, but he's very protective of me so you'd better watch yourself.

Joey: Ah... Hey, so this roommate of yours...is he good looking?

Rachel: Hm-mmm.

Joey: Oh yeah, it must be tough to keep your hands off him, huh?

Rachel: (laughs) Yeah, but I'm pretty sure he's gay.

Joey: No-no-no-no, he's not! No! Why are you trying to ruin the game? Come on!

[Scene: N.Y.U. Ross is teaching a class.]

Ross: ...which brings us back of course to Greeley's theory of dominance. (The bell rings.) Okay, that-that's all for today. Oh, uh does anyone know where the Freeman building is?

Student: Yeah, it's the new building on Avenue A.

Ross: What?! That-that's all the way cross town, I'm supposed to teach a graduate seminar there in ten minutes.

Student: Ooh, dude. That's not gonna happen. (Ross grabs his things and runs to the door only to be blocked by his exiting students.)

Ross: Move it! Move it! Move it!! Hey!!! I'm the teacher!!

[Scene: The Freeman Building, Ross is entering his new class completely out of breath.]

Ross: Hello. (He throws his jacket towards the coat rack and misses.) I'm sorry I'm a little late. Ah—(Checks his watch)—Whoa! A lot late. Let me start by uh, by introducing myself, I am Professor Geller. (The bell rings.) So to sum up, I'm Professor Geller. Good job today.

[Scene: A Restaurant, a waitress is taking Joey and Rachel's dinner order.]

Rachel: Now the filet mignon, what comes with that?

Waitress: There's a side of steamed vegetables.

Rachel: Emmm. Now, instead of the vegetables, is there anyway I can substitute the three-pound lobster?

Joey: Y'know what? Bring her both, and I'll have the same. (The waitress leaves.)

Rachel: Wow! This is shaping up to be a pretty good date—Oh, I almost forgot. I didn't pay you the rent check.

Joey: Oh whoa-whoa-whoa, no roommate stuff. Okay? We're on a date.

Rachel: Okay. Wow! So I get to see what Joey Tribbiani is like on a date. So do you have any moves?

Joey: No! No. Umm, just myself and if they don't like me for—(Laughs.) I'm sorry I couldn't even get through that.

Rachel: I knew it! I knew it. Come on tell me your moves.

Joey: Oh alright. Umm, well, okay, I usually start by having a bottle of wine sent to my table from a fan.

Rachel: Oh my God. And that works?!

Joey: Well it does when you combine it with, "This is so embarrassing, I just want to have a normal life!"

Rachel: Oh, you poor little famous man.

Joey: Oh okay, how about this one. I was gonna wait until the end of the night to kiss you, but you're so beautiful...I don't think I can.

Rachel: (looks interested) Oh my God! Wow! That was fantastic, I almost leaned in. I really almost did!

Joey: Alright, so...so tell me one of your moves.

Rachel: Alright. So where'd you grow up?

Joey: That's your move? Boy Rach, you're lucky you're hot.

Rachel: Come on, just answer the question!

Joey: (exasperated) Queens.

Rachel: And so were-were you close to your parents?

Joey: Yeah, with my mom. Yeah, not so much with my dad.

Rachel: Why not?

Joey: I don't know. I guess there's just always been this distance y'know—I mean we both try to pretend it's not there, but it is.

Rachel: (sympathetic) Oh. (Starts rubbing his wrist with her fingers.) It's gotta be rough.

Joey: Yeah, it is. It's really tough. Y'know sometimes I think—Wow!! Nice move!

Rachel: Huh?

Joey: "Where'd you grow up," it's so simple!

Rachel: Thank you! And now if you'll excuse me, I have to go to the rest room.

Joey: Yeah.

(Rachel gets up and heads for the rest room.)

Rachel: And now you're watching me walk away.

Joey: Yes I am! Again so simple!

[Scene: Monica and Chandler's, Monica is entering to find Chandler playing *Ms. Pac-Man*.]

Monica: Hey.

Chandler: You are not going to believe what I did today!

Monica: Well it clearly wasn't showering or shaving.

Chandler: I got good. I played this game all day and now I rule at it! They should change the name of it to Ms. Chandler. (Pause) Although I-I hope they don't.

Monica: Wait a minute, you stayed home all day and played *Ms. Pac-Man* while I went off to work like some kind of chump?!

Chandler: Uh-huh, and I got all the top ten scores, I erased Phoebe off the board! High five! (Holds up his hand to give Monica a high five, only he can't straighten his fingers.)

Monica: What is the matter with your hand?

Chandler: Well I've been playing it for like eight hours, it'll loosen up. Come on, check out the scores. Oh, and also look at the initials, they're dirty words.

Monica: Chandler, why would you do that?

Chandler: Because it's awesome.

Monica: You think this is clever?

Chandler: Well y'know, they only give you three letters, so after A-S-S it is a bit of a challenge.

Monica: Hey wait a minute, this one isn't dirty.

Chandler: It is when you put it together with that one.

Monica: Ah, well if you don't clear this off, you won't be getting one of those from me. But Ben's coming over here tomorrow to play this game, this can't be there.

Chandler: Come on, he won't even know what they mean.

Monica: Chandler! He's seven; he's not stupid.

Chandler: Have you talked to him lately?

Monica: All right, look I'm just gonna unplug it.

Chandler: No-no-no, if you unplug it, I'll have nothing to show for my day! It would be like I was at work. (She unplugs it.) No! (And plugs it back in.) Hey look at that! Look at that, it's still there! This thing must have some kind of primitive ROM (Read Only Memory, it's a memory chip.) Chip in it or something!

Monica: Honey you-you got to beat your scores!

Chandler: With the claw?!

Monica: All right fine. Fine, I'll do it. I've just got to get this off the screen. Carol and Susan are still upset that you taught him pull my finger.

Chandler: (smiles) Pull my finger—(Looks at his hand)—My hand is messed up.

[Scene: Joey and Rachel's, Joey and Rachel are returning from their date.]

Rachel: I am not gonna answer that!

Joey: Oh come on! Just pick one! Between Monica, Phoebe, Chandler, and Ross if you had to, if you had to, who would you punch?

Rachel: No one! They are my friends, I wouldn't punch any of them.

Joey: Chandler?

Rachel: Yeah, but I don't know why. Look at me, I'm having such a wonderful time!

Joey: Me too! Hey Rach, can I just say I think this is the best date I ever had!

Rachel: I know!

Joey: I never laughed so hard—Did you see the wine come out of my nose?

Rachel: Joey, I think everyone saw the wine come out of your nose.

Joey: I gotta say, I never knew I could enjoy the non-sex part of the date so much.

Rachel: Well that is because you have never been on a date with me before.

Joey: Huh. Huh.

Rachel: All right, now don't judge me. I normally wait until my date leaves, but you live here. I'm ripping into this swan.

Joey: Ah! Okay, well then you don't judge me. I'm gonna suck on the cellophane from the brownie I had before. (They both do as they planned.)

Rachel: So tell me, what are Joey Tribbiani's end of the night moves?

Joey: Ah, well, if I want the girl to kiss me, first thing I do is make my lips look irresistible.

Rachel: How do you do that?

Joey: Now you can't tell anyone, but uh...I put on shiny lip balm.

Rachel: Oh my God!

Joey: Yeah, like a moth to a flame, I'm telling ya. Okay all right, so now you go.

Rachel: No, I don't want to tell you.

Joey: Why not?

Rachel: Because it's embarrassing.

Joey: More embarrassing than shiny raspberry lip balm?!

(Rachel just looks at him.) I didn't say raspberry before did I? All right just tell me Rach, just tell me!

Rachel: (laughs) Okay. All right, stand up. (They do so.) Well, when we're at the door, I lightly press my lips against his, and then move into his body just for a second, and then I make this sound, "Hmmm." Okay, I know it doesn't sound like anything, but I swear it works.

Joey: (stunned and turned on) Yeah. Why—Yeah, that would work for ya...

Rachel: All right, I gotta go to bed. Honey, I had such a wonderful time.

Joey: Oh. (She kisses him.) Yeah. (She goes into her room.) Me to. (He then starts to freak out.)

Commercial Break

[Scene: Central Perk, Ross is telling Rachel about his class location predicament.]

Rachel: ...you were 50 minutes late to the class, what did you crawl there?!

Ross: No, I ran. It was really far, and when did people stop understanding the phrase, "Get the hell out of my way!"

Rachel: Well, why didn't you just take a cab?

Ross: Ugh, between the traffic that time of day and all the one-way streets it'll take me twice as long. Besides, I teach the class three times a week, who am I? Rockefeller?

Rachel: Well you're not gonna be able to keep doing this.

Ross: Well I have to. Okay? If I don't, they'll take the class away from me. And...I already put it in my family newsletter.

Rachel: You what?

Ross: You've seen it, the Geller Yeller.

Rachel: Right. Wow!

Ross: Besides, I-I think I figured out a much faster route, I'm sure I can make it this time. I just...I just can't be afraid to get a little bit...hit by cars. (He goes to the bathroom as Joey enters.)

Joey: Hey!

Rachel: Hi! Hey, remember how last night we were talking about that movie *Cujo*?

Joey: Oh yeah, I still can't believe you haven't seen *Cujo*. What is wrong with you?

Rachel: Relax! It's not like it's *Citizen Kane*!

Joey: Have you ever tried to sit through *Citizen Kane*?

Rachel: Yeah I know it's really boring, but it's like a big deal. Anyway, I was thinking about renting *Cujo* sometime.

Joey: Oh yeah? All right, let's do it tonight.

Rachel: Well don't you have that big date tonight?

Joey: Oh right!

Rachel: Hey Joey, can I ask you something?

Joey: Yeah.

Rachel: After our date last night, did you feel a little weird?

Joey: Oh my God! You did too? It totally freaked me out, what was that?!

Rachel: I I don't know! (Pause) I'm-I'm kinda thinking it-it was the lobster...

Joey: Oh yeah-yeah, the lobster.

Rachel: Yeah, I mean I was up sick all night.

Joey: Yeah me too, all night.

Rachel: Really? How come we didn't cross paths?

Joey: Yeah well that's because uh...I stayed in my room. Yeah, you don't want to look in my hamper.

[Scene: Monica and Chandler's, Monica is trying to erase Chandler's dirty words while he looks on.]

Monica: Okay, I got that. I'll escape over there. I'll come back over here. All right, come on *Ms. Pac-Man*. It's got—Right—(She dies.) Well, you're just a little bitch, aren't you?

Phoebe: (entering) Hey, you guys. Listen, I'm sorry that I was hogging the game before—(Sees the top ten list)—Oh my God! Your friends have some unfortunate initials!

Monica: They're all Chandler.

Phoebe: Chandler sucks! He couldn't have gotten this good!

Chandler: I did. (Looks at his still deformed hand) But it came at a price.

Monica: But Ben is coming over tonight and he can't see this.

Chandler: Oh come on, by age seven kids have already seen orgies. (They both look at him.) Was it just me?!

[Scene: N.Y.U., Ross's new class, he is entering out of breath.]

Ross: Yeah!!!! Yes, I made it! I'm on time! (Grabs a bottle of water from a student, takes a drink, and splashes some on his face like the marathon runners do.) Okay, why don't we all uh, (Exhales loudly) open our books to page 23. Where... (Exhales again) Where you will see...a uh...a bunch of uh...red spots. Okay, (Closes his book.) umm, why don't, why don't you all start to read, while I—(Passes out and collapses.)

[Scene: A Restaurant, Joey is on his hot date and they're not speaking right now.]

Joey's Date: Hey. Are you all right? You seem a little distracted.

Joey: No-no! I'm fine. It's just... Hey, can I ask you something? Have you ever looked at someone that you've known for a while and then suddenly...suddenly see them a different way?

Joey's Date: You mean like from behind?

Joey: Yeah. Yeah, that...that's exactly it. You're right. Yeah.

Joey's Date: Ew, y'know what? One time I saw this guy

from behind and he seemed like a totally normal guy and then he turned around and it was Stephan Baldwin!

Joey: (deadpan) Ooh! Yeah. So yeah, so you know exactly what I'm talking about.

Joey's Date: Totally! Wow! (Pause) Would you excuse me for a sec?

Joey: Oh yeah, sure. (She gets up, walks towards the bathroom, and Joey watches her go.) Eh.

[Scene: Monica and Chandler's, now it's Phoebe's turn to erase Chandler from the board.]

Monica: Oh my God Phoebe, you're on fire!

Phoebe: I know!

Chandler: One more score to go! You can do it! (Touches her shoulder.)

Phoebe: Don't touch me!!

Monica: Don't touch her!!

Chandler: All right! Go left! Go left! Go right!! Go right!!!

Phoebe: I can't!! I can't!! (She dies.) Nooooooooo!!!!!! You son of a bitch!!!!!!

(At this point a stream of obscenities burst forth from Phoebe's mouth just in time for Ben and Ross to enter and hear most of it, and in slow motion Ross tries to shield his innocent son from Phoebe's vulgarity.)

Ross: Phoebe!!

Phoebe: Oh hi Ben—No!! Don't look at the machine! (Covers the screen.)

[Scene: Joey and Rachel's, Rachel is watching *Cujo* while Joey returns from his date scaring Rachel.]

Rachel: Oh God! Thank God you're home! I'm watching *Cujo*.

Joey: (incredulous) Alone?!

Rachel: Yes! But what is wrong with this dog?!

Joey: Hey, did you get to the part where they're trapped in the car and *Cujo's* throwin' himself at the windshield?

Rachel: No! No! Seriously, what's wrong with the dog? Wait a minute, what are you doing home so early? What happened to your date?

Joey: Oh uh, it didn't work out.

Rachel: Oh. Do you want to watch the rest of the movie with me?

Joey: Oh uh, okay. Yeah.

Rachel: Y'know, I never thought I'd say this about a movie, but I really hope this dog dies. (Joey brings over a stool at sits on it next to Rachel who's in the big chair.) What are you doing over there? Come sit here, you protect me.

Joey: Oh sure, yeah, why not? (Sits on the arm of the chair.)

Rachel: Okay. (Pushes play.) Okay, that's him! That's him! That's *Cujo*! That's *Cujo*!

Joey: All right, I know! I know. Yeah, it'll be okay.

Rachel: Oh my God...What's he gonna do now? I can't watch! (Drags Joey closer to her and cowers into his chest.) Oh. Seriously, how can you watch this? Aren't you scared?

Joey: Terrified. (But for a totally different reason.)

Closing Credits

[Scene: N.Y.U., Ross's new class, this time he's actually about to do a lecture.]

Ross: So is everybody here? I got here a little early myself. Let us begin. Now, the hydrosaurids have been unearthed in two main locations. (He moves to the map and we see why he made it to class on time, he's wearing in-line skates and hasn't taken them off.) Here. (Points to the map, somewhere in the Middle East, then spins on the skates and points to the map.) Here. (China.) Now as for the hydrosaur... (He tries to move in front of the class, only goes out of control and rolls into the hall, catching himself on the doorway with his pointer. He then pulls himself back into the room with the pointer, only he jams one end of it between the door frame and the door and breaks the pointer in half.)

End

813 The One Where Chandler Takes a Bath

[Scene: Joey and Rachel's, Joey is at the counter eating a bowl of *Frosted Flakes*.]

Joey: (thinking) All right. It's a new day. All that stuff about Rachel, you don't feel that now. It was crazy! You're fine. You're better than fine! You are, as your friend Tony would say, Grrrrrr! Everything's normal! She's just your friend Rachel! Your friend Rachel. Your friend! Rachel.

Rachel: (coming from her room) Hi, sweetie.

Joey: (thinking) Hey, it's your girlfriend, Rachel!

Opening Credits

[Scene: Monica and Chandler's, Chandler is sitting on the couch watching TV as Monica comes out of the bathroom.]

Monica: (airily) Hi.

Chandler: Are you, are you high?

Monica: I just had the most amazing bath.

Chandler: Really? I don't like baths.

Monica: Wait, you like them with me.

Chandler: Honey, it's not the bath I enjoy, it's the wet, naked lady.

Monica: Oh, baths are so relaxing!

Chandler: Really? What do you do? You just sit in there stewing in your own filth.

Monica: How dirty do you think I am? I'm telling you, if you had some candles and some bubbles and some music, you would love it! It would take all of your stress away.

Chandler: Honey, it's 2:00 on a Wednesday and I'm watching *Road Rules*, how stressed do you think I am?

Joey: (entering) Hey, Chandler, you got a minute? I-I

really need to talk to you.
Chandler: Oh! Uh, yeah! Is this a cold pizza talk or a leftover meatloaf talk?
Joey: Well, neither.
Chandler: Oh my God, what's up?!
Joey: I don't know. It's-it's just...lately, I've been feeling... Okay, here's what it is... (Pause) You know what? I feel a lot better, thanks! (Starts to leave)
Chandler: Oh no-no, no you don't, just come back.
Joey: All right. Okay. You and Monica, friends for a long time, and sure there are rules, but then you went to London. Oh, no, but that's different. I mean, there are rules there, too! You know what I mean?
Chandler: Do you?
Joey: It was different for you guys! I mean, I mean, you were both in the same place, right?
Chandler: In London?
Joey: Yeah.
Chandler: Yes. When Monica and I were in London, we were both in London.
Joey: You know what? This is a bad idea. Forget it. Forget it, and listen, do me a favor, this conversation was between you and me.
Chandler: If that.
[Scene: Central Perk, Phoebe and Rachel are sitting on the couch. Ross sits down.]
Rachel: Hi! Oh, Ross, don't forget, we have that doctor's appointment tomorrow!
Ross: Right.
Phoebe: Hey, are you going to find out the sex of the baby?
Ross: No-no, we talked about it. We don't want to know. All we care about is that it's happy and healthy.
Rachel: Yep! Happy and healthy! And cute!
Ross: And smart!
Rachel: Popular.
Ross: With an aptitude for science.
Phoebe: Are you two talking about the same baby? Hey! Have you started off thinking of names yet?
Rachel: Oh yeah! I've come up with a bunch of ideas!
Ross: Really? Me too!
Phoebe: Me too!
Rachel: Really?!
Phoebe: Uh huh! If it's a girl, Phoebe, and if it's a boy, Phoebe!
Ross: Maybe. But it wouldn't hurt to have a backup, you know? Uh, Rach-Rach, what were you thinking? (Gives her a look)
Rachel: Okay! I was thinking if it's a girl, how about Sandrine? It's French.
Ross: Huh. That's a really pretty name for-for an industrial solvent.
Rachel: Okay fine, what do you have?
Ross: Well, OK, it's for a boy. Well, I know it's a little out there, but...Darwin.
Rachel: Wow, oh my God, our child will be beaten to death in the schoolyard.
Phoebe: Yeah, by Sandrine.
Ross: You're just saying that 'cause I said no to your name!
Rachel: I'm really, really not.
Phoebe: How-how about you each get five vetoes?
Ross: All right.
Rachel: All right.
Ross: That sounds fair.
Rachel: Yeah! I don't think you're going to need it though. Okay, check this out. If it's a girl, Rain.
Ross: Veto.
Rachel: Why?
Ross: Rain? Hi. Hi, my name is Rain. I have my own kiln, and my dress is made out of wheat.
Phoebe: I know her! I bought homemade soap from her at a Dead show!
Ross: Okay, how about, for a guy, Thatcher?
Rachel: Ross, why do you hate our child?
Ross: Fine, you go.
Rachel: Okay, James.
Ross: Huh.
Rachel: But only if it's a girl.
Ross: Oh, veto. How about—Ooh, I like Ruth! What about Ruth?
Rachel: Oh! I'm sorry! Are we having an 89-year-old? How about Dayton?
Ross: Veto. Stewart?
Rachel: Veto. Sawyer?
Ross: Veto. Helen?
Rachel: Veto.
Phoebe: Is it me, or is veto starting to sound really good?
[Scene: Monica and Chandler's, Monica comes from the bathroom as Chandler enters.]
Chandler: Hey.
Monica: Boy, do I have a surprise for you!
Chandler: Sex on the balcony?
Monica: No, but someone's really not going to get over that idea, are they?
Chandler: What is it?
Monica: I drew you a bath!
Chandler: Honey, I don't like baths! Could you draw me a picture of us having sex on the balcony?
Monica: Please, could you just try it for me? Come on, I used all my best stuff! I-I-I lit some candles. I put on some music. I used bath salts, plus bubble bath! And got you this little plastic

Navy ship. So it's a boy bath!
Chandler: Well, this does butch it up a bit.
Monica: I swear, if you try it, you will love it!
Chandler: All right, if I do this, can we at least discuss sex on the balcony?
Monica: Absolutely.
Chandler: (Chandler runs into the bathroom)
Monica: Bet I know how that discussion's going to go.
[Cut to Chandler laying in the bathtub. "Only Time," is playing in the background.]
Chandler: (thinking) All right, this isn't so bad. I like the flower smell! Which is okay, because I've got my boat.
Monica: (entering) So?
Chandler: Oh my God.
Monica: I told you you were a bath person! Hey, when you get out, maybe I can give you a facial!
Chandler: I'm going to need a bigger boat.
[Scene: The Doctor's Office, the doctor is writing something as Rachel is on the table, and Ross is standing.]
Ross: I don't think you had an open mind about the name Ruth. I mean, come on, little Ruthie Geller, how-how cute is that?
Rachel: Oh, oh my God! I can practically hear the mahjong tiles!
Dr. Long: Okay! All your tests look fine. Now, are you two interested in knowing the sex of the baby?
Ross: Uh, no. No, we're not.
Rachel: But you have it right there in that file? You could tell us whether it's a boy or a girl? Dayton or Sandrine? Phoebe or Phoebo?
Dr. Long: That's right. But if you don't want to know...
Ross: No, no, we want to wait, right?
Rachel: Right. Right.
Dr. Long: (looks at her beeping pager) Oh, I'll be right back. And, uh, I know it's really not my place, but please don't name your child Phoebo.
Rachel: (looking at the bulletin board with baby pictures) So, which of these babies do you think is the ugliest?
Ross: What? Rach! Come on, that's terrible! They're...uh...they're babies. They're-they're all beautiful.
Rachel: Third one from the left?
Ross: Yeah, why is it staring at me? I think it knows I'm talking about it. (Rachel starts to peek at the file) Don't-don't you—Wh—Wah—Hey!!
Rachel: What?!!
Ross: You're looking!
Rachel: I didn't!
Ross: I saw you!
Rachel: Okay fine, I did. But I didn't see anything, I swear.
Ross: Shame on you! Ugly baby judges you!
Rachel: Okay, but Ross just listen to me...
Ross: No, no, no, no! Don't tell me! I don't want to know!
Rachel: But I couldn't even if I wanted to, because I don't know! I swear, I didn't see anything, and I don't want to know! It was just a momentary lapse.
Ross: Momentary lapse. Don't-don't you have any self-control?
Rachel: (holding stomach) Okay, a couple months late on the lecture, Ross.
[Scene: Chandler and Monica's, Monica is entering.]
Monica: Hello?
Chandler: I'm in the bathroom, can you come in here? I think there's something wrong.
Monica: You know what? I-I think I'll wait out here.
Chandler: I'm in the bathtub.
Monica: Oh. (She goes into the bathroom.) What's wrong?
Chandler: I drew my own bath, but I did it wrong! The water's tepid. The salt didn't dissolve and is now... lodged places. And the scents I used don't complement each other. Eucalyptus and chamomile—Oh!
Monica: What?
Chandler: The bath salts! They're starting to effervesce! It's different. (Pause) It's interesting.
Monica: Okay, let's talk about something else.
Chandler: Yeah! Sure, sure. So, what was going on with you today? Oh-oh-oh!
Monica: Well, I actually had the weirdest conversation with Joey. He was talking about rules and right and wrong and...
Chandler: I had the exact same conversation.
Monica: You did? What was he talking about?
Chandler: I don't know! Joey hasn't had this much trouble getting out words since we saw him in *Macbeth*!
Monica: (groans) That was a long night.
Chandler: All right, let's break this down. What exactly did he say to you?
Monica: Okay, he was talking about rules.
Chandler: Uh-huh.
Monica: Umm, and looking at people differently.
Chandler: He didn't say anything about that to me.
Monica: What did he tell you?
Chandler: He was asking all these questions about you, me, and London. And, of course the glue that holds this all together, the rules.
Monica: Okay. So you, me and London. Looking at people differently. Maybe he wants to do what you and I did in London with someone.
Chandler: But what did he mean by rules?
Monica: Wait a minute! He stopped talking the minute Phoebe came in!
Chandler: Because he was looking at her differently.
Monica: And Phoebe is his friend, so he thinks that would be breaking the rules!
Chandler: My God! He wants to do it with Phoebe in London!
Phoebe: (from outside the bathroom) You guys?
Monica: Just a minute! (To Chandler) That's Mrs. Tribbiani!
Chandler: You don't say anything.
Monica: Why would I say anything? That two of our best

friends could start the greatest love affair of their lives! And they would have me to thank, and we could all start having babies?
Chandler: I'm not going to let you say anything.
Monica: You just stay here! (Dumps a jar of bath salts in the bathtub)
Chandler: Oh, God!
Monica: (Monica runs out to Phoebe, who is in the kitchen)
Phoebe: Oh, hey, Monica, I brought back your iron.
Monica: Oh, you had that?
Phoebe: Uh-huh.
Monica: I thought I lost it. I got a new one, like, a month ago.
Phoebe: Oh, just as well, I broke this one.
Monica: (Monica starts smiling)
Phoebe: What?
Monica: Nothing.
Phoebe: Okay.
Monica: I mean, I-I, I really shouldn't say. I mean, I'm really not supposed to.
Phoebe: Fine.
Monica: It's a humdinger!
Phoebe: Then it's really too bad that you can't tell me.
Monica: Somebody likes you!
Phoebe: (Groans) Is it Chandler?
Monica: No!
Phoebe: Well, then tell him to stop staring!
Monica: It's Joey!
Phoebe: Really?! Joey?! You don't say.
Monica: Is it something you'd be interested in?
Phoebe: I don't know, I don't know, I don't know. You know, I mean, on the one hand, Mother may I? But y'know on the other hand... No. No, I can't. We're friends. No, oh, no. I don't want to risk what we have.
Monica: I guess that makes sense. So, you think you're going to talk to him?
Phoebe: Sure, yeah. I mean, it's Joey. I don't want him to get hurt. Well, I must say, I am on fire! First Chandler, now Joey!
Monica: Not Chandler, just Joey.
Phoebe: Sure.
Commercial Break
[Scene: Central perk, Ross is sitting on the chair as Rachel walks in.]
Rachel: Hey.
Ross: Hey.
Rachel: You know what? I've been thinking about it. I'm really coming around on the name Ruth. I think I would actually consider naming our child that.
Ross: Rach, I-I can't tell you how-how much that means to me! Ohh... Wait a minute. Wait a minute. You-you hated the name Ruth! Why-why would you change your mind? Unless, you know we're never going to have to use it. You did see the folder. You know it's a boy!
Rachel: I didn't see anything! I actually changed my mind about the name.
Ross: I don't think so! You're just giving me Ruth so you'll get to name it when it's a boy, and that's when you'll swoop in and name him Heath or Blaine or Sequoia.
Rachel: I would—Sequoia?
Ross: Veto.
Rachel: Fine.
Ross: Unless... (Rachel groans.) You anticipated that I would figure all this out and you know that it actually is a girl, and you really do want her to be named Ruth! Well, I'm not falling for that! Okay? Ruth is off the table!
Rachel: But Ross, you want the name Ruth!
Ross: Not like this!
[Scene: Rachel and Joey's, Joey is sitting on his recliner as Phoebe enters.]
Phoebe: Hey.
Joey: Hey. Well, what's up?
Phoebe: Umm, Joey, I know.
Joey: What?
Phoebe: I knowooow.
Joey: Whaaat?
Phoebe: I know about your feelings.
Joey: Oh my God. You do?
Phoebe: Yes, and I'm sorry. I-I know things worked out for Chandler and Monica, but that's very rare.
Joey: I know. I know. And this is so much more complicated than it was for those guys. I mean, it's Rachel for God sakes.
Phoebe: For God sakes, it's Rachel!
Joey: I know. I know. And she's not only my friend; she's my pregnant friend! She's my pregnant friend who's Ross' ex!
Phoebe: Yeah that's Rachel. (To herself) Beat me over the head with it.
Joey: What am I going to do? You know, and I keep, I keep trying to get rid of these feelings, y'know? I stayed up all last night and made a list of everything I don't like about her. You want to hear it?
Phoebe: Yeah.
Joey: She made me switch to light Mayo. That's it! That's all I got! And, you know what? It tastes the same and my pants fit better!
Phoebe: Joey, I just think you're getting worked up over nothing. This is probably just a crush.
Joey: You think?
Phoebe: Absolutely! Y'know, you get this rush of feelings, but then it goes away.
Joey: Yeah, just a crush! That's all this is! It's a crush! I'm Joey; I don't get deep feelings.
Phoebe: That's right, there you go! Crushes happen all the time! I know I've had them for all you guys. Well, except for Ross and Chandler. And I'm sure you've had them for us.

Joey: Not really.
Phoebe: Mm-hmm. (To herself) Throw me a bone here.
 [Scene: Central Perk, Rachel is on the couch as Ross enters.]
Ross: So, I uh... I called the doctor and now we both know the sex of the baby.
Rachel: What?
Ross: That's right. The student has become the master.
Rachel: Ross, I swear, I don't know.
Ross: Oh, come on, you know it's a girl!
Rachel: A what?!
Ross: You really didn't know?
Rachel: We're having a girl?
 Ross: No.
Rachel: That's what you just said!
 Ross: No.
Rachel: You said girl!
Ross: Yes. I'm... I'm sorry. I'm so sorry.
Rachel: I'm not! We're having a girl! Sometimes I can't believe it's with you—But still! We're having a girl!
Ross: I know! I know. You know what? I'm putting Ruth back on the table!
Rachel: Oh, yes! We'll have ourselves a little baby Ruth...
Ross: Permission to veto.
Rachel: Yes, please.
 [Scene: Monica and Chandler's, Chandler enters as Monica comes from the bathroom.]
Monica: Hey.
Chandler: Do I smell essential oils?
Monica: Yeah, I'm going to take a bath. I'm just going to get a magazine.
Chandler: Okay.
 (As soon as Monica leaves the room, Chandler takes off his jacket and runs to the bathroom. Monica enters the bathroom to find Chandler in the bathtub.)
Monica: What do you think you're doing?
Chandler: L-leaving my troubles behind?
Monica: I know that you're new at this, but this is completely unacceptable bath decorum.
Chandler: Oh, it's so hard to care when you're this relaxed.
Monica: Fine, you can have the bath, but I am taking your boat. Now you're just a girl in a tub! (Phoebe enters the bathroom)
Chandler: (upset) Hey!
Phoebe: Hi, Bubbles. Manly. Well, I just thought I would drop by and let you know how it went with Joey.
Chandler: (To Phoebe) You told her?!
Monica: She pulled it out of me! She's like a conversational wizard! How'd it go?
Phoebe: Well, you were wrong, he doesn't like me!
Monica: What?
Phoebe: Yeah! How would you like it if I sent you to Lee Majors' house and told you that he liked you, and you went down there and you found out that he didn't like you? How would you feel?
Monica: (Pause) I don't think I'd care.
Phoebe: Really? Lee Majors is hot!
Joey: (from outside the bathroom) Hello?
Phoebe: We're in the bathroom!
Joey: Why?
Chandler: (sarcastically) Because it's a relaxing and enjoyable time!
Joey: (entering the bathroom) What are you guys doing in here?
Monica: Oh my God! A friend he's looking at differently, but it's wrong. It's Rachel!
Chandler: You like Rachel?!
Joey: It's no big deal, okay? Phoebe and I talked about it. It's just a crush! It's going to go away! (Looks down) Dude, you gotta rearrange your bubbles! Oh!
Phoebe: (checking for herself) (To Monica) Mazel tov.
Rachel: (entering) Hey! Ross and I were looking for you! What are we all doing in here? (Looks at Chandler) Oh, my! (Covers the spot where Joey wants bubbles to be replaced.)
Monica: Honey, cover it up with the boat!
Ross: (from outside the bathroom) Hello?
Chandler: (sarcastically) Yes we're all in here and we would love for you to join us!
Ross: (entering) Well hey! What's going on? Ooh, cool boat—(Sees why the boat's there)—Oh, no. (Averts his eyes by looking around the room) (To Rachel) Hey, did you, did you tell them?
Rachel: No, I was waiting for you!
Phoebe: Tell us what?
Rachel: We're having a girl.
All: Oh, wow! Yay! Wow! Hooray! Oh, man! (They all hug and then turn and look at Chandler)
Chandler: I'll...I'll get you later!
 [Scene: Joey and Rachel's, Joey is sitting at the counter eating *Cocoa Puffs*.]
Joey: (thinking) All right. It's a new day, and it's just a crush, that's all! Just a little crush! All that worrying I was doing, that was crazy. Crazy! Like my friend here the bird would say, "it was cuckoo!" Everything's going to be fine. It's just a crush.
Rachel: (entering) Hi, sweetie.
Joey: (thinking) *I love you*.
 Closing Credits
 [Scene: Chandler and Monica's bathroom. Both are sitting on opposite ends of the bathtub.]

Monica: It sure is nice to do this together, isn't it?
Chandler: Yeah. And what you're doing feels so good.
Monica: I'm not touching you.
Chandler: You're not?
Monica: It's the salts.
Chandler: Oh, sweet Lord. New realms of pleasure!
Monica: (To herself) Whatever keeps you off the balcony, big guy!

814 The One With The Secret Closet

[Scene: The Hallway, Phoebe walks up to and knocks on Chandler and Monica's door.]
Monica: (opens the door wearing a robe, but leaves the chain on) Hey, what's up?
Phoebe: Well, I left my guitar here again.
Monica: Oh, okay. No problem.
Phoebe: Okay. (Monica closes the door, gets the guitar, and then hands it out.)
Monica: Okay.
Phoebe: Oh.
Monica: Here you go.
Phoebe: Okay.
Monica: Okay.
Phoebe: Great! Umm...(Monica closes the door again and Phoebe knocks again.)
Monica: What?!
Phoebe: So do you want to hang out or something?
Monica: Phoebe! You kinda caught me at a bad time.
Phoebe: Oh are you and Chandler...
Monica: Yes! Exactly.
Phoebe: Okay. Do you guys want me to play for you?
Monica: (laughs) No. (Closes the door as Chandler walks up.)
Chandler: Hey Pheeb, what's up?
Phoebe: You ask an intriguing question Chandler Bing. (Chandler lets her into the apartment and reveals that Monica is getting a massage from another woman.)
Phoebe: Oh my God! You're getting a massage! You never let me massage you!!
Monica: Phoebe, I can explain!
Phoebe: You told me you hate massages!
Chandler: Buy stamps, pick up dry cleaning...Don't let Phoebe in.
Phoebe: I can't believe this! How long as this been going on?
Monica: Well umm, Alexandra has been...
Phoebe: Oh, it has a name?
Monica: Phoebe, don't get upset!
Phoebe: Okay—Oop! Too late! I'm leaving! Come on Chandler let's go! (She storms out.)
Chandler: Well, Phoebe I thought I'd—(Off Phoebe's look)—Yeah, what the hell. (Exits with Phoebe.)
 Opening Credits
 [Scene: Joey's Bedroom, Joey is having a dream about Rachel giving birth with him as the father.]
Joey: Oh okay, okay! One more push! One more push! Come on honey, we're almost there! We're almost there!
Rachel: Oh Joey, I'm so happy things worked out for us that we're having this baby together. I love you so much.
Joey: Oh, I love you too.
Rachel: And I hope it's not an inappropriate time to say this but, you're the best sex I ever had.
Joey: That's always appropriate! (Back to the matter at hand) Oh, okay. One more push! One more push! (Finally, the baby is delivered and starts crying.)
Doctor: Oh, here is your beautiful baby. Congratulations! (She hands the baby to Joey who pulls down the blanket to reveal Ross's face where the baby's should be.)
Ross: (crying) I hope you're a better father than you're a friend!! (Cries again and Joey wakes up in horror.)
Rachel: (bursts into the room) Joey! Joey!
Joey: What? What's going on?
Rachel: Come feel this! Come feel my belly!
Joey: Aaaah...
Rachel: Joey! The baby is kicking for the first time! Will you please come feel this?!
Joey: Really?!
Rachel: Yes!
 (Joey starts to get up but stops.)
Joey: Oh, y'know what? Maybe uh, you...you should come to me. I'm a not, I'm not wearing any bottoms.
Rachel: Oh, okay! (She goes over to him and he feels her belly.)
Joey: Oh my, oh my God!
Rachel: Aw, it's unbelievable! Wow! She is kicking so much! Oh, she's like umm...oh...who's that kind of annoying girl soccer player?
Joey: Mia Hamm?
Rachel: Mia Hamm!
Joey: Oh that's amazing. (Drops the sheet.)
Rachel: (looking down) Oh-oh! One hand on the sheet Joe!
Joey: Whoa-hey-oh! Sorry!
 [Scene: Monica and Chandler's, Monica has opened another wedding present as Chandler enters.]
Chandler: Hey babe.
Monica: Hi honey. We just got a wedding gift from Bob and Faye Bing; they don't like us do they? (They gave them a pok-a-dotted punch bowl.)
Chandler: Who says you can't get a nice punch bowl for under six bucks? Maybe we can take it back?
Monica: No, it doesn't say where it came from. Where would we return it?
Chandler: How about to the street say from the balcony?
Monica: Why don't we just find a place for it?
Chandler: Okay. How about in that cabinet?
Monica: No! That's where we keep the canned goods! Have you completely forgotten everything you learned at

orientation?
Chandler: How about the closet by the bathroom? (The secret green door by the bathroom.)
Monica: Oh, okay. Here, why don't you let me do it?
Chandler: Oh no-no-no, I will do it. Honey, you have to learn to sit down and relax and let your husband take care of things once and awhile. (Tries the door.) It's locked, you have to help me. Why is it locked?
Monica: No reason. I-I keep private things in there.
Chandler: Oh y'know, I've been living here a while and I've never seen what's inside that closet. What is, what is in there?
Monica: Feminine stuff.
Chandler: Don't try to make me uncomfortable with feminine stuff!
Monica: Chandler, there is nothing in there that concerns you! If you love me you-you'll let it go.
Chandler: Fine.
Monica: Thank you! (He tries the door again and Monica glares at him.)
Chandler: (walking casually away) Love you.
Phoebe: (entering) Hello Chandler, lovely day huh? (To Monica) You!
Chandler: Phoebe if it helps Alexandra has only been massaging Monica for like three years. (Phoebe rolls her eyes and walks away and Monica glares at him.) If I said, "If it helps!" (Goes to the bedroom.)
Phoebe: Why won't you let me massage you?
Monica: Well it's...I mean I'd just—I'd be self-conscious. You're my friend; I'd be naked.
Phoebe: Monica! We lived together for years! I've seen you naked!
Monica: That's different, we were roommates! And when?!
Phoebe: I'm curious about the human body.
Monica: Hey, come on Phoebe, you can understand why this would be weird for me.
Phoebe: But I'm a professional! And I'm really good! Look, if you're uncomfortable we can stop. Just give me a chance, okay. Please?
Monica: Okay, if it means that much to you...
Phoebe: It does! How would you feel if you couldn't share your cooking? Or-or imagine how Ross would feel if he couldn't teach us about dragons.
Monica: Dinosaurs.
Phoebe: Potato, potaato.
 [Scene: Central Perk, Joey and Rachel are there as Ross enters.]
Ross: Hey!
Joey: Hey Ross! The baby's kicking!
Ross: What?! It is?! (He tries to quickly remove his gloves, but runs into trouble and finally throws them off of his hands like a hockey player in a fight and grabs Rachel's belly.)
Rachel: It's not kicking right now. Although we would love to see you do (Mimics him) that again.
Ross: Hey, when-when was it kicking? What happened?
Rachel: Last night! I just felt it and I went into Joey's room and he was sleeping...
Joey: A dreamless sleep.
Ross: My God, the baby's kicking. That's great. Although I...kinda wish I-I would've been there to feel the kicking for the first time y'know.
Joey: Well I got stuff going on in here (Rubbing his belly) if you wanna feel.
Ross: Look, I-I don't want to miss anymore baby stuff. So...Here. Here's my new pager number, okay? Anytime anything pregnancy related happens use it! I'll be there! Okay? I don't care if it's three in the morning and all you want is ice cream.
Joey: Wow! Can I get a copy of that?
 [Scene: Phoebe's Apartment, Monica is lying on the massage table waiting for Phoebe.]
Phoebe: (calling from her room) Are you under the sheet?
Monica: Yes.
 (Phoebe turns on some music and grabs some oil.)
Phoebe: (in a soothing voice) Great, let's begin. (She starts the massage.) How's the pressure?
Monica: Nice! Wow Phoebe you are good!
Phoebe: Stating the obvious, but thank you. And it's not weird is it.
Monica: No. Ooohh...
Phoebe: That's right, you just enjoy.
Monica: (in a sexy voice) Oh. Oh yeah! Ohhhh! Ohh! Oh yeah!
Phoebe: (getting uncomfortable) Okay.
Monica: Oh God Phoebe!! (Phoebe covers one ear.) Oh that's it! That's it! Right there! Oh! (Tries to cover the other ear.) Oooh-oooh-oooh... (Covers both ears and continues the massage with her elbows.)
 [Scene: Monica and Chandler's, Chandler has a box of keys and is trying them on the secret closet when someone enters.]
Chandler: I wasn't trying to open your closet! I wasn't trying to open your closet! I swear! (Running into the kitchen and sees its Joey.)
Joey: Whoa, Monica runs a pretty tight ship over here. What are you doing?
Chandler: Monica has a secret closet and she won't let me see what's in it.
Joey: Why not?
Chandler: I don't know! What could she possibly be hiding in here that I can't see?!!
Joey: I don't know. Ooh, I bet it's Richard.
Chandler: Why would Monica be keeping Richard in here?
Joey: Well off the top of my head uhh, maybe she's having her cake and eating it too. You being the cake and Richard being the too. Or!

Chandler: And here we go...

Joey: I saw this movie once where there was a door and no one knew what was behind it, and when they finally got it open millions and millions and millions of bugs came pouring out and they feasted on human flesh. Y'know it wouldn't kill ya to respect your wife's privacy! (He walks away and into his apartment and looks the door.) Stupid closet full of bugs!

Rachel: Joey, Joey, something feels weird and not good weird. I don't—Whoa! (Winces in pain.)

Joey: Oh hey whoa-whoa, don't worry. Okay. When my sisters were pregnant they got every weird feeling in the book, it was always nothing.

Rachel: Really?

Joey: Absolutely. **But**, we're gonna stop by the hospital just to be sure, okay? I'll page Ross on the way. Come on.

Rachel: Okay. Oh God—Ow!—Oo!

Joey: Okay Rach-Rach-Rach look at me, look at me, everything's gonna be fine, trust me. Okay. Take my hand. Here we go. (Rachel grabs his hand.) Oww crushing bones!

[Scene: The Hospital, Joey is in the waiting room as Rachel comes back out with the doctor.]

Joey: Hey! So?

Dr. Long: She's fine. She's experiencing Braxton-Hicks contractions, mild discomfort caused by contractions in the uterine wall.

Rachel: Hmm, mild discomfort. So I take it you've had one of these Braxton things?

Joey: So but everything is normal.

Dr. Long: Absolutely.

Joey: And-and there's no danger to her and the baby?

Dr. Long: No-no. Contractions can be unnerving if you don't know what they are, but she's fine.

Rachel: Thank you doctor. (Dr. Long exits.) (To Joey) Oh thank you for being so nice and calm.

Joey: Calm?! I wasn't calm! I've never been more scared in all my life!

Rachel: But wait you said everything was gonna be okay.

Joey: Well what do I know?! I'm not a doctor!

Rachel: But I—But everything is okay. I'm fine!

Joey: You sure?!

Rachel: Yes! Yes! I got half a mind to contract that doctor's uterus though. Mild discomfort, what's he talking about?

Joey: (seeing Ross) Oh hey-hey!

Ross: (rushes in) Is everything okay?

Rachel: Yeah, everything's fine!

Ross: Your page said come to the hospital, what? What was it? What happened?

Joey: Something called Braxton-Hicks contractions.

Ross: Oh. Oh. Thank God, most women don't even feel them.

Rachel: Okay, no uterus, no opinion.

Joey: Hey uh, what's with the candy?

Ross: Oh when you beeped me I was on line at the concession stand at the movie theater.

Rachel: Oh you went to the movies by yourself?

Ross: No I—Mona!

Rachel: Oh, I gotta go back in there.

Ross: What? Why? What's wrong?

Rachel: No, everything's fine. I just gotta go back...

Ross: No really, you tell me what's up.

Rachel: I-I forgot my underwear. (Ross lets her go.)

Ross: (To Joey) So, thanks so much for bringing her to the hospital.

Joey: Oh hey, don't worry about it man. Don't worry about it, no big deal.

Ross: Yeah but still, I mean it should've been me. I'm the dad.

Dr. Long: (To Joey) Uh, if you have any questions, here's some information on Braxton-Hicks. (Hands Joey a pamphlet.) Oh and by the way, you did the right thing by bringing her in. You're gonna make a wonderful father.

Joey: Oh uh, hey. Not as good as this guy! (Grabs Ross around the shoulders.) He brought *Twizlers!*

[Scene: Monica and Chandler's, Joey and Chandler are still working on the door.]

Chandler: There has **got** to be a way!

Joey: Easy there Captain Kirk. Oh, do you have a bobby pin?

Chandler: Yeah. (Checks his hair.) Oh no wait, I'm not an nine-year-old girl.

Joey: Then why do you throw like one?

Chandler: Maybe Monica has a bobby pin.

Joey: Sure. "Monica."

Chandler: So, how's the hideously inappropriate crush on Rachel coming?

Joey: Uh, really good. Really good. Yeah, I should be ready to kill myself any day now. (Chandler returns with a bobby pin and hands it to Joey.) Wow, you sure found that quick. (He tries the pin in the lock.) I just—I wish I didn't feel this way about Rachel anymore, y'know? I wish things could go back to normal. I mean, I love living with her and God, helping out with the baby is just amazing, but now I think...I think Ross feels left out. Y'know? When I had to take Rachel to the hospital, the doctor thought I was the father. God... You should've seen the look on Ross's face. (Pause) By the way, I have no idea what I'm doing here. For all I know I'm just locking it more. Oh

hey, did you try opening it with a credit card?

Chandler: That's a good idea.

Joey: Yeah.

Chandler: Okay. (They switch places and Chandler gets out a credit card.) So uh, Ross is kinda bummed huh?

Joey: Oh, I just...I feel terrible.

Chandler: Well, it's not your fault. What are you gonna do? Not take her to the hospital? Y'know? You're doing nothing wrong. (Pause) Except for harboring an all consuming love for the woman whose carrying his baby. (He loses his card behind the door.) Richard? If-if you're in there, could you pass me my credit card?

[Scene: Central Perk, Phoebe is on the couch as Monica enters.]

Monica: Hey.

Phoebe: Hey.

Monica: I gotta tell you, yesterday was amazing. That massage felt so good!

Phoebe: No-no, I got that.

Monica: So umm, what do you say we make it a weekly appointment?

Phoebe: Okay. Okay but you should know though, I've raised my rates to \$200 an hour.

Monica: Okay.

Phoebe: I mean \$500.

Monica: What?

Phoebe: 600.

Monica: What's going on?

Phoebe: Oh, you make sex noises when you get massaged!

Monica: What? (Laughs.)

Phoebe: Yeah, and it really freaked me out! And after a while I even tried to hurt you and it just spurred you on.

Monica: What?! You're crazy! There's nothing sexual about the noises I make!

Phoebe: Really? There's nothing sexual about this? (Sexily) Oooh. Oo God! Ohh. Ohhhh. Ohh. (Some cute guy is watching closely.) (To him) What are you looking at?!

(Pause) I mean hi.

Monica: Oh my—This is so embarrassing. Oh my God, I'm never gonna get massaged again!

Phoebe: No, you can't let this stop you from getting massages! No look, I have, I have lots of clients that make the same noises you do!

Monica: Really?!

Phoebe: Well not clients, lovers. But let's just y'know, try it again. Come back and-and we'll work through it.

Monica: Are you sure?

Phoebe: Yes.

Monica: I guess.

Phoebe: Great! Okay, if you'll just excuse me. (To the guy) So, did you hear something you liked?

[Scene: Joey and Rachel's, Rachel is balancing an aluminum can on her stomach as Ross enters.]

Rachel: Hey Ross! Check it out! I learned a new trick!

Ross: Hey uh, I brought you some lunch.

Rachel: Ohh! That's so sweet of you! Oh yum! (Takes a bite out of the sandwich and starts to get sick.) Did you put pickles on this?

Ross: Well yeah!

Rachel: Oh Ross!! (Runs to the bathroom and closes the door.)

Ross: What?! What?! Rach what?!

Joey: What's going on?

Ross: I made her favorite, tuna salad with pickles.

Joey: Pickle? Pickles make her sick. Giving her pickles is like giving me salad.

Ross: (to Rachel) I-I'm sorry Rach, I didn't know. Are you gonna be okay?

Rachel: Yeah, I'll be fine. But could someone please make sure that sandwich is gone when I get out there?

Joey: I'm on it! (Takes a bite out of the sandwich.)

Ross: I can't believe this! I shouldn't be the one making her throw up!

Joey: Dude relax! It could happen to anyone.

Ross: Yeah? Not to you, because you know this stuff. I don't know any of it and I'm the father. I wish I'd be more involved y'know.

Rachel: (entering) Well, if anyone is keeping score, I no longer eat tuna.

Joey: Hey uh, can I, can I talk to you guys for a second?

Ross: Yeah.

Rachel: What's up?

Joey: Uh, sit down. I wanna talk about our situation.

Rachel: (Gasps) Are you breaking up with us?

Joey: The thing is...cause I live with Rachel I'm here for a lot of the stuff, okay? (To Rachel) And Ross...Ross is missing everything. So...

Rachel: Yeah?

Joey: Maybe you two should live together...

Rachel: Are you asking me to move out? Do you not want me here?

Joey: Oh no-no, no-no I love living with you. It just seems that...if you're gonna have a roommate, y'know it might as well be the father.

Rachel: But Joey, I don't think Ross wants me to move into his apartment and disrupt his life like that. I mean—(Ross turns to her with wishful eyes.)—Or he does.

Ross: No I-I-I would love to be around for you and the baby. And we-we can just try it like on a temporary basis.

Rachel: But Ross, it's you and me!

Ross: So? Sure! But it-it wouldn't be anything romantic. And I'm-I'm dating Mona—Damn it! I was supposed to meet her like an hour ago! What is wrong with me?!

Joey: All right now, so? What do you think?

Rachel: I don't know. Is it crazy?

Ross: No! No it's not. Joey, this is a smart idea.

Joey: Well, I was due.

Rachel: Okay, let's do it. I'll move in.

Ross: Really?

Rachel: Yeah.

Ross: Oh Rach that's great. That's great. (They hug and Joey breathes a sigh of relief.)

[Scene: Monica and Chandler's, Chandler is pounding out the hinge pins on the closet door to get it open.]

Chandler: Not to shabby, I got this all off myself...using my wife's tools. (He takes the door off the frame and we finally get to see what's behind the green door! It is stacked, floor to ceiling, with junk.) Oh my God!

Monica: (entering) (Gasps) How did you get in there?!

Chandler: (laughs) You're messy.

Monica: Oh no! You weren't supposed to see this!

Chandler: I married Fred Sanford!

Monica: No Chandler, you don't understand! (Chandler starts singing the theme for *Sanford and Son*, an old TV show starring Redd Fox.) Okay! Okay! Okay! Fine! Now you know. Okay? I'm y'know...I'm sick.

Chandler: No, honey you're not sick! Look, I don't love you because you're organized, I love you in spite of that.

Monica: Really? You promise you won't tell anyone?

Chandler: Yes! And look, now that I know if I got some extra stuff lying around can we, can we share the closet.

Monica: Well...it's just umm...I'm afraid you might mess it up.

[Scene: Joey and Rachel's, Joey is drinking a gallon of orange juice as Chandler enters.]

Chandler: Hey.

Joey: Hey.

Chandler: So Rachel's all moved out huh? How are you taking it?

Joey: Well uh, I wanted to have a few beers, but uh, I got rid of those because Rachel couldn't stand the smell of them. But I have thrown back a lot of orange juice with calcium though. And uh, it's a couple weeks past its expiration date, so it's got a bit of a kick.

Chandler: Are you okay?

Joey: Are you kidding me? I'm great! Yeah, I'm uh; I'm better than great. I am good. And now that she's gone, I can uh, I can do all this stuff around here that I couldn't do before. Y'know? Like umm, I can walk around naked again. Y'know? I can uh, I can watch porn in the living room. Right? This is uh, this is good for me. Y'know? I like being on my own, I'm uh, better off this way. I'm uh, a lone wolf. Y'know? A loner. Alone. All alone. Forever. What's a wolf got to do to get a hah around here?! (Chandler rushes over and hugs him.)

Closing Credits

[Scene: Phoebe's Apartment, Phoebe is giving Monica another massage.]

Monica: Ohhh.

Phoebe: That's it. Just relax.

Monica: Ohh. Oh! Ohh!

Phoebe: Come on more!

Monica: Oh God!

Phoebe: Yeah, you like that don't you?

Monica: Oh yeah right there!

Phoebe: You want it there? You take it there baby!

Monica: Uh Phoebe?

Phoebe: Yeah, say my name. Say it! (She stops when she realizes what she's doing.) And now I'm going to cover you back up, and umm we're never doing this again.

End

815 The One With The Birthing Video

[Scene: Central Perk. Rachel is getting a cup of coffee as Joey and Phoebe enter and sit down.]

Phoebe: Oh! Hey, Rach!

Rachel: Hi! Hey, Happy Valentine's Day!

Phoebe: Oh, you, too.

Joey: Hey, so, uh, how's it going living over at Ross's?

Rachel: It's good. Except he makes us watch the *Discovery Channel* all day long. Did you know that something really boring happened to someone really ugly in the Middle Ages? (to the waitress handing her a cup of coffee) Oh, thank you. I'll see you guys later.

Phoebe: Okay.

Joey: Bye. (Rachel exits with coffee)

Joey: There's one lucky to-go cup of coffee.

Phoebe: (sighs) Honey, I wish you would get over her. I hate seeing you like this. Is there anything I can do for you? Do you want to look down my top?

Joey: Thanks. But maybe later.

Phoebe: Oh, Gunther, can I get a score?

Gunther: (to Joey) You want anything?

Joey: You know what I want? I want a lot of things! I want to be with the woman I love on Valentine's Day! And I want her to love me back! And I want just one moment of relief from the gut-wrenching pain of knowing that that's never going to happen!

Gunther: We have red bagels.

Joey: Oh, okay.

Opening Credits

[Scene: Monica and Chandler's. Phoebe and Ross are sitting in the living room talking.]

Phoebe: So, how does Mona feel about you and Rachel living together?

Ross: Oh, I'm actually on my way to tell her right now. Yeah, she's been away all week visiting her parents, but she'll be cool. I mean, she's been so supportive. She-she even got the baby a tiny T-shirt that says, 'Fossils are my friends.'

Phoebe: Ugh. Come on, Mona, don't kiss ass.

Ross: Uh, I'm going to take off.

Phoebe: All right. Oh! Shoot! Oh shoot! Uh, Rachel wanted to see this tape!

Ross: What is it?

Phoebe: It's a video of my friend giving birth. Could you just bring it back to your apartment?

Ross: All right. (reading the label) 'Candy and Cookie?'

Phoebe: Yeah. Candy's the mother, Cookie's the daughter. The father's also Cookie. Why am I friends with these people?

Monica: (entering with something behind her back) Phoebe, c'mere. I want to show you something in the bathroom.

Phoebe: Oh, Monica, grow up!

Ross: Hey, what's behind your back?

Monica: Nothing. Just something I want to get Phoebe's opinion on for Valentine's Day.

Ross: You don't want my opinion?

Monica: Not really.

Ross: Come on, I'm your older brother, ask me!

Monica: All right, big brother. (holds up two erm...revealing articles of clothing) Which of these do you think would make your little sister look hotter, so your best friend would want to do her?

Ross: (quietly) The red one.
[Scene: Joey and...wait...just Joey's. Joey is sitting at the counter eating a pizza.]

Phoebe: (knocking and entering) Hey. Look, I know you've been really depressed lately, so I brought someone over to cheer you up. Right outside this door is a real, live, furry playmate.

Joey: No, I'm not sleeping with your friend Jane again.
(Phoebe goes into the hall and brings a dog inside!)

Phoebe: He-hee!

Joey: Hey! A dog! Hi! Who, you got to admit, looks a lot like Jane.

Phoebe: This is the happiest dog in the world. I borrowed him from my friend Wendy. Now, you can only keep him until he cheers you up. And he will cheer you up!

Joey: Thanks so much, Pheebs! (to the dog) We are going to have so much fun, yes we are! (the dog sticks his head between Joey's legs) Oh! Not that kind of fun.
[Scene: Monica and Chandler's. Chandler enters with a bouquet of roses.]

Chandler: Happy Valentine's!

Monica: (from her bedroom) Okay! I'll be right out. I'm slipping into something a little less comfortable, and a little more slutty.

Chandler: (picking up a video from the table) 'Candy and Cookie'. 'Candy and Cookie?' Monica got me porn?! Girl-on-girl porn?! She really must love me!! (Chandler runs over to the TV, puts the tape in, and sits down to enjoy some "porn")
(A woman on TV breathes hard)

Man on TV: Yeah, just relax.

Chandler: I love you, St. Valentine.
(The woman groans, moans, grunts, and screams. Chandler's eyes get huge!)

Chandler: Woah, woah, that's not pretty!
Man on TV: Now, push!

Woman on TV: Ow! Ow! Ooh! That hurts!

Chandler: Worst porn ever! Worst porn ever!
(Chandler starts to press buttons on the remote control, frantically.)

Woman on TV: Ohhh! Make it stop!

Chandler: I am trying!
[Scene: Joey's. Joey is playing fetch with the dog.]

Joey: Get the ball, ready? Get the ball, get the ball! (Joey pretends to throw it, but really doesn't, and the dog goes running off.) Well, you're cute, but you're not too smart!
(The dog returns with a ball that looks exactly like the same one Joey has.)

Joey: (looking at the ball the dog brought back) Did I just throw this?

Rachel: (entering) Hi.

Joey: Hi.

Rachel: I accidentally packed these with my stuff. (looks at the dog and gasps) Who is this?

Joey: Oh, that's, uh, that's Phoebe's friend's dog. I don't know what his real name is, but I call him Mozzarella.

Rachel: (talking with a higher voice, and puckered lips...kind of like you do to a baby or...well...a puppy...it's hard to explain. Just use your imagination!) Oh, well, you are so cute! I wish I could play with you more, but I've got to go to work! I hope I stop talking like this before my marketing meeting, yes I do. Yes I do. (Still talking like that) Bye-bye, Joey. Oh, I seriously can't stop it. (exits)

Joey: (to the dog) C'mere. Hey. C'mere. That's Rachel. She's the one who used to live here. Might as well be honest with you—we love her. But we can't have her. I really miss her. Well, hey, you understand, right? You're a guy. (thinks about it and picks up the dog and looks) Well, you used to be.
[Scene: Monica and Chandler's. Chandler is sitting on the couch staring at the tape on the coffee table with his eyes huge and his mouth wide open.]

Monica: (entering from her bedroom) So what do you think? (referring to her outfit)
(Chandler glances up at Monica with his mouth still wide open and his eyes still huge)

Monica: (to herself) I've still got it!

Chandler: (pointing at the video) Why did you get me this?

Monica: What is it?

Chandler: It's yelling...bleeding...dilating. Oh, the dilating...

Monica: Is this the video of the baby being born? Sweetie, this is Phoebe's. Why were you even watching it?

Chandler: I thought...maybe...you got me porn for Valentine's Day.

Monica: Chandler, if you thought I was going to get you porn for Valentine's Day... (pulls a video out of a basket) you were right! Apparently, it's about a young girl who moves to the big city, you know, in search of stardom, but ends up having sex with a lot of guys! Yeah, it got four starts! (looks closer) Oh, wait a minute. Those aren't stars. Anyway, you want to take a look?

Chandler: Well, I'm not really in a sexy mood right now.

Monica: Honey, what's going on?

Chandler: Well, remember the first time we saw *Jaws*?

Monica: Mm-hmm.

Chandler: How long it took to go back in the water?

Monica: Chandler, we can't let this tape wreck Valentine's Day!

Chandler: You don't know. You didn't see it.

Monica: Child-birth, it's a natural thing! It's beautiful.

Chandler: Oh, beautiful? Really? Beautiful? You think this is beautiful? (picks up the remote and presses a button, and he immediately makes a face that just looks like he's going to throw up!)

Monica: Oh! Oh, my God! No wonder my mother hates me!

Chandler: See, honey, there's—(puts his hand on her leg)

Monica: Don't touch me!
[Scene: Central Perk. Ross is sitting on the couch reading a magazine as Mona enters.]

Mona: Hi!

Ross: Hey! (they hug) So, how was Atlantic City?
Mona: Good.

Ross: Yeah?

Mona: I brought you back a present.

Ross: What?—? Oh, come on. You didn't have to—saltwater taffy?! (Mona laughs) Thanks! This is interesting. You know, most people think this is made with sea water, but it's actually made with, uh, salted fresh water. That's not interesting.

Mona: I think it's interesting.

Ross: I do too! I missed you!

Mona: I missed you, too! So, how was your week?

Ross: Oh, it was good! It was good. Actually, the baby started kicking!

Mona: How exciting!

Ross: Yeah! I know! It was. Oh... the only sad thing is I wasn't around when it happened for the first time.

Mona: Oh no.

Ross: Yeah, I'm missing out on all this other stuff, too. So, Joey suggested Rachel move in with me.

Mona: (laughing) Yeah right!
Ross: What?

Mona: Joey cracks me up! It's like, 'Yeah, why don't you have your ex-wife move in with you? That wouldn't be awkward at all!' (she laughs again)

Ross: (not amused) Huh...uh-huh.

Mona: Huh, could you imagine. I go away for a few days, and come back, and my boyfriend is living with some woman he got pregnant! (Mona laughs...yes...again!)
(Ross fake laughs, obviously not finding this funny, and he's starting to panic, so he shoves the whole saltwater taffy he's eating in his mouth)

Mona: So, what'd you tell him?

Ross: (with his mouth full) Just a second! (he fake laughs, but turns his head and starts to break down)
Commercial Break
[Scene: Central Perk. Ross and Phoebe are sitting on the couch.]

Phoebe: How could you not tell Mona that Rachel is living with you?

Ross: I don't know, she seemed to think it was such a crazy idea! Um, plus, she, uh, she got me taffy!

Phoebe: Taffy, really? I've never had any.

Ross: Ever?!

Phoebe: Well, I think my mother was too busy planning her suicide to provide saltwater treats. (Ross hands her one) Thank you! So what, you're just never going to tell her?

Ross: Oh, no, no, no, I will! I just want to butter her up, first! You know, I'm going to take her to an amazing Valentine's dinner. Do all this romantic stuff, and then, just when she thinks I'm the best boyfriend in the world, then I'm going to tell her that my pregnant ex-girlfriend is living with me.

Phoebe: If I haven't said it before: she's a lucky, lucky lady! So, where are you going to—what the mother of crap is up with this stuff? (Referring to the taffy, which she's been chewing this whole time.) Oh, God. Is it gum, is it food? What's the deal? (she swallows it, finally) Oh, it's nice! May I try a pink one?
[Scene: Joey's. Joey is laying on his recliner, depressed, and the dog is laying on the footrest.]

Joey: So, between her and me being friends, and her history with Ross, it just isn't going to happen. It would be like you falling in love with a cat.

Phoebe: (entering) Hey!

Joey: Hey.

Phoebe: Hey, buddy. How's my favorite dog, huh? How's my favorite dog? (the dog doesn't move) You're subdued. (to Joey) Did you give him a beer?

Joey: No.

Phoebe: Will you excuse us, we need to talk for a moment.

Joey: Yeah, sure. Go ahead. (pause) Oh, me, right!
(Joey follows Phoebe into the kitchen)

Phoebe: He's miserable! What happened to him?

Joey: Nothing. We just talked about stuff.

Phoebe: What stuff?

Joey: Rachel stuff.

Phoebe: Oh...Joey, you bummed him out! This was the happiest dog in the world, and he spends half a day with you, and look at him!

Joey: He's breathing!

Phoebe: Okay, I'm going to take him back to Wendy's.

Joey: No, no, no, no! He's fine! Look, look, look! (picks up the ball) Here's your ball! Get your ball! Get your ball! (he throws the ball and it bounces right next to the dog) Get your ball! My God, what have I done to you, huh? I broke the dog! Pheebs, I broke the dog!
[Scene: Ross and...Rachel's...I guess I have to call it that now. Rachel is reading on the couch as Ross enters.]

Ross: Well, I'm, uh, going to pick up Mona. What have you got going tonight?

Rachel: Oh, I've got big Valentine's plans! I've got my Chinese food on the way, and the rest of your saltwater taffy!

Ross: Y'know, it's interesting! Most people think that's made with seawater, when in fact—

Rachel: Ross, we actually watched the documentary together.
(There is a knock on the door.)

Rachel: Ooh! My Chinese food! Let me get my cash! (runs to her room to get her money)

Ross: (opening the door to see Mona standing there) Mona? What are—hi! What are you doing here? I'm, um, supposed to pick you up!

Mona: Change of plans, I made you a special Valentine's dinner! Surprise!

Ross: (he makes some weird noise hear that sounds kind of like...Ayyyayyyyy!)

Rachel: (entering) Oh, hey, Mona!

Mona: Hi! Hi. Hi, Rachel! (to Ross) What's she doing here?

Ross: I have no idea!

Rachel: I'll be watching TV if anybody needs me. (exits to her room)

Mona: Seriously, what is she doing?

Ross: Uh...lately, she just likes hanging out here. Mona: Why?

Ross: I think she's lonely.

Mona: Okay, but it's Valentine's Day!

Ross: I know.

Mona: Can't we just ask her to go?

Ross: No, no. She's way to emotional. And by emotional I mean crazy.
(Doorbell rings)

Rachel: I'm not here! That's just my Chinese food!

Mona: Oh, my God! She has food delivered here?

Ross: Mm-hmm. She's—she's emotional, but, but ballsy.

Rachel: You know what I'm going to do? I'm going to get in my sweats, and eat this in bed! (exits)

Ross: And you thought she was going to be in our way! So, why don't you, uh, open the champagne, and I'll be right back. I've got a surprise for you.

Mona: You got another ex-wife back there?

Ross: (fakes a laugh) Please start drinking! (exits)

Rachel: (entering) I'm just going to grab the phone.

Mona: Oh, Rachel! Wait! Hey, I hope you don't take this the wrong way, but, but, um... what are you doing?

Rachel: Oh, I'm sorry! Do you need the phone?

Mona: No, no. Listen, Ross is too nice to say anything, but this is his apartment, and, and, we gotta have some boundaries, so why don't you go back to your place and give us some privacy?

Rachel: (as Ross enters with a present) But, but, Mona, I live here.

Ross: (handing Mona the present) Happy Valentine's Day! ...Or something to remember me by.
[Scene: Monica and Chandler's. Monica and Chandler are sitting on the couch still staring at the screen.]

Monica: How long has it been this time?

Chandler: 90 seconds.

Monica: That's better. 90 seconds is a long time not to think about it...except all I did was think about it.

Chandler: You know, it haunts me? Up 'til now, the worst thing I ever saw, was my father doing tequila shots off the naked houseboy. After this, I would gladly make that my screensaver!

Monica: Okay, well, we have to get past this! Why don't we get rid of the tape and pretend it never existed?

Chandler: I can do that.

Monica: Okay.
(Chandler takes the tape and sticks it under the chair cushion)

Chandler: Okay. Now all we've got to do is get rid of this chair.
(Chandler crawls over to Monica and they move in to kiss, but they can't do it and back up. They move in to kiss again, and kiss very awkwardly for a second, until someone knocks on the door.)

Monica: Oh, thank God!

Chandler: Oh, I know!

Monica: Come in!

Rachel: (entering) Hi! I'm so sorry to barge in on your Valentine's, but I had to get away from all the yelling. Mona is dumping Ross.

Monica: Oh, my God.

Chandler: Poor Ross.
(Monica and Chandler both look at each other and run over to the window to watch the action in Ross's apartment)

Chandler: Oh, great. We have to watch him do yoga

in his underwear, but for this he closes the drapes!
Monica: Rach, you know that birthing tape you wanted to see? It's here.
Chandler: Oh, and we should warn you, before you watch it: don't watch it!
Rachel: Why? You saw it? Is it scary?
Chandler: Well, let's just say it's ironic how footage of someone being born can make you want to kill yourself.
Rachel: Well, now, wait. Now I'm all freaked out. Come on, you guys will watch it with me.
Monica: No, but I will leave a sweater that smells like me right next to you!
Rachel: C'mon, seriously, you guys, you're not going to make me watch this alone!
Monica: She's right...of course not. Honey, get the tape.
Chandler: (with his arm all the way under the cushion, moving it around) This reminds me of a very specific part of the tape. (Chandler puts the tape in, and they all sit down) Okay, here we go.
Rachel: Okay, (watching the tape) Ooh, my! (Rachel jumps when the woman starts screaming) Woah! Why is that baby torturing that woman?
Chandler: Why have I seen this thing three times?!

Monica: It's...still beautiful.
Rachel: Uh! It's horrible!
Monica: I know! I know, I'm so sorry for you!
Rachel: Oh, my God!
(Monica and Rachel both cover their eyes)
Chandler: Wait, you guys, look!
Rachel: What? Did her ass explode?!

Chandler: No, the baby's out! Look, look!
Monica: Oh, look at those little fingers and toes!
Chandler: And look how happy the mom is now!
Monica: Oh...Rach!
Rachel: Oh, screw you guys, you don't have to do it!

[Scene: Central Perk. Ross is getting coffee as Joey comes from...God knows where! Some back area of Central Perk around the corner that we've never seen! Wweeillrrrrddd...]
Ross: Hey, hey, man!
Joey: Hey, what's up?
Ross: Uh...Monica just dumped me.
Joey: Oh, man, I'm sorry. Why?
Ross: Well, with everything that's been going on lately, I haven't exactly been the perfect boyfriend. You know, I, uh, I didn't tell her I got Rachel pregnant. I gave her a key to my apartment, and then had the locks changed! And then I lied to her about Rachel moving in with me. In a way, I actually judge her for not breaking up with me sooner, you know?
Joey: Still, that really sucks, man. Especially on Valentine's Day.
Ross: Yeah. Wait a minute. What are you doing here? Joey Tribbiani without a date on Valentine's Day? What's going on, huh? Girl trouble?
Joey: Sort of.
Ross: Really?!

Joey: You don't have to seem so happy about it.
Ross: Oh, sorry. Well, look, maybe I can help you with it.
Joey: Oh, I...I d—
Ross: Hey, whatever it is, I am sure it has happened to me. Y'know, actually once—once I got dumped during sex.
(Two girls sitting at a table next to them look up in disgust, and Ross and Joey move away)
Ross: Anyway, so, uh, so what is it?
Joey: Forget about it. It's no big deal.
Ross: C'mon! Joey! What is it?
Joey: It's nothing.
Ross: Hey, hey, it's me. Why can't you tell me?
Joey: Okay, uh...sit down. (they do) Um... there's this woman that I like. A lot. But, uh...it can't happen.
Ross: She's not a Tribbiani?
Joey: No!
Ross: I knew it. So, is she someone from work?
Joey: Yes.
Ross: Well, uh, does she like you?
Joey: Sometimes I think maybe she could. But it doesn't matter, because I can't do anything about it.
Ross: Why not?
Joey: Well, it's complicated. She's with this other guy. For a long time. Someone from work, too. And I could never do that to the guy, because we're really good friends.
Ross: So, uh, this guy, she used to go out with, is, uh... is he still in love with her?
Joey: No. I don't think so.
Ross: Okay. Um... is he a good guy?
Joey: Yeah, he's the best.
Ross: Then talk to him! He might be fine with it.
Joey: Oh, I don't know.
Ross: Joey, it's worth finding out. I mean, if you really like her.
Joey: I do! So much! I can't stop thinking about her! I can't sleep, I—
Ross: Okay, Joey, you know what? You have to go for it. How often does this happen to you, huh? You owe it to yourself.
Gunther: (placing a cup in front of Ross) Here's your warm milk.
Ross: I'm going to...uh...I'm going to, um, put the bourbon in it at home.
Joey: Oh, yeah.

Ross: Anyway... seriously, uh...just...just talk to the guy, okay? And tell me how it goes. (walks towards the door until...)
Joey: It's Rachel.
(Ross just stands in the doorway, for like a minute...Ahh! What's going to happen next????! I can't make it all the way through the Olympics!!!)
Closing Credits
[Scene: Ross and Rachel's. Rachel is standing in front of the TV holding a video.]
Rachel: (thinking) You're going to have a baby, and you need to be prepared. Now, you're going to make yourself watch the whole thing. Just do it! (Rachel puts the tape in the VCR)
Woman on TV: I came to the big city to become a star! I'll do...anything to make that happen!
Man on TV: Anything?
(Music starts playing...yes...you know what kind of music...)
Rachel: (thinking) Hmm...maybe it starts with how she gets pregnant.

816 The One Where Joey Tells Rachel

Lisa Kudrow: (voiceover) Previously on Friends
[Scene: Central Perk, Joey is talking to Ross]
Joey: There's this woman, that I like. A lot. Well, it's complicated. She's with this other guy. For a long time. And I could never do that to the guy, y'know? 'C'cause we're really good friends.
Ross: So, uh, this guy, she used to go out with, is, uh... is he a good guy?
Joey: Yeah, he's the best.
Ross: Then talk to him! He might be fine with it.
Joey: Oh, I don't know.
Ross: Joey, it's worth finding out. I mean, if you really like her.
Joey: I do! So much! I can't stop thinking about her! I can't sleep, I—
Ross: Okay, Joey, you know what? You have to go for it. How often does this happen to you, huh? You owe it to yourself. (Walks towards the door until...)
Joey: It's Rachel.
[Fade to Black, then fade in again with Ross stopped at the doorway.]
Ross: (closes the door) Did you um—I'm sorry, did you just say it's Rachel?
Joey: Yes.
Ross: Um, you...you like Rachel?
Joey: Yes. I like Rachel.
Ross: Rachel?!
Joey: (startled) Yeah, okay but look, buy uh—Hey-hey, y'know, y'know who else I like? You! And it-it doesn't get said enough. I like you Ross.
Ross: But R-R-Rachel-Rachel?!
Joey: Yeah, but it's not a big deal.
Ross: It's not a big deal? Oh, I'm sorry I just...um, I...what about all the stuff you-just said? I mean how about, I like—you you can't stop thinking about her. Like how you can't sleep?
Joey: I'm an actor, y'know? As-as a group, we tend to be over dramatic.
Ross: Rachel who's carrying my baby? Rachel?
Joey: Look no, I-I know it's bad, and I know it's wrong. Okay? But-but it's not like anything's ever gonna happen. Y'know? These-these are just feelings, they're gonna go away.
Ross: Y'know what? I-I gotta go. (Starts to leave.)
Joey: Oh come on Ross! Hey Ross-Ross don't...
Ross: (stops) I just—y'know—I-I just have one—Rachel?! (He exits and starts to walk away, passes a window, stops, and says "Rachel?!" again. Joey sighs and turns around to face Gunther.)
Gunther: Rachel?!
Opening Credits
[Scene: Central Perk, Rachel and Chandler are on the couch.]
Rachel: Oh-oh! Okay, she's kicking!
Chandler: Oh! (Puts his hand on her belly.) She's growing inside you.
Rachel: Whoa!!
Chandler: Oh! (Pulls his hand away.)
Rachel: Wow that was a big one.
Chandler: I think that's the youngest girl ever to reject me.
Phoebe: (entering) Oh hey you guys!
Chandler: Oh hey!
Rachel: Hi!
Phoebe: Hey listen let me ask you, do you believe in soul mates?
Rachel: Oh yes I do. I do. I believe that there is one perfect person out there for everyone. And do you know how you find him? You stop looking for him. That's why I stopped looking for Russell Crowe. He'll find me.
Phoebe: Uh-huh, (To Chandler) and you?
Chandler: No. I mean I believe that uh, certain people are more suited for each other and I believe in falling in love, but soul mates, I don't think they exist.
Phoebe: Okay, good.
Chandler: Why?
Phoebe: Well last night, I met Monica's.
Chandler: What?
Phoebe: Yeah, I had a date with this guy, and I swear to God, he is her other half.
Chandler: Come on, don't be crazy. (To Rachel) You don't think there's someone out there better suited for Monica than me, do ya? (Rachel looks at him.)
Rachel: (To Phoebe) Well, what's he like?!
Phoebe: Well he's tall.
Rachel: Uh-huh.
Phoebe: He has brown hair.

Rachel: Of course, of course.
Chandler: A tall guy with hair similar to mine, oh unknowable universe!
Phoebe: He works with food!
Rachel: Oh sure. Older?
Phoebe: Obviously, and he's British.
Rachel: Oh, I was just gonna ask!
Phoebe: Yeah? And, he's-he's so centered and mature and confident.
Rachel: Oh, it's so sad they never had a chance to meet.
Chandler: Luckily, the guy she settled for can't hear what you're talking about.
Phoebe: Oh, I'm so sorry. Um, and maybe I'm wrong! I but—y'know I'm gonna go out with him again, I'll find out more.
Chandler: You believe that this guy is destined for someone else and you're still gonna date him?
Phoebe: Well, he may not be my soul mate, but a girl's gotta eat.
[Scene: Ross and Rachel's, Ross is opening the door to Monica.]
Monica: Hey.
Ross: Hey.
Monica: I just talked to Joey, I just—I want to see how you were.
Ross: Oh y'know, I still—I can't believe it. Joey and Rachel I mean it's... It's like you and me going out, only weirder!
Monica: All right, I know you're hurting, and-and I want to be supportive, but don't say that again.
Ross: Oh my God! What if, what if they get married? Then he'd be the stepfather of my child.
Monica: Honey, I don't think that's something we need to worry about! First of all he's-he's never gonna tell her how he feels about her. And even if he did you have no idea how she'd react.
Ross: Sure, because women never like Joey. Y'know, I think he's a virgin.
Monica: Joey...he's not even thinking about going after Rachel!
Ross: He's not?
Monica: No! All he's thinking about is how you're taking this! I mean, listen it's totally freaking him out. He's talking about moving to Vermont.
Ross: Why?
Monica: He says he wants to leave the country. (Pause) He thinks you hate him.
Ross: Hate him? I... No, I don't hate him. (Pause) It's just it's Rachel, y'know?
Monica: Honey I can't even imagine how hard this must be for you. But, I don't want you to lose Joey over it. And right now he just needs to know that you're still his friend.
Ross: Okay. Okay, I'll talk to him.
Monica: All right. Now do it soon, he just asked me how to convert his dollars into Vermont money.
[Scene: Central Perk, Monica and Chandler are on the couch as Phoebe enters with Monica's soul mate.]
Phoebe: Oh! Hi!
Monica: Hi!
Phoebe: Umm, Chandler, Monica, this is Don.
Don: Oh, hello. (Shakes Chandler's hand.) Hello. (Shakes Monica's hand.)
Phoebe: (mouths to Chandler) Soul mate.
Chandler: (mouths to Phoebe) What?
Phoebe: (cough talks) Soul mate.
Monica: So, what have you guys been doing?
Don: Well, we just had a terrible lunch today at Reattica. What is with all the sun-dried tomatoes at that place?
Monica: I know! What is this, 1985?
Don: That's exactly what I said. Phoebe, isn't that strange.
Monica: Not really.
Chandler: What's wrong with sun-dried tomatoes? (Everyone stares at him.) On a barbecue chicken pizza? (Still there's staring.) No?
Monica: So Don, what-what other restaurants do you like?
Don: Well, Octavio, 27&7—Oh! And there's this great little place, Alessandro's.
Monica: Oh my God! That's my restaurant, I'm the chef there.
Don: You're kidding me!
Monica: No!
Don: Your food is fantastic! Wow, I really want to talk to you about your menu, once I get some coffees first. Um, anyone want any?
Monica: Oh, I'd like a latte. Oh y'know what? If you're gonna talk about me, I'm gonna go with you. (They go over to the counter and Chandler moves closer to Phoebe.)
Chandler: What are you doing?!

Phoebe: Nothing! I swear to God I didn't know you guys would be here! And the good news is you didn't believe in soul mates. So...
Chandler: I believe in tall, handsome strangers who hit on my wife!
Phoebe: They're just talking, and y'know what? Just because I think they're soul mates doesn't mean anything's gonna happen.
Monica: (returning) Phoebe, good work.
Phoebe: Yeah?
Monica: Yeah! Oh he's great, I love him. (Walks away and Chandler glares at Phoebe.)
Phoebe: Don't worry, we'll find you someone else.
[Scene: Joey's Apartment, there's a knock on the door and Joey answers it to Ross.]
Joey: Hey.
Ross: Hey.

Joey: Look, I understand if you came by to hit me, I deserve it.

Ross: No, I don't want to hit you.

Joey: Oh what then? Kick me?

Ross: No.

Joey: (getting worried) Bite me?

Ross: No, no I don't want to do anything to you. All right? I just want to tell you that I'm not mad at you and...and that I certainly do not hate you. I just, I just came here to say that. (Starts to leave.)

Joey: Oh now—Hey Ross-Ross! Do you wanna-wanna come in for a beer or something?

Ross: Uh...yeah sure. (Enters.)

Joey: Do uh, do you got any beer? All-all I got is this melon stuff that Rachel left. I don't...

Ross: Okay.

Joey: (pouring two glasses) Hey look Ross, you need to understand something okay? I uh...I am never gonna act on this Rachel thing, okay? I-I would never do anything to jeopardize my friendship with you. (He hands Ross a glass.)

Ross: Thank you. (They clink glasses and take a drink. Ross likes it, Joey hates it. Then Ross sees Joey hating it, mimics he hates it as well.)

Joey: Anyway, it uh...look it'll just...take me a while to get over her, that's all. I'm not even sure how to do that, I mean I've never been in love before so...

Ross: What?! You're in love with her.

Joey: Yeah, I thought you knew that.

Ross: Umm, no.

Joey: Wow. Hey look, if it helps, I don't want to feel this way. Honest. I just keep thinking, "Ah, I'll get over this." Y'know? I just—I just keeps gettin' harder. I don't, I don't know what to do. Y'know? What do I do? (Pause)

Ross: I think you need to tell her how you feel.

Joey: Okay that's the green stuff talkin'.

Ross: No, I'm serious. You-you need to find out where she is, because if she's not where you are, then you can start to move past this.

Joey: But what if uh—and I'm not saying she will be—but...

Ross: If she is where you are then uh...then my feeling weird about it shouldn't stand in the way.

Joey: Are you sure?

Ross: Yeah. Look if-if she's gonna end up with somebody else, the truth is she couldn't find a better guy. So...

Joey: Hey thanks.

Ross: So when do you think you're gonna talk to her?

Joey: Oh my God I have to tell her! I haven't even thought about what I will say. What should I say?

Ross: I'm understanding, but let's not get carried away.

Joey: I'm sorry, you're right. What am I gonna say? (He takes another sip of the green stuff and recoils at the taste.) Oh!

Ross: Yeah, tell me about it. (He stands up, turns his back to Joey, and enjoys another sip.)

Commercial Break

[Scene: Central Perk, Phoebe and Chandler are watching Monica and Don talk.]

Don: ...so I've been slowly phasing out the wine importing and focusing more on the cheese side of things.

Chandler: Cheese you say? That's some pretty smelly work, huh Don?

Don: Excuse me?

Chandler: Cheese, it's smelly. You must smell a lot of the time too.

Don: Uh, not really. But when it comes to cheese, I'm one of the people who thinks the smellier the better.

Monica: Me too! Yeah, Chandler can't stand it. He won't even allow me to have blue cheese in the house.

Don: And you're still married to him? (They both laugh, and Chandler tries to but fails.)

Monica: You know what I'd love to do? I would like to go to France and eat nothing but bread and cheese—Not even bread, just cheese. No, I want the bread. Yeah. Ah, and pastries... (Breathlessly) And pate. Oh, I'm really not high, it's just I used to be fat.

Don: Well if you where ever enter the Loire valley let me know, I've got a great little villa you can stay at.

Chandler: Is it made of cheese?

Don: No. But God, a house made of cheese, wouldn't that be incredible?!

Monica: I'd move in tomorrow!

Chandler: (disgusted) Oh come on! (To Phoebe) Are you listening to this?

Phoebe: I'm so sorry.

Chandler: What do we do?

Phoebe: I don't know, they both want to live in a house of cheese! I don't know how you fight that. [Scene: Outside Ross and Rachel's, Joey walks up to knock on the door, but stops.]

Joey: Okay. Okay, I can do this. I can tell her how I feel. Just uh, just stand up straight. (Does so.) Take a couple deep breaths. (Does so.) Look confident. (Does so as Rachel opens the door and startles him.)

Rachel: Joey? What's up?

Joey: I uh, I just came by because I-I want to talk to you about something.

Rachel: Okay what's up?

Joey: Here? In the hall? What are we animals?

Rachel: Well honey, I'm late for a meeting. So can you just make it quick?

Joey: Okay umm, I just came by to tell you that I...want to have dinner with you tonight. That's all.

Rachel: Sure! That sounds great! Just leave me a message and tell me where to meet you. Okay? (Walks away.)

Joey: Okay. That's good. Okay, that give you a couple hours to prepare what you're gonna say. Good. Yeah. (Someone comes out of his apartment and it startles Joey again.) Don't you people ever knock?!

[Scene: Monica and Chandler's, Monica and Chandler are entering.]

Monica: I'd like to have Don and Phoebe over. Wouldn't that be nice?

Chandler: Sure, why don't you set it up. I'll just be over here, browsing through the personals.

Monica: Are you okay? You've been acting weird all afternoon.

Chandler: Yeah, fine. Fine. Not perfect!! But good enough.

Monica: Jeez! What is with you?

Chandler: I'm sorry, did you say cheese?

Monica: All right, what's going on?

Chandler: Phoebe thinks you and Don are soul mates, and I don't believe in that kind of stuff. But then you two totally get along. So look, I won't stand in your way if you want to run off with Don and live in a house of cheese.

Monica: Chandler, you don't believe in soul mates?

Chandler: No. But I'm sure (mimics Don) 'tomatoes' does.

Monica: I don't believe in soul mates either.

Chandler: You don't?

Monica: No. I don't think that you and I were destined to end up together. I think that we fell in love and work hard at our relationship. Some days we love really hard.

Chandler: So you...you don't want to live with Don in a cheese house?

Monica: No, I've had second thoughts about that. Do you realize how hard that would be to clean?

Chandler: I love you.

Monica: I know.

Chandler: Y'know what? I am going to take you out to dinner tonight. I found this place that makes the greatest mozzarella sticks and jalepino poppers. (Monica doesn't look impressed.) No? Really? They taste so good. [Scene: A restaurant, Joey and Rachel are having dinner.]

Rachel: ...and I know Chandler is kidding but it happens every time he touches my stomach. I mean I'm really worried the baby's not going to like him. (Joey is staring at the table.) Are you okay?

Joey: What? Yeah! Sure! Uh, look at the uh, the reason...(Exhales slowly)—Is it hot in here?

Rachel: No. Not-not for me, but why don't you take off your sweater?

Joey: I would, but this is a nice place and my T-shirt has a picture of Calvin doing Hobbs.

Rachel: Oh my God! Really?! Can I see it?

Joey: Yeah. Sure. (They both half stand up, Joey pulls the neck of his sweater out, and Rachel looks down to see his T-shirt.)

Rachel: Huh. Wow, I wouldn't think Hobbs would like that so much.

Joey: Uh... How long have we known each other?

Rachel: Um, seven...e-e-eight, **eight** years. Wow.

Joey: Uh-huh, long time.

Rachel: Yeah.

Joey: But over the past few weeks... (A waiter runs over interrupting Joey.)

Waiter: Hah, sorry about the wait, but it is mega-jammed in here! We have a couple specials tonight...

Joey: Actually uh, could you give us a second?

Waiter: Sure. Sure. (Turns away, then turns back) Second's up! (Joey glares at him.) Not...that kind of table. (He walks away.)

Rachel: So you were saying?

Joey: I'm not quite sure.

Rachel: Okay, well you had asked me how long we had known each other, and I said, "Eight years." And the um, waiter came over and cut his tip in half, and umm...now here we are.

Joey: Yeah, here we are. Uhh... I... I think I'm...falling in love with you.

Rachel: (stunned) What?

Joey: I'm falling in love with you.

Rachel: (looking around) Who are you talking too? Oh, you're kidding! Oh, it's a joke! (Laughs.) It's funny. It's funny. I don't get it. (Joey doesn't say anything and Rachel realizes it's not a joke.) Oh. (Pause) Okay. Umm... I-I...uh, wow. Are you uh... How did umm... When?

Joey: Does it really matter?

Rachel: Wow! Wow. Wow. Wow, it is hot in here.

Joey: Okay look Rach, I know this is a lot. You don't have to say anything. You-you uh, you take as much time as you need. (Long pause as Rachel says nothing.) Okay, you gotta say something!

Rachel: Joey, Joey I love you so much, but I...

Joey: But. (Hangs his head down.)

Rachel: Joey.

Joey: Yeah-yeah right. That's okay. That's fine. That's uh, pretty much what I was expecting. So uh, it's no big deal. All right? I think I'm gonna go. (Stands up.)

Rachel: No! Joey please! Please don't! Please don't leave like this! Now come on, you cannot do this to a pregnant woman! (Starts to cry.)

Joey: Don't start doing that. You can't do that Rach, 'cause then you're gonna make me do that. (Starts to cry.) Oh, here we go! (Sits down next to her.)

Rachel: Can I? (Hug him.)

Joey: Sure!

(They hug.)

Rachel: Oh Joey honey I don't...I don't want to lose...
Joey: Hey-hey-hey, hey! You can't. Okay? Ever!
Rachel: I'm so sorry.
Joey: Oh no-no Rach, please, don't be sorry. Okay? Don't be sorry. (They hug again.) Y'know I was only kidding you.
Rachel: Yeah, that was a real good one.
Closing Credits
[Scene: A restaurant, Joey and Rachel are still hugging as a waiter walks by the table to talk to the annoying waiter from before who is watching.]
Waiter No. 2: Is this your table?
Waiter: Yeah.
Waiter No. 2: God, you're gonna be here all night!
Waiter: I know! I haven't even read them the specials yet!
Waiter No. 2: What's the matter with them?
Waiter: I don't know. I think maybe one of them is dying. (Pause) I kinda hope it's the girl. (The other waiter is shocked.) The guy is really cute!

817 The One With The Tea Leaves

[Scene: The Hallway, Rachel walks up the stairs and knocks on Joey's door.]

Rachel: Joey? Are you in there?

[Cut to inside Monica and Chandler's, Monica, Chandler and Joey are eating breakfast.]

Joey: (hearing Rachel and jumping up with his plate) Oh God! That's Rachel!

Monica: Joey, you have to talk to her!

Joey: No-no, I can't! I can't! Not after the other night, it's just it's...too weird, okay? Don't tell her I'm here! (Turns to run to the bathroom and his bagel falls off the plate onto the floor.) Don't eat that! (Runs to the bathroom as Rachel enters.)

Rachel: Hey!

Chandler: Hey!

Monica: Hey Rachel!

Rachel: Is Joey here?

Chandler: I don't see him. (To Monica) Do you see him?

Monica: I don't see him. Hey! Maybe he's in the sugar bowl! (Opens the sugar bowl) Joey? Nope! (Closes the sugar bowl and they both laugh.)

Rachel: Well, at least you make each other laugh.

Monica: What's up?

Rachel: Well, I haven't seen him since that night that he told me how he y'know... I don't know, I think he's avoiding me. Why is that bagel on the floor?

Monica: We were playing a game.

Rachel: Ew, was Chandler naked? Sort of like a, like a ring toss kind of situation?

Monica: Sure.

Chandler: What?! No! No!

Rachel: All right. Well listen, if you see Joey will you just tell him uh...tell him I miss him. (Exits and Joey enters.)

Monica: (To Joey) Okay, did you hear that?

Joey: Yeah, a naked bagel game? (Picks up his dropped bagel.) (To Chandler) Dude, I don't know. That's a pretty small hole.

Monica: Honey, you gotta talk to her.

Joey: I can't! Y'know? You guys don't know what it's like to put yourself out there like that and just get shot down.

Chandler: (incredulous) I don't know what that's like?! Up until I was 25 I thought the only response to, "I love you," was, "Oh crap!"

Monica: Hello? No rejection? I got shot down at fat camp! Boy, kids are mean when they're hungry.

Joey: All right so, so what do I do?

Monica: This is Rachel. I mean, what are you gonna do, never going to talk to her again? I mean I know it's weird, it's awkward, but you gotta at least try.

Joey: Yeah. Okay. (Goes to take a bite out of the previously mentioned bagel.) Whoa! (Stops.) I almost forgot this was on your...

Chandler: (interrupting him) We didn't play it!!
Opening Credits
[Scene: Central Perk, Phoebe is holding a book as she, Rachel, and Monica drink some tea as Chandler looks on.]

Phoebe: Okay, so when you're done with your tea I'll look at your leaves and tell you your fortune.

Chandler: I didn't know you read tea leaves.

Phoebe: Oh yeah, I've done it for years. I actually stopped because I was so accurate. Y'know, and-and y'know, one of the great joys of life is it's-it's wondrous unpredictability. Y'know? And also tea tends to give me the trots.

Monica: Okay, I'm done. Read mine.

Phoebe: Okay. (Looks at the leaves.) Ooh, I see a ladder. (Checks the book) Which can mean either a promotion or a violent death.

Monica: (stunned) I-I'm the head chef. I-I can't get promoted.

Phoebe: Uh-hmm. Uh-hmm, who's next?

Rachel: Okay, I'm done. Do mine.

Phoebe: Okay. (Reads the leaves) Umm, oh! Okay, I see a circle.

Rachel: Ah.

Phoebe: Oh! (Checking the book) Which can either mean you're having a baby or you're gonna make a scientific discovery!

Rachel: Well, I have been spending a lot of time in the lab.

Chandler: What does yours say Pheeb's?

Phoebe: Umm... Wow, all right. (Checks the book.) Wow! Yay! Ooh, I'm gonna meet a guy! And really soon! And he's gonna be the man of my dreams. Probably not the guy I had a dream about last night. (Points at Chandler.)

Ross: (entering) Hey! Has anyone seen my shirt? It's a button down, like a, like a faded salmon?

Monica: You mean your pink shirt?

Ross: Faded salmon color.

Monica: No, I-I haven't seen your pink shirt.

Ross: Great! Great. Then I must've left it at Mona's. I knew it!

Chandler: Well, I'm sure you get another one at *Ann Taylor's*.

Ross: That's my favorite shirt! Okay? I love that shirt!

Phoebe: Well just ask Mona to give it back!

Ross: I don't know. I mean I-I guess I could. It's just that we didn't really end things such good terms. And if I go over there I'd be ignoring the one thing she asked me to do when we broke up, jump up my own ass and die. (Walks away.)

Phoebe: (noticing a guy sitting by the green post looking at her) Oh wait a second you guys...for the last couple weeks I've been that guy everywhere I go. We take the same bus. We go to the same bookstore, the same dry cleaners; maybe he's the tea guy. (He gets up to leave, and smiles at Phoebe.)

Chandler: Phoebe, did you see that?! He totally checked you out! He is so cute! (Looking at his tea.) Mine has a picture of *The Village People*, what does that mean?

Joey: (Joey enters.)

Rachel: Hi!

Joey: Hey.

(He slowly walks to the other side of the couch and sits down at the table, an awkward silence follows.)

Rachel: Hi.

Joey: Hi.

(More awkward silence.)

Monica: Tea gives Phoebe the trots.

[Scene: Monica and Chandler's, Chandler is cooking as Rachel paces nervously.]

Rachel: So I thought Joey and I would be okay once we hung out, but it's not even like we know how to be with each other anymore.

Chandler: I know it's tough now, but things will get better.

Rachel: How do you know that? What if it just gets worse and worse and worse, to the point where we can't even be in the same room with each other?!

Chandler: I'm not great at the advice, can I interest you in a sarcastic comment? Some cheese?

Monica: Honey, what is the Bruce Springsteen CD in the Kat Stevens case?

Chandler: Let's just say if I can't find the right CD case I just put it in the nearest one.

Monica: Okay, where is the Kat Stevens CD?

Chandler: In the James Taylor case.

Monica: Where is the James Taylor CD?

Chandler: Honey, I'm gonna save you some time, 200 CDs, not one of them in the right case.

Monica: Okay. No need to panic. Deep breathes everyone. Okay umm uh, we're just gonna have to spend some time and put the CDs in the right cases.

Chandler: Well, if we're gonna do that we should come up with some kind of order. Y'know alphabetically or by genre?

Monica: Hmm, I don't know. We really have to talk this through.

Rachel: Oh my God!! You guys have such problems!! I feel so terrible for you!

Monica: Okay, I-I'm sorry. You and Joey, your both focusing on this uncomfortable thing, what you need to do is to change the subject. Next time you see him try to get him talking about something else.

Rachel: Oh yeah. That makes sense.

Monica: Yeah, like I don't know, maybe you have a work problem that you need his advice on.

Rachel: Ooh, I can do that.

Monica: Good. (To Chandler) Uh honey, the *Miami Vice* soundtrack? Really?

Chandler: They were just giving those away at the store (off Monica's look) in exchange for money.

Joey: (entering) Hey!

Rachel: Hi.

Monica: Uh I really don't know what to tell you Rach, I really don't. I mean, maybe Joey can help you out with your, with your big work problem.

Rachel: What?

Monica: Yeah Joey she's...Rachel's got this really big work problem, and it is a head scratcher. Wow! (To Chandler) Y'know what, if we're gonna make dinner we're gonna have to leave. Yeah. (She and Chandler exit.)

Joey: So you uh, have a...big work problem?

Rachel: Yeah it's umm... Yeah it's uh... It-it's y'know—It's nothing.

Joey: Huh. Okay. (Awkward silence.) So uh, I think I'm gonna take off.

Rachel: Yeah—No wait! Joey no wait it is. It's something. It's-it's umm...it's my boss.

Joey: Yeah?

Rachel: Yeah, and umm my baby.

Joey: Yeah?

Rachel: My boss wants to buy my baby!

Joey: What?! Oh my-oh my God!

Rachel: I know I told you, it's a really big problem.

Joey: What he wants to buy your baby?!

Rachel: Can you believe that?!

Joey: That's crazy!

Rachel: That's what I told him!

Joey: Okay, how did this even happen?

Rachel: Well I'll tell ya! (Pause) See uh my-my boss and his wife—They-they can't have children. So umm, and that—we were at the Christmas party, and he got drunk, and he said to me, "Rachel, I want to buy your baby."

Joey: Man! When you said it was a problem about your boss and the baby I figured it was something about maternity leave.

Rachel: Ohh! Yeah! (Pause) Yeah that-that would've been a much simpler problem.

[Scene: A newsstand, Phoebe is looking at a magazine as the guy from before walks by and picks up a newspaper.]

Phoebe: Oh hello.

Guy: Oh, it's you. I see you everywhere. I'm Jim, Jim Nelson.

Phoebe: Oh Jim, Jim Nelson I'm Phoebe, Phoebe Buffay. We certainly have been seeing a lot of each other lately.

Jim: We have. Maybe we'll be seeing each other at dinner tomorrow night, say around 8 o'clock?

Phoebe: Well, maybe we will. (Starts to walk away.) Oh! (She turns around and the exchange information.)

[Scene: Outside Mona's Apartment, Ross is knocking on the door.]

Ross: Mona? (There's no answer, so he starts to leave but remembers where her extra key is. He reaches atop a hall light just outside her door and grabs the key. He looks at in triumph as the pain from it being hot moves along his nervous system to his brain, and when it arrives his brain orders his hand to drop the hot key and his mouth to squeal in pain. After dropping the key he pulls his shirtsleeve over his hand and uses the key to open the door and enter Mona's apartment.) Okay, if I were a salmon shirt, where would I be? (He hears a key in the door and as it opens he dives behind the couch.)

Mona: (entering, with her date) I am so sorry I spilled wine all over your shirt.

Mona's Date: Oh, it's okay.

Mona: No, it's still wet. Y'know what? Let me get it out before it sets. Ooh, I have something you can wear. Here. (Hands him Ross's shirt.)

Mona's Date: Oh umm, I-I don't know if I want to wear a woman's shirt.

Mona: No-no that's a man's shirt.

Mona's Date: It's awfully pink. (Ross mouths, "It's salmon!")

[Scene: Monica and Chandler's, Monica and Chandler are sorting their CDs.]

Chandler: Oh my God, honey we are so meant to be together. We both have copies of the *Annie* soundtrack.

Monica: Honey, both yours.

Rachel: (entering) Hey! Great advice on that Joey thing!

Monica: Yeah? The work problem?

Rachel: Oh it was perfect! I mean it really felt like he was my friend again.

Chandler: What problem did you tell him you had?

Rachel: Oh that's not important. The point is, I really—I think everything's gonna be okay.

[Scene: Mr. Zelter's Office, he's in a meeting as Joey bursts in.]

Mr. Zelter: May I help you?

Joey: Do you think you can just **buy** my friends baby?!

Commercial Break

[Scene: A restaurant, Phoebe and Jim are on their date.]

Phoebe: Isn't it funny how we kept running into each other? It's as if someone really wants us to be together.

Jim: Someone does. Me.

Phoebe: Oh, witty banter. Well done.

Jim: So, tell me a little bit about yourself.

Phoebe: Oh okay, well I'm a masseuse, and I used to work at this place...

Jim: Do you like to party?

Phoebe: I-I-I like, I like parties.

Jim: You're wild, aren't ya?

Phoebe: Yeah I guess, a little.

Jim: It ain't no thing, I'm wild too.

Phoebe: (a little freaked out) So! Umm, anyway I-I lived in New York, someone wildly I guess, for umm—Well since I was fourteen.

Jim: I'm sorry. I'm staring. It's just that you have the most beautiful eyes.

Phoebe: Oh stop it.

Jim: And your breasts! Hmm!!!

Phoebe: Okay. Umm look, you're coming on a little strong. But I'm going to give you the benefit of the doubt, because it seems the universe really wants to be together. So, why don't we just start over okay? And you can just tell me about yourself.

Jim: All right.

Phoebe: Okay.

Jim: I write erotic novels, for children.

Phoebe: What?!

Jim: They're wildly unpopular.

Phoebe: Oh my God!

Jim: Oh also, you might be interested to know that I have a Ph.D.

Phoebe: Wow! You do?

Jim: Yeah, (looks at his crotch) a Pretty Huge...

Phoebe: All right. (Gets up and walks out.)

[Scene: Monica and Chandler's, Monica, Chandler, and now Rachel are organizing CDs.]

Chandler: (singing) The sun'll come out...tomorrow!

Bet... your bottom dollar that tomorrow... (The girls start laughing, and in a deep voice) ...there'll be sun.

Joey: (entering) Hey!

Rachel: Hey! Oh Joey, honey listen, thank you for talking to me yesterday about that thing with my boss. That really meant a lot.

Joey: Not a problem. Oh, and just so you know, that guy's not going to be bothering you about that baby thing anymore.

Rachel: (worried) What?

Joey: Let's just say I took care of it.

Rachel: Whoa-whoa-whoa, let's say more!

Joey: Don't worry! Don't worry. I just told him, very nicely, "You don't go buying people's babies, so back off!!!"

Rachel: What?!

Chandler and Monica: What?!

Rachel: No! No, no-no-no Joey he doesn't want to buy my baby! I made that up!

Joey: What?! Why?!

Rachel: So that we would have something to talk about! So it wouldn't be awkward!

Joey: And you couldn't think of anything else?!

Monica: You said your boss wants to buy your baby?!

Rachel: (To Joey) I can't believe that you yelled at my boss! I'm-I'm gonna lose my job! What am I going to do?!

Chandler: You can always sell your baby.

Rachel: Oh Joey, I can't believe you brought my boss into this! I'm gonna get fired!

Joey: You lied to me!

Rachel: Well, she told me too! (Points to Monica and Joey glares at her.)

Monica: Chandler has two copies of *Annie*!

[Scene: Mona's Apartment, she and her date are making out as Ross flips through a magazine while lying behind the couch and sees something that he likes. Meanwhile, Mona's date takes off Ross's shirt and Mona throws it on the floor. While they start making out again, Ross tries to pull the rug the shirt is on over to him, but while he does that he moves the coffee table and it bumps into the couch.]

Mona: (seeing Ross) Oh my God! Ross!!!

Ross: Hello!!

Mona: Ross, what are you doing?!

Ross: Not touching myself if that makes anyone less uncomfortable.

[Scene: Mr. Zelter's Office, Rachel is knocking on the door.]

Rachel: Morning. You wanted to see me?

Mr. Zelter: Please, come in. Have a seat. (She does so.)

Rachel: Okay look Mr. Zelter...

Mr. Zelter: Oh I think it's best that I speak first.

Rachel: Yeah. (Motions for him to continue.)

Mr. Zelter: I've asked Lee from human resources to be here as a witness to our conversation.

Rachel: Oh God.

Mr. Zelter: If I in any way implied that I wanted to buy your baby...I am sorry. Okay? Last week when I asked you when your due date was uh, I certainly did not mean that I felt that I was due your baby. Yeah, I want to be very clear that I understand that its your baby, and it is not mine to purchase.

Rachel: Well, as long as we are clear about that. (Exits smugly.)

[Scene: A Street, Phoebe and Monica are walking down it.]

Phoebe: Oh there it is.

Monica: That's not your regular dry cleaners.

Phoebe: I know, but that creep that I went on that date with goes to there so I have to find a new one. I also have to find a new video store, a new bank, a new adult bookstore, a new grocery store...

Monica: What?!

Phoebe: A new grocery store. The universe said I was going to meet a nice guy and that's what they gave me. (Looks up) When I get up there I'm going to kick some ass.

Monica: Don't worry Phoebe, you're gonna meet someone. If I can meet a great guy, so can you.

Phoebe: Yeah, we both can. And we both will. (They enter the dry cleaners.)

Phoebe: Oh, you didn't have to come in with me.

Monica: Are you kidding? This is where they get out stains! Okay? This is like *Disneyland* for me. I'm-I'm gonna be over here watching the dance of the clean shirts. (She points to and walks over to the electric clothes rack they have.)

Phoebe: Okay.

(A guy enters that looks suspiciously like Alec Baldwin from *The Hunt for Red October*, *Pearl Harbor*, and *Beetlejuice*.)

Guy: (To Phoebe) Oh, excuse me! I think you dropped s... (looks at Phoebe.) Wow!

Phoebe: What?

Guy: I'm sorry, it's just that you're so incredibly beautiful.

Phoebe: Oh yeah well, I'm sorry about that too, but what are you going to do?

Guy: I hope you don't think I'm crazy but I feel like I was meant to pick this up, do you believe in that kind of thing?

Phoebe: A little. (She turns around and looks up.) (To the universe) Now you're talking.

Guy: Would you like to go out and have a cup of coffee?

Phoebe: I-I-I'd love to. Let me just tell my friend.

Monica: (to the clerk) Ooh, an ink stain! Hey, can I watch how you get this out?

Phoebe: (looking around) She must've left.

[Scene: Monica and Chandler's, Chandler is watching Joey pace nervously as Rachel enters.]

Rachel: Hi.
Joey: So? What-what-what happened?
Rachel: It's all gonna be okay. They're just so happy that I'm not suing them that they gave me one extra month paid maternity leave. So long as I understand that the money should not construed as a down payment on this or any other child I should bear.
Chandler: Wow, *Ralph Lauren* is really going out of there way to show they're not in the baby buying business.
Rachel: Chandler, can you give us a minute?
Chandler: Oh I'm sorry, you're kicking me out of my own living room?
Rachel: Yeah.
Chandler: I'll be in there. (Goes into the bedroom.)
Rachel: Joey, I'm really sorry that I lied to you. I was just trying to make things...
Joey: I know. I know.
Rachel: It kinda worked. I mean y'know, I don't know about you buy I haven't thought about our thing since all this.
Joey: Hey you're right. Yeah, it's kinda been like us again a little bit.
Rachel: Yeah I know! I miss that.
Joey: Me too. I mean I...haven't thought at all about how I put myself out there and said all that stuff and how you didn't feel the same way about me and-and how it was really awkward. (Awkward silence.)
Rachel: My gynecologist tried to kill me.
 Closing Credits
 [Scene: Ross and Rachel's, Ross is ordering something over the phone from a catalog.]
Ross: (on phone) Item J437-A, color: winterberry. (There's a knock on the door as he hangs up the phone. He answers it to Mona.) Hi umm, listen come here, come in. (She does so.) I'm so-so sorry about yesterday. I-I'm really sorry. It's just that I... (He picks up the pink shirt.)
Mona: (interrupting him) Listen Ross, you don't have to apologize. I understand why you were there.
Ross: You do?
Mona: Yeah, you still have feelings for me. And-and to be honest, I-I still have feelings for you. And I wish that we can work it out Ross, but we can't. It's too complicated with you and Rachel and the baby, I-I just... It just wasn't meant to be.
Ross: (faking starting to cry) Oh God you're right.
Mona: Ross, we...we have to be strong. Okay, I-I'm gonna go. (She picks up the shirt Ross has just set down.) Can I? To remember you?
Ross: (laughs) No. (Takes the shirt back.)
 End

818 The One In Massapequa

[Scene: Central Perk, everyone is there.]
Phoebe: Oh, Ross, Mon, is it okay if I bring someone to your parent's anniversary party?
Monica: Yeah.
Ross: Sure. Yeah.
Joey: So, who's the guy?
Phoebe: Well, his name is Parker and I met him at the drycleaners.
Chandler: Oooh, did he put a little starch in your bloomers? (Sits up) Who said that?
Phoebe: Yeah, he's really great though. He has this incredible zest for life, and he treats me like a queen, except at night when he treats me like the naughty girl I am.
Monica: (To Ross) Oh, by the way. Would it be okay if I gave the toast to mom and dad this year?
Ross: Uh, yeah, you sure you want to after what happened at their 20th?
Monica: Yeah, I'd really like to.
Ross: Okay, hopefully this time mom won't boo you.
Monica: Yes! Every year Ross makes the toast, and it's always really moving, and always makes them cry. Well this year I'm going to make them cry.
Chandler: And you wonder why Ross is their favorite?
Monica: No! Really! Any time Ross makes a toast everyone cries, and hugs him, and pats him on the back and they all come up to me and say, "God, your brother." Know what they'll say this year? "God, you"
Joey: Well I can promise you, at least one person will be crying. (Points to himself) I'm an actor, and any actor worth himself can cry on cue. (snaps fingers)
Monica: Really you can do that?
Joey: Are you kidding me? Watch! (Makes funny faces trying to cry) Well I can't do it with you guys watching me!
 Opening Credits
 [Scene: Chandler and Monica's, they're getting ready to leave for the party.]
Chandler: What are you doing?
Monica: Oh I'm working on my toast for the party, or as I like to call it. Sob fest 2002. Hey check this out. (Hands him a picture.)
Chandler: It's a dog.
Monica: It's a dead dog. That's Chi-Chi; she died when I was in high school.
Chandler: It's your parents' anniversary and

you're going to talk about their dead pet?
Monica: The good stuff, huh?
 (Ross, Joey, and Rachel enter)
Rachel: Hi!
Ross: Hey!
Joey: Hey!
Monica: You got a present for my parents. That's so sweet.
Joey: Yeah, yeah, in honor of their 35th wedding anniversary, I had a star named after them.
Ross: Aww that is so cool.
Joey: And I got them a book on Karma Sutra for the elderly.
Rachel: Hey, do you guys have any extra ribbon?
Chandler: Yeah, sure. What do you need? We got lace, satin, sateen, raffia, gingham, felt, (Pause) and I think my testicles may be in here too.
Ross: (picking up Chi-Chi's picture) Aww! Chi-Chi! Oh, I loved this dog! Y'know Monica couldn't get braces because Chi-Chi needed knee surgery.
Monica: What?!
Ross: You were the 200-pound 11-year-old who rode her! (Phoebe and Parker enter)
Phoebe: Hey!
All: Hi!
Phoebe: Everybody, this is Parker, Parker this is...
Parker: No, no, no wait! Don't tell me. Let me guess. (Points as he says their names) Joey, Monica, Ross, Rachel and, I'm sorry Phoebe didn't mention you. (Chandler makes a face) Chandler, I'm kidding all ready you're my favorite!
Chandler: Ha!
Parker: Why don't all of you tell me a little about your self?
Ross: Ah, actually, I'm sorry we-we probably should get going.
Parker: (laughs) Classic Ross. Rachel, Rachel, oh how you glow. May I? (Puts hand on her stomach)
Rachel: I, uh, think you already are.
Parker: Rachel, you have life growing inside you. Is there anything in this world more miraculous than—Oh a picture of a dog! Whose is this?
Monica: That's my old dog. He passed away years ago.
Parker: Oh well, at least you were lucky to have him. Bow-wow old friend, bow-wow. So where's the party?
Monica: It's out on the island. It's in Massapequa.
Parker: Maaaassapequa, sounds like a magical place. Tell me about Massapequa, is it steep in Native American history? {Transcriber's Note: Interestingly Alec Baldwin was born in Massapequa.}
Ross: Well, there is an *Arby's* in the shape of a tee-pee.
Monica: Okay, I got my note cards. (To Chandler) Do you got the presents?
Chandler: Yeah.
Monica: And I've got the car keys.
Parker: We're driving!
Monica: Yeah.
 Parker: Aces!
 (Everyone except Ross and Rachel leave.)
Ross: So uh, he seems like a nice guy.
Rachel: Yeah, yeah I like him a lot.
Ross: Ya wanna hang back and take our own cab?
Rachel: Yeah, otherwise I'm not going.
 [Scene: The Anniversary Party, Ross and Rachel are arriving and see his parents.]
 Mr. and Mrs. Geller: Hi
Ross: Hi! (Kisses his mom.) Hey mom.
Rachel: This is such a great party! 35 years. Very impressive, do you guys have any pearls of wisdom?
 Mrs. Geller: Jack?
Mr. Geller: Why would you serve food on such a sharp stick? (Looking a toothpick)
Ross: That's a good question, dad. That's a good question...
Rachel: Hmmm....
Woman: (To Ross and Rachel) Congratulations you two!
Rachel: Thank you...we're so excited
Woman: And also, congratulations on your wedding.
Ross: Wha—What?
Mrs. Geller: Can we talk to you for just a y'know... It's just a little thing. Well we think it's absolutely marvelous that you're having this baby out of wedlock, some of our friends are less open-minded. Which is why we've told them all that you're married.
Ross and Rachel: What?!
Mrs. Geller: Thanks for going along with this.
Ross: Dad so what we have to pretend that we're married?
Mr. Geller: Son, I had to shave my ears for tonight. You can do this.
Ross: Can you believe that?
Rachel: Yeah, if you're going to do the ears, you might as well take a pass at the nose area.
Ross: No, us having to lie about being married.
Rachel: No, I know I don't either, but ya know what, it's their party, and it's just one night. And we don't even have to lie; we just won't say anything. If it comes up again, we'll just...smile. We'll nod along.
Woman: Ross!
Man: Rachel!
Ross: Hi Aunt Lisa, Uncle Dan
Aunt Lisa: Congratulations on the baby, and on the wedding
 Ross and **Rachel:** Hmmm....
Uncle Dan: Here's a little something to get you started. (Hands them a check)
Rachel: Oh...
Aunt Lisa: So, how's married life treating you?
Rachel: (looking at the check) Unbelievable!
Ross: We love marriage!
 Aunt Lisa: Great!
 (The rest of the gang arrives including Parker.)
Ross: Hey

Phoebe: Hey!
Parker: What a beautiful place. What a great night! I have to tell you, being here with all of you in Event Room C...I feel so lucky. I think of all the good times that have happened here. The birthdays, the proms, the mitzvahs both bar and bat, but none of them will compare with tonight! My God, I don't want to forget this moment! It's like I want to take a mental picture of you all! Click! (He takes a mental picture of them all.)
Chandler: I don't think the flash went off.
Parker: Dahaaa! (Punches Chandler in the arm and he makes a face of pain.) I'm going to find the men's room, be right back.
Phoebe: I'll go with you
Parker: Come on!
Chandler: Somewhere there is someone with a tranquilizer gun and a huge butterfly net looking for that man.
Joey: I have to go to the bathroom too, but I don't want him complimenting my thing.
Ross: I'm so we weren't in the car! Did he ever let up?
Monica: He called the Long Island Expressway a concrete miracle.
Ross: (imitating Parker) This room! This night! That waiter! His shoes! I must take a mental picture! (He backs into someone.) Ooh sorry...(He looks behind him then notices it's Phoebe then stops his impression.)
Phoebe: Were you guys making fun of Parker?
Ross: That depends, how much did you hear?
Phoebe: So, he a little enthusiastic, what's wrong with that?
Monica: It's just that, it's so much.
Phoebe: Well, so what I like him! Do I make fun of the people you've dated? Tag, Janice, Mona? No, because friends don't do that. But, do you want my opinion? Do you want it? Cause in my opinion, your collective dating record reads like the who's who of human crap. (Walks off)
Monica: I feel terrible.
Joey: I know
Ross: What was wrong with Mona?
 Commercial Break
 [Scene: The Anniversary Party, Ross and Rachel have just gotten another wedding present.]
Rachel: Open it! Open it! Open it!
Ross: Yeah baby!
Man: So we never got to hear about your wedding!
Woman: We were surprised that we weren't invited.
Ross: No, no, it was just our parents and 1 or 2 friends. It was a small wedding.
Rachel: But it was beautiful. I mean it was small, but kind of spectacular.
Man: Where did you have it?
Rachel: On a cliff, in Barbados, at sunset, and Stevie Wonder sang *Isn't She Lovely* as I walked down the aisle.
Woman: Really?
Rachel: Yeah, Stevie's an old family friend. (Hits Ross's chest)
Woman: Oh my God. That sounds amazing. I would love to see pictures.
Rachel: So would I. You wouldn't think that Annie Liebowitz would forget to put film in the camera.
Ross: Would you excuse us for a second? (Pulls Rachel off to the side) Umm... what are you doing?
Rachel: What? I'm not you. This may be the only wedding I ever have. I want it to be amazing.
Ross: Okay, okay. Oooh, ooh maybe I rode in on a *Harley*.
Rachel: Okay, Ross, it has to be realistic. (Cut to Phoebe and Parker)
Parker: Are you okay? You seem kind of quiet.
Phoebe: No, I'm fine. I'm great. I'm with you.
Parker: And I'm with you! What a great time to be alive! Look at this plate-bouncy thing. (Bounces the plates) What an inspired solution to man's plate dispensing problems.
Phoebe: Hm huh, yeah.
Parker: Ah! Oysters! Let me feed you one.
Phoebe: No, that's not necessary.
Parker: Please.
Phoebe: No, actually I don't eat...
Parker: I won't quit until you try.
Phoebe: Okay, fine! Fine! (Takes the oyster and pretends to eat it while dropping it on the floor) Mmm...hmmmm....
Parker: What are they like? I've never had one.
Phoebe: Why don't you just try one?
Parker: No, they look too weird. (Cut to Monica and Chandler)
Chandler: What are you doin'?
Monica: Just going over my toast. Those two will never know what hit 'em. I can't wait. They're going to be crying so hard. They're going to be fighting for breath.
Chandler: Ya know if you want to, I can just hold them down and you could (Punches the air). (Cut to Rachel and Ross)
Rachel: And my veil was lace, made by blind, Belgium nuns.
Woman: Blind?
Rachel: Well, not at first, but it was very intricate work and they said even though they lost their sight, it was all worth it.
Aunt Lisa: I'll bet you looked beautiful...
Rachel: Well, I don't know about that, but some said that I looked like a floating angel.
Woman: (To Ross) So, how did you propose?
Rachel: Oh yeah. That's a great story.
Ross: Well, um, actually, I-I took her to the planetarium. That's-that's where we had our first date.

Um, she walked in and I had the room filled with lilies, her favorite flower...

Aunt Lisa: Oh that is so sweet!

Rachel: Shhh! I want to hear the rest!

Ross: Then, Fred Astaire singing *The Way You Look Tonight* came on the sound system, and the lights came down. And I got down on one knee and written across the dome in the stars were the words "Will you marry me?" (Various oohs and ahhs)

Rachel: And the ring, was the size of my fist (makes a fist)!

(Cut to Phoebe and Joey)

Joey: Yeah uh, Phoebe! Look umm, I want to apologize about before, okay? We were being jerks. Parker's a nice guy and I'd like to get to know him.

Phoebe: Then you better do it now.

Joey: Why?

Phoebe: Because I'm going to kill him

Joey: What-what?

Phoebe: You guys were right. He's just too excited about...everything. I mean I'm all for living life, but this is the Geller's 35th anniversary. Okay? Let's call a spade a spade this party stinks.

Joey: I know I'm having the worst time. There was a 15-minute line for the buffet, and when I finally got up to the plates, I slipped on a giant booger!

Phoebe: Are you sure it wasn't an oyster?

Joey: I guess it could've been, I didn't really look at it. Y'know, I just wiped it on Chandler's coat and got the hell out of there.

Phoebe: He's just such a great guy I'm so excited about him.

Joey: Oh hey, you should be excited about him. There's nothing wrong with him he's a good guy.

Phoebe: You think?

Joey: Yeah. Ya know what I think; I think we were all just being too negative.

Phoebe: You're right. You're right, he's just embracing life. We could all stand to be a little more like Parker. You know what? I am like him! I'm a sunny, positive person.

Joey: Actually, you have a little bit of an edge.

Phoebe: What's that now?

Joey: Nothing...

Phoebe: Oh look it's Parker!

Parker: Look! It's the bunny hop!

Phoebe: Oooh I love it!

Parker: You do?

Phoebe: Are you kidding? People acting like animals to music. Come on!

(Cut to Monica, at the microphone)

Monica: Okay it's time for the toast! Umm now-now. I know that Ross usually gives the toast, but this year I'm going to do it. (Everyone sighs)

Monica: No, no it's going to be great. Really! Mom, Dad, when I got married, one of the things that made me sure I could do it was the amazing example the two of you set for me. For that and so many other things I want to say thank you. I know I probably don't say it enough, but I love you. (Pretends to cry hoping her parents will join her.) When I look around this room, I'm-I'm saddened by the thought of those who could not be here with us. Nana, my beloved grandmother who would so want to be here, but she can't because she's dead. As is our dog Chi-Chi. I mean look how cute she is. (Holds up the picture and pretends to cry again). Was. (To an old man by the stage.) Do me a favor and pass this to my parents. Remember she's dead. Okay, her and Nana, gone. Wow! Hey does anybody remember when Debra Winger had to say goodbye to her children in *Terms of Endearment*? (Chandler covers his ears) Didn't see that? No movie fans?! You want to hear something sad? The other day I was watching *60 Minutes* these orphans in Romania, who have been so neglected, they were incapable of love. (Waits for people to cry, but doesn't get any tears.) You people are made of stone! Here's to mom and dad! Whatever!

Mrs. Geller: Thank you Monica that was uh, interesting. Wasn't it interesting, Jack?

Mr. Geller: (looking at the picture) Why don't I remember this dog?

Mrs. Geller: Ross, why don't you give us your toast now?

Ross: Oh, no, Mom, it's just Monica this year.

Mrs. Geller: You're not going to say anything? On our 35th wedding anniversary

Ross: No, of course, Um... Um, everybody? Um, I-I just wanted to say...on behalf of my new bride, Rachel (She turns around and smiles), and myself. Umm, that if...if in 35 years, we're half as happy as you guys are, we'll count ourselves the luckiest people in the world.

Mrs. Geller: (crying) Oh Ross...

Mr. Geller: I just wish Nana were alive to hear Ross's toast.

[Scene: Phoebe's apartment, Parker and her are entering.]

Parker: My God what a fantastically well lit hallway!

Phoebe: Can I get you something to drink? Like a water and Valium?

Parker: I must say this apartment, its, its, There are no words...

Phoebe: Oh thank God.

Parker: It's a haven. A third-floor paradise. A modern-day Eden in the midst...

Phoebe: Yeah? I know! I know! Uh huh? Listen why don't we just um, sit and relax? You know just be with each other. Quietly!

Parker: That sounds great. (Sits down) My God this is the most comfortable couch I've ever sat on in my entire life. (Bounces on couch)

Phoebe: Let's try something else, let's play a game.

Parker: I love games!

Phoebe: Shocking! Let's play the game of who can stay quiet the longest. (Giggles)

Parker: Or...*Jenga*.

Phoebe: But, let's play this one first. And remember whoever talks first loses! (They sit back)

Parker: I lose, now *Jenga*.

Phoebe: Oh my God! Oh my God!

Parker: Is something wrong?

Phoebe: Wrong? Really? You know the word wrong. Everything isn't perfect? Everything isn't magical? Everything isn't a glow with the light of a million fairies? They were just brake lights, Parker!

Parker: Well, excuse me for putting a good spin on a traffic jam!

Phoebe: You don't have to put a good spin on everything.

Parker: I'm sorry that's who I am. I'm a positive person.

Phoebe: No! I am a positive person. You are like Santa Clause on Prozac, at *Disneyland*, getting laid!

Parker: So what do you want me to do, you want me to be more negative, less happy?

Phoebe: Much less happy!

Parker: Fine! Well then to quote Ross, "I'd better be going."

Phoebe: So long! Don't let the best door in the world hit you in the ass on your way out! (He exits and she slams the door behind him.)

(There's a knock on door, and Phoebe opens it.)

Parker: Isn't this the most incredible fight you've ever had in your entire life?

Phoebe: Uh huh. (Closes door)

[Scene: Ross and Rachel's, they're returning from the party.]

Ross: ...and then, we could've gone from the ceremony to the reception with you in the sidecar!

Rachel: Ross, it just wouldn't have been feasible.

Ross: But having a dove place the ring on your finger would've been no problem?

Rachel: It was really fun being married to you tonight.

Ross: Yeah! And! And, it was the easiest 400 bucks I've ever made.

Rachel: Okay Ross, can I uh, can I ask you something?

Ross: Yeah.

Rachel: That proposal, at the planetarium...

Ross: I know, I know it was stupid.

Rachel: Are you kidding?! With the, with the lilies, and-and the song, and the stars! It was...really wonderful! Did you just make that up?

Ross: No, actually I thought about it when, when we were going out. It's how I imagined I uh, I would ask you to marry me.

Rachel: Well, that would've been very hard to say no too.

Ross: It's a good thing I didn't do it, because it sounds like it would've been a very expensive wedding. (Rachel laughs) Okay, good night

Rachel: Goodnight

(They go off to their bedrooms)

Ross: Even if the sidecar had a windscreen so your hair wouldn't get messed up?

Rachel: I will think about it.

Ross: That's all I'm askin'

Ending Credits

[Scene: Central Perk, Ross and Monica are there.]

Monica: Okay that's it. I give up. At mom and dad's 40th anniversary, you're the one giving the speech.

Ross: Y'know I don't understand why they didn't cry. It was a beautiful speech.

Monica: Oh, come on.

Ross: Hey! All that stuff you said about true love, you were right, I mean, we did learn a lot from Mom and Dad! And that picture of Chi-Chi with her mischievous grin. And what you said about Nana. Ohh, yeah she really would've wanted to be there. And you know what? I think she was.

Monica: (starts to cry) Oh good God, Ross! How the hell do you do it?

819 The One With Joey's Interview

[Scene: Monica and Chandler's, everyone except Phoebe is there as Rachel enters carrying a magazine.]

Rachel: Hi!

Ross: Hey!

Monica: Hey!

Rachel: So, I'm in my apartment doing the *Soap Opera Digest* crossword puzzle, and guess who the clue is for three down. (She hands the magazine to Joey.)

Joey: (reading) Three down, *Days Of Our Lives* star blank Tribbiani. That's me!! I'm blank!!

Monica: How cool is this?! We know three down! I'm touching three down! (She has her hand on his shoulder.)

Joey: Yeah you are baby.

Monica: Three down knows I'm married, what's three down doin'?

Rachel: So did they call you to tell you your name's gonna be in this?

Joey: No. They really like me over there. They want to do a big profile on me, but I said no.

Ross: Why'd you say no?

Joey: Remember what happened the last time I did an

interview for them? I said I write a lot of my own lines, and then the writers got mad and made my character fall down the elevator shaft. So who knows what I might say this time.

Chandler: If **only** there was something in your head to control the things you say. (Joey nods his agreement.)

Rachel: Oh, come on Joey! You will totally keep it in check this time, and plus y'know the publicity would be really good for your career! And you deserve that! And if you do the interview you can mention, oh I don't know, gal pal Rachel Green?

Chandler: Is that gal pal spelled L-O-S-E-R?

Rachel: Okay, don't listen to him. Please?

Joey: Fine! All right, I'll do it. But hey! You guys have to be at the next table so you can stop me if I y'know, start to say something stupid.

Ross: Just then or-or all the time, 'cause we-we have jobs y'know.

Rachel: Come on! We will be there for you the whole time! Just remember gal pal Rachel Green. (Excited) Ha-ha! I'm gonna be in *Soap Opera Digest*! And not just in the dumb crossword puzzle. (Looks at Joey.) Seriously, proud of you.

Joey: Yeah.

Opening Credits

[Scene: Central Perk, Joey is there for his interview and everyone but Phoebe are hiding on the couch.]

The Interviewer: I really appreciate you taking the time to do this.

Joey: Oh, not at all. Happy to do it.

[Cut to the rest of the gang sitting low on the couch and craning their necks to watch the interview.]

Monica: (To Chandler) You think we're being obvious?

Chandler: No, we're just four people with neck problems. You talk like this. (Out of the sides of their mouths.)

[Cut to the interview.]

The Interviewer: (To Joey) Y'know I think its great you wanted to meet here. Y'know when most people hear the magazine is paying for it they want to go to a big fancy restaurant.

Joey: (laughs) Actually, I didn't know the magazine was paying for it. Wouldn't have mattered, I'm doing this for the fans, not for the free food.

Gunther: Can I get you anything?

The Interviewer: Umm, I'll have a cup of coffee.

Joey: And I'll have all the muffins.

[Cut to the gang.]

Phoebe: (entering) Hey!

Ross: Shhh! We're not talking.

Phoebe: Oh. Finally! Oh. (Sits back in relief.)

[Cut to the interview.]

The Interviewer: So, according to your bio, you've done quite a bit of work before *Days of Our Lives*. Anything you're particularly proud of?

[This starts a series of flashbacks; the first one is from Episode 106: The One With The Butt, Joey is in a play called Freud!]

Joey: (He goes into a song and dance number)

All you want is a dingle,

What you envy's a schwang,

A thing through which you can tinkle,

Or play with, or simply let hang...

[The next one is from Episode 304: The One With The Metaphorical Tunnel, Joey is on *Amazing Discoveries*.]

Host: Folks, has this ever happened to you. You go to the refrigerator to get a nice glass of milk, (Joey is in the background struggling to open a carton of milk) and these darn cartons are so flingin'-flingin' hard to open.

Joey: Oh, you said it Mike. (Rips open the carton and spills milk on the counter) Aw! There's got to be a better way!

Mike: And there is Kevin.

[Cut forward.]

Mike: This is the first time he's ever used this product, he's never used this product before, you're gonna see how easy this is to do. (To Kevin) Go ahead. ('Kevin' starts using the product, it is a spout that you jab into a paper milk carton so that you don't have to rip it open.) This works with any milk carton.

Joey: (finishing installing the Milk Master 2000) Wow, it is easy. (Starts to pour the milk) Now, I can have milk everyday.

(The crowd ahhs.)

[The next one is from Episode 322: The One With The Screamer, it's the end of Joey's play.]

Lauren: So this is it? Victor?

Joey: Yeah, I guess it is. And so... I'm gonna get on this spaceship, (Smoke starts pouring in from the ceiling, and a ladder comes down, with flashing, colored lights on the side of it) and I'm gonna go to Blargon 7 in search of alternative fuels. But when I return, 200 years from now, you'll be long gone. But I won't have aged at all. (Gets on the ladder) So you tell your great-great-granddaughter to look me up, because Adrienne... baby...I'm gonna want to meet her.

(The ladder retracts, taking Joey up into the spaceship for his voyage to Blargon 7.)

[The next one is from Episode 204: The One With Phoebe's Husband, when everyone including Julie is watching Joey in his porno.]

Joey: Shh, OK, here I come, here I come. See I'm comin' to fix the copier, I can't get to the copier, I'm thinkin' what do I do, what do I do...so I just watch 'em have sex. And then I say, wait here...my line, (Joey from TV) *you know that's bad for the paper tray*.

Chandler: Nice work my friend.

Joey: Thank you. Wait-wait-wait-wait, you see me

again. Hang on, the guy's butt's blockin' me. There I am, there I am, there I am, there I am, there I am...
 [Cut to the interview.]
Joey: Well, there are so many things, it's hard to pick just one.
 [Cut to the gang.]
Phoebe: I'm gonna get some coffee, anyone want anything?
Rachel: Oh yeah, I'd actually love a blueberry muffin and a chamomile tea.
Ross: Uh, double latte, extra foam.
Chandler: And a bagel with only...
Phoebe: (interrupting him) I was just being polite!
 [Cut to the interview.]
The Interviewer: Okay, how about when you're not working. What do you do in your spare time?
 [This starts another series of flashbacks about Joey's hobbies. The first one is from Episode 703: The One With Phoebe's Cookies, Rachel is teaching Joey how to sail his boat, the Mr. Bowmont.]
Joey: (drinking a beer) Look at this clown! Just because he's got a bigger boat he thinks he can take up the whole river. (Yelling) Get out of the way jackass! (To Rachel) Who names their boat Coast Guard anyway?
Rachel: That is the Coast Guard.
Joey: What are they doing out here? The coast's all the way over there. (Points to the coast.)
 [The next one is from Episode 603: The One With Ross's Denial, Joey is amazing Phoebe and Monica by holding his breath.]
Chandler: (entering) Hey!
Phoebe: Hey! Check it out! This is unbelievable! Joey has been holding his breath for almost four minutes!
 (We see Joey who has puffed up his cheeks and Chandler nonchalantly reaches down and pinches Joey's nose shut. In a few seconds, Joey has to move because he's now forced to actually hold his breath.)
Joey: (To Chandler) Dude! What are you—your trying to kill me?!
 [The next one is from Episode 507: The One Where Ross Moves In.]
 [Scene: Chandler and Joey's and Ross's, Chandler is entering and when he closes the door Joey pops his head out of the fort like before, but this time he's wearing a cowboy hat.]
Chandler: Well, I see you've had a very productive day. Don't you think the cowboy hat is a little much?
Ross: (popping up behind Joey wearing an Indian headdress) Come on, it's fun!
Chandler: All right! (He joins them in the fort and comes up putting on a bonnet.) Isn't this a woman's hat?
Joey: Dude, stop talking crazy and make us some tea!
 (Chandler does so.)
 [The next one is from Episode 417: The One With The Free Porn, Chandler and Joey are lamenting the fact that every beautiful woman they see doesn't want to have sex right then and there like in porn.]
Chandler: Y'know what, we have to turn off the porn.
Joey: I think you're right.
 (Goes over and picks up the remote.)
Chandler: All right, ready?
Joey: One.
Chandler: Two.
Both: Three.
 (Chandler turns off the porn and sets the remote down.)
Joey: That's kinda nice.
Chandler: Yeah, that's kinda a relief.
Joey: Yeah.
 (Pause.)
Chandler: You wanna see if we still have it?
Joey: Yeah.
 (Chandler turns on the TV and...)
Chandler: FREE PORN!!!
Joey: Yeah!!
Chandler: We have free porn here!!!
 [Cut to the interview.]
Joey: In my spare time I uh, read to the blind. And I'm also a mento for the kids. (The gang shake their heads.) Y'know a mento, a role model. (Chandler bites his fist to keep from talking.)
 The Interviewer: A mento...
Joey: Right.
The Interviewer: Like the candy?
Joey: Matter of fact, I do.
 (Chandler tries to jump over the couch but everyone stops him.)
The Interviewer: Well umm, another thing our readers always want to know is how our soap stars stay in such great shape. Do you have some kind of fitness regime?
Joey: Uh, we stars just try to eat right and get lots of exercise.
 [Another set of flashbacks begin with Episode 521: The One With The Ball, Joey and Ross are throwing a ball around.]
Joey: Wow! You realize that we've been throwing this ball, without dropping it, for like an hour?
Ross: Are you serious?!

I didn't want to say anything 'cause I didn't want to jinx it.
Ross: Wow! We are pretty good at this!
Joey: Yeah!
Ross: Hey! We totally forgot about lunch!
Joey: Oh, I-I, I think that's the first time I ever missed a meal! (Checks his pants.) Yeah, my pants are a little loose!
 [The next one is from Episode 604: The One Where Joey Loses His Insurance.]
 [Scene: Chandler and Joey's, Chandler enters to find Joey lying in the fetus position on the floor.]
Chandler: What's wrong with you?
Joey: Nothing! Well, I-I got this blinding pain in my stomach when I was lifting weights before, then I uh passed out and uh, haven't been able to stand up since. But um, I don't think it's anything serious.
Chandler: This sounds like a hernia. You have to—you-you—Go to the doctor!
Joey: No way! 'Kay look, if I have to go to the doctor for anything it's gonna be for this thing sticking out of my stomach! (Rolls over and shows Chandler.) Why did I have to start working out again? (Looks at the weights he was using.) Damn you 15s!
 [The next one is from Episode 609: The One Where Ross Got High, Rachel is describing her desert to Joey and Ross.]
Rachel: It's a trifle. It's got all of these layers. First there's a layer of ladyfingers, then a layer of jam, then custard, which I made from scratch. [Joey and Ross make impressed faces] Then raspberries, more ladyfingers, then beef sautéed with peas and onions. [Joey and Ross look like something's wrong.] then a little more custard, and then bananas, and then I just put some whipped cream on top!
 [Time lapse, Ross and Joey are eating Rachel's disaster.]
Ross: It tastes like feet!
Joey: I like it.
Ross: Are you kidding?
Joey: What's not to like? Custard? Good. Jam? Good. Meat? Goooooooooood.
 [The next one is from Episode 619: The One With Joey's Fridge.]
 [Scene: Joey and Rachel's apartment, Chandler is entering to find Joey bingeing on the food from the fridge. Joey isn't doing all that well.]
Joey: (The fridge broke. I have to eat everything. Cold cuts, ice cream, limes—Hey, what was in that brown jar?)
Chandler: That's still in there?!
Joey: Not anymore.
 [The next one is from Episode 711: The One With All the Cheesecakes.]
 [Scene: The Hallway, Chandler and Rachel are on their knees with forks trying to salvage what they can of the cheesecake off of the floor.]
Rachel: Oh! Yay! Look! There's a piece that doesn't have floor on it!
Chandler: Stick to your side!
Rachel: Hey, come on now!
 (Joey finishes climbing the stairs and sees them. Chandler and Rachel both stop and look up at him. Joey sits down on the step.)
Joey: (pulls out a fork) All right, what are we havin'? (Starts digging in.)
 [Cut to the interview.]
Joey: Uhh, I don't believe in these crazy diets y'know, just everything in moderation.
Gunther: Your muffins. (Sets down a huge plate of muffins in front of Joey.)
Joey: I'll take those to go. (To the interviewer) For the kids.
The Interviewer: Oh, I know what I wanted to ask you. You were on the show years ago and then they killed you off. What happened there?
Joey: It was so stupid, I said some stuff in an interview that I shouldn't have said. But believe me, that's not gonna happen today.
The Interviewer: Understood. So, what'd you say back then?
Joey: Well, I said that I... (The gang jumps up and interrupts him.)
 Commercial Break
 [Scene: Central Perk, continued from earlier.]
Joey: You guys, this is Shelley, she's interviewing me for *Soap Opera Digest*, and Shelley, this are my friends...
Rachel: (interrupting him) Hi! I'm gal pal Rachel Green, and if you want the dirt, I'm the one you come too. This might be Joey's baby (rubbing her stomach), who knows? I'm just kidding—seriously, (leans into the cassette recorder Shelley is using) gal pal Rachel Green.
Ross: (leaning into the recorder as well) Who just lost the respect of her unborn child.
The Interviewer: Umm, I'm gonna just go get this warmed up. (She takes her coffee mug up to the counter.)
Joey: Okay.
Monica: Joey! You're doing great!
Ross: Yeah, so far nothing stupid!
Chandler: Mento?
Joey: No thanks.
The Interviewer: (returning) So, as Joey's friends, is there anything that you guys think our readers ought to know?
Ross: Uh no, no just-just that he is a great guy.
Rachel: (scoffs at him) Yeah, that's gonna get you into *Soap Opera Digest*. Well I... (leans into the microphone again)...I would just like to say that Joey truly has enriched the days of our lives.
Phoebe: Umm, I...I just think you don't expect someone so hot to be so sweet.
The Interviewer: Oh! I like that. What's your name?
Phoebe: Umm, Phoebe Buffay.
The Interviewer: How do you spell that? So we can get it right.
Phoebe: Oh okay, it's P as in Phoebe, H as in hoebe, O as

in oebe, E as in ebe, B as in bee-bee and E as in (In an Australian accent) 'Elo there mate!
The Interviewer: Great! Well, it was nice meeting all of you.
Ross: Yeah, you too.
Rachel: You too!
Chandler: Thanks.
Monica: Bye. (They resume their previous positions.)
The Interviewer: So it seems like you have a lot of friends, who would you say is your best friend?
 [They gang all lean back to listen better, and this starts another series of flashbacks. The first one is from Episode 214: The One With The Prom Video, Rachel has just found the bracelet that Joey gave Chandler, which is after he bought one to replace it.]
Joey: How come you have two?
Chandler: Well this one's for you.
Joey: Get out.
Chandler: No, I can't. No-no, listen, I, I know how much this means to you and I also know that this is about more than just jewelry, (Puts bracelet on Joey) it's about you and me and the fact that we're (Reading bracelet) best buds.
Joey: Wow, is this friendship? I think so. Check it out, we're bracelet buddies.
Chandler: That's what they'll call us.
 [The next one is from Episode 618: The One Where Ross Dates A Student.]
 [Scene: Joey's apartment, Joey and Rachel are eating spaghetti in the living room while watching TV and Rachel drops some on the floor.]
Rachel: Oh, Joey! Sorry!
Joey: No that's all right. Don't worry about it.
Rachel: Oh but look! That's gonna leave a stain!
Joey: Rach! Hey! It's fine! You're at Joey's!
Rachel: Really?
Joey: Yeah! Look! (He throws some of his spaghetti on the floor.)
Rachel: I've never lived like this before.
Joey: I know.
 (Rachel throws some of hers down.)
Joey: All right, don't waste it, I mean its still food. (He picks it up and eats it.)
 [The next one is from Episode 224: The One With Barry And Mindy's Wedding, Joey has to kiss a guy in an audition and has been trying to find one to practice with.]
 [Scene: Chandler and Joey's, Joey is reading a script as Ross enters]
Ross: All right I've been feeling incredibly guilty about this, because I wanna be a good friend, and damnit I am a good friend. So just, just shut up and close your eyes (kisses Joey).
Joey: Wow, you are a good friend, 'course the audition was this morning, and I didn't get it. But that was a hell of a kiss. Rachel is a very lucky girl.
 [The next one is from Episode 512: The One With Chandler's Work Laugh, Joey and Phoebe are betting on who will reach the treat the fastest, the chick or the duck.]
Joey: All right. Let's get the contestants out of their isolation booths. (He removes the waste bucket that's over the duck and the laundry basket that's over the chicken.) And they're off! (He puts his foot in front of the chick, stopping it from moving.)
Phoebe: Get your foot off my contestant! Judge!
Joey: Judge rules, no violation.
Phoebe: Ohhh.
Joey: And the duck gets the Nutter-Butter!
Phoebe: (turning from Ross.) No!! Hey-hey that's not a Nutter-Butter, that's just an old Wonton!
Joey: Judge rules, Nutter-Butter.
Phoebe: Ohh, tough call.
Joey: Yeah.
 [The next one is from Episode 401: The One With The Jellyfish, where Monica, Joey, and Chandler are relating that tragic day they spent on the beach.]
Joey: I'd seen this thing on *The Discovery Channel*...
Ross: Wait a minute! I saw that! On *The Discovery Channel*, yeah! About jellyfish and how if you... (Stops suddenly and turns to look at Monica) Ewwwww!! You peed on yourself?!
 Phoebe and Rachel: Ewwwww!!
Monica: You can't say that!! You-you don't know!! I mean I thought I was gonna pass out from the pain! Anyway I-I tried, but I-I couldn't...bend that way. So... (Looks at Joey.)
Phoebe, Ross, and Rachel: (turning to look at Joey) Ewwwww!!
Joey: That's right I stepped up! She's my friend and she needed help! And if I had too, I'd pee on anyone of you!
 [Cut to the interview.]
Joey: Umm, no. No best friend, no. Just a lot of close friends.
The Interviewer: So umm, now back to the show. How does it feel to have a huge gay fan base?
Joey: Really? Me? Wow! I don't even know any huge gay people!
 [Cut to the gang.]
Chandler: It hurts me. It physically hurts me.
 [Cut to the interview.]
The Interviewer: Now, off the record, you're not...
 [Another group of flashbacks begin with Episode 513: The One With Joey's Bag. Joey is carrying the bag and

has entered Central Perk to the amusement of Ross and Chandler.]

Joey: What? Are you referring to my man's bag? At first, I thought it just looked good, but it's practical too. Check it out! It's got compartments for all your stuff! Your wallet! Your keys! Your address book!

Ross: Your make-up!

[The next one is from Episode 712: The One Where They're Up All Night, Joey and Ross are deciding how to climb down the final part of the fire escape.]

Ross: Okay. Now-now-now should I climb down your front so we're face to face or-should I climb down your back so we're-we're butt to face.

Joey: I think face to face.

Ross: I would say that.

Joey: Face to face, yeah!

Ross: Okay, here I go.

Joey: All right.

(Ross steps onto the bottom rung of the ladder and then steps on Joey's chest.)

Joey: (grunting) Oh my... How much do you weigh Ross?!

Ross: I prefer not to answer that right now, I'm still carrying a little holiday weight.

(Ross continues to climb down. He puts his other foot further down on Joey's torso, but that doesn't work very well and he's forced to wrap his legs around Joey. Which then forces Joey to get a nice and close view of Ross's crotch.)

Joey: Y'know, when we talked about face to face, I don't think we thought it all the way through.

[The next one is from Episode 722: The One With Chandler's Dad.]

[Scene: Central Perk, Phoebe is sitting on the couch as Joey enters strutting.]

Joey: Hey Phoebe! (He sits down next to her.)

Phoebe: Hey!

Joey: Check it out. (He turns around, pulls down his pants, and shows Phoebe that he's got panties on.) How much of a man am I?!

Phoebe: Wow! Nice! Manly and also kind of a slut.

[The next one is from Episode 608: The One With Ross's Teeth, Chandler is accusing Joey of becoming less of a man.]

Chandler: You're turning into a woman.

Joey: No I'm not. Why would you say that? That's just mean.

Chandler: Now I've upset you? What did I say?

Joey: It's not what you said. It's the way you said it... Oh My God, I'm a woman!!!

[The next one is from Episode 706: The One With The Nap Partners.]

[Scene: Joey and Rachel's, Joey and Ross are napping together again and both wake up at the same time.]

Joey: Great nap.

Ross: It really was.

(Suddenly Rachel clears her throat and the camera cuts to the rest of the gang staring at them. Needless to say Joey and Ross are shocked and slowly turn their heads to see the gang.)

[Cut to the interview.]

Joey: Uh me? Gay? Not No. No, but I have a number of close friends who are. (Chandler and Ross look at each other.)

The Interviewer: So, let's talk about women. I'm sure our female readers will be interested to know about your romantic life.

[Another series of flashbacks begins with Episode 413: The One With Rachel's Crush, Joey is telling Rachel and Phoebe how he picks up women.]

Joey: Oh-oh-oh-oh, how I do it is, I look a woman up and down and say, "Hey, how you doin'?"

Phoebe: Oh, please!

Joey: (to Phoebe) Hey, how you doin'? (Phoebe looks at him, and then giggles and looks away.)

[The next one is from Episode 605: The One With Joey's Porsche.]

[Scene: The street, Joey is messing with a car cover and still wearing the Porsche stuff. This guy playing street football catches a pass next to the car cover Joey is fooling around with.]

Joey: Hey! How you doin'?

Woman: (to her friend) He has the most amazing Porsche under there!

Joey: I'd love to show ya, but I just tucked her in. She's sleeping. (The women both laugh) Hey uh, would you two girls like to go for a drink? (Just then the same guy with the football dives to make a catch, lands on the car cover, and collapses it. It turns out that Joey set up a bunch of boxes to make it look like a Porsche.)

[The next one is from Episode 613: The One With Rachel's Sister, Chandler has just opened the door to reveal a woman standing there.]

Woman: Hi, is Rachel here? I'm her sister.

Rachel: Oh my God, Jill!

Jill: Oh my God, Rachel!

(They run and hug each other.)

Chandler: Oh my God, introduce us!

Rachel: This is Chandler. (Points at him.)

Jill: Hi!

Rachel: And you know Monica and Ross!

Ross: Hi Jill.

Rachel: And that's Phoebe (points), and that's Joey.

Joey: Hey, (in the Joey voice) how you doin'?

Rachel: Don't!! (Joey backs away frightened.)

[The final one is from Episode 607: The One Where Phoebe Runs, Joey has been trying to repel Janice and sees it's not working to his liking so he's confronting her about the sexual tension.]

Janine: No! I mean you're a really nice guy and I'm happy to be your roommate and your friend, I'm just y'know, I just don't feel that way about you.

Joey: Oh! I see what happened. It's because I was trying to repel you. Right? Believe me, you'd feel a lot different if I turned it on.

Janine: I don't think so.

Joey: Oh, I do. (Gives her the Joey-love look.) How you doin'?

Janine: I'm okay.

Joey: What?!?! Oh dear God!

[Cut to the interview.]

Joey: Not much to tell there I'm really shy.

(The gang is confused.)

The Interviewer: So, that's it. I guess that's all I need. Thank you so much. I think they will be running this in the beginning of next month.

Joey: Oh great! Great! Thank you. (They shake hands.)

The Interviewer: Bye.

Joey: Bye-bye. (The interviewer leaves and he sits down with the rest of the gang.) I did it!

Rachel: Yeah!

Ross: Amazing! Amazing!

The Interviewer: (returning) Oh wait! I almost forgot. We have to ask everybody this. Other than *Days of Our Lives*, what's your favorite soap opera?

Joey: Oh, I don't watch soap operas. Excuse me, I have a life, y'know?

(The gang is disappointed.)

The Interviewer: Thank you. The readers at *Soap Opera Digest* will be happy to hear that.

Joey: Oh, good to know. (The interviewer leaves.) So close!

Closing Credits

[Scene: Monica and Chandler's, everyone is reading Joey's interview.]

Rachel: Wow! I can't believe they didn't put it in the part where you said you didn't watch soap operas.

Joey: Yeah, I called the lady about that. I told her I was just joking. She was pretty nice about that.

Monica: You slept with her didn't you?

Joey: Little bit, yeah.

Ross: Wow! This picture of you sure is steamy.

Joey: Oh yeah, that's just a little something for my huge gay fan base. (Winks at him.)

Ross: Did you just wink at me?

Joey: Hey, you're the one that loves the picture.

End

820 The One With The Baby Shower

[Scene: Monica and Chandler's, Monica and Phoebe are preparing for Rachel's baby shower.]

Rachel: (entering) Hi!

Monica: Hey!

Phoebe: Hey!

Rachel: So what's the final head count on my baby shower?

Phoebe: About twenty, a couple people from work who had something else to do.

Monica: Also both of your sisters called and neither can make it.

Rachel: What?! You mean they're not coming to a social event where there's no men and there's no booze?! That's shocking! I don't care, as long as my mom's here.

Monica: Oh my God, your mother!

Rachel: What?! My mom's not gonna be here?!

Monica: Well, given that we forgot to invite her it would be an awfully big coincidence if she was.

Rachel: My God!

Monica: Well it wasn't my fault, Phoebe was in charge of the invitations!

Phoebe: Well I don't, I don't have a mother so often I forget that other people...

Monica: (interrupting her) Oh give it a rest!

Rachel: So my mother is not coming to my baby shower?!

Phoebe: No. (Pause) Neither is mine.

Monica: Okay, y'know what? Don't worry, okay? We'll take care of it. We'll call her. Just go home and get ready.

Rachel: Please, make sure she comes. It's really important to me, I mean it's my mom!

Phoebe: I know. I know, what's her number?

Rachel: I don't know.

Monica: Go! I have it in my book. Go! (Rachel leaves and Monica calls Mrs. Green.) (To Phoebe) Wait a minute! If you're in charge of the invitations why am I the one who has to call her—Hello Mrs. Green! Hi, it's Monica Geller.

Mrs. Green: Oh, hello Monica.

Monica: (on phone) Hi, umm I know this is last minute, but we've decided to throw an impromptu baby shower for Rachel today.

Mrs. Green: I know, my daughter's told me about it when they received their impromptu invitations a month ago.

Monica: Yeah, I'm sorry. I'm-I'm so sorry.

Mrs. Green: For what dear? For not inviting me or lying about it?

Monica: (To Phoebe) Oh my God, my ass is sweating! (on phone) Please! Please! Can you come? It's today at four.

Mrs. Green: Well all right. I'll see you at four.

Monica: Thank you. (Hangs up.)

Phoebe: Isn't it at three?

Monica: Son of a bitch! (Calls Mrs. Green again.)

Opening Credits

[Scene: Joey's Apartment, Joey is reading a script as Ross and Chandler enter carrying a basketball.]

Chandler: Hey Joe! You wanna shoot some hoops?

Joey: Oh no, I can't go. I'm practicing; I got an audition to be the host of a new game show.

Ross: Oh cool!

Chandler: That's great.

Joey: Yeah-yeah, and if I get it by day I'll (In a sexy voice) Dr. Drake Remoray, but by night I'll be (In an announcer's voice) Joey Terrribbiani!

Chandler: You'll be perfect for this! That's already your name!

Joey: But the audition's in a couple hours and I don't even understand the game.

Ross: Well do you want some help?

Joey: Oh really? That'd be great! You guys can be the contestants!

Ross: Awesome!

Chandler: Okay, I guess we can lose to junior high girls some other time.

Joey: (announcer voice) All right! Let's play Bamboozled!

Chandler: Bamboozled?

Joey: Yeah, isn't that a cool name?

Ross: (simultaneously with Chandler) Yeah!

Chandler: (simultaneously with Ross) No!

Joey: All right. Uhh, okay. Our first contestant is Ross Geller. Why don't you tell us a little something about you Ross?

Ross: Well uh, I-I'm a paleontologist. Umm, I-I live in New York. I have a son Ben. Uh, hi Ben! (Waves.) And uh...

Joey: I said a little bit Ross. Now, how about you Chandler?

Chandler: Well Joey, I'm a headhunter. I hook up out of work Soviet scientists with rogue third-world nations. Hi Rasputin! (Waves.)

Joey: Excellent! Let's play Bamboozled! Chandler, you'll go first. What is the capital of Columbia?

Chandler: Bogota.

Joey: It's Ba-go-ta, but close enough. Now, you can either pass your turn to Ross or pick a Wicked Wango card.

Chandler: What does a Wicked Wango card do?

Joey: I should know that. Let's see, just one moment please. Umm, here we are, a Wicked Wango card determines whether you go higher or lower.

Chandler: Higher or lower than what?

Joey: This is embarrassing. (Looks it up.)

Chandler: (To Ross) Can you believe how lame this is?

Ross: I'm sorry, I don't believe contestants are allowed to talk to each other.

[Scene: Monica and Chandler's, Rachel's baby shower is underway. Monica and Phoebe are working in the kitchen.]

Phoebe: Oh, I told the stripper to be here at five. That's good right?

Monica: You ordered a stripper for the shower?! That is totally inappropriate!

Phoebe: What? He's gonna be dressed as a baby! (Mrs. Green enters.) Oh hi Mrs. Green!

Monica: Hi!

Phoebe: I'm so glad you could make it.

Monica: Yes, thank you so much. And again, we're so sorry. We could not feel worse about it.

Mrs. Green: Try. There's my little girl. (Goes over to Rachel.)

Monica: She's still mad.

Phoebe: Yeah I know. Isn't it great? One less person we have to make small talk with.

Monica: Phoebe, Sandra's mad at you too. It-it doesn't bother you?

Phoebe: No look, we've apologized twice! I can't do anymore than that. I know you hate it when people are mad at you but you just have to be okay with it.

Monica: Okay. I can do that. (Pause) I gotta go powder my ass.

[Cut to Rachel and Mrs. Green.]

Mrs. Green: Look at that face! Just like when you were in high school! If I didn't know better I'd say you were a cheerleader in trouble. Come on, let's get some tea.

Rachel: Okay. (Mrs. Green helps her up and they walk over and get some tea.)

Mrs. Green: Oh my look at that. Only three weeks to go, now have you picked your nanny yet? Now I don't want you to use your housekeeper 'cause it would just split her focus.

Rachel: Oh well actually gonna use a nanny and uh, I don't even have a housekeeper.

Mrs. Green: It's like you're a cave person. Rachel, you must get a nanny. You don't know how overwhelming this is going to be. I mean when you were a baby I had full time help, I had Mrs. Kay.

Rachel: Mrs. Kay! Oh yeah, she was sweet. She taught me Spanish. I actually think I remember some of it, tu madre es loca. (I think that's your mother's crazy.)

Mrs. Green: Such a sweet woman.

Rachel: Well, however great she was I just can't afford that.

Mrs. Green: Oh Rachel!

Rachel: What?

Mrs. Green: I just had the greatest idea! I'm gonna come live with you!

Rachel: Wh-wh-what? What?

Mrs. Green: Oh, I'm so happy I'm gonna do this for my little girl. Aw, look at you. You have tears in your eyes.

Rachel: Yes. Yes I do.

[Scene: Joey's Apartment, the guys are still playing Bamboozled.]

Joey: All right Ross you're in the lead, would you like

to take another question or spin the Wheel of Mayhem?

Ross: The wheel has not been my friend tonight Joey. Uh, I'll take another question.

Joey: Okay, this is gonna be tough. Hold your breath.

Ross: It's okay, I'm ready.

Joey: No dude, you gotta hold your breath until you're ready to answer the question.

Chandler: This is ridiculous, he's not gonna hold his breath... (Ross cuts him off by taking a deep breath and holding it.)

Joey: Okay, what do you have a fear of if you suffer from this phobia, Tris...Holy cow, that's a big word. Trisc... Seriously look at this thing. Chandler, how do you say that?

Chandler: Let me see that.

Joey: This one right here. (Ross whines.)

Chandler: Triscadecaphobia.

Ross: (exhaling) The fear of *Triscuts!*

Joey: No! No, fear of the number 13.

Chandler: Fear of *Triscuts?*

Ross: It's possible, they have really sharp edges.

Joey: All right Chandler, you're up.

Ross: Wait a minute, I-I believe I'm entitled to use my Angel Pass for a free turn?

Chandler: This game makes no sense!

Ross: Y'know what? You're just upset because you're losing.

Chandler: Oh come on Ross, I think we're all losers here.

Joey: All right. Chandler, you can either spin the wheel or pick a Google card.

Chandler: Let me think. Let me think—Oh! I don't care.

Joey: You-you must choose Mr. Bing.

Chandler: Either, it makes no difference.

Joey: Choose, you jackass!

Chandler: I'll take a card.

Joey: Okay, you picked the Gimmie card! You get all of Ross's points!

Ross: What?!

Chandler: This game is kinda fun.

Ross: (To Chandler) You don't think it's a little crazy that you get all my points just 'cause you...

Chandler: I don't think the contestants are supposed to speak to each other.

[Scene: Monica and Chandler's, the baby shower is continuing as Rachel walks over to Monica and Phoebe.]

Rachel: Why did you invite my mother?!

Monica: What?

Rachel: She wants to move in with me and Ross to help take care of the baby.

Phoebe: For how long?

Rachel: Eight weeks. I mean I love my mother, but my God, a long lunch with her is taxing.

Monica: I personally would be honored if she wanted to live with me.

Phoebe: She can't hear you.

Rachel: What? You guys, come on! What am I going to do?

Phoebe: Well, if you don't want your mother to move in with you, just tell her.

Rachel: You're right. You're right. I mean I'm about to have a baby, I can tell my mother that I don't want her to just be sleeping on my couch! Oh my God! She's gonna want to sleep in my bed with me. This cannot happen!

Monica: That's right. That is right, you go over there and tell her you don't want her to live with you. Do **not** take no for an answer!

Rachel: Okay. (She goes over to tell her mother.)

Monica: (To Phoebe) This is great! Now she's gonna be mad at Rachel! Y'know what? And I'm just gonna swoop in there and be like the daughter she never had.

Phoebe: I have new respect for Chandler. All right everybody! It's time to open the presents!

Monica: Yes! Yes! And I think that the first gift that Rachel opens should be from the grandmother of the baby, because you're the most important person in this room. And in the world!

Mrs. Green: Well uh, I don't have a gift because I wasn't invited until the last minute, but thank you so much for bringing that to everyone's attention.

Phoebe: How about you less important people, let's open your presents!

(Mrs. Green goes into the kitchen and Rachel follows her.)

Rachel: Mom that's okay that you didn't get you a gift!

Mrs. Green: Well, I kinda did. Me. Eight weeks of me.

Rachel: Oh yeah. Okay, see mom, the truth is I can do this on my own.

Mrs. Green: Sweetheart I know you're gonna be terrific mom, I just think you need a little help, especially at the beginning.

Rachel: But mom, I really know what I'm doing. I can handle this.

Mrs. Green: Really? Remember Twinkles?

Rachel: He was a hamster! I am not going to vacuum up my baby!

Phoebe: Okay, come on Rach it's present time! Y'know you're the glue that's holding this whole party together. It's kinda falling apart here.

Mrs. Green: Oh look.

Rachel: Wow!

Phoebe: Okay, this is from your friend at work.

Rachel: Oh my gosh! Oh wow! Oh, I know what

this is! (She's holding an item with a large suction cup connected to a yellow plastic box, with a long narrow tube and bottle connected the yellow part.) Wait a minute. That can't be right. Is that a beer bong for a baby?

Mrs. Green: Darling, that's a breast pump!

Rachel: Did I say I was done guessing? Okay, thank you for that. Oh wow! What's this?

Woman: It's a diaper genie.

Rachel: Oh, it dispenses clean diapers!

Woman: No! It's where you put the dirty ones!

Rachel: Well that's gross, why don't you just take it outside and throw it in a dumpster?

Mrs. Green: Oh you're gonna do that ten times a day?

Rachel: What?! It goes ten times a day! What are we feeding this baby?! Indian food?!

Mrs. Green: No dear, that's what babies do.

Monica: Rachel, listen to your mother. She is very smart.

Mrs. Green: Plus, what are you planning on doing with the baby while you're trotting out to the garbage ten times a day?

Rachel: I don't know, I'd leave it on the changing table? (Everyone gasps.) What?! What'd I do? What'd I do?!

Mrs. Green: You can't leave a baby alone!

Rachel: Oh come—(Stutters)—Of course I know that. I mean of course you never leave a baby alone! I mean who would—she wouldn't be safe as she would be with me, the baby dummy. Oh God, okay. Y'know what? I think opening the presents right now is a little overwhelming right now. So I think umm, I'm just gonna maybe open them a little bit later, but thank you all for coming. And for these beautiful gifts, and this basket is beautiful.

Woman: It's actually a bassinets.

Rachel: Okay mommy, don't ever leave me. (Hugs her.)

Commercial Break

[Scene: Joey's Apartment, the guys are still playing the game only everyone is really into it.]

Joey: (To Chandler) In what John Houston film would you hear this line, "Badges? We don't need no stinkin' badges!"

Chandler: Treasure of the Sierra Madre!

Joey: Correct! There's a possible backwards bonus!

Chandler: Madre Sierra the of Treasure!

Joey: Yes!

Chandler: I'd like to go up the ladder of chance to the golden mud hut please.

Joey: Wise choice, how many rungs?

Chandler: Six!

Joey: (makes a sound like a monkey) That noise can only be one thing.

Chandler: (disappointed and simultaneously as Ross) Hungry monkey.

Ross: (excited and simultaneously as Chandler) Hungry monkey! (To Chandler) Haaa! (To Joey) I'd like a Wicked Wango card!

Joey: Okay, it's an audio question, name this television theme song. (Starts humming the theme to *I Dream of Genie*.)

Ross: (thinking) Oh. (Pause) Oh! Oh my God! Okay, I know this, give me-give me a second!

Chandler: Tell it to the Time Turtle!

Ross: Shut up! *I Dream of Genie!*

Joey: Yes! Yes, you're back in the lead!

Ross: I'd like to spin the wheel!

(Joey makes a sound like a game show wheel spinning with the pointer bouncing off of the bars on the wheel as it slows and comes to a stop.)

Chandler: (annoyed) Oh come on!!

Joey: All right! All right! Uh, umm, Super-Speedy Speed round!

Ross: Is there a hopping bonus?

Joey: Of course!

(Ross gets up and starts to hop on one leg.)

Joey: Who invented bifocals?

Ross: Ben Franklin.

Joey: Correct! Which monarch has ruled Great Britain the longest?

Ross: Queen Victoria.

Joey: Correct again! But, you forgot to switch legs between questions, so no hopping bonus!

Ross: Noooo!!! Every time!!!

Joey: Now, over to Chandler.

Chandler: I'd like a Google Card.

Joey: Are you sure?

Chandler: Yes! (Pause) No! (Pause) Google!

Joey: Oh my God! Congratulations Ross, because Chandler, you've been Bamboozled!

Chandler: Nooo!!

Ross: Yeah!!

Chandler: This is the best game ever!!!

[Scene: Monica and Chandler's, the baby shower has ended and everyone except for Mrs. Green have left who is talking to Rachel while Monica and Phoebe are cleaning up.]

Rachel: So umm, you're gonna stay with me as long as I need you?

Mrs. Green: Of course I am!

Rachel: Oh mom, I swear I'm not an idiot. I've read all kinds of books on pregnancy and giving birth, but I-I just didn't think to read the part about what to do when the baby comes. And-and then guess what? The baby's coming and I don't know what to do. Oh, can I throw up in my diaper genie?

Mrs. Green: No. Sweetie, you're gonna be fine. (Starts to get up.)

Rachel: Wait-wait where are you going? Where are you going?

Mrs. Green: I'm going to the bathroom.

Rachel: Okay.

Mrs. Green: Now don't worry! Everything's gonna be okay. (Hugs Rachel while she is standing and Rachel is sitting, seeing this Monica decides to join in on the hugging by hugging Mrs. Green from behind her back.)

Monica: It is going to be okay! (Mrs. Green glances over her shoulder and glares at Monica while she heads for the bathroom.) It was worth a shot.

Ross: (entering, out of breath) Hey!

Phoebe: Hey! Why are you all red and sweaty?

Ross: I just Bamboozled Chandler! (Flexes in victory while everyone stares at him.) Which is not uh sexual thing. That was a quick shower.

Phoebe: Not if you were here.

Ross: Wow! It looks like we got a lot of good stuff.

Rachel: Oh we did, but my mom got us the greatest gift of all.

Ross: (excited) A *Play-Dough* Barber Shop?

Rachel: No. She's going to live with us for eight weeks.

Ross: Uh, what?

Rachel: Yes! She's gonna help us take care of the baby! Woo-hoo. (Sees that Ross isn't happy.)

Ross: What—You're not serious. I mean she's a very nice woman, but there is no way we can take eight weeks of her. She'll drive us totally crazy.

Mrs. Green: (entering from bathroom) Hi Ross!

Ross: Hi roomie! (Hugs her and looks at Rachel.)

[Scene: Joey's Audition, Joey is being shown in.]

Man: Hey Joey, hi! I'm Ray; I'm the producer of the show.

Joey: (announcer voice) It's a pleasure to meet you Ray.

Ray: And this is Duncan (points to the cameraman) and Erin, they're gonna help us out with the audition. So uh, let's get the camera rolling.

Joey: (announcer voice) Rightie-O Ray!

Ray: Whenever you're ready.

Joey: (to the camera) Hello, I'm Joey Tribbiani! Let's play Bamboozled! Erin, you get the first question! In hockey, who is known as The Great One?

Erin: Wayne Gretzky.

Joey: Correct! Now, would you like to pick a Wicked Wango card or spin the Wheel of Mayhem?

Ray: Uh Joey, didn't your agents give you the revised rules? We've eliminated all of that. No wheel, no cards.

Joey: What—Why?!

Ray: Uh well, the game was too complicated and research showed people didn't follow it.

Joey: Well what's complicated? You spin the Wheel of Mayhem to go up the Ladder of Chance. You go past the Mud Hut through the Rainbow Ring to get to the Golden Monkey; you yank his tail and boom! You're in Paradise Pond!

Ray: Yeah all that's gone. It's basically just a simple question and answer game now.

Joey: Well what's fun about that? You expect me to be the host of a boring game that's just people standing around answering questions?

Ray: Well, there'll be women in bikinis holding up the scores.

Joey: (announcer voice to the camera) Let's play Bamboozled!

[Scene: Monica and Chandler's, Mrs. Green is telling Ross what needs to be done to baby proof his apartment.]

Mrs. Green: ...and all those dinosaur nick-knacks you have Ross, I thought they might be more at home in the garage.

Ross: Well we...we don't have a garage.

Mrs. Green: Did I say garage? I meant garbage.

Ross: Y'know what? Maybe, Mrs. Green, it's not absolutely vital that you live with us.

Mrs. Green: Well Rachel needs help with the baby.

Rachel: I do. I really do. I don't know anything.

Ross: I'm-I'm sure that's not true.

Rachel: Oh no? Pheebs? Monica? Do I know anything about babies?

Phoebe: No, not a thing.

Monica: It's frightening.

Ross: Well uh, y'know what? Even if she doesn't know anything, I do! I have a son. And his mother and I didn't live together, and whenever he was with me I took care of him all the time, by myself.

Mrs. Green: That's true. You do have another child.

Ross: Yeah.

Mrs. Green: With another woman. Have you no control Ross?

Ross: That's a different issue. Uh, the point is, when the baby comes I will be there to...to feed her and bathe her and change her. And more than that I want to do all those things.

Mrs. Green: Well then you really don't need me to live with you.

Ross: Yes! Yes, you're gonna be so missed.

Mrs. Green: You're gonna be a great father.

Ross: Well you're gonna be a wonderful grandma. (They hug.)

Rachel: Hello?! I still don't know what the hell I'm doing!

Ross: Oh, come on, every first time mother feels that way. You'll—you're gonna pick it up. (Rachel doesn't believe that.) Hey! You will! Uh look, y'know when you first came to the city? You were this spoiled helpless little girl who-who still used daddy's credit card. Do you remember?

Rachel: I hope you're going somewhere with this.

Ross: Look at you! What—You're-you're this big executive! You are much more capable than you give yourself credit for. I-I have no doubt you're gonna be an incredible mother.

Rachel: Really?

Ross: I'm telling you.

Rachel: Thank you. (Hugs him.)

Mrs. Green: All right you two, I'm gonna get going.

Ross: Oh. (Rachel and he start to stand up.)

Mrs. Green: Oh no-no-no-no sweetheart, you stay put. I'll let myself out. It's like I'm not here, which I almost wasn't.

Monica: (laughs) You're still so funny. You're so funny. (To Phoebe) What do I do?

Phoebe: Nothing! You have apologized to her like a million times and she's been **nothing** but terrible to you. And don't forget you just threw her daughter a lovely, albeit slightly boring, shower, and she hasn't even **thanked** you for it.

Monica: Y'know what? You're-you're right.

Phoebe: Yeah I mean if you want to say anything to her, I'd tell her off.

Monica: Really?

Phoebe: Uh-huh!

Monica: Okay! I will! Mrs. Green? Mrs. Green! (She ignores Monica and Monica follows her out into the hall with Phoebe in tow.) It is rude to leave a party without saying good-bye to the host! Yeah, and-and also when someone apologizes to you the decent thing to do is to accept it! Now what I did to you, it wasn't on purpose! But what you're doing to me now is just plain spiteful!

Mrs. Green: Spiteful!

Monica: That's right! Maybe it's time you took a good hard look at a mirror young lady...old lady...lady!

Phoebe: (To Monica) Wrap it up, wrap it up, wrap it up...

Monica: So whenever you're ready to apologize to me, I will forgive you. Good day! (Monica and Phoebe reenter the apartment and Monica closes the door on a stunned Mrs. Green.) I can't feel my legs!

Phoebe: You were fantastic! I'm so proud of you!

Monica: Yeah? I'm proud of me too.

Phoebe: You should be!

Monica: Yeah could-could-could you get me something to drink?

Phoebe: You got it!

Monica: Okay. (When Phoebe turns around Monica runs out into the hall after Mrs. Green.) Mrs. Green! Okay I'm really sorry!! I'm apologizing for the—(She trips and falls down the stairs.) (Pause) Okay, I bit my tongue, but I'm **still** really sorry!

Closing Credits
[Scene: Ross and Rachel's, Ross is helping Rachel study for when the baby comes.]

Rachel: (closing a book) Okay! I'm ready.

Ross: You sure?

Rachel: Yes, I've done my studying and I really know my stuff.

Ross: All right then. (Gets up, in an announcer's voice) Rachel Green! Let's play Bamboozled! (Reading from a note card.) How do you test the temperature of the baby's bath water?

Rachel: Uh, put your elbow in it.

Ross: Excellent! How do you put a baby down for a nap?

Rachel: Full, dry, on its back, and no loose covers.

Ross: That's correct! This is an audio question, what do you do when the baby makes this sound? (Makes a sound like someone is choking a cat.)

Rachel: Check if it's wet, check if it's hungry, burp it!

Ross: Excellent! Excellent, now-now do you want another question or a Wicked Wango card?

Rachel: A card! A card! I pick a card!

Ross: Oh, I'm sorry you've been Bamboozled! You're gonna be a terrible mother! (Rachel stares at him agape.) I've lost sight of why we're doing this! (Rachel gets up and walks away.) End

821 The One With The Cooking Class

[Scene: Central Perk, everyone is here except Monica as Ross enters carrying a huge stack of newspapers.]

Ross: Hey you guys I got some bad news. (He sets the stack of papers down on the table.)

Phoebe: Well that's no way to sell newspapers. Why don't you try, "Extra! Extra! Read all about it!"

Ross: No, Monica's restaurant got a horrible review in the Post. (They all gasp.) I didn't want her to see it, so I ran around the neighborhood and bought all the copies I could find. (He hands the paper to Phoebe and they all read it.)

Joey: Man, this is bad! And I've had my share of bad reviews. I still remember my first good one though. (Quoting) "Everything else in this production of *Our Town* was simply terrible. Joey Tribbiani was abysmal."

Monica: (entering) Hey!

Chandler: Hey.

Monica: (seeing the stack of newspapers) Oh my God! Look at all the newspapers! It must be a good review! Is it great?!

Ross: Umm...

Monica: (reading) Oh dear God!

Ross: But the good news is, no one in a two-block radius will ever know.

Monica: What about the rest of Manhattan?!

Ross: Yeah, they all know.

Monica: Oh my God, this is horrible!

Chandler: I'm so sorry.

Monica: I'm so humiliated!

Rachel: Yeah but y'know what they say Mon, "There's no such thing as bad press."

Monica: You don't think that umm, (reading) "The chef's Mahi Mahi was awful," is bad press?

Rachel: I didn't write it.

Monica: Is he right? Am I really—Am I awful?

All: No!

Joey: Yeah! Yeah Monica! You listen to me, okay? And I'm not just saying this because I'm your friend, I'm sayin' it 'cause it's the truth. You're food is abysmal!

Opening Credits
[Scene: Ross and Rachel's, it's late at night, Rachel is sitting on the couch in the dark wide-awake as Ross walks to the bathroom.]

Rachel: Ross!

Ross: (startling him) What?! What?

Rachel: I am freaking out!

Ross: Are ya?

Rachel: My due date is in one week!

Ross: What are you doing up?

Rachel: That is seven days!

Ross: Okay look, I had a lot of water before I went to bed. Can we do this after...

Rachel: (interrupting him) No-no-no-no-no Ross! Please, come on we do not have any of the big stuff we need! We do not have a changing table! We do not have a crib! We do not have a diaper service!

Ross: It's funny you should mention diapers.

Rachel: I'm serious.

Ross: Okay look, there's nothing to worry about. We have plenty of time. There's a great baby furniture store on west 10th. Tomorrow, we will go there and we will get you everything that you need. Okay?

Rachel: Okay. Thank you. That's great. Thank you. Wait-wait! Where on west 10th? Because there's this really cute shoe store that has like this little...

Ross: (interrupting her) Okay. Okay. If uh, if you're gonna do this, then I'm gonna do that. (Points to the bathroom.) So... (Starts for the bathroom.)

Rachel: (stopping him) Oh, wait Ross! I'm sorry, one more thing!

Ross: (annoyed) Yeah!

Rachel: Umm, our situation. Y'know umm, what we mean to each other. And I mean we-we're having this baby together, and we live together. Isn't that, isn't that weird?

Ross: (stunned) (thinks) Well uh...

Rachel: I'm just kidding! You can go pee! (He does so in a hurry.)

[Scene: Monica and Chandler's, Monica is cooking as Chandler looks on.]

Joey: (entering) Hey uh Monica, I can't remember. Did we say we were gonna meet here or at the movies?

Monica: We said at the movies, but...

Joey: Okay, I'll see you there. (Starts to leave)

Monica: Joey! (He returns) Now that you're here...

Joey: Sure, I can hang out 'til I have to meet ya. (To Chandler) What uh—How come you're not going?

Chandler: I have a job interview I have to get ready for.

Joey: I thought you already have a job.

Chandler: And people say you don't pay attention. No, this is a much better job. It's vice-president of a company that does data reconfiguration and statistical factoring for other companies.

Joey: Wow! How do you know how to do that?!

Chandler: That's what I do now.

Monica: Hey Joey, come taste this.

Joey: What is it?

Monica: Remember that guy that gave me a bad review? Well... (Feeds him a spoonful of what she's cooking.) I'm getting my revenge!

Joey: You cooked him?

Monica: No. He teaches a course on food criticism at the New School, so before we go to the movies I wanna go by there and make him try my bouillabaisse again. Oh, I cannot wait to read the front page of the Post tomorrow! "Restaurant reviewer admits: I was wrong about Monica."

Chandler: The front page? You really do live in your own little world, don't ya?

[Scene: The Baby Furniture Store, Ross and Rachel are checking out.]

Cashier: Do you uh, want these things delivered Mr. and Mrs. Geller?

Rachel: Oh.

Ross: Oh.

Rachel: No-no-no! No, no, no, we're not married.

Ross: We are having a baby together, but we're not involved. (The cashier, a very beautiful woman, looks confused) I mean, uh we-we were seeing each other a while ago, but then we were just friends. And then there was one drunken night. (Rachel looks at him angrily) Or, yes stranger, we'd like this delivered please.

Cashier: Why don't you fill out this address card. (Hands him one.)

Ross: Oh, okay.

Cashier: I notice you picked out a lot of our dinosaur items.

Rachel: Oh yeah! Actually, that's one of the reasons why we're not a couple.

Ross: I chose those, I'm a paleontologist.

Cashier: Really?! That is so cool!

Rachel: Oh. Oh yeah, don't get to worked up over it. I mean it-it sounds like he's a doctor, but he's not.

Cashier: Oh no-no, I'm fascinated by paleontology. Have you read the new Walter Alvarez book?

Ross: Yeah! I-I teach it in my class.

Rachel: Oh my God! I'm standing at a cash register, holding a credit card, and I'm bored.

Cashier: (looking at the completed address card) Oh, I love your neighborhood. There's a great gym right around the corner from your building.

Ross: That's my gym.

Cashier: I can tell you work out. (Ross is please and Rachel looks at him confused.) A paleontologist who works

out, you're like Indiana Jones. (Rachel has a disbelieving look on her face.)

Ross: I am like Indiana Jones.

[Scene: Central Perk, Phoebe is there as Rachel enters.]

Rachel: Hi Phoebs!

Phoebe: Hey! Oh, how did baby shopping go?

Rachel: Oh, it was great! We got everything that we needed! Oh and Ross, almost got something that wasn't on the list. A whore.

Phoebe: What?!

Rachel: Well, we were paying for our stuff and this saleswoman just started flirting with him.

Phoebe: Well did she know you two weren't married?

Rachel: Yeah.

Phoebe: Oh my God! Well the idea of a woman flirting with a-with a single man, we-we must alert the church elders!

Rachel: You don't understand! You didn't see how brazen she was.

Phoebe: Sounds like you're a little jealous.

Rachel: No! I'm not! I-I-I just think it's wrong! It's-it's that I'm—Here I am about to pop and he's out picking up some shop girl at Sluts 'R' Us!

Phoebe: Is that a real place? (Rachel's stunned) Are they hiring?

Chandler: (entering) Hey Phoebe! (To Rachel) Fatty!

Phoebe: Hey Chandler, why so fancy?

Chandler: Well, I got a job interview. It's kinda a big deal too. It's a lot more money and I'd be doing data reconfiguration and statistical factoring.

Phoebe: Wait, I think I know someone who does that.

Chandler: Me! I do that. So... Seriously, do I look okay? I'm little nervous.

Rachel: Oh yeah! You really—You look great.

Phoebe: Yeah, just don't get your hopes up.

Chandler: Why not?

Phoebe: Well, the interview...

Chandler: What about it?

Phoebe: Y'know! You don't make a very good first impression.

Chandler: (shocked) What?!

Phoebe: Oh you don't know.

Chandler: Are you serious?!

Phoebe: Yes, when I first met you, you were like, "Blah, blah, blah." I was like, shhhh!

Chandler: What is it that I do?

Phoebe: Well it's just like you're trying too hard. Always making jokes, y'know, you just—You come off a little needy.

Chandler: (To Rachel) Did you like me when we first met?

Rachel: Chandler, I'm not gonna lie to ya, but I am gonna run away from you. (Gets up and hurries out.)

[Scene: The New School, Monica, carrying her dish, and Joey are confronting the food critic.]

Monica: Hi! Umm, I'm Monica Geller, I'm the chef at Alessandro's.

The Food Critic: Still?

Monica: I think the things that you said about me are really unfair, and I would like for you to give my bouillabaisse another chance.

The Food Critic: I don't see any reason why I would do that to myself again.

Joey: Either eat it, or be in it.

Monica: Spoon? (Hands him one and he tastes it.) So, what do you think?

The Food Critic: I'm torn, between my integrity and my desire to avoid a beating. But I must be honest, your soap is abysmal. (Throws down the spoon and walks out.)

Joey: Thata girl! Huh? We should get out of here; there's a new class comin' in. (They start to leave.)

The Cooking Teacher: Welcome to introduction to cooking. Now, before we start, can anyone tell me the difference between a hollandaise sauce and a bearnaise sauce? (No one can.)

Monica: I can.

The Cooking Teacher: Okay, go ahead.

Monica: Well umm, they both have an egg yolk and butter base, but a bearnaise has shallots, shirrel, and most importantly tarragon.

The Cooking Teacher: That's very good, what's your name?

Monica: Monica.

The Cooking Teacher: Monica, you go to the head of the class.

Monica: Okay. (Does so.)

[Scene: Ross and Rachel's, Ross and Rachel are unpacking and setting up their new purchases.]

Rachel: All this stuff takes up a lot of room. Hey how uh, how serious are you about keeping Ben in your life?

Ross: My son? Pretty serious. (There's a knock on the door and Ross answers it.) Oh hey Katie! (The cashier from before) What uh, what are you doing here?

Katie: Well, the delivery went out to you and I realized they forgot this. (A blanket.)

Ross: Ah, must've been fairly obvious since it was the only thing left in your store.

Katie: Listen, to be honest, home deliveries are really a part of my job description.

Ross: Oh. (Reaches into his pocket for some money as Rachel enters the living room and watches holding two stuffed dinosaurs.)

Katie: Oh uh...I actually came here to ask you out.

Ross: Oh! Wow! Uh, yeah! That sounds great. I'm just gonna put this (The money) back in my pocket, pretend that didn't happen. Uh yeah, actually I'm free now. Do you wanna grab some coffee or...

Katie: Sure!

Rachel: Horny bitch. (They both look at her, pretending that the dinosaurs she's holding are arguing.) No! You're a horny bitch! Noooo! You're the horny bitch! No! You're a horny bitch!

Commercial Break
[Scene: Ross and Rachel's, continued from before.]

Rachel: So you guys go, have a really good time.

Ross: (To Katie) Yeah, I'm just gonna grab my coat. And uh, and my whip. (Katie looks worried.) Y'know because of the Indiana Jones? (Katie laughs) Not-not because I'm-I'm into S&M. (Katie's worried again.) I'm not-I'm not into anything weird. Y'know? Just-just normal sex. (Katie is uncomfortable.) So, I'm gonna grab my coat. (Does so, leaving Katie and Rachel alone.)

Rachel: So, you had a good day huh? Big commission; picked up a daddy.

Katie: Are you okay with this?

Rachel: Oh yeah! Yeah please, you guys have fun.

Katie: Okay. It was nice to see you.

Rachel: Oh and it was great to see you too. And you look fantastic, although you missed a button.

Katie: Oh umm, actually I umm...

Rachel: Oh okay, I see what you're doing there.

[Scene: Monica and Chandler's, Chandler and Phoebe are entering.]

Chandler: I can't even believe this! I really come off that badly?

Phoebe: Oh! It's okay, you calm down after a while and then people can see how really sweet and wonderful you really are.

Chandler: Oh good. Good, because I'm sure this interview is gonna last a couple of weeks.

Phoebe: All right, don't freak out! Okay? I-I will help you. How long before you have to leave?

Chandler: An hour.

Phoebe: I can't help you.

Chandler: Phoebe!

Phoebe: All right, all right, we'll just do our best. Okay? So let's say I'm the interviewer and I'm meeting you for the first time. Okay. "Hi! Come on in, I'm uh, Regina Philange."

Chandler: Chandler Bing.

Phoebe: Bing, what an unusual name.

Chandler: Well you should meet my uncle, Bada. (Pause) I'll let myself out.

[Scene: The Cooking Class, Joey is trying to cook as the teacher walks over to him.]

Joey: Hi.

The Cooking Teacher: Your Fettuccini Alfredo looks a little dry, did you use all your cheese?

Joey: When you say used, do you mean eat as a pre-cooking snack?

The Cooking Teacher: And the cream?

Joey: Cheese makes me thirsty.

The Cooking Teacher: Okay. Let's move on.

Joey: All right.

The Cooking Teacher: (To Monica) Oh! Something smells good over at Monica's station! (She tries Monica's fettuccini.) Oh my God! This is absolutely amazing! You've never made this before?

Monica: Oh no! I don't know anything about cooking. I had to ask someone what it's called when the, when the water makes those little bubbles.

The Cooking Teacher: Well, hats off to the chef.

Monica: I-I-I'm sorry, your-your mouth was full, I didn't hear what you said. Umm, hats off to who now?

The Cooking Teacher: The chef!

Monica: That's right.

[Scene: Monica and Chandler's, Chandler and Phoebe are still working on his interviewing techniques.]

Chandler: ...I think you'll find if I come to work here, I don't micro-manage. I don't shy away from delegating.

Phoebe: Um-hmm, that's good to know. But let's stop focusing on what you don't do, and start focusing on what you do do.

Chandler: (suppressing a smile) What I do do...is manage to uh, create an atmosphere of support for the people working with me.

Phoebe: I see. Nice sidestep on the do do thing by the way.

Chandler: Hardest thing I've ever done in my life.

Phoebe: You gotta go!

Chandler: Oh! (Stands up.)

Phoebe: Okay, don't worry. You're ready.

Chandler: Really?

Phoebe: Absolutely! Just fight all your natural instincts and you'll be great.

Chandler: Okay.

[Scene: The Cooking Class, everyone has finished baking a batch of cookies and the teacher is going around tasting them.]

The Cooking Teacher: Ah Monica, my star student.

Monica: Y'know, you called me that before so I-I took the liberty of fashioning a star out of aluminum foil. Now, no pressure, you like my cookies, you give me the star. (Hands it to her.)

The Cooking Teacher: (tasting the cookie and with her mouthful) Oh, yum-yum-yum. (Hands the star back.)

Monica: Wow! A star! (The class glares at her.) I know you all hate me and-and I'm sorry, but I

don't care.

(The teacher goes to Joey's station.)

The Cooking Teacher: Okay Joey, you're up next. (Tries one of his cookies.) This are good! This is amazing! You get an A!

Joey: I can an A? In-in school? (To Joey) Hey, I'm a dork.

Monica: Joey! I'm so proud of you!

The Cooking Teacher: I think you should give him your star.

Monica: Excuse me? He doesn't even know what he's doing!

The Cooking Teacher: We're all beginners here. Nobody knows what they're doing.

Monica: I do! I'm a professional chef! (The class gasps.) Oh relax! It's not a courtroom drama!

The Cooking Teacher: If you're a professional chef, what are you doing taking Introduction to Cooking?

Joey: Yeah!

Monica: I'm-I'm sorry, it's just that umm... Well I-I cook at this restaurant, Alessandro's, and umm I just got a really bad review...

The Cooking Teacher: Oh Alessandro's! I love that place!

Monica: You do?

The Cooking Teacher: Oh yes! You're an excellent chef! As a person you're a little...

Monica: Oh, I'm totally crazy, but you-you like the food?

The Cooking Teacher: Very much.

Monica: Okay then, I don't stink. I'm a good chef. Okay. (Starts to leave.)

Joey: Whoa-whoa-whoa-whoa! I don't want to go. I'm having fun.

The Cooking Teacher: Well actually, did either of you pay for this class?

Joey: Hey-hey-hey, if my friend says it's time to go, it's time to go. (Starts to leave, but comes back for his cookies.)

[Scene: An Office Building, Chandler is on his interview.]

Chandler: ...also I was the point person on my company's transition from the KL-5 to GR-6 system.

The Interviewer: You must've had your hands full.

Chandler: That I did. That I did.

The Interviewer: So let's talk a little bit about your duties.

Chandler: (nervous) My duties? (Trying not to crack a joke) All right.

The Interviewer: Now you'll be heading a whole division, so you'll have a lot of duties.

Chandler: (trying not to laugh) I see.

The Interviewer: But there'll be perhaps 30 people under you so you can dump a certain amount on them.

Chandler: (really try not to laugh) Good to know.

The Interviewer: We can go into detail...

Chandler: No don't I beg of you!

The Interviewer: All right then, we'll have a definite answer for you on Monday, but I think I can say with some confidence, you'll fit in well here.

Chandler: (relieved) Really?!

The Interviewer: Absolutely. (They walk to the door.) You can relax; you did great.

Chandler: Yeah I gotta say thank you, I was really nervous. Y'know I've been told I come on to strong, make to many jokes, and then it was really hard to sidestep that duty thing. (The interviewer doesn't understand) Duties. (Still doesn't.) Duties! (Still doesn't.) Poo. (Still doesn't.)

The Interviewer: Poo?

Chandler: Oh my God this doesn't count! Okay? The interview was over, that was the real Chandler Bing in there, this is just some crazy guy out in the hall! Call security! There's a crazy guy out in the hall!

The Interviewer: Poo?!

Chandler: I'll look forward to your call. (Walks away.)

[Scene: Ross and Rachel's, Ross is returning from his date.]

Ross: Hey.

Rachel: Hi! You're back from your date!

Ross: How are you?

Rachel: I'm fine, but that's not important. What's important is how was she?

Ross: Uhh, it was fun. We, we just had coffee.

Rachel: Oh uh-huh, uh-huh, coffee, a little rub-rub-rub under the table.

Ross: What's uh, what's going on? Do you not, do you not like Katie?

Rachel: No! No, she's—She was nice. I mean, she's a little slutty, but who isn't?

Ross: I liked her.

Rachel: Of course you did Ross, you would date a gorilla if it called you Indiana Jones!

Ross: Did you get like a fresh batch of pregnancy hormones today?!

Rachel: No! It's just that, Kate bothered me.

Ross: Why? What was wrong with her?

Rachel: There was nothing wrong with her! All right? She was perfectly lovely!

Ross: Okay, so what's the matter?

Rachel: I don't want you to date her!

Ross: (laughs) Why? What, what are you jealous?

Rachel: Yes! And not because I want you to go out with me, but because I don't want you to go out with anybody! Okay? I know it's a terrible thing to even think this, and it's completely inappropriate, but I want you to be at my constant beck and call 24 hours a day! I'm very sorry, but that is just the way that I feel.

Ross: Okay.

Rachel: What?!

Ross: I won't date. I'll uh, I'll be here, with you, all the time.

Rachel: Really? But I'm being so unreasonable.

Ross: True, but you're allowed to be unreasonable. You're having our baby.

(Pause.)

Rachel: (starting to cry) Oh Ross, thank you. Thank you. (They hug.)

Ross: Do you feel better?

Rachel: No, not really. You're pressing the baby into my bladder and now I have to pee. Sorry. (She gets up and starts for the bathroom.)

Ross: Uh Rach?

Rachel: Yeah. (Stops and starts doing the I-have-to-go-to-the-bathroom dance.)

Ross: Just one thing umm...

Rachel: Uh-huh.

Ross: We live together. You're having our baby. I'm not gonna see anybody else. Are you-are you sure you don't want something more?

Rachel: (pause) Wow! I don't know, maybe. I'm...

Ross: Oh-oh, Rach! I was just messin' around! (She's stunned) Like you did last night when I had to pee?

Rachel: (laughs) I knew that! I knew that! I was just messin' with you too!

Ross: (pause) Okay. Okay. Because for a minute you said you...

Rachel: Oh no-no-no-no, no!

Ross: ...that you actually...

Rachel: No that's just—(Laughs)—That's just 'cause I'm such a good messer!

(They both laugh. Ross sits down, but Rachel doesn't move and is lost in thought.)

Ross: Rach?

Rachel: Yeah?

Ross: The bathroom?

Rachel: Right! (Heads for the bathroom.)

Closing Credits
[Scene: The New School, Joey and Monica are walking down a hallway.]

Joey: Well I had a great time! Learned how to bake, ate great food, that's the first A I've gotten since seventh grade, and I didn't have to sleep with the teacher this time.

Monica: Oh, look! Acting for Beginners! Want to feel good about yourself?

Joey: What the hell!

Monica: Okay. (They enter.)

The Acting Teacher: All right, let's start with some basics. Can anybody tell me what the difference between upstage and downstage is? (No one can and Monica looks at Joey expectantly.)

Joey: Yeah, this was a stupid idea. (Exits.)

End

822 The One Where Rachel Is Late

[Scene: Central Perk, Joey is showing everyone a poster as Ross enters.]

Ross: Hey! What are you guys looking at?

Joey: Oh, it's a poster for that World War I movie that I'm in, check it out.

Ross: Yeah? Wow! It looks really violent!

Joey: Uh-huh! I know. I'm coming soon to a theater near you! I'm in THX! I'm unsuitable for children!

Ross: Now I cannot wait to see this.

Joey: Yeah, yeah, it's already generating Oscar buzz.

Phoebe: I started that!

Joey: I thought I did! Oh hey guess what? The premiere is next week and you're all invited! (They all gasp.)

Monica: Are we gonna take a limo?

Joey: Sure! Why not?!

Monica: Oh I love taking limos when nobody died!

Rachel: Well obviously I won't be able to come, for those of you who haven't checked their calendars today is my due date. Well y'know, I just want to take a moment and thank you guys for how great you've been during this time. I really couldn't have done it without you. And I have loved these last nine months! And even though I am so looking forward to the next part, I am really gonna miss being pregnant.

[Scene: Central Perk, time lapse, and Rachel is entering still pregnant.]

Rachel: That's right, still no baby! (To Monica, Joey, and Chandler on the couch) Come on people! Please make some room!

Ross: Uh sweetie, maybe you'd be more comfortable here? (Gets up from the green armchair.)

Rachel: You. Like you haven't done enough.

Ross: Look, I-I know how miserable you are, I wish there was something I can do. I mean I wish I were a seahorse. (She glares at him) Because with seahorses it's the male, they carry the babies. And then also umm, I'd be far away in the sea. (He sits back down.) (Rachel turns and looks at the group on the couch and they move over. Chandler measures the room they've made with his arm and decides it's not enough and they all move over again.)

Rachel: God. (Sits down.) I have never been so uncomfortable in my entire life!

Phoebe: Oh I know, I've been there. I remember toward the end...

Rachel: (interrupting her) Oh Phoebe, that's a great story. Can you tell it to me when you're getting me some iced tea? (Phoebe gets up and Rachel groans.) (To the baby) Oh God, get out! Get out!! Get out!! Get out!!

Chandler: Let's. (Everyone gets up and leaves Rachel.)

Opening Credits
[Scene: Monica and Chandler's, Phoebe, Chandler, Joey, and Monica are there as Rachel enters.]

Chandler: Hey! Did you have the baby yet?

Rachel: Do you want me to come over there and sit

on you? 'Cause I'll do it.
Monica: What are you doing here so early?
Rachel: They sent me home from work. They were like, "Start your maternity leave now! Just rest, get ready for the baby." Well y'know what? Screw 'em! If they don't want me there, I'll just hang out with you guys.
Phoebe: Or you can do volunteer work. (Joey's cell phone rings and he answers it.)
Joey: Hello?
Estelle: Joey! It's Estelle! Great news, I was able to get you and one guest tickets to your premiere.
Joey: One guest? You told me I can have six tickets!
Estelle: Well, I sold four of them on *Ebay*. You'll be sitting next to HotGuy372.
Joey: Oh my God. So that's it?! I only get to bring one guest?
Estelle: Yeah, what time do you wanna pick me up? (Joey hangs up on her.) Hello?
Joey: (to Monica, Chandler, and Phoebe) Did you hear that? I only get one extra ticket to your premiere. So some how I have to pick between you three and Ross.
Rachel: (overhearing that) What-what about me?
Joey: You said you didn't want to go.
Rachel: I don't. But I would still like to be acknowledged. What? Just because I'm pregnant you think I'm invisible.
Joey: Definitely not invisible.
Monica: Well, well Ross didn't care enough to be here, so I think he's out. You snooze you lose.
Chandler: He's not snoozing, he's teaching a class.
Monica: Well then somebody's snoozing. Joey, not that this uh should affect you at all, but if you were to pick me, I was planning on wearing a sequined dress, cut down to here. (Points to her stomach just above her belly button.)
Chandler: I haven't seen this dress.
Monica: Star in a movie.
Phoebe: Joey, you pick who ever you want. Okay? You just listen to your heart. What does it tell you? (Mimicking a heartbeat and tapping her chest.) Phoebe, Phoebe.
Joey: Well uh...I think I want to take Chandler.
Phoebe: (still mimicking a heartbeat, only faster) Phoebe-Phoebe-Phoebe-Phoebe—Burrrrr! (Mimics the sound of a cardiac monitor going off.)
Chandler: You really want to take me?
Joey: Yeah! Yeah! I mean I'm sorry, I wish I can take everybody, but y'know Chandler always supported my career. He's paid for acting classes and head shots and stuff and well this will be my way of paying you back.
Chandler: So you're never actually going to pay me back?
Monica: Wait a minute, just because he paid for your head shots you're gonna take him? Joey, I don't think you're comprehending just how slutty this dress is!
Joey: It's not just the stuff he paid for, I mean it's-it's everything. Y'know? He read lines with me. He-he went with me on auditions when I was really nervous, and then he consoled me after I didn't get parts that I really wanted. You always believed in me man. Even, even when I didn't believe in myself.
Chandler: I always knew you were gonna make it. I'm so proud of you.
Joey: Thanks. That means a lot to me. (They look at each other and smile for a while.)
Phoebe: Mon, maybe one of these guys wants to wear your dress.
Joey: (in a manly voice) I'm gonna go shave. (Gets up.)
Chandler: (in a manly voice) Yeah well, I'm gonna go spit. (He goes into the bedroom. On his way out, Joey gives Rachel a wide berth.)
Rachel: Oh, I have to pee. If I don't come out in five minutes it's because I've choked to death on the potpourri stink. (Goes into the bathroom.)
Phoebe: When she comes out, you hold her nose, I'll blow in her mouth, and the kid will just (makes a popping sound) right out of her.
Monica: She's over a week late! She gotta have it today, right?
Phoebe: I don't know. I-I think it's still gonna be a while.
Monica: Hmm, care to make it interesting? I'll bet you that she'll have it by this time tomorrow.
Phoebe: You're on!
Monica: Okay, how much?
Phoebe: One hundred thousand dollars!
Monica: How about fifty bucks?
Phoebe: Fine! I'll call Zurich and move some money around.
Rachel: (calling from the bathroom) All right, who's turn is it to help me get up! (They both look at each other, then Phoebe gets an idea.)
Phoebe: No one's here! (Monica looks at her.) Oh damnit!
[Scene: The World Premiere of *Over There*, Joey and Chandler are arriving in a limo and are about to walk down the red carpet.]
Chandler: This is so exciting! It's so glamorous! People taking our picture. How do I look?
Joey: A little tall.
Chandler: What?
Joey: Do you mind crouching down a little bit, so that I look taller? (Chandler does so) There you go. (And they walk down the red carpet.)
Chandler: It's just so glamorous.
[Scene: Monica and Chandler's, Rachel is entering, still pregnant.]
Phoebe: Oh hey Mon? Rach is here! Ohh, you're still pregnant. Oh, I'm sorry. I know how uncomfortable you are. Y'know what? You look great. Yeah, like fifty bucks.
Rachel: Oh, I have to go pee. Apparently this baby thinks that my bladder is a squeeze toy. (Goes to the bathroom.)
Monica: Damnit! Damnit!! Here's your fifty bucks! (Pays Phoebe.)
Phoebe: It's interesting that you lost. Now, I forget, do you like to lose?
Monica: Now stop it! Double or nothing that she has it by tomorrow!
Phoebe: Fine! You're on!
Monica: Okay.
Phoebe: Until then, General Grant, why don't you set up camp (She puts the bill in her bra) right there.
Ross: (entering) Hey is Rachel here? We have a doctor's appointment.
Monica: She's in the bathroom.
Ross: Rach, we gotta go.
Rachel: In a minute!!!
Ross: People ask me why we're not together, I just don't know what to tell them.
Rachel: (entering) All right, all right. Let's go!
Ross: Uh, do you wanna go change first? The doctor's keeping the office open late for us, but if you hurry...
Rachel: No, I'm fine.
Ross: Really? You don't think that's a little inappropriate. (She's wearing a tank top and has her belly sticking out.)
Phoebe: Good God man don't anger it.
Rachel: Ross, it is 100 degrees outside. For the first time in weeks, I am somewhat comfortable.
Ross: Fine! Fine! Y'know what? Whatever you want. Okay? You're the mommy.
Rachel: Oh uh-uh pal! Don't call me mommy! It's bad enough you call your own mother that. (He looks at Monica.)
Monica: I'm actually with her on this one.
[Scene: Inside Joey's Premiere, he is intently watching the movie.]
Joey: (onscreen) "I thought I knew who the enemy was, but it was you all along."
Joey: (To Chandler) Okay, this is it. It's my big fight scene coming up. (He looks over and Chandler and notices that he's asleep.)
[Scene: Dr. Long's Office, Ross and Rachel are waiting for the doctor. Ross is drumming his fingers on the bed.]
Rachel: Ross.
Ross: Yeah?
Rachel: Can I ask you something?
Ross: Uh-huh.
Rachel: When Carol was pregnant with Ben...
Ross: Mmm?...were you this irritating?
Rachel: Wow!
Rachel: Excuse me?!
Ross: Oh nothing. Nothing! Just uh, you've been a little short with me lately. I'm not trying to irritate you.
Rachel: Well then you just must have a natural talent for it.
Ross: Y'know what? The doctor will be in soon, why don't we not speak until then.
Rachel: (silently) Okay. (Pause) Seriously, breathe louder Ross! That's great!
Ross: Y'know we should probably ask the doctor if she even knows how to deliver a baby that's half human and half pure evil!
(Dr. Long enters.)
Rachel: Hi Dr. Long, how are you?
Ross: (to Rachel) Oh, you're nice to her.
Rachel: She has the drugs!
Dr. Long: We'll do a quick check.
Rachel: Okay. (Rachel lies back.)
Dr. Long: So, eight days late huh?
Rachel: Yeah.
Dr. Long: You must be a little uncomfortable.
Rachel: Eh, just a tad.
Dr. Long: You're about 80 percent effaced, so you're on your way. It still could last a little while longer. If you're anxious there are a few ways to help things along.
Ross: Do them!!
Dr. Long: Actually, they're things you can do. Just some home remedies, but in my experience I've found that some of them are quite effective.
Rachel: Well, we are ready to try anything.
Dr. Long: Okay, there's an herbal tea you can drink.
Rachel: Okay.
Dr. Long: You can take some castor oil, there's eating spicy foods...
Rachel: Great! We will do all of those.
Dr. Long: ...taking a long walk, and then there's the one that's proved most effective: sex. (Rachel turns and looks at Ross.)
Ross: You've got to be kidding me!
Commercial Break
[Scene: Joey's Premiere, the movie is ending and it takes the applause to wake up Chandler.]
Chandler: Good job Joel! Well done! Top notch!
Joey: You liked it? You really liked it?
Chandler: Oh-ho-ho, yeah!
Joey: Which part exactly?
Chandler: The whole thing! Can we go?
Joey: Oh no-no-no, give me some specifics.
Chandler: I love the specifics, the specifics were the best part!
Joey: Hey, what about the scene with the kangaroo? Did-did you like that part?
Chandler: I was surprised to see a kangaroo in a World War I epic.
Joey: You fell asleep!! There was no kangaroo! They didn't take any of my suggestions! That's for coming buddy. I'll see you later. (Starts to walk out.)
Chandler: Don't go! I'm sorry. I'm so sorry! (Sees another guy who is still asleep.) Look! This guy fell asleep! He fell asleep too! Be mad at him! (Looks at him more closely.) Or, call an ambulance.
[Scene: Central Perk, Ross and Rachel are there as Phoebe and Monica enter.]
Monica: Hey!
Ross: Hey.
Rachel: Hi!
Monica: What did the doctor say? Any news on when the baby will come?
Rachel: No. But she did give us some ideas on how to induce labor.
Ross: Yeah, we tried them all. We went for a walk, uh we tried a special tea, castor oil, spicy food nothing has worked.
Rachel: Well, there is one thing that we haven't tried, but someone thinks that, (mimicking Ross) "That will open up a can of worms."
Monica: Well what is it? What is it? If it's gonna help bring the baby here, like today. I mean, I think you should do it.
Ross: It's sex.
Monica: Do it!
Ross: Monica!
Monica: I'm just saying it's been a really long time for you. I mean, women have needs. Do it, get yours!
Phoebe: Oh I-I don't know about that. No, I think that if the two of you had sex the-the-the repercussions would be catastrophic.
Monica: All right, let's be practical, if Ross isn't willing to do it, he's not the only guy in the world you can have sex with. You can borrow Chandler—Chandler is good!
Ross: Monica, what is the matter with you?
Monica: Nothing. I just want the baby to be born today.
Rachel: Why? Why today?
Monica: Okay fine! I keep betting Phoebe that you're gonna have the baby and I don't want to lose again!
Ross: What?! While she's been going through this hell, you've been making money?! You're betting on your friend staying in this misery?! (Phoebe lowers her head and shakes it yes.)
Rachel: I'll take that bet.
Ross: What?!
Rachel: Well, I'm miserable here! I might as well make some money out it!
Ross: Can I get some of that action?
Monica: Wait a minute! Now I'm betting against all three of you?
Rachel: Oh honey, don't worry. I really do feel like tomorrow's the day.
Monica: Oh, okay!
(Rachel turns her head to Ross and Phoebe and mouths, "No way.")
[Scene: Monica and Chandler's, Chandler is there as Joey enters.]
Joey: Hey! Sleeping beauty!
Chandler: Where have you been?! I tried to call you! I want to talk to you! I still feel so bad!
Joey: (in a baby voice) Oh no, were you upset? Did you lose sleep?
Chandler: I'm so sorry.
Joey: Uh-huh look, the only reason I can over here was to settle things between us! Okay? You've done a lot for me and my career, I wanted to pay you back so I took you to the premiere but you missed it! Okay, so how much do I owe you?
Chandler: What?!
Joey: Give me a number, I don't want to owe you anything!
Chandler: You don't owe me anything, I don't want you money...
Joey: Ah-ah-ah! We're doing this! Okay, now you got me my first set of head shots. Right, how much were those?
Chandler: I don't know, five hundred dollars?
Joey: Okay, five hundred dollars. What else?
Chandler: Well then there was the second set, the infamous booger head shots.
Joey: Okay, so that's another five hundred. Five hundred and five hundred, that's... (Pauses to figure it out.)
Chandler: Do you want a calculator?
Joey: Please!
Chandler: Here! (Hands him one. Joey adds it up and discovers that he was right.)
Joey: All right, what else?
Chandler: Well uh, there was acting classes, stage combat classes, tap classes...
Joey: Which we're still keeping under our hats!
Chandler: Uh then there was that dialect coach who helped you with that play where you needed a southern accent. Which after twenty hours of lessons still came out Jamaican.
Joey: What the hell are you talking about, (in a Jamaican accent) "The south will rise again man."
Chandler: Yes, money well spent!
Joey: Yeah. Okay, what else? Rent!
Chandler: Okay, two, three years of rent, utilities, food...
Joey: Okay. Okay, so I'm writing you a check for...So you fell asleep during my movie. Big deal right? How do you clear this thing?
[Scene: Ross and Rachel's, Ross and Rachel are trying the home remedies again.]

Ross: Come on, finish your enchilada.
Rachel: Ross!—We tried all the spicy food. It's not working.
Ross: Okay here, have one of these peppers. Oh ha... Oh God! So...so hot! (Rubs his eyes.) Oh my—(Laughs.) By the way, you don't want to touch the pepper and then touch your eye.
Rachel: I am feeling nothing. Speaking of hot, watching you do that really makes me want to have sex with you.
Ross: Stop it.
Rachel: Oh come on Ross, why are we wasting our time with this other stuff?! We know what's gonna work! It's doctor recommended!
Ross: I'm sorry, but we have to have some boundaries! My God, I'm dying.
Rachel: Oh come on Ross, we've done it before we'll do it again, it'll be a nice way to bookend the pregnancy.
Ross: This is insane, I'm not gonna make love to you just so that you'll go into labor.
Rachel: Make love? What are you a girl?
Ross: Always a great way to get in a man's pants.
Rachel: But you will, you will be performing a service. Okay? Just-just think of me as a ketchup bottle, y'know you sometimes you have to bang on the end of it just to get something to come out.
Ross: I love when you talk dirty to me.
Rachel: Oh, I know it. You're right. That's not sexy. Oh...Oh! (Drops a fork on the floor.) Whoops! Oh, I seem to have dropped my fork. Let me just bed over and get it. (Tries too, but can't quite seem to make it.) Oh God!
Ross: Okay enough! This is, this is not going to happen.
Rachel: Come on Ross! I'm miserable here! Come on! You started this, now you finish it! Come on wuss, make love to me.
Ross: Y'know what?
Rachel: What?!
Ross: Forget it.
Rachel: Oh wow! What now Ross you're not gonna talk? How on earth will you ever annoy me? Oh wait a minute, I know. (Mimics his breathing.) I mean you'd think the damn jalepeno would've cleared up your sinuses, but no!! That's not enough... (Ross jumps over and kisses her.) What are you doing?!!
Ross: I'm getting that baby out of you! (They kiss again.)
Rachel: (breaking the kiss) Oh God!
Ross: Oh, I know.
Rachel: Oh no. No-no! I think my water just broke.
Ross: I am good. Okay! Okay! Uh, I got the pillow! I got the bag! You got the keys?
Rachel: Okay! I got the keys! Okay! Okay!
Ross: Hey!
Rachel: Yeah.
Ross: We're having a baby. (They hug and then kiss one more time.)
Rachel: I didn't uh, really have time to read this part of the books, but do you think we have time to...
Ross: Not so much.
Rachel: Okay.
 Closing Credits
 [Scene: Monica and Chandler's, Monica is paying Phoebe.]
Monica: Two hundred.
Phoebe: Thank you!
Monica: That's it. I'm done. I don't care when the baby comes, no more betting.
Phoebe: Okay.
 (The phone rings and Monica answers it.)
Monica: Hello? (Listens) Uh-huh. (Listens) Uh-huh. (Listens) Okay. (Hangs up.) I guess we can bet one more time.
Phoebe: Is Rachel having the baby?
Monica: How did you know that?! (Runs to yell at Joey's apartment.) Joey! Chandler!! It's time!
Phoebe: They're at the coffeehouse.
Monica: You know everything!! Oh wait, double or nothing. I bet you the baby is over seven pounds. (Phoebe isn't interested.) I bet you it has hair. (She's still not interested.) I bet you it's a girl.
Phoebe: We know it's a girl! (Exits.)
Monica: (following her) I'll give you really good odds.

[Scene: The Hospital, Ross and Rachel, who's in a wheelchair, are arriving in the waiting room for the maternity ward.]
Ross: All right! (Checking his watch) Yes!! From home to the hospital in under seven minutes! We did it!!
Rachel: (deadpan) Yes, the hard part is **truly** over.
Ross: No, but come on, we're off to a great start aren't we? I knew I'd get you here fast, but this has got to be some kind of a record! (Phoebe and Monica walk in from getting some coffee.)
Phoebe: Oh you made it!
Rachel: Hi! (Ross is stunned.)

Monica: How are you doing?
Ross: Wait a minute! How-how the hell did you beat us here?
Monica: We took a cab. Did you guys walk?
Ross: N... No! We took a cab too, but I did **test** runs! (Chandler and Joey enter from the vending machines carrying sodas.)
Chandler: Hi!
Joey: Hey! You made it!
Ross: Okay is there...some kind of magic tunnel to this hospital?!!
Rachel: Ross, you stay here and talk, I'm gonna go have a baby.
Ross: Okay. Okay. (To the nurse behind the desk.) Umm hi, this is Rachel Green. I'm Ross Geller. We-we called from the car.
Nurse: Right! We have a semi-private labor room waiting for you. So in just a minute...
Rachel: (interrupting her) Whoa-whoa-whoa-whoa! I'm sorry, semi-private? We (Laughs), we asked for a private room.
Nurse: Yes, I see that here. Unfortunately we can't guarantee a private room and currently they're all unavailable.
Chandler: Man, if only you'd gotten here sooner. (Ross turns and glares at him.)
Nurse: I'm sorry. Semi-private rooms are all we have.
Rachel: Okay. Just give us a second. Ross! (They walk away from the desk.)
Ross: Yeah?
Rachel: Give her some money.
Ross: I really think they're out of rooms.
Rachel: They're not!! Ross, they're just saving them for the important people!! Okay?! What-what if I was the president?!!
Ross: Well then we'd be in a lot of trouble, you don't know where any countries are. (Rachel glares at him.) Okay. (He goes over to the desk followed by Rachel.) Uh, say would you umm... Would you mind checking again to see if any umm, private rooms may have (Handing her some money) opened up?
Nurse: This is a hospital.
Rachel: (standing up) Okay. Y'know what? I'd have to say I really don't care for your tone. And this is not the only hospital in this city and we have no problem to—Whoa! (She starts a contraction) Oh gosh! Whoa!
Ross: What-what?
Rachel: Ow! Ow! Contraction. (Sits back down.) Ow-ow! Ow-ow! (Starts breathing heavily.)
Nurse: Would you like to see a semi-private room?
Rachel: Yeah, it couldn't hurt to look.
 Opening Credits
 [Scene: The Semi-Private Labor Room, Rachel is in bed, Ross is fooling around, and Dr. Long is checking on Rachel.]
Dr. Long: Well you're only two centimeters dilated and we need to get to ten. It'll be a while.
Rachel: Oh, okay.
Dr. Long: I'll be back in an hour to check you again.
Ross: Thank you.
Rachel: Thank you. (Dr. Long exits.) Well, I guess we have some time to kill.
Ross: Yeah, guess so. Whew! Check these out! (He's looking at the stirrups on the other bed in the room and Rachel groans. Ross then hops into the bed and puts his legs into the stirrups.) Never done this before.
Rachel: Yeah well it looks great!
 (A nurse shows another couple into the room.)
Man: Thank you very much.
Woman: Thanks.
 (They stop when they see Ross who has to struggle to get out of the bed.)
Ross: Hi! Hi, I'm uh Ross. I'm here to ruin this magical day for you.
Man: Oh no-no, not at all.
Woman: Don't worry about it.
Man: Marc Coreger, this is my wife Julie.
Ross: Hi Julie.
 Julie: Hi.
Ross: This is Rachel. (Points at her.)
Rachel: Hi!
Marc: Oh hi Rachel.
Rachel: How are you?
Julie: Hi. Is this your first?
Rachel: Yeah it is.
Julie: Well, little Jamie here is our third. So, if you have questions or you need anything at all, just holler.
Rachel: That's so sweet.
Ross: Yeah.
Rachel: Oh.
Ross: Umm say, I-I opened this earlier (The privacy screen) but let me give you guys some privacy.
Marc: No nonsense! We're all in this together.
Julie: Yeah, we are going to share every moment of this with you. And I think we're gonna have some fun.
Marc: Yeah.
Ross: Oh, okay.
Marc: Hey! Smile! (Points his camera at Ross and Rachel.)
Rachel: Oh no, I really don't want any—(He takes the picture)—Oh! Thank you. Oh. Oh Ross...
Ross: What?
Rachel: Here comes another contraction.
Ross: Oh. Okay, just breathe.
Julie: Oh honey, I think I'm having one too! (During the mutual contraction Julie takes a moment to point out they're having a contraction at the same time.)
Marc: Look at this! (Takes another picture) There we go! [Scene: The Waiting Room, the rest of the gang is lounging around.]
Phoebe: (looking at the clock) Oh wow, three hours and still no baby. Ugh, the miracle of birth sure is a snooze fest.

Monica: Hey, you wanna see something?
Phoebe: Sure! What?
Monica: Umm, this is going to be fun. Watch me freak out Chandler. Honey?
Chandler: Yeah?
Monica: Listen uh, I-I've been doing some thinking, and I don't know whether it's because we're here or Rachel's giving birth but umm, I think we should try to have a baby.
Chandler: Okay.
Monica: (freaking out) What-what-what's that now?!!
Chandler: Okay. I've been thinking about it too, and I, I think we're ready.
Monica: What?! Are you kidding me?! You-you-you think we're ready to have a baby now?!!
Phoebe: Oh, this is fun.
Joey: You're ready to have a baby? My boy's all grown up!
Chandler: But you said you were ready too.
Monica: Yeah but I was just screwing with you to try to get your voice all high and weird like mine is now!
Chandler: Yes, but haven't you wanted a kid like forever?
Monica: Okay, just back off mister! Whoa. (Pause) 'Cause I **am** ready to have a baby. I just want Joey to be the father.
Joey: (voice all high and weird) What?! Are you crazy?!!
Monica: That's it! Right there! Is all I wanted!
 [Scene: The Semi-Private Labor Room, time lapse, Ross is massaging out a cramp on Rachel's hip as Marc opens up the privacy screen.]
Marc: I am so sorry. The doctor insisted on closing the curtain for the exam.
Rachel: Oh, that's very—Really very-very okay.
Marc: Julie's cervix is dilated a seven centimeters, that's about four fingers. The doctor let me feel it myself.
Julie: Have you felt Rachel's cervix Ross?
Rachel: (simultaneously as Ross) No, I don't think we'll be doing that.
Ross: (simultaneously as Rachel) We're not gonna do that.
Julie: Well, if you like you can feel Rachel's and then feel mine to compare.
Mrs. Geller: (entering) Am I interrupting?
Ross: Uh yes! Thank you.
Rachel: Oh. Oh wait no.
Ross: Later.
Rachel: No-no-don't! Don't leave me here with these people.
Ross: Oh uh, I'm sorry. (Runs out.)
Rachel: No Ross! Ross! Ross! My child has no father!
 [Scene: The Hallway, Ross comes out and hugs Mrs. Geller.]
Ross: Hi! I'm so glad you're here, but it's gonna be a while. I-I wished you'd called first.
Mrs. Geller: Oh that's all right, I'm coming back later with your father.
Ross: Oh good.
Mrs. Geller: I actually needed to talk to you before the birth.
Ross: Okay, what's up?
Mrs. Geller: I brought something that I want to give you, assuming of course that you want it. (She holds up an engagement ring.)
Ross: Ma, you're asking me to marry you?
Mrs. Geller: This is your grandmother's engagement ring, I want you to give it to Rachel.
Ross: Mom no, come on! Thank you.
Mrs. Geller: Just hear me out!
Ross: N-no! Okay? We've been through this! We're not gonna get married just because she's pregnant, okay?
Mrs. Geller: Honestly! Ross, this isn't just some girl you picked up in a bar and humped. A child should have a family.
Ross: Mom, y'know what? I-I can't deal with this right now. I'm sorry...
Mrs. Geller: Just...think about it. If you don't, I'll talk more about humping.)
Ross: Gimmie! (Takes the ring and puts it in his coat pocket as Rachel enters the hallway.)
Rachel: Hi!
Mrs. Geller: Oh hi dear!
Rachel: Oh, thank you so much for coming. Ross, get in here!
 (Mrs. Geller leaves as Ross re-enters the room.)
 [Scene: The Waiting Room, Ross is explaining to the gang what happened with his mother.]
Ross: ...she came and dragged me out of the labor room to ask me why I'm not with Rachel.
Phoebe: Yeah. (Pause) Why aren't you with Rachel?
Ross: Are you kidding? Look, we're not gonna be together just because we're having a baby. Okay?
Phoebe: But y'know what? It just seems that you two belong together.
Ross: Okay, stop it! I can't deal with this right now. I have to go have a baby.
Phoebe: Right. And with who again? (Ross exits.)
Joey: God. He's crazy! Why doesn't he want to be with Rachel?
Phoebe: I know!
Joey: I mean seriously, she's like the perfect woman. I mean I know she turned me down, but if she hadn't and wanted to be with me, I would take her in my arms and... (Realizes everyone is staring.) I haven't bummed you guys out like this in a while have I?
 [Scene: The Semi-Private Labor Room, Ross is returning to find another couple has taken the place of Marc and Julie.]

Ross: (To Rachel) Hey. Who's that?
Rachel: New people.
Ross: What happened to the Disgustingtons?
Rachel: They're having their baby! It's not fair Ross we got here first! Right after you left they wheeled her off into delivery. Oh but not before she gave me a juicy shot of little Jamie just crowning away.
Ross: Wow! Sorry. So uh, how are the new people?
Rachel: Well they have uh, some unusual pet names for each other. Including umm, evil bitch and uh, sick bastard. Oh God oh! Contraction!
Ross: Yeah? Okay.
Rachel: Ooh! Ow!!
Evil Bitch: Are you looking at her?!

Sick Bastard: No!
Evil Bitch: Don't you look at her you sick bastard!
Sick Bastard: Honey I swear! I wasn't looking at her!
Evil Bitch: She's in labor! You like that you sick son of a bitch!
Ross: Umm. Umm. I'm-I'm just gonna—(Closes the privacy screen.)
Evil Bitch: See? See? It was because you were looking fat pervert!
Ross: No-no, I'm...I'm sure no one was looking. Just want some privacy. (He closes the screen and stares wide-eyed at Rachel.)
Evil Bitch: You miss your girlfriend?
Ross: Just ignore them.
(Sick Bastard sits down in a chair that enables him to look around the screen and stare at Rachel.)
Rachel: Ross.
Ross: What? What?
Rachel: He's looking at me.
Ross: (to him) Hey! You wanna live to see your baby?!

Evil Bitch: Don't you talk to my husband like that you stupid bastard!
(Ross shrugs his shoulders to Rachel and Sick Bastard closes the screen all the way.)
[Scene: Outside the Nursery, Chandler is looking at the babies as Monica walks up.]
Monica: Oh good God! If you want a baby so bad just go steal it!
(The nurse attending to the babies hears this, turns and stares at Chandler. Chandler moves Monica to the side and away from the nurse.)
Monica: What is going on with you? Since when are you so crazy about babies?
Chandler: I'm not crazy about babies. I'm crazy about us.
Monica: What?
Chandler: Look, we've always talked about having babies someday. I'm not saying it has to be right now, but I'm starting to think that we can handle it. We're good. We're really good.
Monica: We are pretty good.
Chandler: But nothing has to happen until your ready.
Monica: Well maybe I'm ready now. I mean, it's a little scary, but maybe it's right.
Chandler: What?! It's not right! We're not ready to have a kid now!!
Monica: What?!!
Chandler: I'm kidding. This is going to be fun.
Monica: So we're gonna try? I mean, are we trying?
Chandler: We're trying to get pregnant. (They start kissing, but Chandler stops it.) Y'know I'm not really comfortable doing this in front of the babies. So, when do you want to start trying?
Monica: Okay, hold on a sec.
Chandler: Period math?
Monica: Yeah.
Chandler: Yeah.
Monica: Well, we could start trying. Now.
Chandler: Right here?
Monica: No, not here. Maybe here.
Chandler: Wait a minute, it's perfect. We got a lot of time to kill and we're in a building that's full of beds!
Monica: And it's so clean!!
(They run off in search of a bed.)
Commercial Break
[Scene: The Vending Machines, Phoebe is buying a soda and Joey is shaking the candy machine.]
Joey: Come on you stupid machine! Come on!
Phoebe: Oh, it ate your money?
Joey: (looking at her) No.
Phoebe: All right, I'll see you downstairs then.
Joey: All right.
Phoebe: All right.
Joey: Hey I got one! I got one!
[Cut to the elevator lobby, Phoebe walks up and sees a man in a wheelchair with his broken leg extended.]
Man: Hi!
Phoebe: Hi.
Man: Oh uh, up or down?
Phoebe: Oh down please. (The guy tries to reach the button, but can't.) I-I hate to be a ball buster can I just do it? (She pushes the button.)
Man: Could you press up too please?
Phoebe: Sure! I feel so bad for you; I broke my leg once too.
Man: Oh yeah? How'd yours happen?
Phoebe: Well, it's a long story. It's kind of embarrassing. Let's just say there was a typographical error with a sex manual. (The guy

laughs.) How about you?
Man: Car accident.
Phoebe: Oh.
Man: Oh, let me guess some idiot on a cell phone wasn't paying attention?
Man: Yeah. Me. (The elevator door opens.) Oh hey, that's me. (Rolls onto the elevator.) Hey uh, I take it you're just visiting someone.
Phoebe: Uh-huh, yeah.
Man: Well umm, if you have sometime y'know and maybe you might want to visit someone else...
Phoebe: Oh yeah! I-I would like that.
Man: I'm in the middle... (The elevator door closes, cutting him off.)
Phoebe: Wait! What?! No!! Elevator!! No!
Joey: (standing behind her) Uh, you gotta press the button. (Does so.)
[Scene: The Semi-Private Labor Room, Evil Bitch and Sick Bastard are gone and Ross has just finished talking to a nurse as Rachel stands and stretches.]
Ross: The nurse said they're bringing in another woman.
Rachel: Ugh, is she pregnant yet? She doesn't need to be; she'll still have the baby before I do. Oh Ross, another contraction! (Leans back on Ross for some support.)
Ross: That's it. That's it.
(The next couple enters.)
Woman: Oooh, that sounded like a bad one.
Rachel: Yeah it was.
Woman: Mine haven't been so bad. Oh! Here comes one now. (Hums then squeals a little bit.) Oh, that was a big one!
(Rachel motions for Ross to close the privacy screen, which he does.)
[Scene: Another Waiting Room, Phoebe and Joey are trying to find out where the guy with the broken leg is.]
Phoebe: (to the nurse) Excuse me? Could you help me with something? The patient I'm looking for has a broken leg and is in a wheelchair. And umm, he's like early to mid-thirties, very attractive.
Nurse: I think I know who you're talking about.
Phoebe: Oh yay! Great! Okay, what room number is he in?
Nurse: I'm sorry, that information is restricted to hospital staff...
Joey: (walks up) Uh, she's with me. (Introduces himself) Dr. Drake Remoray.
Nurse: Dr. Drake who?
Joey: Remoray. It's Portuguese. We need that information; I'm a doctor.
Nurse: A doctor at this hospital?
Joey: Damn it woman we're losing precious time! Now do you want this man's blood on your head?
Phoebe: Hands.
Joey: Hands! It is absolutely essential that you tell me what room the man my assistant described is staying in. He's a patient of mine, I've been treating him for years!
Nurse: He's in room 816.
Joey: 816, thank you!
Phoebe: Thank you. (Starts to exit.)
(Joey starts to leave, but stops.)
Joey: And what is his name?
Phoebe: (coming back for Joey) No! (Grabs Joey and drags him away.)
[Scene: An Empty Hospital Room, Chandler and Monica enter.]
Monica: I think we found a place.
Chandler: Okay. (They start kissing.)
Monica: Umm, wait! Do you want to set the mood a little?
Chandler: Okay. Uh, we'll dim the lights, dim the lights. (He goes to the light switch and finds it's not a dimmer switch when he flips the lights off.) Or turn them out all together. Uh, no scented candles. Okay here. Here we go. (He sprays an aerosol air freshener above her.)
Monica: Okay! Okay! Make me sterile, but okay.
(He hops onto the bed and they start making out.)
Monica: Okay. Let's hurry—Oh wait! Do we have a condom? (He looks at her.) Oh right! (Laughs and they resume making out when a nurse catches them in the act.)
Chandler: Yes, 98.6. You're gonna be fine.
[Scene: Outside Room 816, Phoebe and Joey are approaching.]
Phoebe: Ooh, this is it! (Looks in the window.) Oh, that's him! That's him!
Joey: Great! Go get him.
Phoebe: Wait a second, or maybe you can go in first.
Joey: (looks in the window) He's not really my type.
Phoebe: No not you, Dr. Drake Remoray. You can ask him questions and see what's he like. People tell doctors everything.
Joey: But you said he was this great guy!
Phoebe: But lately all the guys I meet seem really nice at first, then they turn out to be the biggest jerks.
Joey: You do attract some stinkers.
[Scene: The Semi-Private Labor Room, Dr. Long is checking on Rachel again.]
Rachel: Dr. Long, I've been at this for seventeen hours! Three women have come and gone with their babies, you gotta give me some good news! How many centimeters am I dilated? Eight? Nine?
Dr. Long: Three.
Ross: Just three?! I'm dilated three!
Dr. Long: We are moving along, just slowly. (Rachel lies back and sighs.) Don't worry, you're doing great. I'll be back soon. (Exits.)
Rachel: Hey, y'know what? I'm not waiting! I'm gonna push this baby out! I'm doing it! I mean it's what? Three centimeters? That's gotta be like this! (Holds her hands a couple inches apart.)
Ross: Actually it's more like this. (Pushes her hands to less than an inch apart.)
Rachel: Oh stupid metric system!
(Another woman with a nurse and doctor enter, the woman

is screaming.)
Doctor: Oh my. We're gonna need to take you straight to the delivery room.
Rachel: Oh for the love of God!
Woman Giving Birth: (yelling from the hallway) It's coming! It's coming!
Doctor: And here it is! (The baby cries.)
Rachel: Oh come on!!
[Scene: Room 816, Dr. Drake Remoray is entering.]
Joey: Hi! I'm Dr. Drake Remoray and I have a few routine questions I need to ask you.
Man: Really? I've been dealing with Dr. Wells.
Joey: I know, but I'm a neurologist. And just to be on the safe side, Dr. Wells wanted a more comprehensive overview of you status so he sent me.
Man: Dr. Wells is a woman.
Joey: That was a test. Good response. All right, full name.
Man: Clifford Burnett.
Joey: Date of birth?
Cliff: November 16th, 1968.
Joey: Age?
Cliff: Can't you figure that out based on my date of birth?
Joey: I'm a doctor Cliff, not a mathematician.
Cliff: I'm 33.
Joey: Okay. And uh, are you married?
Cliff: No.
Joey: Oh really? So, 33 and still single, would you say you have commitment issues?
Cliff: Are all the questions this personal?
Joey: (checking the list) Yes.
Cliff: Well uh if you must know I'm a widower.
Joey: Oh that's terrible. I'm-I'm really sorry.
Cliff: Yeah.
Joey: Hmm. Do you sleep with women and never call them again?
Cliff: No.
Joey: Excellent! Excellent! And uh, finally, are you into any weird stuff y'know, sexually?
Cliff: No!
Joey: Oooh, wrong answer. (Exits.)
[Scene: The Semi-Private Labor Room, they're brining in yet another woman.]
Nurse: (calling to the woman) This room's available.
Rachel: Okay! Okay wait! You listen to me! You listen to me! Since I have been waiting four women, that's four, one higher than the number of centimeters that I am dilated, have come and gone with their babies! I'm next! It's my turn! It's only fair! And if you bring in one woman and she has her baby before me I'm going to sue you! Not this hospital, I'm going to sue you! And my husband (Points at Ross) he's a lawyer!
Ross: Uh Rach...
Rachel: Go get back on that case honey!
Nurse: I don't think the next patient is very far along.
Rachel: Okay, well then bring her in.
(Another nurse wheels the next pregnant woman in.)
Woman: OH...MY...GAWD!!! (Uh-huh, it's Janice.)
(Ross and Rachel are, needless to say, stunned at the arrival of Janice.)
Commercial Break
[Scene: The Semi-Private Labor Room, continued from earlier.]
Janice: I...can't...believe this!
Ross: And yet somehow it's true!
Janice: I mean this is so great! We're gonna be baby buddies! (Does the laugh.)
Ross: (To Rachel) Squeeze your legs together and cover the baby's ears!
Man: (entering, carrying a pillow) Hi sweetie!
Janice: Hi! Hi sweetieheart! This is my husband Sid, I don't think you've met him. Ross, Rachel, this is Sid. I nabbed him a year ago at the dermatologist's office. Thank God for adult acne huh? (Does the laugh.)
Sid: I still can't believe it! I'm the luckiest guy in the world!
Ross: (softly) Really?
Sid: (To Janice) What'd he say?
Janice: Oh y'know what? You have to speak very loudly when you're talking to Sid, because he's almost completely deaf.
Rachel: Oh!
Ross: Oh there you go!
Rachel: I get it!
Janice: So? Congratulations you two, I didn't even know you got married.
Rachel: Oh we-we didn't.
Ross: No-no. We...
Janice: What?!
Ross: Um uh...We're-we're just having this baby together but uh, uh that's all.
Janice: Why?!!
Ross: Uh well umm...we're just not in that place, y'know? But we're very excited about this.
Janice: Oh. Well then shut me up. (Does the laugh.)
Rachel: Just tell me how.
Janice: Uh-oh, I feel another one coming. (She makes a sound like a goose during the contraction.)
Ross: Sid you lucky deaf bastard.
[Scene: Outside Room 816, Joey is briefing Phoebe on Cliff.]
Phoebe: What else? What else?
Joey: Uh, well he's 33.
Phoebe: Oh. Ah-uh.
Joey: A widower.
Phoebe: Oh.
Joey: He seemed like a stand up guy. Oh, and he's not into anything weird sexually.
Phoebe: Enter Pheebes.
[Scene: Another Hospital Room, Chandler and Monica

enter and start making out.]
Chandler: Should we tell Rachel there's an empty private room right next door to hers?
Monica: We could, or we can have sex in it.
Chandler: Well let me think about that, while I remove my pants!
 (They start making out again.)
Monica: (lying down on the bed) Okay mister! Fertilize me!
 (Suddenly they hear Janice laughing, and it ruins the moment.)
Monica: Does that sound like Janice?
Chandler: If it's not, then there's two of them. And that would mean it's the end of the world!
 [Scene: The Semi-Private Labor Room, Chandler and Monica are entering to see if they in fact did hear Janice.]
Monica: Hey!
Ross: Hey!
Chandler: Hi.
Rachel: Oh hi.
Monica: I can't believe this is taking so long. How are you doing?
Rachel: Oh not bad. Do you know that feeling when you're trying to blow a Saint Bernard out your ass?
Chandler: Weirdest thing. Did I hear—(A nurse opens the privacy screen and Chandler sees Janice)—Mother of God it's true!
Janice: Chandler Bing!
Chandler: Jan-Janice!
Ross: Not just Janice, Janice in labor, contracting and everything.
Janice: Oh, this should be easy. I have a very wide pelvis. You remember Chandler.
Chandler: Janice I didn't even know you were pregnant! Who's the unwitting human who's essence you've stolen?
Janice: It's you. This is yours.
Chandler: What?!!
Janice: (laughs) Look how nervous he gets! We haven't slept together in years! (Laughs again.)
Chandler: That's funny. Does it—does it hurt? Does the labor hurt?
 [Scene: Room 816, Phoebe is making her move on Cliff.]
Phoebe: Okay I've got one for you, if you had too which one would you rather eat, a seeing eye dog or a talking gorilla?
Cliff: I'd have to say...the talking gorilla, because at least I can explain to him that you're making me eat him.
Phoebe: Somebody went to college. Wow. (Cliff gets uncomfortable) What is it? I'm sorry. (She moves her arm, which was resting on the same pillow his leg is.)
Cliff: No, I'm sorry. It's just my foot itches like crazy.
Phoebe: Oh, I'll get it. (She gets up and grabs a spoon.)
Cliff: Wow! I usually get to know a girl a little better before I let her spoon me.
Phoebe: Relax, it's not like we're forking.
 [Scene: The Semi-Private Labor Room, Janice is being moved to the delivery room and is screaming in pain.]
Rachel: Oh that's five Ross. Five women have had five babies! And I have had no babies! Why doesn't she want to come out?
Ross: Y'know what I think it is? I think you've made such a nice home for her over the last nine months that she just doesn't want to leave.
Rachel: Oh. Look at you making up crap for me. Oh God! (Starts another contraction as Dr. Long enters.)
Dr. Long: Twenty-one hours, you're a hero.
Rachel: Doctor you gotta do something! I think you gotta give me drugs or you gotta light a fire up in there and just smoke it out.
Dr. Long: Actually, I think you're ready to go to the delivery room.
Rachel: What?
Dr. Long: Ten centimeters, you're about to become a mom.
Rachel: My God. Okay. (Another woman enters.) Ha-ha-ha beat ya! Sucker!
 [Scene: Room 816, Phoebe and Cliff are eating some pudding with spoons.]
Cliff: Is this the same spoon that was in my cast? (Smells it.)
Phoebe: Y'know what? This one is. (Eats another spoonful of pudding as Cliff sees something on TV.)
Cliff: Oh my God! That's the doctor who was in my room before!
Phoebe: Huh. Okay, Mr. Perkazet.
Cliff: I'm telling you! The guy from that show was here in my room, asking me all these weird questions!
Phoebe: Cliff, do you really believe that a character from a TV show was here in your room?
Joey: (entering) Rachel's having her baby!! (Phoebe turns and looks at him.) Which is of no interest to me, I'm a neurologist.
Cliff: That—that's him! You know him?
Phoebe: Okay. Okay. I—Okay umm...this...I-I sent my friend Joey in here to find out stuff about you. Umm y'know, if it helps you came off great. A lot better than I'm coming off right now.
Cliff: I don't believe this. You got him to pretend he was some fake doctor?

Joey: Fake? Excuse me? Hello? (Taps the TV screen.)
Cliff: And then you tried to make me think that I was crazy.
Phoebe: You're right, that was wrong. I'm sorry. I'm so sorry. It's just that I liked you so much. Can we just, can we just start over?
Cliff: I don't think so.
Joey: Uh, if I may? Umm-umm look, Cliff, you told me a lot of personal stuff about you, right? And maybe-maybe it would if-it would help if-if you knew some personal stuff about her. Uh, she was married to a gay ice dancer. Uh, she gave birth to her brother's triplets. Oh! Oh! Her-her twin sister used to do porn!
Phoebe: Uh Joey, we're trying to dial down the crazy.
Joey: Right!
Phoebe: Umm, look we don't, we don't really know each other so it would be really easy to just forget about this, but there seems to be something between us. And I don't know about you but that doesn't happen to me a lot.
Cliff: It doesn't happen to me either.
Joey: Me neither.
 [Scene: The Delivery Room, Rachel is finally giving birth.]
Dr. Long: Push. Push. Come on push for five seconds. 5...4...
Rachel: 3-2-1 oh!!
Dr. Long: Okay, the next contraction should be in about twenty seconds.
Rachel: I can't. I can't push anymore, I can't.
Ross: Sweetie you're doing great.
Rachel: Oh God twenty seconds my ass!!
Dr. Long: Here we go! Okay, keep pushing! Wait! I see something.
Ross: What? You do? You do? (Looks Oh my God!
Rachel: Don't say, "Oh my God!" Oh my God what?
Ross: What is that?
Dr. Long: It's the baby's buttock, she's breech.
Ross: Oh thank God, I thought she had two heads.
Rachel: Oh God. Is she gonna be okay?
Dr. Long: She's gonna be fine. Okay, she's in a more difficult position so you're gonna have to push even harder now. Go! Push!
Ross: Go!
Dr. Long: Rachel you're gonna have to push even harder, nothing's happening!
Rachel: I'm sorry, I can't!
Ross: Yes you can!
Rachel: I can't!
Ross: Hey! Hey! Come on! You can! I know you can do this! Let's go!
Rachel: I can't. Please, you do it for me.
Ross: No! Come on let's—One more time! One final push! Ready? 1...2...3! (Rachel pushes so hard her head snaps up head-butting Ross and knocking him down.)
Dr. Long: Good!
Ross: (from the floor) Keep pushing!
Rachel: Are you okay?
Ross: You have no idea how much this hurts. (All of the women in the room turn and glare at him.) Keep going! Keep going!
Dr. Long: Here we go!
Ross: Oh! Oh! She's upside down but she's coming! She's coming!
Rachel: Oh God!
Ross: Oh! Oh my God oh! Oh my God she's here. (The newest friend cries.)
Ross: Oh she's...she's perfect.
Rachel: Oh, she's so tiny. (Starts crying) Where'd she go?
Ross: Oh it's okay. They're just—they're just wrapping her up.
Rachel: Okay. Well be careful with her, she's really tiny.
Dr. Long: Here she is!
Rachel: (Dr. Long hands her to Rachel.)
Rachel: Oh hey you. Thanks for coming out of me. (The baby cries.) I know. Oh. Yeah. Oh, she's looking at me. Hi! I know you.
Dr. Long: Do we have a name yet?
Rachel: No, not yet.
Dr. Long: That's fine, for now we'll just call her Baby Girl Green.
Rachel: Oh no, Baby Girl Geller-Green.
 (Ross and Rachel look into each other's eyes and kiss.)
Rachel: Hello baby girl.
 Commercial Break
 [Scene: The Recovery Room, Ross is taking pictures of Rachel holding the baby as the rest of the gang enters.]
Phoebe: Can we come in?
Ross: Oh, come in.
Phoebe: Hi!
Joey: There she is!
Phoebe: Oh, she's so beautiful.
Rachel: Here. (Hands her to Monica.)
Monica: Oh my God! She's amazing. Oh, oh I'm so glad you guys got drunk and had sex!
Chandler: It's incredible, I mean one minute she's inside you and then 47 hours later here she is.
Joey: (taking the baby) She looks so real! (The gang looks at him.) Y'know what I mean! She's this whole tiny little person. She already has eyelashes and knees and...uh-oh.
Rachel: What?
Joey: Oh no-no, no for I second there I counted six fingers, but one was from the other hand so we're good.
Phoebe: Okay, my turn. My turn. (Joey hands her to Phoebe.) Oh! You're so cute! Oh, I could squeeze your little head! (Pause) I won't.
 (Rachel starts crying again.)
Monica: What's the matter?
Rachel: Oh nothing I... Sorry, I just can't stop crying.
Ross: The doctor says it's completely normal with all the hormones. Plus, you-you're sleep deprived.
Rachel: So? You guys are all sleep deprived. I don't see you weeping because you put your slippers on the wrong

feet. Oh God. (Starts to cry harder.)
Joey: What's the matter now?
Rachel: I was reliving it.
Phoebe: Ohhh. (Hands her back to Rachel.)
Chandler: So, do you know what you're gonna call her yet?
Phoebe: Oh, wait a minute it's not gonna be Baby Girl? I thought that was so original!
Ross: Uh actually, we-we've narrowed it down to two names.
Rachel: Yeah, and y'know what? I love them both, so why don't you just pick one and that'll be it.
Ross: Wow! Umm, okay uh...everyone...this...Is Isabella. (Rachel starts crying.) What?
Rachel: That's not her name! I'm sorry, she just doesn't feel like an Isabella.
Chandler: So then I guess Ferdinand is out.
Joey: What was the other one Ross?
Ross: Umm, Delillah.
Rachel: Oh great! Suddenly she sounds like a biblical whore.
Ross: So I guess we're back to uh, Baby Girl.
Phoebe: Yay!
Rachel: Well what are we going to do?
Monica: It's okay honey, you'll find a name.
Ross: Ugh, easy for you to say, you already know what your kids names are going to be.
Chandler: You do?
Monica: Yeah, I've had them picked out since I was fourteen.
Chandler: Oh no, it's gonna be named after some snack or baked good isn't it?
Rachel: Well tell us What are they?
Monica: Umm, okay. If it's a boy it's Daniel.
Rachel: And if it's a girl?
Monica: I don't want to say.
Rachel: Oh, just tell us! We're not gonna want it!
Monica: Okay. It's Emma.
Rachel: (gasp) Emma! (Looks at the baby and starts to cry.) See? I don't want it.
Monica: Take it.
Rachel: What?
Monica: It's clearly an Emma.
Rachel: Oh honey, but you love that name.
Monica: Yeah, but I love you more. Besides y'know, nothing goes with Bing. So I'm screwed. I mean... (Rachel hands Emma to Monica.) Oh, hi Emma. Yeah, that's you. You're our little Em. Oh what's that honey? What? Oh, you want a little cousin? (To Chandler) You want a cousin right now?
 [Scene: A Janitorial Closet, Monica and Chandler are emerging slowly.]
Chandler: That was amazing.
Monica: I know. Hey, do you realize we may have just changed our lives forever? We may have just started a family. Nine months from now we can be here, having our own baby.
Chandler: And if not, we got to do it on a bucket.
 [Scene: The Recovery Room, Rachel is putting Emma down for a nap.]
Janice: (entering) Yoo-hoo! Aaron Litman-Neurolic would like to say hello to his future bride.
Rachel: Ohhh! (Looks at Aaron and recoils in horror.) Wow! He kinda takes your breath away doesn't he?
Janice: He's a keeper. How are you feeling?
Rachel: Oh, I'm fine. (Gasp in pain as she sits down.)
Janice: Can I just say, I really admire what you're doing. Just raising her all alone.
Rachel: Oh, I'm not doing it alone. I have Ross.
Janice: Oh, sure. Now. But what happens when he meets somebody else and gets married?
Rachel: Well then he gets a divorce, it's Ross!
Janice: I'm telling you Rachel, listen to Janice. They all say they're gonna be there until they start their real family.
Rachel: Well I—That's never gonna happen with Ross.
Janice: Oh well that's what I thought about my first husband, now I'm lucky if my kid gets to spend the weekend with her father and the twins and little Ms. New Boobs.
Phoebe: Really?
Janice: I hate to be the one to say it, but honey you two (Her and Emma) are on your own.
Rachel: Well... That's...y'know—That's—We've been alone for the last twenty minutes we're doing okay. Besides y'know what? I—I—Maybe we won't be alone, 'cause lately I—I—things have been happening between me and Ross, y'know? Right before I went into labor, we-we had this kiss. Y'know? So it might be the...the beginning of something.
Ross: (entering) Hey Janice!
Janice: Oh hi!
Ross: Who's this little guy? (Gasp when he sees Aaron.)
Janice: Say hello to Aaron, your future son-in-law.
Ross: No-no. No.
Janice: I'm gonna leave the three of you alone.
Ross: Okay.
Janice: Bye. (Exits.)
Ross: Man! Did you see the kid on that nose?
Rachel: Uh-huh. (Ross takes off his coat and sets in on a chair.) Y'know what I was, I was thinking about?
Ross: Huh?
Rachel: Umm...that kiss before we left the apartment. That was some-something huh?
Ross: Yeah. Yeah, it really was. But we...we gotta be careful. We...we can't let that happen again, y'know?
Rachel: (pause) Right.
Ross: I mean we don't want to go down that road do we?

Rachel: No! No, of course not. No. That's why I brought it up. (Pause) They didn't have any sodas?

Ross: Oh my God! I'm sorry, I was talking to this nurse, completely forgot.

Rachel: That's all right. (He goes to get her a soda.) And so it begins.

[Scene: Outside the Nursery, Ross is looking at Emma as Phoebe walks up.]

Phoebe: Is she in there?

Ross: Yeah. She's putting her down now, that's her. (Points to the nurse putting Emma now.)

Phoebe: Oh!

Ross: Look at Emma!

Phoebe: I just can't decide who she looks more alike, you or Rachel?

Ross: Oh what are you kidding? She's gorgeous, it's all Rachel.

(Pause)

Phoebe: I'm sorry, for the last time, why aren't you two together again? (Silence from Ross.) No, I know. I know, because you're not in that place. ever gonna be alone. Okay? I promise that's not gonna happen.

Rachel: Joey. Honey what would I do without you? (They hug.)

Joey: You don't have to worry about that okay? (Pause)

Rachel: Oh, hon can you grab me my other box of tissues? They're right on that chair under Ross's coat.

Joey: Sure.

Rachel: Okay.

(He moves Ross's coat to get the tissues and the engagement ring box Mrs. Geller gave him falls out of the pocket it was inside. Joey goes to one knee, picks up the box, opens it, and sees that it's an engagement ring.)

Joey: My God.

Rachel: Joey.

(He turns to face Rachel on one knee with the box open.)

Rachel: (seeing the ring) Oh my God. (Pause) Okay. (Joey is stunned.)

[Cut to Ross getting of an elevator carrying a bouquet of flowers and walking down the hall to Rachel's room.]

[Fade to black.]

Closing Credits

{Transcriber's Note: As with all the cliffhangers, there was no credits scene. There will be a ninth and final season of Friends starting sometime in September. See you then, have a good summer everyone.}

901 The One Where No One Proposes

[Scene: Rachel's Room, Joey moves Ross's coat to get the tissues Rachel wants and the engagement ring box Mrs. Geller gave him falls out of the pocket it was inside. Joey goes to one knee, picks up the box, opens it, and sees that it's an engagement ring.]

Rachel: Joey.

(He turns to face Rachel on one knee with the box open.)

Rachel: (seeing the ring) Oh my God. (Pause) Okay. (Joey is stunned.)

[Cut to Ross getting of an elevator carrying a bouquet of flowers and walking down the hall to Rachel's room.]

[Cut back into Rachel's room.]

Rachel: So uh - I guess we should - make it official huh?

Joey: Uh - Look Rach - (Ross enters.) Hey Ross is here! Hey look! It's my good friend Ross. Hey Ross.

Ross: Hey Joey. (To Rachel) Hey you.

Rachel: Hey you.

Joey: Hey and look he brought flowers. Thanks Ross, but I'm really more of a candy guy. (Laughs.)

Ross: You're weird today. (He turns to Rachel and Joey puts the ring back.) (To Rachel) Listen I uh, wanted to talk to you about something.

Rachel: Uh yeah, actually I kinda need to talk to you too.

Ross: Uh Joey, can you give us just a minute?

Joey: No.

Ross: What?

Joey: Oh, I'm sorry. I meant no.

Monica: (entering with everyone else including Mr. Geller) Hi! Hey look who's here!

Mr. Geller: Where's my granddaughter? I've been practicing my magic tricks.

Chandler: He pulled a quarter out of my ear!

Ross: Hey, where's uh, where's mom?

Mr. Geller: She went to pick up Aunt Liddy.

Monica: Oh, Aunt Liddy's coming? That means we get five dollars each!

Mr. Geller: So when do I get to meet Emma and show her this? (Pulls a bouquet of flowers out of his sleeve.)

Chandler: Okay. Wow.

Ross: Uh Dad, Emma's in the nursery. I'll take you now. If you want, but (To Rachel) I really want to talk to you.

Which would be fine, except you totally are.

Ross: It's...it's complicated okay?

Phoebe: Yeah that's true. Yeah, you love her. You always have. You have a child together. There is no right answer.

Ross: Look, we've been together. Okay? And then apart, and then together, and then apart, and now we have a baby. (Pause) It's just if-if we got together again and it didn't work out...I could never do that to Emma. I mean she-she thinking everything—(Starts to cry.) Oh that's...now me. What do they put something in the water in this place? Since Rachel and I were doing really, we're doing really well right now.

Phoebe: I know. I know. I know, and if you try to make it more you might wreck it.

Ross: Yeah, exactly.

Phoebe: Right. (Pause) Or you might get everything you've wanted since you were fifteen.

[Scene: The Delivery Room, Rachel is in bed as Joey enters.]

Joey: Hey. I just saw a woman breast feeding both of her twins at the same time; it is like a freak show up here.

Rachel: I know, I still need to talk to you.

Joey: Oh hey but, before you guys do that (To Rachel) I need to talk to you, and Ross, I need to talk to you.

Phoebe: (To Monica) Oh and I need to talk to you.

Monica: About what?

Phoebe: To see if you know what these guys are talking about.

Opening Credits

[Scene: Outside the Nursery, everyone but Rachel is standing and looking into the window.]

Monica: Isn't she beautiful?

Mr. Geller: Look at her, my first grandchild.

Ross: What about Ben?

Mr. Geller: Well of course Ben, I meant my first granddaughter. (To Monica, mouths) Wow.

Phoebe: (taking Ross aside) Have umm, have you thought anymore about you and Rachel?

Ross: Oh well yeah, actually I was going to talk to her when you guys all came in the room.

Phoebe: Yay! It's so exciting! Wow, you could've done that with us there.

Ross: Yeah right.

Phoebe: Oh sure okay, you can touch yourself in front of us but you can't talk to Rachel.

Ross: What?! When have I ever touched myself in front of you guys?

Phoebe: Oh please! Just before when you were asleep in the lounge! That Armenian family was watching you instead of the TV. Oh, that reminds me. That Mr. Hasmeje still has my *Gameboy*.

Joey: (taking Chandler aside) Hey Chandler, can I talk to you for a second?

Chandler: Sure.

Joey: Dude I just did something terrible.

Chandler: That was you?! I thought it was Jack!

Joey: No! No, that was Jack! Rachel thinks I asked her to marry me!

Chandler: What?! Why does she think that?

Joey: Because it kinda looked like I did.

Chandler: Again, what?!

Joey: Okay well, I was down on one knee with the ring in my hand -

Chandler: As we all are at some point during the day.

Joey: It wasn't my ring! It fell out of Ross's jacket! And when I knelt down to pick it up Rachel thought I was proposing!

Chandler: Ross had a ring?! And he was gonna propose?

Joey: I guess.

Chandler: And you did it first?! This is gonna kill him! You know how much he loves to propose!

Joey: I know! I know it's awful.

Chandler: Well, what did she say?

Joey: (happily) She said yes.

Chandler: Does Ross know?

Joey: Oh God, what the hell am I going to tell him?

Chandler: Well maybe you don't have to tell him anything.

Joey: Oh, I like that. Yeah -

Chandler: If you clear things up with Rachel then Ross never needs to find out, but you have to do it now before he hears about it and kicks your ass!

Joey: (laughs) Now let's not get carried away. (He walks away as Monica comes over and hugs Chandler from behind.)

Monica: I want a baby.

Chandler: Honey, we've been over this. I need to be facing the other way.

Monica: Come on! Come on, if we have sex again it'll double our chances of getting pregnant. Do you think that closet's still available?

Chandler: I'm so tired. (She starts kissing him.) Yeah okay, but no foreplay.

Monica: Deal!

[Back in front of the nursery window.]

Ross: Dad seriously! Y'know you really should see someone about that!

Mr. Geller: Noted.

Ross: I wanna go talk to Rachel for a minute, are you gonna be okay alone for a bit?

Mr. Geller: Are you kidding me, I could stay and look at her forever.

Ross: (noticing something) Actually umm - (He turns Mr. Geller's head to look at Emma.)

[Scene: Rachel's Room, Phoebe is entering.]

Phoebe: Hey!

Rachel: Hi.

Phoebe: Are you all right?

Rachel: Uhh - I think I just got engaged.

Phoebe: Oh my God! He did it?

Rachel: Well - did you know he was gonna ask me?

Phoebe: Are you kidding? I'm like the one who talked him

(Notices she's wiping her eyes.) What's the matter?

Rachel: Nothing.

Joey: What is it? Hey!

Rachel: Really it's nothing. I'm just...

Joey: Rach come on, what?

Rachel: I've just been thinking about how my baby and I are gonna be all alone.

Joey: What are you talking about alone? What about Ross?

Rachel: Oh please, he'll be with his real family, the twins and little miss new boobs.

Joey: Okay, how long was I watching that woman?

Rachel: I'm just saying that y'know, someday Ross is gonna meet somebody and...he's gonna have his own life. Right?

Joey: Yeah, I guess so.

Rachel: I just never thought I would raise this baby all by myself. Pretty dumb huh?

Joey: Hey, listen to me, listen to me...you are never

into it. I like to think of myself as the puppet master of the group.

Rachel: And you really think this is a good idea?

Phoebe: I just talked him into it, don't tell me I have to do you too. The puppet master gets tired, people.

Rachel: I just don't know! It just doesn't feel right.

Phoebe: Why?! You two are so meant to be together, everybody thinks so.

Rachel: Really?! Even Ross?

Phoebe: Especially Ross!

Joey: (entering) Oh uh, hey Pheebs. Uh y'know what? I'll-I'll come back later. (He goes to leave but runs into Ross who's entering.)

Ross: Wow! Kind of uh, kind of a full house here. I'll guess just - I'll come back. (Ross exits followed by Joey.)

Phoebe: There he goes, your fianc 関.

Rachel: I guess so.

Phoebe: Although he does play with himself in his sleep.

Rachel: I can't say that I'm surprised.

[Scene: A hallway, Joey and Ross find Mr. Geller with his ear up against a janitor's closet door.]

Ross: Dad, what are you doing?

Mr. Geller: I think there are people in there having sex. (Ross turns to look at Joey.)

Joey: It can't be me, I'm standing right here.

Mr. Geller: Wanna peek?

Ross: No!

Mr. Geller: Come on!

Ross: Y'know what? I don't like you without mom. (To Joey) Come on. (Walks away.)

Joey: (To Ross) We're not peeking? (Follows him.)

Mr. Geller: Well I'm peeking. (He peeks.) Oh my God!

Chandler: Hello sir, you know Monica.

[Scene: Rachel's Room, she is taking the ring out of Ross's jacket, looks at it, and puts it on her finger as Joey enters.]

Joey: Hey uh, is it okay to come in?

Rachel: Of course! Oh Joey, this ring I - it's beautiful! I love it!

Joey: Yeah uh look Rach, there's something I gotta tell ya. (There's a knock on the door and a nurse enters carrying Emma.)

Rachel: Hey!

Nurse: Hey! Are you ready to try nursing again?

Rachel: Yeah! Hi Emma. Hey, why do you think she won't take my breast?

Nurse: It's all right honey, it takes some babies a while to get it, but don't worry. It'll happen.

Joey: (watching) Yowza! (Looks away.)

Rachel: Okay sweetie, you can do it. Just open up and put it in your mouth.

Joey: Dear Lord.

Rachel: I'm sorry honey, what were you saying?

Joey: Oh uh-uh yeah, I think that -

Rachel: Oh look, she's pulling away again! Do you think my nipples are too big for her mouth? (Joey gets embarrassed.) She looks scared. Doesn't she look scared?

Joey: Y'know, I don't really know her.

Nurse: Why don't we try massaging the breast to stimulate the flow. (Does so.)

Joey: (To God) Are you kidding me?!

Rachel: It's just so frustrating! Why doesn't she want my breast?!

Joey: I don't know! Maybe she's crazy! (Storms out.)

[Scene: The Lobby, Ross is eating a sandwich as Phoebe rushes up to him.]

Phoebe: Oh hey! Wait up!

Ross: Hi!

Phoebe: Congratulations! I didn't want to say anything in front of Joey 'cause I didn't know if he knew yet.

Ross: What, that we had a baby? Come on let's give him a little credit, although he did eat a piece of plastic fruit earlier.

Phoebe: No! No, that you and Rachel are engaged!

Ross: What?

Phoebe: Oh, it's a secret. Oh goodie! Yes! We haven't done the secret thing in a long time.

Ross: Phoebe, there is no secret. Okay? I didn't propose.

Phoebe: Are you lying? Is this like that time you tried to convince us that you were a doctor?

Ross: (pause) I am a doctor! Y'know what? I'm just gonna go and talk to Rachel myself.

Phoebe: All right, me too. (They go into her room and

see that she's sleeping.) Should we wake her up?
Ross: No! No, come on let her sleep! She's so exhausted.
Phoebe: And so engaged. (Points to the ring that Rachel is wearing.)
Ross: What? (Motions for Phoebe to go outside with him.) Oh my God! She-she thinks we're engaged! Why? Why? Why would she think we're engaged?
Phoebe: Perhaps because you gave her an engagement ring? Y'know Ross, doctors are supposed to be smart.
Ross: I didn't give her that ring!
Phoebe: Really?
Ross: No!
Phoebe: So whose ring is it?
Ross: It's mine.
Phoebe: Is it an engagement ring?
Ross: Yes!
Phoebe: But you didn't give it to her?
Ross: No!
Phoebe: But you were going to propose?
Ross: No!!
Phoebe: Huh, I might be losing interest in this.
Ross: Look. Look, my mom gave me that ring because she wanted me to propose to Rachel, but all I wanted to do is see if she maybe - kinda - wanted ah - to start - things up again.
Phoebe: Oh, what beautiful lukewarm sentiment.
Ross: Look, I didn't want to rush into anything. And it seemed like she didn't want to either. But I don't, I don't understand how any of this happened! What? Did she find the ring in my jacket, assume that I was going to propose, throw it on, and-and just start telling people?
Phoebe: No! No, she said you actually proposed to her.
Ross: Well I didn't! I didn't propose! (Pause) Unless uh - (Pause) Did I? I haven't slept in forty hours and - it does sound like something I would do.
Commercial Break
 [Scene: The Janitor's Closet, Chandler and Monica are trying to figure out what to do now.]
Chandler: Look, we can't stay in here forever.
Monica: Oh, I still can't believe my dad saw us having sex! He didn't make it to **one** of my piano recitals, but **this** he sees!
Chandler: This is okay. We're all adults here; there's nothing to be ashamed of. Now, let's put our underwear in our pockets and walk out the door. (They do so and find Mr. Geller leaning against a wall stunned.)
Monica: Hi Dad! I can still call you that right?
Mr. Geller: Of course. I'll always be your dad.
Chandler: I just want you to know that what you witnessed in there, that wasn't for fun.
Monica: It wasn't fun?!
Chandler: (To Monica) Why? Why-why-would you—Wh-why - (To Mr. Geller) Look, I just don't want you to think that we're animals who do it whenever we want.
Mr. Geller: Oh, I don't think that. Before today I never thought of you two having sex at all. It was a simpler time.
Monica: The truth is, Dad, we're-we're trying.
Mr. Geller: What?
Monica: Yeah, we're trying to get pregnant.
Mr. Geller: Oh my God! This is so exciting! Well, get back in there! (Points to the closet) I'll guard the door!
Monica: Well, that's okay dad, we-we can wait until later.
Mr. Geller: Whoa-whoa-whoa! I don't think so! Aren't you ovulating?
Monica: Daddy?!
Mr. Geller: Well you gotta get at it princess! When your mother and I were trying to conceive you, whenever she was ovulating, bam, we did it. That's how I got my bad hip.
Chandler: That's funny, this conversation's how I got the bullet hole in my head.
Mr. Geller: This one time I had my knee up on the sink and your mother, she was -
Monica: Daddy! I don't think we need to hear about the specific positions you and mom had sex.
Mr. Geller: You're right, you're right. This is about your positions. Now, what I saw in the closet is not the optimum position for conceiving a child, although it might feel good.
Monica: I don't feel good right now.
Mr. Geller: But pleasure is important, (To Chandler) and it helps if the woman has an orgasm. You up to the task sailor?
Chandler: Seriously sir, my brains? All over the wall.
 [Scene: Rachel's Room, Monica is entering.]
Monica: Hey.
Rachel: Hey. I need to tell you something.
Monica: Well, now's a good time. I'm on my way to have my ears cut off.
Rachel: Joey asked me marry him.
Monica: What?
Rachel: Joey proposed to me.
Monica: Is he crazy?! You just had Ross's baby!
Rachel: Well, I-I said yes.
Monica: What?! Are you crazy? You just had Ross's baby! It's-it's so inappropriate. No, it's worse than that. It's wrong. It's - It is bigger than mine! (Rachel's engagement ring.)
Rachel: I know. *Days of Our Lives*, thank you very

much.
Monica: You can't marry him!
Rachel: Why not? I don't want to do this alone! And he's such a sweet guy and he loves me so much.
Monica: Well do you love him?
Rachel: Sure.
Monica: Sure?
Rachel: Yeah, I mean whatever.
Monica: Honey, the question is - do you really want to marry Joey?
Rachel: No. No, I don't. Could you be a dear and go tell him?
 [Scene: A Hallway, Chandler is following Joey.]
Chandler: You still haven't told Rachel you weren't really proposing?
Joey: No! She had the ring on, she seemed so excited, and then she took her breast out.
Chandler: Joey, you have to tell her what's going on! And what did it look like!
Joey: I didn't look at it. Stupid baby's head was blocking most of it.
Chandler: Go and tell Rachel right now before Ross finds out.
Joey: Look, it's not that easy. She said she wanted to marry me. I don't want to hurt her.
Chandler: Okay, look, just do it gently.
Joey: You're right. You're right. I-I'll go tell her now before Ross finds out and I'll be gentle. I can do that. I am a gentle person. Oh, by the way. Two people screwing in there (Points to the closet Chandler and Monica were in) if you want to check that out.
 [Scene: Rachel's Room, Ross is entering.]
Ross: Hey.
Rachel: Hey.
Ross: Listen, I um - I heard about the engagement.
Rachel: Surprised?
Ross: And confused. Rach, sweetie, I-I um - I didn't propose to you.
Rachel: I know.
Ross: I don't think you do.
Rachel: You didn't propose to me. Joey did.
Ross: Poor baby, you're so tired. Rach, I didn't propose to you, Joey didn't propose to you, and Chandler didn't propose to you.
Rachel: Uh - You didn't propose to me, Chandler didn't propose to me, but Joey did.
 (Joey enters.)
Ross: Joey proposed to you?
Joey: I can come back.
Ross: Hey, wait! Wait-wait-wait! Joey, did you propose to her?
Joey: No.
Rachel: Yes you did!
Joey: Actually, technically, I didn't.
Rachel: Well then why did you give me a ring?
Ross: Wait! Whoa-whoa, you - you gave her the ring?
Joey: No! No, and I did not ask her to marry me!
Rachel: Yes, you did!
Joey: No, I didn't!
Rachel: Yes, you did!
Joey: No, I didn't!
Rachel: Yes, you did! And don't you say, "No, I didn't!"
Joey: Ahhh!
Rachel: He was right there. He got down on one knee and proposed.
Ross: Whoa! You were down on one knee?
Joey: Yeah. Yeah, that looks bad. But I didn't - I didn't propose!
Ross: Then what did happen?
Rachel: Yeah, what did happen?
Joey: Okay, the ring fell on the floor and I went down to pick it up and you thought I was proposing.
Rachel: Yeah, but you said, "Will you marry me?"
Joey: No, I didn't!
Rachel: Yes, you did!
Joey: No, I didn't!
Rachel: Yes, you did—Oh my God you didn't! (Screams) Well then why didn't you tell me that before?!
Joey: Well I tried, but people kept coming in and then you took your breast out!
Ross: Whoa! Hey! Whoa-whoa-whoa, you saw her breast?!
Joey: (To Ross) I'll tell you about it later. Be cool.
Rachel: Well then Joey, what the hell were you doing with an engagement ring?
Joey: It wasn't my ring! It's Ross's ring! That's why I felt so bad Rach, because he was going to propose.
Ross: What?!
Rachel: You were gonna propose to me?
Ross: Uh - No.
 (An awkward silence follows.)
Joey: Well, this is awkward.
Ross: But I-I was going to see if y'know, maybe you uh, start dating again but that - I mean that-that was all, Rach.
Joey: Dude, step up! I proposed.
Ross: No, you didn't!
Joey: Oh that's right. There's a lot going on here and I think I ate some bad fruit earlier.
 (There's a knock on the door and the Nurse enters carrying Emma.)
Nurse: Hey, she just woke up! She's hungry. Why don't we give this another try?
Rachel: Okay.
Ross: (To Joey) I can't believe you told her I was going to propose!
Joey: I can't believe you're not going to propose!
Ross: Hey, I'm not going to rush into anything!
Joey: Oh yeah, dude, I totally understand. Usually after I have a baby with a woman I like to slow things down!
Rachel: Oh my God!
Ross: What?

Rachel: She's doing it Look, she's breast-feeding look!
Joey: (looking at the ceiling) Ah, it's beautiful.
Nurse: I'll come back for her later.
Rachel: Okay.
Ross: Thank you. (The nurse exits.)
Rachel: Oh wow, this feels weird.
Ross: Good weird?
Rachel: Wonderful weird.
Joey: Y'know what you guys? I'm uh, I'm gonna go too. And uh, I'm sorry about everything.
Rachel: Honey don't worry, it was my mistake.
Joey: No, Rach, I should've told you sooner. It's just that - Man! That kid is going to town! (Joey makes his awkward exit.)
Rachel: She's perfect.
Ross: We're so lucky.
Rachel: We really are.
Ross: Look, I-I know it's not a proposal and I don't know where you are, but with everything that's been going on and with Emma and - I've been feeling -
Rachel: I know. I know. I'm feeling -
Ross: Yeah?
Rachel: Yeah. (Laughs nervously)
Ross: Okay, well, that - Wow, okay, well, umm - then maybe, at least we can, we can talk about us again.
Rachel: Yeah, maybe.
Ross: Well good, okay. I-I, kind of think y'know if we - if - you're wearing the ring....
 (Pause.)
Rachel: Wh-what's that?
Ross: And you told Phoebe you were engaged.
Rachel: I'm sorry, what?
Ross: When you thought Joey proposed did - did you say yes?
Closing Credits
 [Scene: Outside the Janitor's Closet, there are people having sex and Mr. Geller is trying to give them some pamphlets.]
Mr. Geller: Kids, I spoke to a doctor and picked up this pamphlets on how to get pregnant. (He slides them under the door.)
Monica: (walking by with Chandler.) Hey dad!
Chandler: Hey.
Mr. Geller: (pause) Sorry to bother you again, but could you pass my pamphlets back? (They do so.) Thank you.
End

902 The One Where Emma Cries

Scene: Continues from **The One Where No One Proposes** - Ross is still next to Rachel.

Ross: You said you'd marry Joey?
Rachel: OK, you have to realize, I was exhausted, I was emotional, I would have said yes to anybody. Like that time you and I got married. (Long pause) I'm not helping.
Ross: So you said yes to him, and you just had our baby?
Rachel: That is right and traditionally the daddy is supposed to give the mummy a present but I am prepared to let that go.
Ross: So when I came in here to see if you wanted to maybe start things up again, you were engaged to my best friend.
Rachel: Well (Looks at Ross quizzically) Really? I thought Chandler was your best friend.
Ross: Well, Chandler's my oldest friend, but Joey's my NO! Ah! (points at Rachel)
Rachel: Ooooo!
Joey: (Enters) Hey I'm gonna take off. I just wanted to let you guys know, say goodbye.
Ross: Rachel said she'd marry you!
Joey: (He looks around the room) This isn't the right room, sorry folks. (leaves)
Opening Credits
Scene: Monica, Phoebe, Joey & Chandler are at Ross & Rachel's waiting for them to come home.
Monica: OK, I don't wanna be negative so I'll say that most of the signs you bought are good.
Phoebe: No they ran out of "It's a girl" (the sign says "It's a boy") but I can fix this one, (she writes "not" in between *it's* and *a*) See?
Monica: (looking at Chandler sleeping with a balloon in his mouth) So sexy. Honey.
Chandler: Yea yea. (pulls the balloon out of his mouth)
Monica: Honey why don't you go lie down.
Chandler: No, no, Ross and Rachel will be back soon and then I gotta go to the office (pulls a balloon out of his mouth) Am I producing them?
Joey: Why're you so tired?
Chandler: Couldn't sleep last night you know, then I started worrying about this big divisional meeting that I have later today, the more I worried about it the more I couldn't sleep, you know, I was like, if I fall asleep now I'll get six hours sleep, but if I fall asleep now I'll get 5 hours sleep. Not matter what I did I couldn't fall asleep.
Joey: You know what you should've done, you should have told yourself that little story.
Rachel: (enters with Emma) Hi!
Everyone: Hi, welcome home!
Monica: Phoebe did the signs.
Rachel: Oh you guys thanks for doing this.
Phoebe: Look at all the stuff people sent!
Rachel: Oh AH! (see's a big gorilla stuffed animal) Oh my gosh there's something every mother needs, a giant stuffed gorilla that takes up the entire apartment!

What are people think?(reads the card) Oh you guys I love it.

Joey: Hey so where's Ross?

Rachel: He's downstairs getting the rest of the stuff out of the cab.

Joey: Is he still mad at us?

Rachel: Well, you more than me, but he can't stay to mad at me. I mean, I just had his baby.

Joey: That's not fair! I can't do that.

Rachel: Yeah, I'm not too sure you should be here when he comes up.

Joey: See this is what I was afraid of, I didn't think I should be here either but somebody (looks at Chandler) said he'd be over it by now.

Chandler: Hey, what do I know? I wanted to get a bigger gorilla.

Scene: Chandler keeps drifting off to sleep at his meeting.

Ms. McKenna: The numbers we are seeing New York, Chicago & London are consistently solid, but many of our officers have reported disappointing fields.

(Chandler drifts off and his arm slips off the table and he wakes back up.)

Ms. McKenna: Boston is down, Atlanta, Houston is down, I could go on and on but instead of boring you I'll go straight to my forty two point plan.

(Chandler leans over to the man next to him drifting off yet again, realizing he gets back up.)

Chandler: Walter (nods).

Scene: Phoebe Monica Rachel & Ross at the apartment.

Phoebe: She's just so cute! I just wanna bite her ear off and use it and a sucking candy.

Monica: Phoebe! But I could take one of those little feet and put it in a peter pocket.

Ross: (comes out from the back room) OK I put most of the stuff away.

Rachel: Oh great, the pacifiers?

Ross: In the closet.

Rachel: The burping clogs?

Ross: Linen closet.

Rachel: The diapers?

Ross: In the hospital.

Phoebe: Wow you guys got a hospital fetish!

Ross: No I left the diapers at the hospital! There's some in the bag but I'll run out and get some more.

Rachel: Alright thanks, oh Ross could you stop by the coffee house and get me a muffin?

Ross: Sure what kind?

Rachel: Umm let me think...What do I want, what do I want...

Ross: Please take your time, it's an important decision. Not like, say, I know! deciding to marry someone, this is about a muffin (opens his eyes and acts like its serious)

Rachel: Blueberry.

Ross: Blueberry it is.

Rachel: Thanks.

Monica: Wow, he's really not letting this go, is he?

Rachel: God how long do you think that's gonna last?

Phoebe: I dunno, well he got over the "we were on a break" thing really quickly.

Rachel: You know what? I can't even worry about that right now, cause I got the cutie little baby, oh I can't believe how much I love her, I can't get enough of her, like right now I miss her I actually miss her.

Phoebe: You know that's?that's her.

Rachel: Oh god look at her sleeping, oh I love her so much, oh I think I'm gonna wake her up.

Phoebe: Oh no, Rach, no no, you know you're never supposed to wake a sleeping baby.

Rachel: Well I can do whatever I want, I made her, come on little girl, hi!

(Emma starts crying)

Phoebe: I don't wanna say I told you so but she's kinda doing that for me.

Rachel: Oh I'm sorry mummy's so sorry go back to sleep go back to sleep shh shhh! Go back to sleep

(Emma continues crying in the background)

Monica: Breaks your heart doesn't it

Phoebe: It really does?how long do you think we have to stay?

Scene: Chandlers meeting continues

Ms. McKenna: Ok if everyone's on board, it's settled, Chandler, (Walter puts his hand on Chandlers hand, Chandler sleeping puts his hand on top of his, he then wakes up and pulls his hand away) Chandler?

Chandler: Yep.

Ms. McKenna: Are you on board?

Chandler: (not knowing what he's saying yes to) Yes.

Ms. McKenna: Then, problem solved. Chandler will be running our office in Tulsa. You're gonna love Oklahoma.

(Chandler smiles and nods then realizes what he's agreed to.)

Scene: Emma continues crying while Rachel, Monica and Phoebe try different methods to quiet her down.

Phoebe: Well, alright, we already tried feeding her, changing her, burping her, oh try this one! Go back in time and listen to Phoebe!

Monica: Alright here's something, it says to try holding the baby close to your body and then swing her rapidly from side to side.

Rachel: OK (starts swinging Emma rapidly and she stops crying)

Monica: It worked!

Rachel: Oh (happy) oh no just stopped to throw up a little bit. (Emma starts crying again.) Oh come on, what am I gonna do, its been hours and it won't stop crying.

Monica: Umm, "she", Rach, not "it" -- "she."

Rachel: Yeah, I'm not so sure.

Monica: Oh my god, I am losing my mind.

Phoebe: Yeah, no kidding, this just proves no good can come from having sex with Ross.

Scene: Ross in central perk getting Rachel her muffin.

Ross: Hey Gunther, can I get a couple of blueberry muffins to go? (He puts a bag with dippers in it on the counter.)

Gunther: Dippers huh?

Ross: Yep.

Gunther: So I guess Rachel had you baby?

Ross: Yep, can you believe it?

Gunther: Nope, I still can't believe she slept with you in the first place

Ross: Huh? Ooh (laughs) you mean like a?Huh?

Joey: (Comes in.) Hey. (Smiles, Ross just ignores him and turns back round) Ross, I know you're pissed at me, but we have to talk about this, ah actually we don't, (Ross walks off) fine, fine OK but I gotta say technically, I didn't even do anything wrong.

Ross: (turns back) What! (angry) You didn't do anything wrong?!

Joey: I said I didn't technically.

Ross: OK let's put aside that you (finger quote-mark gesture) "accidentally" picked up my grandmothers ring and you (again) "accidentally" proposed to Rachel.

Joey: Look, can I just stop you right there for a second? When people do this (finger quote-mark gesture) " ", I don't really know what that means. (Ross just looks at him) You were saying?

Ross: And I can even understand that you couldn't tell Rachel, but why couldn't you tell me, huh? You had all day to and you didn't.

Joey: I know I should've. (quote-mark gesture) "im sorry"

Ross: Not using it right, Joe.

(He brings his hands in closer to his face then does it again.)

Ross: I'm gonna go.

Joey: No, come on Ross! (he grabs his bag so he cant leave) Look, Ross, we have to get past this.

Ross: Give me the bag

Joey: No, look, I don't know what else to do. I said I'm sorry.

Ross: Joey!

Joey: You should scream at me or hit me.

Ross: I'm not gonna hit you.

Joey: Why not, you'll feel better, I'll feel better, and I know you want to. I can see it in your eyes.

Ross: No I don't.

Joey: A little bit.

Ross: No.

Joey: Little bit.

Ross: No!

Joey: (excited) A little bit more.

Ross: Give me the bag.

Joey: No, hit me

Ross: Give me the bag.

Joey: Hit me.

Ross: Joey, give me the bag.

Joey: Hit me!

Ross: Joe I'm not kidding?/p>

Joey: (interrupting) Hit me, hit me.

Ross: No!

Joey: (shouts) Hit me! Hit me!

(Ross goes crazy and goes to punch him, but Joey gets out of the way and Ross punches his hand against the pole. Ross then screams from the pain and turns to Gunther, and Gunther has a huge smile on his face.)

Ross: You ducked!!

Joey: I'm sorry! It was a reflex!

Ross: Oh my god, this really hurts!!!

Joey: I couldn't help it! When a fist comes at your face, you duck! Look! (He goes to punch Ross, expecting him to duck, but he doesn't and Joey punches Ross in the eye! Gunther looks very happy.)

Ross: What is the matter with you?!

Joey: You were supposed to duck!!! Why didn't you duck?

Ross: Why don't we talk about this on the way to the hospital?

Joey: Good, good yeah, (grabs the bags) maybe while we're there, they can check your reflexes. (Joey opens the door and it hits Ross in the face with it.) "Oops"

(Commercial Break)

Scene: Emma is still crying.

Monica: Try feeding her again.

Rachel: I already fed her.

Monica: I know, that's why I said again!

Phoebe: Alright you guys, we can't turn on each other, that's just what she wants.

Chandler: (enters) Hey

Monica: Hey

Chandler: Monica can I talk to you outside for a minute?

Rachel: Oh no, you guys, just stay here, I'm gonna go check her diaper, Pheebes you wanna come?

Phoebe: Oh I'm kinda part of this.

Chandler: Actually Pheebes its more of a husband and wife kinda thing

Phoebe: I knew I should have married Chandler.

(Phoebe and Rachel go to the back room and Emma continues to cry in the background while Chandler and Monica talk.)

Monica: OK what's up

Chandler: OK, umm, you know how we always said that it would be fun to move to Paris for a year? You know, you

could study French cooking and I could write and we could take a picnic along the sand and go wine tasting in Bordeaux?

Monica: Oh yeah (smiles).

Chandler: OK, you know that people say that Tulsa is the Paris of Oklahoma?

Monica: What? Who says that?

Chandler: People who've never ever been to Paris.

Monica: What's going on?

Chandler: We're moving to Tulsa! (makes a excited expression on his face)

Monica: Excuse me?

Chandler: OK, Ms. McKenna, she kind of works above my boss, she asked me to move to Tulsa and be the president of our office there, and I was sleeping and apparently, said yes.

Monica: (stands up angry) Tulsa Oklahoma!

Chandler: The sooner state, whatever that is.

Monica: Chandler, I don't even wanna see the musical Oklahoma!

Chandler: Really, oh what a beautiful morning staring with a fringe on top.

Monica: Are you trying to tell me that we're moving to Oklahoma, or that you're gay? All right, not that this matters, but did they at least offer you a huge raise?

Chandler: No, no, but they are going to lease us a Ford Focus. (Monica's not impressed) I'll get out of it.

Monica: Thank you.

Chandler: (hears Emma crying finally) What is wrong with Emma?

Monica: Oh she misunderstood, she thought she was moving to Tulsa.

Scene: Chandler goes to see Ms. McKenna

Chandler: Umm m'am, do you have a minute? (She points for him to come in) I kind of have some bad news. I don't think I can move to Tulsa.

Ms. McKenna: What?

Chandler: It's a funny story, actually. (coughs) I kind of fell asleep in the meeting this morning so when I said I'd move to Tulsa, I didn't really know what I was saying.

Ms. McKenna: You fell asleep?

Chandler: But only because I was up all night worried about this meeting, ain't that funny? Irony? Not a fan, alright (he sits down). See, here's the thing. I went home and told my wife about Tulsa and she won't go. See, me, I love Tulsa, Tulsa is heaven, Tulsa is Italy. Please don't make me go there!

Ms. McKenna: Chandler, I?/p>

Chandler: No no no! Look, Carol, can I call you Carol? ...why would I when your name is Elaine? Oh what a great picture of your son, strapping... that's a picture of your daughter, isn't it, well she's lovely, I like a girl with a strong jaw. I'll call you from Tulsa.

Scene: Ross is at the hospital with Joey.

Joey: Hey, so how is it?

Ross: I broke my thumb.

Joey: Your thumb, that's weird, you sure you're punching right? Make a fist. (Ross just looks at him) Maybe later. Ross I feel terrible.

Ross: You know what, you can go, I just have to fill out some forms (tries to hold the pen but can't)

Joey: You, you want me to help you with that?

Ross: Why, does it look like I'm having trouble with my misshapen claw? (He hands Joey the form)

Joey: Name? (pause) I know Ross but what's it short for? You know like, like Rossie or Rosstepher.

Ross: Just Ross

Joey: It's pretty, OK date of birth?

Ross: You know my birthday.

Joey: Sure, Maytember.

Ross: October 18th.

Joey: Occupation? Dinosaurs.

Ross: Actually I'm a pallian?Dinosaurs is fine?the drawing is not.

Joey: Alright, who do you want as your emergency contact?

Ross: Ah, Rachel I guess.

Joey: OK, relationship, boy this could take a while.

Ross: Just ah?just put roommate.

Joey: Come on, you guys are more then that! I mean, you're gonna get together right?

Ross: I don't think that we are.

Joey: But you two were supposed to be together.

Ross: Well, I thought so too, then she said she'd marry you.

Joey: Come on, Ross, that didn't mean anything! She just had the baby, she was all freaked out about doing it alone, she would have said yes to anybody.

Ross: Yeah that's what she said

Joey: So?

Ross: So I don't wanna be just anybody.

Joey: Wow.

Ross: You know what, it's, it's better this way anyway, I mean I don't know what I was thinking, going down that road again with us. It's just much easier if we're just friends who have a kid.

Joey: Really?

Ross: Yeah.

Joey: And you're OK with that?

Ross: Yes. I mean, it's what we always planned, and if you have a plan, you should stick to it, that's why they call them plans, hello, (pause) I'm fine.

Joey: Hey, for what it's worth, with Rachel I don't think you'll ever be just "anybody".

Ross: Hey there you go! (smiles because Joey used it correctly)

Joey: "thanks"

(Ross looks away, not bothering)

Scene: Emma continues to cry.

Rachel: Oh my God! How long has she been crying?

Monica: About a week and a half.

Phoebe: Well alright, looks like you guys have got it under control so I'm just gonna go. (She gets up and Rachel looks at her, upset, and Monica just stares.) No! Misery really does love company. All right! (She sits back down.)

Monica: Rach, try holding her a different way.

Rachel: You guys, I'm doing the best I can, anyone else is welcome to try.

Phoebe: Alright, I'll try, fine! Yes, OK!

Rachel: Here you go. (hands Emma to Phoebe)

Phoebe: Shh! Nothing works with this child! (Hands her back after 2 seconds)

Rachel: Oh god what am I gonna do you guys, I can't even comfort my own baby! I'm the worst mother ever!

Monica: You're just new at this, it'll get better, think about your first day at work. I mean, that couldn't have been easy but you figured that out.

Rachel: Yeah I don't think dressing provocatively is going to help me here! Oh my god just please take her.

Monica: Ok I'll take her, here. (takes Emma)

Rachel: I have to go to the bathroom. (goes to the bathroom)

Phoebe: I have to go scream into a pillow. (goes to scream into a pillow)

Monica: (To Emma) Bouncy baby, Bouncy baby, Ooh baby baby, Ooh baby baby, Ooh baby baby. (Emma stops crying and falls asleep)

Phoebe: (comes back into the room) Have I gone deaf?

Monica: It worked! Ooh baby baby baby, ooh baby baby baby!

Phoebe: You must be a fireball in bed.

Monica: I can't believe it, she's asleep, I got her to go to sleep, I have actual magical powers!

Phoebe: I can hear traffic and birds, I can hear the voice in my head again! (Monica looks at her strangely) I'm kidding (she smiles at something the voice in her head says to her and sits down)

Rachel: Oh my God! You got her to stop crying!

Monica: Yes I did, I'm Monica super aunt

Rachel: You are the official baby crier stopper!

Monica: Yes I am!!

Rachel: You're never leaving the apartment!

Monica: Say what?

Rachel: That's your new job, day and night, she starts crying I need you here.

Monica: (stands up to hand Emma back) Oh no no no no!

Phoebe: Thankfully you don't need me at all (gets up and to leave) so OK Super aunt see you later! Rachel let's give it six to eight months (she leaves).

Rachel: OK so listen I'm gonna go lay down.

Monica: What?

Rachel: You know the book says that whenever she's sleeping I should be sleeping so?(she does thumbs up to Monica and goes to lay down)

Chandler: (enters) hey

Monica: Shhh! We just got her to go to sleep

Chandler: Oh so there can't be any yelling.

Monica: No!

Chandler: We're moving to Tulsa

Monica: WHAT!

Chandler: Shhhh! Shhhh! Shhhh! Shhhh! (walks backwards towards the door) I can't, I can't hear you. (He runs out)

Scene: Ross finally comes home.

Ross: Hey.

Rachel: Heeeeee, where have you been? (He shows her his thumb) What happened to you?

Ross: Ah I had a little thing with Joey, if you think this is bad you should see him.

Rachel: Oh no Ross! This is not good, we have to talk about this Joey thing. Please sit. (He sits) You have got to get over this Joey thing, OK? I never really wanted to marry Joey, OK?

Ross: OK.

Rachel: You know what I really really want?

Ross: What, Rach?

Rachel: I wanna sleep, I wanna eat, I wanna take a shower, I mean before she wakes up and we gotta do this all over again.

Ross: (smiles) Right

Rachel: I mean I got news for you mister, Emma's not easy.

Ross: Well, that's what I'm here for. (Emma starts crying again) Want me to get that?

Rachel: No its really OK? Monica!

Monica: (comes running out the kitchen to the bedroom) Got it! Got it! Got it! Got it! Got it! Got it!

Scene: Joey, Ross and Chandler comes into Central Perk

Joey: You know, ah, I've been thinking about this and I gotta tell ya, it's not my fault. It's a natural instinct.

Chandler: (enters) Hey, what you guys talking about?

Joey: Hey OK great, what would you do if I did this? (Swings to punch Chandler, he moves and he ends up punching Ross. Ross then gets up and just stares at Joey.)

903 The One With The Pediatrician

SCENE: Chandler and Monica's apartment
(Ross and Rachel enter)

Rachel: Hi!

Ross: Hey! So what's the big news you had us rush all the way over here for?

Chandler: Okay, our news. My company has asked me to head up our office in Tulsa, so as of Monday I'm being officially relocated.

Ross: Oh my God!

Phoebe: What?!

Rachel: What?!

Ross: Monday?!

Joey: How long do you have to go for?

Chandler: They said it could be up to a year.

Joey: A year?!

Rachel: (To Monica) Do you have to go?

Monica: I kind of have to don't I? Because of this stupid thing (Points to her wedding ring.)

Chandler: There is nothing like the support of your loving wife, huh?

Joey: Wait a minute, you can't go to Tulsa. Maybe you forgot, but we've got tickets to the Jets game next week.

Chandler: I'm sorry buddy, but I don't think I'm gonna be able to make it.

Joey: We were gonna go see the Jets!

Ross: You can't go, I mean you're the glue that holds this group together!

Chandler: Really?

Ross: Not you.

Joey: I can't believe you guys are moving.

Phoebe: I call their apartment!!!

Everyone: No!!! Ah!! Ahh!!!

INTRO

SCENE: Central Perk

Joey: Here you are (Hands Rachel a cup of coffee)

Rachel: Thank you Joey. You know what? I'm not even sure I can have caffeine.

Ross: I went through this with Ben and Carol. One cup of coffee won't affect your milk.

Rachel: Yeah. Just to be sure I'm gonna call Dr. Wiener.

Joey: (Laughs)

Rachel: Every time? (She takes up her cell phone and starts dialing.)

Joey: Uhuh.

Ross: Rach, you don't have to call whenever you have a little question, okay? Trust me, I know this.

Rachel: All right, I trust you. (Continues to dial)

Ross: Rachel, I can see you dialing! I don't understand why...

Rachel: I'm on the phone! (On the phone) Dr. Wiener? (Ross and Rachel walk away)

Joey: (Laughs)

Phoebe: It's so weird seeing Ross and Rachel with a baby. It's just so grown up.

Joey: I know, yeah. I feel like we're all growing up. Person named Wiener, God that kills me. (Laughs)

Phoebe: Look at you all grown up.

Joey: Actually, you know what? I am. That whole thing with Rachel made me realize that maybe I'm ready for a more serious relationship. You know? Like I'd like to meet a nice mature commitment-minded lady. And looks aren't as important as... Nah, she's gotta be hot.

Phoebe: You know, I might know somebody. Hey, how about you set me up with someone, and we double date!

Joey: I can do that, yeah. How is Friday?

Phoebe: Done. Oh good, really?

Joey: Yeah!

Phoebe: Let's see! (Opens her address book.) Oh, you know who's great? Sandy Poophack.

Joey: (Laughs) Poophack... (Laughs)

Phoebe: Yeah... All right, well that rules out Lana Titweiller

Joey: (Laughs)

SCENE: Chandler and Monica's apartment

Chandler: (Enters) Hey!

Monica: Hey!

Chandler: I've got good news!

Monica: You got out of the whole Tulsa thing?

Chandler: Okay, I have news. You don't have to move to Tulsa. You can stay here and keep your job.

Monica: It's great! How?

Chandler: Well my boss and I worked out a deal where I only have to be in Tulsa four days a week, so the other three I can be here with you.

Monica: So you're gonna be gone four days a week? (Thinks about it) No.

Chandler: I'm sorry, are you just used to saying that?

Monica: No. I can't be away from you for that long.

Chandler: Really?

Monica: Yeah, you're my husband. I'm not gonna live in a different state than you for 208 days out of the year.

Chandler: That's fast math! We could use you in Tulsa.

Monica: Honey, thanks for trying to figure out a way, but if you're going to Tulsa, I wanna go with you.

Chandler: Hey, you said that without gagging!

Monica: I know! (They high-five.)

SCENE: Ross and Rachel's apartment

Rachel: (On the phone) Excuse me? Oh yeah? Well, up yours too! (Hangs up)

Ross: (Enters from his bedroom) Who the hell was that?!

Rachel: Dr. Wiener.

Ross: Rach, you can't call people at three in the morning.

Rachel: Oh you know what, you sound just like his wife!

Ross: Was there anything you did wrong with Emma?

Rachel: Yes, of course there is! Okay? I'm not insane!

Ross: Well, what was it?

Rachel: Hiccups.

Ross: Rach, I told you, you can't call him every time any little thing comes up.

Rachel: Yeah well, not anymore I can't. He fired us! What are we gonna do? We have to find a pediatrician. Wait wait, Monica said that when you guys were growing up, you really liked your doctor. What was his name?

Ross: Dr. Gettleman? Yeah I know, I don't think that's a good idea. In fact, I think he's dead.

Rachel: Argh! Why does everything happen to me?!

Ross: Rach, I promise first thing tomorrow we'll find another doctor, but I gotta get up early and I'm not feeling all that well.

Rachel: What? What, do you mean you're not feeling well? What do you have? Is it Rubella? Because don't go near Emma, she has not had that shot.

Ross: You know? Come to think of it, it does feel Rubella-like! (Walks back into his room.)

Rachel: (Grabs the phone and starts dialing) (On phone) (In a high pitch voice) Wiener, Wiener (In a low pitch voice) Wiener, Wiener!!!

Ross: (Comes back into the living room) Rachel!!!

Rachel: Great! Now he's gonna know it was me!

SCENE: Joey's apartment

Phoebe: (Enters) Hey!

Joey: Hey!

Phoebe: So how is this for our big double date tonight? (She is all dressed up)

Joey: (Realizes that he has forgotten all about the double date) Oh my God!

Phoebe: Ooh, great! Just the reaction I was hoping for.

Joey: Yeah, so you found someone for me. You didn't forget?

Phoebe: Of course not! And you're gonna love Mary Ellen. She's really smart and cute and funny, and I can't tell you how I know this, but she's not opposed to threesomes. So tell me some about my guy.

Joey: No.

Phoebe: Come on, give me something. What's his name?

Joey: Mike.

Phoebe: Mike? Okay! What's his last name?

Joey: Damn!! Is there no mystery left in romance anymore!?

Phoebe: All right, we'll see you and Mike at the restaurant in a couple hours.

Joey and Phoebe: (Ad-lib good-byes) (Phoebe leaves)

Joey: Why did I have to say Mike? I don't know a Mike! Why couldn't I have said... (Looks through his address book) There's no guy in there!

SCENE: Chandler and Monica's apartment

Rachel: It's impossible to find a good doctor. I mean, how do you know the good ones from the ones who are gonna push their penis against your knee?

Monica: Excuse me?

Chandler: I know what she's talking about.

Rachel: We've got to find a new pediatrician. Ross was getting sick last night, and I think Emma may have caught it.

Monica: Why don't you go see Dr. Gettleman?

Rachel: Ross said he died.

Monica: He didn't die. I saw his daughter last week. Said he was fine. Her on the other hand, botched Botox.

Rachel: Oh, great! Well, then I'm gonna take Emma to see him. I wonder why Ross said that he died.

Monica: Oh, maybe he was getting him confused with his childhood therapist.

Chandler: He saw a therapist?

Monica: Yeah, he used to have this recurring nightmare, just really freaked him out.

Rachel: Why? What was it?

Monica: That I was going to eat him.

SCENE: Central Perk
(Joey walks in and looks around. He's trying to find a Mike for Phoebe)

Joey: MIKE!!!

Mike: Yeah?

Joey: (Checks him out) Okay! (Walks over to his table and sits down with him)

SCENE: Restaurant

Mike: I gotta tell you, I can't believe I'm doing this with you. Although I did just get out of a nine-year relationship, so I guess I should be open and taking some risks.

Joey: Everything is gonna be fine. Just follow my lead, okay? All you have to do is pretend to be Mike.

Mike: I am Mike.

Joey: Atta boy!
(Phoebe and Mary Ellen enter.)

Joey: Okay, look...

Everyone: (Ad-lib hellos)

Phoebe: Joey, this is Mary Ellen Jenkins. So, Mike, how do you and Joey know each other anyway?

Mike: How do I and Joey know each other? Wow, if I had a nickel for every time somebody has asked me that.

Joey: (Laughs) From school.

Mike: Yeah, we met in college. (Off Joey's look) I mean, high school.

Phoebe: Wow, you guys go way back then. So what are you up to these days?

Mike: Well, I'm a lawyer.

Joey: Mike, 'attorney at law'!

Mike: Actually, I just gave up my practice.

Joey: What? That's the kinda thing you usually run by me.

Mike: I always wanted to play piano professionally, and I figured if I don't do this now, I never will.

Phoebe: Wow, that's great! I liked that better than the law thing, so...

Joey: Which is why I waited until now to introduce you to Mike.

Mary Ellen: I thought you thought he was still a lawyer.

Joey: No, no, that's not what I meant. Let's get you a

cocktail.

SCENE: Chandler and Monica's apartment
Chandler Enters. Chandler is in the kitchen with his laptop)

Monica: Hey!

Chandler: Hey!

Monica: What are you doing?

Chandler: Looking for restaurant jobs for you in Tulsa.

Monica: That's so sweet. Find anything?

Chandler: Slim Pickings.

Monica: Nothing, huh?

Chandler: No, 'Slim Pickings', it's a barbecue restaurant. They're looking for a cook. Actually 'cook' may be a bit of a stretch. They're looking for someone to shovel mesquite.

Monica: 'Slim Pickings'...That is so cheesy.

Chandler: 'So Cheesy' also has an opening.

Monica: Honey, that's okay. I actually know this woman, Nancy, who's a restaurant biz head-hunter. Maybe she'll know of something.

Chandler: Can I just say how much I appreciate you coming with me. When we get to Tulsa I'm taking you for a great dinner at 'Slim Pickings'. 'So Cheesy'? 'Whole Hog'? It's going to be tough to keep Kosher in Tulsa.

Monica: (On phone) Hi, Nancy. Hi, it's Monica Geller. I'm good. Listen, I'm looking for a job in Tulsa. Well yeah, my husband has been relocated...Because I love him! No, I don't want a job in New York. Javo is looking? Oh my God! He asked for me personally? Oh my God! Oh, wow, this is really flattering, but I'm moving to Tulsa. Yeah, so if you would tell Javo 'I'll take it!'

SCENE: Pediatrician's office

Rachel: Hi, my name is Rachel Green, I have an appointment for Emma.

Receptionist: Dr. Gettleman is finishing up with a patient, he should be out shortly.

Dr. Gettleman: (To a patient) I think you just have a cold, it's definitely not Strep.

Ross: Thanks doctor.

Dr. Gettleman: Would you like a lollypop?

Ross: You even have to ask?! (He grabs a lollypop out of a jar) (Sees Rachel) (To Rachel) He is alive!

SCENE: Restaurant

Phoebe: You know, it's so surprising that you and Joey have known each other for so long and I've never heard about you.

Joey: Yeah, that's because we had a bit of a falling out. Mike hit my mom with a car.

Mike: No, I didn't.

Joey: That's okay Mike, I have forgiven you. And now we're friends again everything's great!

Mary Ellen: Wait, is your mom okay?

Joey: Please, we're trying to have a conversation. (Pushes the wine glass closer to Mary Ellen.)

Mary Ellen: Wow, you're a lot nicer on 'Days of Our Lives'.

Mike: 'Days of Our Lives!' That's why you look so familiar!

Phoebe: What?!

Mike: What?!

Joey: What?!

Phoebe: Do you not know each other?

Joey: (Laughs) Of course we do! Mike is playing a game that we used to play in high school. Yeah, where we pretend we don't know each other. We played all kinds of games. (To Mike) Hey, remember the one where I punch you in the face for not being cool?!

Phoebe: Mike, let me ask you something. How many sisters does Joey have?

Mike: (Joey holds up six fingers) Six!

Joey: What are you doing? I said seven! (Holds up six fingers.) (Realizes his mistake) Argh!!!

Phoebe: Joey, why did you set me up with a stranger?

Joey: Because I forgot about our date, I'm so sorry.

Mike: I'm sorry too. And just to be clear, I didn't hit his mother with a car.

Phoebe: (To Joey) You are unbelievable! I spent so much time finding the perfect girl for you, and you know. Mary Ellen is really smart and cute and loose.

Mary Ellen: Hey!

Phoebe: Who are you kidding? (To Joey) You just find some guy off the street for me? Oh God! This is humiliating!

Joey: Look Phoebe I'm so sorry! Hey, look, if you don't like this guy I can find you a better one. (Looks around) Mike!!! Mike!!!

Phoebe: I'm out of here (She leaves)

Mike: It was nice meeting you!

Joey: (To Mary Ellen) You're leaving too?

Mary Ellen: I'll stay if you can tell me my name.

Joey: Good night!

SCENE: Chandler and Monica's apartment

Chandler: Honey, we're leaving tomorrow you've still got a lot of packing to do.

Monica: You're right. (Pause) Maybe I shouldn't go.

Chandler: What?

Monica: So Nancy told me about this job at this great restaurant, Javo. It's just a little outside of Tulsa.

Chandler: How far outside?

Monica: Manhattan.

Chandler: And you're thinking of taking it? (Pause) So before you said being me with me was more

important than any job, but I guess now it's old job, (Raises his hand) me, (Raises his hand) new job.

Monica: I'm gonna miss this hand! Okay I know it's a lot to ask, but oh my God Chandler, this is a once in a lifetime opportunity.

Chandler: What happened to 'you can't live without me four days a week'?

Monica: Well, if you really think about it, I mean four days is not that long. I mean, I see you Monday before you go to work, and I see you Thursday when you get back, and I always work late on Tuesdays, so really if you think about it, it's really just one day. And well, if we can't make it one day, we've got real problems my friend.

Chandler: I think you should take the job.

Monica: Really?

Chandler: Yeah. I know it must be important to you when you start chattering like a monkey.

Monica: That's the nicest anyone has ever said to me! (Ross and Rachel enter with Emma.)

Ross: Hey!

Monica: How was the pediatrician?

Rachel: Oh, I really liked him. (Looks at Ross) Yeah, it was really, really, really good.

Ross: You promised you wouldn't say anything.

Rachel: I know. (Pause) Ross still sees his pediatrician!!! (To Ross) I don't care!

Monica: Are you serious? You still see Dr. Gettleman?

Ross: He's a brilliant diagnostician!

Chandler: Diagnostician or boo-boo fixer?

Rachel: Ross, seriously! You've gotta go to an appropriate doctor.

Ross: Why? Why? I know it's a little weird, but hey, he's a great doctor, okay? He knows my medical history, and every time I go in there, he makes a big deal. 'Ah look, it's my favorite patient!'

Chandler: Does he say that before he sticks his thermometer in your touchy?

Ross: Hey, I seem to remember someone bringing his security blanket to college!

Chandler: That was not a security blanket! That was a wall-hanging!

Ross: It didn't spend much time on the wall!!!

SCENE: Central Perk

Mike: Excuse me, hi. I was hoping I would run into you. Can we talk?

Phoebe: Sure.

Mike: I'm sorry, really, I'm so embarrassed. Really, I'm a pretty nice guy. Just ask my parole officer...Apparently I'm not a funny guy.

Phoebe: Why did you go along with that?

Mike: Because I was told I'd get a free dinner, which I didn't. And that I'd meet a pretty girl. Which I did.

Phoebe: That's true. (Pause) Well, is anything you told me about yourself true?

Mike: My name is Mike, and I do play piano.

Phoebe: Prove it.

Mike: There isn't a piano here.

Phoebe: That wouldn't stand in the way of a true pianist.

Mike: (Plays 'air piano')

Phoebe: You are really good! I play a little guitar myself.

Mike: Really?

Phoebe: Uhuh.

Mike: That's great. What kind of music do you play?

Phoebe: Well, like acoustic folksy stuff. You know? But right now I'm working on a couple 'Iron Maiden' covers.

Mike: Do you think that maybe, sometime, I could...

Phoebe: It's okay. Go ahead, ask me out.

Mike: Okay. Do you think maybe sometime I could take you out?

Joey: (Walks In)

Phoebe: (To Mike) Oh, you just caught me off guard! Yeah, that would be nice.

Joey: Look at this. My two best friends!

(Phoebe and Mike look at him, and he goes over to the counter.)

SCENE: Pediatrician's office

Ross: Excuse me, I don't mean to be a jerk, but the baby with the rash came in after me.

Receptionist: The doctor will be right with you sir.

Girl: (Reading a book) Mommy, I can't find Waldo.

Ross: With the circus? He's behind the elephant.

Woman: Wow, so your child is a big fan of the Waldo books too?

Ross: Yeah, that's how I know. I'm Ross by the way.

Sally: Hi, I'm Sally. So, no ring. Can I assume you are also a single parent?

Ross: I am a single parent.

Sally: It's hard isn't it? There's almost no time for a social life. I mean, where are you gonna meet someone?

Ross: Well, let's say, I don't know, you met someone in the pediatrician's office.

Nurse: (To Ross) Rossy, we're ready for you.

Ross: Hmm, yeah. (To a random boy in the waiting room) Come on Ross Jr. It's time to go in.

Boy: Mommy (He walks over to Sally.)

Girl: Mommy, what's wrong with that man?

Ross: Hey, I helped you find Waldo!

SCENE: Chandler and Monica's apartment

Ross: (Enters) Oh good, you haven't left yet.

Monica: Where have you been?

Ross: I got held up at Dr. Gettleman's office. There was some guy that freaked everybody out.

Chandler: Well, you got here just in time. I really have to go buddy. (They hug)

Ross: Oh man.

Monica: Promise to call me when you land.

Chandler: Of course I will call you. I love you.

Monica: I love you too. (They kiss)

Rachel: Okay, wow, wow, wow. Watch the tongue people, we've got a baby over here.

Phoebe: Bye Chandler.

Chandler: Awww. (They hug) Bye!

Rachel: Bye honey. (They hug)

Chandler: (Tries to hug Joey but J. moves away)

What's the matter Joe?

Joey: I'm mad at you for leaving! You're nothing but a big leaver. Big leaver with a stupid suitcase.

Chandler: Any chance you are trying to pick a fight to make all this easier?

Joey: Dude, you see right through me!! (They hug) (Joey heads for the door and pushes Chandler's suitcase on the way out.)

Chandler: Well, bye Mon, bye Ross, Rachel, bye Emma!

Phoebe: Okay, bye-bye! (Pushes Chandler out the door.) Good trip! (Slams the door)

Monica: (Runs out to the hallway) Chandler, wait. It goes: Old job, (Raises her hand) new job, (Raises her hand really high) you. This is just something I have to do.

Chandler: I know.

Monica: I love you so much.

Chandler: I know that too. (They kiss)

(Joey opens the door and takes Chandler's suitcase into his own apartment.)

SCENE: Airport

Chandler: (On cell phone) Don't worry, I'll be back before you know it. Yes it will be the same. Because I know, that's how. I promise.

CUT TO: Monica and Chandler's apartment.

Joey: (On the phone with Chandler) Double promise? Call me when you land.

Monica: Can I talk now?

Joey: Okay, bye. (He hangs up the phone.)

Monica: Joey?

Joey: He had to board.

SCENE: Central Perk.

Phoebe: *Phoebe comes in.*

Phoebe: Oh hey Ross, oh I'm so glad someone's here. Could you zip me up?

Ross: Sure.

Phoebe: Thank you. Can you believe no one between my apartment and here offered to do that for me?.

Ross: People. (*Shakes his head.*) So why you all dressed up?

Phoebe: Oh umm. Mike's picking me up for a date.

Ross: Oh yea? Now um, how is that going, is it getting serious?

Phoebe: Oh I dunno, I dunno, you know I mean, I like him but am I ready to take my grade-A loins off the meat market?

Ross: You know, I really admire your whole dating attitude, it's so healthy. I'm always like, is this moving to fast? Is this moving to slow? Where's this going?

Phoebe: Yeah, you know, you are a bit of a drama queen.

Ross: But you, you're so much better off. You just go from guy to guy having fun and never worrying that it terms into anything serious.

Phoebe: I wouldn't say never, you know. There's that guy ... well what about...OK well there's gotta be someone.

Ross: There isn't. That's what I'm saying. /p>

Phoebe: Oh my God, you're right!

Ross: I know, and yet here you are, all ready for the next date.

Phoebe: I can't believe I never realized this before. I'm in my 30s and never been in a long-term relationship! Oh my God! (*Starts crying.*) What's wrong with me?

Ross: No, no, no there's nothing wrong with you. I mean, you don't strike me as the type of person that wants to get married anyway.

Phoebe: I wanna get married! (*Grabs a tissue.*)

Ross: Please don't cry because of me, Pheebes. I don't know what I'm talking about. I've been divorced three times!

Phoebe: At least you've been married! Oh my God! I wanna trade lives with Ross! (*Cries.*)

Mike (*Paul Rudd*) enters.

Mike: Phoebe, what's wrong?

Phoebe: Nothing, I'm excited about our date. Mike, this is Ross Geller. Ross, this is Mike Haaaaa... (*Cries again.*)

Ross: I'm sorry I didn't catch...

Mike: It's Mike Hanagen.

Ross: Oh, Ross Geller.

Mike: (*To Phoebe*) Hey, so are you sure you're ready to go?

Phoebe: Uh huh. (*To Ross*) How do I look? (*Her face is a mess from crying.*)

Ross: Do you have a compact in your purse?

Phoebe: No.

Ross: You look great.

Opening Credits

SCENE: Central Perk, Monica enters.

Monica: Hey Joey.

Joey: Hey, this girl won't turn around and I can't tell whether she's hot or not, what do you think?

Monica: Joey, I am not going to objectify woman with you! (*Looks at the woman.*) But if her face is as nice as her ass, woah mamma!

Joey: All right thanks. Oh hey, have you talked to Chandler?

Monica: Yeah, he has to stay in Tulsa this weekend.

Joey: How come?

Monica: He has to work, there's some rush on the big ... ah damn it, one of these days I'm really gonna

have to start listening when he talks about his job.

Joey: Oh. Why don't you fly out there and surprise him?

Monica: Maybe I will go...Yeah, we'll have a second honeymoon at the Tulsa Romana.

Joey: Oh and you know what you should bring? The black see-through teddy with the attached garters.

Monica: How do you know I have one of those?

Joey: Didn't tell you now.

(Monica goes to the back and Joey looks at the girl)

Joey: Hot not hot. *(She turns around)* Hot!

Hayley: Excuse me?

Joey: I said I think you're hot and now I'm embarrassed.

Hayley: Oh I thought you said "Hi."

Joey: That would've been better, I'll try that. Hi, I'm Joey.

Hayley: I'm Hayley.

Joey: Look, I don't usually ask out women that I meet in coffeehouses...

Gunther: Ha!

Joey: *(To Gunther.)* Gesundheit!

Hayley: I would love to go out with you.

Joey: Really, great, did I actually ask you?

Hayley: No, that's just where you were going. I just figured that I'd help you out, you don't seem like the kind of guy that does this a lot.

Gunther: Ha!

Joey: *(To Gunther.)* Seriously Gunther, you should see someone about that cold. If it gets much worse you could DIE! *(Gunther looks scared.)*

SCENE: Ross is at Phoebe's.

Ross: So how'd the date go?

Phoebe: Well, it was awful! Every time I thought about what you said, I started crying.

Ross: So he hasn't called?

Phoebe: Would you call this girl? *(Fake crying)* Thanks-for-a-love-ly-even-ing.

Ross: Now I feel terrible, this is all my fault.

Phoebe: Well, you know what you should feel terrible about? This could have been my serious guy! He was sweet and smart and funny. Do you know how hard it is to meet a guy like that?

Ross: We are a rare breed.

SCENE: Hayley's Apartment.

Hayley: What a great dinner.

Joey: Yeah! And hey, thanks again for letting me have that last piece of cake at the restaurant.

Hayley: *(Laughs)* You're welcome again. I'm gonna make some coffee. Can I get you anything?

Joey: Do you have any cake?

(Hayley laughs, goes into the kitchen.)

Joey: *(Thinking.)* So this is going pretty good. Dinner was nice, got a lot in common. *(Sees a magazine)* Victoria's secret, huh, we even like the same books. Oh now there's a scary painting. Wait a minute! I think I've been scared by that painting before. You know what, this whole place look familiar! I have definitely been in this apartment! I know I've seen this weird plant before *(a cactus and he touch it) ouch!* It did that the last time! Oh my God, I've gone out with this girl before! Yeah, we had sex on this couch and then on that chair and...no, we didn't do it here, which is weird because it seems like a perfectly good place. *(Bends down and the cactus pricks him in the ass) ouch!* That's why.

SCENE: Mike's Apartment

Ross: Hey Mike sorry to just drop by like this, can I come in?

Mike: Sure. *(He looks confused.)* Who are you?

Ross: I'm Ross, Phoebe's friend from the coffeehouse.

Mike: Oh.

Ross: Yeah, I really, really need to talk to you about something.

Mike: OK, unless... you're not gonna try to get me to join a cult are you?

Ross: *(laughs)* No

Mike: Oh, it's just you have that look

Ross: Damn super cuts!

Mike: What's up? Is Phoebe OK?

Ross: Oh no, yeah, no, Phoebe is great, but umm... I'm an idiot. Look, right before you guys went out, I accidentally got her all upset.

Mike: That's why she was weird.

Ross: Yes, yeah, I said something stupid about her never having had a serious relationship, but you should know she is so much fun, a wonderful person! Please don't blow her off.

Mike: I'm not blowing her off. I actually just got off the phone with her. We're going out tomorrow night. I mean, I hope that's OK with you, stranger from the coffee house.

Ross: Well then, I didn't need to bother you or the four other Mike Hanagens I bothered.

Mike: Hey wait wait wait wait! Is that true what you said? Phoebe's never had a serious relationship?

Ross: Of course she has. If she'd never had a serious relationship, I'd go around broadcasting it like some unstoppable moron.

Mike: But you did say it.

Ross: Yes, yes I did. And I will also say what I'm about to say vis-a-vis the following, Phoebe has never had a serious relationship since her...super-serious relationship with...Vicrum.

Mike: Vicrum?

Ross: What, that's a real name!

SCENE: Chandler arrives home from work.

Chandler: *(Singing)* Oklahoma, where the wind comes sweeping down the plain...STOP IT! Why couldn't they have sent me to Texas? 7 o'clock, maybe I'll hit the gym. *(Sits down)* Who am I kidding? Pay-per-view porn!

Monica enters.

Chandler: Do not disturb! Do not disturb! *(Changes channels.)* Monica!

Monica: Is everything all right?

Chandler: Everything's great, just watching some regular television there, what a pleasant surprise. *(She hugs him, She knows he was masturbating, but he has changed the channel to a nature program about sharks.)*

Monica: I'm gonna go freshen up, OK?

Chandler: OK honey... *(To himself)* That was close. Cut to Rachel; phone rings.

Rachel: Hello.

Monica: Hey Rach, its me, OK, I just got to Chandler's room and I caught him molesting himself.

Rachel: Oh, that couldn't have been pretty. But you know, guys do that.

Monica: Yeah well, the weird part is... he was getting off to a shark attack show!

Rachel: Noooooo!

Monica: Yes! Chandler watches shark porn!

SCENE: Monica's Apartment

Rachel: Well, watching sharks? Are you sure that's what he was doing?

Monica: Do you know how many times I've seen him jump up like that? Believe me, I know what he was doing.

Rachel: Man, sharks. I always knew there was something weird about that dude. But you promised to love him no matter what.

Monica: Which means if he gets like a disease or kills someone. Not if he gets his jollies to Jaws!

Rachel: Ah! You know what honey? Guys are just different. They like things that we can't understand. You know, I once dated this guy who wanted to pretend he was an archeologist and I was a naughty cave woman that he unfroze from a block of ice.

Monica: Ewww, are you talking about my bother?

Rachel: Yeah, I didn't disguise that very well, did I.

Joey: *(Enters)* Hey!

Rachel: Hi.

Joey: Listen to this... I went out with this girl last night and half way through our date, I realized I already slept with her!

(Monica makes a strange face and sits down)

Rachel: So basically, you've slept with all the woman in New York and now you're just going around again.

Joey: Well that's not even the weird part. I don't think she remembered sleeping with me.

Monica: But you don't remember sleeping with her.

Joey: Yeah, but she should remember sleeping with me! I am very memorable, you guys know.

Rachel: What, how do we know, we never slept with you.

Joey: And who's fault is that? *[note, see 306, etc.]*

Monica: What's the big deal, you forgot, she forgot, maybe you were having an off night.

Joey: Hey! I never have an off night, OK, although sometimes when I'm a little bloated I don't feel very sexy, but even then I'm better than most!

Monica: Honey, why don't you just let it go and ask her out again?

Rachel: Yeah, you're both so slutty you don't even remember who you've slept with! You're made for each other.

Joey: Interesting. All right, I'll go out with her again and try to get past it *(reaches for chips)* Oh salt, bloaty!

Monica: Joey, Joey.

Joey: What?

Monica: You don't think sharks are sexy do you?

Joey: No. *(Pause)* Wait a minute, what was the little mermaid?

SCENE: Phoebe's Apartment

Phoebe: It's open.

Ross: Hey!

Phoebe: Hey! Mike called, we're going out again! Yay yay! *(She dances)*

Ross: Yay! Quick thing, I went to talk to Mike.

Phoebe: What? Wha-wha-what did you do, Ross!

Ross: Oh boy, you got mad at that part. I went over there to tell him how great you are but you know me, blah blah blah, and I ended up telling him ...that....

Phoebe: What!

Ross: Umm... that you had a six-year-long relationship with a guy named Vicrum.

Phoebe: What? Why!

Ross: Well, he seemed too bummed out that you'd never been in a serious relationship.

Phoebe: *(Walks towards Ross)* If you hadn't just had a baby with my best friend I swear to Lucifer a rabid dog would be feasting on your danglers right now!

Ross: Well Phoebe, I think you'll feel better when you know a little bit about Vicrum. He's a kite designer! And he used to date Oprah!

Phoebe: I'm not going along with some lie you made, Ross. No I'm just gonna be honest with him.

Ross: Good, yeah, just be honest with him.

Phoebe: Yeah, I've nothing to be ashamed of. OK, so I haven't been in a relationship that lasted longer than a month. OK, I haven't had a real boyfriend. You know, if he can't handle that, he can leave. Which he will, and that's OK. So I'll just be alone forever, you know, alright, I'll be... it'll be fine, it'll be fine. I'll go on walking tours with widows and lesbians.

(Knock on door.)

Ross: I'll get it.

Phoebe: OK.

Mike: *(To Ross.)* You know, I'm trying to think of the last time I opened a door and you weren't there. Phoebe, are

you OK?

Phoebe: Uh huh yeah. There's just something umm, there's something you should know.... Vicrum just called.

SCENE: Hayley's Place

Hayley: So it was kind of a shock. After 25 years of marriage, my parents, a perfect couple, getting divorced. I kinda took it the hardest 'cause I was the youngest.

Joey: Uh huh, sure, yeah. How can you not remember me?

Hayley: What?

Joey: How could you not remember that we slept together?

Hayley: What! When?

Joey: I dunno!

Hayley: I really, really think I would remember sleeping with you.

Joey: Come on, come on, search your brain. All right. it was ... a certain amount of time ago, I was here, you were here, we had sex *(Pointing)* here, here, here NOT there. Anything?

Hayley: No, it's not ringing any bells.

Joey: My God, woman! How many people do you have to have been with not to remember any of this?

Hayley's roommate: *(Enters)* Hey Hayley, you've really gotta fix that doorknob. Joey!

Joey: Ooooooh, I slept with you! And you obviously remember me. Hey! I still got it. *(To Hayley)* So we're good. *(She just glares at him)* I'll let myself out.

SCENE: Phoebe's Place

Phoebe: ...and I said Vicrum, you can't just call every time you get lonely, you know, you, you gave up that right when you slept with Rachel.

Mike: But Rachel I thought she just had a baby with Ross.

Phoebe: Yeah well *(pause)* yeah you know, Emma's birth certificate might say Geller but her eyes say Mookurjee.

Mike: That is so wrong and on top of that he's a glue sniffer.

Phoebe: I know but he calls and my heart goes to him. You know that bastard is one smooth-talking free-lance kite designer.

Mike: I just think there's somebody better out there for you, *(pause)* I mean I'm not saying me but...maybe me.

Phoebe: Oh.

Mike: And you don't have to worry about glue sniffing with me. Although I do smell the occasional magic marker, yeah ah anyway, I just think I can make you happy.

Phoebe: OK I can't do this.

Mike: What's wrong?

Phoebe: Well there is no Vicrum, Ross made him up because I never really have been in a long-term relationship, I've never lived with a guy, and I've never even celebrated an anniversary so...if that's too weird for you and you wanna leave I totally understand. In fact I'll close my eyes, make it less awkward *(She sits, eyes closed. Mike kisses her)* You kissed me.

Mike: Uh huh.

Phoebe: So you don't think I'm a total freak

Mike: No. Well look, can I think you're weird and also cool for telling me the truth and also wanna kiss you?

Phoebe: I guess so, can I, can I think it's cool that you kiss me and also wanna kiss you again and umm, be a little concerned about the magic markers?

Mike: Definitely

Ross: *(On phone, in accent)* This is Vicrum.

SCENE: Chandler & Monica's Place

Chandler: Hi honey I'm home!

Monica: Hi, how was your flight? *(She hugs him)*

Chandler: Oh it was great.

Monica: *(While putting in video tape.)* Here why don't you sit down, get yourself comfortable because I have a little surprise for you!

Chandler: Well, well, well it must be five in Tulsa because it's six o'clock in NYC!

Monica: OK. This is how much I love you. *(Plays tape.)*

Chandler: Honey, why am I watching a bunch of sharks swimming around?

Monica: Is this not the good part? Do you want me to fast forward to something a little toothier?

Chandler: No, I'm not quite sure you got the right movie, that's all.

Monica: Oh well, this is the only one they had at our video store, but they did have something called crocodile killers. Or does it always have to be sharks?

Chandler: Does what always have to be sharks?

Monica: Honey, look, we can do something else, do you want me to get into the tub and thrash?

Chandler: What's going on?

Monica: Sweetie it's OK, I still love you, let me be a part of this.

Chandler: Let ME be a part of this!

Monica: I saw what you were doing in Tulsa. Angry sharks turn you on!

Chandler: No they don't

Monica: Then why were you watching them and giving yourself a treat?

Chandler: Oh my God! When you came in, I switched the channel, I was just watching regular porn!

Monica: Really?

Chandler: Yeah, just some good old-fashioned girl-on-girl American action.

Monica: I cannot tell you how happy that makes me!

Chandler: You are an amazing wife. No really, you're amazing! You were actually gonna do this for me, I mean, where do you find the strength and

understanding over something like that?

Monica: I'm very, very drunk right now.

(They hug.)

SCENE: Central Perk

Joey: *(Looks at a girl walking in.)* See, ordinarily I would talk to her, but my confidence is shaken... did I sleep with her? did I not sleep with her?

Phoebe: You know, maybe this is a wake-up call, about your whole dating attitude. You're in your 30's and you've never had a serious relationship and you have never been in a long-term relationship, here you go from woman to woman, meaningless experience to meaningless experience, never even worrying that it doesn't turn into anything serious.

Joey: You're right! I love my life! *(He gets up to go and speak to the girl and he turns back and sits down)* I actually did sleep with her.

End

905 The One With Phoebe's Birthday Dinner

SCENE: Central Perk.

Phoebe: Oh hey you guys, I couldn't get a reservation for the night of my birthday, so we have to do dinner Thursday night instead.

Joey: Thursday? But that's Halloween.

Phoebe: So?

Joey: So spooky, that's all.

Ross: So, so, is Mike coming to dinner?

Phoebe: No! It's my first birthday with a boyfriend, and he has to work. Ugh, I get mad at him, but I think it's a little to soon to show my true colors.

Rachel: Pheebs, I would make a reservation for five, because one of us has to stay home and watch Emma. *(To Ross)* Which one of us should go to dinner?

Phoebe: Oh, Rachel! *(As in "Rachel should go!")*

Ross: Actually, um, I was thinking maybe both of us could go.

Phoebe: Oh, yay! *(Less than enthusiastic.)*

Ross: Thanks, I'll put a lot of extra thought into your gift.

Phoebe: Alright, okay, so we can all go now. That's fun. Hey, you know what? We all haven't been together, the six of us, in such a long time.

Monica: What are you talking about? We're all together right now.

Rachel: Um, Mon, Chandler's not here.

Monica: Oh, dear God!

Opening Credits

SCENE: Tulsa, a conference room

Chandler: Good morning everyone, it's nice to see our team together for the first time. Now, before we get started, are there any questions? Yes, Ken is it?

Ken: That's right. Is it true the reason you're here in Tulsa is that you fell asleep in a meeting and took the job without realizing what you were saying yes to?

Chandler: Well, don't believe everything you hear, Ken. But yeah, that's true. Alright, let's get started by taking a look at last quarter's figures. *(Claudia, next to Chandler, lights a cigarette.)* Ah, Claudia, aren't you supposed to blow smoke up the bosses' ass?

Claudia: I'm sorry. Does the smoke bother you?

Chandler: No, no, no-no-no. I smoked for years, then I quit. Right now, I can't remember why. You're not allowed to smoke in this office. Not right?

Claudia: Yes, in Oklahoma it's legal to smoke in offices with fifteen people or less. Would you like one?

Chandler: Alright, look. I don't smoke anymore. But if the rest of you want to light up, go ahead, it's fine. *(Everyone lights up.)* So you all smoke then? That's almost rude, that I'm not.

Ken: That's not true. If you don't wanna smoke ...

Chandler: *(loud)* Ken, please! No, I can't, I can't smoke. If I smoke, my wife would kill me.

Ken: I'm sorry, but isn't your wife back in New York?

Chandler: I always liked you, Ken. *(Takes a cig)*

SCENE: Monica and Chandler's.

Knock at door.

Phoebe: *(from outside)* Trick or treat!

Monica: *(opening the door)* Hey!

Phoebe: Ooh, and treat it is. *(Looks at Monica's exposed cleavage.)*

Monica: Hmhmhm. *(Closes robe)*

Phoebe: Wow, so glad I changed. Almost wore my threadbare robe that can't contain my breasts.

Monica: This is not, what I'm wearing. I'm ovulating and Chandler's gonna be home any minute, so I thought we would try before dinner.

Phoebe: Ohh. Oh wait! *(J/s)* you guys won't be late for my dinner, will you?

Monica: Believe me, Chandler and I have not seen each other in over a week. We'll probably be the first ones there.

Phoebe: 'kay, see you there. Happy humping! *(outside, meets Chandler)* Hey...hey! *(Sniffs)* Oh, wow, somebody smoked out here? Oh my god, don't people know, you're not allowed to smoke in public spaces?

Chandler: Actually, in Oklahoma smoking is legal in all common areas and offices with fewer than fifteen people.

Phoebe: You smoked!

Chandler: No! I just happen to know a lot of trivia about smoking in different states. For example, in Hawaii cigarettes are called leihalalokos.

Phoebe: *(Sniffs him)* Chandler, you stink of cigarettes.

Chandler: Ah, do you think, Monica's gonna be able smell it?

Phoebe: Are you kidding? The woman has the nose of a bloodhound ... and the breasts of a great goddess... *(Has odd smile.)*

Chandler: Pheebs?

Phoebe: *(embarrassed)* I'm gonna go.

Chandler: *(Enters. Talking to self)* Okay, something to cover the smell ... Oven cleaner! *(sprays himself, reads label)* Unscented!

Monica: *(from bedroom doorway)* Welcome home. I've missed you. Join me in the bedroom?

Chandler: No thanks, I'm good.

Monica: *(comes over)* OK, so you wanna play it that way, do you?

Chandler: *(shrinks back)* Right. You know what? Actually I just got off the plane, so I'm feeling kinda gross. Maybe I should just take a shower.

Monica: You don't need a shower.

Chandler: *(backs away)* Alright, the truth is, I soiled myself during some turbulences.

Monica: What do I smell? *(sniffs him)* I smell smoke. Hon, did you smoke?

Chandler: Yes, but I just had one. Two. Two tiny cigarettes. Okay, five. A pack. Two packs...a...a carton. Three big fat cartons in two days. But it's over, I made a decision, I'm not gonna smoke anymore.

Monica: *(Finds a pack in his jacket)*

Chandler: But, those are for you.

SCENE: Ross and Rachel's.

Ross: *(On phone.)* Alright, we'll just, uh, see you when you get here. Bye. *(Hangs up)* Huh, that was my mom, she's stuck in terrible traffic.

Rachel: Okay, well that's now the third sign that I should not leave Emma.

Ross: Oh, what were the other two?

Rachel: Well, let's see. The first one is: I don't want to. And, you know, I'm not going.

Ross: I know, it's the first time, we're leaving the baby and ... hey, I know how hard it is for you, but ... but Emma is gonna be fine. My mom is gonna be with her. She's great with kids.

Rachel: She is?

Ross: Yeah.

Rachel: What about Monica.

Ross: Hey, you only heard Monica's side of that. That little fatso was a terror.

Rachel: I just don't think I can bear it.

Ross: Rachel, I know that you can. And you should.

Rachel: Umm.

Ross: Really, it would be good for you and in fact, why don't you, why don't you go ahead to the restaurant and I'll wait for my mom, and then I'll meet you there.

Rachel: Oh, ah...

Ross: No, no, really. You should go. Just go! Go! Go out! Really, the world is your oyster. Kick up the heels. Paint the town red.

Rachel: You need to learn some new slang.

Ross: I'm serious. C'mon, you should go. Here. *(shows her outside)* No, uh-uh, just go.

Rachel: Wait ... Oh!

Ross: No! No, you know what? *(closes the door)* You're not going back in there, the baby's fine, now scam. Yeah, tell your story walking.

Rachel: I was just going to say that I left my keys.

Ross: Oh, *(door is locked)* Holy moly, are we in a pickle now.

SCENE: The restaurant. Phoebe and Joey are sitting alone at a table for six.

Phoebe: Where is everyone? They're forty minutes late.

Joey: I know.

Phoebe: I'm starving. I knew we were coming here tonight, so I ate nothing all day.

Joey: What about me, huh? Only had one lunch today.

Waiter: So, are we expecting the rest of our party shortly?

Phoebe: *(Putting on "higher class" way of speaking.)* Yes, they are expected presently. Yeah, yeah um, their arrival is in the offing.

Waiter: Right. We do have a table for two available, perhaps you would be more comfortable.

Joey: No, they're coming, we're waiting right here.

Phoebe: Joseph! *(To waiter)* Thou needn't worry, they shan't be long.

Waiter: It's just that we do have some large parties waiting.

Phoebe: One really does have a stick up one's ass, doesn't one.

SCENE: Chandler and Monica's

Monica: How can you smoke in this day of age? Do you not see that ad where the little kid walks to grandpa, it's chilling.

Chandler: I messed up, it was a meeting, everybody was smoking.

Monica: So what? Don't you have any will power?

Chandler: Will power? I've watched home movies of you eating ding-dongs without taking the tinfoil off.

Monica: You said that was sexy!

Chandler: OK, look: Can we just drop this? I'm not gonna smoke again.

Monica: That's right, because I forbid you to smoke again.

Chandler: You forbid me?

Monica: Um-hm.

Chandler: You know, I flew a long way to see my loving wife...is she here, by the way?

Monica: Don't joke with me, okay? I'm very, very upset right now.

Chandler: Oh, would you say this was the most upset you could be?

Monica: Yes.

Chandler: Then, I might as well do this *(Lights a cigarette. Exhales. Pauses.)* Not really sure what to do now.

Monica: Well, I'll tell you what we're gonna do: We are already late for Phoebe's birthday dinner, so you put out that cigarette, we're gonna put this fight on hold and go have sex.

Chandler: Fine. What?!?

Monica: Sex! This is the last day I'm ovulating, and if we don't do it now, we'll have to wait till next month.

Chandler: You're serious?

Monica: Oh yeah!

Chandler: Right, fine, I'll do it, but no talking.

Monica: Huh, and no cuddling.

Chandler: And no kissing your neck.

Monica: Oh good, I hate it when you do that

Chandler: And lots of kissing your neck!

SCENE: Outside Ross and Rachel's.

Ross: Okay, well the superintendent is not home.

Rachel: No!

Ross: Oh-oh, wait, my mother is gonna be here any minute. And she has the keys.

Rachel: Alright, I can't, I can't wait that long. You have to do something...knock that door down!

Ross: I would, but I bruise like a peach. Besides, you know, everything is gonna be fine. The baby's sleeping.

Rachel: What if she jumped out the basinet?

Ross: Can't hold her own head up, but yeah, jump out.

Rachel: Oh my God, I left the water running.

Ross: Rach, you did not leave the water running. Please, just pull yourself together, okay?

Rachel: Ah, did I leave the stove on?

Ross: You never cooked since 1996.

Rachel: Is the window open? Because if there's a window open, a bird could fly in there.

Ross: Oh my god, you know what, yeah, I think you're right. I think ... listen, listen!

Rachel: Huh?

Ross: A pigeon, a pigeon. No, no wait, no, no, an eagle flew in! Landed on the stove and caught fire. The baby, seeing this, jumps across the apartment to the mighty bird's aid. The eagle, however, misconstrues as an act of aggression and grabs the baby in its talons. Meanwhile the faucet fills the apartment with water. Baby and bird still ablaze are locked in a death grip, swirling around in the whirl pool that fills the apartment.

Rachel: Boy, are you gonna be sorry if that's true.

SCENE: The restaurant, still only Phoebe and Joey.

Waiter: Hello.

Phoebe & Joey: Hey.

Waiter: It's been an hour. Would you be willing to reconsider switching to a smaller table?

Joey: Maybe we should just eat now.

Waiter: You can't order until your entire party has arrived. Restaurant policy.

Joey: Well, how about this: Another table leaves, right? But there's still some food left on their place, OK, what's the restaurant's policy about people eating that?

Waiter: Strange man.

Joey: But it happens? *(Waiter leaves. To Phoebe.)* I'm gotta go to the bathroom.

Phoebe: No, you can't go. No-no-no, I can't hold this table on my own. If they ask me to move, I'll cave.

Joey: If you ask me to stay, I'll pee. *(leaves)*

Maitre D': Good evening, Miss. *(Phoebe turns her head away)* Miss? *(from the opposite side)* Miss? Miss!

Phoebe: Okay, fine, I'll move. Alright, you don't have to manhandle me. *(gets up)* Where? Okay. Thank you...

Joey: *(Returns to their old table where elderly people are sitting now, sits)* Finally you guys made it. *(looks up, turns left to Phoebe's chair)* Pheebs, who the hell...ahhh!

SCENE: The Bings' bedroom.

Monica: Spend more time with the tie. That'll make a baby.

Chandler: Look, I can't do this. I can't make love to you while we're fighting this way.

Monica: Oh sure, now you're Mister Sensitivity. But when you wanted to have sex right after my uncle's funeral...

Chandler: That was a celebration of life! Alright, look, I'm not gonna do this. Alright, is this really the way you want our baby to be conceived?

Monica: No, you're right. We shouldn't do it like this. Huh. For what it's worth, I'm, I'm sorry. I shouldn't have come down on you so hard about the smoking.

So you had a few cigarettes, it's not the end of the world.

Chandler: You mean it?

Monica: Yeah.

Chandler: You are incredible. I'm not gonna smoke again. And if I do, I promise, I will hide it so much better from you. *(they kiss)*

Monica: Do you want to?

Chandler: Yeah, let's celebrate life!

Monica: Okay.

SCENE: Ross & Rachel's

They enter with Ross's Mom

Rachel: *(To Emma)* Oh, God, Oh, thank god, you're okay. I'm so sorry we left you. Mom never gonna leave you again. Never ever ever again.

Ross: Great. So let's get going?

Rachel: Oh no. I mean it. After what just happened, I'm never leaving her again.

Ross's Mom: I understand, separation is hard. One time I was about to leave Ross to go to the beauty parlor and he got so upset, he took off all his clothes, tucked his willie between his legs and cried out: "Mommy, I'm a girl, take me with you."

Ross: Somehow, over time, it got easier to be apart from you.

SCENE: Monica and Chandler's, in bed

Chandler: Uhh. You are welcome.

Monica: You know what? Let's not talk.

Chandler: What?

Monica: Ooh, I am still so mad at you for smoking.

Chandler: But you said you forgave me. It was just a couple of cigarettes, no big deal.

Monica: Oh, blah blah blah blah.

Chandler: I can't believe it.

Monica: I was just saying that because I was ovulating and you said you wouldn't have sex with me while we're fighting.

Chandler: You tricked me to get me into bed?

Monica: That's right, I got mine.

Chandler: I feel so used.

SCENE: Restaurant

Phoebe: Well, I guess they're not coming. You wanna just order?

Joey: Thank you. Waiter! All right, this is gonna be fast, so try to keep up. Risotto with the shaped truffles and the roasted rip steak with the golden ??? and a Bordelaise sauce, unless any of that stuff I just said means snails.

Waiter: It doesn't.

Phoebe: Tomato tart and which of the pastas would you recommend?

Waiter: Oh, they're both exquisite.

Phoebe: Both it is, thank you.

Joey: Oh, uh, again. Can I make a special request? Can you bring everything as soon as it's ready? Appetizers, entrees, we don't care.

Ross & Rachel: (entering) Hey, hi, hi!

Waiter: I'll just wait to put your order in.

Phoebe: You guys are over an hour late. What happened to you two?

Ross: I'm so sorry ...

Rachel: We got locked out of the apartment, we ...

Joey: That's a great story. Can I eat it?

Ross: And then Rachel wasn't sure she could leave the baby.

Rachel: It wasn't easy, but it's your birthday and I did what I got to do.

Phoebe: And that's Judy over there at the bar with Emma?

Rachel: Oh honey, this is for the best, this way I'm not distracted, worrying about Emma, how she's doing at home and I'm being completely here with you and, oh, she spit up!

Ross: What?

Rachel: She spit up. Judy! She spi...Judy! Look alive, Judy! Thank you.

Ross: (To waiter, opening menu) Thanks. Oh.

Rachel: Oh, ooh, everything looks delicious. What should I ha-ave? What should I have?

Joey: (mumbling) Never hit a woman. Never hit a woman.

Ross: Y'know this ??? is incredible.

Joey: (still mumbling to himself) Ross bruises like a peach. He bruises like a peach.

Ross: Okay, I'll have the fixed salad and the duck.

Rachel: Yeah, I'll have the soup and the salmon.

Joey: And remember whatever comes up first. Okay? And hurry, because ...

Monica: Happy birthday!

Joey: Son of a bitch!

Phoebe: Where, where have you been?

Monica: Well, we had a little fight.

Chandler: I would never lie to get someone into bed.

Monica: You used to tell girls you were a Kennedy. Ooh, uh, thanks. Wow, little tight, isn't it? How come you didn't get a bigger table? ...You-you had a big table, but they made you move. Huh-huh, shut up Monica. (Looks at menu) I suppose that Chandler will have the smoked duck.

Chandler: I suppose that Monica will have the ... manipulative shrew.

Waiter: (Leaving) I'll give you another minute.

Joey: Why are you going? (Following) He said she wanted the shrew!

Ross: Rach, c'mon, Emma is fine. You're turning into an obsessive mother. Okay, you need to stop.

Rachel: You guys ever heard the story about when Ross's mom went to the beauty salon?

Chandler: You mean the willie story?

Ross: Huh-huh, they already know it! (Ross wins...but then realizes that perhaps it's not a good thing that they already know this story.)

Phoebe: You guys, we've been waiting for you for a long time, maybe you should order.

Joey: (Returning) No, no, it's okay, I already told the waiter what they want.

Monica: Why would you do that?

Joey: Chandler, control your woman!

Rachel: (Lifts glass for a toast) Okay, as everybody has ordered, I would like to start the celebration and make a toast ... to Phoebe. She dropped her sock.

Phoebe: Aw ... what?

Rachel: No, no, Emma dropped her sock.

Monica: Mom's here? I wanted to have lunch with her today, she told me she was out of town.

Rachel: Ross, she still has not noticed that the baby's sock is on the ground.

Phoebe: It's a good toast.

Rachel: (to Ross) Could you please get her attention?

Ross: Mommy!

Phoebe: (getting up) Oh, for god's sake, (shouting) Judy, pick up the sock! Pick up the sock! Pick up the sock! (everybody stares) I'm sorry, was that rude? Di-did my, my li-little outburst blunt the hideousness that is this evening? Look, I know, you all have a lot going on, but all I wanted to do was have dinner with my friends on my birthday. And you are all so late and you didn't even have the courtesy to call. (her phone rings) Well, it's too late now.

Ross: Well, I don't think that's us.

Phoebe: Well, this is, this is, this is not over! (on phone) Hello?

Joey: (to Chandler and Monica) Well, what is going on with you two?

Monica: Um, you see, I'm ovulating.

Chandler: Oh yeah, that's what she says. But maybe you're not ovulating at all, maybe it's just a clever ruse to get me into bed.

Monica: Yes smokie, that is what it was. I just can't get enough.

Chandler: (to Joey) You not gonna believe this: She lied! She tricked me into having sex with her.

Joey: So? You had sex, right?

Chandler: What's the matter with me? Why I'm such a girl?

Phoebe: (returns) Okay, that was Mike.

Rachel: Phoebe, hi, we're so sorry. You're totally right. We are here one hundred per cent and we love you and we are ready to start your birthday celebration.

Phoebe: Huh, guys, that means the world to me. Huh, okay, I'm gonna take off.

Rachel: What?

Phoebe: Oh, I love you guys too, but Mike got off work early. Wait. Wait, I'm not the kind of girl that just ditches her friends to be with her boyfriend. You know what? I am. Bye guys! (waves to the bar) Judy! Bye.

Rachel: Oh thank god, if Phoebe's going, can we please take Emma home?

Ross: You know, I think that's a good idea. Our babysitter just pounded down another Chardonnay. Bye, you guys.

Monica: Bye.

Joey: See ya. Well, this is just us.

Monica & Chandler: Mhum.

Monica: So, I'm, I'm probably still ovulating. Do you want to give it another try?

Chandler: So you never had sex with a Kennedy, have you?

Joey: Do, you gonna go do it now?

Monica: We don't have much time. Once the egg descends into the ovaries ...

Joey: No, no (not wanting to hear).

(Monica and Chandler leave, the waiter comes)

Waiter: I sincerely hope the rest of your party is returning.

Joey: Nah, just me. All alone. (all the food is served)

Dinner for six for one, huh. (To waitress) You boys are about to see something really special.

Closing Credits

SCENE: continues, Joey finished everything

Waiter: How was everything, sir?

Joey: Excellent. The shrew in particular was exquisite .

Waiter: Well, I hope you've got some room left.

Waiters: (with birthday cake, singing) Happy birthday to you, happy birthday to you, happy birthday dear ...

Joey: Joey! Joey.

Waiters: ... Joey, happy birthday to you.

Joey: This is the best birthday ever.

906 The One With The Male Nanny

Scene:
Chandler's hotel room in Tulsa. He's fast asleep when the telephone rings.

Chandler: (picking up the telephone, answering it with a frog in his throat) Hello? (he clears his throat, but he still has the same frog in his throat when he speaks again) Hello?

Monica: (in her apartment, screaming) I LOVE MY NEW JOB!

Chandler: Honey, you're screaming.

Monica: YOU BET YOUR ASS I AM! I just had the best first day ever! The kitchen: twice as big as Alessandro's.

Chandler: (yawning) Oh, that's great.

Monica: Yeah, a-a-and clean. Not just health department clean... Monica clean.

Chandler: (clearly not so interested) Awesome.

Monica: Oh, and the people are so nice. There's this one guy, Geoffrey, he's the Maitre D., Chandler, you will love him. He is without a doubt, the funniest guy I have ever met. (Chandler, who was almost asleep again, sits up straight in bed in an instant and can't believe what he just heard.)

OPENING CREDITS

Scene:
Central Perk. Phoebe and Mike are on the couch, holding hands, while Phoebe puts milk in her coffee.

Mike: This is nice.

Phoebe: I know! (Phoebe picks up a little packet of sugar, shakes it, and then realizes she can't open it with one hand, but doesn't want to let go of Mike's hand. She tries to tear open the packet with one hand.)

Mike: You need both hands for that?

Phoebe: Yeah, I kinda do. (Mike lets go of her hand) Well,

how's this? (she takes Mike's hand and puts it on her breast, she tears open the sugar and puts it in her coffee. Mike thinks it over and nods appreciative. After that, they hold hands again. Joey now enters, and sees the two sitting on the couch, holding hands.)

Joey: (in a very aaaaahhhhhh sweeeeeeet voice) Aaahhh, look at you two... holding hands... huh is this getting serious? (Phoebe and Mike, embarrassed, start babbling and look away.) Have you not talked about it yet? (They say nothing now, but smile) Am I making you uncomfortable? (smiles are becoming forced now, and he speaks to Mike) If you were bigger you'd hit me, huh...? Aaaaahhhhhh (he turns away to the bar)

Phoebe: I'm sorry... I'm sorry. It's obviously way too early for us to be... having that conversation.

Mike: Is it?

Phoebe: (in a flash she answers) Maybe not, is it?

Mike: Okay, when I got divorced, I didn't think I'd feel this way about someone for a really long time... Then again, I didn't think I'd meet someone like you... and... this may be crazy soon, but... I want you to have this... (He tries to get something from his pocket, but it's not that easy... Phoebe looks in a "what's happening" face to him. He finally has found something) No, not... that's gum. (He digs in a little more.) Ooh, five bucks... I love it when that happens, you know... Think no note's there...

Phoebe: (impatient) I know Mike, why don't you keep digging?

Mike: Oh, sorry. (He digs in again and finally finds what he's been looking for. A key.)

Phoebe: Oh, it's a key. To be honest, I think I'd prefer the five dollars.

Mike: It's to my apartment.

Phoebe: (really surprised) Oh wow, ooh! Ooh, big step for Phoebe and Mike.

Mike: Yeah, look, and I don't want you to feel like you have to give me your key just because...

Phoebe: Oh no, I want to.

Mike: Oh, thank God. (he laughs nervously, and Phoebe gets her keychain from her bag.)

Phoebe: Yeah... ooh... wow... Even started to think I'd never meet someone that, you know, I wanted to... do this with. Here you go. (Both Phoebe and Mike look really proud.)

Mike: Is this cool, huh?

Phoebe: It really is.

Joey: (sitting at his table) Oh, I know it... It is amazing these little things open doors... huh! (mimes opening a door with his own keys, Phoebe looks at him in a "yeah, yeah, yeah" way.)

Scene:
Ross and Rachel's apartment. Both of them sitting on the couch, interviewing a nanny candidate.

Rachel: So I don't go back to work for another four weeks, but we would like our nanny to start right away, so that Emma could get a chance to know her.

Nanny Candidate: (in a sweet, caring voice) I think that's really smart. The easier we can make the transition for her, the better. (Ross and Rachel seem pleased with the answer.)

Rachel: That's great, great. So do you have any questions for us?

Nanny Candidate: Not really.

Rachel: All right. Well thank you so much for coming... (they're standing up and make their way to the door)

Ross: Thank you.

Rachel: Really nice to meet you... and we'll call you.

Nanny Candidate: Oh, you know, wait. I do have one question. (she starts playing with her hair) Do you guys do random drug testing?

Ross: Boy, we uh... hadn't really thought of that.

Nanny Candidate: That's cool. But... but if you do, I'm gonna need three days notice.

Rachel: Okidoki! (and she slams the door in the nanny's face while Ross crumples up the application form) Wow! We're never gonna find a nanny.

Ross: Oh, come on Rach, we will. I promise. We have more interviews (They sit down and Rachel sighs) And worse comes to worse, we can always reconsider the uhm... the first one we met with.

Rachel: (indignant) What, the blonde with no bra?

Ross: She was blonde? (he looks surprised for a while, but then gets a "gotcha" expression on his face... There's knocking at the door) Just a sec.! Okay, okay. This one's name is Sandy. She's got a degree in early childhood education, uhm... she worked for her last family for three years.

Rachel: Okay... (Ross opens the door.)

Sandy: (a guy) Hi... I'm Sandy.

Ross: And she's a little mannish...

Scene:
Phoebe's apartment. There's a knock on the door, and Phoebe opens it.

Phoebe: (gasps) Oh my God! David!

David: Hi! I-I-is this a bad time?

Phoebe: (excited) No! It's a great time, come in...! WOW, hi... Oh my gosh! What are you doing here? Are you back from Minsk?

David: Well, just for a couple of days, uhm... I'm here to explain to the people who gave us our grant, why it's a positive thing that we spent all their money and uhm... accomplished uhm... nothing.

Phoebe: Who cares, it got you here.

David: Well, it got me to New York anyway, and then I got on a cab at the airport, and the guy said where to? and I just... gave him your address I... I didn't even think about it.

Phoebe: Wow. Where is your luggage? (David thinks for a while)

David: Damn it!

Phoebe: A-All right, well... I'll call the cab company.

David: Wa... wa... wait! We can... call them later. Can you just... just stand there f-f-for a moment? Boy! There's an old Russian expression, uhm... it goes: Schto ya ztez vigul... ui! Roughly translated that means uhm... This thing that I'm looking at: wow!

Phoebe: Thank you! God, no! You should see me when... Oh actually, no, I look pretty good.

David: Are... are you kidding? You know, when you don't see someone for a long time, a-a-and you kind of build them up in your head and you start thinking about: Come on, don't be crazy. Nobody is that beautiful, but... well, you are. (*Phoebe seems very charmed*) Well, so, uhm... are you seeing... anyone? (*Phoebe is still up on a cloud from what David just said*)

Phoebe: No...

Scene:

Monica and Chandler's apartment. Monica sits on the couch and Phoebe is pacing up and down the room.

Phoebe: I'm... I'm just... I'm the worst person ever. How can I not tell David that I'm seeing Mike?

Monica: Maybe he didn't give you a chance.

Phoebe: He said: Are you seeing someone? And I said no...

Monica: Oh, well... That had been your window.

Phoebe: Yeah! I mean, I don't know. I was just, I was looking, I was looking in his eyes and I was just thinking: Oh my God! It's David. David's here. He's just, he's so irresistible.

Monica: Really? The scientist guy?

Phoebe: Really? Chandler?

Monica: Continue...

Phoebe: Oh, okay, then it gets worse, 'cause then I told him that I would see him tomorrow night.

Monica: Phoebe!

Phoebe: I know! (*points at herself*) Evil! And... and... and... I like Mike so much, you know. It's just going really well. Oh my God!

Monica: Wow, isn't it ironic that David would show up on the same day that you and Mike exchange keys?

Phoebe: (*sarcastically*) Uhm... Yeah...!, you know. And given my life long search for irony, you can imagine how happy I am.

Monica: What are you gonna do?

Phoebe: I mean I guess, I just have to... tell David that nothing can happen between us. Unless I don't... You know, complicated moral situation, no right, no wrong...

Monica: You have to tell David!

Phoebe: Okay, I knew I should have had this conversation with Joey.

Scene:

The hallway between the two apartments. Chandler comes home.

Chandler: (*angry*) Funniest guy she's ever met! (*to the door*) I'm funny, right...? What do you know, you're a door... You just like knock-knock jokes... (*laughs about himself, but then gets determined again*) Save it for inside! (*he enters*)

Monica: Heeeeey!

Chandler: Hey!

Phoebe: Hey!

Chandler: So... Oklahoma is a crazy place. You know, they call it the Sooner state. Frankly I'd sooner be in any other state. (*Monica looks at Phoebe, who also doesn't know what to say*) And what's with Oklahoma having a pan handle? Can all states have stuff like that? Hey yeah, I'm from the waistband, Wyoming. But when I was seven, we headed over to the croch.

Monica: (*Doesn't believe what she's hearing*) Was your cabin pressurised?

Chandler: (*laughs, but then moves to Phoebe*) And don't get me started on the way that people from Tulsa talk.

Phoebe: Okay. (*and she walks away*)

Chandler: What's with the word 'all'? You know, just... two words just... pushed together... Are we all allowed to do that, because if so, I say why stop there? You know, your new poodle could be your noodle. And fried chicken? Could be fricken. Waiter, waiter excuse me, I'll have the fricken? (*Monica laughs*) See, that's... that's funny with the fricken, right?

Monica: No, it just remind me of something this guy did today at work. I told you about that funny guy, Geoffrey, right?

Chandler: Yeah, he came up...

Monica: Well, he did this bit... You probably had to be there, but it was Liza Minelli locked in our freezer, eating a raw chicken. (*Phoebe bursts out in a laugh*)

Chandler: (*to Phoebe*) Were you there?

Phoebe: No, but it sounds like it was fricken funny...

Scene:

Ross and Rachel's apartment. They're interviewing Sandy.

Sandy: I really do understand how hard it's gotta be to leave your child with another person. I mean, it's leaving behind a piece of your heart... (*Ross has got that bored/angry/skeptic look and Rachel is very emotional*)

Rachel: Sandy, that's exactly what it is...

Ross: Are you gay? (*Rachel turns to Ross in an embarrassed way*)

Rachel: Ross!

Sandy: It's okay. I get that a lot doing what I do. But I am straight. I-I'm engaged actually.

Rachel: Oh!

Sandy: Her name is Deliah.

Rachel: Oh, that's pretty.

Ross: (*skeptic*) So you're just like a... guy who's a nanny?

Sandy: I realise how it's... a bit unorthodox for some people, but I really believe, the most satisfying thing you can do with your life, is take care of a child.

Ross: (*on a yeah, right tone*) Okay.

Sandy: Like in my last job, I met Daniel when he was three weeks old. And I got to watch him grow into this awesome person... When I left, I said: I'll see you soon... And he said to me: Skdandy... (*Ross and Rachel look puzzled*) That was his name for me... I'll see you every day... right in... (*points at his heart, but starts to cry before he can finish his sentence. Rachel tries to comfort him, but Ross has this "you've got to be kidding me" look all over him*)

Ross: Yeah, kids say all kinds of crap. (*In the other room Emma starts to cry*)

Rachel: Oh God, she mu... she must need her diaper changed.

Sandy: Oh, oh, I can do it for her, if you want...

Rachel: Oh, that would be great! (*Sandy leaves for Emma's room*) I love him, I love him, I love him...

Ross: Oh, come on, Rach, he's a guy!

Rachel: So wh...? He's smart, he's qualified. Give me one good reason we shouldn't try him out.

Ross: Because, it's weird!

Rachel: Why?

Ross: What kind of job is that for a man? A nanny? I-I'ts like if a woman wanted to be...

Rachel: (*she's got that "yeah, try to say it" look on her face*) Yes?

Ross: King?

Sandy: I er... I hope you don't mind. I used some of my home-made lotion on Emma. It's a mixture of calendula and honey cream. It'll dry that rash right up. Plus... it keeps the hands young... (*it makes Rachel smile*)

Rachel: (*whispering and begging*) Please? (*Ross makes a "whatever" gesture*) YES! Sandy you're hired.

Sandy: That's great! (*He gets emotional again and waves his hand in front of his face in a feminine way, like trying to dry his tears*) I'm sorry. It's just... such an emotional thing when you're welcomed into a new family...

Rachel: Oooh... wow, come here.

Ross: You gotta be at least bi...

COMMERCIAL BREAK

Scene:

Joey's apartment. Joey is reading a 'Busty Ladies' magazine when Chandler enters.

Chandler: Hey! (*Joey doesn't look up, but gestures "wait a minute" with his finger while he finishes reading the article. Chandler waits for Joey to finish.*) I need you to set me up for a joke. Later, when Monica is around, I need you to ask me about fire trucks.

Joey: Ooh. I-I don't know Chan. I'm not so good with remembering lines.

Chandler: (*Can't believe what he hears*) Well, thank God your livelihood doesn't depend on it.

Joey: I know, right? (*Chandler has really big eyes, and nods*) Wh... Wh... Why are we doing this?

Chandler: Monica says that her Maitre D. is the funniest guy she's ever met.

Joey: Seriously? She actually said that?

Chandler: Yes! Am I crazy to be this upset?

Joey: Nooooo! Being funny is your thing!

Chandler: Yeah!

Joey: Without that, you just got "lame with women".

Chandler: Ye.... (*stops because he realizes what Joey just said, and stares at him. At this moment Monica enters*)

Monica: Hi! There you are.

Joey: (*sees Monica*) Fire trucks! (*Chandler's eyes double in size and he turns to Monica who doesn't understand what's happening. Then he turns back to Joey, who says "you're welcome" without a sound*)

Scene:

Phoebe's apartment. Phoebe just let David in who brought a bottle of wine.

David: Wow, you look even... more beautiful than you did yesterday.

Phoebe: Oof...

David: In fact, ehm... I going to kiss you now. (*David holds Phoebe and wants to kiss her*)

Phoebe: Oh, wait, wait!

David: Yeah, I-I don't, I can't get away with stuff like that. I-I-it sounded sexy in my head, so I...

Phoebe: No, no, it's not that. (*they go sit on the couch*) Uhm... Remember when you asked me if I was seeing someone and I said no? Well, uhm... I am. His ... his name is Mike.

David: Oh... oh...

Phoebe: Yeah, I should have told you.

David: No... well, yeah.

Phoebe: I'm sorry, I'm sorry.

David: Well, i-it's okay. I-I-I understand... Well, s... well, are you happy with this guy?

Phoebe: I am happy.

David: Damn it! I-I'm sorry, I-I don't mean that. I-I want you to be happy... But only with me. No, uhm... that's not fair. Uh, who cares, leave him! Oh, I don't mean that. Yes I do... I'm sorry Uhm, I... I think I should probably uhm... go...

Phoebe: Well... but David, just... I just want you to know that... that... you know... telling you this... is one of the hardest things I've ever had to do.

David: Well... just so you know... hearing it wasn't exactly a Vladnk carnival either... Can we at least hug goodbye?

Phoebe: Of course, yeah. (*they hug and Phoebe sighs... a little after that also David sighs and makes his way to the door*) You know, a kiss on the cheek wouldn't be totally inappropriate...

David: No... no...

Phoebe: I mean... (*David kisses Phoebe on the cheek, makes his way to the door and turns around again*)

David: In Minsk...

Phoebe: Yeah?

David: ...it's uhm... i-it's two on each cheek and uhm... and one on the lips.

Phoebe: Well, if that's what they do in Minsk... (*They kiss 2 on each cheek... and then they pause... David turns to the door*) In New York... it's... (*and then David grabs her by her neck and kisses her full on the lips... They kiss passionately and cannot seem to stop.*)

Scene:

Ross and Rachel's apartment. Rachel and Sandy sit on the couch. Sandy holds Emma. Ross enters the apartment. Sandy and Rachel wipe their tears away with handkerchiefs

Rachel: (*in a tearful voice*) Oh... Oh boy... (*she turns around and sees Ross*) Hi...

Ross: (*very worried*) Is everything all right?

Rachel: Oh yeah, it's fine, it's fine. Sandy was just... was just telling me about how he proposed to his fianc 関 and it was just sooo beautiful.

Sandy: Well, her favourite flower is the camellia. >From the poem...

Rachel: I can't... I can't hear it again.

Sandy: You know, I can't tell it again... (*wipes his tears again*)

Ross: And I'm fine never having heard it... (*Rachel looks at Ross in a "why do you say that" manner*) Rach, can I... can I see you for a sec?

Rachel: Yeah! (*to Sandy*) Excuse me... (*She walks to the kitchen with Ross and sighs*)

Ross: Do you realise that man has cried in our apartment three times...? Huh? I haven't cried that many times since I moved in.

Rachel: Look, Ross, he's just... Sandy is just sensitive, that's all.

Ross: (*picks up a cookie*) Okay, okay, see... that... that is the problem. He is too sensitive. (*takes a bite from the cookie*)

Rachel: What...? Too sensitive to take care of our baby?

Ross: (*speaking with his mouth full*) Yeah, I mean, all things that guy... (*looks at the cookie*) These are amazing!

Rachel: Sandy made Madeleines.

Ross: This... this is exactly what I'm talking about. What kind of a guy makes... makes... delicate French cookies, huh? They're not even... butch, manly cookies with... with... you know with... with chunks. (*takes a careful bite from the cookie*)

Rachel: Well, I... you know, I-I-I don't know what to say... I mean, I never thought of you as a guy who needed his men to be men. You know, 'cause I gotta tell you Ross, it not like you just came in from branding cattle.

Ross: Hey... there's sensitive... and there is too sensitive.

Rachel: Okay, what? What is too sensitive? (*There's music coming from the living room. Ross opens the door to the living room and he and Rachel see Sandy play a song for Emma on his recorder. Rachel is moved by this, but Ross only sees his point proven again, and walks back into the kitchen, angrily. The door he was holding, swings back and hits Rachel.*)

Scene:

Phoebe's apartment. She and David are still kissing each other in the living room.

Phoebe: Hmmm... No, no... No, I can't do this. It's bad.

David: But... I-I-It's nice... A-a-and... nice is good. A-a-and good is not bad, ergo, w-w-we should keep kissing.

Phoebe: No, no. No.

David: But... ergo...

Phoebe: Look David, if... if you had never left, then... yeah, we'd probably still be together right now, but... you did leave, and I-I'm with Mike and I really care about him...

David: Uhm... uhm... Goodbye... Uh... Schto ya ztez vigul... ui... (*David holds his hands gently on the back of Phoebe's neck. There's a sound of a bunch of keys rattling, and the door opens... It's Mike*)

Mike: Well... hey, the key works...! (*he looks as if he doesn't want to believe what's happening*)

Phoebe: (*points to David*) And you thanks for the face massage. Thank you.

Scene:

Monica and Chandler's apartment. Monica is in the kitchen and Ross enters.

Ross: Did Rachel tell you we hired a male nanny?

Monica: Yeah! I think that's great!

Ross: Oh really? Did she tell you he plays the recorder, recites poetry and bakes Madeleines?

Monica: Oh... How are they?

Ross: (*looks like in heaven*) Lighter than air... (*changes back to serious*) But that's not the point. (*Joey now also enters*)

Joey: Hey!

Ross: Hey...! Rachel and I hired a male nanny.

Joey: (*looks surprised*) Really...? Guys do that...? That's... weird...

Ross: Thank you!

Joey: That's like a woman wanting to be a...

Ross: ...a what? A what? What's the end of that sentence?

Monica: Yes... What is the end of that sentence?
Joey: Uhm... A penis model. *(Monica can't believe what's she's hearing and Ross pats Joey on the back.)* Anyway, hey... Did you tell Chandler that some guy from work is the funniest guy you've ever met?
Monica: Yeah, so?
Ross: Wow!
Joey: Really? Do you not know Chandler?
Monica: Is that why he's acting so weird...? He's jealous...? Oh my God, that is crazy. It's not like I'm attracted to Geoffrey...
Joey: So what? Being funny is Chandler's thing... You know, like Ross's thing is... *(he can't come up with anything)*
Ross: Science...? Academia...? Being a good father...?
Joey: ...No... *(he just can't seem to grasp it)*
Monica: I can't believe he's that upset about this...
Joey: Monica, you have to do some damage control here, okay. 'Cause he's feeling like... *(the door opens and Chandler walks in with a pizza)*
Chandler: Hey!
Joey: Heeey! Hey!
Chandler: What are you guys talking about?
Ross: Uhm... Rachel and I hired a male nanny. *(Joey makes a gesture and sound like "Can you believe that?")*
Chandler: You got a man who's a nanny...? You got a nanny...? *(Monica starts laughing, but very exaggerated. Joey realises they also should laugh and punches Ross. Now all three of them laugh, but very fake. Chandler seems happy again.)*
Chandler: You know, I don't mind a... male nanny, but I do draw the line at a male wetnurse. *(again they laugh, even more fake than before)*
Monica: Ohhh, ooohhh... you are on a roll, mister!
Chandler: If I'd known you guys were coming over, I would have brought more pizza. *(they all burst out in a thundering laugh)*
Monica: Okay, okay... Chandler you... you stop it! *(Monica wipes away tears)*
Chandler: What is so funny about that? *(they realise it wasn't a joke)*
Monica: Well, I don't know... I-I-it's... just the way you say it... I mean, you're funny... You have that funny thing. You're a funny guy! *(Chandler turns to Joey)*
Chandler: Did you tell her what we talked about? *(Joey starts laughing hysterically, but then gets serious again...)*
Joey: Yeah...
Chandler: So those were pity laughs? PITY LAUGHS? *(Joey and Ross walk away from the kitchen)*
Monica: Honey, listen... You have nothing to worry about with Geoffrey.
Chandler: Oh yeah? Is he funnier than me?
Monica: Well, you're... you're different funny... I mean, you're... you're more sarcastic a-a-and... well, he does... bits... and impressions... and... and limericks...
Chandler: I do limericks... uhm... There once was a man named Chandler, whose wife made him die inside.
Monica: Honey, you know I think you're hilarious! Come on, you know that joke you told me last week? The one about Jerry Lewis and the girl with the lazy eye...? *(he laughs)* That stayed me.
Ross: Hey... I made up that joke and told it to you! *(He points at Chandler. Joey gestures to Ross "What are you doing?")*
Joey: Not knowing when to shut up...
Ross: Yep! That's my thing...
COMMERCIAL BREAK
Scene:
Phoebe's apartment. David is still there. Mike closes the door.
Mike: So... how many guys have your key?
Phoebe: No, no, no, no, no... It's not... it's not... it's not as bad as it looks... really. I was just saying goodbye to an old friend.
Mike: Your lipstick's on his mouth.
David: Oh, uh... we just uh... happen to wear the same shade.
Phoebe: No, uhm... David and I did use to go out... but years ago, and he lives in Minsk. He's only... he's only in town for a couple of days.
Mike: Did you uhm...
Phoebe: No, no...
Mike: ...kiss him?
Phoebe: Oh, well, yeah...
David: Yes, but uhm... You should know... she really likes you. I-I-I fact I-I-I don't think you realise j-just how lucky you are fella. *(he points at Mike)*
Mike: Don't point your finger at me.
David: Why? Wh-What are you going to do about it?
Mike: Well... I'll... just show you what I'm gonna do about it... *(he hits David's finger with his finger and they start to finger-fight using their fingers as swords saying all kinds of macho crap)*
Phoebe: Stop it! Stop it, before someone gets really hurt! *(they stop and Phoebe gets David's jacket and gives it to him)* Here David, you should just go.
David: All right... But... if I ever do come back from Minsk... *(points at Mike)* well, you just better

watch out.
Mike: Well, if I ever goto Minsk, you'd better watch out.
David: Oh, you're going to Minsk?
Mike: Well, I might.
David: Really? Well, if you do, come in the spring. It's just lovely there.
Phoebe: Okay, well... guys?
David: Right... Goodbye Phoebe. *(Makes a move to kiss her.)*
Mike: Hey, what are you kidding me?
David: Right-o, right-o... *(to Mike)* Take good care of her. *(and he leaves)*
Phoebe: I'm sorry, I'm so sorry. If you... If you want your key back, I totally understand.
Mike: It's never gonna happen again right?
Phoebe: Right! Never! Never! I swear! *(They kiss... The door opens and David comes in again.)*
David: I-I... Oh I... I just wanna say uhm... if you do ever come to Minsk, that's my number *(gives Mike a business card)* We'll uhm... we'll party up Vladnik style. *(He leaves again)*
Scene:
Ross walks in the hallway to his apartment and stops in front of his own door. Now he hears two recorders playing a song. When he enters, Sandy and Joey are playing the recorder and Rachel listens.
Joey: Yeah! All right! Hey, hey Ross. Check it out! Sandy taught me Hot-cross Buns.
Ross: Really? Sounded like Three Blind Mice.
Joey: Noooo... Three Blind Mice goes like this... *(he puts his fingers in position on the recorder)*
Ross: *(looks angrily at Joey and points at him)* I swear to God...! *(Joey is in shock)*
Sandy: Who's up for puppets?
Joey: Me! I'm up for puppets!
Sandy: Well, please welcome... The Snufflebumps... Who wants to be mr. Wigglemunch and who's gonna be the Grumpus?
Ross: Okay, okay... How exactly is a two month old supposed to appreciate puppets?
Sandy: Actually studies have shown that the movement and colours help their cerebral development... The whimsical characters are just for us. *(He winks to Joey and Rachel. Ross's face says he disapproves. Joey sees that and kind of angrily says...)*
Joey: I wanna be Mr. Wigglemunch. *(and makes a "there" nod to Ross)*
Ross: *(shakes his head)* Oh my God!
Sandy: Well, I guess we know who's gonna be the Grumpus... *(Ross goes to the kitchen)*
Scene:
Ross and Rachel's kitchen. Ross got a beer from the refrigerator and opens the bottle. Rachel now also enters the kitchen.
Rachel: That was kind of rude!
Ross: Oh, I'm sorry. Please apologise to Sandy and the Snufflebumps for me.
Rachel: You know, he was just doing his job...
Ross: Well, you know what... I-I'm sorry I'm the only one who isn't in love with Gary Poppins out there... But I just... I can't... I can't go through with this.
Rachel: Oh, come on Ross...
Ross: No! Hey, you know what? I'm sorry. I would never force you... to hire someone you were this uncomfortable with...
Rachel: *(sighs)* Oh... That's true.
Ross: Thank you!
Rachel: Well, you're the one who wants to fire him, so you're gonna have to do it. *(Ross walks to the living room determined to fire Sandy)*
Scene:
Living room. Joey and Sandy are talking with the Snufflebumps.
Sandy: *(In a puppet voice)* So you see Wigglemunch, that's why it's important to shaaaaaaare...
Joey: *(kind of emotional)* I am learning so much from you.
Scene:
Monica and Chandler's apartment. Monica and Joey are sitting at the dinner table. Chandler comes from the bedroom with his suitcase.
Chandler: Well, I'm off to Tulsa, so if your Maitre D. friend has any funny Oklahoma jokes, tell him to e-mail me at www.hahanotsomuch.com.
Monica: Honey, you can relax. Last night at work, Geoffrey told this really sexist joke. After that, not so funny anymore.
Chandler: Really...? See... that's the thing: you gotta keep it smart, people!
Monica: Okay, don't miss that flight. You know I love you.
Chandler: I love you too. *(Monica and Chandler kiss. He turns to Joey.)* And... I like you as a friend. *(They hug and pat each other on the back.)*
Joey: All right. See you later!
Chandler: See ya! *(he leaves the apartment)*
Joey: *(to Monica)* Did that guy really make that joke?
Monica: Naaaa... He still kills me. Last night he had me laughing so hard, I swear... a little pee came out.
Scene:
Ross and Rachel's apartment. Sandy is knitting baby clothes. Ross and Rachel walk into the living room.
Ross: Here goes...
Rachel: I can't watch. It's like firing Elmo. *(Ross walks to the couch where Sandy sits)*
Ross: Sandy... Hi, we uhm... we kinda need to talk. I'm afraid it's not working out.
Sandy: *(surprised)* Oh...
Ross: Yeah, uhm... I mean, Rachel and I, think you are great... with Emma... uhm... We just feel...
Rachel: *(from behind the bedroom door)* YOU! You feel!

Ross: I... just feel that the... the chemistry isn't right. I'm sorry. We're... we're more than happy to give you good recommendation...
Sandy: Oh, no, no, no... That's okay. I got a lot of offers from other families. I just picked you guys because... I liked you the best.
Rachel: *(from bedroom)* Oh, damn you Geller!
Ross: Anyway, uhm... Well, I'm glad there's no hard feelings.
Sandy: No, none at all. You need to be happy with whoever is in your home... Although if you don't mind telling me, what was your problem? Maybe it's something I can work on in the future.
Ross: No, you know, it's uhm... nothing you did, it's... it's uhm... my issue.
Sandy: What is it...? *(Ross hesitates)* Please...? *(he tilts his head)*
Ross: You know, I'm just not uhm... that comfortable with a guy who's as sensitive as you.
Sandy: That's fair... Although, can I ask... why do you think that is?
Ross: Why... I... I don't know. *(Sandy tilts his head again)* Uhm... errrr... maybe... maybe because of my father?
Sandy: hmmm... *(and shakes his head)*
Ross: I mean, uhm... you know when I was growing up he was kind of a tough guy... You know a-a-and as a kid I wasn't the athlete I am now.
Rachel: *(from the bedroom)* Huh ha ha!
Ross: I play squash...! Anyway, uhm... I uhm... I always get the feeling he thought I was too sensitive.
Sandy: That must have been hard.
Ross: It was hard... I remember... I was in my bedroom... playing with my dinosaurs... playing and learning... and my father walks in and says... he says... "What are you doing with those things? What's wrong with you, why aren't you... why aren't you outside playing like a... like a real boy?"
Sandy: But you are a real boy!
Ross: I know I am! *(Ross now starts to cry)* ...And when it's summer, and it's hot, why can't you wear a tank top?
Sandy: It's All right! Crying is good. It lets the boo-hoos out.
Ross: Here come some more...
COMMERCIAL BREAK
Scene:
Joey's apartment. Joey and Sandy are sitting at the kitchen counter. Joey is holding mr. Wigglemunch, and Sandy holds the Grumpus.
Sandy/Grumpus: And what's the one kind of boat that can never, ever sink?
Joey/Wigglemunch: What kind?
Sandy/Grumpus: A friend-ship...
Joey: Wow! You blow my mind...
Sandy: Oh, I gotta go.
Joey: Aaahh... How much do I owe you?
Sandy: Twenty bucks.
Joey: It's like the cheapest college ever.

907 The One With Ross's Inappropriate Song

SCENE:
Ross and Rachel's apartment. Ross is playing with Emma on the couch after just changing her diaper.
Ross: And that's why, no matter what mommy says, we really were on a break. *(baby talk.)* Yes we were! Yes we were! *(picks Emma up.)* Come here gorgeous. *(puts her on his knees and talks to her.)* Oh! Look at you! You are the cutest little baby ever! You're just a... a little bitty baby, you know that? But you've got... *(in a softer voice.)* You've got big beautiful eyes... Yes you do... and a... and a big round belly. *(emphasises the B's.)* Big baby butt! I like big butts. *(raps.)* I like big butts and I cannot lie / you other brothers can't deny / when a girl walks in with an itty, bitty, waist / and a round thing in your face you get... *(Emma laughs.)* Oh my God, Emma... you're laughing! Oh my God, you've never done that before, have you? You never done that before... Daddy made you laugh, huh? Well, daddy and Sir Mix Alot... What? What? You... you wanna hear some more? Uhm... *(raps.)* My anaconda don't want none / unless you got buns hon... *(Emma laughs again and Ross looks worried.)* I'm a terrible father!
OPENING CREDITS
SCENE:
Central Perk. Joey sits at a table and Chandler and Monica enter.
Chandler: Hi!
Joey: Hey... hey listen... What do you guys know about investments?
Chandler: How come?
Joey: Well, I'm starting to make good money on the show and I'm thinking... I should probably do something with it.
Monica: What do you do with your money now?
Joey: Well, I just tape it to the back of my toilet tank. *(realises that anyone could have overheard that.)* I didn't say that! It's in a bank guarded by robots!
Chandler: Do you have any ideas?
Joey: Uh, yeah... This guy at work got me excited about going in on an emu farm. That'd be kinda cool huh? Pitching in on the weekends, helping to plant the emus...
Monica: Joe... Emus are birds. You raise them for meat.
Joey: *(laughs.)* Yeah! Right! *(points at Monica.)* People eat birds... Bird meat... Now do they just fly into your

mouth or you go to... you go to a restaurant and you say: "Excuse me, I'll have a bucket of fried bird." (laughs again.) Or... or maybe just a wing or... (realises...)

Monica: Joey, I think you should consider something a little less risky. I mean, I think in this market, real estate is your best investment. The Fed just lowered the rates and the interest on your mortgage is totally deductible. (looks at Chandler.) That's right, I know some stuff!

Joey: Real estate, huh? Hmmm...

Monica: (very excited.) Oh, and you know who's selling a great apartment? Richard!

Chandler: (imitating Monica.) Oh, and you know whose knowledge of her ex-boyfriend is shocking? Monica!

Monica: My dad told me. They play golf together.

Chandler: Oh, well... Maybe I'll join them some time. I just hope the club doesn't slip out of my hand and beat the moustache off his face.

SCENE:

Monica and Chandler's apartment. Rachel and Monica are sitting at the dinner table and Phoebe enters, knocking on the door.

Phoebe: Hi!

Rachel and Monica: Hey!

Phoebe: Listen! You have to help me pick a dress 'cause I'm meeting Mike's parents tonight! (Rachel gasps.)

Monica: Wow, the boyfriend's parents! That's a big step.

Phoebe: (sarcastically.) Really? That hadn't occurred to me.

Monica: They just gonna love you, just be yourself.

Phoebe: They live on the upper east side on Park Avenue!

Rachel: Oh yeah, she can't be herself.

Phoebe: Okay, so... all right... Which dress? (she holds up two 'Phoebe' dresses, Rachel and Monica look at them... taking their time, don't want to hurt Phoebe.) You can say "neither".

Rachel and Monica: Oh God, neither!

Monica: I'm sorry honey, but we're gonna take you shopping. It's gonna be fine.

Rachel: Yeah, totally! You are in such good hands. And I'm so good with meeting parents. With the father, you know, you want to flirt a little bit, but not in a gross way. Just kind of like: "Oh Mr. Pincer, I can see where Wallis gets his good looks..."

Monica: You went out with Wallis Pincer?

Rachel: Uh, he took the SAT's for me.

Monica: I knew you didn't get a 1400!

Rachel: Sssh yeah, well, duh! I mean...

Phoebe: So... now... What about with Mike's mom?

Rachel: Oh, with the mother, just... just constantly tell her how amazing her son is. Take it from me, moms love me. Ross's mom one time actually said I'm like the daughter that she never had.

Monica: (Monica looks at Rachel in disbelief.) She said WHAT?

Phoebe: (speaking louder and articulating.) That's she's like the daughter she never had. (Phoebe points at her ears.) Listen! (Monica looks at Phoebe in a duh! way.)

SCENE:

Ross and Rachel's apartment. Rachel enters the apartment.

Rachel: Hi.

Ross: Hi.

Rachel: I just finished getting Phoebe all dressed to meet Mike's parents. She's so nervous, it's so sweet!

Ross: Guess what? I made Emma laugh today.

Rachel: (in disbelief.) You WHAT? And I missed it? Because I was giving a makeover to that stupid hippie?

Ross: Yeah, and it was uhm... it was like a real little person laugh too. It was... it was like uhm... (Ross tries to impersonate Emma's laugh, but it comes out very squeaky, very high pitched. He laughs about himself but then looks at Rachel, realises that it sounded weird and straightens his face.) Only... only not creepy.

Rachel: Well... well, what did you do to make her laugh? (excited.)

Ross: I uhm... Well, I sang... (Rachel gasps.) well actually I rapped... Baby Got Back... (Rachel's face changes from excited to angry.)

Rachel: You WHAT? You sang... to our baby daughter... a song about a guy who likes to have sex with women with giant asses?

Ross: But you know what, if you think about it, it actually promotes a healthy uhm... body image... because... even big butts or uhm... juicy doubles.

Rachel: (disgusted.) owwwww...

Ross: Please don't take her away from me!

SCENE:

Richard's apartment. There's a knock on the door. The listing agent opens the door for Chandler and Joey.

Catherine: Oh hi, come on in. I'm Catherine, the listing agent.

Joey: Hi I'm Joey. This is Chandler.

Chandler: So how come Richard's selling the place? Went bankrupt? Medical malpractice? Choked on his own moustache?

Catherine: Actually, he is buying a much bigger place. It's got a great view of Central Pa....

Chandler: (interrupting.) Mmm That's enough about you!

Joey: Is there anything we should know about the apartment?

Catherine: All the appliances are included. There is a lot of light, a new kitchen... I think you guys would be very happy here... (Joey and Chandler both realize what she's assuming and start laughing.)

Chandler: No, no, no, no, NO! No, no... we're not together. We're not a couple. We're definitely not a couple.

Catherine: Oh... Okay, sorry!

Joey: Well, you seem pretty insulted by that. What? I'm not good enough for you?

Chandler: We're not gonna have this conversation again... Look at this place. Why am I so intimidated by this guy? Pretentious art, this huge macho couch. When we know all he does is sit around all day crying about losing Monica to a real man! (laughs.) You don't think he's here, do you? (Joey looks around.)

Joey: You know what it is? It's a nice place but I gotta see, I don't know if I see myself living here. Oh, oh, oh, let me see... (Joey sits down on the couch, mimes opening a can and puts his hand down his pants.) Yeah, I could see it.

Chandler: (Chandler looks around the place and his eye gets caught by Richard's video collection.) Look at these videos. You know, I mean, who does he think he is? Magnum Force, Dirty Harry, Cool Hand Luke... Oh my God!

Joey: What?

Chandler: There's a tape here with Monica's name on it. **Joey:** Ooh! A tape with a girl's name on it. It's probably a sex tape... (realises.) Wait a minute... This says Monica... (looks around.) And this is Richard's apartment... (realises some more.)

Chandler: Get there faster! (Joey gasps and finally understands...)

SCENE:

Mike's parents building. Phoebe gets out of the classy elevator, looking all dressed up like an older woman, and very un-Phoebe. She walks to the door and rings the doorbell.

Mike: Wow! You look like... like my mom.

Phoebe: I'm wearing pantyhose!

Mike: Great! Come on in! (Mike kisses her on the cheek. A butler walks in and takes Phoebe's coat.)

Phoebe: Oh, thank you! Oh... Oh my God, you're RICH!

Mike: No, my parents are rich.

Phoebe: Yeah, so... They gotta die someday. (Mike's parents walk in,) HELLO!

Mike: Mom, dad, this is Phoebe. Phoebe, these are my parents: Theodore and Bitsy.

Phoebe: (in a very posh accent.) Theodore... Bitsy... What a delight!

Bitsy: It's so nice to finally meet you!

Phoebe: And you... Your home is lovely.

Bitsy: Well thank you, I'll give you a tour later. It's actually three floors.

Phoebe: Holy crap!

Bitsy: Phoebe, why don't you come in the living room and meet our friends?

Phoebe: Oh, try and stop me!

Mike: Hey... Wh... What are you doing?

Phoebe: (no accent.) I'm trying to get your parents to like me.

Mike: Yeah, I'm sure they will, but you don't have to do this... I'm wanting them to get to know Phoebe, not (accent.) Phoebe...

Phoebe: (accent.) Got it! It... It's hard to stop...

Mike: Well, come on...

Theodore: Phoebe, these are our friends, Tom and Sue Angle.

Bitsy: Phoebe, come sit. Tell us a little bit about yourself... So where are you from?

Phoebe: (no accent.) Uhm... Okay, well, all right, uhm... Originally I'm from upstate, but uhm... then my mom killed herself and my stepdad went to prison, so... I just moved to the city where uhm... I actually lived in a burned out Buick LeSabre for a while... (trowns are received.) which was okay, that was okay, until uhm... I got hepatitis, you know, 'cause this pimp spit in my mouth and... but I... I got over it and uhm... anyway, now I'm uhm... a freelance massage therapist, uhm... which, you know, isn't always steady money but at least I don't pay taxes, huh... (everyone in the room finds it a bit surreal, which Phoebe realizes and starts to talk in the accent again.) So... where does everyone summer?

Commercial Break

SCENE:

Mike's parents house again.

Phoebe: God! God! This is not going well.

Mike: No, no, no, you're doing fine, really... Why don't you go talk to my dad?

Phoebe: Okay, okay, okay, okay... Still sure about me being myself?

Mike: Absolutely! Or maybe just a little less pimp spit.

Phoebe: So Theodore... I uhm... I can see where Mike gets his good looks from...

Theodore: Oh... Well...

Phoebe: Yeah... And that physique! You must work out all the time...

Theodore: Oh no, not all the time... I do the best I can...

Phoebe: Yeah I bet! Look out! (Phoebe punches Theodore right in the stomach.)

Theodore: OH! OWWWWW! (Theodore grabs his stomach in agony.)

Phoebe: Oh my God, are you okay?

Theodore: I recently had surgery.

Phoebe: I'm so sorry!

Theodore: No, I'll be fine... I just should check the stitches...

Phoebe: I really, really am sorry.

Theodore: How could you know. Why wouldn't you punch me in the stomach? (Theodore walks out... Mike walks

towards Phoebe.)

Mike: Uhm... Did you just hit my dad?

Phoebe: Yes... I'm sorry, I've never met a boyfriends parents before...

Mike: But, I mean, you have met... humans before, right? Look, why don't you go talk to my mom?

Phoebe: Yeah okay... yeah, your mom... okay... She looks nice, I can talk to her.

Mike: Yeah, you do that, and I go check my dad for signs of internal bleeding. (Mike walks away and Bitsy walks in the same direction.)

Phoebe: Yeah... Oh Bitsy, hi. Uhm... listen I just wanted to thank you again for having me here tonight.

Bitsy: Well, not at all...

Phoebe: Also uhm... I just want you to know what a wonderful man your son is.

Bitsy: Thank you, I think so too.

Phoebe: Well, and you know, it really is a testament to how he was raised. Especially to you. Because he's very respectful of women.

Bitsy: Is he really?

Phoebe: Are you kidding. He is so considerate of my feelings and... you know I think... you'd also like to know that he is a very gentle lover.

Bitsy: E-e-excuse me?

Phoebe: (Mike now enters and stands behind Phoebe.) Oh no, no, no, no, no, no. Don't get me wrong. No, he's not in like a sissy way. No, no, no... when he gets going, he can rattle a headboard like a sailor on leave...

Bitsy: That's... my boy. (Bitsy walks away.)

Mike: Awesome!

SCENE:

Monica and Chandler's apartment. Only Chandler is there with the videotape in his hands, standing in front of the TV set.

Chandler: I'm not gonna watch it... I don't NEED to watch it... I mean, what good could possibly come from watching? (sighs.) Well, we know I'm gonna watch it. (Chandler moves to put the tape in the VCR and Joey enters the apartment.)

Joey: Hey dude, what's up?

Chandler: Don't judge me, I'm only human!

Joey: Did you take that tape?

Chandler: I had to! Okay, imagine you were married... and you found a tape of your wife in another guys' apartment... Wouldn't you need to know what was on it?

Joey: I don't know. Who'm I'm married to?

Chandler: Some girl...!?

Joey: She hot?

Chandler: Yeah...!?

Joey: How did she get me to settle down?

Chandler: All right, I'm gonna watch it... I mean look, it's probably not even what I think it is... And even if it is... It can't possibly be as bad as what I'm picturing in my head... (laughs nervously.) Can it?

Joey: Guess I don't know. My experience: if a girl says yes to being taped... She doesn't say no to much else, I tell ya...

Chandler: Then you're gonna have to watch it for me.

Joey: (backs off.) What? Whoo... What?

Chandler: Just for a few seconds, so I can know what it is... Please?

Joey: All right, fine... But if I enjoy this, you have only yourself to blame... (Chandler turns his back to the TV. Joey puts the tape in the VCR, switches it on and watches what's on the tape... It's clearly an American football match, with the referee's whistle blowing, the crowds cheering...)

Chandler: Why am I hearing cheering?

Joey: Well it's okay, it's like... it's just a football game.

Chandler: Football? Just football?

Joey: Yeah, see... you were all worried for nothing.

Chandler: It's football... It's just football... This is great! This is the first time I've ever enjoyed football...

It may be customary to get a beer... (Chandler walks to the fridge, his back turned to the TV and a moaning sound replaces the cheering of the crowd... Joey's eyes double in size...) What the... (Chandler turns around, but Joey already took a sprint for Chandler, jumps, and floors Chandler in the open space in front of the apartment door...) What are you doing?

Joey: You don't wanna see what I just saw! (at this moment Monica comes home, and sees Chandler flat on his back on the floor and Joey pinning him down.)

Monica: What are you guys doing? (Monica hears the moaning coming from the TV and looks at it.) Oh my God, is that Richard? (It only takes a split second for Joey to realize, he pulls Monica down by her jacket, and she falls, face down next to Chandler. Chandler gets up a bit, and Joey quickly covers Chandler's eyes with his hand.)

SCENE:

Ross and Rachel's apartment. Emma is sitting in her chair on the apothecary table and Rachel is trying to make her laugh.

Rachel: Okay... aahhh... Please laugh for mommy... Please? Please laugh for mommy... (Rachel makes a funny face, sticking her tongue out, making a farting noise and using her hands as antlers, wiggling her fingers... No response from Emma...)

Oh, is it... only offensive novelty rap? Or maybe just, you know, rap in general? 'Cause mommy can rap... (Rachel tries to rap and makes weird movements with her arms in the process.) My name is mommy and I'm here to say / that all the babies are... Oh, I can't rap... All right sweetheart... This is only because I love you so much, and I know that you're not gonna tell anybody... (Rachel's face like, "Oh what am I doing? The things I have to go through..." and she starts to rap.) I like... big butts and I cannot lie... / You other

brothers can't deny... / when a girl walks in with an itty bitty waist and a round thing in your face... *(Emma starts to laugh.)* Yes! Yes! Yes! Yes! Oohhhhh! Oh! *(Rachel now really gets into it, and her insecure movements start getting better.)* I like big butts and I cannot lie... / You other brothers can't deny... Oh Emma you're laughing! Oh you are, you really do like big butts, don't you. Oh you beautiful little weirdo... *(Rachel picks up Emma and Ross now enters.)*

Ross: Hey!

Rachel: Oh you missed it. She was laughing. Oh it was amazing. It was amazing. It was the most beautiful, beautiful sound that...

Ross: Oh I know, isn't it? Ooh... what'd you do to get her to laugh?

Rachel: Oh! You know, I just... couple of things I tried... I just sang a little doo... Itsy Bitsy Spider... **Ross:** You sang Baby Got Back didn't you?

Rachel: Nothing else worked. That girl is all about the ass...

SCENE:

Mike's parents house, the dining room. Mike, Phoebe, Mike's parents and the Angles are there.

Phoebe: ...and then it goes back to the chorus... Smelly cat, Smelly cat - I-I-I not your fau-It. And that's the end of the song... I realise that you didn't ask to hear it, but uhm... no-one had spoken in seventeen minutes.

Mike: Phoebe writes lots of great songs. Wha... What was that one you sang the other night that everybody just loved?

Phoebe: Oh, Pervert Parade?

Mike: *(sighs)* No...

Phoebe: Oh, Ode To A Pubic Hair?

Mike: Stop! *(The butler serves dinner.)*

Phoebe: Oh God! Is that veal?

Mike: Mom, I thought I told you... Phoebe's a vegetarian.

Bitsy: Oh!

Phoebe: Oh no, no, no, no... That's okay, that's okay... I mean, I'm... I am a vegetarian... except for veal... Yeah no, veal I love...

Mike: Phoebe you don't have to eat...

Phoebe: No, no, no, I actually it's any baby animals: kittens, fish babies... You know... especially veal... and this, this nice vein of fat running through it... *(she cuts the meat, picks it up with her fork and holds it in front of her mouth, which she keeps closed, trying to overcome her vegetarian thoughts... and... puts it in her mouth... Clearly not enjoying the meat...)* Hmmm... yummy *(everybody seems okay with it, except Mike. He's making a hmmm... face... Then Phoebe swallows it.)* Hmmm... *(at first she likes it, but then, in an instant puts her hand in front of her mouth and runs from the table. You hear a door slamming.)*

Mike: So...? What do you think? *(looks at his parents, who look disgusted.)*

SCENE:

Monica and Chandler's. Monica switches off the VCR. Joey and Chandler are behind the couch.

Monica: So you stole that tape from Richard's apartment?

Chandler: Whooho ho... Listen to the judgment from the porn star!

Monica: That tape was never meant to be seen by... *(pauses.)* Joey I would feel more comfortable if I was having this conversation in private.

Joey: *(laughs.)* Monica, look... I don't think you and I have any secrets anymore... *(Monica keeps looking at Joey.)* Not ready to joke about it yet, okay, I see you later. *(Joey walks out.)*

Monica: Why in the world would you take this tape and why would you watch it?

Chandler: Because that's who I am, okay? I'm sure a mature man like Richard could see a tape like that and it wouldn't bother him. Just'd be another saucy anecdote for him to share at his men's club over brandy and moustaches.

Monica: Is all this about you not being able to grow a moustache?

Chandler: This is about you and Richard. He's clearly not over you. He keeps a tape so he can... look at it whenever he wants.

Monica: Isn't that sad? I mean, can you see how pathetic that is? You shouldn't be jealous. You should feel bad for him.

Chandler: Oh, yeah, well, poor Richard. Y'... I can grow a moustache!

Monica: Chandler, this is not our problem. We've got each other. That's all that matters.

Chandler: Yeah, oh, but I just keep picturing you rolling around with him with your cowboy boots in the air...

Monica: Cowboy boots? I've never worn cowboy boots in my whole life! *(she turns on the video again.)*

Chandler: Oh, good, good. Play more, 'cause I wanna see how it ends.

Monica: THAT'S NOT ME!

Chandler: What...? That's not you! Life is good again! Ride 'em cowgirl!

Monica: That bastard taped over me! *(Chandler's expression changes.)*

Chandler: Is that a problem?

Monica: I-I-it's just so insulting! Big spring for a new blank tape, Doctor!

SCENE:

Mike's parents house. Dining room again. Both Mike and Phoebe are not at the table, but the others still are.

Theodore: I can't imagine what he sees in her.

Bitsy: She actually makes me miss that pill-popping ex-wife of his. *(Mike walks in.)* Oh, hello dear...

Mike: Hey, what's going on?

Bitsy: We were just chit-chatting. How's your friend?

Mike: A little better.

Bitsy: By the way, do you know who's moving back into town? Tom and Sue's daughter Jen.

Theodore: You remember her Michael, she's lovely and... well-behaved and... single.

Mike: I'm not interested.

Bitsy: Oh, please darling, let's be honest. You can have all the... sailor fun you want with that one, but... let's be real...

Mike: All right, stop! You know, all Phoebe has done tonight is trying to get you to like her. And maybe that hasn't been clear all the time, but she did her best. And yeah... She's a little different than you are...

Bitsy: Michael, a pimp spit in her mouth! *(Phoebe almost enters the room, but she hears the discussion and waits and eavesdrops next to the door-opening.)*

Mike: So what? I mean if even I can get past that, it shouldn't bother you. And you don't have to like her. You just have to accept the fact that I do. I mean, if you even can't be civil to the woman I love...

Bitsy: The woman you what? *(Phoebe overheard what Michael said and now enters the room.)*

Phoebe: Yeah... The woman you what?

Mike: The woman I love... *(he walks to Phoebe.)* I love you... Which is probably something I shouldn't say for the first time in front of my parents... and Tom and Sue... Who are by the way the most sinfully boring I've ever met in my life...

Phoebe: I love you too...

Mike: You do?

Phoebe: YEAH...! How great is this...? *(they kiss.)*

Mike: Wanna get out of here?

Phoebe: Okay.

Mike: Mom, dad, thanks for dinner.

Phoebe: I had a great time. *(accent.)* It was really top drawer. And here's something rich: thirteen bathrooms in this place... I threw up in the coat closet... Ta taaa...

Commercial Break

SCENE:

Ross and Rachel's. Emma is in her bed and Ross and Rachel are rapping and dancing for her.

Ross: She sweat, wet, got it going like a turbo 'vette.

Rachel: So fellas

Ross: Yeah!

Rachel: fellas

Ross: Yeah!

Rachel: Has your girlfriend got the butt?

Ross: Hell yeah!

Rachel: So shake it! *(Rachel slaps Ross's butt on the beat.)*

Ross: Shake it!

Rachel: Shake it! *(Phoebe, Mike, Chandler, Monica and Joey step in.)*

Ross: Shake it!

Rachel: Shake that nasty butt...

Ross: Baby got back *(Then Ross turns around and sees their friends standing in the doorway.)*

Rachel: One more time from the top... I like big butts and I cannot lie, you other br... *(She also turns and sees the gang.)*

Ross: Rachel please! That is so inappropriate!

908 The One With Rachel's Other Sister

Monica and Chandler's apartment

Monica: Hey hon, could you help me get the plates down?

Chandler: Yeah. Hey, here's an idea, why don't we use our wedding china today?

Monica: No, I think we should save our china for something really special. Like if the Queen of England comes over.

Chandler: Honey, she keeps canceling on us. Take the hint.

Monica: What if something gets broken? They're so expensive!

Chandler: What is the point of having them if we never use them?

Monica: Ok, but if something gets broken, and then the Queen comes over...

Chandler: I will explain it to her.

Monica: *(laughing)* Oh yeah, like I'm going to let you talk to the Queen.

Joey: Wow, the parade is really good this year. Man those horses can crap!

TV announcer: Next up is a marching band from Muskogee, Oklahoma.

Chandler: Muskogee! That's like four hours from Tulsa. Woo-hoo!

TV announcer: And here's the float with the stars of the popular daytime soap Days of Our Lives.

Joey: Oh my God!

Chandler: Aren't you one of the stars of the popular daytime soap Days of Our Lives?

Joey: Yeah! I totally forgot I'm supposed to be there. I can't believe I forgot. I usually write stuff like this on my arm.

(Chandler grabs Joey's arm and pushes the sleeve up)

Joey: Oh! Stupid long sleeves.

Chandler: What are you going to do?

Joey: I guess I'm going to have to come up with a really good reason why I wasn't there. The producers are going to be so mad at me. They sat us all down yesterday and

said "Everyone has to be there at 6:00 AM sharp, that means you Tribbiani." Like... like I was some kind of idiot.

Chandler: Well you proved them wrong.

Joey nods: Yeah.

Opening Credits

Ross and Rachel's Apartment

(Ross and Rachel are putting baby stuff together like they're going to be going somewhere.)

Rachel to Emma: Oh Emma. This is going to be your first Thanksgiving. What are you thankful for? Mommy's bobbies.

Ross: A lot of people are thankful for those.

(knock on door)

Woman at door: Hello? Rachel?

Rachel: Who is it?

Woman at door: It's your favorite sister.

Ross and Rachel while looking at each other surprised and shocked: Jill?

Woman at door in a sing song voice: Amy.

Rachel: Hide my rings.

(Ross goes into Rachel's room)

Rachel: Oh. *(opens door preparing herself and then happily says)* Amy! Happy Thanksgiving.

Amy: Do you have a hair straightener?

Rachel: Um... hi.

Amy: Oh... hi... *(goes to Rachel with open arms)*

Rachel: Aw.

(Amy grabs her arms)

Amy: Hair straightener?

Rachel: I haven't seen you in like... a year.

Amy: Oh, I know, I know. I've just been crazed.

Rachel: Oh well yeah me too. Um... I had a baby.

Amy: I decorated Dad's office.

Rachel: Oh... yeah? Well unless you pushed a desk out of your vagina, *(shakes head no)* not the same thing.

Amy: Listen, um about the hair straightener, honey... I really need one. I'm going to have dinner at my boyfriend's house.

(Amy bending over fiddling with her purse when Emma cries and she hears Emma)

Amy: Oh my God!

Rachel: mh hmm...

Amy: Is this Emmett? *(pointing to EMMA)*

Rachel: Uh... its Emma.

Amy: Its a girl?

(Ross comes out of the bedrooms)

Ross: Hey Amy.

Rachel: Oh Amy, you remember Ross.

Amy: Not really. But you are much cuter then that geeky guy she used to date.

Ross: That was me.

Amy: No, he was this creepy guy from high school who had this huge crush on her since like the ninth grade.

Ross with a look of wondering how long this is going to go on on his face: Still me.

Amy: No, I'm not talking about you. *(to Rachel)* It was your fat friends brother with that bad afro, do you remember?

Ross starts talking over her 'do you remember' line: Amy. I'm going to save you some time, ok. *(spins finger around in circle)* All me.

Monica and Chandler's Apartment.

(Joey is walking around looking worried.)

Monica: Careful. *(hands Chandler a china plate)*

Careful. CAREFUL!

(Chandler is startled and nearly drops the plates.)

Sorry.

Chandler: I'll tell you what, for the rest of our lives, I'll be careful until told otherwise. *(looks at china)* hey wait a minute this isn't the china we picked out...

Monica: I know, after you left the store, I chose different ones.

Chandler: Why?

Monica: well no offense honey, but your taste is a little feminine for me.

Chandler: Oh suddenly, flowers are feminine?

(Phoebe comes in)

Phoebe: Hey, everybody. Happy Thanksgiving!

Joey: Hey happy Thanksgiving... Pheeb! *(motions her to come over)*

Phoebe: Hey, what's going on Joe?

Joey: I... I... I need a good lie.

Phoebe: Oh okay. How about the whole "man walking on the moon" thing. You know? You. you could. You could see the strings people!

Joey: No, no, no I need a good lie to explain why I wasn't at a work thing today.

Phoebe: Ooh, honey. You stink at lying.

Joey: I do not.

Phoebe: Oh really. Okay. Let me ask you something. Yesterday at the coffee house, I went to the bathroom and when I came back, my muffin was gone-who took it?

Joey: Somebody opened the door to the coffee house and a raccoon came running in, went straight for your muffin and I said "Hey don't eat that-that's Phoebe's" and he said... *(pause)* He said... "Joey you stink at lying." What am I going to do?

Phoebe: Don't worry, don't worry. We'll come up with a good lie. I'll help you practice it.

Joey: Oh great, that'd be great. Thank you.

Phoebe: Sure, what... what was the work thing?

Joey: Uh... *(forgetting what the work thing was, rolls up his sleeve on his right arm and shows Phoebe, she looks)*

Phoebe: "Pick up grandma at the airport"?

Joey: Oh... man...

Ross and Rachel's Apartment.

Amy with straight hair: Oh she's precious. Do you ever worry she's going to get your real nose?
Rachel: Amy! (pause) Yes I do... I really do. (grabs Ross' hand for support) (Amy's cell phone rings)
Amy: Hello? Yeah, um. Hang on one sec. (to Ross and Rachel) Can I take this upstairs?
Ross: Sure, we don't live there but...
Amy: Seriously? Its... its just these rooms? (moves hands around motioning 'just these rooms') (To Ross) I thought you were a doctor.
Rachel: Yeah, no. Ross has a PhD.
Amy: Ew. (walks into Rachel's room, I'm guessing)
Rachel: God she is unbelievable.
Ross: I know, I mean a PhD is just as good as an MD.
Rachel: Oh sure Ross, yeah. If I have a heart attack in a restaurant, I want you there with your fossil brush.
Amy storms out: Stupid Thanksgiving.
Rachel: What? What happened?
Amy: My boyfriend canceled on me. I mean... I finally find a real relationship. I mean, someone that I can spend this day with and then his wife comes back into town. I swear, its almost not worth dating married guys.
Ross: Don't say that.
Amy: Oh. I was so looking forward to this. It was going to be such a beautiful Thanksgiving. We were going to have sushi.
Rachel: Oh Amy, don't cry Amy. Um... Ross, could I talk to you in private?
Ross: Sure, you want to go upstairs? (Ross and Rachel go in the kitchen)
Rachel: Um look I was thinking... If its ok with Monica I would like to invite Amy to Thanksgiving.
Ross: You know, I think that's a great idea. It'll be like the pilgrims bringing the Indians syphilis.
Rachel: Look I know she's a little tough to take. She has no where else to go, and she's my sister. Alright, she's Emma's aunt. And I would like them to bond.
Ross: Ok, fine, but I don't want them bonding to much. I don't want her telling Emma she needs a nose job.
Rachel: Ross, you know what? She may need one... We're just going to have to make our peace with that!
(Rachel grabs Ross' hand for support and starts to cry a little)
Monica and Chandler's apartment
Rachel opens their door: Hi.
Everyone there says: Hi, hey.
Rachel: Hey you guys, this is my sister Amy. This is Chandler, Joey, Phoebe and you know Mon.
Everyone: Hi.
Amy: Oh my god. You're on Days of Our Lives.
Joey laughs: Yeah.
Amy: wow. They must put a lot of makeup on you.
Joey looks rejected: Hap... Hap... Happy Thanksgiving.
(Joey turns away and Chandler reassuringly pats him on the back)
Ross to Monica: Hi.
Monica to Ross: Hi.
(they hug and kiss on cheek)
Monica to Emma: Hey you.
Monica to Amy: So. Welcome. Is this your first time you're seeing Emma?
Amy with confused look on face: Yeah I... I think so. (sticks her hand out to shake hands with Phoebe and says to her) It's nice to meet you Emma.
Phoebe shakes her hand and says: Phoe-Be.
Amy: Oh. That's a funny noise.
(Monica and Amy turn away and walk into the living room towards the secret closet)
Joey: Pheebs, I still need some help here
Phoebe: Oh right, ok um. Ok so its not just the lie you tell. but its the way you tell it. For example if you look down at the ground when you're talking, people know you're lying.
Joey: Oh... I don't know why this is so hard for me. you know... I mean lying is basically just acting and I am a terrific actor.
Phoebe looks down: You are a terrific actor.
(Joey realizes what she's doing)
Amy coming out of the bathroom: Hey. Hey where's the baby?
Rachel: Oh we just put her down for a nap.
Amy: Oh I was just thinking. You know what would be incredible? If you guys died.
Ross first has a look of 'huh' then changes it to sarcastic happy: Thank you Amy.
Amy: no, no, then I would get the baby. I mean you know it would be just like a movie. Like at first I wouldn't know what to do with her, then I would rise to the occasion and then I would get a makeover and then I'd get married.
Phoebe: That's a great movie. (she claps)
(Joey nods in agreement)
Amy: Now listen, not that you guys could stop me or anything cause you know you'd be dead. I was thinking about changing her name. I'm just not really a big fan of Emily.
 [Transcriber note: I'm surprised that Rachel and Ross didn't say they weren't either here]
Ross: Emma.
Amy turns around to Phoebe: Emma, Ross wants you.

Phoebe: PHOE-BE.
Amy turns to Ross and Rachel: Why does she keep making that noise?
Rachel: Honey, I don't know how to tell you this, but um, if something were to happen to Ross or to myself (Ross and Rachel knock on wood) um you wouldn't get the baby.
Amy: Well who would?
Ross: Well we haven't officially asked them yet, but we would want Monica and Chandler.
Chandler: I can't believe you'd want us to raise Emma.
Monica: yeah oh my god, I'm so moved.
Amy: I don't believe this, hold on a second. You guys die and I don't get your baby?
Rachel: See look Amy, we're a lot closer to Monica and Chandler. We see them every day. And truthfully honey, you don't seem very connected to the baby.
Amy: Connected? I mean... to what? She's... she's a lump.
Chandler: You know, guys I got to say. This means so much to me. That you would trust me with your child. I mean, we all know that Monica and I have been trying to have a baby of our own. You know I've had my doubts about my skills as a father, but that you two... that you two..... (starts to cry)
Amy: (points to Chandler) This guy? Seriously?
Later in the day.
Monica: Okay! It's time for dinner. Everyone we're using our fancy china... um and its very expensive so please be careful.
Ross starts playing with a plate: Woah. Woah... (nearly really drops the plate and more seriously) Woah.
Monica: Okay, just to be clear comedy with the plates will not be well recieved. (pinches Ross' arm)
 Ross makes some sort of sound to let us know it hurt.
Joey: Hey! How come my plate's less fancy then everyone else's? Do you not trust me with a fancy plate?
Monica: No, honey, its. that's a special plate. See its a game, whoever gets that plate wins.
Joey: I can't believe I won.
Amy: Its such a slip in the face. I'm your sister and you would give your baby to these strangers over me.
Rachel: Monica is Ross' sister.
Amy: No, Ross' sister was really fat.
Monica: That was me.
Amy: No, she was this really dorky girl in high school that used to follow Rachel around like a puppy dog.
Rachel: Hey. Amy. You've got to stop doing that.
(Amy gets pissed and starts cutting food on the fancy plate very harshly, you can hear the silveware scraping the fancy plate)
Monica about to have a heart attack: Okay, listen I know you're having a little bit of a family crisis, but you don't have to take it out on the plates. I mean, I mean in fact I think that everyone should cut their food like this. (Monica holds a turkey leg up in the air over the plate trying to cut meat off with a knife)
Monica: Now see, this way you protect the plate... and lets face it you have fun.
Amy: Okay, how about this, you guys die and the crazy plate lady dies, then do I get the baby?
Chandler: No, if crazy plate lad... (sees Monica frustrated at this comment) If Monica dies then I would get Emma, Right?
(Ross and Rachel pause and ponder this)
Rachel: Well actually...
Chandler: Actually what?
Ross: well... its just. its just in that case, then um. Emma would go to my parents.
Chandler: What?
Amy: Hurts, doesn't it?
(Chandler gives a look that says "Yeah!")
Joey raises his hand: Uh... who has to die for me to get her?
(Everyone is looking around and at Joey with looks of "what?" on their faces)
Commercial Break.
Chandler: So if Monica's not around, then I'm not good enough to raise Emma?
Ross looks down: No, that that is not what we're saying.
Joey: Yeah he's lying. He looked down.
(Joey looks to Phoebe and she nods in agreement)
Chandler: Well what is wrong with me? Am I ... am I incompetent? Because I managed to survive whatever it is that killed the three of you!
Rachel: Honey, you're taking this the wrong way. We think you're going to be a wonderful parent. It's just... you're more the fun parent.
Ross: Yeah and we'd want to make sure Emma has someone like Monica who is more uh. uh disciplinarian... someone who can be firm and strict.
Monica: That's not how you see me, is it?
Phoebe while cutting a sweet potatoe in the air: No you're all about the fun.
Chandler: Look, I may not know a lot about babies, but do you really think I'm not capable?
Ross: No, you both are equally capable. Its just... you're strongest when... when you're together.
Chandler: Ok. So if we both had Emma and I die (knocks on table) she'd have to give her up.
Ross: Sure, Monica would have to give her up.
Joey: I lie better than that, right?
Chandler: So... let me get this straight. So my two friends die, I get Emma. Then my wife dies, then Emma the one tiny ray of hope left in my life gets taken away from me?
Phoebe: There's your movie! (claps)
Later on.
 Monica opens her front door. Chandler is sitting in the hallway.
Monica: Hey. There you are. You disappeared after dinner.
Chandler: Oh? Did somebody miss me? Is there a child to raise poorly?
Monica: Ross and Rachel don't know what they're talking

about. I mean its not like their so responsible. Emma is a product of a bottle of Merlot and a five year old condom.
Chandler: Yeah but they're right. I mean, I'm not a strong father figure and I never will be.
Monica: No you learn these things. You grow into it.
Chandler: Yeah, but its not who I am. Everything they said was exactly why I was worried about having a kid. And its true. And look everybody knows it.
Monica: I don't know it! I want to have a kid with you because I think you're going to be an amazing dad... at the fun parts and the hard parts.
Chandler: Oh yeah, well can you picture me saying "Go to your room! You're grounded!"
Monica: Can you hear me say "You're grounded?"
Chandler: You said that to me last week.
Monica: How hard is it? No shoes on the furniture.
Back to Monica and Chandler's apartment.
 Amy is sitting on a chair by the bay window looking mad.
Joey groans and gets off the phone: The producer from Days left a message on my machine asking why I wasn't at the parade. They said everybody's pissed off at me... (whiny voice) And they all got to meet Santa!
Phoebe: It's ok. I thought of the perfect lie for you. It's easy to remember and doesn't invite a lot of questions. You weren't at the parade because you had a family emergency.
Joey: Oh, I like that, yeah. Wasn't at the parade because I had a family emergency.
Phoebe: Ooh, what happened?
Joey all nervous and looking down and fiddling with his ear: Oh... My sister's raccoon.
Phoebe: Nol Nothing with a raccoon.
Joey: Arg... Alright, I'll take care of it. (throws hands out in the air)
 Monica and Chandler come through the front door.
Monica: Oh wait... What are you doing?
Joey: Setting the table.
Phoebe: Yeah we thought it would be nice to use the fancy china for dessert too.
Monica: Oh how nice. Maybe later we can all go blow our noses on my wedding dress.
 Ross comes out of the guest bedroom with the diaper bag and the car seat carrying thingy... yeah... thats the techinal term... He goes to Chandler.
Ross: Hey dude, you okay? Sorry about before.
Chandler: Oh no thats okay, you're totally right. I don't know anything about disciplining a child. But it did hurt my feelings and I want you to know that when I die, you don't get Joey.
 Ross walks away with a face of yeah ok.
Amy walks over to the couch and sits down next to Rachel: Uchh. (pauses) Uchh (louder this time) In case you hadn't noticed, I'm not talking to you.
Rachel: UCHH! (much louder and longer then Amy's)
Amy: You know... this... this is classic Rachel.
Rachel: Yeah... yeah right... Remember in high school when I died and didn't give you my baby?
Amy: This might be my one chance to have a baby Rachel. I mean, you know that I have been so busy focusing on my career.
Rachel: What? What carrer?
Amy: Um... I'm a decorator.
Rachel: Ok. You decorate dad's office and so now you're a decorator. Okay! I went to the zoo yesterday and now I'm a koala bear.
Amy: Why can't you ever be supportive?
Rachel: Sup... You want to talk supportive? You didn't even come and visit me when I was in the hospital having the baby.
Amy: Oh. Yeah. Well... You didn't come see me when I was in the hospital when I was getting my lips done.
Rachel: I did the first time! Oh. Oh... (gets up and walks into the kitchen) And you know what. You want to know why I'm not giving Emily to you.
Ross: Emma.
Rachel turns to Ross: Oh whose side are you on? (back to Amy) I'm not giving you Emma because there is no way you could handle the responsibility of a child.
Amy: How hard could it be? You do it.
Joey: ooh ooh...
Amy: Do you want to know why you don't want me to have the baby?
Rachel: uh huh.
Amy: Because you don't want me to be happy. You... you have always been jealous of me.
Rachel: Jealous of what? Of your lack of responsibility? You, your immaturity? Your total disregard of other people's feelings?
Amy: Uh... To name a few. You know... You know... You've just always been like this. You just have to have everything. And I couldn't have anything. Like in junior high, when you stole Timmy from me. I mean, do you even realize how much that hurt me?
Rachel: Timmy was my boyfriend and you made out with him!
Amy: Oh come on, that was 20 years ago. Get over it.
Rachel: I cannot, I cannot believe that I invited you here today.
Amy: Yeah, well you know what I cannot believe. That my so-called sister, gets a 30% discount from Ralph Lauren and I still have to pay retail.
Rachel: ah ha ha. ah ha ha. (evil meancing laughter)
 It's forty five.
Amy: You bitch. You just think you're so perfect. With your new baby and your, your small apartment. (directs this to Ross who in turns throws the towel in his hand down on the table) Well let me tell you something. Your baby isn't even that cute.

(everyone sucks their breath in, in shock)

Ross walks over: Too far, Amy. Too far.

Rachel: You take that back.

Amy: No.

Rachel: Take it back!

Amy: No! What are you going to do? Make me?

Rachel: Heey man, I work out.

(*Ross nods his head and points at her, in a yes manner*)

Amy: So do I.

Rachel: I do pilates.

Amy: I do yoga.

Rachel: Bring it on!

(*Amy pushes Rachel and Monica goes berserk and runs around the table*)

Monica: Put the plates in the boxes!! Put the plates in the boxes!

Rachel: Did you just push me?

Amy: Uh, yeah I think I did.

Rachel: Alright. That's it! (*Pushes Amy back*)

Monica screaming at Ross: Forget the bubblewrap! There isn't time!

(*Rachel and Amy 'fighting'... They're really just trying to slap each other and just keep slapping their hands*)

Rachel starts messing up Amy's hair: Frizzy frizzy frizzy frizzy!

(*They go back to fighting and then it really gets on*)

Phoebe: Oh my god! Shouldn't we stop this?

Joey: What? Are you out of your mind? Lets throw some jello on them.

(*Amy starts spitting on Rachel's hand and Rachel is saying ew and pushes her away*)

Rachel: Ew! Gross.

(*Amy runs towards Rachel and Rachel puts her arm out, hand on Amy's head and Amy starts trying to hit her but is missing. Rachel is moving backwards towards the table when her hand swipes the one plate left on the table on to the floor*)

(*Everyone is shocked and Monica faints and Ross catches her*)

Chandler: Alright! That is it. This is our apartment and you can not behave this way. Now if you can't act your age then you shouldn't be here at all. Now those plates may not be as nice as the pretty pink ones I picked out, but they're very important to Monica. I want you to apologize to her right now.

Amy: I'm sorry.

Rachel: Mon, I'm so sorry.

Chandler: Okay. That's better. Now I want you to both apologize to each other and mean it.

Amy and Rachel at same time: Sorry.

Chandler: By the way, that fight was totally arousing.

Ross: Dude. Well done. You know what? If I die, and Rachel dies and Monica dies then you can totally take care of Emma.

Chandler: Oh yeah? Well thanks.

Ross: So, so now do I get Joey?

Chandler: Okay, but you should know he eats five times a day and shoves pennies in his nose.

(*Ross ponders that and walks away*)

Rachel: Are you okay Mon?

Monica: uh huh... I mean these things happen. Its' just a plate. Its not like somebody died.

Phoebe: It's all right. You can mourn.

Monica starts crying: Thank you. It was so beautiful. (*gets up and walks towards the front door*) I'm going to go to Joeys and get the pies.

Joey: Actually its not pies, its just pie.

Monica: I don't care. (*pauses and realizes...*) Oh my god. I've lost the will to scold.

Rachel: Look Amy, it got a little of control...Um... and I'm sorry. You're my sister and uh... if it really means that much to you...

Amy: So you're going to give me the baby?

Rachel: Uh. No... I was going to let you use my Ralph Lauren discount.

Amy: (*starting to cry*) You are not going to regret this.

(*they hug and Rachel has this disgusted look on her face and then Emma starts crying*)

Rachel: She needs changing.

Chandler: Oh no no no... I'll get her. I'm super-compentent and totally responsible and fourth in line to raise Emma. I'll be right there Emma. Just let me get my trusty diaper bag here. (*knocks over the box of china*) Well... what do you know? I guess, I'll be the one who dies first.

COMMERCIAL BREAK

[Scene: Chandler is packing the broken china in its box. He's taping up the top of box so thoroughly, there isn't an inch of cardboard which isn't covered in tape. He is struggling with the tape dispenser.]

Phoebe: Hey, does Monica know about her broken plates yet?

Chandler: Nope...

Phoebe: Broke them all, huh?

Chandler: Yep...

Phoebe: You gonna tell her?

Chandler: Nope... (*Monica walks in*) Hey... so I'm gonna... put the plates back. You know, I think you were right, I don't think we should use these plates again for a looong time.

Monica: Like only if the queen comes?

Chandler: Maybe not even then. (*Joey walks in*)

Joey: Hey! I did it. I called my producer. I told him I had a family emergency, he totally bought it.

Thanks for teaching me how to lie Pheebs.

Phoebe: No problem! Next week: stealing... (*Chandler walks away to store the box of broken china.*)

Monica: Bye plates!

Joey: Oh, you told her you broke all the plates, huh? (*Chandler walks back, looking angrily at Joey*)

Monica: What? Something happened with the plates?

Joey: Uhm... (*looks down*) Yeah... this uhm... raccoon came in...

End

909 The One With Rachel's Phone Number

SCENE:

Chandler's office in Tulsa. His assistant is showing him photographs.

Jo Lynn: This kitty is Mittens and this one is Fitzhugh, and this little guy in the cat condo is Jinkies.

Chandler: Yep. That's a lot of cats Jo Lynn. Single are ya? (*Phone rings. Chandler answers using the speaker phone.*)

Chandler: Chandler Bing.

Joey: Hey. How come you're answering your own phone? Where's your crazy assistant?

(*She frowns. Chandler picks up the hand set.*)

Chandler: What's up Joe?

Joey: Okay, what have we always wanted to do together?

Chandler: Braid each other's hair and ride horseback on the beach?

Joey: No, no, no. When you get home tomorrow night, you and I are going to be at the Wizards-Knicks game...

courtside!

Chandler: Courtside? Oh my God.

Joey: Yeah. Maybe Michael Jordan will dive for the ball and break my jaw with his knee.

Chandler: That's so cool. I'll let Monica know.

(*Chandler hangs up and calls Monica who is reading a book on their sofa as the phone rings.*)

Monica: Hello?

Chandler: Joey just called. He's got courtside Knicks tickets for him and me tomorrow night.

Monica: Really? But tomorrow night is the only night I get off from the restaurant. If you go to the game, we won't have a night together for another week.

Chandler: But hey, it's courtside. The cheerleaders are going to be right in fr... (*Pause*) That's not the way to convince you.

Monica: Chandler look, I don't want to be one of those wives who says, "You can't go to the game. You have to spend time with me." So, if you could just realize it on your own...

Chandler: I know. You're right. I want to see you too. I've just got to figure out a way to tell Joey, you know? He's really looking forward to this.

Monica: Tell him that you haven't seen your wife in a long time. Tell him that having a long-distance relationship is really difficult. Tell him that what little time we have is precious.

Chandler: Yeah, ah, ah... I'll think of something.

OPENING CREDITS

SCENE:

Ross and Rachel's apartment. Ross is in the living room covering Emma. Rachel enters wearing a sexy dress.

Ross: Wow! (*pause*) Wow, you look... uh... It's just, ah... That dress... uh...

Rachel: Well, I hope the ends of these sentences are good.

Ross: Well, well, they're good. It's been a while since I've seen you like this. You, you clean up good.

Rachel: Oh well, well thank you. (*She laughs. He stares for a moment.*) Okay, stop. Stop looking at me like that. The last time that happened, (*points to Ross*) that happened. (*points to Emma.*)

Ross: Oh right, right. (*They pause and exchange a glance. Then, Ross looks away.*) So, are you... ah... you excited about your, your first night away from Emma?

Rachel: Yeah, yeah. Phoebe and I are going to have so much fun. And thank you for watching the baby, by the way.

Ross: Oh, it's fine. Actually, I, I invited Mike over.

Rachel: Phoebe's Mike?

Ross: Yeah.

Rachel: I didn't know you guys hung out.

Ross: We don't. But I thought it would be nice to get to know him. You know, maybe have a little dinner, drinks, conversation.

Rachel: Oh that's so cute: Ross and Mike's first date. Is that going to be awkward? I mean, what are you guys going to talk about?

Ross: I don't know. But, you know, we, we have a lot in common, you know. He plays piano; I played keyboards in college. He's been divorced; I have some experience in that area.

(*Rachel nods. There is a knock on the door.*)

Rachel: Yeah.

(*Phoebe and Mike enter.*)

Phoebe: Hi

Rachel: Hey.

Phoebe: (*spotting Rachel's dress*) Oooh. Girl's night out indeed.

Rachel: (*to Ross*) Ok. So now, I think Emma is probably down for the night, but if you need anything Ross...

Ross: Rach, Rach, we'll be fine, all right? You go have fun.

Rachel: Okay. You too. And I hope you score. (*to Mike*) Bye.

Mike: Bye.

Ross: So... Welcome.

Mike: (*Holds up a six pack of Foster's Lager*) I got beer.

Ross: I got bottled breast milk.

Mike: Eh, why don't we start with the beer?

Ross: Okay. (*They sit.*) So, um, Phoebe tells me you, ah, you play piano.

Mike: Yeah.

Ross: You know, I, I used to, ah, play keyboards in college.

Mike: Ah? (*pause*) Do you have one here?

Ross: No.

Mike: Okay. (*pause*)

(*They clink beer bottles, and drink. Then, they stare uncomfortably at their bottles.*)

Ross: Um... ah... you know, I'm divorced. Um, Phoebe, ah... Phoebe said you... You've been divorced?

Mike: Yeah. (*pause*) Yeah, I'm sorry. I don't... I don't really like to talk about it.

Ross: (*pause*) That's okay. We'll talk about (*pause*) something else. (*They pause. They drink.*)

Mike: So, you're a paleontologist, right?

Ross: Yeah.

Mike: My cousin's a paleontologist.

Ross: Ah? (*Mike nods. Another pause.*) Well, he and I would probably have a lot to talk about.

SCENE:

Monica and Chandler's apartment. Monica is wearing a sexy negligee. She pours two glasses of wine as Chandler enters with a carry-on suitcase. He sets the case by the door.

Monica: Hi.

Chandler: Hey.

Monica: Welcome home.

Chandler: (*Hangs his jacket over the suitcase, locks the door, then turns to Monica.*) Oh well, look at you.

Monica: Yeah. What do you think?

Chandler: Well, it looks great. It's just that... well, I'm wearing the same thing underneath. So...

Monica: Oh.

Chandler: See what I mean... (*They kiss.*)

(*There is a loud thud at the door.*)

Joey: Hey! How come the door's locked?

Monica: Just a second.

Chandler: (*ushed*) No, no, no, no. Joey can't know that I'm here.

Monica: Why not?

Chandler: Because I didn't know how to tell him that I couldn't go to the Knicks game. So, I just told him that I had to stay in Tulsa.

Monica: So, you lied to him?

Chandler: Achhh. It's always better to lie than to have the complicated discussion. (*pause*) Except with you.

Joey: Hey! Open the door. What's going on? (*He knocks.*)

(*Monica goes to the door. Chandler slides behind it as she opens it slightly.*)

Joey: What are you... (*He sees her in her negligee.*) Why are you dressed like that?

Monica: Oh, because, um... well, Chandler's going to be home in a couple of days. So, I thought I would, you know, practice the art of seduction.

Joey: Oh, I thought I heard a man's voice before.

Monica: Oh I was just doing Chandler's side of the conversation. You know, like, "Hi, How do I look?" (*As Chandler*) "Really sexy. Could I BE any more turned on?"

Joey: Okay. (*pause. He looks over her shoulder at the table with the wine.*) Whoa, whoa. Why are there two glasses of wine out?

Monica: Because... one of them is for you.

(*Monica turns to get the wine. Chandler peeps through the peephole. Joey, seeing something, peeps back. Chandler ducks. Monica returns with two glasses of wine. She gives one to Joey.*)

Monica: Cheers. (*She clicks his glass and pulls back.*) Okay, buh-bye. (*She closes the door.*)

Chandler: You know, it's funny. I've been, ah, practicing the art of seduction myself. (*He raises his hands in front of himself, sticks out his behind, and wiggles it.*) Hi ya.

Monica: You might want to keep practicing.

Chandler: Yah.

(*Chandler's cell phone rings. He looks at it.*)

Chandler: It's Joey. (*He answers it, holding it out so that Monica can hear too.*) Hey Joe.

Joey: Dude, come home!

Chandler: What? Why?

Joey: COME... HOME.

Chandler: Look I, I can't. What's going on?

Joey: I don't know how to tell you this but, uh... I think Monica's cheatin' on ya. I told you shouldn't have married someone so much hotter than you. (*Chandler and Monica look at each other. Chandler nods.*)

Joey: All right look. (*He walks to the hallway.*) If you can't come home and deal with this, then I'm gonna.

Chandler: NO!

Joey: (*outside the apartment door*) I just heard him!

Chandler: (*softly*) Can you... hear him... now?

Joey: (*listens at the door.*) No. (*pause*) All right, I'm going in.

Chandler: No! Wait!

Joey: I heard him again!

Chandler: (*writes as if in agony*) All right, look. Just stay there. I'm coming home.

Joey: Okay. Great. I'll see you when you get here. I'm gonna wait out in the hall in case the dude comes out.

Chandler: Is that really necessary?

Joey: Absolutely. You'd do it for me. Not that you ever have to because I know how to keep my women satisfied.

SCENE:

Ross and Rachel's apartment. Mike is blowing a note from his beer bottle. Ross stares off to the

side.)

Ross: Shouldn't the pizza be here by now? I mean, they said thirty minutes or less. Well, how long has it been?

Mike: (looking at his watch) Eleven minutes. (long pause) And now twelve. So, do you like the beer?

Ross: I do. I do. Although, it's actually a lager.

Mike: huh. (pause) What's the difference between beer and lager?

Ross: I don't know. We could look it up.

Mike: (nods) Things are about to get wild.

SCENE:

A bar. Rachel and Phoebe are bringing their drinks from the bar to a sofa.

Phoebe: Oh God. Remember the girls' nights we used to have sitting around talking about you and Ross?

Rachel: Oh God. It seems like forever ago.

Phoebe: I know. (sighs) So, what's going on with you and Ross?

Rachel: Well, um... I don't know. I mean, for a long time nothing. But you know, actually right before you picked me up, Ross and I had a... ah... little thing.

Phoebe: Oh my God! I love things. What happened?

Rachel: Well, um, first he told me he liked how I looked. And, ah, then we had a little... um... eye-contact.

Phoebe: Eye-contact?

Rachel: Mm-hmm.

Phoebe: I hope you were using protection.

Waiter: (with tray and two drinks) Excuse me. Um, these are from the two gentlemen at the end of the bar.

Rachel: Oh. (to Phoebe) Should we send them something back?

Phoebe: Oooh. Let's do. Let's send them mashed potatoes.

Rachel: No! Wait! No, no. Don't do that! That's going to make them think they can come over here.

Phoebe: So? What if they do?

Rachel: Well, we're not here to meet guys. You have a boyfriend, I have a b... baby and a Ross.

Phoebe: Yeah, but, ah, ah, nothing has to happen. We're just having fun. You know, not everything had to go as far as "eye-contact."

SCENE:

Monica and Chandler's apartment. Chandler is seated in the chair and Monica stands behind the sofa.

Monica: Chandler, you have to tell Joey that you're not in Tulsa.

Chandler: Don't you think it's better for him to think that you're cheating on me, than for him to think that I'm cheating on him? (Monica tips her head slightly as if asking "Did you hear yourself?") I heard it.

Monica: I don't want him to think that I'm having an affair.

Chandler: All right. I've got a plan. I'll go down the fire escape.

Monica: Yes, because all good plans start with, "I'll go down the fire escape."

Chandler: Hear me out woman. I'll go down the fire escape. Then, I'll wait for a while. Then, when I come up the stairs, it'll be just like I just got back from Tulsa. Then, Joey and I will come in and see that there's no guy in here.

Monica: Aren't you afraid that Joey's going to figure all of this out? (pause) I heard it. (Chandler runs to the window, opens it, starts out, but returns, casually walking back to his chair.)

Chandler: I'm just going to wait for a little while.

Monica: Scary pigeon's back?

Chandler: It's huge.

SCENE:

Ross and Rachel's apartment. Three pizza crusts, two bottle caps and the plastic tripod are left in the otherwise empty pizza box. Mike is making hollow popping noises with his mouth. He begins to speak, but stops and pops his lips a few more times and takes a drink. Ross smiles as if he has thought of something to say, but then he stops and sinks back in a slump on the sofa.

SCENE:

The bar. Two men are chatting with Rachel and Phoebe.

Rachel: Oh my God. I can't believe you live in that building. My grandmother lives in that building. Ida Green? No sense of personal space? Kind of smells like chicken? Looks like a potato.

Bill: "Spuds" is your grandmother?

Rachel: That's my bubbly!

Kevin: So, we're on our way to a couple of parties. Um... maybe we can get your numbers and give you guys a call if we find something fun.

Phoebe: Yeah... I'm sorry. We weren't really looking for anything to happen with you guys. I, I have a boyfriend.

Kevin: All right. It's no big deal.

Bill: So, she has a boyfriend. What is your situation?

Rachel: Oh, well, it's complicated. I don't actually have a boyfriend. But um...

Bill: Then, can I have your number?

Rachel: (pause) I'm sorry, no.

Bill: Okay. (They start to walk away.)

Rachel: Oh sure. (She pulls a business card from

her purse and writes on it.)

Phoebe: (Reading the card.) Oh my God, you're giving your real number.

Bill: Okay, thanks. I'll give you a call later tonight.

Rachel: Great.

Bill: Bye

Phoebe: Bye. (The guys leave.) Wow. So, that's great. You, Bill, Ross, and Emma are going to be so happy together. What were you thinking?

Rachel: I don't know. He was cute, and he liked me. It was an impulse.

Phoebe: What about Ross? What about your moment? Don't you want to talk to Ross about it?

Rachel: No. No, because I know exactly how the conversation's gonna go. "Hey Ross, you know, I think we had a moment before."

Rachel: (lowers voice to imitate Ross) "Yeah." (Clears throat.) "Me too."

Rachel: (as herself) "Well, but I'm not sure I really want to do anything about it."

Rachel: (as Ross) "Yeah." (Clears throat twice.) "Me neither." (Clears throat again.)

Rachel: (as herself) "Well, should we just continue to live together and not really tell each other how we're really feeling?"

Rachel: (as Ross) "Yeah. That works for me." (Clears throat twice more.)

Phoebe: Yeah, I see what you mean. By the way, nice Ross imitation.

Rachel: Oh, thanks.

Phoebe: But, your Rachel wasn't whiny enough.

Rachel: (whining) Wha... hey!

Phoebe: (pointing) Better!

Rachel: Well, the point is, maybe I should just stop waiting around for moments with Ross, you know? I should just... move on with my life.

Phoebe: Really? You're moving on from Ross?

Rachel: I don't know. Do I have to decide right now?

Phoebe: Well, you kind of just did. That guy is going to call you tonight. Ross is going to pick up the phone and that's a pretty clear message.

Rachel: Oh God, Ross. Ross is going to pick up the phone. Oh, I have to get my number back. (She turns to find Bill, but they have gone.) Oh my God. He's gone.

Phoebe: (imitating Rachel) "Oh, I have to get my number back. Oh my God. He's gone." (smiles) Dead on.

SCENE:

Ross and Rachel's apartment. Ross and Mike are sitting on the sofa. Ross is fidgeting with the cuff of his sweater while Mike blows his cheeks out. Ross blows a piece of fuzz from his finger.)

Mike: (releases a whoosh of air) Ya know, I'm going to take off.

Ross: So soon?

Mike: Well, yeah.

Ross: Okay. Well, thanks, ah, thanks for the beer.

Mike: Ah, you mean lager.

Ross: Ah yeah. Good times. (Mike leaves. Ross closes the door behind him.)

Mike: (In the hall, relieved) Oh.

Ross: (inside the door, releases a sign of relief. Back in the hall, Mike's cell phone rings.)

Mike: Hello?

Phoebe: (calling from the bar on her cell phone.) Hey, Mike, it's me. Listen, is um, is Ross near you?

Mike: Uh, no. I just left.

Phoebe: Well, you have to go back in.

Mike: Wha...? Go back? To the "land where time stands still"?

Phoebe: I'm so sorry honey, but, okay, Rachel gave this guy her number and, um, she doesn't want Ross to answer the phone. So, you have to intercept all his calls.

Mike: I can't do that!

Phoebe: (to Rachel) He says he can't do that.

Rachel: Oh give me... (Phoebe gives Rachel the phone.) Hi, Mike? Hi. Listen. I know this is a lot to ask, but you know what? If you do this... Phoebe will... do anything you want. Seriously, I'm talking dirty stuff.

Phoebe: All right. (She takes the phone from Rachel.) Hello? Hi. I'm sorry about her, but she wasn't wrong about the dirty stuff.

Mike: All right. I'll do it. (Phoebe gives the thumbs-up sign to Rachel.) But really, how much dirtier can it get?

Phoebe: (knowingly chuckles) Oh, Mike. Bye. (Mike knocks on Ross's door. Ross opens it.)

Mike: Hey buddy.

Ross: Uh, hi.

Mike: Um, can I come back in?

Ross: (putting his arm up with his hand on the door frame.) Why? (He starts to lower his arm.)

Mike: (Entering the apartment) I, I was just thinking about how much more we have to talk about.

Ross: (whining) But you left.

SCENE:

The hallway and stairs outside Chandler and Monica's apartment. Chandler enters from the stairs. Joey is sitting with a baseball bat.

Joey: Wow! That didn't take long. I thought you said Tulsa was, like a three hour flight.

Chandler: (pause) Well, you're forgetting about the time difference. (Joey thinks a moment. Then, he nods. Joey follows Chandler into the apartment.)

Monica: (gasp) Chandler! You're home!

Chandler: That's right. You're husband's home. So, now the sex can stop. (Joey gives him and odd look. Monica gives a similar look.)

Monica: What are you saying?

Chandler: Joey said that you're in here with another man.

Monica: There's no man in here. How dare you accuse me of that. (She slaps Chandler.)

Joey: All right. All right. Then, maybe you won't mind if me and my friend take a look around, huh? (He checks the bathroom shaking the bat. Then he proceeds to their bedroom.) Bwa-ah-ah! (Thudding sounds can be heard from the bedroom.)

Chandler: (To Monica) What is he doing?

Monica: (smiling) I arranged some pillows on the bed to look like a guy.

Joey: (emerging) Bedroom is clear, although you might need some new pillows.

Chandler: All right. Well, I'll check the guest room.

Joey: (sniffing the air and then Monica.) Why do I smell men's cologne?

Monica: (sniffing Joey) I think that's you.

Joey: (sniffs his shirt.) Oh yeah. I rubbed a magazine on myself earlier.

Chandler: There's nobody here Joe.

Joey: I guess not.

Monica: I can't believe you thought I was cheating. (pointing at Joey) You own me an apology.

Joey: Yeah, right Monica. I'm so sorry.

Monica: (suddenly starts issuing him out) Ah, it's an honest mistake. It could happen to anyone. All right, see ya.

Joey: (spots the suitcase just inside the door where Chandler left it) Whoa, whoa. Wait a minute. Wait a minute. If you just got back from Tulsa, how did your suitcase beat you here?

Chandler: (thinks, then turns to Monica) I climb down the fire escape and you can't put that in the closet?

SCENE:

Ross and Rachel's apartment. Mike is reading from a book.

Mike: So, except for the fermentation process, beer and ale are basically the same thing. Fascinating isn't it.

Ross: Maybe you should look up "fascinating." (Phone rings.)

Mike: I'll get it. (He lunges across Ross's lap on the sofa to reach the phone. Ross stares at him with wide eyes.) Hello? Ross's place. Mike speaking. (pause. Hands phone to Ross) It's for you.

Ross: (takes the phone, but speaks to Mike) I don't understand what just happened here.

SCENE:

Monica and Chandler's apartment " continuing action.

Joey: What's going on?

Chandler: I'm sorry. I, I told you I was in Tulsa because I wanted to spend the night with Monica and I, I didn't know... I didn't think you'd understand.

Joey: What? You think I'm too dumb to understand that a husband needs to be with his wife? Huh? Do you think I'm like, "Duh." (He strikes himself in the head with the bat. He stands dazed for a moment.)

Monica: Joey?

Joey: Yeah? (His eyes bug out.)

Monica: I don't know what to say. We shouldn't have lied to you.

Chandler: Yeah. I feel so bad. Is there anything I can do to make it up to you?

Joey: (pause) Yeah, you could go to the game with me, ah, even though I know you said you couldn't. But then you lied to me and tricked me and gave me a bump on the head.

Chandler: I'm sorry. That's the one thing I can't do. I promised I'd be with Monica.

Joey: All right.

Monica: (taps chandler on the arm) You can go.

Chandler: What?

Monica: You should go to the game. It's okay. I want you to.

Chandler: Really? You're gonna be okay?

Monica: Yeah, I'll be fine. You know, maybe I'll stay here and practice the art of seduction.

Chandler: You're gonna put on sweats and clean, aren't you?

Monica: It's gonna be so hot! (She kisses him.)

Chandler: Okay, bye.

Monica: Have fun.

Joey: Thanks. (Joey and Chandler exit to the hall. Joey pulls out the tickets and hands one to Chandler.) Here's your ticket.

Chandler: Hey, listen. I'm never going to lie to you again, okay? And I want you to know that nobody thinks you're stupid.

Joey: Thanks man. (Chandler heads toward the stairs, but makes a turn back to his apartment while looking at the ticket.)

Joey: Where are you going?

Chandler: Game's tomorrow night Joe. (Chandler goes into the apartment, while Joey checks his ticket and is embarrassed by his stupid mistake.)

SCENE:

Ross and Rachel's apartment. Rachel and Phoebe enter.)

Rachel: Hi. (Everyone exchanges greetings.)

Ross: Oh God. (He hugs Rachel)

Rachel: Oh...

Mike: I'm so glad you're back. (He hugs Phoebe.)

Phoebe: Oh.

Rachel: Wow. So, what did you guys do?

Ross: Oh, you know... we just drank some beer and Mike played with the boundaries of normal social conduct.

Mike: It's true. I did.

Phoebe: (pause) Well, good bye. (Okays, and good byes are exchanged all around.)

Rachel: That was fun Pheebz.

Phoebe: I know. That was fun. (She and Mike exit.)

Rachel: See you guys. *(She closes the door.)*
Ross: Rachel, lock the door. Lock the door, seriously.
Rachel: Oh shoot. I forgot to pay Phoebe for the drinks. *(She exits to the hallway and closes the door behind her.)* Wait, wait. Sorry. Did he call? Did that guy call?
Mike: No. Just his mom.
Rachel: Oh, around 8:30?
Mike: Yeah.
Rachel: Then, again at 9:00?
Mike: *(nods)* uh-huh.
Rachel: Yeah.
(Inside the apartment the phone rings. Ross answers it.)
Ross: Hello. *(listens)* Ah, no, she's not here right now. Can I take a message? *(grabs a pad and pen)* Bill from the bar? *(writes)* Okay, "Bill from the bar." I'll make sure she gets your number.
(He hangs up the phone and tears the note off the pad. Then, he stops and re-reads it. Rachel enters.)
Rachel: Aah. *(She goes to tend Emma.)*
Ross: So, ah... So, how was it? Uh, did you guys... Did you guys have a good time?
Rachel: Oh, it was so much fun. It felt so good to be out.
Ross: *(holds up the message)* Uh, Rach.
Rachel: *(still looking at Emma)* Yeah?
Ross: *(pauses, then crunches up the note and stuffs it in his pocket.)* Never mind.
SCENE:
Central Perk. Phoebe and Mike are on the sofa. Ross enters.
Ross: Hey you guys. *(He sits.)*
Mike: Hey.
Phoebe: Hey. I'll be right back. I've got to go to the bathroom. *(She rises and exits.)*
(Ross and Mike glance at each other then both suddenly turn to Phoebe who is gone. They sheepishly exchange glances.)
Mike: *(finally)* Stout. That's a kind of beer.
(Ross smiles slightly. Then he gives a single nod that lifts him to his feet. He exits the coffee shop.)
End

910 The One With Christmas In Tulsa

SCENE:

Monica and Chandler's Apartment

Phoebe: ...sprang to his sleigh, to his team gave a whistle; and away they all flew like the down of a thistle; but I heard him exclaim, ere he drove out of sight, "Merry Christmas to all, and to all a goodnight!"
Joey: *(impressed)* Wow, that was great! You really wrote that?
Phoebe: *(smiling)* Uh-huh.
Chandler: *(coming from the bedroom)* Say goodbye elves, I'm off to Tulsa.
Monica: I can't believe you're not gonna be here for Christmas.
Ross: You're really not coming back?
Chandler: Yeah, we have all this paperwork that needs to be filed by the end of the year. If I don't get it done, I'll be fired.
Monica: It's so unfair, you don't even like your job!
Chandler: So, who does?
Phoebe: Oh, I like my job.
Joey: I love my job.
Rachel: Yeah, I can't wait to go back to work.
Ross: I can't get enough dinosaurs!
Chandler: I'm sorry, I won't be here.
Monica: It's just... It's hard enough not seeing you during the week, but for Christmas... alright, if this is what you have to do, I understand.
Chandler: Thanks. *(they kiss)* I'll see you New Year's Day.
Monica: *(shocked)* You're not gonna be here New Year's Eve??
Chandler: Did I not mention that?
Monica: No!
Chandler: *(thinks for a second, then waves his arms, exclaiming:)* AND TO ALL A GOOD NIGHT!
(and runs out of the apartment)

Opening Credits

SCENE:

Chandler's Office in Tulsa, in the conference room.
Chandler: All right everybody, I know that it's Christmas Eve and you'd rather be with your families, but there's no call *(he takes it off)* for writing "Screw you, Mr. Bing!" on the back of my chair *(he looks at it)* -- By the way, you can all call me Chandler.
(Wendy enters the conference room, carrying a cardboard box.)
Wendy: Hey!
Others: Hey.
Chandler: Hey. Where've you been?
Wendy: I was, uh, checking out that insurance company's Christmas party on three, oh, it was really beautiful, they have all these decorations and this huge tree and I just, uh... to hell with them, we have to work. -- So I stole the ham. *(She turns the cardboard box upside down over the conference table, a big piece of ham falls out.)*
Chandler: *(to the others)* You hear that? You may not be with your families, but at least it's gonna

smell like ham in here.

Claudia: My kid's in a play right now.
Chandler: Y'know what, I know what will cheer you guys up! *(he starts spreading envelopes among them)* I had a little talk with the boys in New York, told 'em about all the hard work you've been doing and that a little Christmas bonus may be in order.
Ken: *(reading off his card)* "A donation has been made in your name to the New York City Ballet".
Chandler: Well, that's like money in your pocket! - Alright look, you want me to say it? This sucks. Being here sucks! This work sucks!
Wendy: Now it feels like Christmas.
Chandler: I'm sorry. Hey, at least you guys get to go home and be with your families tonight. I have to go back to an empty hotel room and lay down on a very questionable bedspread. And then tomorrow morning, you get to have Christmas morning in your own houses, wick, by the way, none of you have invited me to.
Ken: You can come to my house!
Chandler: Haha, no thanks!
Wendy: That was a nice pep-talk.
Chandler: Oh, thanks! I'm... actually thinking about becoming a motivational speaker.
Wendy: So, if you were home right now, what would you be doing?
Chandler: Typical Christmas-y stuff, you know? Our holidays are pretty traditional...
Flashback to 410: The One With The Girl From Poughkeepsie
SCENE:
Central Perk, Phoebe is singing her holiday song.
Phoebe: So here is a, a very special holiday song that I wrote for some very important people to me. *(singing:)* "Went to the store, sat on Santa's lap. Asked him to bring my friends all kinds of crap. Said all you need is to write them a song. Now, you haven't heard it yet, so don't try to sing along. No, don't sing along. Monica, Monica, have a happy Hanukkah. Saw Santa Claus, he said hello to Ross. And please tell Joey, Christmas will be snowy! And Rachel and Chandler, have err-umm-glander!" Happy holidays, everybody!
back to 610: The One With The Routine
SCENE:
Monica and Chandler's apartment.
Rachel: Okay, Phoebs, you look in the kitchen, I will look in the back closet.
Chandler: I can save you time ladies, I'm right here.
Phoebe: Yeah, Chandler why don't you take a walk? This doesn't concern you.
Rachel: We are looking for our Christmas presents from Monica.
Chandler: What? That's terrible!
Phoebe: No-no, we do it every year!
Chandler: Oh well, that, that makes it not terrible.
Phoebe: No, yeah, we never find them! She's always best at us, that wily... minx.
Rachel: Don't worry, we're just gonna search here for an hour, and then we're gonna go over to Joey's and search, OK?
Chandler: No not okay, you can't look for Monica's presents!
Phoebe: Oh no, we have to!
Chandler: No, you don't have to, and you can't because I, I live here too.
Phoebe: Well then, you should look with us.
Chandler: Why?
Rachel: Chandler, aren't you worried about what to get Monica for Christmas?
Chandler: No, I have a great idea for a present for her.
Phoebe: Oh, that's it? *(Mimics Chandler)* A great idea! Oh yeah.
Rachel: Chandler, that's not enough. I mean what if she gets you a great present, two medium presents, and a bunch of little presents? And you've just gotten her one great present? I mean that's just gonna make her feel bad. Why would you do that to her Chandler? Why? Why?
Chandler: If I help, we can find 'em faster!
Rachel: That's right!
(Phoebe looks under the couch)
Phoebe: Ooh ooh, we have a live one!
Rachel: Oh, it's a Macy's bag!
(Phoebe tips it upside down, and a shoe falls out)
Rachel: Oh.
Phoebe: Ooh, who's it for?
Rachel: *(Reading from a tag that's attached to the shoe)* "Dear losers, do you really think I'd hide presents under the couch? P.S.: Chandler, I knew they'd break you."
back to 209: The One With Phoebe's Dad
SCENE:
Monica and Rachel's apartment. Joey and Chandler are giving out their Christmas presents.
Joey: Rach, these are for you.
Rachel: Wiper blades. I don't even have a car.
Joey: No, but with this new car smell, you'll think you do.
Chandler: OK, Phoebs, your turn.
Phoebe: Ahh, toilet seat covers! Is that what you were doing while I was getting gas?
Joey: Uh-huh.
Phoebe: You guuuuys.
Joey: And for Ross, Mr. Sweet-tooth.
Ross: You got me a cola drink?
Chandler: And, a lemon lime.
Ross: Well this, this is too much, I feel like I should get you another sweater.
Chandler: And last but not least.
(Chandler and Joey give Monica a pack of condoms.)
Joey: They're ribbed for your pleasure.
back to 710: The One With The Holiday Armadillo

SCENE:

Monica, Chandler and Phoebe's, Ross is costumed as an Armadillo.
Ross: Ooh, hey Ben, what if the Holiday Armadillo told you all about the Festival of Lights?
Ben: Cool!
Ross: Yeah!
Monica: Come on Ben.
(Monica and Ben sit down on the couch.)
Ross: Years and years ago there were these people called the Maccabees...
Chandler: *(entering in a Santa costume)* Ho, ho, ho! Merry Christmas!
Ben: Santa! *(Runs to Chandler and hugs him)*
Chandler: Hey! *(Grunts as Ben hits him at full speed.)*
Ross: What are you doing here, Santa?
Chandler: Well, I'm here to see my old buddy Ben. What are you doing here, weird...turtle-man?
Ross: I'm the Holiday Armadillo, your part-Jewish friend. You sent me here to give Ben some presents. Remember?
Chandler: What?
Monica: Okay Ben, why don't you come open some more presents, and Santa, the Armadillo and I have a little talk in the kitchen? There's a sentence I'd never thought I'd say.
(They walk to the kitchen; everyone is lowering their voices)
Ross: *(to Chandler)* What are you doing?
Chandler: You called everyone and said you were having trouble finding a Santa costume, so I borrowed one from a guy at work!
Ross: Thank you, but, but you, you gotta leave.
Chandler: Why?
Ross: Because, I'm finally getting him excited about Hanukkah, and, and you're-you're wrecking it.
Chandler: But I didn't get to shake my belly like a bowl full of jelly.
Ross: I'm sorry Chandler, but this, this is really important to me.
Chandler: Fine, I'll give the suit back.
(Ross turns around and walks back to Ben.)
Monica: *(to Chandler)* Hey, you think, you can keep it another night? *(She has a really teasing look on her face and keeps twirling Chandler's beard.)*
Chandler: Santa? Really?
Monica: Yeah, is that okay?
Chandler: Did your Dad ever dress up like Santa?
Monica: No.
Chandler: Then it's okaay! *(They kiss.)*
SCENE:
Back in the conference room in Tulsa.
Chandler: You know what, everybody? Go home. You should be with your families. It's bad enough that we're working New Year's Eve.
(All others are looking up, surprised)
Chandler: Did I not tell anyone about New Year's Eve? -- Alright, look, go! Go home, okay? Merry Christmas! Go.
(All are leaving, wishing each other a Merry Christmas, peace on earth, etc. Only Wendy stays.)
Chandler: Good, God's speed, good people! *(he starts to close the door, turns around and sees Wendy)* You're not gonna go?
Wendy: Naah... I couldn't leave you alone.
Chandler: Ah. Thanks.
Wendy: Besides, I can't leave until their Christmas party downstairs clears out; there are some pissed off insurance people looking for that ham.
Chandler: Ah. *(The phone rings; he answers it)* Chandler Bing.
Scene change back an forth: Monica and Chandler's Apartment, Monica's on the other end of the line. The phone's speaker is turned on, so the rest of the gang, sitting around the phone, can hear Chandler.
Monica: Hi Honey! We're all here; we just want to wish you a Merry Christmas.
Others: *(simultaneously)* Merry Christmas! *(except for Phoebe...)*
Phoebe: *(simultaneous to the others)* Ble-blah-blur Blargh!
(All the others look at her, stunned/incredulous)
Chandler: Ahh, Merry Christmas; is miss you guys!
Monica: So is it horrible? Is everybody working really hard?
Chandler: Ah, well no, it's just uh, me and Wendy.
Monica: Wendy? -- That sounds like a girl's name.
Chandler: It is. Did I... not tell you about her?
Monica: Umhhh, umhhh, about the time you told me about New Year's Eve. Where is everybody else?
Chandler: I sent them home.
Monica: Ohh, you are such a good boss! Is she pretty?
Chandler: Uhh, uh...
Ross: *(in a low voice)* Answer faster, answer faster!
Chandler: I don't know!
Ross: *(in the same low voice)* Answer better, answer better!
Chandler: I don't think of her that way, you know, she's a, she's a colleague.
Monica: What does she do there?
Chandler: Oh, she's regional Vice President; She's... just below me.
Monica: She did WHAT?
Chandler: BE-LOW me!
Joey: Ahh, wait, is Wendy the runner-up Miss Oklahoma?
Monica: What???
Chandler: Well, she... she didn't win...
Monica: Alright, well, maybe I should let you and the

second prettiest girl in Oklahoma get back to work.
Chandler: Well, second prettiest that year; I mean, of all the girls in Oklahoma, she's probably...
Rachel: (interrupting him) Oh Chandler, stop talking!
Chandler: Honey, there's really nothing to worry about.
Monica: Okay.
Chandler: I'm serious!
Monica: Okay!
Chandler: Merry Christmas.
Monica: Merry Christmas.
Chandler: Merry Christmas, you guys!
Others: (simultaneously) Yeah, Merry... Christmas. (again, Phoebe...)
Phoebe: (simultaneous to the others) Blah blargah, blar-blab. (Again the others just look at her, silent, puzzled.)
SCENE:
back in the conference room in Tulsa
Chandler: (hanging up the phone) The wife says "Hi!"
Wendy: Ah. Fun conversation?
Chandler: Ah well, she's got this weird idea, that, uh, y'know, just because you and I are alone, that something is gonna happen.
Wendy: Huh? Really? -- Hm, that'd be so terrible? (She gets hold of Chandler's tie, slowly moving her hands upwards on the tie, getting closer and closer to him, seductive.)
Chandler: This is probably the wrong thing to be worrying about, but... you're getting ham on my only tie. (She's getting closer to him, the scene fades to black.)
SCENE:
The conference room in Tulsa again, Chandler is trying to evade Wendy
Chandler: Whoa-ho, back off, Missy! (He takes a step back, but she still keeps her grip on his tie.)
Wendy: (laughs) ...Missy?
Chandler: I don't know; I'm not used to girls making passes at me! ... (She lets go of his tie) Wait a minute... am I sexy in Oklahoma?
Wendy: You are to me... (She gets closer again, putting her arms around his torso.)
Chandler: (flattered) No,... no... (realizing) NO! (He quickly gets several steps away from her) Look, I'm, I'm married!
Wendy: So? I'm married. (Showing him the ring on her finger.)
Chandler: I'm happily married.
Wendy: Oh. - What's that like?
Chandler: Right. So, I'm sorry...
Wendy: Seriously? Happily married. So that phone call before, that was ... happy?
Chandler: Well look, it's not easy to spend this much time apart, you know. She's entitled to be a little paranoid... or, in this case: right on money! ... You know, she's amazing, and beautiful, and smart, and if she were here right now, ...she'd kick your ass. Look, you're a really nice person... ham stealing and adultery aside. But, what I have with my wife is pretty great, so nothing is ever gonna happen between us.
Wendy: Okay, let me ask you something: if what you and your wife have is so great, then why are you spending Christmas with me?
Chandler: (starts to think about it...)
 back to 716: *The One With The Truth About London*
SCENE:
London, Chandler's hotel room. He is getting ready for bed when Monica pays him a visit and they started talking
Chandler: I mean, you were the most beautiful woman in the room tonight!
Monica: Really?
Chandler: You kidding? You're the most beautiful woman in most rooms... (She jumps up and kisses him.) (Breaking the kiss.) Whoa! Whoa! Whoa! What's going on? You and I just made out! You and I are making out?
Monica: Well, not anymore.
Chandler: But we don't do that.
Monica: I know, I just thought it would be fun.
Chandler: How drunk are you?
Monica: Drunk enough that I know I wanna do this. Not so drunk that you should feel guilty about taking advantage.
Chandler: (thinks) That's the perfect amount!
Monica: Okay!
 (They run to the bed, sit down, and start making out again.)
Monica: (breaking the kiss) Y'know what's weird?
Chandler: What?
Monica: This doesn't feel weird!
Chandler: I know.
Monica: You're a really good kisser.
Chandler: Well, I have kissed over four women. (They kiss again.) Do you wanna get under the covers?
Monica: Hm-hmm!
Chandler: Okay!
 (They do so and they take off their clothes.)
Monica: Wow! You are really fast!
Chandler: It bodes well for me that speed impresses you.
Monica: We're gonna see each other naked.
Chandler: Yep!

Monica: Do you wanna do it at the same time?
Chandler: Count of three?
Monica: One!
Chandler: Two!
Monica: Two!
Both: Three! (They lift up the covers and check each other out, then come back up with silly grins on their faces.)
Chandler: Well I think it's safe to say that our friendship is effectively ruined.
Monica: Eh, we weren't that close anyway!
Chandler: Eh! (They start making out again)
 back to 503: *The One With The Triplets*
SCENE:
A hallway in the hospital, Monica and Chandler are talking.
Chandler: So, are you really gonna go out with that nurse man?
Monica: Well uh, you and I are just goofing around, I thought, why not just goof around with him.
Chandler: Y'know, I don't know if you've ever looked up the term goofing around in the dictionary... Well, I have, and the technical definition is, two friends who care a lot about each other and have amazing sex and just wanna spend more time together. But if you have this new fangled dictionary that gets you made at me, then we have to, y'know, get you my original dictionary. I am so bad at this.
Monica: I think you're better than you think you are.
Chandler: Really? Okay, so...
Monica: (interrupting) Know when to stop.
Chandler: Y'know, I sensed that I should stop. So we're okay?
Monica: Yeah. (They kiss and as she starts to leave, Chandler starts to dance. Without turning around.) Don't do the dance.
Chandler: Right!
 back to 524: *The One In Vegas, Part II*
SCENE:
The Gift Shop, Monica and Chandler are entering.
Monica: I can't get married until I get something old, something new, something borrowed, and something blue.
Chandler: Okay, all right, all right, all right! Okay! (Picks up a blue sweater.) Okay, here's something, here's something blue and new.
Monica: You're so efficient. I love you!
Chandler: Let's go! (Starts to leave.)
Monica: No-no-no, wait! We need something old!
Chandler: Oh, okay, I have condom in my wallet that I've had since I was twelve.
Monica: That'll work!
Chandler: I don't think so.
Monica: Okay, now we just need something borrowed!
Chandler: (looks around) Here just...take this. (Hands her the sweater.)
Monica: That's stealing!
Chandler: No, we'll-we'll bring it back! Just put it under your dress. (She does so and it makes her look pregnant.)
Monica: Ohh. (Rubs her fake stomach.)
Chandler: Okay, one thing at a time. (They run out to get married.)
 back to 702: *The One With Rachel's Book*
SCENE:
Monica, Chandler, and Phoebe's, Chandler is looking at the wedding book as Monica enters.
Monica: Listen umm, I've been thinking, it's not fair for me to ask you to spend all of your money on our wedding. I mean, you work, you work really hard for that.
Chandler: Ehh.
Monica: Eh, you work for that.
Chandler: Look, I thought about it too, and I'm sorry. I think we should spend all of the money on the wedding.
Monica: You do?
Chandler: Yeah, I'm putting my foot down. Yeah look, when I proposed I told you that I would do anything to make you happy, and if having the perfect wedding makes you happy, then, then that's what we're gonna do.
Monica: Oh, you're so sweet. (They hug and kiss.) Oh, but wait, what about our, what about the future and stuff?
Chandler: Eh, forget about the future and stuff! So we only have two kids, y'know? We'll pick our favorite and that one will get to go to college.
Monica: You thought about that?
Chandler: Yeah.
Monica: How many kids were we gonna have?
Chandler: Uh, four, a boy, twin girls and another boy.
Monica: What else did you think about?
Chandler: Well, stuff like where we'd live, y'know? Like a small place outside the city, where our kids could learn to ride their bikes and stuff. Y'know, we could have a cat that had a bell on its collar and we could hear it every time it ran through the little kitty door. Of course, we'd have an apartment over the garage where Joey could grow old.
Monica: (laughs) Y'know what? I-I don't want a big, fancy wedding.
Chandler: Sure you do.
Monica: No, I want everything that you just said. I want a marriage.
Chandler: You sure?
Monica: Uh-hmm.
Chandler: I love you so much.
Monica: I love you. (They kiss.)
SCENE:
Monica and Chandler's Apartment, everyone except Chandler is there; they're opening their presents
Rachel: (opens her present from Ross; it's a dark-red scarf) Oohh, I love it!
Ross: Really? You're not gonna return it?
Rachel: Well, not this second!
Phoebe: (at the window) Hey look, you guys, it's snowing! (The others all get up and go to the window.)
Rachel: Oh wow, it's so beautiful...

Ross: Wow, it really is!
 (They all stand a moment in silence, staring out of the window.)
Monica: "Wendy" is a fat girl name.
Phoebe: Aren't we done with that?
Monica: Okay, fine. Let's talk about snow. -- Do you think it's snowing in Tulsa, where my husband is having sex on a copying machine?
 (Shortly after that, Chandler enters.)
Chandler: Hey!
 (Surprised, uttering Ahhs and Ohhs, the others are coming over to him.)
Ross: Oh my god...
Joey: Hey-heeyyy - Look at that, it's a Christmas miracle!
Monica: What are you doing here?
Chandler: I wanted to be with you. I missed you so much.
Joey: Hey, hey, uh, who did you miss the most?
Chandler: Monica.
Joey: Got ya. (blinks an eye)
Chandler: I never want to leave you again!
Monica: But I thought if you left, you get fired.
Chandler: Turns out they can't fire me. Because I quit.
Monica: What?
Ross: What, you, you really quit your job?
Chandler: Yeah! It's a stupid job, and I could not stand leaving you. And why should I be the only one who doesn't get to do what he really wants to do?
Rachel: What do you really want to do?
Chandler: (realizing) I have not thought this through!
Monica: Oh my god!
Chandler: I know, I, I should have talked to you first about it.
Monica: No, I think that this is what you wanna do, I think it's great!
Chandler: Thanks!
Phoebe: Chandler, your being here is the best Christmas present I could have ever imagined.
Chandler: (flattered) Ahh...
Phoebe: Now give me my real gift.
 (Chandler hands Phoebe an envelope, and some more to Monica)
Phoebe: (to Chandler) Thank you.
Chandler: (to Monica) Here, pass these, will ya. (points to the others)
 (Monica passes the Envelopes on to Ross, Joey and Rachel.)
Ross: Oh, hey...
 (They all open their envelopes.)
Ross: (reading off his card) "A donation has been made in your name to the New York City Ballet." -- How did you know?
Rachel: Wha... are you kidding? I can't return this.
Chandler: I... thought it was a timely start to thinking about other people. Besides, this gift still says I love you guys.
Joey: Mine's is to Lilian Myers.
Chandler: I don't have a job!
Closing Credits
SCENE:
Monica and Chandler's Apartment, Monica is cleaning up, Chandler is sitting on the couch, checking the Job offers in a Newspaper.
Chandler: Actuary... no. Book-keeper... no. Topless dancer... (he looks down on himself, checking, then nods satisfied and marks the offer with a pen)(to Monica:) Hey, d'you know what I just realized? You are the sole wage earner. You are the head of the household. I don't do anything - I'm a kept man!
Monica: You are! (She picks up a bill from the table, handing it to Chandler) Hey, here's twenty bucks. -- Why don't you go buy yourself something pretty while I'm at work tomorrow?
 (Chandler looks at the bill, thinking... then looks at the offer in the Newspaper and makes some dancing moves to see if he's up for the job...)

911 The One Where Rachael Goes Back to Work

Scene:
Chandler and Monica's
Chandler: Hey!
Monica: Good morning, Tiger! I'm making you a nice big breakfast so you can keep up your strength for tonight. You're gonna get me good and pregnant.
Chandler: I've got nowhere to go this morning. I'm unemployed! I don't know what I'm gonna do with my life.
Monica: Well, I just lost my erection.
Chandler: I mean, what am I supposed to do with myself?
Monica: You're supposed to find your passion in life. You can be whatever you wanna be now. It's exciting.
Chandler: But it's all so overwhelming. I don't know where to start.
Monica: Hey, wait a second. I can help you with this. You just need to be organized. We can make a list of your qualifications, and categorize jobs by industry. There could be folders and files!
Chandler: Hey! This is where your hyper-organized-pain-in-the-ass stuff pays off!
Monica: I know! My erection is back!
Opening credits
Scene:
Central Perk
Joey: (To Gunther who comes over with coffee and a muffin) Thank you!

Phoebe: Joey, can I have a sip of your coffee and a bite of your muffin?
Joey: Okay.
Phoebe: Thank you. *(Pours his coffee in a thermos and puts his muffin in her purse.)* Thank you!
Joey: Pheebs, have you ever been bitten by a hungry Italian?
Phoebe: I'm sorry, it's just, I'm a little short on cash.
Joey: If you want I could loan you some money?
Phoebe: Oh no, no, no. I learned never to borrow money from friends. No, that's why Richard Dreyfuss and I don't speak anymore.
Joey: Oh, hey, how about this? Wanna be an extra on my show?
Phoebe: You could do that?
Joey: Yeah, yeah. The pay is pretty good and you could do it for as long as you need.
Phoebe: Oh my god, I'm gonna be on TV!
Joey: Okay, now. I gotta tell you, being on TV isn't as glamorous and exciting as you think.
Phoebe: Oh, really?
Joey: No it is awesome!
(Rachel and Ross enter with Emma)
Ross: Hi guys.
All: Hello.
Phoebe: Wow! Hey, why are you all dressed up?
Ross: Rachel and I are bringing Emma to Ralph Lauren today to introduce her to everyone. Doesn't she look cute?
Joey: She sure does. Why does she have a pink bow taped to her head?
Rachel: Well, because if one more person says "what a cute little boy" I'm gonna whip them with a car antenna!
Ross: I think she's gonna be the hit of the office, huh? She's gonna be hotter than peasant blouses and A-line skirts. Can I get a blue bow?
Scene:
Chandler and Monica's
Monica: *(Flipping through a bunch of folders as Chandler enters from bathroom)* Okay, I have looked through a bunch of career guides, photocopied and highlighted key passages and put them into alphabetical folders so you can make an informed decision.
Chandler: How long was I in there?
Monica: Okay. Let us start with the A's. Advertising.
Chandler: Wait. Advertising! That's a great idea!
Monica: Don't you want to look through the rest?
Chandler: I don't think I have to hear the rest. Advertising makes perfect sense. Sorry you had to waste all this time, though.
Monica: You call eight hours alone with my label maker wasted time? Ooh, now I get to use my shredder!
Chandler: I mean, I can write slogans. I mean, how hard can it be, right? "Cheese. It's milk that you chew." "Crackers. Because your cheese needs a buddy." "A grape. Because who can get a watermelon in your mouth?"
Monica: I got one. "Socks. Because your family's feet deserve the best."
Chandler: Honey? Leave it to the pros.
Monica: I actually know someone in advertising. I grew up with this guy who is a vice president at a big agency. Maybe I can get him to meet you? Give me the phone.
Chandler: "The phone. Bringing you closer to people...who have phones."
Monica: "Marriage. It's not for everybody."
Scene:
Ralph Lauren
Rachel: That went well. Almost everybody knew that she was a girl.
Ross: Yeah, after you punched that one guy who got it wrong, word spread.
Rachel: I'm just gonna go in my office and pick up some stuff. *(To the guy behind her desk)* Who the hell are you?
Guy: Who the hell are you?
Rachel: I'm the hell person whose office this is!
Ross: Good one, Raych.
Guy: I'm Gavin Mitchell, the person who's taken over your job.
Rachel: Excuse me?
Gavin: Oh, your baby's so cute. Why did you put a pink bow on a boy?
Scene:
Days of Our Lives set
Phoebe: Joey, look at me! I'm a nurse!
Joey: Yes you are. I think it may be time for my sponge bath. Sorry, I'm just so used to hitting on the extras. So, are you excited about your scene?
Phoebe: Yeah! But I'm a little shaky and nervous.
Joey: Oh, relax. Don't be. You'll be fine, you'll be fine. They'll probably just make you stand in the back.
Director: Okay, okay, okay! *(To Phoebe)* You. Here, come here, here. You're gonna take this tray, you're gonna stay on this yellow mark. You're gonna move on "action!" You're gonna walk over to the operating table. You're gonna stop on that blue mark, you're gonna put the tray down. Don't walk too fast! But don't doddle.
Phoebe: Okay, now. What?
Director: And...Action!
(Phoebe starts walking toward the operating table. Her hands are shaking like crazy, causing the tray to rattle.)
Director: Cut! Cut!
Phoebe: I'm sorry, I'm sorry, I'm sorry. I'm just a little nervous.
Director: Well, don't be.
Phoebe: Okay, that helps.
Director: And...Action!
(Phoebe starts walking towards the table again. She's even more shaky than before and almost drops the tray.)
Director: Cut!
Joey: Hey, you know what? Don't worry, Pheebs! It usually takes me three takes too! *(Off the director's look)* Alright, eight.
Director: And...Action!
(Ok, here we go again. Phoebe starts walking toward the operating table, but stops every time the tray starts to rattle. She eventually drops it on the floor, but finishes the scene anyway by putting the now non-existent tray on the table.)
Scene:
Central Perk
Interviewer: So, do you have any other question about advertising?
Chandler: No, no. But let me show you what I can do. "Bagels and donuts. Round food for every mood."
Interviewer: Monica warned me you might do that. I actually think we might have something for you at the agency.
Chandler: Really? That's great!
Interviewer: It's an unpaid internship.
Chandler: It's funny. When you said "unpaid" it sounded like you said "unpaid."
Interviewer: Come on now. Monica has a good job. And it's not like you have a family to support.
Chandler: Actually, we're trying, and I don't think Monica's gonna wanna postpone it. We're supposed to have sex tonight. Actually, she's probably at home naked right now. I tend to keep talking until somebody stops me. I can just picture her on the bed right now.
Interviewer: Stop!
Interviewer: Okay.
Scene:
Ralph Lauren
Rachel: Wait a minute! What do you mean, you're taking over my job?
Gavin: Well, while you were on your baby vacation I was doing your job.
Rachel: A vacation? My idea of a vacation does not involve something sucking on my nipples until they are raw.
Gavin: Clearly you've never been to Sandles Paradise Island.
Rachel: Alright! Don't get too comfortable there, because I'm back in two weeks! And I want everything back to the way it was. I can't say that I care too much for the way you've rearranged my office.
Gavin: I can't say I care too much for that smell you've brought in with you.
Rachel: Excuse me?
Ross: Rach we have a code brown situation.
Rachel: Can you please, please take care of it for me?
Ross: Alright, but you have to do one something.
Rachel: Let me just get this straight! So I go have a baby and they send some guy in to do my job?
Gavin: Well, there was talk of shutting down Ralph Lauren all together.
Rachel: That's right. You're very cheeky for a temp.
Gavin: I'm not a temp. I was transferred here from another department.
Rachel: Oh yeah, what department was that? The Jerk department?
Gavin: Oh, they didn't tell me about your quick wit.
Rachel: Did they mention that I'm rubber and you're glue?
Mr. Zelnor: *(Enters)* Gavin, Ralph loved your ideas.
Rachel: Oh, hi Mr. Zelnor.
Mr. Zelnor: Rachel, I see you've met Gavin. I must say, when you left us we weren't sure what we were gonna do. But then, Gavin to the rescue. Super Gavi!
Rachel: That's great. So now, Super Gavin, when I come back where are you planning on flying off to?
Gavin: Well, that's up to Mr. Zelnor. I'm sure he will make the right decision.
Rachel: *(To herself)* Oh, wow. Super ass-kissing power.
Mr. Zelnor: Incidentally, when are you coming back?
Rachel: Today.
Gavin: You said two weeks.
Rachel: No, I said today! See, for a superhero, not so much with the listening.
Scene:
Days of Our Lives set
Joey: Hey.
Phoebe: Hey. So, what did he say?
Joey: Well, he can be a little rough around the edges, so I'm gonna replace a word he used a lot, with the word "puppy." Okay, so he said: "If your puppy friend doesn't get her puppy act together, I'm gonna fire her mother-puppy ass."
Phoebe: I'm sorry, I can't do this. I'm not an actor.
Joey: That's right, you're not. You're a nurse. You're Nurse With Tray.
Phoebe: Joey.
Joey: No, no. Nurse With Tray doesn't know Joey, she doesn't have time for friends. She gets in that operating room and she carries that tray to the doctor, because if she doesn't, people die!
Phoebe: Who dies?
Joey: *(Points to man on operating table)* Man With Eye Patch! You get in there and you do your job.
Phoebe: Yes, doctor.
Joey: Okay.
Director: Okay, let's try this one more time.
Phoebe: Hang in there, Man With Eye Patch, your tray is coming!

Joey: Maybe you are a nurse, but you moonlight as a waitress.

Phoebe: Uhh. Because I'm a single mother, supporting my two children.

Joey: Nice.

Phoebe: Wait a minute. Dr. Drake Ramoray and I work at the same hospital. Wouldn't I come over to say hi to him?

Joey: No, no. See, you and Drake are having a fight.

Phoebe: About what?

Joey: He slept with you and then never called you.

Phoebe: And I just wanted a new daddy for Davy and Becky.

Director: Okay, okay, from the top. And...Action!

Man: So, I'm surprised you agreed to have lunch with me.

Joey/Drake: I'm surprised to, but yet here I am. *(Phoebe walks by and slaps him.)*

Director: Cut, cut! What are you doing?!

Phoebe: Yeah, well, I'm very angry at him, because he slept with me and never called me back.

Extra: Me too!

Another extra: Me too!

Joey: Oh, calm down! She means on the show! We need some new extras around here!

Scene:

Chandler and Monica's

Gavin: *(Enters)* Wow, you're here already.

Rachel: Yes. Emma and I came in a little early to do research on the presentation. I actually made a few changes, but I think I'm caught up on everything. So ask me anything!

Gavin: How do you fix the chair?

Rachel: Except that! *(Mr. Zelnor enters)* Oh, hello, Mr. Zelnor. We're all ready for our presentation this afternoon.

Mr. Zelnor: Good, because it's in ten minutes.

Rachel: What? I can't do that! I have the baby, and Ross is not gonna pick her up for another hour.

Mr. Zelnor: Well, then Gavin can give the presentation, okay, we have to do it now. Ralph needs to leave early today. He's going helicopter shopping.

Rachel: Well, there you go. You win, you win. You get to do the presentation, you'll knock 'em dead, no one will ever remember that I worked here, and then Ralph will buy his helicopter, and Super Gavin will just fly right along side of him!

Gavin: You can do the presentation.

Rachel: No, I can't, I have a baby.

Gavin: I'll watch her.

Rachel: Why would you do that?

Gavin: Because you've worked really hard, and it's your job, and you're a little crazy.

Rachel: That's really nice.

Gavin: I should tell you that crying women make me very uncomfortable.

Rachel: Then you're not gonna like what's coming. *(Starts crying)* I'm sorry, I'm sorry, I'm sorry. Thank you, thank you.

Gavin: I'm really fine, don't worry, I'm great with children. *(To Emma)* Gavin Mitchell. Pleased to meet you.

Scene:

Days of Our Lives set

Joey: Please don't fire my friend. Just let me talk to her.

Director: Okay, okay. But this is her last chance.

Joey: Thank you, thank you. How about I do something for you? Tomorrow, I'll bring you a hat, cover up the bald?

Joey: Hey, listen Phoebe. I was just talking to the director, and he was thinking, maybe this time you don't hit Drake, you just wait on the tables?

Phoebe: I can't do that. I'm an actor. I have a process.

Joey: You're a masseuse. You have a table with a hole in it.

Phoebe: Wait a minute, I see what's happening here. You're threatened.

Joey: What?

Phoebe: Yeah, I'm so good in this scene that I'm stealing focus from you. Well, rise to the challenge Tribbiani 'cause I just raised the bar. Come join me up here!

Joey: *(To the director)* Yeah, you can fire her, but I would call security, she won't go easy.

Scene:

Chandler and Monica's

Monica: You faked it? You couldn't have faked it!

Chandler: Oh yes you can. You just make the faces and the noises.

Monica: Guys can fake it? Unbelievable. The one thing that's ours! Besides, why would you fake it when we're trying to have a baby?

Chandler: That's actually why. Look, I'm starting a whole new career now, and I'm not saying that I don't want to have a baby, I'm just saying maybe we could wait a little while.

Monica: Like a month?

Chandler: Or a year?

Monica: Really, you want to wait a year?

Chandler: It could be less than a year. I mean, you've heard my stuff. "Pants. Like shorts, but longer." *(Pause)* It'll probably be more than a year.

Monica: I really wanna have a baby.

Chandler: Yeah, me too. Look, I'll just get my old job back.

Monica: No, I want you to have a job that you

love. Not statistical analysis and data reconfiguration.

Chandler: I quit and you learn what I do?

Monica: It's just, I think, there's never gonna be a right time to have a baby. I mean, now you're unemployed and in a little while you'll find a new job that'll keep you really busy. There's always gonna be a reason not to do this, but I think once the baby comes, forget about all those reasons.

Chandler: I guess. It's always gonna be scary when we have a baby.

Monica: It's gonna be really scary. I mean, god. When we have a baby, there's gonna be so much that we're not able to control. I mean, the apartment's gonna be a mess, I won't have time to clean it. What if the baby gets into the ribbon drawer? Messes up all the ribbons?! What if there's no room for a ribbon drawer, because the baby's stuff takes up all the space? Where will all the ribbons go?!

Chandler: Should we go make a baby right now before you change your mind?

Monica: Yes, please!

Chandler: Oh, and I promise, I will not fake it this time.

Monica: I wish I could say the same. I'm a little shook up!

Closing credits

Scene:

Days of Our Lives set

Joey/Drake: I know you botched that operation on purpose. I can't prove it yet, but when I do, you'll be going to jail for murder. I don't care if you are my brother.

Man: I'm not your brother.

Phoebe/Waitress: What about my children Drake?! Huh?! *(She starts running around on the set with a security guy chasing her)* No! No! No! God!

912 The One With Phoebe's Rats

Scene:

Coffee place, Joey is there, Chandler is entering

Chandler: Hey

Joey: Hey. So where's Mon?

Chandler: Oh, she's at home, putting up decorations for Rachel's birthday party tonight.

Joey: And you're not helping?

Chandler: I tried, but apparently singing "I will survive" in a helium voice - not helping.

(Ross and Rachel enter with Emma in Rachel's hands)

Ross: Hey you guys!

Joey and Chandler: *(start to sing)* Hey! Happy birthday ...

Rachel: Shhh don't say that loud, Gunther's gonna want to hug me.

Ross: Uh, good news everyone, we finally found a nanny. This is Molly *(points to Molly)*. Molly, Chandler, Joey.

Joey and Chandler: Hi.

Molly: Hi.

(Emma starts to cry)

Ross: Ooh, somebody's getting a little fussy.

Joey: You damn right I am, I've been waiting for a cookie for 7 minutes.

Rachel: Ok, you know what, I'm just gonna take her outside.

Molly: No, you stay, I'll do it *(takes Emma from Rachel)*.

Rachel: OK, thank you.

Molly: Nice to meet you guys *(to Chandler and Joey)*.

Joey: Yeah, you too.

(Molly leaves)

Rachel: Oh, wow, Molly is just great!

Ross: Yeah.

Chandler: Yes, Bravo on the hot nanny.

Rachel: What? You really think she's hot?

Chandler: Are you kidding? If I wasn't married she'd be rejecting me right now.

Rachel: And Joey?

Joey: How do you think she's doing?

Rachel: Am I the only one who doesn't think that she's hot?

Ross: Ross?

Ross: Eh, I mean, I mean she's not unattractive but hot? I ...

Rachel: Thank you! *(goes to get coffee)*

Chandler: Now that Rachel's gone?

Rachel: So hot I cried myself to sleep last night. *(Joey and Chandler clap their hands)*

OPENING CREDITS

Scene:

Mike and Phoebe in Phoebe's place, Phoebe is doing a crossword puzzle

Phoebe: Hey Mike, what's the capital of Peru?

Mike: Lima.

Phoebe: No. It starts with a "v" and ends with an "x". Helpfully with a "to" in the middle.

Mike: You know, kinda think of it, the capital of Peru IS "vtovx". *(opens the kitchen cabinet)* Oh god! Oh!

Phoebe: What?

Mike: OK, I don't want to freak you out or anything, but I think I just saw a rat in your cupboard.

Phoebe: *(relieved)* Oh, whew, no, that's Bob.

Mike: What, is he your pet rat?

Phoebe: Well not so much a pet as, you know, an occasional visitor who I put food out for, you know. Kinda like Santa. Except Santa doesn't poop on the plate of cookies.

Mike: You can't keep a rat in your apartment! They're extremely unsanitary, and they transmit leptospirosis and hantavirus.

Phoebe: What are those?

Mike: I don't know but they don't sound like spa treatments. You have to get rid of it!

Phoebe: OK, fine, if it means that much to you I'll get rid of Bob.

Mike: Thank you.

Phoebe: So weird, you think he's so gross and you're willing to eat his crackers. *(Mike throws out everything in his mouth)*

Scene:

Rachel's office, Rachel comes in and Gavin is there

Rachel: Hello.

Gavin: Hello

Rachel: Gavin, I just wanted to say thank you again for watching Emma yesterday during the presentation. I really owe you an apology.

Gavin: For what?

Rachel: Well, when we first met, you know, I thought you were pompous and arrogant and obnoxious ...

Gavin: Is this your first apology?

Rachel: No, I just mean that, you know, first impressions don't mean anything. And I-I think you're a really good guy and I'm sorry that I misjudged you. *(Heather walks in)*

Heather: Good morning!

Rachel: Hello. *(to Gavin)* But you know what, hey, new day, new leaf, I am just really really happy ... *(sees Gavin staring at Heather)* I'm sorry, obviously Heather's ass has something more important to say so I'll just wait 'till it's finished.

Gavin: What?

Rachel: I was giving you an apology and you were totally checking her out!

Gavin: I wasn't checking her out. I'm in fashion, I was looking at her skirt. Or was it pants? I didn't really see what happened below the ass area.

Rachel: Oh wow, you are really, you're really a creep.

Gavin: Why do you even care if I was looking at her? Are you jealous?

Rachel: Oh yeah, I'm jealous. "Oh Gavin, please, please look at my ass". *(Gavin starts looking)* Stop looking at my ass! I mean, I just think you are totally inappropriate, ok? This is a work environment, she's your subordinate.

Gavin: I thought it was ok when you slept with your old assistant Tag.

Rachel: That is totally different for two reasons. One - I didn't know that you knew that. And two, I wasn't some creep staring at his ass, we had a deep meaningful relationship.

Gavin: Huh. What's Tag's last name?

Rachel: It was ... *(can't remember)* oh my god. He didn't have a last name. It was just "Tag". You know, like Cher, or, you know, Moses.

Gavin: But it was a deep meaningful relationship.

Rachel: Oh, you know what - my first impression of you was absolutely right. You are arrogant, you are pompous ... Morgan! Morgan! Tag's last name was Morgan! Huh!

Gavin: It was Jones.

Rachel: Yeah well what are you, his boyfriend?

Scene:

Coffee place, Molly holding Emma and talking to Joey

Joey: Man, I wish I had a nanny like you.

Molly: You mean, when you were a baby.

Joey: Sure.

(Chandler is staring at Molly)

Monica: Would you stop staring at her?

Chandler: I wasn't staring. I was leering.

Monica: What's the big deal with her? Maybe she's attractive in an obvious kind of way.

Ross: Yeah, obvious beauty's the worst. You know, when it's right there in your face. Me, I like to have to work to find someone attractive. Makes me feel like I earned it.

Chandler: Looks like Joey is doing alright with her.

Monica: Yeah. Hey, that was nice of you guys to back off and let Joey get the girl for once.

Molly: *(to Ross)* I'm gonna take her back to the apartment.

Ross: Ok, I'll be home right after work. Ok, by Emma-Wemma-Demma, I love you - wovyou dovyou ...

Molly: Bye

Monica: They've elected me to talk to you about the baby talk - it's not so good.

Molly: I think it's sweet. *(goes to leave)*

Ross, Joey and Chandler: Bye, Emma-Wemma-Demma.

Rachel: *(to Joey)* Hey, listen, Joey, about Molly, I really prefer if you didn't go after her.

Joey: Why not?

Rachel: Because it took us months to find a good nanny and I wouldn't want anything to, you know, drive her away.

Joey: So, what, you think I'm just gonna sleep with her and never call her again and things are gonna get uncomfortable? *(thinks about it)* Yeah, sounds about right.

Ross: Come on, there are plenty of other women out thereok? Just - just forget about her, ok? Just, she's off limits.

Joey: Oh, man, why did have to go and say that for? Now that you told me I can't have it makes me want her even more!

Ross: What are you, a child?

Joey: Yes!

Ross: Joey, come on now, for me! Please, just-just try to focus your sexual energy on someone else.

Joey: Fine. *(looks around, then focuses on Monica)*

Monica: *(to Chandler)* Take me home! *(they quickly leave)*

Scene:

Phoebe's place, Phoebe and Mike are there

Phoebe: Hey Mikey

Mike: Hey P

Phoebe: What are you doing?

Mike: Setting rat traps.
Phoebe: To kill Bob??
Mike: No, no, to test his neck strength.
Phoebe: No, Mike, I don't want to kill him! I thought we were just gonna capture him and, and you know, set him free in the country side where he can maybe meet a friendly possum and a wisecracking owl.
Mike: Ok, ok, I'll throw away the traps.
Phoebe: I'll find Bob, I'll get him. Bob? *(starts looking)* Bob! Robert! *(looks at cabinet under sink)* Oh wait, I think I hear him. Oh - Oh my god! Bob had babies! Bob's a mom!
Mike: Better think of a new name for him.
Phoebe: I don't know, I kinda like Bob for a girl.
Mike: I don't know, I mean I'm not sure *(they hear cracking voice from somewhere else in the kitchen, probably a rat caught in a trap) ...*
Phoebe: Oh my god, we killed Bob!
Mike: Maybe it wasn't Bob, maybe it was a mouse.
Phoebe: Suzie? *(Runs over there to check)*
Scene:
Mon and Chan's, Ross enters
Ross: *(funny voice)* Whazzup???
Chandler: Seriously dude, 3 years ago.
Ross: Listen, can you do me a favor? I'm gonna be out today. Can you just keep an eye on Joey, make sure nothing happens between him and Molly?
Chandler: You don't trust him?
Ross: Wh - No. Some woman who sounded a lot like Joey called earlier and asked for her daughter, the "hot nanny".
Chandler: Is this really your long term plan, for me to run interference? Because I could get a job any day now.
Ross: You do appear right on the cusp of something. Come on man, I'm sure he'll lose interest in a week or two, but for now can you please just do this for me?
Chandler: All right, fine, but don't blame me if it doesn't work. Because you know as well as I do that once Joey sets his mind on something, more often than not, he's going to have sex with it.
Ross: Well we gotta do something, ok? Nannies like her don't grow on trees. *(pause)*
Chandler: Picturing that tree?
Ross: I am, yes.
Scene:
Hallway, Joey get out of his apartment and Chandler jumps out of his
Chandler: Where you going, Joe?
(Joey falls on floor and gets up)
Joey: For a walk.
Chandler: Oh. You mind if I join you?
Joey: Actually, that will be long. You know, I really need to organize my thoughts.
Chandler: Your thoughts? Plural?
Joey: All right, fine, I only have one thought! It's about the hot nanny, I gotta see her!
Chandler: I'm afraid I can't let you do that, Joe.
Joey: Now YOU'RE telling me I can't see her?? You guys are killing me! She's forbidden fruit! It's like ... like she's the princess and I'm the stable boy ... Why are you doing this, huh? Did Ross tell you not to let me go over there?
Chandler: Yes, as a matter of fact he did, so I can't let you go.
Joey: Huh. Interesting. Now there are obstacles. Hot nanny and me against the world. This is the kind of stuff great novels are made of.
Chandler: Great novels?
Joey: Fine ... mediocre porn
Scene:
Rachel's office, Rachel and Gavin there, phone rings, Gavin picks it up
Gavin: Gavin Mitchell's office.
Rachel: Rachel Green's office!! Give me that phone! *(takes the phone)* Hello, this is Rachel Green, how can I help you? Uh huh ... ok then ... I'll pass you back to your son *(gives phone to Gavin)*
Gavin: Hey Mom! No, that's just my secretary. *(Rachel is upset)*
Rachel: Um, excuse me Gavin, I have a question I need to ask you.
Gavin: Mom, I'll call you later. Yeah. *(hangs up)* *(to Rachel)* Yes?
Rachel: If you like looking at butts so much why don't you just go look at a mirror?
Gavin: Thank god you finally said that, I saw you make a note on your pad three hours ago. *(Rachel throws away that paper)* Man, I really bug you, don't I?
Rachel: Oh, please, I don't care about you enough to bug me. In fact, from now on, I'm going take the high road. And I'm going be very very nice to you, you "momma's boy", starting right now. *(door knock, Monica enters)*
Monica: Hey Rach!
Rachel: Hi!
Monica: Ready for your birthday lunch?
Rachel: Yeah I am, I am! Oh, but first of all, Monica, I would like to introduce you to my very talented colleague and more importantly my wonderful friend Gavin Mitchell.
Gavin: Pleased to meet you.
Monica: Pleased to meet you. So you're coming to Rachel's party tonight?
Rachel: Oh no no no no, Gavin can't, he

already has plans, most likely with his mother.
Gavin: Well I don't mind, I'll cancel. I would never miss my secretary's birthday. *(leaves)*
Rachel: Why did you invite him?? I can't stand that guy!
Monica: You were just being so nice to him!
Rachel: I was faking it! Can't you tell when I'm being fake? *(A man walks by)*
Rachel: Hey, Mr Phillips, nice suit!
Monica: Right there! That was so fake!
Rachel: Shh!
Scene:
Rachel's birthday party
Rachel: *(to Monica)* I still can't believe you invited Gavin. Alright, he is the last person I want to see.
Monica: Oh, you're welcome for the party. I'm glad you're having a good time.
Rachel: God, I hope he doesn't show up. Of course he's not gonna show up, the guy hates me.
Monica: Does he?
Rachel: What?
Monica: Maybe he's bothering you so much because he likes you. It's like in first grade when Skippy Langwild always pushed me on the playground because he secretly had a crush on me?
Rachel: Oh, Monica, you think Skippy liked you? Honey, all those buys had a bet to see if he can knock you over.
Molly: *(with Emma in a basinet)* She's out, I'm gonna take her home.
Rachel: Oh, ok, thank you. *(Molly leaves)* *(to Monica)* Do you see what all the guys see in her?
Monica: Wouldn't kick her out of bed. No more Vodka for me! *(put her glass down)* *(Joey comes over)*
Joey: Hey Rach, so can I sing happy birthday to you now?
Rachel: Yeah, sure!
Joey: Oh ... *(Starts to sing)* Happy birth ... *(sees Molly leaving)* oh, see you later *(runs after Molly)*
Monica: Hey Rach, somebody got you shoes!
Rachel: Oh, give me! *(opens the box happily, then gets freaked and throws away the box, she and Mon jump up the sofa)*
Phoebe: Be careful, be careful! These are my rat babies!
Mike: Yeah. We have rat babies now.
Rachel: Ahhhh , you brought rats to my birthday party?
Monica: So this is what a stroke feels like.
Phoebe: I had to bring them! We killed their mother, they're our responsibility now. You know, they require constant care. You should know that, Rachel, you're a mother.
Rachel: Are you comparing my daughter to a rat?
Phoebe: No! Seven rats! I think we should take them home, we need feed them.
Rachel: whhh wait, you're gonna leave my party to take care of a box of rats?
Phoebe: Well I'm sorry Rachel, but I'm not like you, ok? Not everyone can afford help. *(she and Mike leave)*
Ross: *(Ross gets out of the bathroom, sees Chandler)*
Ross: Where the hell are Joey and Molly? I asked you to watch them.
Chandler: *(In a helium voice, holding a balloon)* I'm sorry, I got a little occupied.
Ross: We have to stop them before something happens!
Chandler: *(still helium voice)* Right behind you, big guy! *(they both head for the door)*
Scene:
Ross's place, Molly and Joey are talking on the couch
Joey: So you see, Molly, what people don't understand it that acting is a discipline. It takes a lot of hard work.
Molly: So where did you study?
Joey: Oh, I didn't go to college.
Molly: No, where did you study acting?
Joey: Molly ... people don't study acting ... *(Ross and Chandler walk in, Joey looks disappointed)*
Ross: Molly, ah, do you mind giving us just a minute?
Molly: Sure, I'll go check on Emma.
Ross: Thanks. *(Molly gets up and walks away)*
Joey: *(upset)* Will the stable boy never get the princess??
Ross: What do you think you're gonna do, have sex with her right here on my couch?
Joey: No ... the leather sticks to my ass. You know, this isn't fair. What makes you think that I'm just gonna sleep with her and then blow her off? Huh? Can't you guys open your minds to the possibility that I actually like her, and might want something real? *(pause)* Look, the truth is, I haven't felt this way about anyone since Rachel, ok? I didn't think I could ever love again. *(pause)*
Ross and Chandler: Come on! Joe!
Joey: Ok *(admits)* *(knock on door, Ross opens, it's a woman)*
Woman: Hi, is Molly here?
Ross: Yeah, come on in. Molly?
Molly: *(goes out of the room)* Hey! Guys, this is Tabatha *(they kiss on the lips in a romantic way)*. *(to Ross)* I'll see you tomorrow.
Ross: Ok ... *(they leave the room, long pause)* Well, uh, Joey, I guess we have no problem.
Joey: It's like my favorite fairy tale come true! *(Chandler looks at him)* The princess, the stable boy and the lesbian!
Scene:
Phoebe's place, Phoebe and Mike enter
Phoebe: Ok, ok, you start preparing the formula and I start changing the box and then we gotta put them straight to bed.
Mike: Hey, when did we become one of those couples whose lives revolve around their rats?
Phoebe: Well, you know what, they're our responsibility now.
Mike: Ok, fine, these rats are our responsibility. What

happens when they mate and there are hundreds of them?
Phoebe: Mate? They're all brothers and sisters.
Mike: Yeah - not such a problem with rats. No, they're more of a "love the one you're with" kind of animals.
Phoebe: No. *(opens the box)* wh - get off your sister! Oh my god, what are we gonna do? We have 7 rats. So what if each of them has 7 rats? And then each of those have 7 rats? That's like ... *(starts counting with her fingers)* That's math I can't even do! What are we gonna do?
Mike: Well, I know this is gonna sound crazy, but, we could not let the box of rats ruin our lives.
Phoebe: Yeah, ok. I guess you're right. All right, so we should just give them away. But to nice families, with children, and reduced fat wheat thins. They're Bob's favorites.
Mike: It's gonna be ok.
Phoebe: You must think I'm crazy.
Mike: No, I think you're sweet.
Phoebe: Good. It's just so hard, it's hard for me to ... let them go. I guess it just brings back memories, you know, from ... when I gave birth to my brother's triplets and I had to give them up. *(Mike is shocked)* I haven't told you about that yet, have I?
Scene:
Rachel's party, Rachel is on the balcony, Monica goes there also
Monica: Hey!
Rachel: Hi. Thanks for the party, honey. Should I help you clean up?
Monica: No way! You had your party, now I have mine! Is everything alright?
Rachel: Yeah, I just get a little bummed when my birthday's over.
Monica: Well, at least you have one thing to be happy about. That jerk Gavin from your office didn't show up *(Gavin shows up at the balcony windows)*.
Rachel: Mmm hmm.
Gavin: Yeah, hey. *(comes in to the balcony)*
Monica: Oh, we weren't talking about you. No, no way to recover.
Rachel: No. *(Monica goes back inside)*
Gavin: Nice party.
Rachel: Well, it was, and you would have seen it if you didn't showed up at *(looks at his watch)* ... 9:30?? God! Oh, this party was lame ...
Monica: *(from inside)* Again, you're welcome.
Gavin: Look, I'll just give you this and go.
Rachel: Oh, you bought me a present! Why?
Gavin: Well, let me explain how birthday parties usually work. There are presents, and a cake, perhaps a fourth or fifth person. Ok, I ... got you the present to make up for being such a jerk to you earlier.
Rachel: Aww. Well, ok, well that's very nice. And you wrote a card *(opens the card)*. "From Gavin"
Gavin: I really mean it.
Rachel: *(opens the present, it's a green scarf)* Awww, awww, it's beautiful.
Gavin: You don't mind? *(puts it around her neck)* Well, what do you know, it fits!
Rachel: See, Gavin, you're capable of being a nice guy. Why did you give me such a hard time?
Gavin: I'm not sure.
Rachel: Well Monica seems to think it's because you have feelings for me.
Gavin: I do have feelings for you.
Rachel: You do?
Gavin: Yes, I feel that you are a little annoying.
Rachel: See? Why, Gavin, why? Right when I'm about to change my opinion of you, you go and you ... *(he kisses her)* and you do that ... *(they kiss again)* cut to Ross from his apartment, holding baby toys and is shocked to see them kissing
ENDING CREDITS
Chandler: *(sings in a helium voice)* First I was afraid, I was petrified *(very happy)*
Phoebe: *(walks in)* Hey
Chandler: *(normal voice)* Hi
Phoebe: Listen, I think I've left something here.
Chandler: Oh, well someone left this *(shows a green jacket)*. This is yours?
Phoebe: *(likes the jacket)* No, but I like it. I think I left one of my rat babies.
Chandler: Oh, uh, well, I haven't seen it but if I do I'll let you know.
Monica: Oh my god! Rat baby! Rat baby! Rat baby! *(screams from another room)*
Phoebe: *(realizes)* Ooh, maybe that's him!

913 The One Where Monica Sings

Scene:
Chandler and Monica's
Chandler: Hey!
Ross: Yeah! Yeah! OK! Sure! Look! Can we...can we talk about what happened here last night?
Chandler: Sure! Just give me a second to get all huffy and weird like you! Do you believe that who ever did something over here last night did what they did or didn't do ...I mean come on!
Ross: OK you...you really don't know what I am talking about?
Chandler: No!
Ross: OK! Last night after the party I saw Rachel kissing that jerk from her office out on your balcony.
Chandler: Our balcony? Seriously? That's so funny because I told Monica we should put lights on our

balcony. And she said "No, no. It's too cold, nobody will go out there." And I said "Maybe if we put some light out there they will!"

Ross: Right that's why I came over to talk about. Hum...I saw Rachel kissing some guy on your balcony, even though there were NO LIGHTS!

Chandler: So are you gonna...talk to her?

Ross: Why...Why should I? I mean if she wants to move on, that's fine!

Chandler: You know when "That's fine" sounds true when someone yells it and spits!

Ross: No I'm serious. I mean she wants to date people? Fine! I don't care but...at least she could have told me. You know I...I've been putting my life on hold and just concentrating on Emma but if she wants to go out there kissing guys she barely knows, then so will I! Very funny! Ross is gay! Ah! Ah!

Chandler: No no no. Good. So you're moving on? Do you have any idea where you're moving?

Ross: I don't know. I mean I have plenty of opportunity. Just just now there were some women at the coffee house smiled at me. And then the other day on the subway a woman "accidentally" sat on my hand.

Chandler: Dude, don't rub my face in your crazy single life!

Ross: Well, and how about this? There is an anthropologist at school who totally came on to me during the inter-departmental Potluck dinner.

Chandler: Why did I get married?!

Opening Credits

Scene:

Central Perk

Joey: Hey! Let me ask you guys something. I have a new headshot taken tomorrow right and the photographer said she thinks I should have my eyebrows waxed. Is that weird for a guy?

Phoebe: Well it depends.

Joey: On...?

Phoebe: On how far along he's in the sex change process!

Monica: No I totally disagree. No I think it's fine for a guy to do something like that. Such an actor. Not that you need to, your eyebrows are...

Joey: OK! Stop it you guys! Stop staring! You're freaking me out!

Phoebe: Your knuckles are kinda hairy too...

Joey: Oh man! I have to get those done too!

Phoebe: Wow! Talking about high maintenance

Joey: Hey hey! You dye your hair!

Phoebe: I'm a woman!

Joey: Argghh! Double standards!

Phoebe: Oh before I forget, are you coming to Mike's piano bar tonight?

Monica: Only if I don't have to get up and sing.

Phoebe: But everybody sings. It's so much fun! Last time this adorable old man got out there, forgot all of the words, flipped out and everyone booed him off the stage. So funny.

Monica: It's just, I'm not good at singing.

Phoebe: Oh! What's the matter? Are you scared? You're afraid I'm a better singer? You're afraid I'm gonna beat you at singing?

Monica: No no, it's not working on me. Wow! I must be growing up!

Phoebe: OK fine! Please come and support Mike. You don't have to sing.

Monica: So I don't have to sing and I can just sit there and pass judgments on others?

Phoebe: While drinking...

Monica: I'm there!

Rachel: Hi guys! Listen I really need your help. I think I did something really stupid.

Phoebe: Well yes Rachel but you got something so beautiful out there

Rachel: No not that. I kissed Gavin last night.

Phoebe: Oh my god.

Monica: You kissed him?

Rachel: Yeah. It was after the party, we were on the balcony and...

Monica: Wait wait wait. I was at home the whole time. How did I missed that?

Phoebe: It was the end of the party, you were probably ironing wrapping paper.

Monica: Oh yeah...So how did you end up kissing?

Rachel: You know we were all alone and he was being really nice to me and, oh and he gave me this scarf...

Monica: I thought you hated him?

Rachel: You know honey, there is a thin line between love and hate, and it turns out that line...is a scarf!

Monica: So are you thinking of starting up something with this guy?

Rachel: I don't know. It's so complicated. I work with this guy, you know, I have the baby, and I have Ross, and I just...I don't know what to do and I have to be at the office and see Gavin in ten minutes.

Monica: Sounds like you need to think about what you want, talk to Gavin, and you definitely should talk to Ross

Rachel: Or...I could call in sick and not deal with it at all...

Phoebe: Wow! Five-month maternity leave, you're back for four days, kiss a co-worker, call in sick, they are lucky to have you!

Scene:

Beauty salon

Salon girl: Hi

Joey: Hey. I'm here for my eyebrow appointment.

Salon girl: Name?

Joey: Chandler Bing.

Salon girl: Ok. Very good. Have a seat right over here Mr. Bing and Sonia will be right with you.

Joey: OK Thanks. *(Joey touches the hot wax)*. I touched the stuff

Sonia: I'll take care of it

Joey: Thanks. Do you get a lot of guys in here?

Sonia: Oh absolutely.

Joey: Oh good...

Sonia: Are you looking to meet somebody?

Joey: All right let's just do this.

Sonia: We'll get to the wax in a minute. First I want to tweeze some of the strays, ok? This may sting just a little bit...

Joey: Please I have an extremely high threshold...Holly Mother Of God! My face! My face! I'm all right! I'm all right! Just a little bit of shock that's all but I'll be fine you can go again. I'm OK *(He tries to avoid the tweezers)* Dammit! Woman! How Hoooww!

Scene:

Central Perk

Chandler: Hey it's the most eligible man in NY. How's the moving on going?

Ross: Not well. I went on the subway again and someone did sit on my hand but that person was neither female nor wearing pants.

Chandler: Well maybe you're going about this the wrong way. You know I mean think about it. Single white male, divorced three times, two illegitimate children. The personal ad writes itself...

Ross: That's funny...Do you think you'll ever work again?

Chandler: What are doing? You know I can only dish it out!

Ross: I can't believe Rachel just moved on and didn't say anything to me

Chandler: Maybe she didn't move on, you know...maybe that kiss was just an impulsive one-time birthday thing

Ross: No no, about a month ago she gave her number to some guy in a bar.

Chandler: Did she go out with him?

Ross: No. When he called, I...I threw the message away.

Chandler: Ah! The high road...

Ross: You know what? Enough! Enough talking! I have to get moving! Hey check out those two blondes over there! Hey come with me!

Chandler: Are you trying to get everybody divorced?

Ross: You don't have to do anything. It will just be easier if it is the two of us, like college, remember? You...you break the ice with some kind of jokes so that they know you're the funny one and I swoop in with some interesting conversation, so they'll see that I'm the brilliant, brooding, sexy one...

Chandler: I thought I had to make the jokes!

Ross: Don't you have to be at work?

Chandler: Oh come on! Hello! Hi! My name is Chandler, here's my friend Ross right here, and we were wondering you know if you're up for it. We only need six more people for a human pyramid...Swoop! Swoop!

Ross: Hum...So...hum...Oh hey I noticed you were reading the paper...another flood in Europe? Here's a question: "Would you... would you rather drown or be burnt alive?"

Blonde girl: Sorry...we were just leaving

Chandler: We still got it!

Scene:

Ross:

Rachel: Who is it?

Gavin: Gavin! I brought you some soup.

Rachel: Why?

Gavin: I heard you were sick...

Rachel: Oh! Right! Yeah! Hold on, I'll be just clean up in here a little bit! Hello Gavin

Gavin: I missed you at work today. How are you feeling?

Rachel: I a not gonna lie to you, I'm pretty sick

Gavin: Oh! Good! Because I was having a totally paranoid moment when I thought you called in sick to avoid me.

Rachel: Oh no no no

Gavin: So I had fun last night

Rachel: So did I

Gavin: Exactly how contagious is this thing you have? I mean is it a cold for standing on the balcony or did a monkey bite you?

Rachel: It's just a cold

Gavin: Do you have fever? Let me see. Hum...

Rachel: What? What's the matter?

Gavin: What's Ross doing to you on that picture?

Rachel: Oh he's dusting me with a fossil brush. He thought it would be funny.

Gavin: Right. Right. Ross. So what's the deal with you guys? I don't want to get in the middle of anything

Rachel: Oh you're not. You're not gonna get in the middle of anything, don't worry about Ross really, really. *(She hears the noise of the key in the lock)* Oh! Hide! That's Ross! Hide! Hide!

Gavin: Yeah! But you said not to worry about...

Rachel: I lied! And I'm not sick! Just stay behind the curtain!

Molly: Hi!

Rachel: Oh! Molly! You're not Ross.

Molly: No I'm here to take Emma to your mother's, remember?

Rachel: Right, right, yes!

Molly: Don't panic!

Rachel: What?

Molly: There is a man behind your curtain. I have a mace in my purse.

Rachel: No! That's OK! That's OK! That's OK! No no no no! This is my business associate Gavin. He's just being silly. Gavin come out from behind that curtain!

Gavin: Hi! Gavin! Please to meet you. It was my idea to stand there.

Molly: Hello! I just go and get Emma.

Rachel: OK.

Gavin: So hum...Why did I have to hide?

Rachel: I thought it was Ross.

Gavin: So what if it was? I thought there was nothing going on between you two...

Rachel: There isn't. There is totally isn't.

Gavin: You hear a key in the hole and you jump like a young bronco coming out of a chute for the first time. I used to be a rodeo clown.

Rachel: All right. Look. Gavin...I...I guess I felt guilty that you were here, which I shouldn't. You know Ross and I are not in any relationship but...he is the father of my child, and you know we do live together and plus there is just so much history...you know it's just...I don't know, I'm sorry, I'm just all over the place.

Gavin: It's OK. I know it's probably not my place but can I give you a piece of advice?

Rachel: Yes

Gavin: I think you should talk to Ross about all this.

Rachel: People keep saying that. Oh I'm sorry Gavin

Gavin: Don't be. It's just bad timing.

Rachel: So seriously...rodeo clown?

Gavin: One of the best, ma'am, one of the best...

Scene:

Mike's piano bar

Phoebe: "No time for losers, 'cause we are the champions of the world..." Thank you! *(Mike kisses Phoebe)*

Mike: Oh she's my girlfriend. That's not just how we do it here. I got to get a break and when we come back we've got Kenneth singing "I touch myself"...I'm not here to judge!

Phoebe: Hi hi...Oh you have got to sing.

Monica: No I told you I can't.

Phoebe: But you would have so much fun and you have a really nice voice.

Monica: What have you heard me sing?

Phoebe: All the time when you're cooking.

Monica: What?

Phoebe: Yeah you're always singing "Yummy yummy yummy, I've got love in my tummy"

Monica: Yeah I do rock that one.

Phoebe: OK so isn't there a little part of you that wants to get up there?

Monica: Just a little but...it's just so scary! I don't even know what I would sing...

Mike: Well I've got a book around...

Monica: "Delta Dawn"

Scene:

Central Perk

Ross: Hi! I could help not notice, but that's an unusual necklace

Woman: You already hit on me an hour ago

Ross: Right, so that's a firm "no". I cannot believe this, I just keep striking out.

Chandler: I don't get it neither, I mean you're obviously desperate, you're asking women how they want to be killed

Ross: This is great. Rachel's gonna keep kissing guys until she finds the one she wants and I'm gonna die alone.

Chandler: By drowning or...?!

Michelle: Why would he break up with me?

Her friend: I don't know sweetie.

Michelle: All I ever wanted was just love him and have him love me back. I mean, am I so unlovable?

Chandler: Well...

Ross: I know! *(he stands)*

Scene:

Piano bar

Mike: All right, that was Kenneth with his much too literal rendition of "I touch myself". Coming up next we've got Monica singing "Delta Dawn".

Monica: Wait wait! I can't sing in front of all these people.

Phoebe: Just pretend they're not even here! It's OK Monica, when that spotlight hits you it so bright you won't see anyone anyway.

Monica: Hi! I'm Monica and I'm gonna be singing "Delta Dawn" "Delta Dawn, what's that flower you have on? Could it be a faded rose from days gone by? ..."

Phoebe: Can you totally see through her shirt?

Mike: Like an X-Ray. Bad day not to wear a bra.

Monica: "To take you to his mansion in the sky-y?"

Scene:

Monica and Chandler's

Joey: Hey, I need your help.

Chandler: Wow, it seems serious. What seems to be the problem, Ashley Judd?

Joey: Look, I'll get new headshot taken, all right, so I want to get my eyebrows shaped

Chandler: I am sorry, moment to make fun of that, please!

Joey: I may be a sissy but I can still pound you into the ground. All right, it hurts so bad, I could only let her do one eyebrow and now... they don't match!

Chandler: It's like a baby caterpillar chasing its mama!

Joey: All right, look, you got to help me out, ok? Look, I have the magic marker, I want you to fill in the skinny one so I don't look stupid for my pictures.

Chandler: Ok. First of all, this is green!

Joey: What the hell am I supposed to do!

Chandler: All right, I will help you out but you have to promise me you will not tell anyone what I am about to tell you.

Joey: What, what.

Chandler: Ok, you know how most kids get their allowance from mowing the lawn or taking out the garbage, well I earned mine by plucking the eyebrows of my father and his "business" partners.

Joey: Oh my God!

Chandler: Yeah, well, I guess you don't need my help Victor Victoria!

Joey: Ok all right, no, no, no, no, I do, I do, I do, I need your help, but Chandler I don't know if I can take anymore plucking. It hurts so bad!

Chandler: Oh, not with my combination of ice cubes, aloe Vera and my gentle self-loathing touch.

Scene:

Piano Bar

Monica: "Take me to the mansion in the sky-y". I am sorry, the song is over. Did you see me out there?

Phoebe: Every little bit of you!

Monica: I can't believe I did this. I can't believe I'm singing for the people, and they liked me! Hey, did you hear that one shouting "look at those tips"! I mean, did I really help you get a lot of tips?

Mike: Sure.

Phoebe: Mon', not that you didn't sound good, but...

Monica: Good? Didn't you hear them...I was great! Thank you so much for making me do this. That's is the best gift ever.

Mike: Also a good gift? Underwear.

Scene:

Ross:

Michelle: Thank you so much for letting me do this. Public bathrooms freak me out, I can't even pee, let alone do anything else.

Ross: But, what's great is that you don't mind talking about it.

Michelle: It's so amazing I met you the same day that Eric broke up with me, because it's like you lose a boyfriend, you get a boyfriend.

Ross: Uh-ah!

Michelle: No don't worry, this is not some rebound thing. I am totally over Eric.

Ross: (*pauses*). Good choice Ross.

Rachel: Oh, hey! Hi, there you are, I've been looking for you everywhere!

Ross: Oh, yeah, hello, well, now, here I am.

Rachel: Listen, my mum is not bringing the baby back until nine o'clock. So I was hoping you and I could have a chance to kind of talk?somebody here?

Ross: Oh, yeah, yeah that's Michelle.

Rachel: Who?

Ross: Oh, just this woman I've been seeing.

Rachel: You've been seeing someone?

Ross: Yeah, didn't I mention that? Yeah, I mean, we haven't been going out for too long, but rather there is this amazing connection between us. I-I mean, in fact just before you came in she called me her boyfriend. I thought it was a little too soon, but it was also, you know, it was kinda nice.

Michelle: What are you taking amoxicillin for?

Ross: How great is this? You are already comfortable enough to look through my stuff. Oh, I am sorry Michelle, that's my roommate, Rachel.

Rachel: Hi, and I am also Emma's mother.

Michelle: Ah, who is Emma?

Ross: I told you about my daughter.

Michelle: This is your daughter? I can be your new mummy!

Scene:

Monica and Chandler's

Chandler: And done!

Joey: Oh my God! I didn't feel a thing! Hey, are you still looking for a job because you can tweeze circles around that sadistic bitch at the saloon

Chandler: Thanks. You wanna see what it looks like?

Joey: Yeah, yeah. Hey, they totally match! They look great! They look great! How you doing!

Chandler: Yeah, yeah, I think it looks pretty good. I was a little worried I was uncovering a birthmark right about there, but it turned out to be a little piece of chocolate.

Joey: Thank you so much.

Chandler: No problem.

Joey: Listen that's a pretty girly hour we just spent, we should add some manly make up for it.

Chandler: Yeah.

Joey: Comb my eyelashes.

Scene:

Piano Bar

Monica: Ok, for my next song I think I'll sing something a little more upbeat. All right? Oh, how about the Pointer Sisters' *I am so excited*. And make it bouncy!

Phoebe: Oh you'll probably take care of that on your hands.

Chandler: I am sorry I am late. You'll understand when you'll see Joey.

Monica: Honey, you're just in time, I'm about to sing another song!

Chandler: Really? In front of all this people?

Monica: And they love me!

Chandler: Oh my God!

Phoebe: Yes, she gives the people what they want.

Monica: All right, watch!

Monica: "Tonight's the night we're gonna make it happen, tonight we'll put all other things aside. Give in this time and show me some affection..."

Chandler: Are those my wife's nipples?

Phoebe: Oh? Isn't that funny? I didn't see that before, I wouldn't have let her go up again.

Chandler: I gotta stop this.

Monica: Oh, who cares, they still love me! "I am so excited..."

Chandler: You, touching yourself, out!

Scene:

Ross:

Rachel: Wow. She does that a lot!

Michelle: Ross, you didn't tell me you were a doctor!

Rachel: What, what, wait a minute! You haven't even told her you were a doctor, yet? How long have you known her, like an hour?

Michelle: Actually about an hour and a half.

Ross: I told you it wasn't long, but there is an amazing connection between us.

Michelle: You feel that too? Oh, I thought that was just me!

Ross: Are you kidding?

Michelle: Hey, do you want to go away this weekend?

Ross: We'll see.

Rachel: Ok, Ross, what's going on here, are we just bringing strange women back to the apartment now?

Ross: I don't know, are we just kissing guys on balconies?

Rachel: How do you know about that?

Ross: Through the magic of sight! I was here, putting our child to sleep...

Michelle: Emma.

Ross: When I happened to look through the window and I see you kissing a guy you know, for what? A week?

Rachel: Oh, that's what this is all about? Did you bring her up here to get back at me?

Michelle: No, actually, see I had to pee, 'cause I can't use public bathrooms because the doodie parasites.

Ross: Ok, Michelle, it's time to go.

Michelle: Well, call me!

Ross: Ok.

Michelle: No, wait, you don't have my phone number!

Ross: You know, if it's meant to be, I'll guess it. Bye, bye.

Rachel: Score.

Ross: Oh, I am sorry, did you not like her, because I was hoping that we could come to one of your kissing parties on the balcony.

Rachel: Oh God, I can't believe you're making such a big deal about this. It was one kiss, one guy, one time!

Ross: Oh, really!

Rachel: Yeah.

Ross: Oh, really!

Rachel: Oh yeah.

Ross: What about the guy from the bar?

Rachel: What? Who?

Ross: The guy you gave your number to.

Rachel: Whoa, how do you know about that?

Ross: Because he called her looking for you. So don't tell me this...this kissing this guy from work is a one time thing, ok? You've been out there in bars and on balconies for over a month now. And you didn't even have the courtesy to tell me.

Rachel: Why didn't I get that message?

Ross: What?

Rachel: From the guy in the bar, why didn't I get that message?

Ross: Because I folded it up and put in my pants pocket. Do you...do you not look there?

Rachel: Ross?

Ross: I never gave it to you.

Rachel: Why?

Ross: I don't know.

Rachel: Oh God. You know what? Who you think you are? Who are you to decide what messages I should or should not get?

Ross: Who am I?

Rachel: Yes.

Ross: I am the guy who's taking care of our baby while you're out at bars meeting guys!

Rachel: Oh my God, I cannot believe this. You know I actually came in here hoping to have a mature conversation with you About us! But I can't do that with someone who hides my messages and brings crazy women back to my apartment!

Ross: None of the sane ones wanted to come back with me! That's not the point. Ok? The point is you...you are the one Who moved on and didn't tell anyone!

Rachel: Oh, Ross, this is just so messed up! What's wrong with us? You know when people hear about our situation they Always ask, 撻 hat, you live together but you're not a couple? And you have a baby, isn't that weird??And I say 撻 o. You know what, it's not, because it works for us!But you know this doesn't work. In fact this is the opposite of working!

Ross: Uh, clearly.

Rachel: And you know, we said that we would, we would live together as long as this makes sense. An maybe this, you know, Just doesn't make sense anymore.

Ross: Yeah, maybe not. So what you wanna do?

Scene:

Joey's

Joey: Hey!

Rachel: Hi. Can Emma and I live here for a while?

Joey: Ha, oh, of course.

Rachel: Thank you.

Joey: Your eyebrows look weird.

Ending Credits

Chandler: *singing* "Jeremiah was a bullfrog. Was a good friend of mine, never understood a single word he said, but I helped him drink his wine." [to the Touching guy] So you just touch yourself for anything?

END

Scene:

Joey and Rachel's apartment. Rachel is in the kitchen as Joey enters from his bedroom.

Joey: Morning, roomy!

Rachel: Hey! You remembered to put clothes on this morning.

Joey: Fifth day's a charm.

Rachel: Oh, Joey, it's so great to be back here. I gotta tell you, you're making it so easy on me and Emma.

Joey: Hey, it's great having you back. You know, stay as long as you want, and when does she stop crying all night?

(*Ross enters.*)

Ross: Hey, you're not naked! So hey, Raych, when will we expect to see you tonight?

Rachel: Well, I'll probably be back to pick her up around six, but she's in the bedroom all ready to go. But she did actually fall back to sleep, so...

Joey: She's probably exhausted from all that adorable screaming she did last night.

Rachel: Bye!

(*She leaves.*)

Ross: Bye! Hey, I hope Emma isn't making it too hard on you.

Joey: No, hey, it's been great.

Ross: Yeah?

Joey: Yeah. And look, I just want you to know that with Rachel staying here and everything, all my feelings from before are totally over, okay? And even if they weren't, when you accidentally walk in on a woman using a breast pump...

Ross: Yeah, that'll do it.

Joey: Wow! So, how are you?

Ross: I'm, I'm okay.

Joey: Really?

Ross: Sure, I mean, do I wish me and Rachel living together would have worked out? Of course. You know, I'm disappointed, but it's not like it's a divorce.

Joey: Well, actually it...

Ross: No, it's not a divorce, it is not a divorce! Anyway, I think Rachel and I need to, you know, get on with our lives, maybe, maybe start seeing other people.

Joey: Wow, really?

Ross: Yeah, sure, why not? In fact, if you know anyone that would be good for me...

Joey: Sure, I know lots of girls.

Ross: Yeah? Any names come to mind?

Joey: Ooh, names?

Opening credits

Scene:

Joey and Rachel's apartment. Joey is there as Phoebe enters.

Phoebe: Hey.

Joey: Hey. I was just gonna get something to eat. You want something?

Phoebe: What you got?

Joey: (*checks the refrigerator*) Okay, let's see, we got strained peas, strained carrots... Ooh! Strained plums. We haven't tried that yet.

Phoebe: Goodie! Thanks. So, how is it living with Rachel again? I mean, apart from the great food.

Joey: I'm fine, I'm fine, it's just, it's just weird what's happening with her and Ross. You know, yesterday he asked me to fix him up with somebody.

Phoebe: Oh my god, Rachel asked me if I knew anyone for her too.

Joey: Why are they doing this?

Phoebe: I don't know. They're so perfect for each other; it's crazy.

Joey: You know what's crazy? These jars. What is it, like two bites in here?

Phoebe: I just wish they'd realize they should be together.

Joey: I know, I know. And when they moved back in together, I figured y'know, that's where things were headed.

Phoebe: I know. They should be a family. They should get married and have more children.

Joey: Yes, and they should name one of their kids Joey. I may not have kids; someone's gotta carry on the family name.

Phoebe: You know what? Maybe once they start dating, and they see what's out there, they'll realize how good they are for each other.

Joey: Yeah, because it is slim pickings. I had this date last night: Yuck! But we should probably keep it down; she's still in the bedroom.

Phoebe: So, what are we gonna do? Are we just gonna go ahead and set them up with people?

Joey: I know; that just pushes them further and further apart.

Phoebe: Yeah. ... Oh, I know what we can do. We could set Ross and Rachel up on horrible dates, so that they'll realize how good they are together.

Joey: Ooh, that's a great plan!

Phoebe: Yeah, you know what the best part of it is? I get to do my "plan-laugh." (*A maniacal laugh follows.*)

(*They both start laughing really loudly.*)

Joey: Shhh! Not so loud, we don't wanna wake up, uh...

(*He looks at his bedroom door, but he can't remember the name of the girl.*)

Scene:

Monica and Chandler's apartment. They're in the kitchen as Rachel enters.

Rachel: Hey!

Monica: Hey!

Rachel: You guys aren't doing anything tonight, are you?

Rachel: Oh, sorry, it's my phone. Hello?

Monica: *(on phone)* Hey, Raych, how's it going?

Rachel: Oh my god, this is the worst date ever! *(Steve starts crying loudly.)*

Rachel: *(to Steve)* Look, you know what, I'm sorry, but did you really think that this was going well? *(To Monica.)* What's up?

Monica: Hey, did you stop by here?

Rachel: No.

Monica: Oh my god, then...

(Joey and Chandler enter with Emma.)

Monica: Oh, thank god! Emma, there you are!

Rachel: What? What do you mean, "there you are"? Where was she?

Monica: Oh, we were playing "peek-a-boo." She just? She loves it when I'm dramatic.

(Monica hangs up, and Rachel looks at her phone.)

Monica: *(to Joey)* Why the hell did you take her?

Joey: Because you two were having sex!

Monica: No, we weren't!

Joey: Don't you lie to me! I could tell by Chandler's hair. *(To Chandler.)* You are so lazy. Can't you get on top for once?

Chandler: All right, all right, we were. We were trying to make a baby. Monica's ovulating.

Joey: Hey! It is unacceptable that you two would have sex with Emma in the next room. I'm gonna have to tell Rachel about this.

(Joey starts to leave.)

Chandler: No, no, no.

Monica: No, please don't. Please, Joey. She will kill us!

Joey: Hey, I gotta! Unless...

Monica: Unless what?

Joey: Unless you name your firstborn child Joey.

Chandler: What? Why?

Joey: Hey, I may never have kids, and somebody's gotta carry on my family name.

Chandler: Your family name is Tribbiani.

Joey:...*(Laughs.)* You almost had me.

(He leaves.)

Scene:
The street in front of Central Perk. Steve and Rachel are still there.

Rachel: Well, uh...

Steve: Look, I think I know the answer to this question, but... Would you like to make love to me?

Rachel: Really, really not.

Steve: Eh, it's just as well. Doesn't work anyway.

Rachel: All right, well that's good to know. Good night, Steve.

(She walks over to Central Perk and enters to find Ross sitting on the couch, eating crab cakes. She takes off her coat while groaning and shuddering.)

Ross: Hey, what's wrong?

Rachel: I just had a rough night.

Ross: Oh. Crab cake?

Rachel: Eww!

Ross: Well, what happened?

Rachel: Oh, well, I... It's kind of weird talking to you about this, but...

Ross: Monica told me you had a blind date.

Rachel: Yeah.

Ross: I did, too.

Rachel: Oh.

Ross: But is it technically a date if the other person doesn't show up?

Rachel: Oh, oh no. Do you think she walked in, saw you and left?

Ross: Why does everyone keep saying that?

Rachel: Well, if it makes you feel any better, I wish my date hadn't shown up.

Ross: That bad?

Rachel: Well, he makes t-shirts for a living, and he thought it would be appropriate to give me this. *(She holds up a black t-shirt with "FBI - Female Body Inspector" on the front.)*

Ross: Female body inspector? What size is that? *(Cut to outside. Phoebe and Joey are walking down the street to Central Perk.)*

Phoebe: Now, wait a minute. So, they're gonna name their first child Joey?

Joey: Uh-huh.

Phoebe: How - how do I get them to name the next one after me?

Joey: It's easy, you just walk in on them having sex.

Phoebe: Oh, so they owe me like, three Phobes. *(Phoebe sees Rachel and Ross through the window.)*

Phoebe: Oh my god! Look, it's Ross and Rachel. Oh, the plan is working.

(Joey does the "plan-laugh.")

Phoebe: Don't, don't do the plan-laugh.

(Cut to inside Central Perk.)

Ross: The first date we've had in months, and they were both such disasters.

Rachel: Oh. Huh. You know, it is weird that Phoebe would set me up on a date that was awful on the same night that Joey set you up on a date that didn't even show.

Ross: Wait a minute; you don't think it was intentional? I mean, that's just stupid.

(Cut to outside Central Perk.)

Joey: We're geniuses! Yeah, look at them, look at them, they're really bonding.

Phoebe: Oh, yeah, they're falling in love all over again.

(Rachel and Ross turn around and look at Phoebe and Joey with puzzled expressions on their faces.)

Phoebe: Oh, they see us! Oh, they, they look mad. Oh, they figured it out. They're coming this way. Run!

Joey: Where?

Phoebe: Mexico!

(They run down the street with Ross and Rachel following right behind them.)

End credits
Scene:
Delmonico's restaurant. Ross and Joey are sitting at a table for four. The waiter is pouring water in their glasses.

Joey: Can you believe they're still not here?

Ross: I know. A double blind date, and we both get stood up. What are the chances?

Joey: I know, I'm so bummed. Can we have our free crab cakes now?

Waiter: What?

Joey: We've been stood up. *(sniffles)* And we want our free crab cakes.

Waiter: Guys, give it a rest. Nobody's betting on you tonight. Although we do have a pool going to see how long it takes that guy to cry.

(He points at Steve who's sitting at another table. He's staring at his hands.)

Steve: I have such fat hands! *(He starts crying.)*

915 The One With The Mugging

Scene:
Central Perk, Joey, Ross, Monica and Phoebe are there as Chandler enters

Chandler: *(excited)* Guys, guys, I've got great news! Guess what...

Joey: Uh, ah, Monica's pregnant?!

Monica: *(shocked)* Really? *(She looks around, suddenly embarrassed)* Let's get past the moment.

Phoebe: What's your news?

Chandler: Thank you. I got a job in advertising. *(Everybody cheers)*

Monica: *(hugging Chandler)* Oh, honey, that's incredible!

Phoebe: *(inquisitive)* Gosh, what's the pay like? *(Everybody stares at her indignantly)* Oh, come on people... *(defending)* come on, now, if I don't know who makes the most, how do I know who I like the most! *(She looks at Joey)* Hey Joey! *(Joey winks at her)*

Chandler: Actually, it pays nothing. It's an internship.

Joey: Oh, that's cool. We have interns at "Days Of Our Lives".

Chandler: Right. So, it'll be the same except...less sex with you. *(Joey nods)*

Ross: So, uh, what kinda stuff do you think they'll have you do there?

Chandler: Well, it's a training program, but at the end, they hire the people they like.

Phoebe: *(enthusiastic)* That's great.

Chandler: Yeah, I mean, there's probably gonna be some ground work which will probably stink, you know, grown man getting people coffee is a little humiliating

(At the same time, Gunther puts down a cup of coffee in front of Chandler)

Chandler: *(grinning awkwardly)* Humiliating and noble! *(Gunther shoots a nasty look at him while leaving)*

Ross: You know, if I didn't already have a job, I think, I would have been really good in advertising.

Monica: Ross, you did not come up with "got milk"?

Ross: Yes, I did! *(He turns to Joey, disappointed)* I should have written it down!

Scene:
Monica and Chandler's Apartment, Monica sits at the table

Joey: *(entering)* Hey!

Monica: Hey!

Joey: Where's Chandler? I wanna wish him good luck on his first day. *(Monica smiles)* ... and I smelled bacon. *(taking some)*

Monica: He just left.

Joey: *(puzzled)* Who did? *(Monica looks bewildered)*

Rachel: *(entering)* Joey! You never gonna believe it: she called.

Joey: *(standing up, surprised)* She did?

Rachel: *(enthusiastic)* You got it!

Joey: *(still surprised)* I did?

Monica: What is she talking about?

Joey: I don't know, but it sounds great.

Rachel: Your agent called. You got that audition.

Joey: With Lennart Haze?

Rachel: Yes.

Joey: Oh my god, that is great! That is *** for a play on Broadway...and in a real theatre, not that little one underneath the dally like last time.

Monica: Is it a good play?

Joey: Well, it must be, because I read and I didn't understand a single word.

Rachel: Yeah, and Lennart Haze is starring in it...

Joey: Yeah, yeah, and directing.

Monica: *(sighs)* He was so good in that movie of MacBeth.

Rachel: *(disbelieving)* You saw that?

Monica: No, but...I saw the previews. They played it right before Jackass.

Rachel and Joey: *(pointing at Monica, a look of recognition in their faces)* Ah!

Joey: Yeah, he's done some amazing works.

Rachel: Oh, yeah. Oh, I loved him in those cell phone commercials.

Joey: *(almost laughing)* I know. When the monkey hits him in the face with that giant rubber phone. *(They all laugh)*

Monica: Hey! Maybe the monkey will be at the audition!

Joey: *(sitting down)* Don't make me more nervous than I

already am!

Scene:
Chandler's new workplace, his fellow interns are already seated around a table

Chandler: *(entering)* Good morning, everybody.

Intern: Can I get you a cup of coffee, Sir?

Chandler: Oh, no, no, I'm an intern, just like you guys...except for the tie, the briefcase...and the fact that I can rent a car.

Intern: Seriously, you're an intern?

Chandler: Yeah, well, I'm kinda heading into a new career direction and, you know, you gotta start at the bottom.

Intern: *(shaking his head disbelievingly)* Dude!

Chandler: Right. Look, I know I'm a little bit older than you guys, but it's not like I'm Bob Hope *(he sits down)*

(Everybody gives him an inquiring look)

Chandler: The comedian? USO?!

Intern: *(correcting him)* Uhm, it's USA, sir.

(Chandler desperately covers his head in his hands)

Scene:
Audition room, Joey is lead into the room by a receptionist in a fancy dress

Receptionist: This is Joey Tribbiani. Joey, these are the producers and, as you probably already know, this is Lennart Haze.

(Lennart Haze turns around in his chair to face Joey)

Joey: It is so amazing to meet you. *(They are shaking hands)* I'm such a big fan of your work.

Lennart: Well, I've...I've been blessed with a...a lot of great roles.

Joey: Tell me about it! "Unlimited nights and weekends!"

Lennart: You making fun of me? Because I am not a sell-out. *(He stands up and walks menacingly towards Joey)* I didn't do that for the money, I believe in those phones. I almost lost a cousin because of bad wireless service.

Joey: No, I-I-I wasn't making fun of you, honestly, I-I think you were great in those commercials.

Lennart: Really?

Joey: Yeah.

Lennart: Well, I do bring a certain credibility to the role.

Joey: *(regaining confidence)* Are you kiddin'? When they shoot you out of that cannon...

Lennart: Peeeeeeeeoooooooooch *(He mimes flying out of the cannon)* "Hang up that phone!" One take!

Joey: Wow!

Lennart: So, shall we read?

Joey: Oh, yeah, sure.

Lennart: Top of act two. This is my entrance. You got it?

(Joey nods whereupon Lennart acts as if he is entering a room)

Lennart: "What the hell are you still doing here?" *(Joey stares at him, fascinated by his performance)*

Joey: Err, "I think you know".

Lennart: "Bastard"!

Joey: "I am what you made me. You know what? I could go right now."

Lennart: "Go, go!"

Joey: "I can't. Oh, I want to, long pause, but I can't."

Lennart: I'm sorry, sorry. You're not supposed to say "long pause"

Joey: *(understandingly)* Oh, oh, I thought that was your character's name, you know, I thought you were like an Indian or something, you know with a...*(He mimes wearing a feather on his head)*

Lennart: No. Thank you so much for coming in. We appreciate it, thank you.

Joey: Ah, y-y-you're sure you don't want me to do it again? I could do it with an accent, you know, Southern *(He speaks in what he believes is a Southern accent)* "I could go right now, maaan!"

Lennart: *(stunned, muttering)* My god in heaven. *(The producers stand up)*

Producer #1: Joey, hang on for a second. Lennart, can we talk to you for a moment?

(They stand aside, talking)

Lennart: You, you gotta be kidding. See, h-he, he can't act. *(Joey hears that and his disappointment is reflected in his facial expression.)*

(Producer #1 whispers something)

Lennart: Hey! I-I-I don't care if he's hot, you know. If you want to sleep with him, do it on your own time. *(Joey smiles smugly at this)* This is a play. No, listen: if you insist on this, I will call my agent so fast on a cell phone that has a connection that is so clear he's gonna think I'm next door.

(Joey approaches them)

Joey: *(interrupting their conversation)* Ah, hi, ah. Thank you so much for whispering for my benefit, but, ah, look, if you just tell me what I did wrong, I'd just love to work on it and come back and try it again for you. And, and also: *(to Producer #1)* 'How you doing?' *(to Lennart again)* You should, please, just gimme another chance. I really wanna get better, please.

Lennart: Well, if you wanna come back at the end of the day today, here are my notes. Ready?

Joey: Yeah.

Lennart: Uhm, you're in your head. You-you're thinking way too much.

Joey: I really doubt that.

Lennart: *(explaining to Joey, who nods fervently.)* No, no, no. It's that you're not connected with anything in your body. There's no urgency. The scene is a struggle, uhm, it's a race. Also, what you did was horizontal. Don't be afraid to explore the vertical. And don't learn the words. Let the words learn you.

(Joey ponders on this for a while)

Joey: (suggesting.) Couldn't I just sleep with the producer?

Scene:

Backstreet, Ross and Phoebe walking

Phoebe: Hey, do you wanna go to dinner tonight?

Ross: Oh, I can't. I've got a date with that waitress, Katy, yeah. I know we've been only going out like twice, but I have a really good feeling about her.

Phoebe: Oh, I hear divorce bells.

(A mugger, his face hidden by a cap, approaches them from behind)

Mugger: Alright. Just give me your wallets and there won't be a problem.

Ross: (taken aback) What?

Mugger: I have a gun (It looks like he has a gun under his coat)

Ross: O-ok. Just relax, Phoebe, just stay calm. (He searches his coat and freaks out). Oh my god, I can't find my wallet.

(He finally finds the wallet and hands it to the mugger)

Mugger: Alright, lady, now give me your purse!

Phoebe: No.

(still in a high-pitched voice) What do you mean "no"? I knew you'd be my death, Phoebe Buffay.

(A sign of recognition runs across Phoebe's face)

Phoebe: Lowell, is that you?

Lowell: Phoebe? (He lifts his cap) Oh my god!

Phoebe: (simultaneously) Oh my god!

(They hug and scream)

Phoebe: (excited) I'm sorry, Ross, this is my old friend Lowell from the streets. Lowell, Ross.

Lowell: Ross, nice to meet you. (He stretches his hand out to him)

Ross: Yeah, a real pleasure.

Phoebe: Ah, it's been so long, so long. (They hug again) I can't believe you're still doing this!

Lowell: Oh, I know, but I quit smoking!

Phoebe: Good for you!

Lowell: So you look like you're doing really well! I guess you're mugging days are behind you?

Phoebe: Uh-huh. (she nods)

Ross: (shocked) Oh my god. Phoebe, you used to mug people?

Phoebe: Excuse me, Ross, old friends catching up...

Scene:

Monica and Chandler's Apartment, Monica sits on the couch as Joey enters

Monica: Hey, how did the audition go?

Joey: Well, they wanna see me again this afternoon, but, err, well, Lennart Haze did not like me. (He sits down)

Monica: What happened?

Joey: Well, he said I wasn't urgent enough, you know, and that everything I did was horizontal and I should be more vertical. Oh, and he said that I should think less.

Monica: So far so good! (Joey nods)

Chandler: (entering, carrying a large box) Honey, I'm old!

Monica: (standing up, walking towards him) What's wrong?

Chandler: I am so much older than these other interns. I can't compete with them.

Monica: So you're a little older. Try to look at the positive: You have all this life experience.

Chandler: Yes, but I don't think life experience with these. (He opens the box and takes an inline skate-like sneaker out)

Joey: Woosoooooooooo (He takes the sneaker) It's like they're on fire!

Monica: What are they? (They sit down again.)

Chandler: They're these prototype sneakers and come up with ideas on how to sell them which I can't do because no self-respecting adult would ever where these.

Joey: (determined) I'll give you \$500 for them!

Chandler: What am I supposed to do with these?

Monica: Ah, come on, sneakers are easy. You wear sneakers all the time.

Chandler: Well, first of all, they're not called "sneakers" anymore. Apparently, they're called "kicks" or "skids" and I think I heard somebody say "slorps". (He takes a sneaker) And here, look: they've got these wheels to pop out from the bottom so you can roll around 'cause, apparently, walking is too much exercise. Kids, kids, roll your way to childhood obesity! (to Monica) Would you help me try to sell these?

Monica: Okay, have you considered using a girl with huge knockers?

Chandler: No, I don't think that's the kinda thing they're looking for.

Joey: Hey, that'd work on me! Why did I get to buy Mrs. Butterwords?

Scene:

Central Perk, Monica sits on the couch as Phoebe and Ross enter

All: Hey, hey!

Ross: Hey, you'll never guess what just happened...Phoebe and I got mugged!

Monica: You okay?!

Ross: (sitting down) Yeah, because Phoebe knew the mugger!

Monica: (bewildered) How do you know a mugger?

Phoebe: I'm sorry I have friends outside the six of us.

Ross: You wanna know how she knew him? (He points at Phoebe) Because Phoebe used to mug people.

Monica: (shocked) Seriously?!

Phoebe: Well, I'm not proud of it, but, you know...sometimes when I was living on the street and I needed money for food and stuff I...

Monica: (disapproving) Phoebe, that is awful!

Phoebe: Well, ok, I wasn't rich like you guys, ok, I didn't eat gold and have a flying pony...I had a hard life, my mother was killed by a drug dealer...

Monica: You're mother killed herself!

Phoebe: She was a drug dealer!

Ross: Well, anyway, it was a good thing Phoebe knew the mugger, because (menacingly) I was about to do some serious damage!

Phoebe: (laughing) Okay...

Monica: Well, this must've brought back some really bad memories for you, Ross.

Phoebe: Why?

Monica: Well, Ross was mugged as a kid.

Phoebe: (worried) You were?

Ross: Yeah, it was pretty traumatic. I was outside St. Marc's Comics...you know, I-I-I was just there minding my own business, you know, seeing what kinda trouble Spiderman got into that week-

Monica: (coughing) Wonderwoman!

Ross: Anyway, I was heading towards this bakery, you know, to pick up a couple of dozen Linzer torts for someone... (He looks at Monica) ...when outta nowhere this thug with a pipe jumps out and says: "Gimme your money, punk!"

Phoebe: (shocked) Oh my god...

Ross: I know! And-and the worst part was they took my backpack which had all the original artwork I had done for my own comic book: "Science Boy"

Monica: Oh yeah! What was his superpower again?

Ross: A superhuman thirst for knowledge.

Monica: That's it.

Ross: Well, I-I better get to class (He stands up) Are there any more of your friends I should look out for on my way, Phoebe?

Phoebe: No...actually, you might wanna stay away from Jane street...that's where Stabby Joe works.

(Ross leaves Central Perk.)

Phoebe: Okay, I think we have a problem here.

Monica: What?

Phoebe: Well, uh, back in my mugging days, you know, I, uh, I worked St. Marc's Comics.

Monica: Yeah?

Phoebe: Well, a pipe was my weapon of choice and, uh, pre-teen comic book nerds were my meat.

Monica: So?

Phoebe: Well, there was this one kid who had a sticker on his backpack that said-

Phoebe and Monica: "Geology rocks!"

Monica: Oh my god!

Phoebe: I know...I mugged Ross!

Scene:

Audition room, the producers and Lennart are waiting for Joey

Receptionist: You're late!

Joey: (entering) I know, I'm sorry, but can I just have a quick second to run to the bathroom?

Receptionist: No, Lennart doesn't wait!

Joey: But I'm bursting with u-hu!

Lennart: (spotting Joey) Joey! Here we go. Let's go very quickly!

Joey: Actually, I really need...

Lennart: (interrupting) We must go now, quickly, please.

Joey: Yes...ahahaaa (He seems to be in pain)

Lennart: Ready? "What the hell are you still doing here?"

Joey: (walking on the spot) "I think you know!"

Lennart: "Oh, you sick bastard!"

Joey: "I am what you made me! You know what?"

Lennart: "What?"

Joey: "I could go right now."

Lennart: "Then go, go!"

Joey: (urgent) "I, oh, I can't. I want to, but I can't!"

Lennart: Cut! That was good. (He turns to the producers) That was very good. You did everything I asked for.

Joey: (disbelieving) I did?

Lennart: Yes. Plus...what you've got that...I don't know what you've got going...this squirm quality that you bring into the character that I couldn't've even imagined. Wow, hey, here's what we gonna do: come back tomorrow for the final callbacks with the ***, do all of this what you've got going now, but - you know what? - more, more. Can you do that?

Joey: Sure, yeah. I don't have time to say thank you because I really gotta go. (He grabs his jacket and limps out of the room)

Lennart: (watching Joey leave) Look at that: still in character, I like it...I plant seeds I can't explain.

Scene:

Monica and Chandler's Apartment, Chandler sits on the couch as Monica and Rachel enter

Monica: Hey!

Chandler: Hey!

Monica: What are you doing?

Chandler: Putting on the sneakers...thought I'd get into a younger mindset, you know, to see if it sparked anything...

Rachel: Oh, anything yet?

Chandler: Yes, how's this: They're so uncomfortable it's like getting kicked in the nuts for your feet!

(At that moment, Joey opens the door)

Joey: (entering) Hey!

All: Hey!

(Joey heads straight for the fridge, takes all the beverage cans and is about to leave the apartment)

Joey: Probably wanna know what I'm doing...?

Monica: No, that seems about right.

Joey: Yesterday at my audition, I really had to pee, and apparently, having to pee makes me a really good actor. I got a call-back, so I'm drinking everything. Oh, by the way, that egg nog in our fridge was great!

Rachel: Joey, that was formula.

Joey: We gotta get more of that. (He leaves the apartment)

Chandler: (sitting on the couch) You know what...these aren't half-bad! (to Rachel) You should suggest something like these to Ralph Lauren.

Rachel: Okay, first of all, that's stupid and second of all, I'm not allowed to talk to Ralph.

Chandler: Alright (He stands wearing the sneakers on) I feel younger already!

(He trips and falls hard on his back)

Chandler: (on the floor) yeah, I think I broke my hip.

Scene:

Central Perk, Phoebe is there drinking coffee and Ross is about to enter

Phoebe: (spotting Ross) Hey, you!

Ross: Hey!

Phoebe: Hey, how was class?

Ross: No one ever asked me that, what's wrong?

Phoebe: Nothing, I really wanna know.

Ross: Oh... (He looks positively surprised) Well, uhm, there was actually a rather lively discussion about the Pleistocene...

Phoebe: (interrupting) Alright, nothing is worth this. Uhm, I have a confession to make...uhm, okay, you know, that girl that mugged you when you were a kid...

Ross: (disbelieving) Wh-What are you talking about? It wasn't a girl. It was this huge dude.

Phoebe: You don't have to lie anymore, Ross, I know that it was a fourteen year-old girl.

Ross: No, it wasn't.

Phoebe: Yes, it was.

Ross: No, it wasn't. You don't think I would've defended myself against a fourteen year-old...

Phoebe: (interrupting, pinching his year) "Gimme your money, punk!"

Ross: (shocked) Oh my god, it was you! I can't believe it, you...you mugged me?

Phoebe: (apologetic) Yeah, and I'm so, so sorry, Ross, I'm sorry, but, you know, if you think about it, it's kinda neat. (She smiles at him, but he doesn't understand) I mean, well, it's just that I've always felt kinda like an outsider, you know, the rest of you have these connections that go way back and, you know, now, you and I have...have a great one!

Ross: It's not the best!

Phoebe: I know, I'm sorry, please forgive me. I don't know what to say...

Ross: There's nothing you can say. That was the most humiliating thing that ever happened to me.

Phoebe: Really? Even more humiliating than...

Ross: (interrupting) Hey, let's not do this!

(He picks up his briefcase and walks out of the door, leaving Phoebe behind)

Scene:

Chandler's new workplace, we are witnessing a presentation of a fellow intern

Intern: ...and then, at the end of the commercial, the girls get out of the hut tub and start making out with each other!

Boss: (ironic) That's interesting! Just one thought: You didn't mention the shoes. Who's next? (Chandler raises his hand) Chandler...

Chandler: Okay...(He stands up) You start on the image of a guy putting on the shoes. He's about my age...

Intern: (snorting) Your age?

Chandler: A-huh. So he's rolling down the street and he starts to lose control, you know...maybe he falls...maybe hurts himself. Just then, a kid comes flying by wearing the shoes. He jumps over the old guy and laughs, and the line reads: "Not suitable for adults!"

Boss: Chandler, that's great!

Chandler: Oh, thank you, sir...or man-whose-two-years-younger-than-me (He sits down again)

Boss: You see? That has a clear selling point. It appeals to our key demographic, it's... (enthusiastic) You did you come up with that?

Chandler: (over-enthusiastic) I don't know, I don't I don't know! I was just trying to get into a young mindset, you know, and it just started to flow.

Boss: That is great. Good work!

Chandler: Thank you.

Boss: See all of you tomorrow. (He leaves)

(Chandler stands up and walks out the room with a cane.)

Chandler: The cold weather hurts my hip!

Scene:

Central Perk, Ross sits in a chair as Phoebe enters

Phoebe: Hey, Ross! (He lowers his newspaper and scowls at her) I know you're still mad at me, but can I just talk to you for a second?

Ross: Sure, go ahead. Whoops, sorry, sure, go ahead. (He raises his hands as if being mugged)

Phoebe: I just really wanted to apologize again and...and also show you something I think you'll find very exciting.

(She puts a box on her lap, labelled "crap from the street")

Ross: (faking enthusiasm) Oh my god, crap from the street? (She smiles excitedly, but Ross just turns back to his newspaper)

Phoebe: Look, Ross, in this box are all the things I got

from mugging that I thought were too special to sell...or smoke. (*Ross looks at her in astonishment*) Anyway, I was looking through it and I found "Science Boy" (*She holds up some sheets of paper and hands them to Ross*)

Ross: Oh my god. (*He sighs*) I never thought I'd see this again. (*He browses through the pages*) It's all here. What made you save it all these years?

Phoebe: I can't say, I just thought it was really good...and...maybe would be worth something some day.

Ross: You really thought "Science Boy" was worth saving!

Phoebe: Yeah...but you should know, I also have a jar of vaseline and a cat skull in here.

Ross: Still...this is amazing...Oh my god, thank you, Phoebe.

Phoebe: You're welcome. And thank you for "Science Boy". I learned a lot from him

Ross: You're welcome.

Scene:

Audition room, Joey and Lennart are rehearsing

Joey: (*hoping frantically on the spot, screaming*) "I need an answer!"

Lennart: "I-I-I can't tell you somethin' I don't know."

Joey: "You know!"

Lennart: "I don't know!"

Joey: "I need an answer now!"

Lennart: "Alright, here, you want an answer...the answer...is..."

(*He pauses while Joey struggles to avoid wetting his pants*)

Joey: (*screaming*) Oh!

Lennart: "She never loved me, she only loved you."

Joey: "You knew this all along and you never told me? You never told me? I can never forgive you, I can never forgive myself, I have nothing to live for – Bang – End Scene!"

Lennart: Absolutely amazing! (*The producers applaud Joey*) The part is yours.

Joey: (*in pain*) Oh thanks, thanks! Now, I really have to get...

Lennart: Wa-wa-wa-wait! Congratulations! You did it! You did it! (*He hugs Joey*) You can relax now. Yeah.

(*Joey relaxes and wets his pants while hugging Lennart*)

Closing Credits

Scene:

Monica and Chandler's Apartment, Monica sits at the table reading the mail

Monica: Wow, that's a big cable bill! Huh, you don't have a job, but you have no problem ordering porn...on a Saturday afternoon?!

(*shocked*) I was in the house!

Ross: (*entering*) Hey, uhm, Phoebe didn't by any chance mention that...

Monica: ...that she was the huge guy that mugged you? Yeah.

Ross: I see. You didn't happen to tell...

Monica: ...everybody we know? Yeah.

Ross: Great. Thanks! (*He leaves*)

916 The One With The Boob Job

Scene:

Chandler and Monica's apartment. Chandler and Monica are looking through some papers.

Chandler: Did you see our bank statement? Could this be right?

Monica: I know...God. I haven't seen my savings take a hit like this since I was a kid and they came up with double-stuffed Oreos. What happened to all our money?

Chandler: I'm not sure what they did...but I'm inclined to blame [xxx?].

Monica: I guess with you doing the internship, we're spending more than we're bringing in.

Chandler: Maybe I should quit and get a job that pays.

Monica: Oh...But you're finally doing something that you love! I can't ask you to give that up. Though it'd be nice if the thing that you love was...y'know...finding gold.

Chandler: You know what? You know what? I think we're making too big a deal out of this. ok? So we pay our bills a little late this month. And maybe next month we cut back on a few things. And maybe we start eating out of Joey's refridgerator for a change. You're a chef...what can you make out of baking soda and beer?

Monica: Ok worse case scenario is...we borrow some money from my parents.

Chandler: No! We're not borrowing money.

Monica: Why not?

Chandler: Because we don't do that. We are Bings! And if there's one thing my father taught me was...well to always knock before going into the poolhouse...but the other thing was...never borrow money.

Monica: Wow! I had no idea you had this much pride.

Chandler: That's right! I do! And I'm your man. And I'm going to get us through this situation even if it means you working twice as hard.

Opening Credits

Scene:

Phoebe's apartment. Mike and Phoebe seem to have finished watching a movie on television.

Mike: I'm gonna go. (*He kisses Phoebe on the cheek.*)

Phoebe: Why?

Mike: I haven't been home in a couple of days and I need to get some more clothes.

Phoebe: Oh...you don't have to go...I have something that will fit you.

Mike: I put that tube top on as a joke.

Phoebe: I want you to stay.

Mike: I want to stay too but I've got about as much out of these boxers as I can.

Phoebe: Why don't you turn them inside out?

Mike: Done it. (*Phoebe becomes a little more subdued.*) I'll be back in a couple of hours.

Phoebe: I'll miss you.

Mike: Me too. (*He leaves. A few moments later, he enters again.*)

Mike: You know what? I just realized something. I don't wanna go home.

Phoebe: Great! Ok...I'll go get the tube top.

Mike: No, no! What I mean is...I hate going back to my apartment now...And partly because I live above a known crack den but...mostly because when I'm there...It's just...I really miss you. So...Do you want to move in together?

Phoebe: Wow...Mike Hannigan...You sure know how to make a girl say "Hell yeah!"

Mike: So we're doing it?

Phoebe: Yeah! Let's do it! Let's live together! (*They embrace and Mike kisses Phoebe.*)

Phoebe: Oh god...We're really going to move in together!

Mike: Yeah!

Phoebe: I've always wanted to live with a guy..."Pick up your socks!" "Put down the toilet seat!" "No! We're not having sex anymore!" It's gonna be fun!

Scene:

Joey's apartment. Monica enters.

Monica: Hey Joey!

Joey: Hey!

Monica: Listen...I need to know that what I'm about to ask you will never get back to Chandler.

(*Joey frowns...then looks as if he understands.*)

Joey: I'd be lying if I said I haven't thought about it myself...Chandler is my best friend...It would be wrong. Good. (*He winks.*) ...But wrong.

Monica: ; (*Looks exasperated.*) Ok first of all...It would be great. But that's not what I'm here to talk to you about. I need to borrow some money.

Joey: Awww...I don't know Monica...You know...erm...lending friends money is always a mistake.

Monica: But Chandler lent you money!

Joey: And I think he would tell you it was a mistake.

Monica: Come on...I just need it for some rent and...and some other bills.

Joey: Oh...how much?

Monica: Two thousand dollars?

Joey: Two thousand dollars!? What do you think I am? I soap opera star!

Monica: Yeah.

Joey: That's right I am! (*Opens drawer and rummages through it. Rachel enters.*)

Rachel: Hi you guys!

Joey & Monica: Hey!

Joey: Oo...what's in the bag?

Rachel: Oh er...well you know Emma started crawling? I realized that this place, is very unsafe for a baby. So I went to the store and got some stuff to baby-proof the apartment.

Joey: Oh...baby-proofing...Why is this such a big deal now? Y'know...when I was a kid it was like... "Whoops! Joey fell down the stairs!" or er... "Whoops! Joey electrocuted himself again!" Huh!

Monica: Anyway erm...Are you going to get a handyman to install this stuff?

Rachel: No. I was just going to do this myself. (*Joey makes a sarcastic laugh.*)

Joey: You're gonna do it?

Rachel: Yeah...Why? You don't think a woman can do this?

Joey: Oh...Women can. You...can't.

Rachel: Monica...would you please tell Joey that he is a pig?

Monica: You're a pig. And you can't do this.

Rachel: What!? What!? Come on! I found the hardware store all by myself!

Joey: The hardware store is right down the street.

Rachel: There is a hardware store right down the street?

Scene:

Central Perk. Ross, Chandler and Monica are sitting on the couch. Phoebe and Mike enters.

Phoebe: Hey you guys! Ok...we've got great news.

Mike: Phoebe and I are moving in together.

Monica, Chandler, Ross: Congratulations! Good for you!/Great!

Phoebe: I know it's so exciting! You know I've never lived with a guy before.

Monica: Well you know it's just like living with a girl. Only they don't steal your makeup. Unless they're playing "This is what my sister would look like". (*Looks at Chandler.*)

Chandler: Yeah...she's not so cute.

Mike: I'm gonna go to the bathroom.

Phoebe: Ok...Well you put down the toilet seat.

Mike: Yes dear.

Monica: Is that a bit you guys do?

Phoebe: Uh huh...we're playing you two.

Monica: We don't do that! Tell her we don't do that!

Chandler: Yes dear.

Ross: I can't believe you guys are moving in together. That's...that's great! I mean...I'm happy for you guys.

Monica: I hear wedding bells.

Phoebe: Monica slow down! Ok? I'm just excited to be living with him. You know I mean...I don't know...Can I see someday being married to Mike? Sure! Yeah...You know...I can picture myself walking down the aisle in a wedding dress that highlights my breasts in an obvious yet classy way. But do I want that house in Connecticut...you know...near the good schools where Mike and I can send Sophie and Mike Junior... Oh my god I do.

Ross: Phoebe...I had no idea you were so conventional.

Phoebe: I know! I guess I am! Oh my god! Load up the Volvo I want to be a soccer mom!

Mike: You ready to go?

Phoebe: Yeah! You bet roomy!

Monica: Don't you mean...groomy?

Mike: What are you talking about?

Phoebe: Oh please...these guys...we haven't even moved in yet and they have us picking out china patterns. (*Mike seems to gag a little...and laughs nervously. They begin to leave. Phoebe bolts back.*)

Phoebe: China patterns!

Scene:

Joey's apartment. Rachel is fiddling with the drawer.

Rachel: This is easy...Can't do this! (*Moves away...and finds her sweater sleeve stuck to the drawer.*)

Rachel: Oh! Wow! Seriously I can't do this. (*Fiddles more.*)

Scene:

Central Perk. Chandler sits on the couch. Joey sits at the round table

Chandler: Hey Joe!

Joey: Hey!

Chandler: Listen er...I need to ask you a favor but you can't tell Monica anything about it.

Joey: I thought you didn't have secrets from Monica.

Chandler: And that would have made the official party line. (*Joey nods.*) Monica and I are having a little financial trouble.

Joey: Yeah...I know.

Chandler: What? What do you mean you know?

Joey: ER...I just figured it out! You know...I mean you're not working and the economy is bad.

Chandler: Oh! Right.

Joey: (*to himself*) That's the fastest I have ever thought!

Chandler: Anyway, er... I need to borrow some money.

Joey: Oh! Sure! How much? Two thousand dollars?

Chandler: Yes! Two thousand dollars exactly! How do you know that! (*Joey begins writing a cheque.*)

Joey: Er...Well I...Know how much you used to make...And I know how much your rent is. (*shrugs.*)

Chandler: Oh ok.

Joey: (*To himself*) I am on FIRE!

Chandler: (*Stands up and walks to Joey.*) Listen...this is really nice. Do you. (*sees his chequebook.*) Did you write a cheque to Monica for two thousand dollars? Did Monica borrow money from you?

Joey: Er...Kind of.

Chandler: I can't believe her! Did she tell you we were having money problems?

Joey: Oh no no no no...It wasn't...It wasn't because of your money problems...It was for something...for her.

Chandler: What?

Joey: Something personal.

Chandler: What would she get for herself for two thousand dollars that she wouldn't tell me about?

(*Woman with huge breasts cuts across them. Takes Joey's coffee.*)

Woman: Excuse me.

Joey: Boob job.

Chandler: I don't want her to get a boob job! That's crazy!

Joey: Well it's...It's not THAT crazy. ok? Making them smaller, that would be crazy.

Scene:

Phoebe's apartment. Phoebe and Mike are packing stuff.

Mike: Well hey...I wanna ask you about Monica's little "groomy" joke.

Phoebe: Oh! Alright. Well I think the reason people laugh is because it's a play on the word roomie.

Mike: I get the joke. Sophisticated as it was. Now the thing I wanna say is...Maybe we should have talked about this before. Us living together. You're not expecting a proposal...right?

Phoebe: Oh no! No no! Not at all. We're just moving in right now. See where it goes.

Mike: Yeah well...that's the thing. For me it's...as far as it can ever go.

Phoebe: What do you mean?

Mike: Look. Phoebe...I...I love you. Very much. But I never want to get married again.

Phoebe: Oh. Wow.

Mike: It's just my first marriage was...you know...such a disaster. I kind of lost faith in the whole idea.

Phoebe: Was it really that bad?

Mike: At one point near the end she deliberately defecated.

Phoebe: Ok...well that's bad...But don't you think it might be different with someone else? Perhaps a blonde who always uses a toilet. Except for once in the ocean.

Mike: Look it's not about who I would marry. And I was certain the first time I got married it would last forever. And I was totally wrong!

Phoebe: But it's just.

Mike: Look Phoebe...It's not about you. I just never wanna get married again.

Phoebe: Oh!

Mike: I'm sorry. Are you ok with that? Cause if not...maybe us moving in together isn't the best idea.

Phoebe: No! I definitely don't wanna get married. No I just wanted to make sure you didn't want to too. Whew! Coz you know when we move in...and you start changing your mind...there's gonna be hell to pay mister!

Mike: Trust me...I will never.

Phoebe: Yeah I get that.

Scene:

Joey's apartment. Rachel is flipping through magazines. Handyman is installing things. Monica enters.

Rachel: Hi!

Monica: So you gave in and decided to call someone?

Rachel: Yeah...I don't know who I was kidding. I can barely use chopsticks.

Handyman: You're all set.

Rachel: Oh thank you so much. Oh oh wait! You forgot your erm...Your game.

Handyman: Thanks.

(Chandler enters.)

Chandler: Hey Rach! There she is...My perfectly proportioned wife.

Rachel: Don't look at me I never get his jokes.

Monica: Thank you?

Chandler: Oh no...don't thank me. Thank you. You know there's not one thing I would change about you? Not one single thing! And definitely not...TWO...single things.

Monica: Ok...you're being weird. Do you want sex or did you do something bad?

Chandler: No no! I just love the way you look... I am warm...for your form.

Monica: Ok...You know the old classics, you know, "You look nice"? They're still ok.

Chandler: Well yes yes...You look nice can mean that your face looks nice. I want to compliment your BODY. I mean...I wouldn't change it...At all. And more specifically, I wouldn't want anything to get any bigger.

Monica: o...k.

Chandler: I mean...You wouldn't want any part of me to get any bigger would you? Don't answer that.

(He leaves.)

Rachel: Just when you thought that dude couldn't get any weirder.

Monica: I know, why do you think he was so worried about me getting bigger?

Rachel: I don't know! I mean...what brought that on?

Monica: Oh my god. We're trying to get pregnant so he's probably starting to freak out about the fact that my body is going to change.

Rachel: No...you really think that's what it is?

Monica: You heard him! "No bigger!" "You're perfect!" "Just don't get any bigger!" Oh my god he sounded just like my high school wrestling coach. You know what? I'm going to have to talk to Chandler.

Rachel: Yeah! If you don't I will! Of course your body's gonna change. Your breasts are gonna get bigger...Your ass is gonna get bigger...You're gonna lose bladder control. *(she starts sobbing.)* God! It's just such a magical time!

Scene:

Ross's apartment. Phoebe is at the door.

Phoebe: Hi.

Ross: Hey!

Phoebe: Listen, I wanted to ask you something about marriage.

Ross: Oh great now you're seeking me out to make jokes? I mean I can see for all hanging out but to come to my home!

Phoebe: No...I really wanted to know how you feel about it.

Ross: Why?

Phoebe: Mike doesn't ever wanna get married.

Ross: Never?

Phoebe: Never.

Ross: wow...are you still going to move in with him?

Phoebe: I want to...but I just want you to tell me that marriage isn't really that big a deal. You know...that I won't, I won't be missing out on anything. That marriage stinks!

Ross: Yeah...marriage...stinks! I mean if you wanna see a man gain weight and a woman stop shaving? Get them married.

Phoebe: That's not how you really feel is it?

Ross: No, I'm sorry. LOkk I don't think that's what you wanna hear right now but I can't help it. I love marriage.

Phoebe: Seriously? You divorce-o?

Ross: If you have to call me name, I prefer Ross the Divorcer. It's just cooler. Look...I know my marriages haven't exactly worked out. But I love to be that committed to another person. And Caroline and I had some good times before she became a lesbian! And once afterward. I'm sorry.

Phoebe: It's ok that's how you feel.

Ross: But come on! I mean living together will be great! I mean you guys have so much fun...and you love Mike.

Phoebe: I do love Mike.

Ross: Yeah see? And you are so excited about moving in together before... and you know what? You should be. It's a big deal!

Phoebe: Yeah I guess you're right. Yeah thanks. This helped. Thanks.

Ross: The Divorcer, to the rescue!

Phoebe: It's not cooler.

Ross: Yeah I just heard it.

Scene:

Joey's apartment. Joey enters carrying a tub of ice cream. He sets it on the table, takes off his jacket and struggles with the drawer. It cannot be opened.

Joey: Rach?!

(He walks over to the fridge to put it in, but it cannot be opened either.)

Joey: Rachel!?

(he walks to the bathroom and tries to lift the toilet seat cover. It won't come up.)

Joey: SO I CAN'T DO ANYTHING I LIKE!?!?!?

Scene:

Chandler and Monica's apartment. Chandler enters. Rachel and Monica are seated at the table.

Chandler: Hey Rach! Ah...Perfection. *(kisses Monica.)* Wouldn't change a thing. Not a thing.

Monica: Honey?

Chandler: Yeah?

Monica: About that? Erm...I'm going to change.

Chandler: But honey you don't have to.

Monica: I'm going to get bigger!

Chandler: Honey I...I love your breasts the way they are!

Rachel: Argh. ***.

Monica: Well, my breasts are going to get bigger weather you like it or not! And you know what? It's not just my breasts. My ass is going to get bigger too.

Chandler: YOUR ASS?!?!?

Rachel: Man, don't be surprised if her hands and her feet get bigger too!

Chandler: They...DO that?

Monica: It's kind of a package deal!

Chandler: God why why would you want to do that to yourself!?

Monica: I thought I was something that we both wanted!

Chandler: Alright look...if it means that much to you, I may be able to get on more with the big boobs. But the giant ass and the big clown feet?

Rachel: Oh my god Chandler! If you can't handle this, what are you going to be like in the hospital? With the blood and the screaming and the little present that's shooting out of her!?

Chandler: What?

Scene:

Joey's apartment. He's prying open the drawer with a crowbar to no avail. Monica, Rachel and Chandler enter.

Rachel: Joey! Why did you tell Chandler that Monica was getting a boob job?

Joey: Because she is!

Monica: Joey, Chandler knows I borrowed the money.

Joey: Mmmm hmmm! For your boob job!

Monica, Rachel, Chandler: It's over/Joey!

Joey: OK so I'm out four thousand dollars and nobody's boobs are getting any bigger?

Scene:

Phoebe's apartment. Ross is helping with the packing, Phoebe and Mike are also there.

Ross: Hey! What do you guys think about this. Ross. The Divorce-Force.

Phoebe: Better.

Mike: Very cool.

Ross: Hey Phobes...You know I'm I'm really glad you came to talk to me the other day and I hope I was a little helpful.

Phoebe: Oh yeah you were helpful! Yeah...No, thanks you.

Ross: Good, good. Yeah coz the more I thought about it, the more I realized I don't think marriage is necessarily the right path for you.

Phoebe: What do you mean?

Ross: Well, I know the other day in the coffeehouse you were caught up in the whole soccer mom thing? but...is that really you? I mean can you honestly picture yourself in a Volvo?

Phoebe: They are awfully boy.

Ross: I don't know...you'd be so bored with marriage. I mean it's so...normal.

Phoebe: Uh huh.

Chandler, Monica, Joey and Rachel are carrying a couch through the door

Ross: Hey hey, can I help?

Chandler: Well! We er...climbed up four flights of stairs, maneuvered a narrow hallway, dodged a rabid pitbull...but these last three feet are where it gets REALLY tricky.

Ross: You know, sometimes your words, they hurt.

Joey: Hey eh...where do you guys want this?

Rachel: Yeah...seriously coz this is really heavy. *(She suddenly lets go.)* I mean not for me because I'm only pretending to hold this, but for these guys.

Phoebe: Just one last time erm...the marriage thing...there's no wiggle room? None at all?

Mike: No but... You don't want to get married either right?

Phoebe: Right. Except that I do want to get married.

Joey: *(voice strained.)* Couldn't have this conversation down at the truck huh?

Mike: You...wanna get married?

Phoebe: Someday.

Chandler: Aaaaand...hernia.

Phoebe: I haven't exactly had a normal life and I never really felt I was missing out on anything but it just feels that now it's my turn some of the regular stuff.

Mike: But if you wanna get married why didn't you say something before?

Phoebe: Because I just didn't know how much I wanted it.

And I love you, and I wanted to live with you.

Mike: I want to live with you too! Let's do that!

Phoebe: But I don't think I can! It was ok to move in when I didn't know what was gonna happen, but I can't move in knowing that nothing is ever gonna happen.

Mike: Can we at least try living together? I mean you might change your mind about marriage.

Phoebe: Are you gonna change yours?

Mike: No.

Phoebe: Me neither. I think I need to be with someone who wants what I want.

Mike: But I don't want this to end.

Phoebe: I don't want it to end either.

Mike: I can't believe this is gonna end. I guess I'll have my stuff packed up.

Phoebe: Yeah.

Mike: Ok...so. *(They embrace.)* Goodbye.

Everyone: Bye bye Mike! See ya Mike.

Rachel: I'm so sorry Phobes.

Monica: We're all sorry. *(They hug.)*

Chandler: Ah...look on the bright side...I mean you won't have to live with this ugly chair! That was here already huh? I love you. *(they hug again.)*

Ending Credits

Scene:

Joey's apartment. Joey is struggling with the fridge. He finally gets it open.

Joey: AH HAH! I DID IT! HA HA! Alright. *(He takes a box out, about to close fridge, then thinks.)* Better take all I can carry...Who knows when I'll be able to get in here again!

END

917 The One With The Memorial Service

[Scene: Ross' apartment, Chandler and Joey enter]

Chandler: Hey! Ready to go?

Ross: Oh yeah, let me just finish this.

Joey: Hey Ross, check this out! *(he tries to spin a basketball on his fingertip but he throws it against a table)* yeah, I can't do that!

Chandler: What are you doin'?

Ross: Have you seen this? It's a new alumni website for college! It's cool! You can post messages for people, let everyone know what you're up to.

Chandler: Great, a faster way to tell people that I'm unemployed and childless.

Ross: It's actually kinda interesting to find out what people are doing... remember Andrea Rich?

Chandler: The tall girl who wouldn't sleep with you?

Ross: Uh uh... well, her Internet Company went under and she lost an ear in a boating accident...

Chandler: Bet she'd sleep with you now...

Ross: No... I already e-mailed her.

Chandler: Let me see what you wrote about yourself: "Doctor Paleontology, two kids..." *(pause)* You split with Carol because you have different interests?... I think you split with Carol because you've one very similar interest!

Ross: You know what? I'm gonna finish this later, ok? Let me just grab my coat.

Joey: Hey! *(he throws the basketball against a table again)*

Ross: *(he picks up the ball)* What do you think you learned how to do in the last two minutes?? *(he enters another room)*

Chandler: Maybe we finish this for him! *(he sits down on the sofa and he start typing on Ross' computer)* "Also I cloned a dinosaur in my lab. She's now my girlfriend. I don't care what society says. It's the best sex I've ever had"... aaand SEND!

Joey: *(he stops Chandler from posting the message)* No, no, no... what do... you can't do that to him!

Ross: *(he comes back)* Alright, let's go!

Joey: Dude! *(he opens his arms to receive the ball from Ross' hands)*

Ross: I think you made it clear you cannot be trusted with the ball inside the house!

Joey: *(after Ross leaves the room)* aaand SEND! *(he hits the send button)*

Opening credits

[Scene: Joey and Rachel's apartment]

Rachel: Hey! How was basketball?

Joey: Oh, it was a lot of fun right up until Chandler got a finger in the eye!

Rachel: Oh, no! Who did that?

Joey: Chandler... hey... *(he goes towards his room but he stops near Emma's cot)* Rach... what's Hugsy doin' in the crib with Emma? *(he looks puzzled)*

Rachel: She was just crawling around and she found him, so I just let her sleep with him. That's all right? Isn't it?

Joey: *(still very puzzled)* Oh, yeah... of course... yeah... it's a stuffed animal... you know... it's for kids... not for adults... I know that?

Rachel: Joey... are you sure? I mean, I know how much you love him!

Joey: Rachel... let's be clear on this, ok? I do not love Hugsy. I like him a normal amount...

Rachel: All right... Oh, Emma loves him!

Joey: Why wouldn't she? He's a wonderful person!

[Scene: Central Perk]

Phoebe: Hi.

Monica: Hey Phoebe... how you doin'? You feelin' better?

Phoebe: Breaking up sucks! Oh, I really miss Mike!

Chandler: Oh, I'm so sorry!

Phoebe: Oh God, I tried everything to make myself

feel better. I even tried writing a song about it... but... I can't think of anything that rhymes with AARRGGHH!! (pause) Hey Monica, I really need your help getting through this...

Chandler: You're not gonna need my help?

Phoebe: Well no, when I get to the point where... you know... I'm ready to hear cruel mocking jokes about Mike... I'm gonna come to you.

Chandler: Oh good, 'cause I've already thought of 3... 4! I've just thought of a fourth (he goes towards the counter)

Phoebe: Ok. I mean I know I did the right thing. You know, Mike never wants to get married and I shouldn't be in a relationship that has no future... but... pretty soon I'm gonna miss him so much. I'm gonna wanna see him again and you have to stop me from doing that.

Monica: Ok, you got it!

Phoebe: (after a pause) Unless... Maybe it's too crazy about this... Alright so... you know, there is no future... but that doesn't mean we still can't have fun. You know what? Forget what I said.

Monica: Really? If that's what you want...

Phoebe: That was a test and you just failed.

Monica: Damn it! Rookie mistake!
(Ross enters and he's really angry. He goes towards Chandler who's sitting at the counter)

Ross: (yelling at Chandler) I have sex with dinosaurs??

Chandler: I believe I read that somewhere!

Ross: That only is not funny, it's physically impossible! Ok? Depending on the species I'd have to have a six foot long... (pause) It's not funny!!

Chandler: I respectfully disagree.

Ross: I can't believe you put that on my alumni page!

Chandler: Who cares? Nobody reads those things

Ross: You'd better hope not because I just read what you put on your page today.

Chandler: I don't have a page.

Ross: Oh oh oh! I RESPECTFULLY DISAGREE!!

[Scene: Rachel's room. Rachel and Emma are sleeping; Joey sneaks in and approaches the crib]

Joey: Look at you, all sweet and innocent, sleeping like an angel... with Emma's chubby little hands wrapped around ya. (he picks up Hugsy) It's okay, Emma, you stay asleep. (Emma cries)

Rachel: (threatening Joey with a scrunchy): Step away from the crib, I have a weapon!

Joey: It's okay, it's okay Rach, it's me. Put down the scrunchy.

Rachel: What are you doing?

Joey: Well, I heard Emma stirring, so I came to make sure she could reach Hugsy.

Rachel: Oh, oh thanks. Alright well, now that I'm up I'm going to go to the bathroom.

Joey: (placing Hugsy back in the crib) There you go sweetie... (to Emma) This isn't over.

[Scene: Monica and Chandler's. Chandler is looking at the screen of his laptop, shaking his head.]

Monica: Alright, wait a second, why would Ross tell everyone in your class that you are as... (reads from the screen) "gay as the day is long"?

Chandler: Because I told everyone he slept with dinosaurs.

Monica: But that's clearly a joke. This could easily be true. (Phone rings)

Chandler: Would you get that please? People have been calling to congratulate me all day.

Monica: (On the phone) Hello? No, he's not here. Yeah, this is his wife. Yeah, well, it came as quite a shock to me too. I guess I should have known. Yeah, I mean, he just kept making me watch Moulin Rouge.

Chandler: Hang up, hang up. And that was a great movie! (Monica hangs up) I'm so gonna get back at Ross... oh yeah, this will show him, here we go (starts typing something).

Monica: What are you doing?

Chandler: Oh, you'll see my friend.

[Time lapse, still Chandler and Monica's, but only Chandler is there. Enter Ross]

Ross: (visibly upset) I'm dead?

Chandler: (faking sympathy) And so young.

Ross: Posting that I died? That really isn't funny.

Chandler: Well, how you died was funny.

Ross: Oh please, hit by a blimp?

Chandler: It kills over one americans every year.

Ross: Unbelievable, my classmates are gonna think I'm dead, my professors, my... my parents are gonna get phone calls. You're messing with people's feelings here.

Chandler: You wanna talk about people's feelings? You should have heard how hurt professor Stern was yesterday when I told him I wouldn't be able to go with him to Key West!

Ross: You've really crossed the line here, but that's okay, it's ok 'cause I'm on my way to buy some Photoshop software and a stack of gay porn. That's right! Your coming out is about to get real graphic.

[Scene: Phoebe's apartment]

Phoebe: God, I wish Mike were here.

Monica: Okay if Mike were here what would the two of you be doing?
(Phoebe gives her a meaningful look)

Monica: What are you, animals? It's 4 o'clock in the afternoon!

Phoebe: I gotta call him. Just to talk to him,

there's no harm in that.

Monica: Phoebe, that's how it starts. I don't need to eat the cake, I'll just smell the icing... why don't I just eat a little sliver, or okay, just a slice or two. And next thing you know, you're 210 pounds and you get wedged in going down the tunnel slide. Phoebe, honey, I know this is hard. Look, if you talk to him, you're going to wanna see him. And if you see him, you're going to want to get back together with him. I know that's not what you want. (pause) Give me your phone.

Phoebe: Here.

Monica: And now your cell.

Phoebe: Okay (she takes a huge, clearly obsolete cellphone she keeps in a closet and gives it to Monica)

Monica: This is your cellphone?

Phoebe: Yes.

Monica: This is your current cellphone?

Phoebe: Yes, it reminds me of a simpler time.

Monica: Phoebe, where's your purse?

(They run for Phoebe's purse, Phoebe gets there first and takes the cell. Monica tries to take it away from her)

Monica: No, no! Give it to me!

Phoebe: You can't have it.

Monica: Give it to me!

Phoebe: No (tucks it in her pants)

Monica: I'll go in there.

Phoebe: (disbelievingly) Oh yeah.

Monica: Phoebe come here
(they fight a little, the phone falls and Monica picks it up)

Monica: Haha!

Phoebe: Damn you Monica Geller hyphen Bing!

[Scene: Joey and Rachel's. Enter Joey]

Joey: Hey, look who's here! It's Joey, and he brought home a friend.

Rachel: Joey, Emma's right here! You promised not to bring girls home in the middle of the day anymore.

Joey: No, no, it's not a girl, it's... a brand new Hugsy!

Rachel: Oh that's so great, now Emma has two Hugsy's.

Joey: No, no, Emma has one Hugsy, the new Hugsy, huh? The other Hugsy, I don't know, I guess I'll just take it back.

Rachel: Oh you know what? When I was a little girl I had a little pink pony named Cotton. Oh I loved her so much, I took her everywhere, I would braid her tail...

Joey: Make the transfer! (She does so)

Rachel: Should I be concerned that a button fell off the old Hugsy and I can't find it?

Joey: Oh, no don't worry about that, I swallowed that years ago.
(Emma cries)

Rachel: Oh, I don't think she likes the new Hugsy.

Joey: But he's the same.

Rachel: Yeah, I think she wants the old one back.

Joey: But he's the same.

Rachel: Joey, come on!

Joey: He's the same!
(they exchange Hugsy's).

Joey: (to the new Hugsy) You're not the same!

[Scene: Phoebe's apartment. Enter Monica]

Monica: Haha!

Phoebe: You know, it's a lot less surprising to do that after I've buzzed you into the building.

Monica: So Phoebe, why are there men's shoes by the door.

Phoebe: Those are my shoes.

Monica: Oh, when you get over this breakup we need to go shopping.

Phoebe: Monica, I really appreciate you checking in on me, but I'm actually feeling a lot better. Yeah, I just kinda want to be alone right now.
(Someone knocks on the door)

Monica: Who's that? (goes to open door)

Phoebe: I ordered Chinese food.
(Monica opens the door and Mike is standing at the doorway)

Phoebe: What are the chances? 1 billion Chinese people and they send Mike!?

Monica: (To Mike) What are you doing here?

Mike: Phoebe called me.

Monica: Phoebe!

Phoebe: I'm sorry, I broke down... I wanted to see him.

Monica: Damn it Phoebe! How did you even call him?

Phoebe: There is a speakerphone on the base unit...

Monica: Base Unit! Think Monica! Think!

Mike: Look, if I wanna see Phoebe and she wants to see...
Monica: (to Mike) This doesn't concern you!!

Mike: Oh! Sorry, I guess I was thrown off by the mention of my name!

Monica: Look, guys, you can't do this, it's just going to make getting over each other, that much harder.

Phoebe: Not if nothing happens. Why can't... why can't we just hang out as friends?

Monica: Sure! If you're just gonna hang out as friends, then maybe I'll join ya. You know, I'm your friend (to Phoebe) and Mike's friend (Mike is sceptical).

Phoebe: Sit down.
(Phoebe and Mike sit next to each other)

Monica: Oh wow wow wow!! Make room for your friend!
(sits herself down between them)

Mike: (to Phoebe) So how've you been?

Monica: I've been pretty good!

Mike: (to Phoebe) You look really beautiful.

Phoebe: Thanks, you look good too.

Monica: Oh no no no no... this is dangerous territory. Keep it clean!

Phoebe: So how's the piano playing going?

Mike: Actually I've been playing a lot of love songs lately. I've missed you.

Phoebe: I've missed you too.
(Silence)

Monica: You know, on the way over here, I saw this drunk guy throw up. And then a pigeon ate it!

[Scene: Ross's Apartment: Ross is doing something on his laptop when Chandler walks in]

Chandler: Hey, Ross, I just wanted to apologize... (- looks at laptop screen)...don't tell me you actually made those gay pictures of me?

Ross: uhu uhu, check this out. (Chandler sits down and looks at laptop screen)

Chandler: Huh! So that's what I would look like if I worked out... and was being serviced by a policeman. You're not actually going to send these out are ya?

Ross: Eh...actually no, I don't need to because your little "Ross is dead" joke didn't work, ok, there were no responses. Nobody posted anything on the website, nobody called my parents, so the joke my friend is on you. Nobody called, nobody wrote anything, nobody cares that I'm dead. (silence) Oh my God! Nobody cares that I'm dead!?

Chandler: No, come on, you know that's not true.

Ross: What are you talking about? You get sixty responses just for coming out of the closet! I didn't get one response! And I'm dead!

Chandler: Well, the gay community is a lot more vocal than the dead community.

Ross: I can't believe this. Not even my geology lab partner? And I carried that guy! (gets up from his sofa)

Chandler: Alright look, let's think about this, ok, do you really think that people are gonna stir up your family at this tragic time? That people are gonna post condolences on a website? This is not about people not caring that you're dead. This is about people not having a decent outlet for their grief.

Ross: You're right. There isn't a decent outlet.

Chandler: Right, I mean, come on, I'm sure that if you had a funeral or a memorial service, tons of people would come.

Ross: Exactly!! (sits back down at his laptop and starts typing)

Chandler: Ross, what're you... what're you... what are you doing? (looks at laptop screen) You're having a memorial service for yourself!?

Ross: No! That would be stupid! You're having it for me!

Chandler: Ross, don't press send, don't press se... !

Ross: oh, too late, too late! It's sent... oops sorry and so is the picture of you and the police man...

[Scene: Joey's room: Joey is sitting on his bed reading Dool transcript when Rachel walks in]

Rachel: I'm trying to put Emma down for a nap, have you seen Hugsy?

Joey: Original or crappy?

Rachel: Original.

Joey: No, sorry haven't seen him.

Rachel: Then what's that big lump under your covers?

Joey: It's Monica, ok?

Rachel: That's not Monica!

Joey: Alright!! Fine! It's original Hugsy! No, now I know that Emma wants him but he's mine and I need him...

Rachel: (to herself) Oh God.

Joey: ... she's being unreasonable!

Rachel: (yelling) Joey, there is a reason that Emma loves that stupid penguin so much (Joey covers Hugsy's ears) Oh don't cover its ears! (stops yelling) It's because it reminds her of her uncle Joey!

Joey: It does?

Rachel: Yeah! And she's comforted by him because she loves her uncle Joey so much.

Joey: Really? She... she loves me?

Rachel: Oh yeah! But you know what? If you need Hugsy, don't worry, Emma will totally understand. I won't... but whatever (She leaves the room).

Joey: Ok, wait wait wait wait a minute wait a minute, I mean Rach, I mean if it... If Hugsy means that much to Emma then... well she can have him.

Rachel: Oooh... you're sweet, I knew uncle Joey would step up. (Turns to face Emma in the the playpen) Look Emma, look who's baack!

Joey: Look forget it forget it... I can't do it.

Rachel: Are you gonna... you're going to take Hugsy away from a little child?

Joey: How do you think I got him in the first place?

[Scene: Phoebe's apartment: Phoebe, Monica and Mike sitting on the couch]
(Monica is getting up from the couch)

Monica: Alright you two, I'm gonna go to the bathroom. Now I don't want anything going on while I'm gone. Here's a few things you can discuss: mucus, fungus and the idea of me and Ross doing it.

Mike: I've missed you so much! No, I'm not gonna ask you to get back together because I know we want different things, but just to be with you one more night.

Phoebe: I know, I want that too, but IS that going to make it too hard?

Mike: It can't be any harder than this... I mean, If I had known the last time I saw you would be the last time, I... I would have stopped to memorize your face, the way you move, everything about you. If I had known the last time I kissed you would have been the last time... I never would have stopped.

Monica: (running back into the room) Kiss him, you fool!!

Phoebe: What?

Monica: Didn't you hear that speech? If you don't kiss him then I will!

Phoebe: Oh, I missed you so much! (she kisses Mike)

Strange man: (he bounds into the house) I knew you'd be here!

Mike: Oh, crap!

Phoebe: Who is this?

Mike: My friend Manny. I asked him to keep me away from you.

Monica: Hi, that's what I'm doing for Phoebe!

Manny: Well, you are not doing a very good job!

Monica: Excuse me?

Manny: What's with the kissing?

Monica: Hey, at least I knew where my guy was.

Manny: Oh yeah yeah, thank God you were here to oversee all the kissing!

Monica: You didn't hear the speech!

Manny: I've heard the speech: *(in a mocking voice)* "If he knew it was gonna be the last time he saw her..."

Monica: Hey, it was very moving! You're just heartless!

Manny: You're weak!

Monica: You're... weird!

Manny: Your pants are undone!

Monica: Oh *(realizes her pants are undone and zips them up)*!

Manny: *(looking at the sofa)* Where did they go?

Monica: Damn it!

Manny: Oh we blew it. I blame myself.

Monica: And I blame you too.

[Scene: Monica and Chandler's apartment]

Ross: It's been an hour and not one of my classmates has shown up! I tell you, when I actually die some people are gonna get seriously haunted!

(someone knocks on the door)

Chandler: There you go! Someone came!

Ross: Oh, ok! I'm gonna go hide! Oh, this is so exciting, my first mourner! *(he hides in the bedroom and closes the door)*

(Chandler and Monica go open the door)

Monica: Hi, glad you could come.

Chandler: *(in a mournful voice)* Please, come in.

Tom: Hi, you're Chandler Bing, right? I'm Tom Gordon, I was in your class.

Chandler: Oh yes, yes... let me... take your coat.

Tom: Thanks... uh... I'm so sorry about Ross, it's...

Chandler: At least he died doing what he loved... watching blimps *(he goes in the bedroom)*

Ross: Who is he?

Chandler: Some guy, Tom Gordon.

Ross: I don't remember him, but then again I touched so many lives. *(they press their ears against the door)*

Monica: So, did you know Ross well?

Tom: Oh, actually I barely knew him. Yeah, I came because I heard Chandler's news. D'you know if he's seeing anyone?

Monica: *(a bit surprised)* Yes, he is. Me.

Tom: What? You... You... Oh! Can I ask you a personal question? Ho-how do you shave your beard so close?

Chandler: *(entering, very upset)* Ok Tommy, that's enough mourning for you! Here we go, bye bye!! *(he shoves him out the door)*

Tom: *(before leaving)* Hey, listen. Call me.

Chandler: Ok! *(shuts the door behind Tom)*

Ross: *(coming in)* I'm dead and no one cares?

Monica: I look like a man??

Chandler: Please, one ridiculous problem at a time!

Ross: It isn't ridiculous, look around! No one's here!

Chandler: You gave them one day's notice, not everyone in our class checks the web site everyday and Monica... it's probably the way you stand!

Ross: Yes, you're right. Still somebody must have seen it... I mean, I went to that school for 4 years, I didn't have an impact on anyone?

Chandler: Oh, that's not true. You had an impact on me, I mean, it's 15 years later and we're still best friends. Doesn't that count for something?

Ross: *(sceptical)* Yeah...

(someone knocks on the door) Oh, great. More party boys for Chandler!

Chandler: I'm sure it's somebody for you. Now, go hide. *(Ross hides in the bedroom again)*

(Chandler opens the door. A beautiful woman stands at the doorway)

Kori: Hi. I'm here for Ross Geller's memorial service.

Chandler: Kori? Kori Weston?

Kori: Yeah...

Chandler: Wow! You look amazing!

Kori: And you are...

Chandler: Chandler, Chandler Bing. I'm not gay, I'm not gay at all.

Monica: You are married though.

Chandler: Don't listen to him, he's in a really bad mood! *(lets her in)*

Kori: I can't believe that Ross is gone. It is just so sad.

Chandler: I didn't know Ross and you were so close.

Kori: We weren't but we had one class together. He was such a great guy and he talked so passionately about science. I always remembered him.

Chandler: I'm sure that would mean a lot to him. And if heaven has a door, I'm sure he's pressing his ear up against it and listening intently.

Kori: I thought so many times about calling him and asking him out. I guess I really missed my chance.

Ross: *(he bounds into the lounge room)* But you didn't! I'm still alive!! Kori, I know this is a big

surprise for you. It's a long story but the things you just said really made my day! I mean, the fact that you are here means more to me than if this room were filled with people!

Kori: You sick freak, who does that? I can't believe I had a crush on you! *(she leaves and slams the door behind her)*

Ross: Did you hear that? Kori Weston had a crush on me!!

Ending Credits

[Scene: Ross' apartment]

Ross: *(on the phone)* No Mum, I'm not dead. I know it's not something to kid about. It was just a practical joke between Chandler and me, but it's over, ok? *(pause)* Actually no, even if I had died, you would not be left childless. *(pause)* Monica?

918 The One With The Lottery

Scene: Central Perk - Chandler, Monica, Phoebe, Ross and Rachel are sitting on the sofas. Joey enters

Joey: Monica, hey, can I borrow the Porsche?

Monica: Ok.

Joey: Alright!

Monica: But ehm...what is it not?

Joey: *(abashed)* A place to entertain my lady friends.

Monica: And what else is it not?

Joey: *(even more abashed)* A place to eat spaghetti.

Monica: Very good! *(Gives him the keys)* What do you need it for anyway?

Joey: Oh well, the powerball lottery is upto 300 million and they don't sell tickets here in New York, so...

Rachel: Oh! So you're driving up to Connecticut?

Joey: *(hesitates for a moment)* Yeah Connecticut...Not West Virginia.

Monica: Hey, maybe I'll drive you up there! I'd like to buy some tickets myself!

Joey: Uh!

Monica: Yeah with Chandler not getting paid, we could really use 300 million dollars.

Chandler: Yeah, because if I was at my old job we'd say 300 million? No thank you!

Phoebe: Hey will you get me tickets too?

Rachel: Yeah me too. oh! I have an idea. Why don't we all pitch in 50 bucks, we'll pool our money together and then if we win, we'll split it!

Everyone almost simultaneously except Ross: yeah thats a great idea!

Ross: No thanks!

Phoebe: You don't wanna win the lottery?

Ross: *(in a mocking voice)* Uh... sure I do, and I also wanna be King of my own country and find out what happened to Amelia Earhart.

Chandler: Still on Amelia Earhart?

Ross: The woman just vanished!

Joey: Seriously, Ross, you don't want in on this?

Ross: No! Do you know what your odds are of winning the lottery? I...I mean you have a better chance of being struck by lightning 42 times.

Chandler: Yes but there's six of us so we'd only have to get struck by lightning 7 times.

Joey: I like those odds!

Ross: Seriously you guys, I can't believe you're going to spend 250 dollars on the lottery, I mean that's such a bunch of boohaki.

Chandler: *(looking around at the others)* It'll ask. *(To Ross)* Boohaki?

Ross: Oh oh, we think Emma is about to start talking so we're trying to be careful about what words we use in front of her

Rachel: Yeah so get ready to hear alot of ehm...boohaki, goshdarnit and brotherpucker.

Monica: How do you know she's gonna start talking?

Rachel: Well when I talk to her I almost feel like she understands what I'm saying.

Chandler: Kinda like Joey.

Joey: *(who wasn't paying attention)* What's that now?

Opening credits

Scene: Monica and Chandler's apartment. Monica, Chandler, Rachel and Joey are in the kitchen

Monica: God! Look at all these tickets! It's so exciting! You know I haven't won anything since the sixth grade.

Chandler: Pie eating contest?

Monica: Oh! You assume because I was heavy that's the only way I could win something?

Chandler: No, I saw a picture of you covered in blueberries.

Monica: *(smiling)* That was a good day!
(Suddenly Ross comes running into the apartment)

Ross: *(yelling to Monica)* They're towing your car, they're towing your car!!

Monica: I'm parked in a garage on Morton!

Ross: *(panting)* They're towing a car. And I am seeing...spots.

Joey: *(sounding panicky)* Oh my god Ross! You don't have Emma! And Rachel you don't have Emma! *(Starts yelling)* Where's Emma? Who has Emma!?

Rachel: Joey relax! My mother picked her up two hours ago. You were there!

Joey: *(not yelling anymore)* I was?

Rachel: Yes and you talked to her...

Joey: I did?

Rachel: She dropped off a casserole?

Joey: Oh yeah! The casserole lady.

Monica: *(to Ross)* So, did you come by to watch us win the big bucks?

Ross: Yeah, uh... and then I figured after you win, we could all go out to the balcony and see a night rainbow with gremilins dancing on top of it!

(phone starts ringing and Chandler comes running out of the bathroom)

Chandler: *(hysterical)* Don't touch the phone! I'll get it, I'll get it, I'll get it! *(picks up the phone)*

Ross: *(to Monica)* Think he washed his hands?

Chandler: *(into receiver)* Hello? Hey Charlie, what do you know?

Rachel: *(to Monica)* What's going on?

Monica: Chandler is supposed to find out if he's getting an assistant job at his ad agency. But out of the 15 interns, they are only hiring three.

Joey: Ooh! Tough odds!

Ross: *(mocking)* Yeah if only it were a sure thing like your 24 state lottery!

Joey: *(smiling)* Look who's coming around!

Chandler: *(Still on the phone)* Damn it. Alright call me when you know more.

Joey: *(excited)* Did you get it?

Chandler: One of the slots got filled.

Joey: *(Still excited)* By you?

Chandler: Sense the tone! No that kid Nate got it.

Monica: Oh! I hate that guy! I mean come on kid! Pull up your pants!

Chandler: Yeah I know.

Rachel: Well, there's two spots left right?

Chandler: Yeah...I mean I want this so much! I mean, I wanna get one, I want my friend Charlie to get one...Except I don't care about Charlie.

(Phoebe enters)

Phoebe: *(excited)* Hey you guys! Ok, you're not going to believe this! I just saw my psychic and she said I was definitely gonna win the lottery tonight!

Monica: Hey that reminds me, I thought we could use some extra luck so I brought a wishbone home from work.

Ross: *(mockingly)* A psychic AND a wishbone? Guys! Give someone else a chance!

Monica: Alright, who wants to do it?

Phoebe: Oh can I? Vegetarians never get to do the wishbone. It's really not fair either! You know, just because we don't eat the meat doesn't mean we don't like to play with the carcasses!

Monica: Ok, hey Rach?

Rachel: Oh no, I'm good, I don't wanna get that turkey smell all over my hands.

Joey: I'll do it!! It'll get the casserole stink off of mine. *(Phoebe and Joey both grab one side of the wishbone)*

Phoebe: I hope I win!

Monica: Well, it doesn't really matter ... you're both wishing for the same thing, right?

Joey: I can't tell you what I'm wishing for! Else...you know...won't come true!

Monica: Right! .. but we "know" what you're wishing for!

Joey: Can't really say!

Monica: I understand, but you're wishing for what we think you're wishing for, aren't you?

Joey: *(slightly irritated)* I'm not really comfortable with these questions!

Rachel, Chandler and Monica: Please, just do it!

Phoebe: One, two, three!
(they break the wishbone)

Joey: I won, hey!

Ross: You know what, I'm sure your wish is gonna come true, but, you guys - just in case, maybe a genie will come out if we rub this lamp! *(rubs lamp, stops because it's very hot)* Ah!! That thing gets hot!!

Rachel: You know, Ross, just keep making your jokes. How are you gonna feel if we actually do win?

Ross: Uh, you're not gonna win.

Rachel: Oh, I know, I know, the odds are against us, but somebody has to win, and it could be us! And then how you gonna feel? You know, we're gonna be all like "oh everybody, let's take our helicopters up to the cape" and you're gonna be all like "oh, I can't guys, I'll meet you guys up there, I gotta gas up the Hyundai!"

Ross: Ok, I've heard myself on tape and I sound nothing like that.

Chandler: I can see the headline now: "Lottery winners' friend filled with regret eats own arm".

Ross: Why would I eat my own arm?

Chandler: Well you wouldn't, but we own the paper, we can print whatever we want.

Monica: You know what, Ross? I'm gonna throw in 50 bucks for you.

Ross: Why?

Monica: Because I know that you think the lottery is "boohaki" but we're all here and gonna watch the numbers and have fun. And you're my brother, and I want you to be a part of this.

Ross: You don't have to do that, I'll pay for myself. But just the fact that you want me to have fun with you guys - that's so sweet! Come here *(they kiss and hug)*

Phoebe: Get a room!

Chandler: Ok, so now that you're in, what are you gonna do if we win?

Ross: I don't know, probably just invest it.

Chandler: Ooh! Calm down ...

Joey: Seriously, that's your fantasy? To invest it?

Ross: Oh, I'm sorry, did I say "invest it"? I meant "be cool and piss it all away" *(Joey and Chandler pleased)*

Joey: Ooh, ooh, I know! We should pool all our own money and buy the Knicks!

Rachel: I don't really care about the Knicks.

Joey: Oh, you will when I pick you as starting forward.

Rachel: *(touched)* You would do that? I never get picked!

Chandler: You know, I'm not sure a sports team is the way to go.

Joey: You're not gonna let me buy the Knicks?? I can't believe you're taking this away from me!

Chandler: You're right, it has been you dream for over 15 seconds.

Ross: (to Rachel) Uh, how long until they announce the numbers, Mommy? (pause)

Chandler: (looks around) I'll take this one too (to Ross) Uh ... Mommy?

Ross: Oh, I've gotten into the habit of calling Rachel "Mommy" when we're around Emma. Which I now realize we are not ...

Rachel: I'm hoping that if she hears it enough it will be her first word.

Ross: Although if we're gonna do that, we should probably call me "Daddy" too.

Phoebe: Oooh, I like that, "daddy" (in a sexy tone)

Ross: I ... I was just talking about Rachel.

Phoebe: (still in sexy tone) Oooh, is daddy getting angry? Is daddy gonna spank me?

Ross: (tries to be sexy too) Well that depends ... have you been a baad gi ... (stops) no I can't. (Phone rings, Chandler picks up)

Chandler: Hello? Hello? Oh, hey Charlie. Did anybody else hear? ... What? Susan got it? How? Oh man, I would have slept with him!! ... Alright, bye. (hangs up)

Joey: Dude, I'm sorry. But hey, there's one spot left, right?

Chandler: Well no, Charlie's gonna get that.

Monica: Hey, don't say that! You got just as good a chance as anybody else of getting that job!

Chandler: He's the boss's son.

Monica: Come on, lottery!! (everybody cheers)

Rachel: Ooh, you guys, it starts in like 20 minutes.

Monica: Ok, here we go. We need to sort out the tickets as quickly as possible to see if we've won. So does anybody have any ideas how to organize this? (doesn't let them answer) Ok, how about this: we divide them into 6 groups of 40, and the remaining 10 can be read by whoever finishes their pile first.

Rachel: Ooh, I have another idea!

Monica: I'm sorry, idea time is over.

Phoebe: Ok, well, are all the tickets in the bowl?

Monica: Yeah.

Chandler: What about the ones you have on the nightstand?

Monica: There are no tickets on the nightstand!

Chandler: Yes there are, I just saw them a few minutes ago. (Rachel get suspicious)

Monica: Un, no you didn't! You must be mistaken!

Chandler: Honey, there are like 20 tickets on the nightstand!

Monica: Chandler, sense the tone!! (Rachel comes out of their bedroom waving tickets)

Rachel: Well, well, well, look what mommy found!! (everyone's shocked)

Monica: Ok, fine!! I bought 20 extra tickets for me and Chandler.

Phoebe: Uh! The psychic also said that I would be betrayed.

Ross: I can't believe this, I thought we were all in this together!

Monica: Hey, you just got in 5 minutes ago!

Ross: 3 minutes ago!!! I don't know why that's important ...

Joey: I was with you the whole time we were in Connecticut, when did you even get those?

Monica: When you were reading the dirty magazines without taking off the plastic!

Joey: (to Ross) I'll show you how.

Rachel: Ok, well Monica, suppose one of your "special" tickets win? How are you gonna feel when you win the lottery and you lose all your friends?

Monica: Please ... if I win the lottery, you guys are not gonna leave me. Someone gave me a basket of mini-muffins last week and I couldn't get rid of you for 3 days!

Rachel: Chandler, would you just tell her what she did was wrong?

Chandler: (to Mon) She's right, you shouldn't have bought tickets just for us ...

Monica: Ahhh! (shocked)

Chandler: Let me finish ... (to everyone else) however, it doesn't look like I'm gonna get this job so I can't afford to have principles, so screw you, the tickets are ours!! (takes tickets from Rachel)

Monica: There's the man I married!!

Rachel: All right, believe me. If you win the lottery, it's the last you're gonna hear from us!

Monica: Fine! Don't be my friends! I'll buy new friends! Yeah, and then I'll pay for their plastic surgery so they'd look just like you!

Rachel: (surprised) OH! Alright, you know what? That's it! I want my share of the tickets (picks up the bowl)

Joey: Yeah, I want my tickets too (takes the bowl from Rachel) And I'm buying the Knicks! And Steffi Graff, ah ah!

Ross: Than I want mine, too (takes the bowl from Joey) And if I win I'm gonna put it all into a very low-yield bond.

Phoebe: Oh, you guys! We've got to keep all the tickets together (takes the bowl from Ross and puts it on the table)

Monica: No, no! We should divide them up (picks

up the bowl) and I should get extra because we used my card to buy them!

Joey: Hey, if anybody gets extra tickets, it should be me! This all thing was my idea! (takes the bowl from Monica)

Chandler: Oh, yeah! Thanks for inventing the lottery!

Rachel: Ok, that's it! Just give'em to me! I'll split them up! (she tries to snatch the bowl from Joey's hands but she can't, so she pinches his nipple and she manages to take it)

Joey: (in pain) Oh!

Phoebe: (she takes the bowl from Rachel's hands and she starts running around the room and yelling) OOOOOHHHHH!

Ross: (trying to stop her) Hey, hey!!

Phoebe: (keeping on running and yelling) OOOOOHHHHH! (she stops) Fine, I can't take it anymore! I'm putting an end to this! (she goes out to the balcony)

Rachel: Oh, if she jumps, I get her tickets.

Joey: No, no! (they all go towards the balcony but they get jammed in the window)

Phoebe: If we are not doing it together, we're not doing it at all! So, say goodbye to your tickets! (She holds out the bowl, and makes as to drop the tickets on the street).

Everyone: NO!!

Phoebe: Don't come any closer!

Chandler: Can I come a little bit closer, valuable things are getting squished...

Phoebe: No, what's more important, your friends or money?

Everyone but Monica: Friends!

Monica: Money! (they all look at her) Friends...

Phoebe: Hey Monica, what about your extra tickets?

Monica: They're all in there! Even these five that I hid in my bra (takes some tickets out of her bra and gives them to Phoebe)...

Ross: Monica!

Phoebe: Ok, good! (pause) You guys were so scared! There was no way I was gonna dump this... (a pigeon swoops down, scaring Phoebe who drops the bowl on the street) Oh God, no! (pause) I think I broke your bowl.

Ross: Go, go, go!!

Scene: Monica and Chandler's apartment. (All are returning from the street after picking up dropped lottery tickets)

Phoebe: What a beautiful night to be running around the street, looking for tickets. And the wind sure made it fun.

Monica: Phoebe, we lost half of them.

Phoebe: So, what? Monica, we have the winning ticket! My psychic said I was gonna win, remember?

Ross: Weird... your psychic didn't mention anything about the scary pigeon...

Phoebe: As a matter of fact she said that's how I am going to die. (pause) So, excuse me for being a little kitsch.

Chandler: (looking at the answering machine) Hey, there's two messages. These could be from work!

Monica: Oh, play them!

Chandler: Ok, here we go! (he pushes the play button)

Message: (Phoebe's voice) "Hello. Th-this is the pigeon from the balcony calling to apologise!" (they all turns to look at Phoebe) "I sh... I shouldn't have knocked the tickets out of the pretty lady's hand. It-it was all my fault. Not hers. Bye. Coo." (they all keep staring at Phoebe)

Phoebe: Well, I bet that was very hard for him to do.

Second message: "Hey Chandler, it's Charlie"

Chandler: This is...shhh!

Second Message: "Listen, oh... it turns I got the last spot. I'm really sorry man, it was a lot of fun working with you. Give me a call if you want."

Monica: Oh God, I am so sorry honey...

All: Oh, so sorry man! Sorry!

Rachel: Oh, it is so unfair. It's like that time they promoted Sandra over me at work.

Chandler: Oh, is she related to Ralph Lauren?

Rachel: No, she was just much better at job than me!

Phoebe: Guys, the drawing is about to start!

Rachel: (To Ross) You know what? We should call my mum's house and say goodnight to Emma before she goes down.

Ross: Oh yeah, it's a good idea!

Monica: (she hugs Chandler) Honey, you've been really strong about this, I know how badly you wanted that job.

Chandler: Yeah, you know, I really thought I deserved it. (pause) But... let's go win the lottery... I mean, we still have 130 chances to win, right?

Monica: (she draws out a ticket from a pocket of her pants) 131! (they kiss)

Ross: (on the phone) Goodnight sweetheart! I love you. And remember, you're daddy's little girl... (covering the phone, to Rachel) Phoebe's totally ruined that for me... (he passes the receiver to Rachel)

Rachel: Hi mum, put her back on!

Joey: (sitting on the sofa in front of the tv) Rach, come on! They are announcing the numbers! My God, I can already feel myself changing.

TV: "Here we are, the official Powerball numbers! We have 53"

Chandler: I got that!

Ross: Oh, we have one too!

Monica: We are on a roll, people!!

Ross: (calling Rachel) Come on!

Rachel: (on the phone) Mum, please! I know you love your new lips, but I can barely understand you! Would you, please, just let me say goodnight to my daughter?

TV: "And number 29! Here we go! The Powerball is 7"

Monica: Check your numbers! Make me rich!

Rachel: (she goes towards the others and she's very excited) Guys, you're not gonna believe this! I was just saying goodnight to Emma and she said her first words!!

All: Wow!

Joey: And what did she say?

Rachel: She said "gleba"!! (she celebrates)

(they just look at her for a moment; then they go back to checking the tickets)

Monica: Make me rich!

Rachel: (to Ross) Isn't that amazing?

Ross: Oh yeah, no no no...that's great!

Rachel: Why-why aren't you more excited?

Ross: Oh, Rach...oh... "gleba" is not a word.

Rachel: Oh, but of course it is!

Ross: Okay, what does it mean?

Rachel: I don't know all the words.

Ross: I'm just, I'm just glad I didn't miss my daughter's first words (goes back to checking the tickets).

Ross: Yes you did, gleba is a word!

Ross: Ok, use it in a sentence.

Rachel: Ok... "Emma just said gleba"!

Ross: It's not a word!

Rachel: Okay, okay, okay, fine, I'm gonna look it up (she goes and picks up the dictionary).

Ross: Oh, oh, ok, great. You know what, while you're at it she said another word the other day, why don't you, why don't you look up: pbbqqt.... (Rachel glares at him)

Rachel: (searching the dictionary) Alright, okay, okay, gleba, gleba... (excited) Gleba! Ha! Here it is: the fleshy, spore-bearing inner mass of a certain fungi. (Rachel shows Ross the definition on the dictionary, giving him a smug look; then she squints at the dictionary, as though unsure what to make out of it)

Ross: She's gonna be a scientist! (kisses Rachel on the head, very moved)

Joey: (checking the last ticket) Damn! anybody got anything?

Chandler: No.

Phoebe: I'm still looking through mine...

Monica: Just double checking (does so)...no, no, no... (takes off a shoe and takes a ticket out of it) No! (phone rings)

Monica: (answering phone) Hello? Hold on. It's your boss.

Chandler: Ah, the "I'm sorry I rejected you" phone call. I'm not used to getting it from guys. (on the phone, getting up from the sofa) Hey, Steve.

Steve: Chandler, hi! I'm sure you've heard we filled the three positions. We just felt that with your maturity and experience, you wouldn't be happy being someone's assistant.

Chandler: Oh no no no, I'd love to be somebody's assistant! Answering phones, getting coffee, I live for that stuff! And I'm not too mature... farts, boobies, butt cracks!

Steve: Chandler, you were the strongest person in the program. We're offering you the position of junior copywriter.

Chandler: Me, that guy who just said butt cracks?

Steve: Yes, that's right. We're excited about the level of sophistication you'll be bringing to the job.

Chandler: Ok well, thanks, you won't regret it. I'll see you tomorrow (hangs up). (he idly goes to the sofa, starts browsing a magazine. Everybody stares at him)

Chandler: What? (pause) Oh, yeah, I'm gonna be a junior copywriter.

Everybody: (excited) Oh my God, congratulations!

Monica: Oh sweetie, I'm so proud of you!

Chandler: Does that mean I get the good loving tonight?

Monica: You bet! No TV or anything! (she gets up from the sofa and goes to the kitchen area)

Joey: (to Chandler) Hey, that is so great about the job.

Chandler: Thanks, man.

Joey: And I like to think I had a little something to do with it.

Chandler: Really? What?

Joey: Well, before, with the wishbone... I didn't wish we would win the lottery, I wished you'd get the job.

Chandler: (smiling, surprised) Oh yeah? (looks towards the kitchen, worried) Listen, don't tell Monica, she'll rip your heart right out.

Joey: Oh yeah.

Rachel: You know what? There is a little part of me that really thought we were gonna win.

Ross: Me too. So much for my dinosaur/Amelia Earhart theme park.

Phoebe: You guys, what was the Powerball number again?

Monica and Ross: Seven.

Phoebe: We won.

Rachel: What?

Phoebe: We won!

Monica: Let me see! (they all jump up excitedly and try to see the ticket)

Phoebe: Don't tear it.

Ross: Phoebe, you don't have any of the first five numbers.

Phoebe: I know that, but look, we've got the Powerball number, we've won 3 dollars!

Chandler: Wow, you'd think we should get that over 20 years or go for the big payout.

Phoebe: (still very excited) I don't care, I've never won anything before, I can't believe this!

Rachel: So Pheeb, what are you going to do with your \$3?

Phoebe: It's not all mine. We all get 50 cents.

Monica: You know what? You can have mine.

Chandler: Me too.

Joey: Me too.

Rachel: Me too. (they all look at Ross)

Ross: I guess if everybody else is...

Closing credits

Scene: Central Perk. They're all sitting there as usual, except Joey. Gunther is serving a nearby table.

(Joey comes in from the back of the coffee house)
Joey: *(sitting in a chair)* Hey guys, so I just called the Powerball hotline, can you believe it? Nobody won.

Phoebe: I beg to differ *(shows him her cup of coffee and her plate of cookies)*.

Gunther: Maybe nobody won the jackpot, but there was this guy in here earlier, and he found the ticket on the street, right outside, and won \$10,000 *(goes to the counter)*.

(They all glare evilly at Phoebe)
Phoebe: *(hides her mouth behind the cup and speaks in the "pigeon voice" from before)* Coo, again. Don't blame the pretty lady. It was not her fault. It was me, the pigeon, cool! *(pause)* Seriously, stop staring at her.

(Joey stares around dumbly looking for the "talking pigeon")
End

919 The One With Rachel's Dream

[Scene: Rachel and Joey's apartment]

Joey: *(talking to a pineapple in his hand)* God, you're beautiful... why are we fighting this? You know you want it to happen as much as I do.

(Rachel comes out of her room and starts staring at him unseen)
Joey: I want you. I need you. Let me make love to you.

Rachel: I don't wanna stand in the way of true love or anything, but I think a canelope might hurt less.

Joey: Oh, eh... I'm... I'm rehearsing my lines. They gave me a big romantic story on Days Of Our Lives. It's the first time my character's got one. I'm so nervous, you know, I really want it to be good!

Rachel: Woow! I haven't seen you this worked up since you did that dog food commercial and you thought you were gonna be with a real talking dog!

Joey: Yeah, that was a disappointment... *(pause)* Oh, hey! D'you want to come down to the set and tell me if I'm doing ok?

Rachel: *(excited)* Are you serious?

Joey: Yeah! Hey, you just have to promise not to get yourself thrown out again.

Rachel: Hey, that was an honest mistake!

Joey: Right! *(he starts to ape her)* "Oh my God, is this the men's room? Oh, I feel so foolish, have you always known you wanted to be an actor?" *(he inclines his head as if to look at a man's private parts)*

Rachel: Yeah, that was an awesome day!

Opening credits

[Scene: Central Perk]

Monica: Hey!

Phoebe: Hey!

Ross: Hi!

Monica: So, do you guys wanna come and eat dinner at the restaurant sometime in the next few weeks?

Phoebe: Sure!

Ross: I'd love to!

Monica: Well you can't! We're booked solid for the next month!

Phoebe: Well, I can't give you a massage, because my license has been revoked again!

Ross: Phoebe, what happened?

Phoebe: Well, it was an accident... You know, it's a lot of oil and sometimes the hand just slips! *(Chandler enters)*

Chandler: *(To Monica)* Have I got a surprise for you! Pack your bags!

Phoebe: Oh no! You guys aren't supposed to get divorced for 7 years!

Chandler: What? No, I'm taking Monica to a romantic inn in Vermont! *(shows them a brochure)*

Phoebe: Oh, good! Ok, good for you! Try to recapture the magic!

Chandler: So, what do you say? Can you get out of work?

Monica: Oh, honey! I can't. I was just telling these guys that things are crazy at the restaurant!

Chandler: Are you really that busy?

Monica: Yeah, I'm sorry. I really am.

Chandler: Oh, that's ok. I'll just try and reschedule. *(on the phone)* Hi, this is Chandler Bing. I made a reservation there and I need to change it. *(pause)* Oh, what do you mean it's not refundable? Can I just come some other time? *(pause)* Oh, can't you make an exception?

Monica: Tell them I'm a chef in a big New York restaurant!

Phoebe: And tell them that in 2 weeks I will once again be a masseuse in good standing!

Chandler: *(on the phone)* Look, this is ridiculous! I'm not paying for that room! Ok? *(pause)* Oh, thank you very much! *(hangs up)* Yeah, I'm going to Vermont...

Ross: Oh, don't worry about it! Just use your travel insurance.

Chandler: I don't have travel insurance.

Ross: Well, this is what happens when people live on the edge!

Monica: Why don't you take Ross?

Ross: Uh, don't you think that would be a little weird? I mean, two guys in a romantic inn...

Monica: No, not if their room has two beds!

Ross: *(browsing the brochure)* I guess... It still seems a little... *(enthusiastically)* moonlight boat ride!

[Scene: Days of Our Lives' Studios]

Rachel: Hey Joey, is this the bed where Olivia lost her virginity?

Joey: I don't know, but one of the extras sure did! *(pause)* Hey, listen Rach. Thanks again for coming down to watch my scenes!

Rachel: Oh, please! Honey, just the fact that you want me here to support you, I'm... OH MY GOD! Is that Christian Sanders? He's so gorgeous!

Joey: Also so gay!

Rachel: Oh, in my head he's done some pretty "not-gay-stuff"!

Joey: Well, at the Christmas party him and Santa did some definitely gay stuff!

Director: Joey, Joey! We're ready for you!

Joey: Oh, wish me luck!

Rachel: Ok, not that you need it but good... GOD! Is that Chase Lassiter? He's straight, right?

Joey: Rach, I gotta say... if you weren't here wondering if these guys were gay I don't know if I could do this!

Rachel: Oh, I'm sorry, you're right. I'm sorry, good luck! *(they hug)*

Director: On a bell please! Quietly.. and ACTION!

(the scene starts. Joey enters and there's a girl wearing a wedding dress near a bed)

Actress/Olivia: Drake! What are you doing in here?

Joey/Drake: Stopping you from marrying the wrong man and making the biggest mistake of your life.

Actress/Olivia: Get out!

Joey/Drake: You don't love him!

Actress/Olivia: What do you know about love?

Joey/Drake: I know what I felt that night when we kissed under the bridge.

Actress/Olivia: That kiss never happened.

Joey/Drake: Oh, what about this one.

(the actress slaps him)

Rachel: *(watching a television where the scene is shown, startled)* OH!

Actress/Olivia: No, I told you... get out!

Joey/Drake: Fine. I'll go. But let me ask you one question...

Chase Lassiter: *(talking to Rachel)* You look familiar, have we...

Rachel: SSSHHHTTT!!!! He's asking her a question!!!

Joey/Drake: Can you really live the rest of your life never knowing what we could have been?

Actress/Olivia: I don't have a choice...

Joey/Drake: Yes, you do. Yes... you do. I'm the one who doesn't have a choice because I... because I can't stop loving you.

Actress/Olivia: Don't say that...

Joey/Drake: Tell me to stop, just... tell me to stop. *(he's about to kiss her)*

Director: CUT!

Rachel: NO! *(pause)* Or, cut! You know, that's your call!

[Scene: Monica's restaurant]

1st Customer: Everything was delicious!

Monica: Thank you!

2nd Customer: It was. The duck in particular was superb.

Monica: Thank you! *(she looks at the 3rd customer waiting for a compliment)* You haven't said anything...

3rd Customer: Actually I do have one small complaint.

Monica: Oh.. please! I-I welcome criticism.

3rd Customer: The musician right outside the restaurant... it's kind of a mood-killer!

Monica: What musician?

[Scene: Outside the restaurant]

Phoebe: *(playing guitar and singing)* And there's a country called Argentinaaaa, it's a place I've never seeeeen. But I'm told for fifty pesos you can buy a human spleen. Humaaan spleeeeen. OI?

Monica: What are you doing here!

Phoebe: Well, you said that you had customers lined up in the street, so I am here to entertain!

Monica: Great!

Phoebe: Yeah! It really has been great too, you know, some of this people must have seen me play before because they were requesting a bunch of my songs! Yeah, "You suck" and "shut up and go home".

Monica: Listen Phoebe...

Phoebe: Yeah.

Monica: You know how much I love listening to your music, you know, but...

Phoebe: But what?

Monica: This is kind of a classy place.

Phoebe: *(pause)* Ok, say no more.

[Time lapse: Phoebe in front of restaurant again]
Phoebe: *(with a fancy dress, still playing and singing)* : It wasn't just that she was fat, the woman smelled like garbage! Everyone! It wasn't just that she was fat the woman smelled like garbaaaaage! *(to Monica, showing her dress)* Classy, uh?

(Monica covers her face with her hands)

[Scene: hall of the romantic inn in Vermont]

Chandler: Hi, Chandler Bing. I have a reservation.

Receptionist: Welcome to the Chestnut Inn Mr. Bing, so where are you joining from?

Chandler: New York.

Ross: *(in a strange voice and eating candies)* The big apple!

Chandler: I'm sorry, he's a little bit wound up, we had to stop at every maple candy stand on the way here.

Ross: Yeah, I ate all my gifts for everybody.

Receptionist: I am sorry Mr. Bing, there's no record of your reservation in the computer.

Chandler: Well, that's impossible, can you check again, please?

Ross: *(high pitched voice)* Check again please!

Receptionist: I'm sorry, it's not here.

Ross: Not there.

Chandler: Let me get this straight. I called yesterday trying to cancel my reservation and I was told it was not refundable, then we drove six hours all the way up here and now you tell me that we don't have a reservation?

Receptionist: I don't know what to say.

Ross: *(mumbling)* She doesn't know what to say!

Chandler: Just give us the cheapest room you have.

Receptionist: Unfortunately the only thing we have available is our deluxe suite, the rate is six hundred dollars.

Chandler: That's insane!

Ross: Totally insane. Dude, let's drive home, we'll hit all the maple candy stores on the way back and if... if they're closed maybe we'll tap a tree and make some ourselves.

Chandler: Does that room have a closet I can lock him in? *(pause)* We'll take it.

Receptionist: Great.

Chandler: *(aside, to Ross)* What! ? They are totally ripping us off!

Ross: Dude, don't worry 'bout it! I know how we can make your money back! This is a nice hotel, you know, plenty of amenities, we just load up on those! Like those apples. Instead of taking one, I'm... I take six!

Chandler: Great, at a hundred dollars an apple, we're there!

Ross: C'mon, you get the idea, ow-ow-ow we'll make our money back in no time!

Chandler: Dude, you're shaking!

Ross: I think it's the sugar, could you hold the apple?

[Scene: Joey's apartment]

Rachel: Hi!

Joey: Hey!

Rachel: Joey, I gotta tell ya, I've been thinking all day about that scene you did, I mean, you were **amazing!**

Joey: Oh, you know, the writing was good, and the director is good, and... and my co-star's good **but they're not as good as me!**

Rachel: God, you have to tell me what happens tomorrow!

Joey: Ow, I'm just going over the script now! You wanna read lines with me?

Rachel: Me? Oh, no, I am not an actress.

Joey: Oh, all right, I can ask Monica.

Rachel: Oh screw her, that part is mine!

Joey: Right... *(pause)* ok, so just from the top of the page, right here.

Rachel: Okay. *(pause)* . *(acting)* Hello Drake, I'm surprised to see you here.

Joey/Drake: I can't believe you married him.

Rachel/actress: But what choice did I have. He was keeping my sister in a **dungeon!**

Joey/Drake: So what about us? Everything we feel for each other.

Rachel/actress: It's over! You **have** to accept that.

Joey/Drake: How can I? Knowing I'll never hold you in my arms again, or touch your skin, or feel your lips, knowing I'll never make love to you? How can I accept that... I can never kiss you again when it's all I can do not to kiss you right now.

Rachel: *(pause)* Kiss me.

Joey: What?

Rachel: Kiss me.

Joey: Ah, Rach, it doesn't say that!

Rachel: No, I'm saying...

Joey: but, but..

Rachel: just... don't talk... *(she kisses him)*

[Scene: Rachel's bedroom]

Rachel: *(waking up)* Ehhh, aw! *(pause)* . Well, that's new!

[Scene: Hotel's room]

Ross: *(on the phone)* Hi, this is Ross Geller in suite 206. It seems you forgot a couple of things. Could you have some complimentary toiletries sent up to my room? *(pause)* Thank you! Ok. Toothbrush, toothpaste,

razor, mouthwash, deodorant, dental floss, band aids, shaving cream, after shave... and I feel like I am forgetting something... Is there anything else you have that I haven't asked for already? *(pause)* Yeah, go ahead, send up some tampons.

(Chandler enters the room)

Ross: What did you get?

Chandler: USA Today

Ross: Nice, put it with the others.

Chandler: And I also got... two more apples.

Ross: We are four short of a bush-o *(pause)* . God I feel so alive, I love being in the country!

Chandler: I also got this great salt and pepper shaker from the restaurant.

Ross: Oh, that's not cool.

Chandler: Dude, none of this is **cool**.

Ross: No, Chandler, you have to find the line between stealing and taking what the hotel owes you. For example: hair drier, no, no, no, but shampoo and conditioners, yes, yes, yes. *(pause)* Now, the salt shaker is off-limits, but the **salt** *(he opens the salt shaker and pours the salt into his hand)* I wish I'd thought this through.

Chandler: I think I know what you mean though... the lamp is the hotel's, but the bulbs *(goes to take the bulb)* ... oh, you already got that.

Ross: Not my first time in a hotel, my friend.

Chandler: Ok, how about this *(picks up the remote control)* ?

Ross: No, no, no, you can't take the remote control!

Chandler: Yes, but the batteries...

(Ross claps his hands)

Chandler: Thank you, thank you very much!

Ross: Let's celebrate with some maple candy!
Chandler: No!
Ross: At least tell me where you hid it.
[Scene: Central Perk. Monica and Rachel are sitting on the sofa]
Rachel: Can I ask you a question?
Monica: Yeah.
Rachel: Have you ever had any weird romantic dreams?
Monica: Let me think. Oh, when I was younger I used to dream that I got married to Mayor McCheese, and on our wedding night I ate his head.
Rachel: Ok, well this is like that... in no way. I had a... I had a dream last night that I wanted to kiss Joey.
Monica: Wow, do you mean like kiss him-kiss him?
Rachel: Oh yeah! I mean, that was pretty intense.
Monica: What do you think brought that on?
Rachel: I don't know! I mean, maybe that's something to do with the fact that I saw him do a love scene yesterday.
Monica: A love scene? With who?
Rachel: Olivia.
Monica: Olivia? I thought she was marrying Connor! (pause) Oh right, real life more important.
Rachel: So do you think that my dream means anything?
Monica: I don't know. I mean, you saw him do a love scene, so maybe you don't have a thing for Joey, maybe you have a thing for Drake.
Rachel: Ah! Well it was Joey reading Drake's lines in the dream...
Monica: Of course it was! Trust me, when it comes to psychology I know what I'm talking about. I took two psych classes in college.
Rachel: You took the same class twice.
Monica: It was hard!
(Phoebe comes in)
Phoebe: Hey!
Rachel and Monica: Hi.
Phoebe: Here, Monica, look what I got to wear when I play at the restaurant (*she dons a top hat*) uh, huh wait! (*she raises a pair of spectacles to her eyes*) Right? I mean, this might even class up the ballad of the uncircumcised man.
Monica: Oh... Phoebe? Maybe I wasn't clear before. I really love listening to your music here, but my restaurant is sort of an upscale place.
Phoebe: Right, yeah, ok, I'll ask the butler to fetch my diamonds out of the vault.
Monica: Phoebe, it's not what you wear. It's sort of your songs... I just don't think you should play at the restaurant anymore.
Phoebe: Oh, ok. Fine. I'll just, I'll take the hat back (*she puts the hat in a bag and she crushes it angrily on the floor with her foot*).
(silence)
Rachel: Hey, so you guys, the funniest thing happened, at work...
Phoebe: My songs aren't good enough for your restaurant?
Rachel: Ok, we're still on that.
Monica: I didn't say your songs were not good enough.
Phoebe: Then what's wrong with them? Would they not go with your tiny portions of pretentious food?
Monica: Tiny portions?
Phoebe: Yeah well, "excuse me, I ordered the smoked salmon appetizer, but (*peering through her spectacles*) I can't see it, I can't see it!"
Monica: Phoebe, it's not about quantity.
Phoebe: Well... it's not about quality.
Monica: Oh really, you want to talk about quality? Have you heard of a key? It's what some people sing in.
Phoebe: Well at least all my songs don't taste like garlic. Yeah, there are other ingredients Monica.
Monica: Ok, so that's what we're doing. You know, when I'm in the coffee house bopping along to one of your songs, I'm wearing ear plugs.
Phoebe: Ear plugs, or cloves of garlic?
Monica: You know what? I take back what I said before. You keep playing at the restaurant, because with your music driving people inside, my bar sales are going up like crazy.
Phoebe: What are people having, the garlic Martini?
[Scene: Hotel's reception]
Receptionist: Here's your copy of the bill, we hope you enjoyed your stay.
Chandler: Oh we did, and you still have all your lamps.
(the receptionist is puzzled. She goes in the back.)
Chandler: Oh, I didn't factor in the room tax.
Ross: Oh dude, don't worry about it, I found an unattended maid's car. We're way ahead of the game.
(they make as if to go, but Ross notices something)
Ross: Oh my god.
Chandler: What?
Ross: There's something new in the bowl.
Chandler: Look, we have enough, just walk away.
Ross: No, but I want... I want the pinecones!
Chandler: There's a forest right outside.
Ross: It's not the same.
Chandler: Ok, go quick!
(Ross starts stuffing pinecones in the suitcase. As

the receptionist walks in, Chandler makes a bird's verse and Ross stops)
Ross: (*to the receptionist*) Thank you for a delightful stay. (*he picks up the suitcase, which falls open, revealing all the stuff they have taken from the hotel. The receptionist just looks at them.*)
Ross: Oh, my maple candy!
[Scene: In front of Monica's restaurant. Phoebe is playing]
Phoebe: (*singing*) Food here at 'Javu'.. will kill you.. the food here at 'Javu' ... will kill you..
(Monica comes out)
Monica: Thank god, it's just you! I thought someone was swinging a bag of cats against the wall.
Phoebe: You'd better get back in that kitchen Monica, the garlic is not gonna overuse itself.
Monica: Ok, you have to stop playing now.
Phoebe: Why? The only person my playing is bothering is you!
Monica: Oh yeah? Ok, let's settle this, come on!
Phoebe: (*while Monica drags her in the restaurant*) Get your garlic-peelers off me!
Monica: (*to the restaurant customers*) Excuse me, excuse me, hi, I'm Monica Geller. I'm the head chef here.. (*pauses as if waiting for something*) ... Ok, I was actually expecting a little applause there, but whatever! Ok, quick question: by a show of hands, how many of you were bothered by this woman's singing outside? (*a few people raise their hands*)
Phoebe: Ok, ok, how many of you enjoyed the music outside? (*a few people raise their hands*) Ha!
Monica: Alright, let me ask you this question: How many of you thought the music was fine, but not in keeping with the tone of the restaurant? (*a few raise their hands again*) .
Phoebe: Ok, well, who identified the tone of this restaurant as pretentious comma garlicky?
Monica: Ok who thinks the food is delicious and a little pretention never hurt anyone? (*a few raise their hands*)
Phoebe: Ok, well, alright, who thinks the food is fine, the music was fine, but your evening was ruined by this incessant poll taking? (*all raise their hands*) .
Monica: Excuse us! (*then to Phoebe*) Alright here's a question: Who was so worried about her restaurant being fancy that she made a big deal about her friend playing her music and feels really bad about it now? (*raises her hand*)
Phoebe: Oh... Who was so stupid and stubborn that she lashed out against her friend's cooking which she actually thinks is pretty great! (*raises her hand*)
Monica: I'm sorry...
Phoebe: I'm sorry too... (*they hug*)
Monica: ooooh... hey! Wanna stick around and I'll whip you up some dinner?
Phoebe: Yeah! As long as it's free! Food here is ridiculously over-p...
(Monica seems to take it amiss)
Phoebe: (*smiling, raising her hand*) Who's hoping the hand raising thing is still cute enough that you won't hate me?
[Scene: Joey and Rachel's apartment, Rachel walks in]
Rachel: Hey!
Joey: Hey!
Rachel: Joey, do you have peanut butter on the back of your head?
Joey: (*Touches the back of his head and licks his fingers*) Oh man! I thought I got it all!
Rachel: (*looks puzzled*) How... how... ?
Joey: I was making a peanut butter smoothy, right?
Rachel: uh-huh
Joey: And I couldn't find this little plastic thing (*holds up plastic thing*) that goes on top of the blender... and I thought... well... how important can that be, right... ? Turns out very!
Rachel: (*to herself*) Wow... definitely just Drake...
Joey: What?
Rachel: What... how is it going with Drake?
Joey: Oh... I don't think it's going very well...
Rachel: What... that scene I saw was so good!
Joey: Well, I'm feeling really insecure about the one we are shooting tomorrow...
Rachel: Joey, is this that thing that you do when you say you're bad so I'll give you a compliment?
Joey: A little. Yeah no, I really am worried, you know, I mean I have to make it convincing that I'm in love with Olivia.
Rachel: So?
Joey: So... I've never played that!
Rachel: Ooh! Honey, it can't be that hard, I mean, you've been in love before?
Joey: Uh... well... just once... with you...
Rachel: Ok... this could be a little awkward... I'm just going to blow past it... well can't you just use that method actor thing where you use your real life memories to help you in your performance?
Joey: (*looks at her for a moment*) What the hell are you talking about? ?
Rachel: (*shakes her head*) Alright, alright look, just uh... just try to remember how you felt when you were in love, and think about that when you're playing the scene.
Joey: (*approvingly*) Oh! ok, yeah, I think I can do that. Yeah ok, there's this party scene coming up.. and Olivia and her husband are there and all Drake wants to do is grab her and kiss her, but he can't... And that makes me think about all those times when I wanted to grab you and kiss you, but you didn't know so I would just pretend everything was cool, but really, it was killing me.
Rachel: (*looks touched*) Joey, you never.. you never talked about that before...
Joey: Well.. hey, you know what else I could use? There's a scene where Drake sneaks into Olivia's bedroom, and she doesn't know he's there - which never happened with us!

And he knows he shouldn't be there, but he just wants to look at her... you know? (*In a romantic voice*) And I remember all those mornings before you even put on your make-up, when I would think to myself, my God, she... is... beautiful... (*Rachel looks very moved*) and it hurts so much, cuz I knew I could never tell you (*pauses, while looking at her with sentiment*) but it was worth it just to be there looking at you.
(Joey and Rachel continue to look at each other in silence for a while)
Joey: (*excited*) Thanks dude!!! This is GREAT!!! (*leaves Rachel very touched on the couch and goes into his room*)
Closing credits
[Scene: Monica and Chandler's apartment, Monica is at the kitchen table writing something and Chandler enters kitchen area]
Chandler: I got you something from Vermont! (*Sits down at the table*)
Monica: (*without looking up from what she's doing*) Besides tampoos and salt? (*Then looks*) Ooh! My God! Maple candy! That's so sweet of you. (*Opens the box*) That's weird... it's empty!
(Then Ross enters)
Ross: (*sounds excited*) Hi you guys! what's going on, you... you guys wanna hang out... or... ? (*Looks around the room nervously*) do you... do you guys hear a buzzing?
The End

920 The One With The Soap Opera Party

[Scene: Monica's apartment]
Joey: (*enters the room*) Hey, you guys, what are you doing tomorrow night?
Chandler: (*browsing through a diary*) Well, let me see... I-I believe I'm... yes, falling asleep in front of the TV.
Joey: Look, my agent hooked me up with six tickets to a great play.
Chandler: I could fall asleep at a play.
Phoebe: What is it?
Joey: It's a one-woman play called "Why don't you like me: a bitter woman's journey through life".
Monica: It sounds interesting!
Ross: Yeah, it does sound interesting, I mean, to listen to a woman complain for two hours, I don't think it gets bett... (*Ross starts snoring, faking to fall asleep*)
Phoebe: I know, I know, we can drive, we can vote, we can work, what more do these broads want?
Joey: You guys are gonna have a great time, I promise!
Ross: What? How come that you don't have to go!
Joey: I wish I could but I just found out that I have to be at work really early the next day, so I can't go, but, you know, take the extra ticket and invite whoever you want.
Chandler: (*browsing through a diary*) Uh, let's see, who do I hate?
Rachel: (*gets up from the sofa and moves to the kitchen but Joey blocks her way*) Oh, sorry... Oops, sorry.
Joey: (*lifts Rachel up and moves her behind him so she can walk on*) Hey, here you go.
Rachel: Ooh... ooh... (*pause*) (*Rachel is all bah-jiggity about Joey*) oh, ah... (*pause*) (*to Monica*) Can I ask you a question?
Monica: Yeah.
Rachel: Do you think it's possible for two friends to fool around and... and not have it be a big deal?
Monica: No, I don't think it ever works. Why?
Rachel: No reason.
Monica: No, no, Rachel?
Rachel: Yeah
Monica: Who do you wanna fool around with?
Rachel: (*with high pitched voice*) Nobody, forget it! (*Monica points at Joey, Rachel turns and sees him*)
Rachel: (*giggling and whispering*) Maybe.
Monica: (*whispering*) You can't!
Rachel: (*whispering*) Why? (*Monica gesticulates mumbling something that starts with "because"*) Seriously I did not understand a word that you said.
Monica: In the hall.
[Scene: In the hall]
Monica: You wanna fool around with Joey?
Rachel: Yeah! You know, ever since I had that dream about him, and can't get it out of my head! And what's the big deal, people do it all the time!
Monica: Who? Who do you know that are friends that just fool around?
Rachel: Ok, off the top of my head... Don and Janet.
Monica: Who, who are they?
Rachel: I know them from work.
Monica: Both of them?
Rachel: No, one of them...
Monica: Which one?
Rachel: I don't know, what were the names I just said?
Monica: Rachel, things can get incredibly complicated.
Rachel: All right, all right, you're right, I won't do anything with Joey, I just thought that we (*Joey enters the hall*) Ok so that would be two cups of tarragon, one pound of baking soda and one red onion? (*Joey enters his apartment*)
Monica: What the hell are you cooking!
Opening credits
[Scene: Central Perk, Ross enters]
Ross: Hey!
Monica: Hey!
Chandler: Hey!

Ross: Hey, you guys won't believe what I have to do for work today.

Chandler: Yes, but, Ross you chose a career of talking about dinosaurs.

Ross: (covering with his hand Chandler's face, like pretending he's not there) (to Monica) There're these two professors who are joining my department and I have to meet them here and show them around campus.

Monica: What's so bad about that?

Ross: It's I just know they're gonna be a couple of windbags wearing tweed jackets with suede elbow patches.

Monica: (fingering her elbow): Ross?

Ross: (looking his elbow, where there's a patch) These aren't suede.

(a woman walks in)

Charlie: (to Gunther) Excuse me, I'm looking for someone. You don't, by any chance, know a Ross Geller?

Gunther: No.

Ross: Hi, hi, I'm Ross Geller.

Charlie: Oh, hi, I'm professor Wealer.

Ross: Oh, oh, that's, that's, that's nice.

Charlie: It's a... It's good to meet you! Thank you so much for taking the time out to show me around.

Ross: Oh, no, it's no big deal, I mean, if I weren't doing this I'd just, you know, be at the gym working out.

Monica: (to Chandler) Is he gonna introduce us?

Chandler: (to Monica) No, I think we're just blurry shapes to him now.

Charlie: And, by the way, I really enjoyed your paper on the connection between geographic isolation and rapid mutagenesis.

Ross: Oh, ha, I wrote that in one minute.

Monica: (to Chandler) Twenty bucks says they're married within the month.

Ross: (hitting Monica with his suitcase) (to Charlie) We should probably get going, you know, we got a lot of ground to cover.

Charlie: Oh, ah, isn't there another professor that is supposed to come with us?

Ross: I don't think so.

Charlie: I'm pretty sure, professor Spafford from Cornell?

Ross: Oh, well he's obviously late and the rule in my class is "if you can't come on time, then don't come at all". (pause) An option that many of my students use. (pause) Shall we?

Charlie: You don't think we should wait for him?

Ross: You know what, he's a big boy, I'm sure he'll find us, ok?

Professor Spafford: Professor Geller?

Ross: Oh, damn it!

[Scene: Joey's apartment]

(Rachel enters the room and checks the answering machine)

Jane: (from the answering machine) Hi Joey it's Jane Rogers, can't wait for your party tonight. Listen, I forgot your address, can you give me a call? Thanks, bye.

Joey: (entering the room) Hey!

Rachel: Hey!

Joey: What's happenin'?

Rachel: Yeah, it's a real shame you can't make it to that one-woman show tonight.

Joey: Oh, I'd love to, but I gotta get up so early the next day and so, you know me, work comes first

Rachel: Oh, yeah, yeah, yeah... (she plays the answering machine)

Message: "Hi Joey, it's Jane Rogers can't wait for your party tonight" (Joey's upset and stops it)

Joey: (yelling) Stupid Jane Rogers!!

Rachel: (angry) You are having a party tonight??

Joey: Kinda have a... a thing for the Days Of Our Life's people.

Rachel: And you weren't going to tell us? How did you think you were gonna get away with that?

Joey: I do it every year.

Rachel: You do that every year??

Joey: I didn't have to tell you that!! I'm stupider than Jane Rogers!!

Rachel: Oh, that's why you got these tickets to that play, to get rid of us??

Joey: Yeah...

Rachel: And last year is that why you sent us to that medieval times restaurant?

Joey: Yeah...

Rachel: OH! And the year before that, when you set up that nighttime tour of that button factory?

Joey: (Smiling) I can't believe you guys went for that one!

Rachel: Joey, why wouldn't you invite us to your parties?

Joey: You're fine, ok? But everyone else acts like an idiot around famous people!

Rachel: Well, then so you just invite me...!

Joey: (speaking aloud) Please, I was trying to be nice, you're the worst one!

Rachel: Oh, Joey, come on! Please, please! Let me come, I will behave, I promise! I will behave! Please, please, please...

Joey: Ok, ok! Fine! You can come, but don't tell anybody else. It's up on the roof at 8.

Rachel: (yelling and jumping like a child) OH, a soap opera roof party!! I'm going to a soap opera roof party!! Oh my God, oh my God!! (realizing how she's behaving) And it's out of my system!

[Scene: Ross, Charlie and Professor Spafford are sitting at the table in a restaurant]

Professor Spafford: (speaking very slowly) And then my wife and I went on a cruise to the Galapagos. There was a sea food buffet you wouldn't believe. There were clams, and mussels, and oysters, and cracked crab, and snow crab, and king crab. It's a pity I'm allergic to shellfish.

Ross: (very bored, he tries to avoid the conversation speaking to Charlie) So, where did you get your undergraduate degree?

Professor Spafford: And that's not all I'm allergic to.

Ross: (to Charlie) Oh, it's not over!

Professor Spafford: I'm also allergic to peanuts, and cashews, and almonds, and filberts...

Ross: So basically all nuts?

Professor Spafford: Interestingly... no.

Charlie: Kinda playing fast and loose with the word "interesting".

Professor Spafford: If you'll excuse me I'm going to use the restroom. (he goes away)

Charlie: Oh my God!!

Ross: I've lost the will to live.

Charlie: Let's ditch him!

Ross: What?

Charlie: Come on, he's still in the bathroom! I'm begging you!

Ross: Oh... ok, fine. But... ehm... I just have one question for you, ehm... (aping Professor Spafford) When we exit should we walk, or run, or prance, or stroll...

Charlie: Stop it, stop it! He talks slow but he might pee fast! Ok, let's go!! (they run outside)

[Scene: Monica and Chandler's apartment]

Ross: (entering with Charlie) Oh, hey you guys! This is Charlie! Charlie, this is Phoebe and my sister, Monica.

Phoebe: Hi!

Ross: Yeah, Charlie is gonna be joining my department.

Phoebe: Oh, you're a paleontologist, too! (pause) Oh, ok, now, what do you think of Ranion's new theory of species' variegation in segmented arthropods?

Charlie: Well, I think he's a little out there, but he **does** have some interesting ideas...

Phoebe: Ah, ah.

Charlie: (her mobile phone rings) Oh, I'm sorry. I'll take this. Excuse me. (she cuts herself off for a moment)

Ross: (to Phoebe) Ranion's theory of species variegation?

Phoebe: Yeah, I saw the article on your coffee table and I memorized the title to freak you out!

Monica: (to Ross) So, did you two have fun?

Ross: Oh my God, she's great! I mean, we-we have so much in common and she's just cool, and funny...

Monica: And I don't know if you've noticed but she's a (aloud) **HOTTY!!** (Charlie looks at her) **HI!**

Rachel: (She enters wearing a bath-robe) Hey... Hi you guys! Listen, you know what? I'm not feeling really well. I think I can't get out for the play.

Ross: Really? Wh-what's wrong?

Rachel: I don't know! I think it's kind of serious! Oh, you know... I was watching this thing on TV this morning about... Newcastle disease... and I think I might have it!!

Charlie: Oh, Newcastle disease is a secretion borne virus that only affects chickens and... other poultry.

Rachel: ... Ok, who is this?

Ross: I'm sorry, Rachel, this is Charlie Wealer, she's a colleague.

Rachel: Oh, hi! I would check your hand but... I'm sure you don't want to get my chicken disease!

Monica: Hey, Rachel, Can-can I see you for a sec?

Rachel: Sure! (Monica takes her apart) Oh...

Monica: You're not sick!

Rachel: What? Yes, I am!

Monica: Ok, then, why are you... (she opens her robe revealing a nice black dress) all dressed up??

Rachel: When you're sick, you do whatever you can to make yourself feel better! (she closes her robe)

Monica: You just wanna stay home so you can make a move on Joey!

Rachel: Oh, no, no! I heard you before, that is so not what this is!

Monica: Ok, what is this?

Rachel: Oh! (whispering) Joey is having a secret Days Of Our Lives party up on the roof and he sent you guys to the play to get rid of you!

Monica: (aloud) WHAT?

Ross: (looking at them) Wh-what's going on?

Monica: Joey is having a secret Days Of Our Lives party up on the roof!

Rachel: And he didn't want you guys to know about it but I came over here to tell you!!

Charlie: I thought you came to say you were sick.

Rachel: Ok professor or detective?

Phoebe: Joey's having a party and he wasn't gonna invite us?

Rachel: Yeah, and he does it every year! That's why he's sending you to that play! That's why he sent us to that medieval restaurant and to that button factory!

Phoebe: And that horrible museum tour!

Ross: No, I arranged that...

(Joey enters, wearing a bathrobe)

Joey: (sounds tired) Hey you guys, I'm turning in. Have fun.

Phoebe: We know about your party Joey.

Joey: What party?

Monica: The game's over! Take off your robe!

Joey: (looks perplexed and opens up his robe) Ok... I mean...

Everyone: No!! Cover it up!!

Joey: (to Charlie after covering himself up again) Nice to meet ya! (Charlie waves hesitantly and Joey leaves)

[Scene: The Roof]

Joey: (To some people) Hey! Hey alright! Hey, glad you could make it (Shakes a man's hand) Thanks for coming.

Monica: Oh my God! Kyle Lowder!

Kyle Lowder: (to Monica) Hi. (walks on)

Monica: (Yells after him) I love you!

Joey: Hey, that's why I didn't invite you. you have to calm down, alright... go, go get yourself a drink or something...

Monica: Oh yeah, that's what you want - my inhibitions lowered.

Phoebe: Hey!

Monica: (Excited) Oh my God, can you believe we are surrounded by all this? I can barely control myself.

Phoebe: Monica, you might want to remember that you are married. Where is Chandler anyway? (Looks around)

Monica: (Shocked) Oh my God! Chandler!

[Scene: The theater. Chandler is sitting in the otherwise empty front row, looking around nervously]

Chandler: Where the hell is everybody?

(The lights dim and Chandler tries to get away but as the bitter lady comes on stage and starts yelling he promptly changes his mind and sits down)

Bitter lady: (yelling) Why don't you like me?! Chapter One: My first period.

[Scene: The Roof, Rachel is talking to a guy who hands her a tissue with something written on it]

Monica: (to Rachel) Hey! Joey said no autographs! But if she's getting one, then I want one too: To Monica. And none of this "best wishes" crap. I want "love".

Rachel: Ok actually Mon, Matthew was just giving me his phone number.

Monica: Oh man! If I had known I was coming to this party I never would have gotten married!

Matthew Ashford: It was nice to meet you Rachel.

Rachel: Nice to meet you.

Matthew Ashford: Call me.

Rachel: Ok

(Matthew leaves)

Monica: (yelling after him) We will!!

Monica: (to Rachel) Look at you with all the guys!

Rachel: Yeah!

Monica: I guess you have forgotten all about Joey?

Rachel: Yeah, well, I guess I have forgotten about Joey and clearly you've forgotten about Chandler!

Monica: Please... Chandler is the love of my life... (At which point a man in leather pants walks by)... ooh leather pants! Have Mercy! (Follows the man in the leather)

(cut to Ross and Charlie)

Ross: (to Charlie) So, eh... it's probably gonna be hard for you to leave Boston, huh?

Charlie: Actually, I'm kinda happy to be leaving... I just broke up with someone.

Ross: Ooh... so sad... Still, it can't be easy for you to leave Harvard? Especially after working alongside a Nobel Prize winner like Albert Wintermeyer?

Charlie: Actually, Alby is the guy I broke up with.

Ross: You... you dated Albert Wintermeyer?

Charlie: Yeah...

Ross: ... And you called him Alby? (laughs) I mean that's like... like calling Albert Einstein... er... Alby...

Charlie: Yeah, well, he is a brilliant man.

Ross: Eh, you think? I mean, you went out with a guy who improved the accuracy of radiocarbon dating by a factor of 10!

Charlie: Yes! And while that is everything one looks for in a boyfriend, he had a lot of issues...

Ross: (very interested) Oh! like what?! (Charlie looks at him confused, but smiling) Oh I'm sorry, I don't mean to pry... it's just that this must be what regular people experience when they watch "Access Hollywood".

Charlie: Ok, you want the dirt? Alby was seriously insecure. I mean, he was really intimidated by the guy I dated before him.

Ross: Who is intimidating to a guy who won the Nobel Prize?

Charlie: A guy who won two.

Ross: (a little suprised) Two? Wha...? Don't tell me you dated Benjamin Hobart

Charlie: Yeah... for three years.

Ross: Oh my God! Have you ever been in a relationship with someone who **hasn't** won the Nobel Prize?

Charlie: (smiling and thinks for a moment)... no... but there was my first boyfriend Billy.

Ross: Oh yeah? no, no Nobel Prizes for him?

Charlie: No, but he **did** just win the McArthur genius grant.

Ross: Huh... huh... what a loser! Some more wine? (takes the half-full glasses and goes to the counter)

Phoebe: Hey Ross!

Rache: How is it going with Charlie?

Ross: (sarcastically) Oh Great! After I finish my wine I'm going to blow my... eh. average-sized brains out.

Phoebe: Oh, What's the matter?

Ross: She... she only dates geniuses and Nobel Prize winners. Oh my God, at the chinese restaurant earlier today, I put chopsticks in my mouth and pretended to be a woolly mammoth.

Rachel: I always loved that!!

Ross: Of course you would, your brains are smaller than mine!! (Rachel nods) Man, I can't compete with the guys she goes out with, they are so out of my league! oh my God!

Phoebe: Worse?

Ross: Oh much, much worse. I did my impression of Joan Rivers as one of the earliest amphibians... (gestures with his hands and says in an impression voice?) "Can we walk"? (Phoebe starts laughing) Oh,

you... you like that?

Phoebe: *(still laughing)* No. *(points to Rachel who stuck two straws in her mouth to look like a mammoth's tusks)*

Ross: What? *(turns around to look at Rachel)*

Rachel: Come on! I think this is funny! *(Ross leaves)*

[Scene: Chandler in the theater]

Bitter lady: Well, I bet you are all thinkin' "Now would be a really great time for an intermission", huh?

Chandler: *(To himself)* oh yes, God yes!!

Bitter lady: *(now yelling)* Well, you're not gonna get one! Because in life there are no intermissions, people. Chapter 7: Divorce is a 4 letter word. *(Now standing right in front of Chandler and bending down almost to his level as if speaking to him, yelling even louder)* How could he leave me??!

Chandler: I... I don't know... you seem lovely.

[Scene: The roof, Joey is walking towards Ross with a guy]

Joey: Hey Ross, this is one of my co-stars, Dirk. *(To Dirk)* Dirk, this is my good friend Ross. *(Ross and Dirk shake hands)*

Ross: Nice to meet you.

Dirk: Hey! So what show are you on?

Ross: Oh, I'm no actor, I'm a professor of palaeontology.

(Dirk is confused)

Joey: It's a science.

Dirk: Oh! Hey well listen, I play a scientist on "Days". And my character has just won the Nobel prize.

(Ross looks annoyed hearing that even Dirk's character won a Nobel prize)

Joey: Hey Ross, listen, Dirk was wondering about the woman that you brought and if you guys were together, or...

Ross: Oh, well no, but I mean, she only goes out with really, really smart guys.

Dirk: Hey, I got a 690 on my SATs.

Ross: I'd lead with that.

(Cut to Monica holding up her shirt, revealing her bra. An actor stands beside her, holding a pen in his hand.)

Monica: That's it, just sign right on the bra *(the actor does so)*.

Joey: Monica!

Monica: Don't worry Joe, I won't come next year! *(Joey, resigned, walks to Rachel's table)*

Joey: *(To Rachel)* What have you got there?

Rachel: Just some boys gave me their phone numbers.

Joey: Ah, let me see! *(she hands him a pile of tissues)* Damn, that's a lot of guys! Are you a little slutty?

Rachel: *(drunken voice)* I think I am.

Joey: *(browsing the tissues)* Let me see if I approve any of these clowns. This guy wears a rug *(discards one)*. This guy's Canadian *(discards another)*. And this guy is in a cult, ok, and it costs you \$5,000 to get to level three and I don't feel any different.

(Rachel is puzzled)

Joey: *(discarding all the remaining tissues one by one)* Pass, pass, oh, pass, double-pass, pass...

Rachel: *(picking up the tissues)* Why, why, what's wrong with these guys?

Joey: Nothing major, it's just that, you know, they're not really good enough for you, and you deserve the best.

Rachel: Joey, you're so sweet.

Joey: That's true. But you know what, it doesn't matter because I already know who you're gonna go home with tonight.

Rachel: Who *(looks around)?*

(Joey motions for Rachel to lean in. She does so.)

Joey: Me.

Rachel: *(surprised)* What? *(with a nervous smile)* Really?

Joey: Yes, 'cause we live together, that's a joke!

Rachel: Oh! Screw it, I didn't get it! *(they high-five)*

Joey: Gotcha.

Rachel: Oh, Very funny... Joey.

(Joey leaves. Rachel gulps down what's left of her drink and grimaces.)

(Chandler walks in)

Chandler: *(to Monica)* So, how did you enjoy the play?

Monica: Oh my god, honey, I'm so so so so sorry.

Chandler: Well you should be. You missed the most powerful three hours in the history of the theater.

Monica: You really liked it?

Chandler: Oh yeah! I mean at first I hated it, but why wouldn't I, because as a man I've been trained *(bitter woman's tone)* not to listen! *(pause)* But after chapter 16: "fat, single and ready to mingle", I was uplifted.

Monica: Oh really!

Chandler: Oh yeah, I had no idea the amazing journey you go through as a woman! Tell me, tell me about your first period!

Monica: No!

Chandler: Did somebody sign your bra?

Monica: So I got it when I was 13...

[Scene: At the counter. Ross is sitting there, drinking. Phoebe approaches him.]

Phoebe: Hey Ross! So listen, about you and the

dinosaur girl, are you really just gonna let a couple of Nobel prizes scare you off? What is that, come on, a piece of paper?

Ross: It's actually a \$1,000,000 prize.

Phoebe: Go Charlie! But my point is, ok so she dated them but she also broke up with them. Maybe she's looking to, you know, slum it with some average Joe PhD.

Ross: Yeah, maybe. I do have my whole career in front of me. I mean, I can still win a Nobel prize. Although the last two papers I've written were widely discredited.

Phoebe: You're so much more than just brains! You're sweet, and kind, and funny...

Ross: And sexy.

Phoebe: Ok well give her a chance to see all of that!

Ross: Yeah, you're right, thanks Phoebs, I'm gonna go find her.

Phoebe: Good for you! And hey, I thought your paper on punctuated equilibrium in the Devonian era was top notch!

Ross: Stop going through my stuff *(walks away)*!

(Rachel approaches Monica)

Rachel: *(to Monica)* Hey!

Monica: Hey!

Rachel: I just wanted to let you know I've changed my mind: I'm gonna do it, I'm gonna kiss Joey.

Monica: No, you can't! Friends hooking up is a bad idea.

Rachel: Please, what about you and Chandler?

Monica: That's different! I was drunk and stupid!

Rachel: Well hello *(points to herself)*!

Monica: What about all the guys that you've got the phone numbers from? Why don't you just kiss one of them?

Rachel: I could, I could but I don't want to! I want to kiss Joey!

Monica: Alright *(shrugs)*. I think it's a big mistake but it's your decision.

Rachel: *(pause)* I'm gonna do it.

Monica: And I can't stop you.

Rachel: No.

(Rachel goes look for Joey. She sees him and Charlie kissing passionately.)

Ross: *(to Rachel)* Hey Rach, have you seen Charlie anywhere?

(Rachel just stands there staring at Joey and Charlie in silence. After a while, Ross turns around and sees them.)

Ross: I'm smarter than him!

Closing credits

[Scene: The theater. Monica, Phoebe and Chandler are sitting in the first line]

Phoebe: Hey, thank you so much for these tickets, Chandler.

Chandler: Oh well, this was a really important experience for me, and I wanted to share it with you.

Monica: Oh, you're so wonderful.

Bitter woman: Why don't you like me! Chapter one: my first period.

Chandler: Can't believe you guys bought that, enjoy your slow death *(runs away)*.

921 The One At The Fertility Clinic

[Scene: Central Perk]

Monica: It's so weird, how did Joey end up kissing Charlie last night? I thought you'd end up kissing Charlie.

Ross: Hey, I thought I'd end up kissing Charlie too ok? But SURPRISE!

Chandler: I missed most of the party *(pause)* Charlie's a girl, right?

Ross: Yes, she is this new professor of my department that I did not kiss.

Rachel: I don't know why Joey had to kiss her! I mean, of all the girls at the party, GOD!

Ross: Why do you care so much?

Monica: Yes Rachel, why do you care so much?

Rachel: *(worried)* Be-cause Ross is the father of my child! You know... and I... want him to hook up with lots of women! *(pause)* I just... All I'm saying is... I don't think that Joey and Charlie have anything in common.

Ross: Oh, I don't know, they seem to have a shared interest in each other's tonsils...

Phoebe: Wow, Joey and a professor! Can you imagine if they had kids and if the kids got her intelligence and Joey's raw sexual magnetism... Oh, those nerds will get laaaaaaid!

Rachel: All right, so... Ross, you're ok with all this? I mean...

Ross: Yeah, it's no big deal. I mean, I just met her and I'm fine with it...

(Joey and Charlie enter. Ross looks at her)

Ross: Oh, God. I forgot how hot she was!

Joey: Hey!

All: Hi!

Ross: I'm gonna get some more coffee.

Charlie: Oh, you know what? I'll come with you!

Ross: Ok. *(they both go)*

Chandler: *(to Joey)* So, a professor, uh?

Joey: Yeah! She is cool, and she's so smart! Her mind is totally acrimonious *(which, being Joey, he mispronounces "amorous")*. *(pause)* That's not how she used it...?

Charlie: *(talking to Ross)* I feel like I owe you an explanation. I don't ordinarily go around kissing guys at parties. I'm... well, I'm kind of embarrassed. I really hope you don't think less of me.

Ross: Uhm no! Think less of you! No, I don't think less of you. I mean, you saw someone you liked and you kissed them. I mean, those people who like someone and don't kiss them... those-those people are stupid, I hate those people.

Charlie: You know, actually I'm a little surprised to myself. I mean, Joey is so different from the guys I usually date. I mean, they're all professors, and intellectuals, and paleontologists mostly, you know, very cerebral...

Ross: Yeah, I know the type.

Joey: Hey, if you wanna grab a bite before work we'd better get acrimonious. No? Am I getting close?

Opening credits

[Scene: Joey and Rachel's apartment]

Phoebe: *(entering)* Hey!

Monica: Hey!

Phoebe: Hey you guys! Look what I just got. *(she shows them a pair of slippers)*

Rachel: Oh, OH! Wow, I love those! Where did you get them?

Phoebe: I bought them off Ebay! They used to belong to the late Shania Twain.

Rachel: *(after a pause)* Phoebe, Shania Twain is still alive!

Phoebe: Oh... then I overpaid. *(she goes to the bathroom)*

Monica: Hey, what's this?

Rachel: Oh, it's a gift certificate to this new SPA in SOHO.

Monica: Oh, you can't show Phoebe this! She hates those corporate massage chains.

Rachel: Ah, why, now I can't get a massage? There are so many things that she disapproves of! I can't eat veal, I can't wear fur, I can't go hunting...

Monica: Do you wanna go hunting?

Rachel: Well, I would like to have the option!!

Phoebe: *(coming back from the bathroom)* What's up? *(she sees the gift certificate in Rachel's hands)* Hey, Rachel!!

Rachel: Oh!

Phoebe: No, you can't go there! You know how I feel about these "big massage places"! They're putting people like me out of business!

Monica: And she wants to go hunting, too!!

Rachel: Phoebe, come on, I don't wanna waste it! It would be like throwing away a hundred bucks!

Phoebe: Ok, this is not about the MONEY, ok? It's about... it's about corporate greed destroying our hearts and leaving us... the hollow shells.

Rachel: I don't care about any of that!!

Phoebe: Well, do you care about friendship?

Rachel: Oh!

Phoebe: I feel really strongly about this, Rachel. Please, don't use this gift certificate. I'm asking you as a friend.

Rachel: Oh, not as a friend, Phoebe!! Fine, I won't use it!

Phoebe: Promise?

Rachel: I promise.

Phoebe: Thank you. *(she tears up the gift certificate)*

Rachel: But I am going hunting!!

[Scene: Monica and Chandler's apartment]

Monica: *(entering)* Hey honey! I missed you today!

Chandler: Oh, yeah?

Monica: Yeah. *(they kiss)* What d'you wanna do tonight?

Chandler: Oh, well... Maybe we could... *(he sweeps the stuff off the table and wordlessly invites Monica to have sex on it)*

Monica: Ok, trying to turn me on by making a mess? Know your audience! Besides, tomorrow we're doing those fertility tests and until then you need to keep your tadpoles in the tank.

Chandler: We really need to take those tests?

Monica: Honey, we've been trying to have a baby for over a year. I think it's a good idea to find out if everything's ok. Just a few routine tests.

Chandler: But I don't wanna do it in a cup!

Monica: What is the big deal?

Chandler: It's weird! In a doctor's office?

Monica: It's not ok to do it in a doctor's office but it is ok to do it in a parked car behind a Taco Bell?

Chandler: *(embarrassed)* I cannot believe Ross told you that! *(pause)*

And in my defense, it was a Wendy's!

Monica: Look, I don't wanna do this test either, but I really do think it's a good idea!

Chandler: Yeah, ok. I'm sure that doctor's office can't be worst than on a class trip to the Hershey's factory!

Monica: *(really embarrassed)* TALKS TOO!

Chandler: Oh, yeah! RACHEL OH! RACHEL OH!

[Scene: Joey's apartment]

Joey: *(sipping red wine from a glass)* Who says that wine has to cost more than milk!

(somebody knocks the door, Joey opens and it's Charlie)

Joey: Heeey!

Charlie: Hi!

Joey: Come on in, how are ya?

Charlie: I'm good!

Joey: Can I offer you a drink?

Charlie: Please, I've been crazed all day! I had a meeting with the Dean, and my syllabus for summer school is due and I'm writing the Foreword for a friend's book...

Joey: Uh-oh. I had a pretty hectic day at work too, today I had to open a door and go *(looking scared)* ohhhh!

Charlie: So I am just so excited to be here. And I can't wait to start exploring the city!

Joey: Hey, if you need a tour guide... *(point to himself)*

Charlie: Oh, you mean it? That would be so fun!

Joey: Yeah, definitely, definitely. Ok, what do you wanna see first?

Charlie: Oh, well, we can go see the Chronos Quartet at the Avery Fisher Hall.

Joey: *(looking puzzled and nodding)* Ok!

Charlie: And there is a collection of Walt Whitman letters on display at the public library.

Joey: I know, yeah!

Charlie: And first, I have to see the MET!

Joey: Ok, let me stop you right there. The Mets suck, ok? You wanna see the Yankees.

Charlie: No, no, no, not the Mets, the MET, singular!

Joey: Which one, they all suck!

Charlie: The museum!

Joey: (looking puzzled) I don't think so.

[Scene: SPA message center, Rachel enters]

Rachel: (to the receptionist) Hi there!

Receptionist: (in an affected tone) Hello, welcome to Lavender Day Spa SPA. How may I help you?

Rachel: Oh, hi. I have a massage appointment under Rachel Green, and here is my gift certificate.

Receptionist: This has been torn up.

Rachel: And... taped back together.

Receptionist: Ok well, I'll call you as soon as your massage therapist is ready.

Rachel: Ok

Receptionist: Have a seat through the glass doors.

Rachel: (imitating the receptionist's tone) through the glass doors.

Receptionist: Through the glass doors.

Rachel: Alright-y then.

(Phoebe enters the hall)

Receptionist: Phoebe, your next client's in the waiting room.

Phoebe: Ok. Do we have to talk like that then they're not around? (She sees Rachel) Oh, no, no! Listen, is there someone who can fill in for me?

Receptionist: Sorry, everyone is booked!

Phoebe: But that woman can't know I work here. She's a friend of mine and I made this big stink about how awful this massage chains are.

Receptionist: Then why you work here?

Phoebe: 'Cause it's good money! But that doesn't change the fact that this is an evil blood sucking corporate machine!

Receptionist: Well, I think this is a great place to work!

Phoebe: (watching around and whispering) Ok, are they listening?

[Scene: Central Perk]

(Joey walks in and moves towards Ross, who's sitting of the sofa)

Joey: Ross!

Ross: Hi!

Joey: I need to talk to you about Charlie.

Ross: (annoyed) Oh, do you, do you really?

Joey: Yeah, I'm... I'm kind of having a little problem.

Ross: Look, if you don't know what the word "acrimonious" means, just don't use it!

Joey: No, look, you know Charlie, right? She's cool, she's funny, her body is so...

Ross: Get to the problem!

Joey: Yes. It's just that she's so much smarter than all the girls I've ever dated! Combined! I don't want her to think I'm stupid!

Ross: (looking down) Are you wearing two belts?

Joey: (checking) EH, what do you know!

Ross: You were saying you didn't want to seem stupid.

Joey: Right, right, right, well, she wants to go to all this cultural places and I don't know how to talk about that stuff. You gotta help me out!

Ross: You know, I really don't want to get involved in you guy's relationship.

Joey: Please, c'mon, you're the smartest person I know and I really like this girl, ok, I don't wanna lose her.

Ross: (after a short hesitation) Fine.

Joey: Thanks.

Ross: Ok. Let's see. Oh, you should take her to the MET!

Joey: The Metss!

Ross: Oh, no! The MET! The Metropolitan Museum of Art.

Joey: (realizing) Oh, that's what she meant! (pause) You know, if they're gonna shorten it, they should call it the MUSE! You know, short for museum, and avoid all the confusion!

Ross: Yeah, most of it it's a place packed with confused angry baseball fans!

Joey: Ok, all right, so I'll take her to the MET.

Ross: Yeah, uh, uh, ok, whoa, whoa, whoa! So, I walk in the door and make the right (and he bends his arm to the left. Ross then bends Joey's arm to the right and Joey nods)

[Scene: doctor's waiting room]

Chandler: I have a weird feeling about this place.

(pause) How do I know that they are not gonna secretly videotape me and put it all over the internet.

Monica: Because, honey, I mean this in the sweetest way possible, nobody is gonna wanna watch that.

(a nurse walks in)

Nurse: Mr. Bing? (Chandler jumps up) Here you are! You'll go into that room and deposit your specimen into the container.

Chandler: Deposit my specimen? You know, usually I have to call a 900 number for that kind of talk. Thanks, got it.

Monica: Hey, honey, my test is down the hall, are you sure you're going to be ok?

Chandler: Yeah, I guess!

Monica: I know this is embarrassing, but nobody cares! No one here even knows you!

Janice: OH MY GOD!!

Chandler: Oh, Come on!

Commercial Break

Janice: Ah ahahahaha! How great is this!

Monica: Hey, we're probably fertile, let's go home!

Chandler: Why are you here?

Janice: Well, Sid and I are trying again and we had trouble last time because apparently we...

Chandler: (to Heaven) No no no... I mean, why? why is she here??

Janice: Oh! Someone's a little cranky today cuz they have to do it in a cup! (laughs) Oh! They gave you the kiddy size (looking at the cup in his hand).

Chandler: What!?

(Janice does her "Janice Laugh")

Monica: This was fun! But I've got an invasive vaginal exam to get to! (leaves)

Chandler: I'd love to stay, but I have eh... (points at the cup) got a hot date... (starts to leave)

Janice: Please... go! (Then shouts after him) Just let me know if you need a hand!

Chandler: (disgusted) I think it just fell off. (Leaves)

[Scene: At the Spa, Phoebe is at the half-opened door]

Phoebe: (In a strange heavy accent) Hello "ja", it's time for your massage, ja! Put your face in the hole.

Rachel: Wow, a Swedish massage from a real Swedish person. (Puts her head in the hole and Phoebe enters)

Phoebe: Okay, then I'm Swedish...

Monica: So, what's your name?

Phoebe: It's a normal Swedish name... Ikea...

Rachel: Oh... what an interesting name.

Phoebe: Ja!

Rachel: You know I... (lifts her head and tries to look in Phoebe's direction)

Phoebe: (pushes her head back down) Time for your scalp massage!

Rachel: (Sees Phoebe's slippers through the hole) Wow... I really love your... (startled as she realizes those are Phoebe's slippers)

Phoebe: Is something wrong?

Rachel: No, it's just that uhm... it feels so good... Ikea... (pause)

Yeah, say hey, you'll know this, what's the capital of Sweden?

Phoebe: (Thinks for a few moments) Uhm... Stockholm.

Rachel: Damn! I wish I knew if that was right!

[Scene: Joey's apartment, Joey and Ross in the living room, rehearsing what Joey will say to Charlie in the Museum]

Joey: (gesturing at an imaginary painting) Note the painterly lines and subtle impasto on this canvas. Monet painted quickly and usually outdoors as his elusive subject was light itself.

Ross: Now, do you have any idea what you just said?

Joey: (shaking his head as if to say: of course not!) No, no, my mouth says the words, my brain is thinking monster trucks!

Ross: Ok now, remember, when you get to the museum, Monet is not spelt M-O-N-A-Y. I just... I wrote that out phonetically for you.

Joey: Phonetically? (Looks confused)

Ross: Yeah, yeah that means... you know? We just... we don't have time for this.

Joey: Ok.

Ross: Ok, but you know what? I gotta say, I'm really impressed that you were able to memorize all this so quickly!

Joey: Ah! I'm an actor! I can memorize anything! Last week on "Days" I had to say "Frontal temporal zygomatic craniotomy".

Ross: Wow. What does that mean?

Joey: No idea! But the guy I said it to dies in the next scene so I guess it means "you're gonna get eaten by a bear".

Ross: Ok! So let's move on to the Renaissance?

Joey: Ok, Caravaggio uses chiaroscuro here to highlight the anguish of the central figure. Touch it, it's really bulky! (Reaches out to touch the imaginary painting).

Ross: Nah ah! Nah ah! (stops him from doing so) No no no! No ad-libbing and dude, you can't touch the paintings.

Joey: Come on! you... (reaches out to touch the imaginary painting again)

Ross: No! (Slaps his hand)

[Scene: The Fertility Clinic; Chandler walks out one of the rooms]

Chandler: (To the nurse at the nurses' station) My specimen is in the room and I just want to thank whoever knocked on the door while I was in there. Really helped speed the process along! (walks towards the common area and sees Janice is still there) Janice! You're not... gone?

Janice: Oh! Sid is still in his room. I don't allow porn at home so this is like a vacation for him. So did you do it? Did you make your deposit?

Chandler: Yeah! yeah... The hard part is over!

Janice: That's not the hard part honey! The hard part is what comes next, I mean aren't you worried about the results?

Chandler: I haven't... I haven't even thought about the results yet... I just assumed that everything was gonna be ok.

Janice: Oh! Well, you know what? It probably is.

Chandler: (Slightly panicky) Yeah, but what if it's not? What if there is a reason why we can't have a baby?

Janice: Oh, Chandler, look. You and Monica are meant to have children. I am sure it's gonna be just fine.

Chandler: (smiling again) Oh, oh, yeah, ok, thanks. I can't believe I didn't even think of that. I guess I was just so worried about having to... come here and do... 'that'...

Janice: What, you can do it in the parking lot of a Taco Bell, but you can't do it at a doctor's office?

Chandler: (stares at her intently, then yells) It was a "Wendy's!!"

[Scene: Phoebe and Rachel at the Spa. Phoebe is still massaging Rachel]

Phoebe: (Singing) "Ipan Stripan, Glupi Glabi!" And that is the Swedish National Anthem! Thank you for asking! (looks annoyed)

Rachel: Wow, Ikea... what a rich culture. Uhm, you know what? I have a friend who is a masseuse.

Phoebe: Oh, Ja! Ja!

Rachel: Yah! She's... uhm... not very good though... (Phoebe looks devastated)

Phoebe: Uhu, uhu... and why do you think that is?

Rachel: I don't know... maybe it's because she has got such callous fingers from playing crummy guitar...

Phoebe: Or... maybe she has trouble loosening your knots because you're such a high maintenance tight ass!

Rachel: (now lifts her head) Phoebe!!

Phoebe: You know it's me?

Rachel: For like a half an hour! Man, you can lie about Sweden!

Phoebe: How can you come here?

Rachel: How could you not tell me you worked here?

Phoebe: I don't have to tell you everything!

Rachel: Yes you do, if you're going to make me feel guilty for getting a free massage!

Phoebe: Tips not included.

Rachel: Oh! Phoebe, why did you lie to me about working here?

Phoebe: Because I was ashamed ok? I sold out for the cash! And then they give me benefits like medical, and dental, and a 401K. But you know... you pay a price. Now I'm this Corporate stooge and punching a clock and Ugh! paying taxes!

Rachel: Phoebe, honey, if you hate it so much, you should walk out there right now and quit! Be true to what you believe in! Honey, you have principles and I so admire that! I don't have any!

Phoebe: You know what? You are right. I am gonna quit. It's time I took my life back!

Rachel: Good for you Pheeb!

Phoebe: Ok.

Phoebe: Okay (walks out and closes the door behind her, looks up and whispers) If you guys have microphones in there too, I didn't mean any of that. I love you.

[Scene: Central Perk. Ross is playing some shoot'em up game on his laptop]

Ross: Haha! Got ya! Die, die, die! (Charlie walks in.)

Ross: (recovers his composure and starts typing) Respectfully, professor R. Geller. (hits <return>, closes the laptop and joins Charlie on the sofa) Hey!

Charlie: Hi!

Ross: Hey, how was the Met?

Charlie: The museum was amazing!

Ross: Yeah? Joey really knows his art, huh?

Charlie: Not so much, no. He had clearly memorized all the stuff to say, and some of it didn't even make any sense.

Ross: What do you mean?

Charlie: Well, for one, he was talking about paintings that were nowhere around.

Ross: (perplexed for a moment) Wait a minute... when you guys walked into the Met, did you go to the right?

Charlie: No, we went to the left.

Ross: (shaking head) Oh Joey, Joey! But still, I mean, it seems like you guys are having a great time together.

Charlie: Yeah, it's fun (hesitating).

Ross: What?

Charlie: Actually, you know, Joey is your friend, and you don't really know me that well; it would be weird.

Ross: What, I mean, a little, but no, what, go on.

Charlie: Well... I'm just thinking that maybe he's not the right guy to be with right now, maybe I should be with someone... I have more in common with. You know what I mean?

Ross: (slowly) Yeah. But you know what? I think you should give Joey a chance. I mean, he's a great guy, and sure he doesn't know that much about art but you know, you can always talk about that with someone else.

Charlie: Yeah, I guess that's true.

Ross: And if you think about it, I mean the reason he memorized all that stuff is because he thought it was important to you. You know, that's the kind of guy Joey is.

Charlie: He is very sweet. Plus he's hot!

Ross: That was going to be my next argument. (Joey walks in)

Joey: Hey!

Ross: Hey!

Charlie: Hey!

Joey: (to *Charlie*) You're ready?

Charlie: Yeah, let's go. (*stands up and kisses Joey*) (to *Ross*) Thanks Ross.

Joey: (*aside, to Ross*) Hey Ross! That art stuff worked, you hooked me up.

Ross: Glad I could help man.

Joey: Although some of that stuff wasn't where you said it was gonna be, but... (*confidently*) I made it work.

[**Scene: Monica and Chandler's. Chandler is sitting on the sofa, reading the newspaper.**]

Chandler: (*picking up a plastic cup similar to the one he deposited his specimen in*) It is not okay that I'm aroused by this now.

(*phone rings*)

Chandler: Hello? Oh hi, Doctor Connelly. (*pause*) No, she's not here but, you know, I can tell her. Should I be sitting down for this? (*his smile fades as he hears the answer*) Oh. (*pause*) Well, so what does that mean? (*pause*)

Ok. Ok, thank you. Thanks. (*hangs up*)

(*Monica walks in*)

Monica: Hey sweetie.

Chandler: Doctor Connelly just called.

Monica: With good news? (*very quickly and wringing hands*) Of course it is not good news, you just said (*deadpan*) "Doctor Connelly just called". If it was good news you would have said (*excitedly*) "Doctor Connelly just called!" But so what is it? Is there a problem, uh? Is there a problem with me or with you?

Chandler: Actually it's both of us.

Monica: What?

Chandler: Apparently my sperm have low motility and you have an inhospitable environment.

Monica: Oh... what does that mean?

Chandler: It means that my guys won't get off their barcaloungers and you have a uterus that is prepared to kill the ones that do. (*pause*) It means...

Monica: Chandler?

Chandler: (*seriously*) It means that we can keep trying, but there's a good chance this may never happen for us.

Monica: (*weeping*) Oh my God!

Chandler: I'm sorry.

Monica: I'm sorry too.

(*they hug*)

Chandler: Well, we're gonna... we're gonna figure this out.

Monica: (*still weeping*) I know.

Closing credits

[**Scene: The Spa Reception. Phoebe walks in**]

Receptionist: Good morning Phoebe.

Phoebe: (*imitating the receptionist's tone*) Good morning receptionist.

Receptionist: Here's your schedule for the day. Your first client is in room No. 1.

Phoebe: Rachel Green? (*angrily*) Son of a bitch, she came back?

(*Phoebe walks to the door and half-opens it*)

Phoebe: (*through the door, with a Scottish accent*)

Are you ready for your Scottish massage? Put your face in the hole, lassy.

End

922 The One With The Donor

[**Scene: Central Perk. Charlie, Joey and Rachel are on the couches**]

Charlie: (*while Joey's giving her a massage*) Oh! That feels sooo good!

Rachel: (*speaking to herself and reading Cosmopolitan*) Oh, lucky me! Coffee and a live sex show!

Charlie: I'm sorry, what?

Rachel: Oh... Oh, I'm sorry! I'm not... I was just-I was just reading to Emma.

Charlie: From... Cosmo???

Rachel: Yeah, yeah... It's... "climax your way to better skin".

Charlie: (*to Joey*) So, I have to go shopping today, which is my least favourite thing, I'm soo bad at picking out clothes!

Joey: So you need someone who knows fashion, to tell you what looks good.

Rachel: (*hiding herself behind the magazine and whispering*) Not me, not me, not me, not me, not me!

Joey: Oh hey Rach!

Rachel: Yeah...

Joey: Maybe you could take Charlie shopping.

Rachel: Oh, well...

Charlie: I'm sure you have better things to do.

Joey: Are you kidding? Rachel loves to shop! And she has great taste! Yeah, she's the one who taught me, you don't wear white after labour day and that you always, always, always have to put on underwear when you're trying on clothes.

Charlie: If you have the time, I'd really appreciate the help.

Rachel: Ok, uh-uh... Let's-Let's shop!!

Joey: (*to Charlie*) Ok, you're gonna come back with some very classy clothes... (*aside to Rachel*)... and some slutty lingerie, SLUTTY!

Phoebe: (*entering and talking on mobile phone*) Ok, great! All right, bye! (*she hangs up*) Pain in the ass!! (*she looks at the others, then back at the phone*) That's off, right?

Joey: What's the matter, Pheebs?

Phoebe: Oh... Mike's sister just invited me to a party tonight, he's gonna be there. And she was like "Oh, don't worry! I asked him. He's totally ok with seeing you!". So now I have to go so he'll think that I'm totally ok with seeing him!

Rachel: Which you're not, because you've totally hung up on him!

Phoebe: Exactly!

Rachel: And you're gonna want him to eat his heart out so you're gonna have to look fabulous!

Phoebe: (*after a short pause*) I didn't even think about that! (*pause*) Aaargh, sexual politics!!

Rachel: Hey Pheebs, I'm-I'm taking Charlie shopping, why don't you come and I'll help you find something.

Phoebe: Ok, that'll be great!

Joey: Oh, ain't that nice? The three of you trying on slutty lingerie together.

Rachel: That's not what we're gonna do!

Joey: Why would you ruin it, who was that hurtin'?

Opening credits

[**Scene: Doctor Connelly's office**]

Chandler: (*looking at the picture of the female reproductive system*) Wow! Fortunately she has a very pretty face!

Monica: Oh, I so can't believe this! My uterus is an inhospitable environment? I was trying so hard to be a good hostess!

Chandler: Oh, I can't believe my sperm have low motility because, let me tell you, when I was growing up they sure seem to be in a hurry to get places!!

Doctor Connelly: (*entering*) Hi there.

Chandler: Hi.

Monica: Hi.

Doctor Connelly: I'm sorry there wasn't better news from your test last week but I wanted to talk to you about your options.

Monica: Ok.

Doctor Connelly: Above all, even though your chances of conceiving through natural means aren't great, you never know! So, keep having sex on a regular basis.

Chandler: Oh, DAMN IT!

(*Dr. Connelly glares at Chandler*)

Monica: Don't worry, after a while he'll tune it out.

Doctor Connelly: Ok, given your situation, the options with the greatest chances for success would be surrogacy, or insemination using a sperm donor.

Monica: (*long pause*) Ok.

Doctor Connelly: And, of course, if you feel that neither of those is right for you, you can always adopt.

Chandler: Is that a hint? Because we love you Doctor Connelly but we don't think we'd want you to be our child! (*Dr. Connelly glares at him*) Wow, talking about an inhospitable environment!

[**Scene: Central Perk. Joey and Charlie on the couch. Rachel enters**]

Rachel: Hi! Ok, you're ready to go pick up Phoebe and go shopping?

Charlie: Oh, yeah! Let's do it!

Joey: (*to Charlie*) Alright, have a good time. (*they kiss*)

Rachel: Not gonna find any clothes in there!

Ross: (*entering*) Hey, you guys!

Rachel: Hi.

Ross: Guess who's up for keynote speaker at the National Paleontology Conference?

Charlie: Umh... Kurt's Baley?

Ross: Yeah, right! What was last time he met a submission deadline for an abstract (*he and Charlie laugh, then Joey starts laughing too without any reason*) Well, why are you laughing?

Joey: Just... seeing what it'd be like to be a paleontologist... it's fun, yeah!

Charlie: So you're up for keynote speaker! Who's making the decisions?

Ross: Professor Sherman, yeah. I've a meeting with him today.

Charlie: He's a pretty tough guy to impress.

Ross: Yeah, well... I think I know how to dazzle him.

Rachel: Oh... you're not gonna do a magic trick, are ya?

Ross: Tsz... NO! (*he goes to sit down, dropping a multicoloured silk streamer off his sleeve*).

Chandler: (*entering*) Hey guys!

Ross: Wait a minute, you guys. Oh, I wanna ask you something. I-I I may get to speak at this paleontology convention and if I do, I'd love for you guys to come and hear me.

Chandler: I think I can safely say that we all have family issues, work stuff and/or are sick.

Ross: It's in Barbados.

Chandler: But you come first!

Rachel: I'm there!

Charlie: We'll see you, guys! (*she goes*)

Joey: Bye.

Rachel: Bye, see ya. (*she goes*)

Chandler: (*sitting down on the couch*) Ok.

Joey: All right, so. How did it go at the fertility clinic?

Chandler: Not as much fun as last time. Apparently you only get porn if you're giving a sperm sample.

Ross: So-so what did the doctor say?

Chandler: Well... there's surrogacy, but Monica has dreamt her whole life of carrying a child, she has felt that watching a surrogate would be... too hard for her.

Joey: So you're ruling out surrogacy?

Chandler: Yeah.

Joey: So, I don't have to learn what that means?

Chandler: Aside from adoption the only other choice is insemination, so... we're talking about sperm donors.

Joey: Enough said, I'm there for you man. Where is she, upstairs?

Chandler: (*stopping Joey*) ah-ha!

Ross: How do you feel about all this?

Chandler: I wish there was an easier way for us to have a child but I don't think there is one.

Joey: Come on Ross, be a good guy. Step up and do it!

Ross: (*puzzled*) What?

(*Joey moves close to Ross and whispers something in his ear*)

Ross: (*looking astonished*) What? NO! I am not going to give them Ben!

[**Scene: Professor Sherman's office, Ross is relating to Professor Sherman**]

Ross: The data we are receiving from MRI scans and DNA testing of these fossils are - are staggering.

Professor Sherman: Mmm-mm.

Ross: (*reading from a notepad*) I mean, we've been accepting Leakey's dates as a given, but if they're off by even a hundred thousand years or so then you can - you can just throw most of our assumptions, you know, right in the trash. (*he throws the notepad in the waste bin*) So-so what I am saying is - is that (*he picks the notepad back from the waste bin*) is that the repercussions could be huge! I mean, not just in palaeontology, but if you think about it, in evolutionary biology, uh, genetics, geology, uh, I mean, truly the mind boggles!

(*Turns to look at Professor Sherman, only to discover that he is sleeping*)

Ross: Oh, that's not what you want...

[**Scene: Shop, Rachel, Charlie and Phoebe walk in**]

Shop assistant: (*to a girl*) Incentive For Men?

Phoebe: Oh, I'll take some of that.

Rachel: Pheebs, that's for men!

Phoebe: No, I know, this way when I go to the party later Mike will know I am over him cause I'm gonna smell like another guy. (*to the shop assistant*) Yeah.

(*The shop assistant sprays the perfume on Phoebe's neck*)

Phoebe: Ok. Oh good, I'm dating a Russian cab driver. (*to the shop assistant*) Seriously does anyone buy this? I smell like beetles!

Charlie: (*to Rachel*) So, you know what, I really like those jackets with the shoulder pads on them. Where do you think those would be?

Rachel: On Melanie Griffith in "Working Girl". I think what you want is over here.

Charlie: See, I told you I needed someone! Oh, you know, by the way, as a "thank you", I would really love to take you out.

Rachel: Really?

Charlie: Yeah! Actually Joey and I are going to the movies tonight, wanna come?

Rachel: Oh, I can't. Because I-I-I've seen them.

Charlie: You've seen all the movies...

Rachel: Yeah! I'm a big fan! Of the movies, you know. Motion pictures. The Talkies!

Phoebe: (*picks up a dress*) Hey Rach, will you come with me to a dressing room?

Rachel: Sure!

Phoebe: Ok!

Charlie: Wha, you know, maybe we can do something else!

Rachel: You know that depends on what it is! I've done a lot of stuff.

(*Phoebe and Rachel go off to the dressing rooms. They enter one and close the curtain.*)

Phoebe: So what were you doing out there, do you not like Charlie?

Rachel: She's ok, I just don't get a really good vibe from her!

Phoebe: Why?

Rachel: I don't know, you know, just the way she waltzed in here all smart, and tall! You know, and just swept Joey off his feet... I mean, nobody else has a chance!

Phoebe: Who else?

Rachel: Anybody! You, me, you know, Monica's mom...

Phoebe: You like Joey?

Rachel: Shhhhhh! Phoebe! All right, look. I have a little thing for him.

Phoebe: (*whispering*) Oh my God!

Rachel: It's just physical and I have it totally under control! Ok? It's just, when I see them together, sometimes I just get a little jealous!

Phoebe: Uh, wow! Isn't it ironic that he liked you and now you like him?

Rachel: (*annoyed*) Oh, I get it!

Phoebe: Oh well, as long as it is under control, you know, you can't do anything about it, he's already dating her, and she is a nice person, that wouldn't be right.

Rachel: I know, I know, so it is just not a big deal.

Phoebe: Yeah.

Rachel: So can we keep this between us?

Phoebe: Sure!

Rachel: Ok, great, because I gotta get out of here, the smell of beetles is killing me!

Phoebe: Oh.

(*Rachel opens the curtains and sees Charlie coming out from the dressing room just next to theirs*)

Phoebe: Any chance Charlie has a deaf twin?

[**Scene: Monica's apartment, Chandler walks in with a friend of his while Monica is putting fruit in a bowl.**]

Monica: Hi honey!

Chandler: Hey! Look I brought a friend for dinner, this is Zack, from work!

Monica: Oh, of course, it's so nice to see you again, Zack!

Zack: (*shaking Monica's hand*) You too.

Chandler: You guys haven't actually met before, but,

boy! You're both polite! *(pause)* Go to have a seat Zack, and I'll get you a beer.

Monica: I got it.

Zack: Thanks.

Chandler: *(to Mon)* So, Zack's pretty nice, uh?

Monica: Yeah, I guess.

Chandler: So, how would you like to have a baby that's half yours and half his!

Monica: *(turns around and she's quite shocked)* Excuse me?

Chandler: Well, we're talking about sperm donors and Zack may be the guy! I mean, look, he's intelligent, he's healthy, he's athletic, I mean, he is "spermtastic"!

Monica: Chandler, this is crazy! What did you even say to him! "Come up, meet my wife! Give us your sperm"!

Chandler: No, I invited him to dinner so you could get a chance to get to know him! I mean, if we go through a sperm bank you never meet the guy, get to check him out.

Monica: Chandler!

Chandler: I'm telling you, he's great! I mean, even if my sperm worked fine, I'd think he'd be the way to go!

Monica: I'm not going to be a part of this! You can't just bring some random guy at home and expect him to be our sperm donor!

Chandler: Ok!

Monica: Uh!

Chandler: *(bringing the beer to Zack)* Zack!

Zack: Thanks! Do you have a coaster? I don't wanna make a ring.

(Monica hears that and is suddenly very interested in Zack)

Monica: Tell me about yourself, Zack!

[Scene: Shop, Phoebe and Rachel are talking in front of the dressing room]

Rachel: Oh, God, do you think she heard? It would be so bad if she heard!

Phoebe: Well, maybe she didn't hear! Ok I'm gonna go into that dressing room, you stay in here and I'll talk and see if you can hear me.

Rachel: Ok, great!

(Phoebe moves in the dressing room from which Charlie went out)

Rachel: Oh, thank God I can't hear a word that you're saying!

Phoebe: *(sticks her head out)* I didn't say anything yet!

Rachel: *(sticks her head out too)* Well, get back in there and talk!

Phoebe: *(goes back in)* I'm Rachel. It's so annoying when I put Emma on the phone to talk with my friends.

Rachel: *(comes out again)* What?!

Phoebe: *(comes out too)* Well, some things are just hard to say to your face.

Rachel: Ok well, I heard that! Which means that she heard it too!

Phoebe: Ooh! We have a problem.

Rachel: Oh! What are we gonna do?

(A strange woman sticks her head out from a third changing cubicle to the far right)

Stranger: Just be honest with her.

Rachel: Oh my God!

Stranger: And it is annoying when parents put their baby on the phone...

Rachel: *(yelling at the stranger)* Alright! Enough out of you!

[Scene: Joey's apartment. Joey is sitting on his bed and the phone rings]

Joey: Hello?

Ross: Joey! Hey, I need to talk to Charlie. Is she there?

Joey: No, no... eh... she went shopping with Rachel. Why? What's up?

Ross: I'm meeting with professor Sherman about my being the keynote speaker...

Joey: Oh! How's it going?

Ross: It could be better! He, uh... he fell asleep!

Joey: What?! But I already bought my ticket to Bermuda!

Ross: Barbados.

Joey: Fine, I'll rent a car and drive...! Ross, you have to get that job!

Ross: What am I supposed to do? He's out cold! In fact he was just talking in his sleep before and evidently he wants someone named Fran to spank him harder.

Joey: Well, just wake him up!

Ross: I can't! If he realizes that I'm the one that put him to sleep, I won't get the job!

Joey: Uh! That's a tough one. Oh! Wait a minute, this happened to me before! Yeah, I was auditioning for a play and the producer fell asleep and... *(pause)* no wait a minute... it was me who fell asleep... Yeah I mean hey, Shakespeare, how about a chase scene once in a while?!

[Scene: Chandler and Monica's apartment. Chandler and the guest are in the living room, Monica in the kitchen]

Monica: Hey guys! Dinner's ready!

Zack: Oh! I'm gonna go wash up first. *(Chandler points him the bathroom)* Thanks!

Chandler: So what do you think? I want that guys genes for my kid! Those eyes, those cheekbones!

Monica: Ok, there's enthusiastic and there's just plain gay!

Chandler: You don't like him.

Monica: I think he is fine! It's just that we don't

know anything real about him... we should get more information.

Chandler: Alright! Just follow my lead!

(Zack comes out of the bathroom. They all sit down at the table.)

Zack: You guys have such a great place here.

Chandler: Oh! Thanks, I'm crazy about our place. Hey! speaking of crazy... do you have a history of mental illness in the family?

Zack: Uh... no. Although I did have an uncle who voted for Dukakis.

Chandler: *(very seriously)* That's really not the kind of thing we are looking for Zack.

Zack: *(looking very puzzled)* Okaaay... so eh... so tell me, how did you guys meet?

Monica: Oh, friends first, drunk in London, you know the story. I've got a better question for you: Do you or any of your blood relatives have diabetes?

Zack: *(after a pause, very confused)* No...

Monica: Eh... Heart Disease, Alzheimers, gout?

Zack: You guys don't have people for dinner a lot, huh?

Monica: We're just making conversation. *(Chandler makes an agreeing-sound)*

Zack: Ok. I heard a joke today. It's pretty funny...

Chandler: You know what's not funny? Male Pattern Baldness *(Monica stretches her neck to look behind Zack's head and then gives Chandler an "ok" sign)*

Zack: Ok listen, you guys have shown a lot of interest in me tonight and I'm flattered and... and quite frankly a little frightened. Can we just talk about something else?

Monica & Chandler: Sure! Alright...

Zack: Ravioli's delicious!

Chandler: I noticed you were enjoying that Ravioli with a beautiful set of teeth. Did you have braces as a child?

Zack: No I didn't.

Monica: Yess!! *(M & C high-five and Zack looks confused again)*

Chandler: *(Proceeding with his dinner)* We're teeth people Zack!

[Scene: In the store. Rachel and Phoebe returning from the changing rooms]

Rachel: Alright! Let's just do it. Let's just go over there and see if she heard.

Phoebe: Good plan.

Rachel: Ok. *(Phoebe starts to walk in the opposite direction though. Rachel sees and follows her)* Wha...? where? Where are you going?

Phoebe: Oh! I'm sorry Rachel, I don't have time for your childish games, ok? I still have to go find something incredible to wear so I can beat Mike at "who's more over who"!

Rachel: *(to Charlie)* Hey, hi! Hey, where've you been?

Charlie: Oh! trying on clothes.

Rachel: *(pretends to be stunned)* Oh! Wi... in the dress... in the dressing room? Well, that's so weird! Phoebe and I were just trying on clothes in the dressing room. God it's just such a small world!

Charlie: *(smiling)* Rachel... I heard you guys whispering.

Rachel: Oh God. You did. You heard. Ok, listen, let me explain.

Charlie: No! There's nothing to explain. I heard you. Phoebe likes Joey.

Rachel: *(after a pause)* Yeah.

Charlie: It's just that... I don't understand it... I mean, Phoebe likes Joey and then she comes here to buy a dress to impress another guy...?

Rachel: Yeah! That's Phoebe. That's Phoebe. You know, she just wants them all! It's like she's a nympho!

Charlie: Wow!

Rachel: Yeah...

Charlie: You know, by the way. I heard you tell her not to do anything. Thanks for sticking up for me. You are such a nice person.

Rachel: *(Looks ashamed)* I try...

[Scene: Prof. Sherman's office. Sherman is still asleep on his chair, blocking the door.]

(Ross takes his suitcase and tries to get out but ends up falling on Prof. Sherman's laps, thereby waking him up)

Ross: *(To the still half asleep Professor)* Oh my God! You really want me to be the keynote speaker? Thank you! *(hugs him whilst still on his lap)*

Prof. Sherman: *(confused)* You're welcome. *(Ross hugs him again)*

[Scene: Central Perk. Joey is sitting on the sofa, eating a cookie.]

(Phoebe walks in wearing a fancy, revealing dress, and stands before Joey)

Joey: *(impressed)* Wow! You look... *(drops the cookie)*... stop-eating hot! Which is like the highest level of hotness!

Phoebe: Are you sure? Because I'm really dreading going to this party.

Joey: Then don't go!

Phoebe: Mike knows I'm coming, and if I don't show up he'll think it's because of him! And I don't want to lose face! That's a very serious thing in my culture.

Joey: Alright, then you go to that party and you pretend to be over Mike. And afterward you come to my place and I'll get you good and drunk!

Phoebe: You got it! Ok. But not on the wine that you made, ok, because I just don't want to go back to the Emergency Room.

(Joey gives Phoebe a thumbs up. Phoebe walks out)

[Scene: Outside Central Perk.]

Phoebe: David?

(David the scientist guy is standing at the news-stand)

David: Phoebe! Hi!

Phoebe: Oh my God! *(they hug)*

David: Wow, you look unbelievable.

Phoebe: Yeah. What-what are you doing here?

David: Well, I'm back from Minsk... permanently.

Phoebe: What happened?

David: Well, remember how I was trying to achieve the positronic distillation of subatomic particles?

Phoebe: Yeah?

David: Well, after eight years of research I discovered that it can't be done.

Phoebe: Well, it's great that you're back! How are you?

David: Good, good, life is good...

Phoebe: Good!

David: Ah well... I-I'm seeing someone.

Phoebe: *(disappointed)* Oh, good for you.

David: She's also a scientist, so she's very smart and pretty and... well, it's actually because of you, really, that we're together, I mean, I saw what you had with that Mike guy, and I just said "Boy, I want that".

Phoebe: Mike and I broke up.

David: You're kidding me. Because I'm not seeing anybody, I've just totally made that up.

Phoebe: Really?

David: Yeah, I don't know why, I'm sorry, I guess I just didn't want to lose face.

Phoebe: I understand. Yeah. Ok so then ok, so we're both living in New York, not seeing anyone. That's so not like us!

David: Yeah, I know. Well... this is probably a stupid question, seeing that you look like that, but do you have some place that you need to be right now?

Phoebe: Well... *(pause)* no.

David: Do you wanna get a drink?

Phoebe: I'd love to.

David: Great.

Phoebe: Ok. *(they walk away together)*

David: Do you smell beets?

Phoebe: Oh, got it, stay upwind of me.

(Charlie and Rachel arrive. They see David and Phoebe leave)

Charlie: Hey, there's Phoebe! Is that Mike she's with?

Rachel: No, that's David.

Charlie: There's a third guy?

Rachel: *(disapprovingly)* Tip of the iceberg.

[Cut to Monica and Chandler's]

Zack: I'm gonna take off now. You're gonna let me go home, aren't you?

Chandler: You sure you don't wanna stick around a little longer?

Zack: No, no, I should get home, I'm kinda tired.

Chandler: Are you just tired now or are you always tired, 'cause that could be a sign of clinical depression.

Zack: No it's just tiring having to figure out the age at which all my grandparents died. I'll see you tomorrow.

Chandler: Ok.

(Zack leaves)

Chandler: I think we've found our sperm!

Monica: Does seem pretty perfect.

Chandler: Yeah, you think so, well? Should I ask him?

Monica: *(pause)* No.

Chandler: Why not, just because his great-grandmother was obese, our kids are gonna get that from you anyway!

Monica: No, that's not it. It's just that when we were asking him all those questions before, I just... I just realized I don't care if he's the most perfect guy in the world... he's not you.

Chandler: Yeah, he's better!

Monica: No, he's not. And if I can't get pregnant with you, then I don't want to get pregnant by... him or anyone else.

Chandler: Really? Are you sure?

Monica: Yeah, I'm sure.

Chandler: *(sighs with relief)* Thank God, because I don't wanna do this either. You know, I was just doing because I thought that was what you wanted to do. You know, I'm the husband, I'm supposed to... bring the sperm.

Monica: That is so sweet. I love you. *(they kiss)*

Chandler: So you know this leaves us with...

Monica: Adoption.

Chandler: How do you feel about that?

Monica: I think I feel ok about it. Actually I think I feel really good about it.

Chandler: Me too. I wanna find a baby that needs a home and I wanna raise it with you. And I wanna mess it up in our own specific way.

Monica: So this is it, we're really gonna adopt?

Chandler: *(smiling)* Yeah.

Monica: *(excitedly)* Oh my God, we're gonna be parents!

Chandler: We are gonna be great parents.

Monica: And it could be soon. I mean, think about it: right now, somewhere out there *(they go look through the window)* our baby could be being conceived.

Chandler: Wait, if we're lucky, and we're really really really quiet, we may be able to hear the sound of a condom breaking!

(they hug)

Closing credits

[Scene: Zack's office]

Chandler: Hey, Zack!

Zack: *(hardly enthusiastic)* Hey Chandler.

Chandler: Look, I just wanted to apologize for last night. I got the feeling we made you a little uncomfortable.

Zack: No you didn't.

Chandler: Really?

Zack: No you did.

Chandler: My wife and I have some boundary issues, you know, sometimes we ask inappropriate questions. We're working on it.

(Zack's pregnant secretary, Jeanette, walks in)

Jeanette: *(to Zack)* Here are the boards for Friday's pitch *(hands him something)*.

Zack: Oh, thank you.

(*Jeanette walks out*)

Chandler: You wouldn't know if Jeanette's planning on keeping her baby, would ya?

923 The One In Barbados - Part 1

[Scene: Central Perk]

Joey: (*entering*) Hey! I'm all packed and ready to go!

Ross: Oh, that's right! (*to Emma*) Daddy and uncle Joey are going on a trip today. We're going to a conference in Barbados, right?

Joey: Mmh-mmh.

Ross: (*to Emma*) Can you say Barbados?

Joey: Barbados!

Ross: Ok, I gotta say. I mean, it means so much to me that you guys are coming all the way over there to hear me do my speech! UH! And I've a surprise, uh... I had to pull some strings but I was able to get everyone passes to the **entire** conference! That's right! (*he gives them their passes*) This babies will get you into all the paleontology lectures and seminars.

Rachel: Do you have anything that would... get us out of them?

Chandler: Yeah Ross, I mean... we're excited to hear the speech but the rest of the time we're gonna wanna do, you know, "island's stuff".

Phoebe: I think David would probably wanna hear a few lectures.

Ross: Oh, right, because he's a scientist!

Phoebe: No, no, because, you know, he's been in Minsk for 8 years and if he gets too much direct sunlight, he'll die.

Ross: Ok, we gotta go, yeah? So, we'll see you guys tomorrow.

Joey: All right, let's do it! 5 hour flight with Charlie, have a couple of drinks, get under that blanket and do what comes naturally.

Ross: It's a blanket Joe, not a cloak of invisibility!

Opening credits

[Scene: Paradise Hotel lounge in Barbados]

Charlie: Wow! This place is beautiful!

Ross: (*very excited*) Look at all these paleontologists!!

Joey: I know, there are gonna be some pasty folks by the pool tomorrow! (*A woman goes towards them*)

Woman: Oh my God, I can't believe you're here!

Joey: (*to Charlie*) I think I've been recognized, this happens all the time!

Woman: Doctor Geller, I'm such a huge fan!

Joey: That... never happens...

Woman: I've been following your career for years, I-I can't wait for your keynote speech.

Ross: Wow! This is very flattering, uh...

Woman: I would love your autograph. (*hands him a notepad*)

Ross: Uh, uh... Sure! Um... "Dear..." (*he takes the notepad*)

Woman: Sarah.

Ross: "... Sarah. I dig you", Uh? "Doctor Ross Geller".

Sarah: Thank you so much!

Ross: Yeah, oh and Sarah... I'd like to introduce you to my colleague, uh, Professor Wheeler, a-and this is Joey Tribbiani.

Sarah: (*to Joey*) Are you a paleontologist?

Joey: No, God, no! No! No, I'm an actor. You'd probably recognize me from a little show called "The Days of Our Lives".

Ross: Dude, it's just "Days of Our Lives"... there's no **the**.

Joey: (*thinking he's kidding*) Ok, Ross! It's... It's fun, yeah! No, I-I play Doctor Drake Ramoray.

Sarah: I'm sorry, I don't own a TV.

Joey: You don't own a TV? What's all your furniture pointed at??

[Scene: Central Perk]

Monica: David, can you help me?! I'm trying to explain to Chandler how a plane stays in the air.

David: Oh, certainly. That's a combination of Bernoulli's principle and Newton's third law of motion.

Monica: (*to Chandler*) See?

Chandler: Yeah, that's the same as "it has something to do with wind".

Monica: Alright, I'm gonna go pick up a few things for the trip.

Phoebe: Oh, I should go, too. Oh, now... tomorrow do you guys wanna share a cab to the airport or should Mike and I just meet you there. (*Everyone looks at her*)

Phoebe: Mike?? Who's Mike?

David: Mike is your ex... uh... boyfriend!

Phoebe: That's right! Oh, yeah... Well, I've totally forgotten about im! AH! That's-That's... a blast from the past!

David: It's ok. Ho-honest mistake.

Phoebe: Really, it doesn't mean anything. I mean, you know, Monica refers to Chandler as Richard all the time!

Chandler: (*upset*) She does?

Monica: (*pinching her*) Let's get you out of here!! (*they go outside*)

(*Outside the Central Perk*)

Monica: At least you took me down with you!

Phoebe: I'm sooo sorry!! I just... I keep thinking about Mike! I'm crazy about David, and we're

having so much fun together. Why-Why do I miss Mike?

That's-that's gonna go away, right?

Monica: I guess, in time.

Phoebe: Yeah.

Monica: I mean, my feelings for Richard are certainly gone.

Phoebe: You just did it again. **Chandler**, your feelings for **Chandler** are certainly gone!

[Scene: Inside Central Perk]

David: (*to Chandler*) Well, Phoebe's still pretty hung up on that Mike, uh?

Chandler: I wouldn't read too much into it.

David: Still you know, a girl calls you by your ex-boyfriend's name, that-that's not a good thing, right?

Chandler: David, let me stop you there 'cause I think I see where this is going. I'm not very good at giving advice. So if you want advice, go to Ross, Monica, or... Joey, if the thing you wanna advice about is pizza toppings or burning sensation when you pee.

David: Sorry, I just... I wish there was something I could do, you know? Well, you know Phoebe...

Chandler: Seriously, we're gonna do this?

David: I'm sorry, uh... I just wish I could make her forget about Mike already, you know... Why did Phoebe and Mike break up?

Chandler: Oh, because his penis was too big. (*he notices that David is not amused*) Oh, I'm sorry, **that's** the kind of thing I do. (*pause*) They broke up because Mike didn't want to get married. Hey, what if you just let Phoebe know you'd be open to marriage?

David: That's great! That's great! I-I'll propose to her!

Chandler: What?

David: Well, I was probably going to do it at some point.

Chandler: I didn't mean now...

David: Why not? It's brilliant! (*talking to an imaginary Mike*) Goodbye Mike, we'll see you at the wedding, fella! (*pause*) well, we probably won't invite you to the wedding...

(*to Chandler*) Thank you, Chandler. Sincerely,

Chandler: Well, you're welcome! Glad I could help.

David: (*after a while*) How do you think I should propose?

Chandler: David, I'm pretending to read here!!

[Scene: Joey in his hotel in room in Barbados]

(*Trying on a hat and talking to his own reflection in the mirror*)

Joey: Yeah! How you doin'? Yeah alright!

(*Charlie comes out the bathroom*)

Joey: Hey, hey! You said you're gonna wear a thong, where's the thong?

Charlie: (*laughing*) I didn't mean a thong... I meant thongs...

Joey: You really should have been more clear about that! (*Someone knocks the door, Joey goes to open it and Ross is on the other side*)

Ross: Hey!

Joey: Hey!

Ross: (*Excited*) You're never going to guess who I just saw downstairs!

Joey: Oh! ah! eh... Britney Spears!?

Ross: Yeah, she never misses these conferences! (*then to Charlie*) No, I just saw Dr. Kenneth Schwartz!

Charlie: Oh my God! Did you talk to him?

Ross: Yeah... what am I going to say to Kenneth Schwartz?

Joey: You could say: "Hey Kenny, how come you're not Britney Spears?" (*looks at Ross matter-of-factly*)

Ross: (*to Charlie*) Ready to go?

Charlie: Yeah!

Joey: Wha...? You're gonna go now? I thought we could hang out?

Charlie: Oh I can't... I have seminars all day and I promised Ross I would look at his speech.

Ross: Yeah.

Charlie: But maybe we can have dinner later? On the balcony? Will be romantic.

Joey: (*smiling*) Will you wear a thong?

Charlie: I will if you will.

Joey: Oh... you got yourself a very weird deal!

Ross: (*a little embarrassed by their conversation*) I'm good, I have dinner plans (*moves away from them*).

Charlie: So you'll be ok?

Joey: Yeah, yeah. I've got tons of stuff I could do. I'm gonna hit the beach, go swimming...

Ross: Uh, Joe, have you looked outside?

Joey: No, why?

(*Ross goes to the window and opens the curtains revealing that it's raining outside*)

Joey: Oh man!

Charlie: There's an indoor pool, you can swim there! (*Ross agrees*)

Joey: I wasn't gonna swim, I was gonna dig a hole! (*removes a small plastic spade used by children to play on the beach from his backpack*)

[Scene: Back in New York, Monica and Chandler in Central Perk on the couch]

Monica: Wow! That Mike thing was interesting! I don't know what's gonna happen with Phoebe and David.

Chandler: (*smiling cheekily*) I do! Want a hint? huh? "I do" (*Monica looks confused, so Chandler repeats*) "I do".

Monica: Ok, I'm sensing that this is some kind of word play, because you are pink with barely controlled glee.

Chandler: David is going to propose to Phoebe.

Monica: What? (*looks very shocked*) Why?

Chandler: Be-cause, we were talking about ways that he could beat Mike and I told him that Phoebe wanted to get married.

Monica: Chandler, we have talked about this. You are not supposed to give people advice! Now couldn't you just have made some sort of inappropriate joke?

Chandler: I did! A penis one! Look, just so I know, what was so wrong about what I said?

Monica: They've only been going out for a few weeks and

Phoebe is completely hung up on Mike! She'll say "No", David's heart will be broken, it will be too hard for them to recover from and then Phoebe will end up alone again.

Chandler: Man, that's some bad advice!

[Scene: Barbados, hotel lounge. David, Phoebe and Rachel have just arrived.]

(*Joey spots them and walks towards them*)

Joey: Oh! Hey! Thank God you guys are here!

Rachel: Hey! Hey what's going on?

Joey: Everything is upside down here! It rains all day long, nobody watches tv and **Ross** is famous!

(*Rachel turns around and sees Chandler and Monica arriving*)

Rachel: Alright, I don't wanna alarm anybody, but Monica's hair is twice as big as it was when we landed! (*Monica and Chandler reach the group*)

Monica: Ok! When I go places with high humidity, it gets a little extra body, ok?!

Chandler: That's why our honeymoon photos look like me and Diana Ross!

Joey: Come on, I'll show you guys where to check in (*Joey, Chandler and David leave*)

Monica: (*to Chandler*) Oh, honey, can you make sure we get a King size bed!

Phoebe: (*shouts after David*) Oh! David, get one for us too! Oh, oh, and see if they have a heart-shaped one! And with mirrors on the ceiling!

Monica: (*shouts to Chandler*) And make sure our room isn't next to theirs (*points to Phoebe*).

Rachel: Ooh! You guys are so lucky you are here with people, you know it's such a romantic place. That's all, I just wish I could (*looks at Joey who is at the check in desk*) share that with a guy.

Phoebe: Not Joey.

Rachel: Not Joey, no, I was just lusting after Chandler.

Monica: Yeah, right!

[Cut to the guys]

David: So, um... I'm proposing to Phoebe tonight. (*Removes a ring box from his pocket and opens it to show Chandler the ring*)

Chandler: Tonight?! (*looks at the ring*) Isn't an engagement ring supposed to have a diamond? (*squints at the ring to emphasize how tiny the diamond is*) Oh, there it is!

David: Yeah, well, being a failed scientist doesn't pay quite as well as you might think. That's um... one seventieth of a karat. And the clarity is um... is quite poor.

Chandler: (*slaps him on the shoulder*) Nice! (*goes to Monica*)

Chandler: Monica, can I talk to you for a sec? (*Pulls her away from Phoebe and Rachel*)

Monica: Ok!

Chandler: David is going to propose to Phoebe tonight!

Monica: See what happens when you give people advice? I hope you told him not to?

Chandler: That would be advice!!

Monica: Ok fine. I'll handle this. (*goes to Phoebe who's talking to Rachel*) Phoebe?

Phoebe: Yeah?

Monica: (*looking very serious*) I need to talk to you.

Phoebe: Are you leaving "The Supremes"? (*Monica and Phoebe go to one side*)

Monica: Ok, my husband just gave your boyfriend some very bad advice. Look, David is going to propose to you tonight.

Phoebe: Wow? Really? That's fantastic!

Monica: What are you serious? You wanna marry him? Wha... What about Mike?

Phoebe: Oh, ok, you want me to marry Mike? Alright, well, let's just gag him and handcuff him and **force** him down the aisle. I can just see it: "Mike, do you take Phoebe..." (*gestures with her hand as if someone is covering her mouth and tries to shout "No! No!"*) You know, it's **every** girl's dream!

Monica: Do you really think marrying someone else is the right answer?

Phoebe: Sure! Look, ok, bottom line: I love Mike... **David!** David. I love David. Don't look at me that way, Roseanne Rosannadonna!

[Scene: Ross's hotel room. Ross and is reading his keynote speech to Charlie from his laptop]

Ross: By using CT scans and computer imaging we can in a very real way, bring the Mesozoic era into the 21st century.

Charlie: It's great. You're gonna be the hit of the conference.

Ross: Oh and you know what, it will be even better tomorrow, because I won't be constantly interrupted by Joey checking to see if they put chocolates on my pillow yet. (*Someone knocks on the door, Ross goes to open and it's Joey, Rachel and Chandler*).

Joey: Hey guys!

Ross: The chocolates aren't here yet.

Joey: Damn it!

Charlie: Ross just read me his speech. It's fantastic!

Chandler: Oh, is it on the computer, cuz I'd love to give it a read...?

Ross: If you want to check your email, just ask! (*Chandler tries to look offended*)

Chandler: (*offended*) What? (*pause*) May I?

Rachel: (*looking out the window*) What's with the rain, Geller? I mean, when I signed up for Dino Week, nobody said anything about it being monsoon season.

Charlie: Actually the wet season is June to December.

Rachel: It's not the time Charlie.

Chandler: (*at the laptop*) Oh, no, no, no dear God, no!

Joey: Oh what, did someone outbid you for the teapot?

(Chandler looks annoyed at him and Joey leans in to him) Oh! Secret teapot?
Chandler: Your computer, I don't know what's gone!
Ross: What... what do you mean? (Goes to the laptop)
Chandler: It must be a virus. I think it erased your hard drive.
Ross: What, oh my God. What did you do?
Chandler: Someone I don't know sent me an e-mail and I opened it.
Ross: Why, why would you open it?
Chandler: Well, it didn't say "This is a virus!"
Ross: What did it say?
Chandler: Nude... (Ross looks at him)... pictures of Anna Kournikova. I'm so sorry.
Ross: What... what am I gonna do? My speech is gone, Chandler!
Chandler: It's not gone! I mean, I'm sure you printed out a copy. You have a hard copy, right?
Ross: NO! I don't!!
Chandler: Well, you must be pretty mad at yourself right now...!
 [Time lapse: Ross looks like he's been trying to fix his computer but just closes it as if giving up]
Joey: It's really gone?
Ross: Yep! I'd like to thank you guys for coming down here to complain about the rain and ruin my career!
Chandler: I just feel awful.
Ross: Yeah, well you should! I mean, nude pictures of Anna Kournikova? I mean, she's never even won a major tournament!
Chandler: Well, I tried Billy Jean King, but... (Ross glares at him) you know, you and Monica have the same "I'm gonna kill you" look...? I can usually make it go away by kissing her... (Ross continues to glare at him and Chandler leans in as if he's going to kiss Ross)
Ross: Get out! (Chandler runs out)
Rachel: You know, this happens all the time to my computer at work.
Ross: Well, what do you do?
Rachel: Well, I usually go... play Tetris on somebody else's computer.
Ross: I can't believe this. I can't believe this is happening. I have to give the keynote speech tomorrow! Ok? I have to stand up in front of all these people. What am I gonna say?
Joey: I could teach you a speech that I memorized for auditions.
Ross: I don't think that your monologue from Star Wars is gonna help me right now, Joe!
Charlie: Ross, we can solve this. I just heard your speech. We can recreate it! We've got all night!
Ross: What... what you really think we can do that?
Charlie: Oh wait, Joey and I are supposed to have dinner (Looks at Joey).
Joey: Hey don't worry about that! I mean, Ross needs you! And Rachel and I will stay and help anyway we can.
Rachel: Ugh.
Ross: Alright, ok, let's do it. (Ross sits down at the desk and they all gather around him) Um, I know we start by discussing the shortcomings of carbon dating... um, and then, then I move on to what is clearly the defining moment of the Mesozoic era, the breakup of Pangea, hello! (Rachel and Joey look confused) And then, there's the... eh... there's the overview of the Triassic.
Joey: Oh, oh! Any chance any of this happened in a "Galaxy far, far away"? (Ross turns around and glares at him. Joey and Rachel decide to leave).
 [Scene: Mike's apartment. His phone rings and he picks up]
Mike: Hello?
Monica: Ok, Mike, enough is enough, now you love Phoebe and she loves you, so you need to get over your whole "I never want to get married" thing and step up!
Mike: Who is this?
Monica: This is Monica! I'm Phoebe's friend. Listen, Phoebe is back with David and he's going to propose to her, and she is going to say "yes" but I know she really wants to be with you!
Mike: (sounds shocked and sits down) He... he's gonna propose?
Monica: I... I'm sorry, did you say something? I can't hear through all this damned hair! (Tries to move her huge hair away from the phone, in vain)
Mike: Look, if Phoebe wants to marry David, she should, I'm not gonna stand in the way of that and neither should you.
Monica: You don't tell me what to do! I tell you what to do! Just call her. She's at the Paradise Hotel in Barbados. And while I've got you, you've got curly hair. What do you do in humidity? (Mike hangs up the phone) Damn!
 (Chandler walks in)
Monica: (sarcastically) Well, I hope you're happy!
Chandler: (pretending not to sense the tone) Oooh! I hope you're happy too, honey!
Monica: Phoebe is going to say "Yes" to David. See, that's what happens when you meddle in people's lives!
Chandler: Phoebe is going to say "yes"? That's, that's great!
Monica: No it's not, b'cause she's still in love with Mike!
Chandler: And there's no chance that will work?

Monica: No, I called him. It's not gonna happen.
Chandler: (pointing at her) Ooooooh! Meddler! Meddler!
Monica: Well, if you hadn't meddled to start with, I wouldn't have had to go in there and meddle myself. Now, no matter how much we meddle, we will never be able to un-meddle the thing that you meddled up - in the first place!
Chandler: This vacation sucks!!
 [Scene: The hall, full of paleontologists. Rachel and Joey are walking around]
Joey: I'm so bored! Stupid rain, we... we can't do anything.
Rachel: Well, I've brought some books. We could read.
Joey: Hey, it hasn't come to that yet.
 (A waiter walks by carrying appetizers or something on a tray)
Joey: (stopping the waiter) Hey hey hey! Don't mind if I do!
Waiter: I'm sorry sir, these are for the pharmaceutical convention (walks away)
Joey: Hey Rach, do you feel like going to a convention?
Rachel: We can't. We're not pharmacists!
Joey: (walking to a table with many badges on it) I know we're not, but (he picks up a badge) Frank Medeo and... (picks up another badge) Eva Trorro... womba...
Rachel: (picking up another random badge) Kate Miller?
Joey: Kate Miller it is. (he picks up the Kate Miller badge and sticks it on Rachel's breast)
Rachel: And... that's the most sex I'm gonna have this weekend.
Joey: In that case should I make sure it's on real good? (he does so, repeatedly tapping on her breast and stroking it)
Rachel: Thank you. (they walk away)
 [Scene: Ross's room. Charlie is sitting on the bed, while Ross is walking up and down nervously]
Charlie: And then, and then you said that thing about, about bringing the Mesozoic era in the 21st century.
Ross: Yeah, that's it?
Charlie: Yeah.
Ross: Oh my God, we did it! (he sits beside her and skims through her notes excitedly)
Charlie: Actually I did it Ross. You remembered shockingly little of your own speech.
Ross: Yes, but I did make a pyramid out of the bath products. This is amazing, thank you, thank you so much. (he leans in, and they look at each other for a moment) That's a pretty necklace.
Charlie: Thank you.
Ross: Hey, what do you say we celebrate? Champagne?
 (he goes to get the champagne)
Charlie: Oh yeah! Hey, save the cork and then we can fill the bottle with water and put it back so they don't charge you.
Ross: Oh my God, I love you.
Charlie: Oh, this is such a cute picture of Emma. And this is your son... or just some kid whose picture you bring on vacation?
Ross: That's Ben, my son from my first marriage.
Charlie: Your first marriage?
Ross: Yeah.
Charlie: You're married more than once?
Ross: No. (they clink glasses and drink)
Charlie: So, why did you break up?
Ross: (embarrassed) Oh, it was... it's complicated, you know? She... she was... eh... gay.
Charlie: Oh my God, this is so cool!
Ross: Ok, odd thing to get excited about!
Charlie: No, it's just... I was engaged to a guy who turned out to be gay!
Ross: Hey! High-five! (they high-five)
Charlie: Didn't you feel so stupid that you didn't see the signs? My fiancé was always going away on these long weekends with his tennis partner.
Ross: My wife had a workout friend she went to the gym with everyday for a year. She didn't get any fitter.
Charlie: Right and then everybody finds out and they're like: "Oh, I knew all along"
Ross: I know! It's like, if you knew, why didn't you tell me, you know? I mean, call, or leave a note: "Hi, I just dropped by to say your wife's gay"
Charlie: I know!
Ross: And then, you try to make the best of a bad situation, so you float the idea of a threesome?
Charlie: I didn't do that.
Ross: (embarrassed) Me neither.
 [Scene: The Pharmacist convention. Joey and Rachel are walking out of it, drinking cocktails]
Joey: Well, who knew? Pharmacists are fun.
Rachel: I know, that old lady at the end was ready to take you home.
Joey: Not enough pills in the world, Rach. What about you, you're the single one, seen anybody in there you like?
Rachel: Well, let's see. There was a really big guy that I was talking to, with the really nice breasts...
Joey: But what about back home, anything going on there? Anybody you like?
Rachel: (takes a sip from her drink, embarrassed) No.
Joey: There it is, you're blushing!
Rachel: No, I'm not blushing, I'm sunburnt! From, you know, the rain.
Joey: You like someone. Tell me who it is. Who is it? (tickles her a little)
Rachel: No.
Joey: Tell me who it is.
Rachel: Joey! (she walks away; Joey goes after her teasing and tickling her)
Joey: Come on who? Who do you like? Tell me. You're not getting away that easy. Who do you like, who?
Rachel: Joey, come on! It doesn't matter, you know, it's not like anything's gonna happen.

Joey: What? Why not? Rach, who can you not get?
Rachel: Oh! (pause) Ok. Ok, you really wanna know who it is?
Joey: (eagerly) Yeah, who is that?
Rachel: Do ya?
Joey: Yeah.
 (Ross and Charlie walk into the hall from Ross's room)
Ross and Charlie: Hey!
 (Joey smiles at them. Rachel looks annoyed)
Charlie: (to Joey) I just left you a message! Ross and I were gonna go grab a bite, but now that you're here, maybe we can go have that dinner.
Joey: Right, of course. Hey, did you guys finish the speech?
Ross: Yep, we got it, we got it. (To Charlie) Thank you so much.
Charlie: I had a great time.
Joey: Alright, hey look, and this isn't over, because I really wanna know who...
Rachel: Later! La...
Charlie: So, shall we?
Joey: Yeah. (they leave)
Rachel: Ok. See you, bye.
Charlie: Bye.
Ross: Good night.
Joey: Night.
 (Ross and Rachel watch them walk away and sigh. They look at each other, embarrassed.)
Ross and Rachel: Ok, good night!
END

924 The One In Barbados - Part II

[Scene: The restaurant. Chandler and Monica are sitting at a table]
 (Phoebe and David walk in)
Monica: I can't believe she's gonna say yes to David. She's clearly in love with Mike.
Chandler: You know, it's very hard to take you seriously when you look like that.
 (David and Phoebe sit down at a table close to Chandler and Monica's)
David: Uh, Phoebe, uh, I have... something I wanna say.
Monica: Oh my God, he's gonna do it now. Please, I cannot watch this, let's go.
Chandler: I think we have some time. Have you ever heard him talk? (doing David) "Uh, Phoebe, uh, I would be honored, uh..." Spit it out, David!
David: Uh, Phoebe, uh... (Chandler hits his own head) you're an amazing woman, and the time we spent apart was, was unbearable. Of course the sanitation strikes in Minsk didn't help!
Phoebe: Sure, ok, yeah.
David: But well, now that we're together again, I don't ever want to be apart. So, to that end... (David produces the ring. At the same time, Mike walks in, behind David)
Phoebe: Oh my God, Mike!
David: It's David, actually!
Phoebe: No, Mike's here.
David: (turns around) Hi Mike!
Mike: Hi David. Chandler. Monica... (Looks at Monica, checking her big hair, aghast) Oh!
Monica: IT'S THE HUMIDITY!
Mike: Hi Phoebe.
Phoebe: What are you, what are you doing here?
Mike: I have a question I need to ask you.
David: I have a question I was kinda gonna ask her myself.
Mike: Yeah, I understand, but before you do, she really needs to hear this.
David: (annoyed) Ok, would you care for my seat as well?
Mike: Actually yeah, that'll be great.
David: That's fair, you've had a long trip. (he leaves his seat to Mike, and stands there looking for a chair. He finally goes to Monica and Chandler's table)
Mike: Phoebe, I love you. I mean, I missed you so much these last few months and I thought we were apart for a good reason, but then I suddenly realized that there was no reason good enough to keep me from spending the rest of my life with you.
David: Kinda stepped on the toes of what I was going to say.
Mike: Sorry David, but she really has to know this.
David: Alright, but after this I want to see you outside. If the rain stops.
Monica: You're the most incredible woman I've ever met. How can I lose you? (Phoebe looks very flattered) Now, I don't actually have a ring...
David: I have a ring.
Chandler: I wouldn't brag too much about that thing, big guy.
David: Phoebe, will you marry me?
Phoebe: (smiles at him happily for a few seconds before answering) No!
David: Um... Ha ha!
Phoebe: I love you. But I never needed a proposal from you. I just needed to know that we were headed somewhere, you know, that we had a future.
Mike: We can have any future you want. (they hold their hands, gazing at each other)
David: Ok, I'm gonna take off.
Phoebe: David, I'm so sorry, I'm sorry.
David: Just so I know, if I had asked first...
Phoebe: Yeah, I might have said yes, but that would have been wrong.
David: Please, you don't have to explain. I mean, perhaps if I hadn't gone to Minsk things would have

worked out for us. And I wouldn't have ruined my career, or lost that toe to frostbite. It was a good trip! *(he leaves)*

Mike: Is it ok if I hug you now?

Phoebe: Yes! *(they hug)*

Monica: *(to everybody)* BECAUSE OF OUR MEDDLING! Alright?

[Scene: Monica and Chandler's room. Monica and Chandler are in bed.]

Chandler: Oh, ain't this nice? It's so quiet, I could just lie here all day.

Monica: I know *(she snuggles to him)*

(Rachel runs in)

Rachel: *(walking in hurriedly)* Open your drapes! Open your drapes!

Chandler: I'm so glad we've got adjoining rooms! *(Rachel opens the drapes)*

Monica: The sun is out!

Chandler: Hey! Remember when I had corneas?

Monica: Oh listen, you go down to the pool and reserve the chairs, and I'll get the magazines and the lotion.

Chandler: Ladies? Ross's speech is in 45 minutes.

Rachel: Nooo!

Monica: Damn it!

Ross: *(from across the wall)* Walls are pretty thin, guys!

[Scene: Conference room. Ross is making his keynote speech]

Ross: Then we have to await the data from recent MRI scans and DNA testing which call into question information gathered from years of simple carbon dating.

Rachel: Look at that woman sitting by the pool getting tan... so leathery and wrinkled, I'm so jealous!

Ross: Finally, factoring the profusion of new species recently discovered: Gigantosaurus, Argentinasaurus...

Chandler: *(to a paleontologist sitting next to him)* Not to mention the cold sores.

(the paleontologist glares at Chandler)

Ross: And that's just the herbivores. I'm not even gonna discuss the carnivores, their heads are already too big. Which is ironic considering their stunted cerebral development.

(all the paleontologists laugh)

Chandler: *(to the one sitting next to him)* Really?

Ross: But all kidding aside, in much the same way that Homo ergaster is now thought to be a separate species from Homo erectus...

(Joey laughs)

Charlie: What?

Joey: He said "erectus"!

Charlie: You're... you're kidding, right?

Joey: No, he really said it.

Ross: ... and while there are certainly vast differences between these Mesozoic fossils and the example of Homo erectus...

(Rachel laughs)

Joey: Erectus?

Rachel: Homo.

[Scene: the hotel conference room]

Ross: *(concluding his speech)*... in a very real way we can bring the Mesozoic era into the 21st century. *(pauses)* Thank you!

(Everybody stands up and applauds. Ross looks flattered and surprised. His friends and other members of the audience go to congratulate him)

Ross: Oh, thanks guys!

Man with a bow tie: *(shaking hands with Ross)* I thought... it was wonderful!

Ross: Oh!

Man with a bow tie: Jarvis Oberblau, Cornell. *(sighs)* I mean, the ideas you put forth and, and from someone... so... **young**... and... *(sighs again and smiles at Ross blissfully)*

Ross: *(with a frozen smile on his face, realizing something's wrong with Jarvis)* Ok... now... now we're just holding hands! *(pulls his hand away)*

Rachel: All right! Well, uh... *(to Monica)* we're gonna hit the beach?

Monica: Yeah!

Rachel: *(to Ross, in a flattering tone)* It was really... great!

Ross: Oh, thank you so much!

Joey: Yeah, and so funny!

Rachel: Oh!

(Rachel, Joey and Chandler pat him on his shoulders and walk off, together with Monica)

Ross: *(puzzled)* Ok!... All right, thanks! Thank you so much, you guys! *(to Phoebe)* Oh, I can't tell you how much it means to me that you were here!

Mike: *(popping by, smiling)* You're kidding, we wouldn't have missed it!

(Ross is dumbfounded to see Mike instead of David)

Mike: Oh... I'm back!

Ross: *(skating over, embarrassed)* Ok!... Uh... excuse me? Yeah?

Phoebe & Mike: Yeah! *(they leave)*

(Ross goes towards Charlie, who's conversing with a fellow paleontologist, and touches her shoulder to get her attention)

Ross: Hey! *(she turns to him)* Well...? *(in expectation)*

Charlie: You were incredible!

Ross: Yeah?

Charlie: You blew them away!

Ross: Oh, I can't tell you how great it was to look at the crowd and see your face! I mean... uh, did

you know you were *(giggles)* mouthing the words along with me?

Charlie: *(smiling broadly)* I was not!

Ross: No, it's ok! Made me feel like a rock star!

Charlie: Oh my God! *(pauses)* I'm your groupie!

Ross: *(joking)* I'd better not found you naked in my hotel room!

(Ross giggles, but Charlie isn't amused at all.)

Ross: *(realizing his joke wasn't so good, but still giggling)* Look, I took it too far!

[Scene: the hotel lobby. Monica, Phoebe, Chandler and Mike walk in from the outside.]

Monica: *(her hair bigger than before)* I can't believe it's raining again! Oh, it's so unfair!!!

(They approach the buffet, where a couple of paleontologists are sipping their drinks)

Phoebe: Well, on the bright side, now you won't have to see all these paleontologists with their shirts off. *(Grabs a drink and notices that the two men are upset)* Not you guys. You got it going on!

(Monica, Phoebe, Chandler and Mike walk away, sipping their drinks)

Monica: So, what are we gonna do today?

Mike: They have a game room downstairs! Ping pong and stuff.

Monica: *(pleasantly surprised)* Ping pong? *(to Chandler)* Honey, they have ping pong! Let's play!

Chandler: I don't think so!

Monica: *(disappointed)* Why not?

Chandler: Because you know how competitive you get and well, I say it's cute, others disagree, and I'm lying!

Monica: I'm not always that bad!

Chandler: Oh, yeah? What happened when we played last time?

Monica: *(hesitatingly)* I punched you...?

Chandler: And...?

Monica: ... Phoebe...?

Phoebe: ... and...?

Monica: I clunked your heads together!

(Chandler turns to Mike and gives him a "See what I mean?" look)

[Scene: Joey and Charlie's room]

(Joey is sitting in an armchair and wearing a diving mask. He pulls out a grape from a bunch of fake grapes on the coffee table, puts it on the snorkel's breathing tube and blows it out, then giggles to himself)

Charlie: *(walking in)* Hey! There you are!

Joey: Hey! *(stands up)* As soon as it stops raining we have got to go snorkeling! Some kid told me about the sea turtle and, if you blow bubbles in its face, it **chases** ya! *(smiles ecstatic)*

Charlie: I'm sorry, I can't! I'm running a discussion group all afternoon.

Joey: *(disappointed)* Oh... oh, but that's ok, I'll find someone else to do it... I'll do it alone, but... I don't know what happens if the sea turtle catches you...

Charlie: You know... I feel so bad! I haven't seen you this whole trip and *(pauses)* especially last night...

Joey: *(interrupting her)* Hey! Don't worry about it! It was fine! I ended up having the best time with Rachel! I just felt bad for you, stuck in that room, working on Ross's speech... *(pulls a face)*

Charlie: Actually, it turned out to be a lot of fun!

Joey: *(bewildered)* Oh! Oh, well! At least we're both having fun!

Charlie: Yeah...

(There's an awkward moment of silence)

Charlie: ... is it weird that it's not with each other?

Joey: Yeah! A little bit, yeah...

Charlie: *(sitting down on the bed)* I think we need to talk...!

(pause)

Joey: Yeah... I think we do... *(sighs, with folded arms)*... about what?

[Scene: the hotel game room. There is a ping pong table in the middle of the room. Monica, Phoebe, Chandler and Mike walk in]

Monica: C'mon guys, it'll be fun!

Phoebe: All right, all right... I'll play if we don't keep score!

Monica: But then how do we know who wins?

Phoebe: Nobody wins!

Monica: So, we're just four losers... SUPER!

Chandler: I'm not playing with you.

Phoebe: Yeah, I'm out.

Mike: I'll play ya!

Monica: *(smiling)* OK!

Phoebe: Mike, you don't know, you don't know what you're doing!

Chandler: She gets crazy! This scar *(points to his forehead)* is from **Pictionary!**

(Monica rolls her eyes)

Mike: *(disbelieving)* I think I will be all right! *(to Monica)* You wanna volley a bit for a serve?

Monica: Sure! Got to!

(Monica and Mike start to play ping pong. Mike scores)

Monica: Aww!

Mike: Oh, by the way... I'm awesome!!

Chandler: *(nearly whispering)* Oh dear God, there's two of them!

Mike: You're ready to play?

Monica: Hell, yeah!

Chandler: *(to Phoebe)* Did you know this about him?

Phoebe: No idea! I thought he was soft like you!

Mike: Wanna make it more interesting?

Monica: How much were you thinking?

Mike: Ten bucks a game?

Monica: Make it fifty!

Mike: I'll make it a hundred!

Monica: *(nearly shouting)* One thousand...

Chandler: *(interrupting her)* OK!

Mike: To see who goes first, you got a quarter?

Monica: *(going through her pockets)* No... *(to Chandler and Phoebe)* Either of you girls got a quarter?

Chandler: Honey, try to focus the trash talk on him!

Phoebe: *(picks up a coin from her bra)* Monica, you call it.

Monica: Heads! No, Tails! He-he-heads!

Phoebe: Tails!

Monica: *(angry)* Ow, what are the chances!

(They start playing again)

Monica: Ha! My point!

Mike: Oh, no! I don't think so! You know, according to standard table tennis rules if at any time a player uses his non racket bearing hand to touch the playing surface he or she forfeits the point.

Phoebe: *(smiling proudly)* He was a lawyer!

[Scene: Rachel's hotel room. She is watching the Weather Channel on TV.]

Alexandra Steele: *(meteorologist)* *(pointing to the East Coast)*... all these coasts having beautiful weather. In New York, it's 72 and sunny!

Rachel: Oh! Weather bitch! *(turns the TV off)*

(Someone knocks on the door)

Rachel: It's open! *(Joey walks in)* Hi, Joel!

Joey: *(downhearted)* Hey...

Rachel: *(worried)* What, is everything ok?

Joey: Uh... Charlie and I broke up.

Rachel: Nooooo, why?

Joey: Oh well, she said we have nothing in common.

Rachel: *(laughing)* Oh, that's crazy!

Joey: No, it's not, we have nothing in common!

Rachel: ... yeah, it's true.

Joey: I mean, she should be with someone like... Ross!

You know what I mean, he uses all those big words too! Man, smart people are dull!

Rachel: *(pretending to be offended)* What, hey!

Joey: *(laughing sarcastically)* Ok, Rach!

(He punches her on her shoulder mockingly, then goes and sits down on her bed)

Joey: I feel so stupid, you know? Why... why do I keep going after the wrong girls?

Rachel: W-What are you, what are you talking about?

Joey: Oh, c'mon, I mean, there's you, then there's Charlie, and it's like... *(sighs)* What the hell is my problem? OH! *(He falls back on the bed)*

Rachel: Ok... uh... maybe you're not always going after the wrong girl...

Joey: *(sitting up again)* I'm telling you, Rach, Charlie is not right for me!

Rachel: Yeah, I'm not talking about her...

Joey: But then who? The waitress I went out with last month? *(gives her a meaningful look)*

Rachel: You know? Forget it!

Joey: *(stands up)* No-no-no-no, no! Who, who were you talking about?

Rachel: No, I-I-I-I don't, I actually don't know **who** I'm talking about! So!

Joey: Ok! All right, well... I'm gonna see if I can get a room for the night and I'll... I'll see you later!

Rachel: Yeah, sure!

(Joey walks out, while Rachel is pensive. Once he's out of her room, he suddenly realizes who she was talking about and goes back in. He looks at her in disbelief and she looks like she was caught red-handed)

[Scene: Rachel's hotel room. Joey is standing at the door, facing Rachel]

Joey: You like me? *(shuts the door)*

Rachel: *(nearly whispering)* Ok, let's not make a big thing about this!

Joey: *(shocked)* That's a **huge** thing!

Rachel: Not working with me, Joel! Here's the thing: lately I have been having thoughts *(pauses)* musings, if you will!

Joey: What... for how long?

Rachel: Only like a month!

Joey: *(outraged)* A MONTH???

Rachel: What the... DIAL IT DOWN! *(Joey goes to sit on the bed)* Listen, ok, and maybe they're crazy thoughts, but sometimes I do, I have, I've been thinking about... you know, **us!** *(looks at Joey, who's totally distraught)* Ok, dial it up a little!

Joey: *(stands up)* I just have one question!

Rachel: Shoot!

Joey: *(desperate)* What the hell are you doing???

Rachel: I don't know, I'm not trying to do anything, it's just, we have such a good time when we're together, you know... I mean, aren't you just a... little curious... *(insinuating)* what that would be like?...

Joey: Uh, am I curious? I mean, I am as curious as... as... George!!

Rachel: *(puzzled)* Who...?

Joey: CURIOUS GEORGE! You know, the monkey, and the guy with the yellow hat!

Rachel: Oh yes, of course, I remember him!

Joey: Yeah, he had a paper route.

Rachel: Yeah, he did! *(smiling)* Oh, see, this is what I'm talking about!

Joey: No, I know, yeah I know we're great but Rach no... this... this can't happen!

Rachel: But can it... just... happen a little bit?

Joey: *(charmed, but then recoiling)* NO, NO! It can't happen at all!

Rachel: But why, why not?

Joey: Because... look, no one wants this to happen more than me, ok? *(in a trembling voice)* I have gone over this moment in my head a hundred times and not once **did I ever** say no! *(sighs)* I couldn't do it to Ross!

Rachel: But that wasn't gonna stop you before!

Joey: I know, I know! But I've thought about it a lot since, and it just wouldn't be right... *(painfully)* I'm sorry...!

Rachel: *(regretful)* I'm sorry, too! *(they look at each*

other sadly, then she recollects, and puts her hands over her eyes) OH GOD! I shouldn't have said anything!

Joey: NO! No-no-no-no-no! Hey! Hey, we'll be fine! Li... hey, like you said: no big deal!

Rachel: It's not a big deal!

Joey: NO BIG DEAL!

Rachel: It's so not a big deal!

Joey: Yeah! I'll see ya later! Yeah!

Rachel: Ok!

(They shake hands, he walks out and shuts the door, then seems to change his mind, moves to open the door, than changes his mind again and leans over the door. Just then, Rachel opens the door)

Rachel: Ok, I...

(Joey falls backwards into the room)

Rachel: AAAHHHH!

(Joey hurriedly stands up, arms akimbo, gives her I've lost what's felt like a year of my life. So everybody goes home a winner.)

Monica: Best out of three?

Mike: That's what I'm thinking.

Chandler: Should I use my invisibility to fight crime or for evil?

Monica: *(to Mike)* Serve the ball, chump!

Mike: *(doing Monica and mumbling):* Serve the ball, chump.

Phoebe: *(to Mike)* Ok Mike, better come back Mike, better come back.

[Scene: hotel's bar, Ross and Mr. Oberblau are talking]

Mr. Oberblau: I'm just saying, I have a cabin in the Adirondacks. If you ever want to get away from the city, well, that'd be *(pause)* just nifty!

Ross: Ooh, well. Ah, I kinda have got a lot on my plate right now, not that I wouldn't love a weekend in the country with a strange man. *(Mr. Oberblau giggles)*

Woman: Jarvis?

Mr. Oberblau: *(seeing her)* Oh, you're back... *(to Ross)* this is my wife, Nancy.

Ross: Get Out!

(Charlie walks by)

Charlie: Ross, can I talk to you for a minute?

Ross: Yes, please! *(they move and sit down on a sofa)* So, what's going on?

Charlie: Uh, well... Joey and I broke up.

Ross: Oh my God, wh-what happened?

Charlie: Joey is a great guy, but we're just... so different! I mean, during your speech he kept laughing at homo erectus!

Ross: I knew that was him!

Charlie: Anyway I just, uh, I think it's for the best.

Ross: *(holding her hand)* Hey, you ok?

Charlie: I guess. There was um... *(she breathes deeply)* there was another reason that I thought it was time to end it with Joey. I started to realize that I was having feelings for someone *(pause)* else.

(some paleontologists interrupt them)

Paleontologist: *(merrily)* Ok Geller. Last day of the conference, you know what happens to the keynote speaker.

Ross: Oh, professor Clerk we're kind of in the middle of a conversation, here.

Charlie: Yeah, can you guys just throw him in the pool later?

Professore Clerk: Or we could throw you both in now!

Ross: *(standing)* Ok, gentlemen! Please! Aren't we a little old for this? I mean, we're scientists, right? We're academics. And most importantly I... you-you will have to catch us first. *(he starts to run away with Charlie)* GO, GO, GO! *(the paleontologists starts chasing them)*

[Scene: game room, Monica and Mike are still playing ping pong]

(Chandler and Phoebe look bored to death. Monica scores and laughs)

Mike: Ok, so it's a tie again, 41 to 41.

Chandler: *(exhausted)* Ok, look! Enough is enough!

Monica: No, I have just to have two more points to beat him!

Chandler: Monica, that was also true an hour ago! I mean, please, look at you! Your hand is blistered, you can barely stand, your hair is inexplicable! Ok, you've already proven you are just as good as he is, now we've missed our dinner reservations, so now let's just go upstairs, order room service, take a shower and shave your head!

Monica: I can't just walk away! I've put in four hours!

Chandler: But...

Monica: Look! You knew this about me when you married me! You agreed to take me in sickness and in health. Well, this is my sickness!

Chandler: What about the obsessive cleaning?

Monica: That's just good sense!

(they start playing again; suddenly Monica hits the table with her hand)

Monica: *(in pain)* Aww! *(she holds her hand, moaning like she's biting back a scream)*

Chandler: You ok?

Monica: No, no, no. Honey, I'm ok. Shake it off! *(she shakes the wrist and it's more painful)* Oh, no! No shaking, no shaking! Ooh! Ooh! *(pause)* Oh my God! I can't play!

Mike: So you forfeit?

Phoebe: Mike wins!

an embarrassed look and walks away)

[Scene: the hotel game room. Monica and Mike are still playing ping pong]

Monica: Ooh! I'm sorry! I think, I THINK, that may have missed the table!

Mike: Do you?

Monica: Ah, yeah!

Mike: Do you?

Monica: Ah, yeaaah!

Mike: DO YOU?

Monica: AH YEAAAAH!

Chandler: *(to Phoebe)* Do you really find this attractive on him?

Phoebe: *(looking at Mike)* Oh, yeah! *(turning to Chandler)* Are you telling me you... you're not even... a little turned on by Monica, right now?

(Chandler turns to look at Monica, who has the biggest hair ever, is flushed and in a sweat, and is decidedly sniffing her armpits)

Monica: I can't believe it! *(pause)* I lost!

Chandler: No, you didn't.

Monica: What?

Chandler: Because I'm gonna play for ya.

Phoebe: You can't do that!

Mike: Oh, that's ok. I don't care which of them I beat.

Phoebe: Ok, we're taking that paddle home, mister.

Monica: *(to Chandler)* Honey, you don't have to do this.

Chandler: *(In a loving voice)* Yes, I do. Now, I may not understand why you have to win so badly, but if it's important to you then it's important to me, because I love you.

Monica: But... you suck!

Chandler: *(Still in a loving voice)* You're welcome, sweetheart.

(Chandler prepares to play)

Chandler: All right Mike, let's get this over with. Sudden death. Whoever wins this point, wins.

Mike: Ok!

(They start playing and Chandler does not suck at all)

Monica: Oh my God! You're good!

Phoebe: It's like watching porn!

(Chandler scores and wins the match)

Chandler: And that's... how... it's done!

Monica: *(to Chandler)* Oh my God. That was so amazing! When did you *(pause)* Hold on! I almost forgot *(she turns to Mike)* loser! *(back to Chandler)* When did you stop sucking?

Chandler: I never sucked, I actually didn't want you to know how good I was!

Monica: Why?

Chandler: I don't know.

Monica: This is so great! Now we can enter into doubles tournaments!

Chandler: That's why!

[Scene: Hotel's bar. Ross is running to Charlie trying not to be seen with two cocktails in his hands. She's hidden behind a huge plant]

Charlie: Thanks! Ross: Hi.

Charlie: Are they still looking for us?

Ross: Yeah. The bartender said that they split up into two search parties, the herbivores and the carnivores. *(pause)* You know, we as a group are not the coolest.

(Three paleontologists walk by and Ross hugs Charlie trying not to be seen)

Ross: I don't think they saw us.

Charlie: I don't think they did.

(They realize that they are hugging closely and he draws back)

Charlie: Um, so, I started to say you something earlier, um... *(pause)* There was another reason I realized it was time to end it with Joey. I kind of realized I... was starting to have feelings... for someone else.

Ross: *(apparently unruffled)* Oh. Can I... can I ask who?

Charlie: I think you know.

Ross: I think I know too but I've been really wrong about this stuff in the past, so...

(Charlie kisses Ross, they stop for a moment and then he kisses her back)

Ross: I'm sorry... we... we can't.

Charlie: All right, all right.

Ross: I mean, you just went out with my best friend, and I just think it'd be a really really bad idea. *(pause)* Or-or not! *(they kiss passionately)*

(Joey walks in and sees Ross and Charlie kissing. He gives a faint, rueful smile, then he seems to recollect something and suddenly he moves back to Rachel's room. He knocks on her door and she opens)

Rachel: What?

(Joey says nothing, but enters the room and kisses her. They are kissing passionately only to stop for a brief "oh" from Rachel. They continue their passionate kiss and Joey closes the door with his foot and it shuts in the camera's "face")

END

1001 The One After Joey and Rachel Kiss

[Barbados, Monica and Chandler's Room. They both enter from Ross's room. Monica still has her big, frizzy hair.]

Monica: Oh, the way you crushed Mike at ping pong was such a turn-on. You wanna...? *(plays with her finger on Chandler's chest)*

Chandler: You know, I'd love to, but I'm a little tired.

Monica: I'll put a pillowcase over my head.

Chandler: You're on!

(they start to get ready, but then Phoebe enters through the door from Ross's room)

Phoebe: Hey!

Monica: What's up?

Phoebe: Well, okay, Mike's taking a shower, which by the

Chandler: I think this is the first time in our marriage that I've felt like the more attractive one.

Phoebe: C'mon Mike, you can beat her! Knock that dog off her head!

(Mike scores)

Monica: Oh, damn it!

Phoebe: *(pointing at Mike and shouting)* I sleep with him!

Mike: *(boasting)* Game, point!

Monica: *(threatening)* Don't get too cocky! Remember I won the last one! Oh, by the way, how did that feel, losing to a girl?

Mike: You know, you should really look in a mirror before you call yourself that.

(they continue to play ping pong and then Mike scores, winning the game)

Monica: NO, NO, NOOO!

Mike: And that's how it's done! *(Phoebe kisses him)*

Chandler: Okay-dokay, you've each won a game and way there's no law against. And then we're gonna grab some food, so if you want...

(there's a door slamming in Ross's room, and some indistinct murmuring)

Ross: ... finally...

Phoebe: Is that Ross?

Monica: Yeah, you can hear everything through these stupid walls.

Phoebe: Sounds like he's with someone.

Chandler: He could be alone. This morning I heard him do push-ups, and then talk to his triceps.

Monica: Wait a minute, I think Phoebe's right. You know I hear someone else in there with him.

(they all put their ear against the wall to be able to hear what's being said. We move to Ross's room where he and Charlie are kissing.)

Charlie: Ooh... Dr. Geller!

Ross: God, you're amazing... I didn't even have to ask you to call me that.

Monica: Oh my God, that's Charlie!

Chandler: She's cheating on Joey with Ross!

Phoebe: Oh that cart... floozy... giant...

Monica: I'm not sure about this.

Phoebe: Yeah, you're right. This is none of our business.

Monica: No I'm not sure that it's the best way to hear everything. Someone get me a glass!

Phoebe: Oh, I'm not gonna do this, okay? I'm not gonna eavesdrop on my friend.

Rachel: *(through wall)* Ooh... I love Barbados!

(Phoebe starts to listen at the other wall, where Rachel's room is. There, Joey and Rachel are kissing.)

Joey: Ooh... I can't believe I'm kissing you. I'm kissing Rachel!

Rachel: I know, I'm her!

(they start to kiss again, and Phoebe turns to Chandler and Monica)

Phoebe: *(whispering)* Rachel and Joey! It's Rachel and Joey!!!

Monica: What?

Phoebe: Get over here!

(Chandler and Monica take a sprint to the other wall)

Rachel: ooh...

Chandler: Wow!

Monica: *(in her Monica-excited-way... TOO LOUD!)* Oh my God, I love how thin these walls are!

(In the rooms next door, Joey, Rachel, Ross and Charlie stop kissing and try to understand what the yelling was about. After a while they continue kissing. We're back in Chandler and Monica's room. Monica has some of her own hair stuffed in her mouth by Chandler.)

Monica: *(muffled)* Thank you.

OPENING CREDITS

(Rachel and Joey's)

Rachel: Hey, you know, before you said that nothing could happen between us? What changed?

Joey: Well, I only said that because of Ross, you know. Then I saw him kissing Charlie...

Rachel: What? Ross and Charlie? *(Joey nods)* Wow! She's really making her way through the group, huh?

Ah, who am I to talk?

(Chandler and Monica's)

Monica: I can't believe this. Rachel and Joey?

Chandler: How about the dinosaur twins in the other room? No-one is manning that wall!

Monica: I'm on it!

Chandler: Anything?

Monica: I think I hear curtains closing...

Phoebe: We've got shoes being kicked off over here.

Monica: Bedsprings, unmistakable!

Chandler: You do realise that's your brother?

Monica: Not until you said it. Somebody switch! *(Chandler makes a clicking sound with his fingers and Phoebe runs to the other wall. Monica returns to Chandler's wall.)* Wait a minute... Ross and Charlie, Joey and Rachel, Phoebe and Mike! We're the only people leaving with the same person we came with.

Chandler: That's not true. I came with Monica and I'm leaving with Weird Al.

Monica: Okay, I've had it with the hair jokes. Tomorrow morning, before we leave, I'm going to the salon.

Chandler: Okay Buckwheat!

Phoebe: You gotta hear this, it's great... It's like free porn! *(Chandler eagerly rushes over)*

(Ross and Charlie's)

Ross: Weh... *sigh*

Charlie: uhm... Is everything okay?

Ross: Yeah, it's just... I don't think I can do this...

Charlie: Ooh... Is it because of what might be on the bedspread, because I saw that news report too, with the infra red and the ... I could just...

Ross: No, NO! (*they're moving to the side of the bed, where they sit down*) Look, I need to talk to Joey. I mean, you guys just broke up. Before anything more happens between us, I need to know he's okay with it.

Charlie: I uhm... I completely understand.

Ross: Alright, I'm gonna go find them... (*twitches a bit, looks down*) I just need a... need a before I can... you know. (*gestures standing up... they sit and wait for a while*) Grandma... grandma... grandma... (*he tries to concentrate...*) Okay, I see you later.

Charlie: Okay...
(*Chandler and Monica's, all three of them are listening at the wall to Ross and Charlie's*)

Phoebe: That's the door. He's gone...

Chandler: And she's... turning on the TV... and watching... Miss Congeniality!

Monica: Honey, if you know it through a wall, you know it too well!
(*They are still listening at the wall, when Ross enters their room*)

Ross: Hey, what are you guys doing?

Phoebe: Oh, we're just... we're sad to go so we're just saying goodbye to the hotel. (*hugs the wall*) I love you... Paradise Hotel, Golf resort and Spa... (*she walks away from the wall*)

Monica: (*also hugs the wall*) Yeah, we had a great time, thank you! (*walks to Phoebe*)

Chandler: (*caresses the wall with his finger*) Bye!

Ross: Okay, uhm... Hey, you guys seen Joey anywhere?

Chandler: He's probably in his room with his current girlfriend Charlie. That's the situation as we know it... (*walks to Phoebe and Monica*)

Ross: Well, if you see him could you please tell him I'm looking for him?

Chandler: You got it!

Ross: Thanks! (*walks out of the room and starts hugging the wall*) Thank you! (*closes the door*)

Monica: Other wall, people! Other wall!
(*they rush to the wall to Rachel and Joey's, and we move to that room*)

Ross: (*knocks on door*) Rach, you there? (*Joey and Rachel both get up from the bed*)

Joey: Oh my God, it's Ross. What are we gonna do?

Rachel: Oh, ju-ju-ju stay calm. Just be calm. For all he knows we're just hanging out together. Right? Just be nonchalant. (*Joey like stands at attention with his chest forward and his hands on his sides, looking up at the ceiling with his lips pouted.*) That's not nonchalant!

Joey: No idea what it means.

Rachel: Oh... okay, just hide!

Ross: (*knocks*) Rach?

Rachel: Coming! Try under the bed, try under the bed!
(*When Rachel starts to look under the bed if Joey would fit under there, Chandler opens the door inbetween the rooms, grabs Joey by his shirt and drags him to his room, and closes the door again*)

Rachel: There's no room under the bed. (*looks around because she can't find Joey anymore*)

Ross: Is everything okay?

Rachel: Yeah... (*still looking to see where Joey went, and opens the door*)

Ross: Hey.

Rachel: Hi...

Ross: You know where Joey is?

Rachel: ...I really don't... (*looks around again*)

Ross: Can I talk to you for a minute?

Rachel: Yeah, sure... (*looks outside into the corridor if Joey is there*)
(*Monica and Chandler's room. Phoebe, Monica and Chandler have their ears pressed against the wall, and Joey looks at them*)

Joey: I don't believe this... Have you guys been...?

Phoebe: Shhh... This is the listening side of the wall.
(*Now Joey also wants to listen, and wants to press his ears against the door, which has a big mirror on it, he hesitates seeing himself in the mirror, but still puts his ear against it. We move again to Rachel's room.*)

Ross: And then she told me that she and Joey had broken up, and that part of the reason was that she had feelings for me.

Rachel: (*clearly not listening and still trying to find out where Joey went*) Uh-huh... right... yeah...

Ross: And you know I wanted to ask Charlie out since the day I met her.

Rachel: (*still searching*) Oh, I know... I know it's been really hard for you.

Ross: Anyway, one thing lead to another, and... oh... before you know it, we were kissing. I mean, how angry do you think Joey is gonna be?

Rachel: (*now looking up at the ceiling*) That is hard to say, Ross. That is hard to say.

Ross: You know, I gotta go find him. He's gotta be here someplace.

Rachel: You would think!
(*Ross leaves the room*)

Rachel: Joey!

Joey: Is he gone?

Rachel: (*still can't find him*) How are you doing this?
(*Joey now enters the room through the door, Monica, Chandler and Phoebe are following him.*)

Joey: Pssst...

Rachel: How... wha... Hey! What are you... What is this? Have you guys been listening this entire time?

Monica, Chandler and Phoebe: YE-AH!

Phoebe: Now, what is this?

Rachel: Ah, what is this? Well, lets see, we kissed for ten minutes and now we're talking to our friends about it, so I guess this is sixth grade!

Phoebe: Oh no... Have you thought about it how complicated this could get? What about Ross?

Joey: Well, he's with Charlie now.

Monica: Yeah, but he wants to talk to you before anything really happens with her. And as his friend, I mean, don't you think he deserves the same from you?

Joey: (*long pause and he twitches a bit*) You're a pain in my ass, Geller!

Rachel: All right, look you guys... Look, we appreciate all the advice, but this is between Joey and me and I think we can handle it...

Chandler: Okay, well we'll go back in there, but will you do one thing for us? The people that care about you?

Rachel: Sure...

Chandler: Enunciate!

Rachel: Get out!
(*They leave and Rachel locks the door.*)

Rachel: Are they right?

Joey: Probably, yeah... I mean, maybe we should... hold off until we talk to Ross.

Rachel: Yeah... Yeah, we can wait, we don't have to do anything tonight.

Joey: Yeah, I think that'd be best... So, so I'm gonna... I'm gonna take off...

Rachel: (*Joey walks to the door*) Although...

Joey: (*turns around very fast*) I like although!

Rachel: I mean, you know... Ross and I haven't dated in like... six years...

Joey: Six years? Wow... It's almost as long as highschool...

Rachel: Plus, you know, he is with Charlie now.

Joey: Absolutely! He's not thinking about you.

Rachel: No...

Joey: I'm thinking about you...

Rachel: Yeah...

Joey: Let's forget about Ross...
(*They want to kiss, but just before their lips touch, Rachel pulls back quickly, gasping*)

Joey: What's wrong?

Rachel: Nothing...

Joey's voice, but she sees Ross: Seriously... What is it?

Rachel: Nothing... It's really... It's nothing... Come here, come here...
(*again, just before their lips touch, she pulls back, gasping*)

Joey's voice/Ross: What's wrong?

Rachel: Sorry, I just uhm... I can't seem to get Ross out of my head...

Joey: Well, maybe I can help. (*he grabs her head passionately, closes his eyes and kisses...* Ross in Rachel's dress! He realises it too late, and when he does, pushes Ross's/Rachel's head away)

Rachel/Ross: Ooh, your lips are so soft... Do that again... (*and she/he moves in for another kiss. Joey, pushes her head away again...*)

Joey: Yeah... we really need to talk to Ross...

Both: Yeah

COMMERCIAL BREAK

[Chandler and Monica's room. Chandler is packing when Ross knocks on the door and enters...]

Ross: Hey!

Chandler: Hey!

Ross: You guys ready to go?

Chandler: Not quite. Monica's still at the salon, and I'm just finishing packing.

Ross: Dude! You're not taking your Bible?

Chandler: You're not supposed to take that. Besides, it's a New Testament, what are you gonna do with it?

Ross: Learn about Jesus...
(*Charlie now also enters the room, Chandler walks to the bathroom*)

Ross: Hey!

Charlie: So, did you talk to Joey?

Ross: Uh, no... no. I couldn't find him. I'm just gonna talk to him on the plane.

Charlie: Yeah, sounds like a good idea... Dr. Geller!

Ross: Stop it!

Charlie: PHD

Ross: You're filthy!
(*Phoebe enters*)

Phoebe: Hey, have you guys seen Monica?

Ross: Uh, actually I think she went to the salon.

Phoebe: Oh yeah, oh, she went to the salon alright...
(*Monica enters, with her hair braided and little shells at the end*)

Monica: Check it out!

Phoebe: Who's day just got better? **CHANDLER!**
(*Chandler enters from the bathroom*)

Chandler: Hey!... aaaaahhhhh!

Monica: What do you think?

Chandler: I think... I think I can see your scalp.

Monica: Don't you just love it?

Ross: Ye... Yeah... Yeah... You got shellfish in your head.

Charlie: It's so... something... You go girlfriend!

Ross: You've never said that in your life, have you?

Charlie: Not once.

Ross: I thought so.

Monica: And listen to this... (*shakes her body so the shells tingle*)

Chandler: What d'ya know... It's a treat for the eyes and the ears.

[Boarding the plane.]

Joey: Whoop, whoop. Wow, it's uhm... kinda weird that I'm sitting next to Charlie after we broke up.

Chandler: Yeah, it's almost if Air Barbados doesn't care about your social life.

Joey: Look, does someone mind switching to sit with Charlie?

Ross: Oh, I uh, I mean, I... dude, I spent the whole conference with Charlie.

Joey: I understand...

Ross: No, I'll do it. (*he quickly grabs Joey's boarding pass and gives Joey his one.*)

Chandler: Wish I could switch with someone. I really don't wanna sit with Allen Iverson over there.
(*Switch to Phoebe and Mike, who are kissing*)

Phoebe: Uhm... You know, once we're in the air and the captain turns off the seatbelt sign... you feel free to roam about my cabin...

Mike: You should be careful when checking your overhead bins, 'cause items may shift during...

Phoebe: Aaah... you're not good at this...

Mike: You don't have to go home tonight, do you?

Phoebe: No, I think I can come over. It's Saturday, right?

Mike: Oh...

Phoebe: What?

Mike: Uhm... I can't do anything tonight.

Phoebe: Why not?

Mike: I have a date.

Phoebe: You have a... You have a date? With who?

Mike: Oh, it's... my girlfriend.

Phoebe: (*lets go of his hand*) You have... have a girlfriend?

Mike: Yeah... Well, when... you and I broke up I started seeing someone.

Phoebe: For how long?

Mike: Three months.

Phoebe: Three months? Okay... This is probably none of my business, but uhm, how long do you think you're gonna keep seeing her?

Mike: I'll tell her that it's over tonight at dinner. I promise.

Phoebe: Oh, okay... good. You do that. And then when you get home, maybe there'll be a special delivery package waiting for you.

Mike: Maybe I'll sign for it. Tear it open. Pull out the packing material...

Phoebe: You know what, we're gonna have sex. Let's just leave it there.
(*cut to Charlie and Ross*)

Ross: Right, I'm gonna go talk to Joey. I think this is the right time. He's always in a good mood after the flight attendant says "duty free".

Charlie: Okay... Good luck.
(*Ross gets up and gestures to Rachel, we cut to Joey and Rachel*)

Rachel: Ross is coming over. I think now would be a really good time to talk to him.

Joey: I guess so. I'm just... really nervous.

Rachel: Okay, well keep in mind that by the time you're done, they'll probably be serving dinner.

Joey: Ooh...

Rachel: Still nervous?

Joey: I'm gonna get the lasagna.

Ross: Hey Rach...

Rachel: Yeah!

Ross: Do you mind if I sit here for a sec.?

Rachel: Yeah, yeah sure! Yeah! (*mouths "Good luck" to Joey and gets up from her seat*)

Ross: Hey!

Joey: Hey!

Ross: So, I uhm... kinda need to talk to you about Charlie.

Joey: Yeah?

Ross: Okay, last night after you guys broke up... so sorry to hear about that, by the way... Well, Charlie and I were talking, and... well...

Joey: You kissed.

Ross: Wha... (*gasps*) What? What would give you that idea?

Joey: I saw you.

Ross: Yeah, we kissed, but... nothing else... nothing else happened, okay.

Joey: Ross, Ross, Ross... It's okay.

Ross: What?

Joey: It's okay. You know, I totally understand, alright? You guys, make way more sense than her and I ever did, you know. And... I want you to be happy.

Ross: Are you serious?

Joey: Yeah... Now I have something...

Ross: I am speechless... I mean the fact that you would put my happiness first like that. I mean, you're an incredible friend, you know that?

Joey: Oh... uh... look... before you...

Ross: No, I mean it. You are so loyal man, and selfless, and generous...

Joey: I am those things, yeah.

Ross: You know what? I know Chandler longer, so I always think of him as my best friend, but now... I may have to rethink some stuff...

Joey: Dude!

Ross: Hey, if there is ever, anything I can do for you...

Joey: I can't think of anything.
(*They both hug, and Rachel, who was in the back of the plane, sees this and smiles.*)

Ross: Thanks!

Joey: Yeah.
(*Ross walks to the back of the plane, where Rachel is.*)

Rachel: So hi!

Ross: Hi!

Rachel: So you eh, you talked to Joey?

Ross: Ah, yeah. We had a really good talk.

Rachel: Oh! That's great!

Ross: Yeah!

Rachel: Oh, so everything's okay?

Ross: Oh, no, it's great. It's great. He is... He is an amazing guy.

Rachel: Ah... Well, obviously I think so too.

Ross: Well, I'm so excited about this.

Rachel: Really? Excited?

Ross: Are you kidding? I have had some *very* dirty dreams about this...

Rachel: Excuse me! (*and she walks back to Joey, who is still looking very impressed about what Ross said to him. Rachel looks at him and hits him.*) You didn't tell him, did you?

Joey: I couldn't. He was saying all these really nice things about me. I didn't want him to get mad and take 'em all back. I'm on a edge on Chandler.

Rachel: Oh God! Alright, fine. You know what Joey, forget it. When we go back to New York, I will tell him.

Joey: Thank you. Yeah, I appreciate that. (*Chandler walks by and Joey lets out an evil "muhahaha"*)

COMMERCIAL BREAK
[Mike's apartment. Phoebe's there and the phone rings.]
Phoebe: Hi, Mike's place.
Mike: Hey, it's Mike.
Phoebe: Ooh, that was fast.
Mike: Oh, err... no, she's not here yet. You know, I think I'm just gonna take off and break up with her over the phone...
Phoebe: Yeah, you can't do that! Oh, come on Mike, strap on a pair. Why don't you just tell her that we got back together. You know, women appreciate honesty. We also appreciate gentle spanking once in a while. Just F.Y.I.
Mike: One more thing... There... might be a picture of Precious on my coffee table.
Phoebe: Her name is Precious? Is she a purebred or did you pick her up at the pound?
Mike: Anyway, I just wanna give you a heads up.
Phoebe: Okay, oh and you know, if she gets upset, just scratch her tummy and give her a liver snout. (*laughs and hangs up the phone*) (*there's knocking on the door which Phoebe opens*)
Precious: Hi, I'm Precious, who are you?
Phoebe: (*stunned*) I... I'm Phoebe.
Precious: Phoebe? Mike's ex-girlfriend Phoebe, the love of his life? That Phoebe?
Phoebe: Enchanté (*she holds out her hand, and they shake hands*)
[Chandler and Monica's apartment. Monica's carrying the laundry hamper to their coffee table.]
Monica: Oh, I can't wait for everyone at work to see these... (*plays with her hair to make the shells tingle again*) Oww!
Chandler: You go back to work tomorrow night, right?
Monica: Yeah!
Chandler: So if you want people to see them, then by definition you're not having them taken out... say, at the break of dawn?
Monica: Well, if I had them taken out, then I wouldn't be able to do *this*. (*she pushes Chandler on the couch and brushes her hair and shells against Chandler's chest*) You like that, right? (*again, she brushes her hair against his chest and hums...*)
Chandler: What are you singing?
Monica: It's "Bolero" from "10".
Chandler: It's "Ride of the Valkyries" from "Apocalypse Now"... See, here's the thing: The corn rose were really a solution to your frizzy hair problem. And now that we're home, we don't have that problem anymore, so if you think about it... I *hate* them!
Monica: You what? You said you liked them.
Chandler: Did I? Let's refresh. I believe what I said was that I could see your scalp.
Monica: Fine, so you don't like them. Everybody else does.
Chandler: Again, let's journey back... As I recall what Rachel said, was she had never notice the shape of your skull before. And Joey... Well, Joey didn't realise that there was anything different.
Monica: You know what? I don't care. I like it like this, and I'm gonna keep it. You're just jealous because your hair can't do this... (*and she shakes her head more violently*) OUCH!
Chandler: Hit yourself in the tooth?
Monica: And the eye!
[Ross's apartment. Someone's knocking on the door. Ross rushes to the door and it's Rachel with Emma.]
Ross: (*gasps*) Hi... There she is. Hi Emma. Oh my God, I missed you. (*kisses her*) Oh Emma, I missed you *so* much. Hey... Did you have a good time with grandma Green? Huh? Did she give you a bottle of anti-depressants again **to use as a rattle?** (*to Rachel*)
Rachel: That was one time, Ross, and they were only like 5 milligrams.
Ross: Ooh hey, Emma, daddy has some presents for you okay? Okay? I want you to wait right here. Come here sweetie.
Rachel: Aaah... Ross, actually there's something that I really need to talk to you about.
Ross: (*unpacking his bag*) Okay, shoot!
Rachel: Okay, uhm... alright, here's the deal.
Ross: (*gasps*) **OH NO!**
Rachel: What? What is it?

Ross: Oh, major shampoo explosion!

Rachel: Uh, look Ross, this really isn't easy.

Ross: Oh, it's all over **everything**. Why? Why me? (*looks up*)

Rachel: Because you took three hundred bottles of shampoo?

Ross: I'm sorry, I'm sorry. You were saying?

Rachel: Well, yeah... Okay, look it's about me and...

Ross: Oh, not another one! Oh my G... And this is moisturiser. It's even harder to clean! Why? Why do *bad* things happen to good people?

Rachel: Wow! Well, clearly this is not a good time.

Ross: Duh, **you think?** (*enters the kitchen*)

[Mike's place. Phoebe is on the phone.]
Phoebe: Okay, bye. Alright, so Mike's on his way over. See, you thought you guys were meeting here, and he thought you were meeting at the restaurant, so you know... Doesn't really matter who's right or wrong. Point is... I'm gonna take off.
Precious: I'm not letting you leave until you tell me what's going on here. I mean, are you guys getting back together or something?
Phoebe: Alright... Susie, can I call you Susie?
Precious: My name is Precious.
Phoebe: Yeah, I can't say that. uhm... Susie, I'm gonna be straight with you... Mike and I *are* back together... and uhm... unfortunately that effectively ends your relationship with him. And he's very sorry about that and wishes you the best of luck in all your endeavours.
Precious: I just can't believe this... Why?
Phoebe: Well, I don't...
Precious: Oh, why would he do this? I mean, what's wrong with me?
Phoebe: Nothing, there's nothing wrong with you.
Precious: I mean, what the hell am I supposed to do now?
Phoebe: **Damn it woman, pull yourself together!** (*Precious starts crying*)
Phoebe: Okay, not a fan of the tough love.
Precious: I just can't believe that Mike didn't give me any warning.
Phoebe: But he didn't really know, you know. He wasn't planning on coming to Barbados and proposing to me...
Precious: He proposed to you? This is the worst birthday *ever*. (*she starts to cry again*)
Phoebe: Look, *Precious*... Mike's not worth this. You're an attractive, intelligent woman and let's face it, Mike's kind of a wang. I mean, he proposed to me while he was still seeing you... He was gonna break-up with you on your birthday? And, I don't like to kiss-and-tell, but he cheated on you *a lot* this weekend.
Precious: Oh, my God, maybe you're right. Maybe I don't need him. I deserve to be treated with respect. (*Mike enters the apartment.*)
Precious: Screw you, Mike. You're a coward and a bastard, and I hope you rot in hell.
(she slaps him in the face, Mike looks like he doesn't believe what just happened. Precious leaves, and he turns to Phoebe.)
Phoebe: You're welcome!
[Chandler and Monica's. Only Chandler is in the living room and walks to the bathroom.]
Chandler: Honey, you've been in there for a long time... Is everything okay?
Monica: Not really.
(Chandler enters the bathroom, and Monica is standing there in a towel, with her hair stuck in the shower curtain.)
Monica: I have a problem.
Chandler: Really? What happened?
Monica: Well, I was dancing around, and singing "No Woman, No Cry" and I got stuck.
Chandler: You can't move at all?
Monica: Oh, well, I can move... (*she moves back and forth the shower curtain rail, opening and closing the shower curtain with her hair as she goes*)
Chandler: If I untangle you, will you please get rid of the corn rose?
Monica: (*looking disappointed*) I guess so...
Chandler: (*trying to untangle her*) Some of these look a little frayed.
Monica: Yeah, I tried to gnaw myself free.
[Rachel and Joey's apartment. Joey enters.]
Joey: Hey!
Rachel: Hi!
Joey: So, did you err... did you tell Ross?
Rachel: Well, I tried, but then he had a shampoo related emergency. So I guess now it's your turn again.
Joey: No, no, no, no, no, no, no, no... I think it's better if you tell him, you know. It's easier for a woman. That way, you know, if he gets mad, all you have to do is go... *I didn't mean it. I'm so so--oory. (he pushes his breasts together from the side)*
Rachel: Yeah, 'cause *that's* what we do.
Joey: Alright, alright, okay, uhm... How 'bout this, how about this? Tomorrow... tomorrow we'll both go and we'll tell him together.
Rachel: Okay, that sounds fair. It just means that once again we can't...
Joey: I know, I know..., but that's okay. I mean, we can control ourselves, we're not animals.
Rachel: Not Of course we can wait. Alright, so I guess that means good night then?
Joey: Yeah! Good night! (*they give each other a small kiss on the mouth, and stare at each other for a while*)
Rachel: Goo--ood night!
Joey: Good night! (*they give each other a kiss again, but this time it lasts longer*)
Rachel: Seriously, good night!
Joey: Stop saying good night.
Rachel: Okay.
(Now they kiss passionately... and then Ross enters with

Emma. They freeze, pull away and look at Ross who looks like he just can't believe what he's seeing. Joey straightens his shirt, and Rachel says I'm so-so sorry, and presses her breasts together, just like Joey did before.)

COMMERCIAL BREAK
[Monica and Chandler's. Monica walks in with one of those knitted Rasta hats.]
Monica: Look what I found in the drawer... (*Chandler looks up from his book.*) And you said I'd never wear this...
Chandler: Now that I untangled you, how 'bout you doing a little something for me?
Monica: Sure, what do you have in mind?
Chandler: I think you know.
Monica: Really? I don't really feel like it.
Chandler: This is what I want to do.
Monica: Okay, I just don't get why you like it so much.
Chandler: (*Picks up the "Miss Congeniality" DVD*) She's an FBI agent, *posing* as a beauty contestant.
THE END

1002 The One Where Ross Is Fine

[Joey and Rachel's apartment. The scene starts where we took off in the last episode with Ross seeing Joey and Rachel kissing. Ross tares at them.]
Joey: Okay, Ross, I realise that you didn't expect to walk in and see that, but... Let me explain, okay?
Rachel: We weren't doing anything!
Joey: Rach, he just saw us.
Rachel: Shhh.
Joey: But what you saw, that is the extent of it, okay? One kiss.
Rachel: No, come on, that is a lie. We also kissed in Barbados.
Joey: (*to Rachel*) Dude, chill! (*to Ross*) Okay, we also kissed in Barbados, but we didn't plan it, okay? And the only reason that that happened was because I saw you kissing Charlie.
Rachel: Yeah, you started it! I've got to chill.
Joey: Look, we probably should have talked to you about this before it ever happened, but...
Rachel: We feel so terrible about this, Ross.
Joey: Yeah, but it did happen, so... (*Ross looks shocked and says nothing.*)
Joey: Ross?
Rachel: Ross? (*to Joey*) Can we just close the door?
OPENING CREDITS
[Joey and Rachel's apartment. Continued from earlier.]
Rachel: Ross, say something. Anything.
Ross: So you two are...?
Joey and Rachel: Yeah.
Ross: And have you... ed?
Joey: No, no, no!
Rachel: No, no, no!
Ross: But if I hadn't walked in here, would you...?
Joey: Probably.
(Rachel looks at him.)
Joey: No, no!
Rachel: Ross, this is not how we wanted you to find out about this. You have every right to go nuts.
Ross: I'm not going nuts. Do you see me go nuts?
Rachel: No, but you know what I mean.
Ross: Hey, hey, hey... If you two are happy, then I'm happy for you. (*Squeaky.*) I'm fine!
Joey: Really?
Ross: Absolutely. (*Very Squeaky.*) I'm fine! Totally fine. I don't know why it's coming out all loud and squeaky, 'cause really, (*deep voice*) I'm fine. I'm not saying I wasn't a little surprised to see you guys kissing. I mean, at first I was like... (*Screams.*) But now that I've had time to absorb it; Lovin' this.
Joey: Ross...
Ross: It's all working out! Me & Charlie, and you two. You know what we should do?
Rachel: Calm ourselves?
Ross: No. We should all have dinner. Yes, we'll do it tomorrow night. I'll cook!
Joey: Look, don't you think that will be a little weird?
Ross: Weird? What? What's weird? The only thing weird would be if someone didn't like Mexican food, because I'm making fajitas!! (*Storms off.*)
Joey: I do like fajitas.
[Central Perk. Monica and Chandler are there. They have lots of brochures about adoption in front of them.]
Monica: God, this adoption stuff is so overwhelming. There's inter-country adoption, dependency adoption.. There are so many ways to go, and this is like the biggest decision of our lives.
Chandler: There's a hair in my coffee.
(Phoebe enters.)
Phoebe: Hey guys!
Monica: Hey.
Phoebe: Hey, have you seen Frank Jr., 'cause he's meeting me here with the triplets.
Chandler: You know, it's funny. Every time you say "triplets," I immediately think of three hot blonde 19-year olds.
(Monica glares at him.)
Monica: That's sweet. Drink your hair.
Phoebe: Hey, what's all this stuff?
Monica: Oh, they're brochures from different adoption agencies.
Phoebe: Ooh, babies! Oh, this one is so cute, get this one!
Monica: That's not really how it works.
Phoebe: Oh, how does it work?

Monica: I don't know!

Phoebe: Well, if you're having a hard time, you should talk to my friends, Bill and Colleen. They adopted a kid. I'm sure they'd help you.

Monica: Thanks, that would be great. Hey, honey, wouldn't that be great?
(Chandler looks like he did the time he swallowed the toy in 605 TOW Joey's Porsche. It's the hair in his coffee.)
(Frank Jr. and the triplets enter.)

Frank Jr.: Alright, alright, alright. Remember what we talked about. When we're in a public place, there are certain rules.
(The triplets scream and run amok in the coffeehouse.)

Frank Jr.: That's not what we talked about!!

Phoebe: Hey!

Frank Jr.: Hey.

Phoebe: Good to see you.

Frank Jr.: Good to see you, too.

Monica: Hi Frank.

Frank Jr.: Hi, how you doin'?

Monica: Oh, my goodness, they've all gotten so big!
(Little Chandler is pulling Chandler's sweater, while Leslie is throwing bagels at him.)

Monica: Which one is which again?

Frank Jr.: Oh, that's Frank Jr. Jr. pulling the tampons out of the lady's purse. And that's Chandler climbing on Chandler, and that's Leslie throwing bagels at him.

Monica (reads a form in her lap): "Willing to adopt triplets?" No!

[The hallway in Ross's building. Joey and Rachel are on their way to Ross's dinner.]

Joey: Ah, can I just say I know we're doing this for Ross, and that's cool, but if it was up to me, this is not what we'd be doing on our first date.

Rachel: Well, what would we be doing?

Joey: I'd take you out for a romantic night. Some champagne, fancy dinner, feel you up on the carriage ride home...

Rachel: Feel me up?

Joey: In a carriage!
(Charlie walks up to them.)

Joey: Hey, Charlie!

Rachel: Hey.

Charlie: Hi, hi. So... Dreading this?

Rachel: Oh, you bet.
(Joey sees that she's carrying a small red bag.)

Joey: So, did you bring a little something for Ross?

Charlie: Actually.. It's stuff you left at my apartment.

Joey: Oh. Oh, thanks.

Charlie: And you know, you can just give me my stuff whenever you want.

Joey: Yeah, I didn't throw any of that out..
(They enter Ross's apartment. Ross is already quite hyper.)

Ross: I thought I heard voices! Hi Charlie! (Kisses her.) Hi Joey. (Hugs him.) And.. Oh! You're gonna have to introduce me to your new girlfriend.
(Laughs.) I'm just kidding, I know Rachel, I know. (He squeezes her hand.) Come, please come in. Come in.

Rachel: Okay, well, we brought you some wine.

Ross: Oh! That is so thoughtful. (To Joey.) She's a keeper. And what did you bring me? (Grabs the bag that Charlie brought for Joey.)

Joey: Uh, actually, that's..

Ross: Underwear, a toothbrush, and Van Halen CD. I can use all these things!

Charlie: Gosh, Ross, you know, you seem a little...

Ross: What? Fine? Because I am! Aren't you? Aren't you? Aren't you? You see? Who else is fine?

Joey: Okay, listen, hey, Ross. Why don't you try to relax, okay? Maybe have a drink.

Ross: You know what? That is a very good idea. I'm gonna go make a pitcher of Margaritas.
(Does a Mexican dancing-thing before going to the kitchen.)

[Central Perk. Frank Jr., Phoebe and the triplets are there. The triplets are now sleeping on top of each other on the couch.]

Phoebe: Oh, god. So adorable. Look at them sleeping there like angels.

Frank Jr.: Yeah, I really cherish these moments, 'cause before you know it, they're gonna be awake again.

Phoebe: Well, they may be a handful, but they're so cute.

Frank Jr.: Yeah.

Phoebe: Oh, god, the last time I babysat them, they did the funniest thing..

Frank Jr.: I haven't slept in four years!

Phoebe: That's a, that's a long time.

Frank Jr.: You just don't know how hard it is, Phoebe. There's just so many of them. You know, two I can handle. Two's great. You just hold one in each hand, but what do I do when the third one runs at me with his bike helmet on. I've got no more hands to protect my area! There's three of them, Phoebe, three!

Phoebe: Yeah, I know, Frank. I counted them when they were coming out of my area.

Frank Jr.: Sometimes I think that.. Oh, no, no, no, I can't say it, it's too horrible. No.

Phoebe: What?

Frank Jr.: No, I can't.

Phoebe: Oh my god, Frank, are you thinking of leaving? Because I didn't have those triplets so you could just run out on them!

Frank Jr.: Oh, no! I would never do that. No. I just was thinking that, you know, maybe you could take one.

Phoebe: What?! You can't separate them! That's terrible. Which one?

[Bill and Colleen's apartment. Chandler and Monica enter.]

Monica: Thank you so much for seeing us. Phoebe has told us such great things about you guys.

Colleen: Oh, please, we're happy to help.

Bill: We went through the same thing when we were adopting.

Chandler: So, a lot of malfunctioning wee-wees and hoo-hoos in this room, huh?
(Bill and Colleen look shocked.)

Chandler: I mean, you have a lovely home.

Monica: Well, we appreciate anything you can tell us.

Colleen: Well, actually, I think this might help.
(She gives Monica a big binder that's perfectly in order.)

Colleen: It's pretty much all the information you need.

Monica: Oh my god!

Colleen: Everything is broken down into categories, and then cross-referenced, and then colour-coded to correspond with the forms in the back.

Monica: Thank you. (To Chandler.) I think I just had a tiny orgasm.

Bill: I know the process is frustrating, but it's so worth it. Adopting Owen was the best thing that ever happened to us.

Chandler: That's great. (To Monica.) Can I see the book?
(Monica looks at him.)

Chandler: You want me to wash my hands first, don't you?

Monica: It's.. It's just so pretty and white.

Colleen: The bathroom is down the hall, to your left.
(Chandler leaves.)

Colleen: I would have told him to do it too.

Monica: Can I adopt you?
(Cut to the hall. Owen is wearing his scout-uniform and is looking through a box when Chandler walks up to him.)

Chandler: Hey, you must be Owen.

Owen: Yeah.

Chandler: I'm Chandler. Hey, I was in the scouts too.

Owen: You were?

Chandler: Yeah, in fact my father was a den-mother.

Owen: Huh?

Chandler: You know how to use a compass?

Owen: I have a badge in it.

Chandler: You do? That's fantastic!

Owen: You wanna see it?

Chandler: I'd love to, but I gotta get back to talking to your parents. They're telling us all about how they adopted you.

Owen: What?!!?

Chandler: What?

Owen: I'm adopted?
(Chandler tries to come up with a good answer.)

Chandler: I got nothing.

[Ross's apartment. Ross is totally wasted, but he's still drinking all the margaritas.]

Ross: The first batch of margaritas was not so great, but the second batch is goooooood.

Rachel: Well, maybe the next batch, we could all get some.

Ross: Oh, guys, this is fun, isn't it? You know? Just the four of us. Just hangin'.

Joey: Dude, are you okay? And when are the fajitas gonna be ready?

Ross: I'm fine! Hey, I'm great! I'm just.. I'm just proud of us. There's no weirdness, no tension.

Rachel: No awareness.

Ross: We make a great foursome. We should do more stuff together. Ooh! Let's take a trip. Okay, where do you think we - we can go?
(The oven timer pings in the kitchen.)

Ross: My fajitas!
(He runs off to the kitchen.)

Rachel: Look, Charlie, I just want you to know. Ross is just having a little trouble adjusting to the thought of Joey and me. You know, he normally doesn't drink like this.

Charlie: Oh, you know what? This is nothing. My father is a raging alcoholic.
(Joey and Rachel don't know how to respond to that.)

Charlie: Oh, I'm sorry, have I made this evening uncomfortable?
(Ross enters carrying a frying pan with fajitas - without any oven mitts.)

Ross: Fajitas! Be careful, very hot plate, very hot plate!!

Rachel: Ross, you don't even have oven mitts on!
(Ross laughs.)

Ross: That is gonna hurt tomorrow!

[Central Perk. Frank Jr., Phoebe and the triplets are there. Continued from earlier.]

Phoebe: Okay, well, this is crazy. Can't seriously be talking about me taking one of your kids, can we?

Frank Jr.: No, of course we're not.

Phoebe: Insane.

Frank Jr.: I know.

Phoebe: Alice would never go for it, right?

Frank Jr.: Oh, I don't know, she's pretty tired, too, I think we've got her onboard.

Phoebe: Well, just you know, for argument's sake, you know, hypothetically. Which one would you be willing to give up?

Frank Jr.: Huh.

Phoebe: Frank Jr.Jr.?

Frank Jr.: Oh, you'd be getting a really good one. I mean, you know, he's really funny. Like, the other day he made up this joke.

Phoebe: Uh-huh.

Frank Jr.: What's green and says "hey, I'm a frog"? A talking frog! (Laughs.) Oh, no, you can't have him, he's too funny.

Phoebe: Well, alright, that's fine. What about Leslie?

Frank Jr.: Oh, no, no. Not Leslie. No, she's, she's the only one that knows how to burp the alphabet.

Phoebe: Alright, so that leaves Chandler.

Frank Jr.: Oh, no, no, you can't have Chandler, no. No, no. She's my little genius. I got big hopes for her. She's gonna be a doctor or a realtor.

Phoebe: Wow, Frank. I think we just ran out of kids.

Frank Jr.: Oh, I think you're right. Oh, wow. Phoebe, I don't think I can give one of them up. I mean, you know, they drive me crazy, but they're my babies.

Phoebe: I'm sorry, Frank. I didn't realise things were so bad. You know, I'll help out more. I can - I can babysit any time you want. You name the day, and I'll be there.

Frank Jr.: How about tomorrow?

Phoebe: Well, that's not good. But you know, I can move some stuff around, and I'll be there. You and Alice just take the whole day together.

Frank Jr.: You'd do that for us?

Phoebe: Are you kidding? That's what sisters are for.

Frank Jr. (looks at the triplets): Look at them! Aw. I love you so much. (Strokes Leslie's hair, and she moves a little.) Oh crap, don't wake up, don't wake up!

[Bill and Colleen's apartment. Chandler comes running into the living room. Monica is the only one there.]

Chandler: Where are Bill and Colleen?

Monica: They're in the kitchen getting something to eat. Can you believe how nice they are?

Chandler: We have to leave!!

Monica: Why? What did you do in the bathroom?

Chandler: I didn't get to the bathroom. I bumped into Owen on the way, and he didn't know he was adopted. And there's a slight chance I may have told him.

Monica: Oh my god, where's my purse? No, you know what? I can replace everything in there. Get that binder, and let's go!
(Bill and Colleen enter.)

Colleen: Hey.

Bill: Some little snacks for everybody. Oh, you don't have to eat the sour worms. Those are for Owen.

Colleen: I'll go get him in a second. By the way, you should know we haven't told him he's adopted yet.

Chandler: But kids are so intuitive. Don't you think on some level he already knows?
(Owen comes running in.)

Owen: I'm adopted?!

Chandler: See? Intuitive!

Bill: What? Where did you hear that?

Owen: He told me! And he paid me 50 dollars not to tell.

Chandler: Which technically now you should give back!

Colleen: You told him he's adopted?

Chandler: I'm so sorry, but you should have a sign out there or something. Or at least whisper it to people when they come in the door. "Owen doesn't know he's adopted, and he also thinks that Santa is real."

Owen: He isn't?!

Chandler (to Monica): We have to get out of here, baby!

[Ross's apartment. Rachel, Joey and Charlie are eating fajitas when Ross enters from the kitchen.]

Ross: Everyone? I would like to make a toast to Rachel and Joey.

Rachel: Ooy.

Ross: And to love. Ah, love. L-O-V-E, love. L is for life. And what is life without love?

Rachel: Oh my god, are we supposed to answer?

Ross: O is for "oh, wow!" The V is for this very surprising turn of events, which I'm still fine with by the way. E is for how extremely normal I find it. That you two are together. And now one day you might get married and have children of your own.
(Ross chokes up and pauses. Rachel and Joey look at him.)

Joey: Dude, are you okay?

Ross: Totally.

Rachel: Ross, you don't seem okay.

Ross (on the verge of tears): I'm sorry, it must be the pressure of entertaining. I think everyone would feel better if we had some flan.

Charlie: Wait, Ross. Ross. I - I have to take off.

Ross: No!

Charlie: I'm sorry, I have a really early class in the morning, but this has been lovely.

Ross: Wasn't it? And you thought it would be awkward with Joey and that you never really liked Rachel.

Charlie: You're on fire! I'll call you in the morning, okay?

Ross: Okay.

Charlie: Alright.
(Ross goes to the kitchen.)

Charlie: God, Rachel, what Ross just said that is just so..

Rachel: Oh, that's okay, girls tend not to like me.

Charlie: Bye.
(Ross enters from the kitchen with three plates with flan.)

Ross: Okay, I guess it's just flan for three! Hey, hey, that rhymed!

Rachel: You know what, Ross? I think we're gonna take off too.

Ross: Oh, oh. Of course. God, I'm so stupid. You guys are a couple now. I mean, you probably just want to be

alone.
Rachel: No, no, it's just that it's getting late...
Ross: Hey, hey, it's fine. It's totally fine. We've got plenty of margaritas. It's all good.
(The oven timer pings again.)
Ross: I don't even know what that's for.
(He goes back to the kitchen.)
Joey: You know what? I think I'm gonna stay here and make sure he's okay.
Rachel: Yeah, that's probably a good idea.
Joey: Yeah. I'll see you in the morning.
Rachel: Uh-huh. Okay. You know what, Joey, I don't think he's ever gonna be okay with this.
Joey: It doesn't look good, does it?
(They kiss each other on the cheek, and Rachel leaves.)
[Ross's apartment the next morning. Ross is very hung-over on the couch as Joey enters with a cup of coffee for him.]
Joey: Morning. Here you go.
Ross: Thanks. Did you stay here all night?
Joey: Yeah.
Ross: So you took off my pants and shoes?
Joey: No, no, no. You actually did that when you were dancing to the Chicago-soundtrack. Look, Ross, about, about Rachel and I. Listen, you don't have to worry about that, okay? Because nothing is gonna happen.
Ross: What do you mean?
Joey: Well, she and I said from the beginning that we weren't gonna do anything unless you were okay with it. And clearly...
Ross: Hey, what are you talking about? I'm fine!
Joey: It's okay, Ross, alright? I totally understand. Of course you're not fine. You're... You're Ross and Rachel.
Ross: Except we're not. I mean, we haven't been a couple in like, six years. Oh my god, is that right? Has it been that long?
Joey: That's what I hear, yeah.
Ross: This is crazy. I mean, six years? And because of me you guys aren't gonna be together? Can I ask you something? Really, what is this thing with you and Rachel?
Joey: Come on, I mean, you know me, you know...
Ross: Joey.
Joey: I'm crazy about her.
Ross: And she feels the same way?
Joey: I think so.
Ross: Well, then, maybe it's time we all moved on.
Joey: Yeah, but, Ross, I mean, you're not okay with it.
Ross: No, but I wanna be. Hey, I will be. Besides, I'm with Charlie, right? Oh my god, I'm still with Charlie, aren't I? I mean, she didn't see the dance, did she?
Joey: No, no, no, that was - that was just for me. Are you sure about this?
Ross: Yeah, I'm sure.
Joey: And we're okay?
(Ross smiles and holds up his hand for a high-five, but he has forgotten about his burnt hands. He gasps in pain as Joey grabs his hand.)
ENDING CREDITS
[Central Perk. Monica and Chandler enter to find Phoebe there with the triplets.]
Monica: Hey, Phoebs
Phoebe: Hey.
Monica: Uhm, we just wanna give you a heads-up. Bill and Colleen hate us.
Chandler: Owen didn't know he was adopted, and Monica told him.
Monica: What?
Phoebe: Still, he had to find out sometime.
Chandler: Yeah, but how would you like it if someone told the triplets that you gave birth to them?
(The triplets stare at him.)
Chandler: I'm gonna go tell Emma she was an accident. *(Runs off.)*

1003 The One With Ross's Tan

[Joey and Rachel's apartment]
Chandler: So, you and Rachel tonight, huh?
Joey: Yeah. It's actually our first official date.
Chandler: Wow! So tonight may be the night! You're nervous?
Joey: Naa, no. This is the part I'm actually good at.
Chandler: What must it be like not to be crippled by fear and self-loathing.
Joey: *(pause)* It's OK!
Chandler: How can you be so confident?
Joey: Well, I... I know exactly what I'm gonna do!
Chandler: Really? Like you have a routine?
Joey: No, no no no no. See. Each woman is different. You have to appreciate their uniqueness.
Chandler: Really?
Joey: No, I do six things! First, I look deep in her eyes. Then, I kiss her. Next I take my hand and I softly graze her thigh.
Chandler: You mean like this? *(he starts touching his thigh in a funny and awkward way)*
Joey: NO! Not like that, no, no, no, like this. *(He starts lightly grazing Chandler's thigh)*
Chandler: Oh, I see what you mean, that's quite nice. *(They look at each other, both embarrassed)*

Joey: More foosball?
Chandler: ...and beer!!

OPENING CREDITS

[Central Perk. Ross and Chandler are on the couch]
Monica: *(entering)* Hey!
Ross and Chandler: Hey!
Monica: *(to Chandler)* Hey sweetie! *(they kiss)*
Ross: *(looking at Monica's legs)* WOW!
Chandler: Hey! Stop staring at my wife's legs! No no! Stop staring at your sister's legs!
Ross: I'm sorry, it's just... how did you get so tan?
Chandler: She went on one of those spray-on tan places.
Ross: Eh, you got a spray-on tan?
Monica: Chandler gets pedicures!
Ross: *(laughing)* Why, why you do, like with the-the toe separators?
Chandler: *(To Monica)* Why...why?
Ross: Still, I can't believe that's sprayed on... I mean, it looks really good. I wonder if I should get one!
Chandler: Sure, then you should get a mini skirt so you can really show it off.
Ross: So, do you get colours or just French tips?
Monica: There. Here's their card.
Ross: Thanks. *(he takes the card)* Hey, I know where this place is! It used to be an X-rated video... *(pauses when he realizes what he is saying)* florist. *(he goes away)*
(Phoebe enters)
Phoebe: Hey!
Chandler: Hey Phoebs!
Monica: Hey Phoebe!
Phoebe: Oh, you won't believe who moved back to town.
Monica: I know, Amanda! Ah! She called me too! She's the worst!
Chandler: Who's Amanda?
Monica: She's this girl who used to live in the building before you did. Then she moved to England and she picked up this fake British accent. On the machine this is her message. *(she apes Amanda using an awful British accent)* "Monica, darling! It's Amanda calling!"
Chandler: Are you trying to do a British accent?
Monica: *(pause)* *(to Phoebe)* Chandler gets pedicures!
Chandler: Just so I know, how many more of those can I expect?
Phoebe: You know what Amanda said to me when she got me on the phone? *(apes Amanda in a british accent)* "Oh, so sorry to catch you on your Mo-Bile!" If-if you don't wanna get me on my mo-Bile, don't call me on my mo-Bile!"
Monica: I know, and she's always bragging about all the famous people she's met.
Phoebe: Oh, I know! "Oh... I slept with Billy Joel". All right, who hasn't?
Monica: Oh, what are we gonna do! I don't wanna see her!!
Phoebe: Ugh, Let's just cut her out!
Monica: What?
Phoebe: Cut her out of our lives! Just ignore her calls and dodge her 'till she gets the point!
Monica: Oh, I guess we could try that, but... it seems so harsh! *(to Chandler)* Have you ever done that?
Chandler: No, had it done to me though. Feels good!
[At the tanning salon. Ross and a male assistant are walking through a hall]
Assistant: Alright Mr. Geller! Right this way! So, how dark do you wanna be? We have one, two or three.
Ross: Well... I like how you look, what are you?
Assistant: Puerto Rican.
Ross: Two, I think a two.
Assistant: You've got to face the red light. When the red light goes on the spraying is about to start so close your eyes. When the spraying stops, count to five. Pat yourself down to avoid drip marks then turn around so we can get your back. Got it?
Ross: Spray, count, pat, then turn, spray, count and pat.
Assistant: Wow, you catch on quick.
Ross: Well, I have a PhD, so... *(assistant walk out, not impressed by this statement)*
(Ross takes his bathrobe off and he enters the tanning booth. He stands up in front of the red light and the sprayer starts and sprays his face and torso)
Ross: One Mississippi, two Mississippi, Three Mis...*(the sprayer starts again, spraying him in the face and torso again)* WAIT! WAIT! I'm not-I've not finished turning!! *(he leaves the booth)* *(the assistant enters the room)*
Ross: You sprayed my front twice!
Assistant: You've never turned?
Ross: No, I barely even got to three Mississippi.
Assistant: Mississippi? I said count to five!
Ross: Mississippilesly? *(pause)* Well, how bad is it?
Assistant: Ain't that bad yet, but it keeps getting darker for the next four hours.
Ross: So, how dark is it gonna get?
Assistant: You got sprayed with two two's and...
Ross: I'm a four?
Assistant: Yeah, but you're back's a zero. You're gonna wanna even that out.
Ross: *(sarcastically)* Really!
Assistant: You might wanna get back in there.
Ross: *(annoyed)* OK!
(The assistant leaves and Ross goes back in the spray-on tan booth and turns his back to the spray nozzles, facing the back wall)
Ross: Wait, wait a minute, there's no light on the back wall! How do I know when it's gonna start? Hello? *(he slowly turns and the spraying begins, on his face)* Ah, oh, ah! *(he turns, but then he turns again and is sprayed in the front again)* Ah! *(he spits and angrily goes out of the spray-on tan booth and the assistant enters the room)* The same thing happened again!
Assistant: You got two more twos?

Ross: *(hysterically)* I'm an eight!
[Joey's apartment. Joey and Rachel enter the room]
Rachel: Thanks for dinner.
Joey: I thought you paid. *(Rachel does not answer and seems puzzled)* Ha, guess we won't be going back there!
Rachel: So.
Joey: Yeah.
(Joey and Rachel start kissing)
Joey: Hey what do you say, we move this onto the likes of the couch?
Rachel: I say 'cheesy line', but ok.
(They move on the couch and start kissing again. Joey does his grazing on Rachel's thigh and she slaps his hand)
Joey: What's the matter?
Rachel: I am sorry, I don't know, I am sorry, I don't know why I did that!
Joey and Rachel: Okay
Rachel: Ok, so sorry.
(They start kissing again and, when Joey grazes her thigh, she slaps him on his hand again)
Rachel: I am sorry! Again... I don't know, I don't know what happened, I must be nervous!
Joey: I don't get it, Chandler loved it!
Rachel: Ok, ok, ok. I promise, I promise, I promise, I won't do it again. I really do. I promise. This is gonna be great.
Joey: Ok.
(They start kissing again and when Joey grazes, she slaps him three times, on the hand, and on both cheeks)
Joey: *(a little giddy)* Uh, was that good for you?
[Monica's apartment. Monica and Phoebe are reading magazines when the phone rings and Phoebe reaches to pick it up]
Monica: *(to Phoebe)* No, no, don't get it. Let the machine pick up.
Phoebe: Oh, yeah. Could be Rachel asking if someone could baby-sit again.
Monica: It could be Amanda!
Phoebe: Oh, you're right! I was just kidding about Rachel. Babysitting is a gas!
(The machine picks up the phone)
Amanda: Hello Monica. It's Amanda calling again. I am in the neighborhood hoping I can pop by your flat!
Monica: You're from Yonkers! Your last name is Buffo-Martisis!
Amanda: Let's see... to assure you get this directly, ring me back on my mobile.
Phoebe: Ok, don't hold thy breath!
(Sound of dialing numbers is heard from the speaker of the machine)
Chandler: Hello? Is someone on the line?
Amanda: Yes, I was looking for Monica.
Chandler: Hang on, she's right here. *(he enters the living room and hands the phone to Monica)*
 Someone's on the phone, for ya.
Monica: We weren't picking up, it's Amanda!
Chandler: *(to Amanda)* I get pedicures!
Monica: Hi Amanda! Actually now... it's... is not a good time. Dinner tomorrow night? *(Phoebe mouths 'no')* Ok, Phoebe and I will see you then!
Phoebe: Why, why, why didn't you just say no!
Monica: Well, I said 'no' to her coming over now! I couldn't say 'no' twice! I get this uncontrollable need to please people!
Phoebe: *(leaving)* Fine, fine! You would not hold up well under torture!
Monica: And you would?
Phoebe: I did!
[Joey's apartment. Joey and Rachel are sitting on the couch]
Joey: Rach, you sure you wanna do this?
Rachel: Absolutely! Absolutely. I d... it's just a little weird, it's you, and it's me, it's just gonna take some getting used to.
Joey: Ok. Well, how, how can we make it easier?
Rachel: Ok, let's work from the top down! *(Joey nods, but then puzzled because he does not get it)* Just work the bra, Joe!
Joey: Ok, yeah, got it.
Rachel and Joey: Okay.
(They start kissing and Joey starts to undo her bra, but fails completely)
Joey: This thing welded shut?!
Rachel: Okay.
Joey: All right, turn around, I got to get a look at this thing.
Rachel: Oh!
(Joey starts trying to undo her bra, but it won't go. The elastic band snaps back, hurting Rachel.)
Rachel: Ow!
Joey: Sorry!
Rachel: Well this is romantic!
Joey: I'm sorry! *(He stands up)* This never happened to me before! I'm an expert at taking off bras! I can do it with one hand! I can do it with my eyes closed! One time I just looked at one, and it popped open! I blame your bra!
Rachel: It's a standard issue bra clasp!
Joey: Then I blame you! Yeah! That's right! You threw me off with all your slapping!
Rachel: Ok well, well I'm really, I'm sorry about that Joey, but do you think that maybe on some level, you don't want to take off my bra?
Joey: *(contemplates for a few moments what Rachel just said)* NAH! I don't have another level!!
[Monica and Chandler's apartment]
(Chandler is at the table reading; Monica puts some

food for him on the table. Ross walks in looking very tanned. Chandler and Monica look up at him smiling.)

Chandler: Hold on! There is *something* different.
Ross: I went to that tanning place your *wife* suggested.

Chandler: Was that place... **The Sun?**
Ross: Oh! And it gets worse! (Turns his side to Chandler and Monica and pulls up his shirt. There's a distinct line across his body, where his belly is very tanned and his back is very pale.)

Chandler: Oh My God! You can do a duet of Ebony and Ivory all by yourself!

Monica: How could you mess this up? It's so easy? You go into the booth, you count to five and you turn around!!

Ross: (looks at her suspiciously) How do you count to five?

Monica: One Two Three...
Ross: (Yells) Damn! (Goes to the door to leave. Rachel just enters, sees him and starts laughing)
Rachel: (laughing) ooh! Oh oh!

Ross: (Still yelling) I Know!
Rachel: oh oh! What is up with Miss Hawaiian Tropic?

Chandler: How was your date with Joey?
Rachel: Well, it was good... until we got back to our apartment, and then we were fooling around and he started to put his hand up my leg and I kept slapping it away!

Chandler: You didn't *like* that?
Rachel: Well, it wasn't just me, alright? He freaked out too! He couldn't even undo my bra!
Monica: Wow, really? One time he just looked at my bra and it popped open.

(Chandler starts looking at her bra)
Rachel: I do not know what's wrong with us, I mean, we have kissed before and that's been great! But this time it was leading somewhere and I was very aware of the fact that it was Joey touching me.

Monica: Well, you guys have been friends forever. Remember the first time that you kissed Ross? How weird that was? You couldn't stop laughing? You got through that.

Rachel: (looking thoughtful) Ok, that's true. That's true, we can do this. You're right, you're right, we can do this. We're just gonna power through!
(Joey walks in)

Joey: Hey Chandler can I talk to you for a second (points to the hall).

Rachel: (To Joey) No need!! Problem solved, we are *powering* through (At which point she grabs his hand and pulls him back to their apartment.) (Chandler resumes staring at Monica's bra)

Monica: (sees what he is doing) Chandler, stop! It is *not* going to pop open!

Chandler: (without taking his eyes off the bra) You don't know! (Monica just smiles)

[Central Perk.]
(Phoebe is sitting on the couch. Monica walks in.)

Monica: Hey Phoebe!
Phoebe: Hey!

Monica: Is Amanda here yet?
Phoebe: No.

Monica: (sits down) Oh good. Good, look I'm so sorry, for screwing up that cutting-her-out plan. But I have a new plan. Chandler agreed to call here in a few minutes with an emergency.

Phoebe: Oh! Well, what kind of emergency that gets us both out of here?

Monica: Well, what do you think of Mike and Chandler being in a car accident?

Phoebe: (makes a face) Are you kidding, I *love* it! (A blonde woman walks in. Supposedly Amanda)

Phoebe: Hi!
Monica: Hi!

Amanda: Hi! (Phoebe and Amanda hug)

Amanda: (To Monica) Hello!
(Monica holds her hands out for a hug, but instead of hugging her, Amanda hangs her purse on one of Monica's extended arms.)

Amanda: (In a fake British accent) It's so nice to see you! Both of you! Look at me. Look how young I look! (gives her coat to Monica as well) Oh gosh! We have so much to catch up on! But first things first: touch my abs (at which point she grabs both Phoebe and Monica's hands and places them both on her stomach) I don't exercise at all! (she pulls them down to sit.) Oh gosh, so Monica, you're married!

Monica: (beaming) Yeah! Yeah! His name is Chandler and...

Amanda: (To Phoebe) Smell my neck! (Phoebe does so) It's not perfume! It's *me*! It's my natural scent!

(Monica looks shocked)

Phoebe: Musty!

Amanda: Oh! Gosh! This is brilliant. Gosh, it's just like old times. I'm so happy you two are friends again!

Monica: When were we not friends?
Amanda: Well, it was 1992, and I remember because that was the year I had sex with Evil Knievel (She starts laughing very proudly).

Monica: Ehm, we were friends in 1992.

Amanda: (to Phoebe) No I distinctly remember you were dodging her (points at Monica) calls and trying to avoid seeing her.

Monica: (To Phoebe) You were going to cut me out?

Phoebe: Well...kinda.
Monica: Oh My God!

Amanda: Oh! Bugger. Should I not have said that? I feel like a perfect arse!

Phoebe: Yeah well, in America you're just an "ass". (Monica's mobile starts ringing. She picks it up.)

Monica: (Into the phone) Hello? Chandler, what's wrong? (She listens) Oh my God, are you alright? (listens some more) Yeah, I'll be right there. (She hangs up and speaks to Amanda) I'm so sorry, but Chandler was in a car accident. (She gets up)

Phoebe: (Also gets up and starts taking her purse) Oh my God. Was Mike with him?

Monica: Nope! (She turns and leaves)

[Joey and Rachel's apartment.]
(Joey comes running in.)

Joey: (To Rachel) Hey!
Rachel: Hey! Got champagne?

Joey: Yes ma'am, ready to Power through!
Rachel: Excellent! Stick it in the ice bucket, the phone is off the hook, and in the interest of powering through (Starts to remove her bra from under her clothes)...

Joey: Uh! (When she's done she throws her bra at him)

Rachel: Ok (starts to light some candles) Sexy, sexy, very sexy, sexy. (Claps her hands and jumps at Joey, clearly very excited) Alright! Lets do it!
Joey: Ok, you're scaring me a little bit.

Rachel: Oh! Get over it soldier, we've gotta do this! (She pulls him towards her and throws him onto the barcalounger) Ok. Aha! You like that huh?
Joey: Oh! yeah!

Rachel: You like that? (She climbs on the barcalounger seductively, putting her knees next to Joey's hips.) Let's take this into high gear (She pulls the barcalounger lever and seat reclines. She puts one of her knees between his legs and begins to kiss his neck.)
Joey: uh uh!

Rachel: Yeah baby, I'll show you how we do it!
Joey: No, no, no! You kneed me in my misters!

Rachel: What? Oh my God! I'm so sorry. Joey? Are you ok?

Joey: (He just sits there, legs very close together with a painful look on his face) Soldier down!

[Monica and Chandlers apartment.]
(Chandler is sitting on the couch reading. Monica walks in.)

Monica: We are not friends with Phoebe anymore.

Chandler: If she asks, I protested a little, but ok!
(Phoebe and Amanda walk in)

Phoebe: Oh Chandler! Thank God you're alive. Monica, can I talk to you outside for a minute?

Monica: I have *nothing* to say to you.

Amanda: (announces more to herself than anyone else) Wow, my flat is *twice* this size!

Phoebe: Please, Monica? In the hall?
(They both walk to the door and enter the hallway.)

Amanda: Ooh, that accident must have been terrible. You look positively ghastly.

Chandler: Well, aren't you a treat.
[The hallway]

Monica: I can't believe you tried to cut me out. Why Phoebe, why?

Phoebe: It was right after we were living together and you were driving me crazy, okay? You were really controlling and compulsive and shrill.

Monica: I'm still all those things!
Phoebe: You're also so generous and kind and scrappy!

Monica: (starts smiling) I am scrappy.

Phoebe: Exactly! Look, no matter what I tried to do, I couldn't keep you out of my life. Of all the people I have cut out, you were the only one who ever clawed her way back in.

Monica: It's because I'm scrappy.

Phoebe: Yeah, you are. And I'm so glad that you fought your way back in, because I don't know what I would do without you.

Monica: I won't know what I would do without you. (They hug)

Monica: Well, I guess we should go back in. When you gave me another chance, I guess we should do the same for Amanda.

Phoebe: Yeah, I guess you're right.
(They both enter the apartment again, where Amanda is "dancing" for Chandler, but she's really terrible at it)

Amanda: Can you believe it. I've never had any professional dance training.

(Monica and Phoebe look at each other and leave the apartment again)

[A different spray-on tan center]
(Glenda, who works here, and Ross are walking to the room with the spray-on tan booth.)

Glenda: Now, let me explain how this works. You go into the booth, and...

Ross: I'm gonna stop you right there, Glenda. Okay? Does it look like this is my first time, huh? Now I want 4 two's... and I want them all on my back.

Glenda: (quietly) Okay...
(Ross enters the room, takes off his robe and enters the booth. He stands with his back to the nozzles and then realises that this booth has nozzles at both sides of the wall)

Ross: Wait a minute, there's two sets of nozzles, which one is it?
(He turns around frantically from side to side.)

Ross: Which... which... which... Which one is it?
(He then stops turning, facing one of the nozzles, which starts spraying in this face and front again.)

Ross: OH! SON OF A BITCH!
(He now turns to the other side, which also starts spraying his face and front.)

[Joey and Rachel's]

(Joey and Rachel are both sitting on the couch. Joey keeping his knees pressed against each other)

Rachel: What is the matter with us?

Joey: Well, I know what's the matter with me.

Rachel: No, I mean with us, you know. I mean, is it supposed to be this... difficult?

Joey: I don't know.
(Chandler enters the apartment)

Chandler: That fake British woman is a real bitch, but she sure can dance... Hey!

Rachel: Hi! Hey, listen, can we ask you a question? When you and Monica first hooked up, was it weird going from friends to... more than that?

Chandler: Kinda... you know, sneaking around, having to hide from you guys...

Rachel: No, no, no... No, I mean... se-x-u-ally...

Joey: Yeah, was there a part of you that... felt like it was... really wrong?

Chandler: Actually, no. No, it felt right. You know, it felt like uhm... I can't believe we haven't been doing this the whole time.

(Rachel and Joey are still looking at Chandler, slowly letting his words get to them)

Chandler: I can tell from your expressions that that's the good news you were hoping for... Well, I'm gonna go continue to... spread the joy. (Chandler leaves the apartment. Joey sighs)

Rachel: Well, just because it happened that way for them doesn't mean it has to happen that way for us.

Joey: Yeah, yeah... Absolutely. I mean, just because something's difficult doesn't mean that you quit.

Rachel: Right, totally.

Joey: Yeah, so we just keep trying and trying until we... do it.

Rachel: Yeah, and if doesn't work, then we'll be just one of those couples that never have sex.

Joey: That's a... pla-an.

(They both stare for a while, and then look at each other)

Joey: (sighs) Wow... I did not see this coming.

Rachel: I know.

Joey: I don't get it. I mean, I was so sure this was what I wanted.

Rachel: Hmmm... Me too...

(She puts her head on Joey's shoulder and Joey kisses her on her head.)

Rachel: I wonder how Monica and Chandler could do it?

Joey: I guess they weren't as good friends as we are. (Lifts her head from Joey's shoulder)

Rachel: Aah... I bet you're right.

(They look at each other for a while)
Joey: So...

Rachel: Yeah.

Joey: I love ya.
Rachel: Love you too... Alright, I'm going to bed.

Joey: Yeah, me too.
(Rachel gets up, and Joey tries to get up, but halfway up he sits down again.)

Joey: Ooh, yeah, I'm not going anywhere for a while. (Joey takes the ice-bucket with the champagne bottle in it and puts it on his sore spot)

ENDING CREDITS
[Ross's apartment.]
(Ross is reading a National Geographic on his sofa when Chandler knocks on the door.)

Chandler: Dude, it's Chandler. Let me in.
(Ross's face is now a VERY dark shade of brown.)

Ross: Go away! I don't want to see anybody.

Chandler: I know, I went to the tanning place and the same thing happened to me. You have to let me in.

Ross: Really? Did you count Mississippi?
(Ross walks to the door and opens it.)

Ross: Dude, you're not tanned.

Chandler: No, I just had to get a picture of this. (Chandler holds up a camera and takes Ross's picture.)

Chandler: I see you later!
(Ross closes the door)

The End

1004 The One With The Cake

[Scene: Central Perk]
Monica: (*she enters*) Hey guys!

Ross, Rachel and Chandler: Hey!

Chandler: Honey, I got us that room at the Woodford Inn this weekend.

Monica: That place in Vermont? You *can* take a hint!

Rachel: Wait, you can't go away this weekend! It's Emma's birthday!

Ross: Yeah!
Rachel: We're having a party.

Monica: Well, can't you just have the party when we get back?

Ross: No.
Rachel: No, that day... that won't be her real birthday!

Chandler: Gee if only she were one and had no idea what the hell a birthday was!

Ross: C'mon you guys, this is really important to us.

Monica: Well, I'm sorry, but Chandler and I could really use a weekend away. You know, to reconnect... emotionally.

Chandler: There's this thing I really want us to do. I read about it in Maxim...

Rachel: Well, can't you just go to Vermont the next day?

Ross: Yeah, we want everyone to be there. As much as I hate to delay your doing weird sex stuff to my little sister.

Rachel: And I mean, you know, you guys... This is a big deal. I mean, how can we have her first birthday party without her aunt and her uncle!

Monica: All right, we'll stay. We can just drive up after the party.

Chandler: Fine, but if we end up not doing this Maxim thing because of this party...

Monica: Believe me, that is not why we won't be doing that!

OPENING CREDITS

[Scene: Rachel and Joey's apartment]

Rachel: You know Pheebs, when I was little, on my birthday, my daddy would hide a present in every room of the house, and then he would draw a treasure map to help me find 'em all.

Phoebe: Oooh, I love family traditions like that. When uh... when Ursula and I were kids, on our birthday, our stepdad would sell his blood to buy us food!

Ross: *(he enters)* Hey guys!

Rachel and Phoebe: Hi!

Ross: Hey, I brought the camera for Emma's video.

Rachel: Oh, good, good! We had this idea to make a birthday video for Emma and we'll give it to her when she is 18.

Phoebe: Oh, COOL!! Wow, it's like a time capsule!

Ross: Yeah!

Phoebe: Oh, just think... she's gonna be watching that video on a TV that hasn't even been invented yet! With friends who right now are just like babies! And they'll be living in a floating city that the humans built to escape the ant people!

Ross: That's the hope! So, is Emma awake yet?

Rachel: Oh no, it's still nap time. But she'll be up soon.

Ross: Ah, and where is Joey?

Rachel: I said it's still nap time.

(Joey comes out from his room, yawning)

Ross: *(taping Joey with the cam)* Hey, there is uncle Joey!

Joey: Hey!

Ross: Hey, say something to Emma on her 18th birthday!

Joey: 18, uh? *(starts to prepare himself to say his "How You Doin'" line)*

Ross: Joey, NO!

Joey: What, what?! It's for her hot friends!

Ross: When they see this you'll be 52!

Joey: And starting to think about settling down!

Rachel: Hey Joey, will you please set this up for people to put Emma's presents on?

Joey: I'd love to! Yeah!

Joey: *(To Phoebe)* We were supposed to bring presents?

Phoebe: Yeah! I wrote Emma a song.

Joey: Oh, yeah! How was I supposed to know?

Phoebe: Joey, it's a birthday party.

Joey: Yeah, but for a one-year-old. What's the point... the other day she laughed for like an hour at a cup. Just a cup with a picture of Elmo on it dressed as a farmer. And he's standing next to this cow and the cow says "El-moo!" *(Joey starts laughing)* Yeah... that's a funny cup!

(Monica and Chandler enter)

Monica: Hey!

Chandler: Hey hey! Where's the birthday girl?

Rachel: Oh, she's still napping

Chandler: Oh, sure, she was probably up all night, excited about the party she knows is happening.

Rachel: Look, I know that you guys really want to get to Vermont and this isn't a really big deal to you, but it really is to us, ok? Emma will never have a first birthday again.

Monica: All right... you're right. We're sorry. Now let's wake up Emma and get the fun time started!

Rachel: No really, she didn't sleep well last night, so we can't wake her up.

Monica: Are you freaking kidding me, Green? *(someone knocks on the door. Rachel goes to open it)*

Jack and Judy: Hi!

Ross: *(points the camcorder towards them to record their entrance)* Hey!

Monica: So glad you came!

Jack: I can't believe Emma is already one!

Judy: *(to Monica)* I remember your first birthday! Ross was jealous of all the attention we were giving you. He pulled on his testicles so hard! We had to take him to the emergency room!

Ross: *(pointing the camcorder at himself)* There's something you didn't know about your dad!

Joey: Hey Mr. and Mrs. Geller! Let me help you with that.

Jack: Thank you!

Joey: Oh man, this is great, uh? The three of us together again! You know what would be fun? If we gave this present to Emma from all of us!

Jack: Which one are you?

(Later...)

Monica: I can't believe Emma is still asleep!

Chandler: I know, what are we gonna do?

Monica: I've got a plan. I've got a plan. I'm going to ram this platter really hard into your ribs. You're gonna scream out and that'll wake her up!

Chandler: I'm not going to Vermont with this Monica!

Joey: Hey Pheebs, you know what? I was thinking... since you wrote a song, maybe I could do something for Emma using my talents!

Phoebe: So you're gonna... hit on her?

Joey: No, no, no! My talents as an actor!

Phoebe: Oh!

Joey: You know, I could like maybe... I could do a dramatic reading of one of her books!

Phoebe: Or you could stick a fork in an apple!

Joey: Hey, I think Emma might like it!

Rachel: Oh! Emma might like what?

Joey: Um, my present!

Rachel: What did you get her?

Joey: Actually we prepared performances.

Phoebe: Separate performances.

Joey: But equally real!

Rachel: Well, this sounds like fun! Well, you know what? Actually? People are getting a little antsy waiting Emma to wake up from her nap, so would you mind performing them once now?

Phoebe: Sure, yeah!

Joey: *(unconfidently)* O K.

Rachel: *(to everybody)* All right, let's get this party started, huh? Joey and Phoebe are gonna perform a little something for us.

Ross: Oh, great!

Phoebe: *(to Joey)* Are you gonna be embarrassed going up there having nothing prepared?

Joey: Hey, I do it every week with three cameras pointed at me and a whole crew waiting!

Rachel: So, Joey, what are you gonna do for us?

Joey: I will be doing a dramatic reading of one of Emma's books.

Rachel: Oh, ok, which one?

Joey: Uh, why, it's a... *(he picks a book up)* one of her favorites, uh, *(he reads the title of the book)* "Riding the Storm Out. Coping with post-partum depression" eesh! *(he puts the book back and picks up another)* "I'll love you forever". Love you forever. By Robert Munsch. Published by Firefly books. Printed *(he pauses and changes the tone to a dramatic one)* in Mexico. A mother held her new baby and very slowly rocked him back and forth, back and forth, back and forth, and while she held him she sang "I'll love you forever, I'll like you for always, as long as I'm living, my baby you'll be". *(the picture fades and Joey is now finishing the book)*. And while he rocked her, he sang "I'll love you forever, I'll like you for always, as long as I'm living, my baby you'll be".

Rachel: *(crying)* Wow! That was amazing!

Ross: Thank you so much for that gift!

Chandler: *(nearly weeping)*: I was not ready for this today!

Ross: Amazing... amazing.

Rachel: Oh, Phoebe, I'm sorry! Phoebe has prepared something as well.

Phoebe: That's right, I've prepared a song for Emma. From my heart to hers. For there's no greater gift, than the gift of music. *(she starts singing)* Emma! Your name poses a dilemma. 'Cause not much else rhymes with Emma! Maybe the actor Richard Crenna, he played the commanding officer in Rambo. Happy birthday Emma!

Rachel: Is that it?

Phoebe: No, of course not! I also, you know, prepared a reading *(she picks up a book)*. "Sex and the single mother." *(pause)* Finding your G-spot.

Everybody: No, no, no, no, no!

[Scene: Joey's Apartment. Ross is filming his parents.]

Judy: Hello Emma. Happy eighteenth birthday.

Jack: Right now that seems so far away, seventeen years.

Judy: Yes, you'll be all grown up by then. We'll be... Well your grandfather and I might not be here.

Jack: That's true! This message could be coming to you from beyond the grave, Emma!

Judy: After all, my parents did very young.

Jack: And my cholesterol's off the charts!

Judy: Remember, Emma, heart disease kills women too!

Ross: *(stops recording)*: Ok, cut! Great. That was... that was just... yeah!

Rachel: Ross, um, don't forget to get a shot of Emma's cake. It's in a box in the fridge.

Ross: Sure.

Rachel: Oh, you're gonna love this cake. I got it from a bakery in New Jersey, Corino's.

Monica: Oh my God, that place has the creamiest frosting! I use to hitchhike there when I was a kid.

Rachel: Well, anyway, they make these great novelty cakes, in all different shapes, and if you give them a photo, they'll copy it in icing!

Monica: Oh, did you do a picture of Emma?

Rachel: Yes! On a cake shaped like a bunny.

Ross: Uh, Rach? Does this bakery by any chance also bake erotic cakes? Say for bachelorette parties?

Rachel: Ross, what are you talking about? *(she sees the cake)* oh! Oh my God! They put my baby's face on a penis!

Phoebe: *(sees the cake)*: oh! Now it's a party!

Rachel: Why you guys this isn't funny, all right? If I wanted this cake to be a disaster I would have baked it myself!

Joey: *(staring at the cake)*: Uh... is it ok that I still think it looks delicious?

Judy: *(to Jack)* Jack, look at this.

Jack: I know what you're thinking Judy, the resemblance is uncanny!

Ross: I am this close to tugging on my testicles again.

Rachel: *(on the phone)*: No, no, this is not what I ordered. Ok? I went all the way to New Jersey so that I could have the perfect cake for my daughter's birthday and I need a bunny cake, right now!

Ross: Ask them if it would be faster if we cut the baby's face off the penis, so we can put it on the bunny. *(pause)*. That is a weird sentence!

Rachel: Oh! Believe you me! I am going to bring this cake back, I don't even want it in my home... *(Turns towards the cake and sees Joey trying to take a piece and yells at him)* Joey, don't touch it!!

Joey: I'm so confused!

Rachel: *(speaking to the person on the phone again)* Yes, yes. I still want my daughters picture, but on a bunny cake. Yellow cake, chocolate frosting with nuts!

Chandler: To be fair *this* one does have nuts.

(Later...)

(Ross, Chandler and Monica are in the kitchen area)

Ross: Hey Mon, that was really nice of you to loan Rachel your car so she could go and get the cake.

Monica: Oh. So nice of her to pull my hair, 'till I dropped the key!

Ross: Well, you know what? While we're waiting, you guys could tape your message to Emma for her 18th birthday, huh? *(takes the camcorder and points it at Monica and Chandler)* Ok!

Chandler: Hi Emma! It's the year 2020. Are you still enjoying your nap?

Monica: We're Aunt Monica and uncle Chandler, by the way. You may not recognize us, because we haven't spoken to your parents in *seventeen* years!

Chandler: We used to be married, but then we missed a weekend away together and things kind of unraveled. Because of you! Happy Birthday. *(Ross looks disappointed and switches the camcorder off)*

Monica: Ross, Rachel promised it would be over by now. We seriously have to go, if we want to get to Vermont. I called them and the last train leaves in a half hour.

Phoebe: And you know, I have a massage client soon.

Ross: You guys, just please.. a little bit longer. I promise, Rachel will be back with the cake any minute. Monica, remember.. the frosting? huh?

Monica: Alright, 5 more minutes.

(The phone rings, Ross picks up)

Ross: *(into receiver)* Hello? *(listens)* Oh no! What happened? *(listens some more)* Ok ok, where are you? *(Grabs a pen and starts writing)*. Ok, I'll be right there. *(puts the phone down)*

Chandler: Was that Emma? Is she up?

Ross: No, Rachel got pulled over for speeding. She forgot her licence so now I have to bring it to her.

Phoebe: Well, if you're leaving, I'm *definitely* gonna go.

Monica: No! Wait! If anybody gets to go.. it's us *(Points at herself and Chandler)* We've been complaining the longest!

Ross: No, wait ! You guys, no, no, you can't leave! Rachel already feels bad that the cake's messed up. How do you think she's gonna feel when she comes back here and all you guys are gone?

Chandler: I don't know! You'll tell us on Monday!

Ross: Joey! You're in charge, ok? You make sure nobody leaves! *(leaves)*

Joey: Got it! *(Goes towards the front door and stands with his back to it)* Hey hey hey! *(to Chandler)* Where do you think *you're* going?

Chandler: To the bathroom!

Joey: Alright, well the rest of you get comfortable, ok, because we're gonna be here for a li... *(stops and thinks)* Wait a minute, there is a window in there!

Phoebe: Oh no! He's not getting away that easy! *(Phoebe and Joey run towards the bathroom and enter)*

Chandler: *(Yelling)* What are you doing? Get the hell out of here! *(Phoebe and Joey come out looking shocked)*

Joey: Well, that one did not have Emma's face on it.

Phoebe: No, it did not.

Joey: No.

Judy: Well, we better get going, it's late. Jack's not allowed to drive at night anymore. He has trouble staying in his lane.

Jack: Last winter I went up on a church lawn and drove right through a manger scene. The papers thought it was a hate crime.

Judy: Anyway, it was lovely seeing you.

Joey: Ok! *(Opens the door for them)*

Judy: Bye... Bye dear.

Joey: Nighty-night!

Judy: Nighty-night!

Joey: Bye, bye.

Phoebe: Joey? How could you just let *them* leave?

Joey: Hey, hey, hey, hey! I'm not gonna mess with Jack, he's a great man, he fought for our country.

Monica: No, he didn't! He pretended to be a Quaker to get out of Korea.

Joey: *(Shocked)* Oh! Well that's it! He's the last one to go. I'm locking you guys in. *(turns the bolts of the door, thereby locking it)*

Chandler: You do know, I can just turn them the other way around, right?

Joey: Oh! I forgot you used to live here! *(The phone rings, Joey picks up)*

Joey: Hello?

Estelle: *(on the other side of the line)* Joey! It's Estelle!

Joey: Hey! *(smiles)*

Estelle: So, how did your audition go today?

Joey: *(smile fades)* What audition?

Estelle: The one I told you about last week?

Joey: What? You never said anything about an audition!

Estelle: *(Looks confused)* Let me start over. I just got a call about an audition. I think you can still make it. It's down at the Astor Theatre and you need to have a monologue prepared.

Joey: A monologue? I don't have.. *(sees the book he was reading before for his "dramatic reading")* I got it. *(hangs up)* *(announces to the room)* Aah! so... I'm gonna take off!

Phoebe: Wh... what? No wait, you don't get to leave!

I've got a massage client waiting outside my door any minute!

Monica: Yeah, and we've paid for a room, that we're supposed to be in right now!

Phoebe: Well, oh, ok now... Only one of us has to stay with Emma. Ok, and as the person who realized that, I get to go!

Monica: No! no! Let's figure out a fair way to decide who's staying.

Joey: Oh! I got it! Ok, everyone pick a number from one to ten. Alright? Whoever gets the highest number gets to go first.

Monica: *(She gives Joey a you-are-so-stupid-look)* Ok, ten.

Joey: Okay, Monica picks ten, I call nine! Anyone else?

Phoebe: No, lets just draw straws.

Joey: Or.. we could flip a coin, and then multiply the..

Chandler: I'm begging you stop.

Joey: Right.

Monica: Ok, how about this: We got wind up toys for Emma for her birthday. We can make them race, and whoever comes in last, stays!

Phoebe: *(Visibly excited)* Yeah!! Let's do that!

Chandler: *(Also very excited)* That sounds more fun than the thing we were going to do in Vermont!

Monica: Everybody get your toys! *(They all run toward the table with toys)*

Phoebe: Ok! I want the dolphin!

Chandler: That's a bear.

Phoebe: I'm too excited!

Monica: Phoebe, you get the bear, uhm, Joey, you get the robot, and Chandler and I get the dog. Ok, and the race is going to go *(Takes two cups and marks the start and finish lines with them)* from here to here. Now the one who comes in last, stays!

Joey: Ok, ladies and gentlemen, wind your toys! *(they do so)*

Chandler: Ok, on your mark... Get set... GO!!!

(Monica, Phoebe and Joey release their wind-up toys.)

Phoebe: Go! Go!

Joey: Come on robot!

(Phoebe's bear takes the lead, followed by Joey's robot, and far behind is Chandler and Monica's dog, which walks a few paces, stops and starts barking, sits, walks again, and so on...)

Monica: *(to the dog)* What are you barking at?

(While Phoebe's bear is still in the lead, it is now closely followed by Joey's robot. Chandler and Monica's dog however, sits down, barking... and does a backflip.)

Monica: Wha... How the hell is that gonna help?

Chandler: I bought you. How did I forget that that's all you do?

(Meanwhile the race has been won by Phoebe's bear, followed by Joey's robot)

Joey: Way to go robot!

Phoebe: Good job Alan!

Joey: Hey, good race you guys.

Phoebe: Yeah, see you later!

(Joey and Phoebe leave for the door)

Monica: No! No, no... wait! We didn't lose. *(turns to Chandler)* The rules clearly stated that the last one to cross the finish line was the loser. Well, our dog never crossed the finish line, so technically...

Chandler: They left.

(Monica turns to see the closed door.)

[**Scene: The freeway. Rachel is driving Monica's Porsche, while using her mobile phone. Ross is sitting next to her.**]

Rachel: *(into the phone)* No, there isn't time to go to the bakery. We're just gonna come home... Everybody left? Alright, well just tell Emma we're gonna be there as soon as we can. *(emotionally)* Bye...

(She hangs up, closes her phone, turns around and puts it in her bag which is in the back of the car. While doing this and not looking at the road, she turns the steering wheel by accident, which makes the car swerve.)

Ross: RACHEL!

Rachel: OOH! God! Sorry!

Ross: *(sarcastically)* I can't believe they gave you a ticket. You're such a good driver.

(Ross fastens his seat belt.)

Rachel: Emma's awake.

Ross: Yeah?

Rachel: I can't believe this. This is her first birthday. She's awake. We're not even there.

Everybody left. We still have this stupid obscene cake.

Ross: Hey, maybe I can fix that, you know. Try to turn it into something else. *(he opens the box)*

Rachel: Oh, why do you even bother? I already ruined her first birthday... And do you know how important these early experiences are Ross? Very!

According to the back cover of that book that you gave me.

Ross: Rach, she's not going to remember this.

Rachel: *(shakes her head)* I guess... Oh, I just had such an idea of what this day would be like, you know? Emma laughing and everybody gathered around her cake singing "Happy Birthday". Then we would all go into... HEY GET OUT OF THE ROAD YOU STUPID STUDENT DRIVER!!! *(honks furiously, and Ross looks at her in disbelief and Rachel looks at him.)* They have to

learn!

Ross: *(looks back at the cake)* Hey!

Rachel: What?

Ross: It's not bad.

Rachel: *(she looks at the cake)* Oh my God! Look what... you made it into a bunny. How did you do that?

Ross: Well, I just made these two things uhm... cheeks. And then I split this to make ears.

Rachel: Well, I'm very impressed.

Ross: Some can sing, some can dance. I apparently can turn phallic cakes into woodland creatures.

[**Scene: Rachel and Joey's apartment. Chandler, Monica and Emma are sitting on the floor, and Emma's stuffed animals are lined up in front of them.**]

Monica: Now another way to organise your stuffed animals, is by size.

Chandler: I'm sorry, is this a game for Emma or for Monica?

Monica: Game?

Chandler: Emma, you even know it's your birthday today?

You're one! One-year-old, that's little.

(With his index finger he shows her how old she is. Emma also points her finger and babbles...)

Chandler: Ooh! That's my girl!

Monica: That's how old you are.

Chandler: Did I teach her that? Did I just... impart wisdom?

Monica: *(embraces Emma tightly)* Ooh, I want one...

Chandler: Me too...

(There's a couple of seconds of silence. Then Chandler looks around...)

Chandler: There's no-one around. Why don't we just take this one?

Monica: ...and head to Canada!

Chandler: I was kidding.

Monica: I wasn't. Let's get going!

(Phoebe enters the apartment again.)

Phoebe: Hey, are Ross and Rachel back?

Chandler: No, not yet.

Phoebe: Oh good, I didn't miss the party.

Monica: What about your massage client?

Phoebe: I just felt so bad, missing this. So I just slipped him a little something, you know. As long as I'm back in five or six hours, it will be alright.

(Joey comes running into the apartment, out of breath.)

Joey: Okay, if Ross and Rachel ask, I've been here the whole time. THE WHOLE TIME!

(Ross and Rachel enter.)

Joey: *(to Ross and Rachel)* I've been here the whole time!

Ross: Joey, we just saw you come in. You ran past us on the stairs.

Rachel: I don't care that you left. I'm just glad that you're here. Thanks you guys!

Chandler: Hey, guys! Come on! You gotta see what Emma just did.

Rachel: What?

Chandler: Emma, how old are you? How old are you today?

(holds up his index finger again)

Emma: Wo-ish. *(and holds up her finger)*

(Ross and Rachel gasp)

Rachel: Oh! Emma, that's right! You're that many!

Ross: Oh my God! Our daughter's a genius! Rach, this means...

Rachel: *(angrily)* NO, no science camp!

Ross: Damn it! I'll put a candle on the cake.

Rachel: Oh!... Oh and Emma, look at your stuffed animals lined up so neatly!

Monica: Thanks!

Ross: Okay, here we go! Emma's first birthday cake... Well hey... well, blow out the candle. Come on Emma.

Chandler: Let's do it, come on!

(Rachel wipes away some tears.)

Ross: What's wrong? Are you okay?

Rachel: Oh yeah, nothing! These are happy tears! This is just what I wanted.

Phoebe: *(pointing at cake)* Hey, you made it into a bunny.

Joey: What is wrong with me. It looked more delicious when it was a penis.

ENDING CREDITS

[**Scene: Rachel and Joey's apartment. It's just Ross and Rachel. They put the camera on a tripod in the kitchen and they are standing in front of the camera.**]

Rachel: Okay.

Ross: Okay, you ready?

Rachel: Yeah.

Ross: A-a-and... record.

Rachel: Okay. *(they both look into the camera, and Ross waves.)* Hi Emma. Well, your first birthday is over, and it was really...

(There's a lot of yelling and screaming coming from the hallway, and they get up to look at what's the noise all about. In the hallway, Monica, Chandler, Joey and Phoebe are having another wind-up animal race, yelling and screaming fanatically.)

Phoebe: *(yelling at the top of her voice)* Go, go, go Alan!

Run you hairy bastard!

1005 The One Where Rachel's Other Sister Babysits

Scene: Central Perk

Rachel: You know, I'm thinking about letting Emma have her first cookie.

Joey: Her first cookie? She has cookies all the time!

Rachel: I've never given her a cookie. Have you?

Joey: No! No... and, for the record, I've also never given her a frosting from a can!

Monica: Hey Rach, the adoption agency needs letters of recommendation and we were wondering if you would

write one for us.

Rachel: Of course, I'd be honored!

Chandler: Thanks!

Monica: Thank you!

(Joey looks at them, disappointed about their decision)

Joey: U-U-Um, I think there's been an oversight.

Chandler: Joey, we would've asked you, we just thought you wouldn't be interested.

Monica: Yeah, it's just we don't think of you as really being so much "with the words".

Joey: Whoo-weh hey weh-heh whoo hey!!

Monica: *(Clearly)* we were wrong.

Joey: I gotta lot of nice stuff to say about you guys, ok? And I know how much you wanna have a baby, you know, and I would love to help you get one.

Monica: You know what? Then, Joey, we want you to do it.

Joey: Thank you! Alright, let me see how I'm gonna start... "Dear baby adoption decider people..."

Chandler: So excited about your letter!

(Phoebe enters)

Phoebe: Hey!

All: Hey Phoebe!

Joey: Hey!

Monica: Wow! Don't *you* look nice?!

Phoebe: Yes, I do! Today is Mike and my one-year anniversary.

Rachel: OH! What's it the anniversary of? Your first date, your first kiss, first time you had sex...

Phoebe: YEAH!

Chandler: So you must be going to somewhere fancy to celebrate?

Phoebe: Uh-uh. Ehm, a Knicks game.

Joey: Uhm... Aren't you a little overdressed?

Phoebe: Hey, you know what, I've never had a one-year anniversary before, so no matter where we go, I'm wearing something fancy pants, and... I'm gonna put on my finest jewelry and we're gonna have sex in a public rest room.

Monica: You guys do that? Chandler won't even have sex in *our* bathroom!

Chandler: That's where people make number two!!

OPENING CREDITS

Scene: **Ross's apartment. Ross is grading papers. Charlie approaches him.**

Charlie: Hey! *(They kiss and cuddle a little)*

Ross: Hey...

Charlie: So, you know... I have a little time. If you... if you want to...

Ross: *(surprised)* Oh... *(he pauses)* *(sounds disappointed)* Oh... I'd love to but I really have to grade these papers.

Charlie: Fine, it's fine... *(she whispers)* I'll just shower by myself...

Ross: *(Writing on the papers)* B, B, B, B, B!

Charlie: Oh, Ross, you gave a B to a Pottery Barn catalogue.

Ross: Well, it had some good ideas, take off your shirt. *(they start kissing but someone knocks at the door)*

Ross: Damn it!

Amy: *(yelling from outside)* Rachel!! Open up!! It's your sister!! *(she knocks on the door again)* I have to talk to you!!

Ross: *(he opens the door)* Hi Amy!

Amy: You're not Rachel.

Ross: Still sharp as a tack!

Amy: Um... Charlie, this is Rachel's sister Amy. Amy, this is Charlie.

Charlie: Hi!

Amy: Hi!

Charlie: Nice to meet you.

Amy: Hi-Hi!! *(to Ross)* And you are...?

Ross: *(pause)* Ross? I... I grew up on your block! We had Thanksgiving together last year... I had a baby with your sister!

Amy: *(looks confused)* N-no... uhm... did I buy a falafel from you yesterday?

Ross: *(gives up)* Yes, yes, you did.

Scene: **Joey and Rachel's apartment**

(Ross enters the apartment with Amy)

Ross: Hi Rachel! Here's your sister Amy! She thinks I need pec implants!

Rachel: Amy! Hi! Oh-oh-hoh! *(they hug)* Wow! You remember Joey?

Amy: Yeah! Hey, sure! The "Days of Our Lives" guy!

Joey: That's right, yeah.

Amy: You're *not* good!

Joey: Always nice to meet a fan!

Rachel: So now, what are you doing here?

Amy: Well, I have *huge* news.

Rachel: *(Emma starts crying in the other room)* Oh sorry, hold on. Let me just check on the baby!

Amy: Wait, this is important! Can Ella wait? *(Rachel goes to Emma)*

Ross: Ehm... Her name is *Emma*.

Amy: Why did you change it, Ella was so much prettier!

Ross: What do I know? I just sell Middle Eastern food from a cart!

Amy: Hey, your English is getting better!!

Ross: *(to Joey)* Oh my God!

Joey: I know, she may be the hottest girl I've ever hated.

Ross: What... what you working on?

Joey: *(using a laptop)* Oh, Monica and Chandler's recommendation. I want it to sound smart but... I don't know any big words or anything, so...

Ross: Why don't you use your Thesaurus?

Joey: What did I just say?

Ross: Watch. *(he takes the laptop)* Here, you ehm...

You highlight the word you want to change.
Go under Tools and the Thesaurus generates...
'gives'... 'gives' a whole list of choices. You can pick the word that sounds smartest.
Joey: Oh my God, that's great! I'm smart!! No, no, I'm... *(he uses the Thesaurus)* "briny, bright, clever", I love this thing! Look out ladies, Joey Tribbiani's got the whole package!!
Scene: Rachel's room. Rachel is attending to Emma. Amy is standing behind her.]

Rachel: God!
Amy: So beautiful.
Rachel: Oh, I know, isn't she?
Amy: No, I was talking about your bedding.
Rachel: All right. What's your news, Amy?
Amy: Oh! Um... Well... I'm getting married.
Rachel: What? Oh my God! To who?
Amy: This guy! He has a *killer* apartment.
Rachel: A-And??
Amy: A-And it's on Fifth. And the elevator opens up right into the living room.
Rachel: No, what's he like?
Amy: Oh! He's ok. Do you remember my old boyfriend Mark?
Rachel: Yeah.
Amy: It's his dad.
Rachel: Huh... wow, so he's gotta be...
Amy: Old? Yeah! But he travels a lot, so he's hardly ever there.
Rachel: Sweetie, I gotta tell ya... it sounds a little bit like you like the apartment more than you like...
Amy: Myron. Hmm... I told you he was old!
Rachel: Oh... sit down, sit down. Oh, honey, you know, I once also almost married somebody that I didn't love. Do you remember Barry?
Amy: Humpf, remember him? How we used to make out all the time after you went to sleep.
Rachel: Sometimes just nodding is ok. *(pause)* Uhm, so but anyway, listen, not marrying Barry was the best decision that I ever, ever made. Honey, you deserve true love. Your soulmate is out there, somewhere. Someone that is *your* age, that is *smart*, that is *fun* and that you care about!
Amy: *(thinks about it)* You're right, you're right! I'm gonna do it!
Rachel: Ok.
Amy: I'm gonna marry Myron *and* keep looking for Mr Right.
Rachel: Ok, let's keep talking.
Scene: Madison Square Garden. Mike and Phoebe are walking to their seats.]

Phoebe: Excuse me, anniversary. Excuse me, anniversary. *(looking at her ticket)* Uhm, sir, could you move your nachos... they're in my seat. It's my anniversary. *(to Mike)* Here we are! *(Mike nods)*. Can't believe it's been a whole year!
Mike: I know. This has been the best year... *(the crowd starts cheering so he starts yelling)* THIS HAS BEEN THE BEST YEAR OF MY LIFE!
Phoebe: ME TOO! I NEVER THOUGHT I COULD LOVE SOMEONE THIS MUCH!
Mike: I FEEL THE SAME WAY!
Phoebe: YOU'RE SO GENEROUS AND KIND AND *(crowd stops cheering)* YOU'RE AMAZING IN BED *(everyone hears it and stare at them.)**(to everybody)* IT'S OUR ANNIVERSARY!
Announcer: Knicks fans, please turn your attention to the big screen on the score board. Someone has a special question to ask. *(on the screen there's written Julie, will you marry me?) and goes on to show a guy kneeling down in front of a girl holding out a ring to her)*
Phoebe: Oh how lame... oh, it's so tacky, and impersonal.
Mike: Really?
Phoebe: Oh, it's the worst way to propose!
Mike: *(looks strangely shocked)* Excuse me... *(he leaves, then Phoebe realizes what she did)*.
Scene: Monica's apartment. Joey enters the room]
Joey: Hey, finished my recommendation. *(he hands it over to Chandler)* Here. And I think you'll be very, very happy. It's the longest I ever spent on a computer without looking at porn.
Chandler: *(reading)* I don't... uh... understand.
Joey: *(sounding very proud of himself)* Some of the words are a little too sophisticated for ya?
Monica: *(also reading it)* It doesn't make any sense.
Joey: Of course it does! It's smart! I used the the-saurus!
Chandler: On *every* word?
Joey: Yep!
Monica: Alright, what was this sentence originally? *(shows the sentence to Joey)*
Joey: Oh, "They are warm, nice, people with big hearts."
Chandler: And that became "they are humid prepossessing Homo Sapiens with full sized aortic pumps...?"
Joey: Yeah, yeah and hey, I really mean it, dude.
Monica: Hey Joey, I don't think we can use this.
Joey: Why not?
Monica: Well, because you signed it baby kangaroo Tribbiani *(Joey makes a "and-what's-wrong-with-that" look)*. Hey, why don't you stop worrying about sounding smart and just be yourself!
Chandler: You know what? You don't need a

thesaurus, just write from here, *(points at his own heart)* your full sized aortic pump.
Scene: The corridor. Amy knocks Joey's door and Rachel opens the door.]
Rachel: Amy, hi!
Amy: I took your advice, I left Myron.
Rachel: Oh, good for you!
Amy: I know! I'm Erin Brockovich!
Rachel: Yes you are! Oh, I am so proud of you!
Amy: Thank you! So, can I stay with you?
Rachel: But Erin Brockovich had her *own* house. *(Joey comes out of Monica's apartment and sees Rachel and Amy but does not notice the huge amount of bags)*
Joey: Ah, look who's back! *(he sees the bags)* Why do you have bags? RACH, WHY DOES SHE HAVE BAGS?
Amy: Well, I'm staying with you guys!
Joey: What?
Amy: We're gonna be roomies! *(she snaps her finger and points at Joey, snaps her fingers again and points to the bags)* Come on!
Scene: Joey's apartment. Rachel is in the living room and Joey comes out of his room.]
Joey: You slept out here?
Rachel: Yeah... Amy kept kicking me in her sleep yelling "Myron, get off!"
Joey: But uhm, we're getting rid of her, right? Rach, please tell me we're getting rid of her.
Rachel: Joey, I can't do that!
Joey: Oh, come on! Last night I was finishing off a pizza and she said *(aping Amy badly)* "Uoh oh oh, a moment on the lips, forever on the hips!" I don't need that kind of talk in my house!
Rachel: Well Joey, uhm look, I know that she's difficult, but I think it's really good that she's here.
Joey: 'Cause we will appreciate it more when she's gone?
Rachel: No, it's just... look, you know, when I first moved to the city I was a lot like her! I was spoiled, self-centered and you guys really took care of me.
Joey: Yeah, Monica made us!
Rachel: Well, uhm... whatever, I have really appreciated it, 'cause I don't think I would be the person that I am today if it wasn't for you guys. See, I wanna help Amy the way you guys helped me. And I know it's gonna take patience, but that's ok.
Amy: Good morning.
Joey: Yeahah.
Rachel: Amy, that's what I was supposed to wear today, that's why I hung it on the door.
Amy: Oh, sweetie, you can't pull this off.
Rachel: Amy, you know what? I was thinking that maybe now it'd be a good time for us to sit down and, you know, talk about your future.
Amy: Oh, I can't, honey. I'm gonna go get my eyebrows shaped. *(points at her eyebrows)* I am not happy. *(to Joey who has a pizza box in his hands)* Oh... sure you wanna eat that?
Joey: *(yelling at her)* I'M CURVY, AND I LIKE IT!
Scene: Monica's Apartment. Rachel, Ross, Monica and Chandler are there, Phoebe enters the room]
Phoebe: Hi. I just had the *worst* anniversary ever.
Chandler: I doubt that! Tell her about *us* last year.
Monica: Oh, well, I bought Chandler a five hundred dollar watch and he wrote me a rap song.
Ross: Seriously?
Chandler: Word!
Phoebe: Well, mine was worse than that.
Rachel: Well, what happened?
Phoebe: We were at the game, and this guy proposed to his girlfriend on the big screen thing...
Rachel: Oh, that is *so* tacky.
Phoebe: Well, that's what I said, but it turns out, Mike was planning on proposing to me that same way last night!
Monica: Oh my God, Mike was gonna propose?
Rachel: Phoebe, that's huge!
Ross: Well, do you wanna marry him?
Phoebe: Yeah, I really do! Yes, but, after I dumped on the way he was gonna propose to me, I don't think he's ever gonna ask again! I mean, I said no in Barbados and now this!
Chandler: She's right! If I were a guy and... *(stops himself mid-sentence...everyone stares at him)* Did I just say if I were a guy...?
Monica: Maybe you don't need him to propose to you, maybe you can propose to him!
Phoebe: Oh, I don't know, I don't know, isn't that a little desperate?
Monica: I proposed to Chandler! *(Phoebe stops herself from laughing)* Alright, moving on...
Chandler: Oh, I don't think it was desperate, I think it was amazing!
Monica: Thank you.
Phoebe: *(To Rachel and Ross)* Well, do you think I should propose?
Rachel: I think it could be kind of great!
Ross: Absolutely! You'll love the feeling! There's nothing like it!
Phoebe: Ok, ok, so how should I do it?
Monica: How about at a game, on the big screen?
Rachel: *(Sarcastically)* Uuuh! How about at a Footlocker? *(claps her hands together, faking excitement)*
Monica: What? what? He obviously thinks that's a nice way to be proposed to, plus he'd never suspect it!
Phoebe: Yeah, that does make sense. Ok, now, would... would you two *(points to Ross and Chandler)* like that?
Chandler: Sounds good to me... but what would a *guy* think?
(Amy walks in carrying a phone handset)
Amy: *(To Rachel)* Nana is on the phone. *(Hands the phone over to Rachel)*
Rachel: *(Takes the phone)* Oh! That's interesting, since she died seven years ago!

Amy: She did? Who got her condo in Boca?
Rachel: *(Into the phone)* Hello? *(announces to Amy)* Oh, it's our nanny! *(goes back to the phone conversation)* Hi! Oh... God! I hope you feel better! Ok, bye! *(Hangs up)* *(To Ross)* That's Molly, she's sick. Can you watch Emma today?
Ross: No, I can't. I have back-to-back classes. Did Molly say what she had? Because my throat's been hurting?
Rachel: Menstrual cramps.
Ross: I don't think that's what this is.
Rachel: *(To Monica, Chandler and Phoebe)* Can any of you watch Emma?
Monica: No, sorry sweetie...
Phoebe: No, I've got work and then I'm proposing...
Rachel: *(To Ross)* Great, shoot, what are we gonna do?
Amy: Well, I can do it.
Rachel: *(Thinks for a moment)* Well, actually...
Ross: *(He interrupts her immediately, and drags her by her arm to the other side of the room)* Well, can I talk to you for a sec.?
Rachel: Yeah.
Ross: Um, I do not want her baby-sitting our child.
Rachel: Why not?
Ross: Well, for one thing, she keeps calling her Ella!

Rachel: *(Defends Amy)* Why... well, Ella's a nice name!
Ross: Fine, we'll call the next one Ella.
Rachel: *(Shocked)* Wha... the *next* one?
Ross: *(a little confused)* Okay, um... I don't want her watching our baby.
Rachel: Ross, I am trying to help her become a better person. This is a huge breakthrough for her! She just offered to do something for another human being!
Ross: I... I don't know...
Rachel: Ross, I'm telling you, she's giving up getting her eyebrows *(points at her own to emphasize the word)* shaped to do this alright? Do you understand how important that is in our world? *(Amy approaches from behind)*
Amy: um... listen, I couldn't help but overhear... 'cause I was trying to... Listen, let me do this alright? I really wanna help you guys out, and plus Rachel's been so wonderful to me... *(looks at her pleadingly)*
(Rachel looks at Ross and her agrees silently)
Rachel: Absolutely.
Amy: *(very excited)* Oh! Great! So how much does it pay? *(Ross just gives up and leaves)*
Scene: Central Perk. Joey is inside, Chandler and Monica walk in.]
Chandler: Hey Joe! How's the second draft of the letter coming?
Joey: Great, I'm finished! In fact, I just dropped it off at the agency.
(Chandler and Monica look shocked)
Monica: You dropped it off?
Joey: Yeah.
Chandler: Can we read it? Can you print out another copy?
Joey: No can do amigo. No, I didn't use the computer. Felt more personal to hand-write it. *(Chandler and Monica look even more shocked)*
Monica: You hand-wrote it?
Joey: Yeah, and don't worry. I didn't try to sound smart *at all*. See ya later! *(Leaves)*
Monica: Oh my God, oh my God, that letter is gonna go in our file! We're never gonna get a kid. No, we're gonna be one of those old couples that collects orchids or has a lot of birds!
Chandler: It's ok, it's ok. You know what? *(Takes out his mobile)* I'll just call the agency and tell them to throw out the letter. *(starts dialing)*
Monica: Okay good.
Chandler: *(on the phone)* Hello, this is Chandler Bing. Somebody just dropped off a handwritten recommendation letter, and... *(listens)* Uh-huh... Uh-huh... okay... thank you. Good-bye. *(hangs up looking very confused)*.
Monica: Ugh, we're screwed, aren't we? You know what? Just tell me on the way to the bird store.
Chandler: *(Still looks confused)* They loved it.
Monica: What?
Chandler: They thought it was very smart of us to have a *child* write the recommendation letter.
Monica: *(surprised)* They thought Joey was a child?
Chandler: She guessed 8, 9, based on his drawings. *(Amy comes in with Emma in a stroller)*
Amy: Hi!
Monica: Hey, what did you guys do today?
Amy: Ella wanted to go out, so we went shopping and got some sushi.
Chandler: That sounds like fun.
Amy: Yeah, not really. Babies are dull. *(Rachel comes in, sees Amy and Emma)*
Rachel: *(To Emma)* Hey! Hi, how's my girl?
Amy: I'm fine! And, I got you a present for letting me stay with you. Ready?
Rachel: *(sounds excited)* Yeah!
(Amy takes off Emma's hat)
Amy: Ta-da!!!
(Rachel looks at Emma)
Rachel: *(not excited anymore)* You pierced her ears?
Amy: *(Very excited about it)* Doesn't it make her nose look smaller?
(Rachel looks very shocked)
COMMERCIAL BREAK

Rachel: You pierced her ears? How could you do this without telling me?
Amy: Well, if I had told you, then it wouldn't have

been surprise, now would it?

Chandler: I think she looks cute. *(Rachel turns around and stares at him angrily)* ... but I am wrong!

Rachel: Oh my God, Oh my God, here comes Ross. He's gonna flip out.

Amy: Why, did something happen to his falafel cart?

Rachel: Ugh. *(takes the hat and covers Emma's head and half her face with it)*

Ross: Hey guys.

Monica and Chandler: Hi Ross.

Ross: Hey Emma. Oh, why is she wearing her hat so low? She can barely see. *(Wants to take the hat off, but Rachel tries to stop him)*.

Rachel: Nah, I don't really want her to see.

Ross: Why not?

Monica: Because there are so many terrible sights in this world.

Chandler: Like war. Or that thing in Joey's refrigerator. Remember? It was in a milk carton but it looked like meat?

Ross: Come here *(Removes Emma's hat)* Oh! There she is! Hi!

(Rachel looks worried)

Ross: *(sees how strangely Monica, Chandler and Rachel are looking at him)* What?

Rachel: Nothing.

Ross: *(Back to Emma)* Hi! *(Looks at her)* What... *(Moves the stroller away from him so he can get a better look at her. He looks at her confused. Finally he realizes the difference and gasps)*. Please tell me those are clip-ons.

Rachel: Oh, they're real!

Ross: Did she *(points at Amy)* do this to her? I told you we shouldn't have left Emma with her!

Rachel: I know, I know, and you were right Ross. *(To Amy)* You are *soo* irresponsible I am never letting you baby-sit ever again!

Amy: Hey you know what, this kid needs me, okay? She needs to have a cool fun aunt!

Monica: I'm a cool, fun aunt!

Amy: *(Sarcastically)* O-Okay!

Chandler: Hey! Monica can be cool and fun at organized indoor projects!

Rachel: I can't believe this. All I wanted to do was help you try to figure out what to do with your life and this is how you repay me?

Amy: Well, I don't need you to help me, because I already know what I'm going to do with my life.

Rachel: Oh yeah? Since when?

Amy: Since today... I am going to be a baby stylist.

Rachel: *(looks at Ross and then at Amy again in disbelief)* What?

Ross: That's not a thing!

Amy: Well, it should be. I'm gonna help babies learn how to accessorize, what colors to wear, what clothes are slimming...

Rachel: *(shouting)* Babies don't care if they're slim.

Amy: Enter Amy!

Ross: *(very angry)* Amy, I ju... I just... I just wanna...

Amy: What? What are you gonna do?

Ross: *(pointing at Amy, shouting)* No more falafel for you!

(Amy looks at Ross, angrily. Rachel clearly doesn't understand what he meant and looks at Ross who gestures "later")

Scene: Madison Square Garden. Phoebe and Mike are watching the game. There's cheering, but Phoebe seems distracted.]

Mike: Great game, huh?

Phoebe: Uhuh, uhuh... *(seems distracted)*

Mike: Why do you keep looking at the screen?

Phoebe: I'm not. I'm praying. *(looking up)* Please let the Knicks win... Thank you Thor! *(Mike is standing up)* Where... where are you going?

Mike: Going to the bathroom.

Phoebe: Well, I think you should wait.

Mike: Why?

Phoebe: Well, if you don't... if you don't hold it in, you don't get all the nutrients.

Announcer: Knicks fans, please turn your attention to the big screen on the scoreboard. Someone has a special question to ask.

(We see the screen where it says: "Mike will you marry me?" and then we see Phoebe and Mike on the screen. Phoebe stands up and kneels in front of Mike.)

Phoebe: Mike Hannigan... will you marry me? *(Mike looks bewildered)*

Announcer: Get a load of this... *(She's proposing to him. Guess we know who wears the pants in that family. (people are laughing, while Mike still seems bewildered)*

Phoebe: That's not very enlightened!

(There's boing around them, and Mike sinks in his chair, holding his hand in above his eyes, hoping no-one would recognize him)

Phoebe: Hey, hey! *(shouting)* Boo us? Boo you!

Scene: Rachel and Joey's. Joey is in the kitchen and the telephone rings.]

Joey: *(picks up the phone)* Hello? Yeah, this is Joey Tribbiani... Oh, hi! Well, I'm glad you liked my letter... No my mommy and daddy aren't home right now... *(looks puzzled)* Okay, bye bye. *(hangs up)* *(to himself)* She was nice!

(Rachel and Amy enter)

Rachel: Joey, get Amy's bags, she is moving out!

Joey: Whoo-hoo! *(and leaves for Rachel's room)*

Amy: You're kicking me out?

Rachel: You put holes in my baby's ears!

Amy: Yeah well, at least now people will know she is a *girl!*

Rachel: *(gasps)* I can't believe I ever even tried to help you. You are *so* beyond help.

Amy: You know what? Ever since I got here, you have been nothing but negative.

Rachel: Excuse me?

Amy: You didn't want me to marry the old guy with the great apartment. Then, I tried to help your daughter to de-emphasize her flaws *(frantically pointing at her nose)* And suddenly I am the bad guy?

Rachel: *(yelling)* Joey, where are those bags?

Joey: *(Yelling from Rachel's room)* She has a lot of crap!

Amy: You know what? When I moved in here I thought: This is gonna be so great. Just us sisters, back together again like when we were kids, except without that stupid Jill... Oh! Who has gotten fat by the way...

Rachel: *(doesn't believe what she's hearing)* Seriously?

Amy: hm-mmm... Mom said she gained like fifteen pounds.

Rachel: Hips or thighs?

Amy: Ass and face.

Rachel: *(gasps)* Oh! Oh my God! I thought she was on Atkins.

Amy: She was. Carbs found her... See, this is what I wanted. Two sisters, talking about real stuff.

Rachel: *(embarrassed)* Oh, I can give you that.

Amy: You can?

Rachel: Yeah. I just, I kept trying to make you a better person, but you're... you're already a pretty perfect version of what you are.

Amy: *(touched)* Thank you. I've got to admit, Emma *does* look cute.

Rachel: Did you just say Emma?

Amy: Ugh, I'm sorry... Ella.

Scene: Mike and Phoebe at a restaurant.]

Phoebe: That woman at the game didn't know what she was talking about. Mike, obviously you have balls.

Mike: But please, let's just forget the whole thing.

Phoebe: *(the waiter puts a piece of cake on the table)* I would love it. Consider it forgotten... But just so you know... however and whenever you decide to propose, I promise I'll say yes. Whether... whether, you know, it is in a basketball game, or in sky writing, or you know, like some lame guy in a cheesy movie who hides it in the cake.

(Mike's face changes from happy to sad, and he looks at the cake, disappointed.)

Phoebe: It's in the cake, isn't it?

Mike: *(puts on a fake smile)* Where else would lame Mr. No Balls hide it? *(he takes the ring from the cake, and cleans it with a napkin)*

Phoebe: What's the matter with me? How do I keep ruining this? I'm sorry, I'm sorry!

Mike: No! It's my fault. I keep trying to propose in these stupid ways and all I wanna do is tell you that I love you and I want to spend the rest of my life with you.

(Phoebe has this weird, anxious, nervous look on her face)

Mike: I'm gonna do this now.

Phoebe: Oh my God!

(Mike starts to kneel in front of Phoebe.)

Mike: Phoebe, I...

Phoebe: Wait! Oh wait! *(she takes off a ring that was already on her left ring finger. After that Mike starts to kneel again, but then...)* Oh no! *(She was wearing rings on all her fingers and her thumb, and takes all of these off.)*

Mike: Ready?

Phoebe: Uh-huh! *(and now Mike kneels properly)*

Mike: Phoebe, I love you. There's no-one else in the world I would ask to marry me... three times. But I wanna take care of you, have babies with you, and grow old with you...

Phoebe Buffay, will you marry me?

Phoebe: Yes!

(Mike puts the ring on her finger)

Mike: I love you!

Phoebe: I love you more!

Mike: Not possible! *(they kiss, and then Mike says proudly...)* She's gonna be Mrs. No Balls.

(They kiss again, and Phoebe looks at the ring.)

COMMERCIAL BREAK

Scene: The street in front of Central Perk. Rachel and Amy are walking on the sidewalk.]

Rachel: So how is the uh... baby styling business going?

Amy: Not that great. It's almost if people don't want to hear that their babies are ugly.

Rachel: That's shocking!

Amy: Oh! It's Ross... Hey Ross! *(She says hey to the guy at the falafel stand, whose only similarity with Ross would be his black hair.)* Hello-oo Ross! *(to Rachel)* He's rude!

THE END

Scene: Central Perk, everyone except Phoebe is there]

Phoebe: *(she enters)* Hey...

All: Hey!

Rachel: Hi!

Ross: Pheebs, what's wrong?

Phoebe: Oh, I'm just so exhausted from dragging around this... *(she shows her ring)* HUGE engagement ring!

All: OH!

Rachel: My God!

Joey: Hey!

Rachel: Congratulations! Wow!!

Ross: So, did he get on one knee, did he have a speech prepared, or *(in a tender way)* did he cry? *(the guys look at him)* Yeah, big surprise, I like proposals!

Phoebe: Well, it was *really* sweet, and like the most romantic thing ever.

Joey: Well, hey! Well... *(he takes his mug to toast Phoebe)* Here's to Phoebe, who's found the greatest guy in the world! To Phoebe and... *(a bit uncertain)* I wanna say Mike? *(pause)* To Phoebe and Mike!

All: Whoo!

Phoebe: Thank you! *(to Rachel)* Oh, and I have something for you!

Rachel: Mmh-mmh!

Phoebe: It's, yes, my little black book. It's got the numbers of all the guys I've dated.

Rachel: Oh, Pheebs, baby, that's nice but, you know what, I think I'm ok. Why don't you give it to one of your other single girlfriends?

Phoebe: I would, but you're the last one.

Rachel: *(angrily)* GIVE ME THE BOOK! *(she takes it and start reading)* Pablo Diaz, Brady Smith, huh, "Guy-in-van"?

Phoebe: Oh, my first love!

Rachel: Oh!

Monica: What does the red X next to Bob Greenmore's name mean?

Phoebe: Dead. *(everyone is a bit upset)* Oh, it's OK, no, he was *old*, yeah! And he lived a full life, he was in the first wave at Omaha Beach.

Chandler: Hey, I'm sorry, I should have given you guys my black book when I got married! Although it wasn't so much a book as a... napkin. With Janice's phone number on it.

Rachel: Phoebe, isn't Jethro Tull a band?

Phoebe: *(proud of herself)* Oh yes, they are.

OPENING CREDITS

Scene: Chandler and Monica's apartment]

Chandler: *(he enters)* Hey honey!

Joey: *(Looking inside the fridge, and we only see his back. Then he closes the door, and we see it's Joey.)* Hi sweetie!

Chandler: Is Monica not here?

Joey: No.

Chandler: Oh, then I'll tell you. My agency was bidding for a big account and they *got it!* It's my first national commercial!

Joey: Cool!

Chandler: Yeah, and I don't wanna brag but a lot of the ideas were mine! *(silence)* Hell, you weren't there? *All the ideas were mine!!!*

Joey: That's great! Hey, can you cast me in it?

Chandler: Oh... I don't know, I really don't think you're right for the part.

Joey: What do you mean? I can do anything, I'm a chameleon! Huh? *(he mimes an old man with a beard)* I'm old! *(then he yawns)* I'm tired! *(then he mimes someone who's hot...)* Hey, I'm hot *(...and cold)* I'm cold!! Huh?? Come on! What can't I do?

Chandler: First of all. Bravo. Uh, but I really don't think you're right for this. The part calls for a stuffy college professor.

Joey: I can do that! *(in a deeper voice)* "Hello, I'm your professor. When I'm not busy thinking of important things or... professing. I like to use..." Oh, what's the product?

Chandler: Software that facilitates inter-business networking e-solutions?

Joey: *(after a long pause he starts miming again)* I'm cold!

Scene: Central Perk. Charlie is sitting on the couch and Ross enters.]

Ross: *(to Charlie)* Hey!

Charlie: Hey!

Ross: Guess who's a finalist for a *huge* research grant! I'll give you a hint, he's looking right at you.

Charlie: Ah, well, unless it's the creepy guy with his hand up his kilt, I'm gonna say congratulations!

Ross: Oh, I'm so excited, I mean, apparently I beat out hundreds of other applicants, included five guys I went to graduate school with. Not that I'm keeping score or anything... *five!*

Charlie: Wow, that's great! So, tell me about the grant!

Ross: Well, ok, it's for 25 thousand dollars. And if I get it, I'll finally be able to complete my field research! *And there will be an article about me in the "Paleontology Review"!* Yeah! That'll be the first time my name is in there, without people raising serious questions about my work!

Charlie: Wait. Are you talking about the Dewar grant?

Ross: Yeah. Why?

Charlie: Benjamin Hobart is administering that grant.

Ross: Your ex-boyfriend?

Charlie: Yeah.

Ross: So, your ex-boyfriend is gonna determine if your new boyfriend gets this grant? Wow, your new boyfriend is screwed!

Charlie: No, no, we ended up in great terms. I mean, if anything, I think this could help you. You know what? Why don't we all go out to dinner together, and I can introduce you.

Ross: Well, if you think it would help.

Charlie: Yes, absolutely. I'll call him.

Ross: Ok, now, is there anything I can do to... you know, butter him up? Anything he really likes?

Charlie: Mmh... he does have a pretty serious latex fetish.

Ross: We'll see how dinner goes.

Scene: Phoebe's apartment. She is packing a few tings into boxes.]

Phoebe: *(looking at Monica entering)* Hey!
Monica: Hey, you wanna go to see a movie?
Phoebe: Well, I told you I had to spend all the day clearing out stuff, so Mike could move in.
Monica: Oh, right.
Phoebe: Yeah.
Monica: Oh, well. Now that I'm here I might as well help you with the cleaning and organizing! Just happen to have my label maker!
Phoebe: Oh, it's so *hard* to get rid of stuff! Did you and Chandler have to make compromises when you first moved in together?
Monica: Uh, Chandler did! What does he want you to give up?

Phoebe: A bunch of stuff. And the worst one... he wants me to get rid of Gladys.
Monica: Who's Gladys? *(Phoebe shows her a horrific painting with a half-a-body girl dummy coming out of the frame. Monica's frightened and she gasps.)* Oh! What a tragic loss!
Phoebe: Yeah. I really hate to give her up. Oh, I know! Oh, you should take her!
Monica: *(faking happiness)* Well, I-I-I-I... I don't know...
Phoebe: Why, you don't like her?
Monica: Well, of course I do. What's not to like! I'll take her in a minute! But, you know, I think that you're giving up too easy, honey. I think that you need to fight for her!
Phoebe: Really? You think?
Monica: Absolutely! Yes, you say to him "I'm sorry Mike I can't live without her, she means too much to me!"
Phoebe: Ok, I'll fight for her. Ok! Oh, wait, oh I just realized... if I do that, that means you don't get her.
Monica: Damn it, I did *not* think this through!
Scene: Central Perk. Rachel, Joey and Emma are there.]

Chandler: Hey you guys.
Rachel: Hi!
Joey: Oh! Any word on casting yet?
Chandler: Joe, I told you, you're just not right for the part.
Joey: What do you mean? Rach, don't I seem like a professor you'd buy some kind of e-crap from?
Rachel: I'm sorry, this sounds like something I'm never gonna be interested in.
Joey: *(to Chandler):* Look, c'mon, please? It's not like I'm asking for some crazy favour. This is what I do for a living. I am a professional actor! *(he glances at his watch and sees the time)* Oh, man, I'm two hours late for work! *(he stands, ready to go)* Look, here's a copy of my reels. It's got all the commercials that I've been in.
Chandler: Joe...
Joey: Just watch it, and if you don't like it, you don't pass it on to your bosses!
Chandler: Fine!
Joey: Thank you. *(he sits down)*
Chandler: Work, Joe!
Joey: Damn it! *(he leaves)*
Chandler: *(to Rachel):* What am I gonna do now?
Joey: Just pass it to your boss!
Chandler: He's not right for the part. So if I suggest him, my bosses are gonna think I'm an idiot! And that's something they should learn on their own!
Rachel: Just tell Joey that you watched the tape and you liked it, but your bosses didn't. Then that way, you're the good guy and they're the bad guys.
Chandler: That's good! I liked it, they didn't. *(he sees Joey out of the window hitting on a girl)* Joey, for God's sake, go to work! *(Joey runs away)*
Scene: A restaurant. Ross and Charlie are waiting for her ex-boyfriend, Benjamin Hobart]

Ross: I can't believe I'm about to meet Benjamin Hobart. I've always thought of him as one of the people I'd invite to my fantasy dinner party. Do you think there's any chance he'll bring Christie Brinkley or C3PO?
Charlie: *(glances over Ross' shoulder)* Sorry, looks like it's just him.
Benjamin: Charlie! My God, you look absolutely stunning!
Ross: Well, I... I am having a good hair day.
Benjamin: So good to see you.
Charlie: Me too. *(she and Benjamin are hugging for very long and Ross starts pretending to clear his throat, until they stop)*
Ross: I'm ok.
Charlie: I'm sorry... *(introduces them to each other)* Ross Geller... Benjamin Hobart.
Ross: It's an honor to meet you. I can't tell you how long I've been an admirer of your work, I mean, that Nobel prize, *(he thumbs up)* whoooo! I mean, I have to tell you that, you're one of the reasons I got into the field.
Benjamin: Oh, well, likewise. Actually, not likewise. I've never heard of you until this morning, but, it's nice to be nice!
Charlie: Shall we? *(they sit down and Benjamin takes Ross' chair)*
Benjamin: *(to Ross)* Thank you! *(to Charlie)*. I can't believe that you chose *this* restaurant! Do you remember the night?

Charlie: Oh my God, I completely forgot! *(they laugh)* Oh my God! I can't believe they let us back in this place! *(they laugh more, and Ross start laughing too)*
Benjamin: *(to Ross):* You weren't there!
Ross: No, but, it's, you know, it's just a funny image, you know, the two of you, in this restaurant, with... *(laughs nervously)* tzz-zzz, mmm.
Charlie: Ross, why don't you tell Benji about your proposal, while I go to the ladies room?
Benjamin: So, tell me about it.
Ross: Ok well, I would like to do a dig in the painted desert.
Benjamin: M-m.
Ross: See, there are still several areas that haven't been fully excavated.
Benjamin: Break up with Charlie!
Ross: What?
Benjamin: What?
Ross: Did you just say "break up with Charlie"?
Benjamin: Well, yes, and now. Yes I did say it, and no, I didn't not say it.
Ross: Kind of inappropriate, *don't you think?*
Benjamin: I'm sorry. I just haven't seen her for so long! All these feelings are rushing back! I'm starting to realize how much I missed her, and I'm gonna need you to break up with her.
Ross: Are you serious?
Benjamin: If you say yes then I'm serious, if you say no then I'm joking!
Ross: No!
Benjamin: Joking it is!
Scene: Monica's apartment. Phoebe enters the room.]
Phoebe: Hi! Sorry, I'm late.
Monica: Hey, how did it go with Mike, is he gonna let you keep the painting?
Phoebe: No, he really hates it. But he's gonna let me keep my box of human hair! So you got to pick your battles. But the good news is, Gladys is yours!
Monica: Wow, what's the bad news!
Rachel: Who's Gladys?
Phoebe: Oh, she's that work of art I made, you know, with the woman coming out of the frame.
Rachel: *(sarcastic)* Oh, and Monica gets to keep her? *In her house? I am so jealous!*
Phoebe: Oh, I didn't know you wanted her too!
Monica: Huh!
Rachel: Well, I mean, sure, of course. But... you already gave that to Monica, so...
Monica: You know, I would give her up, for you.
Rachel: No, I couldn't let you do that.
Monica: But I want to.
Rachel: But I don't want you to.
Monica: But I insist!
Rachel: But I insist *harder!*
Phoebe: Girls, girls, stop, ok? We'll flip a coin. Heads, she's Rachel's, tails she's Monica's. *(she flips the coin)*. Tails!
Monica: No, that landed in your food!
Rachel: *(sarcastic)* No, no, that's ok. You won fair and square. *I'm so sad!*
Scene: Chandler walks into Joey's apartment]
Chandler: Hey Joe!
Joey: What's up?
Chandler: Bad news. I watched the tape and passed it along to my bosses and they weren't interested.
Joey: *(sounds disappointed)* Oh.
Chandler: *(Hands the tape back to him)* I'm sorry man.
Joey: *(looks at him suspiciously)* But, eh... you watched the tape?
Chandler: *(sounds nervous)* Yeah! I... I... I liked it! *(Joey continues to look at him suspiciously)* But, eh... my bosses didn't go for it. Stupid *sons of bitches!*
Joey: *(sounds confident)* You didn't watch the tape.
Chandler: *(looks surprised)* What!? Of course I did!
Joey: Look, it's one thing not to cast me, but to lie to me?
Chandler: I'm not lying to you, I watched it!
Joey: Well, you lied again! *(Rachel comes out of her room and is observing the conversation)*
Chandler: I watched it!
Joey: Keep going Pinocchio!
Chandler: *(now yelling)* *(pretending to look shocked)* I did!
Joey: *(yelling back)* No you didn't! *(turns and goes towards his room)*
Chandler: *(following him)* I'm telling you, I watched the tape. *(Reaches Joey's room and Joey slams the door in his face)*
Rachel: Did you watch the tape?
Chandler: *(In a sarcastic "of course not!" tone)* No!
Scene: Interview room. Ross and two other professors (one man, one woman) are sitting on one side of a long desk. Benjamin Hobart is sitting on the other side.]
Benjamin: The selection committee has chosen the three of you as our finalists today. The ultimate decision will be based upon the answers you give to the questions I ask here. I'm gonna start with Dr. Li. Dr. Li, you claim the field is too reliant on the Linnaean taxonomic system. How do you propose to correct this problem?
Dr. Li: Well, I believe that the answers lie in the osteological evidence. I plan to begin there.
Benjamin: *(nods)* Interesting.
Ross: *(Rolls his eyes)* I guess!
Benjamin: Dr. Biely, your proposal includes some field work. Where might that take place?
Dr. Biely: Primarily in the Pierre Shale region of South Dakota.
Benjamin: Certainly. Very well. And Dr. Geller, when is my birthday?
Ross: *(shocked and confused by the question)* What? I...

I... *(Benjamin looks at him as if to say "What's wrong? Answer the question")*
Benjamin: Care to venture a guess?
Ross: *(annoyed)* May 12th?
Benjamin: *(looks surprised and un-impressed)* That's not even kinda close! *(Ross looks around confused)* Dr. Li, how many graduate students would you be needing?
Dr. Li: Half a dozen.
Benjamin: I see, and Dr. Biely?
Dr. Biely: Three for excavation and two for analysis.
Benjamin: Certainly. Dr. Geller, which 1965 Shirelles hit was later covered by a popular British invasion band?
Ross: *(even more shocked)* Wha...? I need 6 graduate students.
Benjamin: No! I'm sorry, we were looking for "Baby It's You". Baby It's You.
Ross: Wha...? Wait, wait, wait, just a minute. None of my questions have anything to do with Paleontology.
Benjamin: You're right, I apologize. Scratch the last question. Spell "Boscodictiasaur".
Ross: *(annoyed)* um... I've never heard of a "Boscodictiasaur".
Benjamin: Yeah, I just made it up. Spell it.
Ross: *(stares at him angrily)* Ok. *(determined to spell it correctly)* B - O - S ...
Benjamin: No, it starts with a silent "M".
Ross: Oh come on!
Scene: Joey and Rachel's apartment. Chandler and Rachel are talking.]
Chandler: I can't believe Joey. I hate being called a liar!
Rachel: But you *are* a liar.
Chandler: What did I just say?
(Joey comes out of his room)
Joey: You still here?
Chandler: Yes, and I have to say, I am not just hurt. I am insulted. When I tell somebody I did something...
Joey: Ok whoah-hey... Let me just stop you right there, ok? First, you lied, right? *Then*, you lied about lying, ok? *Then* you lied about lying about lying about lying, ok? So before you lie about lying about lying about lying about... lying... *(loses count and begins to count the number of "lyings" in the air but gives up.)* *(yelling)* Stop lying!
Chandler: Why are you so sure I didn't watch this tape?
Joey: *(very angry)* You wanna know wh...? You wanna know why? *(goes back into his room)*
Rachel: Well, this is going well. *(Chandler looks worried)*
Joey: *(comes out holding the tape)* Here's how I know you didn't watch the tape, ok? *(puts it into the vcr)* If you had seen what was on this tape, believe me, you would have some comments. Alright, now remember, I got paid a lot of money for this and it only aired in Japan. *(presses play and he appears on the TV screen and a TV commercial begins)*
(The commercial: Joey says "Ichiban". It displays a few girls dancing around and Joey fills most of the screen, he puts something blue on his lips and smacks them saying "Lipstick For Men!" It goes on to show him playing a guitar and putting on more blue lipstick. In the end he says seductively "Ichiban... Lipstick For Men" and "Sahiko" and it ends. Chandler and Rachel are speechless.)
Joey: *(Yelling at Chandler)* And that's how I know you didn't watch the tape! *(goes back to his room and slams the door)*.
(Silence)
Chandler: He really *is* a chameleon.
Scene: Monica's apartment. Phoebe enters carrying the horrific 'painting' of Gladys. Monica and Rachel are sitting on the couch.]
Phoebe: *(smiling from ear to ear)* Well, Gladys say hello to your new home! *(she holds out the 'painting')*
Monica: *(faking happiness)* Oh, my!
Rachel: *(surprised by how ugly it is)* Wow! *(sarcastic)* Oh, she's so nice and big! Oh, Monica, where are you going to display Gladys oh so proudly? *(looks around for a spot)*
Monica: *(sounds desperate, knowing what Rachel is trying to do)* I haven't really settled on a spot yet!
Rachel: Well, hey! How about right above the TV? *(Points to the spot where her famous French poster is hanging)*. That way, it will be the first thing that you see when you walk in the door!
Phoebe: *(genuinely excited about it)* Yeah, yeah! And you can get rid of that French poster!
Monica: *(offended)* I like that poster!
Phoebe: Really? It doesn't have anything coming out of it. Or maybe there is some place for her in your bedroom?
Rachel: *(jumps at the chance to make that happen)* Oh! There's nothing above your bed!!
Monica: *(Impatient with Rachel)* Are you still here?
Scene: Ross' office. Ross is pacing and Benjamin enters]

Ross: Oh hi! Hello! Uh, have you come to ask me some more paleontology related questions? Uhm... your grandmother's nickname, perhaps? *(Now yelling)* Aunt Margaret's pants size?
Benjamin: I've come here to apologize. I think I may have let my feelings for Charlie interfere with the interview process.
Ross: *(Sarcastic)* No! Stop!
Benjamin: Anyway, I've decided to offer you the

grant.

Ross: (Skeptical) Really?

Benjamin: Well... there is just one small... stipulation...

Ross: I have to break up with Charlie?

Benjamin: Hey, you got one right!

(Ross shakes his head)

Ross: You're crazy.

Benjamin: Crazy, or... romantic?

Ross: Crazy!

Benjamin: Ooor...

Ross: (Yelling) Get out! (Benjamin leaves)

Scene: Joey and Rachel's apartment.]

(Rachel enters, checking the mail, then looks up and sees Gladys placed on the barcalounger.)

Rachel: O-oh my God!

Joey: (enters from his bedroom) What?

Rachel: Joey, what... is... this...thing... doing here?

Joey: I got it from Monica. She sold it to me for a very reasonable price.

Rachel: Joey, we're not keeping this!

Joey: But it's an original Buffay...

Rachel: Alright, fine. You can keep it. As long as you don't mind that she's haunted.

Joey: Hey? what? what? wey! whoo! what? what!?

Rachel: Well, legend has it Joey, that... she comes alive when you're asleep.

(Joey's eyes are twice their size now, and looks nervously from Rachel to Gladys and back.)

Rachel: She climbs out of the frame, and then drags her half-a-body across the floor, just looking for legs to steal. (in a spooky, slow voice) And then with her one good hand, she slo-o-owly re-e-a-aches up and turns your doorknob.

Joey: GET THAT LEGLESS WITCH OUT OF HERE!

(Joey leaves for his bedroom, and Rachel grins. She then takes Gladys and enters Monica's apartment.)

Monica: Hey! I sold that to Joey.

Rachel: Well, why I told him it's haunted. Two can play at this game. (gives Gladys to Monica)

Monica: No, too late. You can't give it back! (she pushes the painting back to Rachel)

Rachel: Yes I can! (pushes her back again)

Monica: No you can't. She's yours!

Rachel: She's yours!

Monica: SHE'S YOURS!

Rachel: She's yours!

(While they are both pushing the painting towards each other, Phoebe enters)

Phoebe: Hey! (there's a pause)

Rachel: She's mine!

Monica: She's m-i-i-ne!

Rachel: She's mine!

Monica: She's mine!

Phoebe: You guys! You guys! You don't have to fight over her anymore. (she goes out into the hallway and enters with an even more hideous painting/collage. One of those faceles mannequins heads wearing a blueish dress and orange gloves reaching out into the room. Around the head 3 small dolls are hovering.) Whoever doesn't get Gladys gets Glynnis. (Rachel and Monica are gasping for air at the sight of this monstrous piece of art.)

Rachel: I want Gladys!

Monica: She's mine!

Rachel: She's mine!

Monica: She's mine!

Rachel: She's mine!

Scene: Rachel and Joey's. Joey's home alone, reading a Sports Illustrated magazine when Chandler enters.]

Chandler: Look, I'm sorry I didn't give them your tape. And I promise, next time to submit you whether I think you are right for the part or not.

Joey: That's not the point Chandler. The point is that you lied.

Chandler: I know. You're right. What's it gonna take for you to forgive me?

Scene: Central Perk. Monica, Phoebe and Rachel are on the couch.]

Monica: Oh my God!

(we see Joey and Chandler standing there, and Chandler is wearing the blue Ichiban lipstick!)

Rachel: Excellent!

Joey: Now, what do you say?

Chandler: Lying is wrong!

Joey: And?... AND?

Chandler: I'm a pretty little girl.

Phoebe: I knew it!

Scene: Central Perk. Some time later that day. The group has left and Charlie is there when Ross enters.]

Ross: Your ex-boyfriend is insane.

Charlie: Did you get the grant?

Ross: No I didn't, and you want to know why? Because your ex-boyfriend is still in love with you.

Charlie: What?

Ross: Yeah. He wouldn't give me the grant, because I wouldn't give you up.

Charlie: Benji isn't in love with me. I mean, he broke up with me. And besides, he's a very ethical man.

Ross: Really? Is it ethical to ask someone in a grant review, who was the voice of "Underdog"?

Charlie: I'm sure he was just joking, Ross.

Ross: If you don't believe me, let's go talk to him, okay? I'm telling you, he didn't ask me one

paleontological question.

Charlie: Seriously?

Ross: Oh, I'm sorry, no. He did ask me one. Uhm... How do you spell Mbscodictiosaur?

Charlie: Well, if it's like the lake Mbosco in Congo, then M-B-O...

Ross: Damn it!

Scene: Benjamin's office. Ross and Charlie are entering.]

Benjamin: Dr. Geller...? Charlie... What are you... what are you doing here?

Ross: I want you to tell her everything. About the deal you tried to make with me, about the crazy questions you... Wally Cox! That's the voice of Underdog!

Benjamin: Like I tried to tell you in the interview Ross, this grant is not based on your knowledge of pretty useless trivia.

Ross: No, no, no. Don't do that! I want you to look her in the eyes, and tell her the truth.

Charlie: Benji?

Benjamin: Alright, it's true. I behaved horribly. But it's only because I still love you. And I would do anything to have you back in my life.

Ross: Too little, too late, Benji!

Charlie: I can't believe this.

Benjamin: I never should have broken up with you. I think about you all the time. I mean, do you ever still think about me?

Ross: (indignant) No!

Charlie: Yes!

Ross: What?

Charlie: I don't know what to say, Benji. This is all so... romantic.

Ross: or...

Benjamin: Listen, I know, I may be way out of bounds here, but is there any chance you will take me back?

Charlie: Maybe...

Ross: Sweetie, this conversation is starting to make me a little uncomfortable.

Charlie: Oh God! I am so sorry, but... (she puts her hand on Ross's cheek) I mean it's... there's so much history between us, you know...

Benjamin: (puts his hand on Ross's other cheek) I'm sorry too...

(Charlie and Benji both let their hands slide down Ross's face, until their hands meet, and they hold hands.)

Benjamin: I love you!

Charlie: I love you too! (and they start to kiss)

Ross: Okay, that's it. WE ARE SEEING OTHER PEOPLE!

COMMERCIAL BREAK

Scene: Joey's bedroom. Joey's asleep with Hugsy, the penguin right next to him.]

(There are scratching and squeaking noises coming from the living room. Joey wakes up, terrified. He pulls his blanket higher. The doorknob is turning.)

Joey: Gladys?

(The door opens, and there is Gladys, still in her frame though. Joey panics and moves frantically, screaming. Then there is laughing, and the painting is lowered. It was Rachel holding Gladys.)

Rachel: Ha ha ha, third time this week. Man, this does not get old.

Joey: You're mean!

Rachel: Oh, don't be such a baby!

(She closes his door again, and turns around. Then she starts screaming, terrified. There is Glynnis... And Monica holding her up, laughing.)

The End

1007 The One With The Home Study

[Scene: Central Perk]

(Joey and Ross enter. Phoebe and Mike are sitting on the couch, reading a magazine.)

Ross: Hey you guys!

Phoebe: Hey!

Ross: Hey, what are you doing?

Mike: Oh, figuring out our wedding plans.

Chandler: That's funny, we were doing the same thing!

Ross: Yeah!

Phoebe: It's really crazy! The hall, the dress, the food... I-I had no idea how expensive this stuff was!

Chandler: Yeah it is really pricey. I mean, I freaked when I first heard the numbers.

Phoebe: So what did you two do about it?

Chandler: It was pretty simple actually, I came up with a couple of cost-cutting solutions, wrote out a list and Monica told me to go to hell.

Ross: There's no way around it Pheebes, you just gonna have to accept the fact that this is gonna cost you a lot of money.

Mike: I heard that weddings are like a 40 billion dollar a year industry.

Ross: Yeah, and I'm responsible for just like half of that.

Phoebe: But really, it does seem like this money could be put to better use?

Mike: Are you serious?

Phoebe: Yeah! Now, how would you feel if we gave all the wedding money to charity and we just got married at City Hall?

Mike: I think it would make me wanna marry you even more. (he kisses her)

Ross: I've got to say you guys, that's an incredible gesture!

Chandler: (to Ross) Maybe you do that next time you get married!

Ross: No, no, no. The next time it's gonna be a Hawaii at sunset. [pause] But maybe the time after that!

Opening Credits

[Scene: Monica and Chandler's apartment]

(Monica is cleaning the table, Chandler is sitting on the sofa. Joey enters.)

Joey: Hey!

Chandler: Hey!

Joey: What's going on?

Chandler: Our adoption social worker is coming by today so we are cleaning the apartment.

Monica: (sarcastically) We?

Chandler: You know you don't want me to help. You can't have it both ways!

Joey: Hey, is this person who decides whether or not you... get a baby?

Chandler: Kind of. She's coming by to interview us and see where we live.

Monica: And it has to go perfectly, because if she doesn't like something about us she can keep us off every adoption list in the state.

Joey: Hey, maybe I should stop by! She could be a soap opera fan! It's very impressive when the little people know a celebrity.

Chandler: (pointing at himself) Little people?

Joey: (pointing at himself) Celebrity.

Monica: Ok, so I think I'm just about done here, unless you have any bad stuff hidden somewhere, like... porn or cigarettes?

Chandler: What...? NO!

Monica: Chandler?

Chandler: (he stands up and he feels very offended) I don't, and I'm offended by the insinuation!

Monica: Ok, so there's not a magazine under the couch, or a pack of cigarettes taped to the back of the toilet tank, or a filthy video in the VCR?

Chandler: I'll admit to the cigarettes and the magazine, but that tape is not mine.

Monica: It isn't mine!

Joey: (going out with the VCR in his hand) Well, I guess we'll never know whose it is!

[Scene: The New York City Children's fund hallway.]

Charity guy: May I help you?

Phoebe: Yes. We're here to make a rather sizeable donation to the children.

Charity guy: Well, any contribution, large or small, is always appreciated.

Phoebe: Well, I think you're gonna appreciate it the crap out of this one (she gives him a check)

Charity guy: Well, this is very generous!

Phoebe: And we don't want any recognition. This is completely anonymous.

Mike: Completely anonymous. From two kind strangers.

Phoebe: Mr. X and Phoebe Buffay.

Charity guy: Well if you like, we can include your names in our newsletter.

Mike: Not necessary.

Phoebe: Buffay is spelled B-U-F-F-A-Y.

Mike: And "X" is spelled uhm... "Mike Hannigan".

Charity guy: Right. Well, on behalf of the children: thank you both very much.

Phoebe: Sure, I so glad we did this. It feels so good!

Mike: It does. It feels really good!

Phoebe: Oh, look! And we get these free t-shirts! (she takes a t-shirt which was on the counter)

Charity guy: Oh, actually, that's the shirt I wore to the gym.

Phoebe: Mhm... it's moist.

[Scene: Joey and Rachel's apartment.]

Ross: (he enters) Hi!

Rachel: Hi! Emma will be up in a minute!

Ross: Oh, good!

Rachel: Oh hey Ross... Listen, I heard about you and Charlie. I'm really sorry.

Ross: Oh, that's OK. I'm sure there are tons of other beautiful paleontologists out there.

Rachel: Absolutely.

Ross: There was one! She's it! All the rest look like they should live under a bridge!

Rachel: So, uhm... what are you gonna do today?

Ross: Well, I was thinking of taking Emma to the playground!

Rachel: Oh my God, what!?

Ross: Like I said I was thinking of taking Emma to the museum of knives and fire!

Rachel: Ok, look, Ross. I do not want Emma going to the playground.

Ross: Be-cauuuuuse...

Rachel: (upset) All right, well, if you must know... I had a traumatic... swing incident... when I was little.

Ross: Seriously?

Rachel: Yes, I was 4 years old and I was on the swing and then all of a sudden my hair got tangled in the chain. And to get me out my mom had to-had to cut a big chunk of my hair! (crying) And it was uneven for weeks!

Ross: (sarcastic) And you made it through that? I wonder who's gonna play you in the movie!

Rachel: Ok, fine! You can make fun of me. I do not want Emma going there. And I was thinking Claire Danes.

Ross: Look, I'm sorry to hear about your tragedy, ok? But the swings are perfectly safe, and besides Emma loves them. You know what, you should come with us and you'll see!

Rachel: Ross, those things go like 40 miles an hour! Ok? When you're... and there is that moment when you are at the top, when you just don't know if you're gonna return back to earth!

Ross: Space is filled with orbiting children. (pause) Look, please, just come on, you know, when you see

the look on Emma's face, I swear you won't regret it.

Rachel: All right!

Ross: Good, you don't want to be one of those mothers who pass on their irrational fears on their children, do you?

Rachel: Irrational, huh? All right, well, I'll remember that the next time you freak out about a spider in your apartment!

Ross: Oh, yeah, that's the same, I am sure there are thirty different species of poisonous swings!

[Scene: Monica's apartment. Somebody knocks the door]

Monica: Oh my God, the adoption lady is early!

Chandler: Ok, ok, here we go.

Monica: Ok.

Chandler: Here we go. Stand up straight. *(smiling)* Big smile. *(opens the door and both are smiling exaggeratedly)*

Phoebe: Hello, is this the creepy residence?

Monica: We're waiting for the adoption lady, but, hey, I'm glad you're here. I was cleaning this morning and I found this *(she puts a box on the table and opens it)*. I don't know if you wanna use it, but...

Phoebe: Awe, this is so sweet of you! But you know what? I won't be needing a veil, I actually won't be wearing a dress at all!

Monica: I told you! I am not coming to a naked wedding!

Phoebe: No, no, no, we're not having a big reception, we took the money we were gonna spend on a wedding and we donate them to the children charity.

Monica: That's crazy! *(Phoebe looks bewildered)*. I am sorry. I just can't imagine giving up my one wedding day like that!

Phoebe: We, you know, we're different! We don't care about having a huge party. *(She picks up the veil)* This is really nice for you, but, oh, please, I put this on? *(She puts it on)* And, ow, I look *(she looks her reflex image on a toaster)*, why, well, radiant. *(pause)* All right, well, who cares, I don't need a pretty veil and a fancy dress.

Monica: That's right. You're making a commitment and that's the same, whether you do that at the Plaza or, where are you gonna do it?

Phoebe: City Hall.

Monica: Ow! *(Chandler slaps her on her back)* Oh, that sounds nice! I am just there for jury duty. They really spruce that place up!

Phoebe: It's ok, it's ok. I made my decision. What I really want is a great big wedding *(she covers her mouth)*

Monica: Yay!

Chandler: But you already gave all your money to charity!

Phoebe: Well, I'll just ask for it back!

Chandler: I don't think you can do that!

Monica: Why not! This is her wedding day, this is way more important than some stupid kids!

Chandler: That's sweet, honey, but save something for the adoption Lady.

[Scene: The playground. Ross put Emma on the swing and they're ready to play]

Rachel: Ok, careful.

Ross: Ok.

Rachel: Careful, watch her hair. WATCH HER HAIR!

Ross: Rach, she's got like three hairs!

Rachel: I know *(she touches Emma's head)* but they're just so beautiful! Oh, my God, I just pulled one out.

Ross: I promise you she's safe! No watch how much she loves this.

Rachel: Ok.

Ross: *(to Emma)*: Ready sweetie?

Rachel: Ok.

Ross: Here we go! *(He starts pushing Emma)*

Rachel: Ok, careful, ok. *(Emma giggles)* Oh, she's smiling! Oh my God, she does like it!

Ross: See, I told you!

Rachel: Awe! *(Emma laughs)* Oh my God! Looks, she's a little dare-devil! Oh, let me push, can I push?

Ross: Oh, absolutely!

Rachel: Ok. Oh God. *(To Ross)* Get the camera, it's in the diaper bag.

Ross: Ok! *(he takes the camera and walks backwards to take a shot)* See? Scared of swings, I bet you feel pretty silly *(a swinging boy knocks him down)* Ow!

[Scene: The New York City Children's fund]

Mike: We're seriously asking for our money back?

Phoebe: It's for our wedding day! Right, now, is this guy gay or straight, because one of us gonna have to start flirting.

Charity guy: Wow! Are you here to make another donation the same day? I don't think that that's ever happened before.

Phoebe: *(to Mike)*: Gay, go.

Mike: *(to the charity guy)*: Oh my God, I love your shirt!

Phoebe: The donation we made earlier, we k..., we w..., we want it back.

Charity guy: Excuse me?

Phoebe: Yeah. See, that money was for a big wedding, that we thought we didn't want, but it turns out we do.

Charity guy: So you're asking us to refund your

donation to the children?

Mike: Yeah! This feels really good.

Phoebe: I am sorry. I am, but this wedding is just really important to me.

Charity guy: Hey, it's not my business, *(he takes their check from a drawer)* besides it's probably a good thing. We really would have been spoiling the children, all those food, and warm clothing...

Phoebe: Hey, that's not fair! A person's wedding is important! And especially to me! Ok? I didn't have a graduation party! And I didn't go to Prom. And I spent my sweet sixteen being chased round a tire yard by an escaped mental patient who is his own words wanted to "kill me" or whatever. So I deserve a real celebration and I am not gonna let some sweaty little man make me feel badly about it. *(She storms out)*

Mike: She could have been talking about either one of us. [Scene: Monica's apartment. Somebody knocks the door]

Laura: Hi, I am Laura, I am here for your adoption interview.

Monica: Hi, I am Monica and this is Chandler. Please come in.

Laura: Thank you!

Monica: Would you like something to drink?

Laura: Oh, water would be fine.

Monica: Ok. Great. I am so glad that you are here. We're really excited about getting this process started.

Chandler: Oh, because we love kids. Love 'em to death. Well, not actually to death, that's just a figure of speech - we love kids the appropriate amount... as allowed by law.

Laura: Your place is just lovely.

Monica: Ah, thank you. This building does have a wholesome family feel to it.

Laura: You know, I... I feel like I've been here before. Are any other couples in the building adopting?

Monica: Is that that couple on the first floor? Because we should get a baby before them. Yeah! That guy tried to sell me drugs. *(Laura looks shocked)*

Chandler: But other than that... wholesome, wholesome building.

Laura: Oh...

Chandler: What?

Laura: I just realized why I remember this place.

Monica: Really? What is it?

Laura: Oh, it's nothing. I went on a date with a guy who lived in this building and it didn't end very well.

Monica: Ohh... that wouldn't by any chance be... Joey Tribbiani?

Laura: Yes!

Chandler: Of course it was!

Laura: Yeah, we had a really great night and in the morning he promised he would call me and he didn't.

Chandler: RAT BASTARD!

Laura: So you're not friends with him?

Monica and Chandler: OH GOD NO! Nope, no, no, no. NO! No, no. Nope! No, no, no, no, no, no, no, no, no, no. NO! *(finally Monica concludes)* No!

Laura: Well, I'm sorry I brought it up. So, are either one of you planning on staying at home with your child... *(someone knocks on the door)*

Joey: *(from the other side of the door)* Hellooo? Anybody in there order a celebrity? *(He starts to enter the apartment and Chandler runs to the door and shuts it back in his face)* OW!

Laura: What was that?

Chandler: Oh, it's just some crazy guy who roams the halls here. He's great with kids though.

[Scene: Ross and Rachel are at the playground with Emma. Rachel in putting her back in the stroller and Ross is tending to his wound]

Rachel: Oh, oh Ross, oh my God, are you okay?

Ross: SON OF A BITCH! *(turns to his right to see three kids staring at him)* *(To the kids)* Oh relax! I didn't say the 'F' word! *(They go away)*

Rachel: Ross, see I told you, those swings are evil! Alright, that is it. That is the last time Emma is getting on one of those things for her entire life.

Ross: No! No, no, no, no, no, okay, it wasn't the swing's fault. It was my fault and kind of that *(point to the kid that kicked him)* kids fault. Who is still laughing. Nice.

Rachel: Ross, c'mon, please. Can we just get out of here, before somebody else gets hurt?

Ross: No wait, okay, okay, I have an idea. I want you to get on the swing, okay? And you'll see that there's nothing to be afraid of.

Rachel: *(looks at him suspiciously)* I know what this is all about... You've always been jealous of my hair.

Ross: Look, I just think you're an adult, okay? And you should get over your silly fears.

Rachel: Alright fine. I'll do it.

Ross: Good.

Rachel: If you hold a spider.

Ross: *(He freaks out and starts jumping around brushing his sweater)* WHAT? WHERE? WHERE?

Rachel: IF you hold a spider.

Ross: I know. *(Rachel bends down to Emma and Ross looks over his shoulder again, afraid)*

[Scene: Chandler and Monica's apartment. Chandler is still leaning against the door, keeping Joey out, who is still banging and shouting on the other side.]

Joey: Guys? Everything ok? It's me, Joe...

Chandler: *(Screams to interrupt Joey)* AAAAAAAAAAAAAAAAAAAAAA.....AAAAaa-doption!!

Laura: What's going on?

Chandler: Oh, just like I said. That crazy... Bert... roaming the halls. *(Joey bangs on the door again)*

Joey: Guys!?

Monica: Keep on roaming Bert! We don't want any crazy

today!

Joey: What's going on?

Chandler: WE'LL TALK TO YOU LATER, BERT. EVERYTHING'S FINE!!

(cut to Joey on the other side, who finally leaves the door and goes to his apartment)

Joey: Everything doesn't sound fine!

Laura: Is he alright out there by himself?

Chandler: Oh yeah! He has a caretaker. His older brother... Ernie.

Laura: Bert and Ernie!

Chandler: *(nervous smile)* You can't make this stuff up!

[Scene: Central Perk. Phoebe and Mike enter]

Mike: You never told me about that guy on your sweet sixteen. Oh, ugh. I'm sorry about that.

Phoebe: *(Lightly)* Oh! It ended okay. One of my friends shot him.

Mike: Well, hey, at least you're getting a proper wedding. I mean, you really deserve that.

Phoebe: Yeah, I really do. You know, I had nothing growing up. *(thinks for a few seconds)* Just like the kids I took the money from.

Mike: No! No, no. I see where this is going. Don't make me go back there.

Phoebe: Look, I can't have a wedding with this money now. It's tainted.

Mike: Alright, fine. We'll give the money back.

Phoebe: And if that guy at the charity gives us a hard time, my friend hasn't shot anyone in a really long time.

[Scene: Monica and Chandler's. They are preparing to show Laura around. Laura is standing with her back to the window, Chandler and Monica are standing on either side of her, facing each other.]

Laura: Well, I must say, this seems like a lovely environment to raise a child in.

Monica: Oh, by the way, you are more than welcome to look under any of the furniture, because, believe me, you won't find any porn or cigarettes under there!

Laura: Oh! Well, actually, before we look around, let me make sure I have everything I need up to here...

(She starts checking her form. Chandler sees movement near the window from the corner of his eye and when he looks he spots Joey climbing up the fire escape and onto their balcony. He warns Monica silently.)

Monica: *(Pulls Laura into the spare room)* Why don't I show you the baby's room?

(Joey enters through the side window and jogs towards the kitchen holding a baseball bat)

Chandler: What the hell are you doing?

Joey: Well, you wouldn't let me in, so I thought you were in trouble.

Chandler: Well, we're not.

Joey: But you called me 'Bert'?! That's our code word for danger!

Chandler: We don't have a code word.

Joey: We don't? We really should. From now on, 'Bert' will be our code word for danger.

(Monica talks loudly in the baby's room)

Monica: So that was the baby's room. *(They come out and Chandler throws Joey behind the couch and puts his foot on him. Monica looks at Chandler)*

Monica: *(To Chandler)* What room should we see next?

Chandler: Any room that isn't behind this couch! *(laughs nervously)*

Monica: *(laughs nervously as well, Laura looks confused)* *(To Laura)* Some people don't get him, but I think he's really funny! *(She takes Laura to their own bedroom)*.

(Joey gets up and look annoyed)

Joey: *(quivering with anger)* I did not care for that!

Chandler: *(escorting Joey to the door)* You have to get out of here. You slept with our social worker and you never called her back and she is still pissed, so she can't see you.

Joey: Ok, ok! *(He leaves)*

Chandler: Ok!

(Joey leaves and closes the door behind him. Chandler walks towards the living room, but then Joey enters again.)

Chandler: What?

Joey: I forgot my bat.

(He picks up his bat and holds it up, but then Monica and Laura enter the living room again. When Laura sees Joey, she freezes...)

Laura: Oh my God!

Chandler: And for the last time, we do not want to be friends with you! And we don't want to buy your bat! *(Joey lowers his bat)*

Laura: What are you doing here?

Joey: *(to Chandler)* Bert! Bert! Bert! Bert!

Laura: Are you friends with him?

Chandler: I can explain... Joey...

Joey: Uhm... ok... uhm... Well, yeah... You have got some nerve, coming back here. I can't believe you never called me.

Laura: Excuse me?

Joey: Oh... yeah... Probably you don't even remember my name. It's Joey, by the way. And don't bother telling me yours, because I totally remember it... lady. Yeah! I waited weeks for you to call me.

Laura: I gave you my number, you never called me.

Joey: No, no! Don't try to turn this around on me, ok? I'm not some kind of... social work, ok, that you can just... do.

Laura: *(embarrassed towards Chandler and Monica)* Well, I'm pretty sure I gave you my number.

Joey: Really? Think about it. Come on! You're a beautiful woman, smart, funny, we had a really good time, huh? If I had your number, why wouldn't I call you?

Laura: I don't know... Well, maybe I'm wrong... I'm sorry...

Joey: No, no, hey, no! Too late for apologies... ok? You broke my heart. You know how many women I had to sleep with to get over you? *(and he leaves the apartment, leaving her shocked)*

Laura: Joey, wait!

Joey: *(acting sad)* NO! I waited a long time, I can't wait anymore... *(and closes the door behind him)*

Laura: *(laughing nervously)* I'm sorry that you had to see that. I'm so embarrassed...

Chandler: Oh, that's really ok.

Monica: Yeah, that we totally understand. Dating is hard.

Laura: Boy, you people are nice... And I've got to say... I think you're going to make excellent parents.

(Chandler and Monica hug each other, and then Joey enters the apartment again.)

Joey: LAURA! *(and points to her, very confident)*

[Scene: The New York City Children's Fund building. Phoebe and Mike are entering.]

Phoebe: *(to the Charity guy)* We're back!

Charity guy: Are you here to take more money? Because, I think what you're looking for is an ATM.

Mike: No, no, we're here to give the money back.

Phoebe: Yeah, because you know what, it's... it's all about the children.

(the Charity guy smiles wanting to take the check, but Phoebe pulls it back again. His smile fades.)

Phoebe: Although... it's also about the wedding... Ugh, alright... here. *(she gives the check and pulls it back again)* No... Oh God... Oh!

Charity guy: If I haven't said so already sir, *(sarcastically pointing to Phoebe)* congratulations!

Mike: *(takes the check from Phoebe)* Ok, look! Enough! Alright? I'm stepping in. I'm putting my foot down! As your future husband I'm going to make this decision for us. *(thinking)* Now... what do you think we should do?

Charity guy: You know what? It's not your decision anymore.

Mike: What?

Charity guy: On behalf of the Children of New York, I reject your money.

Phoebe: But... but... but we're giving you this!

Charity guy: Yeah... And I'm giving it back to you... Come on! Consider it a contribution. *(gives the check to Phoebe)*

Phoebe: *(looks at the amount on the check, and gasps)* Well, this is very generous!

Charity guy: Please, take the check, go have a great wedding and a wonderful life together.

Mike: Well, I mean... It sounds good to me. And that way we can save up, come back in a few years and make an even bigger donation.

Charity guy: Absolutely! And when you do, make sure you ask for Brian.

Phoebe: Oh, is that you?

Charity guy: No!

[Scene: Chandler and Monica's apartment. They are sitting in their living room when the phone rings.]

Monica: Hello...? Oh hi... Oh my God...! Really...? I can't wait to tell Chandler... Ok, goodbye. *(hangs up)*

Chandler: Wrong number?

Monica: It was Laura... She gave us a great report and we are officially on the waiting list.

Chandler: That's great!

Monica: Now we just have to wait for a call and... and someone tells us there's a baby waiting for us. Oh...

(Chandler and Monica hug and after a while the telephone rings again... Monica's eyes get bigger. Chandler answers.)

Chandler: Hello...? Have you seen Joey's bat?

[Scene: The playground. Ross, Rachel and Emma are still there. Rachel comes walking to Ross and Emma with something between her hands.]

Rachel: Ok... I got a spider. There were two, I picked the bigger one.

Ross: *(nervously)* Ok...

Rachel: Ok... *(and passes the spider to Ross who holds it in between his hands)*

Ross: *(Gasps and speaks at a higher pitch)* This feels perfectly normal. Ok, get on the swing!

Rachel: *(reluctantly)* Ok... O-k...

(She slowly grabs the chains of the swing, swings her hair back, and sits down.)

Rachel: *(more confident)* Ok...

(She slowly walks forward and backward, to gain speed...)

Rachel: whoo... ok... wow... ok... OH!

Ross: See?

Rachel: A-alright! I can do this.

Ross: There you go! Good for you! And you know what, I'm actually getting used to this little guy. I don't really even feel him in here anymore.

Rachel: That's because he's on your neck.

Ross: Well... *(realizes, screaming like a little girl, trying to get rid of the spider)* Whaa... aaah... aaahhh...

(Ross is now preoccupied with the spider, and forgets that Rachel is still using the swing. While

trying to get rid of the spider, he stands in front of Rachel, who bumps into him, throwing him on the ground again.)

Rachel: ROSS!

(Rachel tries to stop mid-swing, and the swing starts to turn from side to side)

1008 The One With The Late Thanksgiving

[Scene: Central Perk. Monica and Chandler enter, the others are sitting on the couch.]

Monica: Hey guys!

Rachel: Hi!

Phoebe: Hey!

Monica: We need to talk to you about something.

Chandler: Yeah. We don't feel like we can host Thanksgiving this year.

All: What?

Phoebe: Hey!

Ross: Are you kidding?

Chandler: Well, it's just with uhm, work and the stress of adoption, we just don't feel like we have the energy. Plus, we don't think it's fair that every year the burden falls on us.

Ross: *(skeptical)* That doesn't sound like you... That's Monica talking!

Chandler: No, no! We made this decision together.

Ross: She's putting words in your mouth!

Joey: Don't you put words in people's mouths, you put turkey in people's mouths!

Rachel: I can't believe this! This is Emma's first Thanksgiving!

Monica: No, it's not!

Rachel: It's not? *(whispering to Ross)* When was she born?

Phoebe: Well, personally I think it's great you're giving yourself a break.

Monica: Thank you, Pheebs!

Phoebe: Sure. It's just as well... I mean, last year wasn't very good. I think she's losing her touch.

Monica: What? You are way off, lady!

Phoebe: Am I? Really? Am I? Well, why don't you cook Thanksgiving dinner and prove me wrong! Well, think about it, think about it, you'll be trying to top than you did last year. You'd be in competition... *with yourself.*

Monica: That's my favourite kind! Okay, we are *doing* this!

Chandler: Don't let yourself get manipulated this way!

Monica: Hey, stay out of this, Chandler! This is between me... and ME!

Chandler: We are supposed to make these decisions together! Did you not watch the *Doctor Phil* I taped for you?

OPENING CREDITS

[Scene: Joey and Rachel's apartment. Rachel and Monica are in there, and Phoebe enters]

Phoebe: Hey!

Rachel: Hi! Happy Thanksgiving!

Phoebe: Oh, yeah, happy needless-turkey-murder day.

Monica: You guys, I ordered some chocolate pies from that bakery on Bleecker. Could you pick them up for me?

Phoebe: You're not making the pies yourself?

Monica: No, no, no, I don't make chocolate pies. When I was younger I entered this pie-eating contest. I ate so many that just the thought of them made me sick.

Rachel: Did you at least win the contest?

Monica: 2 minutes, 12 pies and a part of one tin! Okay, I see you guys at 4.

Rachel: Can't wait!

Monica: This dinner is gonna be so great! *In your face, last year "me"!*

(Monica leaves)

Phoebe: Hey Rach.

Rachel: Yeah.

Phoebe: What's Emma doing today?

Rachel: Well, let's see... uhm... I know that she has a meeting with her lawyer and then she has to make a very big poop. Why?

Phoebe: Well, I wanna enter her in a baby beauty pageant.

Rachel: Oh my God! That's the creepiest thing I've ever heard!

Phoebe: Okay, but, well, before you say no, my friend Susanne is entering her kid and compared to Emma she's a real dog!

Rachel: Oh! Phoebe, all babies are beautiful!

Phoebe: *(sarcastic)* Oh... okay.

Rachel: Phoebe, just the idea of pitting one baby against another, I mean, you know, and judging who's cuter just for a trophy...

Rachel: And a thousand dollars.

Rachel: ...is something I'm very interested in! Oh please, do not tell Ross. He still believes that *(in a deep voice, mocking Ross)* what's in the inside is important...

Phoebe: Okay, oh, and Emma needs a cowgirl outfit for the competition.

Rachel: Where am I gonna get a cowgirl outfit on Thanksgiving?

Phoebe: Well, I was thinking...

Rachel: Oh, take the clothes of Joey's Cabbage Patch Kid.

Phoebe: Yeah!

[Scene: Monica and Chandler's apartment. Chandler is watching TV and Monica is cooking]

Monica: *(Chandler's laughing)* Did someone drop the baton again?

Chandler: Why come all the way from Kansas to do *that*?

Monica: *(she tastes what she has cooked)* I don't get older. I just get better!

Chandler: You know what just occurred to me? This could be our last Thanksgiving just the two of us. I mean, we

could be getting a baby soon!

Monica: You don't know that.

Chandler: Somebody is gonna pick us.

Monica: Yeah, but we haven't heard a thing from the adoption agency and it has been weeks!

Chandler: I'm telling ya! It's gonna happen. Next year it's gonna be you, me and the little Hemingway Bing.

(pause) What, he's my favourite author!

Monica: Name one of his books.

Chandler: *(after a long pause)* "The Firm"?

Monica: Ok, let's see... uhm, okay, the turkey is in the oven, the stuffing is ready...

Chandler: You know, you always cook this meal all by yourself. Let me help this year.

Monica: Oh, Chandler, that's sweet. But you don't have to do everything Doctor Phil tells you to do.

Chandler: I'm serious, let me do something, just not the turkey or the stuffing, nothing "high profile".

Monica: Ok, let's see... Oh, the cranberry sauce, it is easy to make and no-one really cares about it.

Chandler: Tell me more.

Monica: Okay, I'm gonna go check on something across the hall. You start by washing these *(she gives Chandler a bowl with cranberries. Then, while she's going outside, she sees him with a bottle of soap in his hands)* Not with soap! *(she leaves)*

Chandler: You obviously haven't tasted my Palmolive potatoes!

(Ross and Joey enter)

Ross: Hey! Hey, guess what Joey has!

Joey: Three tickets to today's Rangers game!!

Ross: Dude, I wanted him to guess.

Joey: Oh.

Chandler: Oh my God!

Joey: Yeah, they're great seats too!

Ross: Guess where they are?

Joey: Center ice.

Ross: Did I do something to you?

Chandler: Hmm, the game's at one.

Ross: So?

Chandler: Dinner is at four, we'll never gonna make it back.

Joey: So we'll leave before it's over, we'll be back in time.

Chandler: You say that now, but it could take us a long time to get back home. Plus Joey could get lost and and they could have to page us to go pick him up.

Joey: Dude, *two* times that happened!

Chandler: Look, Monica has been working hard all day, she didn't wanna host this thing in the first place, we shouldn't go!

Ross: He's right, man.

Joey: Right, I guess. Alright, so see you at four.

Chandler: Okay. *(pause)* And get ready to taste my very special cranberries. Or should I say... chanberries!

Joey: That's some gentle comedy, dude. *(he and Ross leave)*

Ross: We're still going at the game, right?

Joey: Yeah!

Ross: Yeah.

[Scene: Baby beauty contest]

Host: This is contestant number sixteen, Rebecca...

Phoebe: Hey.

Rachel: Oh Phoebe, listen. Well, I think we gotta go. This place is really freaking me out. I've been watching this guy over there, I don't think he came with a kid!

Phoebe: We can't leave now! There was this one baby, Haley, who was favourite to win and she got croup, so she had to stay home! This competition just blew wide open, folks!

Rachel: Phoebe, I think... It's just too weird, I just saw a one year old running around with pantyhose on!

Phoebe: Oh, I know, we should have been more prepared. *(she looks around)* It's okay. Now, the way I see it, our real competition now is Cameron. Oh my God, they just took her sweater off. Look at those arms!

Hello Michelin Man.

Rachel: Oh, Phoebe! Come on! You know what, it's already three o'clock and they haven't even gotten to Emma's group yet. We gotta go, we got dinner!

Phoebe: *(panicking)* But Emma's got what it takes, she could go all the way!

Rachel: Phoebe, you have to calm down.

Phoebe: Okay. Rachel, the hottest babies in the Tri-State Area are in *this* room *right now!* I overheard one of the judges say that not one of them holds a candle to Emma!

Rachel: Really?

Phoebe: Yeah!

Rachel: You heard them say that?

Phoebe: Yeah!

Rachel: All right, okay. Alright, let's give to these babies something to cry about!

Phoebe: Good! Oh yay! Let's get down to business! Emma needs some makeup!

Rachel: No, what?

Phoebe: Well, she's gonna look all washed out next to the other contestants!

Rachel: No Phoebe, I am not letting you put makeup on my baby!

Phoebe: Why not!

Rachel: Because I already did!

[Scene: Madison Square Garden]

(there's a lot of shouting and yelling)

Joey: Oh, Bob, get off the guy!

Ross: Oh! What a game, huh?

Joey: I know, yeah.

Ross: I can't believe Chandler is missing this!

Joey: Yeah. I am sorry he's not here too, but I got to say, *(takes some nachos from a plate on the seat where Chandler should have been)* I am really enjoying

Nacho Chair.
Ross: Yeah, I'd probably enjoy it more if you didn't keep batting my hand away.
Joey: Ohhhh! These seats are great!
Ross: I know, I know! When I was here for *Holidays on Ice* (Joey looks around worried hoping no one heard that) I was sitting so far away Michelle Kwan couldn't read my banner!
Joey: (looks at the time) Wow, hey, we'd better get going. If we don't leave right now, we'll be late for dinner.
Ross: Oh, but it's a kind game! So we're a little late, you know, the girls will be there, let's stay just for one more goal.
Joey: I don't know...
Ross: One more fight!
Joey: Okay.
Ross: Okay.
[Scene: Chandler and Monica's apartment.]
Monica: Where is everybody? They're forty-five minutes late!
Chandler: I can't believe they are not here! I slave and I slave for what? They've ruined cranberry day!
[Scene: The corridor. Ross and Joey have just arrived.]
Joey: How late are we?
Ross: Forty-five minutes.
Joey: Wow (He opens his apartment door and throws their stuff in.)
Ross: (handing him his coat) Here!
Joey: Okay. Rachel and Phoebe are already there, okay? So they probably started without us. We could just slip in and no-one needs to know where we were! (he raises his hands and on his right one there's a Rangers foam finger)
Ross: You may want to lose the foam finger!
Joey: Oh, no, no, no, no, no. You just want to put it on your hand!
(Rachel, Phoebe and Emma arrive)
Ross: Hey!
Phoebe: Oh!
Joey: You are not at Thanksgiving?
Rachel: No...
Phoebe: No, we're late!
Rachel: What are you doing here!
Ross: We're late too! (Rachel screams)
Joey: We figured we could be late because you guys were gonna be on time (he points the foam finger at the girls)
Phoebe: Don't point that thing at me, Tribbiani!
Ross: So, nobody's here? Monica's gonna kill us!
Joey: Yeah, where were you!
Ross: Yeah, yeah, what's with the trophy!
Phoebe: Uh, we were at the Spelling Bee!
Rachel: And I won!
Ross: You won an adult Thanksgiving day spelling bee.
Rachel: Yes! (spells it) Y-E-S. Yes!
Ross: Let me see this... (he takes the trophy from Rachel's hands) Grand Supreme Little Darling, New York Division.
Rachel: Yeah. That's me!
Ross: You entered Emma into a Beauty Pageant?
Phoebe: And it looks like she put makeup on her!
Joey: Wait a second, wait a second, where have I seen that cowgirl outfit before...
Ross: I can't believe this, she's our daughter! That you would treat her like some kind of showdog is inexcusable!
Rachel: She won a thousand dollars!
Ross: So this is an annual thing?
Joey: (realizing) Oh! That's Alicia Mae Emory's outfit!
Phoebe: You guys, there are people in there who are not getting any happier!
Ross: Yeah. What are we gonna do?
Rachel: Well, I don't know, you guys figure it out, I got to put Emma down for a nap.
Joey: All right. Hey Rach, while you're in there, throw something on Alicia Mae.
Phoebe: Alright, what are we gonna say?
Ross: Ooh, we'll say that we were mugged! You can't get mad at someone who's been mugged!
Phoebe: Oh, good, that's good, but you don't look like you were mugged!
Joey: No. Here (he tears off the pocket from Ross' shirt, and tears off everything below that as well).
Ross: (to Joey) HEY!
[Scene: Monica's apartment.]
Monica: Do you hear something? (Chandler stands up and goes to the door to look out from the peephole)
Chandler: (peeping) They're out there!
Monica: Ohhh! Let me see! Oh God, I can't believe this! They're an hour late and they're just staying out there, talking!
Chandler: (peeping) Everything is so distorted! Looks like Joey has a giant hand! Which says "Rangers" on it. They went to the game!
Monica: (gasps) Oooh! They are in for a world of pain!
Chandler: (looking through the peephole again) Ross' shirt is torn.
Monica: Oh! They're late and they're sloppy!
[Cut to the hall]
(Rachel comes out of her apartment)
Rachel: Alright, Emma is napping... (then to Ross) what happened to your shirt?
Ross: I got mugged. And they stole my pocket.
Phoebe: We're just... we're trying to figure out an

excuse. Hey! Ooh! How about this: We can say that Monica told us 5 o'clock, not 4 o'clock. That way we're right on time! (Others start to agree but she continues) OR... or, we can plant PCP in the apartment and call the cops on her.
Ross: (sarcastic) That would be a good way to get rid of all the PCP we have lying around.
Rachel: You know what, we just say that she said it was 5 o'clock. We'll just act casual. We're not late, we're right on time. (When she finishes talking, a note is pushed from under Monica's and Chandler's door, into the hall. Ross picks it up and reads it out loud)
Ross: (Reading the note) We know you're out there. (Rachel gasps)
Joey: (whispering) Who do you think its from?
[time lapse – they are still in the hall]
Rachel: Oh, God. This is bad. This is so bad.
Ross: Well, let's just go in there and face them.
Phoebe: Well, I'm not going in first. I bet that vein on Monica's forehead is popping like crazy.
Joey: I hate that thing, it's like a... bolt of lightning.
Rachel: Oh, hey, I have an idea. Why don't we play rock-paper-scissors, and whoever loses goes in first. (they all agree) Ready? (they do the rock-paper-scissor thing with their hands and Rachel has paper, Phoebe and Ross both have rock, while Joey is doing a strange upward wiggling with his fingers. They all look a him confused).
Joey: (smiling from ear to ear) Ah-haah! I win!!
Ross: What is that?
Joey: That's fire. Beats everything.
Phoebe: Oh, really? Does it beat water balloon? (She places her hand over his "fire" and mimics a bursting water balloon, thus putting the fire out).
Joey: Ooh! Well played, Phoebe Buffay, well played.
Rachel: Alright, enough, enough, come on. Let's just all go in at the same time.
All: Alright, okay. (Phoebe reaches for the door, and tries to open it but it's locked)
Phoebe: It's locked.
Ross: Wha...? Oh sure, now they lock it, but when they're having sex on the couch, its like: "Come on in, my butt is surprisingly hairy".
Rachel: Alright, come on... (starts to knock on the door) Alright, you guys. We're so sorry we're late. Please let us in, so we can have dinner together.
[cut to Monica and Chandler]
Monica: No! Everything's cold. The turkey's dried out and the... the stuffing is all soggy.
Chandler: Yeah, and there's a bowl of cranberry sauce that... (speaking lower to Monica) what happens to cranberry sauce?
Monica: (Rolling her eyes) Nothing. It's fine.
Chandler: (relieved) Oh thank God!
[cut to the hall]
Ross: Come on you guys, we're sorry, alri...? Our subway broke down.
Chandler: (looking through the peephole) That's a lie, you went to the game, I can see Joey's hand.
Ross: (to Joey, who is wearing a blue, 3 foot hand) FOR THE LOVE OF GOD TAKE IT OFF!! (takes it off his hand and throws it on the floor)
Rachel: You guys, come on, it doesn't matter why we're late. We're all here now, please let us in so we can have some of your delicious turkey. (A slice of turkey on a piece of aluminum foil is slid under door)
Joey: I had a dream once about a fax machine that did that. (Ross picks it up)
[cut to Monica and Chandler]
Monica: That's all the turkey you're gonna get.
[cut to the hall]
Ross: How are we gonna decide who gets this?
Joey: (holds his fist up) WATER BALLOON! (he stuffs the slice in is mouth and gives the foil back to Ross)
Phoebe: What are we gonna do? I'm starving.
Rachel: (gasps) Oh, I just remembered. We do have something to eat. Monica put something in our oven this morning.
Phoebe: Oh yeah!
[cut to Monica and Chandler]
Monica: Hey, you touch that and you will be sorry.
Chandler: Guys, I'd listen to her. The vein is bigger than I've ever seen it. (Monica looks at Chandler)
[cut to the hall]
(Rachel comes out of the apartment holding a pot. Joey holds in anticipation and Rachel opens it)
Rachel: Huh... OH MY GOD IT'S BRUSSELS SPROUTS. (they all look appalled)
Ross: That's worse than no food.
[cut to Monica and Chandler]
(Monica looks insulted)
Chandler: HA-HA! All you got was Monica's stinky Brussels sprouts!
Monica: Stinky?!
Chandler: Please let me stay on this side of the door.
[cut to hall]
Rachel: Oh, I know... I still have my old key! (She goes in to get it and comes back with her keys) We can just unlock the door.
Phoebe: Well, I don't know if that's such a good idea. They clearly don't want to be with us.
Rachel: You know what? I don't want to be with them either, but it's Thanksgiving and we should not want to be together, together. (Goes to unlock the door)
Joey: (to Ross) Just get in there and make a face to face apology, you know? Look them in the eye. I know I can get them to forgive us.
Ross: I don't know...
Joey: I'm telling ya... (his eyes open wide and he looks like his eyes are about to pop out. He stares at Ross like this without blinking) I can do it.
Ross: (Staring back, and then breaks off) (To Phoebe and Rachel) Yeah, he can do it!

(Rachel finally manages to open the door, but the door chain is on.)
Rachel: Oh!
(Joey sticks his head through the gap. Monica and Chandler are now sitting at the dinner table. There is another smaller table full of food standing in front of the front door)
(Monica and Chandler do not look amused by Joeyes head in the door)
Joey: Oh! It all looks so beautiful: the turkey, the stuffing...
(Monica is now smiling)
Chandler: The cranberries...?
Monica: Oh! Enough! A monkey could have made 'em!
Joey: (still with his door wedged in the door gap, now opens his eyes wide and stares at Monica and Chandler as he did with Ross earlier in the hall) Hey listen guys, we feel really terrible.
Chandler: He's doing that weird eye contact thing. Don't look at him, don't look at him! (They both look away)
Joey: Come on you guys, we want you to know we're (His eye widens even more) very very sorry. (Monica and Chandler are now covering their eyes with their hands) (then to the others in the hall) Right guys?
(Ross head appears above Joeyes, Rachel's below Joeyes and Phoebe's at the bottom)
Ross: I feel terrible.
Phoebe and Rachel: So, so sorry.
Joey: (smiling) Now let's not ruin this day. You worked so hard. Let's move past this and try to have a nice meal all together, huh?
Chandler: The floating heads do make a good point.
Monica: Yeah, they do seem to feel pretty bad.
Rachel: So bad.
Ross: So bad.
Phoebe: So bad.
Monica: (Gets up) Okay, okay. You two (to Phoebe and Rachel) go get the dessert. And I'll let you in.
Rachel: Dessert?
Monica: Yeah, I asked you and Phoebe to pick up the pies. You did remember, right?
Phoebe: Pies, oh, we thought you said priiize (goes to the hall and comes back with Emma's trophy in her hand). Here! (gives it to Monica).
(Monica takes it and reads the label)
Monica: Grand Supreme Little Darling?
Rachel: Congratulatioooooons!
Monica: Oh my God! YOU FORGOT THE PIES? Well, I cannot believe this. You force me to make dinner, then you're an hour late and you forget the one little thing that I asked you to do.
Ross: Really girls, not cool.
Chandler: Well, you manheads aren't any better. You lied about going to the game. You knew it would make you late, and you still went anyway.
Joey: Hey! I'm getting a little tired of this okay? We said we're sorry. It's Thanksgiving for Pete's sakes! A day of forgiveness!
Ross: It's a day to be thankful.
Joey: (to Ross, mouthing) Don't make me come up here!
Monica: It's too late for apologies.
Joey: Fine! Let's just go. I don't need your stupid dinner.
Chandler: That would be a lot more convincing if you weren't drooling.
Rachel: Ewww, is that what that is?
Joey: Sorry!
Phoebe: Come on you guys, let's just do our own Thanksgiving.
Rachel: Yeah! I'll cook!
Ross: Yeah! Let's go out.
Rachel: Hey!
Joey: Yeah! You three have a nice Thanksgiving.
Monica: The three of us?
Joey: Yeah! You, Chan, and the vein!
(Monica gasps and holds her forehead. Phoebe, Rachel and Ross pull back their heads)
Joey: Ha!
(When Joey tries to pull back his head, he notices he is stuck)
Joey: Oh-oh! I'm stuck!
Monica: Joey, that is not gonna work.
Joey: No seriously... I'm really wedged in here.
Phoebe: I'll pull you through.
Ross: Okay.
Joey: (in agony) aaw-ahhh-aaahhh STOP! STOP! I'm worried about damaging my head.
Chandler: A little late for that.
Joey: Alright, hurry up, you gotta do something.
Monica: Alright, well, this does not change anything. (to Chandler) Okay, we need to get something to grease the sides of his face.
Chandler: Uhm, we've got turkey grease.
Monica: Bring it.
Joey: I just wanna say that I'm sorry I referred to the vein as a separate person...
(Chandler gives Monica a footlong "eye dropper" with the turkey grease in it)
Monica: Here you go!
(She squirts some of the grease along Joey's face.)
Joey: Oh, that smells good!
(And he starts licking the grease which trickles down his face. Monica also squirts some on the other side of his face, and his tongue follows her movements.)
Joey: Okay.
Monica: Okay, try it.
Joey: (Joey tries to pull back at all his might.)
Joey: It isn't working.

Monica: Alright, we're gonna have to unscrew the chain.
Joey: Well hurry, I can't feel my ears!
Chandler: Can you ever feel your ears?
Joey: Interesting...
Monica: Chandler, where are your tools?
Chandler: (*sarcastically*) Oh, I left them on my bulldozer... I don't have tools!
Monica: I do, but Rachel borrowed them.
Rachel: I lent them to Ross.
Ross: I gave them to Joey.
Monica: I left them at the park.
Joey: Oh!
Ross: (*looking at Joey's butt*) I'm finding it really hard not to mess with him.
Phoebe: I've already stuffed a bunch of Brussel sprouts down his pants.
Ross: Nice!
(The phone rings in Chandler and Monica's apartment)
Monica: Okay, I have to get that. Now when I get back, I want you and your friends to be gone. Thanksgiving is over. *The Vein* has spoken.
Joey: It's really starting to hurt.
Chandler: Okay, look, I'm gonna pull on the door and you guys push as hard as you can. Maybe we can get enough room to wiggle him out, okay? Okay, so PUSH!
Phoebe: Just a sec., we're kind in the middle of something here.
(Rachel, Ross and Phoebe have their hands full and are stuffing all kinds of things down Joey's pants.)
Joey: Ooh! Stop putting things down my pants!
Chandler: Come on guys, PUSH!
Joey: Yeah! Come on!
Joey and Chandler: PUSH! PUSH! PUSH!
(The chain breaks loose from the wall, and because Joey was pushing with all his might, he propels into the kitchen, towards the table with all the food. This table has wheels underneath it, and when Joey falls on this table, he rides into the living room, with all the food falling off, until finally Joey also falls off... Joey gets up quickly, a bit agitated, and acting as nothing happened. He is covered in food stains.)
Chandler: My cranberries!
Joey: (*looking at himself*) Man, I've got food all over me.
(He licks his fingers, liking it. He offers Chandler a taste.)
Chandler: Argh! I can't believe what you did. Monica's gonna kill you!
(Monica enters from the spare bedroom.)
Chandler: (*to Monica*) Look! Look! Look what the... Look what... Look what the floating heads did!
Monica: (*very emotional*) I don't care.
(Chandler can't believe what he's hearing. He looks at Monica, then at the others, then back at Monica.)
Chandler: What's going on?
Monica: That was the adoption agency...
Chandler: And?
Monica: WE'RE GETTING A BABY!
Chandler: Are you serious? (*they hug*)
Monica: There's a pregnant woman in Ohio, and she picked us!
(They all cheer and Rachel, Ross and Phoebe join in for a group hug. Joey also joins, but he stands back a bit, because he is all sticky of the food on him)
Rachel: I'm so happy for you!
Monica: This Thanksgiving kicks last Thanksgiving's ass!
(They all cheer and hug again, but Joey's eating the food off his shirt)
COMMERCIAL BREAK
[Scene: Chandler and Monica's apartment. The table is set, and there's food on the tables again. They're all there, toasting.]
Rachel: To Monica and Chandler... and that knocked up girl in Ohio.
Ross: I'm just so happy you guys are finally getting a kid.
Phoebe: I know. Have you considered pageanting?
Monica: I can't believe they called, and we're actually getting a baby. (*she kisses Chandler*)
Joey: Oh, I know how you feel...
(Monica and Chandler are looking curiously at Joey.)
Rachel: Really?
Joey: Sure. I went through the exact same thing with Alicia Mae Emory... The waiting, the wondering... Then one day... I get that call from Toys "R" Us... She was in stock!
Chandler: That is the exact same thing.
THE END

1009 The One With The Birth Mother

[Scene: Central Perk. Everyone's sitting on the couch. Monica and Chandler enter]

Chandler: Hi!
Ross: Hey!
Monica: Hey!
Chandler: We're just here to say goodbye, we're off to Ohio.

Phoebe: Oh, right! Your adoption interview!
Monica: Yep, we're gonna meet the lady who could be carrying our baby.
Joey: I can't believe it. When you guys come back, you're gonna have a baby! That is so weird!
Chandler: And so incorrect!
Monica: She's only a couple of months pregnant. She liked our application but who knows if she's gonna like us.
Ross: Come on, she's gonna love you guys!
Chandler: Uhm, thank you, but we're really trying not to get our hopes up.
Monica: And a lot could still get in our way.
Chandler: Yeah. I mean, this girl could decide against adoption or she could like another couple better..
Phoebe: What are you gonna name the baby?
Chandler: I can develop a condition in which I talk and talk and no one hears a word.
Joey: But just think, ok? What if everything goes right? What if this woman does pick you guys?
Monica: Oh my God. She's gonna pick us!
Chandler: So we're standing firm on the 'not getting our hopes up'?
Monica: You know, I know that things could still go wrong but if they don't? If this works out, we're gonna have a baby Chandler, a baby!
Chandler: Yes, but...
Monica: Oh my God, it's gonna WORK! We're gonna make it work! I'm gonna be a mummy and (*to Chandler*) you're gonna be a daddy! All right, I'll see you suckers. I'm gonna get me... A BABY! (*she leaves*)
Chandler: Oh, screw it, I'm gonna be a daddy!!
OPENING CREDITS
[Scene: Central Perk. Phoebe's speaking to a girl.]
Rachel: (*to Joey*) Hey, who's Phoebe with?
Joey: I'm gonna say someone I'm gonna have sex with. (*the girl leaves and Phoebe goes toward the couch*) (*to Phoebe*) Hey!
Phoebe: Hey!
Joey: So... who's your friend?
Phoebe: Oh, that's Sarah. No, no. Don't you get any ideas, ok? No, I'm not setting you up with any more of my friends!
Joey: OW, why, why, why?
Phoebe: Because you'll date her once, sleep with her and then forget she exists!
Joey: Oh, name one friend of yours that I did that with.
Phoebe: Mandy.
Joey: Mandy, uh? Uh... really hot blonde, big boobs?
Phoebe: No.
Joey: I know why I don't remember her, huh? (*he winks at Rachel*)
Rachel: Do you think I'm someone else?
Joey: Ok, I may not have treated your friends well in the past, but I have grown up a lot, really. Honest, Rach?
Rachel: Well, believe it or not, it's true. When Joey and I were together, he was wonderful. He was thoughtful and mature. And for the one week that we went out, he didn't sleep with anybody else!
Joey: (*pointing at himself*) Growth!
Phoebe: Fine, I'll give you her number.
Joey: Ok, thank you. And I promise you I will not forget this one. (*he starts writing on his hand*) Mandy.
Phoebe: SARAH!
Joey: Saraaah!
Ross: (*entering*) Hey!
Rachel: Hi!
Ross: Hey you guys, I need some fashion advice.
Rachel: Oh!
Ross: (*he takes a baby blue beret out of a shopping bag and puts it on*) How does this look?
Rachel: Well, it's a little low... pick up a little... (*Ross picks it up*) a little bit more... (*he picks it up again*) a little bit more... (*he takes it off*) There you go! (*pause*) Now throw it away!
Ross: C'mon! This looks good!
Rachel: Ross, please, trust me. I buy 30 fashion magazines a month. Now, I don't know who's running for president or who that... NATO guy is, but I do know that you have to get as far away as you can from that hat.
Ross: Damn it! I have this date tomorrow night and I have to look cool!
Phoebe: Well, you know, if you want fashion help, Rachel and I are going shopping tomorrow. You're more than welcome to come with us, right?
Ross: Really? That would be great. I mean, I have to do something, she kinda teased me about how I dress.
Joey: I can see why, nice shirt!
Ross: You're wearing the same shirt.
Joey: Stupid Gap on every corner!
[Scene: The Adoption Agency in Ohio. Monica and Chandler are entering with a man.]

Agency guy: Please, make yourself comfortable and I will be back in a moment with Erica.
Monica: Ok, thank you. (*the man leaves*) Uh, well this is it. Are you OK?
Chandler: Yeah. Just weird, you know. It's like: "Hi, I'm Chandler. May I have the human growing inside you?"
Monica: Uh, we're gonna be great.
Chandler: You're gonna be great.
Monica: Well... obviously!
Agency guy: (*he enters with Erica*) Monica, Chandler. I'd like you to meet Erica.
Monica: Hi. It is so, so nice to meet you.
Erica: (*whispering*) Hi...
Chandler: Thank you so much for agreeing to see us.
Erica: Hi.
Agency guy: I'll let you get acquainted.
Chandler: Ok.
Erica: So, it's Monica and Chandler. I only know you as file 0W33815-D.
Chandler: That's what our friends call us.

Erica: Gosh, you know, you're just such an amazing couple. It's... kind of intimidating.
Monica: I don't know about that.
Erica: You're kidding me? I mean, it's enough that you are a doctor. But on top of it, you're married to a reverend?
Chandler: (*astonished*) I don't think that's exactly...
Monica: (*overlapping*) Let her finish, doctor.

[Scene: Central Perk]

Phoebe: Hey!
Joey: Hey.
Phoebe: Oh, my friend Sarah had a great time last night.
Joey: Well...
Phoebe: Yeah! So you're gonna call this one back?
Joey: Nope.
Phoebe: What are you talking about? Sarah's great!
Joey: Oh, really? You know what your great friend did? We're out to dinner, ok? (*he starts talking about the date and we can see what happened through a flashback video*) We're getting along, having a really nice time. I was thinking she was really cool. And then, out of nowhere...
(Sarah picks up some fries from Joey's plate and Joey looks very angry. Then we see back to Central Perk and Joey does a you-see-what-I-mean look to Phoebe)
Phoebe: That 抯 it? That 抯 just why you won't go out with her again? So, she took some fries, big deal!
Joey: Hey, hey, look! It 抯 not about a few fries... it 抯 about what the fries represent.
Phoebe: What?
Joey: ALL FOOD!
Phoebe: I 抯 sorry, I can't believe I set you up with such a MONSTER!
Joey: Hey, hey, hey, hey. Look. I take a girl out, she can order whatever she wants! The more, the better! All right? Just don't order a Garden salad and then eat my food! That 抯 a good way to lose some fingers!
(Rachel enters from the main door)
Phoebe: (*to Rachel*) Oh
Rachel: Hi
Phoebe: Thank God you're here. Listen to this!
Rachel: what?
Phoebe: Joey and my friend were out last night and having dinner and she reaches over and takes a few of his fries...
Rachel: Oh! Oh, no!
(Joey looks satisfied)
Phoebe: What? You know about the plate thing?
Rachel: Oh, yeah. Joey doesn't share food. I mean, just last week we were having breakfast and he had a couple of grapes on his plate and ...
Phoebe: (*to Joey*) You wouldn't let her have a grape?
Rachel: Oh no! Not me! Emma!
(Phoebe looks horrified and she turns to watch Joey)
JOEY: (*mad and pointing a finger to himself*) JOEY DOESN'T SHARE FOOD!
Phoebe: Well, I still think that it 抯 a stupid reason not to call someone again. You are calling her! And if you need to, just get an extra plate of fries for the table!
Joey: (*he thinks a little, considering the option and seems to be quite satisfied*) I like that! A sharing buffer! Yeah! I 抯 I order some extra fries! Maybe a plate of onion rings. Yeah. And a shrimp cocktail. And some buffalo wings. Maybe an individual pizza, uh? And some mozzarella sticks. (*he looks absorbed in his food thoughts*) What were we talking about?
[Scene: A clothes store. Ross and Phoebe are shopping]

Phoebe: (*to Ross*) This place is awesome!
Ross: You know, we should just go, I 抯 not gonna find anything here! This stuff is ridiculous!
(Rachel arrives with a lot of clothes)
Rachel: Ah, this place is great!
Phoebe: Wow!
Ross: Rach, come on, I 抯 not gonna wear any of this! (*he picks up a shirt*) Nothing silver. (*Rachel sighs*). OK? Nothing with hair! (*Rachel sighs again*) And nothing with padlocks on it! (*Rachel heaves a long disappointing sigh*).
Rachel: Ross, look, I know that some of this stuff is out there, but I mean, come on, look at this, look at this sweater! (*she picks up a blue sweater*). I mean, this is just beautiful!
Ross: (*feeling the fabric*) Wow, this is really soft (*he looks the price*). Three hundred and fifty dollars?
Rachel: Yeah, down from seven hundred, you are saving like two hundred bucks!
Ross: Both logic and math are taking a serious hit today.
Phoebe: (*walking to Ross carrying a black leather jacket*): Hey, check this out! It 抯 totally you!
Ross: Wow!
Phoebe: Yeah!
(Ross wears the jackets and look at himself in the mirror)
Ross: Actually this looks like pretty good! Yeah! (*he turns and watches his back and there 抯 a sign on the back of the jacket, "boys will be boys"*) Boys will be boys?
Phoebe: What? They will be!
Ross: All right, that 抯 it, I 抯 getting out of here.
Rachel: No, no, no, no! Ross, wait! Come on! You know, there 抯 other stuff. Here 抯 a nice shirt, look at these nice pants...
Ross: Uh, actually these might look pretty good on

me.

Rachel: Yes, they will! You know what you should do? Just go take a walk, all right? I know your size and I 捱... I 捱 gonna pick up some really good stuff for you.

Ross: Really?

Rachel: Yes! And I know what looks sexy on guys. Please, just wear what I suggest, and she 捱 gonna go nuts for you.

Ross: So, you 捱 e saying, uh, if I wear these pants I might be getting into hers?

Rachel: (to Phoebe) Why do men keep talking to me like this?

[Scene: The Adoption Agency in Ohio. Monica and Chandler are still talking with Erica.]

Chandler: So, the fact that I am a doctor, and my wife 捱 a reverend, that 捱 important to you?

Erica: Yeah, I read some great applications, but then I thought "who better than a minister to raise a child!"

Monica: Amen.

Chandler: Plus I thought the baby would be in good hands with a doctor!

Monica: Uh, good hands. (she holds Chandler hands) Healing hands.

Erica: Reverend, can I ask? Does the bible say anything about adoption?

Monica: It says "Do it!" And behold she did adopt unto them a baby. And it was good.

Erica: Wow.

Chandler: Yeah, wow.

Erica: I was wondering you both have such serious jobs. (to Monica) Would you have time to take care of a baby and your flock?

Monica: Oh, you know, my flock is good, I mean, yeah, my flock pretty much takes care of themselves at this point. Good flock. Flock, flock, flock.

Erica: (to Chandler) Being a doctor must take up a lot of time.

Chandler: Not for me it doesn't 捱.

(The agency guy enters the room)

Agency guy: So, how 捱 everything going in here?

Erica: We 捱 e great, I think I may have asked all my questions.

Agency guy: Do you have any question for Erica?
Chandler: Yeah, actually. So, you read a file that you liked and you gave the agency the serial number and they contacted us?

Agency guy: Yes, our system assures total anonymity. We 捱 e very proud of it.

Chandler: You should be. You 捱 e really on top of stuff.

Agency guy: (to Erica) Well, then if there 捱 nothing else, then the two of us should talk.

Erica: Actually, I don't 捱 think we have to.

Monica: We don't 捱?

Erica: Yeah, when I read about you two, I was pretty sure I wanted you, but I just thought we should meet face to face. (to the agency guy) I've made my decision. I choose them.

Monica: Oh my God, this is great! This is so great! (to Chandler, who looks bewildered). Did you hear that?

Chandler: Yeah, I did.

Monica: (to Erica) Hey, thank you. Thank you so much. (they hug). You are SO going to Heaven!

[Scene: Joey 捱 apartment. Rachel and Phoebe walk in, loaded with bags.]

Rachel: We got some really great stuff!

Phoebe: Yeah, yeah but I am not sure about some of the bra's I got.

Rachel: Oh! Really? Do you wanna try some of them on for me?

Phoebe: Oh! okay. Wait, are we in Joey's imagination?

Rachel: (looking into one of her shopping bags) Oh no! I took one of Ross' bags by mistake, and one of mine is missing.

Phoebe: oh, well, Ross probably has it, you can get it from him later.

[Scene: Ross walks into Central Perk, wearing a pink and white ladies shirt. Joey is on the couch]

Ross: (to Joey) So? What do you think? (Shows himself - Joey observes him with a strange look on his face.)

Joey: I think were not wearing the same shirt anymore!!

Ross: (not getting it) Yeah! Yeah! Rachel picked it out for me. She told me to trust her and you know what? I'm glad I did! I turned quite a few heads on my way over here.

Joey: (now laughing a little) Dude, I really don't think you should be wearing that.

Ross: Oh, I see, somebody is afraid of a little competition with the ladies?

Joey: (looking a little agitated now) Looks like someone IS the ladies!!

Ross: You're just jealous because you couldn't pull this off. Yeah, now if you'll excuse me (getting up and taking his coat) I have a date. (As he is walking out, everyone turns and stares at him) See? (To Joey) ALL eyes on ME!

[Scene: Monica and Chandler's hotel room.]

They enter.]

Chandler: We are NOT signing those papers.

Monica: Why not?

Chandler: It's wrong. They made a mistake. They think we're somebody else.

Monica: God works in mysterious ways.

Chandler: You have gotta stop!

Monica: But she liked us.

Chandler: She likes Doctor Chandler and Reverend Monica.

Monica: Well, if you think about it, I am kind of like a Reverend. I mean, as a chef, I serve God, by feeing the hungry and poor. (looks very convinced about what she just said)

Chandler: Your Veal Chop is \$34.95!

Monica: C'mon Chandler, I think we have been given an opportunity. I mean, the mistake has already been made. They are writing up the paper right now.

Chandler: But we are not the one she chose! How can you feel okay about this?

Monica: (very emotional) Because... We may not be who she thinks we are but no-one will ever love that baby more than us.

Chandler: I know..

Monica: I mean, who knows how long it's gonna take for someone else to give us a baby? What if, what if no one ever picks us?

Chandler: oh, honey..

Monica: (Almost crying) Please.. please, we are so close.

Chandler: Monica, I want a baby too, but this woman is giving away her child. She deserves to know who it's going to.

Monica: (realizes Chandler is right. She's almost crying) okay, right. (They hug)

Chandler: So, we'll tell the truth and who knows, maybe she'll like us for us.

Monica: (sniffing) Maybe she will. Uh! Why couldn't I have been a Reverend?

Chandler: You're Jewish.

Monica: Technicality!

[Scene: A restaurant. Joey is on his date with Phoebe 捱 friend, Sarah. They are sitting opposite each other on a table for two. Their waiter approaches with two plates.]

Waiter: A garden salad for the lady (sets the plate down)

Joey: Oh, that looks great! Good ordering!

Waiter: Seafood platter for the gentleman and extra fries. Enjoy!

Sarah: Mmmm, those fries look delicious.

Joey: oh, I didn't know you liked French fries. Help yourself! What's mine is yours. (Sarah reaches over and takes a few fries)

Sarah: (looks over at Joey's platter) Oh wow, are those stuffed clams?

Joey: Uuuu.. yes, they are my stuffed clams.

(Sarah, is grinning and starts to reach over to Joey's plate to take a few clams)

Joey: How about those fries though, huh? (Holds the plate between Sarah 捱 fingers and his plate, thus blocking her from reaching his)

Sarah: They are delicious (takes a few from the plate, puts one in her mouth and places the rest on her plate, then starts to reach over to Joey's platter again)

Joey: (Spotting her movements takes her hand into his own) You are beautiful, you know that?

Sarah: Oh, that is so sweet..

Joey: Oh (grinning, trying to hold in his impatience with her) okay.. (she takes her hand back)

(Then she reaches over again and Joey moves his plate a little to the left, and she misses, then she reaches out again, and he moves his plate to the right, so she misses again. She tries a third time and this time, Joey pushes his plate so far to the left, it drops off the edge of the table)

Joey: (Visibly annoyed) NOW look what you did!!

Sarah: What? what is the matter with you?

Joey: I don't like it when people take food off of my plate, okay?

Sarah: But you just said "What's mine is yours"?

Joey: WELL, I DIDN'T MEAN IT!

Sarah: Fine, I'm sorry, I didn't think it was that big a deal.

Joey: I'm sorry, I'm overreacting. Okay, It's just when it comes to food, I have certain rules, okay, I mean (bends down and with his plate and his hands, scrapes the dropped dinner back onto the plate and puts it back on the table) There are things you do..and you know, things.. (takes something from the plate and blows it a little) that you don't do (He takes a bite from it).

(Sarah looks a little disgusted)

[Scene: Ross and his date walk into a lobby. They are both wearing their jackets]

Girl: Wow, this place looks great.

Ross: Oh! You are gonna love it! (The girl is looking in the other direction as Ross is taking off his own coat, revealing the pink and white ladies shirt) and I'm so glad, we're finally doing this.

Girl: Me too! (starts to take her coat off)

Ross: Here (gets behind her to help. When the coat comes off we see she is wearing the exact same shirt Ross is wearing. They look at each other, shocked. They abruptly put their coat back on) So this was fun! (They leave the room and head into opposite directions)

[Scene: Back at the restaurant with Joey and Sarah. Joey is holding Sarah's hands]

Joey: I really am sorry about, you know..before. I just want to make sure you know that I really do like you.

Sarah: Sure (smiling) Just not as much as clams.

Joey: (Jokingly) Well, stuffed clams.

(The waiter arrives with their deserts)

Waiter: Chocolate Torte for the lady, cheesecake for the gentleman.

Joey: Uh, excuse me sir, there seems to be some sort of red crap on my cheesecake.

Waiter: Yes, that's Raspberry couple.

Joey: (More to himself than anyone else) So stupid, ordering cheesecake, trying to be healthy. (pushes it aside)

Sarah: (tasting hers) Oh my God! (Looks at the waiter and then to Joey)

Joey: Oh, all right, I'll just have what she's having instead.

Waiter: Oh, I'm sorry sir, that was our last piece.

Sarah: Mmmm! Mmm!

(Sarah's beeper starts beeping)

Sarah: Oh, no! This is work. I should call in. Can you excuse me?

Joey: Oh yeah, sure. No problem.

(Joey's looking at Sarah's dessert, and takes her plate.)

Sarah: What are you doing? I thought you don't share food.

Joey: Sure I do. (holding up his own dessert) Coule?

Sarah: (laughing) No. If I can't have your clams, you can't have my dessert. This is a two way street.

Joey: (laughing) Really?

Sarah: Really! Now this all better be here when I come back. (puts her plate back at her side of the table)

Joey: Yeah, of course. I can control myself. (laughs uneasily and Sarah leaves the room)

(Joey sits sideways on his chair, looking at Sarah's chocolate torte, and then looking away from it, nervously playing with his fork, drumming with it on the table every now and then.)

Joey: (to the torte) Stop staring at me!

(He then straightens himself, and looks at the torte)

Joey: Why, just a tiny little..

(He takes a little piece of Sarah's dessert. At first he doesn't think it's that special, but then..)

Joey: Oh-oh!

TIME LAPSE

(Sarah enters the room again, and stops when she sees her dessert is missing. Joey has emptied her plate, and has a chocolate covered mouth, just like a kid.)

Joey: I'm not even sorry.

[Scene: The Adoption Agency in Ohio. Monica and Chandler are entering.]

Erica: Hi!

Adoption Agency guy: Hey.

Chandler: Hey.

Agency guy: So, these are the preliminary forms for an open adoption. There's a lot to go over, but I'll explain everything as we go through it.

Monica: (pointing to a picture on the table) I-Is... Is that a picture?

Erica: Yeah. It's a sonogram they took of the baby last week. I thought you might want to see it. (gives it to Monica, who looks at it for a long time, and then shows it to Chandler)

Monica: Look, doctor!

(Chandler takes Monica's hand, and gets serious) Look, before we sign anything we really have to talk...(pause) We're not who you think we are.

Agency guy: I don't understand.

Chandler: The agency must have made some mistake. My wife is not a reverend and I'm not a doctor.

Erica: What?

Agency guy: That's impossible.

Chandler: I could perform an operation on you and prove it if you'd like.

Agency guy: I'll go check your file. Excuse me.

Erica: So who are you?

Chandler: Well, our names really are Monica and Chandler. We're from New York.

Monica: Yeah, but the important thing to know about us, is how much we would care for this little baby. (holds up the sonogram)

Erica: So you lied to me before?

Monica: Well, we... (makes quotation signs in the air) "bore false witness"... See I could be a reverend.

Erica: I can't believe this.

Monica: But we were hoping that since we told you the truth that you still might consider...

Erica: Giving you my baby? You think I'd give you my child after this?

Monica: Well, you don't have to decide right now, but if you could just look at our file...

Erica: I don't want to look at your file! This is over.

(She leaves the room, but Chandler runs after her. They meet in the hallway.)

Chandler: Erica wait!

Erica: I've nothing to say to you. (walks a few paces)

Chandler: You have every reason to be upset. We did lie. But only because we've been waiting and trying to have a baby for so long. Now we don't know how long it's gonna be before we can get another chance again.

Erica: Why don't you ask the reverend to pray on it?

Chandler: Erica, please. Just consider us. Ask them to see our file. Our last name's Bing. My wife's a chef and I'm in advertising.

Erica: Oh yeah. I actually liked you guys. But it doesn't matter, because what you did was wrong. (walks away again, but Chandler catches up with her again)

Chandler: But you did like us. And you should. My wife's an incredible woman. She's loving and devoted and caring. And don't tell her I said this but the woman's always right... I love my wife more than anything in this world. And I... It kills me that I can't

give her a baby... I really want a kid. And when that day finally comes, I'll learn how to be a good dad. But my wife... she's already there. She's a mother... without a baby... Please?
(They look at each other. We switch back to Monica. Chandler opens the door and she turns to look at him.)
Chandler: You still want that baby?
(Monica plays those words back in her mind and then smiles and runs to Chandler, who is twisting with joy. They hug.)
Monica: God bless you Chandler Bing!
COMMERCIAL BREAK
[Scene: Central Perk. Joey's on the couch when Ross walks to him, with his jacket closed.]
Ross: Turns out this sweater *is* made for a woman.
Joey: (nods) So, why are you still wearing it?
Ross: Because it's soft... Hey, so how was your date?
Joey: Ooh... Not so good.
Ross: Well, looks like it's just the two of us tonight, huh old buddy?
Joey: Yeah, and you know what? We could do a lot worse.
(they shake hands the way friends would. There's a muffin on the table, and Ross breaks off a piece and wants to put it in his mouth.)
Joey: (shouting to Ross) JOEY DOESN'T SHARE FOOD!
(Ross puts the piece back on the plate)

1010 The One Where Chandler Gets Caught

[Scene: Central Perk. Everybody's sitting on the couch and Monica is eating a chunk of cake.]
Monica: (really excited) Mhm... this cake is amazing!
Rachel: My God, get a room!
Monica: I would get a room with this cake. I think I could show this cake a good time!
Phoebe: If you had to, what would you give up, food or sex?
Monica: (with no hesitation) Sex!
Chandler: (looking at her) Seriously, answer faster!
Monica: Oh, I'm sorry honey, you know, but when she said "sex" I wasn't thinking about "sex with you!"
Chandler: (to Phoebe) It's like a giant hug.
Phoebe: Ross, how about you. What would you give up, sex or food?
Ross: Food.
Phoebe: Ok, how about... uhm... sex or dinosaurs?
Ross: Oh my God. It's like Sophie's Choice.
Rachel: Oh God. What about you, Joe? What would you give up, sex or food?
Joey: Uhm... oh... I don't know, it's too hard.
Rachel: No, you gotta pick one!
Joey: Oh... food. No, sex. Food! Sex! Food! Se-I don't know! Good God, I don't know, I want girls on bread!

OPENING CREDITS

[Scene: Central Perk. Rachel and Phoebe are looking at some photos and they're sitting next to the window.]
Rachel: You gotta see these latest pictures of Emma.
Phoebe: Oh, how cute!
Rachel: Yeah.
Phoebe: Oh, she looks just like a little doll!
Rachel: Oh, no, no. That *is* a doll.
Phoebe: Oh, thank God, 'cause that thing's really creepy! (looking outside the window) Look, there's Chandler. (he's on the street, talking to a woman)
Rachel: Oh. Who is the blonde, she's pretty.
Phoebe: OH! He's having an affair.
Rachel: He's not having an affair!
Phoebe: You know, I'm always right about these things.
Rachel: No, you're not! Last week you thought Ross was trying to kill you!
Phoebe: Well, I'm sorry but it's hard to believe that anyone would tell a story that dull just to tell it! (looking outside) See, there's something going on with them. Look, he's getting into the car with her!
Rachel: Oh, that doesn't mean anything.
Phoebe: Oh yeah? Well, let's see. (she takes her mobile phone) Ok, duck down. (they both get down to hide themselves. Phoebe calls Chandler)
Chandler: (picking up the phone) Hello.
Phoebe: Oh, hi Chandler. It's Phoebe. Uhm... I know that Monica is working today so... (back to Central Perk) ...I was wondering if you want to come to the movies with me and Rachel.
Chandler: Oh, uhm... I have to work too. Yeah, I'm stuck at the office all day.
Phoebe: (shocked) Oh, well, it's a shame that you that you miss the movie 'cause we were gonna see, you know, either "Liar, Liar" or "Betrayal", or... "An Affair To Remember".
Chandler: Those are all really old!
Phoebe: Ok, then maybe it'll be, uhm...
Rachel: (whispering) "Dude, Where's My Car?"
Phoebe: (glancing at her) What?
Rachel: They're in a caaar...

Phoebe: (to Chandler at the phone) Okay, we-we'll talk to you later. Okay, bye.
Rachel: Geez!
Phoebe: Ok. Quick. We gotta find a cab and follow them.
Rachel: Oh, yeah, ok. Let me just grab my night vision goggles and my stun gun.
Phoebe: (patting her bag) I got them!
[Scene: Monica's apartment. Chandler enters the door.]
Chandler: Hi!
Monica: Hey! You smell like perfume and cigarettes.
Chandler: I was in the car with Nancy all day.
Monica: Nancy doesn't smoke!
Chandler: Well, at least the perfume is not mine, be thankful for that!
Monica: So? What do you think of the house?
Chandler: It's perfect. It's everything we've been looking for.
Monica: Isn't it? Then what about the amazing wainscoting and the crown molding and the dormer windows in the attic?
Chandler: And the wiggly wharms and the zip zorps? (pause) What were the things you said?
Monica: Don't you love the huge yard?
Chandler: And the fireplace in the bedroom.
Monica: And Nancy said that it's really under price, because the guy lost his job and has to move in with his parents!
Chandler: This is bringing out a lovely color in you!
Monica: So? Do you think we should get it?
Chandler: I don't know. What do you think?
Monica: I think we should.
Chandler: I do too.
Monica: This is huge!
Chandler: I know.
Monica: How bad you wanna smoke, right now.
Chandler: I don't know what you mean, giant talking cigarette! Oh, by the way, Phoebe called just as I was getting into Nancy's car, so if she asks you, I was at work all day.
Monica: Gotcha. When do we tell them about this?
Chandler: We don't. Not until it's a hundred percent. I mean, why upset everybody over nothing.
Monica: Okay. Right. Oh my God that is gonna be so hard.
Chandler: I know. Goooooood luck with it.
[Scene: Joey's apartment. Everybody except Monica and Chandler is there.]
Ross: I just can't see Chandler cheating!
Rachel: I'm telling you guys, we followed them out to a house in Westchester, the went in for like forty-five minutes and then they came out looking pretty happy!
Joey: Chandler? Forty-five minutes? Well, something is not right. I just can't believe he would do this to Monica!
Ross: I know, and with the baby coming?
Phoebe: So, should we tell her?
Ross: I don't know. Phoebe, if one of us saw Mike with another woman would you want us to tell you?
Phoebe: Why? Who'd you see him with?
Ross: No one, I just saying if... (Phoebe starts pinching him in his neck)
Phoebe: TELL ME WHAT YOU KNOW!
Ross: (yelling in pain) I know nothing! Mike's a great guy, it was hypothetical!
Phoebe: All right. (she releases him). He is a good guy. You're right, he wouldn't cheat.
Ross: Believe me, if I did see with someone, there'd be no way I... (Phoebe starts pinching him again)
Phoebe: WHO DID YOU SEE HIM WITH?
[Scene: Monica's apartment. Monica is cleaning with a vacuum and then she cleans it with a dust buster. The guys enter the room.]
Rachel: Oh, look at her, so happy!
Monica: If only there were a smaller one to clean this one!
Joey: Hey, is uhm... is Chandler here?
Monica: No, he's picking up dinner, why, what's up?
Phoebe: Well, look, whatever happens, we're here for you and we love you.
Monica: (puzzled): All right...
Ross: We think Chandler might be having an affair.
Monica: What?
Rachel: Phoebe and I saw Chandler with a blonde woman today outside on the street and then we followed them to a house in Westchester.
Phoebe: They went in together. So sorry.
Monica: Oh my God! Oh my God that's awful! What did you think of the house?
(they all look confused and sorry for her)
Phoebe: What?
Joey: (walking towards her to hold her and support her) Monica, you understand what we are saying, right?
Monica: Yeah, sure... uhm, I'm devastated, obviously... (to the rest) Did you think the neighborhood was homey?
(Chandler enters)
Chandler: Hey!
Joey: (to Chandler) You son of a bitch!
Chandler: Is it me, or have the greetings gone downhill around here?
Monica: (goes to Chandler) Phoebe and Rachel saw you with Nancy today and... em... they think you're having an affair.
Rachel: Who's Nancy?
Ross: What's going on?
Monica: (turns to them) Ok, alright, you guys, you'd better sit down, this is pretty big.
Chandler: Yeah (motions them to sit and they do) I'm not having an affair. Nancy is our realtor.
Joey: I knew he couldn't be with a woman for 45 minutes!!
Phoebe: Why do you have a realtor?
Monica: Uhm, she has been showing us houses outside of the city.
Joey: (clearly shocked) What?

Rachel: Are you serious?
Monica: When we found out that we're gonna get this baby, Chandler and I started talking and we decided that we didn't want to raise a kid in the city.
Phoebe: So you're gonna move?
Ross: Oh my God.
Joey: Shouldn't we all vote on stuff like this?
Rachel: What is wrong with raising a kid in the city? I'm doing it, Ross is doing it, Sarah Jessica Parker is doing it!
Monica: And that's great for you guys, but we want a lawn and a swingset...
Chandler: ...and a street where our kids can ride their bikes and maybe an ice-cream truck can go by.
Ross: (sarcastic) So you wanna buy a house in the 50's?
Phoebe: Have you thought about what you would be giving up? You can't move out of the city, what if you want Chinese food at 5am? Or a fake Rolex that breaks as soon as it rains or an Asian hooker sent right to your door?
Ross: You know what, if you wanna look for a house, that's okay.
Joey: No, no, it's not, don't listen to him! (to Ross) I'm gonna thump you! (points his fist at him)
Ross: (to Joey) It's ok, because they have to get it out of their system, okay (back to Mon and Chan), but you're going to realize, this is the only place, you wanna be.
(pause before Monica and Chandler speak, they look like they are looking for the right words)
Chandler: Actually, we already found a house we love.
Ross: What?
Monica: And about an hour ago, we made an offer.
(All the friends looked shocked and confused. There is a long silence.)
Chandler: Bet you wish I was having an affair now, huh?
TIME LAPSE
Ross: You put an offer on a house?
Monica: (smiling) It's so sweet. It really is. It has this big yard that leads down to this stream and then there's these old maple trees... (gets cut off)
Phoebe: Wha...? Again with the nature, what are you? Beavers?
Chandler: I know this is really hard and we're really sorry.
Joey: Is this because I come over here without knocking and eat your food? (Walks towards the fridge) Because I can stop doing that, (looks at the fridge) I really, really think I can!
Chandler: (goes towards Joey) You know that's not the reason Joe. (Joey hugs him and after, he takes something from the fridge and puts it in his mouth. He goes back to where he was standing before)
Monica: We think if you saw it, you'd understand. I mean you guys were there. (Points to Rachel and Phoebe) It is beautiful, isn't it?
Rachel: Yeah it is.
Joey: What the hell are you doing?
Rachel: Well, it is, all right? When we were out there today, all I kept thinking was: I can't believe Chandler is screwing this woman, but MAN this would be a nice place to live!
Phoebe: Yeah, but so is this.
Ross: Yeah, I mean, if you moved there, you have to leave here. I mean, how can you leave this place?
[We fade to some flashback scenes.]
(from 1.01 - "The One Where Monica Gets a New Roommate - The Pilot")
Rachel: (talking on the phone) C'mon Daddy, listen to me! All of my life, everyone has always told me, 'You're a shoe! You're a shoe, you're a shoe, you're a shoe!'. And today I just stopped and I said, 'What if I don't wanna be a shoe? What if I wanna be a - a purse, y'know? Or a - or a hat! No, I don't want you to buy me a hat, I'm saying that I am a ha- It's a metaphor, Daddy!
Ross: You can see where he'd have trouble.
Rachel: Well maybe I'll just stay here with Monica.
Monica: Well, I guess we've established who's staying here with Monica...
(from 1.18 - "The One With All the Poker")
Ross: That money is mine, Green!
Rachel: You're fly is open, Geller!
Phoebe: You guys, you know what I just realized? 'Joker' is 'poker' with a 'J'. Coincidence?
Chandler: Hey, that's... 'joindidence' with a 'C'!
(from 1.07 - "The One With The Blackout")
Phoebe: [looking outside the window] Eww, look. Ugly Naked Guy lit a bunch of candles.
[They all look at the window, gassed out, then flinch in pain.]
Rachel: Ow, that had to hurt!
(from 3.09 - "The One With All the Football")
Phoebe: Hey, it's your Thanksgiving too, y'know, instead of watching football, you could help.
The Guys: We will. (they don't move)
Monica: Okay, Rachel, you wanna put the marshmallows in concentric circles.
Rachel: No Mon, you want to put them in concentric circles. I want to do this.
(Rachel sticks a marshmallow into Monica's nose. Monica takes it out of her nose by closing one nostril, and blowing.)
Monica: Every year.
(from 5.08 - "The One With the Thanksgiving Flashbacks")
Joey: (he has a turkey on his head) It's stuck!!!
Phoebe: (walks him to the kitchen) Easy. Step. How

did it get on?
Joey: I put it on to scare Chandler!
Phoebe: Oh my God! Monica's gonna totally freak out!
Joey: It smells really bad in here.
Phoebe: Well, of course it smells really bad. You have your head inside a turkey's ass!
(They hear Monica trying to unlock the door. So Phoebe quickly pushes his head down onto the table to make it look like the turkey is just sitting on a platter and not stuck on Joey's head.)
Monica: Hey, did you get the turkey bast-OH my God! Oh my God! *(She sees someone is stuck in the turkey.)* Who is that?
Joey: It's Joey.
(from 4.12 - "The one With the Embryos")
Monica: I got it! How about, if we win, they have to get rid of the rooster?
Rachel: Oooohh that 抐 interesting.
Chandler: If you win, we give up the birds.
Joey: *(shocked)* Dah!! *(Chandler motions for him to calm down.)*
Chandler: But if we win, we get your apartment.
Joey: Ooooooh!
Monica: Deal!
TIME LAPSE
Ross: What was Monica 抐 nickname when she was a field hockey goalie?
Joey: Big fat goalie.
Ross: Correct. Rachel claims this is her favorite movie...
Chandler: Dangerous Liaisons.
Ross: Correct. Her actual favorite movie is...
Joey: Weekend at Bernie's.
Ross: Monica categorizes her towels. How many categories are there?
(They both confer)
Joey: Everyday use.
Chandler: Fancy.
Joey: Guest.
Chandler: Fancy guest.
Ross: Two seconds...
Joey: Uhh, 11!
Ross: 11, unbelievable, 11 is correct. *(The guys celebrate.)*
Ross: *(to the girls)* Chandler was how old when he first touched a girl's breast?
Rachel: 14?
Ross: No, 19.
Chandler: Thanks man.
Ross: Joey had an imaginary childhood friend. His name was?
Monica: Maurice.
Ross: Correct, his profession was?
Rachel: Space cowboy!
Ross: Correct! What is Chandler Bing's job?
(The girls are stumped)
Rachel: Ow... Oh Gosh!
Ross: 10 seconds, you need this or you lose the game.
Monica: It's umm, it has something to do with transponding.
Rachel: Oh-oh-oh, he's a transponster!
Monica: That's not even a word!
(Ross stops the clock, signifying the end of the lightning round.)
Monica: NOOOOOOOOO!!!!!!
TIME LAPSE
(The door opens and Joey and Chandler ride in on the big, fake dog in triumph)
Rachel: Y 抐 now what, you are mean boys, who are just being mean!
Joey: Hey, don't get mad at us! No one forced you to raise the stakes!
Rachel: That is not true. She did! She forced me!
Monica: Hey, we would still be living here if hadn't gotten the question wrong!
Rachel: Well it stupid, unfair question!
Ross: Don't blame the questions!
Chandler: Would you all stop yelling in our apartment! You are ruining moving day for us!
(from 5.15 - "The One With The Girl Who Hits Joey")
Ross: Chandler!!! Chandler!!! *(He opens the door to the apartment but is stopped by the chain; Chandler and Monica quickly stop making out and try to get dressed.)* Chandler, I saw what you were doing through the window! Chandler, I saw what you were doing to my sister! Now get out here!
Chandler: *(To Monica)* Wow! Listen, we had a good run. You know, what was it? Four? Five months? I mean, that's more than most people have in a lifetime! So, good-bye, take care, bye-bye then! *(He kisses her and starts to climb out the balcony window)*
Monica: *(She opens the door.)* Hey Ross. What's up bro?
(Ross spots Chandler and starts chasing him around the kitchen table. Chandler runs and hides behind Monica.)
Ross: What the hell are doing?!!
Rachel: *(running from the guy's apartment with Joey in tow)* Hey, what's-what's going on?
Chandler: Well, I think, I think Ross knows about me and Monica.
Joey: *(panicking)* Dude! He's right there!
Ross: *(To Chandler)* I thought you were my best friend, this is my sister! My best friend and my sister! I-I cannot believe this!
Chandler: Look, we're not just messing around! I

love her. Okay, I'm in love with her.
Monica: I'm so sorry that you had to find out this way. I'm sorry, but it's true, I love him too.
(There's a brief pause.)
Ross: *(happily)* My best friend and my sister! I cannot believe this. *(He hugs them both.)*
(from 6.06 - "The One On The Last Night")
Monica: Well, this is the last box of your clothes. I 抐 just gonna label it, "What were you thinking?"
Rachel: Funny, because I was just gonna go across the hall and write that on Chandler.
Phoebe: Ok, you guys, I don't mean to make things worse, but umm, I don't want to live with Rachel anymore.
Monica and Rachel: What?!!
Phoebe: You 抐 just so mean to each other! And I don't want to end up like that with Rachel. I still like you!
Rachel: Well, Phoebe that's fine because I 抐 not moving.
Monica: Whoa-whoa-whoa, Phoebe you gotta take her! Y 抐 now, I-I-I said some really bad stuff about her, but y 抐 now Rachel has some good qualities that make her a good roommate. She gets tons of catalogs and umm, she 抐 I fold down the pages of the things she thinks that I like.
Phoebe: What else?
Monica: When I take a shower, she leaves me little notes on the mirror.
Rachel: Yeah, I do. I-I do, do that.
Phoebe: That's nice. I like having things to read in the bathroom.
Monica: When I fall asleep on the couch after reading, she covers me over with a blanket.
Rachel: Well y 抐 now, I don't want you to be cold.
Monica: And when I told her that I was gonna be moving in with Chandler, she was really supportive. *(To Rachel)* *(Starts to cry)* You were so great. You made it so easy. And now you have to leave. And I have to live with a boy!!
(They both break down in tears.)
TIME LAPSE
(Monica closes the door and slowly walks into Rachel's room and now empty room.)
Chandler: *(entering)* Hey.
Monica: She really left.
Chandler: I know. *(He kisses her.)*
Monica: Thank you.
Chandler: No problem roomie. *(She turns around and hugs him.)*
Monica: Can I ask you a question?
Chandler: Sure!
Monica: What the hell is that dog doing here?! *(She notices the dog sitting in the living room.)*
(from 1.09 - "The One Where Underdog Gets Away")
Chandler: Little toast here. I know this isn't exactly the kind of Thanksgiving that all of you all planned, but for me, this has been really great, you know, I think because it didn't involve divorce or projectile vomiting. Anyway, I was just thinking, I mean, if you'd gone to Vail, and if you guys'd been with your family, if you didn't have syphilis and stuff, we wouldn't be all together, you know? So I guess what I'm trying to say is that I'm very thankful that all of your Thanksgivings sucked.
All: That's so sweet.
Ross: And hey, here's to a lousy Christmas.
Rachel: And a crappy New Year.
Chandler: Here, here!
[Scene: We're back to the present. Chandler and Monica's. They're all still at the kitchen table.]
Rachel: You can't move. You just... you just can't.
Joey: Rachel's right. *(This is where you guys belong.)*
Phoebe: Yeah, you don't wanna live in Westchester. That's like the worst of the Chesters.
Ross: You know, sometimes when I'm alone in my apartment, I look over here and you guys... are just having dinner or... watching TV or something, but... it makes me feel better. And now when I look over, who am I gonna see? The Gottliebs, the Yangs? They don't make me feel so good. *(Joey pats Ross on his back)*
Rachel: Yeah. So don't move, okay? Just stay here and... *(nods towards Ross)* maybe close your blinds at night.
(The phone rings and Chandler goes to get it)
Chandler: Hello? It's Nancy, they responded to our offer.
Monica: And?
(Chandler listens to what Nancy says)
Chandler: *(to Nancy)* Okay, thanks... *(to Monica)* They passed. They said they wouldn't go a penny under the asking price.
Monica: We can't afford that.
Chandler: I know.
Monica: Well, there you go.
(Chandler and Monica hug)
Joey: I'm really sorry you guys.
Ross: Yeah. I'm sorry too. I'm even more sorry that that phone call didn't come before I told you about looking through the window.
Rachel: Yeah, we're gonna let you be alone.
Phoebe: *(to Monica)* You're gonna be okay?
Monica: Yeah, we'll be okay.
Ross: Love you guys. *(he kisses Monica, he, Rachel and Phoebe leave.)*
Joey: You know, I'm really sorry I wasn't more supportive before.
Chandler: That's okay, we understand.
Joey: And about this Nancy thing... If you're not sleeping with her, should I?
(Chandler gives Joey her business card, which he eagerly grabs and he leaves.)
Monica: I know there'll be other houses, but it's just so... I love that one so much.
Chandler: Yeah... Well, it's a good thing we got it then.
Monica: What?
Chandler: We got the house.

Monica: Oh my God!
Chandler: I just didn't want to tell you in front of them.
Monica: Oh my God! My God! We've got the house!?
Chandler: We're getting the house. *(they hug)* We're getting the house.
Monica: And a baby...
Chandler: We're growing up.
Monica: We sure are.
Chandler: So who's gonna tell them?
Monica: *(quickly)* Not it!
Chandler: Not it! Damn it!
COMMERCIAL BREAK
[Scene: Central Perk. The entire gang is there, and Chandler and Monica are handing out presents.]
Monica: Rachel, this is yours.
Rachel: Aah! Why? What are these for?
Chandler: You'll see.
Monica: All right, everybody open them!
(they all tear off the wrapping paper)
Rachel: Ooh! Oh wow this is so beautiful. *(she got a scarf)*
Phoebe: Oh! These are the ones I was looking at in the store. *(she got earrings)*
Monica: I know.
Ross: I love this. *(he got a sweater)*
Joey: A meatball Sub? Thanks! *(he got a meatball sandwich)*
Ross: Seriously you guys, what's going on? What are these for?
Chandler: Well, I didn't know how to tell you before, but... We got the house.
Monica: Enjoy!
(they both run off, leaving Ross, Phoebe and Rachel stunned.)
Joey: *(speaking with his mouth full, enjoying his sandwich)* What did they say?
THE END

1011 The One Where The Stripper Cries

[Scene: Central Perk. Everyone's sitting on the couch. Monica and Joey enter.]
Joey: Hey guys!
Monica: Hey, let me tell them!
Joey: Sure.
Monica: Joey is gonna be a celebrity guest on a game show!
Phoebe: Great!
Ross: Really? Which one?
Monica: *(stopping Joey from answering)* Ohh! Fish, seaweed, a sunken ship.
Ross: Things you find in the ocean, *(to Joey)* You're gonna be on "Pyramid"!!
Monica: Oh, that was our favorite game show ever!
Ross: Except for "Match game"...
Monica: Or "Win, Lose or Draw".
Chandler: What did I marry into?
Joey: Would you guys want to come down tomorrow and watch me tape the show?
Monica: Oh, I can't. We're throwing Phoebe a bachelorette party.
Phoebe: Yeah, sorry boys, this ride's closing.
Ross: Oh, and Chandler and I have this stupid college alumni thing. I can't believe you get to meet Donny Osmond.
Joey: Seriously?
Ross: *(very excited)* Yeah-uh!
Monica: Ross and I always wanted to be Donny and Marie.
Chandler: You guys just keep getting cooler and cooler!
Monica: Yeah, we used to perform for our family and friends.
Rachel: Oh God, that's right. I blocked that out.
Monica: *(singing an old Donny and Marie song)* "I'm a little bit country"...
Ross: *(continues singing)* "...and I'm a little bit rock 'n' roll!"
Chandler: *(to Monica)* I'm leaving you.
OPENING CREDITS
[Scene: Class of '91 reunion. Ross and Chandler enter.]
Ross: So weird to see all these people again... Oh my God, look, there's Geoffrey Cleric.
Chandler: Who?
Ross: He was roommates with John Rosoff. He went out with Andrea Tamburino. She dumped him for Michael Skloff.
Chandler: *(looking around)* Did I go to this school?
Ross: Hey, there's Missy Goldberg. You gotta remember her.
Chandler: *(looks over at her)* Sure, nice.
Ross: Dude. You're married to my sister.
Chandler: You're right, by saying "nice" I'm virtually licking her.
Ross: Hey, I hear she's single again, d'you think I should ask her out?
Chandler: Are you asking permission to break the pact?
Ross: Yes please.
[Flashback, year 1987. Chandler enters the school's corridor. Ross is hanging some flyers on the wall. Both have a funny 80s hair and clothes.]
Ross: Hey. Hey, check out the flyers for the band. I made 'em on a Macintosh in the computer room!
Chandler: Awesome, the name really stands out.
Ross: Thanks to a little something called "Helvetica

Bold 24 point!"

Chandler: Man, we're gonna rock that Asian student union!

Missy: Hey guys!

Chandler: Hey!

Ross: Hey, Missy...

Chandler: You know, our band is playing on Friday.

Ross: Yeah, yeah. You should come check us out. We're called "Way! No Way!".

Missy: No way!

Chandler and Ross: Way!

Missy: Right. I'll be there. *(she leaves)*

Chandler: Fresh!

Ross: Boss!

Chandler: Mint!

Ross: She's gone.

Chandler: I know it. You know, I'm totally gonna ask her out.

Ross: Dude, I was gonna ask her out.

Chandler: I said it first, bro.

Ross: Well, I thought it first, Holmes.

Chandler: *(angrily)* Look, if you did....

Ross: Whoa! Wait... What are we doing? What we have is too important to mess it up over some girl. I mean, we can get laid anytime we want.

Chandler: Totally. I had sex in High school...

Ross: Me too. I'm good at it.

Chandler: All right, I'd say we make a pact. *Neither of us will go out with Missy Goldberg.*

Ross: You got it.

Chandler: All right, so that's Missy Goldberg, Phoebe Cates and Molly Ringwald, who neither of us can go out with.

Ross: Those are the pacts!

Chandler: Oh, and Sheena Easton. But we probably couldn't get her anyway.

Ross: Oh, oh... maybe not *you!*

[We get back to the Class of '91 reunion, where Ross and Chandler are still looking at Missy.]

Chandler: Well, I officially give you permission to break the pact.

Ross: Thank you. *(they shake hands)* All right, here I go. Hey, remember how scary it used to be going up to girls in college?

Chandler: Your hands are shaking.

Ross: I know, and I can't stop sweating. *(he walks towards Missy)*

[Scene: The "Pyramid" Studio.]

Voice: Five! Four! Three! Applause!

Donny Osmond: Yeah! Welcome, it is Soap Opera week here on Pyramid, let's meet our contestants. First, Gene Lester is a database specialist, he's gonna be playing with "Days of Our Life's" star Joey Tribbiani! *(Joey's amazed at the place and he keeps looking around till he realizes the audience is applauding him)*

Joey: *(to Gene)* I know it could be intimidating for regular people to be around celebrities but... relax, I'm just like you! *(pause)* Only better looking and richer.

Donny: ...should be playing with the star of "General Hospital" Leslie Charleson. *(applause)* Welcome everybody. Good luck to all of you. Let's play Pyramid. All right? Now... we flipped a coin before the show, Gene, you won the toss, so you're gonna start. Which category would you like?

Gene: I'll take "You crossed the line".

Donny: You crossed the line. Joey, describe for Gene these things that have lines. Give me 20 seconds on the clock, please. Ready, go!

Joey: *(on the screen there's the word "Supermarket")* Uhm... ok. It's a store, like a supermarket. *(there is a sound indicating he made a mistake as he shouldn't have said "supermarket". The next word appears, "notebook")* Oh! I see-I see what I did. Yeah, ok, ok, uhm... I'm writing in my...

Gene: Diary.

Joey: Noo, *(whispering)* more like a notebook... Damn it! *(next word appears: "blueprint")* Oh, if I'm building an house, the plan isn't called the 'shmoo-print'... Can't say that either? Whoa... hey... *(the last word is "Football field" and there are 5 seconds left)* In high school, I once had sex with a girl right in the middle of the...

Gene: Cafeteria.

Joey: Yeah! But that is not what they're looking for. *(time's finished)* OOOH!

[Scene: Monica's apartment, where Phoebe's bachelorette party is taking place.]

Phoebe: *(to Rachel)* Thank you so much for this.

Rachel: Oh, d'you like it?

Phoebe: Oh my God, it's all so elegant! When's the dirty stuff starting?

Rachel: What?

Phoebe: You know, the strippers, and the guys dancing, and you know, pee-pee's flying about.

Rachel: Pheebbs, I... there isn't gonna be any flying about! We actually thought we were a little too mature for stuff like that.

Phoebe: Oh, ok. I see what you're doing, that's fine. This is all there is, just tea, uh, ok. *(she drinks her tea)* Hmmm... *raunchy!*

Rachel: Seriously Pheebbs, it's not gonna be that kind of a party.

Phoebe: Really? So this is... this is my big send off in the married life? Rachel this is the only bachelorette party I'm ever gonna have! I've got a

big wad of \$1s in my purse! Really? I mean, really? It's just tea?

Rachel: Nooo! Phoebe, of course there is more! I mean, I'll just go and talk to Monica and get an ETA on the pee-pee's!

[Scene: Joey's at the game show "Pyramid" with host Donny Osmond.]

Donny: Now Gene I must remind you, you need all six of those to stay in the game, all right? Describe for Joey things you find in your refrigerator.

Joey: Ahaha, he might as well just give us the points.

Donny: Give me twenty seconds on the clock. Ready? Go! *(the first word is cream)*

Gene: You put this in your coffee.

Joey: A spoon. Your hands. Your face!

Gene: It's white!

Joey: Paper, snow, a ghost!

Gene: It's heavier than milk!

Joey: A rock, a dog, the earth.

Gene: Pass!

(the second word is mayonnaise)

Gene: You put this on a sandwich.

Joey: Salami, anchovies, jam!

Gene: It's white!

Joey: Paper, snow, a ghost!

Gene: It's made from eggs!

Joey: Chickens?

Gene: Pass!

Joey: Oh!

(The third word is ketchup)

Gene: You put this on a hamburger!

Joey: Ketchup!

Gene: Yes!

(The fourth word is soda)

Joey: Relish!

Gene: Stop!

Joey: Oh.

Donny: Oh, time's up! Joey! You were, uh, *almost* on a roll there...

Joey: Yeah...

Donny: Uh, Gene, you're gonna have a chance to go to the winner circle in the second half. But right now Henrietta you are going to the winner circle to try your luck for *ten thousand dollars*, right after this, don't go away.

Stage Manager: And we're out!

Joey: Oh, so we didn't win, but it's fun to play the game, right?

Gene: Hey! I got a kid starting college. I've to get surgery on my knee, you just lost me ten grand!

Joey: Oh, wow! I'm so sorry, ok? I promise, we'll do better next time!

Gene: Well, I will, because I won't be playing with you.

Joey: Hey, you know, some of those are pretty hard! Like why would there be a ghost in my fridge? *(pause)*. Yeah!

[Scene: College reunion party. Ross is talking to Missy.]

Ross: So, Saturday night!

Missy: I'd love to!

Ross: Great!

Missy: So how come it took you so long to ask me out?

Ross: Oh, well, uh, this is gonna sound kinda silly, but, do you remember my roommate Chandler Bing?

Missy: Sure, he was in your "band"?

Ross: It's been sixteen years but the air quotes still hurt.

Missy: Sorry.

Ross: That's ok. Uh, anyway, well he and I both really liked you a lot, um, but we didn't want anything to jeopardize our friendship, so we kinda made a pact, that neither of us could ask you out!

Missy: Really?

Ross: Yeah, why?

Missy: Well, Chandler and I used to make out! A lot!

Ross: You did?

Missy: Yeah. We'd go to the science lab after hours!

Ross: *(angrily)* AND ON MY TURF?

[Scene: Monica's apartment. The bachelorette party.]

Monica: *(to Rachel)* Hey, where is this guy, it's been over an hour!

Rachel: Well, he's coming from Jersey, he said he would get here as fast as he could!

(someone knocks at the door)

Monica: Who is it?

Man: It's the police!

Rachel: *(pretends to be shocked)* Uh! The police!

Phoebe: *(Excited, running back to her seat)* Oh!

Man: That's right, it's officer Goodbody.

Monica: What's the matter, officer? Has someone been bad? *(looks over to Phoebe and she opens the door, and to their dismay, the stripper is an old, short, fat guy who looks exhausted)*

Roy, the male stripper: *(coughs)* Whoo, that's a lot of stairs!

COMMERCIAL BREAK

Roy: Ooh, boy. You should warn people there's no elevator! I should not have had that Mexican food for lunch.

Monica: Are you gonna be ok, officer, uhm...

Roy: Goodbody!

Monica: ...If you-say-so.

Roy: So where's the young lady who I'm supposed to take *(he shakes his hips)* downtown! *(Monica points Phoebe)*

Phoebe: Oh, God!

Roy: All right, somebody show me where to plug in my box, and we'll get this party started! *(he thrusts his pelvis towards Phoebe)* Whaaaa... *(walks back to plug in his cd player)* Here? All right.

Phoebe: Rachel?

Rachel: Yeah?

Phoebe: Are you kidding?

Rachel: All right, look, we did not know that you wanted a stripper so we went to the phonebook and we got the first

name we could find!

Phoebe: How old is your phonebook?

Monica: Oh my God, this man is gonna get *naked* in my apartment!

Phoebe: Oh God no, I don't wanna see him take his clothes off!

Roy: Are you talking about me?

Monica: Oh, no! I mean, obviously we want to see you take your clothes off! You big piece of eye candy!

Roy: Ok, ok, ladies! Can I have your attention, please? *(pause)* Did someone call for the long arm of the law? *(He extends his arm from around his crotch and then upward and outward, towards Phoebe)* I should warn you, I have a concealed weapon! *(Puts his hands over his crotch)* I hope you're familiar with the States penal code, ok, ok, enough teasing. Now for some pleasing! *(he uses his remote to turn on the music, "Tainted Love" by Soft Cell, and starts dancing for Phoebe. He shakes his butt, moves his shoulders back, grabs his crotch and hops towards Phoebe. Phoebe is half horrified and half scared. He takes his hat off and throws it away, does some "Can Can" high kicks and swings his butt in front of Phoebe who looks at it in disgust. Then he tears open his shirt and shows her his chest and she flinches.)*

Roy: Whoa, whoa, whoa *(he turn off the music)*. She cringed!

Phoebe: This is how I look when I'm turned on!

Roy: You were talking about me before! Look, I don't need this! I'm outta here! Where's my hat? *(goes to get it)* Look, I've been in this business for a long time!

Phoebe: Shocking!

Roy: Now if you just pay me my three hundred dollars, I'll be on my way!

Phoebe: Three hundred dollars, are you kidding?

Rachel: No, that's ok, let's me just get my check book!

Phoebe: No, that's not gonna pay him, he didn't do anything!

Roy: Didn't do anything? I took a bus all the way from Hoboken. I climbed ... I dunno... like a *billion* stairs... It's not like I can take them two at a time!

Phoebe: I don't care. We're not paying you 300 dollars for this.

Roy: Well, look - it's not my fault if you're too uptight to appreciate the male form in all it's glory.

Phoebe: Oh yeah, okay. *I'm* uptight. Yeah, that's why I don't want to watch a middle aged guy dance around in what I can only assume is a child halloween costume! *(turns to look at Monica and Rachel who look like they feel very sorry for the stripper)*

Roy: I may have borrowed this from my nephew, but let me assure you, what's underneath *(points at his groin)* ... is all man.

Phoebe: I'm sorry, did you say all man or *old* man?

Roy: *(making a crying face)* Oh, you're mean!

Monica: *(walks towards Phoebe and the stripper)* Uh, look, officer... uhm Sir...

Roy: Damn it. OH! *(To Phoebe)* Big surprise! The hunk of beef has feelings!

[Scene: At Pyramid. Joey is with the woman now.]

Donny: Ok Henrietta, you've picked Jack and Jill went up the hill.

Joey: *(To Henrietta)* My friend Rachel has a kid. I totally know nursery rhymes! *(makes a thumbs up sign)*

Donny: Joey describe these things associated with the United States congress. *(Joey goes form looking very confident to looking very shocked the instant the word congress is said)* Give me 20 seconds on the clock please. Ready? Go!

(Camera goes to Joey. The clock is at 20 sec. The word "Legislature" appears. He looks at it blank faced and his eyes shift between Henrietta and his screen)

Joey: Oh, .. uh... uh... pass. *(Next word: "Rotunda")* Pass. *(Next word: "Filibuster" stares at it a moment)* Pass. *(Henrietta is looking very confused)* *(Next word: "Addendum" 4 seconds remaining)* Okay, the little thing that hangs down at the back of your throat.

Henrietta: Uvula!

Joey: Oh, then pass. *(Next word: "Joint session", but time's up. Joey acts very disappointed)*

Donny: O-kay... Henrietta, you didn't get all the points you needed, so that means Gene, you are going to the winners circle to try for ten thousand dollars! *(Gene is clapping his hands looking very happy and so is Joey)* And you're gonna be going there with Joey Tribbiani *(Both of their smiles fade away instantly)*

[Scene: Class of '91 reunion. Ross is walking angrily towards Chandler, who is talking to two other guys.]

Ross: *(To Chandler)* You made out with Missy Goldberg. How could you do that, after you *promised* me?

(Chandler looks at the other two guys, embarrassed)

Chandler: *(to the two guys)* Excuse me. *(Chandler and Ross move away from them)*. That didn't make us sound gay at all!

Ross: You broke the *pact*!

Chandler: Ross, that was 16 years ago!

Ross: That doesn't matter! We're talking about the foundation of our friendship.

Chandler: I believe the foundation of our friendship was unfortunate hair. *(Ross just stares at him)* All right, look, if we're really gonna do this... it's not like *you* never broke one of the pacts.

Ross: I didn't.

Chandler: Oh really?

Ross: No.

Chandler: Oh really?

Ross: NO!

Chandler: ADRIENNE TURNER!! (A girl behind them turns around)

Adrienne: Yes?

Chandler and Ross: Hey! Hey Adrienne. (They move away from her)

Ross: I never did anything with Adrienne Turner.

Chandler: Oh please, and you knew how much I liked her.

Ross: I don't know what... you're talking about.

Chandler: Really?

[Flashback scene: 80's College party.]

Present Chandler's voice: Remember that big party? Freshman year? A week before Christmas vacation? I do. You had some visitors.

(An 80's Rachel and fat Monica walk into the party room. Both with funny hairstyles and clothes)

Monica: I can't believe we are at a real college party! (Rachel laughs excitedly) I have to pee so bad!

Rachel: This is so awesome! College guys are so cute!

Monica: Hey, you've got a boyfriend!

Rachel: I know. But if some guy who looks like Corey Haim wants to kiss me tonight, I'm sooo gonna let them! (They spot Chandler)

Monica: Look, there's Chandler, you know, that stupid friend of Ross' who said I'm fat. You know I've already lost 4 pounds!

Rachel: It... You can so totally tell.

Monica: I KNOW!

Rachel: Well let's see. Maybe he knows where Ross is. (They walk towards Chandler) Hey, how's it going (tries to look as un-interested in him as possible - checking out her nails)

Chandler: Aren't you...?

Rachel: Yeah, Rachel. And this (points to Monica) is Ross' sister, Monica. We met at Thanksgiving. (looks around the room as if searching for something more interesting to do)

Chandler: (smiling at Monica) Right. (to Rachel) So how're you doing?

Rachel: Bitchin'

Chandler: Hi Monica.

Monica: Hi Chandler. It's really nice to see you (rolls her eyes) NOT. (she and Rachel giggle a little and Chandler looks unimpressed)

Chandler: O-kay. I'll see if I can find Ross. (Goes off to find Ross.)

Monica: Oh my God Rach. Bean bag chairs.

Rachel: Oh.

Monica: Do NOT let me sit in one of those. We'll be here for days.

(Cut to Chandler. He's walking around looking for Ross. He sees him kissing a girl next to a vending machine)

Ross: Listen Adrienne, you can't tell Chandler about this.

Adrienne: Oh believe me, Ross, I won't be telling anybody about this.

Ross: Cool! (They start kissing again and Chandler looks shocked)

[Scene: We cut back to the present. The reunion where Chandler and Ross are talking.]

Ross: I didn't know you knew about that.

Chandler: Well, I did and it hurt. (they walk towards the bar) That's when I wrote the song: "Betrayal In The Common Room".

Ross: (looks disappointed in himself) Man... I... I'm sorry.

Chandler: Look (hands him a drink) it was a lo-o-ong time ago.

Ross: So, eh. I made out with Adrienne and you made out with Missy. Well I guess we're even.

Chandler: (smiling a little nervously) Hmm mmmhm..

Ross: We are even, right?

Chandler: (sighs) Just one more thing. I was so pissed at you that night that I wanted to get back at you. So I thought, who does Ross like the more than anybody?

Ross: (thinks about it for a few seconds) What did you do to my mom?

Chandler: Not her!

[Flashback scene: We cut back to the 80's party. Rachel and Monica are "dancing".]

Rachel: I am sooo drunk.

Monica: That's weird. I've had the same number of beers as you and I don't feel anything at all. (Chandler approaches)

Chandler: Soo... you girls having fun?

Monica: For your information, *ass munch*, I've lost four pounds. Maybe even five with all the dancing. (A guy enters holding a pizza box)

Pizza guy: SOMEBODY ORDER A PIZZA?

Monica: Oh THATS ME! (she runs to the pizza guy)

Rachel: (finishing the last of her drink) I am soo not going to do good on my SATs tomorrow.

Chandler: Well maybe if you go to school here next year we can totally hang out.

Rachel: (sarcastic) Oh yeah. There is a plan! Why don't I just start taking my smart pills now?

Chandler: Well, maybe you can get in on a beauty scholarship.

Rachel: (blushing) Oh, what a line. (walks towards the drinks table with her back towards Chandler and whispers "Oh my God!")

Chandler: So where are you applying to?

Rachel: Oh well, You know, I think it's kinda really important that I go somewhere where there's sun,

so I'm sort of... (Chandler leans in and kisses her) (She pulls away) Hey!

Chandler: I'm in college and I'm in a band.

Rachel: (She considers it for a second) Yeah okay. (She puts her hands around his neck and they start kissing again)

[Scene: Monica's apartment. The stripper is sitting at the kitchen table. Monica, Rachel and Phoebe are standing around him]

Roy: What's the matter? You never saw a 50 year old stripper cry before?

Phoebe: You know, it's fine. We'll pay you.

Roy: No, no, you're right. Who am I kidding? I should have hung up that breakaway jockstrap years ago. What am I gonna do? I mean, this has been my life for thirty two years. Taking my clothes off in front of people is all I know.

Rachel: No, wait. No there's gotta be something else that you can do. I mean, what skills do you have?

Roy: I don't know... I can make my pecs dance... I can pick up a dollar bill with my butt cheeks... I can go to that special place inside me where I feel no shame.

Rachel: So maybe something in an office.

Phoebe: Or you could teach stripping. You know, share your gift, pass the torch.

Roy: You know, actually that's not a bad idea. I can do it out of my apartment. I don't think my mom would mind.

Phoebe: There you go. Okay, do you think you're gonna be okay?

Roy: Yeah, yeah, yeah... This is so weird. I mean, you never know when it's gonna be your last dance. And I didn't even get a chance to finish it.

Phoebe: (after a pause) Finish it!

Roy: What?

Phoebe: Your last dance. Do it for us.

Roy: Really?

Rachel: (to Phoebe) Really?

Phoebe: Yeah, yeah. He deserves to do the thing he loves one last time.

Roy: Okay, all right... Get ready ladies! (they sit down and Roy plays "You Make Me Feel" by Sylvester on his boom box, and starts... With his back towards the girls, he starts waving his hands, then backs towards the girls slapping his butt, then swings it around, and makes thrusting pelvic movements in front of Phoebe. He dances around the tables in between all the girls, and gets back into the kitchen part of the room. He then tears off one of his sleeves and throws it towards Monica and Rachel, who fight over who gets it. He then tears off his other sleeve and moves it back and forth between his legs, getting closer to Phoebe.)

Phoebe: Oh this is so ho-o-o!

(Roy then sits on Phoebe's lap, looking exhausted)

Phoebe: Oh no, no, no, don't stop!

Roy: (out of breath) Have to...

[Scene: The game show studio. Joey and Gene are sitting in the winner circle.]

Donny: Well, welcome to the Winner Circle. Joey and Gene, you guys ready?

Joey: (nervously) Yeah...

Gene: (irritable) Sure. (Joey gets even more nervous)

Donny: Okay. Give me sixty seconds on the clock please... Ready, GO! (runs off)

(the screen says "6 to win" and "types of trees")

Gene: Oak, maple, elm, birch...

Joey: I-I-I don't know. Types of trees?

(Joey hears the bell which means his answer is correct and is surprised. The screen now says "5 to win" and "Spanish words")

Gene: Uhm... Buenos dias, enchilada, por favor...

Joey: (sympathetic) Oh, I'm so sorry. I don't know any Spanish words.

(There's the next bell, and the correct answer. The screen changes to "4 to win" and "things that burn". Gene now realizes that he got two correct answers and gets up in his seat.)

Gene: A match, a candle...

Joey: Things that go "tsstst" when you put them out.

Gene: A torch, a bonfire... (Joey seems lost) uhm, your pee...

Joey: Things that burn.

(and another bell for the correct answer. "3 to win" and "What a dog might say")

Gene: "I'd like to go for a walk", uhm "scratch my belly".

Joey: Dude, dude! I think you're losing it.

Gene: Uhm, "I have fur", "I like to bark".

Joey: Oh, oh, oh... What a dog says.

(the bell sounds again, "2 to win" and "pizza toppings")

Gene: Pepperoni...

Joey: (instantly) Pizza toppings, next!

(there's 10 seconds left, "1 to win" and "Supermodels")

Gene: Cindy Crawford, Christie Brinkley, Heidi Klum, Claudia Schiffer...

Joey: Oh, oh, oh... (5 seconds left)

Gene: Christie Turlington, Kate Moss...

Joey: Girls Chandler could never get?

Gene: (irritated) Supermodels!

Joey: Where? (looking around)

[Scene: Chandler and Monica's apartment. Monica's there and Ross and Chandler walk in.]

Ross: Hey, where's Rachel?

Monica: She and Phoebe took the stripper to the hospital.

Ross: Did you know Chandler kissed Rachel?

Monica: What? When was this?

Ross: Nineteen Eighty Seven. The weekend you guys visited me at school.

Monica: Oh my God! That's wild!

Chandler: Yeah, but it was like a million years ago, so it doesn't matter.

Ross: Well, it matters to me.

Chandler: Why?

Ross: Because... the night you kissed Rachel was the night I kissed Rachel for the very first time.

Chandler: You kissed her that night too?

Monica: Two guys in one night? Wow, I thought she became a slut after she got her nose fixed.

Chandler: Seriously, where did this happen?

Ross: Okay, after you told me she was passed out in our room, I went in there to make sure she was all right. She was lying on my bed, all buried in peoples' coats. Well, I went to kiss her on the forehead, you know. But it was so dark, I accidentally got her lips. I started to pull away, but then I felt her start to kiss me back. It was only for a second, but... it was amazing. And now, now I find out that you kissed her first.

Chandler: Oh wait... What bed did you say she was on?

Ross: Mine.

Chandler: I'm pretty sure I put her on my bed.

Ross: No, she was definitely on my bed.

Chandler: Why would I kiss a girl, and then put her on your bed?

Ross: Well, then who was on my bed?

Monica: (screaming) OH! Oh, oh! (holding her hand in front of her mouth)

Ross: (realizing) NO! No, no!

Monica: YES! (Chandler gets an "oh no!" look on his face)

Ross: You were under the pile of coats?

Monica: I was the pile of coats!

Ross: OH MY GOD!

Monica: You were my Midnight Mystery Kisser?

Ross: You were my first kiss with Rachel?

Monica: You were my first kiss ever?

Chandler: What did I marry into?

COMMERCIAL BREAK

[Scene: Back at the party in 1987. People are dancing to "Disco Inferno" by The Trammps.] (Monica is dancing. At first she seems insecure and moves slowly, but then gets into the groove and swings her hips from side to side while holding her hands up. She then eats the last piece of pizza she was holding and again moves her hips from side to side, pushing her hands in the air in beat with the music. Her moves get more wildly while she's snapping her fingers. She loses balance and falls back onto a pink bean bag.)

Monica: Oh, crap!

THE END

1012 The One With Phoebe's Wedding

[Scene: Central Perk. Joey's sitting on the couch and Phoebe enters.]

Phoebe: Oh, hey Joey.

Joey: Uh, hey.

Phoebe: Listen, I need to ask you something. Ok, you know how my step dad's in prison.

Joey: (afraid) Yeah.

Phoebe: Yeah. Well, uhm... listen he was supposed to get a weekend furlough, so he'd come to the wedding tomorrow, but he just called and... uhm... well, apparently stabbing Ieman in the exercise yard just couldn't wait till Monday.

Joey: So he can't come?

Phoebe: No, and so there's no one to walk me down the aisle and... well, I would just really love it if you would do it.

Joey: Seriously?

Phoebe: Yeah, you've... you know, sort of been like a dad to me. I mean, you've always, you know, looked out for me and shared your wisdom...

Joey: I am pretty wisdomous.

Phoebe: So... what do you say?

Joey: Are you kidding? Phoebe, I would be honored. (they hug)

Phoebe: Oh, thank you. I hope... I hope you know how much you mean to me.

Joey: (takes her hand) Listen, I hope... that you know... (has difficulty saying it) I don't want you to see your father cry, GO TO YOUR ROOM!

OPENING CREDITS

[Scene: Central Perk. Phoebe and Joey are sitting on the couch. A waitress brings a coffee and Phoebe wants to pay.]

Phoebe: Oh.

Joey: Oh no, no, no, let your dad get this.

Phoebe: (her mobile phone rings) Oh, it's my wedding planner. She's driving me crazy! (she answers) Hello... Hey, ok, stop screaming! Ok? So, halibut. All right, so salmon, either way. I don't-I don't... it doesn't matter to me!

Monica: (she enters with a headset on and she's speaking into the microphone) Well, it matters to me!

Phoebe: Well, I don't care, so you pick!

Monica: Did you just hung up on me? (she hangs up too) All right, look, I need you at the rehearsal dinner tonight at 1800 hours.

Phoebe: Uh-uh. Ok. What time is that.

Monica: You don't know military time?

Phoebe: Why, I must have been in missile training the day they taught that.

Monica: Just subtract twelve.

Phoebe: Ok, so... 1800 minus twelve is... one thousand, seven hundred and...

Monica: (screaming) Six o'clock!

Phoebe: Ok.

Monica: Ok. Hold on. (her mobile phone rings) Geller here! No! I said it has to be there by 4 o'clock. Goodbye. (she hangs up) Oh, how hard it is to make an ice sculpture?

Phoebe: Ice sculpture? That sounds really fancy! I told you I just want a simple wedding.

Monica: Please... honey, leave the details to me. Now I wanna make this day as special for you as I can. Now, ok, I was thinking that the harpist should wear white.

Phoebe: What harpist? My friend Marjorie is playing the steel drums.

Monica: Ooh... she backed out.

Phoebe: She did? Why?

Monica: I made her. *(Phoebe looks shocked)* Steel drums don't really say "elegant wedding". Nor does Marjorie's overwhelming scent.

Phoebe: *(looking angry)* Hey! She will shower when Tibet is free.

[Scene: The wedding rehearsal dinner.]

Chandler: Hey!

Phoebe: Hey!

Chandler: You look great. I'm so glad we're having this rehearsal dinner, you know, I so rarely get to practice my meals before I eat them.

Phoebe: Okay, what did we say was your *one* gift to us?

Chandler: No stupid jokes. I thought that was for the actual wedding.

Phoebe: Rehearse it!

Ross: Hi! *(he kisses Phoebe)*

Mike: Thanks for coming you guys.

Ross: Oh, *(he goes towards Mike in order to shake hands but Mike hugs him)* hey, oh... I... I was-I was going for a hand shake.

Mike: Is that why your hand is pressed against my crotch?

Ross: That is *why!*

Mike: Yeah.

Phoebe: So Rach.

Rachel: Yeah.

Phoebe: Where is Emma?

Rachel: Oh, Monica made me send her to my mother's. Apparently babies and weddings don't mix.

Monica: *(coming)* Are you still crying about your damn baby? Pheebys, you gotta keep the line moving, remember, 20 seconds per person. You see these clowns all the time! *(she takes off)*

Joey: Hey, you're Mike's parents, right?

Mike's mother: Yes, we are.

Joey: Ah, our little ones are growing up fast, uh?

Mike's father: How's that?

Joey: You know, on the one hand you're happy for them, but on the other hand it's hard to let go.

Mike's father: Who in God's name are you?

Joey: Hey, I'm not that fond of you either, ok buddy? But I'm just trying to be nice for the kids! *(Cut to Ross, Chandler and Rachel)*

Chandler: *(to Rachel)* You know what I just realized? We have no idea what we're doing in the wedding tomorrow.

Ross: Yeah, I thought we'd be groomsman, but wouldn't they have asked us by now? When did they ask you to be their bridesmaid?

Rachel: Uh... November?

Ross: I wanna say it's not looking good.

Rachel: Hey Pheebys...

Phoebe: What's up?

Rachel: Uhm... you haven't told these guys what they're doing in the wedding yet.

Chandler: Heh.

Phoebe: Uhm... well, they're not in the wedding.

Ross: What? *(Ross and Chandler don't know what to say, so there's an embarrassing long pause)*

Rachel: Well, this is really awkward *(staring at the floor)* Oh, and I can leave!

Phoebe: I'm sorry you guys but, you know, Mike's got his brother and his friends from school so... you know, you were, you were... if it helps you, you were next in line, you just, you just missed the cut.

Ross: Oh, man!

Chandler: This is like figure skating team all over again. *(Phoebe and Ross glare at him astonished)* I mean synchronized swimming. *(they continue to glare)* I mean- I mean the balance beam. *(to Ross)* Help me!

Ross: FOOTBALL!

Chandler: Thank you.

Monica: *(looking at Phoebe eating something)* Pheebys, spit that out, that has pork in it.

Phoebe: Oh! I thought the pot stickers were supposed to be vegetarian!

Monica: Yeah, I changed them. I, I sent you a fax about it!

Phoebe: I don't have a fax machine.

Monica: Ah, well then there are gonna be a few surprises!

Ross: I can't believe we're gonna be the only people that aren't in this wedding.

Chandler: I know, I hate being left out of things.

Ross: And it's a wedding! It'd be weird if I'm not in it...

Mike: Hey guys, how is it going?

Chandler: Fine. We're just sitting here. Alone. Doing nothing. It's our rehearsal for tomorrow.

Mike: Yeah look, about tomorrow, I... I've got a question for ya. I just found out that one of my groomsman had had an emergency and can't make it.

Chandler: What happened?

Ross: Who cares, AND?

Mike: ...and I was wondering if... you know, maybe one of you guys...

Ross: *(stands up)* I'll do it!

Chandler: *(standing up too)* M-Me, me, me!

Mike: You both wanna do it? Uhm... there's only room for one.

Chandler: Pick me, I look great in a tux and I will not steal focus.

Ross: No, Mike, no, no. You wanna pick me, I mean... watch! *(he mimics the groomsman's way of walking down the aisle with a bridesmaid)* Huh?

Mike: You know, I really don't feel very comfortable making this decision. You know, Phoebe knows you better, I'm gonna let her choose. *(he leaves)*

Ross: *(to Chandler)* Well, if Phoebe's choosing, then say hello to Mike's next groomsman.

Chandler: Oh, I will. But I will need a mirror... as he is me!

Ross: Please, you're going down!

Chandler: You are going down!

Ross: Is that what they say on the Figure Skating Team?

Chandler: *(almost crying)* I wouldn't know, I didn't make it! *(they hug)*

[Scene: Wedding rehearsal dinner. Joey and Mike are talking.]

Joey: So, you know I'm filling in for Phoebe's step dad, tomorrow, right?

Mike: Yeah, yeah. Hey, thanks for doing that.

Joey: Oh, hey, my pleasure. *(he suddenly becomes very serious)* So what are your intentions with my Phoebe?

Mike: I intend to marry her.

Joey: Oh, a wisecrack. *(Mike looks bewildered)*. No, no, no, I understand you plan to support your wife by playing the piano? Isn't that kind of unstable?

Mike: No more so than acting.

Joey: Strike two!

Mike: You're right. She probably will support me. Hey, unless we move in with you, dad?

Joey: Strike three! You only get one more, Mike! *(Cut to Chandler and Ross. Phoebe comes out of the ladies room and they run toward her.)*

Ross: So, what did you decide?

Phoebe: I decided to pee.

Chandler: Mike didn't tell you? You have to choose one of us to be in your wedding. One of his groomsman fell out.

Phoebe: Oh, no, no. I can't choose between you two! I love you both so much!

Chandler: Just not enough to put us in the original wedding party.

Phoebe: Oh, I don't wanna choose! It's *(Rachel is walking by)*. Oh okay, wait. Rach! Listen I have a very special bridesmaid task for you today.

Rachel: *(excited and clapping her hands in front of her face)* Goody, what is it!

Phoebe: Well, there's a spot open for only one groomsman and you have to choose between Ross and Chandler. So good luck with that.

Rachel: What, what, what, no, I don't wanna do that.

Phoebe: All right, I guess I'll have to find a new bridesmaid.

Ross: I'll do it! *(Monica approaches)*

Monica: Ok, it's 2100 hours. *(to Phoebe)* Time for your toast. *(Mike appears)*

Mike: Do I have a minute to go to the bathroom?

Monica: You had a bathroom break at 2030. Pee on your own time, Mike! *(to Phoebe and Mike)*. Now, in regard to the toast, okay, you wanna keep them short, nothing kills a rehearsal dinner like long speeches. Okay. You just get in, do your thing and get out!

Mike: Is that what you say to Chandler?

Monica: *(very serious)* It's 2101 and I am not amused. *(pause)*. Ok, the bride and groom have a few words they'd like to say. *(Everyone sits and Phoebe gets up)*

Phoebe: Ok. Hello everyone and thank you all for being here tonight. So tomorrow's the big event and some of you might not know, but Mike and I didn't get off to the best start. *(she reads a note)*. My friend Joey and I decided to fix each other up with friends so I, I... *(Monica is twirling her hands in order to make Phoebe speed up her speech)* oh I... hum... I gave it a lot of thought and I fixed him up with my friend Mary Ellen who couldn't be here tonight because... *(Monica is tapping her watch with her finger)* it's not important... she is in rehab. Anyway, so, ok, Joey said that he was fixing me up with his friend Mike, only he didn't have a friend Mike so he just brought, uhm, my Mike and, and *(Monica clears her throat)* but despite, you know... it got... it got good. Ok, I wanna take a moment to mention my mother, who couldn't be here...

Monica: *(rolling her eyes):* oh God.

Phoebe: And... moment's over! *(Rachel, Joey and Chandler all turn and look disapprovingly towards Monica but she just shrugs it off)* So, ok, uh, I can forget that. I can forget that and uhm... *(she's flipping cards skipping half of them)* Oh this is funny! Oh, but you need to know that to... that, to... Oh, ok, well, uhm, I *(Monica is miming CUT)*. Ok, ok, I, ok, I... MONICA I CAN'T DO IT LIKE THIS! THIS IS MY WEDDING! OKAY, I DON'T WANT THIS *(she mimes Monica's when she was twirling her hands)* OR THIS *(she taps her watch)* OR THIS *(she mimes CUT)* OK? I JUST WANTED A SIMPLE WEDDING! WHERE MY FIANCEE CAN GO TO THE BATHROOM ANYTIME HE WANTS! *(pause)* You know what? You're done.

Monica: What?

Phoebe: YOU'RE FIRED! *(mimes the CUT again)* *(pause and she raises her glass)* Cheers! *(Chandler raises his, smiling and Monica stares at him and he puts down his glass.)*

[Scene: Joey's apartment. Joey's having breakfast; Phoebe enters the room carrying her wedding dress.]

Phoebe: Hey!

Rachel: Happy wedding day!

Phoebe: Oh, happy my wedding day to you!

Rachel: Okie-dokey, Joey, listen. This is gonna be

bridesmaid central, all right? We're gonna have hair and make-up going on in the bathroom and oh, I had to move a couple of things in the fridge to make room for the corsages.

Joey: Oh, man! I wouldn't have had breakfast if I knew there was going to be corsages!

(Monica enters the room)

Monica: Hi. About last night... I know you are under a lot of stress and even though the things you said hurt me a little bit... My point is, uh, well, I'm willing to take my job back.

Phoebe: Oh, well that's ok. I think you and I will do much better if you're just... here as a bridesmaid.

Monica: Oh, is that so? Ok. If that's really what you want, then here... I give you the headset. Well, I don't really want to give you the headset. Well I guess if you're taking over, you should probably return these messages. *(hands her a stack of papers with messages and calls to return)*

Phoebe: Wow, this is a lot!

Monica: Uh-huh, but I'm sure you can handle this. I mean, I have won awards for my organizational skills, but, uh, I'm sure you'll do fine.

Phoebe: You won awards?

Monica: Mm-mh. I printed them out on my computer. *(Ross enters the room)*

Ross: Hey!

Monica: Hi.

Ross: Where's Rach?

Monica: She's in her room, why?

Ross: I have to talk to her about this groomsman situation, ok? I'm not gonna watch Chandler up there while I'm sitting in the seats like some chump! *(he goes to Rachel's room, knocks the door and enters the room.)* *(very fake gasp)* Oh! My God! You're breathtaking!

Rachel: What d'you want?

Ross: You haven't by any chance chosen a groomsman yet, have you?

Rachel: Oh, Ross, c'mon, please! Don't make this harder than it already is!

Ross: I'm not! I'm making it easier! Pick me!

Rachel: Well, Chandler said that it's really important to him too!

Ross: Listen, listen. Whoever you pick is gonna walk down the aisle with you! Now, I promise I won't say a word, but if you pick Chandler he's gonna be whispering stupid jokes in your ear *the whole time!*

Rachel: Oh, you are the lesser of two evils!

Ross: *(waving his fist in the air in triumph)* YES, YES!

[Scene: Joey's apartment. Phoebe is talking at the phone, Monica is listening amused.]

Phoebe: Sven I don't understand what you're saying! What is wrong with the flowers? Lorkins? What the hell are lorkins?

Monica: I know. *(Mike enters the room.)*

Mike: Hey.

Phoebe: Listen, Mike, if you were Swedish and you were saying the word "lorkins" what flowers would that be?

Mike: *(thinks a moment)* Orchids?

Phoebe: Right there! That's why I'm marrying you! *(Joey comes out from his room)*

Joey: *(to Mike)* Hello Michael.

Mike: Joseph.

Joey: May I have a word with you, please?

Mike: *(looking around the room)* This is... great...

Joey: Have a seat. *(Mike sits on his bed, and Joey towers over him. He starts talking in an Italian godfather-type voice)* Last night, I tried to welcome you into my family... and instead, you disrespect me... *(shakes his head)* I cannot allow this.

Mike: *(not amused)* Are you rehearsing for some really bad mafia movie?

Joey: More back talk. And yes, I may be borrowing a few lines from my recent unsuccessful audition for "Family Honor 2: Thissa Time Itsa Personal."

Mike: Joey, I kinda have a lot to do today, what do you want?

Joey: I want you to take this seriously! Phoebe is very very important to me, ok? And I wanna make sure that you are gonna take care of her.

Mike: *(gets up)* Joe, I love Phoebe. She's the single most important thing in my life. I'd die before I let anything happen to her.

Joey: *(very satisfied and smiling)* That's what I wanted to hear! Because she's family, ok, and now you're gonna be family, and there is nothing more important in the whole world, than family.

Mike: That must have been one lousy movie.

Joey: *(almost crying)* That was ME!

[Scene: Monica and Chandler's apartment. Chandler is pacing and Rachel walks in.]

Rachel: Hi

Chandler: Hey, can I talk to you about this groomsman thing? If you pick Ross, he'll walk you down the aisle just fine. But if you choose me, you'll be getting some comedy!

Rachel: Even so, I think I'm gonna pick Ross.

Chandler: Let me tell you why you need to pick me. *(Goes to sit on the couch facing backwards to the kitchen. Rachel gets a chair and sits opposite him)* See, when I was a kid, I was always left out of everything, you know, and it really made me feel... insecure. You know, I was always picked last in gym. Even behind that big fat exchange student who didn't even know the rules to baseball. I mean, this guy would strike out and then run to third. Anyway, if I'm the only one left out of this wedding, I just know that all those feelings are gonna come rushing back.

Rachel: All right fine, I pick you.

Chandler: (Getting up and raising his fist in victory) Y-Y-YEEESS! Make "groom" for Chandler.

Rachel: (not amused by his pun but forcing a smile anyway) Oh my...

[Scene: Joey and Rachel's apartment. Phoebe is on the phone and Monica is nonchalantly "minding her own business".]

Phoebe: No! We're gonna do it my way. (listens) Because your way is stupid! Alright I gotta go, I have another call, Reverend. (switches calls) Hello?

(Mike and Joey come out of Joey's room)

Joey: I'm glad we had this little talk.

Mike: Yes. Yeah and thanks for all the wedding night advice. (walks away) That didn't make me uncomfortable at all! Alright, so I'll see everybody tonight?

Phoebe: Okay.

Monica: Bye.

(Mike opens the door and there is a gigantic ice sculpture standing in the doorway)

Mike: Uhm, did you guys know that there is a giant ice sculpture in the hall?

Phoebe: Oh my God, what's it doing here?

Monica: (Obviously enjoying this setback) Ugh, I guess it got sent to the billing address as opposed to the shipping address. (by now she can barely keep herself from smiling) Uhh! What a pickle.

Phoebe: (starting to panic) Oh my God, everything is such a mess. Why is this happening to me?

Joey: (staring at the ice sculpture) How bad do you want to stick your tongue on that? (They all glare at him)

[Scene: Central Perk. Ross is getting coffee at the counter. Chandler walks in.]

Chandler: How's it going?

Ross: (smiling to himself) Good. I'm just getting some coffee. So I'm alert for the wedding.

Chandler: (smiling to himself too) That's what I was doing too.

Ross: (barely containing himself at this point) Well, you have fun tonight.

Chandler: You too.

Ross: Oh, I will.

Chandler: Me too.

(They walk passed each other, Ross towards the door, Chandler towards the counter, suddenly they turn around to face each other)

Ross: Wait a minute, I know why I'm being such an ass, why are you?

Chandler: I'm not supposed to tell you.

Ross: I'm not supposed to tell you!

(Cut to Joey and Rachel's apartment. Chandler and Ross storm in looking very unhappy)

Chandler: You told us both we could be in the wedding? (they both stare at Rachel)

Rachel: Well, in my defense, you were not supposed to tell each other.

Ross: Rachel, only one of us can do it, you have to choose. You and me together again. (he winks at her and Rachel looks disgusted)

Chandler: Rach, Rach, knock knock.

Rachel: Who's there?

Chandler: I'll tell you at the wedding.

Rachel: Uh.

(Mike walks in.)

Mike: Hey, I forgot my scarf.

Rachel: You know what, I can't do this. I don't know which one of you guys to pick.

Mike: Oh, you haven't picked yet. Oh good, 'cause I had an idea. I thought it would be fun if the third groomsman was my family dog, Chappy.

Ross: What? A dog? No! Rachel gets to choose. (all eyes turn to Rachel)

Rachel: (sarcastic) Wow, this is a tough one. I think I'm gonna have to go with the dog.

(Ross and Chandler look shocked)

(Cut to Phoebe who is in the living room, still on the phone.)

Phoebe: Alright, wait, so what you're saying is that the chef is at the Hamilton Club, but the food is not and the drinks are there, but the bartender is not? Are you, are you FREAKING KIDDING MEI?

Monica: (enjoying what she's seeing) How's it going?

Phoebe: (to Monica) Help me.

Monica: What?

Phoebe: I want you to be Crazy Bitch again.

Monica: (Sounds moved) Really?

Phoebe: (Nearly in tears) Please?

Monica: You really want me to come back?

Phoebe: More than I wanna get married.

Monica: Ok people, we are back in business! (Gets her headset out of her purse) Oh God, we've missed you soo much! (takes all the notes from Phoebe) Ok, go and get your hair and make-up done, and I'll take care of everything.

(Joey walks in)

Joey: Hey, what are you guys gonna do?

Phoebe: (sounds scared already) About what?

Joey: The blizzard. I just saw on the news, it's like the worst snow storm in 20 years! They already closed all the bridges and tunnels. (Opens the curtains to reveal a snow storm outside)

Monica: Ooh! But the band and the photographer are coming all the way in from New Jersey!

Joey: I don't think they are.

Ross: (to Rachel) Haha! Looks like you're not going to be in the wedding either. (Looks at

Phoebe) So sorry Pheebs.

[Scene: Monica's apartment. They are all sitting around.]

Monica: (Putting down her phone) Well, the club lost it's power.

Joey: Yeah according to the news, most of the city did.

Rachel: Since when do you watch the news?

Joey: Uh, for your information, since they hired a very hot weather girl.

Ross: (To Phoebe and Mike) I can't believe you guys aren't going to be able to get married today.

Phoebe: I know.

Rachel: Wow, you know, it's so beautiful out there. You always wanted to get married outside. Why don't you guys just do it on the street?

Phoebe: What?

Rachel: Well, look, it's hardly snowing anymore. I mean you couldn't ask for a more romantic setting. This could be the simple wedding you've always wanted!

Phoebe: (Turning to Mike) What do you think?

Mike: I think I wanna get married to you today.

Phoebe: Me too! (turning to Monica) Monica, do you think we could do it?

Monica: (thinking) AFFIRMATIVE!

[Scene: Outside. They are a bunch of people arranging chairs, shoveling snow and making other preparations.]

Monica: (walking around with her headset still on) OK LET'S GET THESE CHAIRS OUT HERE! Gunther, hit the Christmas lights. (He does so and the lights above the chairs light up. Monica looks satisfied) Okay, who left the ice sculpture (picks up a piece of ice from the ground) ON THE STEAM GRATE? (nobody answers)

Mike's mom: Michael!

Mike: Hey! You made it. Great! Chappy! Hi! (kisses his dad) Hi! (kisses his mom) Mom, I know getting married in the street isn't something you approve of...

Mike's mom: No... It's lovely. The lights and the snow. I could look at them forever.

Mike's dad: (leans in towards Mike) I crushed a pill and put it in her drink... (to his wife) Come on, sweetheart.

Mike: (to Chandler and Ross) You know, Chappy's too small to handle all this snow. Someone's gonna have to walk him down the aisle.

Chandler: So technically, would this person be in the wedding?

Mike: I guess.

Chandler and Ross: I'll do it!

Ross: No, but Chandler, hello... Aren't you scared of dogs?

Chandler: I'm not scared. (moves towards Mike and Chappy) I'll just take little Chappy and... (he backs out) HE CAN SENSE MY FEAR. MY THROAT IS EXPOSED.

Ross: (takes Chappy from Mike) Well, I guess I'm in the wedding then. Ha haaa... (smells Chappy) He stinks!

Monica: Level 1 alert. I repeat, level 1. This is not a drill. Okay we've got a situation. The minister just called. He's snowed in. He can't make it.

Mike: Oh, no!

Joey: Oh hey, don't worry. I'm still ordained from your wedding.

Monica: Really?

Joey: Yeah, you'd think I'd give up being a minister and start paying to ride the subway? Uhh-uh...

Ross: Uhm, ministers don't ride the subway for free.

Joey: I had to read the Bible pretty carefully, but... yeah we do.

Monica: Okay, if Joey does the ceremony, then we have to find someone else to walk Phoebe down the aisle.

Chandler: (quickly) I'll do it.

Ross: I'll...

Chandler: (to Ross) Na ha ha... (to Chappy) Ne he he... (Ross moves Chappy to Chandler, who quickly backs away) Ah ah...

Monica: Okay, Mike and Joey, get in position. Chandler, come with me. (they walk off, Ross looks down to Chappy, who he's holding and he gets a whiff of the dog's smell. He is clearly disgusted by it.)

(Cut to inside Central Perk where Rachel is helping Phoebe. Chandler and Monica enter.)

Monica: Okay, Joey's doing the ceremony and Chandler's giving you away.

Phoebe: Oh, okay. Hi new dad. (Chandler waves)

Monica: So, you're ready to do this?

Phoebe: Uhuh, uhuh... Oh my God! This is really happening.

Rachel: Oh Phoebe, I'm so happy for you honey. (she gives her a kiss)

Phoebe: Oh, thank you.

Monica: I love you. (Phoebe leans in to kiss her.) Oh, wait, wait, wait! No hugs. The dresses... Oh what the hell. (the girls hug)

Phoebe: I love you guys.

Rachel and Monica: I love you.

Monica: Okay. (in her microphone) It's zero hour. All teams execute on my count. (to all) Let's get this bad boy on the road.

Chandler: (to Monica) Is it okay that I want you to wear that head set in bed tonight?

Monica: (checking her clipboard) I have you scheduled for nudity at 2300 hours.

Chandler: Oh yeah! (Monica walks outside)

Monica: Okay Marjorie, hit it.

(A woman with a steel drum and a guy with a xylophone start playing an instrumental version of "Can't Help Falling In Love" by Elvis Presley. A bridesmaid and a groomsman walk down the aisle. Next are Rachel and Ross, who carries Chappy in his arms.)

Rachel: Geez Ross, you could have showered.

Ross: It's the dog.

(we cut to Monica)

Monica: Groomsman, groomsman, why are you just

standing there, where is your bridesmaid? (into microphone) We've got a broken arrow. Bridesmaid down! (realizes) Oh, that's me.

(She walks down the aisle with the groomsman. We cut to inside Central Perk, where Phoebe and Chandler are waiting.)

Chandler: Ready?

Phoebe: (nervously) Okay.

Chandler: Okay.

Phoebe: Oh wait, oh no. Wait.

(She takes off the coat she was wearing over her wedding dress, which is violet and has a darker shade petticoat underneath which shows at one side where the dress is lifted up to about the height of her hip and connected to the petticoat. She's wearing a veil over her curly hair and a low cut top with straps only just hanging over her shoulders.)

Chandler: Wow! Aren't you gonna be cold?

Phoebe: I don't care... I'll be my something blue.

Chandler: You look beautiful.

Phoebe: Thank you.

(They start to leave Central Perk. The band starts to play "Here, There and Everywhere" by the Beatles. The crowd rises from their seats. Phoebe and Chandler walk down the aisle. Phoebe really glows with happiness. So does Mike who watches her walk down the aisle. When Phoebe and Chandler arrive, they kiss and Phoebe walks to her bridesmaids.)

Mike: My God! Aren't you freezing?

Phoebe: Na-ah.

(the music ends)

Joey: Friends, family, dog... Thank you all for being here to witness this blessed event. The cold has now spread to my special place... so I'm gonna do the short version of this. Phoebe and Mike are perfect for each other. And I know I speak for every one here... when I wish them a lifetime of happiness. Who has the rings? (one of the groomsman gives the rings to Joey)

Joey: (whispering to Phoebe) Okay...

Phoebe: When I was growing up, I didn't have a normal mom and dad, or a regular family like everybody else, and I always knew that something was missing. But now I'm standing here today, knowing that I have everything I'm ever gonna need... You are my family. (She puts the ring on Mike's finger)

Mike: Phoebe you're so beautiful. You're so kind, you're so generous. You're so wonderfully weird. Every day with you is an adventure, and I can't believe how lucky I am, and I can't wait to share my life with you forever. (He puts the ring on Phoebe's finger)

Phoebe: Oh wait, oh I forgot... and uhm... I love you... and you have nice eyes.

Mike: I love you too.

Ross: Uh Joey...

Joey: Yeah?

Ross: Chappy's heart rate has slowed way down.

Joey: Oh, okay. Phoebe, do you take this man to be your husband?

Phoebe: I do.

(Joey has a "Yeah you do" smile on his face)

Joey: Mike, do you take this woman to be your wife?

Mike: I do.

Joey: I now pronounce you... husband and wife.

(Phoebe and Mike kiss)

Phoebe: I got married! (everyone applauds) Could someone get me a coat, I'm freaking freezing.

(Mike takes off his coat to give to Phoebe and the steel band plays "The Wedding Song")

COMMERCIAL BREAK

[Scene: The hallway between the two apartments. Chandler and Joey are walking up the stairs.]

Chandler: That really was an incredible wedding.

Joey: It was, yeah. I kind of don't want it to end. Hey, you wanna come in for a drink and a bite of corsage?

Chandler: I'd love to, but it's 2300 hours and I'm about to have the most organized sex anyone's ever had.

Joey: Nice. Oh hey, what about Ross?

Chandler: I don't know. Maybe he hooked up with that hot girl he was talking to.

(cut to the street in front of Central Perk where Ross is walking Chappy. He has a plastic bag in his hand.)

Ross: Come on Chappy, do your business. MAKE! MA-AKE! I did not sign on for this.

THE END

1013 The One Where Joey Speaks French

[Scene: Central Perk. Everyone's sitting on the couch and Phoebe enters.]

Phoebe: Hi

All: Hey! Hi!

Rachel: How was the honeymoon?

Phoebe: Oh, incredible! Oh! Champagne, candle-lit dinners, moonlight walks on the beach, it was sooo ro-man-tic!

Rachel: Oh!

Chandler: So, where's Mike?

Phoebe: Oh, he's at the doctor, he didn't poop the whole time we were there!

Joey: Well anyway, I'm glad you're back, I really need your help.

Phoebe: Oh, why? What's up?

Joey: I have an audition for this play and for some of it I have to speak French. Which, according to my résumé, I'm fluent in.

Ross: Joey, you shouldn't lie on your résumé.

Monica: Yeah, you really shouldn't. (to Ross, sarcastically) By the way, how was that year-long dig in

Cairo?

Ross: (*whispering*) It was ok...

Rachel: I did not know you spoke French.

Phoebe: Oui, bien sur je parle Fran'çais! Qu'est-ce que tu penses alors?

Rachel: Oh... you're so sexy!

Joey: Well, so, will you help me? I really wanna be in this play.

Phoebe: Sure! Tout le plaisir est pour moi, mon ami.

Rachel: Seriously stop it, or I'm gonna jump on ya.

OPENING CREDITS
[Scene: Monica and Chandler's apartment.]
Chandler: Hey.
Monica: Hey.
Chandler: Why are you wearing my apron?
Monica: I'm making cookies for Erica. And oh, by the way, we have to leave for the airport soon, her plane comes in about an hour.
Chandler: Oh, hey, when she gets here, is it ok if I introduce you two as "my wife" and "the woman who's carrying my child"? (*she's not amused*) No? Divorce?
Ross: (*he enters*) Hey.
Monica: Hey.
Ross: You guys know where Rachel is?
Monica: No, we haven't seen her since this morning.
Ross: So unbelievable. She was supposed to meet me half an hour ago with Emma. (*he tries to take a cookie but Monica slaps his hand*)
Monica: Hey!
Ross: Hey!
Monica: These are for Erica!
Ross: What? She's gonna eat *all* those cookies?
Monica: Well, I want her baby to come out all cute and fat!
Ross: So, why is Erica coming to visit?
Monica: Well, because we want to get to know her better and she's never been to New York so she wants to see all the tourists' spots... you know, Statue of Liberty, Empire State Building...
Chandler: Oh, those places! There's always so many people, they're being corralled like cattle, and... you know, there's always some idiot who goes "Mooooo!"
Monica: Well, if it annoys you so much, then why do you do it?
Ross: (*looking at Rachel entering with Emma*) Oh, hi! Hi! Thanks for showing you up *thirty minutes* late!
Rachel: Ross...
Ross: No, no, no, I'm sure you have a great excuse, wh-was it a hair appointment, a mani-pedi or was there a sale at Barney's?
Rachel: My father had an heart attack... (*crying*) ...while I was at Barney's.
Ross: Oh my God.
Monica: Honey.
Chandler: I'm so sorry...
Ross: Is-is he ok?
Rachel: Yeah, they said he's gonna be fine, but he's still heavily sedated.
Ross: Ok, ok. I'm gonna come out to Long Island with you, I mean, you can't be alone right now.
Rachel: No, come on, I'm totally ok. (*hugging him*) I don't need you to come! I can totally handle this on my own.
Ross: Still-still, let me come... for *me*.
Rachel: Ok. If you really need to.
Ross: I bet someone could use one of Monica's freshly baked cookies.
Rachel: Oh, I really could.
Ross: Oh!
Rachel: Ohh... (*Ross mouths HA-HA at Monica and takes two cookies and she looks at him angrily*)
[Scene: Central Perk. Phoebe's trying to teach Joey French, so she's sitting in front of him with the script in her hands.]
Phoebe: All right, it seems pretty simple. Your first line is "My name is Claude", so, just repeat after me. "Je m'appelle Claude".
Joey: Je de coup Clow.
Phoebe: Well, just... let's try it again.
Joey: Ok.
Phoebe: Je m'appelle Claude.
Joey: Je depli mblue.
Phoebe: Uh. It's not... *quite* what I'm saying.
Joey: Really? It sounds exactly the same to me.
Phoebe: It does, really?
Joey: Yeah.
Phoebe: All right, let just try it again. Really listen.
Joey: Got it.
Phoebe: (*slowly*) Je m'appelle Claude.
Joey: Je te flouppé Fli.
Phoebe: Oh, mon Dieu!
Joey: Oh, de fuff!
Monica: (*entering with Erica and Chandler*) Hey you guys.
Phoebe: Hi!
Joey: Hey.
Monica: I want you to meet someone really special. Phoebe, this is Erica. And this is the baby!
Phoebe: Oh!
Monica: Joey. Erica, baby!
Joey: Hi.
Monica: Everyone. Erica, baby!
Chandler: Monica. Calm, self.
Erica: Thank you. It's really nice to meet you guys,

I can't believe I'm here!
Joey: Welcome to New York City! Or should I say "ghe deu flooff New York City"?
Chandler: Why would you say that?
Phoebe: Ok. What are you gonna be doing today?
Erica: I wanna see everything! Times Square, Coney Island, Rockefeller Center...
Joey: Oh, you know what you should do? You should walk all the way at the top of Statue of Liberty.
Erica: Oh yeah, let's do that!
Chandler: Great! (*to Monica*) This baby'd better be *really* good.
[Scene: Hospital.]
Rachel: (*stopping a nurse who's coming out of a room*) Oh, uhm, excuse me, I'm here to see my father. My name is Rachel Green.
Ross: And I'm Doctor Ross Geller.
Rachel: Ross, please, this is a hospital, ok? That actually means something here.
Rachel: Can somebody please go in?
Nurse: Absolutely.
Ross: Rach, I think I'm gonna wait out here, because my throat is feeling a little scratchy, I don't want to infect him.
Rachel: Ross, please, don't be so scared of him!
Ross: I'm not scared of him, I'm really sick!
Nurse: He's under sedation, so he's pretty much out.
Ross: I'm feeling better.
Rachel: Oh! (*They enter. Rachel sees his father, lying on a bed, with tubes, drip and everything*) Oh! Oh my God! Ohhh, ohhh, wow, that ear and nose hair trimmer I got him was just money down the drain, huh?
Nurse: Miss Green, your father's doctor is on the phone if you'd like to speak to him.
Rachel: Oh, great, Are you gonna be ok?
Ross: He's unconscious, I think we'll be just fine!
Rachel: (*leaving*): Ok.
(Ross goes into the room where Dr. Green is laying unconscious. He turns on the TV, puts his feet on the bed and starts watching a dinosaur movie where the dinosaur is caught by two cowboys. Dr. Geller awakes.)
Ross: Did the TV wake you?
Dr. Green: No, when you put your feet up in my bed, you tugged on my catheter.
Ross: Ouchy.
Dr. Green: What are you doing here, Geller?
Ross: Well, I came with Rachel, who should be back any second! (*pause*) So what's new?
Dr. Green: Ooh, I have a little heart attack.
Ross: Right, is it painful?
Dr. Green: What, the heart attack or sitting here talking to you?
Ross: (*he buzzes for the nurse*) Let's see if we can get that Rachel back here.
Dr. Green: So what's new with you, uh, knocked up any more of my daughters lately?
Ross: Nope, just the one. RACH!
[Scene: Joey's apartment. Phoebe is trying to teach Joey French.]
Phoebe: Je m'appelle Claude.
Joey: Je do call blue!
Phoebe: Noooo! Ok, maybe if we just break it down. Ok, let's try at one syllable at a time. Ok? So repeat after me. "je".
Joey: je.
Phoebe: m'ap
Joey: mah
Phoebe: pelle
Joey: pel.
Phoebe: Great, ok faster! "je"
Joey: je.
Phoebe: m'ap
Joey: mah
Phoebe: pelle
Joey: pel.
Phoebe: Je m'appelle!
Joey: Me pooh pooh!
Phoebe: Ok, it's too hard, I can't teach you!
Joey: What are you doing?
Phoebe: I, I have to go before I put your head through a wall. (*she leaves*)
Joey: (*he goes out calling her*) Don't move! Don't go! I need you! My audition is tomorrow! Shah blue blah! Me lah peeh! Ombrah! (*he gives up*). Pooh.
[Scene: Green's mansion. Rachel's Room. Rachel's is combing her hair; Ross's coming into the room]
Ross: Hey!
Rachel: Hi!
Ross: I wts gonna make us some dinner but all I found in your dad's fridge was bacon and heavy cream. (*pause*) I think we solved the mystery of the heart attack.
Rachel: Uh. (*pause*) Did you call your parents?
Ross: Oh, yeah. Emma's doing great.
Rachel: Oh good.
Ross: Wow.
Rachel: What?
Ross: Just can't believe I'm in Rachel Green's room.
Rachel: What do you mean? You've been in my room before!
Ross: Yeah, sure, right! Like I've ever been in Rachel Green's room.
Rachel: Ok I gotta tell ya, it's really weird when you use my whole name.
Ross: Sorry. (*Rachel sits on her bed*). You ok?
Rachel: Yeah.
Ross: You had a rough day, uh?
Rachel: Yeah, just so weird seeing him like that, you know? I mean he is a doctor, you don't expect doctors to get sick!
Ross: But we do! (*pause*) It's gonna be ok, Rach!
Rachel: (*she's sad*) Ow. I don't want him to wake up alone! I should go to the hospital!
Ross: What? No, no! Hey, hey, hey look...

Rachel: What?
Ross: They gave him a lot of medication, ok? He wouldn't even know if you were there. Look, we'll go see him first thing in the morning, ok?
Rachel: Really, I shouldn't feel guilty?
Ross: No, God! Hey, Rach, you've been an amazing daughter, ok? Right now you just need to get some rest.
Rachel: Ok, maybe you're right.
Ross: (*he kisses her on her forehead*) Good night.
Rachel: Wait, wait, wait, wait. Would you stay here with me for a little while?
Ross: Sure!
Rachel: Ok. (*She sits on the bed and Ross sits near her*)<+i> Thank you for coming with me today.
Ross: Oh, of course...
Rachel: Rachel Green is very happy you're in her room!
Ross: Me too. Come here. (*They hug*)
Rachel: I just don't want to be alone tonight.
Ross: Ok, well, uh, I can maybe grab a sleeping bag, or... (*There's one of those moments. They're staring at each other, no word uttered, and then she leans toward him in order to kiss him, but he ducks and avoids her more than once.*) Oh, oh. (*he then hugs her and when she tries to kiss him again, he stands up and she falls down on the bed.*) No, Rach! I'm sorry, I just don't think this, this, this is a good idea.
Rachel: Wait, we won't know that until we do it, will we?
Ross: No, look, uh. You are upset about your father and you're feeling vulnerable and I just don't feel it would be right, I'd feel like I'd be, you know, taking advantage of you.
Rachel: Taking advantage? I'm giving you the advantage, enjoy!
Ross: Look, I'm sure it would be great, but I-I think one of us has to be thinking clearly, so, I'm gonna go!
Rachel: Wow. Ok.
Ross: I'll see you in the morning (*he leaves*).
Rachel: Mhm-mh!
Ross: (*outside her room, talking by (imself)*) Haven't had sex in four months, I should get a medal for that!
[Scene: Monica's apartment. Monica and Erica have just arrived.]
Erica: Thanks so much for taking me to all those places. I had a great time.
Monica: Oh, I'm glad. Listen, I want to apologize about Chandler, though. I just did not see this coming.
Chandler: (*enters the room wearing an "I love New York" t-shirt, a "Statue of Liberty" hat and carrying bags*) New York is awesome!
Monica: What is with you?
Chandler: Yeah, I've been to these places before, but I've never really seen them, you know.
Monica: Yeah, you miss alot, when you're moo-ing.
Erica: Thanks so much for showing me around.
Monica: Oh! It was our pleasure. We are so much enjoying getting to know you.
Erica: Well, if there is anything else you wanna know... (*Monica and Chandler look at each other*)
Chandler: Oh, uhm, okay, uhm, do you mind if we ask you some questions about the father?
Erica: Oh, sure. Yeah, well, he was my high school boyfriend. Captain of the football team, really cute and he got a scholarship and went off to college. (*Monica and Chandler are smiling from ear to ear*)
Chandler: That's great.
Erica: Yeah... it's almost definitely him. (*Monica and Chandler look confused now*)
Monica: How's that now?
Erica: Well, there is a chance it's another guy. I mean, I have only ever been with two guys, but they sorta overlapped.
Chandler: So, what does the other guy do? Does he go to college too?
Erica: No, he's in prison. (*More shocked looks from Monica and Chandler*)
Monica: Was he falsely accused of something? (*They look hopeful*)
Erica: No... he killed his father with a shovel. (*Monica and Chandler's jaws drop*) But other than that, he's a great guy.
Chandler: I'll bet his dad doesn't think so. (*Time lapse. Chandler and Monica are in bed now*)
Monica: Are you awake?
Chandler: Of course I'm awake. Assume from now on that I'm always awake! (*He turns the light on*)
Monica: Alright, we don't know that it's him. I mean, it could be the football guy.
Chandler: Honey, it's us. Of course it's the shovel-killer.
Monica: Alright, lets say that it is him, would we not want the baby? No! Would we treat him any differently?
Chandler: I'd keep an eye on him! We have to find out which one the father is.
Monica: How?
Chandler: I dunno, aren't there tests for these things, right?
Monica: Yeah, but maybe we're just over-reacting.
Chandler: Pff, easy for you to say, he's a father killer. He probably loves him mommy. He's probably got a tattoo that says "mom" on his shovel-wielding arm!
[Scene: Joey's apartment. He is sitting on the barcalounger holding a French study book and listening to a French learning tape.]
Tape: We will now count from one to five. Un, deux, trois, quatre, cinq.
Joey: Huh, un, blu, bla, flu, flenk!
Tape: Good job.

Joey: Thank you.

(Phoebe enters)

Phoebe: Hey Joey.

Joey: Hey!

Phoebe: Listen, I feel really badly about yesterday and I thought about it a lot and, and I know, I was too impatient. SO lets try it again.

Joey: Oh, no, that's okay, I don't need your help. I worked on it myself and I gotta say, I am pretty good!

Phoebe: Really, can I hear some of it.

Joey: Sure, sure. Ok, (clears his throat and starts to read from his script. He starts talking in a fake French accent, making gestures with his hands) "Bleu de la bleu, de la blu bla bleu" (Phoebe looks astonished, annoyed and disgusted, Joey seems very proud though) See?

Phoebe: Well, you're not, (she tries to smile and contain her anger, but loses it) You're not... you're not... again, you're not SPEAKING FRENCH!

Joey: (offended) Oh well I think I am, yeah and I think I'm definitely gonna get the part.

Phoebe: How could you possibly think that?

Joey: For one thing, the guy on the tape said I was doing a good job!

[Scene: The hospital. Rachel is pouring herself a cup of coffee. Ross approaches from behind.]

Ross: Hey Rach, can you grab me a cup of coffee?

Rachel: (She turns around very slowly, looks at him for a second and then turns back to her coffee) Sure. (She gives him the cup she was pouring for herself without looking at him)

Ross: You've been quiet all morning. Is everything okay?

Rachel: Hmm-hmm. (starts to pour herself a cup of coffee, never looking at Ross)

Ross: You sure you're alright?

Rachel: (coldly) Yep.

Ross: (knowing she's not alright) O-kay. Well, I'm gonna go grab us some breakfast. (He starts to leave)

Rachel: FYI..

Ross: (knew this was coming) There it is... (he comes back)

Rachel: In the future, when a girl asks for some ill-advised sympathy sex... just do it. (she smiles fakely at him)

Ross: (half amused) Wait, wait, (looks around a little) You're mad at me about last night? I was just trying to do the right thing.

Rachel: (sarcastically) Really? Well, it seems to me if you'd done the right thing, I would not have woken up today feeling stupid and embarrassed, I would have woken up feeling comforted and satisfied!

Ross: (acknowledging the last part of her sentence) Well...

Rachel: Oh stop that!

Ross: I can't believe this. I was just being a good guy. I treated you with respect and understanding.

Rachel: (sarcastic) Oh, that is so hot. (She walks around him to the other side)

<">**Ross:** Hey, I was looking out for you.

Rachel: Oh, really, well Ross, you know what? I am a big girl. I don't need someone telling me what is best for me.

Ross: I gotta say, I have not had sex a lot of times before, this is the worst ever.

Rachel: Oh, really, really? Well, it wasn't very good for me either. (She turns to leave and Ross over takes her and stands in front on her, his back to the row of doors leading to the hospital rooms)

Ross: Hey you know what? You know what? To avoid this little thing in the future, let's just say, you and me, never having sex again.

Rachel: What?

Ross: That's right, sex is off the table. (The door starts to open behind him and Dr. Green emerges) I am never having sex with you again. (Rachel stays quiet and after a few moments Ross realizes what has happened. He turns abruptly) Dr. Green, are you feeling better? (Rachel's dad glares at him with a deadly look)

[Scene: Monica and Chandler's apartment. Monica and Erica enter, Chandler is in the kitchen.]

Chandler: Hey! How was lunch?

Erica: (To Chandler) We had a good time. By the way, I wanted to ask you something. It would really mean a lot to me, if the baby was a boy, that you name him after my father, Jiminy Billy Bob (Monica smiles at Chandler and he looks shocked and scared, getting no support from his wife)

Chandler: (struggling) Oh, really?

Erica: No! (To Monica) You were right, that was fun! I'm gonna go finish packing.

Chandler: O-okay, (steps closer to Monica and speaks softly) So, is she gonna take the test?

Monica: Nope, she doesn't have to, I found out who the father is.

Chandler: Oh God. It's shovely-Joe, isn't it?

Monica: (smiling) No it's not.

Chandler: How do you know?

Erica: Well, it turns out that Erica didn't pay much attention in Sex Ed class, because the thing she did with that prison guy... it'd be pretty hard to make a baby that way.

Chandler: Oh God! What was it? The thing that we hardly ever do or the thing we never do?

Monica: The thing we never do.

Chandler: (nods in appreciation) Shovely Joe!

[Scene: The theatre where Joey is auditioning. Phoebe enters when Joey's on stage and she sits down. He hasn't seen her.]

Director: Whenever you're ready Joey.

Joey: Right. (clears his throat) Dja bu bu Claude. Uh, c'est la pu les la lu blah bloo.

Casting assistant: I'm sorry, what's going on?

Joey: Dude, come on! French it u-up!

Director: Joey, do you speak French?

Joey: Toutes la smore! Bu blu-ay bloo blah ooh! Pfoof!

Director: You know what. I think this audition is over. (Joey looks disappointed, but understands.)

Phoebe: (in a French accent) Uh, excuse me. Uh, I am Reginé Philange. I was passing by when I heard this man speaking the regional dialect of my French town of Estée Lauder.

Director: You really think this man is speaking French?

Joey: Sa-sa-sav!

Phoebe: écoutez, je vais vous dire la vérité. C'est mon petit frère. Il est un peu retardé. (Translation: Listen, I will tell you the truth. He's my little brother. He's a bit retarded.) (The director looks at Joey and he nods.)

<">**Phoebe:** Alors, si vous pouviez jouer le jeu avec lui... (Translation: So, would you please just humor him?)

Director: (to Joey) Good job, little buddy. That was some really good French. But I think we're gonna go with someone else for the part.

Joey: Ah. All right. But my French was good?

Director: It was great.

Joey: (to Phoebe) Oh-hoh! Ha-hah! See!

Phoebe: (to the director) Merci. Au revoir. (Translation: Thanks, goodbye.)

Joey: Yeah-hah. Toute-de-le-fruit.

[Scene: Joey and Rachel's apartment. Rachel is sitting at the kitchen counter and Ross enters from Rachel and Emma's room.]

Ross: Emma's down for the night.

Rachel: Oh, good.

Ross: So uh... I guess I wanna take off.

Rachel: Okay... Hey listen, just before you go I-I again, I just wanna say "thank you" for coming with me.

Ross: Oh, no problem.

Rachel: And also, you know I uh, I was thinking about what you said, you know, about the whole sex thing and... it's probably not a great idea to go down that road again.

Ross: Thank you. I'm glad you agree.

Rachel: It's a shame though, I mean, when we did it, it was pretty good.

Ross: Yeah... Yeah, that's true.

Rachel: Hey uhm, do you remember that one really great time...?

Ross: Oh, ye-ah!

Rachel: You know it was you're uhm... birthday...

Ross: ...Valentine's day...

Both: (long pause, they realize) Oh yeah!

Rachel: Well, I guess that's all in the past, now.

Ross: Hmmm-mmmm.

Rachel: (after a pause) Not even one more time?

Ross: Not even once.

Rachel: No matter how much we want it.

Ross: Even if we want it really bad.

Rachel: That's what we decided.

Ross: Uhm, right!

Rachel: ...It's kinda hard though!

Ross: Yeah.

Rachel: You know, when two people have a connection, you know, that's... just seems like such a... waste.

Ross: ...I hate waste.

Rachel: ...Ross?

Ross: Yes?

Rachel: Just so you know... With us... it's never off the table. (she enters her room and closes the door.)

Ross: Damn it. It's never off the table. (he leaves the apartment)

COMMERCIAL BREAK

[Scene: Joey and Rachel's apartment. Phoebe and Joey are "updating" Joey's resumé.]

Phoebe: Okay, can you really tapdance?

Joey: No.

Phoebe: It's off the resumé. (she strikes it through with a pencil)

Phoebe: Archery?

Joey: No.

Phoebe: Horseback riding?

Joey: Would fall off a lot.

Phoebe: You can drink a gallon of milk in 10 seconds?

Joey: That I can do.

Phoebe: Come on! You can drink a gallon of milk in 10 seconds?

Joey: Al, right, watch me! (he takes a full container of milk from the fridge) Okay, you time me. Ready?

Phoebe: Ready... GO!

(Joey takes the plastic container to his mouth and starts to drink. Most of the milk gushes from the bottle down his chin and over his clothes to the floor. He keeps "drinking" and all of a sudden he lifts it up and half the bottle of milk pours out in an instant. He then continues to drink the rest. He then puts the empty container down on the counter.)

Phoebe: (checking her watch) You did it!

THE END

1014 The One With Princess Consuela

[Scene: Chandler and Monica's apartment. They are having a diner party with Phoebe and Mike.]

Mike: (raising his glass) Thank you guys for having us over.

Phoebe: Oh! Yeah, this is fun, couples night.

Chandler: Yeah, I don't know why we hang out with

married couples more often.

Monica: Well, because every time we do, you make jokes about swinging and scare them away.

Chandler: You mean that Portuguese couple? Yeah, like you wouldn't have done it. (she shrugs)

Ross: (entering) Hey, you guys... I have great news.

Monica: Ross, we're kind of in the middle of diner here.

Ross: Oh, well, er, I already ate, but sure...! (they all look at each other when Ross grabs a plate) Guess what happened at work today...

Chandler: A dinosaur died a million years ago?

Ross: Try sixty-five million years ago, and then try sssshhhhhh.... My tenure review board met today and I hear it's looking really good.

Phoebe: Wow!

Ross: Yeah. Do you have any idea what this means in academic circles, uh? I am gonna get laid.

Rachel: (while entering) Hi you guys.

All: Hey.

Rachel: Ooh, Italian! (she also grabs a plate)

Monica: No one wanted seconds, right?

Ross: No, no. I-I'm good.

Rachel: Hey you guys... You're never gonna believe it. This headhunter called me. I have a meeting tomorrow with Gucci. Gucci wants me.

Ross: I'm up for tenure.

Rachel: Congratulations!

Ross: You too! What are the odds?

Rachel: Ooh! (they hug)

Joey: (enters) Guess what? (they all look expectantly at him) I finally got that seed out of my teeth.

Monica: I don't know who I'm happiest for...

Phoebe: I do, he's been working on that all day! (looking at Joey)

OPENING CREDITS

[Scene: Central Perk. Phoebe, Monica and Chandler on their couch.]

Phoebe: Hey Mon? Was it weird changing your name to Geller-Bing?

Monica: No, no. It felt nice to acknowledge this. (pats Chandler on his leg)

Phoebe: Where did you go to do it?

Monica: Uhm the... the ministry... of names... bureau...

Chandler: YOU NEVER DID IT!

Monica: I'm sorry. It's just the idea of being an official Bing.

Chandler: Hey! I will have you know that... aah, who am I kidding. Let's call the kid Geller and let Bing die with me.

Mike: (walks to the couch with coffee for Phoebe) Here you go.

Phoebe: Thanks! Honey, would you want me to take your name?

Mike: Oh, it's just... It's up to you. It's your name. You've got to live with it.

Phoebe: All right, let's see, call me Mrs. Hannigan.

Chandler: (pretending to call her) Mrs. Hannigan?

Phoebe: (loudly and crossly) What? Can't you see I'm in the middle of something? (smiling) Ooh, I like it.

Joey: (enters) Hey guys.

Chandler: Hey Joe! We've got a couple of things we've got to check out at the new house. You want to come with us?

Joey: No, thank you.

Monica: All right. I know you're not happy about us moving, but you're the only one who hasn't seen the house.

Chandler: Yeah, come with us. You'll see how close it is to the city.

Joey: But no, it's not close. You said it was in escrow? I couldn't even find it on the map.

Monica: Joey, please come. It would mean so much to us.

Joey: You know what? You are my friends, I wanna be supportive, I will come with you. SHOTGUN!

Chandler: Damn it.

Monica: See you guys later.

Phoebe: Okay!

Monica: (to Joey) I'll pick you up at eleven. So glad you're coming.

Phoebe: Good for you. That was really mature.

Joey: What? No, the only reason I'm going to their stupid new house, is so I can point out everything that's wrong with it, so they don't move. I'm gonna make them stay here.

Mike: You're a strange kind of grown-up.

Phoebe: Joey, you can't make someone do something they don't want to do. Believe me, there's something I've been trying to get Mike to do in bed and there's... he's just...

Mike: Woo-wo-hey-hey-hey... Can we not talk about that right now?

Phoebe: All right, prude... Look, Monica and Chandler really love this house. You are not gonna talk them into staying here.

Joey: Hey, hey... I can convince people to do anything, you know. I bet I can even get Mike to do that "thing". What is it?

(Phoebe whispers something in Joey's ear, but after hearing it he jumps up, shocked)

Joey: I AM NOT GONNA HELP YOU DO THAT! Goodbye! (he leaves)

[Scene: A restaurant. Rachel enters.]

Rachel: (to maitre d') Hi, I'm here to see Mr. Campbell... with Gucci. The reservation is probably under Gucci. It's spelled like GuKki, which could be confusing.

Maitre d': Mr. Campbell's not here yet. Let me show you to his table.
(They walk to the table, but Rachel suddenly gasps. Sitting there is Mr. Zellner, her boss from her current job at Ralph Lauren.)
Rachel: Oh my God! That's my boss. You have to seat us somewhere else.
Maitre d': I'm sorry. That's always Mr. Campbell's table.
Rachel: But my... but my boss cannot see me. I'm interviewing for another job.
Maitre d': I know. With Guzzi
Rachel: Sssshhh!
Mr Zellner: Rachel?
Rachel: Hi... I'm on a date...
Mr Zellner: *(confused)* That's great!
Rachel: Yeah, it is. Yeah, you know, it's tough. Single mom, career... You gotta get out there.
Mr Zellner: Well, you got uhm... good energy.
Rachel: Oh.
Mr Campbell: Rachel?
Rachel: Yes, hi!
Mr Campbell: James Campbell...
Rachel: Hi! *(to Mr. Zellner)* Excuse us.
Mr Campbell: Please... *(shows her to sit)*
Rachel: Okay, oh, yeah... *(whispering to Mr. Zellner)* Oh he's cute!
Mr Campbell: So... your resumé is quite impressive. *(Mr Zellner who sits behind Rachel shrugs)*
Rachel: Wha... My resumé? I wouldn't... I wouldn't call my online dating profile a resumé.
Mr Campbell: Dating profile? I-I-I'm talking about the work resumé.
Rachel: *(starts singing la la la)* Whatever happened to just singing for no reason? Huh?
Mr Campbell: Maybe people... found it weird... So, why do you want to leave Ralph Lauren?
Rachel: What? I-I don't.
Mr Campbell: You don't?
Rachel: No, I-I-I love it there.
Mr Campbell: Well, if you don't want to leave, why are we having this lunch?
(Rachel mimes and mouths to Mr. Campbell "That is my boss", pointing to Mr. Zellner)
Mr Campbell: What?
(Rachel now silently whispers "That's my boss".)
Mr Campbell: That's Hugo Boss?
(Rachel holds her hand in order to support her head. Mr. Zellner obviously overheard the conversation.)

[Scene: A counter at a government building. Phoebe's waiting in line.]
Phoebe: *(to the woman behind her)* This place is so depressing. If I had to work here I'd kill myself. *(she turns around and the clerk behind the counter heard her.)* But you obviously haven't.
Clerk: How can I help you?
Phoebe: I need to change my name, please. See, I need to change it because I'm-I'm hiding from the law. *(the clerk shows no change in expression whatsoever)* You're fun.
Clerk: You need to fill out this form. *(motions for the next person in line)*
Phoebe: Okay, well, I just don't, I don't know how it works exactly. See, my name is Buffay and my husband's name is Hannigan, so is it supposed to be Buffay-Hannigan or Hannigan-Buffay?
Clerk: It can be anything you want.
Phoebe: Well, not anything, I mean...
Clerk: Yeah... anything.
Phoebe: Oh, this could take a while.
Clerk: Get out of my line.
Phoebe: Okay.

[Scene: Central Perk. Chandler and Monica are there when Phoebe enters.]
Phoebe: Hey!
Monica: Hey Phoebs.
Phoebe: Oh, not anymore. I changed it today.
Monica: Oh, I'm sorry, Mrs. Hannigan.
Phoebe: Wrong again! Apparently you can change it to anything you want. So I thought, all right, here's an opportunity to be creative. So meet Princess Consuela Banana Hammock.
Chandler: That's what we were gonna name the baby.
Monica: Phoebe!
Phoebe: Uhh! Princess Consuela.
Monica: You seriously changed your name to that?
Phoebe: Uh-huh!
Monica: Okay, so from now on we have to call you Princess Consuela?
Phoebe: Uhm, no. I'm gonna have my friends call me Valerie.
(Rachel enters, looking depressed)
Chandler: Hey, how'd the interview go?
Rachel: Oh! It's not good.
Chandler: You know, I always feel that way after an interview. I'll bet it went better than you think.
Rachel: Well, I didn't get the job at Gucci and I got fired from Ralph Lauren.
Chandler: That is a bad interview.
Phoebe: What are you, what are you talking about? How did this happen?
Rachel: Well, my boss was at the same restaurant where I was having my interview and he heard everything. So later he calls me to his office and he tells me that he's gonna have to let me go,

because I'm not a team player. And I said "Wait a minute! Yes I am." and I had to sit there for 45 minutes while he proved that that in fact... was true.
Monica: Oh God. I'm so sorry.
(Ross enters with a bottle in his hand)
Ross: Hey! Wha-hoo! What's this? *(showing the bottle)* Well it's a, it's a bottle of champagne. Why is this here?
Phoebe: Ross...
Ross: I guess it's here because I GOT TENURE!
All *(except Rachel)*: Congratulations! *(Rachel looks devastated)*
Ross: This is the single greatest day of my professional career. Gunther, six glasses!
Gunther: Six? You want me to join you?
Ross: Oh, I thought Joey was here. Five is good. *(Gunther leaves, hurt)* Well, I'm gonna have a loogie in my coffee tomorrow.
Chandler: Ooh! Israeli champagne. And it's vanilla!
Ross: I got tenure. I didn't win the lottery... Hey Rach, so uhm... how did your thing go?
Rachel: Oh it... good! Yeah, but I'm not gonna hear from that for a couple of days.
Ross: Oh, you know what? You're gonna get it. I-I-I-I can feel it.
Phoebe: Can you?
Rachel: Ah, all right. Here's to Ross!
Ross: And-and to years of hard work finally paying off.
Phoebe: And to knowing that your career doesn't mean everything. *(Rachel mouths "aah")*
Ross: But also knowing it means a lot.
Monica: But more importantly to full well-rounded lives.
Ross: ...that center around work.
Chandler: To Ross!
All *(except Rachel)*: Ross!
(they all drink from the champagne, but clearly dislike the taste of it)
Ross: You know what the best part about this is? I can never be fired.
Phoebe: Oh God!
Ross: No seriously. I have job security for life. You know, I never have to worry. *(Rachel starts crying)* Oh, look at you. Look how happy you are for me.
Rachel: *(crying)* No, it's not that. I got fired today. And I didn't get the other job.
Ross: Rach, I'm so sorry.
Rachel: Oh!
Ross: Great. I feel like an idiot.
Rachel: No, it's okay, you didn't know.
Ross: Oh... *(to the others)* Little heads-up would have been nice.

[Scene: Chandler and Monica's future house. They enter the living room with the realtor and Joey.]
Monica: Thank you for letting us see the house again.
Chandler: And thank you for explaining to us what escrow means... I've already forgotten what you said, but thank you.
Realtor: Take as long as you want. Just let me know when you're through. *(she leaves the room)*
Monica: Ah, so glad you decided to come.
Joey: Me too. Yeah, this place is great. I'm so happy for you guys. Although, you know, I hope you like fungus.
Chandler: What?
Joey: Fungus! Yeah. Place is full of it.
Monica: No it's not. We had an inspection and they didn't find anything.
Joey: Okay. Then I guess I have dry eyes and a scratchy throat for no reason.
Monica: Maybe because it's you hung your head out of the window like a dog the whole ride here.
Joey: Maybe. So this is the living room huh? Ooh, it's pretty dark. *(starts feeling around him like he's in a completely dark room, touching Chandler, who backs out and hits him)*
Monica: No it's not!
Joey: *(squinting his eyes)* Are you kiddin'? I think I just saw a bat in the corner!
Chandler: When your head was hanging out the window, it didn't hit a mailbox, did it?
Joey: *(glares at him for a moment, then admits grudgingly)* Maybe. Well, I just think you guys can do better than this house, you know? Or any other house for that matter.
Monica: Oh Joey, look, we know you're having a hard time with this, but we really, we love it here.
Joey: FINE, ok, if you love this house so much, then you should just live here, okay? I just hope you get used to that weird humming sound. *(He turns his back to them and starts humming)* Hhmmmmmmmmmmmmmm...
Monica: Joey, we know that's you.
Joey: no... hmmmmmm... it's not... hmmmmmmmmmm

[Scene: Phoebe is at Central Perk. Mike enters.]
Mike: Hey *(He kisses Phoebe)*
Phoebe: Welcome back!
Mike: Ah! I missed you
Phoebe: Oh, me too!
Mike: So, what's new?
Phoebe: Well, I'm no longer Phoebe Buffay.
Mike: That's great! You changed your name?
Phoebe: Yes I did! Meet: Princess Consuela Banana Hammock! *(She smiles from ear to ear)*
Mike: *(afraid)* You're kidding right?
Phoebe: Nope.
Mike: You really did that?
Phoebe: Yep.
Mike: Yeah, but you can't do that.
Phoebe: Why? It's fun, it's different, no-one else has a name like it.
Mike: *(looks at her astonished)* Alright, then I'm gonna change my name.
Phoebe: Great, okay, what are you gonna change it to?

Mike: Crap Bag.
Phoebe: *(not amused)* Mike Crap Bag?
Mike: No, no Mike, just Crap Bag. First name Crap, last name Bag.
Phoebe: You're not serious, right?
Mike: Yeah, I'm serious. *(sarcastic)* It's fun, it's different and no-one else has a name like that!
Phoebe: Uhu, uhu, well, then, great. If you love it, I love it.
Mike: I do love it, and I love your name. I love Princess Consuela.
Phoebe: And I love Crap.

[Scene: Joey is in Monica and Chandler's future house, sitting in a child's bedroom, looking at a quiz card which has "5 10=" printed on one side.]
Joey: *(turns the card around, obviously had the wrong answer)* Ow!
(A young girl enters)
Girl: Who are you?
Joey: Oh, hi, I'm Joey. My stupid friends are buying this house. Who are you?
Girl: I'm Mackenzie. My stupid parents are selling this house.
Joey: *(understanding)* Oh.
Mackenzie: *(sighs)* I hate my parents.
Joey: I hate my friends. *(They shake on it as if they just made a pact)* Alright, look. There's gotta be a way that we can stop this from happening.
Mackenzie: Like what?
Joey: *(thinking)* Uhm... oh! Okay. You come with me, and you tell them that the house is haunted!
Mackenzie: What are you? Eight?
Joey: Woah, uh! Okay, let's hear your great idea.
Mackenzie: I don't have any great ideas. I am eight.
Joey: *(frustrated)* Ahh! There's gotta be a way. I mean, you know, if Monica and Chandler move out here and now Phoebe is married to Mike. That just leaves me and Ross and Rach, you know what I mean?
Mackenzie: I really don't.
Joey: What am I gonna do, I feel like I'm losing my friends.
Mackenzie: My parents say I'm gonna make new friends.
Joey: Oh, yeah, sure, easy for you, you're young. Me, I'm set in my ways.
Mackenzie: This is what my mom was talking about. Whiners are wieners. *(Joey glares at her angrily)* Look, you want your friends to be happy, right?
Joey: Yeah, yeah, I guess.
Mackenzie: Well, if moving here is gonna make them happy, don't you want them to do it?
Joey: *(having difficulty admitting it)* Yeah, maybe.
Mackenzie: Then you gotta let them go.
Joey: *(In near tears, realizes she is right)* I hate to admit it, but you're probably right. How did you get to be so smart?
Mackenzie: I read a lot.
Joey: *(his mod changes instantly)* Just when I thought we could be friends. *(he leaves the room)*

[Scene: Outside Ralph Lauren building. Rachel just walked out carrying a box of her stuff, and a strange man approaches her.]
Man: Hey Rach, I just heard. I'm so sorry.
Rachel: Oh, thank you... *(looks at his face trying to remember his name)*
Man: You still don't know my name, do you?
Rachel: *(Is embarrassed for a moment, but it quickly passes)* Well, now I don't have to. *(The man leaves instantly)*
(In the meantime, Ross is trying to squeeze and push a rather large chair through the revolving doors of the Ralph Lauren building.)
Rachel: *(annoyed)* Ross, what is taking you so long?
Ross: *(stares at her through the door and starts pushing the chair harder, looking very annoyed. He finally manages)* *(sarcastic)* I'm sorry, it's almost as if this wasn't built for a quick getaway!
(Mark, approaches from behind and recognizes her)
Mark: Rachel?
Rachel: *(turns around)* Mark? Oh my God! *(puts the box on the chair and they hug each other)*
Mark: How've you been?
Rachel: I'm fantastic. You remember Ross?
Mark: Sure, sure. *(To Ross)* What's with the chair. *(Rachel signals him not to mention she's been fired)*
Ross: Uh, you know, you can't always get a seat on the subway, so... *(laughs stupidly)*
Mark: Clever. *(back to Rachel)* So how are you?
Rachel: Oh, well, *(looks at her box and chair)* you're not catching me on my best day.
Mark: Yeah, a box full of your desk stuff doesn't exactly say big promotion.
Rachel: No, but it's good, you know, I'm gonna take some time off and do some charity work.
Mark: Are you sure, because we may have something at Louis Vuitton.
Rachel: Well, screw charity work. What've you got?
Mark: Why don't we have dinner tonight and talk about it?
Rachel: Great! I'll call ya!
Mark: *(shakes Ross' hand)* Nice to see you.
Ross: Yeah! yeah, I got tenure! *(Mark looks at him strangely and walks off)*
Rachel: *(very excited)* Oh my God!
Ross: See? I told you something good would come along. And he seemed really nice. I've met him before?
Rachel: Ross! That's Mark. From Bloomingdales? You were insanely jealous of him.

Ross: (*realizing*) That is Mark?
Rachel: Yes.
Ross: I hate that guy.
Rachel: Oh.
Ross: No, no, NO, you cannot go to dinner with him.
Rachel: What? You don't want me to get a job?
Ross: Oh yeah, I'm sure he's gonna give you a job. Maybe make you his SEXretary.
Rachel: Ugh.
Ross: I'm serious. I just don't trust that guy, okay?
Rachel: Ross, you know what? (*looks over to the door and sees security staring at them*) Okay, let's talk about it later, there comes security. (*Takes her box and leaves. Ross follows her and then returns for the chair. He stands for a moment, then pushes it quickly in the general direction Rachel went into, and out of the camera's view, and then nonchalantly walks away*)

[Scene: Chandler and Monica's new house. Sitting near the window, they look at the neighborhood.]

Monica: Oh, I love this street. The trees, the big front yards, the actual picket fences.
Chandler: Man, those two dogs are going at it!
Joey: (*entering*) Hey!
Chandler: Hey.
Monica: Hey, where have you been?
Joey: Oh, just er... you know, looking around. But you know what? This house... is great.
Chandler: Really? What changed your mind?
Joey: Oh well, the little girl who lives here made me feel a lot better about the whole thing.
Chandler: Joey, there *was* a little girl who lived here, but she died like 30 years ago.
(Joey's eyes double in size)
Joey: (*frightened*) What?
Chandler: Ha! I'm just messing with you.
Joey: That's not funny! You know I'm afraid of little girl ghosts!
Monica: Joey, now that you're okay with the house, do you wanna go see your room?
Joey: What? I get my own room?
Chandler: You don't think we'd buy a house and not have a Joey room do you?
Joey: Oh my God! (*they all hug*) Oh! Hey, can I have an aquarium? And a sex swing?
Chandler and Monica: No!
Joey: Why not? I'll keep the tank clean.

[Scene: Central Perk. Phoebe and Mike are leaving.]

Mike: After you, miss Banana Hammock.
Phoebe: Thank you, mister Bag.
(a woman enters and recognizes Phoebe)
Woman: Oh hey, how are you?
Phoebe: Oh hi Rita! Good! (*to Mike*) Oh, Rita's a massage client.
Mike: Oh! Why don't you introduce me?
Phoebe: (*shrugs*) Er, Rita, this is my husband.
Rita: Oh! (*they shake hands*)
Phoebe: Yeah.
Mike: Why don't you tell her my name?
Phoebe: (*without moving her lips, wearing a fake smile*) Okay, I will. (*to Rita*) This is my husband Crap Bag.
Rita: Crap Bag?
Mike: If you need an easy way to remember it, just think of a bag of crap.
Rita: Okay. Excuse me...
Phoebe: Yeah... Ogh... Okay, fine. You made your point. Can you please just be Mike Hannigan again?
Mike: Only if you'll be Phoebe Buffay.
Phoebe: How about uhm... How about Buffay-Hannigan?
Mike: Really?
Phoebe: Yeah. I'm Phoebe Buffay-Hannigan Banana Hammock.
Mike: Do you even know what a banana hammock is?
Phoebe: It's a funny word.
Mike: It's a Speedo.
Phoebe: ...Oh crap!

[Scene: Monica and Chandler's apartment. Ross enters.]

Ross: Hey, is Rachel here?
Monica: No.
Ross: She's still at dinner?
Monica: I guess. Why? Who's she with?
Ross: That guy Mark. From Bloomingdale's... She thinks he's just being nice to her. But I know he really wants to sleep with her.
Chandler: It's seven years ago. (*he looks surprised*) My time machine works!
Ross: We ran into him on the street today and he said he might have a job for her. But I know he just wants to get into her pants.
Monica: So what if he wants to sleep with her? I mean, she's single and he's cute.
Chandler: Excuse me?
Monica: Oh please! Yesterday on the subway? You couldn't stop staring at that woman with the big breasts *the whole time*.
Chandler: For your information, I was staring at her baby. We're about to be parents.
Monica: Oh, sorry!
(She looks at Ross, a bit ashamed. Chandler mimes "big breasts" to Ross and lip syncs "Wow".

Ross looks at him, astonished and then Monica looks at Chandler again. A little too late he changes the "big breasts" mime into "rocking a baby". When he realizes Monica might have seen it he also strokes his imaginary baby's head.)

Rachel: (*entering*) Hi you guys!
Ross: Hey, so uhm... How was dinner?
Rachel: Oh, it was great. Mark is *so sweet*.
Ross: (*speaking without pause, agitated*) Oh yeah? Yeah? I wonder why? What could that smarmy leech possibly want?
Rachel: Oh Ross, come on. He's happily married. His wife just had twins.
Ross: Should we send something?
Chandler: How did the job stuff go?
Rachel: He offered me one.
Chandler: That's great!
Ross: Congratulations!
Rachel: I know, it's *amazing*. It's amazing. It's *so* much better than what I had at Ralph Lauren. The money is *great*...
Ross: Can we, can we just stop for a second? Who said something better would come along, huh? You didn't believe me. I told you everything was gonna work out. (*gasps*) You know what? This calls for a bottle of Israel's finest.
Rachel: The job is in Paris. (*they all stare at each other*)

COMMERCIAL BREAK

[Scene: Joey and Rachel's. Joey's on the phone.]

Joey: I mean, this soap opera is a great gig, but... am I missing opportunities? You know, I've always thought of myself as a serious actor. I mean, should I be trying to do more independent movies?
Mackenzie: (*at the other end of the line*) I don't know... You know what? I'm gonna put you on with my bear. Hold on. (*she puts the phone at the bears ear*)
Joey: Hey bear, I need some career advice.
THE END

1015 - The One Where Estelle Dies

[Flashback scene from last week, Monica and Chandler's kitchen, Rachel, Ross, Monica and Chandler are there.]

Jennifer: Previously on Friends...
Chandler: How did the job stuff go?
Rachel: He offered me one.
Ross: (*gasps*) You know what? This calls for a bottle of Israel's finest.
Rachel: The job is in Paris. (*we see Ross stare in disbelief*)

FADE OUT

Rachel: Oh, God! Please, somebody say something.
Ross: So if you take this job you'll be moving to Paris?
Chandler: Or facing a bitch of a commute.
Rachel: I know, it's huge, and it's scary, and it's... really far, far away from you guys, but this is such an incredible opportunity for me. And I've already talked to them about our situation with Emma, and they said they'll do whatever we need to make us feel comfortable.
Ross: Okay.
Rachel: I mean, I'll fly back and forth, they'll fly you out... Anything we want.
Chandler: My boss said I might be getting a new lamp in my cubicle. (*Monica looks at him and can't really place what he just said*)
Ross: All right, we'll work it out.
Rachel: Thank you! Thank you!
Ross: Yeah, yeah! (*they hug*) You sure this is what you want?
Rachel: I *think* it is. (*Ross looks very sad. Phoebe and Joey enter.*)
Phoebe: Ooh, what's going on?
Rachel: I got a really incredible job offer.
Joey: Hey, great! All right!
Phoebe: Good for you!
Rachel: It's in Paris.
Joey: What? No, no, no! No, no... no... no... no... No, too much is changing, okay? First, Phoebe getting married (*to Phoebe*) Congratulations! (*pointing to Monica and Chandler*)... and then these two move into a stupid house in the stupid suburbs...
Monica: Hey, this afternoon you said you'd be supportive...
Joey: Well, it comes and goes. I wouldn't trust it.
Rachel: Look, you guys... this is really, really important to me. And it means a lot if you could try to get on board.
Phoebe: Of course we can. Congratulations. (*they hug, but Joey shakes his head.*) Yay! (*she gestures Joey to come and join in*) Joey...
Joey: No, no, no. My hugs are reserved for people STAYING IN AMERICA.
Rachel: (*walking towards Joey*) Joey, it would mean so...
Joey: Hey! No! Get your France-going-arms away from me. (*He walks out, and Rachel follows him*)
Rachel: Joey...
Phoebe: You okay with this?
Chandler: Well, it makes me feel sad, but...
Phoebe: Talking to Ross.
Chandler: I see.
Ross: Well, Rachel moving to another country? Not being able to see her every day. How can I be okay with this?
Monica: I know, but what are we gonna do? She really needs this job.
Ross: Do you think if the Ralph Lauren people offered her her old job back, she would take it?
Monica: How is that gonna happen?
Chandler: Is this the best way to use one of your three magic wishes?
Ross: I don't know. I could talk to her boss. Yeah! I met

him at that Christmas party. We really hit it off.
Monica: You mean the guy who kept calling you Ron?
Ross: I didn't say we were brothers.

OPENING CREDITS

[Scene: Central Perk. Phoebe's reading a newspaper. Chandler and Monica walk in.]

Monica: Hey Phoebe. Hey, tell me what you think. All right. The house next door to the one that we're buying in Westchester? Just went on the market. I wanna take a look at it, but Chandler doesn't.
Chandler: We close escrow tomorrow, so seeing another house can only confuse us, and we're easily confused. We're not very bright.
Monica: But what if it is better than ours? Should we at least look?
Chandler: What do you think Pheebs?
Phoebe: Well, I think that shirt makes you look like you should work at a Baskin Robbins... Anyway... Hey, isn't Joey's agent Estelle Leonard?
Chandler: Yeah.
Phoebe: She died.
Chandler: You're kidding!
Monica: That's terrible!
Phoebe: Yeah, last Saturday. Wow! She was the first black man to fly solo across the Atlantic. (*Chandler and Monica look puzzled*) Oh, wait a minute, I read the wrong one.
Chandler: Oh yeah?
Phoebe: Yeah, she was just an agent.
Monica: Joey's gonna be "so" upset.
Chandler: I know. *He* always wanted to be the first black man to cross the Atlantic.
Phoebe: Well, we cannot tell Joey about this. He's already flipping out about everything that's changing. This will push him over the edge.
Monica: Seriously, you don't think we should tell him?
Phoebe: Well, not for a little while. Let's just give him a few days to get used to everything else.
Monica: What if he reads it in the paper?
Chandler: Unless Snoopy says it to Charlie Brown, I think we're okay.
[Scene: Ralph Lauren. Mr. Zelner's office. Ross knocks on the door and enters.]
Mr. Zelner: May I help you?
Ross: Yeah, I'm a friend of Rachel Green's. Uhm, actually we met at the Christmas party about two years ago.
Mr. Zelner: Oh right, uhm, Don?
Ross: Close. Ron. (*shakes hands*)
Mr. Zelner: Uh... What can I do for you?
Ross: Uhm, well... I'm here to see if you'll give Rachel her job back.
Mr. Zelner: Ah, did she ask you to come here and do this?
Ross: Oh, no. At first I have to get you to agree. Then we'll see if she *wants* to come back.
Mr. Zelner: Wow, that *is* tempting.
Ross: Look, she *loved* her job here. And let's face it: you're not gonna find anyone who did it as well as she did it. Isn't that true?
Mr. Zelner: She is good!
Ross: (*surprised*) Huh, I took a shot there.
Mr. Zelner: But I'm sorry. There's nothing I can do... Ah, it's not true, there is... nothing I *want* to do.
Ross: I see... Thanks very much. (*he gets up and walks to the door. On his way out he looks at the photographs Mr. Zelner has near his door. He picks one up.*) Is this your son?
Mr. Zelner: Yeah, his name is Ross. (*Ross looks very surprised*) What?
Ross: Oh, nothing, it's just, it's close to Ron. Does he... Does little Ross like dinosaurs by any chance?
Mr. Zelner: Yeah, they're all he talks about, why?
Ross: How would *he* like to come with me to the Museum of Natural History after everyone else has left, just the two of us, and he can touch anything he wants. (*Mr. Zelner looks shocked.*) I just heard it as you must have heard it and that's not good. Let me start again. I'm a paleontologist, you'll be there with us and the touching refers only to bones... fossils!
Mr. Zelner: You can really arrange that?
Ross: You let Rachel come back, and it's done.
Mr. Zelner: Well, I guess having Rachel back wouldn't be the worst thing in the world.
Ross: Yeah! Yes! Thank you! This is great. Thank you so much. And I swear, your kid is going to have the time of his life.
Mr. Zelner: That's great. I worry about little Ross. He's always reading, he's collecting rocks and he's obsessed with dinosaurs.
Ross: He'll be fine.
[Scene: Central Perk. Phoebe's reading, Joey has just entered the room]
Joey: Hey Phoebe.
Phoebe: Hey. Everything ok?
Joey: I'm just mad at my agent.
Phoebe: Estelle? Why?
Joey: There's a part in a TV movie that I would be perfect for and I didn't even be put up for it! She'd better have a good reason.
Phoebe: I'm guessing she does.
Joey: Well (*taking his cell phone out of a pocket*) I'm gonna hear it, because she keeps doing this.
Phoebe: Well, no, no, wait, wait, wait. All right, I gotta go. Just listen. Promise me, that you will wait a minute before you call her.
Joey: Ok. Why?
Phoebe: Because a promise between friends means never having to give a reason. (*she leaves*)
Joey: I love that saying!

(Phoebe is outside, taking her cell phone out of her bag and making a call. Joey is inside, and his mobile phone starts ringing).
Joey: Hello?
Phoebe (doing Estelle): Joey, it's Estelle.
Joey: I was just gonna call you! That's weird.
Phoebe-Estelle: It's a little coincidental, but believable. (Joey nods in agreement). Listen, I'm sure you're wondering why I didn't get you an audition for that TV movie.
Joey: Yeah, actually I am!
Phoebe-Estelle: I guess I dropped the ball there. Whoopsie!
Joey: That's it? You know, it seems all you do lately is drop the ball.
Phoebe-Estelle: Don't take that tone with me. Who you think you are? Alan Lomond, the first black man to fly solo across the Atlantic?
Joey: No, no, look. All I'm saying is that you're my agent, ok? And you're not getting me into any auditions and I'm tired of it.
Phoebe-Estelle: What are you saying?
Joey: I'm saying that... (pause). This isn't working for me anymore, ok? Estelle, you're fired. Goodbye. (he hangs up the phone).
Phoebe: Man, tough week for Estelle!

[Scene: Joey's apartment. Rachel's there and Ross enters the room with a stuffed dinosaur]
Ross: Hi.
Rachel: Hi.
Ross: Emma left her stuffed t-rex at my house. You know she can't sleep without it.
Rachel: Oh, well, she's asleep now. Stop forcing that thing on her.
Ross: Ok.
Rachel: Oh, you're not gonna believe what happened to me today! Ralph Lauren called, and gave me my job back!
Ross: Nooo!
Rachel: Yee. I mean, it was so weirdest thing. They fired me and then out of nowhere they just hire me back! I mean, that place must have been falling apart without me.
Ross: So, you're not going to Paris.
Rachel: No, I'm still going.
Ross: Wh... wh... what?
Rachel: When the Louis Vuitton people found out that Ralph Lauren wanted me back, the offered me more money! Isn't that great?
Ross: Yeeeah! (They high-five)

[Scene: house next to the one the Bings are moving into. Chandler and Monica knock, a lady opens the door.]
Monica: Hi. We're buying the house next door, and we were wondering if we could just take a look around.
Lady: Oh, sure. I'm showing it to someone else right now, but please, look around.
Monica: Thanks.
Chandler: It feels like we're cheating on our house. And if we're gonna cheat, shouldn't it be with like a hot, younger house, that does stuff that our house won't do?
Monica: Ours is *so* much better! This living room is smaller, the dining room looks like a *cave!* What a *hole!*
Lady: So? What do you think?
Monica: Love it!
Lady: Well, we already have one offer on it, and I think the lady upstairs is going to make another one.
Monica: They could be our neighbors, what are they like?
Lady: Oh, the woman upstairs is very nice. She and her husband have two kids, he's on Wall Street and she...
Janice: Oh my God!
 (Chandler and Monica are speechless).
Chandler (to Monica): Sure.
 [Scene: Joey's apartment. He's there and Phoebe comes in.]
Phoebe: Hey Joey, want come with me to... are you ok?
Joey: Yeah, I just... I just feel bad about firing Estelle. This is got to be killing her.
Phoebe: No, that wouldn't kill her. Ordinary embolism might.
Joey: I don't know. She's got to be taking it hard, I was like her only client. Except for this guy who eats paper. And I'm guessing he eats more money than he makes. Look, I know she's not a great agent, but she did stick with me for ten years. I'm gonna call her and hire her again.
Phoebe: No, no, no! Don't call her! You wait for her to call *you* (Joey considers it)
Joey: Why?
Phoebe: Because patience is the road to understanding (she thinks) which ... is the key... to a happy heart.
Joey: (impressed) You blow me away.
Phoebe: (picking up her bag) All right, so promise you're gonna wait for her to call you?
Joey: I promise. And that means, never having to give a reason. (Phoebe stops herself from laughing and leaves)

[Scene: The house Monica and Chandler are viewing. Janice comes down the stairs.]
Janice: What a small world!

Chandler: And yet I *never* run into Beyonce!
Realtor: You two know each other?
Janice: Oh, we go way back. Before Monica made an honest man out of him, Chandler used to be *my* little love muffin! (does her irritating laugh). So? Are you guys thinking of getting this house too? Ooh! Are we gonna have a bidding war? I'd better warn you, I'm a toughie (playfully punches Chandler, who tries to get away from her)
Chandler: (at Janice's punching) Don't, don't! (looks disgusted)
Monica: No, actually, we're buying the house next door. (Janice gasps)
Chandler: (To Monica and with bulging eyes) Why!?
Monica: (looks confused and scared) I *don't know* why.
Janice: Ooh, that decides it then. I was on the *fence*. But knowing that you two would be our neighbors? Ah! now we *have* to get it! (Chandler and Monica are utterly shocked) Ellen, we're going to talk numbers. (Grabs Ellen by her elbow and pulls her outside)
Chandler: This can not be happening!
Monica: Okay, the realtor said another couple made an offer. Maybe the *Janice's* won't get it! Maybe the other couple will.
Chandler: The only way that that is going to happen, is if the other couple are the Hitlers.
Monica: (Thinks a little more) Okay, Okay, (clapping her hands) All right. What if we got both houses? Huh? We can turn *this* house into a guest house.
Chandler: That is a great ideal And by the way, I don't mean to sound distasteful, but when did you start crapping money!
Monica: Okay, you come up with an idea.
Chandler: Alright alright, we still have three hours till escrow closes on our house. We can still get out.
Monica: But we *love* our house.
Chandler: Will we love it so much with her next door? And she's gonna be louder out here too. Just the crickets and (apes Janice's voice) "Oh My God!"
Monica: Okay, but if we don't get this house, she's still gonna show up wherever we go! I mean, at least if she's here, it eliminates the element of surprise. I mean, never again will you have to hear the three words that make your balls jump back up inside your body. (She shows this with her index finger, mimicking it pushing something up)
Chandler: (looks afraid, but at the same time, knows she's right) Well, we have to do something. We can't have her living next door. (Janice's laughs loudly outside) Oh, that does it too. (Motions with his index finger like Monica did)

[Scene: Mr. Zellner's office. There is a knock on the door.]
r Zellner: Who is it?
Ross: (enters) It's me. *Ron*. (Mr. Zellner looks annoyed) Look, I um, I now Rachel turned you down but I think there is a way you might be able to get her to come back.
Mr Zellner: This may surprise you, but re-hiring fired employees, is not my main job.
Ross: Just hear me out. How would you feel about offering her a raise? (looks hopeful)
Mr Zellner: (obviously amused) Not good, Ron.
Ross: Perhaps I can persuade you. What if you can give your son this (Takes a huge egg out of his back) genuine pterodactyl egg (whispers) replica.
Mr Zellner: (Takes a long look at the egg while he considers it) Wow, that's pretty cool (Takes the egg from Ross)
Ross: Huh? So? We have a deal?
Mr Zellner: Okay, you got it.
Ross: Yes! yes!
Mr Zellner: *This* is gonna make me very popular.
Ross: Oh, (grins) Believe me, the ladies, they love it!
Mr Zellner: (looks at Ross, for a long moment, confused) I meant with my son.
Ross: Good, 'cause the ladies, not so much. (shakes his head, give him a thumbs up and leaves)

[Scene: Joey's apartment. He walks in reading his mail, and plays back his messages on the answering machine]
Answering machine: Joey, this is Al T. Booker, (Looks annoyed that he called him) the guy who eats paper. I'm sure you've heard that Estelle passed away. (Looks shocked) I wanted to let you know there's a memorial for her at the Westside chapel, tomorrow at ten. Hope you can make it.
Joey: Oh my God. (Still in shock when his mobile rings, he picks it up) Hello?
Phoebe: (on the other side of the line, still pretending to be Estelle) Joey, it's Estelle. (Joey's eyes bulge up, he looks afraid)
Joey: Estelle?
Phoebe: Yeah, I wanted to call and tell you that there's no hard feelings for firing me.
Joey: (still scared) Ok-ay, I just, I can't believe you're calling me?
Phoebe: Well, I didn't think I should just drop by...
Joey: No, no, no! (Starts looking around the room, terrified) Don't drop by, don't drop by!
Phoebe: Anyway, you did what you had to do. I'm okay.
Joey: Can I ask you something? Uhm, what's it like there?
Phoebe: (Looks around) It's alright. Look kiddo, I gotta go. Good luck with the career. You're gonna be huge.
Joey: Thanks for everything Estelle. Bye. (Hangs up and reads the phone display) "out of area". Boy, I'll say.

[Scene: The house next door to Chandler and Monica's new house. Chandler is pacing worriedly through the living room when Janice enters.]
Janice: Well... I just talked to Sid, we are definitely putting in an offer on the house... a-a-and I'll bet we get it.
Chandler: The Hitlers will be so disappointed.
Janice: All right, I got to run. Tell Monica I say goodbye. And... I'll see you later, neighbor. (Janice laughs)
Chandler: Wait! I just want you to know that... I'm so

happy you're going to be here.
Janice: Oh, me too... (laughs)
Chandler: Because... that way... we can pick up where we left off.
Janice: Huh?
Chandler: I never stopped loving you.
Janice: Oh... my...
Chandler: Yeah, yeah, yeah! I want you... I need you... I must have you Janice Litman Goralnik Neihosenstein.
Janice: Chandler, what are you talking about?
Chandler: Now that you live next door, we can be together every day. Sid and Monica never have to know a thing.
Janice: I don't know what to say... I mean, you know, obviously we have this... heat between us.
Chandler: (stunned) Obviously.
Janice: But I love my husband. And I know you love your wife. Now, I don't think we should get this house now.
Chandler: Don't say that. Don't tangle the dream and take it away.
Janice: Chandler, one of us has got to be *strong*.
Chandler: I understand.
Janice: Although, maybe just... one last moment of weakness... (she kisses Chandler flat on the mouth. Chandler squirms. When she's finished, he looks at her lovingly but uneasily.) Goodbye Chandler Bing. (She leaves)
Chandler: (speaking as in pain) They're never coming down now.

[Scene: Ross's apartment. Ross is working on his laptop when Rachel enters with Emma.]
Rachel: Hi!
Ross: Hey!
Rachel: You are never going to believe what happened to me today.
Ross: What?
Rachel: Ralph Lauren called *again* and they offered me more money.
Ross: They did?
Rachel: Yeah. It was the weirdest thing. Zelner called me and he said we'll do everything we can to get you back. And that I should thank some Ron... I don't even know what department that guy's in.
Ross: So, what are you gonna do?
Rachel: Well, I took it.
Ross: That's great! So you're staying in New York!
Both: YAY! WHOO! YAY!
Ross: You're excited, right?
Rachel: (hesitant) Ye-ah. Yeah! You know, the money's *great*. It's certainly the easier choice...
Ross: Right!
Rachel: Yeah, you know, was I looking forward to going to Paris? Sure. You know, was I excited about working in the *fashion capital* of the world? Ooh, absolutely... Oh...! Yeah, but you know, this is... it's fine. I'm fine going back to a job where I've pretty much gotten everything out of that I possibly can... (she sits down, and Ross who is stunned to hear all this follows her example)
Ross: Uhm, I hadn't no you... I had no idea you were so excited about Paris. Uhm, I mean, you said you were scared.
Rachel: Well yeah, but I mean, it was good scared though, you know? Like when I-moved-to-New-York scared. Or uhm, when I-found-out-I-was-gonna-have-Emma scared... But this is... fine. This is gonna be good. (they both stare around)
Ross: (after a long pause) You should go.
Rachel: What?
Ross: It's what you want. You should go.
Rachel: You really think so?
Ross: I really do.
Rachel: But I already told Zelner that I would come back...
Ross: (picks up a skull of some carnivore from his side table and puts it in the same bag in which he brought the pterodactyl egg to Zelner) I'm sure he'll understand.
Rachel: All right. ALL RIGHT! I'm gonna do it. I'm gonna go to Paris.
Ross: Yeah...
Rachel: Yeah! I'm going to Paris. Thank you, Ross!
Ross: Yeah, yeah, oh! (They hug)
Rachel: Oh! Oh, I'm *so* happy.
Ross: Then I'm happy too. (They're still hugging - fade out)
COMMERCIAL BREAK
 [Scene: Estelle's memorial service. Joey is giving a speech. Next to him is a blown up photograph of Estelle behind her desk and there's a man standing next to him.]
Joey: Thank you all for coming. We're here today to pay respects to a wonderful agent and a beautiful woman... (Joey looks at the photograph) ..inside. As Estelle's only two clients we would like to say a few words. (Joey looks for his notes. The man next to him is chewing something.) Dude, where's my speech? (the man swallows something and looks at Joey.) That *is* entertaining. Al Zebooker everybody. (he applauds and Al shows that there's nothing left in his mouth.)

[Scene: Joey's place. Rachel and Joey are talking]

Joey: All right, all right, all right, let's play one more time, ok? And remember, if I win *you do not move to Paris.*

Rachel: Ok! Can't believe I'm risking this again, but you're on! All right Joe, you remember the rules! Heads I win, tails you lose.

Joey: Just flip!

Rachel (*she flips the coin*): Ha, tails!

Joey: Damnit!

(*Chandler and Monica enter the room*)

Chandler: Hey!

Joey: Hey!

Chandler: So we thought we'd throw you little going away party around seven.

Rachel: Oh, that sounds good!

Monica: Hey, Rach, you're leaving tomorrow, shouldn't you be packing?

Rachel: It's all done!

Monica: Oh, yeah, right! And after I took a shower this morning I just threw my towel on the floor! Oh God, it hurts to even joke about it.

Rachel: I know... Honey, seriously, I did it all. The luggage that I'm taking is in the bedroom, this is Emma's Paris stuff, these are the boxes that I'm having shipped, and that's the sandwich that I made for the plane...

Monica: Ok, so you've done some good work!

(*pause*) What about your carry-ons?

Rachel: Oh, well. Everything that I need (*she takes her bag*) is in here and my travel documents are on the counter organized in the order that I will be needing them.

Monica: Oh my God! I have nothing left to teach you! (*they hug*)

Chandler: Where's your passport?

Rachel: It should be right next to my plane ticket.

Chandler: Well, it's not.

Rachel: What? Maybe I put it in here (*she opens her bag*). Oh, oh, it's not in there! Oh, no! I must have packed it in one of these boxes!

Monica: Here, let me help you. (*they both start opening boxes*)

Rachel: Shoot. Oh, I can't believe I did this!

Chandler (*to Joey*): At what point did it stop being funny that I took her passport?

OPENING SEQUENCE

[Scene: Monica's apartment. Monica and Erica are talking about the baby, and Monica is rubbing Erica's tummy.]

Monica: Oh, wow, can you believe you're like three weeks away?

Erica: I know.

Monica: You don't mind me touching your belly, do you?

Erica: No, I don't mind you touching my belly, but right now your hand is kind of blocking the part where the baby is gonna come out.

(*She takes her hand off Erica. Ross enters the room*)

Ross: Hey!

Erica: Hi.

Ross: Hey Erica, welcome back to town! (*pause*)

Wow, look how big you've gotten.

Erica: That's because I'm pregnant!

Ross: Right, no, I understand.

Erica: Oh, ok. I'm just always afraid that people think I'm just fat with big breasts.

Ross: No, no, I knew (*he stares at her breasts*).

Monica (*to Ross*): Okay, well, stop staring at them.

Ross: She brought them up! (*pause*) I didn't realize you were coming back so soon!

Erica: Hey, well, in a couple of weeks I won't be able to travel.

Monica: Yeah, and I wanted her to get to know the doctors and get settled into the hotel.

Ross: Hotel? Why isn't she staying with you guys?

Monica: Because we're moving in a couple of days and it just didn't make sense.

Erica: Plus hotels are fun! My room has this little fridge full of free snacks!

Ross: Erica, those things aren't free. In fact they have one of the highest mark-ups of any consumer product...

Monica: Ross! She's giving us her baby. She can eat *you* if she wants.

Erica (*standing up*): I'll be right back.

Ross: Oh man, I can't believe you guys are leaving this place.

Monica: Oh, I know. I know. Hey, you know, you can take it if you want! The lease is still in Nana's name.

Ross: No, no. This will always be *your* place. It would be too sad. Plus, how much a month does it cost to feed Joey?

Monica: Yeah, it takes two incomes.

Ross: Hey, is Chandler here? We talked about catching a movie.

Monica: Oh, no. He doesn't have time for that. But if you want, you can go help him and Joey pack up the guest room.

Ross: Mhm, (*he balance things*) packing - sexy cheerleader comedy.

Monica: Mhm, helpful brother - creepy loner at teen movie.

(*Ross takes the tape roll she's handing him and walks to the guest room while mocking Monica's*

voice)

[Scene: Guest room. Joey has his head wrapped in bubbled wrap and Chandler is punching him. Ross enters the room.]

Ross: What are you guys doing?

Joey: Try it, I can't feel a thing! (*Ross starts punching him too*)

Monica (*enters the room*): Are, are you kidding? This is packing?

Chandler: We're taking a break!

Monica: From?

Chandler: Jumping on the bed?

Monica: All right, Rachel's party is in a couple of hours and there's a lot to do. Now, Ross, you got Geller blood, you're in charge of these yahoos!

Ross: You got it! (*Monica leaves, Ross closes the door*). All right, she's right, we gotta get serious. (*He grabs a bag of styrofoam peanuts*) Let's put styrofoam peanuts down his pants and kick him!

Chandler: No, no, no, guys. She's right. We should get to work. I'll take stuff out of the closet, Joey you pack 'em and Ross you re-pack whatever Joey packs.

(*Joey takes the bubble wrap off his head*)

Joey: You guys hear a ringing?

Chandler: (*holding a pair of furry handcuffs*) What the hell is this?

Joey: Hey! Handcuffs! And fur line, nice! I didn't know you guys had it in ya!

Ross: Chandler, you don't have a sister so you can't understand how much this bums me out.

Chandler: I didn't know Monica had these!

Joey: Mhm, maybe she used them with another boyfriend. Maybe Richard!

Chandler: Why would she use them with Richard and not me? I can be kinky! I once did a naked dance for her... *with scarves!*

Ross: Bumping hard, guys, bumping hard.

[Scene: Monica's apartment. Phoebe and Ross enter the room.]

Phoebe: Hey!

Monica: Hey! Where's Mike?

Phoebe: Oh, he has a gig. I kinda like being married to a rock star, you know. My husband has a gig.

Ross: Yeah? Yeah, where is it?

Phoebe: Oh, he's playing organ for a children's roller-skating party.

Ross: Rock on!

Phoebe (*watching the food on the table*): Wow, this is quite a spread! (*pause*) What is all this stuff?

Monica: Well, I thought this would be a great opportunity to use up all the food that I don't want to move to the new house with me! So, enjoy: smoke oyster casserole with a breakfast cereal crust, kidney beans in their own juices, and for dessert, a questionable orange.

Joey (*entering the room*): Hey.

Chandler: Hey.

Ross: Hey, where's Rachel?

Joey: Oh, she's putting Emma down, she'll be over in a second.

Ross: Great.

Joey: Now it just hit her that she's leaving and she's kind of emotional so no one say anything to set her off, ok?

Monica: Yeah.

(*Rachel enters the room*)

Everybody: Hey Rach, hey you.

Ross: Here she is!

Rachel (*crying*): Hi you guys!

Joey: What did I just say?

Rachel: No, no, no. It's ok. I'm gonna be fine.

Monica: Come here, I'll make you a drink.

Ross: Oh, man! I can't believe she's actually leaving. How am I gonna say goodbye to Rachel?

Chandler: Oh, well, she's been such a big part of my life. And it feels like when Melrose Place got cancelled. (*Ross and Joey looks puzzled*) I mean... oh, forget it. I miss Melrose Place!

Joey (*to Ross*): You know, I had a chance to stop her too!

Ross: Yeah?

Joey: Who loses fifty seven coin tosses in a row? Head she wins, tails I lose. (*he stops and starts realizing something*) Wait a minute...

Chandler: Yes, Joe?

Joey: I forgot to pick up my dry cleaning!

Phoebe (*to Rachel*): You doing ok?

Rachel: Well, I've been better.

Phoebe: Uh-hmm.

Rachel: You guys are gonna come and visit me, right?

Phoebe: Yes! You know, in six months the Statute of Limitations runs out and I can travel internationally again!

Rachel: I'm gonna miss you so much.

Phoebe: I know.

Rachel: You know what? Uhm, I have some goodbye stuff that I wanted to say to each of you and I was gonna save it until the end of the night, but come here (*they go into the guest room*).

Ross: Hey, what do you think they're doing in there?

Joey: Huh, if I had to guess I'd say Rachel is putting on the bubble wrap and Phoebe is doing the punching.

[Scene: Guest room. Rachel and Phoebe are sitting on the bed.]

Rachel: Oh, Phoebs, I don't even know where to start.

Phoebe: Ok well, before you do, I know we weren't supposed to get you going away presents, (*she takes something out from her pocket*) but I do have something for you.

Rachel: Oh, oh. (*she's holding the present, a transparent bag with a white stick in it*). What is this?

Phoebe: It's a cotton swab with a bit of my saliva on it, so that if they perfect the cloning process while you are over there, you can use the DNA to create your own Phoebs!

Rachel: I'm gonna throw this away, but thank you so much for the gesture!

[Scene: Monica's apartment. The living room.]

Monica: Chandler? I was just in our bedroom and I found these (*she holds the furry handcuffs*) on my pillow.

Chandler: Oh, yes. I decided to leave these out for you in case Richard stops by and you wanna engage on a little light bondage and moustache play!

Monica: What are you talking about? These aren't mine.

Chandler: Oh yeah, right! Good luck getting another scarf dance from me!

Monica: That would be a terrible punishment. But, I'm serious, I've never seen these before.

Chandler: Really? Then what are they doing in our guestroom?

Monica: Rachel used to live in that room.

Chandler: Rachel... with handcuffs! Interesting! (*he looks excited*)

Monica: Joey's bare ass!

Chandler: (*he doesn't look excited anymore*). Well played.

(*Phoebe and Rachel enter the living room.*)

Rachel: I love you Phoebe.

Phoebe: I love you too. (*they hug*) Please don't... Don't turn into... you know... French bitch! (*they hug again*)

Rachel: All right. Well, if I gonna do this, I'd better keep going.

Phoebe: Ok.

Rachel: Ok. Monica?

Monica: Yeah?

Rachel: Can you come here with me for a minute?

Monica: Sure.

Phoebe (*to Monica*): Are you wearing waterproof mascara?

Monica: No.

Phoebe: Oh, you're so screwed. (*Monica goes into the guest room*)

Ross: (*to Phoebe*) Hey. What was that all about?

Phoebe: She's gonna say goodbye to each of us individually.

Ross: Are you kidding? Oh my God...

Phoebe: Yeah, I know, it's gonna be even worse for you... God... Ross, get ready to do some serious crying.

Ross: Oh, man, I'm not going to be able to handle this. (*pause*) Now I know how my students feel at the end of each year. And why they act out by giving me such bad evaluations.

[Scene: The guest bedroom. Rachel and Monica are talking to each other.]

Rachel: Mon... Okay... I've gotta... just say what it is I'm gonna say... None of the amazing things that have happened to me in the last ten years, would have happened if it wasn't for you. No-one has been more like a sister to me...

Monica: I know what you mean. You're like a sister to me too.

Rachel: (*starts crying and speaking at the same time, making it almost impossible to understand what she's saying*) I wouldn't know what I'm gonna do without you...

Monica: (*having the same problem*) You're the best friend I ever had.

Rachel: (*says something that cannot be understood*)

Monica: What?

Rachel: I... I... I... (*again saying something that cannot be understood*)

Monica: That is so sweet. (*they hug*)

[Scene: Back to the living room. Monica and Rachel enter and hug each other. The guys see this.]

Ross: (*to Joey*) Oh no, she took down Monica... And I'm the crier in the family. Oh God! I could be next. Maybe she won't talk with me if it looks like we're deep in conversation. Oh, so that thing you said about the thing. It really made me think about that other thing.

Chandler: Uh, Rach?

Ross: Well it's okay. Chandler is talking to her.

Joey: I really made you think about that thing uh?

Chandler: (*to Rachel*) Uh, Rach... I think I have something that belongs to you. (*shows her the cuffs*)

Rachel: (*laughs*) Oh, I'm sure gonna miss pretending to laugh at your weird jokes that I don't get.

Chandler: No, no, no... They're really yours. We... found them in your old room.

Rachel: Well, these aren't mine. Maybe Monica used to use them with...

Chandler: Don't say Richard! Well, if they're not Monica's and they're not yours, then whose are they?

Rachel: Well, I think you're forgetting the kindest former resident of that room.

Chandler: Phoebs!

Phoebe: (*from the other side of the room*) Yeah!

Chandler: I think these are yours.

Phoebe: These are not mine... Look how flimsy they are, come on! Good God! You try to hang a guy from a waterpipe with these, they'll snap like a piece of licorice.

Rachel: (*to Chandler*) Can I talk to you alone for a minute?

Chandler: Sure. (*to Phoebe*) You don't really handcuff guys to waterpipes do you?

Phoebe: Where do you think Mike really is? (*she giggles, Chandler looks aghast*)

[Scene: The guest bedroom. Chandler and Rachel.]

Rachel: Oh honey...

Chandler: Let me just say something... Because once we get into this, I'm gonna get all uncomfortable and probably make some stupid joke... I just want to say that I... I love you... And, I'm gonna miss you. And I'm so sad that you're leaving.

Rachel: (*all mushy*) Oh, you know what? Let's not say anything else. I love you. (*they hug*)

Chandler: Ooh, not so tight... (*blows raspberry, and the hug ends*) I'm sorry, just give me one more chance.

Rachel: Okay. Oh...

(*Chandler blows raspberry again*)

Rachel: Oh!
Chandler: I'm sor... Just go. Just go. I can't, I can't.
[Scene: Monica's living room. We look outside to the balcony where Rachel is saying goodbye to Joey.]
Monica: (to Ross) So, I guess you're next. You're ready?
Ross: I don't think so.
Chandler: Oh, you're definitely not. I haven't cried like that in years.
Monica: You cried yesterday at the six o'clock news.
Chandler: That old woman was being scammed by her mechanic.
Ross: God! I can't believe she saved me for last. (looking out to the balcony) Why are they taking so long?
Phoebe: I don't know. But, God, Joey seems to be handling it surprisingly well.
(Rachel and Joey hug, and Rachel turns to enter the apartment through the side window again. At that moment Joey tries to climb over the edge of the balcony.)
All: No, no, no, no!
(Rachel rushes back and pulls Joey back onto the balcony, and takes him inside.)
Ross: Okay, here we go...
Rachel: Oh... (holding Ross's shoulder) Well...
Ross: Yeah...
Rachel: I think I'm gonna take off. (pats Ross on his back, but he looks very surprised)
Ross: Huh?
Rachel: Oh, you guys. This was an amazing night. Thank you so much. I love you. Good night. (She leaves the apartment and they all stare at Ross)
Ross: What? I don't get a goodbye?
Joey: (still very emotional) Lucky bastard!
[Scene: Monica's apartment continued... Phoebe, Chandler, Monica and Joey are sitting down and Ross is pacing up and down.]
Ross: Unbelievable. She says goodbye to everyone but me.
Monica: Well, maybe she thought that with all of your history it could be, you know, implicit.
Ross: Well, it needs to be plicit.
Joey: All right, let's think about this. I mean, there's got to be an explanation. Uh... did you do anything to make her mad?
Ross: No, I don't think so.
Phoebe: You know, maybe she was just really spent from our talk. It was pretty intense.
Monica: Yeah. Mine too.
Chandler: Mine was a humdinger
Ross: (annoyed) O-kay... I mean, don't I deserve anything? I mean, a few tears, a cursory hug? (Joey gives Ross a hug) NOT FROM YOU! (Joey lets go)
Phoebe: Ross, if you're this upset, you should go and talk to her.
Monica: And say what? "You owe me a goodbye", I mean, he's got more pride than that.
Ross: THE HELL I DO!
(Ross takes big steps leaving for Joey and Rachel's apartment, where Rachel is going through her papers.)
Ross: I don't get a goodbye?
Rachel: What?
Ross: (talking agitated and angry) Everyone gets a goodbye but me? What have I got to do to get a goodbye, huh? Be best friends with you? Uh, go out with you? Have a baby with you? Oh wait a minute, wait a minute, I did all those things.
Rachel: Ross...
Ross: Oh no, maybe it's me, I'm just not giving you enough credit. Uh, I mean it is difficult to say goodbye to five people. Uh, goodbye, goodbye, goodbye, goodbye, good... (makes choking noises) IT'S PHYSICALLY IMPOSSIBLE. You know what? After all we've been through, I can't believe this is how you want to leave things between us. Have a, have a good time in Paris. (He leaves the apartment. Rachel looks kind of desperate.)
[Scene: Monica and Chandler's apartment. The others are still there.]
Monica: I hope Ross isn't too upset.
Joey: I'm sure he's not more bummed out than I am.
Phoebe: Tell me about it.
Chandler: Well, you can't say we don't know how to throw a party.
Phoebe: All right, I think I'm gonna head out.
Monica: Uh, where do you think you're going?
Phoebe: I thought I was going home to go to bed, but I'm sensing there's something less fun for me to do here.
Monica: We're moving in a couple of days and we've got a lot of packing to do. It would be great if you guys could pitch in.
Chandler: Joey and I can finish up in the guest room.
Joey: Oh, yeah, yeah, good idea. (he mimes hitting his head with his fist)
Monica: Oh no! You and Phoebe are gonna help me in here.
Chandler: (to Joey) You couldn't be cool. (he goes to the guest bedroom)
Monica: Okay, we're gonna start in the kitchen. Plates get put into plate protectors and stacked ten to a box. The silverware gets bundled in rubber

bands and then bubble wrapped. Got it?
Phoebe and Joey: Yeah.
Monica: Good! Now I need you to be careful and efficient. And remember, if I am harsh with you, it is only because you are doing it wrong.
Chandler: Hey Mon, I think I figured out whose handcuffs they are.
Monica: You did? How?
Chandler: Well, I was cleaning out the closet and I found some pictures of them... being used.
Monica: Oh my God! Let me see. (they all look at the pictures)
Joey: Who's that dirty old lady?
Chandler: Monica's grandmother.
Monica: Nana liked it rough!
(Erica, the pregnant girl, enters)
Erica: Hi!
All: Hey!
Joey: Come on here, have a seat.
Phoebe: How was your night?
Erica: Oh, it was okay. I went to a movie with my cousin and then out for dinner. We went to this place that had... Ooh... (she looks likes she is in pain, holding her belly) Hoo... ooh... Anyway, they had these really amazing cheeseburgers.
Monica: Erica, are you okay?
Erica: Yeah, you know, maybe I ate too much. I keep getting these stomach aches. They come and go like every few minutes.
Monica: Oh my God!
Chandler: Relax! We just get her some antacids.
Monica: She doesn't have a stomach ache, she's in labor.
Chandler: Oh my God!
Phoebe: Yeah, you got to get to the hospital.
Monica: All right, Chandler get the coats. Erica let's go. Phoebe and Joey, keep packing! Oh my God we're gonna have a baby. All right. We're gonna have a baby! OH MY GOD, WE'RE GONNA HAVE A BABY! Oh God, oh God, I got to sit down, I got to sit down. Ooh! (she's hyperventilating)
Chandler: Honey, it's gonna be okay.
Erica: You can do this. Just breathe.
Monica: Okay, okay... Okay, I feel a little better.
Erica: (in pain) Ooh! Are you sure?
Monica: Oh... Yes, I'm sure. Oh honey, let's go. Okay bye everyone.
(there's a lot of supportive cheers from all. Erica, Monica and Chandler leave.)
Joey: Chandler, wait, wait, wait...
Chandler: What?
Joey: If you get a second, find out where she got that cheeseburger.
[Scene: Ross's apartment. Rachel bursts in.]
Rachel: You really think I didn't say goodbye to you because I don't care?
Ross: That's what it seemed like.
Rachel: I cannot believe that after ten years, you do not know ONE thing about me.
Ross: Fine, then why didn't you say something?
Rachel: Because it is too damn hard Ross. I can't even begin to explain to you how much I'm gonna miss you. When I think about not seeing you every day, it makes me not want to go... Okay, so if you think that I didn't say goodbye to you because you don't mean as much to me as everybody else, you're wrong. It's because you mean more to me. So there, all right, there's your goodbye... Oh!
Ross: Rach!
Rachel: What?
Ross: You keep, you keep... You can't...
Rachel: WHAT?
(Ross walks over to her and starts to kiss her passionately. After a while Rachel backs out. She thinks a while and starts kissing him back.)
COMMERCIAL BREAK
[Scene: Chandler and Monica's apartment.]
Joey: A little more.
Phoebe: Okay. (she starts to stuff styrofoam peanuts down the front of Joey's pants.)
Joey: A little more, a little more. (she stuffs some more down his pants and Joey assesses the how many there already are in there.) A little more... All right. Okay, all right, let's do this.
Phoebe: All right, ready?
Joey: Yeah. All right, now give me your best shot.
Phoebe: All right, here it goes...
(she kneels him in the crotch. He jumps up a bit)
Joey: (in pain) Doesn't work... (he falls down on on his knees with his head on the floor)
THE END

1017/1018 - The Last One

[Scene: Monica and Chandler's apartment. It's a scene from 1016 TOW Rachel's Going Away Party.]
Jennifer Aniston (V.O.): Previously on Friends.
Monica: Erica, are you okay?
Erica: Yeah, you know, maybe I ate too much. I keep getting these stomach-aches. They come and go like every few minutes.
Monica: Oh my God!
Chandler: Relax! We'll just get her some antacids.
Monica: She doesn't have a stomach-ache. She's in labor!
Chandler: Oh my God!
[Cut to Ross's apartment. Ross and Rachel are there. It's another scene from 1016 TOW Rachel's Going Away Party.]
Rachel: So if you think I didn't say goodbye to you because you don't mean as much to me as everybody else, you're wrong. It's because you mean more to me.
Ross: Rach!
Rachel: What?!

(He walks over and kisses her. They pull back, Rachel looks at him, and they kiss again.)
[Scene: Ross's bedroom. Rachel is putting on her shoes as Ross shows up from underneath the covers.]
Ross: Hey.
Rachel: Shh.. Go back to sleep. I have to go home.
Ross: Oh. This was amazing.
Rachel: It really was. You've learned some new moves!
Ross: Yeah, well, this guy at work gave me "Sex for Dummies" as a joke.
Rachel: Ah.
Ross: Who's laughing now?
Rachel: I know!
(They kiss.)
OPENING CREDITS
[Scene: The delivery room at the hospital. Monica, Chandler and Erica are there. Erica is in labor, and she is breathing heavily.]
Monica: Breathe, breathe, breathe... Good.
Chandler: Next time, can I say breathe?
Monica: No, last time you said it like Dracula, and it scared her! Can I get you anything? You want some more ice chips?
Erica: No, I'm okay.
Monica: Alright, I'll be right back.
Chandler: Where are you going?
Monica: To use the bathroom.
Chandler: You can't leave me alone with her.
Monica: What?
Chandler: This is exactly the kind of social situation that I am not comfortable with!
Monica: What kind of social situation are you comfortable with?
Chandler: It's just that we've never spent any time, you know, alone together.
Monica: You'll be fine. Nah, you won't, but I'll be back in two minutes.
Chandler: Okay.
(Monica leaves, and Chandler closes the door. Erica just looks at him.)
Chandler: So, ah... Any plans for the summer?
Erica: I don't know. Maybe church-camp?
Chandler: Hah. May not wanna mention this. So, you ever wonder which is worse, you know; going through labor or getting kicked in the nuts?
Erica: What?
Chandler: Well, it's just interesting. You know, because no one will ever know, because no one can experience both.
(Erica just looks at him like he's crazy.)
Chandler: One of life's great, unanswerable questions. I mean, who knows? Maybe there's something even more painful than those things? Like this.
[Scene: Joey and Rachel's apartment. Joey is there as Phoebe enters. Joey is holding a baby duck.]
Phoebe: Morning.
Joey: Hey!
Phoebe: What's that?
Joey: It's my house-warming present for Monica and Chandler.
Phoebe: It's a baby chick and duck!
Joey: Uh-huh. And I named them Chick Jr. and Duck Jr.
Phoebe: I did not see that coming.
Joey: Yeah, I figure they'll love it at the new house, you know? It has that big backyard. And then, when they get old, they can go to that special farm that Chandler took the other chick and duck to.
Phoebe: Yes.
Joey: Yeah. It's a shame people can't visit there.
Phoebe: That is the rule, though.
(Ross enters.)
Phoebe: Guess what? You're almost an uncle!
Ross: What?
Joey: Yeah, Erica went into labor last night. Monica and Chandler are at the hospital right now!
Ross: Oh my God!
Phoebe: Yeah, and I have a definite feeling it's gonna be a girl.
Ross: Phoebe, you were sure Ben was gonna be a girl.
Phoebe: Have you seen him throw a ball?
Ross: Is Rachel here?
Joey: Uh, I think she's still asleep. Hey, hey, how did it go with you guys last night? She seemed pretty pissed at you.
Ross: Uh, we, yknow, we worked things out.
Phoebe: What's that smile? Did something happen with you two?
Ross: Hey, I'm not one to kiss and tell, but I'm also not one to have sex and shut up. We totally did it!
Joey: Oh my God. You and Rachel?
Ross: I know, it's pretty great.
Joey: So what does that mean? Are you guys getting back together?
Ross: Oh, I.. I don't know. We didn't really get to talk.
Phoebe: But do you wanna get back together?
Ross: I don't know. It was incredible. I mean, it just felt so right. When I was holding her, I mean, I never wanted to let her go. You know what? Yeah, I do. I wanna be together.
Phoebe: (screaming) YAY!
Ross: Shhh!
Phoebe: (quietly) Yay!
Joey: So, so is she still going to Paris?
Ross: Wow, I hadn't thought of that. I hope not.
Phoebe: Oh, this is like the best day ever. Ever! You guys might get back together, Monica and Chandler are

getting their baby, there are chicks and ducks in the world again! Oh, I feel like I'm in a musical! (Singing) "Daa - raa... When the sun comes up, bright and beaming! And the moon comes..." (Rachel enters from her room.)

Rachel: Morning!

Phoebe: Guess we'll never know how it ends.

Joey: Okay.

Ross: Hey.

Rachel: Hey.

Ross: Hey. How did you sleep?

Rachel: Good. Your?

Ross: Good.

Joey: I bet you did!

Ross: Uh. Would you guys mind giving us a minute?

Joey: Sure, yeah. Will you just keep an eye on the chick and the duck?

Rachel: Chick and the duck? Didn't they die...

Phoebe: (interrupting) Dive. Yeah, they dove head-first into fun on the farm.

(Joey and Phoebe leave.)

Ross: So...

(He kisses her.)

Ross: Morning.

Rachel: You too. Last night was just wonderful.

Ross: It really was.

Rachel: I woke up today with the biggest smile on my face.

Ross: I know, me too. It was... You know, it was like one of those things you think is never gonna happen, and then it does, and it's everything you want it to be.

Rachel: Uh-huh. I know. It was just, it was just the perfect way to say goodbye. (She hugs him, and Ross looks crushed.)

[Scene: The Hospital. Erica is moaning and about to give birth. Monica, Chandler, a nurse and a doctor are there with her.]

Monica: It's just a little bit more, honey.

Erica: Help me! This hurts!

Chandler: Is it really that bad?

Erica: Uh-huh! I think it's time to kick you in the nuts and see which is worse!

(Monica gives Chandler a look.)

Doctor: The baby's head is crowning.
(Monica walks down to Erica's legs to watch the birth.)

Monica: Oh! Oh my God! That is the most beautiful top of a head I have ever seen! Chandler, you have to see this!

(Chandler is standing by Erica's head.)

Chandler: I'm okay.

Monica: Chandler, you don't wanna miss this. This is the birth of your child! It's the miracle of life!

Chandler: Alright. Wow, that is one disgusting miracle.

Doctor: Start pushing. Here we go. Here come the shoulders...
(The baby starts crying, and the doctor holds it up.)

Monica: It's a... It's a boy!

Chandler: Wow!

Erica: Is he okay?

Doctor: He's just fine.

Monica: Oh, you did it!

Chandler: (emotional) It's a baby! A beautiful little baby! And some other stuff I'm gonna pretend I don't see.

Doctor: Would you like to cut the umbilical cord? (A nurse gives Monica a pair of scissors. Monica gives it to Chandler, and they cut it together.)

Chandler: Well, that's spongy.

Monica: (to her son) Oh, hey handsome! Oh, I'm gonna love you so much that no woman is ever gonna be good enough for you! (To Chandler, on the verge of tears) Oh, we are so lucky!

Chandler: I know. He has your eyes.

(Monica looks at him.)

Chandler: I mean, I know that's not possible, but he does.

Nurse: We'll just get him cleaned up a bit.

(The doctor hands the boy to the nurse, and she walks over to another part of the room with him.)

Chandler: Okay.

Monica: (To Erica) Oh my God, he's beautiful. Thank you so much.

Erica: I'm really happy for you guys.

Chandler: How do you feel?

Erica: I'm tired!

Doctor: Well, you don't have that much time to relax. The other one will be along in a minute.
(Chandler stares at the doctor, completely shocked. Monica just freezes and turns around slowly.)

Monica: I... I'm sorry, who should be along in a what now?

Doctor: The next baby should be along in a minute.

Monica: We only ordered one!

Doctor: You know it's twins, right?

Chandler: Oh, yeah! These are the faces of two people in the know!

COMMERCIAL BREAK

[Scene: The hospital. Continued from earlier.]

Doctor: I can't believe you didn't know it's twins! This has never happened before.

Chandler: Well, gosh. That makes me feel so special and good.

Monica: (to the doctor) Wait, did you know it was twins?

Doctor: Yeah, it's here in the paperwork we got from the clinic in Ohio.

Monica: (to Erica) Anybody tell you?

Erica: I don't think so. Although, they did mention something about two heartbeats. But I thought that was just mine and the baby's. They kept saying both heartbeats are really strong, and I thought well, that's good 'cause I'm having a baby.

Monica: This is unbelievable.

Erica: Twins actually run in my family.

Chandler: Interesting! (To Monica) Can I see you for a second?

(They walk over to the door.)

Chandler: What do we do?

Monica: What do you mean "what do we do"?

Chandler: (panicking) Twins! Twins!!

Monica: Chandler, you're panicking!

Chandler: Uh-huh! Join me, won't you?! Okay, what do you say we keep one, and then just like have an option on the other one?

Monica: We can't split them up!

Chandler: Why not? We could give each of them half a medallion, and then years later, they'll find each other and be reunited. I mean, that's a great day for everybody.

Monica: Okay, what if the person who adopts the other one is horrible?

Chandler: What if they're not? What if it's adopted by a king?

Monica: Yeah, because I hear the king is looking to adopt.

Chandler: Monica, we are not ready to have two babies!

Monica: That doesn't matter! We have waited so long for this. I don't care if it's two babies. I don't care if it's three babies! I don't care if the entire cast of "Eight is Enough" comes out of there! We are taking them home, because they are our children!

Chandler: (smiles) Okay. Shhh...

(He hugs her.)

Chandler: Okay.

Monica: Okay!

Chandler: Okay!

Doctor: It looks like we're about ready over here.

(Monica and Chandler run back to Erica's bed.)

Doctor: Come on, Erica, start pushing again now.

Erica: Ow!

(Erica screams.)

Doctor: Here she comes!

Chandler: (shocked) She? It's a girl?

Doctor: Yeah.

Chandler: (To Monica) Well, now we have one of each!

(To the doctor) And that's enough!

[Scene: Central Perk. Ross, Phoebe and Joey are there.]

Ross: And then she said it was the perfect way to say goodbye.

Joey: Oh my God! What did you say?

Ross: Nothing! What do you say to that?

Phoebe: Ross, you've got to tell her how you feel!

Ross: No way!

Joey: You can't just give up! Is that what a dinosaur would do?

Ross: What?

Joey: Dude, I'm just trying to speak your language.

Phoebe: Ross, Rachel doesn't know that you wanna get back together. If she did, she might feel differently. She might not even go.

Ross: You really think so?

Phoebe: I'm telling you! Oh, okay! This is the part of the musical where there'd be a really good convincing song.

(Singing) "Bam-bam, don't take no for an answer. Bam-bam, don't let love fly away. Bam-bam-bam-bam..."
(Rachel enters and interrupts Phoebe's song.)

Rachel: Hi!

Phoebe: Can't a girl finish a song around here?

Joey: Hey!

Rachel: Hi! So I just dropped Emma off at my mom's.

Ross: Okay.

Joey: Oh, you're not taking her with you tonight?

Rachel: No, we decided that I would go ahead and set up first, and then my mom would bring Emma to Paris on Sunday.

Phoebe: Wow, eight hour flight with a one-year old? Good luck, mom.

Rachel: Are you kidding? Eight hours with my mother talking about Atkins? Good luck, Emma!

(Rachel walks up to the counter.)

Ross: Alright, you know what? You're right. I should at least tell her how I feel.

(He stands up.)

Joey: Ross, wait!

Ross: What? What?

Joey: Could you get me a muffin?

(Ross walks up to Rachel, but Gunther gets there first.)

Gunther: Rachel?

Rachel: Yeah?

Gunther: I... I know you're leaving tonight, but I just have to tell you. I love you.

(Ross is shocked.)

Gunther: I... I don't know if that changes your plans at all, but I thought you should know.

Rachel: (touched) Gunther... Oh... I love you too. Probably not in the same way, but I do. And, and when I'm in a café, having coffee, or I see a man with hair brighter than the sun, I'll think of you. Aw.

(She kisses him on the cheek and looks over at the others.)

(Rachel leaves.)

Ross: Oh my God!

Phoebe: Unbelievable!

Joey: Hey, you know what might help?

Ross: I'm not getting you a muffin!

[Scene: The hospital. Monica and Chandler are holding the twins, while two nurses are taking care of Erica.]

Monica: Do you think they recognize each other from in there?

Chandler: Maybe. Unless they're like two people who have lived in apartments next to each other for years, and then one day they're pushed through a vagina and they meet.

Nurse: We're going to take Erica to recovery now.

Monica: There's something that we wanna tell you. We decided to name the girl-baby Erica.

Erica: Oh my God, that's just like my name!

Monica: Son of a gun, it is!

Erica: Anyway, I'm gonna go and get some rest. I'm really glad I picked you guys. You're gonna make great parents. Even Chandler.

Monica: Okay, well, bye!

Erica: Bye!

Chandler: Bye!

Monica: We'll call you!

Erica: Okay.

Chandler: Have fun at church-camp!

(The nurses take Erica to the recovery room. Monica and Chandler smile at each other.)

Monica: Oh, look at these little bunnies!

Chandler: I know! You ready to trade?

Monica: Okay.

Chandler: Okay.

Monica: Alright, let's see..

(They start trying to trade babies while holding one each. They have no idea how to do it, so they just shift the babies around in their arms. They give up pretty quickly.)

Chandler: We could trade later.

Monica: Yeah, I'm good.

[Scene: Monica and Chandler's apartment. Joey and Phoebe are there. There is a white crib decorated with balloons in the middle of the apartment. Also, there are boxes all over the apartment. Joey is working on something on the coffee table.]

Phoebe: Hey, what are you working on?

Joey: It's a... It's a "welcome home" sign for the baby. (He holds up a white poster with huge red letters. It reads, "Welcome Home Baby." There is also a huge red stain on the left of the poster.)

Phoebe: How sweet! Oh, is that the baby?

(She points at the stain.)

Joey: No, I sat in the paint.

(Ross enters with a gift for the baby.)

Ross: Hey.

Phoebe: Hey. So, did you talk to Rachel?

Ross: No, and I'm not going to.

Phoebe: What?

Joey: Why not?

Ross: Because she's just going to shoot me down. You guys saw what happened with Gunther. That did not look like fun.

Phoebe: How can you compare yourself to Gunther? I mean, sure, he's sexy in a more obvious way. You have a relationship with her, you slept together last night.

Ross: Yeah, and she still wants to go! It's pretty clear where she is.

Joey: Yeah, I know what you mean. I mean, sometimes...

(He sits down in the wet paint again.)

Phoebe: Uh, Joe?

Joey: Damn it!

Ross: Look, even if I were gonna tell her, I don't have to do it now. Okay? I'll be seeing her again. We've got time.

Phoebe: No, you don't! She's going to Paris! She is going to meet somebody. Do you know how many hot guys there are in Paris? It's... It's a city of Gunthers!

(Mike enters with a roll of paper in his hand.)

Mike: Hey!

Phoebe: Hey! What do you have there?

Mike: Oh, I made a little something. If I had more time to work on it, it'd be better, but...

(He shows them a beautiful banner he has made. It reads, "Welcome to the World, Baby Bing.")

Ross: Oh my God! You did that yourself?

Phoebe: Honey, that's gorgeous!

Joey: You know, the baby can't read, Mike!

(Rachel enters.)

Rachel: Hi! You guys, the car-service just got here. I can't believe they're not home yet! I have to catch my stupid plane. I wanna see the baby!

Joey: Monica just called from the cab. She said they should be here any minute. And apparently, there's some big surprise.

Phoebe: Yeah, did she sound happy about it? 'Cause my friend Ethel's baby was born with a teeny, tiny beard.

(Monica enters carrying her son.)

Rachel: Oh my God!

Ross: Oh my God!

(They all walk over to see the baby.)

Rachel: Hi! Oh my gosh!

(Chandler enters carrying his daughter.)

Chandler: Hey.

(Everybody turns around.)

Phoebe, Ross, Rachel: Hey.

(They turn back around to see the baby Monica's carrying, but then they realise what the surprise is. Ross, Mike, Phoebe and Rachel gasp and stare at Chandler and his baby. Joey hasn't figured it out yet.)

Joey: (To Monica) Hey, so what is the big surprise?

Rachel: Oh.

(Joey stares at Chandler and Monica and finally puts two and two together. He gasps.)

Ross: Oh my God!

Rachel: What... What...

Ross: Okay, okay, awkward question. The hospital knows you took two, right?

Monica: Yes, it's twins!

Ross: Oh my God.

Joey: Oh, they're so cute! Now, what, what kinds are they?

Monica: (points at the baby she's holding) This is a boy, (points at the baby Chandler is holding) and that's a girl.

Chandler: Her name is Erica.

Rachel: Aw..

Joey: Hey, that pregnant girl's name was Erica.

Chandler: Yeah. It's a shame you two didn't get to spend more time together.

Monica: Yeah, we named the boy Jack after dad.

Ross: Aw, he's gonna be so happy.

Phoebe: Oh, Jack Bing. I love that. Ooh, it sounds like a '40s newspaper guy, you know? "Jack Bing, Morning Gazette. I'm gonna blow this story wide open!"

(Chandler and Monica carry Erica and Jack over to the crib and put them down carefully.)

Rachel: Oh my gosh. Wow, so beautiful.

Mike: (To Phoebe) I want one.

Phoebe: Oh yeah? Well, tell me which one, and I'll try slip it in my coat.

Mike: Seriously. Wanna make one of those?

Phoebe: One? How about a whole bunch?

Mike: Really?

Phoebe: Yeah! Ooh, we could teach them to sing, and we can be like the Von Trapp family! Only without the Nazis. Although that sounds kinda dull.

Rachel: Oh, you guys, I can't believe this. But I'll leave now, or I'm gonna miss my plane.

Monica: I'm just so glad you got to see the babies.

(They hug.)

Rachel: Me too. Oh, I'm just sorry I'm not gonna be around to watch you two attempt to handle this! Alright, I can't say goodbye to you guys again. I love you all so much.

Monica: I love you.

Chandler: I love you.

Monica: Call us when you get there.

Rachel: I will. Ross, come here.

(She pulls him over to the door.)

Rachel: I just want you to know.. Last night.. I'll never forget it.

Ross: Neither will I.

(They hug as Phoebe and Joey stare at the two of them.)

Rachel: Alright, now I really have to go. Okay. Au revoir! Oh, they're gonna really hate me over there.

(She leaves.)

Phoebe: So, you just let her go?

Ross: Yeah.

Joey: Hey, maybe that's for the best.

Ross: Yeah?

Joey: Yeah. You know? You just... Look, you gotta... You gotta think about last night the way she does, okay? Maybe, maybe sleeping together was the perfect way to say goodbye?

Phoebe: But now she'll never know how he feels!

Joey: Maybe that's okay. You know? Maybe, maybe it is better this way? I mean, now, now you can move on. I mean, you've been trying to for so long, maybe now that you're on different continents.. (Looks at Phoebe) Right?

(Phoebe nods.)

Joey: Maybe now you can actually do it. You know? You can finally get over her.

Ross: Yeah, that's true. Except I don't wanna get over her.

Joey: What?

Ross: I don't! I wanna be with her.

Joey: Really?

Ross: Yeah, I'm gonna go after her.

Joey: Yeah, you are!

Phoebe: Woo!

(Monica and Chandler look shocked as Ross goes to leave.)

Phoebe: Wait, wait! Get your coat! Get your coat!

Ross: My coat...

Joey: This is so cool!

Chandler: I have no idea what's going on, but I am excited!

Joey: But Ross, Ross. What do you, what do you think she's going to say?

Ross: I don't know, but I.. Look, even if she shoots me down, at least I won't spend the rest of my life wondering what would have happened. Where - where is my coat?!

Phoebe: You didn't bring one! My cab's downstairs, I'll drive you to the airport.

Ross: Okay, guys, wish me luck.

Phoebe: Hurry!

Joey: Good luck, good luck! (Phoebe and Ross leave.)

[Scene: The street right in front of Central Perk. Phoebe's cab is there. Ross and Phoebe run over and jump in.]

Ross: There's no seatbelt!

Phoebe: That's okay. If - if we hit anything, the engine will explode, so you know, it's better if you're thrown from the car. (Ross looks terrified.)

Ross: Alright, alright, let's do this!

Phoebe: Okay!

(A guy comes up and gets into the backseat of the cab.)

Ross: Hey!

Man: 18th and East End.

Phoebe: I - I don't take passengers.

Man: Hey! The law says you have to accept any fare.

Ross: No, you don't understand. This isn't a real cab.

Man: Alright, I gotta report you. What's your medallion number?

Phoebe: My medallion number is, "Get out of the cab!"

Man: What?

Ross: (screaming) Get out of the cab!

Phoebe: Get out of the cab!

(The man jumps out, obviously a little scared. Phoebe drives off.)

[Scene: Monica and Chandler's apartment. Monica, Chandler and Joey are there, packing the last boxes.]

Joey: Oh, hey, hey, can I give you guys your house-warming present now?

Monica: Now, that you can do.

Joey: Alright!

(Cut to Joey's apartment. Joey looks inside the cardboard box that used to be the home of Chick Jr. and Duck Jr., but they have disappeared.)

Joey: Ah... Chick Jr.? Duck Jr.? Don't hide from mama!

[Scene: Phoebe's cab. Phoebe is driving very fast, and a terrified Ross has closed his eyes.]

Phoebe: You can open your eyes now.

Ross: Are we off the bridge?

Phoebe: Yes.

Ross: Is the old woman on the bicycle still alive?

Phoebe: Yes, she jumped right back up. (Ross opens his eyes.)

Ross: Oh my God, Phoebe, slow down!

Phoebe: Do you wanna get to Rachel in time?

Ross: Yes, but I don't wanna die in your cab!

Phoebe: You should have thought of that before you got in!

(They drive up to a toll-booth.)

Phoebe: Toll-booth.

Ross: What?

Phoebe: (screaming) Toll-booth! Four bucks. There are quarters in the glove compartment.

(Ross tries to open a plastic bag filled with quarters, but he's quite slow.)

Phoebe: Hurry!

Ross: Okay!

Phoebe: Okay.

(Phoebe tries to throw some quarters out the window, but she has forgotten to open the window, and she and Ross scream.)

Phoebe: Damn, that window is clean.

[Scene: Joey's apartment. Joey is still looking for the birds.]

Joey: Quack, quack, tweet, tweet, quack, quack, tweet, tweet, quack, quack, tweet, tweet, quack, quack, tweet, tweet, quack, quack, tweet, tweet, quack, tweet, quack... (Monica and Chandler enter.)

Chandler: We were wondering what was taking so long with the gift, but now we understand you were doing this.

Joey: Okay, I wanted to surprise you, but for your house-warming gift, I got you a baby-chick and a baby-duck!

(Chandler grins, while Monica is less enthusiastic.)

Chandler: Really? You got us a chick and a duck?

Monica: Oh, great! Just what you want for a new house with infants. Bird feces.

Joey: Yeah, yeah, they must have jumped off the table, 'cause now they're gone!

Chandler: Oh, don't worry, we'll find them.

Monica: Actually, I'm gonna go check on the twins.

Chandler: Alright.

(Monica turns around and is about to leave when she steps on something.)

Monica: Oh God! What did I just step on?

Joey: Oh!

Chandler: It's okay, it's just an egg roll.

Monica: Oh..

Joey: You stepped on my egg roll?

Monica: I'm sorry, I didn't know to look for Chinese food on the floor.

Joey: Just put it on a plate and leave. (She does so.)

Chandler: Okay, let's find these birds.

Joey: Alright.

(Suddenly, they hear the birds.)

Joey: Wait, wait. Do you hear that? (They realise that the birds are in the foosball table.)

Joey: Oh! They're in the table!

Chandler: Well, that can't be good!

Joey: We gotta get them out of there!

Chandler: How?

Joey: Oh, oh! Maybe we can lure them out. You know any birdcalls?

Chandler: Oh, tons, I'm quite the woodsman.

Joey: Well, maybe we can just tip the table a little.

Chandler: Joey, wait! The ball!

Joey: Oh!

(The ball rolls into one of the goals, and Chandler and Joey listen in horror as the ball makes its way inside the table. Finally, they can hear the birds again.)

Joey: Oh God! So what do we do?

Chandler: I don't know. Maybe we can open this up somehow.

Joey: Okay.

Chandler: No... It's all glued together.

Joey: Does that mean we have to bust it open?

Chandler: I don't know. Maybe.

Joey: Oh my God!

Chandler: I know! It's.. It's the foosball table.

Joey: All right, you know what? We don't have a choice. It's like I would have said in that sci-fi movie if I'd gotten the part. "Those are our men in there, we have to get them out! Even if I have to sacrifice the most important thing in my life; my time-machine."

Chandler: Did that movie ever get made?

Joey: It did not.

[Scene: The airport. Ross and Phoebe run in.]

Phoebe: Ross, where are you going?

Ross: To talk to Rachel, isn't that why we took a ride in the death-cab?

Phoebe: What? What are you just gonna walk up to her at the gate? Have you never chased anyone through the airport before?

Ross: Not since my cop-show got cancelled.

Phoebe: You have to get a ticket to get past security.

Ross: What? We're never gonna make it!

Phoebe: Not with that attitude! Now, haul ass! (They run to the ticket counter, but they get stuck behind a group of old people who are walking very slowly.)

Ross: Okay, if you could all walk slower, that'd be great.

[Scene: The gate. Rachel walks up to the man at the gate and gives him her passport.]

Gate attendant #1: (with a French accent) Madame, your passport please?

Rachel: Oh my God! I was so afraid I wasn't gonna remember any of my high-school French, but I understood every word you just said!

Gate attendant #1: Your boarding pass, please.

Rachel: Oh.

(She starts looking through her purse, but she can't find it.)

Rachel: Oh, shoot. I had it. Oh, I can't believe this.

Gate attendant #1: Madame, if you don't have your boarding pass...

Rachel: I have it, I have it, I have it. Oh, okay, I can't find it, but I remember that I was in seat 32C, because that's my bra-size.

Gate attendant #1: Madame, you must have your boarding pass..

Rachel: Okay, fine! But you know what? If I was in 36D, we would not be having this problem.

[Scene: The ticket-counter. Ross and Phoebe come running.]

Ross: Hey, I need a ticket.

Phoebe: Just one? I drive you all the way down here, and I don't get to see how it works out?

Ross: Fine, two tickets, I need two tickets.

Phoebe: We're on our honeymoon.

Ticket agent: And the destination?

Ross: I don't care. Whatever is the cheapest.

Phoebe: I'm so lucky I married you.

[Scene: The gate. Rachel is still searching for her boarding pass.]

Rachel: Oh! Shoot! Damn it! Where is it? Oh! Oh! I found it! I found it!

(She runs up to the gate and the gate attendant is bawling there.)

Rachel: Hah! I found it! I told you I would find it! In your face! You're a different person.

[Scene: The ticket-counter. Ross and Phoebe have their tickets and start looking at the screens in order to find the gate.]

Ross: Okay, flight 421 to Paris. I don't see it, do you see it?

Phoebe: No, did we miss it?

Ross: No, no, no. That's impossible. It doesn't leave for another 20 minutes.

Phoebe: Maybe we have the flight-number wrong.

Ross: Hello.

Phoebe: Hey, it's me. Here's Ross.

Ross: What? Hey, hey, listen..

(Monica is standing by the crib, and she's looking at her babies.)

Monica: Oh my God! Ross, you wouldn't believe the cute little noises the twins are making. Listen. (She holds the phone down to the twins.)

Ross: Monica? Monica, Monica, Monica, Monica..?

Monica: Oh, I'm sorry. Shoot, they were doing it before.

Ross: That's alright. Listen, listen.

Monica: Oh, wait, wait, wait! Here they go again. (She holds down the phone to the twins again.)

Ross: Monica? Monica, Monica, Monica, Monica..?

Monica: Isn't that cute?

Ross: That is precious! Listen! I need Rachel's flight information.

Monica: Oh, okay. Alright, it's flight 421. Leaves at 8:40.

Ross: Yes, that's what I have. It's not on the board.

Monica: That's what it says here. Flight 421, leaves at 8:40, Newark airport.

Ross: What?

Monica: Newark airport. Why, where are you?

Ross: JFK.

(Ross sadly hangs up the phone, while Phoebe looks at him. Cut to Rachel at the gate. She gives her boarding pass to the gate attendant, and she goes onboard. The gate attendant closes the door and locks it.)

[Scene: Joey's apartment. Joey and Chandler are still trying to get the birds out of the foosball-table.]

Joey: (yelling) Don't worry, you guys, we're gonna get you out of there.

Chandler: And we're also gonna buy you tiny, bird hearing-aids.

(Joey picks up a hammer and a crowbar and gets ready to destroy the table.)

Joey: Okay. Here goes.

Chandler: What's the matter?

Joey: I need to say goodbye to the table first.

Chandler: I understand.

Joey: Okay. Table, you have given us so many great times. And you guys, Jordan, Victor, Joel... All of you guys. What can I say? You guys make us look good. You wanna say anything?

Chandler: I don't know. Except that, for one last time... (he touches the players as he says the following) Good game, good game, good game, good game, good game, good game, good game.

Joey: Okay, here we go. I can't do it.

Chandler: Well, I can't do it either.

(Monica enters.)

Monica: Hey! Did you find them?

Joey: Yeah, they're stuck inside the table!

Chandler: We have to bust it open, but neither of us can do it!

Monica: Oh, well sure. This gotta be so hard. I'll do it. Gimme!

(Monica grabs the hammer and the crowbar and gets ready to bust it open.)

[Scene: Phoebe's cab. She's driving faster than ever before.]

Ross: Phoebe! Wow! No, no, no!

(Phoebe screams.)

Phoebe: Well, I've never gone this fast before.

Ross: Phoebe, forget it, okay? Newark is - is like an hour away. There's no way we're gonna make it in time.

Phoebe: She's got her cell, you could call her.

Ross: I am not doing this over the phone.

Phoebe: You don't have any other choice!

(She lets go of the steering wheel to get her cell-phone from her purse. Ross screams and reaches over in order to hold onto the wheel. Cut to the plane. Rachel is sitting in her seat when her cell-phone rings.)

Rachel: Hello?

Phoebe: Rachel? Oh, good. Hey, by the way, did you just get on the plane?

Rachel: Yeah.

Phoebe: (To Ross) For what it's worth, we would have caught her if we were at the right airport.

Ross: Yay.

Phoebe: Uh, Rach, hang on.

(Phoebe tries to give her phone to Ross, but he won't take it. He mouths "no.")

Rachel: Phoebe? Is everything okay?

Phoebe: Uhm, actually no. No, you've... You have to get off the plane.

Rachel: What? Why?

Phoebe: I have this feeling that something's wrong with it. Something is wrong with the left Philange.

Rachel: Oh, honey, I'm sure there's nothing wrong with the plane.

(The passenger in the seat next to Rachel looks at her and seems a little nervous.)

Rachel: Alright, look, I have to go. I love you, and I will call you the minute I get to Paris.

(Rachel hangs up.)

Passenger #1: Uhm, what was that?

Rachel: Oh, that was just my crazy friend. She told me I should get off the plane, because she had a feeling that there was something wrong with the left Philange.

Passenger #1: Okay, that doesn't sound good.

Rachel: I wouldn't worry about it. She's always coming up with stuff like this, and you know what? She's almost never right.

Passenger #1: But she is sometimes.

Rachel: Well...

(The passenger stands up and gets his suitcase from the overhead compartment.)

Rachel: Wait, what are you doing?

Passenger #1: Well, I can't take this plane now.

Air stewardess: Excuse me, sir, where are you going?

Passenger #1: I have to get off this plane, okay? Her friend has a feeling something's wrong with the left Philange.

Rachel: Could I get some peanuts?

Passenger #2: What's wrong with the plane?

Air stewardess: There's nothing wrong with the plane.

Passenger #1: Yeah! The left Philange!

Air stewardess: There is no Philange!

Passenger #1: Oh my God. This plane doesn't even have a Philange!

Passenger #2: I'm not flying on it!

Air stewardess: Ma'am, please sit down!

Passenger #3: What's going on?

Passenger #1: We're all getting off. There is no Philange!

(Everybody walks out of the plane.)

Rachel: This is ridiculous! I...

(She notices that everybody is leaving.)

Rachel: Yeah, okay.

(Rachel leaves as well.)

[Scene: Joey's apartment. Monica has completely destroyed the foosball-table, and Chandler and Joey are holding the birds.]

Monica: Alright. My job here is done.

Chandler: That was... Impressive.

Joey: Yeah, you didn't even use the tools for most of it!

Monica: Yeah, they were just slowing me down. Alright, I have to get back to the babies. I'll see you girls later.

(Monica leaves.)

Chandler: Sorry about the table, man.

Joey: Yeah.

Chandler: You gonna buy a new one?

Joey: Probably not. Nah. I don't know how much I'm gonna wanna play after you go.

Chandler: Well, at least we got these little guys out.

Joey: Yeah.

Chandler: Aww, we were worried about you! Hm. I guess I better get used to things crapping in my hand, huh?

Joey: I'm gonna miss these little guys. It was nice having birds around again.

Chandler: Hey, you know what? Maybe we should keep them here with you.

Joey: What?

Chandler: Yeah, I mean we've got a lot going on right now. And, plus, here they'd have their own room.

Joey: I could get a goose!

Chandler: You know, I - I think you're set with the poultry. **Joey:** Thanks man. Did you hear that, you guys? You're gonna get to stay here! And, and it's good, you know, 'cause, 'cause now you have a reason to come visit.

Chandler: I think there may be another reason. So, awkward hug or lame cool guy handshake?

Joey: Uh, lame cool guy handshake, yeah.

(They do the lame cool guy handshake. They look at each other, and then they hug.)

[Scene: The gate at the airport. The passengers are standing in line, and they're about to board the plane again.]

Gate attendant #2: Ma'am, I assure you, the plane is fine.

Passenger #2: And you fixed the Philange?

Gate attendant #2: Yes, the Philange is fixed. As a matter of fact, we put a whole lot of extra Philanges onboard, just in case.

(Rachel walks up to the gate. Cut to Ross and Phoebe who come running up to the gate.)

Ross: Where is she?

Phoebe: I don't see her.

Ross: Rachel! Rachel Green!

Phoebe: There she is!

Ross: Rachel! Rachel!

Gate attendant #2: Wow, excuse me, sir, do you have a boarding pass?

Ross: No, no, I just have to talk to someone.

Gate attendant #2: I'm sorry, you cannot go any further without a boarding pass.

Ross: No, no, no, but...

Phoebe: (screaming) RACHEL!!

(Rachel comes back to the gate.)

Rachel: Oh my God... What... What are you guys doing here?

Phoebe: Okay, you're on.

Rachel: What? What? Ross, you're scaring me. What's going on?

Ross: Okay, the thing is...

Rachel: Yeah?

Ross: Don't go.

Rachel: What?

Ross: Please, please stay with me. I am so in love with you. Please, don't go.

Rachel: Oh my God.

Ross: I know, I know. I shouldn't have waited 'till now to say it, but I'm... That was stupid, okay? I'm sorry, but I'm telling you now. I love you. Do not get on this plane.

Gate attendant #2: Miss? Are you boarding the plane?

Ross: Hey, hey. I know you love me. I know you do.

Gate attendant #2: Miss?

Rachel: I - I have to get on the plane.

Ross: No, you don't.

Rachel: Yes, I do.

Ross: No, you don't.

Rachel: They're waiting for me, Ross. I can't do this right now, I'm sorry. I'm sorry.

Ross: Rachel?

Rachel: I'm so sorry.

(She boards the plane.)

Ross: I really thought she'd stay.

Phoebe: I'm sorry.

(Phoebe hugs Ross.)

[Scene: Monica and Chandler's apartment. Joey, Chandler, Monica and the twins are there. Everything has been put into boxes.]

Monica: Well, that's it. Everything's packed.

Chandler: Wow, this is weird.

Monica: I know.

Joey: Yeah. Uh, does this mean there's nothing to eat?

Monica: I put three lasagnas in your freezer.

Joey: I love you!

(He hugs her. Phoebe enters.)

Joey: Hey!

Phoebe: Hey.

Joey: So did you guys make it in time?

Phoebe: Yeah, yeah, he talked to her, but she got on the plane anyway.

Chandler: Where's Ross?

Phoebe: He went home. He didn't want to see anybody.

[Scene: Ross's apartment. Ross enters and checks his

messages.]

Rachel: (on the answering machine) Ross, hi. It's me. I just got back on the plane. And I just feel awful. That is so not how I wanted things to end with us. It's just that I wasn't expecting to see you, and all of a sudden you're there and saying these things... And... And now I'm just sitting here and thinking of all the stuff I should have said, and I didn't. I mean, I didn't even get to tell you that I love you too. Because of course I do. I love you. I love you. I love you. What am I doing? I love you! Oh, I've gotta see you. I've gotta get off this plane.

Ross: Oh my God!

Rachel: (on the answering machine) Excuse me?

Air stewardess: (on the answering machine) Miss? Please, sit down!

Rachel: (on the answering machine) I'm sorry. I'm really sorry, but I need to get off the plane, okay? I need to tell someone that I love love them.

Air stewardess: (on the answering machine) Miss, I can't let you off the plane.

Ross: Let her off the plane!

Air stewardess: (on the answering machine) I am afraid you are gonna have to take a seat.

Rachel: (on the answering machine) Oh, please, miss, you don't understand!

Ross: Try to understand!

Rachel: (on the answering machine) Oh, come on, miss, isn't there any way that you can just let me off... (The message is finished. Ross jumps over to the answering machine.)

Ross: No! No! Oh my God. Did she get off the plane? Did she get off the plane?

Rachel: I got off the plane.

Ross: You got off the plane.

(He walks over and kisses her.)

Rachel: I do love you.

Ross: I love you too, and I'm never letting you go again.

Rachel: Okay. 'Cause this is where I wanna be, okay? No more messing around. I don't wanna mess this up again.

Ross: Me neither, okay? We are - we're done being stupid.

Rachel: Okay. You and me, alright? This is it.

Ross: This is it. Unless we're on a break.

(Rachel gives him a look.)

Ross: Don't make jokes now.

(They kiss again.)

[Scene: Monica and Chandler's apartment. Chandler and Monica are holding the twins. Joey and Phoebe are sitting by the window, while Ross and Rachel are standing together. The apartment is completely empty. Two men are carrying a large dresser.]

Monica: Okay, please be careful with that. It was my grandmother's. Be careful.

(Two other men are rolling the big white dog out of the apartment.)

Monica: If that falls off the truck, it wouldn't be the worst thing.

(She slips them some money.)

Ross: Wow.

Rachel: I know. It seems smaller somehow.

Joey: Has it always been purple?

Chandler: (to his children) Look around, you guys. This was your first home. And it was a happy place, filled with love and laughter. But more important, because of rent control, it was a friggin' steal! (Monica and Chandler put Jack and Erica in their stroller.)

Phoebe: Hey, do you realise that at one time or another we all lived in this apartment?

Monica: Oh, yeah, that's true.

Ross: Uh, I haven't.

Monica: Wait a minute. What about that summer during college that you lived with grandma, and you tried to make it as a dancer?

Ross: Do you realise we almost made it ten years without that coming up?

Monica: Oh, honey, I forgot. I promised Treeger that we'd leave our keys.

Chandler: Oh, okay.

(Chandler and Monica walk over to the kitchen-counter and leave their keys. Then the other four pick out their keys and leave them as well.)

Phoebe: So, I guess this is it.

Joey: Yeah, I guess so.

Monica: (crying) This is harder than I thought it would be.

Chandler: Oh, it's gonna be okay.

(Chandler hugs her. Monica hugs Ross and Rachel as Chandler gets the stroller with the twins.)

Rachel: (crying) Do you guys have to go to the new house right away, or do you have some time?

Monica: We got some time.

Rachel: Okay, should we get some coffee?

Chandler: Sure. Where?

(They all leave the apartment. Joey helps Chandler with the stroller in the hallway, while Monica and Rachel have their arms around each other. Everybody walks downstairs to Central Perk. The camera goes inside the apartment again, and it pans around. We see the keys on the counter, and the final shot is of the frame around the peephole. The screen fades to black.)

THE END
